New Shopping Center On Ness Tract Is Off

The recent "sensational" announcement that a shopping center was coming to the Ness property in Springfield has fizzled out. At least, for the present, as far as the Frank Taylor real estate organization is concerned.

A telephone call to the real estate offices of the Frank Taylor organization in East Orange yesterday afternoon resulted in the information that "as far as we are concerned, we have no plans to proceed any further on the project for a shopping center for that particular property in Springfield."

It was learned that the Frank Taylor organization had withdrawn an application for rezoning the Ness property and, for the time being, will do nothing further.

Several weeks ago representatives of the shopping center developers met with Springfield's Township Committee and present owners of the Ness tract of land. It was a very enthusiastic conference and formal announcement was made, following the meeting, that such a shopping center would be constructed in Springfield.

Very high land costs and the additional expense of needed frontage for ingress and egress were given as the reasons for giving up the shopping center project by the Frank Taylor organization. The East Orange realtors have not renewed their option with the present owners of the Ness property, which according to the information from the Taylor offices, had been in force until recently. The rumors circulating Springfield this week stated that a research laboratory was planning to build on the Ness property.

Motorist Denies Blackjacket Story

The Elizabeth man who claimed a Springfield patrolman struck him with a blackjacket retracted his statement in Monday night's Municipal Court.

Loy M. Strother had declared a week ago in court that policemen John Baber had hit him when he was stopped for speeding. Baber, who said Strother was traveling 55 miles in a 25-mile zone, denied carrying a blackjacket. Police chief Albert A. Sorge confirmed this.

After apologizing to the court and the police for his statement, Strother heard Magistrate Henry C. McMullen hand down a \$25 fine for speeding. Originally a 30-day license revocation was ordered but it was changed for a heavier fine.

Women Voters Meet With New Officers

The first board meeting of the Springfield League of Women Voters for the 1957-58 League year was held on June 3 at the home of Mrs. R. Moore. 2nd Birthday for Shopping Center

The General Greene Shopping Center will be two years old and an elaborate birthday celebration is being planned.

All the units in the shopping center will participate in the anniversary program with a sensational 3-day sale, June 20, 21 and 22, with bargains guaranteed to attract crowds of shoppers.

Attractions are being arranged for children, music for everybody and the usual carnival spirit for the 3-day sale.

The complete program and the long lists of bargain merchandise will be announced through specially prepared shopper publications to be circulated throughout the entire area.

Springfield P.T.A. Now Four Separate Groups

The reorganization of the Springfield Parent-Teacher Association marks an era of progress in the community. After having functioned for twenty-seven years as a combined organization representing Springfield's elementary schools, the Springfield P.T.A. was recently reorganized into four separate parent-teacher associations—one representing each of the township's elementary schools.

Exploration of the local P.T.A. files reveals that the forerunner of this organization was the "Home and School Association" which boasted an initial charter membership of sixty members made up of parents representing the eight-room James Caldwell School and the four-room Raymond Chisholm School in 1921. Robert Ferguson was the first president of the Home and School Association.

Fred J. Hodgson, supervising principal of the Springfield schools here for more than twenty years, served as the by-laws chairman for the group and Miss Marietta Parkhurst who later became the community's first retired teacher was the first secretary of the Home and School Association. The meetings were held in the James Caldwell School.

Interest in forming a Parent-Teacher Association is evidenced by accounts of guest speakers from the Vaux Hall P.T.A. and the Westfield P.T.A. telling of the work of the P.T.A. in their communities. Some of the work done by the Home and School Association included the purchase of the school's first motion picture projector serving cocoa at 2-cent per cup to children who brought lunches, and requesting the Board of Education to study the advisability of hiring a school nurse.

First Officers
Nine years later, on September 30, 1930, Fred J. Hodgson presided as the chairman of a meeting held in the James Caldwell School for the purpose of organizing a Springfield Parent-Teacher Association. Alfred G. Trundle was elected president, Hodgson was elected the second Vice President, and the present superintendent of Spring-

Local Cancer Drive Nets \$2,700 Here

One of Springfield's most successful fund raising drives has ended with over \$2,700 having been received for the 1957 fight against cancer. Mrs. Philip Lewis was chairman of the local cancer raising campaign with Mrs. Joseph Bender as co-chairman.

While the completed figures haven't been announced the total is about the \$2,700 amount. Charles Huff, treasurer of the cancer fund raising campaign, is expected to have the report completed in a few days.

Mrs. Lewis, head of the 1957 local drive, says the success of the campaign was due to the fine cooperation of her committee and volunteer workers. Mrs. Lee L. Andrews, Jr., was in charge of the house to house workers; Dr. Marvin Gould concentrated solicitation among the professions. Mrs. Robert Hockstein headed the group for contributions from clubs and organizations, and Charles Huff was the treasurer.

Solicitations from business and industry was in charge of Mrs. Lewis and Mrs. Bender with the following volunteer workers on this committee: Mrs. Elsie Wemischner, Mrs. Eleanor Stein, Mrs. Doris Logan, Mrs. Frances Keane and Mrs. Ruth Gold.

Following is a complete list of the volunteer workers who assisted Mrs. Andrews, Jr., in the house to house solicitation: Mrs. S. Boutelle, Mrs. J. Bevaning, Mrs. J. Bauer, Mrs. R. Zieser, Mrs. E. Hamble, Mrs. C. Kirk, Mrs. Z. Bryson, Mrs. R. Marshall, Mrs. J. Fisher. (Continued on page 11)

Democratic Club Has Annual Dance

Springfield Democrats and friends crowded Farver's Grove, Union, Memorial Day eve, May 29, for the annual dance of the local Democratic Club.

Acting president Ed Olesky greeted the Democrats and introduced Township Committeeman Vincent J. Bonadies, candidate for re-election to Springfield's governing body in November, and local county committee chairman, Irwin Weinberg. Music for the dancing was furnished by the Four Dimes.

Morris Ave. Rails; Subject of Letter Sent To Governor

Another chapter has been written in the "thrilling" drama entitled "Please, Mr. Highway Commissioner, Remove the Exposed Trolley Tracks."

Springfield Polio Drive Total: \$1,645

A total of \$1,645.42 was contributed by Springfield in the 1957 March of Dimes drive which is part of the Union County total of \$116,484.56, according to the announcement made by Chairman Edward L. Whalen yesterday. The Springfield drive was in charge of J. Leo Moran.

Mr. Whalen stated that he was delighted with the results of the drive and complimented the chairman who headed the 1957 campaign in their respective communities. He also stated that the Union County Chapter for Infantile Paralysis is deeply grateful to the citizens of Union County for once more supporting the annual drive. "There are still hundreds of cases in the county who look to us for care and assistance; polio is an expensive disease and we must not forget those for whom the vaccine was too late. They still look to us for help."

Fifty per cent of the money collected is forwarded to the National Foundation and the remaining fifty per cent remains here with the Union County Chapter for local care.

1st Summer School Set for Regional

Summer School will be brought home to students of the Arthur L. Johnson Regional High School and the Jonathan Dayton Regional High School, the two units comprising the Union County Regional High School District No. 1. This year, for the first time in the history of the district, classes will be offered in the Regional High Schools.

Students will center largely around make-up of failed subjects and review courses of improvement of grades earned in regular session. Students who have not done well in their classes can profit immensely from the extra six weeks of study which provides a review of the entire year's work in thirty sessions of two hours each. For a student who has failed one or more subjects, it gives an opportunity to earn passing grades without having to repeat the failed subject for an entire year. For a student who has earned passing but poor grades in a subject needed for college entrance credits or as a pre-requisite for advanced study, it gives an opportunity to improve on the original grade that must be reported to colleges when the student seeks admission.

An unusual feature of the program at the Regional High Schools is the offering of certain subjects in rather specialized areas to enable busy students to include studies they might not otherwise be able to schedule during the regular school year. One of these specialized areas will be in the shop field where students will be able to work on projects during the summer under the supervision of a regular shop teacher. Students will also be able to take the Driver Education program this summer. As most parents of boys and girls approaching age 17 know, insurance companies offer reduced rates to newly licensed 17 year old drivers who have completed the regular school taught Driver Education program. Now it will be possible for students who become eligible to drive during the summer vacation from school to obtain the driver course.

A brand new subject to be offered for the busy college bound student who does not have time during the regular school year for a regular course in Stenography, is "Stenography for note-taking." This course is not designed to produce secretaries, but rather to give the basic foundations to support Overlook.

For the past three (3) years I have been appealing, yes begging, your State Highway Commissioner to remove or eliminate the hazards caused by exposed car rails. (Continued on page 12)

Parking Ban On Morris Is Big Question

Removing the present rush hour parking restriction on Morris avenue may soon become a real issue in Springfield.

Mayor Albert G. Binder has already declared that lifting the ban against parking during the rush hours would "cause chaos" on Springfield's highway-main street and, last week, Township Committeeman Raymond W. Forbes was quoted as saying he "does not favor permitting parking on Morris avenue during rush hours."

Proponents of the idea that there should be no rush hours restrictions on Morris avenue have been encouraged by the fact that Madison, where Route 24 also is their main business thoroughfare, recently rescinded the ordinance which prohibited parking during certain hours at the request of merchants in that municipality.

Hurt Business
Morris avenue business men have been complaining that the ban against parking has hurt sales and an effort is being made to have Springfield follow Madison in rescinding the no parking ordinance. "Business has been hurt considerably on Morris avenue," said one of the merchants, "because prospective customers cannot stop for a quick purchase. One food store, in business for a great many years on Morris avenue, was a favorite stop-off for husbands who picked up a pound of butter or a quart of milk on the way home. The parking ban did away with this and that particular store is now out of business."

Forbes is hoping to lick the parking problem by having more off street parking. In an interview with the Newark Evening News, Forbes advocated "purchase of land for a shopper entrance and exit to stores on the north end of Morris avenue" which means the extension of Mountain avenue into the Jenco property, now being considered for a new shopping center or a research laboratory. The article in the Newark Evening News under the heading "New Road to Shops Urged For Springfield Parking" reads as follows:

Purchase of land for a shopper entrance and exit to stores on the north end of Morris Ave. is being advocated by Township Committeeman Raymond W. Forbes. Forbes says the acquisition of land opposite Mountain Ave., which ends at Morris Ave., and (Continued on page 11)

60 Workers Slated For Overlook Fund Campaign

A Corporate Girls campaign for funds for Overlook Hospital was opened last Monday night at the home of Ike Freedman, 407 Milltown road; Chairman of the Committee, and one of Springfield's leaders in support of the area hospital.

In explaining the needs of Overlook Hospital to the eight Division Chairmen present, Mr. Freedman pointed out that increases in population in all service areas of the hospital, Springfield included, had strained service and bed facilities to the breaking point.

"In spite of the excellent services of staff and doctors, conditions as they now prevail cannot be allowed to continue for the sake of the health of our families, our friends and neighbors," Mr. Freedman said. "It seems impossible but X-ray and laboratory services have tripled in the last six years—and Overlook now serves more than 1,400 meals a day from a kitchen built to handle only 165 patients."

Charles A. Reminger, General Chairman of the Springfield campaign, asked Springfield corporations to support Overlook as

the best health insurance plan for their employees and families.

"We must certainly not forget the family," Mr. Reminger said. "And most important for the future of our community is the role of an adequate, up-to-date maternity department in the community hospital. At present we know that Overlook's maternity nursery is 50 per cent too small."

"For all of us there is the question of that sudden emergency operation. The NEW Overlook will have two additional operating suites sufficient to handle all cases, whether of an emergency nature or resulting from long-term diagnosis."

Mr. Freedman explained organizational plans to his Chairmen and asked immediate enrollment of volunteer solicitors in each division. He said that he expects to have between 50 and 60 workers active in the campaign before the week is over.

Mr. Freedman's Division Chairmen are: Vincent J. Bonadies; Seymour S. Cohen; Rev. Bruce W. Evans; Shelley A. Fried; Mrs. Lenore Green; Ray R. Kravetz; Rabbi Ruben D. Levine and Milton R. Rubenstein.

Rotary Hears Of Overlook Needs: Votes Contribution

Realizing the urgent need for full participation of Springfield citizens in the current Overlook Hospital Building Fund campaign, Rotary members on Tuesday, at their regular weekly luncheon at Balfour Golf Club, unanimously voted to quadruple their annual contribution to the hospital.

Featured guest speaker at the luncheon, presided over by President Edward Reibold and programmed by Raymond Bell, was Hugo B. Meyer, General Chairman of the Overlook campaign. Mr. Meyer stressed the importance of full participation in the campaign by all communities enjoying the excellent hospital services at Overlook.

"Expert advice was sought by Overlook before we undertook

to ask its service area for full support," Mr. Meyer told the 35 members present. "They weighed all statistics in population growths and in general use of hospital services, and they submitted a complete building program necessary to handle future expansions in populations.

"The plans call for an immediate construction program in the amount of \$3,574,000, of which some \$900,000 have been contributed to date, while \$500,000 were on hand before the campaign began.

"Completion of this phase will alleviate all service troubles and will add 90 bed rooms for much needed space.

"At present, Overlook is strained to such an extent we have at times reached the impossible figure of 100.2 per cent of occupancy in the medical and surgical departments. Safe occupancy figures on a national scale for general, non-profit hospitals of Overlook's type, set a standard of only 80 per cent."

Charles A. Remlinger, General Chairman of the Overlook campaign for Springfield, told Rotarians of the responsibility of Springfield in the overcrowded conditions at the hospital.

"The people of Springfield ap-

preciate the excellent care rendered by Overlook," Mr. Remlinger said. "This fact is best illustrated in the increase in use of the hospital by our citizens. Those figures speak for themselves as the best reason for an all-out effort of our community in behalf of Overlook."

"Hospital records for 1956 show that 338 of our people, of the Springfield family, were admitted. This figure increased to 664 in 1956. Overlook Hospital might as well be known here as Springfield Hospital and since that is the case, Springfield is duty-bound and price-bound to give its fair share."

Mr. Remlinger added that Committees have been formed for Memorial and Special Gifts, Professional Gifts, Business Gifts and Corporate Gifts. A General Solicitations Committee is being formed for a concerted campaign in the fall.

Local Girl Goes To Summer School in the Himalayas

Bonnie McGraw, a 14-year-old sophomore at Jonathan Dayton Regional High School, is going to miss out on her summer vacation and she'll have to fly half way around the world to do it. Bonnie will leave school Wednesday, headed for Mussoorie, a spot high in the Himalayas of India, where she'll be right back in school on June 11. All this may sound a bit confusing but it can be easily explained. First, Bonnie is the daughter of Rev. and Mrs. Eugene McGraw, Methodist missionaries to Malaya. They returned to the states on leave in December and are staying at the home of Mrs. McGraw's parents—Mr. and Mrs. M. W. Leonard of 19 Molter Ave. As for the school, Bonnie has to be in India by Saturday to arrange to start her junior year at the Woodstock School in Mussoorie. The school term there runs from June to December because the heavy snows in the Himalayas force the school to close down until February. Hence, no summer vacation for Bonnie.

Hadassah Scope Meeting June 12

Mrs. Nat Sherman, newly installed president of Springfield chapter Hadassah, will conduct a plan and scope meeting on Wednesday evening, June 12, at the home of Mrs. Jack Chotiner, 313 Cooke Avenue, Scotch Plains, N. J.

The executive board members and appointed project chairmen will be present to formulate plans for promoting and strengthening the goals of Hadassah, here on the American scene to foster Zionist and Jewish ideals and culture through education, and to aid in strengthening democracy; and in Israel to assist in the development of the Jewish state through its health program, youth immigration, and vocational education. Mrs. Sherman and Mrs. J. Menkin, both delegates from Springfield Hadassah to the recent Regional Convention in Atlantic City, will present ideas brought back from the conference to assist in planning social and fund-raising activities for Hadassah's fall agenda.

Memorial Services

Members of the VFW Ladies Auxiliary held memorial services at Hollywood Cemetery in Morristown on Tuesday, May 28, for its deceased member Ann Conley. An emblematic flag was placed at the grave. Those members of the Auxiliary who took part in the ceremony were: President, Marie Summerer; vice president, Mary DeFino; flag bearers: Ruth Hattersley, Mary Hattersley, Jean Dziubaty, and Lillian Cardinal, and Chaplain Ann Lito.

Bonnie's parents and her brother, Paul, will return to Malaya in November. And, when the Woodstock School closes in December, Bonnie will finally catch up with her vacation. She'll rejoin her parents—in tropical Malaya.

Begins Vacation

Barbara A. Wolf, daughter of Mr. and Mrs. Donald K. Wolf of 53 Severna Avenue, completed her freshman year at Centenary College for Women, Hackettstown, New Jersey on Tuesday.

She will begin her summer vacation and return to the campus on Friday, September 20.

Bonnie's parents and her brother, Paul, will return to Malaya in November. And, when the Woodstock School closes in December, Bonnie will finally catch up with her vacation. She'll rejoin her parents—in tropical Malaya.

Congratulations to Miss Kathleen Clark, daughter of Mr. and Mrs. Fred Clark of 1 Dundar road on winning a one year scholarship to Bunny Sabin's School of Dance, for her outstanding accomplishment in toe dancing.

The Anniversary Waltz had a silver note when it was played for Mr. and Mrs. John Madura of 115 Edgewood avenue. Their silver wedding was celebrated on May 26 and at 8 a.m. on that date the Maduras and their five children—John, Jerome, Agatha, Prudence and Joyce—attended a Holy Mass at St. James Church. The blessing was given by Father Carney.

In the evening the Maduras were honored at a surprise party given by their children. Adding to the excitement was a phone call from their son, Lieut. Jerome Madura, who is stationed with the Army Air Force in Harlingen, Texas.

All the anniversary gifts were lovely but the happy couple were especially appreciative of a little cedar chest containing 125 silver dollars which their children had saved.

The party guests included Mr. and Mrs. Carl Woznicki, of Springfield; Mr. and Mrs. Dan Madura and Joseph Madura of Goshen, N. Y.; Mr. and Mrs. A. Stanisfield of Fairawn; Mr. and Mrs. Al Papoulias of Glen Rock; Mr. and Mrs. A. Narcauge of Newark; Mr. and Mrs. J. Diegan of W. O.; Mrs. F. Mayer of E. O.; Mr. and Mrs. Juliana of Pearl River, N. when Mrs. Mendelsohn saw the show recently. Mrs. Mendelsohn was part of a large group of Springfield-ites who attended the performance under the sponsorship of the Men's B'nai B'rith.

A hearty welcome to Mr. and Mrs. David Meddaugh of 133 Short Hills avenue who moved here from Rockport, Mass. Their two daughters are Ruth, age 8 years and Joy who is one year old. Mr. Meddaugh is a teacher at Columbia High School, Maplewood.

Somebody should tell her about a COOL COOKING ELECTRIC RANGE

Yes, someone should tell this poor gal how a flameless electric range lets her cook in cool comfort. The electric surface units, in direct contact with the bottoms of pots and pans, confine heat so that little escapes into the kitchen. The flameless electric oven is insulated on all six sides. The kitchen stays almost as cool as any other room in the house. So, if you're in a mealtime sweater, see your authorized Reddy Kilowatt Dealer about a cool-cooking electric range.

Your Library

During the next few weeks a great many of the most important Patriotic Holidays will be celebrated. These include not only those nationally observed: Memorial Day, Flag Day, and Independence Day, which is usually spoken of as Fourth-of-July; but some very special local events. Each year on June 23rd, Springfield celebrates the famous battle of 1780. This year there are extra special historical events to be remembered. Union-County Centennial was one, and the Millburn Centennial was another. Springfield now in Union County, is concerned with both of these since it was one of the towns most affected by the changes.

All of these events make it fitting to call attention to the many books in the Springfield Public Library which have patriotic

themes or will help make clear to readers the many stirring events which have taken place in our own neighborhood.

First of all we have the booklet "Battle of Springfield" published by the local historical society. The Library has these either for loan or for sale. A book which gives a great deal of information about the Revolution and its leaders in this area is "Lesser Cross Roads" by Andrew Mellick, Jr. Two other excellent books about New Jersey are "Path to Freedom" by Donald L. Kemmerer and "Cockpit of the Revolution" by Leonard Lundin.

Next week more books for adults will be listed, but this week the rest of the space will be used to recommend some "books" which can be used in preparing programs, especially programs for young people. These include "Why We Celebrate our Holidays" by Curtis, "Heroes and Holidays," "Poems for Great Days" by

Clark, "Poems for Red Letter Days" by Sechrist, and "Special Days and Their Observance."

For very small children Purcell's "The True Book of Holidays" is good. Another is a simple history of our flag called "The Star-Spangled Banner". There is also a delightful story "The 4th of July" by Alice Dalgleish.

Among stories for older boys and girls are Bailey's "Children of the Handicrafts", Fenner's "Feasts and Frolics", and Lyons, "Stories of our American Patriotic Songs". "Mistress Madcap" by Mrs. Edith Bishop Sherman tells the legend of Jockey Hollow.

Another type of material is represented in "Little Plays for Little People" and the series of four volumes "Plays for American Holidays".

In addition to these books, there is a great deal of material in the local history which will interest both old and young.

Troop No. 77

On May 25th, Boy Scout Troop No. 73 of St. James, Sponsored by the Holy Name Society of St. James and under the leadership of Ed. Kaye, Scout-master and Ed. Siebert assistant Scout-Master, and committee men, Leonard Schaffenberg, Fred Gettau, left Springfield, N. J. at 9 a.m., for a two (2) day camporee at Camp Winnebago, Rockway, N. J.

On arriving at camp the scouts had to hike into their camp sites with full pack and gear a distance of three miles, over rough roads. On reaching the camp site they set up their tents and made their fires to cook their dinner.

The boys furnished and cooked their own meals on open fires. The menus were prepared at their patrol meeting to assure each boy a proper diet.

The weather was beautiful and the camp opened the lake for swim time which the boys did not have to be persuaded to partake in.

On Sat.-Eve. a large camp fire was made and all the scouts gathered round for story telling and games. This is always a great treat for the boys. The only light being of the fire. The surrounding darkness adds to the atmosphere for tall tales.

Sun. a.m. sends the boys on a three mile hike to 9 a.m. Mass, which was held in the open. This was impressive and beautiful as it was the first time for a number of the boys to be at camp.

Moving picture were taken of the camp activities and will be shown to the boys and parents at the next parents night.

Awards were won by the following patrols, Apache, Comanche, Mohawk.

This award was for camp activities as follows-food handling, cooking, sanitary conditions, tent erection, personal cleanliness and camp cleanliness.

A Masterpiece in the Flower Kingdom

The orchid is a flower of great beauty! It is recognized by horticulturists as a masterpiece in the flower kingdom, and reaches maturity only after seven years cultivation.

Physical beauty is the only requirement the orchid must fulfill to assume its place in the world. It is otherwise a soulless botanical specimen.

The botanist who cultivated this flower also possessed a son, and as the orchid approached maturity so also grew the child. The flower and the child were the objects of his greatest pride and affection. While his success with the orchid was certain, he failed in the greatest responsibility of his life—the training of his son.

The father's failure was caused by his inability to see the all important difference between the soulless flower and the immortal soul of his son. He thought only of the physical and mental prowess of his boy and thus neglected the child's greatest potential heritage—spiritual development. He had forgotten there was a Church! He had forgotten God!

The Church offers guidance and help to parents in the training of their children. Every parent and every child needs the sustaining strength of the Church.

HOW Water Works

CONTOURING-
PLOWING & PLANTING
IS AN IMPORTANT FACTOR
IN WATER CONSERVATION, AS IT REDUCES SOIL EROSION, ALLOWING RAIN TO BE USEFUL RATHER THAN DAMAGING!

"The Proof of the Pudding" - etc. has been demonstrated in many ways, so far as the farmer is concerned. "Contouring" has brought back to life springs and wells that had dried up, an indication that the "WATER TABLE" has been restored.

Labor, Health Program, Juvenile Delinquency, Summer Playgrounds, and Summer Round-Up. Funds were voted for purchasing musical instruments for school use, dancing classes were sponsored for upper grade children every Saturday morning, and a Community Choral Society was sponsored. P.T.A. members helped with the Red Cross Sewing Unit.

Community dances for High School age were sponsored once a month in the Municipal Building. The P.T.A. sponsored the first Girl Scout Troop in Springfield. The P.T.A. Recreation Committee started a Men's Gym Class, a Ladies' Gym Class, and a Boys' Tap Dancing Class.

As early as 1934, the Springfield Sun ran a regular P.T.A. news column. In 1935 a Scholarship Fund Committee was appointed. In 1936 Neighborhood Radio Groups were organized for Parent Education. A shelf was set aside in the Public Library for P.T.A. publications. By 1937 the idea of paid speakers for the general meetings was accepted.

The first printed programs were made available to each member this year, too. Regional High School opened in 1937 and the elementary school P.T.A. members helped in starting the high school P.T.A. It was during this year that the teen-age dancing classes in the Municipal Building were discontinued because the floor space was needed for township offices. The P.T.A. matched a one-hundred dollar donation of the Red Cross to purchase milk for undernourished children.

By 1938 Board of Education members Charles Phillips and James Duguid were urging P.T.A. members and residents to vote for the new proposed addition to the Raymond Chisholm School. After the addition was completed in 1939, the P.T.A. meetings were alternated in the evenings between the two schools.

The association purchased a piano for use in the kindergarten of the Raymond Chisholm School. The P.T.A. cooperated with other organizations in sponsoring an Adult Education Program. In 1940 the P.T.A. celebrated its Tenth Anniversary on Founder's Day.

MEMBERSHIP GROWS
The year of 1941 revealed a membership of 811 members. The P.T.A. donated fifty dollars toward the purchase of equipment for the Raymond Chisholm School lunchroom. In 1943 contributions were made to the Red Cross and gifts were sent to men in the Armed Services at Christmas time.

The year of 1945 found the P.T.A. sponsoring the Raymond Chisholm School lunchroom until it was taken over by the Board of Education. A paper drive was conducted for the purpose of purchasing a dishwasher for the lunchroom. Fred

J. Hodgson resigned and he was succeeded by G. Mercer Guerry in the fall of 1946. In 1948 Mr. B. F. News-wanger, principal of the Raymond Chisholm School, became the new supervising principal of the schools and the second Vice President of the P.T.A.

Miss Florence M. Gaudineer, the school nurse, was presented with a chaise longue by the P.T.A. in honor of twenty-five years' service in Springfield's schools. Materials were purchased for chaise longues for children in both schools, and members of the P.T.A. made them in cooperation with the school's Home Economics Department. This year was the first year that a P.T.A. Card Party was held at the Baltusrol Golf Club. Membership had now reached a new high of 942 members.

When the membership surged upward to 1170 members in 1950, the Parent Education Study Groups held six regular meetings for the purpose of group discussion of interesting topics related to the schools. Two movie projectors and two spotlights were purchased for use in the two schools. A contribution of \$100 dollars was given to the Music Fund, and a savings bond was given to the honor graduate in each school. The P.T.A. sponsored three plays which were presented by the Children's Theatre Guild for children's entertainment on Saturdays.

By 1951 there were 22 members on the Executive Board representing a total membership of eleven hundred seventy members. A painting of Miss Florence M. Gaudineer was presented to the Florence M. Gaudineer School by the P.T.A. and the Alice Hart Memorial Fund was established in honor of Springfield's first teacher who died in service.

By 1953 there were thirty members on the Executive Board representing 1876 members. A third Vice President was elected so that each school could be represented on the Executive Board and a fourth Vice President was added with a principal of one of the schools in this office, alternating annually among the three schools. The superintendent of schools became the Honorary President.

The township's rapidly increasing population, enlarged school enrollment, and heavy traffic problems aroused an active P.T.A. interest in safety and the organization placed signs at strategic locations, and requested the township to install electric timers and lay sidewalks in hazardous locations. Donations were made to the school's instrument fund, a film library, the State P.T.A. building fund, and a Film Strip Projector was purchased.

PLAN REORGANIZATION
The year of 1955 found the P.T.A. so large that the idea of reorganization was suggested. The president, Mrs. Loren Skousen, appointed a committee to study the need for reorganization. Following study of the needs, the committee recommended that the P.T.A. Parent Education Group meetings in each school be studied as indicators of active membership interest in individual school P.T.A. organizations at this time.

The idea of reorganization was reopened while Mrs. Phillip L. Lewis was president in 1955. A survey of the membership's wishes was made and a vote of the membership was taken. The P.T.A. by a slim majority vote, approved the continuation of the combined P.T.A. at this time.

The township's fourth elementary school, the Edward V. Walton School, was in use now and many members began to recognize a need for individual school-Parent-Teacher Associations.

In February, 1956 Founder's Day was observed by a 25th anniversary birthday party of the Springfield Parent-Teacher Association. Invitations were sent to all past presidents by the Founders' Day Chairman, Mrs. J. Frank Jakobsen. Eight grade pupils, assisted by the narrator (Mrs. Briant Haas), dramatized the highlights

of each president's term of office from the beginning with Alfred Trundle to the present with Mrs. Phillip L. Lewis presiding.

The past presidents honored included the following: 1930-31, Alfred G. Trundle; 1931-32, Mrs. Charles G. Nelson (now Mrs. Charles Huff); 1933-34, Mrs. Herbert Day; 1934-35, Mrs. Frank Geiger; 1935-36, Austin Gridley; 1936-37, Mrs. Grant Thomas; 1937-38, Austin Gridley; 1938-39, Mrs. Lawrence Robinson; 1939-41, Mrs. William Baumsmith; 1941-43, Mrs. Charles Baumann; 1943-45, Mrs. Donald K. Wolf; 1945-47, Mrs. William Cosgrove; 1947-49, Alvin Damig; 1949-51, Mrs. Thomas Doherty; 1951-52, Edward Wronsky; 1952-54, Mrs. Loren Skousen; 1954-56, Mrs. Phillip Lewis.

In briefing through the annals of the P.T.A., it was discovered that money-making projects through the years have included minstrels, puppet shows, movie benefits, barn dances, square dances, a carnival, a home-talent "circuit" coached by a professional company, teas and card parties conducted in individual homes to help the finance committee, sales of T-shirts and scarfs to school children, and in recent years the very popular annual Card Party held at Springfield's Baltusrol Golf Club. Also there are accounts of rummage sales from time to time throughout the history of the P.T.A.

When the membership reached 2145 in the year of 1957, a special committee was again appointed by the president, Mrs. B. P. Yuckman to study the need for reorganization. The committee reported back to the Executive Board of forty-eight members and the Executive Board made a recommendation at the January meeting advising reorganization into four separate Parent-Teacher Associations—one for each township elementary school.

The membership cast a decisive majority vote in favor of adoption of a motion for reorganization and plans for reorganization by the end of the 1958-57 P.T.A. year were begun.

Mrs. J. Frank Jakobsen, met with the president of the County Council of Parent-Teacher Associations, Mrs. Frank Steudle for instructions on procedures. Then the key woman and the Springfield P.T.A. president met with each school principal and the Vice President representing each school and a by-laws committee was appointed to prepare by-laws for each school P.T.A.

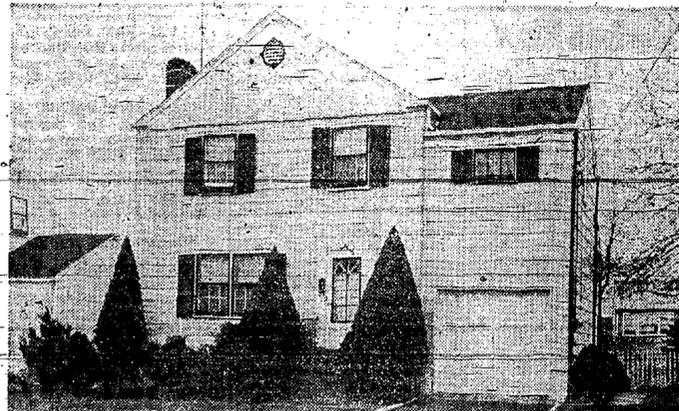

The date for the call meeting to organize a P.T.A. in each school was decided upon. "Flyers" announcing the date were sent to the parents in each school. Each call meeting was held and the by-laws were adopted and a temporary chairman was elected to serve until a president was elected.

Nominating Committees were appointed to select a slate of officers for each school P.T.A. The first meeting of each school P.T.A. was held in the month of May and the slates of officers were presented by the Nominating Committee previously appointed at the call meeting. Then the election and installation ceremonies followed.

Parking

(Continued from page 1)
construction of a roadway in back of the north side stores would ease the parking situation. Merchants have been complaining that inadequate facilities and a partial parking ban in Morris Ave. during rush hours are hurting business.

In response to a move by local merchants to have the Morris Ave. restrictions lifted, Mayor Albert Binder last week declared he will fight any such proposal. He asserted removing the ban would make the thoroughfare more dangerous that it already is and not increase parking facilities to a significant degree.

ANOTHER REALTY CORNER SALE—Residence Washington, D. C. Mr. Finnie is associated with the at 112 Linden Avenue, sold by ANNE SYLVESTER, Firemen's-Fun Insurance Company as assistant fire REALTY CORNER for Mr. and Mrs. William C. Schaefer to Mr. and Mrs. William R. Finnie of

ities to a significant degree.

Favors Parking Ban
Contrary to the mayor's contention that there is ample off-street parking, Forbes said the merchants on the north side, with no means of entrance and exit to the rear of their properties, have a legitimate complaint. However, he, like the mayor, does not favor permitting parking on Morris Ave. during rush hours.

According to Forbes, the reasons given against his idea of providing a new road by his colleagues on the governing body are that the plan is impracticable and that the township cannot afford to buy the land. Forbes reasoned that the land will never go down in price and that someone may buy it and build, closing what he considers the only way to solve the merchants' dilemma.

Forbes said he had spoken to the north side merchants about six months ago and all but one thought it an acceptable idea. He has met with little success since then, however, in convincing the other members of the Township Committee that the purchases should be made.

7th Straight Win Gives Legion Lead

The undefeated American Legion team of the Springfield Youth League Major Division won two games last week from the last place Car Hops to run their win streak to seven.

The Legionaires won the first game 4 to 3 despite the big bat work of Pete Coan and the good glove work of Monticello. Coan connected for three hits in a losing cause for the Car Hops. The Legion ran away with the second game 11-1 behind the one hit pitching of Mark Freedman. He was backed by the heavy hitting of Cohen, Cardone and Hellman and two sensational catches by outfielder Fred Mercurio.

At the half-way mark of the Youth League Season the standings of the clubs is as follows:

Because of bad weather and the many incomplete games played at the beginning of the season and because of the necessity to reschedule so many games and complete them before the school session is completed, the final standings will be determined on the basis of eight complete games.

If we would consent to making a "deal" on parking restriction, the State would remove the tracks. The idea is preposterous in view of existing conditions in the town and adjacent towns along this highway, if you could take time out of your busy schedule, I assure I could convince you of our position in the matter. In the meantime, however, the exposed rails are there and accidents are occurring to innocent victims of an adamant policy set forth by a State official.

Again, I assure you Governor, we join with you in all ways and means of mutual aid in achieving greater traffic safety improvements. It is a never ending problem that requires patience and perseverance, but I am confident your efforts and assistance, together with local missionary work, will be repaid in the savings of their lives or suffering which inevitably follow traffic accidents.

Sincerely,
ALBERT G. BINDER,
Mayor.

The Children of Rev. and Mrs. Caldwell

The Sixth of a series of articles prepared by the Springfield Historical Society.

Margaret Phillips Caldwell, her grandmother's namesake, born January 23, 1764, died January 3, 1831. She was educated at Miss Hedden's Select School in Newark. She married Isaac Canfield, a farmer and storekeeper at Malapardis, N. J. Her husband was later a merchant of Morris-town. He had fought in the Revolution, and served as a Major of the Morris Battalion from 1807 to 1812. He is credited with introducing the Virginia crabapple into Morris County.

John Dickinson Caldwell, born January 25, 1765, died May 11, 1766. Hannah Caldwell, born September 20, 1767, died February 20, 1825. She married in 1790 James R. Smith, a merchant of New York and one of the proprietors of the Tortine coffee-house. He resided on Pearl street and later on Broadway. Hannah's second husband was Dr. John Richardson Bayard Rogers, an eminent surgeon, a graduate of the University of Edinburgh, and a Professor in Columbia Medical College. His father, Rev. John Rogers, D.D., pastor of the old Wall Street church, was the founder of Presbyterianism in New York.

John Edwards Caldwell, born February 2, 1769, died March 9, 1819. After his father's death in 1781, he was placed under the care of Dr. McWhorter (Pastor of First Presbyterian Church of Newark following Rev. Aaron Burr's removal to Princeton with the College of New Jersey). The Marquis de Lafayette, out of regard for Parson Caldwell, obtained permission to adopt John. Accordingly, the boy accompanied Lafayette to France in 1782 and was educated there. He returned to America in 1791, and made his home in Philadelphia, where Mr. Caldwell's great-grandfather, Boudinot, was then living. In 1801, John was appointed consular agent for the U. S. for San Domingo, W. I. His subsequent home was in New York. His second wife was Hannah, daughter of Rev. Nathan Ker of Goshen, N. Y. He became an elder of the Cedar Street Presbyterian Church, and was a distinguished philanthropist. He was one of the founders of the American Bible Society (of which Boudinot was first President) and was until his death its general agent. He established the Christian Herald, and published the first five volumes of that periodical.

James Baxter Caldwell, born January 8, 1771, died February 12, 1828, was a lawyer of Woodbury, N. J., and for several years a judge of Gloucester County.

Esther Flynt Caldwell, born October 6, 1772, died in Lebanon, Illinois, in September, 1844. She married on May 16, 1798, Dr. Robert Flynt of Basking Ridge, afterwards President of the University of Georgia.

Justia Flynt Caldwell, born in Elizabeth, N. J., August 23, 1774, died in Washington, D. C., November 15, 1859. Following his father's death, he was adopted by General Benjamin Lincoln, who placed him in a school in Hingham, Mass. He was afterwards bound as an apprentice to a Boston hatter, from whom he ran away. Following the sea for many years, he commanded his own ship during the Napoleonic Wars, and had many narrow escapes from capture by both French and British frigates.

Upon retiring from a sea-faring life, he resided in Washington, D. C. He married on November 27, 1816, Maria Helen Magruder of Alexandria, Va. He held a clerkship under the Federal Government for 30 years, being connected with the Post Office Department.

Elias Boudinot Caldwell, born April 3, 1776, died in Washington, D. C., May 31, 1825. He was adopted by Mr. Boudinot, whose namesake he was. He graduated from the College of New Jersey in 1796, studied law with Mr. Boudinot and inherited his fine law library. He married twice, first Elizabeth Boyd; his second wife being Ann Langan. He was one of the founders and corresponding secretary of the American Colonization Society. In 1821, Cape Mesurado, Liberia, was selected by this society as an appropriate site for the first settlement of American freed negroes. During the next thirty years thousands migrated to Liberia and declared a Republic in 1847 its constitution being modeled after that of the United States. Monrovia, the capital city was named for President Monroe. In World War II its harbor was greatly improved by the United States and it was opened as a free port in 1948. Caldwell, Liberia, was named in honor of Elias Boudinot Caldwell. He served as clerk of the U. S. Supreme Court from 1800 to 1817; after the Capital had been burned by the British in 1814 the court met for a time at his home, 204-206 New Jersey avenue.

Sarah Ogden Caldwell, born in Springfield, N. J., June 12, 1778, died August 25, 1826. She married April 24, 1800, Rev. John S. Vreeland of New Brunswick, N. J., for many years pastor of the Reformed Church of Somerville. Her seventh child, Elizabeth, married Rev. John Edgar Freeman, they went as missionaries to India and perished in the Sepoy mutiny at Cawnpore in 1857.

Maria Caldwell, who was in her mother's arms when the latter was killed in 1789, was born at Connecticut Farms, now Union, on Sept. 29, 1779, and died in New York City April 5, 1852. After her father's death, she was adopted by a Mrs. Noel. She married on October 22, 1805 Robert S. Robertson of the mercantile firm of Robertson and Kelo of New York. Mr. Robertson's business failing in 1823, he secured employment in the U. S. Custom House.

As one historian put it—"Mr. Caldwell left behind him—nine children all young, with but little provision to sustain or educate them. But the Lord took them up and raised up friends to protect and educate them. They all lived, not only to become members of the Church of Christ, but to fill places of distinguished honor and usefulness."

Warren W. Halsey of 72-Denham Road stepped down as president of the Union County Tuberculosis and Health League at the annual meeting Monday night in the Presbyterian Parish House.

Halsey, retired superintendent of Regional High School, had been president for two years. Dr. Meyer T. Weissman of Elizabeth succeeded him.
