

THIS WEEK

Without Mentioning Names

The verbal spanking by Chamber of Commerce President John G. Grausam which appeared in last Thursday's Springfield Sun, may be just what the Township needed.

At least, the article set off a chain reaction of opinions in letters of various degrees of temperature—some of them very critical.

One letter, addressed to Grausam, even though it is unsigned, the contents are important enough to quote some of its criticisms. For several reasons we are assuming that the writer of the letter is a lady because her lack of enthusiasm about shopping in Springfield sounds more like the distaff side of our purchasing power.

For instance, she writes, "Springfield has improved lately. Until the shopping center was built all I bought here was bread and a newspaper... We oldtimers, I've lived here 25 years, were afraid to buy clothes in Springfield until recently. The coming of the General Greene Shopping Center made the old, old time merchants fix up their store fronts. But have these gentlemen thought of the inside of these stores—some floors are spotted, lighting is poor and the clerks actually argue in front of customers. If business is poor it shows on their faces... don't touch the merchandise."

"I thought," the letter continues, "I was the only one who felt this way about Springfield until I started asking some of my new neighbors when we were on a shopping spree in another town... They all had the same opinion..."

Since we have been deleting the names of some of the merchants mentioned, we will continue to omit the names of a long list of stores which, the letter says, "are really wonderful. They are trying very hard to raise the standard of quality merchandise and service but will these other old time merchants finally drag them down?"

"Have you ever shopped in Springfield where the men clerks wear jackets as they do in Summit, Millburn and Union instead of waiting on you in shirt sleeves? That's too countryish. That was alright when we still went to all fires, when all the roads weren't paved and Springbrook Park was a farm."

"We are not like that anymore," the unsigned letter concluded. "I mean the customers, the shoppers. But some of the local store owners are."

Chamber President Grausam plans to have the above letter retyped, use the names of the shops we have deleted, and send copies to all members of the local organization.

What about more take-home pay for postal employees?

With billions of dollars being poured into so many boondoggling places all over the world, it seems a pity that the postal worker should be compelled to "work for peanuts." And, sometimes, he doesn't even have enough left for "peanuts."

Employees at the local post office are hoping something will be done to give the hard workers a much deserved pay raise. The boys in Washington who make up the staggering budget of billions have been howling that the post office department has been showing a deficit.

A recent survey made by the publishers of the nation brought some very interesting solutions to the problem of eliminating the losses and getting the post office department out of the red.

One editor brought home a very fine point, stating that "the post office should always be a public service—not self supporting any more than the army, navy and air force are self supporting." Most of the editors suggested that Congress cut down some of the tons of free franked mail coming out of Washington every day.

Pay for the postal worker is shamefully low—and there appears to be some nation-wide movement to help these men, devoted to public service, get a living wage. As it is now many of them have to augment their work in the post office with some other means of adding to the miserable low pay.

A letter in the Elizabeth Journal last week on the subject of post office workers pay asked the startling question: "Did you know that the sanitation workers of Springfield draw a salary that exceeds that of some supervisors in the post office?" The postal worker has to pay the same price for pork chops, milk and bread as the higher paid worker. Is it asking too much to seek a pay increase to enable us to cope with the spiraling high cost of living?"

If the budget boosters in Washington can find billions for doubtful aid to some obscure mid-east country, there ought to be enough left over to give the hard workers in the post office enough money to meet the living costs. It isn't necessary to show a profit in the postal department, as was stated above, any more than the Army, Navy and Marines should be on a paying basis.

Those Blankety-blank Kids?

P.T.A. To Conduct Panel On Exceptional Children

"Our Children — Are We Realizing Their Potentials?" will be the topic for the panel discussion at the meeting of the Springfield Parent-Teacher Association to be held in the Florence M. Gaudinier School on Monday, March 25 at 8:15 p.m.

Mrs. S. C. Goldstein, local P.T.A. Exceptional Child Chairman, announces that three panel members are exceptional child field authorities from neighboring communities. One is a local teacher and the moderator is E. James Jan Tausch, the Springfield school psychologist and director of the reading program.

Mrs. C. La Rue Crosson, a teacher of the Honors Course in Senior English in the Advanced Placement Program at Columbia High School, District of South Orange and Maplewood, N. J. will represent the gifted child on the panel. Mrs. Crosson sponsors the "Showcase," the high school news...

Lions Student Loan Seeking Applications

The Springfield Lions Student Loan Fund, established by Morris Lichtenstein, is now accepting applications for loans from Springfield residents who need financial help to enter or to continue with college studies.

Students selected may borrow up to \$400.00 each year and do not have to repay until completion of their college course. The fund is administered autonomously by its trustees and all information submitted by the student and his family will be held in the strictest confidence by the trustees.

The primary consideration in the granting of these loans is to be financial need. A high scholastic standing in high school is not necessary to be considered for a loan, provided that marks are high enough to gain admission to an accredited college or university.

The trustees of the fund wish to point out at this time that the fund was not established as a charity or a give-away. It is a loan fund and expects that all money loaned will be repaid. Notes will be taken from the student, the same way as would be taken from a regular lending institution, such as a bank.

The fund will enable the young student, without established credit, to borrow a considerable sum of money on the strength of his signature and the faith and confidence that the Trustees have in his ability to complete his chosen course and to repay the loan.

The trustees of the fund and the Springfield Lions Club sincerely hope that a needy Springfield student can be helped this year. Interested students can obtain application blanks at the High School from Mr. King or Mr. Hohn of the Guidance Dept.

If students wish more information as to the operation of the fund, repayment rate or other general information they may contact Elliott Lichtenstein at the Springfield Pharmacy or A. B. Anderson, at Bunnell Bros., Chairman and Secretary of the fund, respectively.

School Board Sets New Plans Group

A new long range planning committee was added to the standing committees for the coming year by the Springfield Board of Education at their meeting Tuesday night.

The new committee of board members will be in charge of long range requirements, requirements for additional buildings, modernization of existing buildings, studies of school population trends, etc., educational matters including curriculum improvements, etc., playgrounds, recreational facilities, etc., and other long range programs to benefit the educational system of the Township of Springfield.

S. Bryant Haas was named chairman. Other members include Lorán E. Skousen, Alan R. Cunningham and C. Roderio Gibbons.

Regular board committee chairmen appointed as follows: School government, Mr. Cunningham; buildings and grounds, Howard S. Smith; public relations, Mildred H. Hillier; finance, Mr. Gibbons; supplies, Milton Kapstatter; lunchroom, Mr. Skousen; representative to the recreation committee, Edwin G. Davenport; and representative to the school boards association, Mrs. Hillier.

A letter from the Commissioner of Education revealed the subsidy for school lunches will be reduced from 8 to 6 cents.

Announcement was made that the fifth grade of Raymond Chisholm School will be transferred to the new wing of Florence M. Gaudinier School in September.

Mrs. Dorothy M. Hendrix of Romulus, N. Y., was engaged to teach the fourth grade at \$4,400.

Superintendent of Schools Benjamin Newsinger reported there are 1,373 students compared to 1,373 in March 1956. A school calendar was adopted. Schools will open September 5 and close June 20 with all traditional school holidays.

Robert Smith presided.

To Present Martin Luther

The movie picture "Martin Luther" will be presented by the Church School of St. Stephen's Episcopal Church on Sunday, April 7 at 7 P.M. An invitation to all residents of Springfield is cordially extended. The film has been widely acclaimed as one of the best religious films of our times.

ANOTHER CRESTMONT MILESTONE. Alfred G. Breunig (left) opened an account in the Springfield office this week which brought the total savings of Crestmont up to the 5 million dollar mark. He was awarded a portable television set by Crestmont as Mrs. Mary Doby, local office manager, and Carl L. Becker, Crestmont treasurer (right), look on.

Chairmen Are Named for '57 Cancer Drive

Plans for the 1957 fund-raising crusade of the American Cancer Society in Springfield were furthered by the announcement yesterday of the names of chairmen of four committee members who will assist Mrs. Philip Lewis and Mrs. Joseph Bender in directing the drive.

Already hard at work is Mrs. Lee Andrews Jr., residential chairman. Mrs. Andrews has had the job of obtaining the many volunteers needed to make the house-to-house canvass for the past eight years. Before that she served as a collector for the cancer drives for nine years.

In addition to serving as residential chairman for the American Cancer Society, Mrs. Andrews was house-to-house chairman for the Boy Scouts for eight years; chairman of the Strawberry Festival five times; a collector for the Heart Fund; a Red Cross worker; past drama chairman for the Women's Club of which she is a member; cultural advisor for the St. James C.Y.O.; secretary of the 4th of July committee since 1949; and Girl Scout leader of Troop 3. Mrs. Andrews was also the first Cub Scout Den mother in Springfield.

Dr. Marvin Gould has once again offered to serve as professional chairman for the Cancer Crusade. He did an excellent job in that capacity last year. Dr. Gould is secretary of the Rotary Club.

Chairman of clubs and organizations will be Mrs. Robert Hockstein.

Charles Huff will serve the group again as treasurer.

Committees to assist the chairmen will be named in the near future. Anyone wishing to help in this year's Crusade against Cancer is asked to phone Mrs. Lewis at DRex 6-4502 or Mrs. Bender at DRex 6-2323.

Kids' Conscience Returns Stolen \$

Some young people broke the celluloid front on a charity can in a Springfield soda shop last week and swiped the money inside.

The can, an appeal to help fight childhood Nephrosis and Nephritis, was demolished by the Community Shop on Morris Ave. The owners of the shop, Mike and Ann Ponzo, were shocked and admonished the kids who patronize their store.

Apparently the picture of the child on the cover of the can and the Ponzo's lectures had their effect — Tuesday night the entire sum of money was slipped under the Community Shop door with a note of apology.

Historical Society Will Hold Meeting March 20

The Springfield Historical Society will hold the next regular meeting at 8 p.m. Thursday, March 28, in the new wing of the Springfield Public Library.

James B. Hawley, of Summit, will give an illustrated lecture on the Deserted Village, located in the New Providence area of the Watchung Reservation. Refreshments will be served.

Crestmont Hits Five Million Savings Mark

The Springfield office of the Crestmont Savings and Loan Association hit the 5 million dollar mark this week. This is an increase of 3 million dollars during the past 15 months, and an increase of nearly \$400,000.00 since January 1.

Crestmont celebrated this occasion by giving Alfred Gustav Breunig of 145 Passaic avenue, New Providence, a portable television set. Mr. Breunig opened an account in Crestmont which increased the savings total over the 5 million dollar mark.

Crestmont has been operating in Springfield during the past three years and opened its modern office at 175 Morris avenue on the site of the former St. James Catholic Church during October, 1954. Four and one-half millions of dollars in savings have been added since that time.

Several local men are on the Board of Directors of Crestmont. Edward A. Conley who is in the real estate and insurance business; Joseph Grimmer, living in Springfield and employed by Borden Metals Co. in Union; Thomas Lyons who owns and manages several pieces of Springfield real estate and who is part owner of Russell's Men's Shop.

The Springfield Office is managed by Mrs. Mary Doby, a long time resident of Springfield.

Carl L. Becker, treasurer of Crestmont, spends considerable time in Springfield and is active in the appraising and processing of Loans for Crestmont.

Other directors of Crestmont are...

Auto Crash Kills College Sophomore

Donald A. Conklin, 22, of 38A Wabago avenue (General Greene Apartments) was killed early Sunday morning when his car went through a guard rail, hit a tree and then struck the front porch of a home near McEwenville, Pa.

Conklin, a Buckfield University sophomore and former star athlete at Union High School, died a few minutes after the crash from fractures of the skull and neck. He was alone in the car.

Pennsylvania State Police said he lost control of the car on a curve in Route 14. Conklin was hurled from the car by the impact. McEwenville is about 12 miles from Buckfield, located at Lewisburg, Pa.

Born in Union, he lived there 20 years until he moved to Springfield two years ago to reside with his mother, Mrs. Rosina Conklin, in the General Greene Village Apartments. His father, the late Floyd Conklin, was a certified public accountant in Union for 22 years before his death in 1952.

Donald Conklin was a member of Connecticut Farms Presbyterian Church, Union, and Lambda Chi Alpha fraternity at Buckfield. In his senior year at Union High School he was the starting fullback in every game and an outstanding player.

Besides his mother, he leaves a brother, Warren of Appleton, Wis., who earned basketball and golf letters at Union High School. Services will be held at the McCracken Funeral Home, 11500 Morris avenue, Union.

Rev. Evans To Speak At Lenten Service Thurs.

The Union Lenten Service for the First Presbyterian and Methodist Churches for Thursday, March 28th, will be at 8:00 o'clock and to be held at the Methodist Church, with the Rev. Mr. Bruce W. Evans, speaking on the subject, "Give Us This Day Our Daily Bread." The general public is cordially invited to attend. Mr. W. N. Barz, organist and director, will with the Chancel Choir—be in charge of special music.

Boy Scout Fund Drive Brings Total of \$2715

Springfield has done it again. Residents of the Township responded to the appeals for the Boy Scouts and Robert H. Humer, chairman of the 1957 finance campaign, reported yesterday that the total money received amounted to \$2715.51.

"This amount, collected in competition with other fund drives, is very gratifying," said Chairman Humer, "and speaks well for the men and women who made up our team of workers this year."

"As chairman of the 1957 finance campaign, this victory report proves that Springfield has a way supported worthwhile causes if properly presented as our volunteers did during the drive. I would like to thank all those who worked in the campaign, to Harold Bishop, Otto Granick, Jay Longfield, Val Del Vecchio, William Van Riper and every member of division working groups."

A break down of the report shows that District No. 3, with Thomas Glen in charge of the Bell ringers, brought in the highest amount, \$447. Next to that district in the residential group was No. 3 where a total of \$324.99 was collected by the Melick-Murdock volunteers. Otto Granick who was in charge of the residential campaign reported a total of 1739 responded to the Boy Scout call for funds.

Postmaster Val Del Vecchio was in charge of the solicitation of funds from retail stores, Jay Longfield picked up \$310 as the special gifts committee and William Van Riper brought in \$359 from the industries.

Jay Longfield has been nominated for the chairmanship of the Boy Scout finance program for 1958 and has already accepted with Humer serving as chairman of the steering committee.

Following is the victory report for the 1957 Boy Scout finance campaign in Springfield:

Retail Stores, Val Del Vecchio chairman, \$58 gifts, \$200.00; Special Gifts, Jay Longfield chairman, 43 gifts, \$310.00; Industrial, William Van Riper chairman, 42

'57 Working Committees of Chamber of Commerce Told

Springfield's Chamber of Commerce — with the new 1957 look — is planning to launch an all out campaign that will include new members, more cooperative sales campaigns, and a series of activities that will make it the most important organization in the Township.

John G. Grausam, new Chamber president, called a meeting of the steering committee at the Springfield Sun office and the result of this enthusiastic gathering was the selection of Chamber of Commerce workers for a program of special duties.

Robert Davidson, general manager of the J. J. Newberry Company operation in the General Greene Village, is head of an Advertising and Public Relations Committee with Ted Spector, proprietor of the Cake Cottage, Felix Gold, owner of the Disc and Shifter, and Julian Sorkin, editor of the Springfield Sun, named to assist him.

Grausam will undertake the chairmanship of the Membership Committee with Jerry Colantone, local shoe merchant; and Gene Palmieri, Morris avenue barber, to help him round up new members. "Jim" Funcheon of Springfield Market; Ike Freedman, for-

Laying To Address Local Democrats

Something new has been added to the local political picture with the announcement that Wilbert B. Laying, full time secretary of the Board of Tax Assessors and one of the Republican leaders in Springfield, will address the members of the Springfield Democratic Club at their regular monthly meeting tonight (Thursday).

Laying has been in the tax department of the Township for a considerable time and has made a thorough study of the revaluation program as they will affect the Springfield assessments and tax picture.

Hillside Ave. Traffic Survey Is Directed

Traffic — Springfield's biggest headache (as well as every other town in the metropolitan area) has led the Police Commissioner, Frederick A. Handville to request Police Chief Albert A. Sorge to conduct a series of traffic surveys in town.

A 14-hour survey will be conducted by the Police Department sometime this week at the corner of Mountain and Hillside avenues to determine the exact number of vehicles and pedestrians that cross that corner.

Ultimately, surveys will be made at every important intersection, so that all the facts will be readily available for further study and possible action.

Telephone Help For Taxpayers

Joseph F. J. Mayer, District Director of the Newark Office of the Internal Revenue Service, again today urged taxpayers of the eleven northern counties of New Jersey to use the telephone as a means of obtaining quick

and accurate information needed to help them complete their 1956 Federal income tax returns. "Right now, before the filing season nears the pressure of the final weeks we can help most taxpayers with one or two problems they've met in working on their returns," Mr. Mayer said. "We are devoting several lines from 8:30 a.m. to 4:30 p.m. Mon-

day through Friday to this type of assistance. A call to the local office of the Internal Revenue Service will usually get quick attention, and there's little waiting except perhaps during lunch hour when most calls come in. The numbers are listed in your local directory under "U. S. GOVERNMENT TREASURY DEPARTMENT."

"Of course we ask that taxpayers with questions have their returns, their records and their notations before them, and the facts in mind, when they call. Telephone help is recommended, and it helps both the taxpayer and the Service."

"From his table at home or his office desk, the taxpayer with a question can call us up and get a clear and understandable answer with little or no waiting. As the filing season approaches April, of course, we can't guarantee that one or the other of our information lines will always be open. The best advice I have is to start your return, find your problem, if any, and call us now."

Canadian Ballet Next at Mosque

The National Ballet of Canada which will come to the Mosque Theater, Newark, on Monday, evening, April 1, for a performance under auspices of the Griffith Music Foundation, boasts many outstanding ballet artists on its 75-member roster including Celia Franca, its leading ballerina and artistic director. Although few can equal Miss Franca's record as a star of the famed Sadler's Wells Ballet, others including Lois Smith, Canada's first native-born prima ballerina, have won merit for outstanding artistry.

The slender, raven-haired Miss Smith will have a leading role in "Les Rendezvous," the Frederick Ashton ballet which will be on the Mosque program. This is the role originally created by Alina Markova and which was also danced by Margot Fonteyn.

Another outstanding Canadian ballet artist is David Adams, premier danseur with the company. Adams attracted much attention when he appeared as guest artist with Miss Smith at the Dance Festival at Jacob's Pillow, Massachusetts last August. A ten-foot, six-footer, he joined the National Ballet when it was founded in 1951. He also had been with the Sadler's Wells Company and the Metropolitan Ballet of London before returning to his native Canada. He will dance the leading male role in "Les Rendezvous."

Other members of the company who will have prominent roles in "The Fisherman and his Soul" and "Offenbach in the Underworld," the two other ballets which will be performed, are Lillian Jarvis, Earl Kraul, Angela Leigh, Ray Moller, Betty Pope and Glenn Gibson. The National Ballet of Canada carries its own full orchestra under George Crumm.

Sailor Graduates From High School

Richard V. Fornili, radioman-seaman, USN, receives a high school certificate from the Armed Forces Institute after successfully completing a series of tests measuring general educational development. His commanding officer, Capt. Joel C. Ford, made the presentation Feb. 21 aboard the destroyer tender USS Arcadia based at Newport, R. I.

Fornili is the son of Mr. and Mrs. Richard R. Fornili of 37 Walnut ct., Springfield.

He entered the service in January 1955 and has been serving aboard the Arcadia since May, 1955.

Army Man In Texas Seen In Germany

Pvt. Clifford R. Henderson Jr., whose parents live at 68-B Wabeno avenue, Springfield, is receiving the final phase of packet platoon training at Fort Hood, Texas, prior to his scheduled reassignment to the 3rd Armored Division in Germany early in April.

League Hears Talk On Red China

The League of Women Voters held its regular meeting on March 11th at the home of Mrs. Charles Duca at 122 Madison terrace. Mrs. Bertha Clark of the Nutley League was our guest speaker and gave a paper on Red China and the problems it creates especially for the United Nations.

Mrs. Clark's talk brought many questions from the audience; the resulting discussion was a help, not only in pointing out certain glaring anachronisms but also in clarifying many doubts about our international responsibilities. The next meeting will be held at the home of Mrs. Charles Danziger on April 2 at 122 Jefferson terrace.

To the Woman in the Life of an Engineer

"Wouldn't it be nice if he worked closer to home?"

In Morris Plains or Orange, for example, where Monroe Calculating Machine Company has its Electronic Research and Development facilities. Situated in Suburban North Jersey, Monroe is just a short drive from your home.

And wouldn't it be nice for him to work in one of the fastest-growing industries in the country, where talent and hard work can pay off in fast advancement. Is your man the kind who likes the challenge of exploring the frontiers of progress? Does he want the freedom of creative thinking and development? If so, he'd be happy at Monroe.

At Monroe he would have a permanent position in the Company's continuing program of development and research, with a good starting salary and protection for your family through a top-notch retirement plan, hospitalization and other important benefits.

Check the box at the bottom of the page to see if your engineer-husband qualifies for a creative career at Monroe. If he does, suggest he call Walter Oliwa at South Orange, 3-6078 Saturday morning between 9 and 12—or during the week call Jefferson 8-7200.

And really, wouldn't it be nicer for all of you if he worked closer to home?

Young Actors To Be On Radio Sat.

The four Springfield teenagers who charmed a Caldwell School audience two weeks ago in the play "Rumpelstiltskin" will try their hand at presenting the play on radio this Saturday.

The Student Theatre will be heard at 9:30 Saturday morning on the "Uncle Nick" show on Morris station, WMTR. Judy Vance, daughter of Mr. and Mrs. Henry Vance, 37 Evergreen Ave. will play the female lead, David Powers, son of Mr. and Mrs. Robert E. Powers, 545 Morris Ave. will play the prince, Margot Breier, daughter of Mr. and Mrs. Sam Breier of 224 Lelak Ave., will portray Twinkletot, and Roberta Kappstatter, daughter of Mr. and Mrs. Milton Kappstatter, 39 Glenview Drive, will enact the Queen.

It will be the radio debut for all except Judy Vance who has played in "Cinderella" on the same radio program.

The Student Theatre in Summit is having tryouts soon for another radio production (they have one a month) "Sleeping Beauty." Interested teenagers should phone Director Constance Loux at CRview 3-3927.

The Springfield Sun Guidebook

This guide has been prepared by the staff of the Springfield SUN after a thorough study of the stores, restaurants, dealers, and firms offering services in the Springfield area. Our reporters have looked into the history, reputation, and quality of each business. Those appearing in this GUIDEBOOK are highly recommended.

AUTO BODY WORK

ELLEY — (155 Morris Ave., rear of Chrysler-Plymouth agency, Springfield). When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the knowhow of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elley Auto Body Shop.

AUTO REPAIR

CLARK'S GARAGE — (Just over Route 22 overpass on South-Springfield Avenue, Springfield) If you own a 1916 Ford, Frank Clark probably the only person in town who knows how to service it. That was the year he first began undoing the mischief Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage — people know him.

SPRINGFIELD GARAGE — (314 Morris Ave., Springfield, Drexel 6-9856). Bob Briggs has had a "forward look" for 15 years. He has worked on 100 horses was considered top power and V-8 was vegetable juifs (1937). His skilled crew do mechanical, collision, and painting. And very well, too.

BAKERIES

CAKE COTTAGE — (Springfield Shopping Center) The SUN sampled a few pre-Lenten Hot Cross Buns from Ted Spector's oven — and the verdict is that it is going to be a happy Easter. As in all his baked goods, Ted has added a personal touch to the bake — an extra rich flavor — that makes them the pick of the area. The Cake Cottage reputation goes far beyond Springfield, you know. We met a lady from Dover who drives over for Ted's Danish pastries. To do so, she must pass six bakeries, both ways!

BARBER SHOPS

REGIONAL — (232 Mountain Ave., by Houshey Ave., Springfield) Throw away those Milltowns — there's nothing more sophisticated than the comfortable barber lounges in Alex Dominick's men's shop. These remarkable chairs are the older brother to the Barker lounge. While relaxing — by the way, Alex gives a darn good haircut.

SAM'S BARBER SHOP — (228 Morris Ave., Springfield) Overhead in the chair: American Shops is unhappy about their flourishing location on Route 22 and are planning to close it down the highway a little. However, Sam is perfectly happy with his location and so are his growing list of regular patrons.

CARPENTER

CABINET KING — (433 Spring St., U. S. 1, Elizabeth, Elizabeth 4-2023) If you live in a square house, you must have useless corners and crannies that do nothing but collect dust. This is where James King, the Cabinet King, steps in. He can custom design and build for you the cleverest built-in to hold everything but your mother-in-law's temper. He's the kind of cabinet maker who won't let anything short of perfection pass as his work.

CLOTHING

BRENNER'S DEPARTMENT STORE — (142 Morris Ave., Springfield, Drexel 6-4108) Here is a department store that has one thing Macy's can never stock — the personal touch. Sol and Hilda Brenner are now outgrowing the children of the children they helped outfit when they came to Springfield 21 years ago. From Arrow shirts to Maiden Form Bras, their merchandise is top brand.

CHRISTINE'S CHILDREN'S FASHIONS — (2725 Morris Ave., Larchmont Section, Union) Christine Caprio has had the happy idea of combining Fifth Avenue atmosphere with popular priced children's clothing. The result is the SUN's idea of the most tastefully decorated store around. From dresses to size 14 girls and 12 boys, Christine's has a wonderful selection of styles for the young folk. From bow ties to pocketbooks, it is a regular children's boutique.

THE SPRUCE SHOP — (2822 Morris Ave., Union, just over the Springfield border) If Phyllis and Phil Rizzo had a penny for every Springfield resident who has driven by their modern plain redwood front and wondered what's inside, they'd be in Florida now. As it is, women from Springfield are finding out to their delight that a wonderful line of popular priced brand name clothing lies behind the redwood. For the student the story from spring style dresses.

DELICATESSENS

G & L — (Springfield Shopping Center, Drexel 9-9872) There are three tests for a good delicatessen: the potato salad, hot phoerom, and how the owner goes to Florida each year. G & L's potato salad is deliciously spicy, the hot phoerom is seasoned to make your mouth water, and to show you how popular this delicatessen is — owner George Ryser is sporting a beautiful sun tan.

WEBER'S — (Route 22, Springfield, Drexel 6-0636) The world has been more than a path to Weber's Crystal Stream Florist since it was founded in 1923. They've beat a highway right through the bogonia bees. Undoubtedly Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the story.

FOOD MARKETS

SPRINGFIELD MARKET — (272 Morris Ave., Springfield, Drexel 6-9421) The only supermarket from here to Kingdom come offering free telephone and delivery service (expectant mothers note). Jim Punccheon and Les Solitman can be relied on to pick only the top quality items. Their prices are competitive — can't be beat.

FURNITURE

MODERN ERA — (Route 22, Springfield) Each week the SUN will shine on a different design — as observed at this decorator's wonderland. The glow this week comes from Paul McCoy's linear Room Divider — structural aluminum legs combined with walnut shelves and drawers. It's the straight simple lines that were featured in LOOK magazine last month.

INSURANCE & REAL ESTATE

ANNE SYLVESTER'S REALTY CORNER — (649 Morris Ave., Springfield, Drexel 6-2289) Someone once said: "If you want to get a job done, ask the business person in town." Well, you should see the savvy at Realty Corner. Anne Sylvester has her ownable (and pretty) staff setting all kinds of records in the "Houses Sold" category and providing top-flight service for personal insurance.

BUNNELL BROS. — (8 Fenner Ave., Springfield) Here is a firm that has grown with the town while appearing to be standing still. The partners, Robert and Richard Bunnell, have moved since 1916 is from one end of the bank building to the other. In the process they have become synonymous with insurance in town. They write all kinds.

B. J. CHADWICK — (345 Morris Ave., Springfield, Drexel 9-3231) Proof that Ben Chadwick is getting records in selling homes in town is his election to the Board of Trustees of the Board of Trustees. This fine, meeting-reliable agency has become a major force throughout the Oranges, Maplewood, Millburn and, of course, Springfield. Chadwick also writes fire, casualty, marine and life insurance.

LAUNDROMAT

COURTESY LAUNDROMAT — (208 Morris Ave., Springfield) If all you're looking for is an easy way to save money — then Sam Odenkova's Laundry is your answer. It's easy because all you do is drop a laundry bag off — do an hour's shopping — and pick up your clothes fluff dry. You save because it costs 85¢ less than taking your clothes to a laundry.

LUMBER & SUPPLIES

COLUMBIA — (Maple Ave., Springfield, Drexel 6-9590) It's getting time for a young man's fancy to turn to thoughts of splashing some paint on the old homestead. Columbia has color cards this Spring that would dazzle a rainbow. Their main line is the world famous Love Line. Paint for exterior or interior work. A shiny high grade enamel called plax is on their shelves and Super Kem-Tone with its latex base adds a reliable economy line to Columbia's paint variety. Elsewhere in the Columbia showroom you'll find the Pellet-Wood Folding Door, with the accordion action which saves precious room space. These are just examples of the quality buys the SUN recommends at Columbia.

LIGHT FIXTURES

MODERN LIGHTING (818 Morris Ave., opposite Terry Dempsey's, Springfield) The old world brings a lot of new charm to the collection of imported fixtures Joe Hookadel has just unveiled. From Czechoslovakia, a red and white glass chandelier with lead crystals from Italy; an elaborate wrought iron chandelier that shows why Rome wasn't built in a day.

MUSIC & PHOTO

DISC & SHUTTER — (268 Morris Ave., Springfield) Their photographing services reproduce like rabbits. Their disc duplicating services are top notch. They find it saves hours of typing to have a document copied (and they come out cleaner than the original). Disc & Shutter's main line, of course, is records. Have you heard Jule London in Hi-Fi? Wow!

PETS

FIN 'N FEATHERS — (261 Morris Ave., Springfield) If you go for inedible fish, here's a whole lot full of living life. Bill and Betty Thomas have assembled 32 individually designed aquariums (or is it acquiria) full of the darndest things. If you're tired of dry land, they have everything from a 25¢ guppy to a \$200 indeterminate penguin. All other pet supplies too.

POULTRY

CASALE'S FARM — (108 Springfield Ave., Springfield, Drexel 6-1509) Ceno Casale has been good news to fresh killer turkey cases and had news to about 5,000 turkeys a year ever since he graduated from Rutgers in 1951. Take a tip from the SUN: If you're fed up with the week-end, packed-in, low poultry you get in supermarkets — see what "farm fresh" means at Casale's.

RESTAURANTS

CHINA SKY — (Springfield Shopping Center) There are two hazards of the mysterious East which you won't have to face at Jack China's superb Chinese restaurant. One is ordering strange sounding dishes blind, and the other is paying for them. The China Sky menu includes a lucid description of each dish, and Jack is perfectly willing to accept dollars (though you'd be surprised how few it takes to feed a family). Our favorite is the Egg Foo Young (\$5.00 for luncheon and \$1.15 for dinner). The SUN will be a Foo's egg that their large portions will fill any member of your family with plenty left over.

SWINGLES DINER — (Westbound Lane, Route 22, Springfield) Among the 44 entries on the menu here is some of the best-sea food ever to fight its way upstate to Springfield. The SUN recommends Fresh Butterfly Shrimp in the Baskin's fish cocktail sauce, only \$1.25 or Baked South African Lobster Tail, Drawn Butter, at \$1.75.

WALTER'S INN — (585 Morris Ave., opposite Millburn Ave., Springfield) Connoisseurs of Italian cooking will love the specialties of this long time favorite meeting place. The chef commands a new pizza oven, as well as the pots and pans necessary for his famous Lasagna, Ravioli, and real red peppers.

SERVICE STATIONS

GULF CENTER — (326 Morris Avenue, Springfield) Joe Calabria has a reputation among grease job experts as the best in the county (and they're the only ones that count). Car wash, Green Stamps, and new service equipment are features.

SPORT'S STORE

LARRY'S CYCLE & SPORT SHOP — (397 Broad Street, Summit) A Cadillac may be nice, but a Lambretta motor scooter gets 120 miles to the gallon. If you feel that what's good for Standard Oil is not necessarily good for you — then these sturdy Italian cycles may be your dish. With side-car, their perfect for taking the family for a Sunday drive. We're not kidding. They start at \$319.

TAILORING

HE-WAY TAILORS — (30 Center Street, Lyons Shopping Center, Springfield, Drexel 6-9441) In Saul Freeman's native England a tailor learns how to build a suit from scratch. His 8 years in Springfield have taught the town what English tailoring means — for men and women's clothes. Also dry cleaning pick-up and delivery.

TV SERVICE

A & A TV — (1708 Morris Ave., Union, 1/4 mile from Springfield, Murdock 6-8900). Al Jones, a TV pioneer since 1958, runs an efficient shop that has (1) fixed charges, (2) same day service, and (3) guarantee for all work. 35% of their business is in Springfield, where people have learned they can depend on A&A.

SPRINGFIELD RADIO & TELEVISION CENTER — (173 Mountain Ave., Springfield, Drexel 9-4545) A visit to this well established firm's large workshop and showroom is like a visit to NBC's master control room. Row on row of the latest testing service lines at your case monitor as you tune to every station on the dial. The history of electronic experts are kept busy by the 5 emergency trucks that will arrive to ease into the shop and healthy it sets back to the homes in the same day. Tony Piroletti, one of Springfield's best known civic leaders, stands personally behind every job.

USED CARS

WERNER USED CARS — (585 Morris Ave., Springfield, Drexel 9-2638) It's hard to pick the best buy from over 60 beautiful used cars on this lot — but the SUN did particularly like (1) a 1949 Dodge Station Wagon that seats 6 passengers — \$495 and (2) a 1951 Plymouth convertible, also at \$495. Ask for George and say we sent you.

WALLPAPER

KARLIN'S PAINT — (15 Center St., Lyon's Shopping Center, Springfield). Our town's interior decorating expert for 20 years. Karlin has a whole library of wallpaper books. M.J.R.S. can sit in the reading room and leaf through enough wallpaper to do her home over six times.

**Woman's Club
News**

For several months, the New Jersey Club Woman Magazine has published articles honoring Hahn's Day, which will be held this year on April 1, and urging club members to make a date with their friends for a day of shopping, visiting together, and enjoying skills prepared by some of the clubs.

In the event that some members cannot attend the event they may send substitutes who will register in their (friends') own names, but as representatives of the local club, thereby giving our club credit for a larger representation.

For twenty-two years, Hahn and Company, of Newark, has co-operated with New Jersey Club Women in giving their official magazine a generous percentage of the store's total sales on this "Club Women Day". They invite club women from all over the state to visit their store, register, browse around and shop, if they desire, and also to view their latest spring styles at Fashion Shows to be shown at 10:30 a.m., 11:30 a.m., and again at 1:00 p.m. Registration must be made at Registration Headquarters, on the Third Floor, before 2:00 p.m. When guests register, they are requested to get tickets for the Fashion Show that they wish to attend, as only one ticket will be given to each person, and this ticket will admit her to one performance. It is essential that each one register, as no one will be admitted to the Auditorium without a ticket.

The following Reprint from the New Jersey Club Woman, of March, 1936, gives the same invitation in March 1937:

"Come and buy your Easter Hat, Lovely clothes for thin or fat, Useful linens, a chair or screen, Buy all day for your magazine, Woolens to wear for northern sport

Or silks for south-of-good-repair. Manly tweeds from overseas, Art or kitchen gadgetries, Notions, curtains, luxuries, Dishes, umbrellas, kettles, canes,

All kinds of things on "Your Day at Hahn's."

An invitation has been extended to members of this Club and their friends by the Art Department of the Woman's Club of Maplewood and the Art Gallery of South Orange and Maplewood, to attend a reception and exhibit honoring Michael Lenson and Armando Sozio. This affair will be held at the Woman's Club of Maplewood, 60 Woodland Road, on Sunday, March 24. There will be gallery talks from 3:00 to 5:00 p. m.

The following REMINDER is sent to Art Department members by the Chairman, Mrs. Merton D. Williams: Projects on which they have worked during the year are to be taken to the next regular meeting, when Hobby Night will be observed.

On March 14th, Mrs. D. Williams attended Art Federation Day at the Newark Museum. Don't forget the Fifth District Spring Conference at the Community Methodist Church, Roselle, on March 26th!

Mrs. Adolf Sisum, Mrs. Henry M. Wasung, and Mrs. Merton Williams will be hostesses to the Executive Board at their next meeting at the Cannon Ball House, Wednesday-evening, March 27th. If anyone desire additional raffle ticket books, they may be obtained from any member of the Committee, which includes Mrs. Adolf Sisum, Mrs. Frank Johnson, Mrs. Henry Bullman, Mrs. Stanley McConkey, Mrs. Edward Murock, Mrs. Edward Schubert, Mrs. Robert Kennedy, Mrs. Robert Dwan, Mrs. Stanford Heffner, and Mrs. Arthur Buehler. Remember the date of the drawing: **Friday, Saturday, March 30, 2:00 p.m.** at the Cannon Ball House. And did we mention that the article to be raffled is a beautiful ten-skin rnk, stule???

ORT Dinner-Dance at Far Hills Inn Sunday
On March 24th (Sunday) the Springfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training) will have their annual Dinner-Dance at the Far Hills Inn in Somerville, N. J.

An evening of entertainment will be emceed by Mickey Freeman, renowned comedian. Dancing music will be played by Cy Mann's orchestra. Chairman of the Dinner-Dance is Mrs. Moyer Lasky and Co-Chairman is Mrs. Charles Ginsberg.

—Christopher Columbus' voyage of discovery to America cost about \$7,000. He was paid about \$320 for his discovery.

Forgiveness

Our verdict had been given. With a word of commendation the Judge discharged us, the ladies and gentlemen of the jury. The completed duty brought little relief. Instead there was a burden, a spiritual weight. Days of testimony and hours of deliberation had given an oppressive sense of the world's sin and suffering.

The door of my church was open and I slipped inside. I was alone as the rays of the setting sun enhanced the rich colors of the windows. All was quiet. I dropped to my knees.

Gradually in the solemn sanctuary for me and for all who would come in faith believing.

Thankfully I arose; my heart and mind felt calm and refreshed. I could go home now, but I would return often. In glad fellowship with God's people I would worship the Christ who died that men might be forgiven.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CATHOLIC INFORMATION

"BUT I'VE NEVER SEEN A SOUL"
. And I've cut into many a body." So said the surgeon as he reached for a cigarette.

"But, Doctor, have you ever seen a tough?" We've cut into many a brain, too, we'll suppose; and have you ever been able to corner a tough, lift it out, and seal it up in a jar of alcohol?"

Then there are some things, and very real things, as real as a man's shoestrings, which have never been felt, weighed, or smelled; so it doesn't make sense to say that we have no soul, just because no one has ever seen one.

We can remember starting school many years ago — that first day stands out as clearly as though it were yesterday. And how we've changed since then! We've kicked our way through dozens of shoes; we've pushed our elbows through countless sleeves; yards of hair have been cut from our head. In fact we've changed, blood, bone, and gristle, every time since then; but the rest of us stayed behind — memory and imagination — and we pick up experience like a snowball rolling downhill. Can it be that our soul stayed on while our body changed?

We have a friend who went through a terrible accident. He lost both arms and a leg. His face looks as though it had been put through a meat-grinder. But we still like him, because it was only his body that changed. He is as kind and thoughtful as ever.

And we used to have a friend who changed almost overnight into a concealed scawling. He still has both arms and legs, and his face is the same, excepting for the moustache he has grown. He has changed not only in body but in soul as well, so that we don't like him nearly as much as we used to.

It must be, then, that the soul is the more important part of people, because bodily changes hardly amount to anything worth mentioning.

Surgeons will cut into human bodies for centuries to come, and they never will see a soul. But we have one just the same — something which stays while we grow from two feet to six, from ten pounds to a hundred, and from one year to 91 — something which will never die — which will live forever, long after it has worn its way through the body encasing it.

Presbyterians Set Antique Show Tues.

Two floristful of old-time treasures will attract collectors, fanciers, and those who just like to look, to the fifteenth annual Antique Show and Sale at the Presbyterian Parish House on March 26, 27, and 28, from 11 a.m. to 10 p.m. daily.

This event, which has earned an excellent reputation in antique show circles, draws many out-of-town and out-of-state visitors each year. Twenty-four prominent dealers will be on hand with a variety of exhibits. Displays will include lamps, china, quilts, beautiful old glass, exquisite antique jewelry, old prints, antique paintings, and many rare items to delight the heart of the collector.

The Show and Sale, directed by Mrs. Emil Meyer, will be presented under the auspices of the Ladies' Benevolent Society of the First Presbyterian Church. Delicious lunches have been planned by the ladies, and an attractive tea room will be open during the afternoon. Fancy aprons and home-baked goods will be on sale. Discount tickets for the Show and Sale may be obtained at the Parish House and at the Springfield Sun.

Lutheran Ladies See Film

The Ladies' Guild of Holy Cross Lutheran Church, before their business meeting last week, saw a film presented by the Lutheran Welfare Mission entitled "Go and Do Ye Like Wise." Welfare being one of their main projects, the Ladies were pleased to have this film on their program.

The drive for old clothing will again be undertaken by the group and is to start next month. Hostesses were Mrs. A. Haselmann and Mrs. M. Gaestel.

Matter of Fact!

The cowbird has no nest of its own, but lays its eggs in nests of other birds. It seems instinctively to choose nests of birds smaller than itself. The young cowbird is thus bigger and stronger than the rightful nestlings. It gets most of the food and grows faster. Nearly always the foster brothers and sisters are shouldered out of the nest or starve.

P.T.A. NEWS

Interested parents are reminded that the Summer Round Up is to be held in April. Further information as to dates, etc. has been promised for this column when the lanes have been made.

Mr. Daniel Murray, principal of the Raymond Chisholm, and the Edward V. Walton schools, spoke to the combined Parent-Teacher PTA Groups of the two schools on Monday evening, March 11 about the duties of school administrator. A "Question and Answer" period of discussion followed his informative talk. Refreshments were served by the hospitality committee members, Mrs. Edward Schubert and Mrs. Robert Boyan.

The March meeting of the Springfield Parent-Teacher Association will be held in the Florence M. Gaudinier School on Monday, March 25 at 8.15 p.m. A very enlightening Panel Discussion has been arranged by Mrs. S. C. Goldstein, PTA Exceptional Child Chairman and the Co-Chairman, Mrs. A. G. Becker. The topic to be discussed is: "Our Children—Are We Realizing Their Potentials?" Members of the panel will represent each type of exceptional children—the gifted, the physically handicapped, the mentally retarded, and the slow learner. The names of the panel members and the moderator are given in the general news item of this newspaper. Parents will also receive the usual "flier" through the schools.

An attendance award banner and a book will be presented by the PTA to the class in each school having the highest percentage of parents in attendance at Monday's meeting. Refreshments have been planned by the PTA Hospitality Committee with the assistance of the fifth and the sixth grade mothers.

A nominating committee was elected from the Union County PTA Council Board of Managers to prepare a slate of officers for presentation at the Spring County Council meeting. The committee consisted of Mrs. Louis R. Taylor of Roselle; Mrs. Irving Wittes, Linden; Mrs. C. Hunter Berry, Union; Mrs. F. G. Mackie, Cranford; and Mrs. Anthony DeChellis of Westfield, who as chairman, announces the following slate to be presented: President—Mrs. H. E. Wilde, Westfield; Vice-Presidents—Mrs. Louis R. Taylor, Roselle; and Mrs. F. G. Mackie, Cranford; Recording Secretary—Mrs. Franklin K. Bahrs, Union; Corresponding Secretary Mrs. Irving Wittes, Linden; Treasurer—Mrs. Addison Sanborn, Hillside; Members-at-Large: Mrs. Frank J. Studdle, Union; Mrs. Loran E. Whately, Plainfield; and Mrs. John H. Vander Veer, Westfield. (Nominations may be made from the floor also.)

Mrs. Ruth Jackson, PTA Safety Chairman, inserts the following safety reminders into the column this week: 1. Spring-cleaning time is an ideal time for checking the medicine chest and the cleaning supplies corner. 2. Paints, paint-cleaning products, and pesticides are also in the "Do It Yourself" class of Poison and the antidote is seldom on the label. 3. There is no such thing as a "safe" sleeping drug or other medication. A locked medicine cabinet is the safest way to handle these dangerous liquids, powders, and pills. 4. Old prescriptions should also be discarded. 5. Kitchen cleaning supplies should be stored on a shelf high enough so that toddlers can not reach them. Mrs. Jackson suggests that the following two addresses be posted conveniently for use in Emergencies: The addresses of Poison Control Centers in event of emergencies are: Babies Hospital, Belleville; Rutgers Pharmaceutical College Dr. Rodman, Advisor, Newark.

Comedian Steve Allen sometimes preaches a sermon in the Universalist Church. Very religious, he once wrote a song called "Let's Go To Church Next Sunday Morning."

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal, Chairman, Springfield Shade Tree Commission

It is amazing how grass responds to fertilizer at this time of year. You can already pick out the lawns that were fed within the past few weeks. Lawns that were fertilized late last fall also are turning green at this time. So many people wait until late April and May to fertilize and miss the opportunity to get the grass roots growing deeply into the soft earth during the early spring. Start liming and fertilizing early in the season if you want the best results.

QUESTION: I fertilize every year, but by the looks of my lawn I am wasting my money. What can be wrong?
ANSWER: To answer this question fully might require a complete edition of the Sun, so I will give a few hints. Assuming that you use high quality seed and the topsoil is good enough to sustain turf, I would believe that you are not applying sufficient good fertilizer often enough. Cheap grades of 5-10-5 and other chemical fertilizers are used up rapidly during the wet season and soon leave the grass in a starving condition. Half-starved grass will soon be overcome by crabgrass and the hot sun. Feed your lawn in the early spring, early summer and fall with a good quality fertilizer and you will get better results. Cheap fertilizers should be applied more often.

QUESTION: Will it help my lawn to put a layer of peat moss on top?
ANSWER: I feel this is a waste of money and time. When reseeding a lawn in late spring, or during a dry spell, a covering of peat or humus keeps the seed moist and helps the germination, but just as a dressing the benefits are questionable.

QUESTION: I feel this is a waste of money and time. When reseeding a lawn in late spring, or during a dry spell, a covering of peat or humus keeps the seed moist and helps the germination, but just as a dressing the benefits are questionable.

Hadassah Plans Blue Box Project

Springfield Hadassah at its next meeting on Wednesday evening, March 27 at 8:30 at Temple Beth Ahm, will highlight its Blue Box Project. The Blue Box plays an important part in the Jewish National Fund picture.

Before Israel became a state, the Jewish National Fund provided the funds for land purchase and reclamation. Today, with statehood a reality, the funds derived from the Blue Boxes are set aside to establish clear title in Israel for any land within the borders of Israel. The purchase of trees in Jewish National Fund, has over a period of years, turned thousands and thousands of acres of desert wasteland into fruitful, blooming acreage. The lesson of soil conservation and of reclamation was understood years ago. It continues to be the core of the agricultural development of Israel.

This is the essence of the J.N.F. program as it will be highlighted by Mrs. Fred L. Braun, Jewish National Fund chairman. Mrs. Braun and Mrs. I. Gershen, program chairman, have planned a fun-packed evening. Their BLUE BOX JAMBORÉE CARD PARTY AND GAME-NIGHT will follow the presentation of the slate of officers for the coming year by the chairman of the nominating committee, Mrs. S. Goldstein. Mrs. Braun and her committee promise an evening of fun for all—climaxed by delicious refreshments.
