## Springfield Is To Participate In Centennial

Springfield will participate in the Union County Centennial Week which starts this Sunday, May 19, and ends with a mobile float parade and a dinner Saturday, May 25.

A special float is being prepared for Springfield, depicting an historical incident, to be part of the parade which starts in Plainfield and terminates in Warinanco Park.

Township Committeeman Vincent J. Bonadies was authorized to prepare Springfield's float and selections were made Miss Patricia Prince, 17, of 40 Hillside avenue, as of "Miss Springfield" and her two attendants, Miss Carol Leaycraft and Miss Patricia Baker to ride on the float in the parade.

Charles Beardsley is Springfield's chairman is the centennial arrangements and Ralph Feldman is pageant chairman. He reported that the plans for the pageant were well under way. He explained that performances will be at Warinanco Park with tags being distributed for each night and that the time, work and expenses involved made it more feasible than having it in three sections of the county. The Westfield Glee Club will supply the music.

The Springfield Schools are marking the hundred years of progress in the county in a variety of ways. School assemblies will be used to recall the historic (Continued on page 10)

## Health Board To Investigate Quarry Smoke

Springfield's Board of Health authorities have been asked to do something about eliminating the smoke, soot and fumes now becoming a nuisance to residents in the Shumpike Road area, near the North Jersey Quarry property.

Township Sanitarian Arthur L. Marshall has made several inspections in that area and discovered that a great deal of the air pollution and smoke can be traced to "an old, antiquated steam shovel being operated by the quarry people."

The quarry is now being operated by the Houdaille Construction Equipment, Inc., having purchased and taken over the North Jersey Quarry Company recently.

The complaints by residents in that Shumpike Road-quarry area say that, when the wind is in a certain direction, the entire neighborhood is covered with soot and smoke. Sanitarian Marshall says his inspection will continue and official action will be taken by the Springfield Board of Health after representatives from the New Jersey State Department of Health come to Springfield and investigate the cause of the heavy smoke now being spewed forth from the quarry operation.

## Unico Selects Miss Gaudineer For 1957 Award

The Springfield Chapter of Unico National will sponsor an "I Am An American Day" program on Sunday, June 23, with an award for "the outstanding citizen of the year" to Miss Florence Gaudineer, local school nurse.

The best citizen award will be made at a dinner to be held at Club Diana, June 23 at 6 o'clock with a program that is expected to include a well known speaker. Frank Defino, general chairman of the big Union event, in announcing that Miss Gaudineer had been selected for the honor, made the following statement: "Have you noticed the 'I Am An American Day' signs and stickers that have suddenly become prevalent throughout Springfield? Many people have wondered about the significance of this fine expression by the Springfield Chapter of Unico National.

Selection Unanimous "Now it can be told," continued Defino, "that our own beloved Florence Gaudineer has been selected by Springfield Unico as the outstanding citizen of the year. There isn't a person in town more deserving or more qualified, in view of the fact that she has devoted her life to helping others. Florence Gaudineer is the unanimous choice for the honors bestowed upon her. She has given unstintingly of her time, her finances, and her efforts for many years. She is loved and respected by all. Her charity encompasses all ages, all nationalities, all colors, and all creeds. She is truly the champion of the youth of Springfield.

"On June 23, 1957, at 6 p.m. the affair at the Club Diana will commence. The entire proceeds of this affair will go to charity. Every merchant in town, by that time, will probably be sporting an 'I Am An American Day' sign or sticker. Ceremonies during the afternoon preliminaries will be conducted with the help of the American Legion and the V.F.W. Many dignitaries will be present to honor this noteworthy personage.

Name Committee "In the near future announcements will be made concerning Florence Gaudineer and her fabulous work. "A wonderful program has been (Continued on page 2)

## Remlinger Named Bell Office Head

Charles Remlinger

Charles Remlinger of 230 Riverside Drive was promoted to the post of office manager this week by Raymond Bell, head of the real estate and insurance firm of Ray Bell & Associates, Union. For the past two years, Remlinger has served as Bell's development sales manager.

Remlinger, who resides in Springfield, with his wife and two children is a former member of the Springfield Township Committee and Planning Board. He is a charter member of the Springfield Rotary Club and one of its past presidents.

In his new position, Remlinger will direct the activities of 18 sales people in new and used residential property, commercial, business, and investment leases and sales. Remlinger started in the real estate business with the Bell firm about five years ago as a development salesman. He has held a broker's license for more than a year.

## State Road Boss Finally Writes To Springfield

Dwight R. G. Palmer, New Jersey's Highway Commissioner, evidently doesn't think much of Springfield. He doesn't answer letters from members of the governing body who have been imporing him to spend a few piddling dollars of the Highway Department's many, many millions to cover up the hazardous, exposed trolley tracks on Morris avenue.

## Deborah Installs Officers On Tues.

Mrs. Alan Borsky

Miller, past president of Newark Chapter of Deborah and a member of National Deborah Speakers Bureau.

To be installed as incoming officers for the year are: President, Mrs. Alan Borsky; Donor Vice-President, Mrs. Louis Sponick; Ways & Means Vice-President, Mrs. Jack Silverman; Membership Vice-President, Mrs. Sherwin Goodman; Program Vice-President, Mrs. Norman Stroymer; Merchandise Vice-President, (Continued on page 2)

## Residents Help In Clean-Up Program Here

Springfield's clean-up program which started Monday and will continue and include Saturday, May 25, got off with a bang. If the Township Department of Public Affairs can get the cooperation of the residents in properly preparing the refuse for the regular collections, there Springfield should be just about the cleanest town in the state.

"Springfield residents are doing a fine job in observing the rules we arranged with the scavenger," said Township Committeeman Vincent J. Bonadies, under whose supervision this annual clean-up program is being held, "but some of the home owners are still placing refuse on the curb without following instructions. For instance, we made a tour of the Township Monday evening and the scavenger pointed out some refuse which his men could not carry away.

In one case the resident had placed a bed with mattress at the curb. It would help the collectors if the headboards had been separated from the rest of the bed. The men in charge of the collection trucks do not carry tools with them.

"Another load which is giving the scavenger trouble is a high pile-up of tree branches. The drivers can't cut these trees into shorter lengths so as to fit this type of refuse in the truck. The owner should help by breaking up all refuse so that it can be handled by the scavenger's men.

Very Pleased "We're very pleased," continued Bonadies, "with the response and cooperation of Springfield's residents (Continued on page 8)

## ORT To Lunch At Waldorf Astoria

Mrs. Daniel D. Hecht

Mrs. Daniel D. Hecht of 22 North Derby Road will act as chairman for the Springfield Chapter of women's American O. R. T. for the Honor Roll Membership Luncheon being held in the Starlight Room of the Waldorf Astoria Hotel, New York, on Wednesday, May 22 and in the Grand Ballroom of the Waldorf Astoria on Sunday, May 26. Mrs. Larry Buzin of 164 Wentz Avenue will act as co-chairman of the luncheon for the Springfield chapter. Mrs. Ivan Crouch is the present president of the Springfield Chapter.

The Honor Roll Membership Luncheon is being presented by the North Central Jersey Region of Women's American O. R. T. with 16 chapters participating. A grand total of 1,500 members and guests are expected to attend the luncheon on both days.

Joanne Reynolds, noted stage and television star, will be guest entertainer. Buses will leave the Municipal Parking Lot, Springfield, promptly at 11:45 a.m. on both Wednesday and Sunday.

## First Aiders Are Kept Busy Through April

Activity reports, made at the regular business meeting of the Springfield First Aid Squad held this week, revealed that another record number of calls was reached during April. Forty-three calls were reported during the month—over 70% higher than the number recorded during the same month a year ago.

Twenty-one emergencies were attended by the squad as well as twenty-two transportations to or from a hospital or clinic. Included were 3 automobile accidents, 9 home accidents, one industrial accident and 30 illnesses either for emergency care or transportation.

Seven tanks of oxygen were used. The two ambulances maintained by the first aid squad travelled a total of 621 miles and members put in 161 hours of duty throughout the month.

The squad is on call 24 hours a day, every day, for the use of Springfield residents. To reach the squad, residents should call police headquarters—DRexel 6-0400.

Squad headquarters is located on North Trivett street, opposite Town Hall.

## Parade Plans Set For Memorial Day

Tentative plans for the Memorial Day Parade to be held in Springfield on May 30 have been announced by Steve Schmidt, V.F.W. Commander in charge of parade arrangements.

Herbert Day, who will be Grand Marshall of the parade, has served on the Memorial Day committee for the past 20 years; was the first Grand Marshall back in 1934 and first commander of the American Legion in 1951.

Marching units in the parade will include the members of the Police Department, Firemen, V.F.W. American Legion and their Auxiliaries; Civil Air Patrol; First Aid Squad—boy and girl scouts; and invited servicemen and women and Red Cross units. Final line-up of bands will be announced later.

The parade will start on 9 a.m. on Memorial Day at the Town Green and proceed to Main Street for ceremonies at the Methodist and Presbyterian cemeteries; then to Taylor Park, Millburn. There Millburn units will join the parade which will continue on Millburn Avenue to Short Hills Avenue, down Morris Avenue and disperse at the Town Green. Rev. Bruce W. Evans will officiate at the cemetery rites.

## Youth Center Abandoned: "No Need at This Time"

The idea of a youth center building for Springfield has been abandoned.

This decision came Monday evening when the special committee named to explore the need of such a center made its report at a meeting held in the Public Library.

The committee to investigate all phases of the proposal has been at work for several weeks and the report, formally submitted Monday night, stated that "it is the unanimous decision of this committee that there is no need to provide an extensive youth center building in Springfield at this time."

First reports that such a proposal was being considered in the Township resulted in considerable enthusiasm and practically every organization, every group in Springfield was represented at a public meeting held in the American Legion Headquarters February 19. The matter was thoroughly discussed and a 12-man committee was named to investigate centers in neighboring communities and examine the need for such a program in Springfield.

Announcement that there was a plan to construct a youth center in Springfield brought several voluntary contributions, among which was a check for \$1,000 given to the preliminary committee by Lawrence Chidester, president of

Carter Bell Corp. This contribution was followed by offers of several other large amounts but it was decided not to accept any more financial aid until a permanent organization had been formed and a definite decision made on whether or not to proceed with the center. "The report which recommended that the idea of a youth center should be dropped at this time, was signed by Joseph A. Bender for the committee. The report included the following basic reasons for arriving at the decision: 1. The additional annual cost to the taxpayers which would be required to maintain a full fledged Youth Center and the personnel commensurate with such facilities would be a financial burden that cannot be justified at this time. 2. We are currently receiving excellent value for each tax dollar expended for recreation and fell that our program for the pres- (Continued on page 8)

Show Judges to Be Chosen From Crowd

Three judges for each of the three evenings of the Methodist Men's Second Annual Amateur Show will be selected directly from the audiences at Regional High School on Thursday, Friday and Saturday (May 16, 17 and 18) at the 8:00 p.m. presentations, according to a statement issued today by Harry V. Webb, General Chairman.

Stated Mr. Webb: "In a novel idea approved by the Men's Club, this year we shall select the judges each evening of the contest directly from the audience, with their decisions based solely on the reading of the electronic meter. This will make the decisions as representative and as fair as possible."

All of the 50 acts will receive \$5.00 in Savings Stamps, and the winners picked from the 30 who last year competed before 2000 people, and who are selected on Thursday and Friday nights, will compete on Saturday night for the \$100 Savings Bond, first prize; \$50 Savings Bond, second prize; and \$25 Savings Bond, third prize.

Mother's Guild To Meet Monday

"The Mother's Guild of St. James School, Springfield will hold its regular monthly meeting on Monday evening, May 20, at 8:30 P.M. in the school cafeteria after the Novena Services. Mrs. Helen James, President of the Guild, has announced that there will be the election and installation of new officers. After the meeting, refreshments will be served in the school cafeteria by a committee of First Grade Mothers."

All cases of chest cancer are treated and the tuberculosis sanatorium has a high rate. The institution is supported solely by private funds from various chapters along the eastern seaboard.

State Road

(Continued from page 1) the Highway Department had to do with the relocation of Route 27 which, according to the preliminary maps, would come through Springfield. Grabarz dispatched a day-letter telegram as follows:

"The Planning Board of the Township of Springfield, in Union County has been following the recent reports of the proposed construction of a new Route 22 through Springfield, and the more recently announced spur highway also in Springfield, connecting this Route 22 directly with the Goethals bridge."

"We were present at the April 27 meeting with the State Highway Engineers in Summit, and had an opportunity to study the maps and the proposed location of the highway as they are to be presented to Congress to meet the July 1, 1957 deadline. We were appalled when we saw the proposed destruction of some of our finest residential areas and the wiping out of millions of dollars of business, industrial and residential properties!"

"No Government agency of officials could be so callous or heedless to impose such a burden on its citizenry, and we do not believe that such was the intent in regard to Springfield. However, we do feel that not enough study was made on this route, particularly in Springfield, and request that you meet with the officials of this community far enough in advance of finalizing the Highway program so that we may give you the benefit of our more intimate knowledge of Springfield."

"We feel that we have logical alternatives to the problems facing us and are offering our services to resolve this same problem. We urge you to make

a more comprehensive study with us before a final alignment of the Highway is made through Springfield.

"Your State Highway Engineers stated that once the tentative route is established and presented to Congress for approval by July 1, 1957, that only minor deviations may be made. With this in mind we urge you again to meet with us and prevent what could be an economic catastrophe to this community."

"We have no desire to stand in the way of progress or hinder the Federal Highway Program, but we do remind you, sir, that this same community chose to stand in the path of an invading tyrant's army, on June 23, 1780, to the ultimate glory of this Nation."

"It would not be proper or fitting to dim this Glory! Henry Grabarz, Chairman Springfield Planning Board Union Co."

Mr. Palmer's reply dated May 9 came through the mail and is printed below so that Springfield's residents may better understand some of the difficulties of the State Highway Department:

"Your telegram, consisting of 361 words, is acknowledged and as you request we will, consistently with our established policy, be glad to have the benefit-

of the point of view of the officials of Springfield before finalizing any of the routes that we may contemplate carrying through your community.

"It is quite possible that the reports you received, at least the one reflected in your message, as to the State Highway engineer's comments 'that only minor deviations might be made' is somewhat at variance with the facts as 'minor' changes are not necessarily the only ones that could be made in the event that some strong engineering, economic and public interest aspects were brought into the picture."

"We appreciate your assurance that the community has no desire to stand in the way of progress or hinder the Federal program and this is also our opinion of the public-spirited citizens who go to make up the population of our State."

"Your reference to the early settlers, of course, is a matter

of history. They did their job as they saw it and with the conditions that had to be met and we are glad to know that in this day the citizens of your community can be depended upon to use judgment fitting to carry forward the great progress that this State has made in so many fields of endeavor. Dwight R. G. Palmer, Commissioner."

**July 4th Program**  
**Sets Grand Plans**

Never has there been a better reason to stay in Springfield and off the highways on the Fourth of July as a bigger and better all day program is promised by this year's celebration committee.

Contracts have already been signed for a more spectacular fireworks display we are informed. Free rides and amusements for the children have been arranged and plans are about completed for another colorful baby parade, games and contests, and a full evening of entertainment. Full details will appear in coming issues of The Sun.

Steve Schmidt, Jr., chairman of the Springfield Fourth of July Committee, explains the committee is entirely voluntary and depends on contributions from residents and local business and civic organizations.

### Bob Bunnell Jr. Completes Study

Robert S. Bunnell, Jr. of Springfield has recently completed an intensive study course in the recent developments in advanced life insurance underwriting.

The course dealt with the technical aspects of business and personal life insurance planning. The various phases of estate taxation, business purchase agreements, group and pension programing were discussed in detail.

At an award dinner, Mr. Bunnell, was presented with a certificate of achievement by Mr. J. N. Dieman, General Agent of the Newark Agency, of the Etna Life Insurance Company.

### Medal of Merit For Ian Durand

Ian G. Durand of 162 Short Hills Avenue has been awarded the Medal of Merit in recognition of his outstanding contributions to and interest in the student publications at Newark College of Engineering, according to Dr. Herman A. Estrin, faculty adviser.

The Medal of Merit was presented to Mr. Durand by the NCE Chapter of Pi Delta Epsilon, honorary collegiate journalism fraternity at the college.

NCE students who have served two years on the Nucleus, Orbit, The Technician, The Cadet, or The Surveyor are eligible to be members. In an advisory capacity the society stands ready to assist any organization which requests aid in its publications.

Mr. Durand is President of Pi Delta Epsilon, and Editor-in-Chief of The Technician. He is also a member of Eta Kappa Nu, electrical engineering honor society.

Mr. Durand, the son of Mr. and Mrs. Godfrey A. Durand, is majoring in electrical engineering at NCE.

### Teen-agers Plan Program At Temple

The Youth Group of Temple Beth Ahm invites all high school students to a "teen meeting" and social hour at the Temple this Tuesday, May 21 at 7 p.m.

The purpose of the meeting is to decide what activities young people want to engage in this summer and fall. Suggestions include a teen lounge, social dancing, bowling photograph, swimming parties, dramatics, folk dancing, choir. The group hopes to produce many other ideas for the summer program.

Graduating 8th graders are included in the group under the guidance of Doris Wertzel, Mimi Biddleman, and Al Smotroff.

**P.T.A. NEWS**

Meetings for the election and installation of officers for the newly organized P.T.A.'s in the James Caldwell, Raymond Chisholm, and Edward Walton Schools will be held on May 20th at 8:15 P.M. in the auditorium of each school. The Vice-Presidents of the former P.T.A. Mrs. Alan Cunningham, Mrs. Frank Jakobson, and Mrs. Joseph Bender will preside at their respective schools. The officers elected that night will be installed by Mrs. H. R. Wilde of Westfield, newly elected President of the Union Co. Council, Mrs. Larned Meachem of Summit, past Vice-President of Union Co. Council, and Mrs. Henry Nulton of Hillside, Vice-President elect.

The slate of officers to be presented at each of the schools is as follows: JAMES CALDWELL: President, Mrs. Alan Cunningham; Vice-President, Mrs. David Sageser; Secretary, Mrs. Mabel Stearns; Treasurer, Mr. John Billings.

Raymond Chisholm: President, Mrs. Niles Christensen; Vice-President, Mrs. A. H. Buhner; Secretary, Miss Gloria Boorujy; Treasurer, Mr. Eugene Bataille.

Edward Walton: President, Mrs. Joseph Bender; Vice-President, Mrs. E. G. Davenport; Recording Secretary, Mrs. Irving Kramer; Corresponding Secretary, Mrs. Norman LeBeouf; Treasurer, Mr. William Peacock.

Mr. B. F. Newswanger will be Honorary President of each and the Principals will serve as 2nd Vice-Presidents in their respective schools. There will be an opportunity for nominations from the floor so please plan to attend.

Mrs. Frank Jakobson and Mrs. Teresa Doherty were guests at a testimonial dinner honoring Mrs. Mollie Steudle, outgoing President of the Union County Council. Over a hundred guests were present at the Blue Shuttlers on May 9th where many civic leaders paid tribute to her. She was the recipient of a beautiful watch and some luggage in recognition of more than thirty years of faithful service as a civic leader in Union and in Parent-Teacher work in Union County.

**Blue Sox Swamp Black Sox In CYO**

The Blue Sox management, Bill and John Ehrhardt, seem to have come up with the right formula for winning baseball in the C.Y.O. bottle league — steady pitching and a power-laden batting order. Their team climbed on the Wally Zieser managed Black Sox for an 8 to 1 victory and gave pitcher Camaleri his second win of the young season. Johnson once again supplied the big hit with a two-run homer.

Ken Abrahamson's defending champs, the Green Sox, dropped a squeaker in the last inning to the Red Sox, managed by Anthony Verlangieri and Joe DiPalma. Lies and Catula were the big guns at bat while all in attendance applauded the excellent fielding of Ronny Pourro at second for the Red Sox.

Over the minor league diamonds, the games are still very close. The Red Sox, under the capable guidance of Dennis Mahoney, beat the Doerflinger managed, Green Sox, 4 to 1. Andy Busch's Black Sox topped manager Frank Sammond's Blue Sox, 5 to 2. Note-worthy plays included catcher, Mike Johnson's, two put outs on relays to the plate, Jim Lies' home run, Cliff's heads-up base heads-up base running, Loeffler's two sharp hits, and the fielding of Cacallo were also, highlights of the game.

**Regional PTA To Hear Speaker**

Dr. Robert Poppendieck, Director of Administrative Services at the School of Education, Rutgers University, will speak to the Regional PTA on Thursday May 23 at 8:15 p.m.

Dr. Poppendieck will talk about parent-teacher-student relationships. He is a former teacher at Regional High.

The officers for the coming school year for the Regional PTA are:

President, Mrs. Horace Libby; Treasurer, Mr. Herbert Kern; Corresponding Secretary, Mrs. Victor Massa; Recording Secretary, Mrs. John Dunn; Vice Presidents, Mrs. H. Wilson, Springfield, Mrs. R. B. Weatherby, Berkeley Heights, Mrs. Clifford Wolf, Kennilworth, Mrs. Gordon Hunter, Mountainside.

Mrs. Russell R. Gillet

The marriage of Miss Vivian Frieda Hartmann, daughter of Mr. & Mrs. William K. Hartmann, 323 Baltusrol Way, Springfield to Mr. Russell Robert Gillet, son of Mr. & Mrs. Oscar C. Gillet, 50 Columbia Avenue, Kenilworth, took place Saturday, May 11th at the Community Methodist Church in Kenilworth, with Rev. John R. Dexheimer officiating, and Rev. Cornelius Van Tol of Jersey City, assisting, at the double-ring-ceremony.

Miss Diana Hudgins of Staten Island attended as Maid-of-Honor, Miss Betty Wallace of Upper Montclair, as Bridesmaid, and Miss Lynne Hoelle of Cedar Grove, niece of the Bride, was a Junior Bridesmaid. Mr. Kenneth Cobleigh of Secaucus acted as Best Man, Mr. Henry Hoelle of Cedar Grove, Brother of the Bride and Mr. Walter Pauls of Bayonne, ushered.

After a wedding dinner at the Cranwood in Garwood, the couple left on a motor trip to the annual Tulip Festival in Holland, Michigan and a tour of Canada.

Upon returning, they will reside in their own home in Kenilworth and return to their jobs, he at Crucible Steel Co., Harrison, and she at C. R. Bard, Inc., Summit.

**Schaffernoth Boys In Rough Weather**

Bad weather, injuries, and a financial famine are hindering Springfield's Schaffernoth brothers in the Class A Western League.

Joe Schaffernoth, a pitcher with the Des Moines Demons, was injured May 7 in a game with Topoka and doesn't expect to get back into the lineup until Saturday, May 18.

Charlie Schaffernoth, a catcher with the Colorado Springs Skysox is having a fine season personally (He won a game on May 6 with a grand slam home run), but his team is running into financial difficulties.

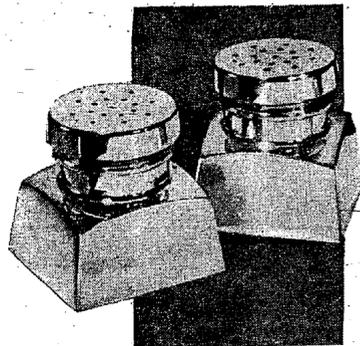

According to his mother, Mrs. Anna Schaffernoth of 904 Schaffernoth Place, there has only been one game played in Colorado Springs this Spring that wasn't ruined by snow and cold winds. Result has been low attendance and a financial crisis. Unless the Sox can raise a lot of money by today (Thursday, May 16) they won't be able to make their scheduled road trip. The town is conducting a "Save the Sox" campaign.

Cub Scout Pack No. 171 The monthly gathering of Pack No. 171 was held on Friday Evening, May 10th at the James Caldwell School. The opening exercises were led by the Webelos Den, after which they inducted the following Bobcats into Cub Scouting: Larry Baldwin, Donald Buehrer, Peter Christensen, Harry Morrell, Kevin Shaw, Dennis Puorro and Donald Young. Hearty welcome, also, to Stuart Falkin, who transferred from Stamford Conn. We hope as these boys follow Akela, they'll enjoy the fun and adventure side of our program; however, we also trust that they'll learn the true and deep value of Cub Scouting, which will equip them for a richer and finer life.

on the Wolf Badges; George Argyris, 1 Gold, 1 Silver Arrows on the Bear Badge; P. Eckelkamp, 1 Gold Arrow on the Lion Badge; Douglas Pierson, 1 Gold and 1 Silver Arrows on the Lion Badge; George Bowles, 1 Gold and 1 Silver Arrows on the Lion Badge.

From the display of Hobby Kits—models of boats, airplanes, cars and trucks—we can assume the boys enjoyed the "Theme of the Month." "Twas a big disappointment when the boys were told that the Union Model Airplane Club would not keep their scheduled date with them. To compensate for this, a drawing was held and twenty-five Gliders (Donated by the Club) were awarded as prizes. A Pack meeting would not be complete without a game, so, Cub Master, Frank Holler arranged to bring peels of laughter from all the boys. He included all the mothers in attendance to participate in a Balloon Game!! Be it suffice to say "Mrs. George (Helen) Bowles was the winner!!"

To conclude our meeting, the ceremony of the "Four Winds" provided the inspiring words which symbolized the fact that Richard Humphrey and Richard Pomerantz attained the highest rank in Cub Scouting... their Webelos Badge... and then Mr. Bob Seley, Scoutmaster of Troop 70, presented these boys their respective Boy Scout neckerchiefs. He welcomed into his Troop Richard Humphrey, son of Mr. and Mrs. Ward Humphrey, 176 Milltown Rd.; Richard Pomerantz, son of Mr. and Mrs. Al Pomerantz, 179 Lelak Ave. will participate in Scouting activities with Troop 62, sponsored by Temple Beth Ahm. We of Pack No. 171 bid you Richard Humphrey and Richard Pomerantz, fond farewell and then best wishes to both of you as you join the ranks of the "Boy Scouts of America"—a movement which has become a great source of strength for America and all free nations of the World.

Rutgers Prof To Address League

Professor Abraham Yesselson of the Rutgers University history and political-science department will address the Springfield League of Women Voters on "American Foreign Policy Today" on Wednesday, May 22.

Professor Yesselson, a well-known authority on foreign affairs, world communism and labor subjects, has recently completed a book entitled United States-Persian Diplomatic Relations (Rutgers University Press, 1956).

Mr. N. Freedman, chairman of the International Relations Committee has issued an open invitation to all Springfield residents to attend this vital and provocative meeting which temporarily concludes the town-wide discussion program under her direction.

This meeting will take place in the Walton School at 8:15 p.m. A large township attendance is expected, and refreshments will follow the discussion.

Dance School to Present Recital

Miss Bunny's School of Dance will present its annual recital on May 25 at 8 P.M. at Regional High School, Springfield. This year's performance will be a flashback to the Stage-Door Canteen during the 1940's. "Keynotes of the Forties" will feature some of the great music made popular by Glen Miller, Tommy Dorsey and the other great bands of that period.

A big feature of this year's performance will be the fact that the boys will carry all the leads. There is an all out drive in this country to encourage young boys to enter into the dancing field.

Miss Bunny hopes that this show will help to foster the idea locally. Over one hundred local children will participate in this recital of the stars of tomorrow.

5 Homers Feature Blue-Green Game

CYO major league play found the Red Sox beating the Black Sox and the power-laden Blue Sox coming out on top of a slugfest with the Green Sox 13-9 on Thursday May 9.

The home run parade was joined by Catulla, Caffery, Verschilling, Sielichi, and Marino, all hitting for the distance.

The Blue Sox and the Green Sox had their game called in the minor league when it was tied at 5-5. This is the second time these two teams have met and ended in a tie game.

The minor league Black Sox nosed out the Red Sox 5-4. Paglia's triple and Cornfield's solid double were the big hits of the night, as the pitchers held down the heavy hitting.

### Woman's Club News

Official delegates representing the Springfield Woman's Club at the Annual State Convention in Atlantic City are President Mrs. Merton D. Williams and First Vice President Mrs. Vincent J. Bonadies.

Executive Board meeting will be held on Wednesday, May 22nd, at the Cannon Ball House. Hostesses for the evening will be the Misses Ruth and Mildred Levens.

An interesting and exciting evening is in store for the members of the International Relations Department when they meet at the New Yorker for dinner on May 24th. Members of the Garden Department better keep a tight rein on their calories this week in order to enjoy the covered dish supper they are holding at the Cannon Ball House on Monday, May 27th, at 7 o'clock.

Music Department members are looking forward to a bang-up party Thursday, May 16th, at the home of Mrs. Robert J. Kennedy, 1 Warwick Circle. Tricks and games are on the agenda. Plans will be formulated for the coming year.

The Drama Department enjoyed a very pleasant evening at the home of its Chairman, Mrs. Stanley Frank. Mrs. Norman LeBoeuf made a charming hostess. Her co-hostess, Mrs. Thomas Glen, was absent because she took time-out to have a future department member. Congratulations to Mr. and Mrs. Thomas Glen and their young daughter.

Mrs. E. J. Culleton, 49 Mapes Ave., a new comer to the Springfield Woman's Club, was welcomed to the department.

Final plans were made for the Theater Party, to be held on Tuesday June 4th, at the Paper Mill Playhouse, Milburn. All members are urged to get their tickets from the Chairman, Mrs. Stanley Frank, DR. 6-1886.

The Drama Department welcomes any one wishing to join their group.

### AND WHAT WILL THEY FIND INSIDE?

Here's a handsome, happy family marching through the open doors of a church. But what will they find inside? A lovely sanctuary? Perhaps. A congenial group of people? Perhaps. An inspiring sermon and beautiful music? Perhaps. All these they may possibly find inside. But here is what they will *certainly* find.

- A group of people banded together by a common faith for a common purpose.
- Assurance that there is a God who cares and loves...
- Direction for the perplexities that each day brings...
- A demand to live as God would have them live...
- A cross as the divine source of faith, hope and love.

And if you go to church next Sunday, that's what *YOU'LL* certainly find, too!

#### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Book      | Chapter     | Verses    |
|-----------|-------------|-----------|
| Sunday    | Deuteronomy | 5-19      |
| Monday    | Matthew     | 23-34, 40 |
| Tuesday   | John        | 2-13-25   |
| Wednesday | Ephesians   | 6-10-20   |
| Thursday  | 1 Timothy   | 2-1-15    |
| Friday    | 1 Timothy   | 4-1-8     |
| Saturday  | Psalms      | 86-1-17   |

### CATHOLIC INFORMATION

**THE DEVIL YOU SAY!**  
Sure we believe in the devil! We believe in the devil just as firmly as we believe in God. If we lost our belief in the prince of demons we'd have to get out of the Catholic Church.

Why? It's simple. First off, we believe in God—Now God wrote a book called the Bible, using various men as His agents. And that book is full of references to the devil, all the way down from the Garden of Paradise, in Genesis, to the earth-quaking visions of Revelations.

We believe, then, that there is a devil. Because God has told us so in the Bible. If there is no devil, then we are left with a choice of saying either that there is no God, or that, if there is a God, He has lied to us—which is impossible.

The devil is an angel—a bad angel—but an angel just the same. And he's as smart as he can be. He has not only the intelligence of an angel, but he has had experience through thousands of years of tempting human beings. He knows your weaknesses and mine; he knows of temptations to set up for us; he can judge just about what our reaction will be, because he has seen millions of people reacting under temptation in the past.

He doesn't know the future. Only God knows that. But the devil is shrewd at sizing up situations and figuring how they will probably turn out—just as some of us can size up a baseball game and, maybe, dope out the score before the game even begins.

Frankly, we're afraid of him, and we're not joking. He's always looking for a chance to trip us up—an unguarded moment, an idle hour, in which he can suggest the blackest, vilest thoughts to our wandering mind.

To get rid of him and to protect ourselves from attack we have only to call on the name of Jesus, for it was He who broke the devil's power forever. St. Paul tells us that even hell drops to its knees at the sound of that Holy Name.

Every morning, after Mass, Catholic priests say a special prayer of defense against the malice and snares of the devil begging that Satan be thrust into hell, with all the evil spirits who roam through the world, seeking the ruin and destruction of souls.

ent is adequate.

3. We should follow the normal required growth of our recreation program and give it the support that it will require to expand it as the demand and needs arise.

This committee has arrived at this conclusion after studying the situation that exists in our community—as well as that of nearby communities.

The committee is investigating the opportunity of investigating this and would be pleased to discuss the matter in detail with the group as a whole.

### Residents Help

(Continued from page 1)  
dents in this annual clean-up program. Everyone can help by reducing all refuse and rubbish in as small as bundle as possible. Trees, lumber and large furniture should be cut and all are urged to place all garbage in metal cans. All property owners should not use cardboard cartons as they become difficult to handle.

"The garbage contractor," concluded Bonadies, "is doing everything possible even though some of the refuse is not according to the rules and regulations. His men will cart away anything they can handle but the job can be made easier for the collectors if the instructions are observed."

Collections are made on the same day as the regular garbage pick-up but from Monday until Saturday, May 25, inclusive, practically everything left at the curb will be carted away as part of this annual clean-up program. All residents are urged to clean out cellars, attics and garages and place to refuse at the curb the night before the regular collection.

### MISS ELIZABETH KESSLER Town's Oldest Resident

Another (the 4th) in the series of articles prepared by the Springfield-Historical Society. Further information can be obtained by inquiring at the society's headquarters, 124 Morris Avenue, Springfield.

Mrs. Elizabeth VanLoan historian of the Springfield Historical Society recently visited Miss Kessler; the following story resulted from the interview.

Miss Elizabeth Kessler was born on September 26, 1862, in a house on Westfield Avenue (now Mountain Avenue) third house from Morris Avenue. Both her parents were German, her father having been born in Saxony, near the town where Martin Luther once lived. They did not meet until several years after their emigration to the New World in 1851.

Miss Kessler's mother, Martha Elizabeth, was the daughter of Bernhard Fubel, a Prussian officer who fought, under General Blicher, at the Battle of Waterloo. One of his comrades made a sketch of him, in full uniform and mounted on his horse; this sketch now hangs in Miss Kessler's home.

Martha Fubel used to visit in Springfield with relatives named Gerhold who lived, in the 1850's, in the Anthony Swain house, now the Tallau home at 231 South Springfield Avenue. There she met George Kessler; they were married in 1857 and lived in Summit. There were born to them one son and five daughters. Two of the children were born in Summit; in 1861, the Kesslers moved to Springfield, where Elizabeth was born the next year.

Some years later they moved from the Westfield Avenue (Mountain Ave.) address to a house on the South side of Morris Avenue close to Short Hills Avenue. Next to them was Morgan's Paper Mill, which eventually failed, to be succeeded by Crane & Company, manufacturers of explosives. Mrs. Kessler felt uneasy about the close proximity of this plant, and made a special trip to the New York City headquarters of the company to protest. She was assured, "you'll be all right" to be true until a certain day in 1882 when an explosion blew the roof from the build-

ing; only the fact that it occurred after the regular working hours prevented tragedy. However, the Kessler home was badly damaged. Crane and Company bought the property, and the Kessler's in turn purchased the Mulford House at 257 Short Hills Avenue, where Miss Kessler has since resided.

Miss Kessler attended the Academy School and remembers going to parties and dances, with members of the Roll family. She also recalls, as a young girl, taking care of the Rammelkamp children, Sophie and Charles, who used to spend summers at the Cannonball House. Charles later became President of the University of Chicago.

Miss Kessler remembers the following paper mills: Briant's, Muncker's, Morgan's, McCormack's, Wade-Campbell's. There were also three hat factories. Elizabeth and Emma Kessler worked for fifty-one years trimming hats in various factories. For many years they worked for BERG and Company in Orange. They would leave the house before seven in the morning, walk to the Millburn station and take the train to Orange. After Berg and Company went out of business, they traveled to Newark to work for Connett's.

Miss Kessler remembers well the blizzard of '88. It started to rain on Sunday, March 12th, but by nightfall it had changed to snow, and by morning so much had fallen that she was not able to go to work for several days. Finally, her father made a path all along Short Hills Ave. to Millburn Avenue, where traffic had already been moving to the railroad station.

At ninety-four Miss Kessler believes her years, her physical and mental vigor is a source of amazement and inspiration to all who meet her. The Historical Society is looking forward to the celebration of her one hundredth birthday.

### Patricia Staehle Nuptials Held

Mrs. S. W. Merkelbach

Patricia Ann Staehle, daughter of Mrs. Mary J. Staehle of 30-A Linden and the late Arthur J. Staehle of 30-A Linden Avenue was wed to S. W. Merkelbach, son of Mr. and Mrs. W. Merkelbach of Madison at St. James Catholic Church by Father Oehling on May 11 at 4 p.m.

Mrs. Janet Yannaccone of Summit served as the matron of honor, and Mr. Charles Cunneen of Brooklyn served as the best man. The ushers were: Mr. Daniel Staehle of Berkeley Heights and Mr. John C. Gross of Union.

The bride attended Jonathan Dayton Regional High School here in Springfield. Mr. Merkelbach has served two years with the U. S. Army.

The reception was held at The Hitchin' Post Inn after which the couple left for their honeymoon in Canada. They will reside in Union after returning.

### Boy For Dolands

Mr. and Mrs. William Doland of 492 Mountain Avenue announced the birth of a boy on May 4, 1957 at Overlook Hospital.

### RELATIVES IN HARTFORD?

Visit them by phone. A 3-minute station call from Newark after 6 p.m. costs only 45¢ plus tax.

On Friday evening of this week, 2nd year Brownie Troop No. 33 of St. James School and troops No. 34 and 41 of the James Caldwell School will fly up with their leaders to 1st year Intermediate Girl Scouts. This ceremony will take place at the James Caldwell School Auditorium and will begin at 8 o'clock. Parents and friends are invited to attend.

Troop No. 41  
Mrs. George Rau, leader  
Mrs. Rau with the help of Mrs. Arthur Buckley took us to the Girl Scout Cabin at Lake Surprise for a memorable week-end. There were 6 of us — Karen Buckley, Helen Buczek, Carol Humphrey, Sharon Hunsdon, Elise Lindauer and Barbara Rau. On Thursday we shopped for the food and were on our way by 4 P.M. on Friday. We went by a Kaper Chart and had good luck, and each girl tackled her chores cheerfully whether it was cooking or cleaning up. The only complaint of the week-end-millions of mice that had to be chased during the night, and even then they did get into the cookies. There was no doubt however that a good time was had by all.

Mrs. John Roche, Drexel 9-1779, Organization Chairman for the James Caldwell area is now organizing troops for fall and would like to hear from any mother who hasn't been contacted by June 1 if she has an eligible Brownie, the requirement being that a girl be either 8 yrs. old or in 3rd grade in September.

Troop No. 8  
Mrs. Walter Anderson, leader  
Mrs. Carl Sprauer, co-leader  
Our leaders with the help of Mrs. Humer and Mrs. Kuehn on transportation, took us on a recent meeting day to the Girl Scout Cabin at Lake Surprise, where we

prepared a one pot meal of Chili. If your kitchen range ever goes on the blink, look us up and we will sell you on the idea of a reflector oven and definitely guarantee that gingerbread baked in it comes out just great. We had committees for firebuilding, cooking, tablesetting, and cleanup and we were able to get experience in requirements for several badges.

Another very interesting trip was the one we took to the Newark Museum for a lecture on the history of leather. To illustrate the talk the Museum showed a collection of primitive articles made from leather by the Indians and Eskimos.

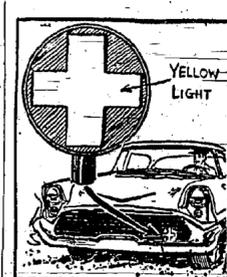

Each troop is diligently working on its Strawberry Festival project and on posters to be placed by them in stores for all to see to be reminded of that important date.

To the mothers of prospective Brownies in the Edward V. Walton School area. There will be a meeting of interest to you on May 23 at 8 P.M. in the Edward V. Walton School Gymnasium for the purpose of organizing troops. If you are interested in your child's becoming a Brownie, please plan to attend this meeting.

### Twin Boys Born To Ackermans

Twin boys were born to Mr. and Mrs. Cal G. Ackerman of 8 Prospect Place on May 8, 1957 at the Hospital Center at Orange. The twins, named Cal Christopher and Paul Gregory, bring to three the number of children in the Ackerman family. Mrs. Ackerman is the former Mary Gallitelli of Millburn.

### Lions Lead Minor League by 1/2 Game

SIX games were completed in the Babe Ruth Baseball Minor League last week and the Lions maintained their early lead in the league. On Tuesday May 7, the Nagels defeated Royal Crown's team by the score of 6 to 3. The Lions won their game against Bunnell 19 to 9. On Thursday May 9, Royal Crown defeated the Geiger team 12 to 5. The Nagels beat the Lions club 7 to 6. In this game Kent hit a home run for the Lions while Hattersley and Heller poled out triple for the winning Nagels. Pisanio relieved Peter Zurawski in the last half of the fourth inning and stopped a rally by the Lions. The game was called in the last half of the fifth inning after Frank Zurawski crossed the plate as the result of a walk with the bases loaded and no outs.

On Monday, May 13, the Lions defeated the Nagels in their third game of the week 9 to 8. This game featured a home run by Monticello of the Lions and doubles by Woods and Soriente of the Lions. Lege, Dickerson and Hattersley hit doubles for the Nagels. The game ended with a sparkling double play — Kent to Paul Becker of the Lions. Several scores follow:

Lahaina was the capital of the Kingdom of Hawaii until 1850. Now it is a sleepy little town where tourists can see the oldest public boarding school west of the Rockies. It's called Lahainaluna and was founded in 1831 by missionaries to teach Christianity to the natives.

### Health Board

(Continued from page 1)  
face curbs under restrictions proposed by the New Jersey Air Pollution Control Commission.

**Facing Curbs**  
The first would ban emission of any smoke darker than charcoal gray. The second would limit the quantity of fly ash stacks which would be allowed to emit.

The commission, an agency of the State-Health Department, announced that a public hearing on the two proposed codes will be held June 17 in Trenton.

The ban would apply to "any furnace, incinerator, marine installation, internal combustion engine, refuse-burning equipment, boiler, apparatus, device mechanism, stack or structure used in the process of burning fuel, refuse, or other combustible material."

The second proposed code would limit the amount of fly ash and dust from burning of solid fuels. The limits would be based on the amount of heat generated by the equipment.

The lower limit of the scale is set high enough to exclude heating units in single homes from the regulations.

The second proposal would require registration with the Health Department by those who burn solid fuel above the lower heat limit. They would have to report the place, type of fuel, heat generated, amount of fuel burned per hour, a description of the equipment, the rate of fly ash or dust emission and other information.

The commission has not set a proposed effective date for the code.

The squad members are all volunteers who agree to be on call at least 12 hours a week, and also to take advanced training one night a month. The group operates under State supervision in a network of 190 such squads throughout New Jersey.

There were 387 calls last year (more than one a day) causing the ambulance to clock 4,860 miles (mostly within Springfield town limits). The highlight of the year was the delivery of the first child to be born on the Garden State Parkway in 1956. The Squad is financed by an annual fund drive plus individual contributions.

### YOU—and THE CHARTER STUDY

This is the fourth of a series of articles on Charter Study presented by the Springfield members of the League of Women Voters. Previous articles answered questions regarding the New Jersey Charter Study Law, the qualifications and duties of the Charter Study Commission members, as well as how they are elected, the role of the voters, ballot provision and how the Charter Study will be financed.

#### What Is the History?

In January 1948, Governor Alfred E. Driscoll suggested to the Legislature that a commission be appointed to study the form and structure of municipal government in New Jersey and to make recommendations for improvement. This suggestion was an outgrowth of the revision of the State's governmental structure by the 1947 Constitution. In a Joint Resolution passed unanimously by the Legislature, the N. J. Commission on Municipal Government was established. The chairman was Mr. Bayard H. Paskner, of Montclair; Vice-Chairman was Assemblyman William B. Widnall of Saddle River.

After intensive study and research, the commission reported its findings in February, 1949. After their deliberations the N. J. Legislature passed the Optional Municipal Charter Law of 1950. What Are the Basic Forms of Municipal Government in the Optional Charter Law?

Municipalities desiring to change their form of government are offered a wide variety of choices. The basic plans are proposed: The Mayor-council; the council manager and the small municipalities plan.

Under the Mayor-Council form there are non-partisan spring elections or partisan fall elections. The initial term of office for the Council is from two to four years; the term thereafter is four years. The terms may be staggered or non staggered. The council may consist of 5, 7 and 9 members. The mayor would be elected by a four year term.

Under the Council-Manager plan, election are non-partisan and are held in the spring on a staggered or non-staggered basis. The initial term of office for the Council is from two to four years; the term thereafter is four years.

### Your Library

Through the kindness of Mr. Andrew W. Gottschall, Jr. of the National Conference of Christians and Jews, some very excellent materials were donated to the Free Public Library of Springfield.

Among the gifts are a book "Adventure in Brotherhood" by James E. Pitt and a set of booklets, "Brotherhood, What Can Secondary Schools Do?", "Feelings are Facts", "Human Relations and Audio-Visual Materials", "Teachers and the Community", "Education in a Transition Community", "Building Brotherhood," and "The Resolution of Intergroup Tensions."

Another set of booklets for the general reader are "From Principle to Practice," "Rearing Children of Good Will," "Building Today for Tomorrow in Our Neighborhood," and "To Hold These Truths." "Building Bridges" is a manual for study and discussion groups.

Other titles are "A Fair Chance for All Americans," "Moral Basis for Our Leadership," and "Our Moral and Spiritual Resources for International Cooperation." All of these will be placed in a special display and may be borrowed by any individual or group. This is a fine addition to the Springfield Library. Let us all show our gratitude to Mr. Gottschall and his organization by making the best possible use of these books.

### TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal  
Chairman, Springfield Shade Tree Commission

Weeds are now starting to sprout and it is a good time to prepare the flower and shrub beds for mulching. Do not mulch directly upon growing weeds and wild grass, or it will continue to grow up through the mulch and will defeat its purpose. Cultivate the beds with a hoe, or a prong cultivator until the soil is loose and all weeds are destroyed. If you intend to fertilize, do it at this time and work it into the soil. Do not scratch too deep around azaleas and other shallow rooted plants, and use acid fertilizer around the broad leaved evergreens. Finally, spread a thick layer of peat moss over the entire area and wet it down with a fine spray of water to prevent it from blowing away. Your plants will then grow much better and you will save lots of weeding time throughout the summer.

QUESTION: Is there a difference in peat moss?  
ANSWER: There certainly is a difference. Some types of peat contain as little as 4 bushels per bale and others might contain up to 14 bushels depending upon the size of bale and whether it is loose peat, or compressed. Peat that is stored outside will absorb considerable moisture and is much easier to break up and less apt to blow away. If you see peat moss advertised below the normal price, beware, and check the size of the bale before buying. A normal bale measures about 19 x 19 x 36 inches.

QUESTION: Can sawdust be used as a mulch?  
ANSWER: Oak sawdust is sometimes used for mulching, but is too acid for many plants and might cause them to change color and die. Peat moss is far superior.

QUESTION: Can I use chemical weed killers in place of mulch?  
ANSWER: There are satisfactory chemicals for this purpose, but unless used properly there is a risk of severe damage. I don't recommend them for the amateurs. Peat Moss is much safer.

QUESTION: Is it too late to fertilize my lawn?  
ANSWER: No, but the earlier

you apply the fertilizer the better the results. If the grass is green make certain you apply chemical fertilizers when it is dry, or better still use chemical-organic, or all organic fertilizers.

QUESTION: My grass is green. Shall I fertilize it now?  
ANSWER: If you have not already fertilized I would do so at once. Grass roots are made at this time and the fertilizer will help to make better root growth. You will reap the benefits next summer during dry weather.

QUESTION: How do I know when to water?  
ANSWER: The soil should be kept moist. Water when the top inch of soil is dry. Water in the early morning or late afternoon.

QUESTION: How do I know when to mow?  
ANSWER: Mow when the grass is about 3 inches long. Mow frequently and do not cut too short.

QUESTION: How do I know when to trim?  
ANSWER: Trim the edges of lawns and around trees and shrubs when the grass is about 3 inches long.

QUESTION: How do I know when to rake?  
ANSWER: Rake when the grass is about 3 inches long and the leaves are beginning to turn brown.

QUESTION: How do I know when to fertilize?  
ANSWER: Fertilize in the spring and fall. Use a balanced fertilizer.

QUESTION: How do I know when to water?

**Overlook Fund at 3/4th Million \$**  
A total in contributions of \$741,642 for Overlook Hospital Building Fund has been reported up to last Tuesday, it was announced last night by Hugo B. Meyer, general chairman. The amount has come from 32 per cent of an estimated 18,000 prospects in the institution's service-area.

Included in the total are contributions from Overlook's Board of Trustees, with \$180,000, from its members. Hospital Trustees come from every service community of the hospital.

Also included are gifts of the Doctors Committee, totaling \$68,000, from staff physicians. The Doctors Committee has set itself a goal of \$300,000 to insure the best hospital facilities with sufficient bed space to serve the needs of Overlook's family in the future.

Walter Beinecke, Jr., president of Overlook, and main speaker at the general report meeting last night at the Baltusora Golf Club, praised the spirit of volunteers who had joined the crusade for the hospital, as well as the many whose contributions had brought the total to the impressive amount of \$741,642.

"We have 1,269 volunteers covering the entire service area," Mr. Beinecke said, "They have been doing an outstanding job for their community hospital and I feel sure that they will not rest until the future of Overlook is assured. Excellent work has been done in the outlying districts and, naturally, communities nearby have responded with wonderful generosity."

**Overlook Fund at 3/4th Million \$**  
A total in contributions of \$741,642 for Overlook Hospital Building Fund has been reported up to last Tuesday, it was announced last night by Hugo B. Meyer, general chairman. The amount has come from 32 per cent of an estimated 18,000 prospects in the institution's service-area.

Included in the total are contributions from Overlook's Board of Trustees, with \$180,000, from its members. Hospital Trustees come from every service community of the hospital.

Also included are gifts of the Doctors Committee, totaling \$68,000, from staff physicians. The Doctors Committee has set itself a goal of \$300,000 to insure the best hospital facilities with sufficient bed space to serve the needs of Overlook's family in the future.

Walter Beinecke, Jr., president of Overlook, and main speaker at the general report meeting last night at the Baltusora Golf Club, praised the spirit of volunteers who had joined the crusade for the hospital, as well as the many whose contributions had brought the total to the impressive amount of \$741,642.

"We have 1,269 volunteers covering the entire service area," Mr. Beinecke said, "They have been doing an outstanding job for their community hospital and I feel sure that they will not rest until the future of Overlook is assured. Excellent work has been done in the outlying districts and, naturally, communities nearby have responded with wonderful generosity."

### Volunteers Help In Public Library Work

Local residents who have visited the new and recently completed Public Library are very proud of the job done in converting the old building into a very modern and charming place.

The reading rooms are cheerful and the shelves are filled with the latest and best of reading material. The room for children has three sizes of furniture for the comfort of the youngsters, with furniture, books, and reading matter for various age groups.

The historical exhibit attracts many visitors and the meeting room is serving the needs of various organizations and groups.

Volunteers play a very important part in the Public Library services. Miss Helen C. Reyrer, the librarian and Miss Phoebe Briggs, her assistant, have the following volunteers who help regularly:

Mrs. Donald Baker, Mrs. David O. Blaine, Jr., Mrs. Henry B. Boucheard, Mrs. James H. Chalners, Mrs. J. W. Davidson, Mrs. Paul B. Dennis, Mrs. J. M. Daguid, Mrs. Bruce W. Evans, Mrs. A. E. ## "South Pacific" to Follow "Can-Can" At Paper Mill

"Some enchanted evenings" are in store for audiences at Paper Mill Playhouse for five weeks beginning Tuesday evening, May 21, when the Rodgers and Hammerstein musical play "South Pacific" with no less than two Pulitzer prizes to its credit, plus a record of nearly five years on Broadway, will open at the Millburn theatre.

Jacqueline James, previously seen at Paper Mill as the leading lady of "Call Me, Madame" and "Plain and Fancy", will co-star in the role of the Navy nurse with Henry Michel, young baritone from New Milford, N. J., who will portray the middle-aged French planter.

In addition to Miss James and Mr. Michel as the pair caught in a war-time idyll, the cast will include William Diehl as the lieutenant struggling against prejudice in his love for a Tonkinese girl, Dorothy Maruki as the dainty Tonkinese, Katherine Graves as her raucous mother, Bloody Mary, who sings the haunting psalm to a tropical island, "Bali Hai", Robert Busch as the "big operator" Seabee always intent on swinging a deal, Lester Mack as Big Navy brass, and Richard Lo,

## Social Security Questions-Answers

By Seymour Finver  
District Manager

**Irvington Social Security Office**  
While some workers in private households have been covered by social security since the beginning of 1950, and most domestic employees have been under the law after 1954, the Irvington Social Security office at 1040 Springfield Avenue receives daily questions similar to the ones answered below.

**QUESTION—**I am a household worker. Can I get the same old-age and survivors insurance benefits to which workers in other kinds of covered employment are entitled?

**ANSWER—**You and your family can become entitled to the same life and death benefits available to the other workers who become entitled under the Social Security Act.

**QUESTION—**I am hiring a household worker for the first time. What should I do? I will pay more than \$50 a quarter.

**ANSWER—**Start by asking the employee to show you her social security card. Copy the name and social security account number from it and keep them for making your reports. Deduct 2 1/2 percent from your employee's wages each time you pay her. Get a copy of Booklet 21 from your social security office or from your District Director of Internal Revenue and fill out and mail the card in it to get further information and the simple tax report form. The worker will need to show her social security card to the employer. If she does not have a card or has changed her name, she can get one at the nearest post office. Both the employee's name and social security number are needed on the employer's reports. The employer will start taking the 2 1/2 percent social security tax from the worker's pay and report her wages to the District Director of Internal Revenue.

**QUESTION—**I do household work for several employers. Is it possible for me to check my social security account to see if all of my employment has been reported?

**ANSWER—**Yes. Contact or write your social security office for Form OAR-7004. If you believe some of your wages were covered under the Social Security Act but

Al Medinet, Si Vario and Don Wortman in other roles.  
The production is being directed by Frank Carrington and Agnes Morgan, the tropical backgrounds have been designed by Herman Rosse, Mavis Ray is in charge of choreography and the orchestra is under the direction of Albert L. Florillo, Jr.

were not reported by your employer, call at your social security office. Your wage record will be investigated.

**QUESTION—**I have an employer identification number which I use in my business. Must I get another for use when reporting my household employees' wages?

**ANSWER—**You may use your business employer identification number if you wish; or, if you prefer, you may secure an additional employer identification number for use only in reporting your domestics. Another possibility would be for your wife to get the household employer identification number in the event you do not wish to involve your business with your household operation.

Friends: Neat trick—how does it work?  
Olds Owners: It's a new progressive carburetor system. Gives you more economy... or extra power for safety. Take your choice.  
Friends: Economy sounds swell!... but with a big car like this...?  
Olds Owners: You bet! They engineered the J-2 Rocket Engine for our kind of driving... top efficiency at normal driving speeds because it's fueled by one carburetor.  
Friends: How about that extra power?  
Olds Owners: Give it 1/2 throttle and two extra carburetors cut in. It's mighty reassuring to know you've got that extra power in the bank.  
Friends: I get it. Economy when you want it—power when you need it.  
Olds Owners: Correct. But talking about it won't give you the whole story. This one you've got to drive. Climb in—let's go.

CHANNEL SPLITS DOUBLEHEADER TO KEEP LEAD OVER ANGLETONS

Saturday afternoon, May 11, the Angletons and Channels hooked up in a twin-bill at Meisel Field.

In the first game, Marino and Lawn put on a fine hurling duel for five innings. Marino had to leave the mound at the end of five innings with his team leading 1-0, because of the League pitching rule that a pitcher can only work 7 innings in a calendar week.

How to Detect Termites or Ants

There's a little winged creature which has been called the most expensive species of insect in New Jersey and Rutgers University entomologists say every property owner in this State should find out what it looks like.

Bowler of the Week

Ruddy Jennings

Any home owner who sees these insects suddenly appear may be pardoned a moment of panic, but even a colony of super-termites is not a bomb and no home even under determined termite attack is in danger of being reduced to a heap of rubble overnight.

Ruddy Jennings resides at 1070 Morris Turnpike, where he operates the Cedarbrook Nursery famous for Azaleas and Holly plants. His wife, Doris, is also a fine bowler and usually bowls with the V.V.F. Ladies Auxiliary team at Echo Lanes.

The season for termites and ants to swarm—late spring—brings mounds of mail to the desks of Rutgers University entomologists. Other Rutgers staff members, the county agricultural agents, have hundreds of questions about termites added to the usual queries about farming and home grounds improvements.

At the start of the season Rud was low man with a 123 average. He threw a back-up ball that constantly had him in trouble until he finally bought a new ball fitted to his liking and then changed his delivery. Since that day Rud has increased his average at least one point a week and is now up to a 169 average.

"Keep calm" is his first word. "There's no immediate danger, assuming that the insect invaders surely are termites. The ones that you see flying about, probably will soon die anyway."

"Prevention and Control of Termites" has other drawings that show how a new house can be protected from termites and explains chemical treatment to get rid of any that have moved in.

He probably has the best working ball in the league and if he hits the head pin at all he is almost sure of a strike. His style is not exactly orthodox, but one cannot help but admire his slow, rhythmic, precision-like approach.

# SUNNING SPORTS

By RITCHY SCHWARTZ

We've been writing sports for three years now, either for the school paper or our beloved Springfield Sun. More than once in each of these three years our emotions have run away with us but we've managed to subdue them by deadline time. But once, always once we write on the same subject—high school baseball. Yes high school baseball. Baseball a sport with national appeal is a pretty sad drawer in its secondary school level.

Can't understand it... the game's the same. It should be more popular yet since friends are playing instead of paid workers. Yet it is going to the boards, and whose fault is it—well everyone's! The Regional High athletic department made sure that six hundred students turned out one sunny day last week to watch a car run its breaks trying to stop on a dime. It was interesting... and noisy. The point I'm trying to make is that this safety event drew spectators because they were forced into it.

I can picture it now. Teachers in the front teachers to the sides and teachers to the rear directing a snake-like double-file line to the Miesel Ave. field. They are seated in the stands and then the game begins. Lets say the Bulldogs are pitted against Rahway, just for kicks. Well anyway they start playing and half the kids, the half that have never seen a school-boy haliball before are just watching their time pieces waiting for the end. But then Sabatini doubles, Freedman singles and Carpenter hits the second pitch thrown to him a country mile knocking in his two teammates.

All of a sudden the kids go ape. They're screaming, they're on their feet yelling for more, for Rahway blood! Wait a second I just woke up. The vision is gone, Miesel Ave. field is as empty as your garbage can on a Tuesday morning. (Some people's cats are empty on Wednesday). The birds, the only

inhabitants on the ball-field, save the players are singing "I Walk Alone", the empty echoes from the diamond supplying them with the beat.

This last paragraph describes the baseball situation two years ago, last year, this year and if something drastic isn't done in the near future next year also. Our great American Game is the "Game of Shame" in our high schools. I'm tired of this subject and I'm leaving in June anyhow so let the next kid do something. For three years I've tried... what more can a man do? P.S.—Cars don't stop on dimes, unless of course the entire street is paved with the ten-cent piece!

J. to consider the application of Frank Police for a variance to the Zoning Ordinance concerning Block 24 Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

## Plane Views

A MISSILE GUIDANCE UNIT, PLACED ON TOP OF THE WASHINGTON MONUMENT, COULD DETECT THE VIBRATIONS CAUSED BY A BABY ENTERING THE GROUND DOOR.

A SINGLE THUMB PRINT ON A GYROSCOPE PART WILL THROW THE SYSTEM OUT OF BALANCE, CAUSING OPERATIONAL INACCURACIES.

TALCUM POWDER IS USED TO TEST THE VENTILATION SYSTEM OF A MODERN AIRLINER SO THAT ENGINEERS CAN SEE THE AIR CURRENTS.

**Suggestions for May Tree Care**  
Two notorious tree pests can be stopped in their tracks this month by timely spraying. One is the cankerworm, sometimes called inchworm or looper. The other is the Eastern tent caterpillar that builds a dirty white nest in tree forks, according to Dr. George H. Plumb, entomologist.

Both eat leaves. The cankerworm attacks elm, oak, maple, hickory, apple, walnut, ash, ironwood, beech and Linden trees. Serious defoliation results when infestations are heavy. Tent caterpillars riddle leaves of apple, black cherry, wild cherry and flowering crabapple. When abundant they also feed on plane, willow, hawthorn, poplar, birch and beech trees. Cankerworms can be controlled by spraying with either arsenate of lead, malathion or DDT. Synchronize the spray with the flowering dogwood bloom. If infestation is heavy, spray again two weeks later.

Tent caterpillars can be curbed by spraying with malathion or DDT. Do not use arsenate of lead on cherry and peach trees. The best time to apply the spray is at the pink stage of the apple blossom. May is also the time to protect plants against a damaging insect and a disgusting disease. The pest is the pine sawfly that is starting to emerge as a tiny wriggling greenish-gray worm with a voracious appetite. When infestation is heavy, these larvae can strip a pine in a week or so. Red pine is the favorite food of the pine sawfly. It also attacks Scotch, jack, mugo and Austrian pine. Control this pest by spraying with arsenate of lead, malathion or DDT.

The disease on pine is a fungus called tip blight. It discolors red, Austrian, Scotch, mugo, and occasionally white pine. It can be prevented by spraying with Copper.

1886 SPRINGFIELD AVE. 175 MORRIS AVE. MAPLEWOOD SPRINGFIELD

**AUTO BODY WORK**  
ELLERY — (150 Morris Ave., rear of Chrysler-Plymouth agency Springfield). When your rear end is out of shape look for: (1) a firm with the necessary tools and equipment, (2) a firm with the experience and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Ellery Auto Body Shop.

**AUTO REPAIR**  
CLARK'S GARAGE — (Just over Route 22 overpass on South Springfield Ave., Springfield) If you own a 1916 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began tinkering with mangled Deodes had wrought under the hood. Today his reputation is such that he needs no sign over his garage — people know him.

**CARPET & LINOLEUM**  
CARPET DECOR by FRED W. MOORE, JR. — (855 Millburn Avenue, Short Hills, near the Chancellery) A carpet smoother than carpet the floor. It smooths, cleans, repairs, and restores the carpet. The problem is solved. The carpet will stand up years hence. The solution is to buy a known quality carpet (like Mohawk) from a dealer like Fred W. Moore, Jr. who has earned a 10 year reputation in Short Hills for standing behind his products.

**DELICATESSENS**  
G & L — (Springfield Shopping Center, Drexel 6-9672) About the best way to put on the dog for company is to give them a platter of G & L delicatessen. Give them a few of these spicy goodies and they'll never notice you're driving an old car, living in an old house, and wearing an old dress. In fact, they'll probably make a nuisance of themselves coming back for more and more delicatessen. Ask George Byner for advice on what to serve.

**FLORISTS**  
WEBER'S — (Route 22, Springfield, Drexel 6-0626) The world has been more than a push to Weber's Crystal Stream Florists since it was founded in 1923. They're best a highway right through the bogonia beds. Undaunted, Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the story.

**FOOD MARKETS**  
SPRINGFIELD MARKET — (272 Morris Ave., Springfield, Drexel 6-0431). The only supermarket from here to kingdom come offering free telephone and delivery service (expectant mothers note). Jim Punocheo and Leo Schumann can be relied on to pick only the top quality items. Their prices are competitive — can't be beat.

**HOME IMPROVEMENTS**  
CHANNEL LUMBER CO. (Route 22, Springfield, Drexel 6-6900) They have a beautiful aluminum stock chair for gardens and porches which you can buy for \$5.98. But if you just need some extra chairs for a card party or club meeting, Manager Don Lenny will loan you as many as you need at no charge whatsoever. Of course, Channel's also nationally famous for their lumber, housewares, paints, hardware, etc.

**INSURANCE & REAL ESTATE**  
ANNE SYLVESTER'S REALTY CORNER — (649 Morris Ave., Springfield, Drexel 6-2300). A tip on home selling: no man buys a home his wife doesn't like. Therefore it pays to have a woman do the selling of your home, for only she will understand what a woman wants. The 8 subdivisions of the Rocky Corner has sold more than \$5 million worth of real estate in the last 3 years.

**LAUNDROMAT**  
COURTESY LAUNDROMAT — (266 Morris Ave., Springfield) What could be more convenient than to drop your clothes off here when you begin shopping for your new wardrobe? Everything is done for you at 1/3 the cost of a regular laundry.

**LUMBER & SUPPLIES**  
COLUMBIA — (Maple Ave., Springfield, Drexel 6-9850) If you're satisfied with your present home, don't come near Columbia. This big showroom is crammed full of things that will make you dissatisfied in no time. For example, there is a Redwood sawbuck set of a picnic table and two benches that just seem to belong in your backyard. There are decorative interior shades for your windows, and a variety of household fixtures. From decorative lighting to the luxurious Pella-Wood Folding Door, Columbia has the lures to get you upset about your present home and out-tasting it up.

**LIGHT FIXTURES**  
MODERN LIGHTING (618 Morris Ave., opposite Terry Dempsey's, Springfield) The good thing about modern lighting is that it's so easy to change. The bad thing is that you've got to have a good electrician to do it. From Czechoslovakia, a red and white glass chandelier with lead crystals — from Italy, an elaborate wrought iron chandelier that shows why Rome wasn't built in a day.

**MEN'S WEAR**  
WILLIAM HUDL LTD. — (514 Millburn Avenue, Millburn, near the Chancellery) Boys on the Springfield scene in this store are the pride and joy of the boys and the charm and individuality of an exclusive small town haberdashery. William Hudl puts the emphasis on conservative and traditional mens' apparel and masculine decor of walnut, mahogany and rustic fixtures. This is a real find for men who really care about their appearance.

**MUSIC & PHOTO**  
DISC & SHUTTER — (266 Morris Ave., Springfield) The only sound Felix and Ruth Gold haven't heard in their immense record collection is that of a dissatisfied customer.
