## Irwin Field Gets New Tree On Arbor Day

Civic organizations throughout the entire nation will be celebrating Arbor Day on Friday, April 26. In the Township of Springfield, the Shade Tree Commission, as well as the school children and civic organizations will be participating in this celebration.

Each year the Shade Tree Commission, after due deliberation, chooses a site to beautify. In previous years five Japanese Cherry trees were planted along the brook in the municipal parking lot, and six shade trees were planted at the Henshaw-Hawthorn Playground. Choosing a site to beautify for the Arbor Day ceremonies this year was again undertaken by the Shade Tree Commission, whose membership consists of Edward A. Cardinal, Chairman, Felix Gold and Nathan Hart. After discussing various locations, it was decided to plant a tree at the Irwin Street Playground.

A strike of workers at the Investment Casting Company, Brown Avenue, which started last Friday because of a demand by the AFL-CIO United Steel Workers for recognition, may be settled by an election of employes in the next few days.

This statement was made Tuesday by Peter Cassidy, the union representative, who announced that the union had applied to the National Labor Relations Board for a meeting of employes at the Springfield plant to determine recognition of the USW as bargaining agents.

## Officials Will Attend Meeting On New Rt. 22

## Local Thespians Make Hit In Staging "Tender Trap"

Television usually portrays the hopeful and impatient members of the east of a new Broadway opening sitting around Sardis' to read what the hard-hearted newspaper theater critics have to say in the early editions about "last night's performance."

In the case of the Dramatic Workshop of Springfield players who staged the well known Broadway success, "The Tender Trap"

Two very enthusiastic audiences—Saturday night's performance was before a packed house—let the members of the cast know immediately that "they have a big hit." It deserves four stars or what ever other measure there is for indicating an outstanding performance.

It was a presentation by "pros" who went through the comedy without any apparent fluffs, and Broadway veterans couldn't have done any better, or even as well, with adlibs not in the original script, which captured the audience.

Each member of the cast did a remarkable job in both performances and while Charles Reader, portrayed perfectly by Julian Sarokin, was the leading character of the three act comedy, Paul Weisman, as J.C. McCall, practically stole the show.

Those who had seen the Broadway performance of this pleasant show appreciated the efforts of Frankie Zurav as Poppa Matson, Sari Hockstein as Jessica Collins, Anita Ross as Sylvia Crewes, Dallas Weinstein as Julie Gillis, Robert Hockstein as Earl Lindquist and William Fisher as Sol Schwartz.

The two performances were staged by the local dramatic group, made up entirely of Springfield residents and directed very well by Betty Fingerhut. Rose

## New Shopping Center Coming To Ness Tract

The "sensational news" on the Ness property project is beginning to come to a boil.

Yesterday, the syndicate, headed by Charles Jenco, new owners of the Ness tract of land, held a long luncheon conference with Mayor Albert G. Binder and members of the Township Committee. Representatives of the group interested in developing this centrally located property, were on hand to give the Springfield officials an idea of what they planned to bring to the Township.

It is still in the hush-hush stages and the names of the organizations who will make up the story are still carefully guarded secrets. However these facts have been established:

1. A new shopping center, with a nationally known store to occupy the main unit.
2. Engineers have been taking soundings and work will start as soon as some details are cleared up.
3. There will be from 185,000 to 200,000 square feet of store space and parking facilities about 5 to 1.
4. The obstacle of egress and ingress has been solved, with three or four pieces of property under consideration for entrance and exit to the shopping center. While no names were made public it was explained that the shopping center would include some of the most prominent nationally known firms. Several details are still to be resolved but the information given to Mayor Binder and the Springfield officials assures some definite action within a few weeks.

The Ness property is located north of Morris Avenue, running from about Denham road all the way to Main Street and back up against the Millburn line. There is an entrance along Morrison road but the developers of the shopping center plan to have easy access in and out of the property. There has been considerable talk that Springfield would permit the extension of Mountain Avenue into the Ness property but other reports have it that several pieces

## Town Exceeds Heart Fund Goal By \$662

Mrs. Amy Bandomer, Springfield Heart Fund chairman, has reported to the Union County Heart Association that Springfield residents donated \$2,125.47 to the annual Heart Fund drive. The goal was \$1,503.20.

The annual drive was conducted during Feb. by Mrs. Bandomer's committee. The total increases the amount tallied in the county to \$39,396.09, the largest amount ever collected in the county.

## Political Parties Name Chairmen

REPUBLICANS. Charles E. Beardsley will again lead the Springfield Republicans, having been re-elected a municipal chairman Monday night. Mrs. Martha Sherman was named secretary and Daniel Gerber, treasurer.

DEMOCRATS. Irwin Weinberg was named chairman of the Municipal County Committee at the organization meeting held Monday night. Rayna Keane was elected vice chairman, Mrs. Henry Wasung, recording secretary; and David Strunin, treasurer. An executive committee was named with Weinberg, Mrs. Keane, Mrs. Lorie Lewis and David Strunin as members.

The new Democratic chairman has mapped out a very ambitious program to campaign on behalf of Township Committee member Vincent J. Bonadies who is seeking re-election to his present spot on the governing body.

## Springfield Kindergarten Roundup

Dates have been set for the Annual Kindergarten Roundup. Children who are five or before December 1, 1957, are eligible for registration.

Kindergartners will be registered on Thursday, April 25, from 1:00 - 3:00 p.m. at the James Caldwell School; on Thursday, May 2, from 1:00 - 3:00 p.m. at the Raymond Christholm School; and on Thursday, May 9, from 1:00 - 3:00 p.m. in the Edward V. Walton School.

Parents of kindergartners who have been contacted by the P.T.A. pre-school census committee have been informed through the mail as to the exact time they should report with their children on the above days and they should bring in the medical form properly filled out by the family physician. Parents who have not been notified by mail should contact their neighborhood schools as soon as possible. Certificates of birth, vaccination (vaccination is compulsory for entrance to Springfield Schools), and diphtheria (Schick test) and whooping-cough inoculations, should be brought in at the time of registration.

Dr. Robert Belliveau, the school dentist, will be present at these designated times. All parents have been urged to register their children on these specific dates. No other registration will be held until the latter part of August.

## Over 90 Entrants For Amateur Show

Six residents of Springfield have successfully auditioned for the Second Annual Amateur Contest to be held May 16, 17 and 18 in Springfield Regional High School auditorium. More than 90 acts auditioned for this year's contest, reports John Johnson, chairman of the program committee.

"Since we can accommodate only 60 acts in the entire show, we had to ask many fine performers to wait until next year's contest," Johnson said. "Our only regret is that we couldn't include everyone who auditioned. But this was physically impossible, since we received applications from as far away as Somerville and Staten Island. As it is, this year's program will feature contestants from 21 different towns in this area."

The six contestants from Springfield are:

- Miss Laura Jeanne Libby, daughter of Mr. and Mrs. Horace J. Libby, 61 Washington Avenue.
  - Mrs. Tina Fario, 131 Clairemont place.
  - Hans Kryger, son of Mr. and Mrs. Adrian Kryger, 30 Maple Avenue.
  - Ronald Barz, son of Mr. and Mrs. Wilfred Barz, 511 Meisel Avenue.
  - Ralph B. Melick, son of Mr. and Mrs. William J. Melick, 98 Severna Avenue.
  - Rupert J. Humer, son of Mr. and Mrs. Rupert H. Humer, 11 Dayton Court.
- Ralph and Rupert are members of the 3 R's, a 3-piece dance combo headed by Rick Brown, 5 Ridge Drive, Berkeley Heights. All three youths attend Jonathan Dayton Regional High School. Ralph and Rupert are in the senior class and Rick is a junior.

### TV Star Addresses Rotary Luncheon

Betty Best

Lovely radio and TV star, Betty Best, who officially represents the Professional Laundry Foundation was the guest speaker at the weekly Rotary luncheon held at the Baltusrol Country Club, Tuesday, April 23rd.

Miss Best who lectures extensively before men's and women's organizations, told the group of the work being done by the Foundation, a group of laundries who cooperate on a joint advertising and promotion campaign.

"Here are more than 40 firms, all offering similar services and many in competitive areas," said Miss Best. "Yet they support a cooperative program. It is a tribute to their vision and business acumen," she continued. "By working together they can buy important radio and TV time, they can also offer a program that has professional know-how and dignity. They realize their competition is not each other, but the many products and services offered by other companies in the ever increasing search for the consumer's dollar."

Declaring that the individual businessman was still the backbone of the nation's economy, Miss Best stated that it was becoming more and more important for small business to form cooperative associations so that necessary advertising, merchandising and promotion could be engaged in.

In addition to her radio and television appearances for the Professional Laundry Foundation, Betty Best is a leading fashion commentator and conducts a weekly TV fashion show on WRCV-TV, Philadelphia.

### CARDINAL TOPICS

by Ed Cardinal  
 Dandelions started to show this week, so unless you are prepared to hand pick the flowers as they appear the seeds will multiply a hundred fold.

Digging is slow work and leaves enough root in the ground to continue growth. A better method is to use a hormone weed killer that will eradicate all lawn weeds in one operation.

For those who have not yet fertilized, Scott's NEW IMPROVED Weed and Feed is a fine product that will fertilize and kill weeds in one operation. This product will not burn the grass. If you have already fertilized the lawn, use Scott's 4-XD to kill the weeds in one easy application. Both products can be applied with a fertilizer spreader. Use the Scott's Spreaders for most economical application.

# LIBRARY NOTES 25TH ANNIVERSARY WITH NEW BUILDING

BY DON PALMER  
CURATOR

The formal dedication of the newly enlarged Springfield Free Public Library, this Sunday, calls attention to the remarkable growth of this institution, since it was established, just 25 years ago. It has now become such an integral part of this Community life that it seems almost incredible that as recently as 1931 there was no such thing as a public library in Springfield.

On January 20 of that year, a group of citizens, feeling that it was high time Springfield had a library, brought the matter up at a meeting of the Springfield Parent-Teachers Association, and Mr. A. G. Trundle, President of the P.T.A., appointed a committee consisting of Mrs. A. B. Anderson, Chairman, Mrs. Ralph Titley, Mrs. Edward M. Cook, Miss F. Wahl and Mr. Fred J. Hodgson, to study the possibilities. The report of this committee was favorable, and arrangements were made for a public meeting on March 18th, 1931, to discuss the project. Miss Sarah Askew, Secretary of the State Library Commission, came up from Trenton to address the meeting. It was decided to proceed with the plan, and the original committee was augmented by the appointment of seven additional members: Mrs. N. C. Schmidt, Mrs. John Gunn, Mrs. Frank Geiger, Rev. William I. Reed, Dr. George A. Liggett, Rev. Father Larkin and Mr. Gabriel Larsen, Chairman of the Township Committee.

During the summer, this committee was undying in its efforts to further the organization of a Library Association. Contributions of books and funds were solicited, 35 members were enrolled and various details relative to the establishment of a Library were worked out. Much valuable support for the project was given by the Lions Club of Springfield. At a meeting held on November 6th, the SPRINGFIELD FREE PUBLIC ASSOCIATION was organized, with the following officers: A. B. Anderson, President; Mrs. N. C. Schmidt, Vice-President; Charles Phillips Sr., Secretary; Mrs. Ralph Titley, Treasurer; F. J. Hodgson, A. G. Trundle and Mrs. B. M. Woodruff, Trustees. In February, 1932, Mrs. R. T. Bunnell was added to the roster of officers, as Assistant Treasurer.

All arrangements were finally completed, and an announcement

**1000 BOOKS** — The Springfield Free Public Library started in this building in 1932 when Robert Bunnell donated the premises free of rent. It is the Morris Avenue side of the Brookside Building which now houses the First National Bank. There were 100 members and 1000 books on the shelves when the doors first opened.

appeared in the "Springfield SUN" of March 4th, 1932: "Free Public Library will open to the public on Wednesday, March 16th; Hours: Monday and Tuesday evenings, Tuesday and Saturday afternoons."

The problem of securing quarters was solved when Mr. Robert Bunnell, owner of the Brookside Building, donated a section of that building at the Morris Avenue end, previously occupied by the First National Bank of Springfield, and for several years thereafter, Mr. Bunnell continued his contribution of free rent. Charles S. Quinzel donated interior painting, Harry C. Anderson Sr. provided free plumbing work, the Burd Electric Service donated electrical fixtures, Mrs. B. M. Woodruff gave material for curtains which were made and hung by Mrs. N. C. Schmidt and Mrs. E. M. Cook. Mrs. Woodruff was the first Librarian, assisted by Mrs. Ralph Titley, Miss Phoebe Briggs and a staff of volunteers composed of Mrs. G. Arnold Wright, Mrs. J. A. Dannefeler, Mrs. Charles Mundy, Miss Wegle, Mrs. Dufweiler and Miss Evelyn Day.

On the opening day, the Library Association had an enrollment of 165 members, and there were 1000 books on the shelves, ready to be loaned. Borrower's card No. 1 was issued to Miss Sarah A. Bailey, an ardent supporter of the library project from the beginning. As evidence of the widespread interest in Springfield's effort to have a library, letters of congratulation were received from

President Herbert Hoover and Governor A. Harry Moore.

During the five years that followed, the stock of books was augmented, and the Library proved its value to the Community many times over. The average circulation per month for 1936 was 1075 books; the number of borrowers 937.

In September 1937, the Board of Trustees of the Library Association, feeling that further benefits to the public could be secured by turning the Library over to the Township, petitioned the Township Committee to have a referendum placed on the ballot for the General Election of November 2nd, proposing that the Township assume the ownership of the Library. This was done, and the proposal was approved by the voters. This enabled the Township Committee to provide funds in the budget for the support of the Library, so that dependence on private contributions was no longer necessary.

On July 24th, 1940, Miss Sarah A. Bailey died at the age of 93, and by the terms of her will, carried out a promise given when the public library project was first proposed, that her home at 30 Main Street would eventually be made available for use as a library.

However, the will also provided that Rev. William Hoppaugh, who had lived in the house since 1883, should have unconditional use of the dwelling during the remainder of his life, and it was not until Mr. Hoppaugh's death, on January 9th,

1943, that the Library Association actually came into possession of the property. Mr. Hoppaugh, also a supporter of the library idea, left a will which added his extensive library of books and some property in Hunterdon County to Miss Bailey's bequest.

The original part of the house is believed to be well over 100 years old. A deed in the Library's "Archives" shows that Miss Bailey's father, Samuel Bailey Jr., purchased the lot on which the house stands on February 28th, 1833, and the house was probably built about 1840. The frame was made of oak timbers, put together with wooden pins, after the manner of the early 1800's. Originally, it was a one-and-half story structure, with the kitchen in the basement, and, by the way, the original open fireplace and beehive oven are still there, carefully preserved during the recent major alteration job. Some years later, Mr. Bailey had the house raised and another story added, making it the two-and-half story dwelling which the Library acquired. He also enlarged the house by an addition on the rear.

Much preliminary work was necessary before the house could be made suitable for use as a public library, and the details were worked out by Architect Frederick A. Elsassner, of Union, and the Residence Construction Co., of Springfield. Partitions were removed, ceilings strengthened by steel girders, sections of the old "dry-wall" foundation were replaced with modern masonry, and extra brick piers were built to support the first floor. The installation of a gas heating plant, new linoleum on the floors and repainting and panering of the interior completed the job.

Finally, everything was completed and furniture was installed. At a dedication and open house, on October 24th, 1943, the huge brass key to the front door lock was handed to Mayor Wilbur M. Selander by Mrs. N. C. Schmidt, then President of the Library Association, and the building became Township Property.

When the recently completed enlargement of the Library was proposed, it was necessary to plan it so as to retain the original portion of the building, in order to comply with the terms of Miss Bailey's will, and this posed many problems for the architect and the contractor. How well they were solved may be seen by all who attend the formal dedication this Sunday afternoon.

**BUILT IN 1840** — The Sarah A. Bailey house on Main Street has housed Springfield's library since 1943. Even though it is over 100 years old, the sturdy oak frame is still strong enough to be included in the new library. Clarence Reisen, president of the Reisen Lumber Co. in Union, said while inspecting the house that it attests to the tough lasting quality of wood construction.

## Library Gains In Spfd. Popularity

When the Springfield Public Library closed down five months ago to begin the \$75,000 expansion program, there were 3,500 active borrowers in the card list according to Miss Helen C. Reyner, librarian.

These 3,500 card holders checked out 88,399 books in 1956, over 27,000 more than in 1955. This, despite the fact that the library was closed at the end of the year for construction.

The Township Committee allots approximately \$32,000 a year for operating expenses of the library. This makes the Springfield library one of the lowest cost per capita libraries in the State.

The main reason for this is that Springfield has an unusually active volunteer worker program to help the 3 person regular staff. In all there are 55 active volunteers helping to keep the library schedule up to date.

Contrast these figures with the original figures at the organization meeting of the Springfield Free Public Library Association on Nov. 6, 1931. There were 21 interested people present and \$40.00 in the treasury.

## Library Free Of Pressure Groups

There are no pressures from local groups to keep certain books off the Springfield Library shelves, according to L. S. Stevens, president of the Board of Trustees.

"The only book censorship we experience in Springfield," Stevens commented, "is the periodic checks by State officials to make sure there is no subversive literature on our shelves."

Stevens says that approximately 150 new books are bought each month. There are three sources of recommendations; the American Library Association, literature from book publishers, and requests from local citizens.

## Helen C. Reyner Answers All ?s

About the only question Helen C. Reyner, Springfield's librarian, can't answer is — who is going to win this year's world series?

Miss Reyner doesn't actually tackle any queries about the future, but she bats around 1,000

ics back to the Civil War, dating back to the Civil War. The uniqueness of the design and craftsmanship of the newspaper filing cabinets attracted the attention of the Philadelphia library supply firm who provided the stock items. They are working out an agreement with Bien to use his services.

when it comes to the past. She has been in the library game since she graduated from the University of Pennsylvania in 1932 and began studying library science at Drexel College in Philadelphia where she picked up the second of her three degrees (B.A., B.S., M.A.).

From 1933 to 1942, she was answering questions in the Camden, New Jersey school system. Since then she has been in libraries in Camden, Philadelphia, Atlantic County and Passaic, N. J., until she became director of the Springfield library in 1954.

If you're looking for questions to stump Miss Reyner, don't pick on New Jersey history — that's her specialty. She probably knows more about Molly Pitcher than her two husbands did.

### Chadwick Boosts Multiple Listings

At the most recent meeting of the Trustees of the Board of Realtors of the Oranges and Maple-

wood, including Livingston, Millburn, Shotr Hills and Springfield, held April 10 at the Hotel Suburban, East Orange, it was reported by Benjamin J. Chadwick, Springfield Realtor and member of the Board of Trustees, that Multiple Listing is by far the most effective way of marketing real property.

Last year, through the MULTIPLE LISTING SYSTEM alone, over 20 million dollars worth of real estate was sold in the Board territory. Sales for the first quarter of this year exceed last year's peak volume by \$877,959.

"The time will come in the very near future," Chadwick said, "when the Multiple Listing service will be sought by the public as the most effective method available to them to buy and sell property."

Mayor Albert Binder will be on hand to add a few words of encouragement and throw out the first ball while Ed. Rieby, Baseball Commissioner for all Springfield Youth Activities, will officiate.

Movies of last year's World Series will be shown. Our thanks to Nages's Prime Meats, Casale's Turkey Farm, Grand Union and Hershey Ice Cream Company for their food contributions for the party.

With only two weeks of bowling remaining in the Springfield Sports League, Lynn Decorators, who have been leading the pack for most of the season, were knocked out of the first place slot by the red-hot Springhouse team by dropping all three games to the Foresters.

Community singing was led by Mr. Leonard A. Golden, master of ceremonies for the evening, assisted by Paul Becker at the piano.

We wish him luck and happiness as he travels the road of a typical American Boy and participates in the dynamic program of the Boy Scouts of America.

New Rooms Are Bigger & Better A Cook's tour of the spanking bright enlarged library is bound to startle many who remember the old library.

For example the 20 by 30 foot new children's rooms is a light airy pink-room with tables and chairs of all sizes to fit youngsters from 2 to 12. Half of the cost and use of the library is for children because it also acts as the library for all the Springfield grammar schools.

In contrast to this cheerful expansive room—there is the new nook under the eaves of the attic which has been turned over to Don Palmer as Curator. Tucked now on the third floor, it provides a storage place for Springfield lore.

Down in the brighter regions of the second floor is the new museum, complete with beautiful show cases for the exhibit of colonial and later relics. Julius Bion, cabinet maker of 761 Mountain Avenue, designed and built the display equipment.

One of the most charming areas in the new library is the browsing room beside the old fireplace in the Bailey home. Couches and easy chairs have been arranged around the fireplace for people who want to read the nearby magazines or books.

The basement of the new wing has been made into a meeting room for local clubs. Such organizations as the League of Women Voters and the Springfield Historical Society have already taken advantage of this 600 sq. ft. room. Soon to be installed is a kitchen off the room so that refreshments can be served at meetings.

V.F.W. Ladies Meet A regular monthly meeting of the Ladies Auxiliary of the Veterans of Foreign Wars was held on Tuesday, April 16, at the Post Home on Morrison Road.

Final arrangements were made for the joint installation of new officers of both the Auxiliary and Post members which is to be held on Tuesday evening April 23, at 8:30 P.M. at the Post Home. PROCLAMATION WHEREAS the people of the Township of Springfield appreciate the importance of planting more trees and shrubs to maintain and beautify the residential aspects of the Township, and WHEREAS the Shade Tree Commission of Springfield is anxious to make all residents aware of the programs for tree planting on Arbor Day which is to be observed in New Jersey on Friday, April 26, and WHEREAS the observance of Arbor Day by schools, civic organizations and clubs usually include programs designed to stress the importance of trees and their effect in improving school grounds, streets and highways, and to encourage the planting for soil and water conservation, and WHEREAS Arbor Day can have real meaning to the people of Springfield if they will not lose sight of the fact that if every school child planted just one tree, it would make a great difference in the landscape appearance of our community. THEREFORE, I, Albert G. Binder, Mayor of Springfield, do hereby ordain and proclaim Friday, the twenty-sixth of April as ARBOR DAY and FURTHERMORE I request that all residents of Springfield participate in observing this day especially set apart and consecrated to tree and shrub planting in the Township. Done under my hand and seal this 25th day of April, 1957. ALBERT G. BINDER, Mayor

Lynn Bowers Slip From First Place With only two weeks of bowling remaining in the Springfield Sports League, Lynn Decorators, who have been leading the pack for most of the season, were knocked out of the first place slot by the red-hot Springhouse team by dropping all three games to the Foresters. Springhouse has won 11 out of their last 15 games and are just five games out of first place and three games out of second place. The Mavericks enjoyed a two out of three win over the P.B.A. and now hold a league lead of two games. The steady bowling of the Mavericks throughout the season-if it continues-could guarantee them first place for the rest of the season. Disc and Shutter, never showing much power during the season, broke loose with a three game sweep over Jumbo's Texaco's, Bob Ziegenfuss and Scott Donington having a good night. Ziegenfuss hit a 211 and Donington hit 5 strikes in a row in the later stages of the game to help his team win that game by a meager seven pins. Offer 290 scores: Jennings 202; Pepe 203; J. Donington 210; B. Ziegenfuss 211 and Brunner 212.

D'Andrea Sweeps Spfld. Market 3-0 The clock is going to run out on Parkway Garage's attempt to capture the Springfield Bowling League crown from Springfield Market—and just when the market bowlers are beginning to show signs of a collapse. In fact, Monday night at the Springfield Bowling Alleys the Springfield Market men were swept for the first time this season, losing all three games to D'Andrea Driveways. But with only two weeks in the season, it looks hopeless for Parkway to catch them, particularly after Monday's debacle with Bunnell Bros. After splitting the first two games, Parkway and Bunnell came with a flat tie in the finale. In other action, Mendes' Florist swept Cuzzolino Furs 3 straight; American Legion No. 2 took two out of three from Frank's Auto Service; Beckmann's Market won a pair from Drake's Fuel; and American Legion No. 1 made a final bid to get out of the cellar by taking two from Brunner Excavating.

Strawberry Festival Saturday, June 8 is the date set for the Springfield Girl Scout's annual Strawberry Festival. In the past this event has been held on the Town Green, but this year with the Town Hall Expansion Program it has been necessary to find another central location to continue to accommodate the many people to whom "Strawberry Festival" has become a tradition. The Girl Scouts are very grateful to Jonathan Dayton Regional High School for permission to use their grounds this year.

### League Announces Players-Managers

All four major league teams in the Babe Ruth League will have new managers this season. The Channel Lumber team, formerly the Lions, managed by Ed Tidbeck, will be headed by Ed Molitor. His coaches will be George Lord, Al Bell, Les Lawn and Bob Smith. The Channels have nine returning veterans with A. Bell, F. Chapman, S. Chesler, H. Etzold, W. Franklin, DeForest Hillier, Norman Lawn, D. Lord and Bob Smith all having seen major league action last year. Sande Smith, Richard Sussman and Don Weiss have been brought up from the minors, while Richard Blaffer, Larry Stieckle and James Walker are all graduates from the Youth League and are making the major league jump in one season.

Ed Molitor has a well balanced club with many strong hitters on the squad. Baker will be assisting Becker as coaches.

The Schaibles have finished high in the League the last two years and have nine returning veterans. The infield with Bud Varkalla at first base, Richard Baker at second, Jay Gladstone at short stop and George Seltzer at third is a veteran aggregation. Younger brother of Richie Baker, has made the jump from Youth League ball together with Lewis Pfeiffer and Ron Skelke. Ken Eder, a new boy in town from Buffalo, New York rounds out the squad.

In the brief practice sessions held to date, manager Brink has seen good infield prospects. His pitching, with Martin and Rupp on the line, has had valuable experience in the minors last year. The Drakes have unusual catching material with Humer, Hohn, Fischer and Dalrymple to give depth in that department. Monticello, Rupp and Steiner are expected to contribute heavily in the batting for their team.

Bruno Becker is taking over the reins so ably held the last two seasons by Tom Glen of the Schaible Fuel Oil Team. Robert Wittich, Len Gerber and Don Wittich boast of pitching experience with Norman Lawn, a left hander, having pitched last year, and young Richard Blaffer, another southpaw having seen action as a pitcher in the Youth League.

Bill Franklin, big slugging catcher will be on the receiving end. Molitor expects sparking action from his infield and is delighted with the hitting and fielding reserve strength he will have to choose from on his bench.

The Drake Fuel Oil team, last year managed by Emil Meyer will be piloted by Jack Brink. This year's coaches are to be Walter Hohn and Chester Ostermayer. The Drakes have six returning veterans in the persons of Emery Fischer, Dean Heerwagen, Ted Hohn, Mike Hopta, Ron Humer and Anthony Monticello.

The minors have contributed Pete Dalrymple, Ron DeSantis, Joe Martin, Herbert Rupp and Glen Steiner. Young Bob Baker, Heavy hitting John French and

veteran George Stevens give tremendous power to the outfield. Don Dziugaj is a hold over and will head the mound staff with two new boys to town, Vincent Caprio and Dick Evans adding their right handed talents to the squad.

Veteran Artie Gerber will be behind the plate and will share backstop duties with Brian Krill, new to Babe Ruth activities. Added infield strength in the person of Brian Meade, veteran from

last years team plus Bill Buckalew, Youth League graduate is on hand while Ed Fischtronn, another Youth League graduate and Ron Lucarielli will add their power as outfielders.

The Angleton Team will be managed this year by Tom Dougherty. Sid Stolz relinquished a team with seven veterans and eight boys have been brought up from the minors.

This team manifests a great deal of hustle and spirit and

Dougherty and his coach Bob Marino have a tough time tempering the get up and go of this squad. Eugene Becker and Tom Marino, both veterans will be back to carry the pitching load while Ed Bloom, up from the minors will handle a good deal of their catching slants.

Don Gibbons, Ed Kisch, John Lynch, Howard Selander and Richard Utzat are the other veterans. Lennie Arnold, up from the minors is expected to lead the infield attack with Jim Crowley, Dennis Eder, Tom Hellman, Tom Kennel, Bill Peacock and Chuck Tonkin all hustling together, up from the minors.

Everything possible will be done to maintain a balanced league. With the emphasis on good sportsmanship, there will still be a strong desire for each team to win the pennant.

The Nagel's Prime Meats team, managed by Leo Heller has had the following boys assigned to its roster; Gary Anderson, Steve Bender, Richard Bucksar, Jim Dickerson, Doug Hattersley, Jack Heller, Dom Lege, Eric Nielson, M. Pisano, Howard Stein, Stanley Vogel, Allen Wyckoff, Stanley Zeidner.

The Geiger Cider Mill team managed by Sid Korinsh has had the following boys assigned to its roster: John Anderson, Robert Bennett, Mark Biddeman, Jerry Burt, Ken Dreher, Bruce Evans, Mike Greenberg, Richard Koretz, Lewis Kornish, Micky Pettinichio, Richard Purro, Myles Ratner and Hank Von DerLinden.

The Bunnell Brothers team managed by Ed Dambres and Will Benedetti has had the following boys assigned to its roster: Richard Ball, Doug Benedetti, Eugene Block, Jim Chalmers, Richard Dambres, Larry Focht, Richard Johnson, Roy Miele, Mickey Prince, Clark Pringle, George Rupp, Ken Ryder, Bob Yeager.

The Royal Crown team managed by Sid Feldman has had the following boys assigned to its roster: George Bartlett, Robert Brennan, Stuart Charles, Robert DeRonde, Cliff Feldman, Bob Gardella, Harold Jones, Robert Lynn, Mit-

tenhoff, John Scholz, John Straub, R. Weiss and Robert Ziegler.

The Tigers team managed by Ed Tidbeck has had the following boys assigned to its roster: Paul Becker, James Briggs, Larry Cyre, Philip Green, Ron Klugman, Howard Meyer, Richard Muller, Stewart Schwartz, Jerry Scourzo, Dave Tidbeck, Ralph Vogt, Frank Zurawski and Peter Zurawski.

The Lions team managed by Victor Bracht has had the following boys assigned to its roster: Gary Benko, Mike Bracht, Ron Di Angels, Richard Haselmann, George Lelak, Dennis Monticello, Eugene Neville, Charles Rythard, Franklin Katz, John Scourzo, Philip Vitello, Pete Kent, Skip Williams and Lester Woods.

Bill Buckalow who has been associated several years with the Youth League has now been appointed the Director of Minor League Activities.
