Beardsley Top Choice To Get Election Job

Charles F. Beardsley, Springfield Republican chairman and former Republican County Committee leader, is expected to get approval to succeed William J. Seeland of Elizabeth on the Union County Board of Elections.

Charles F. Beardsley

Beardsley, who has been one of the hardest workers in the Republican ranks for a great number of years, has been selected as top choice for this job among three nominees recommended by the executive committee of the county GOP met at a meeting held Tuesday evening at the Winfield Hotel.

A four member of county Republicans will make the final selection but Beardsley, after Tuesday's meeting, appears to be the choice for this appointment which is made by Gov. Robert B. Meyner on recommendation of the county leaders.

Beardsley's selection to fill the vacancy on the Board of Elections will meet with the approval of the Board.

Merchants Report Record Sales in Past Few Weeks

Retail business in Springfield has passed all goals. This optimistic report comes from merchants along Morris Avenue as well as the General Greene Shopping Center where the "results have been sensational—fabulous," as one of the store managers put it.

There seemed to be a consensus of opinion that the Easter week end brought more business to Springfield than any of the merchants had anticipated and, so encouraged are they that plans are already being made to promote some ideas that will continue the buying trend throughout the summer months.

The General Greene Shopping Center has been the attraction with its large tree parking space and variety of merchandise offered. Out of town shoppers have been making it a habit and the influx of this increased purchasing power has spilled over into Morris Avenue.

J. J. Newberry and Grand Union report that their "sales have passed every goal set when the shopping center first opened last June."

"Our sales are far ahead of every target we set," said Robert Davidson, general manager of the Newberry organization, one of the featured units in the shopping center, "and we never expected such a week end as we just had. Our survey indicated that Newberry's wide selection of merchandise would attract new shoppers to Springfield but, frankly, we never expected our business to increase as it has each week."

While no figures were made available in any of the interviews, the Grand Union operation in the shopping center has surpassed all records for comparable stores with the same amount of retailing space. Grand Union has become a big favorite with shoppers and the local unit has played an important part in bringing new customers to Springfield.

"The" Freedman, president of the Springfield Chamber of Commerce, is very much encouraged by the fine reports of business throughout the Township and

Mental Health Fund Drive to Be Held in May

Leonard E. Best, President of the Richard Best Pencil Company, one of Springfield's leading industries, has accepted the challenge to lead the drive in Springfield for much needed funds for the Mental Health campaign which is to be conducted during the month of May.

Because people are not aware how widespread mental illness is, Mr. Best is determined that the coming drive for funds in May will give him and his committee an opportunity to point out the many facts about this dread disorder. He is organizing a working committee and asks all those in Springfield who are willing to devote some time to this worthy cause to contact him at DRexel 6-5850.

"People don't realize," said Mr. Best in discussing his plans for the May campaign, "that today there are nearly three quarters of a million people under care of mental hospitals. This is more than half of the number of patients in ALL hospitals for ALL diseases in the entire country."

"There are more people hospitalized for mental illness than for polio, cancer, heart disease, tuberculosis and all other diseases combined."

"These figures give an insight into the magnitude of the problem of mental illness facing the people of the United States. But it doesn't begin to tell the story of the untold personal and family agony in each of those 750,000 cases, nor of the thousands of other cases which are not treated in hospitals because of inadequate facilities."

"It doesn't tell of the stupendous cost of treatment and hospitalization, of the many persons who must be cared for 50 or 60 years. And it doesn't mention the untold thousands of productive dollars lost to our economy."

"New Jersey has more than 22,000 patients in mental hospitals, all of which are crowded. And in addition there is a waiting list of those needing attention. This is a particularly serious problem, according to leading psychiatrists, because prompt attention is one of the most important requirements of successful treatment."

"Professional men, scientists, government officials and prominent volunteers in the mental health and allied health fields, have urged that this growing problem, with its alarmingly growing cost, be tackled at its roots through an expanded program of research directed to finding causes, prevention, and improved treatment methods and techniques. They urge a mass attack as was waged on polio with such success."

"Research has already made important strides. New chemicals have been found to be dramatically effective in lessening common symptoms of mental and emotional disturbance, and making patients more receptive to psychotherapy."

"But this is only a small advance on the road to the solution of our mental health problem. Research has not begun to scratch the surface of this complex problem."

"The National Association for Mental Health, its state divisions and county chapters are attempting to stage an all-out war against this greatest of all health problems. It is asking Union County to join in the battle to ring the bell for mental health."

B'Nail B'irth Meets

On Tuesday evening, April 10 the membership committee of B'nal B'irth Women Weequahic Chapter will meet at the home of Mrs. David Weinstein, 74 Irwin street, Springfield. Plans will be formulated for a tea to be held on April 24th, and a membership party to be held in June. Mrs. Weinstein who is first vice president will preside at the meeting.

REMINDER!

The American Legion, announced today that scrap paper pick-up will be made THIS COMING SUNDAY.

Everyone is asked to leave their scrap paper tied and piled at the curb for the Legion trucks to pick up.

Springfield voters will be called upon to vote on a special referendum to approve the issuance of "bonds to construct an addition to the Florence M. Gaudineer School at a cost not exceeding \$450,000.00" next Thursday, April 12, and the need of such a program is expected to attract an overwhelming vote in favor.

The polls will be open from 3 o'clock to 9 p. m. with voters of Districts No. 1, 2, 4 and 5 casting their ballots at the James Caldwell School while Districts No. 3 and 6 will vote at the Raymond Chisholm School.

The Springfield Board of Education has placed in the hands of every resident a very interesting pamphlet which fully describes the need of the school addition. The brochure points out that "In 1951 the population of Springfield was about 7,300 and we had 280 children in the elementary schools. Today we have a town of approximately 13,000 and the school enrollment has risen to about 1,360. With the opening of the Walton School, there are at present no double sessions. However, the Gaudineer School was originally intended to provide for the 6th, 7th and 8th grades; and this year it was found necessary to retain the 6th grades in the neighborhood schools. Even so, because of the need for classrooms, the room designated as the library has never been used for that purpose, and the music room has not been

Start Work Soon On 1st Aid Home

Members of the Springfield First Aid Squad will soon see a long cherished dream realized when work actually starts on the new headquarters to be constructed at the corner of North Trivett and Center Streets.

Material suppliers and various craftsmen in Springfield are cooperating with the First Aid Squad, a great deal of the services being furnished free of charge and much of the material is either being given outright towards the building or is being made available at cost.

Plans and specifications for the First Aid Squad headquarters were prepared and given free of charge by William G. Chirgolis, one of the leading architects in this area which is much appreciated since his office happens to be one of the busiest in the state.

Others who have responded to the invitation to help the squad in the building of its new headquarters include the Columbia Lumber and Millwork Company and the Union County Lumber Company who have agreed to furnish a great deal of material, some of it as gifts and the remainder at cost.

A complete list of those who will help with the electrical work, the carpentry, and other skills necessary for building will be made public very shortly.

SPRINGFIELD KINDERGARTEN ROUNDUP

Dates have been set for the Annual Kindergarten Roundup. Children who are five or before December 1, 1956, are eligible for registration.

Kindergartners will be registered on Wednesday, April 18, from 1:00-3:00 p. m. at the James Caldwell School; on Thursday, April 19, from 1:00-3:00 p. m. at the Raymond Chisholm School; and on Thursday, April 26, from 1:00-3:00 p. m. in the Edward V. Walton School.

Parents of kindergartners who have been contacted by the P.T.A. pre-school census committee have been informed through the mail as to the exact time they should report with their children on the above days and they should bring in the medical form properly filled out by the family physician. Parents who have not been notified by mail should contact their neighborhood school as soon as possible. Certificates of birth, vaccination (vaccination is compulsory for entrance to Springfield Schools), and diphtheria (Schick test) and whooping cough inoculations should be brought in at the time of registration.

Dr. Murray Balsam, the school dentist, will be present at these designated times. All parents have been urged to register their children on these specific dates. No other registration will be held until the latter part of August.

Posters Announce Lions Club Show

Plans for the forthcoming Lions Club 10th annual variety show are fast reaching completion. Chairman of Publicity, Jay Longfield, reports that through the aid of the art teachers and students of the Florence M. Gaudineer School, many original posters and displays have been drawn up and are now being displayed throughout the business section of town.

Tickets for the show, which will be held at the Regional High School on Friday evening, April 27, can still be obtained through the Springfield Sun, the local post office and Rod Gibbins, ticket chairman at Drexel 6-4337.

To Speak To Woman's Club About "Java"

Mrs. Leona Mourtou Nelson, well-known lecturer, musician, and world-traveler, will appear at the next meeting of the Springfield Woman's Club to discuss the lives of "American Women in Java," where she made her home for seven years. Mrs. Nelson is

Mrs. Leona Mourtou Nelson

endowed with an air of world knowledge, for she has lived in Europe, South America, the Dutch East Indies, was formerly under contract with Fox Films of Hollywood, and presently resides in Bronxville, New York. To audiences in the eastern part of our country she offers her superb, fascinating programs, drawing on her own interesting experiences when she so clearly brings to life the daily picture of women living in different parts of the world. She has become a great favorite in the east as in the west where she returns annually at the request of clubs in Oregon and California.

Mrs. Nelson is a true cosmopolitan, and will entertain the members of the Springfield Woman's Club with a highly original, distinctive and delightful program on Wednesday evening, April 11, at 8:15 p. m. at the James Caldwell School.

The Expanded School
The two-story addition was decided upon because it would provide the needed classroom space with the minimum loss of playground—a very important consideration with a school of this size. The present baseball field and the paved play area will not be affected.

"Since the major part of the new construction will be separate from the existing building, there will be a minimum of disturbance to classes during the time of construction, which should be approximately one year.
Will Cost \$450,000.
"The estimated cost of the proposed addition, including equipment, architect's fees and legal expenses, is \$450,000, which will be financed by bonds to be paid off in 20 years. This proposal to build (Continued on Page 6)

Spring vacation time found the Robert B. Champlin family of 131 Bryant Ave. on a trip to Williamsburg, Virginia.

Robert Champlin, Jr. was recently awarded his 3rd varsity letter at Pingry.

Sally Champlin, who attends the Kent Place School, successfully completed a role in "Tutankhamun."

Robert Champlin, a sophomore at the Newark College of Engineering, made his family proud by having an article dealing with radio transmitters published in the national magazine "CQ."

A surprise was certainly in

store for Marvin Simon of 28 N. Derby Road. On April 2, his wife Selma gave a surprise birthday party in his honor. Guests included Mr. and Mrs. J. Bush; Mr. and Mrs. R. Kaplan, Mr. and Mrs. H. Robbins, and Mr. and Mrs. J. Statman all of Irvington; Mr. and Mrs. D. Gites of Newark; Mr. and Mrs. J. Kamens of South Orange; Mr. and Mrs. M. Lieb of Metuchen; and Mr. and Mrs. A. Jay of Springfield.

Mr. and Mrs. Richard Ward of Rhode Island were the weekend guests of Mr. and Mrs. Harry Speicher of 1 Evergreen Ave. The Wards were here to attend the wedding of their son, Richard, Jr. to Miss Sue Warwick held last Saturday at the Presbyterian Church of Springfield.

Heartiest congratulations to Mr. and Mrs. Jerry Hockkiss of "Hockkiss-Cosmos" fame who celebrated their wedding anniversary on March 30th.

Mr. and Mrs. Marty Bachracl, formerly of Newark, are now the residents of 12 Garden Oval. They are parents of three daughters, Tracy age 11 years, Roberta age 9 1/2 years, and Melissa age 3 1/2 years.

Former Union-ites now residing at 37 Garden Oval are Mr. and Mrs. Williams Pfeifer and their 10 month old daughter, Karen. Mr. Pfeifer is a Prudential agent.

The public is cordially invited to attend a discussion period following the play, will be led by Dr. Ruth Boyle, Supervisor of Special Services with the Irvington Public Schools. Prior to her association with the Irvington School System, Dr. Boyle was the psychologist for the Summit Public Schools. Dr. Boyle is active in PTA work, the Union County Mental Health Hygiene Society, and is with the teaching staff of Rutgers University, and New York University.

This delightful play is being presented by the Union County Association for Mental Health as a part of its county-wide educational program through which it is working to prevent mental and emotional illness, by bringing the basic truths of positive mental health to the attention of more and more citizens.

Members of the Board of Education will be at the meeting to present an explanation of the plans for the future addition to the Florence Gaudineer School, which is to be approved by the voters at a special referendum on Thursday, April 12, 1956.

All who attend the PTA meeting, are bound to find it worthwhile.

Mrs. Stevens Sperling, the former Publicity Co-Chairman, with her family, moved to Plainfield last week, to await the finishing of their new home in Watchung. It is with regret that the PTA loses Mrs. Sperling's capable assistance.

Your Library

While April showers may bring May flowers, they may imprison the gardener indoors. A good way to ward off the fretfulness arising from such frustrations is to dream about gardening. An enthusiast can picture his garden from his easy chair.

To help the gardener picture plan, and improve his hobby, the Free Public Library of Springfield has many fine books on gardening. Some very interesting ones have been added during the last year. Among these are: "Improving Your Garden" by E. F. Downey; "Gardener's ABC of Pest and Disease" by A. W. Dimock; "Complete Book of Annuals" by F. F. Reekewell; and "Wild Flower Gardening" by Norman Taylor.

An unusually beautiful book because of its many illustrations is House and Garden's "New Complete Book of Annuals." Gladys Tabor has a new book in which she writes with her usual gracious manner about the joys of country living in "Stillmeadow Daybook."

Two books which may be of more interest to economists or people concerned with world affairs than gardeners, are "History of a Soviet Collective Farm" and "Story of Agriculture in New Jersey." The latter is one of the books which points out the contributions New Jersey has made to the development of agriculture in this country. Another book "Where There is Vision" was published on the seventy-fifth anniversary of the founding of "The New Jersey Agricultural Experiment Station" (1880-1955) at Rutgers. Both should bolster the pride of citizens in their own state and show that New Jersey is nicknamed the "Garden State" for good reasons.

Several fascinating books have been done for young gardeners. "First Book of Gardening" by Virginia Kirkus and "Guide to Gardening with Young People" are to be found along with others in the Juvenile Department.

The Springfield Library does not have room enough right now to exhibit many of its gardening books. One shelf will be found near the new books and others will be found upon request.

The weather bureau says the common belief that the water content of snow is equal to one-eighth of the snowfall is seldom true. The water content can vary from 3 to 30 per cent of the density of the snow.

—SPRING TONIC—

A frank appraisal of your home is almost sure to disclose the need of a Spring tonic. Draperies and slip covers are a good approach because through them you can introduce a fresh color scheme. That winter weary look can also be counteracted with unusual furniture finishes and original accessories. Whether your home be classic or rustic, give it the advantage of a Spring tonic.

There is nothing that makes a home look shabbier than worn, drab rugs. In budgeting for home replacements this Spring, be sure to give consideration to new floor coverings. We have a wonderful selection of carpets, linoleum and the new plastic tiles. Your inspection is invited at Carpet Decor, 515 Millburn Avenue, Short Hills, Phone DR. 6-2575.

ADD UP THE COST of keeping your present car in top condition this year—new tires—engine work—paint—battery—muffler—brake linings, etc. Then talk to your Plymouth dealer about his modern financing plan; find out how it may actually cost you less money to drive home in a '56 Plymouth—the only, all-new car in the low-price three.

"Let's trade! Your present car on a big, all-new, jet-styled Plymouth!"

You'll own the only low-price car that's really new. Plymouth is all new—design of the future today. But the other two low-price cars? Still about the same as last year and the year before!

You'll own the biggest car in Plymouth's field. You'd have to pay hundreds of dollars more to match Plymouth's length and roominess.

You'll own the only low-price car with positive, mechanical Push-Button Driving. Greatest advance in a decade, and only Plymouth has it in this field! Touch a button... and you're off. Fool-proof! At left, safely out of children's reach.

You'll own the top performer of the low-price three. Plymouth is fastest from 0 to 30 and 0 to 60 m.p.h., as independent tests show! Just try that new Hy-Fire V-8—with up to 200 horsepower!

So—bring your present car in now and see how much we'll allow you on a magnificent all-new '56 Plymouth. We'll surprise you! And be sure to ask about our modern financing plan—makes owning a Plymouth easier than ever!

PLYMOUTH costs less

From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

Springfield Lions Start "Fly the Flag" Campaign

The Springfield Lions have started a "Fly the Flag" campaign which, the members hope, will increase the display of flag considerably in the future.
 "The Springfield Lions would like to see more homes flying flags during the legal holidays," said one of the members in discussing the campaign, "and we plan to do something about it."
 Springfield has such a fine historical background, it shouldn't be very difficult to promote our "Fly the Flag" campaign.
 The Lions have conducted campaigns of this nature in the past but a special effort will be made this year with Vincent J. Carney as general chairman, and "Al" Rogers and "Vic" Bracht as sectional chairmen. This committee plans to canvass the entire Township with the idea of creating more

enthusiasm in the idea. Special prices will be offered for the purchase of flags through this committee and all citizens are invited to take advantage of this opportunity. Members of the "Fly the Flag" Committee will start a house to house campaign; those who wish to know details about the purchase of flags can contact Chairman Vincent Carney at MURdock 6-4142.

NEW LIFE

So many things develop from within, and so do we. The chick comes out of the egg, the flower from a tiny seed, the tree adds rings year after year to its outer core. Always it is the inner life.

And so it is with the heart of man. When the inner man is fed by God's Holy Word, the outer life becomes a joyful expression, a vital power that overcomes all obstacles and sweeps on to eternal life.

The Church nourishes the inner life of spirit so essential to outer growth and beautiful expression. From the Church comes the instruction and inspiration for happy, worthwhile living. Attend some church regularly, and see what a difference it makes.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

of not only the leaders but the rank and file of Republicans throughout the county who know of the work done by the Springfield resident on behalf of the GOP cause.

The Elizabeth Journal of yesterday stated that Col. Francis V. Lowden, county chairman, said announcement of the decision probably will be made on Friday. The law requires the selection to be on the governor's desk before Tuesday, he pointed out.

Serving with Lowden on the four-member selection panel are Mrs. Helen Glaeser of Plainfield, Republican state committee woman; Mayor H. Emerson Thomas of Westfield, Republican state committeeman; and Mrs. Elizabeth Arthur of Plainfield, first vice chairwoman of the county committee.

Five names were submitted to a vote by 32 members of the executive committee and other county committee officials. Included were Lauris V. Sorenson of Scotch Plains, former Elizabeth Republican chairman and Bruce F. Stout of Linden, a clerk-investigator with the elections board.

The vote totals were not disclosed, but it was reported that Beardsley was an overwhelming choice. As such it appears he will win the approval of the four-member selection unit.

Voters Will

an addition to the Gaudineer School has the approval of our Township Committee and of the State.

"The annual amount necessary to pay principal and interest will be in the neighborhood of \$30,000. In the opinion of the auditors, approval of the referendum will mean an increase of approximately 19 cents per \$100 of assessed property valuation after 1957. On the basis of the average home assessment in Springfield, this would be about \$7.60 a year, or 65 cents a month.

"Approval of this proposal will enable the school system to operate in accordance with the long-range plan of having neighborhood

schools for the smaller children with a centrally located school for the upper grades. This is desirable from an educational standpoint and economical in operation, since bus transportation and duplication of facilities are kept at a minimum.

"This proposition is the result of careful study on the part of the Springfield Board of Education and the school administration. Adequate classroom space and equipment are essential to maintain the high standards of our schools and give our children the kind of education we want them to have.

"Thursday, April 12, 1956, is an important date for the schools and for the town of Springfield."

Market Bowlers Increase Lead

The Springfield Market bowlers further widened the gap between themselves and the American Legion and Community Shoppe in local bowling activity held Monday evening. The Marketers took three games from D'Andrea Driveways while the Legion and Community were doing their level best by taking two of the three series from Bunnell Brothers and Frank's Auto Service.

Mende's Florist, the third place club took two games from Clare Mould, as did Cuzzolino Furs from H. C. Anderson & Son. Suburban Liquors took all three games from Parkview Garage.

High bowler for the night was Art Mutschler of Springfield Market with a 608 series and games of 169, 207 and 232. B. Concher had a 203, P. Busch 202, Dannerman 204, D. Pacific 211, D. Castagnova 205, Jacobovitz 206, G. Graziano 226 and R. Ziegenfuss 200.

The Conference will be attended by the following officers of our club: Mrs. Edwin G. Davenport, President; Mrs. Charles F. Heard, First Vice - President; Mrs. John S. Trout, Corresponding Secretary; and Mrs. Henry Bullman, Recording Secretary. Past-Presidents Mrs. Merton D. Williams, State Allied Youth Chairman, and Mrs. Kenneth E. Bandemer, Fifth District Vice and Legislation Chairman, will also attend. Departments of the Springfield Woman's Club will be represented by the following

members: American Home, Mrs. Vincent J. Bonadies, Chairman; Art, Mrs. Joseph Zidonik, Chairman; Mrs. A. Pancani, Jr., Co-Chairman; Mrs. Walter L. Tietze, Garden; Mrs. Edward J. Schubert, Chairman; and Mrs. Harvey P. Sommerer, Public Welfare; Mrs. Robert Hayes, Co-Chairman; Ways and Means, Mrs. Anthony J. Pitar, Chairman; Publicity, Mrs. William A. Konrad, Chairman.

On Monday evening, April 9, the Drama Department will meet at the Cannonball House at 8 p.m. to make final plans for a theater party to be held in June. Mrs. Fred Spangler will be hostess, and will be assisted by Mrs. Henry Bullman, Co-hostess.

On the subject of theater parties, today is the deadline for reservations for the Fifth District Drama Festival to be held on Tuesday, April 17 at the Paper Mill Playhouse, Millburn, with luncheon being served at the Millburn Inn. If you've forgotten to make your reservations, you may still be able to attend if you call

Mrs. Robert Briggs in the remaining few hours before the deadline closes. (DR 6-1515)

Miss Marietta Parham will review "The Hudson" at the next meeting of the Literature Department at the home of Mrs. Herbert O. Bailey, 37-Koals Road, Short Hills. The meeting date has been postponed by a few days, and the new meeting date has not as yet been announced.

Mrs. Charles F. Heard will be hostess to the Public Welfare Department at its next meeting on Tuesday, April 10, at 1 p.m. at the Cannonball House.

Members of the American Home Department will bring their own flower containers to the next department meeting where Mrs. Joseph Carriero, Proprietor of the Millburn Florist, will be on hand to show the members how to create original and distinctive arrangements for their most "difficult" bowls and vases, with flowers furnished by the department. The meeting will be held at the home of Mrs. William Peacock, 69 Irwin Street, on

Tuesday, April 10, at 8:30 p.m. Co-hostesses are Mrs. Robert Dvor and Mrs. Stanley W. McConkey.

The Handcraft Group of the Art Department completed its Ceramics project at last Monday evening's meeting, when members shaped bowls of clay and glazed them. The Fine Arts Group will meet on Tuesday evening, April 10, at the home of Mrs. Russell D. Post, 115 Salter Street.

The International Relations Department will have an interesting meeting on Thursday evening, April 12 at the Cannonball House, when Mrs. Herbert O. Bailey will be "Viewing Argentina," Mrs. William C. Cosgrove and Mrs. Gilbert E. Mann will be hostess and co-hostess, respectively.

Members of the International Relations Department are planning a tour to the United Nations Building and lunch at a foreign restaurant on a Saturday late in May. All club members will be invited to join them; further details will be published shortly.

Can you spare a morning or

an afternoon every other week? If you can, and you have the use of your car for that half day, call Miss Helen C. Reynet, Director of the Springfield Free Public Library (DR 6-4284) and offer your services to help launch a new program which the Library is inaugurating to serve shut-ins. Those who volunteer their services will have the satisfaction of choosing and delivering library books for Springfield shut-ins and possibly reading to them for a short while on their bi-weekly visits. You can render invaluable and enjoyable service to your community and bring happiness and sunshine to those who need it most. Call Miss Reynet today and offer your free half day!

Friday, April 20 is moving closer by the minute. With only two weeks left, this is the time to round up your friends, neighbors, and husband to make up your tables for the Evening Desert Card Party and Fashion Show to be held at the Hotel Suburban in Summit on that date. Fourteen members of the Springfield Woman's Club will model beautiful fashions shown through the courtesy of Hotchkiss Corner of 239 Morris Avenue, and hair styled for the models will be created by Messrs. Louis and Albert of Louis Haendresser, 243 Morris Avenue. Many gifts have been donated through local merchants and department stores in the area to please every winner. A good time for all is promised by the

Ways and Means Committee sponsoring the event. Tickets are available at \$2 each from Mrs. Anthony J. Pitar, Jr., Ways and Means Chairman, Mrs. John S. Trout, General Chairman of the event, Mrs. Stanley McConkey, Ticket Chairman, Mrs. Kenneth Bandemer and Mrs. Edward Murdock, Co-chairmen of the Fashion Show—in fact, ANY member of the Ways and Means Department will be happy to reserve a ticket for you; they're listed in the back of the Club Yearbook!

There are four good reasons why every member of the Springfield Woman's Club will want to attend the next meeting on Wednesday evening, April 11, at 8:15 p.m. at the James Caldwell School:

1. Show your interest in your community's growth and needs by learning at the meeting why an enlargement to the Caudinor School is being considered.
2. Show your patriotism to your country by signing the Freedom Scroll.
3. Show your interest in the Springfield Woman's Club by casting your vote concerning the proposed amendment.
4. Hear Mrs. Leona Mourtou Nelson chat intimately on "American Women in Java." Mrs. Nelson will review a typical day in the life of an American woman

living on this tiny island between China and Australia, drawing on her own interesting experiences when she describes that exotic land. Her program is a highly original, distinctive, and delightful one, and certainly one you won't want to miss. We'll be seeing you there!

O. R. T. Meets
Mrs. Philip Goldhammer will preside at the monthly meeting of the Springfield Chapter of Women's American O.R.T. Thursday evening, April 12, 8:15 p.m. at the Jewish Community Center, Balausol Way. "Family Life—It's Not So Bad" will be the subject of a panel discussion led by Mr. Theodore Isenstadt of the Jewish Family Service Association of Essex County. Mrs. Jack Slater, Public Relations, will introduce a UJA speaker. Election of officers will be held.

In New Orleans
Miss H. Virginia Stackfleth, daughter of Mr. and Mrs. Fred H. Stackfleth of 83 Kipling Ave., will return Sunday from her vacation in New Orleans and the Gulf States.

Combined Baseball Drive Scheduled

A joint drive with members of the Youth Leagues and the Babe Ruth Baseball Leagues of Springfield participating is scheduled to begin Saturday morning April 14, 1956.

Donations will be asked for from the community to support a program of organized and supervised play for boys nine thru fifteen years of age. Two hundred and fifty young men are expected to participate in two major and two minor leagues this year. The donations will be for the purchase of

equipment and to defray other necessary expenses in the supervision of these leagues. The citizens who will support this program can take great delight in knowing that they are contributing to healthy and wholesome play by youngsters during the spring and early summer months. This is an opportunity to do something worth while, to keep our youngsters healthy in body and clean in spirit.

Skin divers off the Florida keys have found that at a depth of 20 feet the water is so clear and the sunlight so intense most of them must use a protective cream to guard against sunburn.

Indoor Workouts Scheduled For All Baseball Leaguers

Poor weather and wet infield groups. Boys will be marked on their ability to throw accurately as well as attentiveness to learn the game. It is clearly understood that no players will be picked or assigned to teams from these indoor workouts.

Cold weather and severe winds have hampered outdoor drills to date, with announcement on outdoor drills to be made at the workouts scheduled at the Gaudineer School gym.

Fathers or Adults interested in the youth of Springfield are urgently needed as Coaches and assistants for the forthcoming baseball season. Over three hundred boys (in both the Youth and Babe Ruth League) will be screened for assignment to either a Major or Minor League team. Other Dads and adults can be used as scorers, trainers, or Umpires, as consid-

erable help is needed in order to properly supervise and conduct this worthwhile baseball program. Any boys who haven't registered for either the Youth League or the Babe Ruth League are urged to fill out a registration blank at once.

The following week (April 16 through April 18th) will be devoted to organization plans of both leagues in this manner. Monday will be "Umpire Night" with a baseball film on Umpiring shown to all men interested in umpiring in either league. Tuesday night the Youth Leaguers will continue their indoor drills, with Wednesday evening devoted to Babe Ruth pitchers and catchers. Thursday evening will be the final night for either League, with the showing of a baseball film, plus the usual "round-up" of announcements pertaining to all activity in both leagues.

Babe Ruth League Dinner Is Tonight

The Springfield Babe Ruth Baseball League will hold its first Annual Award Dinner at 8:15 p. m. at the Presbyterian Parish House, tonight, April 5. This is the culmination of a years activity for almost one hundred boys and a group of men who supervised and organized the League.

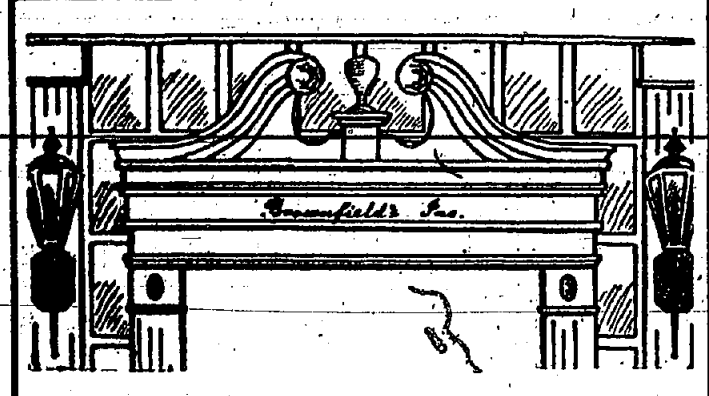

The idea was conceived by Rupert Humer whose tireless efforts led to a father and son night and the registration of those who would participate. A committee of men, resulted with Eugene Donnelly elected as President, Rupert Humer, Vice President, Norman Le Boeuf, Secretary and C. R. Gibbins as treasurer.

Then the rules of play had to be drawn up, sponsors obtained to support the teams, a township wide drive for financial support to obtain equipment and an insurance program to protect the boys. The Recreation Committee's help had to be enlisted to obtain properly equipped playing fields. An

equitable schedule had to be created for a major and minor league. Tryouts for teams followed and after due deliberation, teams were selected with a fair distribution and an eye toward balance. The enlisting of umpires and scorekeepers and the purchase of uniforms all preceded six weeks of competitive play which evidenced keen rivalries and good sportsmanship. The teams managed by Tom Glen, Sid Stoltz, Ed Tidaback and Emil Meyer came down the wire in a tie. Bad weather and the closing of school prevented any playoffs. As a result, tonight awards will be given to all participants of the major league. The women's committee, who prepared a delicious menu with roast turkey as the main dish with all the trimmings is headed by Mrs. Emil Meyer. Besides preparing the food the women will also act as hostesses and serve the youngsters. The women are the Mrs. Atkin, Gibbin, Glen, Haggerty, John Humer, Keith, Le Boeuf, Longfield, Meade, Muller, Murdoch, Rupp, Sisum, Skutsen, Southward, Straub and Miss Nancy Meyer. The committee has

arranged with local merchants to supply the delicacies for the evening. Those boys who played in both the major and minor leagues during the 1955 season will attend along with their managers, coaches, sponsors and other invited guests. Alex Webster, leading ground gainer of the New York Football Giants during the 1955 season will be the guest speaker.

Boys who are eligible to play again this year are those who are 13-15 years of age and will not have reached their 16th birthday before July 1, 1956. Try outs and registration will take place at the Gaudineer School Gymnasium on April 9 and 11 at 7 p. m. At the same time, pitchers and catchers will have trials and then practice. Starting April 14 on a Saturday, the first tryouts will be held for other positions at Meisel Field at 1 p. m. Fathers and other interested adults are urged to attend these sessions so they too may participate in the organized play of these youngsters.
