### G.O.P. Winners Say "Thanks" To Supporters

Mayor Albert G. Binder and his Republican running mate, Eugene F. Donnelly, have issued a statement to the voters of Springfield thanking all those who supported them in Tuesday's election and promising to "renew their efforts in the interest of the people of the Township."

Following is the statement: "May I, personally, express my appreciation for the support and vote of confidence given to both Eugene F. Donnelly and myself by the citizens of Springfield."

"It is with a deep sense of humility and obligation that we renew our efforts to administer the affairs of office in the general interest of all the people of Springfield."

Albert G. Binder, Mayor.

Mayor Albert G. Binder and Township Committeeman Eugene F. Donnelly, Republican incumbents, defeated Irwin Weinberg and Francis J. Keane, the Democratic candidates, in Tuesday's election, thus retaining their four to one majority in the local governing body.

Voters hopped over party lines in the heaviest balloting in Springfield's history, Donnelly leading the Republican ticket with 3,047 votes and Mayor Binder receiving 2,994.

A militant Democratic organization brought out 2,735 votes for Keane and 2,618 for Weinberg. These figures do not include the approximate 123 absentee ballots still to be added to these totals.

The local winning candidates did not keep pace with the sensational popularity of President Eisenhower who swept through every local district for a total of 4,297 votes against 1,501 for Stevenson. President Eisenhower polled 3,574 votes in Springfield in 1952 against 1,153 for Stevenson.

The Democratic candidates won in only two districts on Tuesday—the third and sixth but the margin there wasn't great enough to offset the Binder-Donnelly strength throughout the Township.

**Keep Control**

The victory of the Republican ticket assures control of the present administration for two more years since there is only one vacancy to be filled on the Township Committee next year. Vincent J. Bonadies is the lone Democrat on the committee and, despite the defeat of Keane and Weinberg Tuesday, the results have encouraged the Democratic organization in Springfield to plan for the next campaign.

Mrs. Florence P. Dwyer polled a total of 3,592 here against 2,057 for Harrison A. Williams, Jr., Robert C. Crane, the Republican candidate for State Senator, received the highest vote in Springfield next to President Eisenhower, the total for the Elizabeth Journal publisher being 3,757.

Vincent J. Bonadies, Township Committeeman, who was on the Democratic ticket for Freeholder, was high man of the county ticket in the Township voting with 2,239. Williams was next high of the county ticket with 2,057.

The referendum on the tax question was defeated in Springfield with a count of 3,081 noes against 863 yeas. The question on changing the term of office for sheriff also lost, 2,522 to 1,223.

In the two strong Democratic districts, the third and sixth, President Eisenhower polled more votes than both Democratic candidates. In the third Eisenhower polled 884 against 750 for Weinberg and 780 for Keane. In the sixth President Eisenhower received 750 as compared with 599 for Weinberg and 708 for Keane.

**Leaves Army**

P. F. C. Richard T. Elin, son of Mr. and Mrs. T. Elin of 18 Beverly Road, has been discharged from the army after serving two years with the 82nd Airborne Division of Fort Bragg, North Carolina.

### Democrats Congratulate G.O.P. Victors

Francis J. Keane and Irwin Weinberg, the two local Democratic candidates, joined with Township Committeeman Vincent J. Bonadies in a statement thanking all those who helped them in Tuesday's election and promising "to continue to work in behalf of the party's interest in Springfield."

"Having already personally congratulated the winners of Tuesday's local election, we would like to take this means of thanking all the citizens of Springfield who supported the Democratic candidates, and the army of volunteer workers who assisted us throughout the entire campaign."

"These tireless and enthusiastic volunteers breathed more life into our political crusade and despite our defeat, the response to our appeals at the ballot box on Tuesday will inspire us to go forward."

"We want all these volunteers to enlist again for the campaigns to come—each one of them."

### 3 Faiths Join For Thanksgiving Rite

The first joint religious service in the history of Springfield will be held Wednesday evening, November 21, at 8 p. m. at the First Presbyterian Church of Springfield. It will be in the form of a Thanksgiving service, under the combined auspices of Temple Beth Ahm, the Springfield Methodist Church and the Presbyterian Church.

Rabbi Reuben R. Levine, spiritual leader of Temple Beth Ahm, Rev. Bruce Evans of the Presbyterian Church and the Rev. Marvin Green of the Methodist Church have completed plans for the service. Rabbi Levine will preach the sermon, entitled "Fulfilling the Promise," and he will join with the two ministers in conducting the service. The Presbyterian Church choir will sing. The free will offerings collected will be divided equally among charities of the three faiths.

The service will be held annually, rotating among the participating houses of worship.

Working with Rabbi Levine in arrangements for the service have been Milton Kappstatter, president of Temple Beth Ahm; Joseph Bonder, Civic Affairs chairman and Sheldon Fried, Religious Affairs chairman.

### Morris Avenue Dresses Up For Xmas Shoppers

Morris Avenue is preparing for its annual yuletide electrical glow as workmen yesterday started work on the Christmas lighting for this year.

Chamber of Commerce President Ike Freedman promises that this year's lights will be far more elaborate than in past years and will help immeasurably in getting people into the holiday spirit.

Christmas lights will run down both sides of Morris Avenue from Meisel Avenue to the Post Office and large Christmas bells will be strung intermittently across the street.

The Chamber president also pointed out that through the efforts of the Chamber, in cooperation with the town committee and the police department, the parking meters will be covered, allowing shoppers to park "nickel-free" for the three weeks prior to Christmas.

**Attends Kenyon College**

A member of the freshman class at Kenyon College is Roger C. Smith, son of Mr. and Mrs. Robert Smith, 14 Hingham Ave. Roger is a graduate of Jonathan Dayton High School, where he was active in dramatics, with the choir, and on the track team.

### Presbyterian Choirs Will Give Concert

The rafters of the Presbyterian Parish House will again ring at the voices of the Church's combined choirs in their annual concert on Thursday and Friday, November 15 and 16 at 8:15 p. m.

This year the program will include music from "Brigadoon" by Frederick Roewe and Allan J. Lerner and several early American Folk Songs from the Appalachian Mountain Region. There will also be excerpts from "Homer Simmonds' "Alice In Wonderland" Suite for two pianos played by Edythe and Charles Sills. The choir will be accompanied by Miss Margaret Stippel.

Everyone is invited to come and join in the final chorus of the "Battle Hymn of the Republic" which provides a thrilling conclusion to the program.

Members of the Junior Choir are: Judy Arledge, Joan Arnold, Jean Bevan, Sally Champlin, Virginia Castle, Susan French, Ellen Fox, Marilyn Furst, Georganna Gleason, Judy Grabarz, Sandra Hoacker, Holly Hoffman, Linda Hubach, Carol Humphrey, Mary-Jessie, Charlotte Kopp, Rita Krugler, Ingrid Jordan, Gail Lyons, Mary-Jane Murdock, Beverly Nunn, Maril Post, Barbara Riss, Sue Reilly, Lynn Richards, Joan Ryder, Donna Sayke, Jean Streets, Vickie Tomie, Sharon Tomkins, Barbara Vogel, Barbara Volker.

### B'way Shops Open Huge Clothing Supermarket Here

The newest unit in the Broadway Shops chain of fashion stores located on U. S. Route 22, Springfield opens tomorrow Friday. This store represents the newest expansion move in the program started 30 years ago by Steven J. Wittman, President of the Broadway Shops.

The 14,000 square foot showroom on Route 22, next to Channel Lumber, is an emporium that brings the self-service super-market to the clothing needs of women—and girls. Check-out counters have been installed under a glittering canopy to make it as easy as possible for the little woman to outfit herself.

Broadway Shops has everything a woman would wear from age 1 on. The front part of the store is devoted to what the Broadway Shops people proudly said is the largest selection of hosiery in the country. From there on come moves through splashes of brilliant colors that each denote a different department—jewelry, lingerie, bras and girdles, children's wear, sportswear, the sweater bar, dresses, coats, suits, etc.

All of this represents a revolution in selling medium to better price clothing, according to the Broadway Shops staff. It further represents a continuing of the trend on Route 22 toward quality stores. Stores like Modern Era furniture and Broadway Shops are breaking sharply with the old idea of cut-rate highway merchandising.

This newest and most elaborate store in the Broadway Shops chain is the result of 30 years of work and vision by Steven and Margaret Wittman of Millington, N.J. In 1928, Mr. Wittman opened a

### Start Drive For Retarded Children Here

Mayor Albert G. Binder today proclaimed the period between November 12 and November 22 as "National Association for Retarded Children Week" and workers will start on a drive for funds throughout the Township.

Mayor Binder commended the parents for their "courage and initiative" in tackling their own problems. These parents deserve a helping hand for trying to solve one of the most tragic afflictions of our society.

He pointed out that 3 out of every 100 babies that are born suffer from mental deficiency. With the rapid increase in population in the United States, it is evident that the mentally handicapped child is one of the most serious social problems facing us.

The National Association for Retarded Children now has thousands of members and in the past few years has established and financed private schools, clinics, day nurseries, summer day camps and a variety of research projects to help prevent mental deficiency and to alleviate the ill effects of this handicap.

Mrs. Samuel C. Goldstein is chairman of the Springfield drive and the following have accepted assignments as captains: Mrs. K. Bandemer, Mrs. R. Jackson, Mrs. C. L. Seltzer, Mrs. I. Montag, Mrs. (Continued on Page 2)

### New High In Assets Reached By Crestmont in Springfield

When Mr. and Mrs. Hollander of 36 Park Lane (Springfield) entered the Springfield Office of Crestmont Savings to add to their thrift account, they had no idea that they were doing something of special significance.

But when Carl L. Becker, treasurer of the association, came out from behind his desk to present the delighted couple with a new radio set, it was explained to them: their savings had brought the assets of the Springfield Office to four million dollars, a new high.

The office was opened two years ago, in October 1954. By December 1955, assets were approximately two million dollars; by May 1956, they had climbed to three million; and this week the figure had come so close to the four million mark that the Hollanders' addition to their account put it over the top.

The association, which has its other office in Maplewood, has total resources of over seventeen million dollars.

So popular has the institution become with Springfield savers that Mr. Becker now spends all (Continued on Page 2)

### Garden Sees Nagel Stallion In Show

Ernie Nagel, Springfield's well known meat market proprietor spent the weekend in Madison Square Garden collecting ribbons as he watched his horse in the national spotlight for the first time.

His Arabian Stallion, A-ab-abu, took four ribbons before 15,000 equestrian fans in the Garden and millions over TV in the National Horse Show. Jeap Bricker, a skilled rider from Ernie's Madison stables, guided the mount through the intricate steps and disciplines of the show.

A-ab-abu, competing against horses from all over the country, won the following placings: 2nd in Three Gaited Arabian Stallion class; 2nd in Limited Class; 4th in Western Division; and 5th in Championship Stake Class.

Miss Bricker, a leader in her field, gives lessons in riding at the Madison stables. Her phone number is FRontier 7-3588.

**"TRICK OR TREATERS" HELP OTHERS.** Children of the Sunday School of the First Presbyterian Church participated in the "Trick or Treat for UNICEF" at Halloween in an effort to help underprivileged children around the world. This organization, (United Nations International Children's Emergency Fund) helps to provide medicine, milk and clothing for all children. The above children are pointing with pride to the special cartons that were used and, in this way, thank all the children who took part and their many friends who contributed to this worthy cause.  same family. Springfield's store is his 15th, all located in the Metropolitan area.

The new store is their most imaginative by far. There are two reception rooms in the front of the shop — one is a kindergarten including an array of toys, small tables and chairs. Members of the Broadway Shops staff will always be on hand to keep an eye on the children.

The store was designed by Miss M. Golub, nationally known interior decorator. She has infused her brilliant colors and novel ideas into stores as far away from her New York office as Larado, Texas. This, her third store for Broadway Shops, is almost a museum of modern interior decorating. From the humorous wallpaper in the little boys room to bamboo encased in plastic coverings on the entrance hallways, she has used distinctive designs. Notable are the 20 fitting rooms, half of them a cool aqua, the other half a sumptuous pink.

The new Broadway Shop is a complete reversal from the pipe-rack type of outlet usually expected on highways. A group of individual, specialty shops under one roof is the design. Each is unique in its decoration, so that they can be seen and recognized from any part of the store. All blend together into one harmonious department store for women and children.

From very practical children's snowsuits to the new Paris influenced Jersey dresses, the new Broadway shop features attractive apparel in every department. In addition to coats, suits, dresses and there are specialty departments devoted to children's wear, sportswear, bras, girdles and handbags.

# Youth Baseball League Holds Annual Dinner

**TO THE WINNERS**—Joseph L. Mayor Albert G. Binder, at right, participated in trophy presentation. (Photo by Bob Jones)

An enthusiastic gathering of some 175 boys, league officials, managers, coaches, umpires, special guests and mothers attended the 3rd Annual Dinner of the Youth Baseball League recently, which was held at the Presbyterian Parish House and presided over by Joseph L. Focht, league president.

The invocation was delivered by the Rabbi Reuben R. Levine of the Temple Beth Ahm.

Following the dinner short talks were made by Mayor Albert Binder, Township Representative Vincent J. Bonadies, and Babe Ruth President Eugene F. Don-

nely. Their talks centered around the importance of the league's activities in connection with the youth program in Springfield.

The championship team trophy was presented by President Focht to Rotary Club President, Edward Reibold, after which individual trophies were presented to the members of the championship team by Ed Ruby, league commissioner.

A special award consisting of a baseball glove and bat was presented to Richard Sussman, of the Rotary team, by President Focht in recognition of his outstanding ability and cooperation during the season.

Principal guest speaker of the evening was Frank Focht, brother of the league president. He is at-

present principal of the Short Hills Grammar School, previously having been a teacher, head coach, and athletic director of Millburn High School for many years.

Key note of his interesting talk was the thought of correlating athletic endeavors with educational requisites. He also spoke briefly of some of the highlights of his past baseball career, both in college and as a professional player.

A special note of thanks was extended to the local merchants and business men who so generously contributed all of the food for the dinner. These are Nagel's Pork Store, Cassales, Farm, Twigg's Restaurant, Grand Union Stores, Safeway Stores, Springfield Anglers Club, Center Meat & Fish Market, Springfield Market, Springfield and Prince's Farm.

The Committee wishes to ex-

press their thanks to the trustees of the Presbyterian Parish House for the use of their splendid facilities.

The dinner was prepared and served by mothers of the boys under the capable chairmanship of Mrs. Wm. Geoghegan. Assisting her were the following: Mesdames Mulhaupt, Baker, Straub, Ellowitz, Feldman, McCracken,

Fischtron, Eckmann, Weiss, Ratner, Pomerantz, Haas, Lucy, Christensen, Becker, Stickle, Freedman, Kordaweski, Walker, DeRondi, Gerski, Wyckoff, Cyre, Atkin, Bowman, Francis, Schnell, Patterson, Pocht, Ward, Selzer, Delmiring, Bonislauski, Haydu, and Abrams.

Also in attendance for serving were the Misses Betsy and Peggy Pocht and Bonnie Geoghegan. Many of the mothers also contrib-

uted cakes and flowers for the occasion.

The governing committee wishes to publicly express its thanks to the many fathers who so generously contributed their time in the major and minor league program.

## Good Snacks Add To Good Nutrition

Snacks are an accepted American eating habit. You can make snacks contribute to good health by choosing wisely, says Mrs. Irene H. Wolganoff.

"Select foods that add needed nutrients to your diet—protein, vitamins and minerals," she suggests.

"Good snacks for people of all ages are milk, fresh fruit and fruit juices. For teenagers,

snacks may be more substantial with sandwiches of enriched or whole grain bread and nutritious fillings, or a bowl of crisp cereal with milk. These foods add energy value, often needed by fast-growing adolescents.

"Very young children may have

their appetite spoiled for the next meal if they have snacks that are too filling or too sweet. Instead of rich cookies or candy, offer them a piece of fruit. Or let them have a small glass of milk or fruit juice with a small peanut butter sandwich.

### 'Kiss Me Kate' At Paper Mill

Frank Carrington is presenting the famous Cole Porter musical "Kiss Me, Kate" with book by Sam and Bella Spewack, as the current attraction at the Paper Mill Playhouse. The engagement will last for five weeks through Sunday evening, December 9.

Ted Scott, seen at Paper Mill earlier this summer in the starring role of "The King and I" and "Kismet," will be co-starred with Virginia Oswald, who enacted her present role when "Kiss Me, Kate" was given a previous showing at the Millburn theatre in 1952. They will play the amusingly temperamental stage couple who are "So In Love" with each other backstage at a pre-New York try-out of Shakespeare's "The Taming of the Shrew" but nevertheless fight constantly.

Mr. Scott will play Fred Graham, the ex-husband of Lilli Vanessi played by Miss Oswald. They first met while performing in an Old-fashioned operetta, which though their ways have since parted, they recall mockingly to each other in the song "Wonderbar." To its carefree strains, they dance gaily around until they are jolted back to reality by some of the exasperations encountered by the travelling Shakespearean company in which they have the leading roles as Petruchio and Katherine. As both star and director of the troupe, Graham finds himself in a delicious position of power over his glamorous ex-wife. She having become an important film star without his help since they broke up, resents his "taming" spiritedly enough to prove herself well-east as the Shrew of the play's title.

# Moving Together Toward a Common Goal

With the fowl of the air it is *instinct!* God has provided many of His simplest creatures with an innate sense of harmony, and of purpose.

But with man it is an *ideal* . . . still far from realization! Nations and individuals have usually sought their own ends, and little less than attack by a common enemy has ever brought them to united action.

Today, the challenge for harmony and brotherhood is stronger than ever. We know now that the very existence of civilization depends upon a peaceful world.

Our greatest hope is the Church, which throughout the ages, has unceasingly taught the need for *moving together toward a common goal*. And only the Church has pointed the Way toward that goal.

Join forces with the multitudes in every land who seek the highest goals. Worship with them the only Prince of Peace. And, believing with all Christians in the might of Right, work toward our God-promised destiny.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal  
Chairman, Springfield Shade Tree Commission

Many people have phoned asking what the colored dots mean on shade trees along the curb line near the Short Hills avenue section of town. Part of the Shade Tree Commission program is pruning and elevation of low hanging trees. This work was bid on by several tree experts and the colored dots was a code designating the type of work to be done on that particular tree. A white dot was for complete removal, red dot for pruning out dead branches and blue dots for elevation, or clearance above sidewalk and street.

This work will be done by the Davey Tree Experts, who were the low bidders, and will be started in a short time. The work must be completed by December 15th.

Q. When was the shade tree commission started?

A. It was formed on January 1, 1955 and is composed of three non-paid members appointed by the Mayor of the Township Committee.

A. The original members were Felix Gold, Edward A. Cardinal and chairman Adam LaSota. After the resignation of LaSota, Nathan Hart was appointed the third member and Edward A. Cardinal became chairman. Mr. Cardinal operates a nursery and supply center on Milltown road, Felix Gold is the proprietor

### CATHOLIC INFORMATION

#### OF ELECTRIC FANS, CUCUMBERS, AND VARIOUS SUN-DRIES...

Did you ever sit watching an electric fan and wonder what would happen if you were to feed a cucumber into it? You might slice the cucumber, all right, but it would be a sad-looking fan by that time—because fans were made for an entirely different purpose than the slicing of food.

Or think of how odd it would be if we ate with our ears, listened with our noses, and smelled with our mouths. Imagine pouring tea into one's ears, or shouting into a deaf man's nose, or yawning at a rosebud... Why so strange? Because noses were made for smelling, mouths for taking in food and drink, and ears for listening. It's always been that way, so that any shuffling-around-of-purpose strikes us as being awfully funny.

So, then, if you can't heat a room with a light bulb (it wasn't made for that), or pick a rice pudding off an apple tree (same thing), or get thumb-tacks out of a cow, we begin to see that each thing we bump into has its own purpose—electric fans, light bulbs, noses, ears, mouths, apple trees, cows, and everything else under the sun.

But what is our purpose in life? We're here, there can be no doubt about that, just like all the things we mentioned. We weren't made to stir up breezes or heat rooms, or to yield rice-pudding and apples. That much is certain. But we must have been made for something.

Were we made to sell insurance, or wash dishes, or heal the sick, or raise chickens? Maybe some of us do those things for a living, but surely they aren't our be-all and end-all. Were we made to get rich—or to become a power in our community?—or to woo and win last season's bathing beauty?—to sit in on every film out of Hollywood?—take in every party in town?—marry our children off to "better" people than ourselves?

Look closely, neighbor, because lots of people think that's the only point in life: money, pleasure, or power.

No—God is our maker, and He set Himself as our purpose. From Him we came, to Him we return, by making a careful use of our lives. We live for Him, that is the purpose of our lives—"to know, to love God—and to serve Him in this life, so as to be happy with Him in the next."

#### Named For High Honors

Phyllis J. Gruber of 47-D Flemer Avenue has been approved to work for graduation this Spring from Douglass College with high honors in history.

The high honors program was established at the State University Women's college in recognition of the fact that there are certain upperclass students who desire to

undertake major-field study more advanced and comprehensive than is required in usual course work.

### Letters to Editor

Editor, Sun:—  
Following is an open letter to Mr. and Mrs. John Keith of 77 Spring Brook road.

In taking time out from the political issues here in Springfield, we would like to extend a profound thanks to you, Mr. and Mrs. John Keith, of 77 Spring Brook road, for your work with the teenagers of Springfield and the whole Regional area.

For a great number of years, you have given to the teenagers your Saturday nights so that we may enjoy Teen-In-Mary times it must have seemed to you that we did not enjoy Teen In and the efforts that surrounded it. For even as teenagers, we received that impression ourselves. We marveled at your patience and

understanding in conducting Teen In. Sometimes we realized that your efforts seemed fruitless. However, this is far from true. What are we teenagers without that little spark of mischief? We watched you when all your patience was exhausted, and then a few minutes later you both had a smile on your faces.

We sometimes used to put ourselves in your place, and often we became disconcerted as to what we would do. Then, again, though, we watched when everyone was having an enjoyable time, and all the past experiences seemed to have been taking place somewhere else.

Mr. and Mrs. Keith, you performed one of the first services that we teenagers will always remember. We cannot dispel or ignore your gracious willingness to help. We all realize what a great controversial subject we teenagers are today. We also realize

that credit should be given where credit is due. We extend that credit, thanks, and heart-warming friendship to you for being two of the outstanding citizens here in Springfield.

Sincerely,  
The Teenagers of Springfield

Editor, Sun:—  
Please extend my thanks to those who were responsible for placing the benches near the shopping center. It is indeed a pleasure to know that your town has some consideration for those who

have to wait for the bus.  
Very truly yours,  
Ben Rappaport,  
C.P.A.

At this time, Director Benninger thanked Mrs. Justina Hunt and Mr. Wm. Goddard of Civil Service Council #3 for meeting with this Board and discussing various phases of conditions of salaries and salary ranges. He stated that this Board has set up a new set of salary ranges for the employees of Union County.

Mrs. Justina Hunt and Mr. Wm. Goddard thanked this Board for giving the same consideration to other employees in Union County as they did to the employees of John E. Runnels Hospital in July.

Freeholder Hertz stated that he would like to explain briefly what the Board agreed to do. First, this Board accepted a set of salary recommendations made by the Civil Service Commission for general employees of Union County other than the employees at John E. Runnels Hospital. Second, the employees who have been employed by the County for more than 3 years and who have reached the maximum of the new range will be moved to the maximum on January 1, 1957. Third, other employees who will be within the new range and not in the proper step will be moved to that step according to their years of service.

There being no further business and upon motion duly made and seconded, Director Benninger declared the Board adjourned. Next regular meeting will be held on Thursday, November 8, 1956 at ten A. M.

Chameleonic cars — ones that change color — may be on the market soon. New metallic powders produce an effect that causes a surface to change shade with the angle of inspection. When a bronze powder is added to the paint, the color effect ranges from a deep purple to a pastel green.

# SUNNING SPORTS

By RITCHY SCHWARTZ

Westfield came here last week. They went home the same day but they went a football game richer. Regional looked pretty good but just didn't have that final surge to overcome the Westfielders.

We shown brightly in the opening minutes of the contest and the word "victory" was said to be heard in low tones through the RHS stands. But when the enemy went ahead 7-6 spirit was somewhat broken both on and off the field. The cheerleader came in the second half when Westfield scored once more to pull ahead, and stay ahead 14-6.

With five seconds remaining Tom Doroghty got a hold of the ball and scampered for the longest Bulldog run of the season—only to have the play called back because of a penalty—well that's life.

Linden and Rahway remain and then the pigskin-campaign will come to a close.

Scorewise—and winning wise this '56 season has been nothing to rave about. But the boys and coaches have tried and that's what counts, especially in high school.

We have put some lads on that

field who have played their hearts out and have taken pride in their work win, lose or draw.

Tom Scriba, sidelined with an injury has once again turned in a superhuman job trying to hold the squad together. Jerry Vinnela, pepper-pot of the club, has done more yelling than in any other previous season. Russ Cera, fleet-footed hack also sidelined, has tried his darndest. Buzzy Layng, Ed Roeder and Danny Brownell deserve tips of the hat for fine jobs.

Let's not, in our haste to give some recognition, forget about other mainstays of the team.

Richie Kschlik, Don Carpenter, Bob Kieth, and Dave Lopaniak Orange and Blue "workhorses" have given it all they've got... and more.

We have dished out some nice words in the last few paragraphs but once again we are going to end this week's edition of Sunning Sports on a sour note: Attendance at HOME games mind you has been nothing short of "lousy". And we only use this word because true profanity has no place in the Springfield Sun. How do you think a football player felt on Saturday when he looked at

both sides of the field and came to the conclusion that Westfield had more spectators than Regional at Regional.

Mr. Suchena wants each and every one of you to march out to the athletic field next Saturday against Linden. For God's sakes, the boys aren't pros, they don't get paid in cash, they get paid in pride when they see every nook and corner of the RHS side filled to capacity.

Come on, show your devotion to YOUR school. Let's pour it on against Linden. In the seats and on the gridiron.

### S'field Mk't Rolls Away from League

Springfield Market has increased their lead in the Springfield Bowling League to six full games after sweeping three

games from Andrea Driveways Monday night.

It begins to look like nobody is going to catch the Market men. Mendie Florist, Beckmann's Market and Bunnell Bros. are tied for second place. Mendie managed to win two from Cuzzolino Furs last week and Bunnell Bros. swept a set from the former second place holders, Parkview Garage. Beckmann's Market took three from Drake Fuel, one of them by four points.

America Legion No. 2, showing signs of improvement, took the whole evening from Franks Auto Service, though they were pressed to a mere three point advantage in the finale. American Legion No. 1 lost two to Brunner Construction in the other action of the night.

Jacobovitz was high man for the night with a 255 game. Other 200 games included: Roessner's 237, Ratello's 216, E. Bauner's 200, R. Anderson's 226, Piorsons 203, Jones' 222, Salzano's 224, D. Bunnell's 202, Carmen Pacifico's 205.

### New High For VFW Bowlers

The fighting V.F.W. Mavericks posted a new high team 3 game series of 2660 to steal 3 out of 3 from the P.B.A. and now have a three game lead in the Sports League. Jimbo's Texaco Station won two from Disc & Shutter to tie for 2nd place honors. Lynn Decorators continued their win-

## THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of testing, the '57 Pontiac is on display tomorrow! Even a brief once-over of Pontiac's sleek new lines tells you that you're in at the start of a styling revolution. And that glistening sheath conceals a carload of engineering "firsts"—all polished to watch-work perfection in the toughest test ever given a new car.

This '57 Pontiac rounded the road through 100,000 miles of tests... through it all Pontiac engineers found and perfected every feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eights in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic\* to give you the smoothest riding, easiest handling—and safest—new car ever to hit the road!

See and drive this new '57 Pontiac. Sample in a single mile all that's been proved by 100,000 miles of testing.

AND THE FIRST CAR AT ANY PRICE WITH...
