Be Sure To Vote

Being lazy—and willing to admit it—were intrigued by something we wrote in the issue of the Springfield Sun last year, just prior to election day. And we found that it could be used this year, so here it is with a very few corrections or additions.

The local political campaign—as far as the Springfield Sun is concerned—ends with this issue of the newspaper. Now—the entire decision is up to the voters and all eligible and registered citizens are urged to get out early next Tuesday and select the two men they want to have represent them on the Township Committee as well as their choices for President, Congress, State Senator and Freeholders.

It is the hope that all citizens, who have been bombarded with campaign material for many weeks, will be spared any last minute "poison pen" matter or one of "those no-time-to-reply" circulars. The political battle has left supporters on both sides with frayed tempers and any last-minute wild change may not bring the desired effect.

Those who go to their voting districts on Tuesday should know that THEIR VOTE IS ABSOLUTELY SECRET AND SACRED. No one needs to know for whom you voted—no one can find out how you voted. You don't have to follow blind loyalty to any political party and, you can vote for a candidate in the Republican column and then move up to the Democratic column or vice-versa. YOUR VOTE WILL COUNT.

Also—both sides deplore anything but issues being brought into the voting booth. The vote shouldn't be inspired by classes, minority groups, fraternities, alma maters or civic organizations. Voters should make their choices on the basis of which two men will serve the best interests of Springfield.

Rumors of last minute, desperate attempts, requesting support for favored candidates in next Tuesday's election by injecting the usual frowned-upon whispering campaign, have alerted both the Republican and Democrats.

And, Why Not?
The Springfield Sun has been trying to stagger through a middle-of-the-road policy in the matter of local elections and, we believe, we have succeeded pretty well. Space has been made available to both political parties in Springfield and the Sun has walked around with a ruler to make certain one side doesn't have too many more inches than the opponents. Naturally, we've been accused by both sides of "slanting the headlines," whatever that means.

However, the Sun believes that Democrats and Independents—should give "native son" support to one of our local boys, Vincent J. Bonadies, who is candidate for (Continued on Page 8)

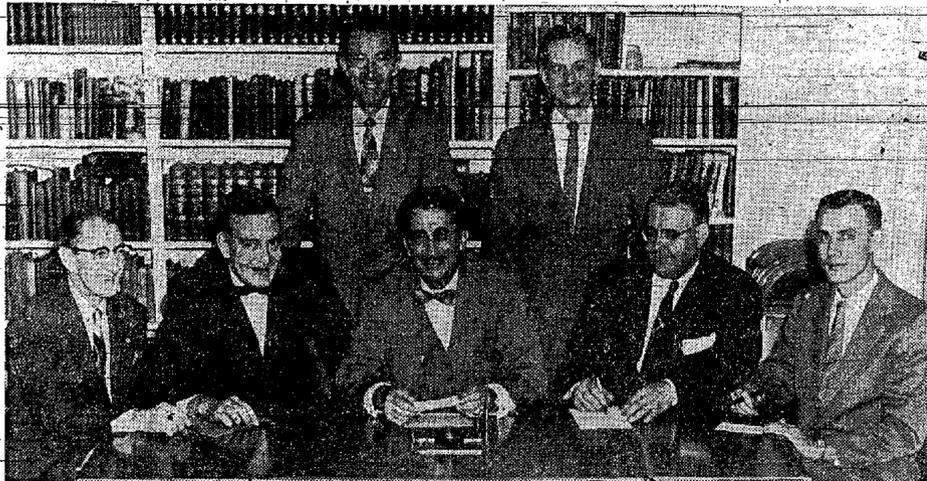

Bonadies In Final Plea for His Candidates

Township Committeeman Vincent Bonadies charged today that Albert Binder and Eugene Donnelly have misled the public in denying the existence of runaway taxes here because Binder is already on record in admitting Springfield's soaring tax rate is "appalling".

Urging the election of Francis J. Keane and Irwin Weinberg on the basis of their practical and concrete program to control Springfield's rapidly climbing taxes, Bonadies declared he wanted all of Springfield to know of Binder's confession that runaway taxes in Springfield exist and are "appalling".

"I refer," Bonadies said, "to the exact quotes of Binder when Springfield's consistently climbing tax rate jumped 89-points in 1951. Binder, obviously not up for reelection then, Bonadies said, issued the following statement to the Springfield Sun, in which on February 1, 1951, following adoption of the Township budget, Binder stated: "The unprecedented tax rate is appalling, if not disturbing. The 89-point rise is a bomb shell in a disguised form. The effects will be felt by every taxpayer and their families in Springfield."

"I challenge Binder to deny this statement," Bonadies said, "and also to explain why, at election (Continued on Page 8)

WORKING OUT THE DETAILS—Members of the annual Methodist men's Amateur Show planning committee get their plans in order for the show to be presented May 16-17-18 at Regional High School. Pictured in the group, left to right—Fred Nessiman, Harry V. Webb; Club President Howard Flammer, Dr. Marvin Green, Pastor and Dan Bockover. Standing are J. Norwood Van Ness and John Johnson. (Photo by Bob Jones)

The Second Annual Amateur Show to be presented by the Methodist Men's Club of Springfield will be held on Thursday, Friday and Saturday, May 16, 17, and 18, at Regional High School. As in the case last year, contestants will compete on Thursday and Friday nights with the finals on Saturday, all shows to begin at 8:00 p.m.

Howard Flammer, President,

states that various committees have thoroughly outlined their work and activity has begun in terms of preparation. Harry V. Webb, general Chairman, will supervise the work of the various committees. Prizes will be the same as last year: \$100 War Bond, 1st—\$60 War Bond, 2nd; and \$25 War Bond, 3rd; with each participant receiving a prize of \$5.00 value whether a winner or not. Prizes will be determined on

the basis of audience participation measured electronically with judges to check the meters. Fred Nessiman is in charge of properties; J. Norwood Van Ness, printing and tickets; Mr. Flammer, advertising; John Johnson, talent; and Dan Bockover and Dr. Green in charge of publicity.

It will soon be announced when and where prospective participants on the show may secure entry blanks. The show is open to amat-

eurs only, of any age, doing any kind of act, and may live anywhere. A set of rules and regulations will be made available to each contestant with the entry blanks.

Some of last year's winners have been auditioned by the Ted Mack Original Amateur Hour show, and one of last year's winners has auditioned in Hollywood for a movie.

Is Springfield Free Of Debt?

Yes! Say The Republicans

Republican candidates for re-election to the Township Committee, Mayor Albert G. Binder and Finance Chairman Eugene F. Donnelly, today made public a letter from F. J. Stefany & Company, Springfield, Springfield's official auditors, on the subject of whether or not "Springfield is debt-free."

The letter dated October 26, 1956, appearing below and also in a full page advertisement on Page Four of this issue, states that "The Township of Springfield has no municipal bonds or bond anticipation notes unpaid or outstanding."

The Republicans point to the fact that all fiscal matters handled by this firm of certified public accountants are firmly supervised by the State of New Jersey and no expenditures can be made without first submitting official statements on the current finances of the Township.

The letter, signed by Frederick J. Stefany, head of the accounting firm, refers to municipal expenditures and outstanding debt for local purposes, the candidates point out. "School expenditures," they continued, "do not come under the supervision of the Township Committee and we have no jurisdiction in matters of school expansion. But we submit Mr. Stefany's letter as further proof that there is no outstanding local purpose debt at the present time."

Below is a fac-simile reproduction of the letter:

Mr. Eugene Donnelly
Finance Chairman
Township of Springfield
County of Union, New Jersey

Dear Mr. Donnelly:

In response to the inquiry made by you today with regard to outstanding debt of the Township of Springfield, we wish to advise that your understanding is correct.

During the years of 1951 to 1955, the Township paid off the remaining \$246,000.00 of outstanding bonds, and in March 1956 the Township paid off its remaining bond anticipation notes amounting to \$25,100.00.

The Township of Springfield has no municipal bonds or bond anticipation notes unpaid or outstanding.

Very truly yours,

Donnelly Denies Charges On "Deals In Real Estate"

Township Committeeman Eugene F. Donnelly who seeks reelection to the governing body on the Republican ticket, has asked "for equal time" to reply to charges made by his Democratic opponents regarding "real estate dealings."

Stating that "I have never voted upon any real estate matter in which I, or any member of my firm had a personal interest," Donnelly has asked the Sun to publish a letter in which he says "these facts should set the record straight."

Following is the letter in full:

October 30, 1956

Editor, Sun:

All of the Democrat fantasies concerning tax rates, "Runaway Taxes" and bossism having been exposed for what they really are by the Republican Campaign Committee, it now seems appropriate for me personally to dispose of the attacks made upon me by public references to my so-called real estate dealings and voting

upon matters in which I have a personal interest.

Since the charge against me appeared upon your front page it is certainly only fair that this answer should receive equal prominence. I would appreciate it if you would give it attention in the issue of November 1st.

I have never voted upon any real estate matter in which I, or any member of my firm had a personal interest. Here are the facts!

Prior to September 9, 1955, a parcel of land at the corner of South Springfield Avenue and Hillside Avenue, (opposite the Standard gas station, was purchased

No! Say The Democrats

A documented and official statement from the Division of Local Government in Trenton today gave positive proof that Springfield is in debt to the amount of \$2,511,758.88, according to a statement by Democratic candidates. The statement completely exploded the politically distorted campaign claims by Albert Binder and Eugene Donnelly that the township owes no money. Of the total amount owed, \$343,750 alone is for municipal purposes.

The documentary debt statement, published in full below, was released by Mr. Skillman, Director of the Division of Local Government for the State of New Jersey. It was signed by Springfield's Township Treasurer and sworn to by Springfield's Township Clerk.

The debt statement, proving that Springfield was deep in debt at the start of 1955, was followed by subsequent supplemental debt statements also signed by the Springfield Township Treasurer and Township Clerk, which showed that the Binder-Donnelly administration did not reduce this debt in the months that followed.

Below is reproduction of document:

Keane - Weinberg Predict Smashing Victory Tuesday

A smashing defeat of the Binder-Donnelly political bossism and self-interest rule on Springfield's Township Committee was forecast today by Francis J. Keane and Irwin Weinberg, Democratic candidates for the local governing body.

Keane and Weinberg said "the end of the Binder-Donnelly administration has come because the people of Springfield have had too much double talk from these men on such vital issues as the responsibility for controlling runaway taxes; dictatorial rule with brass contempt for the con-

Local Campaign Ends In More Charges On "Taxes"

The immediate formation of an emergency sub-committee of the governing body to bring about controls on runaway taxes here will be established "if we are elected to office," Francis J. Keane and Irwin Weinberg, Democratic Township Committee candidates declared today.

Also slated for immediate creation, Keane and Weinberg said, are the establishment of Citizens' Advisory Committees on all levels of municipal development and planning such as recreation, to help restore the voice of Springfield's government to the people.

Warning that Springfield's soaring tax rate will climb to nearly \$11.00 per \$100 assessment by 1957, Keane and Weinberg said this situation exists because of the failure of the Binder-Donnelly administration to place sufficient revenue in the township treasury.

The emergency sub-committee on controlling Springfield's runaway tax rate, Keane and Weinberg stated, will be comprised of members of the governing body and delegated solely to the important job of placing controls on the frightening and costly township tax climb.

"This sub-committee, Keane and Weinberg said will also help spur the township to establish a program that will enable Springfield to lose the dubious title of having the highest tax rate in Union County.

"Among the steps that must be taken, Keane and Weinberg said, is the elimination of inequitable tax assessments. For example, Keane and Weinberg pointed out that more than 67 acres of the North Jersey Quarry Co. located off Shunpike road were sold last year for \$2,363 per acre. This land, Keane and Weinberg said, was assessed for \$235 per acre.

"Citing the Baltusrol Golf Club, Keane and Weinberg stated: "This land is assessed at \$265 per acre and yet adjoining land owned by the Baltusrol Golf Club was sold earlier this year for an estimated \$5,000 to \$5,000 per acre.

"Every taxpayer has a right to know, Keane and Weinberg said, that because of these inequitable assessments, revenue has been lost to Springfield that could have helped to keep our soaring tax rate down, revenue that every homeowner must now contribute out of his pocket because of the (Continued on Page 10)

Springfield Likes Adlai, Dems Claim

A definite switch to Stevenson movement in Springfield is reported by the local volunteers for Stevenson-Kefauver after they conducted an informal survey recently.

"Judging from the people we've talked to during our door-to-door campaign," stated Nancy Cohen, chairman of the Springfield group, "Stevenson has come from behind here and is now leading Eisenhower by a narrow but steadily growing margin."

She says that a large number of the undecided voters have indicated a preference for Stevenson because of fear of Nixon.

"These independents feel that a vote for Ike is a vote for Dick," said Miss Cohen. She quoted one housewife as saying "You never know what Nixon will stand for next. I never want to see him in the driver's seat when it comes to the issue of the hydrogen bomb."

One small businessman in Springfield is reported to have misgivings over the validity of the Republican prosperity. Miss Cohen says he pointed out that small business failures have increased 25% and that small business profits have fallen off 50% in the last four years.

Miss Cohen added on her own that the Republicans have historically favored big business to the extent that no major anti-trust legislation has been passed under the last 65 years of Republican rule. She says that industrial and bank mergers during the present administration have been more numerous than ever with serious consequences for independent business.

Miss Cohen reported that many Springfield residents were dissatisfied with the present administration's foreign policy.

"Only a few days ago Eisenhower said all was fine in the Middle East," recalled the Stevenson advocate, "and, of course, we now know that was false."

Mayor Binder Asks Support Next Tuesday

Mayor Albert G. Binder, who is bracketed with Township Committeeman Eugene F. Donnelly as the Republican candidates for re-election to the governing body, issued a statement today asking for support at the polls next Tuesday.

Following is the pre-election statement:

"In this last issue of the Springfield Sun, prior to election next Tuesday, I wish to publicly thank the many citizens of Springfield who have been so kind and helpful in the support of my candidacy for Township Committeeman.

"During my last eight years in public office I have always endeavored to be frank and truthful in matters of public interest. My opponents, this year, chose to be otherwise. On the only issues they care to expound on, taxes and municipal debt, they have willfully or thru ignorance, issued statements that misrepresent the true facts, and evidently hope to gain support of the voters thru chicanery and deception. Whether they succeed remains to be seen.

"There is no public office worth the price of one's self respect. I am confident the voters of Springfield will judge for themselves and return Gene Donnelly and myself to the Township Committee to continue to serve in the interest of all Springfield.

Albert G. Binder.

Sale of Marmon Tract Confirmed

Rumors of the sale of the 17-acre Marmon tract in Morris Avenue were confirmed this week with a reported \$20,000 per acre as the selling price. A large cash deposit had been given by the Sommer Bros. Contracting Company, now operating out of Iselin, according to the first reports, but the actual closing, it is understood, took place on Tuesday.

The Sommer brothers are nation-wide developers of shopping centers and are reported to be residents of South Orange. No actual decision has been made on what well known New York store is to occupy the property but a very good source reports that it is one of the better known establishments with the retail unit located in Springfield—and the parking facilities on the Summit side of the Marmon property.

The following by John B. Lauria appeared in yesterday's Newark Evening News: "Sale of the 17-acre Marmon tract in Morris Ave. for \$20,000 to a construction firm that specializes in shopping centers was announced yesterday by Raymond Hartlaub, Summit attorney. Hartlaub represented the Lopic J. Marmon Co., Inc., owner of the tract."

Hartlaub identified the buyer as Sommer Bros. Construction Co. of Iselin. Reports of a New York department store erecting a branch store on the site have flooded the area since the Marmon people were first approached last spring. All of the New York stores mentioned at one time or another as potential buyers have denied any interest, however. An officer of the construction firm today declined to comment for the press.

About 10 acres of the tract are in Summit. There is a total frontage of about 1,700 feet—600 feet in Springfield and the rest in Summit.

Different Zones

The Springfield acreage is zoned for limited business. This permits retail establishments as special exception uses but requires Board of Adjustment and Township Committee approval. Portions of the Summit acreage are zoned both "J" "K," which allow offices, research and limited business, but ban retail stores. This, in the case of a shopping center, would necessitate placing buildings in Springfield and parking in Summit.

This sale follows the recent sale of the nine-acre Anderson tract—a short distance away to Saks Fifth Avenue. Saks plans to build a \$1,250,000 branch store on the site in Millburn Ave., near Morris Ave.

Ike Boosters Urge All To Vote Tues.

At its final meeting Committee members of the Citizens for Eisenhower group in Springfield were urged to have all our township vote next Tuesday.

Walter W. Baldwin, Chairman of the local group reminded all, that even in the past week hundreds of Soviet-dominated Europeans had died for the very privilege that many Americans take for granted.

The local Chairman pointed out in view of the world situation we in America need a president at the helm with first hand experience in dealing with events and people on the international scene and one who has the confidence of all the leaders of the free world. If we are to have peace, Dwight D. Eisenhower is America's best bet.

The local Committee members were warned that over confidence and apathy on the part of citizens of all parties who believe in our President could serve to defeat the man that they want and need to lead our country for the next four years.

The local Citizens for Eisenhower-Nixon agreed to remind our townspersons of their duty to vote on November 6, Election Day.

Letters to Editor

Dear Sir:

I'm sorry that the Springfield SUN was not able to attend the meeting of Township Committee candidates at Joe Siegel's home Tuesday night.

The audience was a fair and impartial one and showed considerable interest in the question and answer period after the candidates spoke. Many of them expressed the desire for a public debate between the candidates since time did not permit a more full discussion Tuesday. Al Binder and Gene Donnelly both expressed their willingness to meet anywhere, any time and discuss any subject. Fran Keane and Irwin Weinberg maintained their usual silence until the meeting closed.

I asked Keane and Weinberg after the meeting why they had not replied to the Republican telegram of a week ago challenging them to a public debate. Weinberg replied, "Should we have answered?"

In view of the many people in the audience Tuesday night who favored a public debate, it seems strange that the Democratic candidates would want to avoid such a meeting.

It is a strange paradox that the "ins" have challenged the "outs" who are side-stepping such a debate.

Tuesday—Mr. Weinberg accused the Township Committee of rejecting an offer by Daystrom to locate on Balsurst Top. As a member of the Planning Board, I am able to throw the lie back in his teeth. Mr. May, representing Daystrom, never appeared to request a location on the mountain top.

Mr. Weinberg quotes E. Grassman of Elizabeth as his authority. On May 5, 1955, Mr. Grassman's attorney appeared before the Planning Board and requested rezoning the mountain top for industry and research, refusing, however, to indicate any principals or parties interested in locating there. The Planning Board refused to give anyone a blank check for so large a tract of land.

On May 23, 1955, Mr. Grassman personally appeared at a meeting of the Township Committee and made the same proposition. Here, too, he was denied a blank check. He then offered to bring in his principals at a subsequent meeting. He failed to appear and after repeated phone calls to his office, finally admitted there was no interested party.

These events all occurred months after Daystrom sent a letter to Mayor Binder dated

Feb. 29, 1955 saying that they had selected a location in another town.

Gene Donnelly was very frank in his discussion of a recent news release accusing him of a "conflict of interest" deal.

Vince Bonadies seemed to be stumping for the Republicans when he said that the spending of money by the County Freeholders was out of the hands of the local government, but that we still had to pay the share allotted to us.

To top off the evening Joe Siegel and his wife served hot dogs, sauerkraut and beer. Both parties approved.

Women's Club News

Mrs. R. I. C. Prout, President, General Federation of Women's Clubs, appeared on the October 30th Arlene Francis Home Show to announce a new GFWC television program. Members of the local club are asked to note that, starting Monday, November 5, GFWC club news will be broadcast every Monday during the Home show.

Mrs. John S. Trout will be hostess to the Music Department on Thursday evening, November 1, with Mrs. C. V. Mentzer and Mrs. William Wagner, co-hostesses. They will meet at the Cannon Ball House, and the chairman, Mrs. Stanford Hettinger, announces that they will continue to rehearse for their Christmas program and to work toward the bazaar.

On Thursday evening, October 25, four members of the International Relations Department attended a performance of the Royal Danish Ballet at the Mosque Theater in Newark. These included Mrs. John Trout, Mrs. Thomas Geddes, Miss Ruth Levensen and Miss Mildred Levensen.

Members of the Art Department (handicraft) will continue to work on articles for the December Bazaar at their next meeting, which will be held at the Cannon

Ball House, Monday evening, November 5. Hostesses will include Mrs. A. Pancani, Mrs. Russell Post and Mrs. Joseph Zidosik. Mrs. Watts D. Chapin and Mrs. Vincent J. Bonadies recently attended a Presidents' Meeting at the Suburban Woman's Club of South Plainfield, where they enjoyed hearing Ruth Parsons Strahan, Monologist.

Much credit is due Mrs. Glenn Oyster, fine arts chairman, and Mrs. Merton D. Williams, chairman of the art department, for the success of the recent Outdoor Art and Handicraft Exhibit, which was held on the grounds of the Cannon Ball House.

Donnelly Denies

(Continued from page 1)

by the recently-deceased Joseph Tabatchnick. This transaction was negotiated through the corporation of which I am an incorporator and officer for a cash consideration of fair market value, without any contingent clauses of any kind. In other words Mr. Tabatchnick merely became the owner of a lot as far as I was concerned and the future use of the land was his problem.

In February of 1955, almost six months later, Mr. Tabatchnick applied to the Board of Adjustment for a variance to permit

him to negotiate with the United States Post Office Department to erect for them, on a ten-year lease, a branch post office which the Postal Authorities felt was needed to serve the southern end of Springfield and Route 22 more efficiently.

The Board of Adjustment, after a public hearing, granted the variance limiting it specifically to a building for the Post Office Department. In the normal routine procedure the action of the Board of Adjustment, along with two other real estate actions taken at the same time, came to the Township Committee for its action. It could be acceptance or return to the Board. The Township Committee, with the exception of its Democrat member, concurred in the action of the Board of Adjustment. The Democrat member was not opposed to a variance for a Post Office but wanted the matter referred back for inclusion of the terms of the lease in the variance itself. At no time did I, or any member of our firm associate ourselves in any way in the application.

Based upon these facts, it would appear that the opposition has certainly gone a long way to find something flimsy upon which to point a finger of suspicion. I feel these facts should set the record straight.

Eugene F. Donnelly,
Very truly yours,

DEMOCRATS RAP SCHOOLS

The Democrats Have Made Our School Children Political Football By Complaining About The School Indebtedness! Our Opponents Insist On Finding Fault With Money Spent In Springfield For The Education Of Our Kids---For Building One Of The State's Finest School Systems.

IN THEIR DESPERATE ATTEMPTS TO SUSTAIN THEIR MYTHICAL CHARGES OF RUN-AWAY TAXES, OUR OPPONENTS HAVE HAD TO DRAG INTO THE CAMPAIGN THE

SCHOOL DEBT — THIS IS A STAB IN THE BACK TO OUR SCHOOL KIDS!!! SCHOOL INDEBTEDNESS IS NOT AN ISSUE IN THIS ELECTION!

Here Is The Answer To The Charge Of Municipal Indebtedness of Springfield ... The Democrats, Evidently Knowing Very Little Concerning Such Matters, Accepted Some Information From A Bureau Or Office---Definitely Not A Governmental Office!

This is an official letter written by an accredited municipal auditor who is, at all times, under the rigid supervision of New Jersey's fiscal authorities.

P.T.A. NEWS

A Safety Reminder: Practice Fall Safety by preventing falls—accidental falls which can be prevented, by looking ahead for safety!!

The Springfield P.T.A. delegates who attended the annual convention of the New Jersey Congress of Parent-Teacher Associations in Atlantic City on October 24, 25, and 26 report that the meeting was an inspiring one. They tell us that one of the main speakers was New Jersey's Governor Robert Meyner who emphasized the necessity of an adequate school program for New Jersey. Another enjoyable speaker was Mrs. Rollins Brown, president of the National Congress of Parent-Teacher Associations.

Mrs. David T. Stamelman represented the Springfield P.T.A. at a recent meeting of the Citizens' Advisory Committee set up for the study of the needs of the Springfield schools.

Following up a P.T.A. letter requesting that certain sidewalks and traffic lights be provided for the further safety of the lives of Springfield children, Mrs. Robert B. Jackson attended a recent township committee. Mrs. Jackson is our P.T.A. Safety Chairman. Other interested P.T.A. members who attended this meeting were Mr. and Mrs. Edward J. Harbach.

Our P.T.A. Safety Chairman has been requested to announce that the township committee needs more school guards to help provide safety for children at crossings. These positions are open to both men and women. If interested, call Mrs. R. B. Jackson or Mr. Handville of the township committee.

Mrs. Philip L. Lewis and Mrs. David T. Stamelman represented the local P.T.A. at a recent meeting of the Regional High School Planning Board.

National Education Week for 1956 will begin on November 11 and extend through November 17. The open house program of the regular November meeting of the P.T.A. will replace the usual open house night observed in the schools.

The date for the next meeting of the James Caldwell School Parent Education Group of the P.T.A. is this Thursday, November 1 at 8:15 p.m. The speaker, Mr. E. J. Jan Tausch, will discuss "The Purpose of Parent-Teacher Conferences." You are invited!

Wednesday afternoon, October was the date of the Parent-Teacher Tea at the James Caldwell School. Mrs. L. J. Forsyth, Caldwell school principal, and Miss Florence Gaudineer, school nurse, poured. This social occasion was an innovation in Parent-teacher relations and was enthusiastically received by the more than two hundred fifty parents and teachers attending. Mrs. Frank Stevens, chairman of the Caldwell Parent Education Group which sponsored the affair, was assisted by Mrs. Harold Hansen, Mrs. Alan Cunningham, and Mrs. Everett Howell, members of her committee.

The P.T.A. Membership Committee has enrolled two thousand one hundred twenty-eight members to date. The committee members are grateful to the room mothers, school staff and administrators, the parents and all who helped in attaining this record enrollment for our P.T.A. Our P.T.A. members say thanks to Mrs. Humer, Mrs. Roche, Mrs. Patterson, and Mrs. Heervagen—the committee members!

Attendance awards for the October P.T.A. meeting were won by the following classes: F. G. School, Mrs. Lushear's class; E.V.W. School, Miss Heggeman's Kindergarten, p.m. class; J. C. School, Mrs. Porter's Kindergarten, p.m. class; and R. C. School, Mrs. Towner's Kindergarten, a.m. class.

Mrs. Yuckman hopes that all P.T.A. members will remember to vote.

At the regular meeting of the Springfield P.T.A. which was held on October 29 it was reported by the secretary, Mr. William Fenton that the P.T.A. Executive Board has made a recommendation to the general organization that a committee be appointed to study the feasibility of forming four individual P.T.A. groups—one for each local school. This committee will study methods for disbanding the current association and obtaining four new charters. The committee will report to the general membership at the regular January meeting of the P.T.A. Any written suggestions can be mailed to Mrs. B. P. Yuckman, president of the Springfield P.T.A.

The Springfield P.T.A. played host to two honor guests at the regular meeting held on October 29. Mrs. Frank J. Steudle, president of the Union County Council of Parent-Teacher Associations and Mrs. L. A. Meacham, vice president of the County Council were presented to the audience by the local president, Mrs. B. P. Yuckman.

News of Local Troops

The 38 names listed below brings the number to 93 of Springfield Girl Scouts and Brownies who are still without leaders. The following twenty-three are seventh graders at Florence Gaudineer School and are ready to become 3rd year. Intermediates: Patty Bandomer, Deborah Garner, Barbara Smith, Victoria Tomie, Eileen Wagner, Toni Minitte, Dorothy Maudsley, Barbara Brown, Joan Nemerson, Mary Fiorelino, Carol Jensen, also Delecia Furrowski, Margery Pomerantz, Ellen Bloom, Susan Rymar, Barbara Vogel, Elaine Fisher, Bonnie Brier, Renee Rojahn, Barbara Warmann, Candy Feldman and Barbara Chodis. There are also sixteen girls who are 4th graders at the Edward V. Walton School and are eligible to be 2nd year Brownies: Nancy Shallen, Lois Zachau, Barbara Kornish, Alexis Fisher, Anne Schnell, Judith Lawli, Linda Sibole, Alison Rutter, Beverly Blake, Lawrence Street, Lucille LaMorgese, Doria Rothbard, Louise Ann D'elia, Norma Johnson, Jeanne Azarewicz, and Janet Johnson. The need is great, and we hope that someone who has read the lists of names that have appeared in the Sun recently, will find it possible to volunteer and will call Mrs. John Roche, Drexel 62178, who is an organization chairman and qualified in answering any question necessary for starting a troop.

The annual Girl Scout and Brownie Picnic will be held on Saturday, November 3 from 11 to 3 at "Hiltop" in Echo Lake.

Bring your own lunch, girls, for a cook-out and soda and ice cream will be furnished for all. Mrs. Frank Jakobsen, program chairman, and Mrs. Louis Soos are co-chairmen in charge of arrangements. The reports from last year's picnic were great, and it sounds like we can look forward to a lot of fun.

It has been necessary to postpone the Craft Workshop scheduled for November 1 and November 14. Please watch this column for new dates.

Troop No. 38
Mrs. Gerald London, Leader
Mrs. E. Eppinger, Jr., Co-leader

With Ghosts and Goblins' day coming up, we celebrated early and had free rein in Mrs. Eppinger's recreation room for a gala Masquerade party. The games were all in the Halloween vein, and we were filled to bursting with the luscious goodies served by our leaders. Our first party was surely a success. We are happy that Carol Ann Roy and Susan Schechter, newcomers to town, have joined our troop. We have been on a hike in Echo Lake and were able to find plants and soil for our "cigar-box" gardens.

Lights On For New Morris Ave. Store

Mr. and Mrs. Joseph Hochadel of 271 Mountain Avenue are opening their "Modern Lighting" store at 615 Morris Avenue, opposite Terry Dempseys, tomorrow.

Mr. Hochadel, who was formerly an electrical contractor, says they will have a large display of modern, colonial and provincial lighting fixtures.

"We are putting in fixtures and lamps for every room of the house," Hochadel declared.

Ruth Hochadel said that while they will be open from Friday on, they don't expect to get in their full supply of lighting fixtures for a few weeks.

The Hochadels have lived in Springfield for over two years.

 Union County Board of Chosen Freeholders.
 The political brass, both major and minor, have long ignored Springfield in the selection of candidates. Lee S. Rigby, former Freeholder and Sheriff, received the nod from the Republicans and always succeeded in polling a fine vote in Springfield.
 Bonadies, a Springfield resident, is the Democratic candidate for Freeholder. It will call the attention of political bosses in both parties to the potential of the

Township's voting strength. And, with the business experience of Bonadies, it might be a good thing for Union County to have even one militant minority member as Freeholder. Springfield should vote for Bonadies.
And Talking About Food
 It takes a lot of courage to jump from a serious discussion on politics to pizza pies and platters of succulent spaghetti.
 But we have to formally present the Gourmet's Oscar of the Week to Edward J. (Jiggs) Laccitello who supervises these pleasant, gastronomic successes at Walter's Inn, one of Springfield's popular eating places.
 We had the pleasure of "breaking bread" with Jiggs at his Wal-

ter's Inn Tuesday night and what his people in the kitchen can do with anchovies and mushrooms in a pizza pie is a work of art as well as satisfaction to the most exacting epicure.
 The pizza and spaghetti served by "Jiggs" waiters may not quite reach the heights of the pompano at Antoine's in New Orleans, the flaming sheslik at the Pump Room in Chicago, the roast beef at Durbin-Park in Boston but it's as palat-pleasing as Terry Dempsey's garlic bread and as exciting as Jack Powers' personally mixed extra dry Martinis.
 For those who want to explore the spaghetti menu or try one of the eleven kinds of pizza pies at Walter's Inn, it is located right at

the corner of Morris avenue and Baltusrol way. It's worth fighting through the very confusing traffic at that busy intersection.
Kean-Weinberg
 (Continued from Page 1)
 Donnelly to act on zone variances and sub-divisions for land sold by his real estate office has shocked the people of Springfield. On these issues, Binder and Donnelly have defended their record in office. On these issues, they will be defeated at the polls in Tuesday's election.
 "People who don't enjoy life as they journey along are the losers every day they live.

Bonadies In
 (Continued from Page 1)
 tion time, he and his running mate have chosen to switch their tune to an off-key cry that Springfield has no runaway taxes.
 "If an 89-point climb then was described as appalling by Binder, then what adjective can we use to describe the 164-point climb of Springfield's taxes during the last three years of Binder-Donnelly administration that has given Springfield the highest tax rate in Union County.
 "For surely, Bonadies said, if an 89-point tax rise then was ap-

palling, then we can only describe the tax rate that faces us in 1957, which will reach nearly \$11.00 per \$100 assessment.
 "But that is not the real issue, Bonadies said, what is more important is that both Binder and Donnelly refuse to accept the responsibility of doing anything to control runaway taxes. They have sought to put the blame on schools, after opening their campaign by claiming credit for school expansions. They have sought to discredit the platform of Kean and Weinberg to halt runaway taxes, instead of admitting the existence of the tax problem and how to resolve it.
 "Let's face it, Bonadies said, we have the highest tax rate in Union County and it's still going higher, despite the fact the same problems and school expansion needs are shared by all other communities in Union County. But Springfield's tax rate is the highest; it's still climbing higher, and Binder and Donnelly admit they cannot control runaway taxes because it is not their responsibility.
 "As the lone minority member of the Springfield Township Committee, Bonadies stated, I wish to appeal to Springfield voters not to forget these municipal issues when you go to the polls during a Presidential election year.
 "Regardless of party affiliation, when you turn to the municipal levers in the polling booth, by voting for Kean and Weinberg, there is the opportunity to pro-

vide me with outstanding colleagues; men with the courage of their convictions; men pledged to work for the people's interest.
 "Concerning my candidacy for the Union County Board of Freeholders, I wish to emphasize that, regardless of the outcome of that race, I will remain a member of the Springfield Township Committee where there is still much work to be done."

Alliance Club "Nite"
 The Alliance Club of Springfield will hold a social and variety club night on November 3rd at 8 p.m. at the American Legion Hall. The public is cordially invited.

'Twas a double-birthday treat for Sandra Segal, daughter of Mr. and Mrs. Joseph Segal of 29 Archbridge Lane. Sandra, who was 4 years old, partied with her playmates at Mae Field's Play School on Oct. 26th and again on Oct. 27th with her neighborhood friends.

Mr. and Mrs. Albert Reed, formerly of Queens, N.Y. are now residing at 58 Sherwood Road. Their son, Thomas Scott, is 2 years old. Mr. Reed is with the Janal Co. (Technical Publications), Newark.

Barbara and Robert Chados and Marvin Segal are justifiably proud of the \$23.00 they collected in their neighborhood during the Cerebral Palsy marathon.

Center of attraction at the home of Mr. and Mrs. John Eldridge of 74 Jefferson Terrace is their new son, Mark, born Oct. 18th at Over-

look Hospital weighing 9 lbs. Mrs. Eldridge is the former Barbara King of Danbury, Conn.

Mr. and Mrs. Don Pearlmutter of 47 Garden Oval are happy to announce the birth of their daughter, Debra Beth, on Oct. 21st at the Beth Israel Hospital, weight 8 lbs. 5 oz. Debra's brother, Kenneth, is 2 1/2 years of age. Mrs. Pearlmutter is the former Rosalie Gelber of Newark.

St. Stephens Won't Meet Election Nite

The regular monthly meeting of St. Stephens' Evening Group in Millburn will not be held on Tuesday Nov. 6th as originally scheduled due to that day being Presidential election. The meeting will be held on Tuesday Nov. 13th at which time there will be a demonstration by a Public Service home representative.

Members of the Group have been meeting every Tuesday night at homes of the members to make articles to be sold at the annual bazaar on Friday Nov. 30th. Mrs. A. E. Pfitzman is chairlady of this affair and Mrs. Philip Fitting is President of the Group. Tuesday's meeting was held at the home of Mrs. Fitting.

Raymond Ward, 59 Dies At Overlook

Raymond S. Ward of 180 S. Springfield Ave. died yesterday at Overlook Hospital, Summit, after he suffered a heart attack. He was 59.

Born in Holyoke, Mass., Mr. Ward lived in Newark for 10 years and then in Dumont before he moved to Springfield two years ago. He was employed as a paymaster by the Standard Oil Co. of New Jersey in New York for the last 21 years.

During World War I, Mr. Ward was a radio operator in the Navy. He was a member of the Cheoper Falls, Mass., Lodge, F&AM. He leaves his wife, Mrs. Mary Carroll Ward; two stepsons, Norman F. Le Boeuf of Springfield and Frederick J. Le Boeuf of Newark; three brothers, Carl of Williamansett, Mass., and John of Harrison; three sisters, Mrs. George Henrick and Mrs. Harold Ellis, both of Williamansett, and Mrs. Alvin Cranston of Florence, Mass.

Rev. Dr. Marvin Green of the Methodist Church conducted the funeral yesterday at Smith and Smith Suburban, 415 Morris Ave.

REPUBLICAN

(Continued from page 1)
 former Democratic township committee man who is now a candidate. He was a board member for three years. He was removed from the police commission ship after two years in the post. He did nothing on recreation or for the youth of the community. It is significant that he did not seek reelection at that time. In subsequent efforts he has three times been rejected by the electorate, who remembered his record of absenteeism on the governing board and failure on the Planning Board.

"The Democrats have sponsored advertisements which infer we may cut salaries of police, firemen and other municipal employees. This is an absolute falsehood. We stand firmly on our record of fair dealing with municipal employees. Each year the

Democrats throw in a salary-cut scare and each year persons who would be involved are not impressed. They know better.

"Our campaign has been in striking contrast to that of the Democrats. They have attempted to beguile the voters with false statements about taxes, statements which they never make before a non-partisan audience. We have pointed out that taxes for local purposes have increased only 10 1/2 points or \$4.00 per home in total in three years. We have pointed out that for this nominal increase in an expanding economy, residents have received municipal expansion program, new patrol cars and new fire department equipment. Fire insurance rates have been lowered and garbage collections improved.

Would No. Debate
 Throughout the campaign the Democrats have beaten the word "run-away" to death. Their expertness in run away tactics is best demonstrated by their running away from our challenge to debate publicly, tax and other issues. This is the only sound judgment they have demonstrated in this campaign. They remember, all too well their tax retreat at the League of Women Voters meeting. Very cutely, they acknowledge their willingness to debate with us outside the home of a private citizen on an evening long since allocated to Democratic speakers in a national and coun-

ty level. This meeting is to be presided over by a Democratic Township Committeeman who will make the ground rules. Bravo!

"In brief as the 1956 campaign closes we offer our program of solid achievement as compared with Democratic misrepresentations—the common term is lies—about taxes and vague promises to raise salaries, lower taxes and to produce industry even if it must be located in someone's front yard.

"We believe Springfield voters moved here because they liked what they saw. They know what they are getting for their tax dollars. In view of our record we are willing to test our case with them. We are convinced that the 7,000 persons who moved here in recent years as well as the older residents can't be wrong. We are certain they are not fooled by Democratic promises of more services and lower taxes. We believe voters here will show the same good sense at the polls they have in the past."

In-School Program
 Kathryn Campbell, Kathleen Lang and Dorothea Rempfer, all of Springfield, were among those students of Kent Place School who took part in the school's annual Halloween program held yesterday.

DEMOCRAT

(Continued from page 1)
 Binder-Donnelly administration that continues to claim they can do nothing about controlling runaway taxes.

Highest in County
 "Let us examine the fact that Springfield's taxes are the highest in Union County, Keane and Weinberg said, despite the fact that virtually every community in the county has the same vital problems of building better schools to accommodate expanding populations."

"This belief, beyond any doubt, the false and distorted political cries of Binder and Donnelly who repeat and repeat they have no control over Springfield's mounting tax rate and township debt, and their claim that it is not their direct responsibility."

"For we state now firmly and strongly for all to hear, that an uncontrolled runaway tax rate is the complete responsibility of the governing body of Springfield, Keane and Weinberg stated. We accept that responsibility as have so many other members of the governing bodies throughout Union County, Keane and Weinberg said.

"Regarding their program to establish Citizens' Advisory Committees, Keane and Weinberg declared: "Restoring true representation by the people is the only logical way to end once and for all the system of political brass bossism rule of self-interest groups under Binder and Donnelly who have made a mockery of the Democratic system of government. Binder's brash rejection of concerns of homeowners has no place on our governing body. His own colleagues have never dared to oppose him with a single vote of opposition, so great is his dictatorial wrath."

Binder has tolerated such practices as Donnelly's dealing in private real estate with an "I don't care attitude", allowing Donnelly to vote on zone variances for the same land which his real estate office represents.

"As members of the Township Committee, Keane and Weinberg said, we will welcome the opportunity to have citizens join us in working out our many municipal problems."

Local Girl Wins Sweet Briar Honor

Eleanor Ritter, daughter of Mr. and Mrs. Edward Ritter, 298 Short Hills Village, has won two honors at Sweet Briar College recently. She is one of eight seniors listed in Who's Who Among Students in American Universities and colleges, and she is one of 13 in her class elected to membership in Tau Phi, upperclass honorary society. The latter event took place at step-singing ceremonies yesterday.

Miss Ritter, who is a graduate of Jonathan Dayton High School,

is chairman of the Campus Chest committee at Sweet Briar this year. Last year she was treasurer of the Student Government Association, and she is a member of the Choir and of the varsity basketball team.

Color Photo Wins
 Arthur J. Ulanik, of 97 Linden Avenue, won first prize at the first color slide competition of the Millburn Camera Club on Oct. 24. He has been appointed chairman of the color committee of the club. His entry was a seascape titled "Rough Waters."

THE HEAT IS ON!

Right now we're talking about WOOLLEY services, important as these are to all householders.

But we are reminding you about the November elections — so very, very important to all of us as Americans who would sustain our most precious freedoms.

These freedoms were not cheaply bought by those who went before us. They paid in blood and treasure to be a free people, to be governed by their own chosen leaders, to express their sovereign will — to vote.

So in these vital elections on November 6th, it is our hard-won right, as it is our solemn and inspiring duty to keep these freedoms strong and meaningful by going to the polls.

The heat is on! The candidates and their parties are discussing the issues. They ask you to listen. We urge you to hear them — to weigh what you hear. Then in November go proudly to the polls — vote as your reason and conscience dictate — but, by all means, VOTE.

THE MIGHTY CHRYSLER FOR 1957

Here's the glamorous, low-priced 1957 Chrysler Windsor V-8

Announcing the most glamorous car in a generation!

Other cars have changed models... this one changes motoring. Look at its rich, racy lines... at the long, low silhouette... at the dramatic upsweep of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

Get into this car, drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton TorqueMite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity getaway, matchless passing power when you need it.

Come in this week and visit our showrooms. See and drive the most completely new car of the year!

Torsion-Aire Ride pours the road under you!

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skimming "feel" of the road. The wheels ride the contours... but you don't. The road just pours under you.

JOE SMITH IS AN INTELLIGENT VOTER TODAY AND WILL VOTE FOR A NEW LEADERSHIP IN A NEW AMERICA BECAUSE

If Joe Smith is a farmer, he'll vote for Stevenson and Kefauver because he knows that's the only way he'll get the price supports he needs . . . that's the only way he'll get a workable program to handle the various commodities he produces.

If Joe Smith is a small businessman, he'll vote for Stevenson and Kefauver because they are pledged to help protect him against the onrush of monopoly-minded giant corporations.

If Joe Smith wants a world truly at peace, he'll vote for Stevenson and Kefauver because he knows that we must restore America to her place of leadership at the head of the free nations.

If Joe Smith is a working man, he'll vote for Stevenson and Kefauver because he wants the Taft-Hartley Act repealed, because he wants a higher minimum wage, because he wants an administration that is fair to management and labor alike.

If Joe Smith has children in school, he'll vote for Stevenson and Kefauver because they will work for a school program of Federal aid worthy of our most precious resource—our children.

Low Ave. VFW In Bowling Lead

The V.F.W. Mavericks took two from the Disc & Shutter while Lynn Decorators stole a pair from the P.B.A. and broke the three way tie for first place. Although the V.F.W. team is low on statistics they have been consistent as a team and seem to take the close ones. As predicted last week, the Lynn team started to move up and will continue to climb from here on.

Burdette's 608 series dropped Caggiano from the top spot in that division, but other standings remained the same. Burdette scored 225 and 200 while Caggiano bowled 214 for the only 200 scores this week.

Pledged at Dartmouth

Kenneth A. Rogers, son of Mr. and Mrs. A. W. Rogers, 126 Fieldstone drive, recently became a pledge of Alpha Theta fraternity at Dartmouth College where he is a sophomore.

Last year, he was active in the Forensic Union and Germania, the German club.

Congress provided an unprecedented half billion dollars to meet relief needs arising out of the catastrophic drought of 1934.

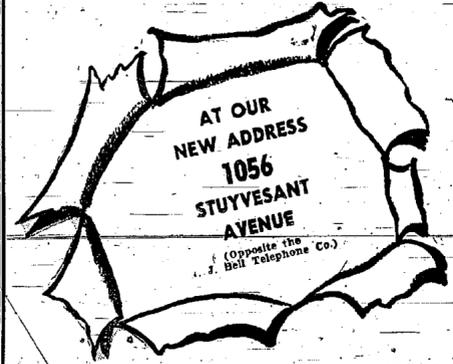

85 Art Exhibits Viewed Here

The Art and Handicraft Show held last Saturday and Sunday, exhibited works of 85 artists of all ages from Springfield. Many people came to see the 85 entries of paintings, sketches, and handicrafts placed both on the lawn and inside the Cannon Ball House.

The sensitive oil portrait of a young negro called "Bill", painted by Mel Klapholz, 112 South Mapleavenue, was voted most popular in the show. Following closely in votes was a watercolor of a Rome street, called "On the Sunny Side", done by Doris Henrich, 53 Meisel venue. Other favorites were "Rima", pastel by Jeanne Dart; "The Clipper Ship", oil by Arthur Carlson; "The Clown", oil by Leonard Scharffenberger; "A Horse's Head", oil by David Stone, and "Wintertime", pastel by James A. Clark. "Colleges", by Thomas Iannicelli and Sculptures in stone and wood by Gertrude Sala attracted many comments. Outstanding in the Children's Art Section were oil paintings by John Kisch, 13, and Richard Naumann, 13.

The show is an annual event sponsored by the Springfield Woman's Club to give local artists a chance to exhibit and sell their art and for art interested people to view their talents. It is held in recognition of American Art Week, November 1-7.

SCHOOL NEWS

Grade III
 Mrs. Ruth Arey
 Mrs. M. J. Hicks
 In a recent assembly of kindergarten through third grade, Susan Buckley of Mrs. Arey's class read the poem and lead the group in copying exercises. Steven Hicks was the very efficient announcer for all the classes. This grade showed "Poltergeist at School" through four skits in which the entire class participated.

Both third grades have been very interested in their studies of trees and leaves. In connection with this the children of Miss Hicks' class made their own leaf booklets. They found many pretty fall colored leaves which they pressed and mounted in their booklets. They labeled the leaves and wrote about stories about them.

The fourth grades welcomed many new children to Springfield this year. In Miss Di Napoli's class the new faces belong to Mary Roy, Ellen Paris, and Richard Bingham. Strangers to Edward Watson School but not so to Springfield are Joseph Klack and Richard Kallens, also of Miss Di Napoli's class.

Now people found their way into Mrs. Constant's room. They are Mrs. Millicent Kramerman. Upon visiting Mrs. Kramerman's room, one can see many children there. A recent exhibit shows that the boys and girls have been busy with their nature's changes at this time of year. Stephen Berger built a wooden terrarium into which Karen Simon has placed cactus and geranium cuttings. Robert Haas has been experimenting with four kinds of soil. Individual terrariums have been made by Irene Panzani, Sigrid Patterson, Eugenne Shindler, and Ronald Carano. Joel Grandick's terrarium shows definitely that plants reach toward

the light. Leaf collections are also popular. Busy Schmitts are working on a miniature collection. It has brought an awareness of the different insects in the world. Coin terms have become more familiar and a study of our own money will bring to each child an enriched historical background. A visit to our mine is being planned.

The boys and girls are organizing a club which will teach them proper club procedure. Mrs. Kramerman's class is making a study of where we get our various every-day home items. The boys read and write, experimenting to school as many varied types of labels and tags as they can find in their homes. They are labeled on a large bulletin and

elements and compounds along with atomic theory has taken on added meaning. Forces and energy were studied in direct application to everyday life. Harmful and useful effects of friction as found in the home were cited by students.

We cannot place too much emphasis on the value of science teaching through the grades if we expect to have a hand in shaping the versatile citizens of tomorrow.

Grade VI
 Mrs. Margaret Mc Garrath
 Mrs. Margaret Weiss
 The sixth grade welcomed several new members to Walton School. Mary Tuohy from Tewksbury, Downsville, Timothy Boettger of Grandford, Larry Lohrer from Union and Barbara Brown from Newark.

Many interesting booklets have been completed on "Prehistoric Man" and the youngsters have been busy working on projects for science and health. Elaine Bouchard, Walter Witz, Georgia Cusack and Michael Pilsano have arranged some of the specimens from their unusual shell collections in the display case in the corridor.

SCIENCE, Grades 1-5
 Miss Helene Kosloski
 Mr. Raymond Winberry
 The interesting part which science plays in our daily lives makes it important for us to teach the fundamental concepts and functional understanding of scientific principles. Without a doubt, this is the age of science. Modern science has enriched our lives by bringing us better health and longer life than our parents and grandparents enjoyed. The many conveniences, comforts, amusements, and recreation we enjoy today are a result of scientific investigations and experiments. But science means more than an accumulation of facts and knowledge. It is a way of thinking and a way of doing things. Thus, one objective of the science program is to help students participate more effectively in the work in which they live through clear, concise thought and action.

The major units of study has been matter and molecules. Students have learned that all matter exists in three forms and though matter may be changed, it cannot be destroyed. In reading and challenging experiments have accompanied the reading and writing pertaining to this unit. The importance of laws, theory, and principle which govern molecules—behavior has been stressed. Study of

Grade 1
 Miss Claire Hoopman
 Mrs. Rosemary Kempers
 What fun it is to read and learn new words. We read about Dick, Jane, Sally, Spot, Puff, and Tim in our first reading books. They have had many experiences similar to ours.

Fall is a beautiful time of the year. Mrs. Kempers' class recently went for a walk, and saw many signs of Fall. Red, yellow and brown leaves were used to show and mount.

Halloween comes in the Fall, as we all know. Our rooms have been

brightly decorated with smiling pumpkin faces, pumpkin men, and sly black cats. We have been anxiously awaiting the Halloween party. What a joy it will be to show our costumes to the other grades.

Grade 2
 Mrs. Ursula Potts
 Miss Alice Rieg
 Larry Eckelkamp, from Pennsylvania, has entered Miss Rieg's class recently. Larry's new home is at Redwood Road. We are happy to have him with us.

Some of us made our own Halloween masks. Others have chosen to make spooky scenes using cut colored paper. We have been fortunate enough to enjoy several movies during our assembly programs. One very good film was a scenic tour of the Grand Canyon. It was in wonderful technicolor. Another film showed how firemen train for their jobs, how they must continue to keep in practice, and how they work to get a fire under control. These movies were most enjoyable and we learned a great deal from them.

Grade 3
 Mrs. Ursula Potts
 Miss Gloria Boorujy
 We in the third grades have been busy decorating our room for Halloween. We have also made masks and Halloween mobiles.

Mrs. Potts' third graders have completed their first social studies unit—"All About Homes". This has been an interesting study of homes in other countries, and the types of houses we have in America. During this unit each child made a floor plan of his own home. This was most interesting, and of course, involved the help of mother and daddy. Some of us brought original blueprints for the class to see.

Miss Boorujy's class has been making a study of planets. It was fun learning about the universe, and remembering the names of the nine planets. We have been making booklets with illustrations as part of our project.

Grade 4
 Mrs. Lillian Gushin
 Mrs. Estelle Kohn
 The fourth grades have been very busy with many varied activities.

Mrs. Kohn's class is alive with witches, ghosts, and goblins made by the children. Allyson Kalem, David Gershen, Joan Rawitz, Marilyn Brownlie and Lynne Jakobson made a big scarecrow to add to the scenery. In geography they have discovered the wonders of Iceland. Reading maps has been an exciting experience as well.

In Mrs. Gushin's class the children took vital statistics about the school. Did you know that there are two hundred seventy three children in this school and the boys lead by fifty five?

The Literature Club is now in full swing. President is George Argyris and Secretary is Marcia Lilien. Interesting plays have been prepared so far by Gail Wilson, Carole Rogers, Donald Lewis and Susan Clermont.

Grade 5
 Mrs. Nancy Peterson
 Mrs. Priscilla Butler
 Both fifth grade classes at the Raymond Chisholm School have

been studying the New England States. Each class has divided itself into study groups. Each group is studying one state and reports to the rest of the class. The group chairmen in Mrs. Butler's class are, Barbara Porter, Maine; Jeff Lynn, New Hampshire; Adrienne Marder, Vermont; James Ellowitz, Massachusetts; Susan Wehrle, Connecticut; Marsha Davis, Rhode Island. In Mrs. Peterson's class the chairmen are: Pamela Blaffer, Maine; Richard Gruen, Massachusetts; Richard Freedman, Vermont; Judith Norulak, Rhode Island; Richard Zegar, New Hampshire; Anna Mary Giannattasio, Connecticut.

The fifth graders have shown great enthusiasm in learning new songs, under the guidance of Miss Dunte.

Following an interesting travel movie about the Grand Canyon, the fifth grade listened to excerpts from the Grand Canyon Suite.

Church Has Party
 Holy Cross Lutheran Church, 639 Mountain Ave., held an autumn supper party in their parsonage last Thursday, October 25th. The planning committee consisted of

Mesdames Beno, Jacobsen, Mihlon and Wilkins, and their able assistants were Mesdames Paul Lissy, Fuchs and Ulzai.

The tables were decorated with beautiful autumn flowers and a delightful evening of fellowship and good food was enjoyed by all who attended.

Fabric Display At Altar Meeting
 A color slide demonstration of fabrics will be featured on the program of the Rosary Altar Society of St. James Catholic Church when they meet Monday night.

Celanese Corporation of America has prepared the program, titled "New Dimensions," and will give away a Celanese dress-length as a door prize.

Refreshments will be served by Mrs. Zeiser and her committee.

Legion Dance Coming
 The Springfield American Legion Post will hold their annual dance Friday evening, Nov. 9 at Evergreen Lodge.

Dance chairman Dave Roe has sent out tickets to all members of Post No. 228 and expects a large turnout.

Word was received yesterday from Mayor Gero's office that the job would be speeded as much as possible and that there is a possibility that the work would be completed by Monday or Tuesday of next week.

Ask Millburn To Speed Road Work

Residents in Short Hills Avenue have asked Springfield officials to have the Township of Millburn speed the work being done at the Millburn end of the street to relieve the "bottle neck" in traffic at that point.

Mayor Albert G. Binder wired Mayor William B. Gero of Millburn Tuesday in which he stated that "we are grateful for the improvement which Millburn has undertaken on its portion of Short Hills Avenue which adjoin Springfield. However, many of our citizens using this roadway are seriously inconvenienced and we would urge and appreciate that all possible steps be taken to expedite the completion of this project."

Word was received yesterday from Mayor Gero's office that the job would be speeded as much as possible and that there is a possibility that the work would be completed by Monday or Tuesday of next week.

Star Gazers Hold

First Fall Meeting
Sounds from outer space were heard at the opening fall meeting last Friday (Oct. 26) of the Amateur Astronomers' of Union County...

held in Regional High School, Springfield. Although they could not be described as music from the spheres, they were recordings of definite type sounds picked up by electronic devices being used in the new science, radio astronomy.

They were presented by Dr. Kenneth L. Franklin, of Hayden Planetarium, who spoke on recent developments in this new branch of astronomy, which requires neither lenses nor mirrors nor telescopes, but uses special antennas directed toward the heavens.

Local ORT Plans Membership Tea

A membership tea is planned for the Springfield Chapter of Women's American ORT on Tuesday evening at 8 at the home of Mrs. Sidney Ekler, 18 Archbridge Lane. The speaker will be Mrs. Martin Sherman, Region Chairman and Chapter Trustee. Mrs. Sidney Garner and Mrs. Norman Lwenstein are the co-chairman on membership teas. Mrs. Seymour Margulies is Vice-President in charge of membership and Mrs. Ivan Crouch is Chapter President.

The board of the Springfield Chapter will meet at the home of Mrs. David Hecht, 22 No. Derby Rd., Springfield on Thursday evening November 1st at 8:00 p.m. Mrs. Al Rukow will report on the forthcoming card party for December 10th. Reports will also be given by Mrs. Harry Katz on ORT Sabbath for November 16th and the program chairman, Mrs. Leonard Golden on the "Paid-up" membership program scheduled for the November meeting. Results of last month's cake sale will be reported by Mrs. Joseph Gans. Mrs. Ivan Crouch, Chapter President, will preside.

Sings in Chorus

Americo DiPietro of 46 South Maple Avenue, has successfully passed his audition for membership in The Masterwork Chorus of Morristown, classical concert and recording group. DiPietro, a tenor, studied privately with Carmen S. Savoca in Binghamton, New York, where he also sang with the Tri-Cities Opera Workshop. Mr. DiPietro was a member of a choral group at Cornell University which presented Brahms' Requiem.

Local Witnesses Meet

Springfield was represented by a delegation of twenty-seven persons to the Jehovah-witness convention at the Red Bank National Guard Armory Sunday. They heard the address, "What Will Armageddon Mean For You?", which was delivered to a throng of 2,586. James Murphy of 989 South Springfield Avenue, assisted in the convention organization by serving on the purchasing staff.

First Aid Bldg. Dedication Sun.

The culmination of many months of hard work on the part of members of the Springfield First Aid Squad and the dozens of townspeople takes place this weekend. This coming Sunday, November 4, Springfield's new First Aid Squad Building is being officially dedicated. It represents one of the important milestones in the growth of the organization which was started only 7 years ago by a handful of men and women.

The building became necessary this year, not only to house the Squad ambulance properly, but also to provide adequate facilities for meetings and drills conducted each week by the group. From its inception and until recently the Squad was holding its drills in the basement area of the home of Mr. and Mrs. William Rein, originally at 78 Tooker Ave. and then at 82 Hillside Ave.

The new dwelling is comprised of a large meeting room, office, supply room, emergency room, cloak room, kitchen, men's and ladies' lounges, full basement and a 2-vehicle garage with large storage area at the rear.

The dedication ceremonies, scheduled to begin at 2 P.M., will have as honored guests: the Springfield Township Committee, Mr. William Matthews - President of the N. J. State First Aid Council, and many other state and county dignitaries. Invocation will be given by Reverend Bruce Evans of the

Presbyterian Church, Springfield. Mayor Albert G. Binder will deliver the opening address and cut the tape marking the official opening of the new building. Then the keys will be presented to the Squad president, Mr. John Baier. Also a short service will take place to dedicate the new ambulance, recently purchased by the Squad. It is now being outfitted with a 60-Watt 2-way radio and as soon as approval by Federal Communication Commission is obtained will be placed in service.

At the close of the dedication, benediction will be said by Rabbi Rueben R. Levine of Temple Beth Ahm, Springfield.

Proved Record in Getting Things Done!

President Eisenhower said of the voters of Union County:

"I am confident they will endorse the principles of the Republican party and choose the candidates whose public life is guided by those principles... they will send Mrs. Florence P. Dwyer to Washington as their Republican representative in a Republican Congress."

Mrs. Dwyer's shining seven-year record of accomplishment in the Assembly proves her outstanding ability. She believed in and fought for policies that brought us peak wages and living standards, kept down inflation, created more jobs, improved schools, and increased benefits for veterans, the unemployed, and the disabled.

SPRINGFIELD'S RUNAWAY TAXES MUST BE CONTROLLED BEFORE THEY REACH NEARLY \$11 PER \$100 ASSESSMENT IN 1957; BY ELECTING FRANCIS J. KEANE AND IRWIN WEINBERG TO THE SPRINGFIELD GOVERNING BODY, THIS POSITIVE ACTION WILL BE TAKEN:

An emergency sub-committee of the Springfield governing body will be put into action to concentrate solely on bringing to a halt runaway taxes which are now **THE HIGHEST THROUGHOUT UNION COUNTY**. The do-nothing and care-less attitude of Mr. Binder and Mr. Donnelly must be replaced with a positive program. These men **REFUSE TO ADMIT** even the existence of runaway taxes here. Instead, they have in their desperation to hide the full tax rate, tried to talk about only a portion of the tax rate. **BUT LET'S FACE IT!
