## THIS WEEK

### WELL-DESERVED VICTORY

Members of the Springfield Regional football team who aimed everything at that one traditional Thanksgiving Day game with Rahway, are eating steaks tonight as guests of a very happy and grateful Boosters Club. The column by Milt Farb in the sports pages of the Elizabeth Journal tells the story and covers all the sentimental approaches, as follows:

Just two weeks ago, a message reached this department from the Springfield Regional High School Boosters Club. "Our football team hasn't won any games this season," wrote Eddie Hoffert, one of the club's main movers, "but we're still going to give the kids their annual steak dinner."

That announcement came right after Springfield's Bulldogs had lost their eighth straight game. In eight contests, the apparently hapless Springfielders had scored a mere 28 points while yielding the opposition 203 points. Not since 1942 had a Springfield football team been kicked around that badly.

But despite their deficiencies this season, Coach Mike Suchena's footballers had the comforting feeling of knowing that their followers hadn't deserted them. It's always nice to know you've got some friends when you're down and out.

### Encouragement That Mends Broken Spirits

In fact, such encouragement usually mends broken spirits and leads to happier days. Which is exactly what happened in Rahway on Thanksgiving Day. These "down-and-out" Bulldogs suddenly snapped out of their lethargy, had some fancy biting to go along with their bark, and turned in a startling 19-14 victory over the once-beaten Rahway team which had been favored to win by four or five touchdowns.

So now the Boosters' Club dinner, slated tonight (Thursday) at Old Orchard Inn, Route 22, Springfield, is going to be a whole of a party after all. Anytime a Springfield team beats Rahway on Turkey Day, it's real cause for celebration—even if the Bulldogs are undefeated going into the game.

Let's review more of the Boosters' Club letter written two weeks ago. "The good people of the Springfield district aren't moaning because the football team is being lambasted unmercifully, but just waiting, as we know they'll be back to be ranked among the best in the state."

"The Regional Booster Club recognizes the hard work of the footballers and especially the spirit of the kids. We know every kid likes to play on a winning team, but these Regional players never gave up this season, even when they trailed by several touchdowns."

### They'll All Join in the Celebration

The Boosters' Club didn't give up on its boys, and the boys didn't let down the club, after all. Every member of the grid squad—varsity, junior varsity and freshmen, plus the coaches and team managers—will join in the happy ending tonight.

There should be booster clubs like this in every municipality in the county. They do what their name implies—boost morale.

As an extra added attraction for the gridders, the Regional Boosters have lined up two of the New York pro Giants' outstanding players—Rosey Grier of Linden and Alex Webster of Kearny—as guest speakers. All this and steak, too.

### WHO HAS THE ANSWER TO THIS ONE?

Under his own heading "What is Happening to Springfield's 100 percent Americans," T. M. O'Connell, Sr. of 132 Pitt Road, has sent a letter he would like published in the Springfield Sun. O'Connell is a card-carrying union man and believes in complying with organized labor rules. Here is his letter:

"It is not bad enough that all these new homes are being built with non-union labor but they also work on Thanksgiving Day!

"What is happening to our American holidays? I hope some of the Town Fathers would pass an ordinance prohibiting construction work on Sundays and holidays in this historical town. We also have the American Legion and Veterans of Foreign Wars in town. Yet a large development in Springfield has carpenters working away for the Almighty Dollar.

"These men are not from Springfield. This is not emergency work."

(Signed) T. M. O'Connell, Sr.

We don't know what the situation is here in the matter of organized labor but Mr. O'Connell appears to be disturbed and the letter above might help clear up the question.

### GOVERNOR MEYNER DOESN'T THINK SO

This brings up another matter—the campaign against Sunday selling. The Union Register reported last week that "Governor Robert B. Meyner told a conference of weekly newspaper editors in Trenton that he sees little chance of legislation, closing non-essential establishments, being adopted."

The Governor said he doubted if such legislation would be adopted because of the discriminatory clauses it would have to contain.

The Governor said the Sunday closing of non-essential businesses is sought by large stores in cities who, he said, are closed Sunday and feel they are suffering because highway stores remain open that day for business. He said one of the contentions of the large stores is that they not only are losing Sunday sales revenues but are also paying heavier taxes than the highway merchants.

The Governor said any legislation closing stores on Sunday would meet strong opposition from New Jersey seashore communities, where concessionaires pay heavy rents they hope to recoup from Saturday and Sunday shore visitors.

He said that if exceptions are made so that those boardwalk stores could remain open, the legislature could

The SPRINGFIELD SUN has won another ribbon in the annual state-wide contest at the 25th annual Better Newspaper Institute of the New Jersey Press Association, held recently.

The Springfield Sun was awarded second place for display advertising for suburban weekly newspapers in the Sun's circulation class. Carteret Press won first prize in display advertising.

Four ribbons were won by the Springfield Sun in last year's state-wide contests, taking FIRST PLACE HONORS in Front Page Excellence, FIRST PLACE in Classified, THIRD PLACE HONORS in General Excellence and THIRD PLACE in Social Page.

## Look for Big Xmas Buying Season Here

Holiday shopping volume in Springfield is expected to break all records if the early retail buying is any indication of what is to come in the next few weeks.

Optimism regarding the active holiday volume was voiced by several merchants on Morris Avenue, in the General Greene Shopping Center.—Mountain Avenue and the Route 22 retail establishments where the sales are already ahead of normal.

Robert Davidson, general manager of the J. J. Newberry operation in the General Greene Shopping Center, says "there is no question that our sales this year and sales generally in Springfield will run far in advance of last year. Consumers are buying much earlier this year and we find that shoppers are coming to Springfield from Union, Mountainside, Westfield, Summit, Millburn, Short Hills and even from Maplewood and the Oranges."

"We have prepared ourselves for this unusual rush by replenishing our stocks and bringing to our store all the latest goods giving a very wide selection to all. Extra personnel has been hired to take care of the holiday buying."

### Expect Big Season

Chamber of Commerce President "Ike" Freedman is also announcing that Springfield is in for its greatest year of business. "People are beginning to buy their Christmas items much earlier this year," said Freedman, "and we are happy to see so many new faces—walking into our Morris and Mountain Avenue stores. Shoppers, attracted to the General Greene Shopping Center, spill over into the other retail establishments and all of them report very active buying."

Mr. Freedman also announced that the new Xmas lights, installed by the Chamber of Commerce in Morris Avenue, will be turned on in a few days which should add considerably to the holiday spirit in Springfield. Instead of strands of lights across Morris Avenue at a few places, the Chamber, this year, contracted to have the Xmas lighting all along Morris Avenue on both sides of the street.

Merchants and local industries are cooperating in paying for the costs of lighting up Morris Avenue for the holidays and the response has been very gratifying, according to Freedman.

"We have received checks to help pay for these lights from a great many merchants on Morris Avenue," said the Chamber of Commerce president, "and we hope to have a response from all of them from every store on the avenue in the next few days. We believe the expense of giving Morris Avenue this real, warm holiday mood should be borne by all"

## Woman Voters to See Film on Dec. 6

Mrs. Charles Danziger

On December 6, the Individual Liberties Committee of the Springfield League of Women Voters will hold a unit meeting at the home of Mrs. B. Boruss, 92 Wentz Avenue, at 8:15 p.m. The committee will present the "Oppenheimer" film strip consisting of an interview between Ed Murrow and Dr. Robert Oppenheimer, famed atomic scientist—after the latter's dismissal from his government post.

Following the film, Mrs. Charles Danziger will lead a discussion concerning safeguards under our present program that would prevent such an occurrence from happening today. All League members are urged to attend this vital meeting.

## Highway Boss Still Hasn't Sent Answer

Springfield's governing body sent an urgent letter, dated July 30, 1956, to State Highway Commissioner Dwight R. C. Palmer in Trenton.

The letter stated that "many complaints had been received regarding the exposed trolley rails in Morris Avenue... that the police department reported three bad accidents WITHIN FOUR MINUTES caused by these car tracks."

But, as this is being written (November 27, 1956) there hasn't even been the courtesy of a reply. The urgent letter also asked "for a conference with you concerning the removal of the dangerous tracks... at a time and place most convenient to you..."

But Commissioner Palmer hasn't had time to "discuss the matter."

Which means that Springfield is faced with another winter of skidding—another season of accidents because of these obsolete and exposed trolley tracks.

AGREES WITH US

Even Mr. Palmer knows that the rails have been causing accidents and his letter of June 20, 1955, stated that "we are fully conscious of the need of executing such a project at the earliest possible date. HOWEVER, LET ME SAY THAT THOUGH WE COULD COMPLETE THE JOB BY SEPTEMBER OF THIS YEAR, WE WOULD BE UNWILLING TO DO SO UNLESS YOUR PARKING REGULATIONS ARE MATERIALLY CHANGED. IN OTHER WORDS NO PARKING ON MORRIS AVENUE."

That letter was addressed to Mayor Binder in June of 1955 and it is now practically the end

## Judge Corrects Mistake in Sun

The following letter was received by the Springfield Sun from Magistrate Henry C. McMullen of Springfield's Municipal Court, which is self explanatory:

Your issue of last Wednesday, Nov. 21, stated "Girl Fined for Jaywalking."

In order that the public might be completely advised I wish to call attention to the fact that the defendant was a woman 60 years of age, a trained nurse, and certainly not a girl in the ordinary sense. Furthermore she pleaded guilty and paid a minimum fine rather than stand trial. The summons was issued by a State Trooper.

Very truly yours,  
HENRY C. McMULLEN.

## Christmas Bazaar to Be Held at Methodist Church

Final plans are being made for the Christmas Bazaar to be given by the Ways and Means Committee of the Springfield Woman's Club on Thursday, December 6, at the Springfield Methodist Church, at Main Street and Academy Green, from 12:00 to 7:30 p.m. The departments which are participating will have their booths gaily decorated in keeping with the holiday theme, and each will provide store of exciting gift items to help members and friends with their Christmas shopping.

Most of the articles for sale are handmade, and there will be many new gift suggestions, as well as practical items for one's own use.

For those interested in something different in the line of food, the International Relations Department will offer imported food stuffs, such as tea, candies, jelly, etc. Along the same line, the American Home Department will have a cake sale, and the public is advised to come early in order to take advantage of these delicious home-baked cookies and cakes. Chairman of the American Home Department, Mrs. Vincent J. Bonadies, announces that their booth will also feature such items as covered coat hangers, toaster and mix-master covers, pot holders, crocheted cocktail napkins, tally cards, boys' and girls' aprons, bean bags, various knitted articles, and decorated candles, as well as plain candies.

Among the gifts offered by the Music Department are Christmas candy and lovely aprons, which Mrs. Stanford Hettiger and her members have made.

Mrs. Marton D. Williams advises that the Art Department's booth is the place to visit to find a gift for "the gal who has everything."

The members have decorated many luxury and practical items, such as cigarette and match boxes, salad sets, toms, and innumerable shell-trimmed novelties. Also, they will feature beautifully-decorated Christmas balls.

For decorating purposes, as well as new gift ideas, the Garden Department can offer many items. Small Alu-Foil bells and Christmas trees have been made by the members, under the Chairmanship of Mrs. Harvey P. Sommerer, as well as silver and gold candelabras which will be filled with pine cones, and glazed pine

## Legion Auxiliary Plans 3rd Dance

The executive board of the American Legion Auxiliary met at the home of Mrs. Segurd Holme, 21 Edgewood Avenue on Tuesday.

Plans were discussed for their forthcoming Third Annual Dance—to be held Friday, January 25, 1957, at the Blue Shutter Inn.

Tonight the Auxiliary will hold its regular meeting with county officers as special guests. The speaker for the evening will be Miss Rosemary Bednarik who will speak about her trip to Girls' State. The American Legion Auxiliary sponsors a girl each

## Musical Show Is Scheduled By Club Women

A program of Christmas Carols dating from the Renaissance Period to the present time will be presented by the Music Department of the Springfield Woman's Club at their next meeting to be held Wednesday evening, December 5th at the Edward V. Walton School. Mrs. Stanford Hettiger, chairman of the Department, has announced that the program will be directed by Mrs. Mary Depperman, who is Music Director in the schools, and Mrs. John Trout will accompany the group. The auditorium will be attractively decorated for the occasion.

Also, the Sixth Federation Guest Day will be observed at the December meeting, and invitations have been sent to State Officers and to Presidents of the Fifth District Clubs and their guests. The Club will be honored to have as a speaker the State President, Mrs. Charles S. Sanborn of Glen Ridge.

Refreshments will be served by Mrs. Adolf Sismum and the Hospitality committee.

The Art Department (Handicrafts) will hold its next meeting on December 3 at the Cannon Ball House, where the members will work on creations for the bazaar. Hostesses will be Mrs. S. Bryant Haas, Mrs. Russell D. Post, and Mrs. Adolf Sismum.

A great deal of work has gone into preparations for the forthcoming bazaar by all of the departments which are participating in it, and they will have a fabulous store of gifts for sale on December 6th. Come by with your friends for a snack and an afternoon of pleasant shopping! The "Younger Set" will be entertained at the Fish Pond, where they are sure of "catching" a gift they will like.

## Offers 3 Rules For Delivery Of Xmas Mail

Pointing up the need for your cooperation on his 1956 "Mail, Early For Christmas" campaign, Postmaster A. V. Del Vecchio says if you will follow these three simple rules, all of your gifts can be delivered before Christmas Day: WRAP THEM SECURELY, ADDRESS THEM CORRECTLY, AND MAIL THEM EARLY.

Amplifying these rules, the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Insure your parcels. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the shocks." A modest investment in heavy wrapping paper, strong cord and craft adhesive tape will pay big dividends in the safe delivery of your cherished Christmas gifts.

The Postmaster also reminds local residents that size and weight limitations for parcel post packages vary according to place

## Angleton Will Start Work on Project Soon

Work on Springfield's newest, lush garden apartment project which is to be constructed in the high section of Shunpike Road, will be started within a few weeks.

Announcement was made yesterday by Nicholas Angleton, who has given Springfield such fine properties as Short Hills Village and General Greene Village, that all the "loose ends have been tied together—that all mortgage and financing problems have been solved—and the only thing to wait for are some few legal details to be worked out with the Township."

A public hearing on this change is scheduled for Thursday, December 13, 1956, at 8 p.m. but no opposition is expected since Angleton's entire plan has been approved by Springfield's various departments.

The entire garden apartment project calls for 370 units but Mr. Angleton will start the very ambitious development with the first section of 146 family units or 692 rooms. This garden apartment will be of the most modern construction, fully air conditioned, with swimming pool for the infants, back entrances and many other attractive features. Angleton plans to "even out-do" the many comforts he gave Short Hills Village, with play areas, limousine service and other ideas of modern living.

Plans for the first section of 146 units have already been drawn and actual work will be under way as soon as the Planning Board irons out the change in re-subdividing the property, according to Mr. Angleton's statement yesterday.

30-YEARS SERVICE—Christian Anderson of 22 Lyons place, recently received the 30 years service award at Esso Standard Oil Company, Bayway Refinery, Linden.

Altar Society to Hold Cake Sale

The Altar and Rosary Society of St. James Catholic Church will hold a cake sale in the school cafeteria after all the masses on Sunday, December 2.

Mrs. John Bradley, chairlady, will be assisted by Mesdames Gladys Howarth, Violet Reutseh, Ann Marloff, Betty Koptish, Sally Bandomer, and Mary Salmon.

Garbage Service Target Of Many Complaints Here

James Petrozello Company, scavenger contractors for Springfield, may be headed for trouble in the Township unless they do something to stop the increasing number of complaints being made to the Board of Health regarding the garbage service.

While it is conceded that many of the complaints are not justified, said one Township official, so many of them have to be brought to the attention of the Health Board, the situation calls for immediate action.

"There has been an avalanche of complaints," this official stated. "We have found many instances where the garbage was not properly prepared or placed at the curb too late for collection. But the chief source of trouble is the fact that Township officials are having difficulty making contact with the Petrozello officials. Some one answers the telephone but we cannot get the man we want. The Township has been compelled to

send telegrams, addressed to the executives of the scavenger concern, demanding that certain abuses be eliminated."

Many Complaints

According to this source of information, the many complaints received are of grave concern since they include refusal to pick up garbage, speeding the scavenger

### Mrs. Edgell Dies At Sixty-Four

Mrs. Florence Palmer Edgell, 53 Park lane, died suddenly on Monday, November 19 at Overlook Hospital at 64. She was executive director and home service chairman of the Millburn-Short Hills Chapter of the American Red Cross.

The widow of William T. Edgell Jr., Mrs. Edgell was born in New York and had lived here 11 years. Before that, she lived in Schenectady and later in Maplewood for 15 years. She was graduated from Barnard College in 1914.

She was president of the Panhellenic Assn. and of the College Club, both of Schenectady, and was a member of the College Club of the Oranges, Barnard Club of New Jersey and Chi Omega National Sorority. She became interested in Red Cross work during World War II, when she was active in home service work. She leaves a son, David P. of Campbell, Calif.; a brother, Lester Palmer, and a sister, Mrs. Fred Bates, both of Bethel Conn., and two grandchildren.

Rev. Jacob Trapp of the Community Church of Summit conducted services on Friday, November 23, in Smith & Smith Suburban, 415 Morris avenue, Springfield.

### Give 'Em Watts' Rt. 22 Racers Lose Licenses

Members of the "Give 'Em Watts" Society of the Children of the American Revolution enjoyed films and a discussion on conservation at their meeting on Tuesday at the home of Mrs. L. S. Stevens, 778 Mountain avenue.

The discussion was led by Charles Stevens, a member of the group and State Chairman of Conservation. The films, "Adventures of Junior Raindrop" and "Extra Forest Dollars," were loaned to the Society by the U. S. Department of Agriculture, Forest Service Division.

Jeffrey Manuel, local Junior President, presided at the meeting. Plans for future programs were discussed and some of the objectives of the Society were outlined.

Mrs. R. B. Champlin is the Senior President of the Society. She represents the Church and Cannon Chapter of the Daughters of the American Revolution, who sponsor the Society.

Two North Plainfield youths were fined and had their licenses revoked in Municipal Court Monday evening by Magistrate Henry C. Mentulla on charges of speeding on Route 22. Police told Mentulla that the pair was racing.

One of the youths, J. Allen Wilson, 21, was fined \$20 and his license was revoked 30 days. The other, John Griestmeyer, 19, paid \$15 and his license was suspended for six months.

Griestmeyer was fined an additional \$30 for not having an inspection sticker.

They were arrested Nov. 19 by Patrolman Leslie Bell, who told the court that the duo appeared to be racing. The youths denied they were racing and said they didn't know each other.

LORRIE LEWIS

Topping the social events of the past week are all the wonderful Thanksgiving parties and family gatherings enjoyed by our Springfield neighbors.

Mr. and Mrs. Edgar Pollack of 115 Bryant Ave. and their children, Priscilla and Edgar, motored to Buffalo, N. Y. to spend Thanksgiving with Mr. Pollack's brother and sister-in-law, Mr. and Mrs. Wilson Pollack.

Elton Insley of 26 Cottler Ave. shot an 8 point Buck in the North

at the Grand Union Market starting at 10 A. M. If past P.T.A. Cake Sales are any indication, it will be well worth your while to get there early.

Former Newarkers, Mr. and Mrs. Richard Dwyer and their daughter, Patricia are now residing at 78 Irving St. The Dwyer's have another daughter, Mrs. Michael Lutz of Springfield. Mr. Dwyer recently retired from the Newark Evening News.

Mr. and Mrs. David Sageser of 127 Bryant Ave. were hosts during the Thanksgiving holidays to Mr. Sageser's brother and sister-in-law, Mr. and Mrs. Claude Sageser of Lexington, Kentucky. During the eventful 5-day reunion they visited the United Nations and attended a performance of "The Happiest Millionaire".

Mr. and Mrs. Naam Gershwint of 258 Morris Ave. happily announce the birth of their daughter, Lynn Rachel, on Wed. November 21 at Overlook Hospital weighing 10 1/2 lbs. The Gershwins are also parents of a son, Zelman, age 9 1/2 years old.

Mrs. W. A. Wooten of Eastman, Georgia is visiting with her daughter and son-in-law, Mr. and Mrs. E. E. Laudner of 74 Weitz Ave. Mrs. Wooten plans to remain until after the Christmas holidays.

Ronald Barz, son of Mr. and Mrs. W. Barz of 511 Meisel Ave. and Paul Van Ness, son of Mr. and Mrs. J. Norwood Van Ness of Alvin Terrace, spent three days at the Bishop's Convocation held at the Trinity Methodist Church in Albany. They attended many lectures dealing with all branches of the ministry such as the Armed Forces, mental hospitals, prisons, and, of course, regular church ministerial work. The young men, both of whom plan to enter the ministry, were sponsored by Rev. Dr. Marvin Green of the Springfield Methodist Church.

Marjorie Fried, daughter of Mr. and Mrs. Robert Fried of 15 Glenview drive, will celebrate her 9th birthday on Nov. 30th at a party attended by her friends.

Mr. and Mrs. Marvin H. Strauss of 15 Berkeley Road are among the newcomers to Springfield having moved here from Newark. They have three youngsters—Marsha age 8 years, Linda Susan age 3 1/2, and Arthur Lee age 9 months. Mr. Strauss is a C.P.A. with offices in Millburn.

Other recent arrivals include Mr. and Mrs. Sam Greenfelt of 18 Berkeley Road, formerly of Irvington. Their two daughters are Rhonda age 8 1/2 years and Sharon

## Harry Sautter Dies Sunday

Harry Sautter, owner of an ornamental iron supply firm in Springfield, died last Sunday at his home at 40 Marey Ave. He was 65.

Mr. Sautter was born in Newark and had lived in New England and on the West Coast before moving to Springfield 12 years ago.

Mr. Sautter was at one time manager of the Kraydon Golf Club in Los Angeles and had also been employed by the Greenwell Fire Alarm Co. in Massachusetts and the C-O-Two Corp. in Newark.

He leaves his wife, Mrs. Ada Vogeler Sautter; a daughter, Mrs. William J. Elam of West Chester, Pa.; a brother, George F. Sautter of Red Bank, and two grandchildren.

Dr. Arthur Northwood of the Elizabeth Avenue Presbyterian Church, Newark, conducted the services on Wednesday at the South and Smith (Suburban) Funeral Home, 415 Morris Avenue, Springfield. Burial was in Evergreen Cemetery, Elizabeth.

## Springfield Men Into Fraternity

Ian Godfrey Durand of 162 Short Hills Avenue and Harris C. Rawicz of 35 Rose Avenue were both elected recently into the Newark College of Engineering Circle of Omicron Delta Kappa, according to Professor Edward Miller, faculty secretary.

Omicron Delta Kappa is a leadership honor society for men designed to bring together in one body for the general good of the college all leaders in the various forms of student activities.

Membership is limited to upperclassmen who have distinguished themselves in certain major and minor positions or offices while remaining in the upper third of their class.

**THE MIGHTY CHRYSLER '57**  
 Most glamorous car in a generation

**Cinderella never had it so good!**  
 If a man wants to make the lady of his heart feel loved and cherished beyond all other women, there's nothing that will do it like the new 1957 Chrysler

The man who owns a Chrysler has always expected... and got... the world's finest engineering and quality. This year he gets something else in addition. He gets the rapturous approval of the lady of his heart. For the 1957 Chrysler simply wraps a lady in admiration. Every ease her heart can desire is there... including the matchless convenience of pushbutton driving and the floating relaxation of the Torosion-Aire ride. Yes, this year, the lady who is seen in the world's most modern motor car will be a happy lady, for never has she looked or felt as good in anything before!

Exciting performance news for men, too! For the third year in a row, the mighty Chrysler is the winner of more NASCAR Grand National stock car races than any other car—with 50% more wins than its nearest competitor!

**P.T.A. NEWS**

Don't forget the Cake Sale this Friday morning at the Grand Union Store. Mrs. E. Weiniger submits the following letter which was received by the P.T.A. two years ago in regard to a former cake sale: (quote)

To the President of the Springfield P.T.A.:

In passing through Springfield today we had to stop for a red light in front of the garage where your organization had their cake sale—and fortunate were we.

I bought the most delicious things—hot candied nut buns, a pumpkin pie, and a delicious coffee cake. I wish I had bought one of your lovely cakes. I have never seen a finer display of cakes anywhere.

Please let me know when you will again have a sale and I will surely be there!

Mrs. F. H. Kubler,  
55 Naden Ave.,  
Irvington, N. J.

On November 28 there were two meetings involving P.T.A. workers. One was the meeting of the committee appointed to study the possibilities of dividing the P.T.A. into four separate groups. This report will be given at the January regular meeting. Please keep your memberships cards so you can vote on this important matter. The other meeting was a Township Committee meeting attended by Mrs. B. P. Yuckman, Mrs. R. B. Jackson, and Mr. and Mrs. E. J. Harback to discuss the possibilities of more sidewalks and traffic lights near the Walton School.

The annual Open House meeting of the P.T.A. was held in each of the four schools this past Monday night with over 300 in attendance at each place. After a brief business session conducted by the Vice-presidents of each school the parents were invited to visit the classrooms and meet the teachers. Attendance was registered by the Class Mothers and the awards for each school will be announced in this column. The hospitality committees serve refreshments at the close of the evening. The Safety Chairman, Mrs. R. B. Jackson, took advantage of the opportunity to display safety posters in the classrooms.

One of the most interesting features at each school was the attractive display of books. Since this is National Book Week Mrs. Joseph Bender, Program Chairman, arranged for a representative from the Springfield Library to attend each school and explain the opportunities and privileges offered by our local library. Christmas book lists were available free of charge and we were welcomed to take advantage of all the varied services which our libraries offer.

The Canadian Government has designated the historic fortress atop Citadel Hill, overlooking Halifax and its many-armed harbor, as a National historic park. The fort was built in 1749.

### County Women to Honor Flo Dwyer

Plans for a luncheon honoring Congresswoman-elect Florence P. Dwyer were announced today by the Union County Federation of Republican Women.

The luncheon will be held at the Congressional Hotel, Washington, D.C., on January 3—the day Mrs. Dwyer will be sworn in as a mem-

ber of the 85th Congress. County Federation President Mrs. Helen M. Glaeser of Plainfield, in announcing plans for the luncheon, disclosed that arrangements are being made to provide special train facilities for Union County women attending the Washington luncheon.

Mrs. Glaeser said a special car will be attached to a Pennsylvania train stopping in Elizabeth, to provide reserved round-trip facilities for Federation members. Information concerning the

luncheon and train reservations can be obtained from Mrs. Elizabeth Arthur, Plainfield 6-5845; Mrs. Louis O'Brien, Cranford 6-0066, or Miss Mary Kanane, Elizabeth 5-6697.

The U. S. Capitol forecourt in Washington, D.C., has been the setting for the inauguration of every president since Andrew Jackson. Architectural changes will change that for the next inauguration.

**GETS PISTOL TROPHY**—Patrolman Edward Daumer receives a trophy for "the shooter making the greatest improvement" in the Union County Police Pistol League. Captain Selander of the local Police makes the award at the annual League dinner held on November 14 in Linden.

### Robt. Brandner Engaged to Wed

**Beverly Anne Frimmer**

Mr. and Mrs. Edward Frimmer of 101 Haddon place, Upper Montclair, N. J., announce the engagement of his daughter, Beverly Anne, to Robert E. Brandner, son of Mr. and Mrs. Anthony E. Brandner of 144 Tooker avenue, Springfield, N. J.

Miss Frimmer was graduated from Montclair High School and attended Parsons School of Design. Currently she is a fashion model for Anne Fogarty, New York-fashion designer. Mr. Brandner was graduated from Pratt Institute and is now a textile designer in New York City.

### MILITARY BRIDGE AT ST. STEPHEN'S

St. Stephen's Evening Group will sponsor a Military Bridge on Friday, December 7, at 8:15 p.m. in the parish house.

Tickets may be purchased from Mrs. Ralph Williams, chairlady, or may be obtained at the door. Mrs. Williams is assisted by Mrs. Clifford Anderson, Mrs. Robert Smith and Mrs. William Stoeckle. Mrs. Philip Fitting is president of the group.

Refreshments will be served.

### St. James to Hold Smoker on Tuesday

The St. James Holy Name Society will hold its annual Smoker on Tuesday evening, December 4, at 8 p.m. One of the guest speakers will be casting expert, Marvin Allen.

Allen holds seven U. S. titles in casting and won the International in Paris in 1952. He holds several European records and two world records; the first set in 1950 in dry fly casting and the second in 1953 in 3/8 oz. bait casting. Allen will demonstrate his casting ability and answer any questions in regard to casting.

Another prominent speaker, as yet unnamed, will also appear on the program. In addition, there will be an archery exhibition and sport films to round out the evening's entertainment.

The St. James Smoker was a highly successful event last year and it is hoped that many more will come this year to enjoy a wonderful evening of entertainment and sociability. The cost of tickets includes both admission and refreshments. Tickets are available after all the Masses on Sunday or at the door on the night of the affair.

### McMullen Jails Man Second Time

Magistrate Henry C. McMullen sent the same man to jail for the second time Monday night when he appeared in Municipal Court on a charge of driving while on the revoked list.

McMullen sentenced him to 9 days in the county jail. Lee Van Gofarth, 22, of 39 Chestnut St., Summit, was notified by mail on Nov. 1 that his license and registration were revoked. Motor Vehicle Inspector James DeAngela said, Van Gofarth claimed he did not receive the notification.

Van Gofarth has a record of traffic violations going back to 1951, according to Springfield records. His license was first revoked in Summit in 1953 and again in 1954 by McMullen. At that time, McMullen sentenced him to 30 days in jail.

McMullen fined William H. Barton Jr., 21, of 471 S. 12th street, Newark, \$105 after he pleaded guilty to driving while on the revoked list. Barton was arrested Sept. 18 in Meisel Avenue by Patrolman Harold Searles Jr.

More than 1,000 species of wild flowers have been found growing in Glacier National Park, Montana.

### MENU FOR WEEK OF DECEMBER 3

### Highway Boss

of 1956 and NOTHING HAS BEEN DONE.

Those who have made a study of the problem point out that the Mr. Palmer and the State Highway Department can legally compel the Township of Springfield to prohibit parking on Morris avenue around the clock. They don't need the matter of exposed trolley rails to ban parking for 24 hours since Morris avenue is a state highway.

The important thing is that Mr. Palmer has admitted that the old trolley rails should be surfaced and these same legal experts say, if the Highway Department wants to enforce a 24-hour no parking ban, it should not be made part of the resurfacing package. These rails have been causing accidents for years and should be covered.

Merchants and Township officials agree that the flow of traffic should not be impeded by parking but Morris Avenue—a state highway—is Springfield's business street and the highway department should be thinking of build-

ing some roads to relieve the Springfield bottleneck instead of killing business entirely.

The Town of Union, Chatham, and Madison are faced with the same problems but, say the people of Springfield, "none of these parking restrictions has been forced on these communities."

Springfield will insist that Mr. Palmer and the Highway Department resurface these exposed rails immediately. The parking hassle can be worked out later.

### Schusters Visit South

Mr. and Mrs. W. D. Schuster of Warner avenue, accompanied by Mrs. Schuster's cousins, Misses Ruth and Mildred Levens of Morris avenue, returned home Saturday after a three week vacation in the Southern States.

During a ten day stay in Treasure Island, Fla., they visited Mr. and Mrs. George Grimm, formerly of Marion avenue. The Grimms are enjoying retired life in their Florida home on Paradise Island. The Grimms wish to be remembered to their friends in Springfield.

### Xmas Bazaar

(Continued from Page 1)

cone favors, place cards, and other articles.

The "small fry" have not been forgotten in making the bazaar plans, and the Drama Department will provide a Fish Pond for the children, which is guaranteed to furnish a prize to each fisherman!

The Ways and Means Committee will operate a Snack Bar, where visitors can make plans to meet friends for lunch. Mrs. Stanley McConkey and her group will offer sandwiches and desserts to those who do not want their shopping interrupted. Also, this committee will have for sale plants in decorated flower pots, and surprise packages which are being donated by club members.

Come early on the 6th for the best selection of gifts!

### TO HEAR CHORAL CLUB

On Tuesday evening, December 11th St. Stephen's evening group will hold their Christmas party in the Parish House. The Chatham Choral Club will be the feature of the evening with their rendition of many Christmas songs and carols.

Everyone is asked to bring a small gift for Santa's pack. Gifts are cordially invited to come to this party.

Refreshments will be served with the officers as hostesses, Mrs. Philip Fling, president, Mrs. Robert Estler, vice president, Mrs. James Barnaby, treasurer, Mrs. Ralph Williams, recording secretary, and Mrs. William Peacock, corresponding secretary.

### NOTICE OF HEARING

Notice is hereby given that the Planning Board of the Township of Springfield in the County of Union and State of New Jersey, will hold a public hearing on Thursday, December 13, 1956 at 8 P.M. in the Fire House Municipal Building on Mountbath Avenue to consider the application of Troy Village, Inc. dated November 27, 1956 for the approval of subdivisions or subdivisions-in-compliance with The Land Subdivision Ordinance of the Township of Springfield, of a tract of land in the Township consisting of Lots numbered 2, 3, 4, 5, 6 and 7 in Block 63 on the Tax Map of the Township, which tract (a) has frontage on the Northeastern line of Shunkie Road and on the Northwestern and Northern line of Briant Avenue and (b) is situated West, South, Southeast and Northeast of the Highway Valley Railroad.

Said application dated November 27, 1956 and a copy of the preliminary plat or map and plans showing the proposed subdivisions or subdivisions-in-compliance have been filed with the Township Clerk for public inspection. The applicant and owner propose to subdivide or resubdivide the said tract into 5 lots, numbered 1, 2, 3, 4 and 5. The preliminary plat or map is dated November 23, 1956 and is entitled "Preliminary Plat of Troy Village, Inc." ELEANOR H. WORTHINGTON, Township Clerk.

### Springhouse Tree Outbowls V.F.W.

Hal Burdette, bowing at his best this year, helped the Lynn Decorators take three games from the V.F.W. keglers. The Springhouse Tree won 2 out of 3 to hand the first place V.F.W. team its worse defeat in six weeks. Jimbo's Texaco, with Pope, Ronkavitz and LaMotta in good form, swept the series with the Felix Gold's Disc and Shutter team.

Hal Burdette was high man with 232, LaMotta 219, Ronkavitz 212, Caggiano 203, Burdette 202 and Smozanek 201. Top men in the Individual Averages were R. Caggiano 184, H. Burdette 179, Ed Baumer 174 and Dan Smozanek 171.

### Xmas Leave for All Army Recruits

M. Sgt. Slater of the Army recruiting office, in the post office building, Elizabeth, announced today that all men or women enlisting in the regular army during the period December 15 to 1 January will be granted an immediate fifteen day leave.

Sgt. Slater said "This is a wonderful opportunity for men or women to start their military career in the regular Army, they will be paid their regular pay plus rations for the time they are on leave and actually be spending their time at home during the Holidays with their families and friends plus being entitled to all the benefits of the service man or woman."

Sgt. Slater further stated, "You may apply for enlistment and be completely processed anytime prior to 15 December 1956."

For further information concerning this opportunity, contact Sgt. Slater at the Elizabeth U.S. Army Recruiting Office or Telephone Elizabeth 2-1354.

### REV. EVANS SPEAKS

The Reverend Bruce Evans was the speaker at a "Husbands' Night" meeting of the Church and Cannon Chapter, Daughters of the American Revolution, held Tuesday, November 27 at the home of Mr. and Mrs. Dean Widmer.

Mr. Evans' subject was "John Witherspoon, Disciple of Liberty."

### First Interfaith Service Success

A capacity audience filled the First Presbyterian Church a week ago last night in the interfaith religious service when members of three faiths joined in a Union Thanksgiving Service held under the combined sponsorship of the Methodist Church, the First Presbyterian Church and Temple Beth Ahm.

The Rev. Marvin W. Green, pastor of the Methodist Church, the Rev. Bruce W. Evans, pastor of the Presbyterian Church and Rabbi Reuben R. Levine, spiritual leader of Temple Beth Ahm joined in conducting the service. The sermon was preached by Rabbi Levine, whose topic was

"Fulfilling the Promise." The Senior Choir of the Presbyterian Church provided special music for the occasion. The offering of the evening is to be divided among the three congregations for the support of their respective Homes for the Aged.

The Union Thanksgiving Service will be held every year, rotating among the participating houses of worship.

expect protests from inland merchants who could claim they were being discriminated against.

The Governor cited as an example legislation introduced last year to halt the sale of cars on Sunday. He said auto-dealers immediately claimed the bill was discriminatory and are now testing the legality of it in the courts.

The Governor also questioned who would decide what businesses were essential and what ones are non-essential.

He said legislation closing the stores on Sunday would probably gain the support of some Senators but he said he felt certain they would know before hand that they could not muster sufficient strength to see the bill adopted.

## PRaise FOR SPRINGFIELD

Springfield's Municipal Court came in for a little, editorial pat-on-the-back in an editorial published by the Elizabeth Daily Journal yesterday under the heading "So! No License, No Speeding."

Magistrates presiding in the various traffic courts are developing callouses on their knuckles from hitting hard and often. Settle in your favorite armchair almost any night and turn to that part of your newspaper that reports traffic court jottings and there's plenty to claim attention.

Things are getting so bad in the face of so many bad happenings that even the politicians have given up trying to save drunken drivers and drivers who speed get socked straight and hard. Here's one judge who lines them up in batches of five and bowls them all over like candle pins with fines that dig deep. Here's another judge with a modest round-up of three, but his gavel is just as heavy as the other magistrates' and so are the fines. And here's a judge—well, look for yourself:

Magistrate Henry C. McMullen of Springfield had a couple of smarties in for straightening out the other evening. They were charged with speeding on Route 22, and there was also a suspicion that they were racing. But, whether they were speeding, racing or just skipping rope, they won't be doing it on Route 22 for the next several days. First he fined the first customer \$20 and revoked his license for 30 days. Then he fined the second customer only \$15, which may have seemed like a discount house, except the magistrate took away his right to drive for the next six months.

"That made it definite. No license, no driving; no driving, no speeding. You can't think up a better deterrent to crazy highways than that. Some authority was saying just the other day that fineing speeders is no cure. Neither, apparently is just handing out tickets for anything. The situation was so bad over in New York last spring that they had to set up a bargain-basement police court to get all the "scotfgaws" (motorists who ignore tickets) to square their traffic accounts. And only this week a New York judge (a judge, mind you) resigned from his \$15,000-a-year post in the embarrassment following discovery that he had ignored 17 summonses, including tickets for speeding.

"Don't the New York story and the repeated appearance of various Jersey drivers in traffic courts prove the disregard of motorists for "tickets" and the failure of fines to cure speeding? Doesn't this prove that the only way to establish respect for driving laws is to take away the licenses of the offenders, very particularly the speeders. If they can't drive they can't speed. It's as simple as that. Magistrate McMullen's puncture-proof formula should be adopted for general usage.

enger truck in residential zones and one irate taxpayer, it is reported, said she believed it was a flagrant violation of the law, to permit the garbage truck to roll down the street by itself while the driver and helper ran along-side, emptying garbage cans but not having enough time to replace the cans on the curbs or even do a good job of getting everything out of the can.

Township officials state that they investigate every complaint as soon as it is received, and every effort is being made to improve the service as well as making the Petrozello company live-up to its contract with Springfield.

"Our biggest number of complaints," said this same Township official, "concerns itself with the fact that several of the drivers are discourteous to residents who want some improvement in the service. There are specific regulations in the Petrozello contract with Springfield which call for the handling of so many cans at so many pounds; but the Petrozello drivers are known to have refused to pick up at all where three garbage containers have been put at the curb instead of the two set by the contract.

"It is our contention that Petrozello could pick up two of the three cans despite the wording of the contract but, they leave all three and the telephone calls begin to rattle the windows of the Springfield sanitarian.

"There was a case recently of garbage being placed on the curb in the Wabeno-Linden avenue area. Collections are made on separate days at this point and, because the cans were not placed exactly for pick-up on that particular day, Petrozello's drivers were reported to have left the garbage standing. "Springfield officials are running down every complaint and something is done about each one. If there were some place to

dispose of the garbage, the Township would even be willing to pick up and charge it to Petrozello. Residents of Springfield are asked to cooperate and place the garbage in accordance with the pick-up schedule but the Township officials want to know when the contractor fails to perform."

Plans are being made for a meeting between the Petrozello organization and Township officials of which time Springfield is expected to discuss various matters concerning the operating of the scavenger group and take up several of the specific complaints regarding the service.

"P.T.V. arrangements have been made by the scavenger contractor with industries and merchants which are in addition to the money being paid by the Township to the Petrozello company for collection of extra garbage.

Speaking about correct addressing of Christmas gifts and cards, Postmaster Del Vecchio said: "Be sure your mailing list is up to date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by first-class mail because they will be processed and delivered quicker, and they'll be forwarded, or returned, if it becomes necessary." Only Christmas cards sent first-class mail may carry written messages, a custom everyone enjoys. The difference in cost to you is only one penny per card."

## Small-Fry Ready For Basketball

(Continued from page 1)

The Springfield Recreation Commission "Small-Fry" Basketball program will start this Saturday morning at 9:30 with about one hundred and thirty boys in the 5 through 12 age group participating.

Director of Leagues Edward Ruby plans to devote Saturday's opening day program to fundamentals of the game, rules of the game, and screening of all players for assignment to either six or eight teams. All boys must be registered for play and residents of Springfield. Boys who attend private schools are also eligible to participate.

Fathers or adults who would like to serve as coaches or scorers for the boys are requested to be on hand. The results of all league play as well as games scheduled, will be announced each week in the Springfield Sun.

The Small-Fry Basketball League will operate on Saturday morning at the Florence Gaudin, or School gymnasium. Should eight teams be formed, the James Caldwell School gymnasium would be secured, with two games at each school. All boys are requested to bring sneakers, shorts and either a jacket or sweat shirt.

### Springfield Market Buries Legion No. 1

American Legion No. 1 did not fare as well this week as their brothers. American Legion No. 2, did last week against the Springfield Bowling League leaders, Springfield Market.

Last week Legion No. 2 upset the Market bowlers by taking 2 out of 3 games from them. Monday night, Springfield Market turned the tables against the American Legion, this time sweeping three straight from Legion No. 1 to push the Legionnaires into the league cellar.

Other action at the Springfield Bowling Alleys saw Beckmann's Market, Mendie Florist, and American Legion No. 2 hold their runner-up positions by taking two out of three from, respectively, Frank's Auto, Parkview Garage, and Bruner Construction. Drake's Fuel reversed their recent losing streak to climb out of the cellar with a sweep over Bunnell Bros., and Cuzzolino Furs showed further signs of improvement by besting D'Andrea Driveways 2-1.

Two hundred games included: Fred Melsiek 221; Gagliano 233 and 211; Schmidt 204; S. Burdett 225; G. Graziano 200; Funcheon 238 and 201; B. Bataille 222; Jones 232; Zieser 205; H. Burdett 221 and 218; Heimbuch 201; Horve 210.

The Standings: Springfield Market 29, Beckmann's Market 23, Mendie Florist 21, American Legion No. 2 21, Parkview Garage 19, Bunnell Bros. 18, Frank's Auto Service 18, D'Andrea Driveways 16, Bruner Construction 15, Cuzzolino Furs 13, Drake's Fuel 13, American Legion No. 1 11.

## HOWARD JOHNSON'S MOTOR LODGE OPENS; BRINGS TOP HOTEL FACILITIES HERE

### Robert Downs Built First Howard Johnson's in Jersey

The man behind the orange roof success story in Springfield is a soft spoken executive from Summit, N. J., who occasionally ducks out of his Howard Johnson Restaurant to sample the food elsewhere on Route 22.

"People always laugh when I eat out," Bob Downs explains, "but I like to get away from it all now and then."

"It all" is the warm wood paneled dining rooms, men's grille, and 36 flavors of ice cream that spell out Howard Johnson's Restaurant. This Springfield landmark on Route 22 was the first orange roof to brighten the New Jersey landscape. Downs built it in 1939 when Howard Johnson was just another name on the highway.

"Now there are almost 500 Howard Johnson Restaurants across the nation," Downs continued, "And we're the 20th to add Motor Lodges to the property."

Downs, like most of the 500 owners in the Howard Johnson chain, owns the restaurant and motor lodge personally. He gets the right to use the Howard Johnson name by agreeing to meet certain high standards and to buy Howard Johnson products.

Considering that he has just spent a quarter of a million dollars on the new Motor Lodge, Downs is remarkably unworried and optimistic.

"The demand for rooms in the Motor Lodge has been much greater than my original hopes," he beamed. "In fact, I'm sure now that it will be necessary to expand soon."

Good reason for optimism when on opening day you are making plans for expansion. And Downs has no land or zoning problems. It is just a question of seeing what kind of room facilities are greatest in demand before starting a new section of the Motor Lodge.

### Summer Guests? Reservations Now

Getting a room at the new Howard Johnson Motor Lodge is like getting two tickets to "My Fair Lady."

Robert Downs, owner of the modernistic motel, reports that a number of big companies in the area have pretty well booked up all the rooms for week day nights from now on. It is still possible to reserve rooms on weekends, though, but even then it is wise to get your name on the list six months in advance.

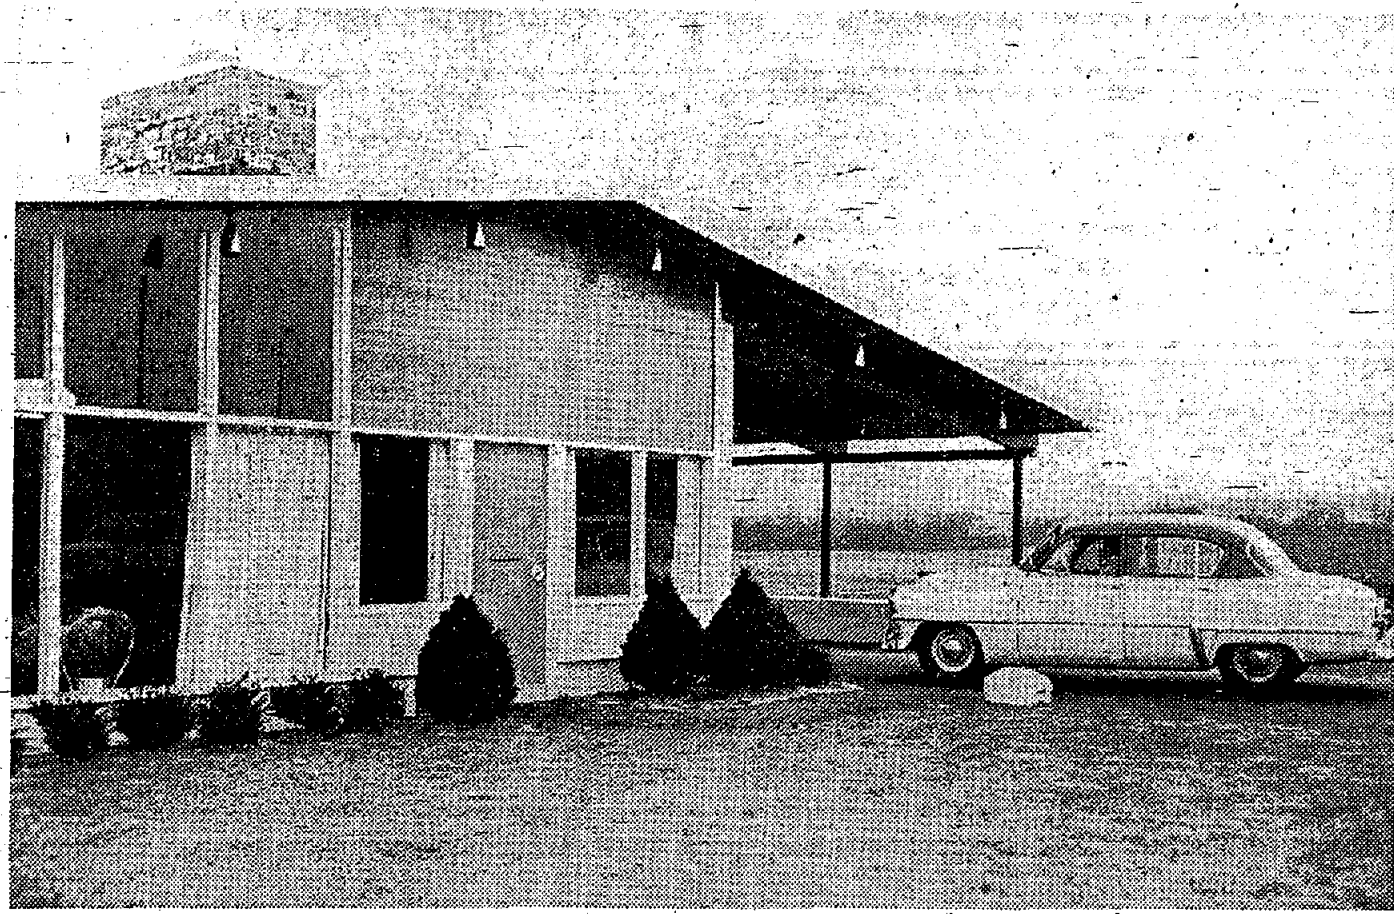

"We've had a lot of calls from people who are planning big weddings and want to reserve 8 or 10 rooms for their guests," Downs says.

The cost for the rooms, once you finally get one reserved, is also somewhat like tickets to "My Fair Lady." Singles are \$8.00 a night, Doubles are from \$10 to \$12, and the Executive Suites go for \$14.00.

### Meet Mr. Johnson, Howard, That Is

Despite the fact that his name is famous, one of America's most inconspicuous leaders is Howard Johnson.

The 58-year-old executive lives quietly in his Quincy, Mass., home. He occasionally visits some of his 500 restaurants and has been in Springfield on numerous occasions.

Guests are greeted as they drive into the new Howard Johnson's Motor Lodge by the modern beauty of the office and lobby. The panel above the door is colored bright orange, the only carry-over from the traditional Howard Johnson's decor. Chas. Momm & Son executed the landscaping. (Photo by Mickey Fox)

### Interior Decorator Has Field Day With Suites

Neville N. Russell, the interior decorator from East Orange who designed and executed the inside trimmings of Howard Johnson's Motor Lodge, says it is one of the most colorful and relaxing decorators he's ever undertaken.

"We had a wonderful time matching fabrics and wall cover-

ings," Mr. Russell explained, "and I'm very proud of the results."

All the rooms are painted with a multi-color sandalwood paint which seems to change color as you approach it. From a distance the walls appear sandalwood, but from a few feet away it is a textured gold and avocado effect. The ceilings are natural redwood which blend nicely with the Howard Johnson turquoise that has been selected for the more than 5,000 yards of fabric that make up the drapes. All the draperies that stretch across the huge floor length windows which look out on the charmingly landscaped courtyard are milium lined for insulation.

The storage furniture has been built in — cantilevered from the walls and Permacraft sling type chairs are placed about the rooms.

### 36 Unit Luxury Lodge Sets Modern Note In Chain Growth

Now there's a first class hotel in town that has everything the Waldorf has except the grand ballroom. Springfield takes a major step forward with the opening this week of the Howard Johnson Motor Lodge on Route 22. This quarter of a million dollar luxury motel gives Springfield all the facilities of New York in overnight accommodations.

### Guests Find Heat At Fingertips

Robert Downs has installed a unique individual temperature control in each room of the Howard Johnson Motor Lodge so that the indoors weather is always like a tropical paradise.

The control unit, an Electronic Mudflow control system by Minneapolis-Honeywell, senses any weather changes through a thermostat and automatically controls the flow of hot water through the auxiliary heating system.

Diedl & Kraft of Newark have installed the two Worthington 100 horsepower gas fired hot water boilers and the 39 air conditioners which provide the right quantities of hot and cold air. At all times fresh air is pumped into the rooms to insure proper ventilation.

### Downs Lists 6 Lodge Features

Robert Downs says that there are six big recommendations for the new Howard Johnson Motor Lodge besides the beauty of the decor and comfort of the facilities. They are: TV in every room, 24 hr. phone service, Central heating, Central air conditioning, Adjacent restaurant, Landscaped view from all rooms.

The Motor Lodge is a 36 unit modern structure beside one of Springfield's best known landmarks, the Howard Johnson Restaurant on Route 22. Designed by one of the nation's top modern architects, Carl Koch of Cambridge, Mass., the new Motor Lodge is almost a museum of modern art and decoration. The only reminder of the traditional Howard Johnson design is an orange panel in front of the office.

Actually, Springfield's Motor Lodge represents a new tradition beginning in the fabulous Howard Johnson chain. There are now 20 of these ultra-modern motels across the country situated beside the familiar orange roofed restaurant. They are all similar in design, service and quality to the Motor Lodge opening in Springfield. The national plan for the chain is to construct one of these motel marvels wherever ground is available beside the restaurants. The nearest Howard Johnson Motor Lodge to Springfield's is at the Willow Grove Pennsylvania Turnpike interchange.

All 36 of the units in the Springfield Motor Lodge have been in great demand ever since construction started last May. Firms like General Motors Training Center, All-State Insurance, and the Bell Telephone Laboratories have made reservations for visiting executives on a permanent basis. To aid businessmen in making the Motor Lodge an executive headquarters, a phone has been placed in every room and a switchboard operator will be on duty 24 hours a day.

## OPENING

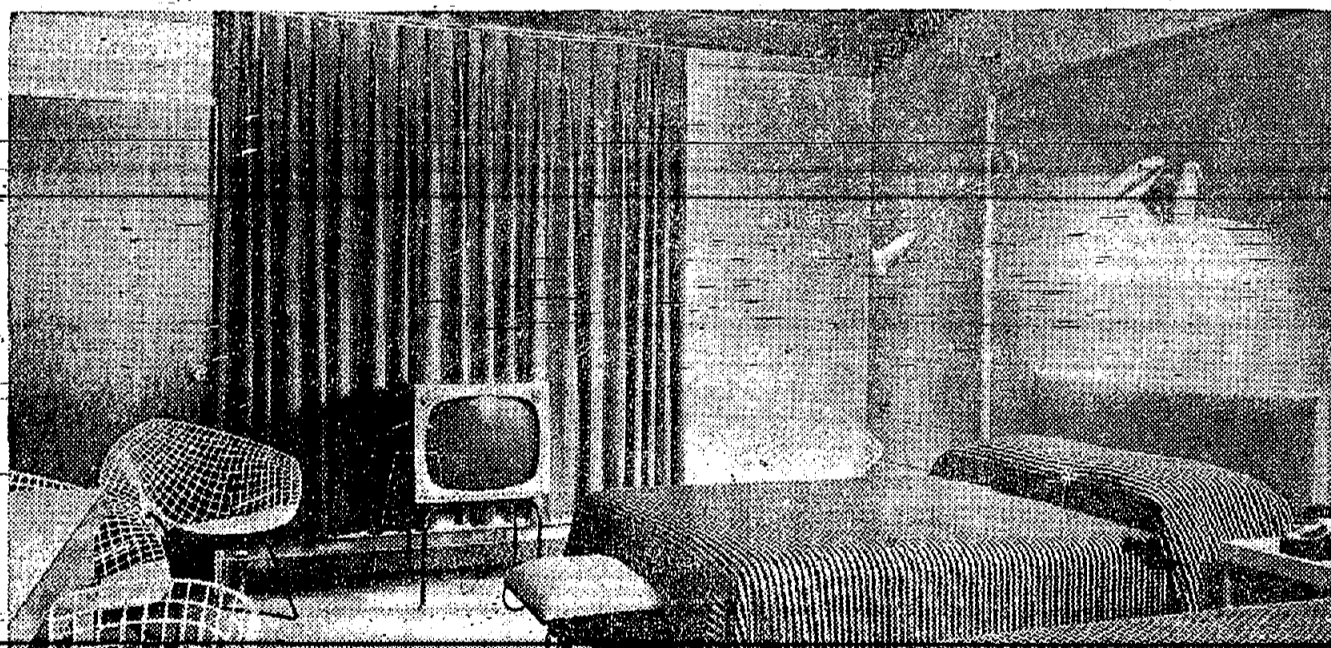

HOWARD JOHNSON PROUDLY ANNOUNCES

# A NEW MILESTONE OF SPRINGFIELD PROGRESS

This couple is among the first guests to be shown to their rooms during the grand opening of the Howard Johnson's Motor Lodge this week in Springfield. The 36 unit luxury lodge offers the finest hotel accommodations in North Jersey. In addition to the rooms opening onto the parking lot, they all have a second door and huge floor length windows facing on a beautiful landscaped courtyard. (Mickey Fox Photo)

### Overnight Deluxe

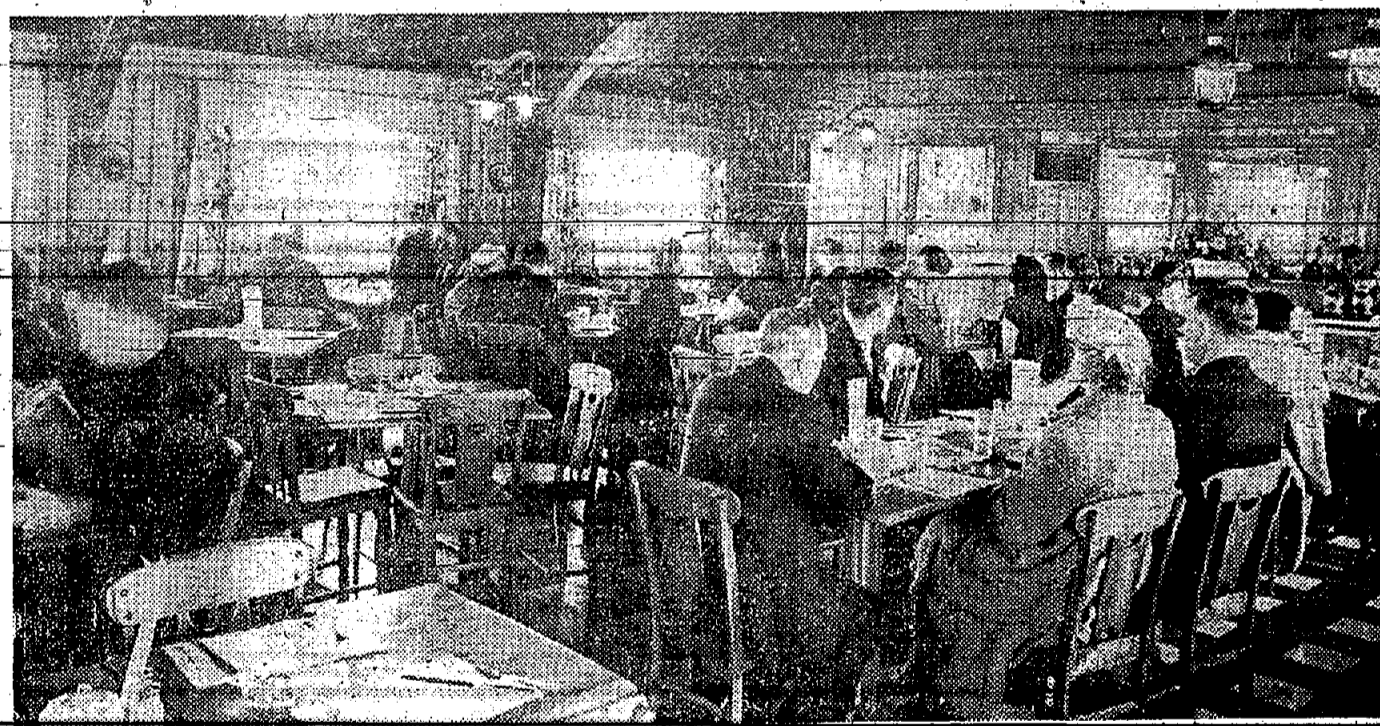

Modern simplicity and stylish comfort are the keynotes of this luxurious double bedroom at the Howard Johnson's Motor Lodge. The windows open up on the spacious landscaped courtyard surrounded by scenic woods. The bathrooms include such features as two shower heads and two wash basins so that hubby can shave while the Mrs. is letting down or putting up her hair. (Mickey Fox Photo)

### New York Facilities For A Springfield Overnight

With the opening of the spectacular Howard Johnson's Motor Lodge, Springfield can now offer all the comfort and luxury of the best New York hotel. Here amidst the beauty and sumptuousness of the most modern decor are all the features that make for the best overnight accommodations in the world. From the gleaming beauty of the bathrooms to the quiet elegance of the bedrooms and executive suites, this is truly the best that money can buy — a Motor Lodge Masterpiece!

### The Motor Lodge of the Future Dinners Divine

The warm rustic charm of the Howard Johnson's Restaurant on Springfield's Route 22 has been a familiar landmark locally for the last 17 years. Robert Downs has added many culinary delights to the traditional Howard Johnson's staple menu. The Men's Grille has become a favorite meeting place for local business men for lunch. # SUNNING SPORTS

By RITCHY SCHWARTZ

The smoke cleared Friday and shaking off a hangover we picked up the morning paper and saw it was true, 19-14 we did it!

Amazing, yes, unbelievable, no. The Bulldogs were so high "up" for this "big one" that nose bleed was the only threatening injury. Mike Suchena, the Regional mentor was all smiles as the final gun sounded ending needless to say the biggest upset of the pignin season. The silver-haired coach had waited for this day, fully realizing that he had everything on his squad to turn the trick.

Six thousand avid fans saw Ed Roeder snare the ball on a kick and streak for the initial T.D. of the contest. He opened, heads shook and some even laughed, but there it was, Regional 6, Rahway 0.

Humpty Dumpty's wall wasn't stronger than the Orange and Blue line of the first quarter as the underdogs held, and held, and held. You had to admit—they didn't look like the Regional squad of eight weeks standing.

Joy struck again in the second stanza of play when Richie Rychnik beat the defense and scampered to pay dirt with a Don Carpenter pass clinging to him. Regional 10, Rahway 6. It was starting to become a reality!

Although the Rahway side of the field began humming "Say It Isn't So", it was, and the Orange and Blue via Rychnik and Carpenter pulled the same play again, 19-0.

In the third period Scarpitto and Company hit their stride and turned on a little pressure. One touchdown in that period and another in the fourth.

All County Tom Scriba

We, of course want to wish all the graduating senior gridlers the best of luck in future athletics and endeavors in any phase of life. But we would like to add a special personal message to our fighting tackle Jerry Vinella, a lad who has given his "ALL" to our football team. Always in there fighting, Jerry has given an incentive to many a footballer in his three years on the Varsity. We hate to see you go Jer.

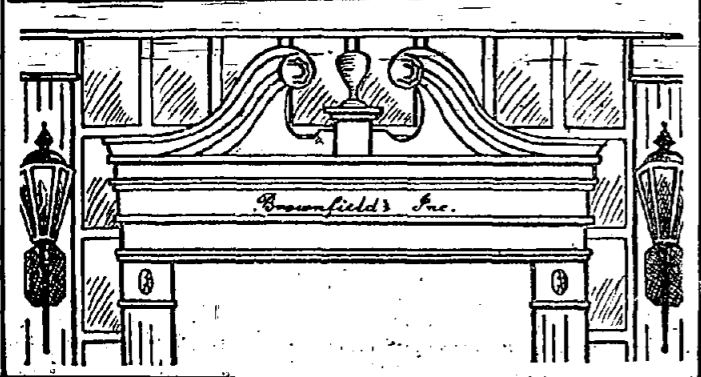

Jerry Vinella

One injury chalked up on the Regional side last week. Nancy DeLeonard, one of our roughest tumble cheerleaders was bruised slightly when she tried to tackle Bob Scarpitto on the sidelines. Well, Bob really tried to tackle her and between flitting with the boys in the stands and cheering, Nancy just didn't see him coming! New week—this wrestling and basketball.

## Regional Seniors In Kiwanis Branch

The Key Club, a Junior Service branch of the Kiwanis Club was formed last year at Regional High School by a group of select students now in their senior year. The club received its charter November 13 from the Mountain-side Kiwanis Club. Twenty new members have been added to the organization and it is now a growing project in the school. Duties of the club are primarily to build sound citizens of the future and help out their community any way possible. Officers for the 1956-57 school year are Tony Seaver, President; Ritchy Schwartz, Vice President; Paul Van Ness, Secretary; Richard Tyjewski, Treasurer. The club's Faculty Advisor is August Caprio, a teacher at Regional. Meetings are held every Monday night at which time club projects and community service is discussed.

## CATHOLIC INFORMATION

SH! — HE'S A JESUIT!  
Have you ever seen a Jesuit? Perhaps not, but we have—many of them, and they are delightful people, brilliant, superbly educated, and easy to get along with. We've often wondered about that terrible legend connected with them—you know, that a Jesuit is supposed to be diabolical in cunning, tricky, subtle, and ready to win his end by fair means or foul; at least, that is what many misinformed people think of them. And we've come to the conclusion that it is their opponents who have fastened that reputation on them—those with whom they have tangled, whom they have bested in argument at some time or other.

It was just about 400 years ago that a Spanish soldier, Ignatius Loyola, got the idea of fighting, not for an earthly king, but for a heavenly king—better than that, of organizing an army for Jesus, a real army, with captains and a general, working under military discipline. His army would be distinguished by its training and its esprit de corps. So he decreed that his soldiers should spend 15 years, more or less, in training after high school, before they should be made priests. With such training, a Jesuit should be able to think and talk rings around even a college graduate.

Still better than that, the army of St. Ignatius was to have sleep training in holiness and self-discipline. They must be prepared to walk into the mouth of the cannon, if necessary, to carry out orders. They were to be brave, self-sacrificing soldiers, pious and devoted to Jesus (hence the name Jesuit) until death.

They have been intensely active during their 400 years of existence; wherever they have come, they have brought with them the best colleges and universities—Georgetown in Washington, for instance, and St. Louis University in Missouri. These two schools are almost as old as our United States.

Their missionaries have circled the earth—think of Pere Marquette (his statue is in our National Hall of Fame), and Father de Smet, the great humanitarian among our American Indians of the last century; of St. Isaac Jogues, killed by the Mohawks up near Amsterdam, New York, some 300 years ago. Those were Jesuits!

Do you think men of that calibre would resort to cunning, or go in for trickery? Let's give them a hand! They do get their way, almost inevitably, but it is Christ's way, and they gain it never by foul means, but always by the fairest of fair ways.

**News of Local Troops**

**Troop No. 42**  
Mrs. P. H. Beck, leader  
Mrs. George Grimshaw, co-leader  
Our troop walked over to the Fire Station one day to see the fire-fighting apparatus, and we all had the chance to sit in a fire engine. Last week we made felt slippers to wear on our lapels. We are at present preparing for our Investiture and also are working on Christmas gifts.

**Troop No. 33**  
Mrs. Roy Hattersley, leader  
Mrs. William Ehrhardt, co-leader  
Girls new to the troop this year who were pinned at the Investiture are: Rose Russo, Peggy Kirby, Charlotte Mattia, Katherine Ehrhardt, Karen Ehrhardt, and Barbara Cataldo. The troop committee, Mrs. Thomas Brennan, Mrs. John Smith, Mrs. Alfred Kirby, and the cookie chairman, Mrs. Norman Ziegenfuss are a great help to us. We too are making Christmas gifts as well as decorations.

**Troop No. 24**  
Mrs. Arnold Birnbaum, leader  
Mrs. J. M. Cowles, co-leader  
Mrs. Victor Bracht, co-leader  
There are 15 girls in the troop, including Meryl Boydman who has joined us this year. Mrs. Dauser and Mrs. Southward have been giving us a hand with refreshments, transportation, and cookie sale accounts. We have had a full fall season with a party, cook-out, and a Thanksgiving craft of napkin rings. In recognition of Juliette Low, the founder of Girl Scouting in America, we celebrated her birthday on October 31 with original dramatizations, posters, and songs, participated in by all, either singly or in small groups.

"Twist me and turn me and show me the Elf; I ooked in the pool and I saw myself," is a familiar couplet these days to Brownies, leaders, and mothers alike as it has been used as part of the Investiture Ceremony in Mrs. Gash's troop—37, Mrs. Lon-

## 2 Football Giants At Booster Dinner

The Regional High School Football squad, including the junior varsity and freshmen, will be tendered a steak dinner tonight at the Orchard Inn, Springfield. Coaches Mike Suchena; Earl Schaub; Russ Hunchar, Herb Palmer, Ed Ruby, and John Fedish, will also be on hand, along with the football managers. Eugene Donnelly of the Township Committee will be the Toastmaster.

The dinner was arranged by the Regional Booster Club, with don's troop 38, and Mrs. Goldman's troop 39. This is the first opportunity we have had to list the names of the girls in troop 37 which is under the leadership of Mrs. Louis Gash and the co-leadership of Mrs. H. Enz and Mrs. Walter Sommer. They are: Joanne Baudi, Linda Enz, Kathleen Francis, Deborah Gash, Carol Gras, Susan Johnson, Rona Katz, Patricia Monticello; also Sharon Remlinger, Sharon Robbins, Rona Roth, Susan Savarin, Darle Schriever, Jean Seel, Irene Sommer and Carol Spiegel. All the mothers were present at the Investiture and enjoyed hearing the Brownie Story and sharing with us the attractive cupcake which had "Brownie Troop 37" written on them, furnished by our refreshment chairman Mrs. Francis and her co-chairman Mrs. Robbins.

each boy sponsored through the interest and devotion of many Regional sport fans. The 1956 football season ended on Thanksgiving morning when the Bulldogs defeated their arch-rival Rahway by a 19-1 score.

As an added attraction Alex Webster, star halfback of the New York Football Giants and teammate of Webster, will also be on hand. Both boys are appearing through the courtesy of the New York National Football League Giants.

**PROPOSAL FOR FURNISHING FUEL OIL**  
Sealed proposals will be received by the Township Committee of the Township of Springfield at the Municipal Building, Mountain Avenue, Springfield, N. J., on Wednesday evening, December 12, 1956 at 7:15 p.m., for the furnishing of Number 2 fuel oil for heating the Municipal Building and the premises at 50 Mountain Avenue.

Bid forms and specifications may be obtained at the Office of the Township Clerk in the Municipal Building. The Township Committee reserves the right to reject any or all bids if in the interest of the Township it is deemed advisable to do so.

Ethical Culture

Lecture Sunday
Henry Austin, Leader of the Society for Ethical Culture in Maplewood, will speak at the Sunday Morning Meeting on December 2. Mr. Austin's topic will be "Do It Yourself" - In the Classroom - Technical Development and Public Education. This will be the fourth in a series of addresses on the theme "Technical Development and Human Values." The Sunday School, under the direction of Mrs. Rita Golow, with classes for children from Kindergarten through Junior High School, will meet at 10:15. The Society building is located at 516 Prospect Street (corner Parker Ave., Maplewood).
