LAUNCHING THE YOUTH CENTER

The Youth Center project in Springfield "got off the ground" after a spirited meeting of all Township groups last week—but it took quite a bit of "huffin and puffin" to get enough speed on the runway for the take-off.

It was very heartening to have seen representatives of practically every group—every church, every service and civic association attend the evening's discussion in the American Legion Hall. The questions those present had an opportunity to be heard, the consensus of opinion was that "Springfield definitely needs such a Youth Center."

The mechanics of "what how, where and when" will be left to a committee of 12—representing various groups—named to thoroughly explore and investigate the need of a Youth Center and all phases of the project.

Former Essex County Judge Felix Forlenza "put the icing on the cake" by describing his experience as a member of the citizens group which made possible the operation of the South Orange Community Center. He, Ed Reibold, president of the Springfield Rotary; and Ike Freedman, temporary chairman of the preliminary committee, carried the brunt of the questioning.

The Springfield Rotary members "built the fire" starting the town-wide movement for this Youth Center idea but last week's meeting brought all of Springfield into the picture and there was enough genuine enthusiasm displayed to indicate success.

However, it was surprising to hear some of the representatives ask specifically "what will a Youth Center do for my child?" There is no formula, no yard-stick to measure the actual value of community centers but if there's any doubt in the minds of those who still question the need of the proposed project, Marcel's, Center Sandwich Shop, or Strubbe's should be able to offer some interesting contributions to the subject.

The investigating committee will find that it will cost money, effort and time to make the center a reality. But, if only one youngster can be taken off the streets or away from the public juke box booths and given a place where he can become interested in a game of chess or checkers, where he can meet his friends, where he can listen to records, read a magazine, participate in amateur theatricals—and a thousand and one other activities—it will be well worth it.

RECOGNIZE MAYOR BINDER'S LEADERSHIP

Mayor Albert G. Binder and members of the Township Committee are to be commended for the fine "show" staged when a very representative group of taxpayers came to the Municipal Building to ask some questions about the proposed 1957 budget.

Mayor Binder gave an excellent presentation of the entire fiscal problem and, without meaning to detract from the part played by the other members of the governing body, the afternoon emphasized the fact that he has given Springfield some real leadership and it is time this straight-from-the-shoulder executive is fully recognized.

Mayor Binder is the titular leader of the Republicans in Springfield by virtue of his position in the governing body. He is the spokesman on all matters pertaining to the administration of Township affairs and members of the Township Committee "go along" with him and do their voting as one happy family.

Naturally, there are differences of opinion in which all members are given an opportunity to thoroughly discuss points of view. But there is never any question that the Township's chief executive should do the talking and hammer down a definite policy of responsibility.

Mayor Binder's kind of leadership has done more for Springfield's growth than at any time since it was decided to transform the Township from "an oasis for jangled nerves" into a progressive community. He is forthright, doesn't back away from a controversy, or even a real scrap if his decision will be "for the best interests of Springfield."

Mayor Binder has a formula which has for its premise "what's best for the Township's future" and Springfield has become synonymous with progress, enterprise and good municipal government. Springfield did not always have this reputation among real estate and prospective commercial and industrial executives who explored the possibility of locating here. But Mayor Binder and the other members of the Township Committee have changed all that.

He is fortunate in having "a good team" with "know how" and enough display of civic pride to do everything possible for the future of the Township. Township Committee member Frederick A. Handville, who holds seniority among the other members of the governing body; Eugene F. Donnelly and Raymond W. Forbes, all members of the same political party, have been in general agreement on the important problems confronting Springfield; and Vincent J. Bonadies, the Democratic representative, puts aside any political objectives when he has to cast a ballot on "what is best for Springfield."

This kind of leadership—this type of enterprising administration should not be sabotaged. Springfield has a very good backfield, a very fine scoring combination and the question as to which one of the five dedicated men should be quarterback, captain or mayor, is something the team will decide.

41-Year Davega Veteran Named Local Manager

Harry W. Schill has become the new manager of Springfield's Davega Discount Center—soon to become the largest Davega store in the world.

NEW DAVEGA MANAGER — Harry W. Schill has taken over the reins of the Davega Discount Center on Route 22, Springfield.

Schill, who has been with the Davega organization since 1916, has taken over the local store on Route 22 after managing Davega's big Times Square store in New York for the past 28 years. He was active in originally setting up the Springfield store and will supervise the expansion due to start here next month.

Schill says that when the new section of the Davega store is completed late this summer, it will more than double the present size of the Discount Center.

A veteran of World War I, Schill was wounded three times in the five major engagements in which he took part. Despite the fact that he lost a good deal of one leg below the knee, he has played an enormously active part in the growth of the Davega organization down through the years. He is a member of all three large veteran's organizations, V.F.W., American Legion, and Disabled American Veterans.

Schill, who lives with his wife Abbie in Jamaica, Long Island, plans to move to Springfield. The Schills' daughter, Virginia, is married and lives in New Hampshire with her two children.

New ORT Chapter

The Springfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training) will sponsor a new chapter of ORT which will be organized in Westfield.

On March 21st a tea will be held at the home of Mrs. Joseph Hammer, 1518 Central Avenue, Westfield, at 8:15 p.m. Anyone interested may contact Mrs. Merton Weiss, Expansion Chairman, at Drexel 6-2877.

Rotary Nominates Its New Officers

The nominating committee of the Springfield Rotary Club announced its proposed slate of officers for the coming year. Terms of office are for one year and take effect July 1.

Nominated for President was Howard Flammer; Vice President, Raymond Bell; Secretary, Dr. Marvin Gould; Corresponding Secretary, Carl Jehlen; Treasurer, J. Norwood VanNess and Directors, Ed Reibold, Ludwig Stark and Louis Kravitz.

Equalization Will Increase Many Tax Bills

The mammoth task of revaluation and equalization of all Springfield properties for tax purposes will get off to an official start as soon as the Township signs the contract. And when the job is completed, there is bound to be some plain and fancy howling from those taxpayers who have been literally riding the gravy train for many years. Some of the new bids will be "block-busters."

Rev. Luerich To Speak to Methodists

Rev. Dr. Roland L. Luerich

The Annual Church Meeting (called "Annual Quarterly Conference") for the Methodist Church in Springfield will be held on Tuesday, March 5, at 7:45 P.M., following a dinner at 6:30, with the Rev. Dr. Roland L. Luerich, Superintendent of the Southern District of the Newark Conference, presiding.

Reports for the past nine months will be given by officials, including the pastor, the Rev. Dr. Marvin W. Green. On presentation of the Nominations Committee of which Dr. Green is Chairman, the work of the church for the next fiscal year will be delegated to the following Commissions, Officers and Deacons.

National State to Pay 3 P. C. Interest

Officials at the Springfield Branch of the National State Bank of Elizabeth announced yesterday that, effective April 1, interest paid on savings accounts will be at the annual rate of 3 per cent on the first \$1,000 of balance and 1 per cent of the remainder without limit.

The new rate will apply to all savings accounts. The annual rate of interest now being paid on savings accounts at National State is 1 per cent. Accounts exceeding \$100 will be paid at the 3 per cent rate but, on accounts of \$100 or less, the 1 per cent rate will be continued.

TALK OVER PROJECT—Senator Clifford P. Case (center) talks over project with new staff member, Miss Dorisch of 27 Woodcrest Circle. Miss Dorisch is a graduate of Wellesley College and has been employed in the Defense Department.

Participating in the ceremony are—left to right—Mrs. Sidney Garner, Mrs. Seymour Margulies, Mrs. Ivan Crutch, ORT President; Mayor Binder, Rabbi Reuben R. Levine and Mrs. Norman Cooperman. Invite New Residents to Join Democratic Club

The first of a series of recruiting drives to enlist all newcomers in Springfield to the cause of the Democratic Party will be held next Tuesday night, March 5, when the Springfield Democratic Club will hold its regular meeting at the V.F.W. Hall, Morrison Road and Morris Avenue.

Invitations have been sent out by the Democratic Club President, John Taraska to all new residents, and party workers in every one of the 13 voting districts have been instructed to relay the invitation personally.

Squad Records New High in 1st Aid Calls

A new monthly high in emergency calls was recorded during January by the Springfield First Aid Squad. It was reported at the regular business meeting last week that there were a total of 43 calls for the ambulance during the first month of 1957. This is almost a 200 per cent increase over January of last year when 22 calls were answered.

The great increase in population and added traffic are given as two reasons greatly responsible for the rise in emergency calls by squad officials.

Of the total number of calls, 25 were emergencies and 18 were transportation cases. There were 5 oxygen bottles consumed, 554 miles logged by the two ambulances and a total of 142 man hours devoted by some 20 squad members.

For the benefit of these new residents of Springfield who may not be familiar with the squad's work, The Sun submits the following information regarding the organization.

The Springfield First Aid Squad is a volunteer organization which provides First Aid and Ambulance service free of charge to the residents of Springfield. The Squad was organized in 1949 by 10 members and now has 27 members providing 24-hour service.

It is need for the Squad arises, it need for the Squad arises, it need for the Squad arises.

Springfield lost another leading citizen this week in the death of Karl R. Tallau of 231 S. Springfield Avenue who died Sunday at Overlook Hospital.

Mr. Tallau, 59, was born in Newark and lived in Chatham before moving to Springfield nine years ago. He was treasurer of the Wilbur B. Driver Co., Newark, wire drawing mill.

He was a past president of Newark Chapter, Institute of Credit Men, and a member of the Newark Controller's Institute. He was also a member of Clinton Hill Lodge 209, F&AM, of Newark, the Springfield Historical Society, the First Presbyterian Church of Springfield and past patron of Electro Chapter 68, OES, of Newark.

Mr. Tallau leaves his wife, Mrs. Dorothy Wood Tallau; a daughter, Miss Adeline I. Tallau at home; two brothers, Edward of Maplewood and William of Arlington; and a sister, Mrs. George R. Traqu of Irvington.

POST OFFICE SEEKS JANITOR

Postmaster A. V. Del Vecchio announced he is seeking someone to perform part time janitory services at the local post office for 3 to 4 hours daily, except Sunday. Earnings of the part time janitor will total \$1,400 per annum. Retirement benefits are included in this position. Any male interested in this part time job should contact the Postmaster.

New Voters Can Register Nites Now

Night hours for registration of voters in Springfield will begin on Monday and continue until the deadline next Thursday, March 7.

Starting with Monday the offices of the Township Clerk Mrs. Eleonore H. Worthington will be ready to register voters from nine a.m. until 9 p.m. They are now open for registration until 5 p.m.

Because of the great number of new residents, many voters have been added to the local list. Those who have moved into Springfield since the last elections are urged to check with Mrs. Worthington at the Municipal Building as to their status and right to vote in the coming primaries and general election. Qualified voters from other counties and municipalities are urged to report so that the proper transfer can be made.

Naturalized citizens are asked to bring all necessary papers to the Township Clerk's office for permanent voting registration.

Both political parties in Springfield are making every effort to have all qualified voters register so that they may be able to participate in the coming elections, both primary and general in November.

Driver Jumps From Brakeless Truck

Police Chief Albert Sorge credited a last second leap from the cab of an out-of-control truck on Shunpike Road with saving the driver's life Tuesday.

When the truck with five tons of stone in the back crashed into a tree on John Shoda's lawn at 37 Shunpike, it demolished the cab, sheered off the front wheels and scattered stone all over the road and the lawn, according to police.

The driver, Thomas Robinson, 40, of Newark, suffered abrasions of the cheekbone, left leg, right hip and groin. He was taken to Overlook Hospital where his condition is described as good.

He told police his brakes failed as he came east down the half-mile grade of Shunpike Road and rather than pile into the cars waiting for the Mountain Road light, he pulled off the road, hitting the tree.

Husband's Night Is Scheduled for Wed.

Husbands' Night will be observed at the monthly meeting of the Springfield Women's Club, to be held at the Edward Walton School, on Wednesday evening, March 6th.

The Club is fortunate to have as speaker for the evening, the very talented Katherine Young, whose work as a photographer is well-known all over the world. Her talk, "People of Our Time—Portraits in Photography," will be illustrated by a number of photographs which she has made. Miss Young was formerly a New York artist and landscape architect, who put aside her pencils and paint brushes for the camera. As one of the world's leading Portrait Photographers, she applies to her work a technique known as "Portraiture," of which Miss Young is internationally recognized—as the founder. By this method of photography, she brings out the distinctive character of the subject being photographed.

Her work has been given excellent reviews in newspapers over the country, and her portraits are the only works in Photography that have been shown at the Corcoran Gallery of Art, in Washington. She has photographed most of the prominent people in the United Nations, and included among her other portraits are those of Dean Acheson, Chancellor Konrad Adenauer, Governor and Mrs. Harriman, Adlai Stevenson, and the Chief Justices of the United States.

LORRIE LEWIS

Rhona Lamberg, daughter of Mr. and Mrs. Lou Lamberg of 4 Woodside Road, had my idea of a perfect birthday celebration on her 15th birthday on February 23. Eight of her friends accompanied her to a performance of the Broadway hit show, *Lil Abner*. Afterward the young ladies dined at Toffenetti's and then returned to Rhona's home for a pajama party. The birthday guests included Diane Berger, Renee Ebert, Annette Grosso, Roberta Kappstatter, Carole Levine, and Elaine Zerolnick all of Springfield and Rhona's cousin, Beverly Schwartz of the Bronx, N.Y.

On March 1, Mr. and Mrs. Sam Klugman of 634 Ashwood Road will attend the opening of the "Ziegfeld Follies" in New York City in honor of Mrs. Klugman's birthday. They will be accompanied by Mr. and Mrs. Jack Bokker of Newark with whom they celebrate all festive occasions. Mr. Klugman is the owner of the Halsey Ticket Service in Newark.

Happy birthday wishes to Ricki Zegar, son of Mr. and Mrs. Jack Zegar of Archbridge Lane. An invitation received by some 300 women reads "Suburban Deborah League cordially invites you to attend a tea to be held Tuesday eve, March 12 at the Hotel Suburban, Summit." From the reports of the chairladies of this tea, it sounds as though a lovely evening has been planned.

Suburban Deborah helps support the Deborah Sanatorium in Browns Mills, N.J. which specializes in chest diseases, tuberculosis, heart, and cancer. The sanatorium achieved much fame recently for its part in perfecting a new method of heart surgery and for its work with aiding Hungarian refugees who have been

stricken with tuberculosis.

A merry time was had by all the boys and girls who attended Carol Ann Roessner's birthday party on February 23. Carol Ann, who was 2 years old, is the daughter of Mr. and Mrs. Edward Roessner of 15 Alvin Terrace. HARPER'S BAZAAR SAYS:

"Very clever mechanized tables on which you relax as you would on your own bed, while machines do your exercising for you. Controlled exercise, tailored to you and your figure. A series of these Stauffer treatments will turn you out minus the sway-back, the protruding abdomen or any of the other figure faults you'd gladly live without.

The treatments take only fifty minutes and are not expensive. You start off with a consultation, when your measurements are taken, your problems discussed and you are encouraged to try a preliminary treatment. (This is completely free.) From then on, your progress is carefully watched until you have achieved the symmetrical, limber figure you want."

MADMOISELLE SAYS:

"The Stauffer System uses four couchlike machines. They do all the work, supervised of course by the salon experts. You just lie there. The beautiful outcome is the re-proportioning and redistribution of flesh into the measurements most flattering for your own body structure.

The Stauffer expert computes the number of fifty-minute treatments necessary to guarantee your new dimensions—many people take two treatments at a time and get the figure they want twice as fast... dress alterations can be a thing of your past. And with each treatment averaging only \$2, your dream figure is literally a bargain."

VOGUE SAYS:

"The word is yes—you can remake your measurements... I decided to start with the Stauffer System... lying down in perfect comfort, the machine exercises passively the vertical muscles, exerts a trimming action on hip bulges, and tucks hips under, a first step in creating better posture... A similar table works first on the hips—then the shoulders. The shoulder action firms the muscles of the bust and arms, helps restore a good throat line and diminishes dowager's hump.

The purpose of the machine is to correct posture, eliminating saggy areas where fat can accumulate; to stimulate circulation; to improve muscle tone—that means you won't be flabby any more; and to improve the process of carrying off body wastes. It makes you look and feel years younger... your contract includes a guarantee that you will lose, if you follow the plan, exactly the inches we say you'll lose."

News of Local Troops

Troop No. 21
Mrs. William Franklin, Mrs. Alfred Parker, Mrs. George Rau.

Mrs. J. Moses, leader, co-leaders The three patrols, Bluebirds, Nature Birds and Campers have been taking turns each meeting cooking refreshments and serving them to the other girls. On Valentine's Day we took refreshments to Memorial Field, a day nursery in Summit and acted as hostesses for a party for the children there. Troop No. 6 of Summit who were also contributing to the party invited us to visit them at some future time. We were very pleased to have Mrs. Thomas Doherty

attended. There will be someone at the desk at the monthly meeting to receive them, or they may be given parties at Mrs. Cowles' house to celebrate their respective

attend one of our meetings and to act as a panelist for the discussing on "Social Behavior." Each girl in some way has earned a dime for the March of Dimes and the total amount has been sent in to the local chairman. A great deal of our time is spent working on the cooking and hospitality requirements.

Troop No. 34
Mrs. Arnold Birnbaum, leader, co-leaders Mrs. J. M. Cowles, Mrs. Victor Bracht.

Lincoln's Birthday was an ideal time for a leisurely tour of the Burry Biscuit plant to see the interesting processes from the making of dough right through to the finished product. In this case the "fill" of delicious freshly made cookies served with milk for the girls and coffee for the grownups. "Fru-p" will be here before too long, and we are getting along fine on a project to meet a requirement, that of table-setting, and in addition are keeping a scrapbook on attractive table arrangements.

Madelyn Birnbaum, Lynn Jackson, and Happy Eggers were given parties at Mrs. Cowles' house to celebrate their respective

birthdays which came closely together.
Troop No. 36
Mrs. William Van Vranken, leader Mrs. Paul Stern, co-leader. The carriers that the Burry cookies came in for the cookie sale have had a double purpose for us as a service project for the Children's Country Home in Mountaine, a home for polio patients. We covered 11 boxes with walltex, one for each child to have in which to keep his very own possessions. A very encouraging note about this home is that since the advent of the Salk Vaccine the number of children afflicted has diminished to the point that there are only 11 at present who need care.

The nicest surprise at our Valentine Party was receiving our Girl Scout Handbooks which were in a decorated box in the center of the table with a streamer and heart leading to each girl's place. We have finished our Tenderfoot requirements of table-setting and bedmaking, having practiced on dolls' beds; and have made record booklets in which our accomplishments could be checked off. Our efforts at present are directed toward learning the songs for the Festival.

THE LEAGUE OF WOMEN VOTERS

Seventy five Springfield women belong to this vigorous organization under the leadership of Mrs. Richard Moore of 89 Remer Ave. The League is a non-partisan national organization studying political and social problems. Much of their attention is devoted to making people more aware of their responsibilities as citizens — largely an effort to get out the vote.

They have been prime movers behind a charter study to determine if the Springfield government needs reorganizing. They are studying the conservation and water problems faced by this area and on the national scale they are studying the federal security program and international relations. Two big contributions to Springfield life have been their "Know Your Town" booklet and their "Candidate's Night" before every election.

"CLEAN AS A WHISTLE!"

Somebody must have told her about a FLAMELESS ELECTRIC RANGE

The pot can't call the kettle black on a flameless electric range. No Ma'am. Pots, pans, kettles and skillets stay mirror-bright without scrubbing or scouring when you cook electrically. That's because electric heat—like electric light—is clean. What's more, an electric oven can be fully insulated on all six sides! No heat leaks out to carry greasy cooking vapors to your kitchen walls and ceiling. So, why not get off the kitchen scrub team? Ask your Authorized Reddy Kilowatt Dealer for the facts about a clean-cooking electric range.

The Springfield Sun GUIDEBOOK

This guide has been prepared by the staff of the Springfield SUN after a thorough study of the stores, restaurants, dealers, and firms offering services in the Springfield area. Our reporters have looked into the history, reputation, and quality of each business. Those appearing in this GUIDEBOOK are highly recommended.

<p>• AUTO BODY WORK •</p> <p>ELLERY (155 Morris Ave., rear of Chrysler-Plymouth agency, Springfield). When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the knowhow of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Ellery Auto Body Shop.</p>	<p>• FLORISTS •</p> <p>WEBER'S (Route 22, Springfield, DRexel 6-0626) The world has been more than a path to Weber's Crystal Street Florist since it was founded in 1923. They've beat a highway right through the begonia beds. Undaunted, Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the story.</p>	<p>• LIGHT FIXTURES •</p> <p>MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield) Turn on one of these lights, and you practically redecorate your home. This imaginative collection of modern and colonial fixtures can do more for a room than a decorator with a bucket of ceiling paint. Real eye-catchers are Joe Hockadel's hand-wrought iron filigree provincial fixtures. His discounts off manufacturer's prices are amazing.</p>	<p>• SERVICE STATIONS •</p> <p>GULF CENTER (326 Morris Avenue, Springfield) Joe Calabria has a reputation among grease job experts as the best in the county (and they're a slippery bunch to pin down). Car wash, Green Stamps, and new service equipment are features.</p>
<p>• AUTO REPAIR •</p> <p>CLARK'S GARAGE (Just over Rt. 22 overpass on South Springfield Ave.) There is nothing under the hood that Frank Clark doesn't know about. An auto mechanic since 1916, Clark has lived in Springfield since 1929. His modest garage needs and has no sign over the door. His reputation brings in the business.</p>	<p>• FOOD MARKETS •</p> <p>SPRINGFIELD MARKET (272 Morris Ave., Springfield, DRexel 6-0431). The only supermarket from here to kingdom come offering free telephone and delivery service—(expectant mothers note). Jim Funcheon and Les Schulman can be relied on to pick only the top quality items. Their prices are competitive—can't be beat.</p>	<p>• MUSIC & PHOTO •</p> <p>DISC & SHUTTER (266 Morris Ave., Springfield) Their photostating service reproduces like rabbits—exact duplicates of the original. The SUN finds it saves hours of typing to have a document copied (and they come out cleaner than the original). Disc & Shutter's main line, of course, is records. Have you heard Julie London in Hi-Fi? Wow!</p>	<p>• TAILORING •</p> <p>HI-WAY TAILORS (20 Center Street, Lyons Shopping Center, Springfield, DRexel 6-0544) In Saul Freeman's active England a tailor learns how to build a suit from scratch. His 8 years in Springfield have taught the town what English tailoring means—for men and women's clothes. Also dry cleaning pick-up and delivery.</p>
<p>• BAKERIES •</p> <p>CAKE COTTAGE (Springfield Shopping Center) If the SUN were to tackle the difficult choice of picking a favorite from chef Ted Spector's ovens, it would be the extraordinary Danish pastries. These rich, fanciful delicacies have won as much statewide acclaim as Cake Cottage's famous cake sculpture of Springfield's Presbyterian Church. Incidentally, Ted is looking for suggestions for a new cake sculpture. Give your ideas to the girl at the counter.</p>	<p>• HARDWARE •</p> <p>CENTER HARDWARE (240 Morris Ave., Springfield, DRexel 6-0459) The clue to shopping this top rated firm is to watch the window for outstanding values. Bill Dwyer comes up with some awfully good ideas every week. Take a look at his novel black metal mail boxes. They'd go well with colonial design.</p>	<p>• PETS •</p> <p>FIN 'N FEATHER (261 Morris Ave., Springfield) If you go for inedible fish, here's a whole zoo full of living filets. Bill and Betty Thomas have assembled 32 individually designed aquariums (or is it aquaria?) full of the darndest things. If you're tired of dry land, they have everything from a 250 guppy to a \$200 underwater paradise. All other pet supplies too.</p>	<p>• TV SERVICE •</p> <p>A & A TV (2708 Morris Ave., Union, 1/2 mile from Springfield, MURlock 8-5800. Al Jones, a TV pioneer since 1938, runs an efficient shop that has (1) fixed charges, (2) same day service, and (3) guarantee for all work. 35% of their business is in Springfield, where people have learned they can depend on A&A.</p>
<p>• BARBER SHOPS •</p> <p>REGIONAL (232 Mountain Ave., by Henshaw Ave., Springfield) Most modern chairs in town combined with friendly and skillful service. Proprietor Alex Dominski, a favorite with children, also features women's hair styling.</p>	<p>INSURANCE & REAL ESTATE</p> <p>BUNNELL BROS. (8 Fiemer Ave., Springfield) Here is a firm that has grown with the town while appearing to be standing still. The farthest Robert and Richard Bunnell have moved since 1916 is from one end of the bank building to the other. In the process they have become synonymous with insurance in town. They write all kinds.</p>	<p>• POULTRY •</p> <p>CASALE'S FARM (128 Springfield Ave., Springfield, DRexel 6-3503) Cenio Casale has been good news to fresh killed turkey eaters and bad news to about 5,000 turkeys a year ever since he graduated from Rutgers in 1951. Take a tip from the SUN: If you're fed up with the week-old, packed-in ice poultry you get in supermarkets—see what "farm fresh" means at Casale's.</p>	<p>• WALLPAPER •</p> <p>KARLIN'S PAINT (15 Center St., Lyons's Shopping Center, Springfield) Our town interior decorating expert for 20 years, Mr. Karlin has a whole library of wallpaper books. M'lady can sit in the reading room and leaf through enough wallpaper to do her home over six times.</p>
<p>• CARPENTER •</p> <p>CABINET KING (433 Spring St., U. S. 1, Elizabeth, Elizabeth 4-2023) Here is a rare thing in our modern slap-dash world—a creative cabinet maker of the old school. Jonas Rose takes the kind of personal pride in his custom built recreation rooms, cupboards and built-ins that means only perfection will do.</p>	<p>• LAUNDROMAT •</p> <p>Courtesy Laundromat (298 Morris Ave., Springfield). If your little girl says, "Next to my Mommy likes Sam Casternova's cleaned clothes best," she's probably right. Mommy saves 65% on laundry bills and 85% on fuss and bother.</p>	<p>• RESTAURANTS •</p> <p>SWINGLE'S DINER (Westbound Lane, Route 22, Springfield) Fred, Dal and Joe Swingle are proud that most of their patrons are local residents. The SUN suggests this spic-and-span diner for family meals, especially when the kids are along. There is a children's menu that the younger set finds lots of fun.</p>	<p>• PHONE NUMBERS •</p> <p>Police.....DRexel 6-0400 Fire.....Call Operator First Aid Squad.....DRexel 6-0400 Township Clerk.....DRexel 6-5800 Public Library.....DRexel 6-4264 Chidwell School.....DRexel 6-1431 Caldwell School.....DRexel 9-4334 Gaudineer School.....DRexel 6-5080 Walton School.....DRexel 6-1454 Regional High.....DRexel 6-6300 St. James School.....DRexel 6-5194</p>
<p>• DELICATESSENS •</p> <p>G & L (Springfield Shopping Center, DRexel 9-9872) The big thing about this quality appetizing center is that they offer Kosher and Non-Kosher foods. For example, the big favorite with the SUN is their prime smoked fish department. Unless you include their party sandwiches especially Sloppy Joes. Full catering and open Sundays.</p>	<p>• LUMBER & SUPPLIES •</p> <p>COLUMBIA (Maple Ave., Springfield) This lumber and millwork company has become the fastest growing building supply firm in the Springfield area. And with good reason. Their large modern showroom has everything under the sun that a homeowner could need. We were particularly intrigued by the clever Pella-Wood Folding Door. It closes like an accordion, therefore taking none of the room a swinging door would. It can be easily installed, come in beautiful woods and sizes to fit any door in your house. Marvin Goldman of 613 Hillside Ave., Springfield, is a present owner and helped found Columbia in 1939. For quality bargains, the SUN does not hesitate to recommend this reliable firm.</p>	<p>• CHINA SKY • (Springfield Shopping Center) Genial host Jack Chin welcomes devotees of Chinese-American cuisine for luncheon and dinner daily and Sunday. The chef has been practicing his kitchen magic since he began cooking in his native Hong Kong. For dinner, the SUN recommends the China Sky's exceptional and popular delicacies: Lobster Cantonese Style; Moo Goo Gai Pan; or Chou Yuke Soong.</p>	<p>GOOD ADVERTISING IS A VITAL PART OF AMERICAN LIFE</p>

 eries. This formula, according to experts who have been looking into the results of the revaluation program in Springfield, will affect the amount of taxes to be made by such large property holders as the Mrs. Prince interests and the Baltusrol Golf Club.

Own Most Land
 The Mrs. Prince properties and Baltusrol are now the largest tracts in Springfield and, according to a well-informed official of the Township, their new tax bills, when this revaluation project has been completed, will be considerably higher. Land all around both the Baltusrol club and Mrs. Prince's many acres of property have been bringing high prices per acre for developments and construction of homes, and the new tax rates will bear some resemblance to the assessments made against the adjoining properties.

The revaluation job will cost \$26,000 and the Newark company of appraisal experts hope to have the entire job completed for the new tax bills in the Fall. Every piece of property, every building will be subjected to a full scale inspection by the examiners and those who have been holding for even higher prices will be in a better bargaining position when the higher tax bills are received.

 "The Democrats," club president Taraska continued, "are emphasizing youth and new blood for the local organization. We welcome everyone to join with us. There is work for all Democrats and, with 13 districts to service instead of six, we will need all the youngsters—both men and women—to help us to victory this year. The Democrats feel confident of retaining our one seat in the Township governing body with Bonadies on the ballot for reelection. But we are also looking forward to the general election, to help Gov. Robert B. Meyner retain his office as the state's chief executive."

Teen-age Actors Here March 9th

Four Springfield teen-agers will take leading parts in the Student Theatre production of "Rumpelstiltskin" to be given at the James Caldwell School March 9.

Squad Records

(Continued from page 1)
 phone call to Police Headquarters (DRexel 6-0400) will start the following sequence of events:
 1. The officer on duty at Police Headquarters immediately pulls a lever which activates a special alarm bell in the homes of the members on call.
 2. The officer then telephones the Squad dispatcher to give him the location of the call.
 3. The members nearest the scene of the emergency are dispatched to the scene.
 4. The members nearest the Squad House are directed to pick up the ambulance and proceed to the scene. (This procedure will place a Squad member on the scene, anywhere in town, within 4 minutes.)

A doctor is not needed in order to request the service of the Squad. IN AN EMERGENCY—CALL THE SQUAD IMMEDIATELY.

In addition to emergency first aid, the Squad provides free ambulance transportation to and from hospitals, rest homes, etc. The expenses of operating this community service are met entirely by voluntary contributions, the greater part of which are secured through the Annual Fund Drive started each Spring.

The First Aid Squad recently acquired a new ambulance to insure that service will be available at all times. Two ambulances enable the Squad to provide continuous service in the event one is being repaired or is out of town on a lengthy transportation.

1. The Squad has a Ladies' Auxiliary.
 2. The Springfield First Aid Squad is a member of the New Jersey State First Aid Council and through this organization is part of a well developed network

of over 300 Squads in the State. Under this system a Springfield resident stricken away from home may be transported here by a relay of ambulances.

3. The Squad is also a part of the local Civil Defense and Disaster Control organization and as such is prepared to render service in the event of a Civil Defense emergency.

Additional members are needed, particularly for daytime service. Training is given to new members by the Squad and no prior experience is required. Anyone interested in knowing more about joining the Squad may contact Police Headquarters or any Squad Member.

Hawks Stop Unbeaten Royals by 62-61 Score

One of the closest and hardest fought battles took place last Thursday evening at the Florence Gaudineer School gym as the Hawks nipped the Royals 62-61, thereby remaining mathematically in the Springfield Youth Basketball League race.
The Royals fought hard to retain their unbeaten status, with Mike Hoota posting the top single game effort in the history of the league, scoring seventeen baskets and four fouls, for a thirty eight point total. Despite this record breaking performance the Royals went down to defeat as the Hawks came up with a fine three three point first half, with Herb Rupp and George Seltzer providing the scoring punch. Rupp tallied thirty-one points for the Hawks, with Seltzer getting sixteen.
The Hawks held a ten point advantage in the fourth quarter only to have the Royals battle to within two points of the lead. Stickle was fouled at the closing whistle, missing the first attempt, but registering the second. Hoota and Stickle were the standouts in defeat for the Royals, with Emory Fisher, Rupp, and Seltzer the top men for the Hawks.
Two games remain in the league race. Should the Hawks lose another game the Royals would gain the 1957 league championship, but should the Royals lose, with the Hawks winning, a play-off would be necessary to determine the league champion.

Brunswick Trips Minutemen 55-47

The Springfield Recreation Minutemen travelled to New Brunswick last Saturday afternoon, losing to a smooth ball handling New Brunswick five by a 55-47 score. Herb Rupp and Norm Lawn posted ten points each for the Minutemen, with Larry Stickle getting nine, Tommy Marino six.
The Springfielders couldn't seem to get their attack moving until the closing minutes of the final period, but a key New Brunswick basket at this point stalled the drive.

Legion No. 1 Pulls Rug Out From Under S-field Market

Buried in next to last place, American Legion No. 1 tasted a rare breath of victory Monday night by knocking off the league leading Springfield Market 2 games to 1 in the Springfield Bowling League.
The Legionnaires had distinguished themselves all season by being the only team bad enough to give Cuzzolino Furs a run for the cellar. But the Springfield Bowling Alley must have been using square balls Monday for the Legion team rolled uniformly fine scores to add to their handicap and overcome the only once beaten-Market bowlers.
Elsewhere the action wasn't as startling. Parkview Garage was hot enough all night to melt Mendel's Florist right out of third place. The second place Parkview swept all three games from Mendel's and none of them were even close. In the meantime Beckmann's Market pulled two out of three out of the hat from Frank's Auto Service to take undisputed possession of third place. Brunner Excavation and American Legion No. 2 might as well have stayed home Monday night; they each one a game and tied the third. It was the fourth tie game of the season in the league.
Other action saw Drake Fuel roll two out of three around Brunner Bros. and Cuzzolino Furs lose, of course, two out of three to D'Andrea Driveways.

Baltusrol Civic Elects Officers

The Baltusrol Civic Assn. held its first meeting of 1957, at the Edward Walton school, Tuesday evening, February 18th. Election of officers were held and a unanimous vote was given the following: President, Ollie Owens; Vice Pres., Isadore Yablonsky; Treasurer, Nat Harte; Secretary, Stan Seigel.
The following committees were appointed: A "Safety Committee", Tom Glen and Otto Granick; "Recreation committee", Sid Stoltz, Len Gerber, Bill Peacock, Ollie Owens, and Sid Miller. "Social committee", Jean Billetand and Ethel Moore. "Civic committee", Dave Stammelman. "Complaint committee", Steve Bino and Bernie Shapiro.
One of the main topics of discussions was the campaign for a traffic light installation on the corner of Mountain Ave. and Hillside Ave. The general membership felt that it was time this extremely dangerous corner had the added protection of a traffic light for the children to cross during school hours. A letter is being sent to the township to ask them for this additional protection.

cost of living...
electricity...
You won't find a bigger bargain than electricity. While your electric bill may be higher, because you're using more—about twice as much as 10 years ago if you're an average user—the cost per kilowatt hour has steadily decreased.
Today, your electric dollar buys nearly one-third more electricity than it did 10 years ago.
Yes, electricity is a bargain. And the men and women of your electric company work constantly to keep it the bargain it is today.
