

THIS WEEK

Bigger News Than New Route 22 Relocation

Published reports that the relocation of the new Route 22 will bring this Federal freeway right smack into Springfield should be enough "big news" for the week.

But there is more—very big news about to break the sound barrier in Springfield. It has to do with the development of the tract of land known as the Ness property which may also be the site for the new freeway.

Even though we have been pledged to secrecy, we do not know enough of the details to be able to separate the wheat from the chaff. Rumors have been bouncing around for several weeks and now bits of information have been trickling out of the well guarded secret that "the biggest operation yet, will go into the Ness tract."

The matter of egress and ingress has been the stumbling block but, these rumors say, that has been worked out to everyone's satisfaction. One report has it that a substantial piece of Morris avenue property has been sold to the Jenco syndicate which will make this land valuable for any operation. The same source says the one story buildings will be razed.

How much truth there is in this story will be pinpointed in three or four weeks when formal announcement is expected as to what the operation will be on the Ness property.

Mayor Binder Speaks His Mind

Mayor Albert G. Binder doesn't mince words when he has something to say—and isn't "looking out of the window" when some controversial subject comes his way. He has been crossing swords with the State Highway Department for years and, recently, took a terrific whack at the drawing-board-and-survey boys in Trenton in a letter to the Newark Evening News. The letter had to do with traffic jams on the "ulcer-creating stretch of Highway 22 between Hillside and the intersection at Route 1."

The letter was sharp and brought many responses from fellow sufferers who had the same complaints regarding the Highway Department's handling of traffic at that point. One response to the editor said "not one of these letters can compare with the masterpiece written by Albert Binder of Springfield... I call it a masterpiece because it expresses so adequately the feelings of..."

Other evidence that Mayor Binder can talk up a storm when he has a good subject was at last Thursday's annual dinner dance of the Springfield Republican Club. After patting everybody on the back and letting fly a hatful of adjectives and adverbs, he turned to the County Republican political leaders and bluntly asked why Springfield isn't being given more opportunities to furnish candidates for some of the elective offices.

Mayor Binder is right in his contention. Springfield has always delivered the vote for the various Republican candidates but, not since Lee Rigby, have the political powers-that-be thrown their arms about anyone from the Township. Doesn't Springfield have the talent—the men and women with ability to conduct the right kind of a campaign? We think we have—because we've seen some of those who come here for Springfield's support.

About Terry Dempsey

The following incident sounded a bit more maudlin—more dramatic when we first heard the story—after the second extra dry Martini at Terry Dempsey's roast beef heaven—where the steak is just as good as the sizzle.

But, in the cold, drizzling morning of the following Monday, it is just as interesting.

It has to do with the Dempseys, Terry, Mrs. and their youngest, leaving by car, after the late Saturday night crush of business, to drive to Brighton, Mass.

This isn't just an ordinary vacation jaunt for the Dempseys. It is an annual pilgrimage to the parents of a shipmate respecting a prayer and a vow made when the Jap bombers attacked and almost tore the USS Helena to pieces.

One of Dempsey's shipmates on board the fighting Helena was William Patrick Collins. When "near misses" shook the USS Helena from stem to stern, Dempsey and Bill Collins made a vow, sealed with a prayerful handclasp, that if either one of them failed to make it, the other promised to visit and console the parents of the unfortunate shipmate.

Both Dempsey and Bill Collins, not only survived the bombings, but they were also the fortunate few who were rescued after the famous fighting cruiser, the USS Helena, was sent to the bottom by a Jap torpedo in the Kula Gulf Battle, July 6, 1943. More than 400 crew members went down—but Dempsey and his shipmate were among those rescued eight days later, after tossing around the Pacific while their loved ones, back home, scanned the lists of those missing and reported dead.

The Hitchcock twist to this story is that both Bill Collins and Terry Dempsey came through this particular tour of duty without a scratch. But, two weeks after they were mustered out of the Navy, Bill Collins passed on.

Now, Dempsey and his family keep Terry's pledge to his shipmate by visiting with Mr. and Mrs. Patrick Emmett Collins, retired fire chief at Brighton, Mass. over the weekend.

The Professions and Advertising

We have been amused in the past by the codes of some of the professions prohibiting their members from advertising in newspapers, those nasty old things that everybody reads.

We know of a publisher who was advised by a medical association to stop accepting card advertisements from his local medical men on the ground that it violated professional ethics. The ads were withdrawn and the publisher, a thoughtful man, gave the entire matter a complete evaluation.

He reasoned that since the doctors obviously did not want publicity, he would cooperate in every way possible. To quote our source of this moving story of a publisher-trying-to-please:

"Thereafter, when any of the local medicos appeared in the news, and the publisher felt it absolutely necessary to mention their names, they were referred to as 'Mister' instead of 'Doctor.' Imagine his surprise when these people who not long before had expressed their policy on publicity in the most definite and tangible terms, berated him soundly for failing to indicate their professional standing when mentioning their names.

"The publisher was quite naturally confused but after thinking it over he decided to continue his public-spirited cooperation with the medical profession in spite of the bewildering attitude of the local doctors.

This same source reports that at a nearby city, a local (Continued on Page 3)

Primary Here Plan Two Story Addition For Cannonball Inn Offers Little Excitement

While there appears to be little or no interest in the primary elections in Springfield, there is a very definite battle between local rival groups in the Republican gubernatorial contest.

The Senator Malcolm S. Forbes drum-beaters had their man visit Springfield to greet local supporters and the Senator Wayne Dumont boosters brought their favorite to the General Green Shopping Center last Wednesday.

Aside from this contest, Springfield will probably follow the usual path in a Republican primary scrap. Nelson F. Stangler, well known prosecutor and one of the candidates to the Assembly, visited Springfield last Thursday and appears to have made many friends in the Township.

Another candidate for Assembly is former Assemblywoman Irene T. Griffin who has been waging a very active campaign and is considered to have a very good chance for one of the places.

Henry Grabarz, Chairman of the Planning Board and the Republican candidate for Township Committee, stated today that one of the prime reasons for seeking office was to enable his fellow Republicans in the Township Committee to achieve a unity of action and singleness of purpose.

"I bring experience in township administrative capacities and the ability to consider and resolve Springfield's needs, with no other purpose in mind but to serve my community to the best of my ability. I have no aspirations beyond my home town and offer my time and talents to the betterment of this community."

Grabarz's background includes service as a member of the Planning Board when the new Zoning Ordinance was adopted, Building Inspector, Chairman of the Building Code Committee and present status as Chairman of the Planning Board.

He also stated that his proposed platform would include the following:

1. To consider administration of Township affairs with a mature and experienced approach and to hold the welfare of all the citizens.

ATTENTION!
The Springfield 4th of July Committee announces that all persons interested in presenting a bid on products or services regularly purchased by this committee will submit same to Post Office Box 212, Springfield, N. J., no later than Tuesday, April 9th. For further information call MU. 6-9654.

The National Bonded Cars, Inc., the nationwide organization which took over the Cannonball Inn property at 120 Morris Avenue and converted it into an office building, announced yesterday that an additional two story building will be constructed parallel with the present structure.

Work on this new office building has already started and, when completed, is expected to be one of the finest in this area since the executives of the organization have insisted on following the Colonial design of the present structure as closely as possible.

The building will take up all the present vacant land in the rear of the building and parking facilities have been made available by leasing a large portion of the ground of the Cannonball House, owned by the Springfield Historical Society.

The National Bonded Cars organization plans to increase its operation in Springfield and the need for more office space resulted in the decision to more than double the present space of the Cannonball Inn.

The land leased from the Historical Society will be hardtopped and used exclusively for the parking of the National employees and executives.

Colantone Property Sold
A Colonial design office building will be constructed at the corner of Morris Avenue and Alvin Terrace, according to the reports started when workmen began clearing off the trees on this land several days ago.

The story is that William Churlogis, local architect, one of the leaders in his profession in the state, has purchased the property from John Colantone and plans to move his own offices from Union to Springfield when his new building is ready.

Reports of the purchase of this property have been circulated for weeks and while there are no definite plans as yet the clearing off of the land renewed the story of the proposed office building.

Youth Baseball To Continue Drive
The third annual fund drive with members of the Youth Leagues and the Babe Ruth Baseball Leagues of Springfield participating began Saturday, April 6, 1957. Bruno Becker and Tom Golden, captains of the drive, marshaled their lieutenants who are the dads and more than one hundred boys to canvas the township for its financial support.

Donations are being asked from the community to sponsor a program of organized and supervised play for boys nine through fifteen years of age. More than four hundred boys are expected to participate in two major and two minor leagues this year. We have seen development in four years from a single Youth League to an anticipated program in which twenty-two teams will play organized baseball, complete with uniforms, umpires, safety equipment, insurance protection and regulation playing fields. The contributions will help purchase additional equipment and defray other necessary expenses in the supervision of these leagues. The citizens who will support this program can take great delight in knowing that they are contributing to healthy and wholesome play by youngsters during the spring and early summer months. This is an opportunity to help keep our youngsters healthy in body and clean in spirit. When the sound truck makes its rounds on Friday night, it will be a gentle reminder that Saturday morning, the first time at bat to (Continued on page 7)

New Route 22 To Hit Springfield

Springfield, in direct path of the new interstate highway program, is preparing itself for the shock of having the realigned Route 22 come right through the Township.

Announcement that the State Highway Department plan has been approved by the Federal Bureau of Public Roads became news this week and a storm of disapproval has arisen from the various communities affected.

Loss of residences and the dislocation of homes and public buildings are the concern of officials and residents in the municipalities shown on the early plans for the new freeway.

The exact route has not been disclosed by the department and Federal Bureau of Public Roads but a study of the first published reports showed that the new Route 22 would run north of Springfield Center and South of Summit, swinging to the southwest. It would run south of Berkeley Heights, Gillette and Sirling, and would pass north of the Watchung Reservation.

In Somerset, the freeway would intersect with the combined Rts. 202 and 206 between Bedminster and Pluckemin. Heading west it would join the present highway near Potterstown. It would include the Clinton bypass and leave the existing highway before it reaches West Portal.

Start Work Soon
The State Highway Department soon will begin the intensified survey work that will make the new route an important link in the 49,000-mile interstate highway program that became law last year. Rt. 22 will be one of eight limited-access freeways contemplated for New Jersey under the program.

The route, it was learned, has not been pinpointed. Nevertheless, (Continued on Page 11, Col. 1)

Local Mail Service May Be Cut Sat.

Postmaster A. V. Del Vecchio stated the widely publicized curtailments of postal services will take effect in Springfield on various dates beginning on April 13, 1957, as follows, unless additional funds requested by the Postmaster General are appropriated by Congress:

1. Effective Saturday, April 13, the post office will be closed to the public on Saturdays.
2. Commencing Saturday, April 13, there will be no Saturday deliveries of mail, except for Special Delivery matter.
3. Effective April 29, 1957, no third class mail, except medical supplies, will be accepted.
4. Effective April 29, 1957, the sale of money orders will be discontinued.
5. Effective April 13, the hours of window service will be 8:30 a.m. to 5 p.m. This does not apply to the firm callers for delivery of mail only.

These curtailments are necessary because of recent action by the House Appropriation Subcommittee in voting a deficiency appropriation to the Post Office Department in the amount of 17 million dollars instead of the 47 million requested by the Postmaster General. The matter is to be reviewed by the Appropriation Committee tomorrow.

Springfield knows nothing officially concerning the realignment of Route 22 which, according to the published reports, must come through the Township.

The Township Committee has received no information—no one has been contacted or talked with Town Engineer Alfred H. Swenson—and not a single person in Springfield has a bit of authoritative news.

The first reports and the simulated maps showing the possible relocation of the new Federal freeway, pinpointed the exact location of the eight-lane highway as "north of Springfield center" but there is nothing definite about this.

Every home owner, every property owner is interpreting the published maps and proposed realignment to suit his own ideas and telephone calls received indicate that the rumors have the highway going through every possible section of Springfield.

Township Engineer Swenson spent yesterday contacting Union County engineering offices for further information but, again, no one seemed to know very much about the matter.

No One Knows

Speculation as to just where the proposed new Route 22 would hit in Springfield ranged from Balmoral Top to the Millburn line—with everybody picturing the steam shovels and concrete mixers right in their front yards. However, the government seldom announces the exact and definite properties to be needed for such (Continued on Page 11, Col. 4)

Swim Club To Splash On Schedule

Springfield's own pool—the Balmoral Swim Club—will be open on target, according to Gene Consales, head of the local operation.

"The pool itself is completed," said Consales, "and the water is already on site, fully tested and ready to fill. The bad weather has held up some of the sewer work but this is progressing rapidly and should be ready very shortly."

"The only things left to do is the landscaping, the various drives and walks, and construction of the bath houses and lockers. This is the least of our work and, at the present moment, we feel confident that we can open for our members as planned on Decoration Day."

Membership in the new swim club is practically filled except that some of those who have signed have not completed all the requirements. Consales plans to contact all those who have not completed arrangements for full membership so as to be able to accept the additional applications on hand.

Decision Postponed In Teen Drinking Charges

The first test of Springfield's ordinance prohibiting those under 21 years of age having in possession or drinking alcoholic beverages resulted in a deferred decision when the first four juveniles, arrested for violation of that ordinance, appeared before Juvenile Court Judge Richard R. O'Connor in Elizabeth Tuesday morning.

According to the Elizabeth Journal of yesterday's issue: "Four students at Jonathan Dayton Regional High School in Springfield admitted having 55 cans of beer in their possession in violation of a recently enacted ordinance in that community."

"A hearing before Juvenile Court Judge Richard R. O'Connor marked the first case under the ordinance which is aimed at curbing teenagers who buy alcoholic beverages in New York State where the minimum age requirement is 18."

"The boys, three 17 and one 15, admitted they bought the beer in Staten Island. Six empty cans were found in their car and the remainder of the beer was hidden under front and rear seats when police apprehended them last month in a parking lot near the school."

"Judge O'Connor deferred action on the case pending a complete report on the youths at the end of the school year."

"What would you think if I took away your driving licenses?"

Judge O'Connor asked the older boys.

"It would be an inconvenience," one boy replied.

"I am not concerned with whether it would inconvenience you," Judge O'Connor replied.

Several other North Jersey municipalities have adopted ordinances similar to the one in Springfield.

Adolph Wachenfeld Dies Here at 75

Adolph Wachenfeld died a week ago Monday of a long illness at the home of his daughter, Mrs. James A. Kingdom of 284 South Springfield Ave. He was 75.

Born in Newark, Mr. Wachenfeld lived in Irvington 50 years before moving to Springfield five years ago. He was a member of the National Turn Verein in connection with his work as a machinist with the Newark Gear-Cutting Co.

Besides his daughter, Mr. Wachenfeld leaves a brother, William, of the home address, and a sister, Mrs. Caroline Rice of Irvington.

Rev. Robert M. Crean of the First Methodist Church of South Orange conducted services Friday in the Haebler & Barth Home for Funerals in Irvington. Burial was in Woodland Cemetery, Newark.

Mrs. Williams Wins Woman's Club 3rd Term

At the last meeting of the Springfield Woman's Club, Mrs. Merton D. Williams, of 222 South Springfield Ave., was named President for the coming year, beginning her third term in this office.

The meeting, which was presided over by Mrs. Charles F. Heard, President, was held at the Edward V. Walton School, on Wednesday evening, April 3, and with the installation of new officers and department chairmen, as well as the observation of Hobby Night, a full and interesting program was enjoyed.

Mrs. Ford A. Starkweather, of Cranford, Fifth District Vice-President, was in charge of Installation; and she installed the following officers and department chairmen: President, Mrs. Merton Williams; First Vice-President, Mrs. (Continued on page 7)

athletic arena had a system by which doctors attending the events could be paged during gametime over the public address system. But then the health of the arena seemed to take a turn for the better. When the system had contained such messages as "Dr. Jones, call your office," the entire city seemed to be on a sickbed. When the system was changed to contain only such calls as "345 call your office," the number of sick people seem to dwindle and dwindle and dwindle.

A Day in the Life of an Editor

This desk gets plenty of telephone calls—and some of the gripes and requests tax the patience of the listener. One lady called and asked someone in the office to read her all the employment wanted advertisements in the classified pages because she was entertaining on the following day and needed some help. She was actually outraged when she was told that it would take too much time to read all of them over the telephone.

However, very often we get the sweet voiced individual who timidly asks what "can be done about this or that." In this instance, the lady was "concerned about the housekeeping of some of her neighbors on Lyons Place." It seems she was expecting company and, to her horror, she glanced down the street and saw garbage cans still littering the curbs, sidewalks and lawns of her neighbors. We couldn't offer any explanation except that they're all waiting for daddy to come home from the office.

Local UJA Drive Starts in Town

The Jewish Community of Springfield held its first community-wide breakfast meeting last Sunday morning at Temple Beth Ahm, 60 Baltusrol Way, Springfield, in behalf of the 1957 United Jewish Appeal of Essex County and the Emergency Rescue Fund for \$100,000,000.

Following the meeting which was well attended by Springfield residents, Seymour Margulies said that it had established a precedent and would be an annual event in the future.

He called upon those who had not attended the breakfast to be as generous as those who did when they are called upon by members of the committee who are now embarking upon a campaign of personal solicitation of their friends and neighbors.

Margulies said that he hoped this phase of the drive would be completed swiftly as he hoped that all contributions would be in before the end of the Passover holiday. He urged that contributors not wait until they are visited to make their increased donation and requested that they do so at once by mailing them in to his attention at UJA headquarters, 30 Clinton St., Newark 2, N. J.

 Three of the principal functions of the Board of Chosen Freeholders are involved in the nomination of Republican candidates for membership on that agency next Tuesday.
 The board is the legislative and fiscal division of county government and therefore dominates practically all departments, except those directly under state authority or autonomous in their operations.

The board is involved in the primary election through the candidates of three members, Charles P. Bailey of Westfield, John W. Zerega of Plainfield, and Nelson L. Carr of Elizabeth, all seeking re-nomination for three-year terms.
 Freeholder Bailey is chairman of the board's committee on public safety and also is its representative in the county's civilian defense and disaster control unit. In its public safety program this committee coordinates with other segments of the board, various safety movements, especially pertaining to highways, and works to avert hazards on county property.

Freeholder Zerega, retired businessman, devotes many hours as chairman of the purchasing committee to the buying of more than \$1,000,000 in supplies for county agencies and institutions each year. Competitive bidding and careful shopping for all items accrues large savings of taxpayers' money.
 Supervision of the millions of dollars of county buildings and property is in the hands of the public property committee, headed by Freeholder Carr, an accountant in private life. A former councilman in Elizabeth and a veteran of World War II, he also is engaged in numerous civic movements.

ORT Meets Tonight

On Thursday, April 11th at 8:30 P.M. at Temple Beth Ahim, Mrs. Ivan Crouch, Chapter President, will preside at a regular meeting of the Springfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training).
 The program for the meeting will include a Ceramic Instructor at Millburn High Adult School, Mrs. H. Shirley Marks. She will demonstrate and perform with ceramics.

Also, members will have the opportunity to participate in making ceramics. Also, Mrs. Leo Amadeo who is representative from United Jewish Appeal will speak in reference to the coming drive. The very important issue of voting upon the slate for officers for 1957-58 will be completed.

Chairman of the nominating committee is Mrs. Philip Goldhammer. Mrs. Seymour Simon will report on the Charming Child Photo Contest. Refreshments will be served.

Mrs. Oyler Wins Art Contest

The Annual Painting Contest of the Springfield Woman's Club was held on Wednesday, April 3rd, at the Edward V. Walton School. The winners were announced as follows:

First "Fences" watercolor, Mrs. Glenn W. Oyler; Second "Our Church in the Rain" watercolor, Mrs. C. Leslie Williams; Third "Still Life of Fruit and Pitchers" watercolor, Miss Gertrude Sala; Fourth "Grandma's Balcony" watercolor, Mrs. Glenn Oyler; Fifth "Mountains" oil; Miss Gertrude Sala.

Honorable Mentions "The Red Village" oil, Mrs. Michael Tatusko; "Blue Grapes" oil, Mrs. Merton D. Williams; "A White House" oil, Mrs. C. Leslie Williams.
 The first five winning paintings will be sent to Douglass College, New Brunswick, for Federation Art Day, April 20th, where they will be in competition with Women's Clubs from all over the state.
 Mrs. W. Howard Fischer of Plainfield, Fifth District Art Chairman, and Mr. Melvin Klarholz, 112 South Maple Ave., were the judges. Mr. Klarholz's painting of a young Negro man was voted most popular in the Fall Art Exhibit at the Cannon-Ball House.
 Mrs. Merton D. Williams is Chairman of the Art Department of the Springfield Woman's Club, and Mrs. Glenn Oyler is Co-chairman.

Makes Deans List

Jan Durand of 102 Short Hills avenue in Springfield, who is a day undergraduate student, has made the Dean's List for the semester ending January 25 at Newark College of Engineering, according to Frank A. Grammer, Dean of Students.

Matriculated students in the day undergraduate division who are taking at least seventy-five per cent of the credit hours included in a regular course of study qualify for the Dean's List if they maintain an average of "B" during the semester and have no grades lower than "C".

News of Local Troops

There are several important dates coming up in Scouting during April and May to be marked on your calendar:

On April 11 there will be a meeting for all registered adults in the Florence Gaudineer Cafeteria at 8:15 for the purpose of considering and ratifying the combination agreement for the Washington Rock Girl Scout Council by which agreement the Springfield Council will be merged into the new area council. If for any reason a member cannot attend, the proxy must be completed as per card attached to notice received in the mail by all members this week.

On April 27 Girl Scouts and Brownies who have been selected by each Troop will be judged by a Board of Judges for Camperships at the Presbyterian Parish House. Brownies should be there at 1 o'clock and Intermediates at 2.

On May 1 there will be a merger meeting at Westfield High School of the 8 Councils in Union County into Washington Rock Girl Scout Council. The date for the Annual Picnic is May 4. It will be held on Hilltop at Eboer Lake Park from 11 to 3. There will be more about it later in this column.

The Brownie Fly-up Ceremony will be held on May 17 at the James Caldwell School.

The Girl Scout Cabin at Surprise Lake is available for the week beginning May 3 and ending May 10. Please contact the Camp Chairman, Mrs. E. F. Arnold at Drexel 6-6627 for more complete information.

Troop #2

Mrs. Joseph Roller, leader
Mrs. T. A. Herman, co-leader
We are so enthusiastic about our roller skating instruction and want to recommend it to all troops for their roller skating badge. Every Saturday we go to the Tri City Rink in Elizabeth and have a full hour and a half of instruction and can do so many things on skates in just the short time we have been going. We are really getting along on our badge work and have been awarded the Games Badge and are about ready for the Personal Health Badge. We are also working on the Seamstress and Child Care Badge. So far we have slip-covered sewing boxes and equipped them and are now making Hungarian Baby Blankets.

Troop #35

Mrs. Edward Smith leader
On April 17 we intend to go to Janet Memorial Children's Home in Elizabeth with the Easter Baskets we are making for the children. It will be fun to dye and decorate the eggs to fill them. On the agenda also is a trip to the Miniature Village here in Springfield in the near future.

Troop #8

Mrs. Walter Anderson, leader
Mrs. Carl Sprauer, co-leader
Working toward our leather badge has been so interesting as it was an entirely new field for us and one which requires a bit of skill and plenty of elbow grease, using a punch, putting on snaps, lacing and all, but using the tools counts toward another badge so it has proved to be a worthwhile accomplishment. We are pretty happy with the Father's Day gift we have made from leather. We have also been working for our Games Badge. At the recent election of officers, Anita Humer became the new treasurer and Patty Regi the new secretary. We want to give credit to our Troop Committee who have given us the greatest of help this year, namely Mrs. Rupert Humez, Mrs. Max Kuehn and Mrs. William Thompson.

A DREAM REALIZED

Another of the series of historical articles concerning Springfield and this area, prepared by the Springfield Historical Society. Information concerning future articles can be had by addressing the Society at the Cannonball House, 726 Morris Avenue, Springfield, N. J.

Judging from Springfield's population today, many people must have read and heeded the invitation printed in the Newark Sunday Call of June 22, 1930.

We are celebrating the sesquicentennial of the Battle of Springfield and, in passing, it is of interest to note that a number of the committee charged with the success of the celebration are direct descendants of those who fought to defend this town one hundred and fifty years ago.

Many of our citizens of today lived in the larger and more thickly populated centers, but feeling the urge for a home of their own, and having a desire to rear their children in a country atmosphere and environment, selected, and now live, within our borders.

In the last decade our population increased from 1,700 to 3,725. A healthy growth, but not of the mushroom variety. With the completion of state routes 29 and S24 we will be still closer connected with the metropolitan area.

Springfield is not a town of great wealth, and yet it appears to possess a thrifty and economical populace, a community of "Real Folks", peaceful and industrious. We find that it contains a National Bank with resources over one million dollars and two local Building and Loan Associations in thriving condition.

The shopping and business center is compact and covers all the lines of ordinary wants. Clean, well-kept and well-stocked shops, with prices comparable with city stores, allow the housewife and the family head to be economically and efficiently served.

About a year ago there was formed a Business Men's Association, with a prime object of celebrating the start of an improvement. Sorely needed in Springfield, that of the building of a sanitary sewer, and which improvement is now nearly completed.

The shopping and business center is compact and covers all the lines of ordinary wants. Clean, well-kept and well-stocked shops, with prices comparable with city stores, allow the housewife and the family head to be economically and efficiently served.

Springfield is not a town of great wealth, and yet it appears to possess a thrifty and economical populace, a community of "Real Folks", peaceful and industrious. ment for the betterment of Springfield in a moral or financial way, and they are sponsors of this celebration. The expenses of which have been defrayed by popular subscription and generously supported by all residents.

We have tried in this brief message to bring to you the advantages of our town. Of course we are enthusiastic; we live here. But we wish to grow, and this is an invitation to you to come and settle with us. If you do we shall expect you to do your part in keeping our town what it is, clean and wholesome. Any member of this association will be glad to advise or serve you in any way. And after all, this life is one of service; the material things soon vanish and you are remembered for what you did and how you did it.

For the structure that we raise Time is with materials filled; Our today's and yesterday's Are the blocks with which we build.

Signed Charles H. Huff, President, Businessmen's Association of Springfield, N. J. NOTE: The two Building and Loan Associations have been absorbed by other institutions, one in Millburn and the other in Springfield. The Businessmen's Association dissolved in the early '30's.

Gloria Schnipper In "On The Town"

The Upsala College Footlight Club's final production of the season will be the Bernstein, Green and Comden musical comedy, "On The Town". It tells of the adventures of three sailors on their first 24-hour liberty in New York City.

Included in the cast of 26 is Gloria E. Schnipper, the daughter of Mr. and Mrs. Sol Schnipper of 69 Linden avenue. This presentation is under the direction of Professor Earl S. Dassey and will be staged in the Old Gymnasium on the campus on May 2, 3 and 4, and again as part of Upsala's traditional Spring Week activities, on May 8, 9 and 10 at 8:40 p.m. Tickets at \$1.00 may be reserved by writing to the Footlight Club.

Springfield Kindergarten

Dates have been set for the Annual Kindergarten Round-up. Children who are five on or before December 1, 1957, are eligible for registration.

Kindergartners will be registered on Thursday, April 25, from 1:00-3:00 p.m. at the James Caldwell School; on Thursday, May 2, from 1:00-3:00 p.m. at the Raymond Chisholm School; and on Thursday, May 9, from 1:00-3:00 p.m. in the Edward V. Walton School.

Parents of kindergartners who have been contacted by the P.T.A. pre-school census committee have been informed through the mail as to the exact time they should report with their children on the above days and they should bring in the medical form properly filled out by the family physician. Parents who have not been notified by mail should contact their neighborhood schools as soon as possible.

Dr. Robert Bellevue, the school dentist, will be present at these designated times. All parents have been urged to register their children on these specific dates. No other registration will be held until the latter part of August.

Atlantic Paint Store Unusual

Something new in the way of paint stores is the Atlantic Paint Co., on Rt. 22, Springfield, where customers find a paint store laid out in super market floor plan.

Stanley Gray, eastern manager for the Atlantic Paint Co. chain, which plans 10 stores, said the Rt. 22 outlet is stocked with 30,000 gallons of paint in all colors, that are sold on a money back guarantee.

Mr. Gray said the firm sells its paint a few cents above cost because the store operates on a volume basis. The firm does not issue the usual paint color charts, he said, because the charts automatically add about 30 cents to the cost of each gallon of paint. Color charts, however, are displayed on the wall of the store and the manager said 30 charts are made from paints the store sells.

The two stores completed in the chain so far are on Route 22 and another in Sayre Woods, Rt. 9.

CARDINAL TOPICS by Ed Cardinal

Now is a good time to start planting evergreens and shrubs. Our stock is large and fresh, and we are ready to insure healthy plants. All material has been carefully pruned and transplanted several times to provide a healthy root system.

We are now enlarging our facilities to handle the tremendous increase in our nursery business, and trained personnel are here to help you make a wise selection.

You can see what you are buying, and you can take it along with you if you desire. Colored pictures will help you choose the flowering shrubs you want and we will furnish you with planting tips.

Our tremendous supply of shade trees will answer every demand from a slow growing oak to a fast growing Chinese Elm. Select the tree you want and plant it yourself, or we will plant it for you.

Kourid, and Treasurer, Miss Mildred Levens, New Chairman, are as follows: American Home, Mrs. William Peacock, Art, Mrs. Henry Vance, Drama, Mrs. Stanley Frank, Education, Mrs. Victor Brink, Games, Mrs. Walter Anderson, House, Mrs. Edward Schubert, International Relations, Mrs. Ruth Levens, Literature, Mrs. Henry Wasant, Nominating, Mrs. William Casarove, Publicity, Mrs. Louis Schneider, Public Welfare, Mrs. Wesley Lewandowski, and Telephone, Mrs. Anthony

Mrs. Starkweather also presented Mrs. Board, outgoing President, with her President's Pin at the conclusion of reception of officers.
 The various departments of the club had exhibits placed about the auditorium, which were indicative of the projects upon which they had worked during the year. The Club Scrapbook, as well as the scrapbook kept by the Publicity chairman, were also on display.
 The Coffee Department showed their floral arrangements, corsages, and also connoisseurs and other items made for the Christmas Bazaar, representing their projects for each month.
 Books which are currently popular, and also those which were reviewed at the Literature Department meetings, formed the exhibit of that department.
 The Art Department displayed paintings which were entered in their recent contest, and winners of which had earlier been announced by the judges, Mrs. W. Fischer, Fifth District Art Chairman, and Mrs. Klapholz, a local artist. (Mention of contest is found elsewhere in this paper).
 Also, some of the articles which had been made during the year were shown.

In the American Home Exhibit were samples of various department projects, including fancy party sandwiches and catapies which were demonstrated at one of their meetings, jewelry which they made, and hat-making materials, the technique of which they had been shown.
 Place setting with menu representing the International Relations Department's Cuisine Dinner, in addition to articles from Scotland and other countries discussed at meetings, and pamphlets describing these places made up the exhibit of the International Relations Department.
 The Public Welfare Department had for a display a collection of eye glasses and jewelry which was to be turned over to the New Eyes for the Needy organization in Short Hills, Mrs. William Casarove, Co-chairman of this department, introduced four girls from the High School, who serve as Counsellors of this group, this be-

Mrs. Edward Schubert, House Chairman, displayed the Betty Cyneker Coupon Book, where coupons and stamps are deposited, and with which she has been able to provide silverware and other articles for the Club's use at the Cannon Ball House.
 The Drama Department provided some splendid entertainment with their presentation of "The Silken Scarf", a One-Act Play, which they also plan to enter in the Drama Festival to be held on April 23rd. All members of this production have helped with this production during the year. Mrs. Fred Spangler, Chairman, set the scene for the play, before the curtain went up. Members of the cast were Mrs. John Williams, Mrs. Stanley Frank, Mrs. Harry Speicher, and Mrs. Norman LeBoeuf, each of whom gave a fine performance. Assisting with the play were Mrs. Robert Briggs, Mrs. John Tatusko, Mrs. Louis Schneider, and Mrs. Leonard Fields, with Mr. John Williams and Mr. Speicher helping with the lights.

During the business meeting, reports were heard from each department chairman, giving the highlights of their programs for the past year. Also, at this time, two representatives from the Regional High School, Mrs. William Mellick and Mr. Kerr, spoke briefly concerning a referendum which is to come up at an early date.
 A gift of a silver cream-and-sugar set was presented by Mrs. Vincent Bonadies, Chairman of the American Home Department, from her department to the Club; the Garden Department, with Mrs. Harvey P. Sommerer as Chair, presented three pairs of sugar tongs, and Mrs. Stanford M. Hellingger, Chairman of the Music Department, also made a gift of a sugar and creamer. Mrs. Adolf Sisum, Hospitality Chairman, accepted these gifts for the Club.
 At the conclusion of the meeting, delicious refreshments were served by the Hospitality Committee, composed of Mrs. Adolf Sisum, Chairman, Mrs. Arthur Buehrer, Mrs. Edward Schubert, Mrs. Stanford Hellingger, and Mrs. Frank Johnson.

NEWS FOR FISHERMEN
 Those interested in trout fishing may be glad to know that the Rahway River from Springfield to Rahway has been stocked with 2,750 Bta-3-833 Brnta and 917 Rita. The trout are scheduled for liberation after the season starts on Saturday.
 Bta means brook trout adult; Rita means rainbow trout adult and Brnta means brown trout adult.
 A plant in Baltimore, Maryland, is the only one in the United States to specialize in making church bells.

VFW Members Go To County Dinner

On Saturday, March 30, 1957, the Union County Council of the Veterans of Foreign Wars held a dinner dance at the Club Diana, Springfield. Youth Baseball to Regional 7th In Science Testing

(Continued from Page 1)
 support local baseball will take place at your individual doorstep.
 George Lord, president of the Babe Ruth League, has appointed Ed Molitor to supervise and organize the Babe Ruth League tryouts. Molitor has arranged for pitchers and catchers only, to appear at Florence Gaudineer School, April 13. It will be necessary that the prospective pitchers bring their gloves and sneakers.
 Fathers and other interested adults are urged to attend these sessions so they may participate in the training and playing program. Men who wish to assist as coaches, scorers, trainers and umpires may register with League officials.

Regional 7th In Science Testing

For the third consecutive year a team from Jonathan Dayton Regional High School competed with other schools in the New Jersey and Pennsylvania area in a test sponsored by New York University.
 This year's team, consisting of Anthony Seaver of Berkeley Heights, Alfred Bowman of Springfield, and Richard Tylew, ski of Kenilworth, under Mr. Walter A. Hohn, placed seventh. There were 95 schools and 321 students competing.
 Last year we placed seventh and the year before second. These results speak well for the science preparation at Regional.

ONE FRIDAY

When we become mired in the routine of life, one day is like any other. This was just another working-day for most of the people in Jerusalem.

Three men died on Calvary Hill. One of them was the Galilean!

Business as usual in Jerusalem. Unless we understand the whole significance of what is happening we pay little attention . . .

Do you understand what happened that Friday. Do you realize WHO hung on that central Cross. Do you know WHY He died—AND FOR WHOM?

There is nothing more necessary in our lives than the deep, personal knowledge of what happened that Friday . . . and the Sunday following.

Come to Church!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal
Chairman, Springfield Shade-Tree Commission

Although it is a good time to start planting evergreen shrubs, we still have two months for this work and it is far more important to take care of the lawns. The grass turf should be fertilized, limed and seeded as quickly as possible to the roots growing freely in the winter-loosened soil. There is less danger of burning a lawn with fertilizer at this time of year and grass seed will have a better chance to survive the summer heat and drought if planted early. Don't put off this important job.

QUESTION: I have poor clay soil and would like to improve it. Shall I add topsoil?

ANSWER: Topsoil a few inches thick spread over a clay subsoil can give trouble in dry weather. It is better to till the subsoil after adding peat moss, fertilizer, lime and gypsum, and then spread the topsoil on the surface. This method allows better root penetration and adds fertility to the subsoil that will approximate fair topsoil.

QUESTION: How much peat shall I add to the subsoil?

ANSWER: The following materials added to clay subsoil usually give results similar to topsoil. To each 1,000 square feet add 3 bags of granular peat moss, 40 pounds of high analysis fertilizer, 40 to 80 pounds of pulverized lime and 100 pounds agricultural gypsum. More peat may be added in place of, or to supplement the peat moss.

QUESTION: What is gypsum?

ANSWER: GYPSUM is a calcium sulfate product that has wonderful qualities in loosening hard clay soil. It can be applied on the surface of established lawns to make the soil more porous, but works best when tilled to a depth of six inches, or more. It is also very effective in improving drainage of wet ground in many cases where the soil has become packed from machines, or lack of cultivation. Its low cost makes it worthwhile trying.

Larry Bide Wed In Mountainside

Larry Bide, 1110 Morris Avenue, was married to Mrs. Anne Long, daughter of Mr. and Mrs. Frederick Long, 1110 Morris Avenue, and Mrs. F. A. Bide, 109 Edgewood Avenue, Springfield, and the late Leon Bide.

Rev. Milton P. Asher officiated at the ceremony and a reception followed at the Mountainside Inn. Mrs. Stephen Jordan of Bernardsville, cousin of the bride, served as matron of honor. Bridesmaids were Mrs. Frank Edwards of Levittown, Pa., a cousin of the bride, Miss Barbara Martin of Springfield and Miss Carolyn Faltente of Summit.

Scott M. Edwards was ring bearer. Philip Brighton of Bloomfield was best man. Ushers were Robert Powers of New York and Bernard Spang and Allen Swiggle of Springfield.

Mrs. Honorio Dillaveja of Mountainside, soloist, was accompanied at the organ by John Prichard of Springfield. Following a wedding trip to Williamsburg, Va., the couple will reside at 343 Netherwood Ave., Plainfield.

The bride was graduated from Jonathan Dayton Regional High School and Rutgers University. He served two years with the Army and is employed by the Coffee Break Vending Co., Scotch Plains.

On March 30, 31, 1957, sponsored by the Holy Name Society of St. James Church, led by Mr. Ed. Kaye, Scoutmaster, and Mr. Ed. Siebert, Asst. Scoutmaster, with committee men, L. Scharf, Fenberger, Harry Mohr, Fred Geteau, and Vic Tumma, held their first outdoor camping spree of the season at Camp Winnebago, Rockaway, N. J. Part of the program was for the boys to plan their own meals and prepare them. Hiking also was on the program that the boys took part in.

Two 1st class scouts, Vic Tumma, and Richard Geteau, had to cook a full-well balanced meal each, for the committee to pass their cooking for merit badges, which they did with no trouble at all.

The troop had its usual bad weather, it snowed hard for about two hours and the boys thought for while it would be a repeat of last year when they were snowbound, but to the good fortune of all it cleared up by late Saturday evening, to make it easy for the boys to attend Sunday Mass.

The boys returned home Sunday afternoon and are looking forward to the next camp-out.

The next camp skillore will be held on May 25th and 26th, at Camp Winnebago.

Hal Burdette Is Featured Bowler

"Hal" Burdette is a bowler's bowler. Anyone who has seen his free and easy style would like to duplicate it. Currently tied for first place with Richie Caggiano, Hal has been able to maintain better than a 180 average all season.

Harold Burdette is 52 years old and resides at 38 Morris Avenue in Springfield. He has one son who is also a good bowler. Hal has been bowling for twenty years, and is a member of three leagues, the Union Municipal, Springfield Municipal and Springfield Sports. This season he has posted a 253 single game and a 621 three game series.

Bowling anchor man for the Lynn Decorators, now only one game out of first place, Hal has sent many cold chills down an opponents spine by striking out in the 10th frame for a one or two pin win. Only two weeks ago, during a game with the league leading V.F.W. Mavericks, Hal was finishing a mediocre game 27 pins down in his last frame and needed three strikes to win, and in his usual cold, precise manner proceeded to strike out and win the game by 3 pins.

Although he has posted his share of 200 games this season, it is Hal's deadly spare shots that keep his average as high as it is. Flipped by spits this year because he is consistently close to the pocket area, one cannot help but get the impression that a slight adjustment in his delivery will eventually up his average considerably. In checking over the score sheet this season it is surprising how many spits have been converted when badly needed to win a game.

With Hal Burdette bowling an ace man, no opponent can rest easy with only 29 pin lead going in to the 10th frame.

3,000 men have been trained as lighthouse-keepers at the Coast Guard Training Station, Groton, Conn., since 1914.

Celebrate 100 Yrs. Of Teachers Group

Joining the National Education Association in celebrating its Centennial this year was the Springfield Teachers' Association. Under the presidency of Mrs. Lillian Hayward, the Springfield Teachers' Association is affiliated with the NEA.

President Dwight D. Eisenhower headed the guest list as half a million teachers staged their nationwide birthday party on Thursday evening, April 4. More than 2,500 separate parties were held from coast to coast.

The President recently congratulated NEA, saying, "American Education has made splendid progress during your century and members of your organization may be proud of their part in it. At the beginning of your second century of service to our teachers and children you are faced with great new challenges and opportunities. But your past accomplishments give assurance that you will continue to make your wisdom and energy effective in this most vital area of our national life."

The local party took the form of a dinner held in Hotel Suburban, Summit. A greeting from the President of NEA, Martha Stull, was read to the group.

The recently elected officers for the coming year were introduced: President, William Fallon; Vice President, Lillian Gushin; Secretary, Marilyn Perkins; and Treasurer, Margaret Hergenhan.

A number of the staff of Springfield Schools presented a musical number which had been arranged by Mrs. Mary Depperman, one of our music teachers. Those who took part were Mrs. Kathleen Fallon, Mrs. Marilyn Perkins, Mrs. Olga Henn, Mrs. Mary Edna Snider, Mrs. Barbara Gross, Mrs. Janet Barry, Mrs. Helen Ryder, Mrs. Margaret Stevens, Mrs. Audrey Rubin, Mrs. Anna Wagner and Miss Margaret Hergenhan.

Woman's Club News

The Springfield Woman's Club will hold its Spring Card Party and Fashion Show at the Hotel Suburban, in Summit, on Friday evening, May 3, at 8:00 o'clock. Fashions from Stan Sommer's Apparel Shop in Union, will be shown, with club members acting as models. Mrs. Henry J. Bultman, Jr., is Chairman of the affair, with Mrs. Vincent J. Bonagies as co-chairman.

The State Convention will be held May 14-17, in Atlantic City, and all members, whether delegates or not, are invited to attend. Anyone who is interested should contact Mrs. Edwin Murdock or Mrs. Charles Heard before April 20th.

In listing the club members who attended the State Legislative Luncheon, held in Trenton, on April 1, the following names were inadvertently omitted: Mrs. Amy Bandemer, Mrs. Albert Schatz, and Mrs. Russell Post.

No mention has been made recently of COUPONS; however, Mrs. Edward Schubert House Chairman, is still requesting Betty Crocker coupons and/or Triple S Blue Stamps, to be used for silver and other articles needed for serving at the Cannon Ball House.

Mrs. Thomas Geddes, Chairman of the International Relations Department, invites all club members who are interested to meet with her department at the Cannon Ball House on Thursday evening, April 11, to hear a talk by Mr. Nezh Manyas, Assistant Director of the Turkish Information Center, in New York City. Other guests will be members of the Literature Department, and Mrs. Charles F. Heard and Mrs. Thomas Geddes will assist Miss Alice Rieg and Miss Evelyn Porter as hostesses.

The Garden Department will

Babe Ruth League To Have Try-outs Saturday

The local baseball fortunes are following the pattern set by the big leagues in their spring training program this season — Rain, no tryouts. That has been the cry so far. But, weather permitting, Ed Molitor has scheduled opening tryouts and continued registration for the Babe Ruth Baseball League in a double session this Saturday, April 13th.

The morning session will take place at Florence Gaudineer field at 10 A.M. The afternoon session will start at 1:30 p.m. and will take place at Meisel Avenue Field.

Boys who are trying out for all positions are urged to attend. Only those who played on major league teams last season are urged not to attend these initial tryouts. All boys 13 thru 15 who played in the minor leagues last year, or who are coming up from the Youth League in addition to those coming out for Springfield Baseball for the first time are urged to register and tryout on Saturday.

Little League tryouts will also be held on Saturday, April 13. Infielders, pitchers and catchers will meet at the Washington Avenue playground at 9:30 a.m. and 1:30 p.m.

Outfielders will meet at the final tally is awaited from the business men of the community who have always given financial

support in the past. Thanks are extended to all the wonderful people who were so cordial to the youngsters and responded so willingly. Individual thanks are given to Ed Hofferl who manned the sound truck on Friday night preceding the drive and publicized the activity of the following day.

The second Annual Babe Ruth League Baseball Dinner is being planned to take place Thursday, April 25th at 6:30 p.m. at the Presbyterian Parish House. All boys who played last year in all Babe Ruth major and minor leagues and those who will be registered to play this year will be invited along with the managers, coaches and adults on the committee.

Films of last year's World Series will feature the entertainment and Mrs. Emil Meyer will be in charge of the dinner committee, to prepare and serve the sumptuous meal.

Two hundred are expected to attend this gala party and it should be a great kickoff prior

to the opening of the first scheduled game set for two weeks.

New Route 22

(Continued from Page 1) Its general location is relatively well established. Any significant deviation would require new approval from Washington.

Normally increasing traffic, plus the additional traffic generated by the new highway, is expected to make both roads essential. The greatest dislocation, entailed in the construction project can be expected in the highly reorganized sections of Essex and Union counties through which the route has been projected.

route in the Essex-Union area have been made. More exact airplane studies are yet to be conducted. Such surveys already have been completed in the Phillipsburg area. No such work has yet been done over the major part of the route through most of Union and all of Somerset and Hunterdon counties.

Like the existing Rt. 22, the realigned route would end near Newark airport. It is planned that the road will terminate at Interstate 14 of the New Jersey Turnpike. It is there that the Turnpike's Hudson County extension begins. In this section, the freeway would meet another new interstate limited-access road, a realigned Rt. 1.

New Route 22

(Continued from Page 1) a-bit operation until most of the legal work of purchase and condemnation is completed. Real estate operators are looking around and keeping their eyes open but the gray train will be well on its way by the time the exact route is known.

Just how the relocation of a new Route 22 would affect business in Springfield has brought a variety of ideas. Some merchants on Morris Avenue insist that "they should fold their tents and get away as soon as possible" while others see such a new highway improving business considerably.

Others are apprehensive that they will lose their homes since the Federal government is not sentimental in the matter of simplifying their bulldozers. While the preliminary reports are not definite, everybody pictures the new route going right through their own property.

Not Very Happy Township officials are not very happy about the location of the freeway through Springfield but no move will be made until there is a meeting with the members of the Township Committee and the local engineering staff.

A Reform Jewish Group Organizes

The first Reform Jewish Congregation in Springfield was formally constituted at a meeting in the home of Philip Gurian on Tuesday evening, April 2.

Speakers at the Springfield and vicinity organizational meeting, which was attended by a large group of residents, included Rabbi Albert G. Baum, Director of Union of American Hebrew Congregations.

A religious school and full program of social and religious activities are also being planned for the new congregation.

The temporary planning committee of the congregation includes: Philip Gurian, chairman; C. Danziger, vice chairman; Harry Katz, secretary; Stanley Segal, treasurer; Bernard Lesser, education; Ed Olesky, building; Philip Ames, publicity; Syd Sklar, finance; Jack Kirsten, constitution and legal; and William Savarin, religious services.

Those who wish additional information concerning the new congregation may contact the membership committee: Mrs. Philip Ames, Mrs. Philip Gurian, Mrs. Edward Olesky and Mrs. Syd Sklar.

An open public meeting is being planned for April 25, the time and place to be announced at a future date.

The Social Security Administration lists 149 Davy Crocketts, and 221 Daniel Boones.

Oberlin College, Ohio, was first in U. S. to adopt a co-educational system.

the municipalities affected. Mayor Albert Binder of Springfield, suggested that the present Rt. 22 be widened.

Rips Through Town "This is one neat trick," said Binder. "It really rips through Springfield. The area I have read about would virtually wipe out that part of the township between Springfield Center and the Millburn line." The mayor was joined in criticism by Vincent J. Bonadies, the township committee's only Democrat, who figured the new route would plow right through his plant, Bond Electronics in S. Springfield Ave.

There was some speculation that the realignment would harm the many businesses which have sprung up in recent years along the present Rt. 22. But Mayor Lewis J. Gray of Watchung, secretary of the county tax board, county GOP chairman and a Rt. 22 businessman himself, predicted the present route would become a virtual "Main Street" for its communities after the new highway is built.

Traffic on the new route, he said, would be largely interstate and not revenue-producing. But the old road, he said, would attract many local shoppers who have been afraid to venture on Rt. 22 in recent years. In Watchung, highway properties represent 25 per cent of the borough's tax ratables.

Social Drinking Discussion Wed.

A panel discussing and film on social drinking was on the program when the Home and Family Committee of the Jonathan Dayton Regional High School met on April 10 at 8:15 p.m.

The panel discussion was presided over by George King, Guidance Director at Regional. The panel consisted of a clergyman, doctor, mother, and a member of the Police.

A general discussion followed after which refreshments were served. All parents were invited and a special invitation was extended to the parents of 7th and 8th grade students.

Thomas Jefferson sold his private library of some 10,000 volumes to Congress for \$23,950 in 1815, and these became the foundation of the present Library of Congress. (Which had been burned when British occupied Washington, 1814).

High School Key Club Elects Ten

The Regional High School Key Club, a service organization linked with Kiwanis, held its annual election of officers Monday evening at the school. Candidates were selected from the ten boys who will be seniors next year. Results went as follows, President, Rick Brown, Vice President, Bob Kettle, Sec. Ned Davenport, Treas. Ray Nesbitt. Former officers of the club were Tony Seaver, Ritchy Schwartz, Paul Van Ness and Richard Tyjewski.

SUNNING SPORTS

By **RITCHY SCHWARTZ**

You get off the train at St. Pete. Never seen sun like this before, beating down, terrible. Nothing like you pictured. No palm trees decorating the streets, no white sand. Just a train station like back home. Your limbs ache and your hands are clammy from gripping that suitcase for three hundred train miles but you're here, out to make your fortune in baseball.

The hotel is nice, but then again you expect as much from a major league club and once you find yourself bedded down with a couple other guys in the same boat you lap up that Florida sunshine, well for the day anyhow.

The following morning, bright and early you're out on one of the many diamonds in this seemingly all-baseball town. You bump into one of four room-mates fielding a grander. Both of you look at each other and smile. The tension is terrific.

A coach, pretty big wheel in the organization you learn has been watching you lately. And aside from tripping over second a few times on the double play you've done alright for yourself. Might just be the twenty-fifth man, just might.

The schedule becomes almost monotonous but then you begin noticing things change. Slowly but surely bats are becoming scarce, all equipment is being put away and talks of opening game and the trip north are heard.

Then the day comes. Your sitting around in the lobby when some whitecollar man whom you've only seen on a few occasions walks up to you and shakes your hand, slips an envelope into your hand and leaves.

"We advise you to wait another season." Your face drops. "There is not an opening for you at this time on any of our Class D clubs." Your eyes get glassy. "Enclosed is train fare and the months salary." You crumple the paper in your hand and throw it in an ashtray. The hotel room is empty, your friends are gone two weeks now—Class A ball. And you thought you were better off.

Brunner Sweeps By Mendes In Spfd. Bowling League

The only decisive win in Monday night's action at the Springfield Bowling Alleys was the Brunner Excavating team sweep over Mendel's Florist.

Colangelo's two 200 games paced the Brunner victory as they moved up the standings to the middle spot — 6th in a 12 team league.

Elsewhere in the Springfield Bowling League splits were the order of the day, both on the alleys and in the scores. The two front runners, Springfield Market and Parkview Garage both won 2 out of 3 from their opponents, Bunnell Bros. and American Legion No. 2 respectively. Incidentally, last week the Sun mentioned two of the pull-outs—brothers without mentioning the third—base game.

Vince, Julio, and Ralph are three of the P's in the Parkview lineup. Other action saw Drake's Fuel beat American Legion No. 1, D'Andrea Driveaway downed Frank's Auto Service and Cuzzolino Pura bested Beckmann's Market.
