Springfield Losing Great Leader

Springfield is losing a great spiritual leader as well as a good citizen with the transfer appointment of Rev. Marvin W. Green, pastor of the Springfield Methodist Church to the Roselle Park Community Methodist Church. The appointment is effective Sunday, May 19 and Rev. Green will preach his first sermon at Roselle Park on May 26.

In the four years of religious service in Springfield by Rev. Green, the Methodist Church has grown considerably both in membership, church school enrollment and general attendance. During Dr. Green's ministry an \$80,000. building expansion program was completed making the Methodist Church one of the finest structures in the Township.

Rev. Green was very active in practically every civic program, a member of the Springfield Rotary Club and a very personable individual in and out of the Methodist Church.

Springfield will miss him. His going will be a great loss to Springfield—and a gain for Roselle Park.

What About Henshaw Traffic Light?

There was a story last week that the Traffic Safety Bureau of the State Highway Department was rushing the installation of a traffic light at a dangerous intersection in the Madison-Chatham area. This is being done, the story continues, because of a death at that hazardous point last October.

Springfield residents have been beseeching the authorities to install a traffic light at the corner of Henshaw and Mountain avenues where both pedestrians and autoists have "near misses" every hour of the day. It is almost impossible to be careful at that intersection with cars speeding in all directions, and a car, attempting to come out of Henshaw avenue, might be held up forever with a timid driver behind the wheel.

Henshaw, Mountain and South Springfield avenue merge at this point. Because of the St. James; Florence Gaudineer and Raymond Chisholm Schools pouring out the children towards this intersection, the Township officials have made every effort to force some action by the Safety Bureau to install the traffic light.

That was done many, many months ago. The safety experts reported that a traffic light is needed but it is now entangled in a lot of political red tape. A fatality in the Madison-Chatham area brought quick action. Perhaps, the safety-bureau experts are waiting for a similar call in Springfield. Let us hope not.

We're back to subject of dining.

One definite indication that Springfield is growing is the fact that residents of nearby communities come to the Township to dine.

The Sip and Sup Drive-in restaurant, located at the corner of Morris and Springfield avenues, is especially popular with business and professional people who can't devote too much time for luncheon. Jack Bullock, general manager of this dining place, has his full staff on the job during the lunch hour so that he can give quick service to those who have limited time. A new addition to the Sip and Sup has been opened where more tables are available for those who want to dine indoors. The service for those who care to drive in and be served while sitting in their cars is still very popular.

Jack Powers of The Twigs has built up his luncheon business to such a point where diners very often have to wait for tables. The luncheon counter in the J. J. Newberry store, in the General Greene Shopping Center, is becoming one of the popular eating places and the China-Sky Restaurant, also in the shopping center, caters to those who like Chinese food.

Terry Dempsey's and Walter's Inn continue to "pack 'em in" for dinner and there are very few places where better roast beef and lobster can be found than at Dempsey, nor tastier Italian dishes at Walter's Inn.

One secret of Ernie Nagel's success as a Springfield merchant is that he is always ready to participate in any civic event, both through his check book and with some personal effort. The other secret of his success, of course, is that he has the merchandise and gives value for the prices he charges.

But you would never believe that this 200 pounds of brawn, built like a youthful athlete with slim waist and muscles that crackle your knuckles when he shakes hands, insists that every woman receives a carnation, with his compliments for Mother's Day. Nagel has ordered trays and trays of carnations to be distributed to his lady customers, free, this week end as his contribution to Mother's Day.

To Hold Annual Poppy Sale Here

Poppies worn to honor the memory of the war dead will be distributed on Friday, May 24 and Saturday May 25, by the women of the American Legion Auxiliary in Springfield.

Contributions given to the Auxiliary's "Poppy Girls" will be a principal source of support for the Auxiliary's work for disabled war veterans during the coming year. The money also will be used

in child welfare work for needy children of veterans.

While honoring those who died defending America, the American Legion Auxiliary asks that we also think of those who did not die but sacrificed health and strength in the nation's service. The sick and disabled veterans are still within reach of our help, and helping them is a continuous activity of the Auxiliary.

New Town Hall Addition May Be Ready In August

Springfield's \$400,000 expansion to the Municipal Building is coming along on schedule with township officials confident of an August 1 opening day.

Completes 35 Years With NJ Bell Telephone

David R. Brobst

David R. Brobst of Springfield, today celebrated his birthday and the completion of 35 years of service with the Bell Telephone System.

He is in charge of a group working on wire and cord development at Bell Telephone Laboratories. His telephone career began in 1922 with Western Electric Company's engineering department. This became Bell Labs in 1925 and Mr. Brobst continued his work with the newly established organization.

At Bell Labs he has been primarily occupied with the insulation of central office wires and cables. Among projects to which he has contributed are the adoption of a cellulose acetate lacquer over the textile covering of central office wires, purification of insulating fibers by the removal of water-soluble salts, the substitution of acetate rayon yarn for silk in wires and cables and the use of plastic jackets for switchboard cable covers. He has been awarded two patents as a result of his research on lacquers.

During World War II he was engaged in the design and construction of corona testing equipment and computer networks for the Armed Forces.

Mr. Brobst was awarded an E.E. degree by Lehigh University in 1917. The Polytechnic Institute of Brooklyn conferred a M.E.E. (Continued on page 2)

Sees Bigger Springfield With Relocated Route 22

Elmer L. Walker, builder and owner of two of the Township's very fine apartment houses, doesn't believe there should be any shrieks of horror because the realignment of the new Route 22 is scheduled to carve a path right smack through the Township.

"The Springfield officials," said Walker "fear loss of ratables and each resident, each home owner is concerned because the new Federal freeway may roar right through their living rooms. The preliminary information and the published maps have not actually pinpointed the exact route of the highway but no amount of shouting and fist shaking will stop the bulldozers and steam shovels when the work actually gets under way. "However, if Springfield can brace itself against the immediate

impact of lost ratables, some razed homes and a few adjustments, the Township should eventually benefit considerably from such a highway. This doesn't mean that the Township should throw its arms around the State Highway Department and the Federal Road Bureau and meekly accept any new road plan. Springfield can rest assured that its officials are alerted and will carefully watch every move before the

"This building has been planned for the ultimate expansion of the township," declared township committee member Raymond W. Forbes last week. "We should never have to add anything to our town hall facilities."

Forbes, who is in charge of the details of the building project, gave the Springfield SUN a preview tour of the new building last week. The tour revealed many of the wonders of the new town hall, everything from a big new council chamber for township meetings to a small new padded cell in the jail.

The council chamber, which will double as the magistrate's court room, has been designed to lick an old Springfield problem - inability to hear what's going on. A new ceiling and a better seating arrangement for the audience will markedly improve the acoustics in the chamber.

Police Department
Forbes says that priority work is being done on finishing up the new police headquarters area so that they can be moved from their present location which will be remodeled for the fire department.

The new police department quarters are to be the latest word in law enforcement facilities. A photo lab, mug shot studio, pistol range, and 5 cell jail are features. The jail will include the before-mentioned padded cell, a women's cell, and a block of 3 men's cells.

The quarters for Chief Albert A. Sarge and his 25 men will be big and adequate for any expansion. In addition to the chief's office, there will be a superior police officer's office for the head man on duty night and day. There is a large officer's locker room in the basement complete with shower facilities so that policemen can change into their uniforms right at headquarters. Off this room is (Continued on page 7)

SPRINGFIELD'S SPRING CLEAN-UP, MAY 13 TO 25

Residents of Springfield are asked to start their Spring cleaning to coincide with the annual clean-up weeks which start next Monday, May 13 and continue until Saturday, May 25.

Rubbish, tree trimmings and other material now cluttering up cellars, attics and garages will be carted away by the Springfield scavenger on the regular collection days.

Township Committeeman Vincent J. Bonadies under whose department this annual clean-up program has been arranged, requests all residents to cooperate by preparing and placing all material at the curb the night before the regular days for collection.

Bill Jensen to MC Methodist Amateur Show

Bill C. Jensen

Bill C. Jensen, popular youth leader, and one of Springfield's biggest civic boosters, again has been chosen Master of Ceremonies for the Second Annual Amateur Contest sponsored by the Methodist Men's Club.

A longtime resident of Springfield, Bill Jensen is well-known for his work with youth. He is a former YMCA Physical Director and used to operate a summer camp for boys, Jensen, who lives at 126 Meisel Avenue, also is a charter member of the Springfield Lions Club, a veteran of World War I. Award Contract For Roadway in Meisel Avenue

The State Highway Department has announced it has awarded a contract for reconstruction of Meisel Avenue, from Route 24 to South Springfield Avenue, in Springfield Township, Union County, to the Marsellis-Warner Corp., Montclair.

The firm's bid of \$133,204.36 was the lowest of seven received on the project by the Department April 16.

The proposed work is to be done as part of the federal aid program for secondary roads. Under the provisions of this program the county in which the work is to be performed and the federal government share equally in the cost. The State Highway Department advises in the preparation of and reviews the plans and specifications for the project, receives bids and awards the contract, and furnishes trained inspectors during construction.

The present paved surface of Meisel Avenue is 222 feet wide and consists of bituminous concrete laid on a concrete base. The (Continued on page 2)

To Attend Special Management Meet

David D. Hecht

David D. Hecht, 22 North Derby road, will join 40 other management officials selected from leading companies throughout the United States for an Executive Development Program to be held next month at the Graduate School of Business and Public Administration, Cornell University.

The group of 40 executives will convene at Ithaca, N. Y., on June 18, for a six-week period of intensive study of new developments in top-level corporate management procedures.

Mr. Hecht is associated with (Continued on page 2)

The funds contributed in Springfield and the other communities of Union County will be used to continue and improve the services the Union County Association for Mental Health provides. These include: securing free hospitalization for medically indigent patients, grants for psychiatric clinic treatment, providing free outpatient occupational therapy, prevention through education, operating an information service on available facilities and bringing to Springfield and the other communities in Union County the benefits of statewide and nationwide programs of research, modern care and treatment, education and service.

New types of services which the Association will work toward the establishment of are: day hospitals, night hospitals, the admission of selected mental patients to general hospitals to receive treatment without being isolated from surgical and medical patients; special facilities for aged mental patients, psychologists as consultants in day care centers, and an (Continued on page 7)

7 Couples Honored

Seven silver anniversary couples from Springfield were honored last Sunday at the Third Annual Cana Hod: at Sacred Heart Cathedral, Newark.

They were: Mr. and Mrs. Al Meslar, Mr. and Mrs. Joseph Donato, Mr. and Mrs. Richard Knapp, Mr. and Mrs. John Madura, Mr. and Mrs. Herbert Bischoff, Mr. and Mrs. E. J. Engel and Mr. and Mrs. Anton Geiger.

Local Official Asks Study On New Route 22

Henry Grabarz, Chairman of the Municipal Planning Board revealed today he has sent a telegram to State Highway Commissioner Dwight R. G. Palmer urging a comprehensive study of the realignment of Route 22 before a decision is made of its Springfield path.

"I pointed out to the Commissioner that with a slight deviation from the proposed path of the limited access highway it will be possible to save hundreds of thousands of dollars of Township ratables and still retain a direct route over a section inhabited by relatively few persons," the Planning Board Chairman said.

"Members of the Planning Board are unanimous in opposition to any move that would damage zoning or planning projects in the Township. For years the Board has been alert against any move that would be detrimental to the economic status of the community.

"As head of the Planning Board I shall be in constant communication with State Highway officials and, if necessary, also with Federal road-agency executives. Despite the fact that this highway may not be built for several years it is certainly necessary, to obtain all facts connected with its ultimate construction and to follow closely all developments.

Needs Close Study

"Springfield has too much to lose by having Route 22 and possibly the Goethals Bridge spur cutting into our key areas to permit any highway plans to be made without making a close study in detriment to the Township. Mayor Binder has sounded the keynote against this usurpation of local governmental rights and the Planning Board is waging an all-out campaign in similar vein to (Continued on page 6)

NAMED MANGER—Donald A. Haas, 85 Laurel Drive, has been appointed Administrative Manager of Damar Products, Inc., Mrs. Dorothy Damar, Damar Stores, and around the Women Shoppers Clubs. Haas has been controller of Damar Companies since 1953. Prior to that he was associated with Saratoga Co. and with Curtis Wright as Assistant Controller. He received his A.B. at Brown University and attended graduate school at Columbia University.

Charter Study Group Plans to Meet May 15

Plans for the proposed Charter Study program in Springfield are well under way and a meeting of the organization is scheduled for next Wednesday, May 15.

Howard Flammer, president of the study group, has extended an invitation to all residents of Springfield to join the organization. Information can be had by calling him at DRexel 6-1494. The officers of the Charter Study group, named and approved at the April 25 meeting, are: president, Howard Flammer; vice president, Paul Murphy; vice president, Julius Kazin; treasurer, Walter Baldwin; recording secretary, Ruth Rang; and corresponding secretary, Dr. Stanley Freeman.

Below is the third of a series of articles on Charter Study presented by the Springfield League of Women Voters. Previous articles answered questions on New Jersey Charter Study Law, the qualifications and duties of the Charter Study Commission members as well as how they are elected.

What Is the Role of the Voters?

They should take an active interest in the work of the Commission. This means that they may attend public meetings and hearings and participate in them. Remember, the Commission is an agent of the citizens, elected by them. It needs their viewpoint. If it is to formulate sound recommendations, worthy of public acceptance, it must get enough data to support its views, and it must give serious consideration to opinions voiced.

If the Commission and the peo- (Continued on page 6)

Pat Prince Named Miss Springfield

Patricia Prince

The effects of Union County's Centennial Celebration were felt at Springfield's Regional High School on May 1st, when Miss Patricia Prince of 40 Hillside Ave. was chosen "Miss Springfield."

Patricia, who is a senior at Regional, was selected from among all the senior girls to represent Springfield in the forthcoming Centennial Celebration week May 19th through May 25th.

The honor came as a complete surprise to Pat who will participate in the festive county-wide activities planned. She will appear in the historical pageant to be held in Warranance Park, and may also ride on the town's official float in the county parade to be held Saturday, May 25th.

The two runners-up in the contest, Patricia Baker and Carol Leaykraft, will also participate in the week's activities.

But if this new highway causes Springfield to lose some ratables, because some one family home are in the path of progress, it isn't such a calamity as compared with the overall advantages that time will bring to the community. One family home, with the usual average of children to be educated represent a loss as far as taxes are concerned. Apartment houses have a very small number of children who must cost the municipality something like \$360. to educate each youngster.

"If Springfield loses one family home because of the new road and replaces them with other ratables - as was done along other highways - the Township will find its tax situation much improved. I see a great future for Spring-

Program and refreshments are being handled by the Mesdames Philip Kaufman, Leonard Golden, Jerome Fingerhut, David Hendlin and Philip Pedinoff.

Stained glass is the only art in the service of Christian worship that was developed entirely during the Christian era. From its primitive beginning in the Third and Fourth centuries it rose to the height of its glory in the 12th and 13th centuries in the cathedrals of England and France. Those two centuries have been called the "Golden Age of Stained Glass."

final plans are accepted. We can all be confident that Springfield's Township Committee will battle against any plan to elevate or depress the roadway through the Township.

"We know, according to the information now available, that the new highway is certain to come through the Township. It will tear through a few residences, scrape along several pieces of business property and carry away some ratables. But we mustn't forget that, with time, property values will increase and Springfield will more than recapture the ratables lost because of the new highway. In fact, the new road should improve business in general for Morris avenue and commercial property values should increase all along the line."

3 Bamberger Starlets To Graduate Saturday

Three Springfield girls will graduate from Bamberger's Starlet Finishing School this Saturday. They are Jan Forster, Rita Lester and Phyllis Kaplan. Miss Forster was selected by members of Bamberger's fashion and cosmetics department as one of the most promising models of the class. The Starlet Finishing School is a four week charn school conducted by Bamberger's for teen-age girls.

Residents Honored By Church Society

The annual May luncheon of the Ladies' Benevolent Society of the First Presbyterian Church was held on May 1 at Washington House in Watchung, under the chairmanship of Mrs. Harvey Deurer. New members, who had joined the organization during the past year, were honored as well as a group of special guests, ladies from the Presbyterian Home at Belvidere, who have been "adopted" by the Society. Three members who received special recognition for their long record of service to the society were Miss Lizzie Kessler, Mrs. Frank Meisel and Mrs. Clifford Willis. Mrs. Frederick C. Ward, President of the Elizabeth Presbyterian Church conferred a pin and certificate of honorary members on each as follows: Miss Kessler, Board of National Missions; Mrs. Meisel, Board of Foreign Missions; Mrs. Willis, Board of Christian Education. Mrs. Benjamin Woodruff, a past president who received honorary membership in 1948, and who holds the longest continuous membership in the Society, was given a farewell gift in recognition of her many years of loyal service. Mrs. Woodruff will soon be leaving

Springfield to make her home in Winchester, Virginia.

Following the luncheon, Mrs. Eugene McGraw, of the Methodist Board of Foreign Missions, who has been serving with her husband as a missionary in Malaya, gave an inspiring and educational talk about the people of Malaya, their current problems and the helpful work of Christian schools there. Mr. and Mrs. McGraw are residing in Springfield while on furlough.

Graham Followers Charter Two Buses

Local followers of the Evangelist Billy Graham crusade which opens in Madison Square Garden May 15 has chartered busses to transport the Springfield contingent to one of the meetings.

Arrangements have been made for two busses to leave from in front of the Regional High School on Friday, May 24, at 6 p.m. The chartered busses will wait for the Springfield group at the New York City meeting place and make a return trip for a nominal cost. The Billy Graham crusade will continue for, at least, six weeks at Madison Square Garden and many in this area plan to attend other than the May 24 bus trip occasion. For details and reservations for the May 24 bus round trip local residents are asked to call William Oertel, 193 Henshaw avenue, at DRexel 9-4178 or Ray Schneiderman, 24 Shunpike road, at DRexel 6-2088. Reservations must be in by Sunday evening, May 19 as 100 seats have been guaranteed for Springfield on the May 24 bus trip.

DECORATING FOR SHOW—Members of the Ladies' Benevolent Society of the Presbyterian Church get set to hang the nautical decorations which will carry out the "Sun and sea" theme for their Fashion Show to be held next Wednesday. Left to right—Mrs. Glenn W. Oyster, show chairman; Mrs. Donald Lenny and Mrs. John Hoffman, co-chairmen of the Decoration Committee.

V.F.W. Cops 2 To Win Championship

The V.F.W. Mavericks took two out of three this week to nose out the Lynn Decorators for first place. With three games to play and two games out in front the Vets only had to win one game for first place, but tension was high when the powerful Lynn team won the opener by 11 pins. The second game was fought pin for pin with the Mavericks rolling one of their highest scores this season, a 984, which not only won the game, but clinched the title. The third game was won by the Mavericks and left them three games in front.

Church Ladies to Hold Fashion Show

There will be a nautical air about the Sun and Sea Fashion Show to be presented by the Evening Group of the Ladies' Benevolent Society of the Presbyterian Church next Wednesday, May 15th at 8:30 in the Parish House. Mrs. Dara Sweicher, manager of the Babs Shop in Summit, promises an exciting evening for all with delightful ideas for your summer living. Clothes will be modeled by Mrs. Thomas Phelps, Mrs. Donald Lenny, Mrs. William Anderson, Mrs. Lemuel Stevens, Mrs. Max Kuehn, Mrs. S. N. Hettlinger, Mrs. John Hoffman all members of the group with Miss Dorothy Fahr modeling teenage clothes. Hair styles for the models will be created by Mrs. E. T. Whitbeck of Marion's Beauty Shop.

To add to your enjoyment there will be the "mystery costume" with the winner receiving a \$10 gift certificate from the Babs Shop and door prizes. Refreshments will be served below deck immediately after the show. Mrs. Glenn Oyster is chairman of the affair. Tickets are available from any member of the group or at the Church office, but you better hurry.

The discovery of a graven hand, representing the ancient Hand of the Ulster symbol, has led to the identification of the tombstone of the 17th Century Irish patriot, Sr. Neal O'Neill, who died in Waterford, Ireland, of wounds received at the Battle of Boyne in 1690. The hand has been reported missing from an 800-year-old church at Greyfriars, Waterford.

READ THIS STARTLING FACT
5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none give you Any of Pontiac's Advantages

PONTIAC'S PERFORMANCE TOPS THE BEST THE SMALL CARS CAN OFFER—BY A WIDE MARGIN!

Not one of the smaller cars can measure up to Pontiac Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging feet and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavy-weight you ever managed—and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the most docile package of might you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't possibly equal.

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Here's extra length that brackets the bumps instead of riding on them. And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive Level-Line Ride no car at any price can surpass... and a built-in sense of direction and security that will spoil you for the smaller cars forever!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

"Can You See, Steer, Stop Safely?... Check Your Car—Check Accidents."

**P.T.A.
NEWS**

Members of the Springfield Parent-Teacher Association who plan to attend the spring meeting of the Union County Council of Parent-Teacher Associations to be held on Thursday, May 16 at the Kawamech Junior High School in Union are the following: Mrs. George Lord, Mrs. T. O'Connell, Mrs. J. Frank Jakobsen, Mrs. Alan Cunningham, and Mrs. Ben Paul Yuckman, the local PTA president.

Mrs. George Lord, a member of the Union County PTA Choral Group, will sing in the chorus at the approaching County Council Meeting in Union.

Here is a message from the PTA president, Mrs. B. P. Yuckman. This message is directed to all members of the Springfield Parent-Teacher Association:

"The PTA Past President's Pin which was given to me at the March meeting will be a pleasant reminder of a year that has been both interesting and rewarding. I shall be proud to wear my pin at the County Council Meeting on May 9. As our reports are being tallied, we realize the excellent work that has been done by our PTA—it is indeed a pleasure to represent the Springfield PTA at the county meeting."

The publicity committee members, on behalf of the two thousand one hundred forty-five PTA members, agree that it has been a very interesting and rewarding year. Thanks to the PTA president for the many hours of unselfish service devoted to the Springfield PTA in this final year of its existence, and combined association.

Wednesday, May 8-7:00 a.m.
(Mrs. Edward J. Sulder)
(PTA Publicity Chairman)

Lutheran Ladies Hold Meeting

The Ladies' Guild of Holy Cross Lutheran Church held the regular meeting at the church May 1.

Mrs. Lee Benno, President will be delegate to the Annual Convention of "The Lutheran Women's Missionary League", held at Pocono Crest, Pa. on June 12 and 13. Mrs. Benno also gave a report on the spring rally of the L. W. M. L. Newark Zone held in Bloomfield at St. John's Lutheran Church last month.

Still being collected and turned over to missions are such items

as, white shirts for hospital gowns, old sheets, wool, knitting needles, old eye glasses, and stamps of which Mrs. E. Harelin is chairman. Mrs. K. Uvot has chaired and sent several layettes.

Betty Best of Princeton Laundry Foundation Inc., addressed the group and showed colored slides.

Refreshments were served by Mrs. K. Holmberg and Mrs. B. Jacobsen.

Completes Army School

Army Pvt. Henry S. Cook, whose wife, Madaline, lives at 78 Evergreen ave., Springfield, recently was graduated from the "clerk-typist and business machine operator" course at Fort Dix, N. J.

Cook entered the Army last December.

He is a 1956 graduate of Susquehanna University. The 23-year-old soldier is a member of Phi Mu Delta fraternity.

GIVEN RECOGNITION—Honored on National Secretary's Day were secretaries all over the country. Up at Ciba Pharmaceutical in Summit, Dr. Harold Bernhold pays tribute to his secretary, Mrs. Marlene Eick of 55 Rose Avenue by presenting her with a corsage of yellow roses for distinctive service as office diplomat, efficient expert, and last but not least—for being a good secretary.

Charter Study

(Continued on page 7)

ple-work together: if the Commission keeps the public informed; if the voters are willing to become more literate on the subject of their municipal government and seriously consider which form is best for their town regardless of the Commission findings, the result will be an alerted, more constructively active citizenry. Certainly, the closer the relationship developed through the study between the Commission and the voters, the better chance of the ultimate success of this cooperative venture in the field of municipal government as applied to a particular town—in this case, our town, Springfield.

What Will the Ballot Provide?

In order to save time, the ballot will submit both the question of a Charter Commission and, simultaneously, a list of members for that same Commission. If the people vote "yes" on the first public question, the Charter Commission would proceed according to law. If they vote "no", it would not come into being.

On the second public choice, the five candidates receiving the greatest number of votes would be elected. Regardless of a negative or affirmative vote on the first public question, the voter should give consideration to a selection of five members for the possible Charter Commission.

Local Official

(Continued from page 1)

protect municipal interests.

"This is a matter of vital concern not only to those whose homes may be wiped out if the proposed route is followed but to all taxpayers of Springfield. Elimination of these taxables will place a heavier burden on the others who pay taxes here. Our home owners, our merchants and our industrial operators will find that the move will result in increased costs.

"We are not opposed to progress

but as officials charged with the proper planning for the Township we do not believe highways for motorists should be laid down at the expense of individual communities when they can be mapped out just as efficiently to affect far fewer people.

"Route 22 obviously can be located where it will not so vitally affect so much valuable land here and will have less drastic consequences for adjoining municipalities as well. The Municipal Planning Board has studied all phases of the problem and my telegram to Commissioner Palmer is being followed by an offer to show the vast saving which may be accomplished through a relatively minor change of route.

"We certainly want the courtesy of being permitted to help prevent dislocation of scores of persons here. We are in an excellent position to aid in planning a less detrimental realignment. We certainly will press our recommendation for a route into the fringe area of Springfield and Millburn in all conferences that we hold with State and Federal officials.

"Planning embodies many responsibilities, one of which is to ascertain that moves for progress constitute an asset to this community and not a detriment. We will keep this objective before us in our talks on Route 22."

TO SPEAK—Arthur P. Wuth, TV lecturer will speak at a free public lecture given by the First Church of Christ, Scientist at the new Millburn High School on May 17 at 8:30 p.m.

ATTENDING DEDICATION CEREMONIES at new Clinical and Research Laboratories of Newark Beth Israel Hospital on Sunday, May 5; (reading left to right) Dr. Jerome G. Kaufman, 20 Forest drive, Springfield, President Medical Staff; Councilwoman Sophie Cooper of Newark; Mr. William Ettinger of 21 Archbridge lane, Springfield, in Newark; Mr. Robert B. Meyner, President of the Board of Health, Chairman of the Board of Health, and Mr. Victor Cabot of West Orange, President Women's Auxiliary. Mrs. Meyner, who attended with her husband, Governor Robert B. Meyner, cut the tape at the entrance of the new Laboratory.

New Town Hall

(Continued from page 1)
The new quad room, which will be an all purpose lounge, consultation room for briefings and meetings. The pistol shooting range is also in the basement.
Fire Department
Once the police department is moved out of their old quarters, the remodeling of the new fire department will begin, according to Forbes. When complete the fire eaters will enjoy a new dormitory upstairs. (They will enjoy it without the traditional fireman's pole to get downstairs quickly. Forbes says the firemen are apt to slide down the pole on top of each other causing delay and bumps on the head.) The dormitory is so rigged electrically that when the phone rings all the lights come on automatically.
Township Offices
The township offices in the front of the new building are plentiful and big. Township Clerk Eleonore Worthington will have a suite of three offices to handle her work. Other offices include the tax collector, township treasurer, tax assessor, Board of Health, building inspector, township engineer, Planning Board, Board of Adjustment and the judge's chambers. The Shade Tree Commission will share an office with the Recreation Commission. There is a huge airy drafting room for the engineers, and a caucus room for township officials to meet. The only office that doesn't have big windows on the outside is the Welfare office which didn't fare as well.
There is a separate entrance to the civil defense headquarters, which would in time of crisis become the nerve center for the entire town. There is a radio room and a planning room in the basement for this important function.
Forbes revealed that there is an auxiliary power plant in the building so that in any storm or crisis the police, fire department and civil defense units will always have power. Forbes says the building also, has four separate heating systems so the firemen can keep cool if the police want to make it hot.

Annual Mental

(Continued from page 1)
Industrial mental health center. In a day hospital, the patient receives active treatment of the hospital during the day but returns to the strength and warmth of his family or the community each night. Thus there is no breaking of the tie between the patient and the outside world. In a night hospital, the patient goes out to work during the day and returns to the hospital for necessary treatment. Many mental patients may do well during the working hours of the day—but with the night comes the anxiety; therefore they then need the strengthening support of an institution.

2nd Son To Hetzels

Mr. and Mrs. Kenneth R. Hetzel, Jr., of 9 Essex Road, have announced the birth of a son, Donald Paul, on Sunday, May 6, at Orange Memorial Hospital. The couple have another son, Glenn Braith. Mrs. Hetzel is the former Ann Laing of Metuchen.

LOSE UGLY FAT

IN TEN DAYS OR MONEY BACK
If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of "extra" pounds—easier than ever, so you can be as slim and healthy as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down. Because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight! with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

Breakfast Planned

A Committee was appointed to formulate plans for the annual Father & Son Communion Breakfast to be run by the Holy Name Society of St. James Church.
Unlike preceding years, the Communion Breakfast will be held the Sunday after Mothers Day, May 19.
The breakfast will be catered this year and a well-known sports figure will be the guest of honor. All tickets must be purchased in advance. No tickets will be sold at the door. Tickets may be obtained from any member of the Holy Name Society after every mass.

Springfield Artist Has Painting In N. Y. Exhibit

Mrs. R. H. (Merrel) Multhaup, 25 Lyons Place, recognized as one of New Jersey's leading artists, has one of her most recent paintings on exhibition at the National Academy Galleries in New York City where the exhibit will continue through Sunday, May 26.
Mrs. Multhaup is a member of the National Association of Women Artists under whose sponsorship the 65th annual exhibition is being held daily and Sundays from 1 to 5 p.m., except Saturday, May 18.
The title of the painting by the local artist is "Skyway," inspired by the bridge of the Garden State Parkway over South Amboy, and is attracting considerable attention at the exhibition.

CAMP CARTERET

In addition to the camp for boys and girls over six years of age, there is a camp for children two to six. Three sessions: June 10-June 28; July 1-July 26; July 29-August 23. Reg. Nurse. Hot Nutritious Lunch. Trained Teachers. Outdoor Play. Rhythmic. Water play, large concrete wading pools. Individual needs studied. Transportation. Request folder or phone. CAMP CARTERET. Mt. carried out, and it really was a "super duper" affair. We had never realized how many hot dogs, marshmallows, sodas and "banjoes" little girls' tummies would hold, but the relay races and hikes came in handy to take the place of a "run around the block." Mrs. Jacobsen and Mrs. Soos took good care of us at the refreshment stand, and Mrs. Zurawski and the leaders worked hard running off the races. The prizes were perky marigold plants which were a wonderful idea and can be transferred to the garden.

Troop No. 40 Mrs. P. Del Vecchio, leader Mrs. P. J. Feeney, co-leader Our troop made a recent trip to "Junior Frolics" in Newark, and it was fun to be on a real T. V. program and have cake to eat in the bargain. Mrs. Gettau and Mrs. Kaufhold went with our leaders to assist.

At the final council meeting held at the home of Mrs. Thomas Doherty, Mrs. Doherty and Mrs. Carl Ledig were presented "Thank You Badges," the highest honor in scouting for their devotion and service in many capacities to the Springfield Girl Scouts. Mrs. Doherty has served since

1945 to the present time, from '45 to '49 on the Council as Public Relations Chairman, from '49 to '51 as vice-president, from '52 to '53 once again on Public Relations and from '53 to the time of the merger into the Washington Rock Girl Scout Council, as president of the Springfield Council. During the 12 years she has also been a committee member at one time of Troop 1, an associate member and also a committee chairman of Troop 2. Mrs. Ledig since 1949 has served on the Council, first on Public Relations, then as Finance Chairman for 4 years and since '54 as treasurer. She too has done troop work as assistant leader of Troop 13. We are all indebted to these two able women and to many other council members and leaders who have done so much to keep Girl Scouting alive in Springfield through the years.

Holy Name Meets The next meeting of the Holy Name Society of St. James will be on Monday, May 13 after Novena.

Father Edwards will talk on the sacraments. After the meeting, Pizza Pie will be served.

Woman's Club News

Members of the Springfield Woman's Club enjoyed the talk and colored slide illustrations on some of the most famous gems at the May 1 meeting. Replicas were shown of the following: Cullinan I, pear shape, 536 carats; Cullinan II, cushion cut, 317 carats; Cullinan III, pear shape 95 carats; Orloff, rose cut, 199 carats; Regent, 140 carats; Jonker emerald; Florentine; double-cut rose shape, yellow stone, 137 carats; Koh I, 108 carats; and last but not least the Hope diamond, blue oval cut, weight 44 carats. Mrs. Merton D. Williams, president, was the presiding officer. Three new members: Mrs. William Doyle, 29 Mapes Ave., Mrs. Edward J. Cleton, 39 Marjorie Ave., Springfield and Mrs. Alfred Koppisch, Burlington Ave., Union, were installed and welcomed into the club by membership chairman, Mrs. DeForest E. Hilmyer. We hope these members will be happy in our midst and participate in our different departments. Mrs. Robert J. Hayes, was

elected Ways and Means Chairman. Members elected for the Nominating Committee were: Mrs. Gilbert E. Mann, Mrs. Amy Bandoemer, Mrs. Charles F. Beardsley and Mrs. Frank Johnson. Beautiful corsages and an elegant table center piece of pink carnations were made by the Garden Department Chairman, Mrs. Walter Anderson and some of the department members.

Refreshments were served by Mrs. Robert D. Hardgrove Jr., Hospitality Chairman, Mrs. Charles Miller Co-Chairman, and their very able committee, Mrs. Elmer E. Arnold, Mrs. Arthur Dauser, Mrs. Stanley V. McConkey and Mrs. William D. Wood.

Mrs. Henry P. Vance, Art Craft Chairman, had her organization meeting May 6th at the Cannon Ball House. Mrs. Merton Williams was hostess, she served a beautifully decorated cake in honor of the new chairman. With all of Mrs. Vance's future plans, the coming year promises to be a rip scorter. New members will be cordially welcomed. Mrs. Fred Spangler is Co-Chairman. American Home will hold its organization meeting Tuesday May 14th at the Cannon Ball

House. Mrs. William Peacock welcomes all new members to join her department. She is striving to organize a program everybody will enjoy. Hostesses for the evening will be Mrs. George M. Wilson and Mrs. William P. Wood. Mrs. Stanley W. McConkey is Co-Chairman.

Public Welfare Chairman Mrs. Wesley Lewandowski would like any member interested in signing up for assisting in various phases of Public Welfare. Committee's assignments please call her at DRexel 6-6047.

Haselmans Are Grandparents

If Mr. and Mrs. Haselmann of 37 "Mabel" Avenue appear to be unusually happy, it is because they became proud grandparents last Sunday. Their daughter, the former Bette Ann Haselmann; now Mrs. Gordon Becker of 49 Briant Parkway, Summit gave birth to Paul Frederick, a 7 pound, 11 ounce boy at Overlook Hospital, Summit, last Sunday night.

Fifty workmen were needed recently to wash the 67-year accumulation of dirt from the Eiffel Tower in Paris.

Your Library

It has been called to the attention of the Library Staff again and again that various organizations in town plan programs which overlap. This does not cause much inconvenience when it applies only to club meetings, but when a large program of entertainment which depends on the public for support is scheduled, conflicts are serious. During the renovation of the Springfield Library, recording of events was difficult, and without telephone service, was even more difficult for the public wishing to consult it. Now that the Library is working on its regular schedule, an effort is being made to bring the calendar up-to-date. So far the calendar cannot be hung in a public place, because a new bulletin board is not ready. However, everyone on the Springfield staff knows where it is and will be glad (1) to point the calendar out, (2) to take a record of dates reserved, and (3) to give information by telephone of events already scheduled. At the same time, work is being done on a directory. The Library personnel themselves learned how

much it is needed when they tried to send invitations for the open house to all town leaders. It would certainly help everyone in town to have all organizations, with their officers, registered at the Library. At the present time, Mrs. Morin, who formerly was a member of the Union Library Staff, is working for a few months in Springfield. She already has done fine work on revising the Information File. This is made up of pamphlets, clippings, and pictures which with current problems. The increased space in the Springfield Library has also necessitated an increase in personnel. Recently, the following have volunteered their services for one day a week to help out: Mrs. Donald Baker, Mrs. James H. Chalmers, Mrs. J. W. Davidson, Mrs. Bruce W. Evans, Mrs. H. A. Flammer, Mrs. William C. Frey, Mrs. H. G. Nenniger, Miss Ann Reilly, Mrs. K. R. Tallan, and Mrs. William O. Vincent, Jr. To the regular pages: Patricia Durand, Laura Jeanne Libby, and Joyce Harrigan, who help after school and on Saturdays; the following have been added: Katherine Slipka, Joyce Holmberg, Judy

J. H. Cain, Born In Town, Dies At 88

Jesse Hoffman Cain of 32 Blacks Lane died last Sunday after a brief illness. He was 88. Cain was born in Springfield and lived here most of his life. He is survived by his sister, Mrs. Harriet Worthington of Hamburg, N. J., a son, Burnett Cain of Union and a daughter Mrs. J. Wilson of Columbus, Ohio, five grandchildren and two great grandchildren. Funeral services were held yesterday at Young's Funeral Home, Millburn with Rev. Bruce Evans of the First Presbyterian Church officiating. Interment will be at the Mt. Pleasant Cemetery in Newark.

Local PTA Pays Honor To Officers

Five superior officers were honored recently by Local 76, PBA at a dinner held at Old Evergreen Lodge. Police Chief Albert A. Sorge

was presented a check for \$100. PBA members told him it was for-use while he is attending the international convention of the Chiefs of Police Assn. in Hawaii. Lt. Otto Sturm received a gold wrist watch. The presentation was made in tribute to completing 20 years in the department. Sgt. Daniel-Maidling was presented a silver life membership card. Presentations of past president's pins were made to Sgts.

Vincent Pinkava and George Parsell. Cuff links were given members of the softball team sponsored by the local. The softball players presented their championship trophy to the PBA. They also presented a trophy to Patrolman Delno Tompkins, PBA treasurer, who did much of the bookwork involved in sponsorship of the team. Presentations were made by Patrolman John Wentz, local president. A roast beef and venison dinner was served.

Bowling Season Ends With Springfield Market On Top

The 1956-57 bowling season ended Monday night for the Springfield Bowling League with Springfield Market on top of the heap by four and a half games.

The Market Bowlers celebrated the last session of the season by winning 184 out of three from American Legion No. 2. The defeat came in the final frame which they lost by half-a-game to Brunner, Excavating who whopped Drake's Fuel 2-1 in the finale.

Parkview Garage wound up the season in second place with sixty-two victories and one tie game. They lost their last game to Frank's Auto Service by one point Monday night - 901 to 900. But two earlier victories assured them the evening.

D'Amica Driveways scored the only sweep of the last night by overwhelming Brunel Brothers.

Early Rally Wins For Schaible Oil

In the second game of a double header played on MEIST Field on opening day, Bruno Becker's Schaible Oil team hacked out its first win over Tom Dougherty's Angletons. Twenty-nine men saw action and all the scoring on both sides was done in the first, second and fourth innings.

Vignie Caprio started the game for the Schaibles and pitched well and was given credit for the win. Den Dujaboy pitched the last three-innings and held the Angletons at bay while his team finally scored a total of seven runs in play 7-3. The Schaible infield played well. George Scholze came in with a gam at third base when

he fiddled a grounder with his bare hand and threw his man out at first in one motion. Richie Baker did a great job around second base. Manager Becker was particularly gratified to see newcomers Buckalew, Lucarielli and Fischhorn come thru in the hitting department.

Catcher Ed Bloom was the big gun for the losing Angletons getting three hits including a double in his three trips to the plate. Tom Marino was credited with the loss, but his style promises to give opposing batters plenty of trouble in the future. Eugene Becker proved effective in his brief relief stint. Richard Utzal who collected two hits in his three trips to the plate also got a double. John Lynch was hurt but fortunately will be able to play again as soon as his bruised finger heals.

The Green Sox snapped back last Thursday to show why they are the defending champs of the St. James Baseball League by defeating a strong Black Sox team 3-0.

The Blue Sox kept their big bats hot and out slugged a determined Red Sox team 4-1. Highlights of the major league play was: Ken Gorallo's shutout relief job for the Blue Sox after coming on in the second inning, Pelersen's long triple for the Red Sox, Joe Slipka's shutout pitching for the Green Sox, including 10 strike outs and allowing only 2 hits, Perella's excellent 12-strike out pitching for the Black Sox.

The Red Sox beat the Blue Sox 9-3, and the Black Sox beat the Green Sox 8-1.

Highlights of this action were: Beyer's home run with bases loaded for the Blue Sox, and Hank Bultman's home run.

The "Nine O'Clock Gun" has been booming nightly on that hour in the Norfolk and Portsmouth, Virginia Navy Yards for 90 years.

Ed Baumer

Ed Baumer lives at 41 Colonial terrace, Springfield and has been a patrolman for two years. He is married and has two sons, Philip 19 and Stephan 8 years old. Ed moved to Springfield three years before the war and has been married 12 years.

Ed is a better bowler than his 170 average indicates, but is handicapped by his irregular hours on the police force and does not bowl regularly. Everyone would like to duplicate his beautiful, natural hook that causes a lot of pin action. Bowling agent man for the P.B.A. team, he has helped to win many important games this year, but the P.B.A. having a different lineup every week could not get out of the cellar all season.

Ed bowled many years ago, but has only been bowling in the Springfield League for two years. He has many 200 games this season and had a 182 average until he fell into a mid-season slump. Next season should see a big improvement in his scores and with a little help his team could well lead the league.

St. James Openers See Top Pitching

A capacity crowd attended the St. James Baseball League opening day ceremonies Tuesday evening, April 30. Father Oehling introduced the guest of honor, Commissioner Vince Bonadies who presented UNICO, a major sponsor in the league's minor league group.

Mr. Bonadies threw out the first ball and the season was under way. Two games were played in both the major and the minor leagues.

In the major league, the Blue Sox got off to a good start setting down the Green Sox, last year's champs, 14-0. The Black Sox beat the Red Sox 8-2.

Since no 2-inning was not in playing condition opening night, this game was declared a practice game by the officials. Over in the minor league, things got off with a real pitching duel in both games. The Green Sox and the Blue Sox had their game called because of darkness with the score tied at 3-3. The Red Sox shut out the Black Sox 3-0.

Highlights of the day's play were: Major-league: Johnson's based loaded home run, Perelli's unassisted double play, Catula's backhand stab of a line drive to stop a rally. Minor league: Gilligan's base hit to drive in 2 runs, Veglia's air-tight relief pitching, Plante's 3-bagger to drive in 2 runs, Jim Lie's home run, the high standard of pitching by Fred Brown and Mageean.

Tax Collections Higher Than 1956

Tax collections for Springfield in April of this year were ahead of the same month of 1956, the total for last month being \$670,850.78 against \$562,463.66 in 1956, according to the regular report by Charles H. Huff, Collector of Taxes.

The month itself saw \$184,000 come in to the Township's treasury compared to the \$153,399 for the same month in 1956.

Actual 1957 taxes paid in April amounted to \$178,451 and Collector Huff was also happy to receive \$1708 which was due on 1956 taxes. The total amount of delinquent taxes received so far by the tax collector's office amounts to \$21,785. One check for \$12.80 was received in payment of taxes due for 1956, and another for \$14.34 representing 1951 taxes.
