"There's no spot more beautiful," said one of the members, "No better location, with the pool perched in the highest portion of Springfield—always many degrees cooler—and surrounded by trees and delightful shady spots." The new pool has been jammed daily since the opening last Saturday with members seeking relief from the record breaking heat and humidity.

Meisel Avenue Work Puts Town Under Siege

The original Battle of Springfield messed up the town for a day, but traffic was normal the next day. The current resurfacing Battle of Springfield is scheduled to mess up the town for 120 days before traffic can become normal again on Meisel Avenue.

The siege began two weeks ago when contractors put up seven road blocks to begin the resurfacing of Meisel Avenue. Traffic was halted at the corners of Wabeno & Flemer, Linden & Morris, Meisel & Morris, Riverside & Meisel, Milltown & Meisel, and South Springfield & Meisel.

The casualties of this battle include irate homeowners, confused transients, and overheated policemen.

One casualty is the driver coming up from South Springfield Ave. and Route 22 hoping to get to Maplewood. He meets the road block at Meisel, is shuttled over to Flemer Avenue and doesn't know where to turn at Morris Avenue.

If he turns right on Morris Avenue he will then have to make a left hand turn into Springfield Avenue to get to Maplewood. Because there is parking in front of United Fabrix and Marge's Lunchette, there is only one lane traffic at the corner. If the driver makes a left hand turn, he holds up all of Morris Avenue traffic. Two policemen have been assigned to handle this bottleneck at the rush hours.

Another casualty is the homeowner who lives along Meisel Avenue, in Garden Oval, the Battle Hill Section or portion of the Woodside Homes. This person is learning how to get out of his car, move the road block, drive through, get out and move the road block back. While it is good exercise, in hot weather this manoeuvre is not always appreciated.

One casualty is the unwitting driver from Union who turns down Battlehill Avenue or Washington Avenue hoping to get to Route 22. He is foiled by running into the dead end at Riverside and Meisel. There is much turning about and muttering at this point.

An unsuspected casualty is the driver from Millburn going to Union who comes along Main Street, can't make a left hand turn into Morris Avenue and then finds he can't get back to Morris by turning up Wabeno. He then must weave through the shopping center. Result - increased hazard to pedestrians there.

Another casualty is Ed Cardinal's Nursery. Most of his customers think it is impossible to get through to his place. Actually Shunpike and Milltown are open.

Police Chief Albert Sorge has assigned extra men to help people get around the battle area, but it looks like a long fight before Meisel is opened again this fall.

NO THROUGH TRAFFIC!

Autoists are asked to be patient while the Meisel Avenue job goes on. The contractors have promised Springfield officials that directional signs will be placed on all the streets where the construction has closed off traffic in order to guide out of town motorists through the Township.

Residents on the closed off streets are urged to help situation by replacing all road blocks.

Chamber Will Seek End To Parking Ban

Springfield's Chamber of Commerce, under the leadership of President John Grauman, is planning to carry the fight for improved parking conditions in Morris avenue right to the Township Committee.

This was decided at the dinner meeting of the business men, held at the Orchard Inn last Thursday when Mayor Albert G. Binder was the guest of the evening.

Mayor Binder pointed out that the governing body is aware of the problem confronting the Morris avenue business men as the result of the "no parking" bans and that he and other members of the Township Committee would be happy to give consideration to any presentation of further facts relating to the situation.

It was decided to continue Chamber of Commerce dinner meetings throughout the Summer every second Thursday of the month.

Township Committeeman Raymond W. Forbes is slated as the next speaker to appear before the business men at the July 11 meeting and is expected to give his views on Morris avenue parking, the extending of Mountain avenue as an entrance to additional municipal parking areas.

WEDDING DAY

"With this ring I thee wed."

Our marriage is beginning where a marriage should begin—in Church. Our hands meet across the Bible. My eyes fall to the printed page, and the verse I see there is so appropriate that I catch my breath in awe and amazement.

Here is the story of a king who long ago sought for a virtuous woman and was told that her price would be far above rubies. Here are detailed the qualities that a truly virtuous woman would have—faithfulness, industry, thrift, compassion, courage, strength, honor.

As I look up at my new husband, I feel a surge of humility. I make a silent pledge that these words in Proverbs will be my guide as his wife. They're a challenge—I know. A big challenge! But, with the help of the Church, I'm going to try to live up to them.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CATHOLIC INFORMATION

The Catholics are having a feastday

Miss Ramsay dreaded that early morning algebra-class. It always occupied the first period, and she never really woke up until about ten—and here it was, only a quarter after nine, and she had to call the roll and begin an explanation of quadratic equations.

"McKiernan," she called. Silence. "He must be sick," she thought to herself.

"McMahon," no answer. "McSorley," no answer. "Where are these people?" she asked petulantly, marking the place with her thumb.

"I think they're having Mass this morning at their church. It's a feastday for them. They should be in shortly."

Isn't it a wonderful name for a holiday - to call it a feastday? That's just what it is, too, in Catholic countries—a fiesta. It's a day when nobody works. Everyone takes the day off, assists at Mass in honor of the mystery or saint, and then enjoys himself for the rest of the day. How pleasant to worship God with flowers, and singing, and good eating! There certainly is no fear or gloom in that; You know what Thanksgiving Day is to us in civil life, and Washington's Birthday, and the Fourth of July? Well, that is exactly what feastdays are to a Catholic.

During the Middle Ages many more of them were observed than in the present. There was at least one a month. It was the Church's quiet way of helping the working man. We must remember that in those days there were no labor unions to help the five-day week along and the eight-hour day. Labor was not organized. So, even though every man was free on Sundays, the Church insisted, with all her authority, that these extra holy days be thrown in, to be celebrated as a matter of conscience, binding on employer and employe alike.

But things are different now. Men work in shifts the whole day long. Banks and stores keep a regular schedule which can't be interrupted. Reluctantly, our Church permits us to work on feastdays, although she (and we) would rather we didn't but she still insists that we hear Mass, at least, even though it may mean some little inconvenience.

And there you have the history behind the Messrs. McKiernan's, McMahon's and McSorley's tardiness for Miss Ramsey's algebra class.

Your Library

In Springfield it is not the heat wave alone which heralds the approach of summer. Anyone who stays long around the Library would know that summer is here. Groups of boys and girls are hurrying up the stairs to the second floor to join the Summer Reading Club.

During the past week, Mrs. Maitland-P. Simmons and Miss Helen C. Reyner visited every class in the James Caldwell, Raymond Chisholm, and Edward V. Walton Schools. Mrs. Elsie Frisch took care of announcing the club in St. James School. The forecast is that about two hundred boys and girls will have joined the Reading Club by the time this column is printed.

Because the young people enjoyed the Club so much last year, the same general plan is being followed this year. For each two books read, a colored state map will be pasted to a white map. Many of the readers have been saving their maps all winter so that they can bring them back and add more states this summer. A good many of these already have deposited their maps to be held until the first of September.

Each former member has the choice of using his old map or starting a new one. Of course the members who are enrolling in the club for the first time this year get new maps. However, no maps will be given out until the first two books have been read.

Just as soon as he signs up, each member whether belonging last year or joining for the first time this year, gets a notebook in which to record his reading. The boys and girls are urged to make this notebook as neat and attrac-

tive as possible. Readers now in fourth grade, but promoted to fifth, are being encouraged to read as many books, facts or stories, about states which they are pasting onto their maps. This will give them a fine background for studying about the United States in the fifth grade next year. The only formality connected with joining the club, is to ask the librarian to record the name and to take home the notebook. The library has purchased 500 new maps to be sure to have enough to go around.

But it is not the youngsters alone who indicate the arrival of summer by their method of using the library. All readers young or old may take 10 books for vacation reading and keep them until October 1 if they wish. All the reader needs to do is tell the librarian when he has the books charged. Only best-sellers which are in demand and books on reading lists will be withheld from this long term loan.

So anyone who stays around the Free Public Library of Springfield knows that summer is here without looking at the thermometer or the calendar.

The only change in hours is on Saturday. The Library will be closed on Saturday from now until after September 15th.

Hours: Monday through Friday—10:30 a.m. to 5:00 p.m. Monday and Friday only—7:30 p.m. to 9:00 p.m.

Oldtimers to Flex Old Muscles in Ball Game

If there is a sudden buying rush of arnica wintergreen or some other pain relieving medicine for unused muscles, it is, probably, in anticipation of the baseball game to be played at Meisel Field a week from Friday, June 28.

In order to definitely ring down the season of baseball in the Township, managers and coaches of the Springfield Youth League will play managers and coaches of the Babe Ruth League for the title as champion retired ball players in Springfield.

The Springfield Sun Guidebook

This guide has been prepared by the staff of the Springfield SUN after a thorough study of the stores, restaurants, dealers, and firms offering services in the Springfield area. Our reporters have looked into the history, reputation, and quality of each business. Those appearing in this GUIDEBOOK are highly recommended.

AUTO BODY WORK

ELLERY - (155 Morris Ave., near of Chrysler-Plymouth agency, Springfield). When your rear end is out of shape look for: (1) a firm with the necessary heavy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Ellery Auto Body Shop.

AUTO REPAIR

CLARK'S GARAGE - (Just over Route 22 overpass on South Springfield Avenue, Springfield) If you own a 1919 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undoing the mangled DeSoto that wound under the hood. Today his reputation is such that he needs no sign over his garage - people know him.

CARPET & LINOLEUM

CARPET DECOR by FRED W. MOORE, JR. - (315 Millburn Avenue, Short Hills, DRexel 6-2374) A carpet should do more than cover the floor. It should cover the years. The problem in selecting carpets is to know how it will stand up years hence. The solution is to buy a known quality carpet (like Mohaw) that you can install yourself. From absolute quality comes the reputation in Short Hills for standing behind his products.

DELICATESSENS

G & L - (Springfield Shopping Center, DRexel 9-6972) About the best way to put on the dog for company is to give them a platter of G & L delicacies. Give them a few of these tasty goodies and they'll never notice you're driving an old car. Living in an old house and wearing an old dress. In fact, they'll probably make a nuisance of themselves coming back for more and more. Ask George Ryan for advice on what to serve.

FLORISTS

WEBER'S - (Route 22, Springfield, DRexel 6-0956) The world has been more than a path to Weber's Crystal Stream Florist since it was founded in 1922. They're best a highway right through the boggy beds. Undoubtedly, Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the story.

FOOD MARKETS

SPRINGFIELD MARKET - (272 Morris Ave., Springfield, DRexel 6-0431) The only supermarket from here to kingdom come offering free telephone and delivery service (expectant mothers note). Jim Funching and Les Schulman can be relied on to pick only the top quality items. Their prices are competitive - can't be beat.

HOME IMPROVEMENTS

CHANNEL LUMBER CO. (Route 22, Springfield, DRexel 6-0900) They have a beautiful aluminum stock chair here for gardens and porches which you can buy for \$5.98. But if you just need some extra chairs for a card party or club meeting, Manager Don Lewis will loan you as many as you need at no charge whatsoever. Of course, Channel is also nationally famous for their lumber, housewares, paints, hardware, etc.

INSURANCE & REAL ESTATE

ANNE SILVESTER'S REALTY CORNER - (640 Morris Ave., Springfield, DRexel 6-2300) These eight busy girls seem to have a corner on the local real estate market. Their monopoly on good looks and good sales is good news for home-owners looking for a cool deal on a hot spot.

LAUNDROMAT

COURTESY LAUNDROMAT - (262 Morris Ave., Springfield) What could be more convenient than to drop your clothes off here when you begin shopping and pick them up when you finish with the groceries? What could be more economical for that matter? Everything is done for you at 1/3 the cost of a regular laundry.

LUMBER & SUPPLIES

COLUMBIA - (Maple Ave., Springfield, DRexel 6-5850) If you're satisfied with your present home, don't come near Columbia. This big showroom is crammed full of things that will make you dissatisfied in no time. For example, there is a Redwood sawbuck set of a picnic table and two benches that just seem to belong in your backyard. Then there are decorative interior shutters with movable slats that you can install yourself. From absolute quality comes the reputation in Short Hills for standing behind his products.

LIGHT FIXTURES

MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield) Any prescient ideas about lighting go out the window when you come in the door of Joe Hockaday's showroom. From lamp-poles to pull down to Chinese lanterns, the stunning designs run the gamut from Provincial to Modern. Give them a shiner if you're prepared to be dazzled.

MUSIC & PHOTO

DISC & SHUTTER - (268 Morris Ave., Springfield) The only sound Felix and Ruth Gold haven't heard in their immense record collection is that of a dissatisfied customer. Oh, come now, we can hear you say, surely some Presley purchase was neglected. No, you see, even the style album comes towards free records in the Record Club - for every 10 LP's - 2 free ones.

POULTRY

CASALE'S FARM - (128 Springfield Ave., Springfield, DRexel 6-1509) What's the good of living in the country (i.e. Springfield) without being able to get country fresh food? Carlo Casale, the turkey king, makes all this country workable by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.

RESTAURANTS

CHINA SKY - (Springfield Shopping Center) There are two hazards of the mysterious East which you won't have to face at Jack Chin's superb Chinese-American restaurant. One is ordering strange sounding dishes blind, and the other is paying in yen. The China Sky menu includes a lucid description of each dish, and Jack is perfectly willing to accept dollars (though you'd be surprised how few it takes to feed a family). Our favorite is the Egg Foo Young (85 ct. for luncheon and \$1.15 for dinner). The SUN will be a Foo's egg that their large portions will fill any member of your family with plenty left over.

RESTAURANTS

MARCEL'S LUNCHEON - (271 Morris Avenue, Springfield) This is luncheon headquarters for the entire SUN staff with the Marcel turkey sandwich high on the popularity list. During this weather though the chef's soups, salads and other baked plates are highly recommended by the Marcel luncheon club.

SERVICE STATIONS

GULF CENTER - (326 Morris Avenue, Springfield, DRexel 9-9839) Joe Calabria has built up quite a reputation for himself in the five short months he's been in town. He's brought a lot of the latest technical know-how to go with all the new service equipment he's installed. If you stop here you'll save more than Green Stamps - you'll save your car.

SPORT'S STORE

LARRY'S CYCLE & SPORT SHOP - (367 Broad Street, Summit) If you're looking to get out of Springfield and onto some lake for boating, Larry is itching to help you do it. Among the vacation items he stocks to help you make your get away is a complete line of Evinrude outboard motors. The smallest is the sporty 3 hp. Lightwin, the biggest is the 35 hp. Big Twin Evinrude, which will move a mountain.

TV SERVICE

A & T V - (2708 Morris Ave., Union, 3 1/2 miles from Springfield, MURdock 6-5800) Al Jones, a TV pioneer since 1938, runs an efficient shop that has (1) fixed charges, (2) same day service, and (3) guarantees for all work. 35% of their business is in Springfield, where people have learned they can depend on A&T.

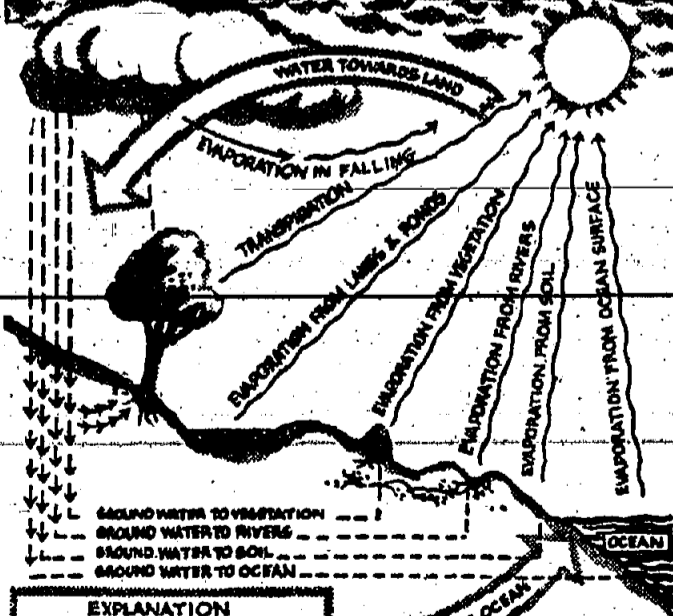

ERHARDT ELECTRONICS - (168 Tooker Avenue, Springfield, MURdock 6-1155 or DRexel 9-9225) John Erhardt has become an expert in all fields of electronics from high fidelity sound systems to color television sets. John, who has an expanding shop in Union, makes all his calls personally and guarantees all work. By the way, he can install and repair TV antennas that can improve your picture more than buying a complete new set. At any rate, he will advise you of what can be done to improve reception - be it antennas, tubes, or electronic "hiss" and "pop".

SPRINGFIELD RADIO & TELEVISION CENTER - (113 Mountain Ave., Springfield) This is like a visit to NBC's master control room. Row on row of the latest testing devices blink at you over monitor tv sets tuned to every station on the air. The battery of electronic experts are kept busy by the 3 emergency trucks that whip all tv sets into the shop and healthy tv sets back into the air. A visit to this well established firm's large workshop is a must for anyone who has a tv set. One of Springfield's best known civic leaders, stands personally behind every job.

sented the awards for excellence in English to Bernice Mason and Donald Weiss. Dr. Henry Mulhauser gave the Elizabeth Gunn Memorial award to Lillian Kent for excellence in the homemaking arts.

The Edward V. Walton awards were presented by Mrs. Charles E. Chambers, to Mark Biddelman and Carolyn Vasselli for excellence in the fine arts. William Valois, President of Country Oaks Association, Inc., presented a Service Award to Jack Heller. Richard Sussman was the recipient of the science award presented by Mrs. Vincent Bonadies, President of the Ladies of Union.

Mr. B. F. Newschwager, Superintendent of the Springfield School, addressed the group and presented the students to Robert G. Smith, President of the Board of Education. One hundred sixty-three graduates were awarded diplomas by Mr. Smith.

Reverend Bruce W. Evans, Pastor, First Presbyterian Church of Springfield gave the benediction and the graduates concluded the program by singing their alma mater.

Through an unfortunate circumstance several errors occurred in the process of awarding the diplomas. Two of these are of special regret, Lillian Kent being referred to by the wrong surname and Sandra Gulamier's name being omitted entirely.

Lions Ups & Downs Include 23 Run Loss & 12 to 8 Win

The Lions got a bad game out of their system in a 23 to 1 shellacking at the hands of last-place Car Hops in action during the June 13 to 20 week in the Youth League. Geoghegan of Car Hops not only pitched one of his best games of the season, but featured in this heavy attack with 5 for 5 including 3 home runs and tallied five times.

In a turnaround game, Arnold and Schnell paced the Lions' hitting attack with 3 each to lead the Lions to a well-earned victory over the league-leading American Legion team 12 to 8. Home runs were hit for the Legion by Mercurio and Innamprato.

Legion 9 Kiwanis 0
The American Legion team beat the Kiwanis 9 to 0 at Irwin field. Mark Friedman, pitching for the Legion, held the Kiwanis to 3 hits. Francis of the Kiwanis, continued his good hitting by accounting for 2 of them. Cardone and Hellman lead the Legion with 2 each.

Kiwanis 13 P.B.A. 8
In another game the Kiwanis outlasted the P.B.A. for a 13 to 8 victory. Jackie Appgar allowed but 4 hits and struck out 14 batters. Home runs were hit by Don Francis of the Kiwanis and Don Stewart of the P.B.A.

Car Hops 9 P.B.A. 8
After an uphill climb, the Car Hops nosed out the P.B.A. 9 to 8. Trailing 8 to 1 starting in the fifth inning, the Car Hops rallied for 7 runs to tie up the game, and then scored one more to the sixth to take the decision. Berger, just up from the minors, pitched well in relief, blanking the P.B.A. the last 2 innings. Home runs were hit by Larry McConkey of the P.B.A. and by Coan, Geoghegan and Monticello of the Car Hops.

Rotary 8 P.B.A. 1
Rotary came through with a win over P.B.A. 8 to 1 after tying the American Legion in a previous game. The hitting of Ricky Mullaux was the highlight, getting 4 for 4. Barry Becker and Richie Freedman also contributed with 2 apiece. Larry McConkey started for P.B.A. with 2 hits, with Freedman pitching a good game allowing but 4 hits.

Rotary 6 Car Hops 5
Effective pitching by Barry Becker enabled Rotary to defeat Car Hops 6 to 5. Infield errors in the first and third innings allowed the Car Hops to score 5 runs. The Rotary Nine broke back with 1 in the 4th and 2 in the 5th and 6th, but could not catch up. Tom Geoghegan hit a home run in the 5th with one on, and has hit safely in his last nine trips to the plate.

Schaibles & Drakes Can Tie in Ruth League by Winning Rest of Games

The original schedule of the Springfield Babe Ruth League has been completed and the only games left are those that were to be replayed because they were ties when originally played during the season.

The Channels must play in all three games, twice against the Drakes this week and once with the Schaibles next week. If the Channels are beaten all three times then there would be a two way tie for first between the Drakes and Schaibles. If ties take place, then future schedules will be necessary to complete the race for the pennant.

Last week, the Drakes won twice over the Angletons, 5 to 4 and 9 to 4. The Schaibles defeated the Channels one 8 to 3 and then settled for a tie in their second meeting, 2 to 2.

Only three games remain to be reported before the finale to take place as part of the Fourth of July activities on that date at Meisel Field at 2 p.m. The entire community is invited to attend and witness a game to be played by the outstanding players of this League.

On Wednesday evening, June 12, the Drakes and Angletons met at Meisel Field for six-innings of suspense, action and excitement. It ended up in the last half of the sixth inning, when with one out, and the bases loaded, Arnold and Peacock collided for the Angletons, causing the game to be called and making it necessary to revert back to the end of the fifth inning with the Drakes winning 5-4. This dropped the Angletons out of a mathematical chance of winning the pennant and kept the Drakes in strong contention.

The box score follows:
June 12, 1957 - Meisel Field
ANGLETONS (4) DRAKES (3)
Drakes: 1st Inning - 1 Run, 1 Hit, 1 Error. 2nd Inning - 1 Run, 1 Hit, 1 Error. 3rd Inning - 1 Run, 1 Hit, 1 Error. 4th Inning - 1 Run, 1 Hit, 1 Error. 5th Inning - 1 Run, 1 Hit, 1 Error. 6th Inning - 1 Run, 1 Hit, 1 Error. 7th Inning - 1 Run, 1 Hit, 1 Error. 8th Inning - 1 Run, 1 Hit, 1 Error. 9th Inning - 1 Run, 1 Hit, 1 Error. Total: 5 Runs, 10 Hits, 5 Errors.

In the other game played on June 12, The Schaibles met the Channels at Gaudineer field and when the dust cleared the Schaibles had won their seventh season win 8 to 3.

Both teams had big first innings. A walk to Stevens by Uorman Lawn, the losing pitcher, plus singles by French, Seltzer and Gladstone accounted for three runs, for the Schaibles. The

Legion Stopped After Seven Wins by Don Stewart of PBA

The pitching and batting of Donald Stewart brought the 7 game win streak of American Legion to a halt Monday as the PBA defeated the Legionaires 5-3 in the Major League Division of the Springfield Youth Baseball League in play two weeks ago.

Second baseman Potter's stop of Jimmie George's hot grounder ended a Legion rally. Plays by McConkey and Healey of P.B.A. were also instrumental in sewing up the victory. Legion's center fielder BowMercuro and P. B. A.'s right fielder Bowman each had 2 hits.

ROTARY 5-LEGION 5
Rotary and Legion's game ended in a 5-5 tie in a closely-played game at Irwin Field. Frank Haydu of Rotary singled with the bases loaded to tie the game. The overpowering for Rotary was Abrams's home run and Becker's double. Teddy Hellman and Dave Bonislawski each had 2 singles to lead the Legion's attack.

ROTARY 6-LEGION 4
Sparked by extra base hitting of 3rd baseman Schnell and right fielder Bell, the Lions beat Rotary 6 to 4. Freedman, in relief of Madding, pitched an excellent game for Rotary allowing only 2 hits after the Lions' big first inning. Second baseman Shields of Lions made a sensational catch of Christiansen's hard liner that stopped a rally by Rotary. Max continued his good hitting for Rotary by getting 2 for 3.

KIWANIS 5-CAR HOPS 3
In an overtime battle, Kiwanis beat Car Hops 5 to 3. Kiwanis took advantage of poor fielding by the Car Hops and, with timely hitting, pulled the game out of the fire in the seventh inning by breaking the 3 to 3 tie. Wertzell's 3 hits sparked Car Hops attack while Francis' collected 2 for 3 for Kiwanis.
