THIS WEEK

Why No Springfield?

One of those bright young men "in a grey flannel suit" at the Farmers and Consumers Dairy Products headquarters has pretty well saturated Springfield with what is intended to be a useful medium of advertising for their products. It is a paper place-mat or perhaps, "a dolly" would be a better name for it—evidently given away and used in various eating places in the Township.

A map is printed on this paper place-mat with the names, no doubt, of the communities served by Farmers and Consumers. Every place in the area from Liberty Corner to Cedar Grove appears—EXCEPT SPRINGFIELD.

Knowing that Art Lamb and Bob Bryson have been shouling the quality of the FCD products for so many years and having built up what is known in the trade as a very good business, we asked Bob about this map without even the mention of Springfield.

Bob admitted that his "face was red" and volunteered the information that Springfield was one of the "good" outlets in the entire area, and he couldn't understand why the Township wasn't even shown by a dot on the advertising map.

If the Farmers and Consumers Dairy Products officials have any good reason to hush-hush the fact that they are doing a big business in Springfield, this might be a good time to tell Art and Bob about it.

While we're on the subject of recognition for Springfield, a feature news story appeared last week on the number of people employed by Union County, and their many years of service. We read the article carefully but there was no one mentioned from Springfield. At least, no one in the top-drawer type of job.

We're not referring to the political slave in the form of some little clerkship. We're wondering whether there is anyone from Springfield who has been appointed to some good spot either in Union County or in the State government. Certainly, on the basis of political recognition, the wonderful job done by the Springfield Republicans—election after election—should entitle the Township to some patronage. There's a lot of hard work done in Springfield every election and, in politics, recognition is measured in terms of jobs to the faithful workers.

One of the most popular and deserving appointments in Springfield was the naming of Arthur L. Marshall as full time Sanitarian and Plumbing Inspector for the Township. Mr. Marshall started his full time job this month whose duties it will be to enforce the sanitary code and no better qualified man could have been selected by the Township Committee to handle that work.

The duties are not new to Mr. Marshall but it has never been a full time job and he had devoted only the time necessary to inspect a specific problem. With Springfield growing so rapidly, there was need for such a municipal official to be available at all times.

Local Tax Rate For 1956 Shows Hike to \$9.96

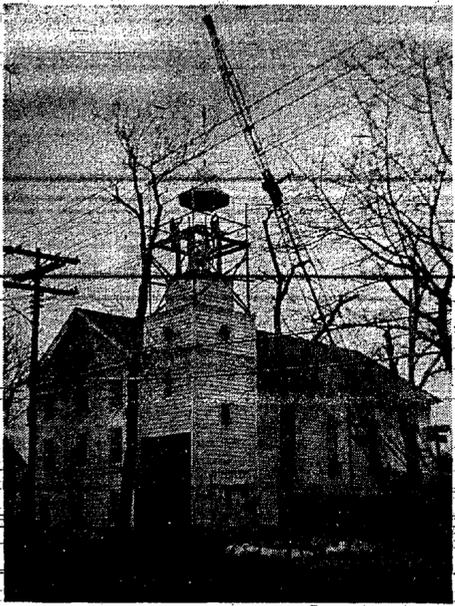

An estimated tax rate for Springfield of \$9.96 for 1956 is indicated in the budget introduced and approved at last night's meeting of the Township Committee.

The complete budget figures are to be published in the Springfield Sun next Thursday, February 16, with a public hearing scheduled for March 7, at 8 o'clock.

The analysis of the estimated tax rate for 1956 and the anticipated increase over 1955 is shown below:

	1955	1956 Incr %
Local Purpose	\$3.41	\$3.33 \$.08
Local School	3.76%	3.37 39%
Regional School	1.46%	1.34 12%
County-Regular	.93	.90 .03
County-Ad'nal	.39	.39
	9.96	8.94 1.02

*Estimated increase due to Tax Equalization Program.
The new budget shows an increase in the 1956 operating appropriations of \$25,561 for salaries and wages and \$47,695 for other expenses.
The higher tax rate is due, in a great measure, to the levy for additional county taxes which is an increase of approximately \$62,000 as a result of the Tax Equalization Program.

CLOSING THE TOWER—Crane shown lowering the cupola to the new tower after church bell was put in place on the remodeled Methodist Church.

Old Church Bell Placed In New Methodist Tower

The old church bell made by the Clinton H. Moneely Bell Company of Troy, N. Y., in 1880 and presented by the Kings Daughters to the Methodist Church in Springfield at that time, was hoisted by a crane and workmen last Saturday and placed in the new tower in the remodeled Methodist Church on Main street at Academy Green.

Those witnessing the "bell-raising" included the contractors, Robert and Harry E. Nonemaker of Maplewood; Methodist trustees Engle E. Hershey and Charles Quenzel; pastors Bruce Evans, Rev. David Gageser of Springfield and Marvin Green; and other interested spectators.

Inscribed on the bell are the words: "Presented by M. E. Church, Springfield, N. J. by Kings Daughters. President: Mrs. Rev. T. H. Smith; Vice-president Mrs. Albert Sickley; Secretary Miss Anne Toker; and Treasurer: Miss Annie Sickley."

Before raising the cupola to the top of the tower, various officials inscribed their names and the date inside.

CHARLES F. HEARD
—Charles F. Heard, one of founders of the Springfield Historical Society, was elected president of the group at a meeting held in the Presbyterian Church Parish Hall last week. He was treasurer of the society and one of the hard workers for the success of the group.

Mrs. Eva P. Brown of Meisel avenue was elected vice-president and Township Committeeman Eugene F. Donnelly will be treasurer. Howard W. Wiseman will continue as secretary and Donald Palmer, curator. Trustees named for 1956 include Mrs. Robert Anderson of Baltusrol road, Mrs. Theodore L. Van Loan of Short Hills, Karl Tallau, Magistrate Henry C. McMullen and William S. Quinlan.

In addition to the election the regular meeting featured motion pictures and color slides of the 15th Anniversary celebration of the Battle of Springfield by Elliott Lichtenstein, proprietor of the Springfield Pharmacy, who had charge of this phase of the township celebration program last June.

Volunteer Firemen to "Ring Doorbells" Sunday

The annual two day drive for funds for the Volunteer Firemen of Springfield will be held this Sunday, February 12 and the following Sunday, February 19.

Uniformed men will "ring doorbells" on these two days in the annual campaign to replenish the treasury for the various services of the organization. The drive ends with their annual dance to be held at the Old Evergreen Lodge on February 24.

Robert Marino is chairman of the drive for funds who will have all members of the Volunteer organization out on Sunday in addition to the firemen of the local civil defense.

Township Officials Favor Saks Plan to Locate in Springfield

County Leaders Pick Bonadies For Freeholder

The Union County Democratic organization has fired the first shot in what promises to be one of the most interesting political campaigns by announcing that Township Committeeman Vincent J. Bonadies has been unanimously selected as one of the freeholder candidates.

Chairman James J. Kinneally, in a telephone conversation from his home in Rahway last night, stated emphatically that Bonadies was the first choice of the advisory group for one of the freeholder spots.

"We have been watching the upsurge of the Democrats in Springfield and believe Bonadies is the type of candidate our organization needs," said Mr. Kinneally in discussing the coming campaign. "Bonadies was the choice of practically everyone in the group and now we are looking around for the kind of a ticket that will bring victory. We have several fine candidates under consideration for the full county ticket and their names will be made public very shortly."

Bonadies has accepted the invitation to be on the freeholder ticket for the Democrats and yesterday confirmed the announcement made by the County Chairman Kinneally.

"I am very happy that the Springfield Democrats have been given recognition by the county leaders," said Bonadies yesterday. "As soon as the remainder of the ticket is ready, I will make plans for the county-wide campaign with Springfield as the base of operations. This does not

Urge Voters to Cast Ballots Next Tuesday

Election to fill the three places for a full three year term and one vacancy for one year to complete an unexpired term on the Springfield Board of Education will be held next Tuesday, February 14.

There will be a contest for both the full three year term and the one year term which should attract more than the usual small number of voters.

Four candidates will seek the three seats on the School Board for the full term with Milton Kappstatter, a teacher of high school subjects in Newark since 1935,

64 Votes Cast in Regional Election

This may be startling news to many people in Springfield—but there was an election for the Township's place on the Regional Board of Education Tuesday and exactly 64 votes were cast.

William J. Melick received 60 of these votes in an uncontested bid for re-election. Voters were also asked to approve the annual budget which appeared on the machines and 64 are reported as having cast ballots in favor of this question.

Last year there was a contest for the one place on the Regional Board and Frank M. Kerr attracted 333 voters as against 124 for Mrs. Mildred Simmons, the opposing candidate.

The public hearing on application for certain necessary zoning changes to expedite the plan for the Saks Fifth Avenue organization to build an elaborate retail establishment on the Anderson property in Springfield has been postponed until Thursday, March 8.

The hearing was originally scheduled for this evening but certain technical details have not been completed and a request for a postponement until March 8 has been readily granted.

However, everything is being done by the Township officials to bring this big department store branch to Springfield. Conferences have been held with the top executives of the Saks organization, it is understood, and all the obstacles should be cleared away very shortly so that actual work of planning can be started.

With the new ratables that would come to Springfield in addition to the "prestige and general enhancement" of business throughout the Township, the governing body is expected to do everything possible to expedite the necessary changes in the zoning, taking into consideration some of the objections voiced by residents in that area.

One official who did not care to be quoted said that he believes Springfield residents will be satisfied when the final variances and zone changes are granted to the Saks organization and that the only concern at the present are the outside influences being exerted to take this high class ratable away from Springfield.

"The traffic situation, especially on Millburn avenue, is being used by some selfish people who are making every attempt to have the Saks officials consider some other site in this area—not in Springfield. Springfield is making a thorough study of the matter and every possible effort is being made to welcome and keep Saks here. Right at this moment every sign points to having this fine organization a part of Springfield's future."

There is already a cluster of three new stores on the near corner of Henshaw and Mountain avenues and the report is that Conte's Delicatessen, one of the enterprising establishments in this building, has purchased the entire property. A barber shop and a paint and wallpaper store now occupy the other two stores.

Other building activity on Mountain avenue includes three stores at the corner of Clinton avenue, a new bake shop next to the G. & B. Variety at 717 Mountain avenue.

March of Dimes Is Short of Goal Here

The March of Dimes campaign in Springfield is far short of its quota but last year's figure may still be reached if all those who received the March of Dimes cards will return them to 269 Morris avenue as indicated on the envelope.

Approximately \$2,000 has been received in the fight against polio here, one of the March of Dimes workers stated yesterday, and if those who have not yet sent in their Dimes cards would do so, the quota should be reached. "The Dimes cards are all numbered," said an official, "and we may have to contact those who have not responded. We expect to all those who have not contributed to the March of Dimes to please complete the cards and return to the Springfield committee as soon as possible."

STARTS FULL TIME JOB
Arthur L. Marshall began his duties on the first of the month as the full time Sanitarian and Plumbing Inspector in Springfield, a job he has been doing for a great many years but only on a part time basis. Because of the rapid growth of Springfield and the need for closer supervision and enforcement of the Township's Sanitary Code, Mr. Marshall was named to the full time office.

In connection with the appointment as full time Sanitarian, Mr. Marshall has made the public announcement that he "is no longer associated with the firm of Arthur L. Marshall and Son, plumbing contractors of Springfield." Former Mayor Robert W. Marshall has taken over the business as of February 1, 1956.

1st Presbyterian Church To Dedicate Carillon Bells

Dedication ceremonies are being planned Sunday, February 12th for the "Carillon Bells" instrument which has been installed at the First Presbyterian Church of Springfield. This announcement was made by the Rev. Bruce W. Evans, Pastor of the Church, who said that the bells have been presented to the church as a memorial gift.

This "Carillon Bells" instrument is known as a "Caronation" Carillon and is an exclusive development of Schulerich Carillons, Inc., of Sellersville, Pennsylvania. The instrument consists of 25 miniature bell tone generators of bronze bell metal which are struck by metal hammers, producing exact true bell tones almost inaudible to the human ear. These bell vibrations are then amplified over 100,000 times by means of specially designed electronic equipment, producing bell music with all the depth and richness of tradi-

OPEN ON HOLIDAYS

The Board of Trustees of the Springfield Library wishes to announce that this year it has been decided to have the Library open on these holidays—Monday, February 13, Lincoln's Birthday and Wednesday, February 22, Washington's Birthday.

PROCLAMATION

WHEREAS, February 6 to 12, 1956, is the 46th Anniversary Week of the Boy Scouts of America, chartered by the Congress of the United States as a program for the boys of America, and

WHEREAS, The Boy Scout Program has affected the lives of 24,500,000 American boys and men since 1910, and now has an active enrollment of 4,100,000, and

WHEREAS, The programs of Scouting are used by many institutions in our community in helping boys grow in fields of Character and Citizenship, and

WHEREAS, The movement now launches its Four-Year Program, "Onward for God and My Country," to give an increasing number of boys of the nation experiences and values that will help them to meet their future more adequately prepared;

NOW THEREFORE, I, Albert G. Binder, Mayor of the Township of Springfield in the State of New Jersey, do hereby proclaim the week of February 6 to 12th as "Boy Scout Week," and do urge our citizens to recognize the patriotic service being rendered to our community by the volunteer Scout Leaders, to express their appreciation to the religious bodies, school organizations, veteran groups, fraternal groups and service clubs which sponsor our Cub Packs, Boy Scout Troops and Explorer Units, and to help increase the benefits of Scouting for more boys throughout our community.

In support of above I further urge all citizens to sustain this Movement through generous contributions to the 1956 Boy Scout Campaign beginning February 11, 1956.

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of the Township of Springfield to be affixed, this 9th day of February, 1956.

ALBERT G. BINDER, Mayor

Brotherhood Week Program To Be Held Next Tuesday

The men of most of the churches and synagogues in Millburn, Short Hills and Springfield will hold their annual Brotherhood meeting, a part of National Brotherhood Week, this year next Tuesday evening, at the new Chapel of the Church of Jesus Christ of Latter Day Saints (Mormon) at 140 White Oak Ridge road, Short Hills.

Last year it was held at the Jewish synagogue in Millburn. Next year the Congregational Church expects to invite the group to its new Chapel on Pastorage Hill road.

Dr. Everett R. Clinchy, president of the National Conference on Christians and Jews, will be the principal speaker. Cantor Krammerman and his choral group from the Jewish Community Center in Springfield will sing central songs. An informal social hour will follow the formal meeting. Clarence Nordstrom, noted comedian and favorite of the Paper Mill Playhouse for many years, will entertain with some appropriate anecdotes. Light refreshments will be served.

Men from all the participating Churches and Synagogues are invited and all will be welcome. Entertainment after the meeting will include the Antioch Baptist Choir and the Choir of the Springfield Jewish Community Center, as well as Clarence Nordstrom, comedy star of the Paper Mill.

Refreshments will be served with food conforming to all religious dietary laws.

The Men's Club of the Congregation B'nai Israel in Millburn, an active participant in the meeting, extends a cordial invitation to all men in their area to join them in this most significant get-together.

Mistake Trash Container For Moved P.O. Mail Box

Even worse than the absent minded professor who put his wet umbrella carefully to bed and stood up all night in the kitchen sink, is the person who has become a slave to the habit of depositing mail daily in the post office street box in front of the First National Bank, at the corner of Morris and Flermer avenues.

It was perfectly proper to throw bills, checks and valentines in that mail box until the Post Office department installed a drive-in courtesy mail box on that spot. They moved it around on Morris avenue instead of just in front of the bank entrance where it has been for years.

When the mail box was moved, there was left, at that very same spot a waste paper disposal box. Patrolman Ralph Merlucci who is stationed at that intersection, observed many of the regulars complete their banking chores and head right for the spot where the former mail box had been to deposit the usual mail.

He wasn't certain but curious enough to inspect the contents of the trash container. He fished out many letters—many pieces of first class mail and deposited them in the proper mail box around on the Morris avenue side. The police officer then watched the trash container carefully to see that no more mail was deposited for delivery by the scavenger contractor.

The new mail box with motorist courtesy chutes for drive-up service is on the Morris Avenue side of the First National Bank, painted in a red, white and blue color scheme.

Mrs. Dwyer Speaks School Facilities At Local Meeting Inspected By Super

Assemblywoman Florence P. Dwyer, who today announced that she has accepted the urging of the Republican party in Union County to be a candidate for Congress in the Sixth District, was guest speaker at the regular meeting of the Country Oaks Association held at the home of Mr. and Mrs. Kenneth Bandemer, 36 Evergreen avenue, Tuesday evening.

Assemblywoman Dwyer came to Springfield at the invitation of Mrs. Amy Bandemer, Republican County Committee woman, and her discussion of state health aid for schools proved to be very interesting. A question and answer period followed her talk and refreshments were served.

Assemblywoman Dwyer's statement on her candidacy follows: "In recent weeks, leaders of the Republican party in Union County—and my friends and supporters—have urged me to be my party's candidate for Congress in the 6th District.

"The Union County Republican organization's Advisory and Screening Committees also have honored me with their unqualified endorsements as our party's Congressional candidate.

"My decision to accept these votes of confidence and enter the race for an office of high responsibility has not been an easy one.

"For the last seven years it has been my privilege to represent the citizens of Union County in the State Assembly. During those years it has been my constant determination as a legislator to serve all of the people, regardless of race, creed or party affiliation, full-time and with the unselfish devotion to duty the public deserves from its law-makers.

"My record as a legislator and the vigorous support given me by the electorate are testimony to the successful achievement of my aims as a public servant.

She is survived by two sisters, Miss Ruth Casselmann of Montclair, and Mrs. Helen Denesh of Hillside.

Church Announces Confirmant Class

Registrations are now being received for the Confirmation Class at the Methodist Church which will meet each Sunday morning at 8:30 beginning next Sunday, February 28th, and continue until Easter. The Sunday programs will be composed of learning new hymns, hymn-stories, musical interpretation, Bible study, memory work, and learning the history of Christianity in relation to the other religions of the world, with particular reference to the history and meaning of Methodism.

Two films will be seen by the Confirmation class only: "The Book for the World of Tomorrow" on Friday afternoon, March 2; and "The Living Word in Japan," on Friday afternoon, March 9.

The Confirmation Class will sponsor two world-famous sound color films, "Martin Luther" on Sunday night, March 18; and "John Wesley" on Sunday night, March 25th. These movies are open to the public without charge and will begin each night at 7:30 o'clock.

A field and bus trip to New York City to visit other denominational headquarters will be made by the entire class on Saturday, March 24th. A banquet will be held on Wednesday, March 28th during Holy Week, after which a service of Dedication for all members of the families of the class members will be held, and the class members will receive their first Communion.

Dr. Marvin Green, pastor and leader of the class, invites all boys and girls from ages 9 on up to participate in the class; although he reserves absolute right to decide which individuals are ready to join the Church on Easter Sunday, April 1.

Joint Lenten Services Here Start on Wed.

The Community Lenten Services will be held in the First Presbyterian Church this year beginning on Ash Wednesday, February 15, at 8:00 p.m.

These services will be held each Wednesday evening at the same hour under the sponsorship of the Presbyterian and Methodist Church of Springfield with the Rev. Bruce W. Evans, the Rev. Marvin W. Green and the Rev. David Sageser of the National Council of Churches participating.

The theme will be "Personalities of the Passion" in which the various speakers will discuss the unique contributions of Biblical personalities in the fields of Christian Faith.

For Ash Wednesday Services the technical film "I Beheld His Glory" will be shown. This is the story of the life of the Roman Centurion Cornelius and the effect on his life of the events of Holy Week. This film has been adjudged one of the most significant religious films in the last twenty years.

For the remainder of the Lenten Services the themes are as follows: Feb. 22—"The Onlookers"—a study in attitudes; Feb. 29—"Mary"—a study in devotion; March 7—"Judah"—a study in fidelity; March 14—"John"—a study in fidelity; March 21—"The Malefactors"—a study in decision; and March 30—"The Crucifixion" by the Senior Choir of the First Presbyterian Church. (A Good Friday Service).

The Savings Bond that went through the wringer — without shrinking!
There's no doubt about it. The modern automatic washer does a pretty thorough job on a Savings Bond. But it takes more than dampness or detergents to destroy its value.
This photograph shows what happened when a U. S. Savings Bond, left by mistake in a man's shirt pocket, went through the family washing machine. It looked like a real blue Monday for that Bond-owning family—until they told their story to the U. S. Treasury. The Government replaced the Bond. The family, realizing more than ever the value and safety of Bond ownership, stepped up their regular Bond-buying program. And they all lived happily ever after.
This little story, which is a true one, illustrates why Bonds are said to be "Safer than Cash." Each year the Treasury replaces thousands of Bonds lost either through carelessness or through the whims of nature. Every major flood, tornado, explosion or fire brings a wave of applications for Bond replacement.
So here's something to remember. Any of your Savings Bonds that are lost, stolen or destroyed will be replaced by the United States Treasury without charge.
U. S. Savings Bonds are not only safer than cash but one of the best investments you can make. You can be sure of the principal, sure of the returns (an average 3% interest when held to maturity)—and sure of the future when you invest regularly in Savings Bonds.
So start investing in Savings Bonds today—either on the Payroll Savings Plan where you work or at your bank. That's the safe and sure way to clean up.
FOR THE BIG THINGS IN YOUR LIFE—
BE READY WITH U. S. SAVINGS BONDS

The dads and sons were Mr. Lou Cohen and David, Mr. Phil Lewis and Dominic, Mr. Ed Sikorski and Ed, Jr., Dr. Stanley Freeman and Steve, Mr. Irv Gershen and David, and Ed Kisch and his brother Richard.

On Sunday afternoon, Feb. 5, the Court Immaculate Heart of Mary of Union held a Literary

tea in keeping with National Catholic Press Month. Honored guests were Rev. Edward J. Begley, court chaplain; Miss Mary Kanane, State Grand Regent; and Miss Cecelia Kernan, State education chairman. Miss Doris Kowalechky, who is a member of the faculty of Franklyn School in Union and who was chosen as community ambassador to Germany, gave a delightful talk on her visit. The two members at the tea representing Springfield were Mrs. Alfred Niedermaier and Mrs. Joseph Rokosny.

One of the prettiest parties held in town was given by Miss Merrill Post, daughter of Mr. and Mrs. Russell Post of 115 Salter St. In keeping with the Valentine theme, 200 hearts enhanced the setting. (The decorations were supervised by Mr. Post who is art teacher for the Springfield schools.)

Merrill's guests were Rosalie Sherman, Nancy Oakman, Wilma Chirigotes, Karen Buckley, Pamela Frances, Patti Bandemer, Virginia Barnwell, Bernice Mason, Maureen Neal, Nancy Marshall, Dana Karrer, Barbara Rau, Penny Smith, Art Gerber, Richard Naumann, Peter Darymple, Richard Johnson, Bob Smith, Curtis Roth, Howard Selander, Herbert Etzold, John Anderson, Sandy Smith, Philip Bittersbacher, Bruce Evans, Thomas Marino, Alex Bell, Richard Haselmann, all of Springfield, and Henrietta de-Freytag-of-Whippany.

Methodist Amateur Program Plans Set

The Amateur Show being presented by the Methodist Church Men's Club at Springfield on April 12, 13, and 14 seems well on its way to being the biggest attraction of its kind ever to be staged in this area according to General Chairman Harry Webb.

The program chairman, Bob Butler reports that many contestants have already signed and that many others have made requests for applications and Mr. Butler is pleased with the variety of types of acts. Butler suggests that anyone who is still interested in securing applications may contact him through the Methodist Church. The ticket chairman reports that ticket sales are brisk and that it is expected that the Regional High School auditorium will be filled for all three nights of the show. Tickets are on sale at the

Your Library

"We, too, shall gladly serve." The wit, Irving Cobb, once pointed out that the sand is such a shifting and changing substance that "great men" would prefer to leave their footprints in a more durable material, and not as the poet says "footprints on the sands of time". But, however, this may be, the celebration of great men's birthdays, especially those of Lincoln and Washington, this month, can inspire us. They may not inspire us ordinary men "to make our lives sublime," but they can teach every one of us great lessons of unselfish public service. For this reason the Free Public Library of Springfield has decided to devote this month to discussing service, and its own service in particular.

To begin, the Library is starting a new service. It is going to stay open both holidays, February 13 and February 22. During the rest of the year it will be open on more of the single holidays like Columbus Day and Election Day. On Thursday, at their regular meeting, the Board of Trustees voted to try this service for one year and see how it works out. Some readers have complained that the Library is closed on the day when they really have the leisure to enjoy it. On Saturdays they have to rush to accomplish many errands and the brief evening periods (one and a half hours, 7:30 p.m. to 9:00 p.m., Mondays and Fridays) do not leave them time to browse.

Since a great many new non-fiction books have been added to the Springfield collection this year, these two days will give the public an excellent opportunity to come in to look these books over. Among new books added are those on child care; cooking, interior decoration, do-it-yourself, science, travel, hobbies, and stagecraft. There should be something for everyone to enjoy.

There seems to be no more fitting way to honor the public service of our "great men" on their birthdays, than to visit the Public Library which is ready to serve you. Let us paraphrase the poet and say:

Lives of great men all remind us

mean that it will interfere with my work on the Township Committee or in behalf of strengthening our local Democratic organization.

Seek Local Candidates

"We expect added interest in the county ticket here in the Township and it is our hope to enlist the help of every Democrat and independent voter for the coming campaign. The Springfield Democrats are seeking two outstanding young men in the Township to become candidates for the Township Committee elections this fall.

"This is an important presidential year and, with the local interest in Congressman Harrison A. Williams who will be a candidate for re-election, the possibility of a Union County contest to fill Sen. Hand's place, and my being on the Freeholder ticket, we hope to win the two places on the Township Committee. I plan to help organize the Springfield Democratic campaign and devote as much time to the local cause as for the county contests.

"There are a great many newcomers interested in the Democratic party and all those are invited to contact any member of the Springfield organization so that they may play a part in the coming campaign—or even present themselves as possible candidates for the two places on the governing body.

"I have no definite plans as yet—but I am going to continue to serve my full term on the Township Committee."

and Harold C. Oakman, manager of an industrial concern, newcomers in a school campaign. The other two candidates are Mrs. A. Russell Hillier and Alan R. Cunningham, both seeking re-election to the School Board both of whom are just completing their first three year terms.

The one year term will find Raymond Baumrind and Edwin G. Davenport asking for the voters' support. Mr. Baumrind is vice principal of the Robert Treat Junior High School in Newark, is holder of a Master's Degree from Columbia Teachers' College and is now working towards his doctorate. Mr. Davenport is owner of a hearing aid distributorship is very active in various civic programs and his education includes University of Pennsylvania, New York University and two years with the N.Y.U. Bellevue Medical.

and industrial volunteers will receive detailed and helpful instruction.

The many Cub Packs, Scout Troops and Explorer activities in Springfield, all of which are sponsored by various Churches and Organizations here, will benefit from the usual generous and thoughtful assistance given by the people of Springfield.

Any amount donated to this worthwhile cause will be appreciated by the entire committee. Each street in the entire town will want to be represented and should send someone to this meeting on Thursday night.

Do what you can is all anyone can ask.

New Elks Lodge Invites Members

Applications are being accepted for the recently announced Springfield Lodge of Elks in Organization and more charter members are expected to sign when the group holds its next regular meeting, Monday evening, at Walter's Inn, 595 Morris Avenue.

Considerable enthusiasm for a Springfield Elks Lodge was indicated by the fine crowd attending last Monday evening's meeting at Walter's Inn. Approximately 50 residents of the Township attended and heard members of various Elks lodges throughout the state point out the objectives of the organization. The plan now is to limit the membership to 200 and, as soon as the charter has been granted, a committee will be named to seek a location for the local lodge.

Until that is done, the organizing committee announces that meetings of the new local Elks will be held at Walter's Inn every Monday night where "Jiggs" Lacciello and Fred Sharpe, the proprietors, are "going all out" to make their private-room facilities available for the social end of the evening.

Those interested in becoming charter members of the new Elks Lodge are invited to come to Walter's Inn this coming Monday night, at 8 o'clock, at which time applications for membership will be received.

Senator Forbes to Speak Here

Senator Malcolm Forbes of Somerset County has accepted the invitation to be principal speaker at the annual dinner dance of the Springfield Republican Club to be held at Baltusrol Country Club in April.

CATHOLIC INFORMATION

What happens after death? On a few score years, all who read these lines will have vanished from the face of the earth. Every day, almost a hundred thousand human beings finish their earthly span and pass off into the vast beyond. That our turn will come we all know, but when and where and how we cannot be sure.

No merely human being ever has been able to look into eternity and tell us what it is like. No scientific knowledge or scientific instruments can pierce the curtain that divides this world from that into which all of us must eventually journey.

All we know about God's eternal plans for us . . . all we know about what lies beyond the grave . . . come from the God Who made us and to the extent He has seen fit to reveal it to us. But we can face eternity without fear. For we do have a definite answer to the mystery of death. With the facts God has put at our disposal through the inspired books of the Old and the New Testaments, the Catholic Church always has given, and gives today, a definite answer to the tremendously important questions raised by the fact of death.

Man's life in this world, the Church tells us, is a preparation for the world to come. A fasting-time which ends with our death. What happens after that depends on whether death finds us loyal to God, or opposed to Him and the way He expects us to live . . . it is appointed unto men once to die and after this the judgment! (Heb. IX:27)

Christ gave us (Matt. XXV) a description of God's judgment which leaves no room for doubt that our worthiness of everlasting reward will be judged solely according to the way we have lived our lives on this earth.

Men blessed by youth and good health often feel that death for them is far away—something to be worried about only in the twilight years. Some scoff at the suggestion that an everlasting hell could be permitted by a merciful God. Others seem to think that God will treat them kindly if they live reasonably moral lives, even though they pay Him no special honor which is His due.

But whatever they think . . . however they avoid the question . . . all men must eventually face the fact of death. To think about it wisely . . . and in time . . . is the most important thing in our lives.

IMPORTANT NOTICE TO DOG OWNERS!

The privilege of owning a dog and deserving his affection carries certain legal responsibilities. The State Rabies Control Act and local ordinances provide that:

- 1—All dogs which have attained the age of seven (7) months, or which possess a set of permanent teeth—must be licensed during the month of January each year.
- 2—Dogs CANNOT RUN AT LARGE IN NEW JERSEY. They constitute a menace to public health and property, are liable to serious injury or death and quite often cause serious traffic accidents.
- 3—You are liable for any damage your dog does to a neighbor's property.
- 4—If your dog bites someone report it at once to your Police Department and keep your dog under strict quarantine for ten (10) days.
- 5—Walk your dog on a leash or give him a fenced in play area on your own property.
- 6—If he is an "outside" dog State Law provides that he must be given a good, weather proof dog house and plenty of water. A chain attached to a long wire must be provided for adequate exercise.
- 7—Fasten your dog's license securely to his collar. It is the only way he can be identified.
- 8—OWNERS OF DOGS FOUND RUNNING AT LARGE WILL BE GIVEN A SUMMONS!

The program of dog control known as The Regional Animal Control Program, in which your town participates is designed to protect both dog owners and non-dog owners alike. In addition it protects your animal from theft, injury and from damaging a neighbor's property. It further prevents the spread of infectious diseases among our canine friends.

So, be a good citizen, license and control your dog. He deserves this protection. If he becomes lost or you know of cases where dog owners are not meeting the legal requirements or humane standards outlined above, NOTIFY US AT ONCE.

Women's Club News

Our February club meeting on the first of this month was one which, indeed, should make us, as members of the Springfield Woman's Club, feel proud to have been able to offer our community by providing factual information concerning family civil defense protection measures through Mrs. Philip Woodward's memorable and highly informative talk.

Moreover, we as residents of the Township of Springfield, should be indeed proud of being citizens in a community where so fine an organization as our local Civil Defense and Disaster Control is in existence.

To say alone that the program was successful would be a great understatement; Mrs. Woodward spoke to a near-capacity audience of nearly four-hundred patriotic citizens who realize that a mutual effort towards preparedness is important in every community in the United States — and that Springfield is no exception. For those who unfortunately could not attend, Mrs. Woodward suggested reading Phillip Wiley's "Tomorrow" or "Elkothima-Diary." The latter is a story of what happens in a city where 500,000 people are killed or injured by one bomb. What would YOU and YOUR FAMILY do in the same situation? Did you say, "Oh — I'll think about that IF it happens?" If you did, you'd better change it to "WHEN it happens." . . . And by then it'll be too late to do much thinking. But it's still not too late to enroll as a volunteer Civil Defense worker. Many more are needed in Springfield, and an application for enrollment will be mailed to you upon request. Call our Municipal Director of Civil De-

tense and Disaster Control and offer your help . . . DREXEL 6-5184 TODAY.

We are very grateful to Mr. Daniel-Lucy, our Municipal Director of Civil Defense, and to each of the Deputies of the Eleven Departments comprising the Local Civil Defense Control; and to all Civil Defense workers who supported our program and gave so willingly of their time and effort to bring such interesting and informative displays to our meeting, in an effort to promote greater interest and participation in this important segment of our military strength.

At our February meeting Mrs. John Quinn of 102 Irvin street was welcomed and introduced as a

new member of our club by Membership Chairman, Mrs. Gilbert E. Mann.

Did you have your radio tuned in to station WABC last evening at 8:30? If you did, you were fortunate in hearing the first of an exciting series of twenty dramatic broadcasts based on the community projects of Women's Clubs throughout the nation. "High Moment," the new dramatic series, is based on the efforts of average men and women to better their communities. Mrs. Theodore S. Chapman, president of the General Federation of Women's Clubs, and Theodore V. Houser, president of the Sears-Roebuck Foundation, will be guest speakers throughout the series. If you

enjoyed the broadcast you heard last evening, our Federation Headquarters at Washington, D. C., suggests you send a card of appreciation to your local WABC network . . . and be sure to keep tuned in for the rest of the series.

Mrs. Kenneth Bandomer, Fifth District Chairman of Civics and Legislation, and Mrs. Merton D. Williams, State Chairman of Allied Youth, attended the Presidents' Council at the Clio Club of Roselle-Roscoe Park on January 31. The all-day meeting consisted of a morning workshop on parliamentary procedure, at which time Mrs. Williams was called upon to answer questions concerning the revision of the State By-Laws, on which committee

she also serves. The revisions will be presented and voted upon at the Sixty-Second Annual Convention of the New Jersey State Federation of Women's Clubs in April. Mrs. Ford A. Starkweather of Cranford, Fifth District Vice-President, presented a review in the afternoon session of the forthcoming events of our Fifth District.

Mrs. Kenneth Bandomer, General Chairman of the Fifth District Legislation Forum and Luncheon, announces that reservations are coming in fast. The Luncheon will be held at the Baltusrol Golf Club on March 6, where approximately 125 members will have the privilege of hearing Senator Malcolm Forbes

discuss the legislative picture in the State of New Jersey, and Assemblywoman Florence P. Dwyer discuss the legislative picture from the point of view of Union County. Among other things, they will discuss State Aid for Education, what is being done about the overcrowded school situation, narcotics, and water supply and fluoridization.

Reservations are on a "first come—first served" basis; all members of the Springfield Woman's Club are invited to attend. However, as only a very limited number can be accommodated, it is suggested that you contact Mrs. Bandomer as soon as possible if you are planning to attend. More details will be published shortly.

The International Relations Department meeting will be held this evening at 8:30 at the home of Mrs. Frank Holler, 137 Meisel avenue. Miss Alice Rieg and Miss Frances Wahl will show slides of their recent European tour. Mrs. Thomas Geddes is co-hostess.

The Music Department will meet this evening at the Cannonball House at 8 p.m. Mrs. Lisle G. Rector is hostess and Mrs. Amy Bandomer will serve as co-hostess.

The Drama Department has cancelled its meeting on Monday evening, February 13, in view of the fact that its members are rehearsing three evenings a week for its Husbands' Night presentation of "The Women."

The Literature Department has also cancelled its meeting for (Continued on Page 7)

SCHOOL NEWS

FLORENCE M. GAUDINEER SCHOOL

Miss Jean McPhillips
At the Florence M. Gaudineer School many phases of art forms are being covered in the beginning of the year. Both seventh and eighth grade pupils worked with the more common materials such as crayon, chalk, water-colors, and construction paper. Experimentation was encouraged and new discoveries were made concerning their use. The purpose of these projects is to develop the student's understanding of how one material differs from another and how to obtain the best results with each medium.

Some of the eighth grade classes proceeded with projects in design, particularly the repeat pattern, one which is within their experience. Most of the boys in 8G and 8H made their own designs on paper, cloth, and numbers of their T-shirts for intramural sports. Mr. Winberry's eighth grade class made a book showing all of the students. Every student had the opportunity to produce his design on a sheet with pen and marker. There were a variety of designs, from floral and animal motifs to an intricate design of the sun and stars decorating a sweat shirt. The members of 8D used the medium of the block print for their repeat patterns and many of them designed Christmas and Hanukkah cards.

The pupils of grade seven were introduced to perspective, to help them grasp the understanding of the third dimension. They learned to draw cubes, spheres, cylinders, and cones. They began with drawing roads, railroad tracks, and telephone poles, trees, and fences in proportionate size.

Eighth grade classes are now experimenting with the possibilities of two-point perspective. Pupils in 8G and 8H have found that they can draw whole cities, their homes, boats on a shelf, or just three-dimensional objects in space at different levels. During December all classes participated in holiday decorations. A mural depicting the historical significance of Christmas was painted by the eighth grade classes. The drawings were displayed on one of the bulletin boards in the hall.

Since the new year, eighth grade classes have been working with problems concerning form, color, and texture. The students drew each other without looking at the paper, to develop a sensitivity to line, shape, and color.

Hand puppets have been started in some classes and book binding in others. The purpose of this is to develop dexterity of the small muscles.

EDWARD WATSON SCHOOL NEWS

Mrs. Dorothy Chandler
We made the best vegetable soup for our lunch. We put meat, carrots, celery, onions, potatoes, and tomatoes in it. We also added alphabet noodles. We had fun finding letters. We learned a song called "Hot Soup". We did our first winter storybook. Brad filled a jar with water. We set it outside our window overnight. The weather was so cold that the water froze and broke the jar. We learned that when water freezes it expands.

Grade I
Mrs. Jane Schorb
Most of us are reading the unit on the farm. We have shared our personal farm experiences during language activities and learned from listening to records about farm animals. Sounds and music have been correlated with our farm project. To strengthen our reading skills, we have had two new primers, containing repetition of our sight word vocabulary, stressing reading for independence and fun.

Grade II
Miss Marjorie Blinn
Our second grade class had two most interesting units. Mrs. Reesor's class is compiling a classroom newspaper based on the children's experiences. Susan Buckley, Wendy Scharf, Jade Goldman, and Nancy Munnich are the editors on the master sheet which will be mimeographed.

Grade III
Mrs. Ruth Arey
The fifty children of Mrs. Arey's afternoon and Miss Boorjy's morning classes have been using their artistic ability on the bulletin board. It is now a real winter scene with a dark blue sky scattered with six pointed snow flakes, distant clouds in snow hills and plains of white far snow, and a skating pond of light blue in the foreground.

Grade IV
Miss Rose Di Napoli
Mrs. Di Napoli's class has just completed a unit on modern inventions. We compared our times with those of yesterday. The class discovered and studied those things which have changed our way of living and have made life more enjoyable. As a part of our study, the class traced the electric light back to the discovery of electricity by Benjamin Franklin. The class was very surprised to learn that Mr. Franklin invented many other useful inventions.

Grade V
Mrs. Constance Bizlewicz
After visiting the historical sites of our southeast, each child selected the state he would someday like to visit and gathered, condensed and tabulated vital information for his future visit. Many original, interesting and educational booklets were completed about the states. They showed an understanding of how the people of the Southeast have come to make a living and how this region grew from its earliest settlement. Exceptional booklets were handed in by Dianne Eger, Paul Bludman, Virginia Deeg, Geneva Custard, Helene Baur, and Jerry.

Grade VI
Mrs. Margaret McGarrath
The sixth grades have been engaged in a "Short Story" contest. After the stories were written and edited by the pupils, they were read to the class and judged. The best five stories in each grade were awarded prizes. In history, the hand maps of Greece were drawn and some of the best ones are on display on the bulletin board. A study of scale drawings has been started and the pupils have drawn rooms, baseball diamonds, and rugs. They have looked for examples of scale drawings in magazines to ascertain their various uses.

MOST SUCCESSFUL CHRYSLER IN HISTORY!

THE YEAR AHEAD CAR!

Here's dramatic proof that there's more that's new in Chrysler than in all other competitive cars combined!

New In 1956	Chrysler	Comparably-priced Car "B"	Comparably-priced Car "C"	Comparably-priced Car "D"
Major style changes	YES	NO	NO	NO
Longer Body	YES	NO	NO	YES
New Pushbutton Drive Control*	YES	NO	NO	NO
New Revolutionary-Brake System	YES	NO	NO	NO
Hi-Fi Record Player*	YES	NO	NO	NO
Increased Horsepower	YES	YES	YES	YES
Instant Heating System*	YES	NO	NO	NO

And the other 3 cars still do not have full-time power steering and the airplane-type V-8 engine... major advances which Chrysler has had for years!

And you can own a bigger, more powerful Chrysler Windsor V-8 for the cost of a medium-price car... even for the cost of a "low-price" car with all the optional equipment.

WHAT THE BIBLE SAYS ABOUT SIN

The universal problem of sin has afflicted mankind since the early chapters of history. The beautiful story of creation recorded in the first book of the Bible is marred by the shameful record of the first sin. Man came from the hand of God perfect for God is not the author of imperfection. When man sinned, he brought upon creation and procreation the terrible curse outlined in chapter three of Genesis. From the moment of sin Adam began to die. Had he not known sin he could have lived forever in innocent bliss. In Adam all men sinned since he is the father of all men. As Adam died, so it is appointed unto all men to die.

Since God is too holy to look upon sin, the disobedience of the two in the Garden of Eden dissolved the bond of fellowship between God and His creation and man became obedient to sin and death. In order to cover the nakedness which now became apparent to Adam and Eve and which represented their sin, God killed animals and made aprons of their skins. So blood was shed to cover the first sin. All through the Old Testament and on through the New Testament runs this crimson cord, and without shedding of blood is no remission (of sin).

Yes Jesus shed His precious blood, Rich blessings to bestow; Plunge now into the crimson flood That washes white as snow. Only trust Him, Only trust Him, Only trust Him now; He will save you, he will save you, He will save you now.

Rev. Edgar A. Drechsel Springfield Baptist Church

Marriage and Motherhood No Obstacle to Degree

Marriage and motherhood couldn't deter the former Miss Janet W. Layng, of Springfield, now Mrs. Lynn L. Carson, Jr., of Pittsburgh, Pa., from completing her studies at the University of Pittsburgh. She was one of those graduating from the University last Friday, February 3.

Mrs. Carson is the daughter of Mr. and Mrs. W. W. Layng of 90 Lyons place and a graduate of Jonathan Dayton Regional High School in 1950. She attended the University of Pittsburgh, majoring in mathematics, and was active in various campus programs and a member of Chi Omega. She interrupted her studies only long enough to become a mother of a son, Lynn L., now two years old and then resumed her class work resulting in her B.S. degree. Her husband is with the Mellon National Bank and Trust Company in Pittsburgh.

Mr. and Mrs. Layng attended the commencement exercises in the Soldiers' and Sailors' Memorial Hall in Pittsburgh, and then returned to Springfield with their daughter and grandson who will spend a week in the Township visiting with friends.

IT'S NOW WARM IN FLORIDA—Proof by the Chamber of Commerce of Florida that warm weather has returned is evidenced by the sun-tanned healthy looks of Mr. and Mrs. William Chirgotsis of 188 Short Hills Avenue who are taking in the sun at the Thunderbird Hotel in Miami Beach.

Ground Broken for New Motor Lodge on Rte. 22

Ground was broken early this week for the new Howard Johnson Motor Lodge which is to be part of the national chain of motels adjoining the restaurant on Route 22. Robert F. Downs announced that actual work would start as soon as the weather permits and completed in approximately four months.

It will be a 35 unit with every room air conditioned, telephone

Monday evening, February 13. The next meeting of this department will be held March 12 at the home of Mrs. William P. Wood, 50 Salter street, Mr. Robert Voorhees, Director of the Springfield First Aid Squad, and Mr. Theodore Naumann, also a member of the local squad, will discuss the function of the First Aid Squad, how it operates, and they will inform members of the American Home Department by demonstration what to do in the event of an emergency—and equally as important, what not to do. Following an open discussion, department members will make cravat bandages and hem huck towels for the Springfield First Aid Squad. Mrs. William Peacock and Mrs. James Stewart are co-hostesses.

The Fine Arts Group of the Art Department will meet on Tuesday, February 14, at 8 p.m., at the Cannonball House, where its members will continue their work on paintings to be exhibited at the Spring Art Exhibit and Silver Tea on Saturday and Sunday, March 3 and 4 at the Cannonball House.

You've an important date with your Valentine tomorrow night at our Mid-Winter Dance! We'll be seeing you there: Hotel Suburban, Summit, 9 to 1, February 10.

ment will be played from a special keyboard located at the organ console. Selector switches will permit the bells to be heard within the church alone, from the tower alone, or both together. The installation includes an automatic hour toll to strike the hours throughout the day as a public service to the people of the community. Years ago the famous clock on the steeple of the Church was the "time-teller" for the entire community and once again it will sound the hours.

In addition to serving churches and chapels of every religious faith, Schulmerich "Carillon Bells" installations have gained wide acceptance in colleges and universities throughout our land. At such outstanding institutions of learning as the University of Minnesota, the University of Pennsylvania, the College of Saint Joseph, Boston University, the famous Westminster Choir College of Princeton, New Jersey, and so on, Schulmerich bells add their voice to campus activities.

RH Titley Retires, 40 Years With P.S.

Ralph H. Titley of 31 Bryant avenue retired on pension from Public Service today (February 1) after more than 40 years with the company. Mr. Titley had been employed in the materials division, testing laboratory, Maplewood, of Public Service Electric and Gas Company, and was an active member of various committees of the American Society for Testing Materials. During World War 1 he served in the United States Army Signal Corps.

SUNNING SPORTS

By RITCHY SCHWARTZ

Beware, beware all Union County basketball teams. Regional is out to take all the marbles. And they're going to succeed because their playing better basketball now than ever before. Coach Lou DeRoosa has the boys playing real ball for him. Ronny Golcher is hitting on everything. Carl Ford has reached his peak as a defensive wizard. Richie Walker has hit that offensive pace and is piling up a huge amount of points. And Curt Merz, Curt is doing what everyone knew he could do, namely use his weight and height not only to snare rebounds, but also score on hooks and soft lay-ups from the inside.

Les Lawn may be out for the rest of the year his back injury is really a blow to the squad. But who can alter the will of God? Luckily, there are replacements for Lawn, good ones.

Warren Watkins, a six-foot sophomore who has been averaging six points a game, and shows great potential. Don Carpenter, another sophomore who was added to the varsity line-up for the Linden game. Don scored eleven points, he has been getting close to twenty per game on the Junior Varsity squad. Finally Lou Campanelli, a senior who can hold his own on the court.

Yes, Springfield will be out for all the marbles come Tournament time and you can pardon the expression) bet-your-bottom-dollar they'll make an excellent showing.

If it could happen to Duquense and LaSalle, it can happen to Regional. Of course we hope it won't be to bad. In other words what position will the Bulldog Hoopsters be in next year?

What will happen? Duquense had Dick Ricketts, LaSalle boasted of the great Tom Gola. Now they are playing pro ball and their Alma Mater are anything but spectacular.

When the current Hoop season comes to an end who of the Varsity will be leaving? Curt Merz, Les Lawn, Ronny Golcher, Richie Walker, and Carl Ford. In other words the complete starting five. Who is going to step into the shoes of these high school greats? probably:

- C.—Warren Watkins
- L.F.—Charlie Evans
- R.F.—Buzzy Layng
- L.G.—Vinnie Fevola
- R.G.—Don Carpenter

You have already met Warren Watkins and Don Carpenter. Vinnie Fevola has been playing J.V. ball for two seasons, he has a fairly good set-shot, but his true asset is his ability to change both his pace and hands while dribbling. He should work in nicely. Buzzy Layng in his two J.V. campaigns has shown a great deal of drive and hustle. Buzzy doesn't have one specialty shot but is an all around ballplayer since he does almost everything smoothly. Charlie Evans or "Red" has shown great possibilities playing on the inside. In the last few J.V. tilts he has out-scored and out-rebounded his opponents.

P.S. Watch a kid by the name of Paul Heischuber, Paul just moved to Springfield from the Bronx where he played first string for the Columbus basketball team. He averaged ten points a game and could very well be a dark-horse next season.

Springfield-Regional will be the site of the State District III Wrestling Championships come February 24th and 25th. This is the first time a state tournament will be held at the school. Weighing in will take place on Friday, February 24th at 3:30 and 6:30. Teams entered will represent Rahway,

Royals Take League Lead In Overtime Against Hawks

The Royals hold a slim half game lead over the Hawks. This was a real thriller last Tuesday night at the Florence Gaudineer School gym as Coach Tony DeSantis' resurgent Hawks came from behind to force the first overtime game of the season. The 69-68 final score is indicative of the fast pace of both clubs, and from all indications some of the scores should start to hit seventy points, as defensive ball is not stressed in this league.

The regulation game ended with the score knotted at 64-all, and in overtime Billy Meyers opened the scoring with a neat left handed hook, and then followed with a foul shot moments later. The Royals came back with Gladstone tallying on a penalty toss, with Norm Lawn canning a short follow up shot. The Hawks came back with lanky Johnny Hazelman scoring from underneath, but it was all Jay Gladstone in the wind-up getting the winning basket with but four seconds remaining, this coming after a foul by Abrams.

For the Hawks Hartman, Hazelman and Seltzer were the driving force, although Ronald DeSantis almost emerged the hero in regulation time, coming through with a short one handed set from the keyhole with fourteen seconds remaining. This didn't hold-up as Gladstone came through with a goal with seconds remaining to force the game into overtime. Springfield Youth Basketball League

Babe Ruth League Plans Award Dinner

The executive committee of the Springfield Babe Ruth Baseball League met Wednesday evening to complete the final details for their Annual Award Dinner to be held Thursday evening, April 5, 1956 at 6:15 p.m. at the Presbyterian Parish House.

The committee has arranged with local merchants to supply the delicacies for the evening to be prepared by a group of mothers. Those boys who played in both the major and minor leagues during the 1955 season will attend along with their managers, coaches, sponsors and other invited guests. Awards will be given to the participants of the major league. An elaborate program of good fellowship will be highlighted by the introduction of an outstanding personality in the field of sport.

Plans are being formulated too for the 1956 major and minor league season. With approximately forty boys graduating from the Youth Little League in addition to other boys who have moved into the community in the 13-15 year age-group, the Babe Ruth League is anticipating almost double the participation over last year's activities. Fathers of those young men will be invited to help in the operation of the league.

Dr. Willard Heckel To Address League

The League of Women Voters of Springfield announces the second in a series of discussion meetings on the Freedom Agenda Program.

The Assistant Dean of the Law School at Rutgers University, Dr. C. Willard Heckel, will discuss "The State of the Bill of Rights Today." This meeting, open to the public, will be held at the Florence Gaudineer School on February 23rd at 8:30 P.M.

Washington Day Dinner

The Annual Washington Birthday dinner will be held in the Springfield Methodist Church on Wednesday, February 22.

A hot roast beef dinner will be served family style from 5:30 to 7:30 p.m. No reservations are necessary.

Speech Teacher To Address PTA Group

"Your Child and Speech," was the topic for discussion of the Pre-School section of the P.T.A. on Monday evening, February 6, at the Florence Gaudineer School, in the cafeteria.

Dr. Arthur A. Eisenstadt, the discussion leader, received his speech training at Brooklyn College, Cornell and New York Universities. He completed his doctorate at New York University, has served as speech clinician at New York Bellevue Hospital's Speech Rehabilitation Center, and for several years was in charge of speech education at Rutgers University.

Dr. Eisenstadt is now with the Division of Speech Education of the Newark schools. His professional activities include the advisory and consulting editorship of two professional speech journals, "Today's Speech," and "The Speech Teacher." He has been elected to membership by two national honorary fraternities in education—Kappa Delta Pi, and Phi Delta Kappa.

In addition to writing and appearing before organizations as a community service, Dr. Eisenstadt maintains a private speech correction practice in Montclair for children and adults.

This lecture and discussion was of great help and interest to both parents. Refreshments were served.

Roy Belliveau Is Hoop Star Oversea

There may be a spot waiting for Roy Belliveau of Springfield on the New York Knickerbockers in July, when he is scheduled to complete his tour of service and be discharged from the army. Currently stationed in Hanau, Germany, Roy is setting new records with the Div Arty Rebels, leading contenders to unseat the 8th Infantry Bullets as "Ivy League" champions.

Last season Roy was head man on the 1st Army team in All Army play and so far this year has racked up an average of 25 points in four exhibition victories.

A 6-foot 6-inch hoopman, Roy is known for his outstanding sports record at Seton Hall University, which led to a first draft choice by the New York Knicks. Upon his graduation from Seton Hall in South Orange, Roy enrolled in the Newark Law School, and matriculated there for three years until his draft call. He plans to complete his final year upon his return from overseas.

Keeping Roy company in his European travels is his younger brother Kenny, who also has an enviable athletic record. Before his enlistment Kenny played three years of varsity football at Georgetown University.

On Alumni Committee
Mrs. Elliott Hall of 106 Morris avenue is a member of the com-

TO SPEAK AT ST. JAMES—Basketball Coach "Honey" Russell who has given Seton Hall University so many top ranking basketball teams, will be the principal speaker at the St. James Holy Name Society smoker to be held in the St. James Auditorium next Monday night, February 13.

The current Seton Hall quiet has lost only two games this season and will participate in the National Invitation Tournament at Madison Square Garden. Russell will tell the men of St. James some of his interesting experiences as coach of Seton Hall.

Committee on arrangements for an alumni tea of Bates College, Maine to be held on February 19 at the home of Dr. and Mrs. Frank Giuffra of Montclair.

Market Bowlers Hold 1st; Community Drops To 3rd

Springfield Market grasped more firmly on to first place as they beat Mendel's Florist in two of three games in the local bowling league last Monday night. Cuzzolino Furs managed to stay in second place even by losing two games to Suburban Liquors, because the Community Shoppe dropped three games to Parkway Garage.

Variety Sale
The Mothers Guild of the St. James School is sponsoring a Variety Sale in the auditorium of the school this Saturday, February 11 from 2 to 6 p.m.

The sale will consist of dishes, trays, table covers, lamps, bric-a-brac and many other items (except clothing). The feature of the sale will be homemade cookies and candies.

Everyone is cordially invited to come.
