SPRINGFIELD, N. J., THURSDAY, APRIL 4, 1957

OFFICIAL NEWSPAPER
TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

GOP CANDIDATE VISITS HERE. Senator Malcolm S. Forbes, on a Union County tour, stopped at the General/Greep Shopping Center in Springfield with his motorcade last Friday afternoon, shown here shaking hands with Mrs. A. Augenstein of 71 Springfield avenue, Springfield. Also from left to right are Township of Union Mayor F. Edward Blertuempel and Mrs. Forbes. (Photo Mickey Fox)

Thos. Brennan Completes 30 Years At Esso

Thomas J. Brennan

Thirty-years' service with the Esso Research and Engineering Company has been completed by Thomas J. Brennan of 34 Marina avenue, Springfield, formerly of Union.

Mr. Brennan, who is assigned to the engine laboratories of the company's products research division, began his career in 1927 as an operator for the fuel oil treating plant at the Bayway Refinery of the Esso Standard Oil Company. After driving a truck for several years, he went with Esso Standard's technical service division as a pipefitter. Mr. Brennan joined Esso Research in 1929. He is now an engine technician.

Born in the Kefauver Road section of Elizabeth, Mr. Brennan attended Elizabeth schools. He is an avid boxing fan, an interest he traces to his youth when he was a classmate of former world boxing champion Micky Walker. His interest in baseball is partly due to the fact that he's a cousin of Whitey Ford, New York Yankee pitching star.

Mr. Brennan is married and has two children, a daughter, Miss Jean Brennan, and a son, John Brennan, both employees of the Esso Standard Oil Company.

NEED SUMMER JOB?
The Recreation Commission is accepting applications for playground leaders for this summer. Applications may be obtained at the Township Clerk's office which is now at 53 Mountain avenue.

College students with some leadership experience or physical education training are especially asked to make application.

Keep Watching Windows In Sun Office -- Free Photos!

The idea of displaying group photographs previously used in the columns of the Springfield Sun, and offering to give them FREE to anyone requesting them, has been very successful.

The response has been fantastic and there has been a steady stream of people walking in to the Sun office asking for certain photographs on display in the window. The idea of showing the pictures and offering to give them FREE was planned to clear out the files of old photographs. Rather than discard them or burn them, readers of the Springfield Sun are given an opportunity to claim them after being displayed in the newspaper window.

State Committees Give New Schools Approval

As of last Thursday, March 28, the State Board of Local Government and the State Commissioner of Education gave their formal approval of the proposal for the expansion of the Union County Regional High School District No. 1.

The proposal provides for building a new school on already owned property in Berkeley Heights, for an addition to the Arthur L. Johnson High School in Clark, and for the acquisition of a site for a possible future school in Kenilworth.

These facilities are needed to provide for the rapidly growing school population in the six areas and to maintain the basic requirements for the maximum education development of all students who come within the influence of the Regional District.

The Regional Board, which is composed of representatives of the member districts from Springfield, Mountainside, Clark, Garwood, Kenilworth and Berkeley Heights, is seeking approval of this expansion plan at a referendum to be held on April 30, 1957.

Frank Kerr and William Melick, local members of the Board, are seeking the support of the Springfield residents at the referendum. They will address the P.T.A., the Women's Club, Lion's Club, and other civic groups over the next few weeks in order to acquaint as many people as possible with the facts regarding the building program. They realize that a complete understanding of the facts by the public is necessary for an intelligent vote.

To this end, they are asking that anyone or any group having questions about the referendum and not having had the information supplied to them through the medium of any of the local meetings, contact them for whatever information is needed.

A brochure containing all growth and cost facts will be mailed to all citizens on approximately April 7, 1957, and further informative items will appear in the Sun.

Named Life Member With Underwriters

Sheldon H. Ellowitz, of 20 Kew Drive, Springfield, has been named a life and qualifying member of the Million Dollar Round Table of the National Association of Life Underwriters.

Active in the life insurance field for the past fifteen years, Ellowitz is vice-president of the J. I. Kislak Life Agency, Inc., of Jersey City and has been a Chartered Life Underwriter since 1951. The agency is General Agent in Hudson County for the Guardian Life Insurance Company of America.

Cook Retires From Otis Elevator Co.

Mr. Edward M. Cook of 50 Warner Ave., Service Superintendent, of Otis Elevator Company's Newark, New Jersey, office retires April 1 after forty-four years of continuous association with the Company.

Mr. Cook came to Otis in 1913 where he was employed in the Harrison, N. J. works of the Company. He later was in charge of various construction and service operations in the New York metropolitan area until appointment to his present position in 1941.

He expects to maintain his summer-home in Liberty, Penna., and will spend his winters in Florida.

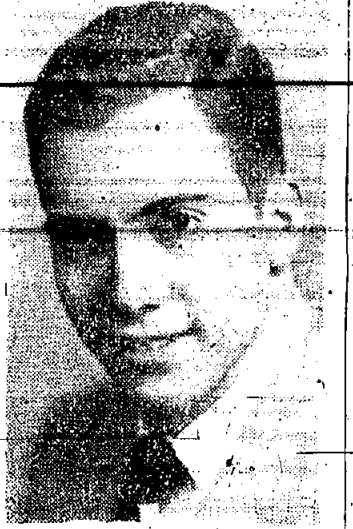

Senior Class Play Fri. & Sat. Nites

The senior class of the Jonathan Dayton Regional High School in Springfield will present its annual play on Friday and Saturday evenings, April 5th and 6th, at 8:15 P.M. This year's play is the comedy, "Our Hearts Were Young and Gay," a story of two young American girls traveling alone to Paris to study acting. What happens to them both on the ocean voyage and in the city makes up the plot of this play.

Starring in the cast are Lois End and Pat Baker as the two prospective actresses. Ralph Lindeman and Richey Schwartz play the two handsome young men whom they meet along the way. Tickets will be on sale at the door. Prices are \$1.00 for orchestra seats, and 60c for rear orchestra and balcony. The public, of course, is welcome to the organization committee.

Dr. Martin Borsky Opens Optometric Offices Here

With the fantastic growth of Springfield in the past few years and particularly the last few months, many news stories slip by that are never "seen," which would indicate that perhaps someone needs to visit an Optometrist — the story in mind is about an Optometrist in question.

Dr. Martin Borsky

Some months ago, around November, Dr. Martin Borsky opened offices at his new home at 371 Meisel avenue. Due to a slight case of myopia on the part of the editor, this item was not reported. (Continued on page 2)

Cancer Drive Ready To Start In Springfield

Helping the cancer patient is one of the main objectives of the American Cancer Society in the 21 counties of the State. Although Mrs. Phillip Lewis and Mrs. Joseph Bender, local chapter chairmen have great efforts to publicize the services provided by the American Cancer Society for the medically indigent cancer patient there are many who yet do not know or at least do not realize the many benefits which are at the call of the patient.

Medications and other treatments for cancer are very expensive and not many can afford them. The Union County Chapter not only provides the necessary dressings, and expensive medications but supports clinics in 3 hospitals where cancer patients receive x-ray and other treatments.

In addition, transportation is provided to and from homes to clinics or doctors' offices without cost and where needed. If the patient be a mother, practical nurses are sent to the home to help in household chores while visiting nurses make regular calls.

Services of other types, especially in the field of education are provided by the American Cancer Society. Films on cancer are loaned to groups for showing in connection with meetings in which cancer may be discussed. All films are 16mm. sound. A few titles are also available in 35 mm and may be obtained upon request to the County Service Center. There are films appropriate for every type of organization.

For additional information call Mrs. Lewis, DR. 6-4502 or Mrs. Bender, DR. 6-6223.

Of every dollar given to the American Cancer Society, 60 cents is spent for cancer control in the state or division area where the money is raised; 25 per cent goes for a national research program; 12 per cent to national programs of professional and public education, service to patients, statistical research, and administration; 3 per cent for a national program of medical grants and clinical fellowships.

Scout Executive Is Leaving Local Council

District Scout Executive Edward P. Clark will leave Union Council April 15, it was announced today. Clark will begin duty at a new assignment in Suffolk County, Long Island, New York.

Clark will conclude three and one-half years with Union Council's Northern District, serving Union, Hillside and Springfield. He has been a leading figure in scout fund campaigns and troop organization work.

During his service, the district grew from 36 to 50 scouting units. There were 1,400 cuts, scouts and explorers in Clark's district in 1953. Today there are 2,120.

With the Council, he was secretary to the health and safety committee during his entire tenure. In 1954, he was director of the scout camp, Camp Winnebago, in Rockaway Township. For the last six months he has been secretary to the organization committee.

SURROUNDED BY V.I.P. Mrs. Kenneth E. Bandomer, Springfield's Women's Club chairman at the annual luncheon of the Civics and Legislation Department of the State Federation of Women's Clubs in Trenton Monday, is photographed with Mrs. Malcolm S. Forbes, wife of the Republican candidate for Governor, (left) and Mrs. Robert B. Meyner, present First Lady of New Jersey, Mrs. Bandomer was the Fifth District Chairman of Reservations and Arrangements for this annual affair, attended by more than 500 Women's Club members from all sections of New Jersey. The Springfield Club was commended for having the largest delegation present in the entire state with 28 men from the Township attending the day's interesting program in Trenton.

Charter Study Group Plans To Name Officers

Interest in Springfield's Charter Study is increasing. Evidence of this was indicated by the very enthusiastic turnout Tuesday evening when the Citizens Committee held a regular meeting in the new Public Library to hear several speakers discuss the progress of Charter Study in other communities.

Julius Kazin of 42 Garden Oval served as temporary chairman at Tuesday night's Citizens Group meeting and was authorized to name a nominating committee to select a slate of permanent officers.

Names of those who will serve on the nominating committee will be announced at the next meeting of the Charter Study group to be held in the Library on April 25. The members present at Tuesday night's meeting voted to select a president, two vice-presidents, a secretary and treasurer as permanent officers who would also serve as the Board of Trustees.

All those interested in becoming part of the Springfield Citizens Committee for Charter Study are invited to attend the April 25 meeting in the Library.

"Representatives of all groups in Springfield," said one of the Charter Study sponsors, "should become part of this program since it is entirely divorced from any political party and the work we are doing is to make a study of the present form of Springfield's government to determine if it needs streamlining or a change in the form—as many other communities have done."

All But Two Towns Increase Tax Rates

Springfield was among the 19 of the 21 municipalities in Union County with increased tax rates for 1957. All the tax rates went up, except those of Scotch Plains and Fanwood where the revaluation programs have hiked all assessments.

Springfield's rate this year is 10.69 as compared to 9.77 for 1956. The 1957 assessments for each town in the county have been raised except Berkeley Heights, Plainfield and Hillside. Springfield's assessment for 1957 will be \$226,700 as compared with \$208,940 for 1956.

2 Local Girls Named To Posts With State C.A.R.

Martha Haggett

Janice Pierson

Two Springfield teenagers were named to executive offices on the New Jersey State Board of the Children of the American Revolution at the 27th Annual State Conference in Princeton on Saturday, March 30.

Martha Haggett, 16, daughter of Mr. and Mrs. James P. Haggett of 191 Morris Avenue was elected Vice President and Janice Pierson, 14, daughter of Mr. and Mrs. Raymond G. Pierson of 177 Linden Avenue was elected Corresponding Secretary.

Others who attended the Conference from Springfield were Mrs. Robert B. Champlin of 131 Bryant Avenue, Senior President of the "Give 'Em Watts" Society and members: Junior President, Jeff Manuel, son of Mr. and Mrs. Joseph M. Manuel of 21 Country Club Lane, Sally Champlin, daughter of Mr. and Mrs. Robert B. Champlin, and Charles Stevens, son of Mr. and Mrs. L. S. Stevens of 78 Mountain Avenue.

George Champlin, son of Mr. and Mrs. Robert B. Champlin, a member of the "Polly Vanderpool Society."

Tax Collections Ahead of 1956

Tax collections in Springfield were far ahead of 1956 according to a report issued yesterday by Tax Collector Charles H. Huff which included the month of March.

The total money received for the first three months, the report shows, amounted to \$1,314,038 as compared to \$97, 000 for the same period in 1956. March's total was \$14,805 against \$10,703 for the same month last year.

The actual 1957 taxes collected for the month of March amount to \$929, as against \$7028 for the same month last year. This amount the total of the 1957 taxes collected to date \$158,091 which is considerably higher than the \$124,595 for the first three months of 1956.

Two Groups To Meet At Methodist Church

The Wesleyan Service Guild will be guests of the Woman's Society of Christian Services at Tuesday evening, April 9th, at eight o'clock in the Trivett room of the Springfield Methodist Church.

The guest speaker will be Mrs. Eugene McGrath, who will have as her topic "Malaya." Mrs. McGrath is a Missionary on Furlough from Malaya.

Springfield's Drive For Red Cross Over Top

The distinction of being the fourth chapter in the State of New Jersey to exceed its quota in the Annual Roll Call for Memberships in the American Red Cross has been earned by the Springfield Chapter.

This was announced to the local chapter's Board of Directors at its April 1st meeting by the Chairman, Township Committeeman Eugene P. Donnelly.

Donnelly extended the congratulations and thanks of the Board to the Fund Chairman, Henry F. Grabarz, and to Mrs. Georgia Meathun who organized and led the house-to-house canvassing job which produced the greater portion of the monies collected.

Thanks, too, are due to the fine corps of volunteer workers who rang the door bells and solicited the memberships. These good people not only did an outstanding job from the standpoint of the amounts collected, but they finished their task within the month of March—even after a start which was delayed one full week—this permitting the drive to close on time, a relatively rare occurrence of late.

Some disappointment was expressed by Fund Chairman Grabarz with the result secured from the business, industrial and professional solicitation, which at closing time was behind the donations secured the previous year. Grabarz said he hoped that perhaps some in this group have waited until the first of April to send in their checks, and might be possible that the record of this drive.

Weisbecker To Be Part Of USN Show

Lt. Jg. Donald Weisbecker

Lieutenant Junior Grade Donald "Chess" Weisbecker, son of Mr. and Mrs. Henry C. Weisbecker of 53 Forest Drive arrived at the Naval Auxiliary Air Station, El Centro, California today to compete with his fellow team mates of Attack Squadron TWENTY SIX in the Second Annual Naval Air Weapons Meet Monday thru Friday next week.

Weisbecker was selected for competition in the meet on the basis of his aerial gunnery skill and flying ability. He will compete in the air-to-ground segment of the meet. Attack Squadron TWENTY SIX to which he is attached, is based at the U. S. Naval Air Station, Miramar San Diego, California.

Uppergrade Children Learn To Apply Math to Business

This is the fourth in a series of articles explaining the arithmetic program in the Springfield Public Schools. Attention is focused on the upper elementary level where emphasis is placed on the social applications of arithmetic.

Basic concepts that were introduced in the lower grades are further developed in a more complex form in the upper grades by different approaches and possibly different illustrations. The teachers also provide for reteaching and extending to a more mature level, previously taught fundamental operations with whole numbers, common fractions, decimals, and percentages.

Consumer arithmetic, rudimentary geometry, graphs, and the algebraic formula are the major areas of study that make up the program. Each of these units in turn is divided into the many topics necessary to cover the subject matter adequately.

Consumer arithmetic, for example, embraces many interesting subjects which may be applied to real life situations in household management or business transactions. Percentage plays an important role in this unit. Through functional situations, pupils become familiar with common applications of percents in commission, buying and selling, discounts, interest, and the concept of percents over 100% and under 1%.

Another important aspect of percents is discussed.

THURSDAY, APRIL 4, 1957

Uppergrade

(Continued from Page 1)
cent is found in the study of taxation. Since the treatment of every ramification of the subject is not appropriate for the elementary school, only the fundamental information is presented. In addition to learning why taxes are paid and what the chief kinds of taxes are, the children study the means by which the taxes and tax rates in town are determined.

A phase of taxation which has sparked the interest of the classes is the widely discussed personal income tax. Each year, the students obtain up-to-date literature on the topic from the post office, magazines, and newspapers. In order to build a basic understanding which is necessary to meet the future needs of the students, much class time is devoted to reading and discussing the important information covered in this literature. As a culminating activity, the students put their newly acquired knowledge to practice by computing fictitious tax returns on the real forms used by adults in filing their statements. For this activity, the classes work with rates that are currently in effect.

A knowledge of certain of the services offered by commercial banks and investment institutions is also acquired in the study of consumer arithmetic. Information is given about the details of a check: how to make out a check correctly; how to open a checking account; and how to cash a check. In addition to being taught the importance of saving systematically, the pupils learn the procedure for opening and maintaining a savings account.

Mention has been made of only a few of the subjects that are taught in regard to consumer arithmetic. Similarly, other major units are divided and expanded by topics which lend themselves to a planned, systematic, and sequential development of the work.

Practical Applications
The instructors of the other subjects help to contribute to the greater understanding of arithmetic, and they make use of every opportunity to correlate arithmetic learning with their fields. The teachers of home economics and industrial arts fully realize that learning to use measures is a matter of experience. Facility in the use of these measures is a goal toward which their classes strive. Boys apply their knowledge of the linear tables and improve their skill in the measurement of materials in the shop; girls are taught to read accurately the yardage charts for the purpose of computing the amount and cost of materials for the projects in sewing class. A practical application

of fractions as well as a meaningful knowledge of measures is further developed in cooking class when the girls are taught not only how to plan well-balanced meals but also to measure accurately the ingredients used in recipes.

Both history and geography employ the use of numbers in making comparisons or presenting facts. Because much of the statistical data in these subjects is presented in the form of graphic illustrations, the pupils are given additional instruction by the teachers of social studies in the reading and interpretation of the graphs. Through this application the pupils can more easily see that graphs are better than round numbers because they give a visual representation of numerical facts. A study of measuring angles by using degrees as the units of measurement also takes on more meaning when the geography class discusses the time zones on earth in relation to the degrees of longitude.

Major units in the science curriculum contain an abundance of arithmetic material. Many of these units cannot be taught effectively without the inclusion of important arithmetic. In the study of the atmosphere children are taught by the science teachers to read and interpret scientific measuring devices like the thermometer and barometer. Further enrichment of the arithmetic program is provided when the pupils become acquainted

with the fundamental facts of the metric system. Teachers make these measures meaningful and interesting by using them in simple classroom experiments and by reference to them in laboratory measurements, sports events, and other uses recorded in newspapers, magazines, and science textbooks.

Measurement using the ruler and the yardstick is covered meaningfully in the art class. Students assist the teacher in planning and decorating the bulletin boards in the corridors and homerooms. The meaning of ratio is further clarified when the art teacher helps the students with the study of scale drawing. Original floor plans, conforming to high standards and complete with front elevations, are drawn to scale. Children seem keenly interested in projects like

these when they are given the opportunity to apply the learning in one subject to the work in another. In conclusion, the development of meanings and understandings in the arithmetic program of the upper grades is not the concern of one teacher but of all. Each teacher contributes experiences that enrich the students' living and gives meaning to the arithmetic they use.

Accountant Tours Plant
Julius A. Marsh of 104 Remer avenue, a member of the Newark Chapter-National Association of Cost Accountants, was a guest recently of the Elastic Stop Nnt Corp., Union along with other members of the Association who made a tour of the plant's accounting division.

Hi Neighbor!!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS. If You Have Any News Call...

DREXEL 6-4502

LORRIE LEWIS

It is a pleasure to welcome four families who recently moved into town. I'm sure they will soon feel at home in our friendly community.

Mr. and Mrs. Joseph Marzell, formerly of Maplewood, are now residing at 28 Cypress Terrace. Their twin daughters — Marilyn and Tina — are 9½ years old. Mr. Marzell is an optician and owns American Eyesight Service, Inc., 5 Hill St., Newark.

Former Newarkers Mr. and Mrs. Leonard Nurkin list 92 Twin Oaks, Oval as their new address. Their daughter, Anita, is 14 years old. Mr. Nurkin is with Nurkin Press Printers, Newark.

Also new to Twin Oaks Oval are Mr. and Mrs. Bernard Sanders and their children Cheryl age 5 years and Michael age 2 years. The Sanders, who moved here from Newark, reside at 76 Twin Oaks Oval. Mr. Sanders owns Sanders Roofing Co.—Newark.

Irvington was the former hometown of Mr. and Mrs. Arthur Weiss of 45 Laurel Drive. Their children are Mary Weinstock age 15, Danny age 6, and Nancy age 2½. Mr. Weiss is a welding equipment salesman with Harris Service and Repairs, Irvington.

Happy Birthday wishes to Susan Clermont, daughter of W. L. Clermont of 228 South Springfield Ave., Susan was feted by her family on her 10th birthday on March 26.

A birthday on family was also celebrated by Karen Schramm, daughter of Mr. and Mrs. Herbert M. Schramm of One Remer Ave., Karen was two years old on March 24. Also on hand to sing the birthday refrain were Mrs. A. Kirby and son, Michael of Springfield.

A miscellaneous bridal shower was held on March 26th at the

home of Mrs. Joseph Weber of 46 Beverly Road in honor of Miss Patricia Furst. Miss Furst is the daughter of Mr. and Mrs. Otto Furst of 235 Bryant Ave. The shower was given by Mrs. Frank Vogel of Lakewood and Mrs. James Pecca of Summit. Springfield guests were Mrs. Otto Furst, mother of the bride-to-be, her sisters — Marilyn and Lois, Mrs. Carl Ledig, Gail Ledig, Mrs. John Leisinger, Diane Grimmmer, Mrs. Neuttoll, and Mrs. Joseph Weber. Other guests were present from Irvington, Cranford, Madison, and Union.

Miss Furst will wed John Joseph Weber of Springfield of April 20 at the Presbyterian Church of Springfield.

Bobby Tafel and his friends made merry at his 8th birthday party on April 2. The party guests were Dennis Insley, Pamela Henry, Debbie Baldwin, Hal Lewis, Bobby Szales, Demy Candon, Eddie Eckert, and Eddie Gamelerie. Bobby is the son of Mr. and Mrs. H. Tafel of 48 Tooker Ave.

Congratulations to Mr. and Mrs. Paul Greenstein upon the birth of their son, Jess David was born at the Beth Israel Hospital on

March 6 weighing 7 lbs. 11 oz. The Greensteins also have a daughter, Diane.

April 1st was "no fooling" for Ira Rynar — his birthday party was a serious matter to him. Ira, son of Mr. and Mrs. George Rynar of 124 Hawthorn Ave., celebrated his fifth birthday at a party with some of his neighborhood friends. The guests included Shelley Gold, Sandy Jacobs, Gail Warhottig, Bobby Warhottig, Billy Weis, Ricki Weis, Debbie Baldwin, Barry Mitterhoff, Keith Prussing, and Scott Prussing.

Mr. and Mrs. Thomas S. Haar of 142 Riverside Dr. have as their house guests, their cousins, Mr. and Mrs. J. Earl De Vore of Caracas, Venezuela, where they have lived for the past twelve years.

After spending their vacation here, they will go to San Jose, Costa Rica, where Mr. De Vore has been assigned.

Fish & Chips Lunch
The Guild of St. Stephen's Church, Millburn, will hold a Fish and Chips Lunch in the Parish House on Friday, April 12, from 11:30 to 1 P.M. Admission — \$1.25.

must you starve to reduce?
That's hardly a happy prospect... so put it out of your pretty head.
At Stauffer we reduce with science not sacrifice. Our four famous slenderizing tables, which are part of the Stauffer System, do the work while you rest and relax. You don't even disrobe. And Stauffer leaves your skin smooth and taut, not loose the way it is with diet alone.
Naturally under the influence of our wonderfully specialized spot reducing, you lose in the right places!
You've so much to gain at Stauffer. There are so many nice people to help and counsel you... it's just foolish to fight the reducing fight alone.
Call for your free trial visit.

Woman's Club News

All members of the Executive Board of the Springfield Woman's Club were present at the last meeting, which was held Wednesday.

March 29, at the Cannon Ball House. After the business meeting, delicious punch, sandwiches, and cookies were served by the hostesses—Mrs. Adolf Sissum, Mrs. M. D. Williams, Mrs. Henry Wasung, and Mrs. William A. Konrad. The unusual table decoration consisted of lavender candles in brass holders on either side of charming Easter bunnies fashioned from lavender and gold construction paper.

Mrs. Fred Spangler advised that a few tickets for the Fifth District Drama Festival are available, at the price of seventy-five cents each. Anyone interested in attending the Festival, to be held at the Paper Mill Playhouse on April 23,

may contact Mrs. Spangler (DI 6-6659).

There will be no meeting of the Music Department on the scheduled date, but instead, they will hold their next meeting on Tuesday evening, April 23, at the home of Mrs. John E. Billings, at 11 Tower Drive.

Mrs. Henry Wasung, Chairman of the Literature Department, announces that department members will be guests of the International Relations Department

when they meet on Thursday evening, April 11, at the Cannon Ball House. The group will hear a talk by Mr. Nezh Manyas, Assistant Director of the Turkish Information Center. Hostesses for this meeting will be Miss Alice Reg and Miss Evelyn Porter.

Mr. Thomas Geddes, Chairman of the International Relations Department, reports that the department has recently sent food packages to Yugoslavia, through CARE, as one of their projects.

Mrs. James Stewart and Mrs. Merton D. Williams will be hostesses to the April 9 meeting of the American Home Department, at which time a Home Extension Service will be presented. A representative will be present to discuss ways in which a "basic" dress may be used for several

occasions, by dressing it "up" or "down," as the occasion demands.

The Cannon Ball House, on Morris Ave., was the scene of a Drawing, on Saturday, March 23, which was of much interest to many people in the community! At exactly two o'clock a lucky Raffle ticket was drawn, making Mrs. Thomas Dougherty, of Washington Street, Springfield, the winner of a beautiful mink stole! Congratulations to Mrs. Adolf who was Raffle Chairman, and to her hard-working committee. Through the sale of these tickets, it is possible for the Woman's Club to make donations to local charities to educational organizations.

There was a very large attendance at the State Legislative Luncheon and forum at the Stacy Trent Hotel on Monday, April 1. Among those going down from the local club were Mrs. Kenneth Bandemer, who is Fifth District Civics and Legislation Chairman, Mrs. Wesley Lewandowski, and Mrs. Henry Wasung. Governor Meyner, Senator Wayne Dmott, and Senator Malcolm S. Forbes addressed the group, and Governor Meyner was accompanied at the luncheon by the First Lady of the State. The group later visited the State House, seeing the Assembly in action. They were welcome by Senate President Albert McCay and Speaker of the House Elden Mills.

Angela Ingate Is Engaged To Wed

Mr. and Mrs. Salvatore Ingate of Hillside Avenue announce the engagement of their daughter Angela to Robert Losco, son of Mr. and Mrs. Anthony Losco of Greenwood Avenue, West Orange. At a cocktail party held in Sunday (March 31)

Miss Ingate is a graduate of Jonathan Dayton Regional High School and Upsala College. She is on the faculty of the Berkeley School, Berkeley Heights. Her fiance, a graduate of West Orange High School, is with the Anderson Construction Co., West Orange.

Fashion Show Held Sat. At Temple

The annual Fashion Show of Temple Beth Ahm was held last Saturday night at the Center, Baltusrol Way, and drew a large audience of Temple members and their friends. Fashion creations by Ann Thorn of Irvington, Bee Bee Hats of Orange and Blauslein Furs of Newark were modeled by women of the Temple, including Irene Weiss, Bobbi Kessler, Sandy Mond, Sari Hockstein, Gladys Max, Beulah Garber, Irene Chotiner, Sylvia Feldman and Shirley Friedlander.

Lorrie Lewis acted as commentator and introduced the models and described their outfits. A feature of the evening's program was Irene Weiss' portrayal of "Generous Jane," who distributed her accessories and articles of clothing to the lucky holders of ticket stubs. Jerry Vincent, well-known organ virtuoso, entertained at the organ and supplied the music for the dancing that followed the program. Sylvia Keiner and Cantor Irving Kramerman entertained with vocal selections, with Lenore Greene as piano accompanist. Tickets for "My Fair Lady" were won by Abner and Adrienne Gold, who, having already seen the production, donated the tickets to the Temple for auctioning. A mid-night supper was served.

The committee in charge of the Fashion Show consisted of Tina Feldman, chairman; Paula Sussman, co-chairman; Mimi Biddelman, Irene Weiss, Gladys Max, Ruth Slapin and Audrey Garner. Also assisting in the arrangements were Ralph Feldman, Larry Max, Anita Breier, Adrienne Gold and Louis Lamberg. The Fashion Show was held for the benefit of the Building Fund of Temple Beth Ahm. David Kaplan is chairman of the Building Fund Committee.

900 Pipe Organ In Recital Here Sun.

A Lenten Organ Recital will be presented in the Presbyterian Church on Sunday, April 7 at 4 p.m. by the church organist, Mr. Charles H. Sills, assisted by Mrs. Raymond Pierson, soloist. This will mark the first time the recently rebuilt and augmented organ of the Church has been used in a recital. The people of the community are cordially invited to attend this service of meditation and great organ music.

For the past six months extensive work has been carried out on the organ under the supervision of the Church Organ Company, of Nixon. Many new stops have been added which have greatly increased the power and clarity of the organ's voice. There are now almost nine hundred pipes in the new organ arranged in ranks known as "stops" with each stop having a distinctive quality of tone. The organ is divided into three sections with each section known as an organ and having its own set of keys which control certain ranks of pipes. These sections are called the Swell Organ, the Great Organ and the Pedal Organ. The organ has been completely electrified with an intricate system of magnetic relays opening the valves of the pipes and know compares with the finest of the organs in this area.

Girl Born To Huggans

Thomas and Catherine Huggan of 24 Main Street, are the parents of a new baby girl born on March 23 at Overlook Hospital Summit.

P.T.A. NEWS

Dr. Catherine E. Spears, pediatrician and pediatric neurologist, will speak at the final meeting of the P.T.A. Pre-School Group on Monday, April 8 at 8:15 p.m. in the Florence M. Gaudineer School Cafeteria. "Sex and Sex Education for the Pre-School Group" will be the topic to be discussed.

Dr. Spears is the medical director of the Easter Seal Rehabilitation Center, and contact physician for the Consultation Clinic for Convulsive Disorders. She is the school physician for Chatham Borough and engages in private professional practice in the locality. She is also a homemaker and the mother of two children.

The Pre-School Chairman, Mrs. Edward J. Harback and the Pre-School Co-Chairman, Mrs. W. A. Scott extend an invitation to all parents to attend this informative meeting. Refreshments will be served by the hospitality committee of which Mrs. Howard Vaughn is the chairman.

The Parent Education Committee of the James Caldwell School decided to cancel its final meeting which was scheduled for Thursday, April 4. This decision was based on two reasons: FIRST: The topic of the meeting was to have been "Preparation for Gaudineer", Mrs. Sandmeier, Principal of the Gaudineer School, plans a meeting in May for parents of children entering the school—to explain and discuss the Gaudineer School program. It is felt that the subject will be covered at this meeting; and SECOND: It is felt that with separate P.T.A.'s being organized in each school, it will be advisable to curtail the number of meetings which parents will be invited to attend. The James Caldwell Parent Education Committee members—Mrs. Everett Howell, Mrs. Harold Hansen, Mrs. Alan Cunningham, and Mrs. Frank Stevens, Chairman—wish to thank all parents for their interest and attendance and they thank the class mothers for their constant cooperation.

Mrs. B. P. Yuckman, P.T.A. president, requests all committee chairmen to have the procedure book up-to-date and completed before time for the next meeting of the Executive Board.

A message of thanks is extended to Mr. Raymond P. Winberry for acting as secretary pro tem at the March meeting of the P.T.A. so that the regular secretary, Mr. William Fallon could serve as a member of the discussion panel.

The organizational meeting of the Florence M. Gaudineer School P.T.A. was held on Monday, April 1 with Mrs. Joseph Bender presiding. Sixty-five members attended and heard Mrs. Frank Stuedie, president of the Union County Council of Parent-Teacher Associations, discuss Parent-Teacher organization and goals.

A report was made by the By-Laws Committee composed of Mrs. William Hartz, Mrs. B. A. Bracht, and Mrs. Edward A. Murdock, chairman. The By-Laws for the Florence M. Gaudineer School Parent-Teacher Association were adopted.

A Nominating Committee was appointed, as follows: Mrs. C. L. Seltzer, Mrs. Otto Granick, Mrs. C. E. Miller, Mrs. Niles Christensen, and Mrs. J. F. Patterson, chairman.

Mrs. Bender announced that the election and installation of officers will take place at the next meeting which is scheduled for May 27 in that school.

Mrs. J. F. Patterson, chairman of the nominating committee for the new Florence M. Gaudineer School Parent-Teacher Association, announces that the committee would like suggestions of

names for prospective officers. All P.T.A. members who will have children in the upper grade school next year are invited to send suggestions to Mrs. Patterson at 519 Mountain Avenue or to call DR. 6-1549 before Thursday, April 11th—as this is the date when the nominating committee will hold the first meeting.

"Pickles" Called Dilly of a Show!

The Couples Club of the First Presbyterian Church of Springfield, known as the Fireside Group, is presenting the musical comedy, "Pickles," Thursday and Friday evenings, April 11 and 12.

This scintillating play, with excellent music, lots of laughs and magnificent scenery, is only to be matched with the outstanding performance of the cast. The directors are Messrs. William Sweeney. Dramatics: Herbert Kern, Music: Harry Anderson, Production and Stage Manager: and scenery credit goes to Robert Isley and his crew.

Leading players in the cast are Mrs. Muriel Berg, Bryant Haas, Roger Shotwell, Mrs. Harriet Oyler, Harry C. Anderson, Jr., Mrs. Sue Jackson, Jack Trout, Jim Stewart, Doc Slaght, Al Johnson, Mrs. Helen Bennet and Al Krull.

Supporting this cast is a fine chorus of voices singing Viennese melodies throughout the three acts.

Both performances will be held in the Parish House of the Presbyterian Church starting at 8:15 P.M.

Legion Auxiliary Holds Annual Smorgasbord

The American Legion Auxiliary held its Annual Smorgasbord last Saturday night. The birthday cake, designating the Unit's seventh birthday, was cut by Mrs. Wm. J. Doyle, President of the Unit, assisted by Past Presidents, Mrs. F. A. Handville, Mrs. Hans Nielsen, Mrs. Stanley Woznak, Mrs. David Roe and Mrs. Frank Stuedie, Past County President and founder of the Unit.

The supper was given for the men of the Post and their wives as well as the husbands of Auxiliary members.

The table was beautifully decorated with flowers. The orchestra played and there was dancing until one o'clock.

Your Library

It is wonderful to be missed. Nothing is more flattering. And the Free Public Library of Springfield is flattered and very happy

to hear from its friends and readers that they have missed the Library and could hardly wait for the opening so they could get books again.

On Monday, April 1st, the readers came back, returning the books which they had kept out during the rebuilding. In order to facilitate the bringing back of these books the Library is open three extra evenings the first week. The hours are 7:30 p.m. to 9:00 p.m. Tuesday, Wednesday and Thursday. These are in addition to the same hours on Monday and Friday which are part of the regular schedule.

AN ORDINANCE TO LIMIT THE USE OF ARCHBOLD LANE, BALFUSOL ROAD, VERBENA DRIVE, HILLSIDE AVENUE, EDGWOOD AVENUE, MOUNTAIN AVENUE, PLYMOUTH AVENUE, PASS AND BEMER AVENUE TO PASSENGER VEHICLES AND COMMERCIAL VEHICLES EXCEPT TRUCKS INCLUSIVE OF LOAD, DOES NOT EXCEED 4,000 POUNDS, AND PROVIDE FOR THE REMOVAL OF THIS VIOLATION THEREOF.

BE IT ORDAINED BY THE Township Committee of the Township of Springfield of the County of Union and State of New Jersey, as follows: Section 1. On and after the effective date of this ordinance the use of Archbold Lane, Balfusol Road, Verben Drive, Hillside Avenue, Edgwood Avenue, Mountain Avenue, Plymouth Avenue, Pass and Bemer Avenue from Mountain Avenue to Iron Street, Kipling Street, Kipling Avenue, Maple Avenue, Passum Avenue and Bemer Avenue shall be limited to passenger vehicles and commercial vehicles whose weight, inclusive of load does not exceed 4,000 pounds, provided, however, that it shall be lawful for vehicles weighing in excess of the foregoing limitation to use said streets for the conduct of all legitimate business with the owners of such vehicles.

UN Reporter To Speak For UJA

Saul Carson, United Nations correspondent at the Jewish Telegraphic Agency, will be the guest speaker at the annual community breakfast of the Springfield Division of the 1957 United Jewish Appeal of Essex County, it was announced this week by Seymour Margulies, Springfield chairman.

Urging an all out attendance upon the part of Springfield residents in accordance with the Division's philosophy "give where you live," Margulies pointed out that there will be no individual calling of cards.

any person or persons convicted of operating a car on any street in violation of any of the terms of the within ordinance shall, upon conviction, be sentenced to a fine not in excess of \$50.00 or imprisonment in the county jail for a term not in excess of 15 days, or both, for each violation.

The Springfield Sun Guidebook

This guide has been prepared by the staff of the Springfield SUN after a thorough study of the stores, restaurants, dealers, and firms offering services in the Springfield area.

Table with 4 columns: AUTO BODY WORK, AUTO REPAIR, BAKERIES, BARBER SHOPS, CLOTHING, DELICATESSENS, FLORISTS, FOOD MARKETS, FURNITURE, INSURANCE & REAL ESTATE, LAUNDROMAT, LUMBER & SUPPLIES, LIGHT FIXTURES, MUSIC & PHOTO, PETS, POULTRY, RESTAURANTS, SERVICE STATIONS, SPORT'S STORE, TAILORING, TV SERVICE, USED CARS, WALLPAPER, PHONE NUMBERS.

SYMBOL

Legend has it that, long ago, the dogwood came into bloom on Calvary and that, afterwards, a cross was implanted into the flower itself, to remain for all time.

Many of us carry crosses, faint like the dogwood's emblem but with us, nevertheless. Somehow, in this Lenten season, we become particularly conscious of them and of our need for help—a certain kind of help, that can be found only through the things we learn in Church.

The Church doesn't pretend to banish our cares and woes. But, its teachings realistically consider the experiences of life itself. No matter what our personal cross may be, we seem able to bear its burden with more strength.

Lent is a wonderful time in which to begin making church-going a regular part of your life—if you haven't already.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive.

Table with 4 columns: Day, Book, Chapter, Verses. Lists readings for Sunday through Saturday.

field eight uniformed teams this season thanks to the local UNICO organization. UNICO is sponsoring teams in the 8 to 10 year old group.

Team managers for the major league teams were appointed as follows: Red Sox—Anthony Verlangier, Joe DiPalma; Green Sox—Ken Abrahamson, W. McMahon; Blue Sox—Wally Zieser, Stan Zabrycki; Black Sox—Bill Ehrhardt, John Ehrhardt.

A new system will be introduced this season in the league, giving it more of the big-league atmosphere. This new system sets up the league as follows: Boys 11 to 14 are assigned to the major league. Each major league team will have a minor league team assigned to it comprising of boys 8 to 10 years of age.

League President Stan Cornfield announced that the league will team for replacements by applying through the rules committee headed by league Vice President Mark Leis and Rocco Sammaritano.

Fred Brown and Bill Lynch will manage the midget group which will serve as a farm system for the 8 to 10 year old group.

Opening day for all teams is scheduled for Tuesday, April 30.

Reservist Wins Promotion
Donald P. Heckman of 158 Short Hills Avenue, Springfield, has been promoted from private to private first class in the 303d Civil Affairs and Military Government Group.

This was announced today by Col. Loren B. Thompson, commanding officer of the Group.

The 303d, an Army Reserve unit, meets weekly on Thursday evenings at the Kearny Shipyard.

Parkview Sweeps 3 From Beckmann's

Parkview Garage has been bowling as though there were a chance they can overtake the Springfield Bowling League leading Springfield-Market. Monday night they swept Beckmann's Market further along their tailspin at the Springfield Bowling Alleys.

Parkview (the team of Policarpio, Policarpio, Pacifico and Pacifico) rolled steadily if not brilliant ball to swamp the once brilliant Beckmann squad. The 5 P's took a while warming up, but once they hit their stride they all stay well above 150.

Elsewhere the improving Cuzzolino Furs team took two out of three from Bunnell Bros. to climb out of the cellar for the first time since the McKinley Administration.

An intramural scrap saw American Legion No. 2 come in No. 1, over American Legion No. 1, which, of course, came in No. 2. Let's see now...

Frank's Auto Service spanked Mendy's Florist 2 out of 3, and Springfield Market won as usual, this time over Brunner Excavating 2 out of 3. D'Andrea Drive-ways took home the marbles from Drake Fuel Sales 2 out of 3.

The Standings:

Springfield Market	W	1
Parkview Garage	W	24
D'Andrea Drive-ways	W	39
Mendy's Florist	W	42
American Legion No. 2	W	42
Frank's Auto Service	W	42
Brunner Excavating	W	41 1/2
Beckmann's Market	W	39
Drake's Fuel	W	38 1/2
Cuzzolino Furs	W	34
Bunnell Bros.	W	34
American Legion No. 1	W	33

Will you clean house with a "magic wand"?

Far-fetched? Scientists say that some day you will. Dust and dirt will be attracted by electricity as if by magic.

You'll be living better electrically in countless other ways in the years ahead. Low-price electricity will open and close windows automatically, make beds, keep your home free of germs, clean clothing without water.

This new electric age will call for lots more power. And this company is building more power facilities right now to help you Live Better... Electrically.

You can count on plenty of low-price electricity—always.
