TOWNSHIP OF SPRINGFIELD
OFFICIAL NEWSPAPER

THIS WEEK

There's no measuring yardstick "no way to keep score" on just how much service is given by the Springfield First Aid Squad and the volunteer members of this local mercy organization. The squad plays an important part in practically every emergency and some of the stories of their immediate response to calls for help and the quick first aid administered, should inspire even greater support in their annual campaign for funds.

They do their work without shrieking sirens—without clanging of bells—and, sometimes, without disturbing people in the very same area. This was true a week ago Saturday evening when they answered a frantic, hurried call for help from the auditorium of the Regional High School where the Dramatic Workshop of the Springfield Jewish Community Group was presenting "The Fifth Season" before a jam-packed house.

A person in the audience had a sudden attack and the First Aid Squad responded to the call so quickly, and removed the ill person with so little excitement that very few in the crowded auditorium lost a single line of the play being presented on the stage. And, we understand, so grateful is the family of the stricken member of the audience that no solicitor will have to be calling on them this year for a contribution.

Now that we're back to the artistically and financially successful show presented by the Dramatic Workshop at Regional High on April 21, we realize that we failed to mention two people who helped make possible the presentation of this Broadway hit.

One was Robert Hockstein who actually got the show on the road as Ruby D. Prince, seller of fabrics, and gave a very convincing performance of a man who wanted his bills paid.

And the name of Rose Lester, in charge of props, was inadvertently omitted. Being in charge of props is one of the most responsible jobs behind the scenes and Rose Lester's name should never have been left out. When the leading man reaches into his desk drawer and looks for pills, it is Rose Lester's job to see that the pills are there. Or, when someone reaches for a telephone, a glass of milk or a cigarette, that was Rose Lester's job and, since there wasn't a slip, she must have done a swell job.

Township officials have been aware of the traffic hazard at the five corners where Mountain, Henshaw, Oakland and South Springfield intersect and plan to do something about it. Residents in that area have petitioned the authorities to install a traffic light at that crossing, pointing out that the stores at that corner have created "a blind spot" because of the parked cars of shoppers.

Installation of a traffic light will affect the parking regulations since no cars will be permitted to stop for shopping within the legal number of feet from the corner.

Township Committee member Eugene F. Donnelly, Fund Chairman for the 1956 Red Cross Roll Call of the Springfield Chapter of the American Red Cross reports that once again Springfield, through the generous response of its citizens and its business and professional people, has exceeded its quota by a comfortable margin, thus insuring especially that the local projects of Red Cross can be continued without interruption or reduction.

The effort this year really had obstacles to get over to achieve its result. During the course of the drive the blizzard cancelled out several days work for the solicitors, as did the subsequent

"MISS SPRINGFIELD" CONTEST TO OFFER MANY PRIZES

A week in sunny Florida, a television set, hi-fi phonograph and hundreds of other prizes will be presented to participants in the forthcoming "Miss Springfield" contest sponsored by the Chamber of Commerce in the latter part of June.

According to Ike Freedman, president of the Chamber, the contest will be run differently than last year's. Not only will the winner and her attendants be showered with gifts, but the voters will be in line for some fantastic prizes.

Preliminary plans call for at least 25 girls to be entered as contestants. Posters with pictures of all the girls will be displayed in stores throughout town. Any person can go into any store and vote for their favorite. Seven finalists will be determined by most number of ballots. Final selection of a queen will be determined by the Springfield Fire Department in conjunction with their 50th anniversary celebration.

Voters names will be on all ballots and either through a drawing or some other means to be announced by the committee, voters names will be drawn to decide who will receive prizes. The all-expense trip to Miami Beach Florida will be the grand prize for the winning voter.

Final contest rules will be announced in a forthcoming issue of the Springfield Sun, but any girls between the ages of 16 and 27 years are eligible to enter. If you are interested in finding out further details, contact the Springfield Sun or call Miss Thelma Diley at Drexel 6-1757.

Local Youngster Collects Money for Injured Boy

George Bartlett is a bright eyed, typical 13-year-old American boy, who loves to clean up his many chores during week-end and, when the weather is right, do a lot of fishing on Saturdays.

That is, until last Saturday. Instead of spending his day off fishing, George stationed himself in front of the J. J. Newberry Store and Grand Union, and collected dimes, nickels and dollars for a 9 year old Anthony Lepre, who lost both legs in Newark last week when struck by two teenagers in a stolen car.

Shoppers and sympathizers responded to George's pleas for money to help "Tony and his family" and before the shopping center stores closed for the afternoon, there was exactly \$24.50 in the large rose bowl the local youngster had on hand for the collections.

George lives with his parents, Mr. and Mrs. Edwin Bartlett and two sisters at 43 Colonial Terrace and attends sixth grade at James Caldwell School.

The story of Tony Lepre was known to George but he had no idea how he or other boys could help until he heard his mother tell that she had collected approximately \$30 in an office for the Newark boy.

When he asked his parents if he would be permitted to solicit money for "Tony," his parents consented and George started ringing doorbells. However, this solicitation was stopped and the 13 year old boy decided to "do it legal like" and went to the Police Department with Police Sergeant Daniel Maitland to see Chief of Police Albert A. Sarge for an official permit to collect funds. Chief Sarge was happy to give George the permit.

George's dad helped make up an appeal sign with newspaper clippings of the accident. Mrs. Bartlett located a bowl to catch the money and George found a camp chair. He planted himself in the shopping center and George learned quickly that "there are

Anglers Elect New Officers

The Springfield Anglers of Springfield have elected their new officers for the 1956 season: Pres., Walter Charles; Vice pres., William Hutchinson; Sec., Charles Boebert; Treas., George Volker.

The first fishing trip will be for members and their wives on June 25. The Club has secured the Mary Ann, which is captained by Joe Zatko at Leonardo, N. J. The dates for the rest of the trips are as follows: July 8, August 5 and 19; Sept. 9.

Prizes will be awarded to the member who catches the largest fish and the most fish. There will be competition this year between Walter Pasch, David Roe and Eugene McDonough, because they all claim they caught the most fish last season.

Saks to Start Work on Store Here Very Soon

Actual work on the new Saks Fifth Avenue store in Springfield is expected to get started very shortly — with the opening of the retail establishment scheduled for next August.

All legal obstacles are now out of the way and application for a building permit will be made here as soon as the plans and specifications are completed and presented to the Township's building inspector.

The deal for additional property to provide for ingress and egress to the store area has been completed and the requests by residents in the neighborhood for certain changes in the application for a variance have been resolved. The usual time period for any litigation, opposing the approval of the variance has passed and the Saks organization can now proceed with their elaborate plans for the new store.

Title to the properties will be passed very shortly and some ground preparations will be started next month, according to one of the principals in the transaction. Definite plans as to when actual construction work will be started is expected to be announced very shortly.

ORT to Install New President On May 10th

Mrs. Ivan Crouch will be installed as president of the Springfield Chapter of Women's American O.R.T. on Thursday evening, May 10th, 8:30 p.m., at the Jewish Community Center. Mrs. Kaplan will retire the outgoing officers. Mrs. Max Fruchter will offer the invocation and Mrs. Goldhammer will speak.

Members of the choral group who will entertain under the direction of Mrs. Leonard Golden are the Mesdames Leonard Atkin, Louis Ebert, Leonard Garber, Sidney Garner, Harry Katz, Norman Lowenstein, Arthur Miniman, Al Rutkow, Raymond Schaffer, Seymour Simon, and Jack Slator. Mrs. Walter Carter, program chairman, will act as narrator. Mrs. Lemkowitz will be accompanist.

Relatives and friends are cordially invited.

Board of Health Sets May 20 for Salk Shots

CONGRATULATIONS—Tony Florilli, newly elected president of the Veterans of Foreign Wars local post, receives and gives congratulations to the new president of the V.F.W. Auxiliary, Mrs. Rose Miller. Both were installed last Saturday along with other officers of the two organizations at a special ceremony. (Photo by Mickey Fox.)

Springfield's public clinic for the free administration of the Salk vaccine program will be held Sunday, May 20, at the Raymond Chisholm School, South Springfield avenue.

Announcement of this date and place came in the following official statement, issued by the Springfield Board of Health yesterday:

"At a special meeting of the Board of Health held on Tuesday evening May 1, the administration of the Salk vaccine program was determined. Consideration was given to the possibility of administering the program at the private offices of local physicians.

"After considerable discussion, the Board decided to administer Salk vaccine to those eligible at a free public clinic to be held at the Raymond Chisholm School on Sunday, May 20, at hours to be subsequently set.

"This course of action taken by the Board of Health was felt to be in the best public interest and the most expeditious way of administering the program. Full details will be forwarded to those who have indicated their desire to have their children inoculated."

The May 20 clinic is for those to receive first shots only and all children from one to 14 years of age and pregnant women are eligible. Approximately 900 forms, which had been mailed by the Board of Health, have been returned indicating their desire to take advantage of the free inoculation.

This mass inoculation method at the school on May 20 follows the suggestions given Springfield authorities by the New Jersey State Board of Health and the program which has been followed by the majority of municipalities in administering the vaccine.

Mental Health Head Speaks to Rotary

Mrs. Arthur L. Ackerman, County Chairman for the Mental Health Association was the guest speaker at the last meeting of the Springfield Rotary Club.

Mrs. Ackerman spoke of "responsibility of every citizen" towards the importance of the mental health problem and what the association is doing to make people aware of the problem through radio, TV, newspapers and signs.

patients," said Mrs. Ackerman. "The state alone sets aside 30% of its annual budget to state institutions and mental hospitals and nearly \$850,000 is appropriated in Union County, these amounts all go to treatment; the effectiveness in combating mental sickness must begin with preventive measures and this can be accomplished by school psychologists, welfare workers and clinical service; by educating parents and obtaining volunteer help."

Mental health has come out of the dark ages through the constant efforts of the association to educate the people—help is still needed. Mental Health Week runs from April 29 to May 5.

To Nominate Directors For Local Red Cross

The nominating committee for the Springfield Chapter, American Red Cross Board of Directors will present nominees for election to the Board at the monthly meeting to be held Monday evening, May 7, at 8:15 p.m.

Drive for Mental Health Fund Gets Under Way Here

The first week in May is National Mental Health Week and marks the beginning of the annual fund drive. In Springfield this year Leonard E. Best, Chairman of the drive, has announced that the fund appeal will be a neighbor-to-neighbor campaign.

A large envelope containing information about mental illness and the work of the Union County Association for Mental Health, together with leaflets, individual envelopes for contributions and receipt forms, is taken by the captain of each street to the first house in the block. Each resident is requested to read the information, take a leaflet, place a contribution in one of the small envelopes, seal it and write his name and address on the outside, keep a receipt form as his record of the contribution, and pass the whole thing on promptly to his next-door neighbor.

Here's Chance for Easy Job for Retired People

If there are any retired people in Springfield—either male or female—who want to work a few hours in the open—there are three jobs now open as special school guards in the Township.

All you have to do is to apply to Chief of Police Albert A. Sorge at Police Headquarters. Chief Sorge believes this is a fine opportunity for some retired people to add to their incomes with only a few hours work on school days.

Youth League Open Season This Monday

The Springfield Youth Baseball League will inaugurate their 1956 baseball campaign this Monday evening with a twin attraction on tap. The 1955 Champion PBA will face the colorful Car-Hops at the Irwin Field, with the Kiwanis Cardinals and the American Legion coming to grips at the Washington diamond.

Managers Named In Youth League

The Springfield Youth League announced the managers for the various teams; P.B.A. (Bruno Becker) Rotary (Walter Becker) Car-Hop (Russell Anderson) American Legion (Jim Crowley) Kiwanis (Bob Isley) Lions (Bill Hummel).

The Youth Leaguers also adopted a change of age limit which affects the eight year olds, who in the past were unable to participate until they became nine years of age. The ruling states that a boy must attain the age of nine prior to the end of the playing season, rather than "prior to the start of the playing season."

The Minor Leaguers, under the direction of Russ Stewart, met this week and will announce their selections Saturday. God will bless the work of your hearts and hands. —Mary Baker Eddy

Members of the Springfield Women's Club who were received into membership during the past year were given the opportunity at last Saturday's Membership Tea to meet with Executive Board Officers and Department and Committee Chairmen and to learn of the many activities of the numerous club departments.

The annual Membership Tea is sponsored by the Membership Committee in honor of new club members. Mrs. Gilbert E. Mann, Membership Chairman, was assisted by Mrs. Victoria Brink, Co-Chairman, Mrs. Arthur Buckley, Mrs. Charles Miller, Mrs. Edward J. The Springfield Women's Club also celebrated Arbor Day by planting a Japanese weeping cherry tree on the front lawn of the Cannonball House last Saturday.

Light beyond the shadows

People who see the Light that shines beyond the present shadows can walk safely along the way of life. Those who stumble in darkness and fear are the people who lack the vision of faith.

A man named Saul groped in the darkness of the pagan world. His heart was filled with hate and he saw them stone the servants of God. Then he saw the Light and became a new man.

The skies of life are often filled with clouds and storm. Strife and hatred, selfishness and meanness, suffering and despair, rob the day of its brightness and fill the world with woe.

But those who have the penetrating vision of faith need fear no harm. If they keep their eyes fixed on the Light that lies beyond the shadows and trust in God, they may walk in the perfect security of faith.

The blackness of night cannot quench the Light of faith; the sweeping storms of adversity cannot blot it out. It shines on undimmed into the perfect day, when the storms depart and the shadows fade away.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church weekly and read your Bible daily.

ARTICLE VIII

WHAT THE BIBLE TEACHES ABOUT GOD

Men have spent many hours in debate concerning the existence of God. The atheist says there is no God. The agnostic says one cannot know whether there is a God. The man of faith says, "I know there is a God. With the hand of prayer I knocked at His door and He answered me."

Does it not seem strange that the Bible spends no effort to prove the existence of God? The Bible takes for granted that God is, and goes on from there to tell men about Him.

The attributes of God are numerous. Most interesting is the attributes of Love. "God is Love" I John 4:8. How different this is from the gods of the heathen. The savages continually seek to appease the wrath of their deities. Not so with God. God's love extends to man as a forgiving father stretches forth his arms to welcome home a wayward son. In love the Son of God gave His life to redeem sinful men. That love reaches to the vilest of sinners. It reaches also to the best of men whose best is still not good enough.

Oh what a Savior is mine,
In Him God's mercies combine.
His love will never decline,
And He loves me.

P.T.A. NEWS

Many parents and teachers enjoyed a delightful program presented by the Physical Education Department at the regular meeting of the Springfield Parent-Teacher Association on Monday, April 30, 1956, in the Florence Gaudineer School. The sixth, seventh, and eighth grade students gave a demonstration "This Is My Country" dramatizing their year's activities. Their various acts represented dances and stunts typical of the states of Maryland, California, Montana, Idaho, Vermont, Arkansas, Iowa, New York, and Illinois. The program included a Volley Ball Intramural Championship Game, Barn Dance, Scooter Game, Tumbling, the Charleston. A drill by eighth grade girls depicted Annapolis, recreation at Sun Valley; Sleepy Hollow, and the Scarecrows were interpretive dances. More than 250 pupils participated. Miss Doris Anderson and Mr. Norman LeBoeuf, physical education director were in charge.

Besides the regular business election of officers, took place. Mrs. Phillip Lewis, the outgoing president, expressed her appreciation to all the members for their cooperation during her terms of office.

The Summer Round-Up of Kindergarten children for the year of 1955-1956 was completed last week. Mrs. Morton Weiss reports that the Round-Up was a huge success. The "future" kindergarteners found the registration to be a party rather than a formality. They were treated to lemonade and cookies, and introduced to the present kindergarteners and their activities. The preschoolers were reluctant to wait until next September to join the ranks. Mrs. Weiss wishes to thank her assistants: Mrs. N. Biddleman, Mrs. J. Bender, Mrs. F. Gold, Mrs. W. Handley, Mrs. I. J. Gershen, Mrs. J. Ganz, Mrs. J. Montag, Mrs. L. May, Mrs. E. Scharf, and Mrs. J. B. Sussman.

The Union County Council meeting of Parents and Teachers at the Westfield High School on Thursday, May 3rd, had representatives from Springfield: Mrs. Philip Lewis, president; Mrs. Joseph Bender, Music chairman; Mrs. David Stammelman, Pre-School chairman; Mrs. Frank Jakobsen, Publicity chairman; and Mrs. B. P. Yuckman, Parent Education chairman and president-elect. The meeting was from 10 a.m. to 3 p.m.

St. James Breakfast and Bake Sale Sunday

The Mothers' Guild of St. James is holding a "Parish Breakfast and Bake Sale" in the church auditorium this Sunday, May 6. The breakfast will consist of juice, buns and choice of beverage and the committee in charge hopes all members and families will attend Sunday-morning.

Mrs. Joseph Stone and her committee will be on hand to serve everybody after every Mass from 7 a. m. through 12 noon.

In Pingry Concert

James and John Allen of 150 Baltusrol Avenue, Robert Jewell of 35 Forest Drive and Ian Struthers of 148 Colfax Road are among those Pingry School students who will participate in the final concert of the Pingry School Singers which will take place Friday, May 4.

Art Dept. of Woman's Club Receives Citation

Mrs. Joseph Zidonik

for outstanding art work, will be presented at the State Art Department meeting to be held at the New Jersey State Federation of Women's Clubs' Convention at Chalfonte-Haddon Hall in Atlantic City on May 9. The Convention will take place from May 8 to May 11.

Featured noteworthy activities of the Springfield Woman's Club Art Department during the past year included a two-day Outdoor Art and Handicraft Exhibit held last October during American Art Week on the grounds of the Springfield Public Library. A two-day Spring Art Exhibit and Oil-Painting Demonstration was also sponsored by this department at the historic Cannonball House early in March. In the field of creative art, the department entered in State competition, a soap sculpture project of the Nativity Scene, with the many tiny representative figures carved of soap by members of the department. A 2000-word essay of "Art in Our Churches" was composed and submitted to the State Art Chairman by Mrs. Zidonik as a New Jersey Federation project. Handicraft Group study included projects in textile painting, paper raffia, ceramics, and soap sculpture.

The Art Department of the Springfield Woman's Club, under the chairmanship of Mrs. Joseph Zidonik, 20 Remer avenue, will receive an award for outstanding work in club activities and State Federation projects. In a letter received by Club President, Mrs. Edwin G. Davenport this week, Mrs. John E. Volkmann, Art Chairman of the New Jersey Federation of Women's Clubs, announced that the award, one of three conferred annually to clubs

Local Women Handle Cancer Fund Drive Here

Mrs. Philip Lewis

Mrs. Joseph Bender

Plans for the 1956 fund-raising crusade of the American Cancer Society in Springfield were furthered by the announcement of Mr. Philip Lewis and Mrs. Joseph Bender as co-chairmen of the drive.

"The Cancer Crusade is a movement everyone should join," declared Mrs. Lewis. Parents should know the seven danger signals and keep a check on their children as well as themselves. Those who can, should contribute their services as volunteers. All should give, so that the fight may be carried to a successful conclusion.

Mrs. Lee L. Andrews Jr. has been named as house-to-house chairman; Charles Huff is serving as treasurer. Mrs. Robert Hockstein is chairman of clubs and organizations, Julian Sarokin is in charge of publicity, business committee will be chaired by Irwin Weinberg and Dr. Marvin Gould will head the professional

committee. Other committee heads and volunteer workers will be named next week. Anyone wishing to help in the fight against cancer, please phone Mrs. Lewis at Drexel 2-4502 or Mrs. Bender at Drexel 6-8233.

Local Democrats Hold Annual Dance on May 29

While active political campaigning has been shelved until the Fall locally, members of the Springfield Democratic Club look for a record attendance at their second annual dance to be held Tuesday, May 29, at Fayerher's Grove, Liberty Avenue in Union. Music for the dancing will be furnished by the Four Dominos, well known orchestra in Essex and Union counties. Tickets for the annual dance can be had by applying to any member of the Democratic Club.

Springfield Market Almost Set to Cop Bowling Title

The Springfield Market looks a sure bet to cop first place honors in the local bowling league by virtue of their double win over the Parkview-GHAGE Monday evening. With only six games to go, it will take a minor miracle for the American Legion, the second place club, to threaten the Market's superiority. However, the never-say-die Legion took two from their nearest competitors. Community Shoppe and at least assured themselves of second place honors.

In other games, Suburban Li-quors took two games from Mendel's Florist, as did D'Andrea Driveaway, Frank's Auto, H. C. Anderson & Son over Cuzzolino Furs, Bunnell Brothers and Clare Mould, respectively.

High man for the night was C. Pacifico with a 223. Other 200 games included: V. Polcarpio 205 and 200, Schramm 214, G. Schwerdt 213, B. Conchar 210, Kugelmann 212, R. Anderson 205, Walton Jr. 205, J. Funcheon 202 and R. Jones 202.

Youth Donations Being Accepted

The Springfield-Youth-Baseball League and the Babe Ruth League conducted a fund drive three weeks ago, and sincerely thank the entire Community for their support in this worthwhile program for the youth of Springfield. Many homes were canvassed, with several call-backs made in an effort to contact everyone.

Considerable expense is entailed in the operation of the baseball program, especially with over four hundred boys participating in the Major and Minor leagues. All boys are insured against injuries, also all the boys in the Major Leagues are fully uniformed and equipped with safety equipment. Bats, balls, bases, etc. are part of the equipment necessary for each club, plus the Umpire fees.

Anyone who hasn't made a donation to the baseball program is requested to forward their donation to either William Buckalew, 38 Denham Road, or Rupert Humer, 11 Dayton Court. Checks should be made payable to the Springfield Youth-Baseball of the Springfield Babe Ruth League, Inc.

SUNNING SPORTS

By RITCHY SCHWARTZ

Union County's annual shot-put tourney again took the track spotlight this week. Would-be O'Briens representing schools in the county tried their luck Tuesday. Springfield Regional High School sent four big boys over there with the hopes of winning the event. The quartet of muscle-men was made up of Curt Merz, Joe Sisia, Ronny Coles and Tom Scriba. Because of publication date the winners are not available for this article. But with Merz, Sisia, Coles and Scriba carrying the BIS flag our chances are terrific.

It was Union 8, Regional 5 Monday in a wing-ding battle on the ballfield.

In the first frame after one out a Farmer reached first walking. Atams the next man up laced a Bulldog pitch into oblivion for a four bagger making the score 2-0. In the Regional half of the initial inning the battling Springfields went down one, two, three.

The second stanza again saw the Farmers explode for four more runs increasing the lead to six runs. At this point Les Lawn relieved for the visitors. Hurier Lawn suffered an ankle

injury in the same inning and we still don't know how the youngster finished out the game on the mound.

All was calm until the sixth. Union had that lead and didn't intend to give it up.

In the Regional sixth the fireworks began. With two down and things looking grim for the boys from RHS Frank Cassera found himself on first. Ronny Golcher, centerfielder stepped to the plate and struck out swinging viciously at the last pitch. Ronny, disgusted with himself slammed his bat into the dirt and started for center (little did he know that the Union catcher had dropped his third strike). All the other Regional players followed suit and trotted onto the field to begin the last

of the sixth. The practice balls were out, the infielders were warming up defensively when Coach John Muller yelled out to Golcher. "Go back and touch first", and to Cassera "Go back and stand on second." The boys obeyed and when they reached their respective bases the umpire immediately gave the safe sign. Regional went off the field, Union again came on. Some strategy hey? Rothweiler, the next batter doubled sharply to right scoring Cassera and moving Golcher to third. Score 6-3. Don Carpenter then drove in Golcher and Rothweiler came in on a wild pitch. The next man went down swinging. Score 6-5. Regional was in striking distance. But in the last half of the same inning Union came up with two big ones to sew it up.

We would like to see more adults at our baseball and track events. Win, lose or draw the boys put on a fine show—worth while seeing. Lets give them as much support as we can. Pittsburgh gets. For high-school ball that's plenty.

Babe Ruth League Opens Sat. With Two Games

The 1956 Babe Ruth Baseball League season will officially get under way this Saturday afternoon at 2 p.m. with Mayor Binder tossing out the opening ball. Two big games are on tap, with the Angleton's and the Schaibles scheduled at the Gaudineer School diamond, and the Drake Fuel and the Lions Club coming to grips at the Meisel Avenue Athletic Field.

The Babe Ruth League will play two games a week, playing on Wednesdays and Saturdays, with the Minor Leaguers scheduled to play four nights a week. The Schaible Oil Company with Tom Glen as Manager have been installed as an early favorite to cop the pennant, although either of the three remaining clubs could easily emerge the top club should their pitching hold up. The Schaibles have a stellar infield combination with Bobby Keith at the hot corner, Jay Gladstone at short, and the diminutive Richie Baker at second, plus big Roy Abrams guarding the initial sack. The Drakes, managed by Emil Meyer, have the hard hitting Lou Iorio as their mainstay, with Norm Muller leftfielder, and Ed Tidaback, supplying the experience from last year's colorful club.

The Lions have a good battery in Joe Stolz and Frank Chapman, with Dave "Froggy" Freedman and Billy Haggerty, supplying the defensive strength at short and third. Newcomers to this club are Herb Etzold, Bobby Smith, Billy Franklin, and Norm Lawn, all of whom are graduates of the Youth League.

The Angleton's with the colorful Sid Sizle as their pilot have the top backstop in the circuit in the hustling and aggressive Richie Coan, with the first baseman being the fancy fielding Billy Meyers. Others back from last year's better than average club are Loren Skousen, R. Pancani and Don Gibbins. The Angleton's will rely on the left handed pitching of Tommy Marino, as Skousen is currently listed as an outfielder for the blue and white.

The Minor Leaguers will open their season the following week with games scheduled Monday, Tuesday and Thursday evenings at the Florence Gaudineer School diamond.

Fathers who haven't registered to date as coaches are requested to contact Rupe Humer this Saturday evening, ushering in the 3rd season of baseball for the St. James C.Y.O. Little Leaguers. Opening day ceremonies will be held at 6 p.m. at the Meisel Ave. Field preceding the game. Our potential big-leaguers, who will be vying for the league championship, are represented as follows: Russel's Men Shop (Green Sox), Bond Electronics (Red Sox), Al Benninger (Black Sox), and Springfield Sheet Metal (Blue Sox).

Guests at the ceremony will include Father A. Carney, Pastor of St. James; Father E. Swierzbinski, Father T. Daly and Guest of Honor, Father Murray of C.Y.O. in Elizabeth.

This year's Little Leaguers are under the very capable supervision of Mr. R. Sammartino of Millburn.

The season has been eagerly awaited and all are invited and welcome to join in the fun and excitement. Games will be played on Tuesdays and Thursday at 6 P.M.

At the request of several Springfield homemakers, your Home Economics Extension Service has scheduled a program on "Outdoor-Cooking and Summer Picnics" for Tuesday, May 8th, at 1:30 p.m. in the Springfield Library, Main Street.

Suggestions for hearty foods to be cooked on an outdoor fire, and tricks for packing attractive, nutritious cold foods will be given.
