Here we go again! With the echoes of Daystrom and All State Insurance still reverberating along Morris Avenue, comes the news that objections against some features of the Saks Fifth Avenue proposal by residents in that area are beginning to crystallize.

In fact the howling has reached a disturbing crescendo and some cool heads among the Township officials will be headed to do a "good selling job" to bring both sides to a meeting of the minds. It is natural that residents in the immediate area will "tear their hair" because Saks Fifth Avenue has selected the Anderson property as the site for one of their branch retail establishments. And, it's very true that the coming of this enterprise may change the tranquil aspects of the neighborhood to a great extent, but, as the kids say about their favorite programs on television "are there more good guys than bad guys?" Will the benefits that will accrue outweigh the objections?

Saks Fifth Avenue will bring retail to Springfield, add prestige to the Township and, perhaps, attract the kind of shopping to this area that will spill over into other local stores. Those who are objecting, no doubt, are sincere and plan to make themselves heard when the public hearing is held on the application for a variance in the zoning next Thursday.

The chief bone of contention—at least, the most serious objection by the residents in the area is the plan to cut through one of the properties to Short Hills Avenue for one of the points ingress and egress. There is no doubt that this will increase traffic on Short Hills Avenue considerably but we might as well face it—Springfield is no longer "the oasis for jangled nerves." Even now Short Hills Avenue has been pounded by traffic and, if there is any truth to the many reports that another well known New York City retail establishment may locate on the Chantler property, this street will really carry a load.

"Jack" Powers, genial proprietor of The Twigs which is becoming quite a rendezvous, believes he has the answer to Terry Dempsey's staff of waiters, Kenny Lewis and Freddie, and their mouths. (Continued on page 2)

Saturday's Storm Shuts Off Power

At 4:35 p. m., Saturday, February 25th, high winds caused a short circuit on one of the main feeders of JCP&L's Traynor Substation at Summit, N. J., and subsequently other feeders at this substation were affected, cutting off power to a number of communities served by this main source of power supply. Subsequent investigation by the company failed to establish any definite primary cause other than the effects brought on by the storm.

Full restoration of service, which involved complicated switching problems, was effected within approximately one hour after the interruption occurred, the company stated. In other areas where the wind storm caused local damage, company officials said service was promptly restored by line crews which had been alerted late that afternoon, when it was first learned that a wind storm was approaching.

Company sources said the wind storm caused heavy damage to installations in some areas due to fallen trees and limbs striking power lines.

PROCLAIMS O.R.T. DAY—Mayor Albert G. Binder, Mayor's wife Mrs. Martin Sherman, O.R.T. member signs the proclamation that proclaims March 7th as O.R.T. Day in Springfield at a ceremony held at the Mayor's office. Pictured left to right with the Mayor are Mrs. Martin Sherman, O.R.T. member, chairwoman, Rabbi Reuben Levine and Philip Goldhammer, president of the local chapter.

School Board Announces Big Expansion Program

The Board of Education met with representatives from various civic groups and other Springfield organizations to discuss the proposed addition to the Gaudineer School Tuesday night. As previously announced, this addition will consist of a two-story wing containing 12 classrooms, a music room, manual training room, and a moderate expansion of the cafeteria, and will cost \$450,000 for construction and equipment.

Bryan Haas, Chairman of the Special School Expansion Committee, summarized the studies that had been made to determine the anticipated increase in school enrollment in the next few years and the reasons for deciding that the Gaudineer addition is the best means of taking care of this at the present time.

Roderick Gibbins, Chairman of the Finance Committee spoke of the effect on the tax situation and pointed out that the cost of financing this new construction on the basis of selling 20 year bonds would be about \$30,000 a year. In terms of what this would mean to the average tax payer, it would represent an increase of some where in the neighborhood of \$7.00 a year. It was brought out that there would be no increase in the number of teachers, supplies, books, etc. due to this addition because these things are determined by the number of children in the schools and would be the same even if the schools were operating on double session.

Benjamin Newschwanger, Superintendent of Schools and Robert Smith, President of the Board, also spoke on the need for this additional classroom space. The representatives present asked a number of questions about the proposal and were requested to report back to their groups so that there might be a general understanding of the necessity for this expansion.

It was announced that a brochure will be prepared and distributed to each home in Springfield prior to the referendum on April 12, that complete details of the plan and a picture of the new

S. Bryant Haas

construction will appear in the Springfield Sun in the next few weeks, and that the proposal will be presented at the March P.T.A. meeting.

Mention was also made of the new Wallon School which is now in operation. Dedication of this building has been postponed due to the fact that there were still a few items to be finished. For example, there was a considerable delay in receiving the grilles for the radiators from the manufacturer, and while this did not affect the use of the school, it did detract from the appearance. These have now been received and are being installed.

Arrangements are being made to contact a number of guests who will be present, and it is anticipated that the dedication and open house will take place during the last week of March. Announcement of the exact date will be made as soon as it is determined.

Braun Celebrates 25 Years With Pru

Fred L. Braun, of 530 Ashwood road, mortgage loan appraiser, Northern N. J. Mortgage Loan Office, celebrated his 25th anniversary with the Prudential Co. on Jan. 2, 1956.

Mr. Braun was employed by Prudential as a clerk in the Home Office, Newark, in 1931. In 1932, he was transferred to the Hudson County Servicing Office in Jersey City. Later that office was combined with the company's Trenton Servicing Office to form the Northern New Jersey Mortgage Loan Office, and Mr. Braun advanced over the years to his present position in that office.

Mr. Braun has lived in Springfield all his life and laughingly quips that he "chased the Indians out." He and his wife, Deborah, were married on the 15th of March, 1929 and will be celebrating their 27th wedding anniversary shortly.

His friends and associates wish Fred L. Braun good health and happiness on the occasion of his quarter century of service.

Women Voters Meet To Discuss "Trade"

A meeting of the League of Women Voters will be held on March 5th at the home of Mrs. B. Borus at 92 Wentz avenue at which time the group will discuss "Trade." This is a unit discussion meeting under the chairmanship of Mrs. Morton Adelt who is assisted by Mrs. S. Seager and Mrs. Max Schiffbauer.

Members of the local League have been eagerly scanning the pages of the February 7 issue of LOOK magazine which ran a feature article on the work of the League of Women Voters. Appearing on news stands at the same time was an article in the February 9 issue of the Christian Science Monitor covering the fine work which Leagues all over the United States are doing in the various fields of economics, trade and government problems.

Local Lumber Co. Sets Paint Course

A do-it-yourself course on the special mixing, blending and proper use of paints for interior and exterior decorating will be held Tuesday, March 6 at 8:15 p. m. at Columbia Lumber's Springfield store, Springfield and Maple avenues, Springfield. The public is invited.

Joseph Corday of Lowe Bros. Paints will conduct the course. The program, first in a series of do-it-yourself courses by Columbia Lumber, will be in charge of Leo Spinner of the Springfield store. In addition to demonstrations and a lecture to aid homeowners, a discussion period dealing with personal decorating problems will be held.

Group Plans Protest In Saks Matter; New Hearing on Thursday

A group of residents in the area of the proposed site for the Saks Fifth Avenue retail establishment are preparing to attend the public hearing next Thursday, March 8, and object to approval of the application for a variance unless their rights as property owners will be safeguarded.

Joseph A. Deimling of 34 Tower drive, an official of Colgate-Palmolive-Peet, and B. J. Fahs of 26 Tower drive, with Remington-Rand Co., are spokesmen for the protesting group of home owners and announce that they will be present when the Board of Adjustment considers the re-zoning request next Thursday night.

"The Board of Adjustment already has our petition," said Mr. Deimling, "with approximately 74 signatures. We have retained legal representation to assist us in obtaining our rights in this matter."

"Our petition lists a great number of requests we would like to have the Adjustment Board consider but we are especially determined that there should be no cutting through from the Anderson property to Short Hills Avenue, that a six foot high fence should be erected all around the property and that there shall be a substantial buffer zone to protect all home owners in this area."

The Saks Fifth Avenue organization is negotiating for the purchase of the Anderson property where the plan is to construct an elaborate retail establishment. Part of the property, fronting on Millburn Avenue, all of which is in Springfield, has already been rezoned for general business and the request for changes apply to the remainder of the tract. Saks, according to the announcements, will construct one of their finest branch stores on this site and feed ingress and egress to Morris Avenue. The public hearing on the zoning change will be held by the Board of Adjustment next Thursday, March 8.

Do Not Object To Saks
Mr. Deimling says the petitioners "have no objection to the coming of such a fine organization as Saks Fifth Avenue and believe that such an establishment will add prestige and certainly retail to Springfield. "But we feel," he continued, "that there was considerable misrepresentation when the matter was first discussed at meetings. The spokesmen for both the prospective purchaser and the property owners have not carried out some of the important promises made—and this formal petition is notice that we intend to protect our rights and our properties."

Below are excerpts from the formal petition as presented to the Board of Adjustment, according to Mr. Deimling:

"The following petition is presented to the Board of Adjustment (Continued on page 3)

Antique Show To Have Rare Items

If you are fascinated by rare and unusual antiques, you will want to make plans to attend the 14th Annual Antique Show and Sale to be held on March 13, 14, and 15 at the Parish House of the Presbyterian Church from 11 a. m. to 10 p. m. daily.

Twenty-three outstanding dealers from Maine, New Hampshire, Pennsylvania, New York, and New Jersey will exhibit an interesting array of china, silver, buttons, lamps, furniture, antique glass, etc. Of special interest to the men will be the antique guns and firearms display of Charles Mikulik of Elizabeth. For lovers of antique jewelry the show offers a rare jewelry exhibit by one of the most prominent jewelry dealers in the East, Augusta-Hoyer Smith, of Wilkes-Barre, Pennsylvania.

The show, which will be directed by Mrs. Emil Meyer, will be presented under the auspices of the Ladies' Benevolent Society. Lunches will be available, and tea will be served between 2 p. m. and 3 p. m.

Registered To Vote?

The Township Clerk has announced that anyone interested in voting in the April primaries who has not as yet registered may register on March 5, 6, 7, and 8 at the clerk's office from 9 a. m. to 9 p. m.

Sun Starts Go to Church Messages in Today's Issue

Realizing the value of religion in an atomic world, manufacturers, business organizations and individuals in this area are co-sponsoring a series of "Support the Church" advertisements to appear weekly in the Springfield Sun. Local clergymen have endorsed the series of messages, the first of which appears in this issue of the Sun, page 4.

Those who are cooperating in the sponsorship of the timely messages feel that they will serve a definite purpose in reminding citizens of Springfield and this area that there are strong churches here. Support of the churches, they agree, displays a keen interest in all factors that combine to make up a good community. It takes no oracle to note the stability of a community with strong, active churches. "It is the consensus of opinion," said one of the sponsors, "that the more pronounced the influence of the churches, the

A public hearing on the application for changes in the zoning of the property needed for the construction of the proposed Saks Fifth Avenue retail establishment in Springfield, is scheduled for next Thursday night, March 8, before the members of the Board of Adjustment at 8 o'clock.

"Ike" Decides to Run Sale And Help Local Charities

"Ike" Freedman, one of Springfield's pioneer businessmen, is not only head of his own Springfield Paint and Hardware supermarket but also manages to find time enough for his many duties as president and spark-plug for the local Chamber of Commerce.

In both capacities, Freedman has crashed head-on into the problem of "too many fund drives in Springfield" and is a firm believer in the Community Chest idea, for all charity campaigns.

Now Mr. Freedman wants to test one of his ideas on a concentrated campaign in this community for all charities. Beginning with this week and continuing until March 15, he will give ten percent of every purchase made to any charity selected by the shopper.

"My plan is to make out checks to any charity," said Mr. Freedman, "in an amount of ten percent of the total purchase. The shopper will select the charity and we will send the contribution in the name of the purchaser."

"There will be no increase in prices of our merchandise. This offer to give to charity will apply to all purchases of \$5. or over. There are no gimmicks, no quiz questions, no jingles, and no box tops to collect. We believe this may be the formula for all of Springfield's worthy charities to receive contributions, and the test we are making will be evaluated with the idea that a township-wide plan of this kind may be made."

"If this first test creates enough interest in this form of charity giving, we plan other similar campaigns with other merchants participating."

Honor Local Men For Safe Driving
Vincent J. Cinquina of 61 Park Lane with 28 years service, L. H. Wood of 188 Bryant Avenue with 22 years of service and Harold J. A. Margo of 79A Flermer Avenue with 21 years, were among the group of drivers in the metropolitan division of the New Jersey Bell Telephone Company honored for safe driving records.

Frederick J. Gassert, Jr., State Motor Vehicle Commissioner, presided at the meetings held honoring the drivers. Gassert told the drivers that the safety program of the telephone company is a prime example of what can be done which not only has a direct effect on the personnel of the company but reaches through them to their families and friends in a way which government cannot reach. The motor vehicle commissioner added that the public recognizes and appreciates the good driving practices and the courtesy of the drivers of vehicles of New Jersey Bell, who are, while they are driving company vehicles, representatives of the company.

"For the drivers themselves," Gassert declared, "it means that there is little chance that one New Jersey Bell driver, by his carelessness or discourtesy behind the wheel, will cast a reflection upon all of his fellow drivers."

Another paragraph asks that the applicants be given the right to use the lots at 281 Short Hills Avenue or at 257 Short Hills Avenue as an entrance way to subject premises. It is understood that the applicants have options on (Continued on page 2)

Lady McDuff of the Chase, property of Mr. and Mrs. William Broadhead, 58 Clinton Avenue, Springfield, is shown here doing some shopping in the pet department of J. J. Newberry, General Greene Shopping Center. Lady McDuff who appears to be hesitating about a dog food product being offered by "Jack" Kellner, manager of the department, is the grand-daughter of the famous Champion Fancy Bombardier, winner of top honors in the bloodhound class at the Westminster Kennel Club dog show held in Madison Square Garden a few weeks ago. The pedigree bloodhound is very proud of grandfather's championship honors and apparently wants to look around and do some shopping leisurely in the local store before actually deciding on any purchases. The Broadheads have the pedigree certificate from the American Kennel Club in their possession which shows that Lady McDuff, a female black and tan bloodhound was born March 7, 1955.

SPRINGFIELD ELKS TURN ON THE CHARM
Group shown at the regular weekly meeting of the "local lodge in organization" held at Walter's Inn Monday night when another group of applicants for membership was received and accepted. Plans were made Monday night to formally institute the Springfield lodge early in May with state and national Elk officials participating in the ceremonies. This coming Monday night has been designated as "open house" and all residents of Springfield and Millburn are invited to attend. Donnelly, Past Exalted Ruler of the Newark Elks, and Harold Rothlisberger. "Membership applications are available," Mr. Nagel announced, "and can be had by attending next Monday night's meeting at 8 o'clock at Walter's Inn. Our membership is increasing with every meeting."

Hershey Driver Honored For 20 Yrs. Safe Driving

Charles Smithling was guest of honor at a steak dinner sponsored by the Hershey Creamery of Springfield, at the Tower Inn, Mountaintop, Tuesday, February 21. The occasion was the presentation of awards for safe driving to Hershey employees.

Charles Smithling

Mr. Smithling, who started on an ice cream delivery route in 1919, and has been with Hershey Creamery since 1927, received a gold Bulova wrist watch for a record of 20 years safe driving without a single preventable accident.

The mild mannered Mr. Smithling commutes 74 miles to Springfield every day from his home in Hackettstown before starting his delivery route which takes him into 4 counties. Reflecting on his record, he gave his recipe for safe driving. "Make sure the machine is in good shape; try to keep awake and watch the other guy." He gave credit to Mr. John

Bartholme, Hershey's traffic manager, who, "makes sure all equipment is maintained properly, and always has a kind word for us."

Also present at the dinner were 7 other drivers of the Springfield branch, who received safe driving awards. They were: Charles Van Blaricum, 19 years; Gregg Frost, and Alois Sautter, 8 years; Warren Yungie, 6 years; Richard Van Blaricum, 2 years; Thomas Hughes, and Anthony Minsky, 1 year.

Engle E. Hershey, manager of the Springfield branch, attributed his firm's record to the driver "incentive" system. Citing one driver, who asked for a week vacation to hunt down a hit-run driver, he did it too. Mr. Hershey concluded, "I think our men look forward to their annual rewards. Perhaps that's why we established the wonderful record last year of 2,081,440 miles with only 23 preventable accidents."

 these two properties and are prepared to use either as an entrance if a variance for that purpose is granted. The Beckman or Kessler property which is at 257 Short Hills avenue is 120 feet wide as compared with the Munford property at 281 which is 58 feet in width, and will probably be the point where an entrance to the property will be made. The plan is, according to reports, to pave the entrance with a landscaped buffer zone on both sides.

Stakes and rewards for winning games are varied all over the world but Springfield can now boast one that will be difficult to match.

Skill in playing chess may bring the Springfield Sun an increase in advertising income all because Sol Bretler, proprietor of the Morris avenue store bearing his name, is a chess enthusiast and takes considerable pride in his ability.

Mr. Bretler, when he discovered that the Springfield Sun advertising solicitor is also a "bishop and checkmate bug," challenged him to a match, offering to give an advertisement to the Sun every time he lost.

For the month of February, Mr. Bretler has used 17 inches of advertising in the Sun. Several chess matches have been arranged for March and the Sun advertising solicitor is confident there will be an increase in Mr. Bretler's space this month.

Letters Criticize Kids Charged with Vandalism

The recent investigation ordered into the alleged activities of the "Spartans," a club said to be made up of Regional High School students; and the report of vandalism made by the Baltusrol Golf Club, has resulted in other charges of alleged "juvenile delinquency" and damage caused in Springfield.

One of these charges comes in a letter from Rev. Marvin W. Green, Pastor of the Methodist Church, who has been reluctant to complain but finds the situation in need of immediate attention by authorities and parents. Following is Rev. Green's communication.

Editor, Sun:
 Sir:
 In the light of the announcement from Baltusrol Club of the damage done there, may I commiserate some of the damage to the property of the Methodist Church in Springfield.

Over the past few months the following damage has taken place: grave stones in the cemetery have been pushed over and smashed; my office safe has been broken into and contents stolen; my son has had his bicycle tires slashed; while the wheel was parked in front of our house; a lawn sign giving our name and address was completely demolished; a sign announcing the name of our Church concerning our Building program has been slashed with a knife and torn from its sign board on three different occasions; the Church was broken into and slates stolen from electrical installations; church windows have been smashed. In short, several hundreds of dollars are involved in this damage. The innocent pay—the guilty, thus far, have gone free.

The disturbing question is whether or not we are rearing youth in Springfield who are to be defined precisely as "Juvenile Delinquents." If so, what are we going to do about it?

Marvin W. Green, Pastor

Another letter received by the Springfield Sun this week deals with a serious problem for parents and police. The letter dated February 16, follows:

Editor, Sun:
 I would deeply appreciate it if you would publish the following statement in the Springfield Sun.

Our laws prohibit adults from carrying firearms, with certain exceptions. Yet these same laws permit children to use toys an equally dangerous weapon, bows and arrows.

What they do with these so called toys is sickening and horrible. Yesterday, the victim—a neighbor's cat—harmless, defenseless—shot through the head, crazed with pain and fear. It ran away, perhaps to die in agony, the arrow still buried deeply in its head.

Tomorrow, the victim? A child, perhaps? Once the lust for inflicting pain has been aroused is there a stopping point?

Local Post Office Reviews Accomplishments of Year

The post office means many things to many people. Through the post office you visit distant friends and relatives, and it brings to you the loving warmth of dear ones when you are away. It is the one department of the Federal Government most intimately and closely in contact with you in your day-to-day living.

Because this service is so important to all of us, let us review the accomplishments of the Springfield post office—your post office—in 1955.

Delivery service by letter carrier was extended to 228 more residences and businesses than were served in 1954. In addition, mounted delivery service was instituted in April, 1955, to approximately 50 firms on Route 22 and Brown Avenue.

The incoming letter size mail delivered to you in 1955 by the 8 regular foot letter carriers increased by 544,000 and the one parcel post carrier delivered 9,130 more parcels. In spite of the increased number of delivery stops and the 24% increase in workload the cost of letter carrier service was merely 1 1/2%, or 427 man-hours, over 1954.

The clerical force distributing the increased volume of incoming mail to the letter carriers also handled 208,286 more pieces of outgoing mail, 6,381 more parcels were accepted and dispatched from Springfield in 1955. This additional work was performed with an expenditure of 205 less man-hours than expended in 1954.

The overall cost to the Post Office Department for serving the expanded territory and for handling the increased volume of mail was merely 1 1/2% over 1954. However, if we fall out of the fruits of a happy life.

S. ATKIN,
 43 Kew Drive

ling the increased volumes of mail was 216 man-hours, or approximately \$400, for the entire year of 1955.

Incident to the increase of outgoing mail processed at the local post office, the postal receipts increased from \$76,100 to \$80,100. This increase was not in proportion to the growth of mail handled.

Also in 1955, the Springfield post office took another forward step by the establishment of Contract Station No. 1, conducted by the J. J. Newberry Store in the General Greene Shopping Center. This additional service in a readily accessible location has proven to be a great convenience to the residents of Springfield.

The letter carriers and the clerks of the post office are pledged to give you the best postal service possible and it is with great pride that we bring to your attention the accomplishments of these men. How well they are serving you—their friends and neighbors—the postal patrons of Springfield is reflected by their performance in 1955.

Mr. and Mrs. William Allen of 23 Country Club lane hosted at a farewell party given for Mr. and Mrs. Dor Hesselgrave who are moving from 144 S. Maple st. to Van Nuys, California. The guests, all members of their bridge club, were Mr. and Mrs. William Wood, Mr. and Mrs. Arthur Berg, Mr. and Mrs. Laurie Jackson, Mr. and Mrs. Perry Anderson, Mr. and Mrs. Harry Donhauser, and Mr. and Mrs. Bryant Haas.

A sweet red-haired miss is Karen Clark of 417 Milltown road who was feted at a party on February 25 in honor of her 6th birthday. Karen's guests were Jackie and Gabe Petti, Hal Lewis, and Elaine Burrows all of Springfield, and Sharon and Linda Brogan of Union.

Mrs. Floy McKee of 778 Mountain ave. is convalescing at home after a stay at Overlook Hospital. We wish her a speedy recovery.

Mr. and Mrs. Marvin Simon of

28 N. Derby rd. spent several days in New York City with the Waldorf-Astoria Hotel as their headquarters. They dined at some of N. Y. City's most intriguing restaurants and saw "Cinerama Holiday."

A birthday party was given in honor of Irene Zidonik's 14th birthday at the home of Mr. and Mrs. Frank Courtney of 11 Remer ave. with about 10 friends attending. Irene is the daughter of Mr. and Mrs. Joseph Zidonik of 20 Remer ave.

The new residents of 23 Garden oval are Mr. and Mrs. Charles Rust, formerly of Maplewood. Mr. Rust is a carpenter.

Mr. and Mrs. David Spal now live 33 Garden oval as their address. The Spals moved here from Irvington. They are parents of two children, Cheryl age 6 and Mark age 2 1/2. Mr. Spal is an accountant.

Douglas Seroff, son of Mr. and Mrs. L. Seroff of 371 Hillside ave. was the guest of honor at a luncheon party on his 9th birthday. His guests included David Kessler, Lennie Myers, Michael Tarnoff, Ray Jensen, Donnie Lewis, Ivan Warman, Ken Weiss, and his sisters—Dale, Debbie and Donna.

Herbert Heischuber, son of Mr. and Mrs. Simon Heischuber of 23 Tulip road celebrated his 11th birthday on Feb. 17 at a family party. The Heischuber family moved here recently from Pelham Parkway, Bronx, N. Y.

Richard (Ricki) Zegar hosted at a luncheon party held in honor of his 9th birthday on February 26. Richard's guests were Larry Forster, Fred Sussman, Robert Chodas, Marvin Segal, Donald Lewis, Richard Freedman, and his brother—"Buzzy." Richard's parents are Mr. and Mrs. Jack Zegar of 31 Archbridge lane.

The baptism of the Belcote twins—Diane Constance and Camille Gloria—took place on Sunday, February 26th at St. James Church by Rev. Edward Swiezbinski. A dinner was held afterwards at the home of their parents, Mr. and Mrs. Fred Belcote of 14 Dayton court. The twins have a brother Alfred age 7 and a sister Judith age 3.

Lisa Warman, daughter of Mr. and Mrs. Bernard Warman of 195 Lelak ave. marked her 5th birthday on February 24th at a family celebration.

It was birthday time on February 24th for Pamela Trout, daughter of Mr. and Mrs. John Trout of 105 Hawthorne ave. Pamela, who was 4 years old, was feted at a family dinner by her brother John, her grandparents Mr. and Mrs. George H. Chappell and Mr. and Mrs. Martin Trout of Roxborough, Pa., her great-grandmother, Mrs. Frances Ehly of Roxborough, Pa., and her great-aunt, Miss Rosealba Trout. Former Newarkers—Mr. and

(Continued from page 1) and the Township Committee of Springfield, by the undersigned property owners, protesting the re-zoning of the residential part of the Anderson Tract for commercial development—without proper assurance, by the Township governing body, that their rights as property owners will be safeguarded.

"We have been advised, by a professional property appraiser, that the value of our property could be adversely affected, to the extent of 4% to 6 1/2% of its present value—by the contemplated zoning change. "At the time of purchase, we were assured that our property, and the adjoining property (The Anderson Tract) were zoned for residential purposes only—and that the character of this property would not be changed—with the exception of a 200 ft. deep strip fronting on Millburn avenue—which had been zoned for commercial purposes. This 200 ft. strip now accommodates the Anderson Greenhouses.

"Many of the property owners who would be affected by a change in zoning have lived in the Colonial Gardens area since 1941. Since that time their property has gained in value in proportion to the inflationary trend. They feel that they have gained an equity that should not be jeopardized by a change in the zoning law, if their property depreciates and they are forced to move because of the nuisance accompanying a commercial development, they will be forced to sell their property for less than its present market value and thus sustain a loss in their equity.

"We respectfully request that the minutes of meetings, in other communities, wherein similar controversial re-zoning problems were discussed be procured by

Mrs. Harold Koldorf are among the newer residents of our town. Their address is 21 Garden oval. The Koldorfs are parents of three youngsters—Susan age 5, Karen age 2, and Larry age 5 1/2.

The Township Governing Body for examination and study by all parties concerned. We feel that the results of such a study will guide the Board of Adjustment and ultimately the Township Committee in making a fair decision.

"We have been advised that in similar cases involving a plot of land this large, that it would not be unreasonable to ask for a buffer strip of land between the Anderson Tract and the residential area subject to re-zoning. "We have been advised that it would not be unreasonable, considering the size of the tract involved, to ask for a buffer strip of at least 100 ft. between the proposed commercial area and the adjoining residences.

"In addition, we have been advised that it would not be unreasonable to ask that the township insist on the following safeguards:

"That a 6 ft. high soundproof cedar fence be erected on the Saks side of the buffer strip to mask or muffle the noise attendant with hundreds of cars starting and stopping, horns blowing, and to hide the glare of head lights on dim or foggy days. This fence should be landscaped with non-deciduous trees on the side facing the adjoining property owners.

"That a clause be inserted in the deed under which Saks Fifth Avenue or any future owners would be required to use Millburn avenue, only, as a means of ingress and egress.

"That outside illumination of the parking area be kept to a minimum so as to preclude the nuisance of glaring floodlights.

"That an agreement be reached whereby the purchasers or any future owners can conduct their business no more than 6 days a week, during the hours of 9 a.m. and 5:30 p.m.

"That an agreement be reached as to the character or type of retail outlet to be established by the purchasers or any future owners.

"That no commercial building can be erected closer than 250 ft. to the nearest adjoining residential property line."

THERE'S A MOUNTAIN of STRENGTH

Mount Lassen in northern California towers majestically heavenward, its immense size a tremendous sight to man. It has long been considered an inactive volcano, yet it maintains an active warmth in its depths that is shared with lakes and springs at its base.

Somehow it reminds you of the towering strength of Christianity. Christianity, like Mount Lassen, is visible to all in its vicinity. It is a mountain of strength, with endless opportunities for exploring its mysteries.

Christianity imparts warmth to all who approach it. From its depths there spring rivers of living water to quench the thirst of your soul. And though each person touching this mountain should take away with him all he could carry to scatter through the world, yet its bulk will not diminish.

Gaze upon that Christianity that is like a huge mountain. Be warmed, refreshed, and strengthened through fellowship and worship each Sunday at Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Women's Club News

If this coming week-end weather is anything like last Sunday's, count on visitors! If your relatives and friends DO drop in, you're in luck! This is an excellent opportunity to show them some of the historical and cultural aspects of the small residential community in which you make your home.

Most of us know of Springfield's historic heritage. We know that it was settled in the early 1700's and that it played a very important part in our country's history, for the Battle of Springfield on June 23, 1780 is said to have been the turning point of the Revolutionary War. We know that as the British marched from Elizabethtown toward Morrisville, one column advancing from Springfield avenue and the other marching in great precision up Morris avenue, they met with such intense opposition in Springfield that they burned and looted all but four houses in our community.

Only one house was left standing on Morris avenue—the one we point to with great pride today as "The Historic Cannonball House," located at 126 Morris avenue. Built in 1741 and well-known throughout the State of New Jersey today for its significance during the War of Independence, the Cannonball House has been the subject of many legends which have come down to us. Some say that it was spared by the Hessian troops because their wounded soldiers had been placed there; others say that it was not burned because a white cross was placed on the front door begging that it be spared; as a child was being born there. Whatever the truth may be, you may be sure your friends would consider you a most thoughtful hostess if you were to take them to see this historical structure. The walls, made of solid brick, cows hair and clay, are covered with wood shingles. (The original wood shingles still cover the west side and front of the house.) Also authentic and original are the front door (now at the back), most of the inside doors, all the floors with their wide boards and heavy nails, the stairs from the first floor to the second floor, the banister, fireplace mantels and cupboards. The cupboards to the left of the fireplace in the West Room facing the driveway is indeed quite unique, for very few houses remain in the State of New Jersey with such handsome, hand-carved shelves in the cupboard!

During the Battle of Springfield, a cannonball struck and lodged itself in the west chimney. When the house was raised in 1921 to its present elevation, this famous cannonball after which the house was named fell down the chimney into the fireplace below. That chimney has been rebuilt, but

it is possible to see the spot where the cannonball entered. The east chimney facing the Cannonball Inn is original.

Now owned by the Springfield Historical Society—the Cannonball House, not usually open to the public, will be open this week-end during a two-day Art Exhibit sponsored by the Art Department of the Springfield Woman's Club. The exhibit opens on Saturday, March 3 at 2:00 p.m., and on that day Dr. Boylan Fitz-Gerald, well-known artist, lecturer, teacher and author, will give a demonstration of oil painting at 2:30 p.m. Immediately following the demonstration, a Silver Tea will be held. Proceeds of the two-day exhibit will go into the Art Fund of the Woman's Club, to be used in purchasing additional supplies and materials for the Art Department to carry on its work. Members of the committee who have arranged the event are looking forward to seeing you there. Do your part: March 3 and 4, 2:00 to 6:00 p.m.

Mr. Howard Wiseman, Secretary of the Springfield Historical Society and Assistant Director of the N. J. Historical Society, will be at the exhibit on Sunday afternoon to point out some of the rarities in the structure of the famous old Cannonball House.

The Springfield Woman's Club will be hostess on Tuesday, March 6, at the Fifth District Legislation Forum and Luncheon at the Balastron Golf Club at 12:30 noon. The thoughtful committee arranged for the event has reserved twenty-five places for members of our club—four hundred reservations have already been accepted from other clubs in the Fifth District, and there is a waiting list if our members do not avail themselves of the reservations to which they have first choice.

Mr. Frederick Gassert, Jr., State Director, Division of Motor Vehicles of Trenton, Senator Malcolm Forbes, and Assemblywoman Florence P. Dwyer will be the guest speakers. Luncheon Forum tickets are \$2.25 each, available from Mr. Kenneth Bandome, Fifth District Civics and Legislation Chairman, or from Mr. Russell D. Post, in charge of tickets and reservations.

Club members have exactly one week in which to make reservations for the Fifth District Spring Conference which will take place on Tuesday, March 20 at the Far Hills Inn at Somerville, N. J. Registration begins at 10:00 a.m., and luncheon tickets are priced at \$1.65. This is a conference which should be of great interest to all club members. Presidents of all Woman's Clubs in the Fifth District will present three-minute reports covering the activities of their clubs during the past year. Please make your reservation now with our club President, Mrs. Edwin G. Davenport (DR 9-4295).

March has again been designated as the month for women to

make a special effort to purchase extra U. S. Savings Bonds. The N. J. Savings Bonds Division of the U. S. Treasury has requested the cooperation of the N. J. State Federation of Women's Clubs in support of the current drive. Our goal for the month of March is the purchase of one bond—per club member. As a patriotic citizen and a loyal club member, won't you make a special effort to buy an extra bond this month as an investment in the future of our country?

Various points in the school expansion program were discussed last Tuesday evening, February 22, at the first of a series of meetings called by the Board of Education. The purpose of the series is to inform the public of the need for a school expansion program before submitting the expansion referendum to the voters on April 12. Mrs. Davenport, Club President, represented the Springfield Woman's Club at this important community discussion.

It is hoped that the Springfield Woman's Club will have a fine turnout at Annual Club Day at Hahne & Co., Newark, on March 15. Registration begins at 9:45 a.m. and continues until 2:00 p.m. Fashion shows, "A Prelude to Spring" will be shown at 10:30 a.m., 12:00 noon, and 2:30 p.m. Income received from this day contributed by Hahne & Co. is the main source of revenue for the support of the magazine, "The New Jersey Club Women" now in the 20th year of its publication. Plan now to attend!

Don't forget to be in the audience with your husband this Wednesday evening, March 7 at the James Caldwell School, when the Drama Department will present "The Women" for Husband's Night. See details elsewhere in this issue of "The Sun."

The Music Department will meet on Thursday, March 8 at 8:00 p.m. at the Cannonball House.

On Friday evening, February 24, approximately one hundred youngsters enjoyed the second in a series of Pre-Teen Dances for members of seventh-grade classes. Sponsored jointly by the Springfield Recreation Commission and the Springfield Woman's Club, these dances have grown more popular than ever among the early teenagers. Novelty dances were arranged for last Friday night's dance by Mrs. Dorothy Intalich of the Interlaced Dance Studio, Elizabeth. In addition to the "Honey-Pokey," "The Domino Polka," the "Bunny Hop," and "Cut-in" Dances, a "Sadie Hawkins Dance" was featured, for which the GIRLS chose their partners. Two "prize" dances were injected into the program: "Musical Chairs" and a "Broom Dance." Mrs. Intalich and her young daughter also entertained the group with an exhibition of the Mambo.

The Dance Committee wishes to thank Miss Penny Smith, daughter of Mr. and Mrs. Howard Smith of Meisel Avenue, for bringing her own records to be played by disc-jockey Martin Bloch (in the person of Mr. Kenneth Bandome). Chaperoning the dance were Mrs. Thomas Doherty and Mr. and Mrs. Victor Brock of the Recreation Commission, and Mr. and Mrs. Kenneth Bandome, Mr. and Mrs. Vitor Brink, Mr. and Mrs. George Rau, and Mr. and Mrs. John S. Trout representing the Springfield Woman's Club.

March has again been designated as the month for women to

"NO MAN IS WORTH HYDROPHOBIA"—Two of the girls have it out over the love of a woman in the William A. Conrad, Mrs. Henry J. Bullman Jr., Mrs. Norman LeBout, Mrs. Louis Schneider and coming Wednesday night. Members of the cast Mrs. Edward Reibold.

Womans Club Husband's Night To Feature 3-Act Comedy

"Husband's Night" will be observed by the Springfield Woman's Club at the March 7 meeting to be held at the James Caldwell School at 8:15 p.m. Members of the Drama Department, under the direction of Mrs. Lee Andrews, Jr., will present Clara Boothe's lively three-act satire, "The Women," which ran hundreds of performances at New York's Ethel Barrymore Theater to rave notices of critics throughout the country. First produced twenty years ago, this delightful adult comedy has experienced very recent successful revivals on theatre screens, on television, and by theatre stock companies and amateur groups. Its plot is everlastingly current, for as Oscar Wilde once wrote, "Women's styles may change, but their designs remain the same."

In an effort to bring club members the best production and the greatest undertaking in the department's history, the Drama Department has been diligently rehearsing three evenings a week for many weeks. The honored guests for the evening, the husbands of members of the Springfield Woman's Club, will delight in seeing "The Women" getting themselves deeper and deeper into hot water with the complications of modern life.

Heading an outstanding cast as a lovely, sensible, happily married (she thinks!) woman with two children is Mary Haines, capably portrayed by Mrs. EDWARD REIBOLD. The role of mink-aspiring Crystal Allen, the temptress who sinks her sultry eyes through Mary's husband from behind—Sak's perfume counter, is assumed by Mrs. HERBERT CALLAHAN, who makes a determined effort to break up Mary's marriage for her own selfish reasons. Mary's little daughter, too young to understand the problems of marriage, is played by Mrs. ROBERT BRIGGS. Mrs. HARRY SPEICHER as Mary's mother, a bourgeois, Park Avenue aristocrat, attempts to help her daughter solve her marital difficulties to no avail.

Creating a scandal about the Haines' family rift is Sylvia Fowler, Mary's loyal (?) friend, the glassy, elegant, feline—played by Mrs. NORMAN LEBOUVE who gets herself involved in marital difficulties of her own through the efforts of the breezy, flashy Miriam Aarons, in the person of Mrs. HENRY BULLMAN, JR. Among the fortunate friends who witness a fast hair-pulling contest between Sylvia and her keen competitor, Miriam, in the second act, are naive, love-sick Peggy Day, played by Mrs. LOUIS SCHNEIDER, and the silly, amiable Countess DeLage, experienced in the affairs of the heart as evidenced by five unsuccessful marriages of her own. The Countess is portrayed by Mrs. WILHELM A. KONRAD. Also adding to the gossip already centered on the Haineses and the Fowlers is their close friend, Edith Potter who unflinchingly bursts forth—expensively dressed (by Lane Bryant) for the three years which pass between who witness a fast hair-pulling

MRS. DOMINICK CASTERNOVIA. Hoping to write another successful book about the joys of her spinsterhood is Nancy Blake, the sharp, worldly authoress friend, portrayed by Mrs. FRED SPANGLER. Manhattan servants and parlor maids alike are eager to learn the latest developments in the Haines' rocky road of wedded bliss through the jibbering, explosive blow-by-blow descriptions of Mary's Irish Maid, Jane, vividly portrayed by Mrs. JOHN G. WILLIAMS.

A fine supporting cast of twelve other members of the Drama Department adds to the enjoyment of the performance. The supporting roles are portrayed by Mrs. KENNETH BANDOME, Mrs. JOHN BRADLEY, Mrs. WILLIAM BARROW, Mrs. NICOLAS FORCELLO, Mrs. WILLIAM GETTZ, Mrs. THOMAS GLEN, Mrs. STANLEY HRANK, Mrs. STEPHEN PAWLICKI, Mrs. CHARLES SCHAFFER.

MRS. MICHAEL TATUSKO, MRS. JOHN TROUT, MRS. MERTON D. WILLIAMS, Mrs. Edward Porter, Jr., Prompter and Mrs. Edward Skorski is in charge of play properties which have been kindly donated by Wilderotter's, Ricks Brothers, Channel Lumber, J. V. Newberry, Bandy Farms, Paul Severance Wallpaper—and The Cake Cottage.

SCHOOL NEWS

BRENCE M. GAUDINEER SCHOOL SOCIAL STUDIES

Mr. Robert Van Wagner, Miss Patricia Guerin, The Social Studies Department of Gaudineer School is devoted to the study of the social sciences as a field of study which is essential to the development of the individual and the progress of the nation.

Original project work will be assigned to the unit on the development of the social sciences. A program of weekly current events has been developed by the pupils in both the seventh and eighth grades. Pupils are asked to present their findings in a report before the class. Such a program aids in the development of character, initiative, and open-mindedness. It also encourages critical thinking, which we feel is essential to and inherent in good citizenship.

Seventh grade classes are developing the social studies along broad avenues of study by combining history, geography, industrial, and government. Two major history units have been completed thus far, namely, Exploration and Colonization of the New World, and The Struggle for Supremacy in the New World. Both units led to the development of individual projects including booklets, and the construction of object-exposition models for display. To aid the overall development of both units, classes made extensive use of records, movies, film strips, and the opaque projector. Some of the records and film strips used were "The Landing of the Pilgrims," "The Spanish and French in America,"

and "The Development and Life of the Early Colonies." The opaque projector proved valuable in the study and analysis of famous documents, photographs and historical maps. Classes are presently studying the unit on the Colonial Struggle for Independence and the American Revolution. Original project work will be assigned as the unit progresses.

One essential feature of our course of study is the use of outlines. Through this media pupils are developing the ability to analyze generalizations and to reduce them to factual specifics for the purpose of study.

The seventh grade geography classes have been developing various phases of the general unit on the United States. The units on agriculture and natural resources of the country have been completed to date. Classes are presently working on American industries including such areas as fishing, forestry, iron and steel, automobile, rubber, and aircraft manufacturing. Students are acquiring broadened and expanded interests and geographic concepts through the use of outlines and the use of a map. The basic concepts of space, place, and time relationships are developed through the construction of object-exposition models.

Succeeding units of study will include the completion of the industrial unit, a unit on Southern America, and New York.

IN FRATERNITY—Roger M. Weiss has been accepted into Theta Chi fraternity at Lehigh University, Pennsylvania. Weiss, the son of Mr. and Mrs. Max Weiss of 59 Bryant Avenue, is a graduate of Regional High School. He is a freshman at the University majoring in Industrial Engineering.

Hadassah Chapter Receives Charter

Another link in the Hadassah chain was forged when the newly organized Springfield chapter received its charter. On Wednesday evening, February 23, 1956 at 8:30 p.m. at the Springfield Jewish Center, the charter was presented by Mrs. S. Amada of South Orange, past president of Northern New Jersey region. Those women who were members at this time were accorded the honor of signing the charter.

Rabbi Reuben Levine, spiritual leader of the Springfield Jewish Center delivered the invocation. Mrs. Amada installed the following officers:

President, Mrs. J. Chotiner; 1st vice-president, Mrs. S. Goldstein; 2nd vice-president, Mrs. M. Joseph; recording secretary, Mrs. P. Karlin; corresponding secretary, Mrs. I. Montag; financial secretary, Mrs. R. Feldman; treasurer, Mrs. J. Levy.

Mrs. Robert Rosenberg, president of the Millburn chapter of Hadassah brought greetings to its neighbor chapter in Springfield and presented the traditional gavel to the president, Mrs. M. H. Berger, liaison officer of Northern New Jersey region, welcomed this newest chapter to the many existing groups in Northern New Jersey. As a climax to the evening's program, the choral group of the Springfield Jewish center, under the direction of Mrs. A. Jay, presented several musical selections.

Following the program, Hadassah played host to its many guests at a social hour.

CATHOLIC INFORMATION

What's the use of pain and sorrow? A banker in a mansion with chronic indigestion and an imbecile son, both impossible of cure despite his millions. A widow in a novel, worn and tubercular, with eight little ones crying for food. Men, women, children of every class, down through the ages—pain, trouble, deprivation; sorrow dotting each life. What's the use of it all? The God-Man in a garden, weeping and sweating. The God-Man on a cross, weakening and dying. What was the use of that? Sacrifice is the answer. Suffering and sorrow offered up to God by God. A sacrifice that redeemed mankind. "If any man will come after me, let him deny himself, and take up his cross and follow me" (Matt. 16:24), said He who showed the way.

Crosses! Our crosses! Little and big. Each of us gets them to take or to leave. Physical, mental, heart-rending; but if we seize them and raise them to Him on the Cross, they form the most pleasurable of all human petitions. They take away punishment deserved for our sins. They obtain God's favors for others both living and dead. They attune our hearts with the Heart of our God.

The greatest of all sufferers was Christ, who is God. And Mary, His Mother, blessed among women, was permitted to be the Mother of Sorrow for all of her life. Jesus—a Saint who did not suffer intensely and purposefully, though often through smiles. So there's lots of use in pain and sorrow if we offer them up as sacrifices to God.

Your Library

"We too shall gladly serve." The new service offered by the Free Public Library of Springfield may be considered a success. On the two holidays the library was open, about a dozen people came to work on research projects of various kinds. Several teachers came to select books for classes, and an average of 150 books for home use were borrowed each day.

Although these numbers are not large, the proportion of people expressing appreciation was many. Many said it gave them a chance to get books they rarely enjoy. The experiment will be repeated next fall on Columbus Day, Friday, October 12.

Meanwhile, many people have enjoyed the exhibit of Lincoln and Washington materials in the hall case. These, as usual, were arranged by the curator, Mr. Donald Palmer. He, too, is another person who gladly volunteers his service.

Now another new service is being planned by the library. It occurred to several people that a number of good books standing on the library shelves might be enjoyed by readers who were unable to come and get them. So the Springfield Library has decided to inaugurate a "Service-for-hut-ins." Anyone who has some type of transportation and enjoys visiting his fellow citizens may volunteer for service. These people will call on the prospective reader to learn something about the individual's taste; then come to the library and choose some books to take to his home. After that they will visit the reader regularly at about two-week intervals. Since the regular loan period in Springfield is for 28 days or 4 weeks, the person, to qualify for this service, should be "shut-in" for a period of at least six weeks. A person temporarily out of circulation might be considered, if he were unlucky enough not to find anyone to get his books. Inquiry has already located six people who are willing to help visit "shut-in" readers. But more volunteers would be welcome.

Revolver Club Set For Spring Season

The Springfield Revolver Club held its regular monthly meeting last Thursday night, February 23rd, at the home of Ben Yarrow, 17 South Springfield Ave.

President William Pierce appointed Albert Marcantonio, Daniel Caviano and Ben Yarrow as a committee to put the pistol range in first class shape before the spring season of matches resumes. A second committee, composed of Sam Rosenberg and Wes Compton was appointed to take over scheduling and keeping records for the special sweepstakes handicap shoot and the various medal matches held by the club during the year.

The Sweepstakes Handicap Trophy Cup was presented to the winner, Wes Compton.

Four new members were sworn in, as follows: Harry Astley, 204 Morris Avenue; Henry Bouchard, 233 Hillside Avenue; Ormond Mosker, 53 Mountain Avenue; Ed Ward Olesky, 55 Garden Oval.

The next meeting was announced for March 22nd, a dinner meeting at the Hitchin' Post on Route 22, and the meeting closed with showing of films depicting loading of ammunition.

Regional Seniors To Present Play

The Class of 1886 of Johnathan Dayton Regional High School Springfield, New Jersey will present their annual play, "Night of January 16," on March 23 and 24 in the school auditorium.

The subject of the play is a murder trial, and an unusual feature of it is the recruiting of twelve members of the audience to serve as jury. These members will not be "planted" in the audience, but picked by lot. Between acts the jurors are led off stage to a small deliberation room. Each act represents one day of the trial.

Tickets selling for 65c and \$1.00 will be on sale at Regional High School starting March 7, 1956. Be sure not to miss this thrilling drama.

Annual Missionary Conference Begins

The Annual Missionary Conference of the First Baptist Church of Millburn will begin on March 8 at 8 p.m. At that time Rev. Lyle Eggleston of the Soldiers and Gospel Mission of South America will speak and show pictures of the work in Chile.

On Friday evening, Rev. Edward L. Frederick from International Missions, Inc., will speak and show films of missionary work in Asia.

The conference will continue throughout Sunday, March 11, at which time Doctor or Mrs. Douglas Reitsma, representing the Africa Inland Mission, will be speaking at all the regular services. These Medical-Missionaries are home on furlough from their pioneer work in Sudan, Africa.

Mrs. Reitsma will speak to the Women's Missionary Society on Monday, March 12 at 8 p.m., in what will be the final meeting of the conference.

Local Cub Scouts Win County Honor

Springfield's Cub Scout Pack 171 was awarded the "Honor Certificate" for the excellence of its window display during Boy Scout Week. This "Honor Certificate," which is the highest award presented by the Union County Boy Scout Council, was won by Pack 171 for the second time in two years. Mrs. Charles Miller was again in charge of the display which featured handicraft projects which had been made by the Cubs. Another interesting feature of the display, which was set-up in the large show window of the Colantone Shoe Shop, was a collection of pictures of the boys arranged according to their individual dens. Mrs. I. Montag assisted Mrs. Miller in the preparation of the display.

Pack 171 wishes to express its appreciation to the owners of the Colantone Shoe Shop for giving them the use of the store's large

display window. The display was set-up in the large show window of the Colantone Shoe Shop, which featured handicraft projects which had been made by the Cubs.

Local District Cited

The Union, New Jersey District of the Prudential Insurance Co. has been named one of the company's leading organizations in the U. S. and Canada.

In recognition of its all-around proficiency, the office received a "President's Citation," one of Prudential's highest honors, will be awarded to the District at a dinner to be attended by company officials.

The Union district is headed by Henry Bedell of 78 Forest Drive, Springfield. He has been associated with Prudential since 1922.

Marshalls Feted At 40th Anniversary

The children of Mr. and Mrs. Arthur L. Marshall gave a surprise 40th wedding anniversary party in their parents' honor at the Marshall home at 74 Washington Avenue on February 25. Guests included family—Mr. and Mrs. Jack Himmelrich from Brooklyn, Mr. and Mrs. Harry Dease of Port Monmouth, Mrs. Charles Henningsen and Mr. and Mrs. Art Henningsen, Mr. and Mrs. Louis Marshall and son, William Gowen, Mrs. John Pfeifer and daughter and Mrs. Marshall's mother, Mrs. Elizabeth Pfeifer and six grandchildren.

Girl Scouts to Hold Song Fest

Every Girl Scout and every Brownie in Springfield will participate in the annual Juliette-Low Song Festival on March 2nd at 8:00 p.m. in the Regional High School auditorium. Mrs. Ruppert Humer, festival chairman, has announced that the song festival is being held in the large Regional auditorium this year because the facilities at the Florence Gaudineer will no longer accommodate the tremendous audience which is expected again this year. "A Day At Camp In-Song" will be the theme of the festival. Mrs. John Trout will provide the piano accompaniment for the entire program. Mr. John Schwanhausser will be the bugler. Mrs. W. Anderson, Mrs. R. Amuso, Mrs. J. DeAzavedo, Mrs. W. Geltz and Mrs. E. Kent have been working with Mrs. Humer on preparations and the scouts have been rehearsing for weeks with one goal in mind: to present a delightful evening of songs.

The Girl Scouts are indebted to the G. A. Cardinal Company, of Springfield, for generously supplying the decorations.

In Mexico City
Mr. and Mrs. Frank M. Adams of 60 Fieldstone Drive are vacationing at the Hotel Del Prado in Mexico City.

League Gives Its Booklet To Schools

A gift of 475 copies of the Know Your Town booklet, "Springfield," was presented by Mrs. Roy Gertmanian, president of the League of Women Voters of Springfield, to the public and parochial schools of the township.

Each of the schools will have 25 copies for reference work while Regional High School was given 50 copies.

The League felt that much valuable material had been gathered during the survey of the town, which would be helpful to the

students of our schools. The Executive Board of the League voted to make a gift of the books to all the schools in Springfield.

In a letter of thanks to Mrs. Gertmanian, Mr. B. F. News-wanger, Superintendent of Schools wrote "Please extend our thanks to the members of your organization for their continuing interest in the schools of Springfield. The League of Women Voters has again made manifest this interest through the gift of copies of the survey booklet 'Springfield.'"

"As a result, we now have a sufficient number to make this valuable history of our town available for reference to all children of our schools."

P.T.A. NEWS Mrs. P. L. Lewis, President, opened the regular meeting of the Springfield P.T.A. last Monday evening at Florence Gaudinier School. Rabbi Reuben R. Levine

of the Jewish Community Center presented the invocation. According to Mrs. J. J. Gershen, Finance Chairman, \$582.61 was realized from the recent card party at Baltusrol Club. Mrs. M. Weiss, Chairman of Summer Round-Up, announced April 18, 19 and 25 as the dates for registration of preschoolers entering kindergarten in September. Mrs. O. Granick introduced the

Founders Day program as candles were lit beside a huge birthday cake honoring the national founders, Alice Birney and Phoebe Hearst. Several past presidents of the local association were present. Mrs. Weiss introduced and the membership voted a \$50 gift to the State Founders Day Fund in honor of past presidents and founders. Mr. Dave Hyatt, from the Na-

tional Conference of Christians and Jews, spoke about "Brotherhood in the Community". As an ambulance driver in North Africa during the last war, Mr. Hyatt saw men become bigger than themselves when faced with death; they had no prejudice then. He believes that brotherhood is the "crucial problem in the schools today. As an example of what "one guy can do" to com-

bat discrimination, he cited Branch Hickey's hiring of Jackie Robinson, Benny Goodman's fight to break the color line in theaters where his band played, and the fine employment and educational program of International Harvester Co. Mr. Hyatt stated that brotherhood is a good way to combat communism, especially now when the eyes of native peoples around the world are upon us. The aim of the NCCJ is to create a task force of responsible citizens who stand ready to put out any fire of discrimination or race hatred that might flare up. Since laws alone can't do the job, an intensive program of education is essential, such as the NCCJ workshops in collaboration with Rutgers University next summer and various Police Institutes which are workshops in Human Relations. Mr. Hyatt's beliefs were well illustrated by Frank Sinatra in a film "The House I Live In."

Pistons Trip Nats In Overtime Game The Pistons, tripped the hard-luck Nats, 20-18, last Saturday morning in the opening game of the Springfield Small-Fry Basketball League "tripleheader at the Florence Gaudinier School gymnasium. Larry McConkey popped in a short side court set shot to slam the door on a Nat bid for victory. The basket came after three minutes had elapsed in the "sudden-death" overtime battle, which had the Nats throwing up many desperation shots at the basket, only to see them spin out or drop the wrong way. The Nationals came close to winning in regulation time with Baker, Adams, and Wycoff sparking the drive. Larry Cye, Lou Pigolet, and Larry McConkey were the leaders for the victorious Pistons. In the middle game the high scoring Knickerbockers, with Lord, a lanky Seattle youngster sparking the victory with twenty points, downed the Lakers by a 38-19 margin. Little Dixie Walker, floor-general of the Knicks, also chipped in ten points on five field goals. The Lakers didn't have control of either backboard, which made the Knicks victory easy, although Pagino and Bloom were outstanding in defeat. The finale of the three game card saw the Bulls trim the Celtics, 16-14, with Francis, Conard, and Gwathney sparking the victory. Tuffy Hartz and Ratner were the top men for the Celtics, with Hartz scoring ten points on five field goals.

WHAT THE BIBLE TEACHES ABOUT ITSELF The Bible claims for itself Divine Authorship. While it is recognized that more than forty men were instrumental in the actual writing of the books of the Bible, God is the true Author of the Book which is the world's all-time best-seller. —The prophecy came not in old time by the will of man; but holy men of God spoke as they were moved by the Holy Ghost. (2 Peter 2:21). History proves the authenticity of Scripture. Evil men have sought to destroy the Bible and to stamp out its influence but the Book of books has outlived them all. The French infidel Voltaire claimed that fifteen years after his death the Bible would be extinct. Within that period after the death of Voltaire the Bible was being printed in the very house where he had lived. Men have hammered upon the Bible seeking to break and ruin it but have only destroyed themselves in the process. The Bible is a living Book. Though heaven and earth may pass away this Book will stand for it is the very Word of God. It is God's message of love bringing redemption to a world sold under the bondage of sin. The Springfield P.T.A. continues as one organization. One hundred eighty-three members voted at the regular meeting, February 27th, and 92 favored continuation of the present, unified association. Several new chairmen have been announced by Mrs. P. L. Lewis. Mrs. Charles Miller is chairman of the 8th Grade Graduation Party. Mrs. Stanley Corfield of 27 N. Derby Road has been appointed James Caldwell Hospital's chairman. Mrs. Ruth Rand of 646 S. Springfield Avenue is the new Legislation chairman.

Shunpike Civics Set Dinner-Dance The Shunpike Civic Association held their monthly meeting on February 8 at the home of the Frank Wehrles. Keynote of the meeting was the election of Robert Kennedy of Warwick Circle to the position of Vice President and a discussion of plans for the annual forthcoming dinner-dance. The annual dance will be held at the Flagship in Union on Saturday evening, March 10 at 7:30 p.m. According to the dance chairman, a gala evening is planned for the Shunpikers with a full course chicken dinner, entertainment and prizes. The theme of next month's meeting will be "Education in the Township of Springfield." Guest speakers will include members of the local Board of Education.

Heart Fund Drive Fund Here, \$1,203 An appeal has been issued by the Union County Heart Association to residents of Springfield to send their contributions to the 1956 Heart Fund drive to the association office at 1137 E. Jersey St., Elizabeth. Springfield is one of the three communities in the county without a heart fund chairman to conduct the 1956 appeal, it was explained. This year, Springfield's quota is \$1,203.30. Last year in a record collection, Springfield residents contributed a total of \$1,774.67, making it one of the communities to pass its goal. Because of the lack of a chairman, the Heart Sunday drive being conducted in the other communities will not be held in Springfield.

Dale Carnegie Dinner Eugene Battelle of Waverly Avenue and Mill Keshan of the Beacon Hill Co. are serving on the committee for the annual Speech Contest and Banquet of the Dale Carnegie Club to be held at the Park Hotel, Plainfield.

REGULAR MEETING OF THE UNION COUNTY BOARD OF CHOSEN FREEHOLDERS HELD ON JANUARY 12, 1956 Regular meeting of the Union County Board of Chosen Freeholders was held at the Court House, Elizabeth, N. J., on Thursday, January 12, 1956, 10:00 A.M. Director Benning presiding. Roll call showed nine members present. The following resolutions were read and ordered filed: Supt. Weights and Measure, advising no 1955 solid iron poultry licenses were issued during the month of Dec. or fee collected. State Highway Dept., advising of a check of 1955 State Highway Department of Road Construction and Reclamation (Advertisement, etc.) which directs this year's publication for advertising for bids shall be at least 17 days before the date fixed for the receipt of bids and not 10 days, was referred to Roads and Bridges Committee. John E. Rummel, Hospital for Chest Disease, enclosing copy of a resolution, passed by the Board of Managers, accepting bids for most requirements for the period beginning Jan. 11 to Feb. 1, was referred to Public Welfare Committee. County Clerk, enclosing copies of Oaths of Office of Frederick P. Anderson, James E. Ernest, S. H. Hickok, F. Edward Bierbaum and Richard P. Hatfield as members of this Board. Township of Union, advising that the Township planned to designate Stuyvesant Ave. a through street and to erect stop signs at side street intersections and that the Acting Director of the Bureau of Traffic Safety advised them that they have this matter under discussion with County authorities with a view to having all County roads designated as through streets and asking if the County plans to take such action in the near future, was referred to Roads and Bridges Committee. Union County Park Commission, enclosing resolution requesting Capital funds for the improvement of the Park System and copies of the proposed capital program for 1956, totaling \$180,000, was referred to Finance Committee. City of Rahway, enclosing resolution asking this Board to correct the unsatisfactory condition of E. Milton Ave., from Main St. westerly to Broad St. and asking the County to contribute towards the proposed concrete pipe enclosure of Rahway River Branch No. 8, which crosses Whittier St., Alden St. and Kearny Ave., was referred to Roads and Bridges Committee. Gomerling, Supple and Clooney, advising they have examined reports submitted by the Union County Hospitals relative to free treatment furnished to indigent sick residents of

GETTING-SET FOR THE SEASON—Members of the Springfield Recreation Commission get together to map out their plans for the coming year. Pictured from left to right—in front: Leslie Lawn and Mrs. Teresa Doherty. Back row: Robert Marino, Mrs. Elizabeth Reilly and Victor Bracht.

Recreation Commission To Improve Present Facilities

Added improvement to all present facilities of the Springfield Recreation Commission was announced today by Leslie Lawn, Chairman, with emphasis on more equipment for juvenile use. Durable park benches of concrete will also be installed, along with other equipment. The Parks will be maintained, with the grass and brush mowed at regular intervals. Equipment, fences, benches, fountains, etc., in need of repair will be placed in working order, and also given a fresh coat of paint. Good housekeeping will play an important part in the future, with emphasis on neatness and cleanliness at all times.

A new stainless steel flag-pole will be erected at the Irwin Playground. The gleaming pole is being donated as well as a new American flag. Particulars on the dedication will be announced in two weeks, with the possibility that the pole will be erected no later than Memorial Day.

Additional development of the present playgrounds will start with the cleaning, grading and seeding work to be completed prior to the first of June. Rose bushes will be planted at the Henshaw Playground, and when in bloom should enhance the beauty of the present split rail fences.

The biggest single installation planned this year is an all-modern tennis court at the Henshaw Playground, which will include a high protective wire fence for errant tennis balls. Should the new tennis court prove popular, additional courts will be installed, all dependent on budget approval.

The Springfield Recreation Commission will step up not only their present Youth Baseball, Basketball, Swimming, Tennis and Touch-Football programs, but also will inaugurate a program for adult participation. Group dancing, gym classes, golf, table tennis, volleyball, basketball, handball, Christmas and Holiday programs will be offered to all Springfield residents on regularly

scheduled evenings. The Springfield Recreation Commission and Women's Club sponsored pre-teen dances now offered to 7th and 8th graders, will be continued during the fall, winter, and spring months. The dances have been extremely popular, with additional dances to be scheduled, all dependent on the interest manifested.

The Recreation Commissioners recognize the need for a Youth Center or a Community House, which would be available to the adults as well as the youngsters. Schools and their facilities are being made available by the Springfield Board of Education, but in many cases are not open during the holiday seasons or during the summer months. The Community House or Center would be available for large meetings, dances and socials. It would contain a gymnasium, meeting rooms, offices, and many equipment items which are not available at present.

The cost of such a center is prohibitive at present, but with building and properly costs fitting with great additional months, an immediate survey for a site is imperative. The Commission is looking for property, striving to secure a site that is centrally located, with adequate parking facilities. The Summit Recreation Edison Community House located

on Morris Avenue cost approximately \$125,000, and will be enlarged shortly to contain eight bowling lanes as well as a rifle range.

Budget items prevent installation of many needed recreation facilities, but with each additional year the Commission hopes to have both the Henshaw and Irwin Playgrounds as models for future play areas.

Graduates Aircraft School

Bernard J. Smith, son of Mr. and Mrs. Bernard Smith, 34 Crescent Rd. was graduated February 24, 1956 from the Academy of Aeronautics, La Guardia Airport, New York.

Holy Name to Run Patrick Day Party

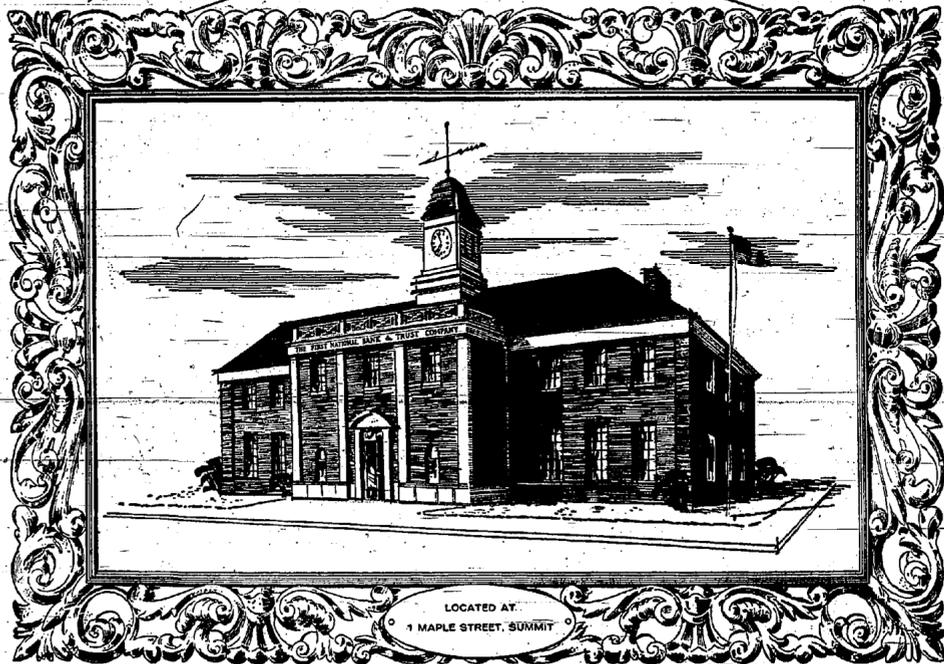

The annual St. Patrick's Day parish party of St. James Church will take place on Saturday evening, March 17, at 8:30 p.m. The affair, which in past years has been a huge success, is sponsored by the Holy Name Society of the church. A bigger and better party is promised this year by the chairman, Peter Dunn of Moun-

tainside. The evening will consist of dancing to the Hitchcock Camp orchestra in the school auditorium and cards will be played in the school cafeteria. Refreshments will be sold and there will be a raffle on a Hotpoint automatic dishwasher, a Sunbeam electric fryer and a Waring blender, for those who wish to try their luck.

Entertainment will be provided by Ben Ackerman, Joseph Rokosny and a male quartet, all members of St. James Church and entertainers in the church's variety show held in November.

SUNNING SPORTS

By RITCHY SCHWARTZ

It happens that way. You play a club twice during the season and knock em off with ease. Then you run up against this same team come tournament time and they make you look like a grammar school aggregation.

Regional situation exactly as they faced the same Plainfield squad they had beaten December 13 and January 13 in the Union County semi-finals and lost by a resounding 60-49 count. So what, tournaments aren't that big, especially county tournaments. I'm sure Plainfield would swap the win for our excellent 15-2 showing during the campaign. Just look out for those Bulldogs in the States. They play Linden-Saturday at Rahway.

The RHS Grapplers also had a time of it in their District III meet. Three Matmen received first place medals. Jerry Sachelski, Dick Bernstein and Joe Siska Heavyweight. One second place was taken by Frank Rizzo. The squad on a whole came in second, losing only to a powerful

Meyers Sparks Hawk Win Over Warriors

Timely baskets by the diminutive Billy Meyers sparked the Hawks to a 42-37 victory over the Warriors. Meyers also came through with several steals which enabled the Hawks to contain the fast breaking attack of the Warriors. The losers had the height advantage over the Hawks as lanky Johnny Herzmann was syndoned with a heavy cold. Coach Tony DeSantis posted Hartmann in the pivot and the youngster did a great job off both backboards, fourteen tallies, most of these coming on rebounds and short pop shots at the keyhole. George Seltzer, rapidly improving into one of the better players in the evening program, came through with baskets in the third and fourth quarter which stifled the Warrior threat. Others who played well for the victors were Pete Besch and Stiles.

This was the initial game of the second half schedule and from all indications the Hawks are going to put up quite a battle for playoff honors. The Warriors and the Royals had identical records at the conclusion of the first half race, with the playoff to be held at the conclusion of the second half schedule. Parents, adults and others interested in the Springfield Recreation-Basketball program are invited to all regularly scheduled games on Tuesday, Thursday and Saturday. The Saturday games at the Florence Gaudinier School start at 9:30 a.m., with the evening games starting at 7:30 p.m. sharp.

Table with 4 columns: Hawks (42), Warriors (37), Seltzer, Besch, Meyers, etc. Totals: Hawks 42, Warriors 37.

January of 1955 was slightly ahead of the first month of 1956 in the matter of tax collections, the total last year being \$223,314.63 while only \$218,622.60 was taken in last month.

The total 1956 tax collections was \$207,695.35 in January with \$9,409.51 of last year's taxes. Collector Charles H. Huff also reported collecting \$908.28 which was due for 1954.

SYNOPSIS OF MINUTES OF REGULAR MEETING OF THE UNION COUNTY BOARD OF CHOSEN FREELANDERS

Regular meeting of the Union County Board of Chosen Freelanders was held at the County Courthouse, N. J., on Thursday, January 25, 1956, at ten A. M.

Director Joseph R. Karel presiding. Roll call showed eight members present: and one, Freelanders-Bertram, absent.

Freelanders Herlich made a motion that the minutes of the meeting of Jan. 18, 1956, be approved and be so ordered, and unanimously carried.
