TOWNSHIP OF SPRINGFIELD
OFFICIAL NEWSPAPER

10¢ A COPY, \$3.50 BY THE YEAR

THIS WEEK

Merchants in Springfield should make it a regular habit of telephoning the Chamber of Commerce before responding to some smooth solicitation—especially if the glib salesman represents some out of town concern.

Several Morris avenue merchants are still licking their wounds after some bright young man induced them to sign a contract for an "advertisement on a new and up to date map of Springfield" which, according to the sales pitch, would be produced in such numbers that "it will cover this area like the early morning dew."

That was nearly three years ago. Several of the merchants, according to their story to the Springfield Chamber of Commerce is making an investigation of the matter.

That part of last week's article on the meeting of the Board of Education and the reference to the new teachers' salary guide was a bit misleading. The facts are, according to Mrs. A. Russell Hillier, member of the local School Board, that "the salary guide approved by the Board of Education at the meeting of January 17 provides for a minimum annual salary of \$3600 for teachers with four years of training, that is, with a B. S. degree. The maximum salary for this classification is \$6400, reached in fourteen steps of \$200 each. For those with a master's degree, the minimum is \$3800 and the maximum, \$6800, representing fifteen steps of \$200 each. Teachers with a doctor's degree would start at (Continued on page 9)

LOOKING FOR A DRIVE-IN—Two Newark men, perhaps looking for the Sip and Sup Drive-in early Sunday morning, escaped death when their car crashed into Marcel's Luncheonette at 271 Morris avenue, without even going through the formality of opening the front doors, according to local police records.

Police say the car, coming east on Morris avenue, went out of control, bounced over the curb as they tried to make the turn at the corner of Mountain avenue, knocked over a parking meter, ricocheted off of Kapaport's Drug Store and then went straight at Marcel's front door.

The car, said to be driven by Harry Shaw, 23, of Newark, caused considerable damage in the drive-in store and his support of the building, hard enough to need considerable repair. The car was demolished and both the driver and his companion, Lee Jeffries, 22, also of Newark, were taken to the Overlook Hospital in Summit. Shaw, the driver of the car, has been served with a summons for reckless driving. (Photo by John Hanson)

"Tuesday's Child" filmed in color, will be presented under the sponsorship of the National Association for Retarded Children. This film brings to our attention a problem that needs to be sympathetically understood by the general public as well as the parents directly involved.

Large Crowd Expected at C. D. Meeting

State and County dignitaries as well as Civil Defense officials from all sections of New Jersey will come to Springfield next Wednesday evening, February 1, at the James Caldwell School auditorium to help the Women's Club emphasize the need of coordination on all matters of defense in this area.

The principal speaker of the evening will be Mrs. Phillip Woodward, Federal Administrator of Women's Activities and Chief of the War Relocation Service of Region 1 which includes the New England states, New York and New Jersey.

The program will start at 8:15 p.m. The meeting is intended to promote civil defense participation and, in addition to the speaking program, exhibits will be available to spotlight the work being done in Springfield. The local Civil Defense group under the leadership of Daniel Lucy, Springfield Director of CD, will be on hand in uniform. This uniformed group includes 31 police reserves, about 15 or 20 fire reserves who will exhibit various types of masks and extinguishers; 21 first aid squad workers and over 90 Civic Air Patrolmen who will have on display much of the equipment used in defense work.

Major J. Leonard Goldenbaum, the New Jersey Wing Coordinator of the Civil Air Patrol, has heard of the program being presented at the meeting and called Mr. Lucy to tell him that he will definitely be coming in from Trenton to appear at the meeting with 52 other Civil Air Patrolmen. He is particularly interested in Mrs. Woodward's message on "You and the H-Bomb," as the Civil Air Patrol works hand-in-hand with the Civil Defense and Disaster Control of the State of New Jersey.

"MAN OF THE YEAR"—Donald B. Palmer was awarded the Citizenship plaque presented by the Lions Club at ceremonies held at the Orchard Inn last Friday evening. Shown in the picture with M. Kerr, and the Chairman of the Award Committee, George D. Harrison, Jr. (Photo by Bob Jones)

"Good Citizenship" is Presented to Don Palmer

Named to Bank Board—John Schaibe, Jr., President of Schaibe Oil Company of 192 Mountain avenue, Springfield, has been named one of the new directors of the Union Center National Bank in Union. Membership of the Board of Directors was increased from 8 to 13 at a meeting held last week.

Springfield's "Man of the Year" honor and the "Good Citizenship" award by the local Lions Club was presented to Donald B. Palmer at the regular weekly meeting of the local organization last Friday night at Orchard Inn. The presentation of a plaque to Mr. Palmer as evidence of his selection by the Lions to receive the 1956 award for outstanding service to the community came as a big surprise to him since he was invited to attend the meeting as a former member and was not told the real reason for his presence.

Walton School Ready for 345 Pupils, Feb. 6

The new Edward Walton School on Mountain avenue will be ready for classes on Monday, February 6, according to an announcement made yesterday by the Board of Education after a final inspection of the new building by School Board members, Township officials and the representatives of the contractors.

School Superintendent Benjamin F. Newslinger stated yesterday that 345 children, now in classes in other Springfield schools, will be enrolled to start their work in the new school.

All the lights, heating, communications and other facilities of the newly completed Edward Walton School were opened for the first time yesterday morning to accommodate the official township inspection tour of the school and its grounds.

Members of the Township Committee, and Board of Education, were led on the tour by contractor and architect representatives, who gave a detailed explanation of the ultra-modern construction features. Township officials, after checking on the materials, craftsmanship, and planning, expressed general approval of the construction to date.

They will submit requests for minor alterations and corrections to the general contractor, who has expressed willingness to complete the job in accordance with all specifications.

Bandits Visit Gas Station Here Again

The hold-up bandit who grabbed a bag full of money several months ago by tying up the attendant at Burger's Shell Station at the corner of Morris and Springfield avenue, made another visit to the gasoline station Saturday night and, at the point of a gun, drove off with \$87 in receipts, according to Springfield police records.

The robbery was reported as having taken place just before 10 o'clock last Saturday evening with Douglas Hall, age 26, as the attendant who, police say, was compelled to hand over the money when one of the armed bandits threatened him.

Police believe this is the same bandit who took away the cash receipts after tying up the attendant several months ago. He is said to have told police that he

A truly outstanding Civil Defense program is in store for you, with Mrs. Philip Woodward of Winchester, Massachusetts, the highlight speaker of the evening. Mrs. Woodward, whose topic will be "You and the H-Bomb," is Federal Coordinator of Women's Activities in Region 1 (all of the New England States, New Jersey, and New York.) She is also Chief of Men's and Women's Warden Service in the Federal Civil Defense Administration; her message will be of keen interest to both you and your husband. Be sure to invite him.

Officers of the State Federation of Women's Clubs are taking advantage of this rare opportunity to hear this outstanding speaker and to see the fine exhibits. Presidents of thirty-five Women's Clubs in the Fifth District have also been invited.

These state, county, and municipal leaders and patriotic citizens—KNOW—the importance of Civil Defense and Disaster Control. They'll be present... will you?

The Springfield Woman's Club's outstanding social event of the year is drawing nearer by the minute! All members and their friends eagerly look forward with much anticipation to a gala evening at the Annual Mid-Winter Dance, to be held on Friday evening, February 10, at the Hotel Suburban in Summit. Pilar, Jr., is sponsor of the affair—and is offering

So put on your dancing shoes and prime yourself for the Bunny Hop, Mexican Hat Dance, and Elimination Dance... you may be a lucky winner! Or if you prefer to fox-trot, waltz, rumba, or mambo (yes, even if you've gone in for the meringue!)... there'll be tempos to please you and your friends.

Tickets will not be available at the door, and are selling fast, at \$2.75 per person including tax. As this dance is open to the public, tickets, you'll certainly want to include your friends and neighbors in the good time ahead. Very much pleased with the availability of the Cannonball House for its rehearsal meetings, the Drama Department, under the chairmanship of Mrs. Lee Andrews, Jr., is now proceeding full steam ahead on its Husband's Night production, "The Women." Rehearsals will be held there every Thursday and Friday evening through the month of February, and other Club members who can offer assistance with stage properties, etc., would be most welcome at these meetings.

Watch this column for announcement of the entire cast in the very near future. This hilarious satire written by Clara Boothe ran hundreds of performances on Broadway. Headed by an outstanding cast of local talent, the Drama Department's production on March 7 promises to be a delightful and entertaining one. The play deals with the workings of the female mind... so if you want to know what "The Women" REALLY are like, mark your calendar now. March 7 is only six weeks away.

On Wednesday, January 18, President Mrs. Edwin G. Davenport and Mrs. John Trout, Corresponding Secretary, attended the Sixty-Fifth Anniversary and Annual Presidents' Day of the Wednesday Morning Club of Cranford.

ary 25. Mrs. Drew Hall, Program Assistance Chairman of the State Federation of Women's Clubs, had called this conference for the purpose of planning the approved programs for the State Federation.

The monthly meeting of the Executive Board was held last evening in the Cannonball House with Mrs. Davenport presiding.

The Handcraft Group of the Art Department will meet on Monday, February 6, at the Cannonball House at 8:15 p.m. Mrs. Joseph Zidonik, Department Chairman, announces that the project will deal with Soap Carving, rather than Mosaic Tile.

Eighth-grade Pre-Teens are

cordially invited to attend the Pre-Teen Dance tomorrow night in the Gaudineer School Gymnasium. This recreational activity is sponsored jointly by the Springfield Recreation Department and the Springfield Woman's Club. The time: 7:30 to 9:30 p.m.

D.A.R. Meets

The Church and Canon Chapter, Daughters of the American Revolution met Tuesday evening, January 24, at the home of Mrs. M. P. Simmons of 166 Sport Hills avenue.

P.T.A. NEWS

The third orchestral concert for Young People at the Mosque is on Saturday morning, January 28. The bus will leave from Florence M. Gaudineer School at 10 a.m. The world premiere of "Pet of the Met" by Harriet Johnson will be presented. This is the story of a musical family of three whose home is the Metropolitan Opera House and whose favorite music is Mozart's "Magic Flute." Also in commemoration of the 200th anniversary of Mozart's birth the program will include an arrangement of various passages from his music interspersed with entertaining anecdotes from his life as written by Helen Kaufman.

If lack of transportation keeps you from attending PTA meetings, please contact Mrs. B. P. Yuckman, 28 Fieldstone Drive, Buxton 9-4388. She has a list of volunteers who will gladly arrange a ride for you.

Mrs. Lawrence Max has temporarily accepted the chairmanship of the local PTA committee on Juvenile Protection. She will cooperate in carrying out a four-point program as set up by the National Congress of Parents and Teachers.

Letters to Editor

Editor, Sun:
A news item appeared in last week's issue of "The Springfield Sun" asking for an entertainer to join the American Legion Auxiliary group for a visitation to Lyons' Veterans' Hospital on January 24. We are most happy to report that Mrs. William J. Doyle, the local Auxiliary's Veterans' Rehabilitation Chairman, received offers from a singer, a piano player, and two accordionists!
We wish to express our grateful appreciation to the "Sun" for the publication of the news article, to the entertainers who so readily and generously responded, and to the American Legion Auxiliary members who endeavored to make the hospital stay of the veterans a little more pleasant.
Very sincerely yours,
American Legion Auxiliary Continental Unit No. 228

Your Library

The Springfield Free Public Library has recently received many requests for plays and for material on the theater. Since there seems to be an extraordinary interest in this subject in Springfield and several amateur groups in town are now rehearsing productions to be staged soon, the library is continuously adding to its drama collection and now has several books on stage production which should be of great help to any group interested in staging plays. Among these books are:

"Amateur Dramatics" by Lee Norman; "Stage Lighting for Amateurs" by Peter Giffin; "The Amateur Theater Handbook" by Van H. Cartmell; "Stage Management for the Amateur Theater" by W. P. Halstead; "Practical Stagecraft for Amateurs" by Brandon Thomas; "The Art of Play Production" by John Dolman, Jr. and "The Art of Scenic Design" by Lee Simonson. In addition, the library has the "Best Plays" series and many other collections and individual plays, both British and American, plus classic drama of all countries.

For those interested in producing shorter plays and skits, many one-act plays are available. Most of these are for children and should be of interest to teachers, scout leaders, and others working with younger groups. "Little Plays for Little People" and "Plays for our American Holidays," both by Sanford and Schaffler are examples of this type. There are also special groups of plays for teen-agers, all-girl casts, etc. For adults, the library has "Contemporary One-Act Plays," "Representative One-Act Plays by American Authors," etc.

Parents interested in having their pre-school children attend the Story Hour on Friday mornings should obtain tickets at the library or call to have tickets reserved for their children. Library hours: 10:30 a.m. to 5:00 p.m., Monday through Saturday, 7:30 p.m. to 9:00 p.m., Monday and Friday evenings.

News of Local Troops

Leaders' Memos
Mrs. Joseph Zidonik, training chairman, has announced the following training schedule for leaders who are interested in first year, intermediate, second year intermediate, badge and curved bar rank instruction. These sessions will be held at 8 p.m. on Tuesday, February 7th, 14th and 21st at the home of Mrs. E. Mayer, 2194 Morrison avenue, Union, N. J. Due to Mr. Mayer's illness, Mrs. Mayer is not able to give this course in Springfield. However, rather than make the Springfield Girl Scout leaders wait until fall for this helpful instruction, Mrs. Mayer has agreed to hold the three sessions in her home.

Please notify Mrs. Zidonik (DR-6-1666) if you plan to attend these important meetings. Every leader in Springfield—and indirectly, every Girl Scout—can benefit from these sessions.

"Troop Consultant" sessions will be held at the Westfield Little House, Clark street, Westfield, starting Friday, January 20th and each Friday thereafter for about six sessions. Mrs. Kellner, Westfield training chairman, has announced that the meetings will be held from 8:30 to 11:30 a.m. and from 1:00 to 2:45 p.m. Leaders who wish to start this course on the 27th will be brought up to date by the instructors.

TROOP NEWS
Troop 13
Mrs. J. Zidonik, Leader
Mrs. C. Ledig, Mrs. W. Doering, Mrs. A. Peinhardt, Co-Leaders
The party which we planned as part of our Hospitality badge proved to be a tremendous success! Fifteen scouts and their escorts enjoyed an evening of games and fun at the home of our co-leader, Mrs. Alfred Peinhardt, of 18 Tooker place. We had planned the games, decorations and refreshments at our scout meetings. The night of the party, we played games, served the refreshments which we had made earlier, and had a wonderful time. One of our "escorts" remarked on the way home, "That was keen! We ought to do that every month!"

For our Christmas gift, Mrs. Zidonik showed us how to do some ceramic painting. We each painted a long necked bud vase with Persian blue and camilla pink "Wong-fire" glaze. The finished product was even lovelier than we'd dared hope. Our next outing will be a skating party at Bowercraft on route 22.

Troop 21
Mrs. J. Moses, Leader
Mrs. H. Couston, Mrs. J. Doege, Mrs. A. Parker, Jr., Co-Leaders
We are having "meeting place trouble" like many of the other troops. Holding a meeting "after" the second session of school doesn't give us much time, but it won't be long before the new school is finished and we can meet there and have a full length meeting for the many things we want to do. We have already had a course in "table setting" and one in "good grooming." We are looking forward to the fun that will come with the work on our "Pen-Pal" badge. The song festival will be here soon. We will select our song this week and start serious practice for this big event.

As this is our first year as intermediate Scouts, we all had to get new uniforms. Slowly, but surely, we are getting our uniforms and we are very proud to be able to wear them.

One of the first things we are going to do when we get our new meeting place is to give a "tea" for our mothers. We hope the wait will be short.

Final plans have been made on the Blue and Gold dinner for Cub Pack 172. It will be held in the Presbyterian Parish House on Thursday, February 9 at 7 p.m. Each Den will make a table centerpiece for the affair.

Mr. E. Baumer, cubmaster will welcome a new Den into the Pack at this affair.

We want to thank Mr. Bert Maidment for the splendid job he did as advancement chairman. Mr. Maidment had to give up his post because he is moving out of town. May we welcome Mr. D. Bias, at this time, taking over as advancement chairman and know he will do as well.

Pack 172 played host at the round table meeting Monday, January 16 held at the Florence Gaudineer school. It was a very interesting meeting and should be attended by all whenever possible.

On Saturday, January 14, Den 2 went to see the ice show in Madison Square Garden, then had supper in the Automat. A very good time was had by all.

WHY THE CHRYSLER WINDSOR V-8

Everything about driving a Chrysler is new! You touch a button on the left (and safe!) side and Push-button PowerFlite, the smoothest of all transmissions, goes into action.

From four lengths behind to four lengths ahead of a moving truck going 40 m.p.h. in 8 seconds flat. That's the kind of reserve power you get in Chrysler's great airplane-type V-8 engine.

Full-time PowerFlite Steering does 80% of the work... gives you a car-footed feel of the road every inch of the way... requires less pull... only 3 1/2 turns from full left to full right.

IS THE YEAR-AHEAD CAR

"PowerStyle" CHRYSLER
Biggest buy in the fine car field!

And talk about style! Here's the "PowerStyle" look that is showing its sassy tail to contemporary car designs. Isn't it time you compared a Chrysler with the other cars in its price class?

Best of all, you can own a bigger, more powerful Chrysler Windsor for the cost of a medium-priced car. Here is year-ahead value that means better re-sale value for years to come.

Our "Sign of Quality" Used Cars - which include many late model Chryslers - are the greatest buys in town!

FIRST ANNIVERSARY—The Sip and Sup Drive-In Restaurant, one of Springfield's brightest spots located at the corner of Morris and Springfield avenues, was one year old last Tuesday. Jack Bullock, President and General Manager of the operation, said the first year of business was "most successful" and regular patrons come from all sections of the area. Bullock, a graduate of the Cornell University where he specialized in hotel and restaurant education, is also head of the firm of J. A. Bullock Associates, consultants on restaurant operations. He has been in the food field for 30 years, is married and resides at 6 Sunset Drive, Summit, with four sons, the oldest of whom is enrolled in Duke University. Bullock is also Deacon of the Central Presbyterian Church, Summit.

Upper left hand photo shows Bullock accepting birthday flowers from Joan Ntala, one of the counter girls, on behalf of the entire staff. The right hand photo depicts Bullock explaining how to accept a hamburger from Lillian Carey, the "curber" or drive-in attendant, without spilling the coffee. The lower left shows part of the regular Sip and Sup staff of over 33 persons enjoying the few words of thanks given by Bullock for "making the first year such a success by your faithful and efficient service."

New Officers Take Over Evening Group

The Evening Group of the First Presbyterian Church held its first meeting of the new year on Wednesday, January 18, at 8:15 p.m., in the Parish House. New officers to take over at this meeting are as follows: Mrs. Walter Baldwin, President; Mrs. Harry Donhauser, Vice President; Mrs. Arthur Buehrer, Secretary; Miss Alice Reig, Treasurer; Mrs. Jack Moore, Hospitality; Mrs. Glenn Oyler, Publicity; Mrs. Thomas Gaddy, Devotions; Mrs. Herbert Bailey, Program; Mrs. Raymond Pierson, World Service; Mrs. E. T. Whitlock, House; Mrs. Walter Schramm, Friendly Aid; Mrs. John Trout, Belvedere and Mrs. Williston French and Mrs. Max Schneider, Ways and Means.

The guest speaker for that evening was the Rev. Benjamin N. Lall, Executive Secretary of the North India Synodical Board, which administers the work formerly done by our North India Mission.

ORT to Meet

Hold Winter Party

A winter party was held on December 22, 1955 at the home of Miss Jean Ann Chadwick of 345 Morris Ave., Springfield. A mid-night buffet was served, and everyone enjoyed the turkey with all its trimmings, salads and cake. Attendees were: George Pirker, Arthur Hayes, Mr. and Mrs. Norman Moore, Ed. Coan, Roger Smith, Tom Brown, Johanna Puntigam, Marie Corbellini, Ken Schroeder, Charles Schaffernoth, Joan Donovan, Marjorie Westmberger, Julie Merritt, Richard Bishop, Carol Malone, Nancy Raymond, A. Thomas, Bettina, John Rahenkamp, Sue Charles, Sally Meyer, Joan Craddock, Mr. and Mrs. Robert Maguire, Mr. and Mrs. Peter Schaub, Ellen Schwartz, Richard Ernst, Ormond Mesker, Trudy Kuchs, Paul McClatchey, Jeanne Anderson, Joyce Arnold, Joe Sales, Roland Beers, Mr. and Mrs. David Compton, and Robert Scaramo. Local Sale Offers Many Good Buys

Merchants throughout Springfield are busily preparing their merchandise in participation of Dollar Days, sponsored by the Chamber of Commerce, on February 9-10-11. Foreseeing heavy consumer traffic from Springfield and surrounding communities, the Chamber will soon distribute point-of-sale display material, street banners, and in conjunction with the Springfield Sun, mail 10,000 "shoppers" listing the many bargains. Storekeepers have indicated that their displays are keyed to the "value" theme, with much of their merchandise marked down to about a dollar. Dore Bernstein, of the Dore Ann Shop, lauded the timing of the promotion saying, "This sale will come just between our winter clearance and showing of spring fashions. Customers will have the opportunity of purchasing excellent fall and winter fashions at sensational savings... and in addition get a preview of some stunning spring styles." Mill Keshen, of Beacon Hill Stationery, and Stuart Gold, of the pacesetter, noted that coming before Valentine's Day, this sale will enable everyone to purchase their gifts and still save.

\$4,000 and reach a maximum of \$7,000."

The Springfield Sun received a letter from Hong Kong, China, from a former resident, Robert F. McAuliffe, who is stationed there. The letter itself is interesting but the speed of delivery is worthy of some note. The letter is postmarked as leaving Hong Kong January 19 and it was delivered to the Sun in Monday morning's mail.

Following is the letter on the International Hotel, Ltd., 33, Cameron road, Kowloon, Hong

Kong:

Since I am a Springfield resident and naturally a town booster, here is one for the books and the Chamber of Commerce.

The other night while dining in a Russian restaurant here in Hong Kong, the waiter was using a pencil made by the Best Pencil Company, U.S.A., a Springfield product. It may be a big world but this one incident only goes to show how small it really is.

I note in the Sun that Springfield still has its petty problems (Morris avenue parking, etc.) but when you compare Springfield with other cities in

the East, I'll take Springfield. Maybe a trip to this part of the world is in order for some of Springfield's severest critics. What would they say about the contaminated water in Taipei or the open sewers in Saigon? Sincerely, Robert F. McAuliffe

Part of a story in the Sunday Newark News on Springfield's tax and budget problems stated that "the increase in the threatened tax hike was due to the garbage collection contract which is up \$76,000 over last year..." If we weren't so far away from an election, that might smack of politics, since the scavenger department and garbage contract are under the jurisdiction of Township Committee member Vincent J. Bonadies who happens to be the lone Democrat on the governing body.

The truth of the matter is that the garbage contract figures, as quoted in the Newark News, are not correct. There is an increase

of \$14,000 per year over the garbage contract just concluded, according to Bonadies, and the contract is for five years. This was the lowest of the bids submitted. Not to mention the fact that the contractor had to submit his bid on a basis of paying his garbage truck drivers at a weekly rate of \$114.

In addition to his historical activities, Mr. Palmer served for four years, during World War II, as secretary of the Civil Defense Fire Reserves, and in 1950, when the war in Korea made the reactivation of Civil Defense units necessary, he complied with the request of the late Fire Chief Charles Pinkava that he resume that post, which he still holds.

Dimes Cards Now Out for Polio Drive

Postmen started delivery yesterday of the appealing little cards for the March of Dimes campaign and all residents are asked to respond immediately and return them with as large a contribution as possible.

"Each dime card has individual slots into which the kids can slip 20 dimes and a spacious envelope designed especially to hold folding money," J. Leo Moran, March of Dimes campaign director, said. "And we can use plenty of both kinds, because—POLIO ISN'T LICKED YET."

Mr. Moran pointed out that

March of Dimes mailing lists are not complete and some residents may not receive a card through the mails. He invited all who wish to contribute to the fight against polio to mail their contributions to the Springfield March of Dimes, 258 Morris Ave.

"The important thing," he said, "is to fill the card promptly and return it by mail or in person. We've got a lot of polio patients who are going to need help for a long time to come and they need that help right now."

"The Mother's March on Polio will be held on Tuesday night. We need more Mothers to volunteer for this one night to make it a success. This Mother's march on polio is going to be a national drive throughout the country. It will also close the fund drive for the year of 1956. Phone your name or write to J. Leo Moran, 15 Litchfield Place."

In Asia life expectancy at birth is comparatively brief—only about 30 years, says the Population Reference Bureau.

New Elks Group Meets on Monday

All residents of Springfield, interested in the organization of a new Elks Lodge in the Township, are invited to attend another meeting of the group which is to be held at Waller's Inn, at 8:15 p.m. There is no obligation for those attending Monday's meeting but membership applications will be available for those who will want to consider joining.

So that the group will be able to function until the charter is given, the name of "Springfield Elks in Organization" has been adopted and Charles Proto of 250 Bryant avenue has been named chairman of the organizing group. His telephone is DRexel 6-6466 in case anyone wants to contact him for more information.

Richard Blake of 130 Henshaw avenue—whose telephone number is DRexel 6-0335, has been named secretary of the organizing group. These appointments were made at last Monday night's meeting at which time all reports showed considerable interest in the forming of an Elks Lodge in Springfield.

Application has already been made for a charter and the local group hopes to have the lodge in operation as soon as word is received from Elks' headquarters.

Cars, sponsored by the Antique Automobile Club for the March of Dimes. Meeting with 80 other car enthusiasts in New York Monday, January 8, they drove their 1915 Model T Ford on one leg of the cross country tour from New York to Somerville.

The tour originated at Mary McArthur Memorial-Respiratory Center, Wellesly Hills, Mass. and will end in Los Angeles. It will cover 4,045 miles, with some 3000 cars participating. March of Dime committees throughout the country will greet the motorcade, and will receive letters written by the polio patients at the Mary McArthur Hospital.

CATHOLIC INFORMATION

Who likes to go to Confession?
Who really likes to kneel before a priest and accuse himself of sins, naming the grievous ones, giving the number of times they were committed—promising restitution if need be, expressing true sorrow, resolving, with the help of God's grace, never to sin again? Is there anyone who really likes to do that?

Imagine the most powerful ruler of any nation obliging his subjects to confess like that to him or to his delegates! There would be a revolution, wouldn't there? Yet the Catholic Church has ever had just such a law for its millions of people in every clime and in every age. Not a single one is exempt.

For this there is only one reason—a Godly reason. To the Catholic, confession to a priest was commanded by Christ, who is God, when He said to His first priests: "Whose sins you shall forgive, they are forgiven them; and whose sins you shall retain they are retained" (John 20:23). These divine words, every Catholic believes; were meant for all priests of all time and imposed an obligation on all Catholics of all time.

Confessing directly to God? Every Catholic worthy of the name does just that every time he realizes that he has committed a grievous sin. "At office or mill, on the street or in the home—as soon as this realization comes to him—he begs God's forgiveness at once; but he goes to the confessional also where he confesses again directly to God before a priest—who must hear the sins if he is to forgive them in God's name—if he is to judge, advise, and encourage the penitent.

Who likes to go to Confession? Perhaps the Pope and the cardinals, bishops, priests, nuns, and the more devout laity—all of whom must also confess to a priest—like to go to Confession to express sorrow for their sins of the past and to creep even closer to God's heart through the great graces of the great Sacrament of Penance. But he whose sins are the blackest—he who most degrades the humility of Confession—if he is truly penitent, receives just as truly the merciful forgiveness of God and comes forth from the confessional, sinless, fortified, and with a happiness beyond anything in this world; for as St. Luke tells us: "There shall be joy in heaven upon one sinner that doth penance—more than upon the ninety-nine just—who need not penance." (Luke 15:7).

FROM STAGECOACH TO STREAMLINER

Sending money in stagecoach days was more picturesque than practical. Indians and bandits were constant threats to safe delivery.

Today air mail service and coast-to-coast railroad "streamliners" have replaced pony express and stagecoach. And checks have replaced cash in over 90% of all financial transactions.

WHAT THE BIBLE TEACHES ABOUT "LOVE"

One of the first things the Bible says about love is found in Leviticus 19:18, "thou shalt love thy neighbor as thyself." How different this world would be if men would apply this text to life. We are so self-centered because of self-love that we have little or no time to be concerned for others. If everyone of us loved our neighbor and cared for him as we do for ourself there could be the peace upon earth for which all men cry.

Very soon again the Bible speaks concerning the subject of love. In the book of Deuteronomy chapter six we read, "Hear, O Israel: The Lord our God is one Lord; and thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might." There is no contradiction here for he who loves God wholly will love all men for God is love and the lover of all.

"God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life." John 3:16. "Herein is love, not that we loved God, but that He loved us, and sent His Son to be the propitiation for our sins." I John 4:10. "Can you deny such love? 'God commended His love toward us, in that, while we were yet sinners, Christ died for us.'"

He Loved me in spite of my sin,
When wandering afar from the fold;
He died my salvation to win,
In love that never grows cold.

Fred W. Compton, 33 Sevana Avenue won the semi-annual shooting of the Sweepstakes Handicap...

The hoop season has passed its half way mark. The Regional record stands at ten and one.

No one with the exception of Union who beat us, has come close to doing the trick.

Adjusted scores are as follows: F. W. Compton, 288.54; H. A. Jones, 288.49; H. O. Bailey, 288.17...

There are still six games excluding the tournaments. They are against Union, Morrissett, Linden, Somerville, Rahway and a tough Scotch Plains.

The Grapplers just keep on going along on their winning ways. They have beaten Dover, Morrissett, Plainfield, Rahway, Jefferson and St. Benedict.

Our bet is they stay on top in their remaining meets, and again bring the championship trophy to Regional.

Les Lawn will be out of action until tomorrow. Lawn, the team's leading scorer sprained a few muscles in his back.

Line of praise to Warren-Walkins, he did a good job filling in for the ailing Les Lawn.

It is interesting to note that the Bulldogs have only dropped two games on their home boards, both against Union.

Another interesting fact is that four of the varsity starters, with the exception of Ron Golcher, all hail from Springfield.

Watch Dick Benner also, our candidate for individual state honors. Don Carpenter hit for twenty-seven in Tuesdays Jay Vee tilt, a good idea of things to come.

The Community Shoppe, present leaders in the local bowling league, tangled with the third-place Cuzzolino Furs last Monday evening, and the furriers took two of the three games.

The American Legion stayed in close contention by dropping Clare Mould two out of three.

aggressive defensive play. Roy Abrams and Norm Lawn came through with timely scores in the second and final periods to nip the Globetrotter bid for victory.

Big Bill Franklin scored twenty-three points on eleven baskets and one foul, with lanky Johnny Hazelman scoring ten, Wade Maxwell kept the Trotters in the game with several good scores from underneath, although the hard working Franklin showed good potential by doing a great job of clearing both backboards.

The middle game was a nip and tuck affair all the way, with the Bullets coming through in the final minute for a 17-15 victory over the luckless Nationals.

In the opening game of the triple-header Saturday, the Celtics, with pivotman Tuffy Hartz leading the way, tripped the hustling Bullets. For the losers, it was Frucstrom sparking the Bullets with 12 points on six field goals.

In the final of the triple-header, the Lakers came through with a hard-earned 22-19 victory over the Knicks. Billy Buckalew racked up 12 points on six baskets for the Lakers, with little Dixie Walker and Mitterhoff the top scorers for the losing Knickerbockers.
