SPRINGFIELD, N. J., THURSDAY, MAY 10, 1956

TOWNSHIP OF SPRINGFIELD
OFFICIAL NEWSPAPER

10¢ A COPY, \$3.50 BY THE YEAR

THIS WEEK

The apparent differences of opinion on which method is to be used in administering the available Salk vaccine here in Springfield is unfortunate.

The local practicing physicians, following the position reportedly taken by the County Medical Society, have announced that they will only participate if the anti-polio shots can be given in their own offices.

The Board of Health officials, in compliance with suggestions and instructions from the New Jersey Department of Health, have made arrangements for a public mass clinic for May 20 at the Raymond Chisholm School where approximately 900 eligibles in Springfield will receive their first shots. As it now appears, the May 20 date stands and, if the local doctors continue to refuse participation, out of town doctors will be brought in to administer the vaccine.

The doctors have their own good reasons for insisting that their offices and medical facilities be used for the shots. They have always given a lot of free service, especially in various mass inoculation programs. However, the local Board of Health authorities have received this much needed supply of Salk vaccine with instructions from the State Health Department to arrange for public clinics.

The local authorities are willing to pay all expenses, install whatever medical equipment is necessary, pay for all nurses and do whatever the local doctors needed to carry out the mass inoculation.

We don't mean to take sides on this highly explosive controversy but it is difficult to picture scheduling the approximate 900 eligible for the first shots to report to the local doctors' offices. Divide the 900 so that each doctor would take his share and that would mean about 150 for each of the practicing physicians in Springfield. Some of these would have parents accompanying them which would just about tie up traffic in any doctor's office.

Just how the names would be selected and assigned to report to certain doctors is not clear. Records and medical history cards would have to go with each vaccine receiver and there could be cases where the parent of a child might have liked to choose one doctor over the one to whom her child has been assigned.

The Board of Health public clinic at the Raymond Chisholm School, scheduled for Sunday, May 20, from 11 a. m. to 4 p. m. appears to be the more practical way to handle this problem. The

Elks Membership Now at 113 Mark

Membership in the Springfield Elks in Organization reached the 113 mark at Monday night's regular meeting held at Walter's Inn, Morris Avenue. Ernie Nagel, chairman of the membership committee, repeats the announcement that any resident of Springfield may become a charter member of the new Elks lodge by having his application in for next Monday night's meeting. Dr. stated Nagel, the prospective member can come to the meeting at Walter's Inn and be presented at that time to the committee.

Monday night's meeting will be very important for the new Elks members as the slate of officers will be presented by the nominating committee and plans announced for the mass installation of the local lodge to be held Sunday, May 27, at the Regional High School.

Officials from the Grand Lodge as well as State and County elks dignitaries will be on hand to institute the Springfield lodge on that day with a mass initiation of all the charter members and installation of the first officers. Complete plans will be announced after next Monday night's meeting.

RULERS OF ALL THEY SURVEY—The king and queen of the eighth grade pre-teen spring dance receive the bounty of royalty from Miss Dorothy Underleil, dance hostess of the affair, which was held recently at the Gaudineer School. From left to right: Miss Underleil, her majesty the queen, Miss Frances Wuerz and the king, Richard Sibole. The pre-teen dance program is sponsored by the Recreation Commission in cooperation with the Woman's Club. (Photo by John Hansen). (See story on page 6.)

Syndicate Plans New Bank In Springfield

"Miss Springfield" & Voters In-Line for Many Big Prizes

Thousands of dollars of exciting prizes are being pledged by local merchants in the forthcoming "Miss Springfield" popularity contest to be run the last few weeks in June by the Springfield Chamber of Commerce.

With the announcement last week that the big prize for the winner would be an all-expense trip to Florida, merchants have cooperated to such an enthusiastic extent that prizes now include a 24" television set, \$50 bond and two \$25 savings bonds, a radio, two ladies diamond wrist watches, electric vacuum cleaner, power lawn mower, 9 x 12 rug, complete set of Revere Ware, cocker spaniel puppy, fish tank and fish, electric floor polisher and buffer, lamps and hundreds of others.

While the popularity contest to select a Miss Springfield is the

important subject, remember that the people who do the voting will be in-line for some of the above mentioned prizes!

The selection of the finalists will be made entirely by popular vote, and no judges will determine either on talent, poise or whatever, whom the finalists will be. If you know of any charming girl in Springfield between the ages of 16 and 26, submit her name or have her contact the Springfield Sun or Miss Thelma Dille at Drexel 6-1737. The deadline for entries is fast approaching, so register now. Don't forget—there will be hundreds of wonderful prizes for the winner of the contest as well as for some lucky voters. Ballot boxes and ballots will be distributed to all cooperating stores within a few weeks.

The recently published report that a new bank is being organized in Millburn has revived the repeated stories of another banking institution for Springfield.

However, a new bank for Springfield is no longer in the rumor stages although none of the men, interested, will permit their names to be made public at this time. There is now a definite report that a syndicate has been organized and formal application for a charter to establish a new bank in Springfield is being prepared.

News has been circulating for some time that a group of industrial and business executives in this area had been exploring Springfield's potential for a new bank. The rapid growth of the Township, in residential, industrial and general business expansion, has been attracting various groups interested in providing additional general banking.

Local Doctors Refuse Part In Mass Clinic

Ask State to Act On Traffic Light

First, official steps to install a traffic light at the intersecting corner of Henshaw, Mountain and South Springfield avenues were taken at the regular meeting of the Township Committee last night.

Township Committeeman Frederick A. Handville announced at the meeting that request has been made by the Township to the New Jersey Traffic Authority for the construction of necessary traffic signals at that dangerous intersection.

Announcement was also made that an engineer from the Traffic Authority was assigned to visit Springfield on May 24 to speak to members of the various civic groups and residents in that area who petitioned for a traffic light at that corner. The place of that meeting will be announced later.

Another legal obstacle was

(Continued on page 2)

Physicians Give Their Own Plan For Salk Shots

The difference of opinion on how the available Salk vaccine is to be administered in Springfield as first shots for approximately 900 eligibles in the Township, has brought the following statement from the local doctors:

The physicians of Springfield have unanimously agreed upon a program to administer the first Salk vaccine shot to as many eligible children as possible. Many plans were studied and rejected. Some of the medical reasons why doctors object to mass clinics are:

1. Poor control in handling individuals.
2. Large crowds increase the chances of infection.
3. Measles, chicken pox and colds are still prevalent.
4. It is more difficult to maintain sterile techniques in giving shots.
5. Reactions to the shots are more frequent.
6. More people handling the needles and equipment lead to greater chances of contamination.
7. There is more confusion.

The doctors have presented their plan to the Board of Health. They are ready to set up public clinics in their own offices at once.

Some of the advantages of this program are:

1. Increase safety to the child.
2. Smaller groups are handled at a time.
3. Avoidance of very large crowds.
4. Availability of existing facilities in each doctor's office.
5. Simplicity in maintaining sterile needles and syringes.
6. Cuts down on chances of unnecessary reactions.
7. Each child to be accompanied by a parent or guardian.
8. Signed request forms

must be presented. It is suggested that children be checked by their regular doctor reasonably soon before getting a shot. Reactions are few but should any fever or upset follow the shot, the family doctor should be notified.

The doctors are all ready. They feel that Springfield will have the best run, safest and most efficient public clinic possible to arrange.

The Board of Health has announced that they have rejected the plan of the local physicians and that a public clinic for inoculations would be held in the Raymond Chisholm School on Sunday, May 20, from 11 a. m. to 4 p. m.

Up to this writing the Board of Health has received responses by telephone, according to the Board officials, from the last five named doctors above, announcing that they "will be willing to administer the first Salk vaccine shot in their own offices but that they would not participate in the mass clinic at the Chisholm School."

The first two physicians, the

Flouridation Is Subject of P.T.A. Meeting

Flouridation of water which attracted representatives of practically every community, served by the Commonwealth Water Company, was the topic of a very interesting meeting held Tuesday evening at the Edward V. Walton School under the auspices of the Springfield P.T.A. Mrs. Philip Lewis, president of the Springfield P.T.A., greeted the various representatives and then turned the meeting over to Mrs. Sydney Lester, chairman of the committee exploring the flouridation problem for local organization.

Mr. J. Greco, representing the Commonwealth Water Co., explained his company's neutral position. He said that the Water Company is willing to flouridate the water supply if all of the municipalities want it. Mr. Greco explained that there will be no additional cost to the consumer if fluoride is added.

Dr. Earl G. Ludlum, chief, dental bureau of New Jersey State Health Department, was the chief speaker. Dr. Ludlum told the group that flouridation can prevent decay in the future up to 60 per cent. He spoke of many research projects and their success. It was interesting to realize, he said, that 11,770 communities serving 25 million people now flouridate their water supply in.

(Continued on page 2)

Legion Prepares For "Poppy Day"

Bright red poppies bloomed in the American Legion Auxiliary room at the American Legion Home this past week. They were the poppies which will be worn in Springfield starting Thursday, May 24, to pay tribute to the memory of America's war dead. Members of the Auxiliary's Poppy Committee unpacked them and counted and arranged them for distribution to the volunteer workers who will offer them on the streets during the Poppy Sale.

Made of crepe paper with wrapped wire stems, the poppies are the handwork of disabled veterans. Each group of the little flowers showed slight differences, depending upon the skill of the maker. Mrs. Robert D. Handgrove, Jr., Poppy Committee Chairman, pointed out, but each will have the same meaning when worn—"Honor the Dead, Aid the Disabled."

Scout Drive Raises Over \$2,000 Here

A total of \$2,177.45 was raised for Scouting purposes in the 1956 Springfield Boy Scout Campaign. Announced by Campaign Chairman Harold E. Bishop, that total sets a new record for Scout Campaign successes in Springfield.

While the main activity of the Campaign took place in February, contributions continued to be received during the following months, making a final announcement impossible until now.

In making the announcement, Bishop announced that Rupek H. Humer will head the 1957 Campaign as General Chairman; S. Bryant Haas will continue as Campaign Organizer; while Bishop himself will assume responsibilities of Steering Committee Chairman.

Divisional reports were summed up as follows: Special Gifts Division, Jay Longfield, Chairman, \$254.00; Retail Stores Division, Val DelVecchio, Chairman, \$193.85; Industrial Division, Dean Widmer, Chairman, \$232.00; and Residential Division, Arnold Hutchinson, Chairman, \$144.10.

Area Chairman and District Managers who played an important role in the Campaign were: Car-

Arthur J. Staehle to Receive Carnegie Bravery Award

Arthur J. Staehle

National recognition came on his 64th birthday to Arthur J. Staehle, 78 Wabeno Ave., Springfield. The spy 33 year resident of this township was notified Friday, April 27, that he had been chosen as a recipient of the Carnegie Fund Commission citation and a bronze medal.

On the morning of January 25, 1955 Arthur Staehle was making a routine delivery of iron to a plant in Allentown, Pa. It involved hauling up a steep hill on top of which was a school.

As he approached the top of the hill, the truck's drive shaft snapped and punctured the drum controlling his air brakes, leaving him without any motor power or brakes. Leaning out on the running board, Mr. Staehle stuck to his vehicle and steered the truck 600 feet down the hill through the heavily populated section. The truck jackknifed at the bottom of the hill and came to a stop against a utility pole.

Mr. Staehle was hurled to the pavement and sustained severe head and shoulder injuries that disabled him for three months. Many eyewitnesses at the scene of the occurrence reported that he had, by his unselfish action, prevented serious personal and property damage.

The ability to handle himself under stress seems to be an old trait of Mr. Staehle, who has been associated with the trucking business since 1908. Born in the Hayes Circle section of Newark, he enlisted in the army in the early 1900's and was one of those hardy souls who took part in the Battle of Bvd-Dao in the Philippine Islands. During World War I, he was assigned to the recruiting office in Newark. He was discharged in 1919 as a Sr. sergeant in motor transport.

The Staehles were overjoyed at the notice of the citation, which

PROCLAMATION

WHEREAS, the people of Springfield have demonstrated that they have, on many occasions, been able to meet a crisis with action, and

WHEREAS, the Congress of the United States has authorized the President to designate a special time to recognize the fight that is being made to save thousands from death by cancer, and

WHEREAS, the American Cancer Society is spearheading a program of research, service and education to combat the inroads made by this dread disease, and

WHEREAS, the said American Cancer Society, through its Union County Chapter, is conducting its annual crusade to raise funds in order to carry on these programs,

THEREFORE, I, Albert G. Binder, Mayor of Springfield, do hereby ordain and proclaim May 15 as

CANCER FUND DRIVE DAY and FURTHERMORE request that all residents of Springfield observe this occasion and lend their support to the American Cancer Society.

Done under my hand and seal this 10th day of May, 1956.

ALBERT G. BINDER,
Mayor of Springfield

Springfield will give first shots of anti-polio Salk vaccine to approximately 900, who have sent in written requests, at the Raymond Chisholm School, South Springfield avenue, Sunday, May 20.

But, according to information received by the Township Board of Health officials, Springfield may be forced to go out of town for enough physicians to administer the shots.

The reports have it that, up to this writing, five of the seven practicing physicians in Springfield have notified the Board of Health officials that "they will not participate in the mass public free clinic set for May 20." Instead, the Springfield doctors want to administer the vaccine in their own offices. The Health Board officials stated:

The Board of Health has sent letters announcing the date and place of the free clinic to the following seven practicing physicians in Springfield: Dr. William J. Bellevue, Dr. Gabriel Lull, Dr. Arnold N. Constand, Dr. Jack August, Dr. Ralph I. Moak, Dr. Elliot L. Kaplan and Dr. N. F. Vogel, asking their participation.

Up to this writing the Board of Health has received responses by telephone, according to the Board officials, from the last five named doctors above, announcing that they "will be willing to administer the first Salk vaccine shot in their own offices but that they would not participate in the mass clinic at the Chisholm School."

Evening Group Fashion Show To Be May 16

Mrs. John Hoffman

Mrs. John Hoffman has been named chairman of the summer fashion show to be sponsored by the Evening Group of the Presbyterian Church and presented next Wednesday evening at the parish house at 8:30 p. m.

Mrs. Dora Speicher, manager of the Babs Shop in Summit promises an inspiring evening full of sparkling summer wardrobe ideas. Clothes will be modeled by Mrs. Hoffman and Mrs. William Phelps, Mrs. Donald Lenny, Mrs. Glen Oyler, Mrs. Lemuel Stevens, Mrs. Herbert Bailey, Mrs. C. H. Richards, Mrs. Max Schneider and Miss Nancy Anderson. Hair styles for the models will be created by Mrs. E. T. Whitlock of Marion's Beauty Shop.

Tickets are available from any Evening Group member or at the Church office. Refreshments will be served following the show, an added surprise will be the contest to guess the price of the "mystery costume." The winner will receive a \$10 gift certificate for the Babs Shop.

with almost assembly-line efficiency.
 Of course, this is merely the opinion of a layman. The doctors must have a very good reason for insisting on having the vaccine receivers come to their offices. But, since this is part of the national campaign against the dread polio as authorized by the Congress of the United States, it comes under the category of an emergency and we know the doctors have always given their time freely and generously, in emergencies.
 The Springfield Board of Health may be compelled to bring doctors from out of town to administer the vaccine because the local officials want to see every one in the Township receive first shots of this anti-polio inoculation. If Springfield, for any reason, is not able to arrange for inoculation of the 900 who have given permission and requested the first shots, the very scarce vaccine would probably be lost to Springfield.
 But, there's no danger of this. The public clinic will be held at the Raymond Chisholm School on Sunday, May 20, and there will be enough doctors to administer the shots.

Doctors Refuse

(Continued from page 1)
 Health Board revealed, had not replied to the letter up to Tuesday when this is being written.
 Set For May 20
 Plans for the mass free clinic at the Chisholm School are proceeding despite the reported refusal of the local physicians to participate in giving the vaccine shots.
 The hours for the May 20 clinic have been set for 11 a.m. to 4 p.m. and complete instructions on the exact time to report for the shots will be mailed to those who have given permission for the inoculations.
 There is sufficient Salk vaccine, now stored with the Ciba Pharmaceutical Laboratories at Summit, for the entire group scheduled for May 20 and, if the Springfield physicians still refuse to participate, the Board of Health announces that it will have qualified doctors from out of town to assist in inoculating the children from 1 to 14 and expectant mothers who are eligible for these first shots. Qualified registered nurses will be on hand to assist the doctors in administering the shots.
 The Board of Health rejected the plan of the physicians to give these shots in their own offices, announcing that the public mass clinic was the suggestion of the New Jersey State Board of Health and that the local authorities were ready to install any medical equipment the doctors requested.
 The Board of Health further pointed out that scheduling the approximate 900 would be easier to handle in a public clinic, and that the records and medical histories of each eligible receiver would be easier to keep and process.

Arthur Staenle

(Continued from page 1)
 is to be awarded sometime this month. Mrs. Mary Staenle revealed that they had heard that inquiries were being made here and in Allentown by the Carnegie people, but there was no indication that it would result in an award. One of the factors probably was the record achieved by Mr. Staenle at the Cardinale Trucking Co., Wilppany, where he has been employed for the past 20 years. He has received many awards for safe driving by his employer and insurance representatives.
 Mr. and Mrs. Staenle have four children: Arthur Jr., of 74 So. Maple Ave., Springfield; Margaret Gross, Union; Daniel L. Berkley, Heights; and Patricia Ann, who resides with her parents at home. They have 7 grandchildren.

Ask State to

(Continued from page 1)
 eliminated at last night's meeting in the Saks Fifth Avenue matter when an ordinance was passed vacating and releasing portions of Baltusrol Avenue.
 An ordinance was also passed on its first reading providing for the widening and improvement of Milltown Road in accordance with an agreement with the State Highway Commissioner. The improvements include construction of new road pavement, storm sewer, catch basins and other necessary items.
 Following the regular session of the governing body a closed session was held last night by the Township Committee, representatives of the Board of Education, the Recreation Commission and heads of the various youth baseball leagues in Springfield. Complaints by the league representatives that scheduled games had to be postponed because the

Fluoridation

(Continued from page 1)
 addition to the 4 million people whose water supplies are fluoridated by nature. Chicago and Philadelphia are among the major cities whose water systems are fluoridated. Dr. Ludlum said that the recommended amount of fluorine to be used is 1-1.4 parts per million parts of water.
 Dr. Murray Balsam, Springfield School dentist, spoke briefly about the Springfield dental program and the value of fluoridation. There was also a question and answer period during which time there was discussion of the opposition to fluoridation.
 Acting as hostesses for the evening were Mrs. B. P. Yuchman and Mrs. J. Bender. Mrs. E. J. Snider served as secretary. Refreshments were served by Mrs. S. Huntoon and Mrs. N. Hart.

Breakfast Date Is Set by Holy Name

The Holy Name Society of St. James Church will hold its annual Father and Son Communion Breakfast on Mother's Day, Sunday, May 13. The breakfast will take place in the school auditorium following the 8 o'clock mass. Chairman of this year's affair is William Stewart and the toastmaster will be William Burns.
 The guest speakers will be John F. (Buddy) Hassett, former first baseman with the New York Yankees and Father Frey of the Loyola Retreat House of Morristown. Tickets—\$1.50 for adults and 75 cents for children, may be purchased at the door.
 Mr. Stewart's committee consists of: Ted Ganska, Robert Zieser, Edward Convin, Louis James, Edward Kaye and John Miles. Mrs. Bert Jones is in charge of the breakfast and will be assisted by some members of the Rosary Society and girls from the Senior CYO. Arthur McDevitt is president of the Society.

New Bank

(Continued from page 1)
 facilities for Springfield and there is evidence that one of these syndicates has made considerable progress in their efforts to obtain a charter.
 The coming of the Saks Fifth Avenue retail establishment to Springfield as well as the renewed report of another A & P supermarket on outer Mountain avenue and the nine store group at the corner of Henshaw and Mountain avenue, have encouraged the syndicate to proceed in the plans to open another bank here.
 Just where the new bank will be located has not been disclosed but the same authentic sources have it that the plan calls for the construction of a new building with every modern banking service facility.

If you're saving for your family's future...

Where you save does make a difference

Saving now makes a difference to your family's future. There's a difference where you save, too. Saving in an insured Savings and Loan Association means important advantages. Excellent returns from your money is one advantage. Another is efficient service from men who know how to make your dollars work harder for you.

Your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the FSLIC—an agency of the U. S. Government.

These are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

LORRIE LEWIS

Nancy Jean Wylie, daughter of Mr. and Mrs. John Wylie of 190 Hillside Avenue, puffed out 7 candles on her birthday cake on May 3rd. Attending Nancy Jean's party were her brothers John, Phillip and Thomas Scott; her grandmother, Mrs. Ruth Wylie and Joseph and Joyce Friari, Anthony and Nancy Sicioni, Diane DeLeonard, Elizabeth Anderson, Susan Van Riper, Kathy Jordan, Nancy Davenport, June Etzold, Erik, Susan Oberst and Linda Ross.

The welcome mat is out to Mr. and Mrs. Arthur Morris who have moved to their new home at 5 Garden Oval from Newark. Their son, Jeffrey, is 4 years old. Mr. Morris is associated with Morriss Women's Clothing Store.

Karen Halper, daughter of Mr. and Mrs. Eugene Halper of 107 Mapes Avenue, celebrated her 15th birthday at a party on April 22nd with many friends and members of the family.

Karen's mom, Adele Halper, recently had a birthday too and celebrated at a dinner party with friends.

A birthday party was held on Saturday, May 5th, for Doreen Jaehim; daughter of Mr. and Mrs. Henry Jaehim of 45 Bevel Road. Doreen's guests were Joan Harbach, Gretchen Purkhiser, Cathy Hordish, Ann and Allen Shnell, Jean and Sally Casternova, Andrew Billet, Stanley Plylaski and JoAnn Natiello.

Happy birthday wishes to little Kathleen Ellen Space, daughter of Mr. and Mrs. James A. Space, Jr. of 84 Keeweenaw Drive. Kathleen was one year old on April 23rd and celebrated at a family dinner with her parents, her sister, Mary and her grandparents.

William Peacock, son of Mr. and Mrs. W. Peacock of 69 Irwin Street, was confirmed at St. Stephen's Episcopal Church in Millburn. A family dinner was held at home afterwards and William's special guests were Mr. and Mrs. Raymond W. Ross and their daughter, Betty of Cheltenham, Mass., and his grandmother, Mrs. Emily Peacock of Philadelphia, Pa.

A supper party was held on Friday evening, May 4th, in honor of the 10th birthday of Wendy Iris Fein, daughter of Mr. and Mrs. Jacob Fein of 34 Tooker Avenue. Wendy's guests were Lois Herberg, Marcia Davis, Barbara

Recently moved here from Elizabeth are Mr. and Mrs. Victor Ferguson of 163 Short Hills Ave. The Fergusons have two sons, Alan, age five and Robert, age nine.

Mrs. Alexander Snider of Woburn, Mass., is here on an extended visit with her son and daughter-in-law, Mr. and Mrs. Edward J. Snider of Profit Avenue.

Miss Elsie Lindauer was the charming hostess at a "going-away party" given at her home for Linda Kraspord who is moving to New York City. The luncheon-party, held on Saturday, May 5th, was attended by Beverly Nunn, Carol Humphrey, Sharon Huntoon, and Jan Gleim. Afterward, the young ladies went boating at Echo Lake Park.

Elsie is the daughter of Mr. and Mrs. E. E. Lindauer of 74 Wentz Avenue.

Mrs. Bob Hocksteir, Mrs. Ben Sussman, and Mrs. Joe Bender took a friend to luncheon at the Chanticleer in honor of her birthday. Thanks a million—I thoroughly enjoyed it!

A reception was held at the Millburn Inn, Millburn, after a two-week honeymoon in Florida, the couple will reside at 30 Boyden Parkway, Maplewood.

Tickets are \$1.00 and can be obtained by phoning the chafarady, Mrs. John Bradley at Drexel 6-0512 or Mrs. F. Sammond at Drexel 6-0743. Refreshments will be served.

Rosemary Geiger is Married Sat.

Mr. and Mrs. Anton M. Geiger of 37 Severna Avenue announce the marriage of their daughter, Rosemary Kathleen to Russell Joseph Dowd, Jr., son of Mr. and Mrs. Russell J. Dowd of Maplewood.

The ceremony was held at St. Rose of Lima Church, Short Hills on May 5. Rev. Columbo Rafferty, O.S.B., officiating. Miss Jean G. Geiger was maid of honor. Bridal attendants included Barbara Geiger, Janice Dowd, Oillie Dunn, Rose Circielli and Josephine Heine. Kenneth Donaldson served as best man with ushers Anthony Geiger, Robert Heugle, Francis Tighe, Richard Zimmer and Frederick Teufel.

HUES & VIEWS

MOTHER & THE HOME

By Fred W. Moore, Jr.

On the second Sunday of every May we go all out, via a gift, to bring some pleasure into the life of the woman who makes the house a home. Nothing can take the place of a Mother's devotion and unselfish love. Therefore, in addition to a present, it would be well to reflect on the little things we could do throughout the year to make Mother's life a bit easier, a bit happier.

And, in choosing Mother's gift this year let us look a little further than to candy and flowers. Look to a gift for the home . . . a gift she will enjoy for years to come. We suggest you bring Mother in to see our complete collection of fine carpets and rugs. She is sure to find something she really wants at Carpet Decor, 515 Millburn Ave., Short Hills. Phone DR 6-2575.

THE CHURCH POINTS THE WAY

Thousands of columns have been published in American newspapers about juvenile delinquency. Investigations have been held in scores of cities, and many witnesses have been called in an effort to find the cause and the cure.

In all this sudden excitement little has been said about the lack of religion in the homes and hearts of these thousands of unfortunate youths. Far too much emphasis has been placed on inadequate play facilities, too little discipline, too few policemen, etc.

Juvenile delinquency is primarily a moral and religious problem. Neither jail nor playground, as necessary as they are, will do much to foster love, goodwill, self-respect and charity in the heart of a person. The development of love and charity in the life of a youth needs constant day by day cultivation. But how can a parent properly train a child if that parent has had no religious or spiritual training or background and lives a selfish and faithless life? How can a parent teach a youth the fundamental spiritual values if that parent does not even attempt to live an exemplary life and does not admit his or her dependence upon God, our creator?

Down through the ages the Church has been the bulwark against crime, sin and evil. Those who would solve the problem of delinquency in young or old should seek the way of the Church, for those who need spiritual healing should seek spiritual treatment. The Church stands ready to help parent and youth alike.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a safehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Sunday | Book | Chapter | Verses |
|-----------|-----------|---------|--------|
| Monday | Psalms | 16 | 1-11 |
| Tuesday | Psalms | 107 | 1-9 |
| Wednesday | Psalms | 139 | 1-10 |
| Thursday | Leviticus | 15 | 1-10 |
| Friday | Ephesians | 6 | 1-4 |
| Saturday | Ephesians | 6 | 10-18 |
| | Timothy | 3 | 12-17 |

CATHOLIC INFORMATION

Catholics on Retreat . . .
Every living Catholic is a member of the Church Militant—a soldier of Christ, who is trained to battle continuously against the world, the flesh, and the devil. And just as an army of soldiers finds it profitable to withdraw now and then for rest, medical care, and further training, so an army of Catholic men withdraw from the world annually, to come forth with better spiritual equipment for the battles of their lives.

Priests, nuns, seminarians and collegians have their annual "withdrawals" from the world—their annual Retreats—So do many lay women. But it is of the closed Retreat for Catholic laymen that we speak here; for the movement is growing by leaps and bounds.

A Laymen's Closed Retreat is the gathering together of men of like mind in a spot closed off from the world and its distractions, for a period of two or three days and nights, for the purpose of fortifying their faith and gaining those graces which make a man a better Christian, a better citizen, a better father, and a better neighbor.

A Retreat includes Confession, Mass, Holy Communion, Benediction of the Blessed Sacrament, Stations of the Cross, prayers, hymns, and inspirational talks by the Reverend Retreat Master; but the two events that perhaps impress the Retreat most indelibly on the soul are, first, a totally private visit which each retreatant makes to his Savior in the Blessed Sacrament—just the two of them there together in the chapel—and second, the beautiful hours of meditation on wooded paths, o'er rolling hills, or in the privacy of his room. Meditations on one's most intimate problems, a sacred intimacy with one's Maker, a declaration of mutual love—all private, all uninterrupted. Little wonder that no man can adequately describe a Retreat to another!

In the United States there are numerous Retreat Houses for men (there are Retreat Houses for women, too) at which more than 30,000 Catholic laymen, gather together for a three-day Retreat every year. Professional men and day laborers, old men and young men, saints and sinners, gather together yearly in the only true Brotherhood of Men—brothers of each other and of Jesus Christ, under the common Fatherhood of Almighty God.

Is Christianity failing? Is religion a thing merely for women and children? Thirty thousand laymen on Retreat each year! Let them give the answer!

Reports Theft

Mrs. Dorothy Carter, co-owner of the Family Closet, 240 Morris Ave., Springfield has reported the theft of her wallet containing \$50 in cash and a \$20 dollar cash check to the Springfield police. The theft occurred in the store during business hours, and was probably accomplished by someone posing as a shopper.

Mrs. Carter said the red snake-skin wallet contained, in addition to the money, a charge plate for a Newark store, her drivers license, registration, and other important papers.

Phone rates are **LOW**

NEW OFFICERS INSTALLED—Mrs. Charles F. Heard, newly elected president receives the gavel from outgoing president Mrs. Edwin G. Davenport (center) looks on.

New Officers Are Installed By Woman Club

New officers of the Springfield Woman's Club were installed by Mrs. Fred A. Starkweather, Fifth District Vice-President of Cranford, at the regular monthly meeting on May 2 at the James Caldwell School. The new slate of officers for the coming year was presented by Miss Alice Rieg, Nominating Chairman, and was accepted by the members. Assuming duties of President is Mrs. Charles F. Heard, of 7 Alvin Terrace, with the following other officers elected: Mrs. Wm. D. Chapin, First Vice-President; Mrs. Gilbert E. Mann, Second Vice-President; Mrs. Adolf Szymum, Third Vice-President; Mrs. William A. Konrad, Recording Secretary; Mrs. Edward A. Murock, Corresponding Secretary, and Miss Mildred Levens, Treasurer.

The following Department and Committee Chairmen will also serve this year: American Home, Mrs. Vincent Bondies; Art, Mrs. Meeton D. Williams; Drama, Mrs. Fred Spangler; Education, Mrs. John S. Trout; Garden, Mrs. Harvey P. Sommer; Hospitality, Mrs. Adolf Szymum; International Relations, Mrs. Thoms Geddes; Literature, Mrs. Henry Wasung; Membership and Good Will, Mrs. Gilbert E. Mann; Music, Mrs. Stanford M. Hettiger; Nominating, Mrs. Henry J. Bultman; Program, Mrs. Wm. D. Chapin; Publicity, Mrs. DeForest E. Hiller; Public Welfare, Mrs. Robert J. Hayes; Telephone, Mrs. Antonk Pilar, Jr.; Ways and Means, Mrs. John J. Niesz; and Year Book Chairman, Mrs. Robert D. Hardgrove, Jr.

Pre-Teeners Name Dance King & Queen

The final dance in the Pre-teen program held for eighth graders came to a close with the selection of a king and queen of their Spring Frolic. Richard Sibole and Frances Wuentz were the honored rulers of the affair. Each of the monarchs received special gifts.

A program of square and popular dancing was enjoyed by approximately 100 pre-teeners. Special entertainment of three dance numbers was presented by members of the Interled Studio. Refreshments were served.

The Pre-teen dance program is co-sponsored by the Recreation Commission and the public welfare department of the Woman's Club, serving on the committee for arrangements were Leslie Lawn and Mrs. Thomas Deberry, Mrs. Rupert Humer and Mrs. Kenneth Bandomer. Assisting the committee were Mr. and Mrs. Ed Ruby, Mr. and Mrs. Meade, Mrs. and Mrs. Merton Williams, Mr. and Mrs. Robert Hayes and Kenneth Bandomer.

The Pre-teen dances have become a popular part of the 7th and 8th grade activities and have fulfilled a need for a wholesome get-together for this particular age group. Six or seven dances have been arranged throughout the school year. Well supervised and with a carefully planned program under the direction of a qualified dance hostess, the dances have met with an ever-increasing approval from the parents.

The final dance for the seventh

Historical Society Meets In Newark

The tremendous increase in the cost of schooling was illustrated at a recent meeting of the Springfield Historical Society held in the society rooms of the New Jersey Historical Society, Newark. A wealth of material on "Old Springfield" had been assembled by the host, Howard W. Wiseman. Among the exhibits was the following receipt, showing amounts collected for "Theodore's" education:

| | |
|-------------------------------------------------------|--------|
| First Quarter: | |
| To Tuition of Theodore | \$.94 |
| To Wood and Incidentals | .06 |
| Second Quarter: | |
| To Tuition of Theodore | 1.75 |
| To One Primer, One Testament, One child's instruction | .50 |
| To Ink and incidentals | .30 |
| Springfield, September 12, 1820 | |
| Received the Above | |
| B. O. Hare | |

Undoubtedly young Theodore was a pupil in the Springfield Academy, organized in July, 1800. The membership committee of the Springfield Historical Society, S. Bryant Haas, Chairman, is completing plans for a membership drive.

Fund Drive Reminder!

To assist the Springfield 1st Aid Squad in their drive for funds, you are asked to fill the coin card in the space dated May 12—marked AMBULANCE. Cards will be picked up by the squad in September. Make it a habit to fill the coin card regularly each week.

P.T.A. NEWS

The UN Trip, sponsored by the Springfield Parent Teacher Association, on May 3rd turned out to be most worthwhile and enjoyable. The schedule was followed through on time. Forty members of the P.T.A. were most enthusiastic about the bus-ride, the tour of the building, the meeting where they were given a summation of the work and structure of the UN projects, browsing around at leisure, buying souvenirs in the Gift Shop, and especially the luncheon in the Delicacies Dining Room. All participants highly recommend such a trip. Mrs. John Trout, chairman of the International Relations Committee, was in charge of arrangements.

To Get Degree From Mt. Holyoke

Diana Bradbury

Four members of the Springfield P.T.A. were among the 448 people who attended the Union County P.T.A. Spring Council in the Westfield High School on Thursday, May 3rd. They were Mrs. Philip Lewis, Mrs. Frank Jakobsen, Mrs. David Stantman, Mrs. B. E. Yuckman. The theme for the day was "Education for Today—Good Citizenship." That theme was emphasized by Weyman O. Stearns, Principal of the Benjamin Franklin School, in his talk, "Johnny Learns to Be a Citizen," and a demonstration, "Experiment in Citizenship" by Westfield High School History Students, under the direction of Mr. Albert B. Babal. Slides showing the actual classroom activities in the Westfield Schools from kindergarten through eighth grade stressed the importance of citizenship training in every activity of everyday living.

Miss Diana Bradbury, daughter of Mr. and Mrs. H. W. Bradbury of 77 Sherwood road, is one of the 260 candidates for bachelor of art degrees at Mount Holyoke College, June 3. R. Edmund W. Sennott, dean of the Yale University graduate school, is the commencement speaker at the college's 119th graduation exercises. Miss Bradbury, a graduate of Regional High School in Springfield, has majored in chemistry at Mount Holyoke. In extra-curricular fields Miss Bradbury has been active in college choirs and in the Glee Club. She has sung with the Glee Club in two Christmas concerts in Town Hall, New York City. She also has given several piano recitals at the college.

All Publicity Chairman of the 121 Units of P.T.A.'s in Union County took their Publicity Scrap Books to the Council, on May 3rd. The Springfield P.T.A. Publicity Book was one of the 15 chosen for consideration for an award, to be sent to the State Convention in October. The books were judged for several qualifications, among them: completion, simplicity, usefulness. Gratitude is extended to the Springfield Sun for printing our News, which helped make this honor possible.

Among the graduation weekend activities will be a baccalaureate address by President Roswell G. Ham of Mount Holyoke, an alumnae-senior parade, a Glee Club concert, and ivy-planting exercises.

Donnelly Speaks to Bottling Associations

Eugene F. Donnelly, of Northview terrace, president of the New Jersey Bottlers of Carbonated Beverages Association, spoke this past week to members of the Vermont Association of Bottlers at Burlington, Vermont, on Saturday. Donnelly also spoke before the Rhode Island Bottlers of Carbonated Beverages Association in Providence. He spoke about the importance in public relations, a trade association and the interchange of information between organizations.

Mrs. Philip Lewis has appointed Mr. Ben Sussman, Mr. Donald Baker, and Mr. William Peacock to audit the Treasurer's statements and reports.

The Springfield P.T.A. will present a gift to the parent of each child being graduated from eighth grade in the Springfield Schools. The gift will be a booklet, "Don't Be a Drop-Out Parent," which stresses the fact that parents of high school students need the P.T.A. as much as ever. Through this booklet, it is hoped that some of the youth problems might be better understood, and, solved.

Drive in Full Swing for Mental Health Fund Here

The "do-it-yourself" method of soliciting funds for the Mental Health Fund Drive is under way in Springfield and, according to early reports, campaign got off to a very good start and the idea is working out very well.

This method involves dividing the Township in districts with captains whose job it is to get the large campaign envelopes on their way, starting with the first house on each street. The envelope contains all necessary information on the needs of the Mental Health drive and each resident is asked to make his contribution and place it in a small envelope, seal it and leave in the large envelope. This is then passed to the next door neighbor and when the large envelope with all its contents and all contributions reach the last house on each block, it will be picked up by the street captain.

Leonard E. East, head of the Richard Best Pencil Company, is general chairman of the Springfield Mental Health Drive and his committee of workers in all districts of the Township guarantee that the entire Township will be covered during the drive.

Following are the names of workers in the second, fifth and sixth districts for the drive:

Second district: Fred J. Allen, Mrs. Gerald C. Brennan, Mrs. Louis W. Pignolet, Mrs. Harold G. Nenninger, Mrs. Max Weiss, Mrs. Fred K. Reibert, Mrs. Edw. J. Snider, Mrs. Stephen H. Carrel, Mrs. Alan Cunningham, Mrs. Jacob Fein, Mrs. Arnold Birnbaum, Mrs. Henry M. Wasung.

Fifth district: Mrs. Hans I. Nielsen, Mr. Daniel R. Murray, Mrs. Harold C. Oakman, Mrs. Walter W. Kimmmerle, Mrs. Raymond G. Pierson, Mrs. Mildred Schneider, Mrs. James P. Haggitt, Mrs. Leslie T. Lavri, Mrs. L. S. Bersliar, Mrs. Hilton G. Wood, Mrs. Norman H. Gragar, Mrs. Charles T. Staus, Mrs. Charles H. Huff, Mrs. John G. Dilger.

Sixth district: Mrs. George C. Rau, Mr. Milton Kapstatter, Mrs. E. E. Andrew, Mrs. Adam LaSota, Mrs. Philip Goldhammer, Mrs. Edw. J. Harback, Mrs. Wm. H. Vaughn Jr., Mrs. Henry Bouchard, Mrs. Samuel Breier, Mrs. W. Canter, Mrs. Howard S. Smith, Mrs. Raymond R. Hayward, Mrs. D. D. Hecht, Mrs. S. Margulies, Mrs. Raymond Forbes, Mrs. Arthur Ramo.

The sum of \$3,000 in the 1956 budget of the Association has been earmarked to help finance county-wide clinic treatment service, and a plan for this is currently being worked out with community leaders.

The Fair Oaks Sanatorium in Summit, through the Association, has made a bed available for the use of medically indigent patients of Union County, and thirteen people have been restored to health through this service during the two years it has been available—a graphic demonstration of what prompt and adequate treatment can do for the mentally ill. The Association is paying part of the salary for a coordinator of volunteer services at Marlboro State Hospital, where there are nearly 1300 patients from Union County.

Volunteers are now being recruited to help at the hospital and after a short training period they will participate in the volunteer service which is so urgently needed at every mental institution. The association also has an up-to-date listing of all psychiatric and psychological services available in this area, and over 350 urgent requests for information on these sources of help have been answered in the past year.

A very large and important part of the work of the Union County Assn. is its educational service. During the past year 146 programs have been arranged free of charge for local groups, together with 5 series of discussion meetings with professional leadership at a very nominal fee. These programs are intended to help promote better mental health through understanding of day-to-day problems. The American Theater Wing plays presented at the P.T.A. meetings in 1955 and 1956 were paid for by the county association as part of this educational service.

The activities of the organization are expanding so rapidly that 14 communities throughout the county now have their own permanent committees. Springfield is earnestly requested to cooperate in the drive for funds so that the Union County Assn. for Mental Health may continue its year-round program of service and so that there may be greatly increased research into the causes and care of mental illness.

Since more than half of all the hospital beds in all the hospitals in the country are occupied by the mentally ill—which means more people are hospitalized for this cause than for cancer, heart disease, polio, tuberculosis and all other diseases combined, this is truly the No. 1 health problem of the nation.

The greatest growth of the business has occurred since the close of World War II. Assets of the Crestmont Savings and Loan Association, now they are nearing the \$15,000,000 mark.

The Crestmont Savings and Loan Association has been among the savings and loan associations throughout the country responsible for the growth in assets nationally from six billion dollars since the close of World War II, to nearly \$40,000,000,000. (Forty Billion Dollars) today.

The Ladies Guild of Holy Cross Lutheran Church at their May meeting had as their guest speaker Mrs. Elsie M. Givens, President of the Lutheran Women's Missionary League, Newark Zone. Mrs. Givens gave an interesting talk on the history of the League and offered a few suggestions on how the Ladies may further extend their worthy service to others.

The office of Recording Secretary vacated by Mrs. V. Reichle was accepted by Mrs. A. R. Jacobsen.

The Ladies too, welcomed as visitors Mrs. Walter Pasch and Mrs. John Brink. Hostesses were Mrs. Bertha Keller and Mrs. Ruth Lodato.

The next meeting will be held June 8th, at the Church at 8 P.M.

Your Library

"Spring is here" sang Mr. Chickadee in "It's Spring! It's Spring!", a new children's book, the story by Janice and pictures by Alain. But the wonderful pictures of birds in swirling patterns of flight, will delight persons of any age. Another new book for small children is by Gene Zion, "Really Spring", which tells about some people who try to hasten the spring season by painting pictures of nature. When the pictures are washed away by the rains, they are not unhappy because the real spring has come.

Other titles that the small children like are "When the Root Children Wake Up" by Fish, "Springtime for Jeanne-Marie", and "It's Spring" by Lois Lenski.

There is no doubt that older children (and adults) are busy watching and identifying birds. A few days ago scarcely one copy of the bird books belonging to the large collection in the Free Public Library of Springfield could be found, when one of the readers

illness. SUNNING SPORTS

By RITCHY SCHWARTZ

In 1813 Napoleon met his Waterloo. On May 8, 1956 the Regional High School Track Team met their Waterloo at Meisel Ave. The victorious gladiators were the Farmers of Union. After campaigning through Union County with their undefeated ways the Bulldogs succumbed to the classy Union squad quite decisively.

The events went this way:

1 Mile—Farmer hit the tape at 52 seconds to take the event in excellent time. Regional placed third with a 55.5.

1 Mile—The Union man ran his fastest race. By doing a brisk 4:51 he swept the contest.

1 Mile—Another sweep for the visitors. Shot-Put—Merz and Regional finally hit a first. Curt heaved a mediocre 49.6. Joe Sisia placed second with a 46 and a Farmer took third.

Discus—Union got back to their winning ways—first and second. Merz did well but fouled.

High Hurdles—Union fist. Ray Walsh second and Bill Carney third.

Low Hurdles—RHS first and second. Russ Cera no. 1 and Tony Castaldo 2nd. Union took third.

100-220—Bueky-Brown placed first in both these events.

From those dashes in it was

all over. Union had secured the amount of team points needed to cop the meet so the pole-vault, running, broad-jump and the remainder of the bill was as good as void.

Major League Joe's Cincinnati is going hog wild in the National League and if they don't bog down, look out. The Brooklyn Bums have really begun to look like Bums in every sense of the word, every sense. As much as we hate to admit it we have to give in to that Yankee power. They're to damn good. Hank Sauer will now agree with the famous proverb—"Ear today, gone tomorrow." Ted Williams is great. IN OUR

OPINION

1. Baseball players that chew tobacco must have terrible tastes in their mouths.

2. Announcers at ball-games are forced to drink beer and smoke cigarettes.

3. They shouldn't boo Jackie Robinson.

4. All those baseball players that jerk at their uniforms aren't nervous but merely need showers.

5. There are more men at Ladies Day crowds than ladies.

6. Ted Williams is great.

Boys to Powers!

Jack and Janet Powers, Jr., of 545 Morris Avenue, announce the birth of a baby boy, Matthew Francis, born 12:40 p.m. at Overlook Hospital on Saturday, May 6. This assures Papa Jack of another bartender for his eating establishment, The Twigs.

Stephen Hart, who is a member of Watchung Riding Troop No. 11, was awarded 4th prize in a walking and trotting event for beginners. He has been taking riding lessons since March and shows signs of becoming a fine horseman.

Stephen is the son of Mr. and Mrs. N. Hart of 122 Remer Ave.

A special delivery letter to Mr. Joseph Zidenik on May 4 notified her that her 2,000-word essay, "Art in Our Churches," had won second place in the State Essay Contest. This is indeed a tribute to Mrs. Zidenik, who entered the contest representing the Art Department and our Club. Since she will not be present at the Spring State Convention, which is now being held at Haddon Hall in Atlantic City, the award will be received by Mrs. Marten D. Williams, who is attending the Convention.

The meeting of the International Relations Department, which was scheduled for this evening, has been postponed until May 14, at which time they will hold a joint meeting with the Literature Department, under its new chairman, Mrs. Henry Wasing. The meeting will be held at the home of Mrs. Thomas Geddes, 111 Hawthorne Ave., with Mrs. J. W. Phelps as co-hostess. Mrs. Richard Snyder, who will speak on "Experiences in the Consul," has just returned from Tokyo with her husband, who is a Consul Representative and is enroute to Russia. The speaker is related to Mrs. Henry Vance of this Club.

Mrs. Fred Spangler, chairman of the Drama Group, has announced that her Department will meet at the Cannon Ball House on May 14, at 8:15 p.m. Mrs. Edward Porter will act as hostess, with Mrs. William P. Darrow as co-hostess.

Reservations for the trip to the United Nations may be made before May 26, by contacting the International Relations Chairman, Mrs. Thomas W. Geddes, Drexel 9-2807.

Mrs. Henry Bouchard, 253 Hillside Avenue, has been appointed Parliamentarian by the President, Mrs. Charles Heard.

The Music Department will hold its annual party this evening at the Cannon Ball House at 8 p.m. All members are cordially invited to attend.

In Mexico
Mr. and Mrs. Fred Rojahn of 107 Jefferson Terrace are vacationing at the Hotel Virreyes in Mexico City. They will visit Taxco and Acaapulco before returning home.

Cub Scout Pack 73 Holds Indian Powwow

Growing by leaps and bounds, Cub Pack 73, sponsored by St. James Church, held its regular monthly Pack meeting. Appropriately enough, the theme for last month's meeting was an Indian background. The Cubs, decked out in feathers, warpaint and buckskin gear, took part in a skit depicting Indian life.

The boys were led, by Asst. Cubmaster Bruno Marino, who served as chief story teller. As the tale unfolded, the Cubs took part in a campfire scene, a hunting scene and a war dance. Many wonderful products of the boys' handicrafts were on display. Items used in the Indians' life such as tomahawks, bows and arrows, spears, shields and drums, will decorate many a boy's room for a long while, reminding him of the fun he had making these projects.

The following boys have passed their first set of achievements and have been awarded the Wolf Badge: Val Del Vecchio, John Sammond, Billy Lynch, Billy Marino, Gary Pupa and congratulations are certainly in order. Denner stripes were issued to Val Del Vecchio, Charles Beyer, Billy Lynch, Billy Marino, Freddy Ronecker and Stephen Babcock.

Asst. denner stripes were awarded to Michael Johnson, Mark Hansen and Gary Pupa.

The following boys were just inducted into the Cub Scout Packs: Caesar W. Brown, Daniel H. Baumann, Robert Beroff, Joseph Cavello, Stephen Cardos, Robert Ferguson, Robt. A. Terishko. Two other new members are Michael Schmidt and Peter J. Chorchia; both cub scouts previously, but newly arrived in our neighborhood. A hearty welcome to boys and parents.

To meet the requirements of the growing Cub Pack, Den No. 5 has been formed under the guidance of Den Mother, Mrs. Walter Zieser and Asst. Mrs. Norman Baumann. Mrs. Caesar Brown is

also assisting Den No. 3 operations under Mrs. William Lynch. Another award was also made to Boy Scouts Billy C. Baumann and John Marino. These boys received their den chief cards and are important leaders in the Cub Scout Dens.

Refreshments were served and the meeting came to a close.

Student Exhibit In Edison Museum

Edward H. Tiller, Jr., in the eleventh grade at Jonathan Day Regional high school, has been selected to show his prize-winning exhibit from the Greater Newark Science Fair at the Edison Museum, West Orange. The special showing of Science Fair exhibits will continue through June.

Edward and his parents, Mr. and Mrs. Edward Tiller, 500 Beech Ave., Garwood, will be the guests of the Edison Museum on Saturday, May 5. At Science Fair award winners and their parents have been invited to attend a tour conducted by Norman Speiden, Curator of the Museum.

"Phosphorous, Its Compounds and Uses" is the exhibit Edward developed under the guidance of Walter Hohm at Jonathan Dayton. It shows the different types of phosphorous and the uses for each. The exhibit gives a good understanding of the connection between chemistry and the chemical industry.

Every year weeds cost the South Dakota farmer enough to run the entire state for two years.

AN ORDINANCE PROVIDING FOR THE WIDENING AND IMPROVEMENT OF A SECTION OF MILLTOWN ROAD BY AGREEMENT WITH THE STATE HIGHWAY COMMISSIONER, PROVIDING FOR THE ACQUISITION OF ALL LANDS INTERFERING THERETO, AND PROVIDING FOR THE PAYMENT OF THE COST THEREOF AND APPROPRIATING THE MONIES NECESSARY THEREFOR.

BE IT ORDAINED BY THE Township Committee of the Township of Springfield in the County of Union:

1. That it is necessary to improve Milltown Road from Meisel Avenue for a distance of 1800 feet southeasterly from the intersection of Milltown Road and Meisel Avenue in the following manner:

a. By constructing modified penetration macadam improved shoulder to a width of 6 feet on each side of the 24 feet pavement provided for.

b. By constructing a 3 inch penetration macadam improved shoulder to a width of 6 feet on each side of the 24 feet pavement provided for.

c. By constructing storm sewers and catch basins as may be required, together with the paving of the foregoing improvements, as may be required, including new trees and replanting of all driveways and sidewalks incidental to and necessary to the making of the said improvements.

d. By acquiring of all lands necessary and incidental to the widening of said road, either by purchase or other methods provided by law, for which a sum of money not in excess of \$300.00 shall be expended.

e. Doing all other incidental and appurtenant work required in effectuating the improvements herein provided for.

f. That all of the said improvements shall be done and performed in accordance with plans and specifications prepared by the Township Engineer, approved by the Township Committee, and on file in the Township Engineer's Office; said plans and specifications being hereby adopted for said purpose, subject to approval by the State Highway Commissioner.

g. That the owners of all lands on the line of said improvement are hereby ordered to execute and file with the Township Engineer, within 30 days after the date that this ordinance is adopted, the following: (1) a plan of the land to be improved, showing the location of all easements, water and gas mains, within said limits, and (2) a plan showing the location of all easements, water and gas mains, within said limits, and (3) a plan showing the location of all easements, water and gas mains, within said limits, and (4) a plan showing the location of all easements, water and gas mains, within said limits, and (5) a plan showing the location of all easements, water and gas mains, within said limits, and (6) a plan showing the location of all easements, water and gas mains, within said limits, and (7) a plan showing the location of all easements, water and gas mains, within said limits, and (8) a plan showing the location of all easements, water and gas mains, within said limits, and (9) a plan showing the location of all easements, water and gas mains, within said limits, and (10) a plan showing the location of all easements, water and gas mains, within said limits, and (11) a plan showing the location of all easements, water and gas mains, within said limits, and (12) a plan showing the location of all easements, water and gas mains, within said limits, and (13) a plan showing the location of all easements, water and gas mains, within said limits, and (14) a plan showing the location of all easements, water and gas mains, within said limits, and (15) a plan showing the location of all easements, water and gas mains, within said limits, and (16) a plan showing the location of all easements, water and gas mains, within said limits, and (17) a plan showing the location of all easements, water and gas mains, within said limits, and (18) a plan showing the location of all easements, water and gas mains, within said limits, and (19) a plan showing the location of all easements, water and gas mains, within said limits, and (20) a plan showing the location of all easements, water and gas mains, within said limits, and (21) a plan showing the location of all easements, water and gas mains, within said limits, and (22) a plan showing the location of all easements, water and gas mains, within said limits, and (23) a plan showing the location of all easements, water and gas mains, within said limits, and (24) a plan showing the location of all easements, water and gas mains, within said limits, and (25) a plan showing the location of all easements, water and gas mains, within said limits, and (26) a plan showing the location of all easements, water and gas mains, within said limits, and (27) a plan showing the location of all easements, water and gas mains, within said limits, and (28) a plan showing the location of all easements, water and gas mains, within said limits, and (29) a plan showing the location of all easements, water and gas mains, within said limits, and (30) a plan showing the location of all easements, water and gas mains, within said limits, and (31) a plan showing the location of all easements, water and gas mains, within said limits, and (32) a plan showing the location of all easements, water and gas mains, within said limits, and (33) a plan showing the location of all easements, water and gas mains, within said limits, and (34) a plan showing the location of all easements, water and gas mains, within said limits, and (35) a plan showing the location of all easements, water and gas mains, within said limits, and (36) a plan showing the location of all easements, water and gas mains, within said limits, and (37) a plan showing the location of all easements, water and gas mains, within said limits, and (38) a plan showing the location of all easements, water and gas mains, within said limits, and (39) a plan showing the location of all easements, water and gas mains, within said limits, and (40) a plan showing the location of all easements, water and gas mains, within said limits, and (41) a plan showing the location of all easements, water and gas mains, within said limits, and (42) a plan showing the location of all easements, water and gas mains, within said limits, and (43) a plan showing the location of all easements, water and gas mains, within said limits, and (44) a plan showing the location of all easements, water and gas mains, within said limits, and (45) a plan showing the location of all easements, water and gas mains, within said limits, and (46) a plan showing the location of all easements, water and gas mains, within said limits, and (47) a plan showing the location of all easements, water and gas mains, within said limits, and (48) a plan showing the location of all easements, water and gas mains, within said limits, and (49) a plan showing the location of all easements, water and gas mains, within said limits, and (50) a plan showing the location of all easements, water and gas mains, within said limits, and (51) a plan showing the location of all easements, water and gas mains, within said limits, and (52) a plan showing the location of all easements, water and gas mains, within said limits, and (53) a plan showing the location of all easements, water and gas mains, within said limits, and (54) a plan showing the location of all easements, water and gas mains, within said limits, and (55) a plan showing the location of all easements, water and gas mains, within said limits, and (56) a plan showing the location of all easements, water and gas mains, within said limits, and (57) a plan showing the location of all easements, water and gas mains, within said limits, and (58) a plan showing the location of all easements, water and gas mains, within said limits, and (59) a plan showing the location of all easements, water and gas mains, within said limits, and (60) a plan showing the location of all easements, water and gas mains, within said limits, and (61) a plan showing the location of all easements, water and gas mains, within said limits, and (62) a plan showing the location of all easements, water and gas mains, within said limits, and (63) a plan showing the location of all easements, water and gas mains, within said limits, and (64) a plan showing the location of all easements, water and gas mains, within said limits, and (65) a plan showing the location of all easements, water and gas mains, within said limits, and (66) a plan showing the location of all easements, water and gas mains, within said limits, and (67) a plan showing the location of all easements, water and gas mains, within said limits, and (68) a plan showing the location of all easements, water and gas mains, within said limits, and (69) a plan showing the location of all easements, water and gas mains, within said limits, and (70) a plan showing the location of all easements, water and gas mains, within said limits, and (71) a plan showing the location of all easements, water and gas mains, within said limits, and (72) a plan showing the location of all easements, water and gas mains, within said limits, and (73) a plan showing the location of all easements, water and gas mains, within said limits, and (74) a plan showing the location of all easements, water and gas mains, within said limits, and (75) a plan showing the location of all easements, water and gas mains, within said limits, and (76) a plan showing the location of all easements, water and gas mains, within said limits, and (77) a plan showing the location of all easements, water and gas mains, within said limits, and (78) a plan showing the location of all easements, water and gas mains, within said limits, and (79) a plan showing the location of all easements, water and gas mains, within said limits, and (80) a plan showing the location of all easements, water and gas mains, within said limits, and (81) a plan showing the location of all easements, water and gas mains, within said limits, and (82) a plan showing the location of all easements, water and gas mains, within said limits, and (83) a plan showing the location of all easements, water and gas mains, within said limits, and (84) a plan showing the location of all easements, water and gas mains, within said limits, and (85) a plan showing the location of all easements, water and gas mains, within said limits, and (86) a plan showing the location of all easements, water and gas mains, within said limits, and (87) a plan showing the location of all easements, water and gas mains, within said limits, and (88) a plan showing the location of all easements, water and gas mains, within said limits, and (89) a plan showing the location of all easements, water and gas mains, within said limits, and (90) a plan showing the location of all easements, water and gas mains, within said limits, and (91) a plan showing the location of all easements, water and gas mains, within said limits, and (92) a plan showing the location of all easements, water and gas mains, within said limits, and (93) a plan showing the location of all easements, water and gas mains, within said limits, and (94) a plan showing the location of all easements, water and gas mains, within said limits, and (95) a plan showing the location of all easements, water and gas mains, within said limits, and (96) a plan showing the location of all easements, water and gas mains, within said limits, and (97) a plan showing the location of all easements, water and gas mains, within said limits, and (98) a plan showing the location of all easements, water and gas mains, within said limits, and (99) a plan showing the location of all easements, water and gas mains, within said limits, and (100) a plan showing the location of all easements, water and gas mains, within said limits, and (101) a plan showing the location of all easements, water and gas mains, within said limits, and (102) a plan showing the location of all easements, water and gas mains, within said limits, and (103) a plan showing the location of all easements, water and gas mains, within said limits, and (104) a plan showing the location of all easements, water and gas mains, within said limits, and (105) a plan showing the location of all easements, water and gas mains, within said limits, and (106) a plan showing the location of all easements, water and gas mains, within said limits, and (107) a plan showing the location of all easements, water and gas mains, within said limits, and (108) a plan showing the location of all easements, water and gas mains, within said limits, and (109) a plan showing the location of all easements, water and gas mains, within said limits, and (110) a plan showing the location of all easements, water and gas mains, within said limits, and (111) a plan showing the location of all easements, water and gas mains, within said limits, and (112) a plan showing the location of all easements, water and gas mains, within said limits, and (113) a plan showing the location of all easements, water and gas mains, within said limits, and (114) a plan showing the location of all easements, water and gas mains, within said limits, and (115) a plan showing the location of all easements, water and gas mains, within said limits, and (116) a plan showing the location of all easements, water and gas mains, within said limits, and (117) a plan showing the location of all easements, water and gas mains, within said limits, and (118) a plan showing the location of all easements, water and gas mains, within said limits, and (119) a plan showing the location of all easements, water and gas mains, within said limits, and (120) a plan showing the location of all easements, water and gas mains, within said limits, and (121) a plan showing the location of all easements, water and gas mains, within said limits, and (122) a plan showing the location of all easements, water and gas mains, within said limits, and (123) a plan showing the location of all easements, water and gas mains, within said limits, and (124) a plan showing the location of all easements, water and gas mains, within said limits, and (125) a plan showing the location of all easements, water and gas mains, within said limits, and (126) a plan showing the location of all easements, water and gas mains, within said limits, and (127) a plan showing the location of all easements, water and gas mains, within said limits, and (128) a plan showing the location of all easements, water and gas mains, within said limits, and (129) a plan showing the location of all easements, water and gas mains, within said limits, and (130) a plan showing the location of all easements, water and gas mains, within said limits, and (131) a plan showing the location of all easements, water and gas mains, within said limits, and (132) a plan showing the location of all easements, water and gas mains, within said limits, and (133) a plan showing the location of all easements, water and gas mains, within said limits, and (134) a plan showing the location of all easements, water and gas mains, within said limits, and (135) a plan showing the location of all easements, water and gas mains, within said limits, and (136) a plan showing the location of all easements, water and gas mains, within said limits, and (137) a plan showing the location of all easements, water and gas mains, within said limits, and (138) a plan showing the location of all easements, water and gas mains, within said limits, and (139) a plan showing the location of all easements, water and gas mains, within said limits, and (140) a plan showing the location of all easements, water and gas mains, within said limits, and (141) a plan showing the location of all easements, water and gas mains, within said limits, and (142) a plan showing the location of all easements, water and gas mains, within said limits, and (143) a plan showing the location of all easements, water and gas mains, within said limits, and (144) a plan showing the location of all easements, water and gas mains, within said limits, and (145) a plan showing the location of all easements, water and gas mains, within said limits, and (146) a plan showing the location of all easements, water and gas mains, within said limits, and (147) a plan showing the location of all easements, water and gas mains, within said limits, and (148) a plan showing the location of all easements, water and gas mains, within said limits, and (149) a plan showing the location of all easements, water and gas mains, within said limits, and (150) a plan showing the location of all easements, water and gas mains, within said limits, and (151) a plan showing the location of all easements, water and gas mains, within said limits, and (152) a plan showing the location of all easements, water and gas mains, within said limits, and (153) a plan showing the location of all easements, water and gas mains, within said limits, and (154) a plan showing the location of all easements, water and gas mains, within said limits, and (155) a plan showing the location of all easements, water and gas mains, within said limits, and (156) a plan showing the location of all easements, water and gas mains, within said limits, and (157) a plan showing the location of all easements, water and gas mains, within said limits, and (158) a plan showing the location of all easements, water and gas mains, within said limits, and (159) a plan showing the location of all easements, water and gas mains, within said limits, and (160) a plan showing the location of all easements, water and gas mains, within said limits, and (161) a plan showing the location of all easements, water and gas mains, within said limits, and (162) a plan showing the location of all easements, water and gas mains, within said limits, and (163) a plan showing the location of all easements, water and gas mains, within said limits, and (164) a plan showing the location of all easements, water and gas mains, within said limits, and (165) a plan showing the location of all easements, water and gas mains, within said limits, and (166) a plan showing the location of all easements, water and gas mains, within said limits, and (167) a plan showing the location of all easements, water and gas mains, within said limits, and (168) a plan showing the location of all easements, water and gas mains, within said limits, and (169) a plan showing the location of all easements, water and gas mains, within said limits, and (170) a plan showing the location of all easements, water and gas mains, within said limits, and (171) a plan showing the location of all easements, water and gas mains, within said limits, and (172) a plan showing the location of all easements, water and gas mains, within said limits, and (173) a plan showing the location of all easements, water and gas mains, within said limits, and (174) a plan showing the location of all easements, water and gas mains, within said limits, and (175) a plan showing the location of all easements, water and gas mains, within said limits, and (176) a plan showing the location of all easements, water and gas mains, within said limits, and (177) a plan showing the location of all easements, water and gas mains, within said limits, and (178) a plan showing the location of all easements, water and gas mains, within said limits, and (179) a plan showing the location of all easements, water and gas mains, within said limits, and (180) a plan showing the location of all easements, water and gas mains, within said limits, and (181) a plan showing the location of all easements, water and gas mains, within said limits, and (182) a plan showing the location of all easements, water and gas mains, within said limits, and (183) a plan showing the location of all easements, water and gas mains, within said limits, and (184) a plan showing the location of all easements, water and gas mains, within said limits, and (185) a plan showing the location of all easements, water and gas mains, within said limits, and (186) a plan showing the location of all easements, water and gas mains, within said limits, and (187) a plan showing the location of all easements, water and gas mains, within said limits, and (188) a plan showing the location of all easements, water and gas mains, within said limits, and (189) a plan showing the location of all easements, water and gas mains, within said limits, and (190) a plan showing the location of all easements, water and gas mains, within said limits, and (191) a plan showing the location of all easements, water and gas mains, within said limits, and (192) a plan showing the location of all easements, water and gas mains, within said limits, and (193) a plan showing the location of all easements, water and gas mains, within said limits, and (194) a plan showing the location of all easements, water and gas mains, within said limits, and (195) a plan showing the location of all easements, water and gas mains, within said limits, and (196) a plan showing the location of all easements, water and gas mains, within said limits, and (197) a plan showing the location of all easements, water and gas mains, within said limits, and (198) a plan showing the location of all easements, water and gas mains, within said limits, and (199) a plan showing the location of all easements, water and gas mains, within said limits, and (200) a plan showing the location of all easements, water and gas mains, within said limits, and (201) a plan showing the location of all easements, water and gas mains, within said limits, and (202) a plan showing the location of all easements, water and gas mains, within said limits, and (203) a plan showing the location of all easements, water and gas mains, within said limits, and (204) a plan showing the location of all easements, water and gas mains, within said limits, and (205) a plan showing the location of all easements, water and gas mains, within said limits, and (206) a plan showing the location of all easements, water and gas mains, within said limits, and (207) a plan showing the location of all easements, water and gas mains, within said limits, and (208) a plan showing the location of all easements, water and gas mains, within said limits, and (209) a plan showing the location of all easements, water and gas mains, within said limits, and (210) a plan showing the location of all easements, water and gas mains, within said limits, and (211) a plan showing the location of all easements, water and gas mains, within said limits, and (212) a plan showing the location of all easements, water and gas mains, within said limits, and (213) a plan showing the location of all easements, water and gas mains, within said limits, and (214) a plan showing the location of all easements, water and gas mains, within said limits, and (215) a plan showing the location of all easements, water and gas mains, within said limits, and (216) a plan showing the location of all easements, water and gas mains, within said limits, and (217) a plan showing the location of all easements, water and gas mains, within said limits, and (218) a plan showing the location of all easements, water and gas mains, within said limits, and (219) a plan showing the location of all easements, water and gas mains, within said limits, and (220) a plan showing the location of all easements, water and gas mains, within said limits, and (221) a plan showing the location of all easements, water and gas mains, within said limits, and (222) a plan showing the location of all easements, water and gas mains, within said limits, and (223) a plan showing the location of all easements, water and gas mains, within said limits, and (224) a plan showing the location of all easements, water and gas mains, within said limits, and (225) a plan showing the location of all easements, water and gas mains, within said limits, and (226) a plan showing the location of all easements, water and gas mains, within said limits, and (227) a plan showing the location of all easements, water and gas mains, within said limits, and (228) a plan showing the location of all easements, water and gas mains, within said limits, and (229) a plan showing the location of all easements, water and gas mains, within said limits, and (230) a plan showing the location of all easements, water and gas mains, within said limits, and (231) a plan showing the location of all easements, water and gas mains, within said limits, and (232) a plan showing the location of all easements, water and gas mains, within said limits, and (233) a plan showing the location of all easements, water and gas mains, within said limits, and (234) a plan showing the location of all easements, water and gas mains, within said limits, and (235) a plan showing the location of all easements, water and gas mains, within said limits, and (236) a plan showing the location of all easements, water and gas mains, within said limits, and (237) a plan showing the location of all easements, water and gas mains, within said limits, and (238) a plan showing the location of all easements, water and gas mains, within said limits, and (239) a plan showing the location of all easements, water and gas mains, within said limits, and (240) a plan showing the location of all easements, water and gas mains, within said limits, and (241) a plan showing the location of all easements, water and gas mains, within said limits, and (242) a plan showing the location of all easements, water and gas mains, within said limits, and (243) a plan showing the location of all easements, water and gas mains, within said limits, and (244) a plan showing the location of all easements, water and gas mains, within said limits, and (245) a plan showing the location of all easements, water and gas mains, within said limits, and (246) a plan showing the location of all easements, water and gas mains, within said limits, and (247) a plan showing the location of all easements, water and gas mains, within said limits, and (248) a plan showing the location of all easements, water and gas mains, within said limits, and (249) a plan showing the location of all easements, water and gas mains, within said limits, and (250) a plan showing the location of all easements, water and gas mains, within said limits, and (251) a plan showing the location of all easements, water and gas mains, within said limits, and (252) a plan showing the location of all easements, water and gas mains, within said limits, and (253) a plan showing the location of all easements, water and gas mains, within said limits, and (254) a plan showing the location of all easements, water and gas mains, within said limits, and (255) a plan showing the location of all easements, water and gas mains, within said limits, and (256) a plan showing the location of all easements, water and gas mains, within said limits, and (257) a plan showing the location of all easements, water and gas mains, within said limits, and (258) a plan showing the location of all easements, water and gas mains, within said limits, and (259) a plan showing the location of all easements, water and gas mains, within said limits, and (260) a plan showing the location of all easements, water and gas mains, within said limits, and (261) a plan showing the location of all easements, water and gas mains, within said limits, and (262) a plan showing the location of all easements, water and gas mains, within said limits, and (263) a plan showing the location of all easements, water and gas mains, within said limits, and (264) a plan showing the location of all easements, water and gas mains, within said limits, and (265) a plan showing the location of all easements, water and gas mains, within said limits, and (266) a plan showing the location of all easements, water and gas mains, within said limits, and (267) a plan showing the location of all easements, water and gas mains, within said limits, and (268) a plan showing the location of all easements, water and gas mains, within said limits, and (269) a plan showing the location of all easements, water and gas mains, within said limits, and (270) a plan showing the location of all easements, water and gas mains, within said limits, and (271) a plan showing the location of all easements, water and gas mains, within said limits, and (272) a plan showing the location of all easements, water and gas mains, within said limits, and (273) a plan showing the location of all easements, water and gas mains, within said limits, and (274) a plan showing the location of all easements, water and gas mains, within said limits, and (275) a plan showing the location of all easements, water and gas mains, within said limits, and (276) a plan showing the location of all easements, water and gas mains, within said limits, and (277) a plan showing the location of all easements, water and gas mains, within said limits, and (278) a plan showing the location of all easements, water and gas mains, within said limits, and (279) a plan showing the location of all easements, water and gas mains, within said limits, and (280) a plan showing the location of all easements, water and gas mains, within said limits, and (281) a plan showing the location of all easements, water and gas mains, within said limits, and (282) a plan showing the location of all easements, water and gas mains, within said limits, and (283) a plan showing the location of all easements, water and gas mains, within said limits, and (284) a plan showing the location of all easements, water and gas mains, within said limits, and (285) a plan showing the location of all easements, water and gas mains, within said limits, and (286) a plan showing the location of all easements, water and gas mains, within said limits, and (287) a plan showing the location of all easements, water and gas mains, within said limits, and (288) a plan showing the location of all easements, water and gas mains, within said limits, and (289) a plan showing the location of all easements, water and gas mains, within said limits, and (290) a plan showing the location of all easements, water and gas mains, within said limits, and (291) a plan showing the location of all easements, water and gas mains, within said limits, and (292) a plan showing the location of all easements, water and gas mains, within said limits, and (293) a plan showing the location of all easements, water and gas mains, within said limits, and (294) a plan showing the location of all easements, water and gas mains, within said limits, and (295) a plan showing the location of all Army of Workers Invade Town for Cancer Drive

Mayor Albert G. Binder has issued a proclamation calling on the residents of Springfield to cooperate with the fund-raising committee. May 15 has been set as the date of the end of the campaign and all committee heads and other volunteers are busy organizing for this crusade against cancer.

The local committee is under the direction of Mrs. Philip Lewis of 385 Milltown road and Mrs. Joseph Bender of 21 Ann place both of whom have served the community in many ways.

Irwin Weinberg of 190 Lelak avenue, chairman of the business committee, contacted many of the business people in town and reports a favorable response.

Mrs. Robert Hockstein of 9 Cottler avenue, chairman of clubs and organizations, has been busy writing to all these groups and assisting the general chairman in many ways.

Dr. Marvin Gould, a local dentist with offices at 289 Morris avenue, heads the professional committee, and will contact the various professional men with offices in town for financial support of the 1956 crusade.

Treasurer of this campaign is Charles Huff, tax collector, who not only has served as treasurer for the Cancer Drive before but has also served as treasurer for many other fund-raising drives throughout the years.

Following are the captains and

workers in the house-to-house campaign:

District 1—Captain: Mrs. Barlett Moore.

Workers: Miss Laura Jean Libby, Mrs. Gordon Walpole, Mrs. W. R. Cox, Mrs. R. A. Marlucci, Mrs. J. T. Corneliase, Mrs. J. Slugecke.

Workers: Mrs. A. DeVecchio, Mrs. C. L. Seltzer.

District 10—Captain Mrs. R. R. Kravitz.

Workers: Mrs. Sidney Lester, Mrs. H. Barg, Mrs. D. S. Lenny, Mrs. I. Feldman.

Captain Mrs. E. E. Lindauer.

Workers: Mrs. W. A. Sachs, Mrs. T. Shatten, Mrs. Gargano, Mrs. N. LeBoeuf, Mrs. S. Beno, Mrs. Chas. Danziger, Mrs. William Peacock.

Schaffernoth Brothers Star as Ballplayers

The Schaffernoth boys, Charley and Joe, sons of Mr. and Mrs. Schaffernoth, 904 Schaffernoth Pl., Springfield are continuing their professional careers in baseball.

Charley, who was catcher for the Bisbee-Douglas Copper Kings in the Arizona-Mexico League during the 1955 season, is now playing with the Waterloo Hawks in the Iowa Three-I League. He made the papers recently as a result of a relationship with Jim Moore, a little leaguer who was nearly completely deaf. The mother of the youngster, Mrs. Margaret Moore Smith of Douglas, Arizona, claimed that the inspiration of Charles Schaffernoth was in a large degree responsible for her son's adjustment.

The other son, Joe, is a pitcher for the Paris, Illinois baseball team in the Mid-West League.

RECEIVES BRAND NAME FOUNDATION HIGHEST AWARD

We're mighty proud of this great honor! To be selected as the Nation's Top Retailer from among the thousands of fine stores throughout the country is a tribute both to our constant effort to bring you only the best known, best quality merchandise at the lowest possible price—and to you, our loyal customers, who recognized our efforts and encouraged us by your purchases. We pledge ourselves to continue and to expand this policy of "Only THE BEST FOR LESS"—and during this great Celebration Sale we promise to do it—ourselves in bringing you great values—at savings you'll boast about!
