Mental Health Drive Reaches \$1825 Total

Leonard Best, Chairman of the 1956 Mental Health Fund Drive conducted in Springfield during the month of May, has announced that a total of \$1825 was contributed by Springfield residents to be used for services by the Union County Association for Mental Health. The success of this drive indicates an increased awareness of the need and importance of the work being done in this field. Mr. Best and the Association wish to extend their sincere thanks to all the workers who so willingly helped in this campaign and to the Springfield-Sun for the very fine publicity given it.

More than 6,000 volunteer workers have reported a total of over \$56,000 raised to date throughout Union County.

Appointments Made To Fill Two Vacancies

Politics, supposedly shelved for the summer season, made a little noise last night at the regular meeting of the Township Committee when single vacancies were filled on the Board of Adjustment and the Board of Tax Assessors.

Kenneth Bandomer, of Evergreen Avenue, was named to replace B. H. Fox, who resigned recently, to the Board of Adjustment, the appointment to run until December, 1958. Before Bandomer was named, Township Committeeman Vincent J. Bonadies, the lone Democrat on the governing body, presented the name of Dr. Stanley K. Freeman for consideration. The nomination was not seconded and Bandomer was then nominated.

Committeeman Bonadies then presented the name of Earl Lawlor for the vacancy on the Board of Assessors. But, again none of the other members of the committee seconded the nomination.

The name of Harry Monroe was then placed in nomination which brought from Bonadies the statement that the usual procedure was not followed in filling bipartisan vacancies, maintaining that the Democratic County committee in Springfield should have been consulted. It was then brought out that telephone calls had been made to the Board of Elections in Elizabeth and the information received was that "Springfield had no County Democratic committee yet organized in the Township."

New bids will be asked for the general construction of the Public Garage, the low bidder, the Ceram Construction Company, having notified the Township Committee last night that it had made an error in estimating the job. This company had bid \$19,782 for general construction but they notified the Township that they had revised in the amount of \$2,240, and that their bid would have to include this amount which would bring their total to \$21,922.00.

Township Does Not Think Much Of "Nite Club"

Springfield does not care to become "the parking lot and entrance to a proposed night club" which, according to reports, is to be constructed in Millburn.

The property is listed as 125 Springfield avenue where a Clifton syndicate is reported planning to construct a restaurant-night club, all of which is in Millburn with the entrance and parking lot in Springfield.

Representatives of the Clifton group have already appeared before the Planning Board on July 5 but no action was taken because the application for subdivision wasn't complete enough.

A notice of intention requesting transfer of a liquor license to "Harry Knowles, Jr., 1191 Valley road, Clifton, from Harry Polansky, trading as The Rainbow Cocktail Bar, at 122 Essex street, Millburn, to Harry Knowles, trading as The Bow and Arrow Inn for premises located at 125 Springfield avenue. Plans for construction of the building may be examined at the office of the Township Clerk in Millburn."

While none of the Township officials would make a statement, it is understood that the plan is not acceptable since it would mean that Millburn would receive the benefits of added ratables and taxes while Springfield would merely be the parking lot with police and fire responsibilities. All traffic would roll through Springfield.

Township authorities will make a thorough study of the proposal before granting any permit that would increase the traffic jam on Springfield avenue. Approximately 250 front feet of the property is in Springfield, the remainder of the tract being in Millburn where the restaurant will be located.

DISCHARGED—Francis J. Bayley Jr., was discharged from the USAF on June 30. Airman Bayley, the son of Mr. and Mrs. Francis Bayley of 15 Tompkins lane, is now employed by Channel Lumber Co. and plans to attend Rider College in the fall.

"Stevenson For Pres." Group Meets

The recently activated "Stevenson for President" committee here in Springfield has formulated its initial plans and has set Thursday, July 19 as the first organized meeting of the group. All those interested are invited to attend the meeting which will be held at the home of Mrs. William Fisher, 211 Hawthorn avenue at 8:15 p. m.

With the Democratic convention only a short time away, the committee has devoted themselves in securing the nomination and election of Adlai Stevenson for president.

Committee leaders extend an open invitation to all those people who avidly feel that Adlai Stevenson is the only Democratic choice for presidential candidate.

The money will be used by the Union County Assn. for Mental Health to maintain its Summit office, which, in addition to answering inquiries, arranges preventive educational programs in the communities of the county. Part of the money will go to help expand mental health facilities in the County, and part to the National Assn. for Mental Health to be used in research.

A total of 141 preventive programs has been arranged by the Association in communities of Union County since September of this year, it was announced at the meeting of the Board of Directors held last month in Elizabeth. These include two discussion series, seven plays, two film previews, with 45 of the programs led by professionals and 43 by volunteer lay members of the Association. Plans are being made to expand this important service during the coming year. Program chairmen of local organizations are invited to inquire about available mental health programs from the office, which will be open during the summer from 9 a. m. until 3 p. m. daily. The telephone number is Crestview 3-7325.

3 Doctors, One From Town, Give Salk Shots to 818

Three doctors—only one of whom is from Springfield—assisted by volunteer nurses and aides, administered Salk vaccine shots to 818 at the Raymond Chisholm school last Sunday.

The doctors who inoculated the 818 in the record time of three hours—from 9 to 12 o'clock—are Dr. Gabriel J. Lull of Springfield; Dr. Robert S. Milligan of Summit; and Dr. Irwin Kimche of Millburn.

Letters were sent to all Springfield physicians by the Board of Health, according to Mrs. Eleanore H. Worthington, secretary of the board, requesting their help in the anti-polio mass public clinic.

The inoculations were administered without a hitch and the entire 818 were completed between 9 o'clock and noon. Of the total, 22 were first shots of the vaccine, 639 were given second shots and 107 were eligible for third injections.

"No further clinics are scheduled for this summer," Mrs. Worthington stated. "There is a possibility that another public clinic may be arranged after school opens again. At that time the new age limit of from 15 to 19 years will be included with those who have not already received injections."

Those who gave invaluable assistance during last Sunday's mass clinic included Miss Florence M. Gaudineer, school nurse; Miss Harriett Smith, who teaches at James Caldwell; Mesdames Faith Handville, Doris Quinton, Martha Sherman, Christine Ungemah, Audrey Sheridan, Jeanette Lizerman, Margaret Rebel, Angelina Neal, Lois Schoch, Muriel Brown, Josie D'Azivedo, Anna Walter, Patricia Landring, Margaret Walsh, Lucille Keppel, Jacqueline Taffe and three V.N.A. nurses.

July 4th Program Draws Thousands Despite Rain

Rain did not dampen the spirit of a few thousand people who turned out for the successful Fourth of July celebration held last Wednesday. The baby parade, which is the highlight of the program, attracted almost a hundred entrants. Judges had a difficult time determining the winners in five separate categories.

The fireworks display was run last Saturday night before huge crowds. Steve Schmidt, Fourth of July Committee chairman, in a statement to the press stated that "the committee wishes to take this opportunity to express their appreciation to the many families, business houses, industrial firms and organizations who have made this year's celebration possible."

"It's solely through these contributions that the program became a successful reality. The new method of collection through the mails, proved highly successful in that it took away the stigma of the many door-to-door fund drives in town."

In the afternoon series of events, the following won prizes: Balloon contest—Jimmy Conlon, Mike Wasung, Mary Ann Speisback and John Lies, 50 yard dash—Herbert Etzold and Bill Faucher; 60 yard dash, Ted Schuss Jr., David Bonidewski, Cynthia Brande and Carol French. Watermelon contest. (Continued on Page 6)

Job Open Here With Local Police Force

If you are between 21 and 30 years of age and look good in blue—there is a vacancy on the police force in Springfield.

Police Chief Albert A. Sorge announces that he is looking for a "qualified man" to fill the job on a permanent basis.

"This isn't a part time police job," said Chief Sorge. "We want a full time police officer for the department."

All those interested in getting this job on the local force can get full information by applying to Chief Sorge at police headquarters in the Municipal Building.

Cyclist Pays \$20.

Acting Magistrate Milton Freeman, presiding in Magistrate's Court in the absence of Henry McMullen, imposed a \$20 fine and revoked the motor cycle driver's license of Ronald Major of 42 Emily avenue, Union.

Major was arrested for speeding on Springfield avenue, June 22 by Patrolman Harold Searles Jr. He had three previous motor cycle violations.

Local Elks Close Deal on Building

Springfield Lodge, 2004, B.P.O. Elks now has its own home and headquarters.

Title to the property at 357 Morris avenue was passed to the officers of The National State Bank of Elizabeth last Friday.

H. Lee Sarokin, local attorney, represented the Springfield Elks Lodge at the closing while Adolph Ullrich, Elizabeth attorney, appeared for the sellers.

Plans are being prepared to remodel and renovate the Morris avenue building which is to be used for meetings and all other Elks activities.

Over 160 charter members were initiated during the formal granting of the charter at the Regional High School auditorium this past May. A committee was named to locate a site for the Elks home here and the property at 357 Morris avenue, known as the Terry or Towle House, was selected. Negotiations were quickly closed, the selling price accepted, and the final papers in the purchase were signed last Friday.

Meetings are now being held at the Summit Lodge home and only two sessions are planned for this summer, Monday evening July 30, and Monday, August 27.

Miss Springfield Contest "Success"

The successful Miss Springfield popularity contest came to a close last Tuesday evening with the announcement of Betsy Funchon as the new reigning queen for this year.

Stimulated by the marked interest of participating merchants, who offered fabulous gifts, plus the enthusiasm of approximately 20,000 voters, the Springfield Chamber of Commerce tabbed the project "an overwhelming success."

From the very outset of the idea, merchants offered their co-operation and the success of the project seemed certain. Voter interest started slow but mounted steadily in the closing days of the contest.

Special thanks were expressed by Chamber officials to Miss Thelma Dilley, who organized and carried out nearly every minute detail. Contacting the girls, lining up the merchants' gifts, handling the coronation ceremony, notifying the winners of customer prizes, and devoting a large portion of time to counting the thousands of ballots. Mrs. Mende of Mendel's Florist received the thanks of everyone for the floral displays and queens flowers at the crowning ceremony.

Township Thanks Doctors For Aid

The Township Committee wishes to publicly thank Dr. Gabriel J. Lull, Dr. Robert S. Milligan and Dr. Irwin Kimche who inoculated 818 persons with Salk Vaccine at a public clinic held on Sunday, July 8th. The doctors rendered their services without charge and as a civic gesture. The Committee feels that Dr. Lull, Dr. Milligan and Dr. Kimche have merited the gratitude of the 818 persons who were inoculated, as well as of the citizenry at large.

The Township Committee hereby express thanks and appreciation to the doctors, and especially commend them for placing the interest and well being of the children of Springfield above and beyond their personal interests.

LETTERS

Editor, Sun:

I would like to thank the following: Mrs. Eugene Boehm, Mrs. Eleanor Ellis, Mrs. R. Hattersley, the Misses Betty Ellis, Susan Kisch, Dorothy Ann Boehm, Pat Mazzucco, Pat Miele, Mary Ann Delaney, Ruth Vails, and Pat Mathews for their assistance in getting the applications filled and seeing the babies in readiness for the parade. Rev. Martin W. Green for his inspiration, the V.F.W. and the American Legion for their presen-

tation of colors, Mrs. David Cotter for singing our National Anthem, the Judges, Mr. Sanford Alexander of Union, Dr. Irwin Kimcke of Millburn and Doctor Yvonne Imbeau of Union, who had the most difficult job of all, trying to pick winners from all of the beautiful babies entered in the parade. Mr. Eugene Haggerty for the wonderful way that he took over the mike and guided the mothers in the reviewing of the babies in front of the Judges.

I also want to thank Mr. David Lee, Mrs. Ted Schuss, Mr. Al Meslar, Mr. Dave Titus, Mr. Herman Wolfman, Mr. Steve Schmidt, our President, and all who helped in getting everything in readiness for the parade. Mr. Leslie Lawn and Mr. Lou Pignolet for their presentation of the flowers to the mothers of the 1955 Queen and the

Building Permits Indicate Real Boom in Springfield

Building permits issued by Springfield and now in operation show that the Township is having one of its biggest construction booms.

Residences make up the greatest part of the present building program in Springfield but actual work will soon start on the new Saks Fifth Avenue store and there is considerable talk regarding another shopping center to locate on the Ciccia property, about where Mountain avenue and Route 22 meet.

Some of the building now going on in Springfield include: Shady Tree Estates, in Milltown road by the Russo-Vitale Construction Company. First section has been sold out.

Twin Oaks Park, a new development of 34 homes, located in

1956 reigning Queen, and everyone that helped to make the 1955 Baby Parade the success that it was.

I want to express my appreciation to the Springfield Sun for being so co-operative in the papers in letting the people of Springfield know just what was going on in preparation for their Baby Parade.

I especially want to thank Mrs. Lee Andrews, Jr. for her wonderful and co-operative assistance without whom I could never have accomplished the job of Baby Parade Chairman.

I also want to thank the entire Fourth of July Committee for their help. It was a pleasure working with them, and it proves what can be accomplished when you have enough people interested in a worthy cause, namely to provide entertainment and interesting events on the Fourth of July, each year.

I want to thank all of the mothers of the babies, who brought their children to the parade in spite of the bad weather. Without their co-operation there would not have been a 1955 Baby Parade.

Twin Oaks road to Evergreen avenue.

Briar Hills, on outer Mountain avenue, by the G. & H. Construction Company, which has been practically sold out and people already moving in.

Woodside Homes, along Meisel avenue and Milltown road. The largest development in Springfield which is expected to reach 240 homes when completed.

South Springfield Estates, builders of homes on Newbrook Gardens development, now beginning to sell rapidly.

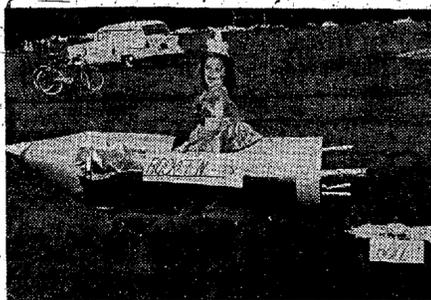

Ehrman Construction Company is building 10 higher priced homes on the section known as "the mountain top." A six home court plan in Tulip road has been started.

The commercial buildings include the du Pont building off Route 22 which will have 22,000 square feet for warehousing; the motor lodge at the Howard Johnson restaurant which is getting near the finishing stages;

the store group on outer Mountain avenue being built by the Patent Construction Company for retail stores; two stores by the Zarella Construction Company next to the G. & B. Variety store on Mountain avenue; and the Lewandowsky venture in converting the building at the corner of Mountain and Clinton avenues into two stores.

Modern Era Furniture Corporation is building a retail outlet on Route 22 through Brown and Brown, General Electric has just completed a 9,000 square foot addition to its plant on Route 22 and the Ern Construction Company is building a retail store next to Gem Shoes on Route 22.

This program does not include the municipal expansion, already in the contract stage; the 410 unit apartment house on the quarry property and several others still being planned.

FLOAT WINNERS — First prize winner in the float division of the Fourth of July baby parade was Lucille M. Harigrove, 3 year old daughter of Mr. and Mrs. Robert D. Harigrove Jr. of 125 Salter Street. B. Altman's Names Advisory Board

Mrs. Gladys Wraith of 4-A Forest drive, has been selected to serve on the Senior Advisory Board; and Misses Nancy Hamner, Doreen Haupt and Mary Anne Anderson, all students at the Regional High School here, to the Junior Advisory Board, selected by the management of the new B. Altman & Co. store in preparation for the formal opening in a few weeks.

officials have formed a Senior Advisory Board and a Junior Advisory Board composed of residents in the vicinity of the new store. The functions of the two boards which will operate separately are to work with the store management in considering various phases of merchandising and store presentation.

In this manner, it is reported, Altman's is following the procedure used in its other suburban stores in giving the customer as an individual and the community as a whole an active part in the selection and presentation of merchandise.

Important Announcement

What we believe to be a better method of customer savings than the present schemes which are flooding our community.

We will return to each customer who has accumulated \$25.00 worth of receipts, a big 4 1/2% saving in CASH.

If the 4 1/2% return is saved and allowed to grow, it would enable the customer to purchase any item, in any store, the best quality merchandise available without restrictions of any kind.

This in turn means more business for other merchants, which helps to increase the prosperity of the community in general.

With the savings at 4 1/2%, you can see that it would not take long to accumulate a sufficient amount of money to buy the item of your choice, which would be entirely free to the customer.

We hope you will take advantage of all the services in which we engage, and so start yourself on the road to possessing all those things you have always wanted, but somehow were never able to get.

FENCES

We need fences. They serve a good purpose. They give protection. But unless they have gates in them, they stop being fences and they become barriers. Without that gate, for instance, Mary Jane couldn't go across to the garden next door, and play with the little girl who lives there.

And, just as we need physical fences sometimes, we need mental and spiritual fences too. We need the privacy of our own thoughts, the sanctity of our own beliefs.

Danger comes only when we build barriers rather than fences around our inner selves. For none of us can live in spiritual isolation. We must have gates in our personal fences. We must permit Faith to enter. We must commune with others . . . and, above all, with God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WHAT THE BIBLE TEACHES ABOUT SALVATION

Man needs to be saved—as is stated in Romans 3:23: "For all have sinned, and come short of the glory of God." All men everywhere regardless of national background or color are sinners. Herein lies the reason for much of the world's problems. It is this inherently sinful nature which causes men to be selfish and to do harm to one another. When we compare our lives with others we may measure up satisfactorily. However, when we measure our lives against the holiness of God we fall far short.

Any honest individual will recognize the imperfection of his life. Can it be passed off as something to be expected or are there consequences? Romans 6:23 says: "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." Sin has the consequence of physical death and an eternity apart from God in punishment. While it is true that God is a loving Father, it is also true that He is a just God and a Holy God. Consequently, He cannot condone sin.

God, in His love and mercy, has provided a way of salvation. Acts 4:12 says about Jesus: "Neither is there salvation in any other: for there is none other name under Heaven given among men, whereby we must be saved." Christ, by virtue of His life—death and resurrection as the Son of God is the only One able to save mankind. Faith in the work of Christ in His substitutionary death is the answer to your salvation.

CATHOLIC INFORMATION CONFESSION OF A STUPID MAN

I read the Bible frequently because my Church urges me to do so and because I like to do so. Yet with all my reading I cannot learn, from the inspired words alone, exactly how God means me to worship and to live in order to save my soul. But maybe that's because I'm just a stupid man.

Some people claim that the Scriptures contain all of God's truths which are made clear to the individual by the Holy Ghost. But this is all beyond-my-understanding, for why then is there so much conflict about texts so vital that salvation itself depends upon them? And, being a stupid man, I want to be very, very sure about such things. Scholars there are who claim to have studied the Bible so long that they have finally reached the conclusion that the sacred words are not sacred—that there is no God—or that at least it does not matter much one way or the other.

I'm rather glad to be dubbed a stupid man, for then you see no one expects me to solve the complexities and seeming contradictions of biblical texts—no one asks me to decide which of the disagreeing religious leaders is right or wrong or nearly right or mostly wrong—no one asks my opinion of the atheistic scientist who, in order to rout out the religious dogma of a creative God, must first rout out the scientific dogma of a first cause.

Yes, I am of simple mind, and so it satisfies me to believe that Christ, who is God, builded a Church, as He, Himself, stated—that He left the will of His Father with this Church which, under the direction of the Holy Ghost, was to safeguard His Truths for all ages, teach them to the world in all their completeness, and interpret them so definitely that they might be acted upon with certainty by any man.

Simple? Divinely simple! Stupid! Some will claim so! But then God knows how stupid all men are. That's why, I think, He made His way so simple, clear, and logical to men who know that they are stupid.

Rotary Club Fetes Youth League Team

The Rotary Club of Springfield honored the Rotary sponsored Youth baseball team at a dinner in recognition of their winning the local league title.

The little leaguers were guests of the Rotarians at a dinner held at the Baltusari Golf Club last Tuesday. All the boys received individual pins and the Club in turn received the gold trophy.

Speeches and citations were made by Joseph L. Focht, youth league president and the coach and manager of the team. Rotary President Edward Reibold thanked the boys for their proud efforts and assured them of continued sponsorship over the years.

Local Cadets Off To Encampment

Five members of the Springfield Civil Air Patrol will leave today for McGuire Air Force Base, Fort Dix, to spend ten days at the annual state-wide Cadet Encampment. The Cadets are: Sgt. Reese Sweeney - Chatham; and from Summit, Corporal Ralph Covey; Pfc William Bruhns, Pvt David Britt; Pvt William Monson. This will be the second year for Sgt Sweeney and Cpl Covey.

From 7 a.m. until 7 p.m. the cadets will be kept busy with a familiarization program which includes weather study, map reading, first aid, aircraft maintenance, navigation, training films, drill and athletics, and other subjects.

Some 5,000 male and female cadets throughout the county will voluntarily attend encampments this summer in over 20 Air Force Bases. Perhaps the largest undertaking in Civil Air Patrol today is the Cadet Program, of which these boys from the local Springfield Squadron are a part.

Shady Tree Estates Building New Homes

The Shady Tree Estates, the fast growing residential areas, is newest addition to Springfield's located on Milltown Rd. near the Union border, and they are being erected by the Vitale-Russo Construction Co. of Union.

Featured in the new group are the "Holiday" side-to-side split level and the "Hillcrest" front-to-back split level. The "Holiday" has 2 1/2 baths, 4 bedrooms, dining room, full basement, mahogany paneled recreation room, and an extra large 2-car garage.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE PROVIDING FOR ALTERATIONS TO BE MADE TO THE EXISTING MUNICIPAL BUILDING OF THE TOWNSHIP OF SPRINGFIELD, AND AN ADDITION TO BE CONSTRUCTED THEREON AND FOR THE FURNISHING OF EQUIPMENT THEREIN AND PROVIDING FOR THE CONSTRUCTION OF A MUNICIPAL GARAGE ON TOWNSHIP OWNED LAND; AND PROVIDING FOR THE EXPANSION AND MODERNIZATION OF THE SPRINGFIELD FREE-PUBLIC LIBRARY AND PROVIDING FOR THE FINANCING OF THE COST THEREOF."

WHEREAS, an ordinance as above quoted was adopted by the Township Committee of the Township of Springfield in the County of Union, on June 12, 1955, and the details of the contemplated improvements had not been finally received nor had final plans and specifications been prepared at the time of the adoption of the foregoing ordinance, and

WHEREAS, plans and specifications have now been completed by the Township Committee, and said plans and specifications having been accepted by the Township Committee, and

WHEREAS, an evaluation of the work to be done and performed pursuant to the completed plans and specifications, adopted by the Township Committee for the said improvements, required an expenditure of money in excess of that provided for in the foregoing ordinance, and

WHEREAS, the Township Committee has resolved that the said improvements to be done pursuant to the said plans and specifications are necessary in the public interest,

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Springfield in the County of Union as follows:

The above entitled ordinance is hereby amended so that the same shall read as follows:

1. TITLE. An ordinance providing for alterations to be made to the existing Municipal Building of the Township of Springfield, and an addition to be constructed thereon, and for the furnishing of equipment therein; and providing for the expansion and modernization of the Springfield Free Public Library, and for the furnishing of equipment therein; and providing for the work and equipment to be done and furnished as a general improvement and providing for the financing of the cost thereof and appropriating the necessary funds to pay therefor.

2. That it is necessary to alter and enlarge the existing Municipal Building of the Township of Springfield and to furnish equipment therein when so altered and enlarged; that it is necessary to construct a Municipal Garage on Township owned lands on Center Street; that it is necessary to modernize and expand the Free Public Library at its present site on Main Street, and to furnish equipment therein when it is so modernized and expanded.

3. That the alteration and enlargement of the Municipal Building, the construction of the Municipal Garage and the expansion and modernization of the Free Public Library shall be done in accordance with plans and specifications which were prepared by William G. Chalmers, an architect, who has been designated by resolution of the Township Committee to prepare said plan and specifications. Said plans and specifications have been adopted by the Township Committee for said work.

4. That the aforesaid work and furnishing of said equipment shall be undertaken as a general improvement.

5. That for the purpose of raising funds necessary to carry out the provisions of this ordinance and the expenses and charges incidental thereto, there be and hereby is appropriated the sum of \$385,000.00, of which the sum of \$36,250.00 hereby is appropriated in accordance with Section 40-12 of the Local Bond Law, from moneys raised in budgets heretofore adopted under the caption "Capital Improvement Fund Appropriation," and of which the sum of \$348,750.00 will be raised by bonds or bond anticipation notes, or other things required to carry out the provisions of this ordinance, shall hereafter be determined by resolution of the Township Committee.

6. The following matters are hereby determined and declared as required by R.S. 40:1-1 et seq.:

(a) The bonds or bond anticipation notes of the Township of Springfield authorized to be issued in an amount not to exceed \$348,750.00 for the purposes herein expressed.

(b) The maximum rate of interest which said bonds or bond anticipation notes shall bear shall not exceed 6% per annum.

(c) The periods of usefulness of said improvements and equipment for which said bonds or bond anticipation notes shall be issued are as follows:

(1) Aforesaid improvements as to Municipal Building, including equipment, 20 years.

(2) Aforesaid construction of Municipal Garage, 40 years.

(3) Aforesaid expansion, modernization and equipment of Free Public Library, 15 years.

(d) The supplemental debt statement required by R.S. 40:1-1 et seq.

7. All other matters with respect to said bonds or bond anticipation notes, or other things required to carry out the provisions of this ordinance, shall hereafter be determined by resolution of the Township Committee.

8. This ordinance shall take effect 10 days after final passage and publication thereof in accordance with law.

9. Eleonore H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a special meeting of the Township Committee of the Township of Springfield in the County of Union, and State of New Jersey, held on Monday evening, July 2, 1956, and that the said Ordinance shall be submitted for final passage at a special meeting of the said Township Committee to be held on Wednesday, July 18, 1956, in the Springfield Municipal Building at 8:30 p.m., at which time and place any person or persons interested therein will be given an opportunity to be heard concerning such Ordinance.

ELEONORE H. WORTHINGTON,
Township Clerk
July 5, 1956

WHEREAS, the details of the contemplated improvements had not been finally received nor had final plans and specifications been prepared at the time of the adoption of the foregoing ordinance, and

WHEREAS, plans and specifications have now been completed by the Township Committee, and said plans and specifications having been accepted by the Township Committee, and

WHEREAS, an evaluation of the work to be done and performed pursuant to the completed plans and specifications, adopted by the Township Committee for the said improvements, required an expenditure of money in excess of that provided for in the foregoing ordinance, and

1. TITLE. An ordinance providing for alterations to be made to the existing Municipal Building of the Township of Springfield, and an addition to be constructed thereon, and for the furnishing of equipment therein; and providing for the expansion and modernization of the Springfield Free Public Library, and for the furnishing of equipment therein; and providing for the work and equipment to be done and furnished as a general improvement and providing for the financing of the cost thereof and appropriating the necessary funds to pay therefor.

2. That it is necessary to alter and enlarge the existing Municipal Building of the Township of Springfield and to furnish equipment therein when so altered and enlarged; that it is necessary to construct a Municipal Garage on Township owned lands on Center Street; that it is necessary to modernize and expand the Free Public Library at its present site on Main Street, and to furnish equipment therein when it is so modernized and expanded.

3. That the alteration and enlargement of the Municipal Building, the construction of the Municipal Garage and the expansion and modernization of the Free Public Library shall be done in accordance with plans and specifications which were prepared by William G. Chalmers, an architect, who has been designated by resolution of the Township Committee to prepare said plan and specifications. Said plans and specifications have been adopted by the Township Committee for said work.

4. That the aforesaid work and furnishing of said equipment shall be undertaken as a general improvement.

Three Doctors

and pregnant women continue to be eligible as hitherto. There are approximately 325,000 persons in New Jersey between the ages of 15 and 19.

Extension of the age limit, effective July 11, was announced by Dr. Daniel Bergsma, State Commissioner of Health, who is empowered by law to establish the eligible groups, through 19 years of age, in New Jersey.

Doctor Bergsma also announced that the State Department of Health will not buy any portion of the next allotment of Salk vaccine to New Jersey.

The State Department of Health has provided all the vaccine requested by municipalities for first and second inoculations in public polio clinics," Dr. Bergsma said.

"We do not want to hold any significant amount of vaccine

which will not be used. With the conclusion of second inoculations, public clinic activity probably will decline for the summer. Adequate vaccine will be available to physicians from whom those eligible who want it can get it. As more vaccine is needed for use in biological stations, or if there is a step up in clinic activity, the Department will buy some portion of future allotments to take care of such needs."

Squad Building Is Almost Completed

Charles Baier, chairman of the building committee of Springfield First Aid Squad, reports this week that construction progress on the Squad's new home has been steady and that as of last week, rough plumbing and heat ducts have been installed and some exterior painting has also been finished.

Plastering of walls and cementing of the huge garage which will house the Squad's ambulance is expected to begin this week. Baier states that on behalf of the Squad he wishes to thank publicly all of the following people who have been of great assistance in donating of their time and material.

Charlie Morrison, Clinton avenue; Harry Anderson Jr., and Russell Anderson, Mountain avenue; Arthur Marshall and Son, Washington Avenue, for plumbing installation. Springfield Sheet Metal for heating ducts and Burt Boyle, Tony Lentine and George Roessner, employees of the concern, for their help in installing the ducts. Charles Smith local painter of Keeler street, for his assistance in regard to painting. The Squad also wishes to express its thanks to Bob Voorhees Jr., Bill Voorhees and Art Baier, three "Junior Members" of the organization for their innumerable weekday and weekend hours of help on construction and to the Ladies Auxiliary of the First Aid Squad for their continuing aid in supplying lunch and refreshments for all workers every weekend.

In Florida Sun

Bettye Freeman of 570 South Springfield avenue enjoyed the Florida sun at the Dunes Motel in Miami Beach recently with her sister and brother-in-law Mr. and Mrs. Al Durayer. Miss Freeman is expected home on July 17.

AN ORDINANCE TO PROVIDE FOR THE CONSTRUCTION OF A SIDEWALK ALONG A SECTION OF SOUTH SPRINGFIELD AVENUE AND THE PERFORMANCE OF IMPROVEMENT WORK AND PROVIDING FOR FINANCING OF THE COST THEREOF AND APPROPRIATING THE NECESSARY FUNDS THEREFOR AND PROVIDING FOR THE PAYMENT THEREOF.
BE IT ORDAINED by the Township Committee of the Township of Springfield of the County of Union, New Jersey, as follows:
That a sidewalk shall be constructed along a portion of the northwesterly side South Springfield Avenue, beginning at the westerly side of Hillside Avenue and extending therefrom to a point 135 feet easterly from Essex Road.
That said sidewalk shall be constructed to a width of 4 feet and a thickness of 4 inches, excepting where said sidewalk crosses driveways, where the thickness shall be increased to 6 inches.
That the sidewalk shall be constructed under the supervision of the Township Engineer and in accordance with plans and specifications dated June 22, 1956, prepared by Alfred H. Evenson, Township Engineer, said plans and specifications are on file in the Office of the Township Engineer, and are hereby adopted for the purpose of carrying out the provisions of this ordinance.
That the owners of properties fronting on said sidewalk shall have the right, within sixty (60) days after receipt by them of notice of the pendency of this ordinance, to install said sidewalk in front of their respective premises in the manner herein provided, at the expense of said owners, and in the event said owners shall fail to make said installation within said period of sixty (60) days, then said improvement shall be installed by the Township of Springfield and the cost thereof assessed against the owners as hereinafter provided. The cost of constructing so much of the said sidewalk as shall not be installed by the owners at the owners expense as aforesaid, shall be assessed against the properties fronting on the same in proportion to their respective frontages thereon, in accordance with law.
That so much of the other work required to be done appurtenant to the construction of the sidewalk as is not assessable to the abutting property owners, shall be assessed against the Township of Springfield, in accordance with law.
That to provide the funds necessary to carry out the provisions of this ordinance and the expenses and charges incidental thereto, there is hereby appropriated the sum of \$2,000.00, of which the sum of \$200.00 is appropriated in accordance with Section 4-1-12 of the Local Bond Law from monies raised in budget levies and charges under the caption "Capital Improvement Fund - Appropriation," and of which the sum of \$2,000.00 will be raised by bonds or bond anticipation notes of the Township of Springfield, pursuant to R. S. 40:1-1, et seq., the estimated amount of monies to be raised from all sources for the said work being the sum of \$2,200.00. Of the foregoing sum of \$2,200.00, sums of money are estimated to be necessary to be expended as follows: For the construction of the sidewalk and the performance of the appurtenant work, \$2,000.00, and the sum of \$200.00 is estimated to be necessary for the following purposes:
(a) Interest on said obligation to the extent permitted by law.
(b) Legal expenses, cost of issuing obligations authorized for such purpose, including printing and advertising of ordinance resolutions, notices of sale and other expenses.
7. The following matters are hereby determined and declared to be within the power of the Township of Springfield, to be authorized by R. S. 40:1-1, et seq.:
(a) The bonds or bond anticipation notes of the Township of Springfield are authorized to be issued in an amount not to exceed \$2,000.00 for the purposes herein expressed.
(b) The maximum rate of interest, which said bonds or bond anticipation notes shall bear shall not exceed 6 1/2 per centum.
(c) The period of usefulness of said improvement for which said bonds or bond anticipation notes shall be issued shall not exceed ten (10) years.
(d) The supplemental debt statement required by R. S. 40:1-1, et seq. has been duly made and filed in the Office of the Township Clerk and said statement shows that the gross debt of the Township is increased by this ordinance in the amount of \$2,000.00 and that the obligations authorized by this ordinance will be within the debt limitation prescribed by the Local Bond Law.
(e) Assessments to be levied against the property owners for the sidewalk to be constructed in accordance with the terms of this ordinance shall be paid in three (3) annual installments from the date of the completion of said sidewalk to the manner provided by law.
8. All other matters required with respect to carrying out the provisions of this ordinance shall hereafter be determined by resolution of the Township Committee.
9. This ordinance shall take effect 30 days after final passage and publication thereof according to law.
I, Eleonore H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield in the County of Union and State of New Jersey, held on Wednesday evening, June 27, 1956, and that the said Ordinance, shall be submitted for consideration and final passage at a regular meeting of the said Township Committee to be held on July 25, 1956, in the Springfield Municipal Building at 8:00 P. M., at which time and place any person or persons interested therein, will be given an opportunity to be heard concerning such Ordinance.
ELEONORE H. WORTHINGTON,
Township Clerk.

Named Editor
Jan G. Durand of 162 Short Hills avenue has been elected Editor-in-Chief of the Technician, a monthly student newspaper of

Newark College of Engineering, according to a joint announcement by Dr. Herman A. Estrin and Mr. Richard D. Blanchard, faculty advisers.
Another Springfield resident, Harris C. Rawicz of 35 Rose avenue, was elected research editor for 1956-57. Both students, majoring in electrical engineering, will begin their sophomore year at NCE in the Fall.
Durand, the holder of the \$500 Van Siefert Scholarship, is president of Pi Delta Epsilon, honorary collegiate journalism fraternity at NCE. Rawicz, winner of the Heathcote Scholarship at NCE this spring, is active in cross country and track. Both students are graduates of Jonathan Dayton Regional high school, Class '54.

Bible Group Sets Four-Day Conclave

The Springfield Bible Study group of Jehovah's Witnesses which meets at 989 S. Springfield avenue will share in preliminary operations to convert Jersey City's Roosevelt Stadium into a Center for Bible Education and Ministerial Training for their four day district convention July 19-22. Local witnesses will cooperate with other congregations in forming a nucleus organization to make the necessary installations of convention equipment at the ball park, to accommodate the needs of visiting delegates.
Mr. James Turner, local spokesman, made the announcement Wednesday and added that while not all members of the local group would be able to share in these pre-assembly activities, everyone is planning to be on hand for the opening session Thursday.
Local witnesses are eagerly anticipating a full program to be climaxed by the widely advertised public lecture by Mr. F. W.

THE HELPFUL CLUB. Organized only one week, these four bright youngsters earned their right to the name of their club by collecting money in their immediate neighborhood for the First Aid Squad and the Muscular Dystrophy Fund. The club collected \$16 from their neighborhood friends in the vicinity of Bryant avenue, \$8 to be contributed to each cause. From left to right Jane Feehan, 7½, and Donna Feehan, 6½, both pupils at James Caldwell School and daughters of Mr. and Mrs. Ray Feehan, of 34 Bryant Avenue; Elaine Smith, 9½, a niece visiting with Mr. and Mrs. Andrew Jackson of 17 Bryant Avenue; and Leo Bowman, 10½, a sixth grader at James Caldwell, and son of Mr. and Mrs. Alfred E. Bowman of 30 Bryant Avenue.
