TOWNSHIP OF SPRINGFIELD
OFFICIAL NEWSPAPER

THIS WEEK

DO YOUR DUTY AS CITIZENS!

A very important election is being held in Springfield next Wednesday, February 13—and all residents, qualified to vote, are urged to go to the polls and select three members for the Board of Education.

There are five candidates—three of whom are incumbents—Robert C. Smith, S. Bryant Haas and Edwin G. Davenport—and Mrs. Henry M. Wasung and Raymond Baumrind.

The last two, Mrs. Wasung and Mr. Baumrind, have devoted their entire adult lives to education and the profession of teaching, and voters should carefully consider the qualifications of all aspirants before casting their ballots.

School Board elections must be entirely divorced from any political overtones. Selections should be made for this very important service to the community on the basis of ability, background and an understanding of the specific problems of education.

Mrs. Wasung, a graduate of State Teachers College, holder of a B.S. degree in Elementary Education, who furthered her studies at Columbia University and European universities, has the educational background this rapidly growing Springfield school system should enlist. She has been a resident of Springfield for seven years and has been very active in matters related to improving our educational program.

Mr. Baumrind is a graduate of Columbia University Teachers College, received his M.A. degree in 1947 and has completed all course and examination requirements for doctorate, lacking only completion of thesis. He is a veteran of the United States Air Force, flying the "hump" from India to China, received the Air Medal twice and the Distinguished Flying Cross twice.

He is now vice president of the Robert Treat Junior High School in Newark—and his association with all the leading professional teaching associations is indication that he has made an exhaustive study of education problems, and still intends to retain that interest.

The Springfield Board of Education might better be able to meet the challenge of an expanding program by having such qualified people—who can approach problems with actual experience in schools and class rooms.

Three members of the Board of Education are to be elected next Wednesday, February 13, for three year terms. The polls open at 3 o'clock and close at 9 p.m.

Voters in Election Districts No. 1, 2, 4 and 5 will be able to cast their ballots in the James Caldwell School at 36 Mountain avenue.

The polling place for all residents of Election Districts No. 3 and 6 will vote at the Raymond Chisholm School, Shunpike road.

There is nothing more important to Springfield than the Board of Education. VOTE NEXT WEDNESDAY, FEBRUARY 13.

BOOST FOR SPRINGFIELD

If there is any doubt concerning the very fine job being done by Springfield—the recent sale of local bond issues should dispel any such ideas. Not only were both the Township Committee and Board of Education bond issues in demand by leading financial institutions out one of the bidders addressed a very fine letter to Springfield, after receiving a brochure prepared for the various syndicates invited to bid on purchasing these municipal and school bonds.

Following is an excerpt from the letter with the signature of the writer and the name of the financial organization deleted:

I have read this brochure with a great deal of interest and would like to take this opportunity to compliment you on a very fine job. It is undoubtedly one of the best descriptive pamphlets issued by any New Jersey District or Municipality and covers in a very thorough manner the economic and financial standing of both, including their present status as well as their past records.

Frankly we are quite impressed with the progress Springfield has been making, particularly along financial lines. Furthermore, we were not fully aware that the Township had not issued any bonds since 1935 and in the meantime had retired \$992,500 which were outstanding at that date.

We were also greatly impressed with the extent of capital improvements financed by appropriations in the annual budgets. Many investors, we believe, will consider this excellent performance a credit factor of great merit. It could also, eventually, prove a strong feature in obtaining a higher credit rating for the community and school district.

We would also like to assure you that we believe that the brochure should prove of monetary benefit to both political instrumentalities by encouraging better bids for the bonds.

IT'S NOT FUNNY!

There are some people with an unusual sense of humor and, very often, the results are not quite as funny, as the first laugh would indicate.

Giving false information to newspapers can bring a lot of grief to the perpetrators. The Springfield Sun was victimized recently by two such "funny people" and, just to make certain these comedians won't repeat, they might be interested in knowing that there is a law against it. And the Sun has a very good idea who these wags are.

One telephoned a news item, representing herself as a member of the family, stating that a certain teacher in the local school system "is resigning and planning to move out of Springfield." This item appeared in the Sun which later turned out to be a miserable joke by one of her alleged friends.

Another telephoned a classified advertisement, giving the telephone number of a resident who knew nothing concerning the services offered in the ad. The innocent victim of this hoax received so many phone calls, she finally was compelled to turn over the matter to the police.

Another incident—which is just as serious—was the false calls being received by Springfield's new taxi service.

On one single day—of the worst, as far as weather was concerned—the Springfield Taxi Service answered four calls on Route 22 only to discover each time that the driver had been sent on a wild chase.

IMPORTANT CITIZENSHIP SERVICE

We find the Boy Scouts of America at its peak of membership as it celebrates its 47th anniversary during Boy Scout Week to Feb. 12.

Today 3,300,000 boys are enjoying the "game of Scouting" through its three distinctive programs—Cub Scouting, Boy Scouting and Exploring.

This great work is made possible largely through the active sponsorship of churches of all denominations, schools and other community institutions. Perhaps of greatest significance is the fact that 1,200,000 adults serve as leaders, all of them volunteers, except for the handful of 3,157 men who are full time career Scout Executives.

In no other country in the world do we find so many men and women of good character willing to share their time as volunteer leaders with the boyhood of their nation.

There is a devoted service.

"Recognition Day" during Boy Scout Week has been designated as the time to honor the Cubmasters, the Scoutmasters and the Explorer Advisors and their assistants—who bring Scouting directly to boys.

During Recognition Day ceremonies these leaders will be honored with presentations of the Freedom Foundations unit award plaques. These record the contribution Scouting has made to the nation last year through its Get-Out-the-Vote campaign.

"The tremendous task of distributing over one and a quarter million posters and thirty-seven million Liberty Bell doorknob hangers," says Dr. Arthur A. Schuck, Chief Scout Executive, "fulfilled a responsibility of vital importance to our country and in so doing, provided hundreds of thousands of young Americans with a citizenship training opportunity both challenging and worthwhile. There is probably no more important citizenship service than that in which our Cubmasters, Scoutmasters, Explorer advisors and their assistants are engaged."

Public hearing on 1957 proposed budget will be held in the Municipal Building, Wednesday, March 6. Complete budget will appear in SPRINGFIELD SUN next week, February 14.

Local taxpayers were given their first look at the tentative 1957 municipal budget, approved by resolution of the governing body last night, showing a probable tax rate of \$10.73. This is an increase of 96 points over last year.

A public hearing on the proposed budget and resolution will be held in the Municipal Building on Wednesday, March 6. Publication of the complete proposed 1957 budget has been scheduled for next Thursday, February 14, in the Springfield Sun.

The 1957 budget shows general appropriations for Municipal Purposes estimated at \$981,448.54 as compared with \$876,990.39 for 1956.

The explanatory statement accompanying the proposed budget states that "the 1957 salary and wage appropriations show an increase of \$33,624.00 and the operating estimates for other expenses show an increase of \$32,830.00 which sum approximately \$18,000 is in appropriations over which the governing body does not have any direct control. These services include garbage and trash removal, street lighting, fire hydrant water rental, visiting nurses and Free Public Library. The balance represent the net change in all other operating expense appropriations, the largest increase being in public buildings and grounds, fire, police and road departments."

Local Purposes Higher: "The 1957 municipal appropriations for other than operations were \$10,594.33 higher due to an increase in the contributions to State Pension Funds and Debt Service. The new budget levy for local purposes is \$26,327.54, an increase over 1956 of \$75,858. 15."

Local school district purposes show \$884,906 which is an increase of \$92,180. The 1957 levy for Springfield's share in the Regional High School taxes is estimated at \$32,830. (Continued on page 6)

Law Hits Hard At Two Drunk Drivers

Local law enforcement officers continue to make it clear that drinking and driving will not be tolerated here.

Magistrate Henry C. McMullen found Donald O'Neill (43) of 13 Meekes Street guilty of drunken driving at Monday's Municipal Court and fined him \$225 and revoked his license for two years. Police had arrested O'Neill at the corner of Meisel Avenue and Milltown Road on Sunday Jan. 27 where they claim he was drunk when his car was involved in an accident.

A similar charge was lodged against John Kellenbenc (46) of 45 Evergreen Avenue when he was arrested Tuesday by Radio Patrolman John Wentz on a charge of drunken driving. Dr. Ralph Mond pronounced Kellenbenc under the influence of intoxicants.

Police said Kellenbenc was driving in the westbound lane of Route 22 when his car was in collision with a tractor-trailer operated by Donald Davison, 28, of Baptistown. They said he later struck Mr. Davison.

Police reported Kellenbenc will be released in \$250 bail for trial Monday, Feb. 18.

"Charter Study" Talks Are Held

An open "Charter Study" meeting held on Feb. 5 and sponsored by the Springfield League of Women Voters placed the old problem of what form of government for Springfield squarely before the public again. Mayor Albert G. Binder and Committee man Eugene F. Donnelly have long recognized the need for such a study. When queried as to their opinions concerning this subject at the Candidates' Night prior to the November elections, both officials responded as follows: Mayor Binder stated, "I have officially and publicly advocated for years that we make available a Charter Study of our form of government as provided under the State Statute. A successful business of any kind should periodically make an appraisal of its basic operational standards and determine if they are operating in the most efficient manner. Our (Continued on Page 9)

Boy Scouts Fund Drive Under Way

Mayor Albert G. Binder has proclaimed this week-starting yesterday and continuing to February 12—as Boy Scout Week in Springfield, and urging all citizens to "recognize the patriotic service being rendered by the volunteer Scout leaders" and give to the drive for funds now going on.

Springfield residents who have volunteered to help the Boy Scout program here will ring a lot of door bells this coming week end in the annual drive for funds which continues until February 12. The Township has always responded well to this cause and the financial support this year is expected to pass all records.

The campaign is in charge of Rupert H. Humer as general chairman. (Continued on page 6)

Mothers March Collects \$448 In Township

While complete figures are not yet available, the 1957 March of Dimes to combat polio was a great success as far as Springfield is concerned.

Tentative reports on the Mothers' March which was held here a week ago Wednesday under the chairmanship of Mrs. Henry M. Wasung showed that \$448. had been collected by the volunteer mothers who went from door to door. This amount, added to the money received through the mails and collected from various other sources, should bring the campaign well over the 1956 figures.

Mrs. Wasung, who is seeking election to the local Board of Education next Wednesday, took time off from her campaign to take charge of the Mothers' March, enlisting the services of volunteers in every part of the Township. Mrs. Wasung has asked the Sun to express deep appreciation and thanks to all the mothers, and the few fathers, who gave their time and effort for this fight against polio.

J. Leo Moran, general chairman of the March-of-Dimes campaign in Springfield, announces that a complete report will be ready in a few days.

Invitations have been mailed to representatives of the Parent-Teacher Association and the Board of Education. In a day-long workshop the needs of the gifted children will be discussed. Dr. Robert Polglaze, principal of the Bloomfield Junior High School, will act as observer and evaluator of the various sessions.

Three members of the Springfield Board of Education are to be elected next Wednesday with five candidates competing for the three year jobs.

The polls for the school board election will be open from 3 to 9 p.m. Qualified voters in districts No. 1, 2, 4 and 5 will be able to cast their ballots in the James Caldwell School while residents of District No. 3 and 6 will vote in the Raymond Chisholm School in Shunpike Road.

Three incumbents—Edwin G. Davenport, S. Bryant Haas and Robert G. Smith—are up for reelection. Seeking to replace two of these on the local school board are two educators, Mrs. Henry M. Wasung who has devoted her life to teaching and matters of education; and Raymond Baumrind, presently vice principal of a junior high school in Newark.

Fine Background
Mrs. Wasung, now teaching school, is a graduate of the State Teachers College where she received a B.S. degree in Elementary Education. She also studied at Columbia University, Teachers College, as well as European universities. The Wasungs have been living at 65 Woodcrest Circle for seven years with their two daughters, Miki who is eleven and Marya, nine, both pupils at the James Caldwell School.

Groups Discuss World Topics At Meeting

The League of Women Voters in cooperation with the Women's Club, The Alliance Club, The ORT and the Henshaw-Hawthorn Civic Association held a meeting on January 21st at the home of Mrs. Norman F. Freedman of 205 Hawthorn Ave. Methods to develop interest among Springfield residents in the problems of the current world crises were thoroughly discussed.

From among eight broad subjects for future discussion which seemed of special import at the moment, the following three were voted as most likely to be of current interest: 1, the Suez crisis; 2, the Hungarian situation; 3, Recognition of Red China.

The next meeting will be on Thursday, Jan. 31st at the home of Mrs. Charles J. Duca, 122 Madison Terrace. This meeting will be a briefing session on the Suez crisis in preparation for the various members of the Committee to hold discussion groups in their own homes on this subject.

The discussion groups will be composed exclusively of Springfield residents—friends, neighbors, fellow club members and any interested men or women who would care to participate in this type of open give-and-take on the searching questions of foreign policy today.

LORRIE LEWIS

There are many exciting pages in the memory book of Mr. and Mrs. E. Walker of 47 Morris Ave. and their recent Caribbean island-hopping sojourn added a bright new page.

Each year, at about the time of their wedding anniversary, the Walkers plan a vacation. This year they celebrated their 20th anniversary with a trip that took them to San Juan, Puerto Rico; Virgin Isles; Dominican Republic; Montego Bay and Ochos Rios, Jamaica; and Haiti.

Many, many happy vacations! Mr. and Mrs. Sol Levitt of 19 Briar Hills Circle, formerly of Irvington, celebrated both sons' birthdays this past weekend.

Son Tom, 9 years old, had a supper party on Friday, February 1. His guests were Dick Cornfield, Ray Jensen, David Peacock, Gregg Jackson, Barry and Martin Liebowitz, Harvey Jacobs, and Andrew Wortzel all of Springfield. School Supt. Talks To Rotary Members

A new look in Education through the Regional High School district was presented by Dr. Warren Davis, superintendent of schools of the Regional district, at a meeting of the Rotary Club of Springfield held at Baltusrol Golf Club on Tuesday.

Dr. Davis emphasized the new distributive education program that the Regional system plans to inaugurate which "would give direction to the students who are not going to colleges or working in offices."

The idea is to give "on-the-job" training to students whose aims lean more towards retail business and industry. Under the guidance of the school and through the cooperation of local merchants and businessmen, students will attend school in the morning and get invaluable job experience in the afternoon.

Dr. Davis also outlined the school's plans for a more extensive program of driver education remedial reading, and advanced standing courses for those students with a college level aptitude.

Lions Participate In Charity Ball

The Lions Club of Springfield at its dinner meeting, Friday, January 24 at the Orchard Inn completed plans for its participation in Lions District 16-E's first annual charity ball, February 22 at 9 p.m. in the Essex House, Newark.

Lion President Albert B. Flemer commended Lion Howard F. Casselman, chairman of the club's committee for the charity ball, for the committee's work in selling tickets for the dance which will feature an hour's professional show including vocalists, instrumental specialties and a sextette of trapeze performers.

To make it possible for full member participation in this outstanding affair, the club's regularly scheduled meeting for this date has been cancelled.

President Flemer said proceeds from the charity affair, goal of which is set at \$12,000, will go entirely to expand facilities of Diamond Spring Mine Lodge, Denerville, a vacation and rehabilitation home for blind women of N. J.

Does Your Old Man Loaf? Naw, He's A Reserve Cop

Springfield Police Chief Albert Sorge had two comments to make about his police reserve last week.

"They know their business and they save the taxpayers a lot of dough."

The reserve unit has 25 active volunteer policemen filling in from day to day for the regular force. These men put in four or more hours a month on foot patrol, traffic duty, and patrol car duty.

"All of this work is done without pay," Sorge says. "The only time we pay reserve is when we must give them extra duty to fill in for a regular who is sick or in an emergency."

"They are an invaluable aid to the Springfield force and are doing a wonderful job," the chief summed up.

The unit was re-activated November 1955 under the direction and supervision of Chief Sorge. Its prime purpose is to assist the regular Police Department in Civilian Defense work in case of an emergency.

The most important part of the training program is First Aid training and all members must pass a test in First Aid. This instruction and test is given by the Springfield First Aid Squad.

The members try to devote enough time so that there is at least one man available each day or evening. All members hold themselves ready to report for duty when called because of need by the Police Dept. Parades and holidays pose a special problem for the Police Dept. and the unit at that time is always ready to assist. Halloween and Christmas found members on duty and the unit received a vote of appreciation from Chief Sorge at the January meeting.

If a man is assigned to Patrol Duty in a Radio car, he is always under the direction of a regular police officer and acts only as an assistant to this officer in his duties. Before a man is assigned to traffic duty he is instructed in this duty by a regular officer until he is familiar with the subject and can handle it alone. Training films are also shown on traffic control and other subjects from time to time in addition to lectures by a member of the State Motor Vehicle Dept. A man on foot patrol is also always accompanied by a regular officer.

The training program includes basic police laws, motor vehicle laws, training in the handling of side arms and the use of night sticks, and traffic direction. Chief Sorge has equipped the members with complete uniforms including Eisenhower jackets for summer and warm coats for winter and nights. Shoulder patches on coats, jackets and shirts identify the members, as Police Reserves.

Meetings are held usually on the first Tuesday of each month at the Town Hall.

Men interested in volunteering for duty are always welcome.

Woman's Club News

Thanks to members who have given stamps and coupons, Mrs. Edward Schubert, House Chairman, has been able to obtain a quantity of spoons and other things that are needed for the kitchen of the Cannon Ball House. Mrs. Schubert urges that we continue to bring these in to the monthly meetings, or to give them to department chairmen at the departmental meetings, in order that other needed articles may be acquired for our use at the Cannon Ball House.

There was a good attendance at the Executive Board meeting at the Cannon Ball House on Wednesday evening, January 30. Hostesses for the evening were Mrs. Stanley McConkey, Mrs. Fred Spangler, and Mrs. DeForest Hillyer. Mrs. Stanley Hrnak assisted, in the absence of Mrs. Spangler.

The International Relations Department has postponed its meeting from February 14 to February 28, at which time Mr. James Duquand will present a "Wee Bill of Scotland."

Making "colleges" under the direction of the Chairman, Mrs. M. D. Williams, was something different, and proved to be great fun when Art Department members gathered at their regular meeting place on Monday evening, February 4. In comparing pictures, different interpretations were given by each person, and members declared their intentions of experimenting further along this line.

At the meeting of the Music Department on Thursday evening, February 7, members will continue working on songs for Hobby Night. The meeting will begin at 8:15, and Mrs. Vincent Bonadies will be hostess, with Mrs. Stanford Hettinger and Mrs. Thomas Argyris as co-hostesses.

Mrs. Henry J. Buktman, Jr. and Mrs. William P. Darrow will be hostesses to the Drama Department, which meets at the Cannon Ball House on Monday evening, February 11, at 8:00 o'clock. Members are in rehearsal for a One-Act Play, "The Silken Scarf," which they plan to present on Hobby Night, and later, at the Drama Festival.

A "Party Sandwich Demonstration" will be given when the American Home Department meets on Tuesday evening, February 12, at 8:30 p.m. Mrs. William Peacock, Co-Chairman of the department, announced that members will be shown how to make cream puffs, as well as rolled sandwiches, and that all club members who are interested are cordially invited to meet with the department at the Cannon Ball House.

The Literature Department will meet Monday evening, February 11, at the home of Mrs. Henry Buchard, 253 Hillside Ave. At this time Mrs. Lemuel Stevens will be the Reviewer.

February 15th is a date that should find all Club members and their friends at the Hotel Suburban for the "Mid-Winter Dance," sponsored by the Ways and Means Committee. There is still time to make up parties, and reservations may be made through the Chairman, Mrs. Edward Reibold, Mrs. William Geitz, Co-Chairman, or members of the committee.

A REMINDER: Arlene Francis' Home Show gives High Lights of Federation plans and projects on Channel 4, each Monday morning. This should be of interest to all Club members. On February 19, a special TV program of interest will be presented over Channel 13, WATV, at which time two recipients of our Pan-American Scholarship Grants will participate in a discussion of the Scholarship fund. More about this next week.

April 4th may seem in the "far-off" future, but "The New Jersey Club Woman" magazine is reminding everyone now to reserve this date for "Club Woman Day" at Talline's, in Newark. Those who have attended these luncheons in the past know what an enjoyable day it is in store for them, and those who have not had this pleasure should plan to go. A few reminders will appear in this column between now and the April date.

Mrs. B. P. Yuckman represented the Springfield Parent-Teacher Association as a guest of the Springfield Teachers' Association at a dinner-meeting of the Union County Council of Teachers' Associations held in the Elizabeth-Carteret Hotel in Elizabeth, N.J. on Thursday, January 31. Mrs. Yuckman met other PTA members there who were representing other community organizations, as follows: Mrs. Lillian Hayward, president of the Springfield Teachers' Association and hostess to the Springfield guests in attendance; Mr. Alan Cunningham of the Springfield Board of Education; Mr. B. F. Newswanger, Superintendent of the Springfield Schools; Mr. Raymond Forbes of the Township Committee; and Miss Frances D. Wahl and Mr. Norman Le Boeuf, Legislative Committee members of the Springfield Teachers' Association.

This group heard the state legislators discuss the study that is being made of general school problems, the growing shortage of teachers at elementary, secondary, and college school levels, and the need for expanding school facilities at all levels.

State legislators who discussed these problems of education included the Honorable: Carlyle W. Crane, William T. Vanderbilt, G. Clifford Thomas, and Robert E. Crane. Mrs. Yuckman, as PTA president, has described this meeting as an inspirational one.

The PTA social event of the year was held on Monday, February 4, at the Baltusrol Golf Club. Mrs. I. J. Gershen and her committee are to be congratulated on their accomplishment in planning such an enjoyable occasion for members who attended. The guests are reported to have been well-pleased with the prizes which were selected by the committee.

Mrs. G. H. Lord has accepted the invitation to join the newly-organized Union County PTA Choral Group. She says that singing is good. She hopes that more Springfield members will join for there are a few vacancies for "food voices." If interested, call either Mrs. Lord or Mrs. J. B. Sussman, PTA Music Chairman.

PTA representatives who attended the Union County PTA Founders' Day Luncheon at the Elizabeth-Carteret Hotel in Elizabeth on Monday, February 4 included the following: Mrs. Charles Miller, Mrs. J. Frank Jakobsen, Mr. B. F. Newswanger, Mrs. L. J. Forsyth, and Mrs. Ben Paul Yuckman. These representatives reported having experienced a most worthwhile meeting.

The PTA president, Mrs. B. P. Yuckman, urges all PTA members to remember to exercise their privilege and their duty to VOTE in the approaching school election to be held on Wednesday, February 13 from 3:00 p.m. to 9:00 p.m.

Historian Group Re-elects Heard

At the most largely-attended meeting in its four years history, The Springfield Historical Society re-elected Charles F. Heard as President. Other officers for 1957 are, Mrs. Eva P. Together with the above, the following, elected for one year, constitute a ten-member Executive Council: Henry C. McMullen, Elizabeth VanLoan, Karl R. Tallau, Edwin A. Baldwin, William S. Quinlan.

In a short address, Mr. Heard reviewed the history of the society and its many accomplishments to date. Parent Education Committee of Springfield PTA, and has taken part in various civic programs. Last week Mrs. Wasung headed the Mothers' March of Dimes in Springfield with considerable success.

Mr. Wasing is a consulting engineer and is chairman of the Citizens Advisory Committee; one of Springfield's very important groups.
Mr. Baumrind was born in Manhattan, July 17, 1921, and attended New York schools—graduating with an M.A. degree from Columbia University-Teachers College in 1947. He has completed all course

and examination requirements for doctorate, lacking only completion of thesis.
He served in the United States Air Force, receiving air medals and the Distinguished Flying Cross twice. He was appointed vice principal of Robert Treat High School in Newark in 1955. The Baumrinds have been residents of Springfield at 71 Kipling avenue since 1952.

Mr. Baumrind immediately became interested in the educational and civic problems of Springfield, serving on the Citizens Advisory Committee to the Board of Education, on the Celebration Committee for the Battle of Springfield Anniversary, Boy Scout committee and is past president of the Jewish-Community Group in the Township.
As school teacher and now vice principal of a Junior High School, he holds membership in practically every professional organization related to education, among them being the New Jersey Education Association, Newark Teachers Association, National Association of School Principals and a long list of others.

According to information taken from the mimeographed report by the League of Women Voters on the recent candidates night, Mr. Davenport lives at 42 Wedgewood Avenue and his occupation is listed as distributor of hearing aids. His educational background included one year undergraduate school at the University of Pennsylvania, 3 years at New York University and 2 years of graduate school at the same university. He is a member of the Springfield Historical Society, former treasurer of the Balfour Civic Association and president of the Orange Rotary Club.
The same mimeographed report states that S. Bryant Haas resides at 36 Edgewood Avenue and his occupation is given as petroleum engineering supervisor. Mr. Haas holds a B.S. degree in chemical engineering from Iowa State College and his community activities include being former Scout-master, membership in

ated at \$299,212, an increase of \$73,481.
Details, shown in the proposed budget, increase the appropriations in the tax department to care for the making of the job of secretary to the Board of Assessors a full time job. Wilber W. Layng has already taken over the full time duties.
Other items in the estimated appropriations call for setting up of fees for legal services to the Board of Adjustment and the Springfield Planning Board. Work in these two Township boards has been increasing and there is very often need for much additional legal services. Township Attorney Max Sherman has been given his legal services to all municipal boards and he will probably be asked to continue in that same capacity.
The police and fire department are given automatic increases in the estimated budget and there is increased appropriation to take care of additional programs in the parks and playgrounds under the recreation commission.
The Public Library will receive \$37,225 in 1957 for maintenance as compared with \$32,250 for last year.

reach as many homes on each block as possible.
"However," says General Chairman Humer, "if our volunteers fail to reach you over the week end or by next Wednesday, please send in your contributions. The mail will reach me or some member of our general committee."
The Township is divided in districts for the block to block drive and there are special shock troops for soliciting the industries, business and professional men.
Under Mr. Granick's supervision Frank W. Holler will have his workers comb the first district. Two new workers have been added to his team, Mrs. R. Oakes and Emil Naurez. Rod Gibbons and Henry Brucker will be co-captains of the volunteers in the second district. Tom Glen, Jr. will lead the third district solicitation, William Melick, Jr. in the fourth and Harry Monroe in the sixth.
Solicitation of the industries in Springfield will be in charge of William Van Riper, Max Weiss and Richard Blake. The professional people in the Township will hear from John Schable, Jr., Dr. Leonard Eckle and Ed Reibold.
The second district will move into the block by block drive with Mrs. Gladys Beardsley, Edward Smith and Joseph Roller as captains. The door bell ringing volunteers include Mrs. V. Lynch, Mrs. M. Lies, Mrs. J. Moore, Mrs. G. Beardsley, Mrs. F. Cincinqua, Mrs. D. Lyons, Mrs. E. Roller, Mrs. G. Donovan, Mrs. M. Roberts, Mrs. E. Baker, Mrs. H. Hartz, Mrs. L. Smith, R. Ronco, M. Lynch, E. Fuhrer, P. Rittersbacher, E. Smith, E. Schjegel and F. Rebert.

KNOW YOUR CANDIDATES

The following question was asked candidates for the local school board election. Information was compiled by the League of Women Voters.
What phase of the functions of the Board of Education are you qualified for, what are these qualifications, and are there any particular changes or improvements that you wish to suggest?

Raymond Baumrind—My experience as a teacher and as a vice principal has equipped me with a broad understanding of the problems involved in the operation of a school and a school system. Here, in Springfield, we have a school system of which we can be proud. But, in a town which has grown so rapidly and which will continue to expand, we must be ever alert to the need to have our schools keep pace with that growth. Keeping pace means a better education for our children and, in the long run, economy for our town.
We must be alert to the new areas of learning which are attempting to squeeze into the curriculum. The decision to accept or reject them, to remove or curtail what we now have must be made with considerable judgement based upon educational know-how.
Edwin G. Davenport—My qualifications for service as a member of the Board of Education include: a sincere interest in children and in providing the best education possible for them; willingness to serve as representative of the people of Springfield; my educational background; the ability to assemble all available facts and make objective, unbiased decisions; and my experience as a member of the present Board of Education.
Primarily, my aim is to work toward maintaining the present high standards of education in Springfield. Naturally, innovations in teaching systems and improved methods of education must be constantly examined and introduced into our school system as needed.
Safety of our school children is one of my foremost interests. The development of our school protection plans and programs in preparation to meet natural and man-made disasters, and to minimize their serious consequences, is of vital importance today. As Medical Chairman of our local Civil Defense unit, I am in an excellent position to work on this problem.
S. Bryant Haas—Functions in which I am particularly interested are future planning and school finance. These two functions also make maximum use of business background which concerns future planning and justification of capital expenditures.
Future planning is a very important function of the local Board today, when available land in Springfield is becoming increasingly scarce. Continuation of our present quality system necessitates determining the facilities required for ultimate community growth and taking the necessary steps to provide such facilities when required. Failure to plan and execute the plan effectively can only lead to lowering the quality

of education our children receive. Regarding school finance, I believe salaries should be maintained at a competitive level and that expenditures should be justified in terms of quality of education or operating cost savings.
Previous Boards have developed the sound policies under which our system has developed. My thoughts merely advocate continuation of present practices.
Robert G. Smith—My qualifications are based on experience with the Springfield Board of Education for nine years.
Having served on many committees in the past, including chairmanship of the Finance Committee, and being at present the i.m.a.u.m.b.e.n.t. presiding-officer, places me in a position of general responsibility rather than specific duties well performed. It has been my duty to coordinate the whole as well as keep in contact with the public.
Experience in working with others to synthesize the desires of citizens either personally or through their associations, with the requirements of the State and the curriculum recommended is one qualification.
Proper business activities represented by records, accounts, payrolls, tax accounting, purchasing, financing and building operations must be carried out according to law.
These have been some of my responsibilities. The past proper conduct of my office is the other qualification that I would submit to you for consideration and approval.
Mrs. Henry M. Wasung—Am interested in every phase of all the functions of the Board of Education. They all affect the educational welfare of our children. Nevertheless, my qualifications lend themselves more to the functions of the School-Government and Public Relations Committees. On the problems which will confront the Board, I pledge my sincere cooperation with every member of the Board, an objective weighing of all facts and equitable decisions founded on the welfare of the children of our township.

IMPORTANT NOTICE TO DOG OWNERS!

The privilege of owning a dog and deserving his affection carries certain legal responsibilities. The State Rabies Control Act and local ordinances provide that:

- 1—All dogs which have attained the age of seven (7) months, or which possess a set of permanent teeth must be licensed during the month of January each year.
- 2—Dogs CANNOT RUN AT LARGE IN NEW JERSEY. They constitute a menace to public health and property, are liable to serious injury or death and quite often cause traffic accidents.
- 3—You are liable for any damage your dog does to a neighbor's property.
- 4—If your dog bites someone report it at once to your Police Department and keep your dog under strict quarantine for ten (10) days.
- 5—Walk your dog on a leash or give him a fenced-in play area on your own property.
- 6—If he is an "outside" dog State Law provides that he must be given a good, weather proof dog house and plenty of water. A chain attached to a long wire must be provided for adequate exercise.
- 7—Fasten your dog's license securely to his collar. It is the only way he can be identified.
- 8—OWNERS OF DOGS FOUND RUNNING AT LARGE WILL BE GIVEN A SUMMONS!

The program of dog control known as The Regional Animal Control Program, in which your town participates is designed to protect both dog owners and non dog owners alike. In addition it protects your animal from theft, injury and from damaging a neighbor's property. It further prevents the spread of infectious diseases among our canine friends.

So, be a good citizen, license and control your dog. He deserves this protection. If he becomes lost or you know of cases where dog owners are not meeting the legal requirements or humane standards outlined above, NOTIFY US AT ONCE.

News of Local Troops

Be sure to mark March 8 on your calendar as the date for the annual "Song Festival" to be held in the Florence Gaudineer School Auditorium.

We want to make a correction: It was Mrs. Walter Anderson's troop No. 8 and Mrs. Edward Smith's troop No. 35 who went to Mrs. Werner Penard's house after carolling for hot chocolate and cookies instead of troop No. 3 which is under the leadership of Mrs. Lee Andrews, Jr. Mrs. Andrews' girls returned after their evening of carolling to the St. James School Cafeteria for a turkey dinner prepared and served by the mothers.

At the Semi-annual Joint Council and Leaders' Meeting held on January 17 at the Florence Gaudineer School, Mrs. Albert Roth, Registrar, reported a total registered membership in Springfield of 388. Of this number 273 are Girl Scouts and Brownies and the remainder are Leaders, Co-leaders, Troop Committee members. Board members not registered with troops and Active Adults. There was a drop of 52 in Brownie membership during 1956 and an increase of 30 in Intermediate Scout membership; however, 3 Intermediate Troops totalling 56 girls and 1 Brownie troop of 12 girls had to disband for lack of leadership. Five adult members are eligible to receive service pins at this time; Mrs. Albert Roth, with 25 years of continuous service, Mrs. William Degenhardt with 5 years continuous service, Mrs. Werner Penard, Mrs. Michael Tatusko and Mrs. William Thompson, each having 5 years cumulative service.

There's nothing that smells better than freshly-baked bread as we discovered on our educational trip to the Fisher Baking Co. in Newark. We were each given a loaf to take home as well as chocolate doughnuts, pencils and a storybook. It was truly remarkable to see a thousand loaves of bread being made at a time. At the last meeting we began to make valentines for the 14th, isn't it too far away. We are planning a trip to the Bury Biscuit Co. on Lincoln's Birthday.

Troop No. 39
Mrs. Marilyn Goldman, Leader
Mrs. H. Wemischner, Co-leader

FULL STEAM AHEAD—Murray Zucker, co-owner of Drexel Quality Cleaners reports that his first week in business on Mountain Avenue was a big success. He opened last week with a 2 for 1 sale. Any suit done at regular prices, he will do another suit free

With Mrs. Franklin's help, Mrs. Wemischner was able to take us to Fisher Baking Co. last week for a tour of the plant. The people there were so nice to us and gave us samples, not in miniature, but regular-sized loaves of bread and a box of chocolate doughnuts. Somehow it makes the trips so much more interesting when the products can be eaten. Mrs. A. D. Buckley, Mrs. Leroy Mumford, Jr., Mrs. William Franklin, Mrs. Hendryk Jachim, and Mrs. Freuchter are a very cooperative Troop Committee and are helping our leaders a lot. We envy Mrs. Goldman—way down in Florida on vacation and will be anxious to hear about her trip. From now until the Festival in March we will be practicing the song we have chosen. We are also learning "Girl Scouts Together".

Town Leads County In Safety Despite Traffic

Springfield led Union County in overall safety last year according to an annual report of the Board of Freeholders. There was only one fatal accident in Springfield during 1956. Springfield Police Chief Albert Sorge says this is remarkable in view of the fact that two major highways run through the Township. (The one fatal accident happened on March 12 when mailman Robert Reed (23) of 1 Morrison Road was killed when his truck was struck by a car on the corner of Mountain Avenue and Hillside Avenue. The driver of the car, Claude W. Boytan (78) of Millburn will be tried on manslaughter charges within the month according to police.)

The county physician, Dr. George W. H. Horne of Elizabeth, reported 75 persons died in accidents throughout Union County during 1956. Three persons in the county were killed when they fell from ladders and three others were injured fatally when they fell from windows. One child died of injuries suffered in a bicycle fall, two were asphyxiated, two died from accidental poisoning and one person drowned. Eighteen county residents committed suicide last year and four persons were murdered. A municipal breakdown of the accidental deaths shows: Elizabeth, 31; Rahway, 4; Linden, 11; Kenilworth, 3; Roselle, 3; Roselle Park, 4; Springfield, 1; Berkeley Heights, 3; Plainfield, 3; Summit, 5; Westfield, 2; Union, 4, and Hill-

Salutes The Springfield Fire Department

This organization of 10 paid firemen, 25 reserve firemen, and 40 volunteers, forms the bulwark in Springfield for fires, emergencies, civil defense, and disaster control. The fire department owns four major pieces of equipment, the hook-and-ladder-truck, two pump-trucks, and a hose truck. The first paid fireman was hired in 1930. Since then the department has answered thousands of calls. The biggest fires which destroyed the Chateau Ballroom, the old Howard Johnson's, Union County Lumber Co., the CC camp by Regional school.

Chief Charles Schilling and Deputy Chief Ormond Mesker report 192 emergency calls in 1956 resulting in \$12,500 in fire loss, 23 homes, 53 grass fires, and 57 first aid calls are among them. This year the calls have been averaging two a day.

THE MEASURE OF CIVILIZATION

Some folks judge civilization's progress by the kind of houses they live in.

Others point toward the giant strides of science or industry—or the striking advance of music, art and literature.

Yet civilization is perhaps best measured by the kind of people it produces.

Picture a man who respects the dignity and rights of others, and who looks with compassion on human suffering. He is guided in all things by an abiding love for God. His moral stamina never ebbs. His spiritual courage grows stronger.

Multiply this man by the thousands . . . by the millions . . . and you'll see a civilization higher and greater than has ever existed.

The Church is the one great institution that devotes itself to the development of man's character and spirit. As long as it continues to thrive, we can expect our civilization to flourish and progress. Help extend the influence of the Church—give it your support, make it a part of your life!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Table with columns: Day, Book, Chapter, Verses. Rows include Sunday through Saturday with corresponding Bible references.

Groups Form 9 Congregations To Meet Here

Nine congregations of different faiths will hold their Second Annual Interfaith Brotherhood meeting Tuesday, Feb. 12, at 8:15 in Temple Beth Ahm here.

The churches from Springfield and neighboring towns are joining together in observance of National Brotherhood Week. This observance is sponsored by the National Conference of Christians and Jews in the belief that the practice of brotherhood can lead to the peaceful solution of any neighborhood misunderstanding or community difficulty caused by intergroup tensions.

The principal speaker Tuesday night at the Temple will be Rev. Frederick Long of St. Thomas Episcopal Church, Newark. Rev. Long is in charge of the television and radio work of the Newark Episcopal Church and has done work for the National Conference of Churches. He has appeared on Sunday morning Eventide programs of WJNJ Newark and WATR Morristown.

The program for the evening follows: 8:15 p.m. Warm Up Name Tags, Community Singing.

8:45 p.m. Invocation, Rabbi Levine, Temple Beth Ahm.

8:50 p.m. Address of Welcome, Milton Kappstatter, Temple Beth Ahm Representative.

8:55 p.m. Springfield Presbyterian Church Choir; (2 selections).

The BAHAI FAITH Teaches: "Know thou that supplication and prayer is the water of life. It is the cause of the vivification of existence and brings glad tidings and joy to the soul."

Royals Trim Hawks 41-30 — Unbeaten!

The Royals trimmed the Hawks 41-30 to remain unbeaten in the Springfield Recreation Youth Basketball League. Coach Vic Kestel of the Hawks and the Scott Donnington of the Royals juggled their starting lineups considerably, as League rules call for insertion of all players. A poor first quarter by the Hawks stopped their bid, plus good defensive play by the victorious Royals. Hopta and Gladstone were the scoring leaders for the Royals, with Hopta providing the scoring punch with timely field goals in the third and fourth quarters. Gladstone's generalship and aggressive play paid off as the Hawks seemed to be down for this big game.

George Setzer was the top performer for the losers, although contributing eight points on four goals. Teddy Hohn scored nine points on three goals and three fouls, with Emory Fisher scoring four points.

Blind Man Jimbo Falls To Fifth

Springhouse Tree Service pinners were the only team to make a clean sweep last week. Unfortunately, the Jimbo team was short a man and had to use a blind score of 125, but this could have affected the outcome of only one game unless the missing member had bowled better than average. The entire Jimbo team, including Richie Caggiano, was far off their usual scores.

Lynn defeated the Mavericks 2 to 1, narrowing the lead to a single game. The splendid bowling of Ed Schaefer and Harold Hattersley kept the Mavericks from a worse defeat, although all three games were decided in the 10th frame.

Disc & Shutter took two out of three from the P.B.A. and occupy third place in the league. Ziegenfuss is now bowling anchor man and has the splendid average of 173. He is number three in the individual averages and seems to improve every week.

The following 200 games are high for the week: J. Inkadella 204; Hal Burdette 202; B. Ziegenfuss 201.

Charter Study

present form of government is as old as the town itself and our Charter should be thoroughly scrutinized to determine if it adequately meets present day requirements. If a different form of government is recommended, then the people, under State law, must pass on its adoption or rejection.

Committee member Donnelly expressed the following opinion: "Three years ago, I campaigned for a Charter Study and my views on it have not changed. At that time a second look at our shifting population trend seemed to call for caution in possible creation of a situation which would require an early change. As of now, it would seem that we have approached approximately 85% of maximum possible population and our position seems fairly stabilized with respect to present and future needs. Therefore it is a more appropriate time for such a program."

"If the citizens would institute a petition for Charter Study, I would endorse it." The Springfield League of Women Voters, also recognizing the need for a study, arranged for an open "Charter Study" meeting which was extremely well attended. Mr. David A. Rapoport, lawyer and former Chairman of the Bloomfield Charter Commission, ably explained the Faulkner Act and its product the Charter Commission. Following his speech, Mr. Rapoport was questioned by an audience which demonstrated great interest in the subject of "Charter Study."

At this meeting, a tentative date Feb. 27 was set for the formation of a Citizens' Committee whose job will be to choose a slate for the Charter Commission as well as to publicize and clarify the functions of such a Commission. However, it must be noted that the formal adoption of a Charter Commission, which would study Springfield's form of government and make its findings public, is entirely contingent upon the desires of the voters of Springfield.

Arnold Hutchinson Back After Hospital Siege

Friends of Arnold C. Hutchinson, one of Springfield's leading citizens, will be glad to learn that he is now back home after an emergency attack which sent him to Overlook Hospital for some surgery. The operation was very successful and Mr. Hutchinson, after two weeks in the hospital, is now on the road to complete recovery, even taking automobile trips and short walks to say hello to some of his friends.

Mr. Hutchinson is a realtor, in business with his wife, Jane Hutchinson, at 530 Morris avenue, one of the most progressive and reputable realty concerns in this area. The Hutchinson firm is affiliated with the Board of Realtors of the Oranges and Maplewood which includes Springfield, Millburn and Short Hills.

Both Jane and Arnold Hutchinson want to thank the many friends for their expressions of concern by telephone and the many "get well" cards received during the weeks of convalescence.

On April 3, 1800, the franking privilege was given to Martha Washington. She was the first presidential widow to be allowed to send mail free. This started a legislative custom that still continues.

Springfield High In Charity Drive

Evidence of how well Springfield responds to worthy causes comes in the final report on the returns from the 1956 fund drive of the Union County Unit of the New Jersey Association for Retarded Children, which was held here last November.

All the success of this drive is due Mrs. Samuel C. Goldstein of 26 Kipling Avenue who headed the campaign and did a great deal of the work personally as well as dealing the assistance of a great many volunteers.

A total of \$1,038 was raised in Springfield which might not seem like a great deal but it was the highest of all the 20 communities in Union County except Roselle Park. Elizabeth contributed only \$438.35 according to the report. Plainfield gave only \$312.25. Summit is down for \$73 and Westfield thought the cause was worth \$13.70.

The final report on the returns from the 1956 fund drive showed a total yield from the 20 communities, solicited as amounting to \$6,004.77.

Arthur G. Avery, county chairman, explained that the National Association for Retarded Children will receive 15 per cent of this amount for research. The New Jersey Association for Retarded Children will assess the unit, basing the amount upon population. The remaining monies will be used in this county for helping mentally retarded children and adults.

Mrs. Goldstein and Mr. Avery takes this opportunity to thank all those who contributed effort to make the fund drive a success.

Following is a list of contributions from each community: Berkeley Heights, \$14.00; Clark, \$25.00; Cranford, \$175.00; Elizabeth, \$38.35; Fanwood, \$22.00; Garwood, \$16.00; Hillside, \$608.28; Kenilworth, \$36.00; Linden, \$52.24; Plainfield, \$331.25; Rahway, \$52.00; Roselle, \$1,325.31; Roselle Park, \$215.00; Scotch Plains, \$16.00; Springfield, \$1,038.00; Summit, \$73.00; Union, \$74.00; Vauxhall, \$7.00; Westfield, \$153.00 and Winfield Park \$172.75.

Pre-School Group Meets

The "Happy Family" is the topic to be discussed at the meeting of the PTA Pre-School Group to be held tonight, Thursday, February 7, in the cafeteria of the Florence M. Gaudineer School.

Mr. William Neal Brown will be the speaker at this meeting. Mrs. Edward J. Harback, Pre-School chairman, feels that the group is fortunate in having Mr. Brown as the speaker.

Mr. Brown, a psychiatric social worker of Montclair, has been recommended by neighboring PTA groups as an informative speaker. An interesting meeting is anticipated. New members are invited. Refreshments will be served by Mrs. W. H. Vaughn and other members of the hospitality committee. Remember the date—tonight at 8:15 p.m.

The mile-long Detroit to Windsor, Ont., vehicular tunnel was the first auto traffic-tube ever built between two nations. It was completed in 1930.

Crestmont Elects Officers for '57

Edward A. Conley and Thomas W. Lyons, local residents, have been renominated to the Board of Directors of the Crestmont Savings and Loan Association at the annual meeting held recently. Stephen Y. Ronnie, Treasurer of Maplewood Township, and a director of the savings institution since 1919, was appointed vice president, succeeding William Frey. Mr. Frey, who is unable to devote as much time to the affairs of the institution as in the past, remains a member of the Board of Directors.

O. Vincent McNany, Postmaster of Maplewood ever since the township received its own post office, was elected a director of the association.

All other officers and directors were re-elected for the ensuing year. J. William Anspach is president; Loren F. Gardner, executive vice-president and secretary; G. Clifford Thomas, vice-president; Carl L. Becker, treasurer; Arlene Alley, assistant treasurer; Rose Boylan, assistant treasurer; Eleanor Dow, assistant treasurer; Margaret G. Lee, assistant treasurer.

Students Perform More Efficiently

The students from Miss Kosloski's eighth grade in the Florence M. Gaudineer School are doing something special in their English classes.

They are going to conduct an interview and survey on the topic of whether or not Springfield should license and inspect bicycles. The students will telephone various people in the town asking them if they might interview them on this subject.

Chorus Needs Singers

The Summit Community Chorus has resumed regular rehearsals in preparation for their annual Spring Concert to be given sometime in May. Rehearsals are held on Monday nights at 8 p.m. in the Summit YMCA. Interested singers in Springfield are invited to attend or can call Mrs. Watts D. Chapin at Drexel 6-6679 for further information.

56 Local Voters OK School Funds

Despite the fact that there was no Springfield vacancy on the Regional Board of Education, 56 local citizens turned out Tuesday to vote on the budget.

Every item of the budget received overwhelming support from the 56 voters. Elsewhere in the Regional election the story was the same, except in Kenilworth. There, the budget just barely passed.

Thomas Nolan of Clark, Everett A. Fay, Berkeley Heights; and William A. Brodick, Kenilworth were returned to three-year terms without opposition. Mr. Nolan, senior member in point of service, received 36 votes; Mr. Brodick 50 and Mr. Fay 27.

The item for current expenses of \$949,065 received the following yes and no votes: Clark, 34-2; Garwood, 24-5; Kenilworth, 32-25; Mountainside, 53-16; Berkeley Heights, 29-9 and Springfield 56-0.

The item for repairs and replacements, \$30,100, listed this vote: Clark, 34-2; Garwood, 24-5; Kenilworth, 27-20; Mountainside, 54-15; Berkeley Heights, 28-0 and Springfield, 56-0.

The figure for land, building and grounds of \$36,250: Clark, 32-4; Garwood, 25-4; Kenilworth, 32-23; Mountainside, 50-18; Berkeley Heights, 28-1 and Springfield, 54-2.

In Eng'g. Honor Society

Ian G. Durand of 162 Shott Hills avenue and Harris C. Rawicz of 35 Rose avenue have been initiated recently in Eta Kappa Nu, Electrical Engineering Honor Society at Newark College of Engineering, according to Professor Robert E. Anderson, faculty advisor.

The purpose of Eta Kappa Nu is to foster scholarship among the student body, to promote and to form a liaison between the staff of the Electrical Engineering Department and the students, and to give recognition to those undergraduates whose character and scholarship merit it.

Warriors Win 62-39
Abrams Scores 27
The Warriors easily defeated the Globetrotters 62-39 a week ago Tuesday evening at the Florence Gaudinger School gym, with Roy Abrams scoring 27 points to pace the winners. Richie Sussman scored twelve points in the second half, registering on three long set shots.
The Globetrotters were minus three of their top players, Billy Franklin, Richie Baker and Howland Selander. Without this trio the warriors gained complete dominance of both backboards to set up several fast break scores, also keeping the Globetrotters scoring at a minimum. Ronnie DeSantis, Tommy Marino and Larry Atkins were the standouts for the losers, with Atkins and DeSantis showing improvement on both their scoring and defensive play.
A big third period by the Warriors practically put the game out of reach for the Globetrotters, with the winners meeting twenty-three

UNICO Ladies Meet

The newly-organized chapter "Ladies of Unico, Springfield," held a meeting January 31, 1957 at the La Martinique restaurant...

completed a slate of officers for the coming year to be presented at the next general meeting February 11, 1957.
