## THIS WEEK

We don't suppose it can be done—but it wouldn't hurt Springfield's progress one iota if it were possible to eliminate some of the gas stations in the Township—especially those smack in the middle of traffic congestion.

The case in particular is the Tydol station, located on that narrow strip of land where Morris avenue and Morris-Essex Turnpike intersect.

Even without a gas station at that point, traffic is always congested and the bottleneck there causes long delays during the rush hour. Autoists entering or leaving this narrow strip for service can hold up long lines of traffic on both thoroughfares.

Now—instead of looking at the very small print and trying to find some way to eliminate this Tydol station, a variance has been granted the owners of the land with a permit to construct a NEW service station which is to extend to exactly 1-foot from the building line. Construction of the new building further narrows down the area for entering and leaving the station, and doesn't provide for any off-street parking or leave room for the space needed to repair cars.

What we're driving at is that the Tidewater-Associated Oil people could find a better use for this narrow triangle than to add further confusion in the traffic jams at that intersection. And, if there is any way to eliminate this station, the local authorities and the Tydol people should get together. Certainly, enlarging it and creating a more dangerous traffic hazard won't help Springfield.

We don't know the amount of taxes the Township derives from this particular station but it can't be enough to encourage the expansion program Tydol has in mind. Main street gas stations add to traffic jams and this one, on such a narrow strip of land and at an intersection where there is always a bottle-neck during rush hours, should not have been permitted to construct an enlarged service station.

Of course, the gas station operators have received the green light from the Board of Adjustment; the variance has been granted. But there is still public opinion. The welfare of the public was not taken into consideration when the application for the expansion program was approved. If there is nothing else, it might discourage further expansion if the property owners were compelled to comply with the new zoning requirements.

The last place you would look for an interesting, timely window display is in a butcher shop—but that is exactly where you will find it in Springfield.

Ernie Nagel, proprietor of the Morris avenue establishment bearing his name, never lets a holiday or any civic event go by without observing it with an eye-catching display in his window. Instead of prices and sales slogans, Nagel decorates his windows to carry out the theme of Mother's Day—and this week it is Memorial Day.

His annual and thoughtful gesture of handing out free carnations during Mother's Day week-end brought an unusual response this year. And when Ernie presents free flowers personally, it is quite an event in the ordinary drab schedule of the shopper.

## Health Board Gives Thanks For Fine Job

Township Committeeman Frederick A. Handville, president of the local Board of Health, joins all of Springfield in singing the praises of those who conducted the Salk vaccine mass clinic last Sunday.

Following is a statement issued by Handville:

"On Sunday, May 20, the polio clinic in Springfield was run in magnificent order. It was heart-warming to see the doctors, nurses, and volunteer clerical workers operate in such a cooperative spirit. The entire program was accomplished in five and a half hours, during which time (750) youngsters and (18) women were inoculated."

"It would be difficult to single out any one person or group to give credit for this fine accomplishment. However, thanks to the following people and groups participating: Drs. Robert Milligan, (Continued on Page 10)

## 'Poppy Day' Is Here; Be Sure To Buy One Today

Today is "Poppy Day" in Springfield and in many towns across the nation.

On this day and throughout the Poppy Sale ending May 30, Memorial Day, millions of Americans will be wearing the bright red poppies in tribute to those who have given their lives in defense of our country and to aid disabled veterans.

The little flowers of remembrance, which will be distributed on the streets by members of the American Legion Auxiliary and the Veterans of Foreign Wars, have been made by disabled veterans of Union County. Materials were supplied gratis to the veterans who were paid in cash for assembling the poppies. Each contribution for poppies will enable both service organizations to continue their very active Veterans Rehabilitation Programs.

Mrs. Robert D. Hardgrove, Jr., Poppy Committee Chairman of the American Legion Auxiliary, announces that the following members have volunteered to sell poppies: Mesdames Neil C. Brown, William F. Brown, Alexander Bednarik, Robert Bennett, James Conley, Robert Day, E. E. DeRonde, Jr., William J. Doyle, Alexander Ferguson, Frederick A. Handville, Sigurd Holme, Edgar Jacobs, George W. Lancaster, Joseph Nafello, C. Palmer, Thomas Palmer, Herbert W. Quinton, Jr., David C. Roe, Victor Roessner, Francis Sammond, Edwin Schnell, John A. ## Mental Health Fund Drive in Final Stages

Early returns coming in from the workers on the Springfield Mental Health Fund Drive indicate both an increasing awareness of the need and importance of mental health work and approval of the neighbor-to-neighbor type of drive.

Many workers have expressed the hope that this kind of campaign will continue to be used in the future, since it not only entails much less work but seems to have a definite appeal as shown by the response.

All through the county the first reports from industry as well as house-to-house solicitation show that there is a general recognition of the need for research and education in fighting mental illness and promoting good mental health.

Contributions from anyone who has not been contacted may be sent to either Leonard Best, Chairman of the Drive at the Richard Best-Bencil Co., or to Carlyle Richards of the First National Bank, Treasurer.

The list of workers on the drive now includes the following: 2nd—Mrs. Walter Jones, Mr. R. Ronco, 3rd—Mrs. Leon Parkin, Gerald London, Wm. Doyle, Bryant Haas, Paul Karlin, Morton Weiss, George Walton, Eggle Hendricks, Robert Van Riper, Vincent Bonadies, R. Schneiderman, Lemuel Stevens, Thelma Sandmeier, Daniel Kalem, Robt. Smith, John Trout, Mr. George Wunderlich.

4th—Mrs. David R. Weathersby, John Porter, Carlyle Brassler, Henry McMullen, C. L. Brumberger, A. F. von der Linden, Wayne Uht, Thomas Campion, Wm. Melick, John Carlton, Howard Day, Harry Sautter, Warren Halsey.

## Local Lodge Receives Elks Charter Sun.

Approximately 160 local residents will participate in ceremonies at the Regional High School Auditorium this Sunday afternoon that will institute the Springfield Elks Lodge, install the new lodge officers elected last week and swear in the group as charter members.

National Elks Lodge dignitaries and State officers will help in the ceremonies and carry out the ritual of chartering the local group of Springfield Lodge, No. 2004. Following the program and picture taking, the new Elks have been invited by the Township of Union Lodge for an afternoon reception at the Union home.

Richard M. Blake was elected Exalted Ruler of the Springfield Lodge.

Applicants for membership may still qualify as charter members if they report in time to be screened before the ceremonies start on Sunday afternoon.

Last Monday night's regular meeting at Walter's Inn attracted a packed house at which time all the details of Sunday's program were discussed. The next regular meeting of the Springfield Elks will be held at the Summit Lodge on Monday, June 4.

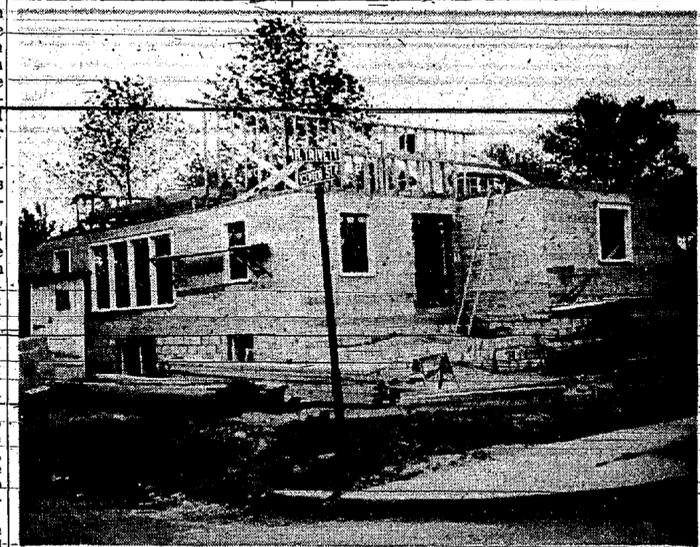

## Exchange Teachers To Speak to P.T.A.

Two exchange teachers, one from England and one from Philippines, will be the featured speakers at the next regular meeting of the Springfield Parent-Teachers Association to be held at the Florence Gaudineer School on Monday, May 28 at 8:15 p.m.

The installation of new officers for the P.T.A. for the coming year will also take place. Mrs. W. P. Twyman, outgoing president of the Regional High School P.T.A. will be the installing officer.

The Springfield P.T.A. is most fortunate in being able to secure Mrs. Conchita M. Cruz, who was the featured speaker at the Annual Convention of the New Jersey Congress of Parents and Teachers in October. Mrs. Cruz is an assistant professor in the Central Luzon Agricultural College, a state college, training ag-

## Salk Vaccine Clinic Here Very Successful

Springfield's Salk vaccine public clinic was held last Sunday in the Raymond Chisholm School with approximately 768 receiving first shots.

The program went off without a hitch under the efficient supervision of Springfield's physicians who administered the shots, according to a time schedule worked out by Mrs. Eleonore H. Worthington, secretary of the Springfield Board of Health. Those eligible for the first shots received notices to be on hand at definite schedule last Sunday and in a very few hours the job was completed.

### IMPORTANT NOTICE

The Board of Health announces that Friday, June 1, 1956, has been set for the "make-up" Salk vaccine public clinic to be held at the Florence Gaudineer School.

All those who registered for last Sunday's inoculation and did not receive the first shot will be given the anti-polio vaccine on June 1.

The exact time will be announced later by the Board of Health and instructions as to when to report will be sent to all those eligible for the inoculation. This list includes those who were rejected at last Sunday's clinic and those who could not be present.

The June 1 clinic will be the final one for Springfield. Further information can be had by contacting Mrs. Eleonore H. Worthington, secretary of the Springfield Board of Health. Her telephone is DRexel 6-5800.

Those who reported last Sunday and were rejected for any reason and those who did not report to be registered will have another opportunity for these first shots at a "make-up" clinic to be held at the Florence M. Gaudineer School, June 1. Notices when to report and full instructions will be sent out in a few days.

Last Sunday's clinic was very successful and considerable credit is due the Springfield physicians who administered the vaccine. Springfield physicians who inoculated:

## Order By Court Halts Work On Tydol Station

Papers, signed by Judge Richard J. Hughes, were served on the Springfield Township Committee and the Tidewater Associated Oil Company Tuesday which, in effect, halts the work of the planned expansion of the Tydol gas station at the junction of Morris avenue and Morris Turnpike.

Terry Dempsey, proprietor of the restaurant bearing his name and adjoining the station, applied for and was granted the order, through his attorney, Peter C. Triolo of Summit.

The Board of Adjustment recently granted a variance to the gas station with a permit for an enlarged service station which would bring the new structure to one foot of the building line. This narrow gas station is already a serious traffic hazard and dangerous bottleneck and Dempsey asked that the work be halted until his attorney has had an opportunity to examine the permit granted in view of new zoning ordinance restrictions.

Within One Foot Dempsey states that he appreciates that a gas station has been on this narrow strip of Township property for a great many years but he maintains that constructing a service station within one foot of the building line is a great deal more than the request for a variance should allow. The service station is to be enlarged and extended to one foot of the building line adding to the congestion

and hazards of gas customers coming and going out of the narrow lanes.

The new Township zoning ordinance specifically states that "no part of any building used as a filling station, etc. shall be constructed within 15 feet of any lot line. This requirement may not apply to the Tydol station at this small strip of land since the business was operated before passage of the latest zoning ordinance but the petitioner is questioning the authority of the Board of Adjustment in granting the Tidewater concern "everything they requested."

"I don't want my many friends in Springfield to think I've become one of those 'drop-of-the-hat objectors,'" said Dempsey. "I know the Tidewater people have had enough trouble figuring out how to get their customers on and off this narrow station. But to permit structural changes, constructing a much larger building and have it so close to my restaurant and my home, gave me considerable concern."

"My attorney will explore the (Continued on Page 7)

## 22 Local Girls Sign Up For Popularity Contest

Twenty-two entrants in the local "Miss Springfield" contest have been announced by the contest committee as the deadline date draws to a close.

With only a few candidates from last year's contest entering, the popularity election looks like a wide-open race with each girl a potential winner for the many prizes to be offered by local merchants (see page 8).

As of this morning, the following girls from town have signed up for the contest: Joan Kopeski, Gale Hansen, Myra Chesser, Eleanor Muller, Arlene Sauerze, Carole Matzek, Mary Carucci, Jean Wagner, Barbara Buckalew, Patricia Prince, Carol Leaycraft, Sue Keane, Jean Rolland, Judy Thompson, Diane Wille, Diane Fitzsimmons, Pat Haggerty, Barbara Ann Roe, Anita Doherty, Joyce Field, Carole Hudson and Mary Ann Romane.

The contest will be run from June 8th thru the 22nd. Winners will be notified by phone. Winning customers will be announced in the issue of the Springfield Sun of June 28th. "Miss Springfield" will be selected purely on the total number of popular votes. All participating stores will have posters showing pictures of the girls, ballots and ballot boxes. Go in and vote for your favorite and at the same time register yourself to win some of the big customer prizes.

### Attend Convention

Members of the Springfield First Aid Squad which included Mr. and Mrs. Otto Furst, Mr. and Mrs. George Bowles, Robert Voorhees and Evelyn Brogan, attended the mid year convention of the Ninth District of the New Jersey First Aid Council held at the War Memorial Building in Trenton last week.

## Local First Aid Squad Volunteers Deliver Baby

"Mother and baby are doing very well" has become a newspaper cliché in reporting a birth.

But when the baby is born on the Garden State Parkway in Irvington, the statement has added interest.

And, when emergency delivery of the newborn was accomplished by two members of the Springfield First Aid Squad, then it is very good news to learn that both "mother and baby are doing very well."

The mother is Mrs. Alleen Hirsch of 195-Letak avenue who frantically called the Springfield First Aid Squad last Thursday to rush the expectant mother to St. Michael's Hospital in Newark.

Mrs. Florence Nielsen of 36 Clinton avenue and Mrs. Daniel M. Lucy of 41 Tower Drive, were on duty in the Squad ambulance rushing Mrs. Hirsch to the hospital.

Dr. Gabriel J. Lull, one of Springfield's leading physicians, had given the members of the First Aid Squad a lecture on child birth only two weeks ago. The lecture evidently paid off in dividends because the First Aid Squad representatives delivered the child, and reports yesterday had it that Mrs. Hirsch and the newborn babe were, indeed, doing very well.

Mrs. Nielsen and Mrs. Lucy went about the business of delivering the 5½ pound daughter without any excitement and merely tried to remember everything Dr. Lull tried to teach them in the recent lecture.

"We realized that the baby was coming," said Mrs. Nielsen, "and we just had to deliver it." The Springfield First Aid Squad has been called upon to act in all kinds of emergencies but this is the first time the volunteers have been called upon to deliver a baby.

This is the second daughter for Mr. and Mrs. Hirsch. Sue Ellen is 3 years old. The new baby has been named Joy Debra.

## Needy Students Can Now Borrow From Lions' Fund

The Springfield Lions Club announces that its Student Loan Fund, established by the late Morris Lichtenstein, is now in effect. This fund is available to all Springfield students who need financial help to start or to continue their college education.

It was established under the terms of the late Mr. Lichtenstein's will, which provided that the sum of \$500.00 from his estate be used as a nucleus for this fund. The Lions Club of Springfield has already doubled this, and will continue to add to it annually, to aid local students to borrow money toward their college education. Students may borrow up to \$400. Each year and do not have to start repayment until completion

of their college course or upon leaving college for other reasons. The Fund will be administered autonomously by its Trustees who shall determine by information submitted by the student and by his parents, who shall be granted a loan. All information given will be completely confidential and will be available only to the Trustees.

The primary consideration in the granting of these loans is to the financial need. Students, of necessity, must be of the finest character to insure their debts and ability to finish college and to repay the loan upon graduation. A

## Gas Water Heaters must be VENTED

Check yours now and be certain of safe, more efficient operation

1. Be certain your Gas Water Heater is properly vented to the outside.
2. Never install a Gas Water Heater in bathrooms, bedrooms or any occupied rooms normally kept closed.
3. Dampers should not be used in vent pipes as they interfere with the proper venting action.
4. Vent pipes should be replaced whenever they show signs of rusting through.

MAKE THIS TEST

Check periodically to make sure the flue is working properly. A simple test will tell. After the appliance has been working for 15 minutes, hold a lighted match near the skirt of the draft hood. The flame will be drawn toward the draft hood if your flue is clear. A blocked flue should be cleaned before it can cause trouble.

### Plan Furnishing Buying for Home

Arrangement of your furnishings is part of the architectural planning of your house, says Miss Genevieve Thames, extension home furnishing specialist of Rutgers University.

When planning a new house, remodeling an old one or even when buying furnishings for an apartment, Miss Thames believes in planning on paper first.

"When you plan on paper, you can coordinate the architectural design and the interior design of the house, she points out. "You can make your home more flexible in plan and arrangement for future needs. You can save money and get more satisfaction from your home through the years."

"One way is to draw the floor plan to scale on paper with dots or squares—using a scale one-half on one-inch to the foot."

"Using a different color paper, cut out pieces of paper to represent furniture to same scale as the floor plan. Move these pieces around. You can then tell if all of the pieces will fit the house or

space you've planned.

"This will better assure you of having openings correctly placed, ample wall space for large pieces of furniture and convenient furniture arrangement. The scale plan will aid you in directing traffic lanes with an easy flow. It will also help you check window placement and space for draperies it needed and to place electrical outlets."

The New Jersey State University specialist says the important thing to keep in mind if this is to be of the most value to you is that the floor plan must be drawn and the furniture cut to the same scale. Both can then be seen in relation to each other and you can use space more creatively.

According to General Disease Control personnel of the State Department of Health, there is evidence that venereal disease rates among young persons are rising.

In modern tuberculosis control efforts, emphasis is placed on selection of high incidence areas based on case reports, for mass X-ray screening to assure finding a maximum number of cases at minimum cost.

# THE CALL TO THE LIVING

A cross—a hundred crosses—marking the graves of men who died in the service of their country. But why a cross?

Is this the symbol of our gratitude for the sacrifice they made for us? It is not!

Is this the emblem of democracy and freedom in whose cause they laid down their lives? It is not!

But this is the symbol of a crucified and risen Christ. The One who unfolded for mankind the truth of God's love, the truth out of which democracy, freedom, and sacrifice have come.

The cross on a soldier's grave is a call to us—a call to the living to fill our churches. It is a call to serve with eager and sacrificial devotion the Lord whose Truth men have died to preserve.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### CATHOLIC INFORMATION

THE MOST WONDERFUL WAY IN THE WORLD. Winding from a spot in the city of Jerusalem out beyond the walls to the hill of Golgotha, is the most wonderful Way in the world—wonderful because twenty centuries ago Jesus Christ trod this Way, bearing the cross on which He was to die for the salvation of all mankind.

A pious tradition tells us—and it's so logical and so natural that it's easy to believe—that after the Ascension, Christ's Blessed Mother and others who knew Him made daily visits to various memorable spots along the Way—place hallowed by the great sufferings and kindly acts of Jesus on His way to His death.

As Christianity spread, more and more people made pilgrimages to Jerusalem to tread the Way that He had trod, in adoring commemoration of His Passion and Death. Later, because so long a journey was impossible to all, reproductions of these hallowed spots were fashioned on many places in Europe, and to these people flocked to meditate and worship.

Finally in 1731 Pope Clement XII sanctioned universal spread of the devotions now known as the Stations of the Cross. That is why today in every Catholic church in every land you may see in painting or sculpture fourteen "stations," each visualizing one of the events of that first agonized Way—events to stir the heart and mind of him who meditates on them.

Can any Christian ever forget the Passion and Death of Jesus Christ? Should any Christian be allowed to? The Catholic Church keeps always before its people reminders of this stupendous sacrifice. It offers the choicest blessings in the name of God to him who, with contrite heart, journeys mentally with Christ along that most wonderful Way in the world—the Way of the Cross.

During Lent the Stations of the Cross are part of the weekly, public devotions. But every day many drop into the nearest Catholic church and privately make the Stations of the Cross, offering up the graces gained for themselves, their friends, or for the souls of those who have gone before.

alleged violations in granting the permit. No doubt, he will show that instead of confining this station, the variance permits expansion and an enlarged building with no thought of available parking facilities for the repair jobs, adding further to the congestion at this intersection.

Remembers Explosion  
"My concern is much more personal. We all remember the explosion of a nearby gas station a few years ago which rocked every building in the area. I dread to think what could happen to the patrons in my restaurant and my own family up stairs with this danger just a foot away from us."

"Certainly I was well aware of the gas station when we first moved into our restaurant and home but the danger was brought closer when I took a look at the new Tydol building plans. I know Tidewater was to build but we never expected them to get a permit to enlarge and get further away from the new zoning ordinance."

A hearing on the petition is scheduled before Judge Hughes on Thursday, May 31. Dempsey is represented by Peter C. Triolo, city attorney of Summit, who knows all about "nonconforming uses, variances, hardships and all the other considerations in the zoning requirements."

reciprocal leaders for rural areas. She has been awarded a Fulbright Scholarship for one academic year in Columbia Teachers College, in the field of English of rural education. The Philippine Government has awarded her full salary for one year while she is studying in the United States. Mrs. Cruz has had twenty years of experience as a teacher in government institutions. She is married and is the mother of six children, whose ages range from twelve to three years. Her husband is also in the United States, having received an F.O.A. (now I.C.A.) scholarship in agriculture for one year. Mrs. Cruz plans to return to her work in the Philippines after her year of study at Columbia.

Miss Elizabeth Hillier, and Exchange Teacher from England, at present teaching in the West Side High School in Newark, will be the other guest speaker.

After the meeting, refreshments will be served by the Hospitality Committee.

**Auxiliary Members At Annual Legion Luncheon**

The New Jersey American Legion Auxiliary's annual luncheon in honor of its national president was held last Thursday at the Hotel Essex House in Newark. This year's National President, Mrs. Bowden D. Ward of West Virginia, told of the aims and purposes of the organization and how they are applied throughout the United States and its territories of Hawaii, Alaska, and the Panama Canal Zone. By employing many interesting anecdotes, Mrs. Ward gave a vivid account of existing conditions viewed during her many travels.

Those representing the Springfield American Legion Auxiliary at this event were: Mesdames Robert Day, William J. Doyle, Frederick A. Handville, Robert D. Hardgrove, Jr., Sigurd Holme, Richard Nielsen, Herbert W. Quinton, Jr., Francis Sammond, Alfred Stadler, and Stanley Woznak.

**Lions' Fund**

(Continued from page 1)  
high scholastic standing in high school is not necessary, to be considered for a loan, provided that the students marks are high enough to gain admission to an accredited college or university.

The trustees of the fund wish to point out at this time that this fund was not established as a charity or give-away. It is a loan fund, to be repaid. Notes will be taken from the student, the same way as would be taken by a regular lending institution. The advantage and benefit of this fund, is that students could not borrow money under these terms from regular lending institutions. This fund will enable the young student to borrow a considerable sum of money on the strength of his signature and the faith and confidence that the Trustees have in his ability to pay back his loan upon graduation.

The Trustees of the fund and the Springfield Lions Club sincerely hope that a needy Springfield student can be helped this year. Students who desire more information or would like to apply for this loan, may apply through Mr. Walter Hohn at Regional High School, or may contact any one of the Trustees directly.

The Trustees are as follows:  
Chairman - Elliott Liechtenstein  
Secretary - A. E. Anderson, George Harrison, Howard Casselman, Robert Burnell, Warren Halsey.

Application blanks can be obtained from any of the above or from Mr. Hohn at Regional High School.

Any person who is interested in donating money to help this fund can do so by sending their donation to the treasurer of the fund. The donation to this fund will be in effect a standing memorial, because the money will be used again and again as long as there are needy students in Springfield who wish to borrow money for a college education.

ulated the 788 in a few hours included Dr. Robert S. Milligan, the Township Health Officer; Dr. Gabriel J. Lull, Dr. Ralph I. Mond, Dr. William J. Belliveau, Dr. Elliot L. Kaplan, Dr. N. F. Vogel and Dr. John V. Triolo.

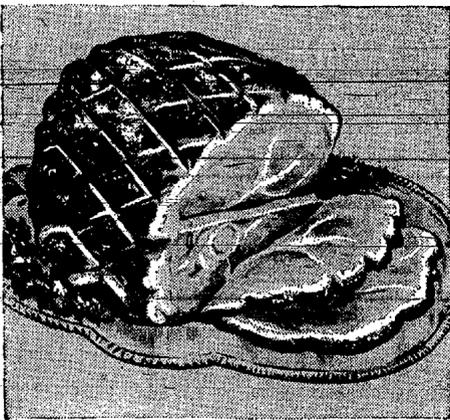

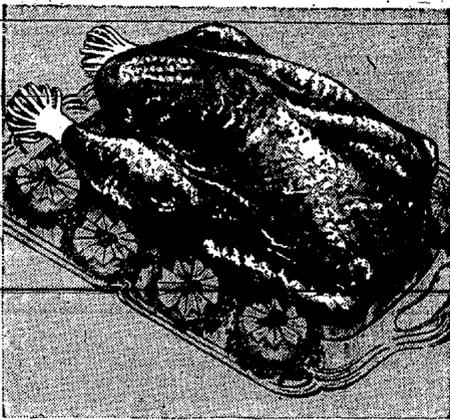

Those who assisted the doctors in the inoculations were Miss Florence M. Gaudineer, the Springfield School nurses, who also brought 3 nurses from the V.N.A. to the clinic. Others who served as nurses for the mass inoculation included: Mesdames Ruth Kirk, Martha Sherman, Jeanette Lizerman, Angelina Neal, Mildred Reibert, Lucille Koppel, Anna Walters, Jacqueline Taaffe, Margaret Rebell, Margaret Walsh, Audrey Sheridan, Irene Bontempo, Patricia Landrigan, Josie D'Azivedo, Pauline Mesker, Mildred Kerr.

The Springfield P.T.A. assisted with a great number of the members volunteering for clerical help which was needed to keep records of the mass inoculations. Some of those who helped last Sunday were: Mesdames S. Krueger, M. Rubinstein, E. Weinger, D. Stamelman, S. Goldstein, O. Granick, J. F. Jakobsen, W. Peacock, E. E. Arnold, F. A. Handville, Charles Huckenberg and Miss Judy Vance.

### Women's Club News

Mrs. Charles F. Heard, President of the Springfield (Woman's) Club, reports that a very busy and interesting time was spent by the delegates from the local club at the sixty-second annual State Convention recently held in Atlantic City. They attended all morning and evening General meetings; and at least one of the Springfield delegates covered the following department workshops: Art, Drama Festival, Garden, International Relations, Parliamentary Procedure, Program and Publicity.

The keynote address was presented by Mr. Time Kovacs on "The Challenge of Being an American." Mr. Kovacs is a recognized authority on social and economic conditions in European countries. Marion Mill Premier, Ph.D., spoke on "Africa: A World out of Focus." William I. Shirer,

world famous author and Journalist, was another outstanding speaker, his topic being "The World Today." According to Mrs. Heard, Miss Josephina Phodaca, a lawyer from the Philippines, was one of the most dynamic speakers they had the pleasure of hearing, as she gave a comparison of the "Legal Status of American Women" to those of the Orient. The Second Vice-President of the General Federation, Miss Chloé Giffard, was guest speaker at the President's Dinner.

The Springfield Woman's Club was mentioned in two State Chairman's Reports (1) for the Civic and Legislative Luncheon held last March and (2) for the Civil Defense program which was held at our February general meeting. As before mentioned, our Club's Art Department also won several awards. Mrs. C. Howard Saborn, of Glen Ridge, former Northern Vice-President, was Sanborn as the Northern Vice-President.

Other delegates from the Springfield Club who attended the convention with Mrs. Heard were Mrs. Edwin G. Davenport, Past President; Mrs. W. D. Chanin, First Vice-President; and Mrs. Merton D. Williams, Fifth District Allied Youth Chairman.

A Pre-Teen party will be given for the Seventh Graders at the Florence Gaudin School this Friday evening at 7:30.

There is still time to make reservations for the trip to the United Nations which the International Relations Group expects to make on May 26. For further information, call Mrs. Thomas Geddes, at DREXEL 9-2807.

The presentation of four Webelos awards highlighted the pack meeting of Cub Scout Pack 171 held on Friday, May 11. The four who were presented with this award were: Anthony Verlangieri, son of Cubmaster Verlangieri; Robert Potter; Harry Monroe; and K. Kennedy. At the same time, the mother of each of these boys was presented with a miniature Webelos award in the form of a rose, both in appreciation for helping her son while he was a cub scout.

The theme of the month was Hobo Time. Many wore hobo costumes, and there were several miniature hobo camp displays. Each den won the yellow ribbon for 100 per cent participation in the theme project, and also the blue ribbon for perfect attendance.

Other awards were: Den 1, David Cohen, bear badge; Den 2, Keith Neigel, silver arrow on wolf badge; Den 3, Paul Spies, bear badge; Den 4, Lloyd Schaefer, gold arrow on bear badge; Den 5, Fred Brown, gold arrow on bear badge; Den 6, Bruce

Brown, bear badge with gold arrow; Den 7, Gary Reimlinger, silver arrow on bear badge; Den 8, Paul Biddleman, lion badge with gold and two silver arrows; Den 13, Roger Timpson, bear badge with gold arrow; Dick Buehrer, two silver arrows on bear badge; Barton Theile, silver arrow on bear badge; Den 14, Denny Buckley, silver arrow on bear badge; Jeffrey Shapiro, silver arrow on wolf badge; Den 15, Dick Cornfield, bear badge; Den 16, Barry Patterson, lion badge.

Lucy was once again on the side of Pack 172 as far as weather was concerned for the pack cook-out on Saturday, May 5, held at Nonesuch Park in Cranford.

A great time was enjoyed by sixty cubs and forty-five fathers and den mothers. There wasn't a minute gone by that there wasn't something going on. A treasure hunt was a very successful part of the program.

Field events and winners were as follows: 1st prize trophy, 2nd prize, 2nd place ribbon, 50 yd. dash—1st, Richard Cinquena, Den 3; 2nd—Marty Menkin, Den 4; 3-Legged race—1st, Doug Di Biase and Tommy Lynch, Den 5; 2nd—Bruce Jones and Roy Adell, Den 2; Sack Race—1st, John Heller, Den 5; 2nd—Lee Bowman, Den 5; Wheelbarrow Race—1st, Gary Wood and Ben Chadwick, Den 5; 2nd—Harold Hansen and Stephen Milneich, Den 3; Broad Jump—1st—Robert Nuttall, Den 2; 2nd—Marty Menkin, Den 4; Running broad jump—1st—AT Stender, Den 8; 2nd, Ben Chadwick, Den 5; Ball throw—1st, Lee Bowman, Den 2; 2nd,

Ben Chadwick, Den 5; Assistant Cubmaster, Harry Heady, welcomed into the Pack two new cubs—Harold Heerwagen and Joseph Roller in Den 3. Welcome again, fellows—we know you will enjoy being with us just as we'll enjoy having you.

Advancement Chairman, Frank Di Biase, made the following awards: Wolf Badge, Wayne Isley, Charles Mink, Donald Brown, John Chischew and Russel Schlichting; Wolf Badge with Gold Arrow—Robert Scandier, Frank Donovan, Dennis Mahoney, Jimmy Menth and Jeff Crowley; Gold and Silver Arrow on Bear Badge, William Heady.

Hot dogs, burgers, soda pop and ice cream were the main events of the menu which certainly was enjoyed by all.

Many a weary body trudged home at the end of a most perfect day, looking forward to next spring's cookout.

The Pack's next event will be a Circus on May 26 at the James Caldwell School and they are looking forward to seeing many of the parents out for this last event of the year.

### Patty Bross, "Miss Union" Beautifies Local Pharmacy

Springfield residents will be very surprised to learn that the young lady delivering prescriptions to their doors has appeared on the Ed. Sullivan Show, made recordings for Columbia, appeared at the Copacabana lounge, and is currently Miss Union of 1956.

The name is Patty Bross, and her business address is at the Springfield Pharmacy, 238 Morris Ave., Springfield, where Patty is busy learning those facets of the store business not found in the U. S. Pharmacopoeia. The very pleasant task of instructing her has fallen to Elliot Lichtenstein, proprietor of Springfield's community.

Springfield is fortunate to be located in one of the two best counties of the state, Union and Essex, where library service is most highly developed. Even here, being a small town, Springfield is dependent on larger libraries in the vicinity. From the Public and School Library Services Bureau in Trenton, we borrow between 25 and 40 books a month, with a few extra from Newark and other kind neighbors.

However, with the increased floor space in the new wing, the Springfield Library will be able to increase its service to the community and do more for Springfield readers than it has ever done before.

REMEMBER: Last Pre-School Story Hours—10 a.m. and 11 a.m., Friday, May 25. All children who have ever been to Story Hour may come to say farewell. No tickets needed.

P. Yuckman; Mrs. Nathan Hart, Mrs. David Stamelman; Mrs. E. Weinger.

**Your Library**

During the past week, decisions were made which have far-reaching effects in the Free Public Library of Springfield. On Wednesday the Board of Trustees met to review William G. Chirgott's, the architect's, plans for the new wing. The picture was published in the Springfield Sun last week.

On Thursday, 20 of the volunteers came together for a workshop session. During the morning meeting two new volunteers, Mrs. John G. Williams and Mrs. Robert J. Kennedy, who are particularly interested in taking books to shut-ins, were welcomed.

After lunch, the group viewed a film strip sponsored by the New Jersey Library Association. The volunteers for the first time learned of library conditions in New Jersey, and found some of them shocking and astonishing. Library service in New Jersey ranges all the way from nothing at all, for some areas are without any service, to nearly \$3.50 per person for the City of Newark, which has good service.

Surely it is not too much to ask each individual to contribute one book a year to their library ("Marjorie Morningstar" costs \$4.95). Anyone who borrows one expensive book or a couple of inexpensive ones a year from the library gets his money back. And this does not take into consideration all the valuable reference and information service which a library contributes to a com-

Only The Year-Ahead **CHRYSLER** brings you the **FIRST FULL-SIZE 4-DOOR HARDTOP!**

**MORE HEAD ROOM, HIP ROOM, LEG ROOM THAN ANY OTHER 4-DOOR HARDTOP**

All the airy openness of a racy convertible... and the full size and comfort of a big sedan. That's the Chrysler 4-door hardtop.

You can get in and out as easily as in a sedan because the entrance area is full width. And you get full vision because the rear window comes all the way to the back of the rear seat.

Chrysler's ingenious new roll-away action rear window is the secret. It permits a full-size roof, and the rear seat is back where it belongs.

Best of all, this 4-door hardtop has all the Year-Ahead features that make the "PowerStyle" Chrysler the success car of 1956! See it now!

THE YEAR-AHEAD CAR... BIGGEST BUY OF ALL FINE CARS!

Dotted line shows the short roof typical of other 4-door hardtops. This means cramped head and leg room. Solid outline shows Chrysler's longer roof.

Other 4-door hardtops have short rear windows indicated by broken line above. Chrysler's windows extend all the way to the back of the rear seat.

Chrysler's longer roof, greater room, and better visibility are the result of two-part roll-away window. Rear segment rolls forward. Forward segment down.

# SCHOOL NEWS

**Kindergarten**  
Mrs. Florence Turner  
So much has happened in Kindergarten this year that we hardly know where to begin. Most days we have been very busy building farms, bridges, and many other things. We have also had a wonderful weather vane, two cows named Sally and Fanny, and several other large animals. In the sand table we made a whole farm with small buildings, tractors, animals, pastures, etc. We learned that good food comes from a farm—especially milk, butter, eggs and vegetables.

One day we made our own butter out of heavy cream. We will help whip it and had a taste of the butter-milk that was left in the bowl. Then we ate the butter and crackers. It was delicious!

Another day we walked to Mr. Becker's Pansy Farm where we were allowed to dig up a pansy plant for each of our mothers for Mothers' Day. We saw Mrs. Chandler and the "Red Birds" there and were so glad to see them.

But the most fun of all was our trip and picnic at Traldis Museum. The Kindergarten from all three schools went. It was fun to see Mrs. Porter and Miss Hergenhan's children as well as the "Red Birds". We saw many things, including birds and spiders. When we went through

the museum where there were many birds, snakes and other things, we were very interested. Our doors in cages were made of cardboard and we had to look at them very carefully. We also saw a snake and a frog. We were very interested in the museum and had a very good time.

Miss Claire Ellen Lupino  
The first grades have been busy planning a circus show together with the kindergarten and second grade. We have been having fun preparing to be performers under the "big top". A new boy came to the first grade. His name is Robert Wessand, and he is from Elizabeth.

The children have been learning about milk and cows and dairy farms. They have been painting many pictures about farms, and making clay cows for their part. At the end of the month, they are going to see a dairy farm.

Grade 2  
Miss Alice Rice  
The second grades have been very busy lately. We have made wonderful story and picture books about Holland and the different phases of the Dutch people's way of life. We can be very proud of our ability. Some of us were invited to read sections of our booklets to the first grade children.

**Grade 3**  
Mrs. E. Kohn  
The children in Miss Booruly's and Mrs. Kohn's classes have been busy with plans. They have been eagerly planning a trip to the Newark Museum and Planetarium. Miss Booruly's class has been practicing singing and dancing to Indian chants for a special Assembly program on June 5th. Mrs. Kohn's class has been preparing an operetta, "The Razzle-Dazzle Show".

Wednesday, May 10th, the fourth and fifth grades of Raymond Chisholm School on their way to Jackson Hall. They accompanied the wonderful picnic lunch in the midst of blossoming dogwood trees and a picnic brook. They enjoyed the ride to see the Temple Wick House which was representative of the homes of the Revolutionary War.

From there we rode to the Burying Grounds of the Revolutionary War and walked around the reconstructed Army hospital. We took the long hike up the hill to see the Army Officers' Club. Many were very interested in the history of the Revolutionary War. We were officers at Jackson Hall.

**Grade 6**  
Mrs. Margaret G. G. G.

### Water Follies To Be Run By Funorama - Hospital Center

entertainment fast and furious will be enthrilled. The newspapers in every city the Water Follies has appeared praise this show highly.

The entire show is set to music and the musical score in the Water Follies is reported to be a most tuneful one, especially written for the show. The mermaids and dancers are said to be refreshingly youthful, the costumes beautiful, with terrific lighting effects throughout.

The Water Ballet makes several appearances, with one alone being staged in total darkness, the aquaballetinas wearing chemically treated bathing suits that light up with a radium, phosphorescent effect, a scene of exquisite beauty when the mermaids present their various pattern formations in the pool. In advance of the show the water ballet troupe will appear at Bamberger's-By-the-Sea department in Newark on Saturday, Metropolitan Opera tenor Eugene Conley, who sang at President Eisenhower's inauguration, will sing the Star Spangled Banner to open the week long show.

Tickets for the show are priced at \$2.50, \$2.00 and \$1.00 for the evening performances and \$1.50 and \$.75 for the matinee shows. Admission to the Tuesday children matinee is \$.50 for all seats. Tickets are now on sale at the Funorama headquarters at the Hospital Center, Orange 5-0314.

### Local C.A.P. To Encamp at McGuire AFB

Local Civil Air Patrol officials announced today that the annual summer encampment for CAP cadets from Springfield Squadron and the New Jersey Wing will be at McGuire Air Force Base, Fort Dix from July 14 through July 22, 1956.

Capt. Ralph G. Swanson, Civil Air Patrol commander here, said that approximately 13 male cadets from the Springfield Squadron will participate in the encampment. 150 male and 75 female cadets of the New Jersey Wing will constitute the selected cadets for the 1956 encampment at McGuire Air Force Base. Throughout the United States, more than 10,000 CAP cadets will participate in similar encampments at some 30 Air Force bases. Selection of the local cadets who are to participate in the encampment is scheduled to be announced within the next few weeks.

The encampment will provide a nine-day stay for the cadets at the Air Force base during which they will receive concentrated training in academic and vocational aspects of aviation and related subjects under the supervision of some of the Air Force's most able instructors. The young men and women will be offered an opportunity to see

for themselves how vocational training in many trades as taught and practiced by the U. S. Air Force are related to the same trades in the civilian aviation industry.

Only cost to the cadets attending the encampment will be approximately \$1.10 per day for their food, and such other personal money as they desire to spend. All other facilities will be furnished by the Air Force.

CAP officials emphasized that this encampment attendance in no way will affect any youth's obligation to the military service. Capt. Swanson of 446 Morris Ave. and 2nd Lt. J. Ross Patterson, 13 Townsend Drive, Florham Park, Executive Officer of Springfield Squadron have been appointed to serve on the Encampment Staff. Capt. Swanson has served as Encampment Commander, Executive Officer, and Disciplinary Officer for the past three encampments, and will serve this year as Fiscal Officer. Lt. **SUNNING SPORTS**  
By RITCHY SCHWARTZ

This is it, the last Sunning Sports article until September next.

To say that these last eight months with the Springfield Sun were terrific would be putting it mildly.

Getting the chance to put something in print is a great challenge in itself, but getting the opportunity to write about your favorite subject is truly colossal.

My editors have given me all the leeway in the world in my quest of delivering an interesting and informative column to the readers.

One would probably be amazed at the amount of cooperation given to us by the athletic department of Regional High School. Those we recall to name a few are: Mr. Michael Sweeney, Mr. Lou DeRosa, Mr. John Brown, Mr. Herb Palmer, Mr. Russ Stanley, Mr. Robert DeAmato and Mr. Walter LaPrade. To these coaches and the many other faculty members who have given us encouragement and advice we owe a great deal of thanks and admiration.

All the kids were extremely helpful. Athletes and would-be Walter Winchells alike threw in enough advice-to-help-us-meet-our-Wednesday afternoon deadline.

To make a long story short we thoroughly enjoyed every minute of this adventure.

Thank you readers for your kind comments. Throughout the season we have endeavored to put Regional athletics in the Springfield spotlight. We have tried our darndest and hope we have succeeded.

Wishing all of you a joyous summer we put Sunning Sports in the moth-balls until the fall. So long, Ritchy Schwartz

**Legion Trips Lions; Rotary; Undefeated In Youth Play**

The American Legion posted a pair of victories over the Rotary and the Lions last week to remain unbeaten in the Springfield Youth Baseball League. Billy Buckalew, slim righthander of the Legion, pitched two hit balls, with Richie Purro walloping a round tripper to lead the hitters.

On the bright side for the Rotary was Larry Stickle's fifth home run in three games. The hitting of Bonislowski, Crowley, Greenburg and Sagerser featured the Legion victory over the Lions. Franklin walloped a round tripper for the losing Lions.

The Car-Hops kept pace with the league leaders by winning two games at the expense of the last placed Kiwanis and the Lions. The Car-Hop victory over the Kiwanis was a slugfest, with Tom Geoghegan and Bob Baker leading the hit parade, each getting four safe blows. Inability to hit and seven big errors cost the Kiwanis their fourth straight loss. For the second game in a row the Kiwanis rallied in the sixth and final inning for six big runs. Manager Bob Isley hopes to reverse this procedure, starting with a big inning, which could easily boost the morale of the club. Regi and Straub clouted home runs for Russ Anderson's red and blue club.

The Car-Hop and the Lion game last Monday at the Washington Avenue Field was a thriller, with the Car-Hops winning 5-4 on Preston's line single in the fifth. In the sixth and final inning, the Lions rallied after one out to score three big runs. Arnold and Heller walked with one away, Schnell singled to fill the bases. Regi of the Car-Hops walked. Mitterhoff to force home Arnold, with Baker relieving, but Dickie Walker singled, driving home Heller and Schnell. The threat ended as Franklin and Wyckoff struck out to end the game.

One of the most interesting games of the warty season was played last Wednesday night at the Washington Avenue Diamond when the Rotary came from behind to nail the defending Champion PBA with a 5-4 loss. Exceptional play featured this game, with Sussman's long home run in the sixth with Christenson aboard protection.

Representing fields ranging from chemistry to Russian, this year's scholars are the seventh group to be honored since the inception of the program at the State University in the fall of 1950.

Downs, vice president of Pi Mu Epsilon, honorary mathematics society, is a member of Phi Alpha, honorary German fraternity and the Physics Club. He is also on the staff of the college radio station, WRSU. A physics major, he is the son of Mrs. Mable M. Ruckstuhl and an East Orange High School graduate.

**Student Named for Award at Rutgers**

Rudolph Downs of 11 Essex road, is one of the 20 outstanding juniors in the College of Arts and Sciences at Rutgers University who have been named Henry Rutgers Scholars for the next academic year.

Their selection for this group will free these honor students from two formal courses each semester of their senior year to conduct independent research and study of projects of their own choosing. As a special scholarly distinction they will be designated Henry Rutgers Scholars on their diplomas.

The program will culminate with an intellectual "field day" next spring when each student will present his thesis for evaluation by a committee of professors.
