Petitions For

(Continued from Page 1)
 Study petition committee was informed that more signatures would be necessary to certify the petition and a sufficient number was obtained yesterday to satisfy the regulations.
 Following is the letter from Township Clerk Mrs. Worthington to the governing body after examining the signatures. A copy was furnished to the Charter Study Group and the committee had very little difficulty obtaining more than 50 new signers.
 "On August 21, 1957 a petition

containing 1371 signatures was filed in my office petitioning the Township to hold an election upon the question "Shall a charter commission be elected to study the charter of the Township of Springfield, New Jersey, and to consider a new charter or improvements in the present charter and to make recommendations thereon?"

"I have carefully examined and investigated the signatures contained in the said petition and following are my findings:
 Duplications: 8; Non-identifiable pencil: 36; Non-registered: 65; Illegible: 2; Total: 111.

"At the time of the filing of the petition the Union County Board of Elections reported 6325 registered voters in the Township. Twenty percent needed amounts to 1265 signatures. Deducting the above 111 signatures from 1371 leaves 1260 eligible signatures, and therefore the petition is insufficient by 5 signatures.

"I would also like to call your attention to the fact that in addition there were 32 questionable signatures. These were signatures such as Mrs. Thomas Brown rather than Mary Brown. I had no way of determining that a Mrs. Thomas Brown was Mary Brown.

"However, where the signature appeared on the same page or in close proximity to the husband's signature, and also bore the same address I felt that the signatures were sufficiently identifiable of a qualified registered voter in such cases."

Very truly yours,
 Elgonore H. Worthington
 Township Clerk

Saks Manager Gives Boost to Springfield

LAWRENCE J. ROGERS

Members of the Springfield Rotary Club heard some very nice things about the Township, its officials and residents, when Lawrence J. Rogers, General Manager of the new Saks Fifth Avenue Store in Springfield, was the guest speaker at the regular luncheon meeting held in the Ballusrol Golf Club here Tuesday.

Mr. Rogers, in a very interesting talk, told the local Rotarians how Springfield was finally selected as the site for the newest Saks Fifth Avenue Store against consideration of such places as Westchester County, Millburn, Short Hills and Long Island. Purchasing power per family and the fact that Springfield was the center of a great potential shopping area were important factors in deciding on their present location here, he said.

Cooperation by the Springfield governing body and all the Township officials came in for considerable commendation from Mr. Rogers who told the Rotarians that "Saks Fifth Avenue is very happy to be in Springfield."
 He traced the history of the Saks organization, describing how prestige has been built around the operation through the quality of the merchandise and sales service.

Springfield store, says that public interest has been too great in the new store. While the huge parking lot will hold 500 cars, Mr. Scall says they needed room for at least 1,000 all day Sunday. The result was a three mile traffic jam on Route 22 with some bargain hunters waiting an hour to get into the parking lot.

Another Davega executive reported that he had "never seen as many people," as jammed the store during this re-opening week. He said, "I just don't know where they all came from."

The 85 employees at the store had their hands full giving out free prizes last week as they will this week. In keeping with the opening celebration, one Davega spokesman says they are selling a great deal of merchandise "far below cost."

Civil Defense

(Continued from Page 1)

is based upon potential need of the most serious nature. Preservation of life and protection of property in time of disaster, whether from enemy attack or natural causes, is its prime responsibility. Preparedness is its most essential quality. Membership in this organization is among the highest forms of civic service which a person can undertake in a community. Both men and women are needed and the wide variety of activities provides a broad field from which to select a spot in which to serve. Only a couple of hours of an individual's time is required each month and these are spent among your neighbors and friends."

Mr. Planer urged that as many of our citizens as possible join our local Civil Defense unit so that our town will be prepared to meet any situation which may arise. Call Drexel 9-5159 or Drexel 6-5184 for additional information."

Elaine Zerolnick, daughter of Mr. and Mrs. Leon Zerolnick of 22 Evergreen Ave. marked that all-important "sweet sixteen" birthday at a luncheon party held at her home on Sept. 8. Elaine's guests were Marion Kessler, Roberta Kappstatter, Annette Grasso, Judy Vance, Rhona Lamberg, Renee Ebert, Marcia Kliger and Zena Kliger, all of Springfield; Arlene Petersel of Union; Zella Reisberg of Newark; Joan Brooks of Brooklyn; Selma Fischel, Arlene Goodman and Carol Goodman of Irvington.

Young lad just reached six as Jeffrey Goodman, son of Mr. and Mrs. Larry Goodman of 170 Hillside Ave. Jeffrey was feted at a birthday party on Sept. 7 attended by his sisters — Jetilyn and Rebecca and friends from Springfield and Bayonne.

In the evening the group was joined by your men for dancing and refreshments. Friends of Elaine's parents were also on hand to wish her a happy birthday.

Camrine, Jackie and Gabe Pettit were greeted joyfully by all of their friends on Milltown Road when they returned home this week. The three youngsters spent the summer at their residence in Long Branch, N. J. with their parents, Dr. and Mrs. G. Pettit of 401 Milltown Road.

Springfield seems to have a new claim to fame with its outstanding TV quiz contestants. Our latest TV champion is Mrs. June Feko of 216 Milltown Road who, for two days, reigned on "The Price is Right." Among her many prizes were a piano, an electric range, and two complete outfits of clothes.

Temple School at All Time High

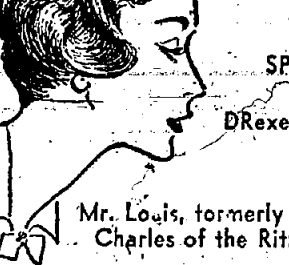

The final series of registration sessions for the Temple Beth Ahm Religious School begins this Sunday, September 15. Children will begin attending when classes start on September 23 and 24. Due to the tremendous increase of new members on the congregation's rolls over the summer period, the school will extend its registration period according to the following schedule: Sunday, September 15, 10 a.m. to 12 noon; Monday, September 16, 9 to 9:30 a.m. and 7:30 to 9 p.m.; Wednesday, September 18, 7:30 to 9 p.m.

Mrs. Feko is the daughter of Mr. and Mrs. Donald Tice of 189 S. Springfield Ave.

Rabbi Reuben Levine and Mr. Frank Brown, the school's principal, will both be present to help assign children to classes and consult with parents during these sessions.

Mark Friedman, son of Mr. and Mrs. Milton Friedman of 239 Milltown Road, was Bar Mitzvah at Temple Beth Ahm on August 24. A luncheon was held immediately afterwards at the Temple and "Open House" was held in the evening at his home.

sions. All parents will subsequently be notified by mail of their child's class and the days he or she will attend.
 New and prospective members should note the following suggestions: 1. Parents with children nine years old or over, who are registering their children for the first time, should bring him or her along to the registration; 2. Since family membership is a prerequisite for attendance at the Religious School, it is recommended that membership be established before registering. This can be done by contacting the membership chairman, Mr. Al Rutkow at DRExel 6-2885.

Tickets Selling For Band Concert

Tickets are selling rapidly for the 1957-58 season of the United States Marine Band scheduled to be held at the Millburn High School Thursday, September 26, under the auspices of the Springfield-Millburn Kiwanis Club Welfare Fund. The concerts will be held at 2:30 and 8:30 p.m. When the Marine Band appears at the Millburn High School, residents of this area will have an opportunity to see the Director, Major Albert Schoepfer, a man who is thoroughly convinced that he has the most interesting position in America. After 23 years with the country's oldest military-symphonic organization, Major Schoepfer says:

"Where else could a man do the kind of work he likes, make an annual concert tour of America, and meet royalty and dignitaries from every part of the world?"

His question remains unanswered, for the position he holds has always been envied by musicians and non-musicians alike. As a former instrumentalist, the Major is able to indulge his musical tastes in programming music for weekly concerts, radio broadcasts and historic celebrations. This varied preparation, plus the necessary rehearsing and conducting, would delight the average bandmaster; but, since 1801, the Director of the Marine Band has also had the privilege of participating in all the social functions at the White House, where the President of the United States entertains Kings, Queens, Shahs and Emperors.

In the past year or so, the band has played for such visiting dignitaries as the Queen Mother of England, Chancellor Adenauer of Germany, the Shah of Iran, and the Prime Ministers of Libya, Pakistan, Japan, Sweden, Norway, Denmark, Iceland, Australia and Italy. No other bandmaster in America conducts such a wide variety of musical engagements or prepares programs for such distinguished guests.

NEXT STEP TO AN ACCIDENT!

Please! Don't post signs on utility company poles... it's dangerous!

Tacks, nails and other metal objects are a distinct hazard to linemen when climbing poles. This is particularly and dangerously true during night hours or storms when climbing is hardest.

Posting signs on utility poles also is a violation of the law: Section 27:5-1 of the Revised Statutes of the State of New Jersey.

Poles with signs, posters and other unauthorized materials attached to them are unsightly and detract from the orderly appearance of streets and highways.

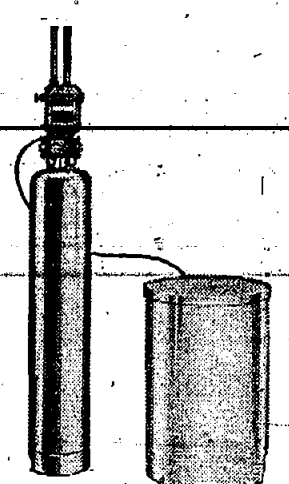

Please cooperate with your electric company in this vitally important matter.

once last year and was so doggone rushed I couldn't get in no fishin' all summer."

A newspaper has by its very nature accepted a public trust that it will print impartially all of the news worthy of publication without fear or favor. What it considers news, and how it is presented is part of this public trust and is based in large measure upon the attitudes and tastes of the locale and times.

Words and expressions change with the times. Read about this one church which decided to make use of a little Rock and Roll terminology to entice teen-agers inside the door. Sign outside the church read: "See you later, Satan haier."

A.Z.A. Games Planned

Arnie Greene and Dave Friedman of Springfield have been appointed North Jersey Athletic coachman of the A. Z. A. They have announced the 1957-58 basketball schedule to go underway on November 2. Springfield will be guests of Bayonne on Sept. 29 for the first exhibition game.

CAP in Search Test

Five Civil Air Patrol airplanes look off from Morristown Airport Sunday morning to participate in the annual New Jersey search and rescue mission graded by the Air Force. Three planes from the Springfield Squadron participated in the search as well as thirty members of the squadron who acted in various positions from staff to pilots and observers.

Book Sale to Help Pay Debt on Cannonball House

Thousands of books on all topics, together with a large collection of magazines and music records, will be disposed of at a sale to be conducted by the Springfield Historical Society on September 18, 19, and 20th, from 7 p.m. to 10 p.m. and on Saturday September 21 from 10 a.m. to 4 p.m. at the Cannonball House.

Miss Evelyn Porter, who has been in charge of a committee collecting and sorting books for the past year, will supervise the sale. Proceeds will be used to help retire the debt on the Cannonball House, Springfield's most historic building, the only one left standing in the battle area after the famous engagement of June 23, 1780.

The Springfield Historical Society was organized four years ago, and acquired title to the Cannonball House in 1955 under the terms of the will of the late C. Harry Casperen, a charter member of the society. The members assumed responsibility for an outstanding mortgage of ten thousand dollars, which was refinanced by issuing five percent bonds. It is hoped that the book sale will result in a substantial reduction of the debt.

The Springfield Historical Society regards the acquisition, restoration, and preservation of the Cannonball House as a community project of the greatest importance. All citizens are urged to attend the book sale, and to become members of the society. Dues start at one dollar a year. Those with books to donate, please call Drexel 6-5842 or South Orange 2-2185.

Your Library

Mrs. Ester Porter, the children's librarian, attended the first Faculty Meeting for the opening of the Springfield Public Schools. She gave a talk entitled "Using the Springfield Library" in which she explained to the teachers, the special services the library was prepared to offer to schools.

Since the theme for this first meeting was "Health, Physical Education and Safety," Mrs. Porter took sixty books from the library collection to show the teachers. A great many of these were loaned to the school for class room use. But in the Springfield Library there are other materials on the same topics in which are of such vital interest to teachers and parents at this time when children are leaving their homes, some for the first time.

Parents who wish to supplement the school's efforts will find help

for a small child in the delightful picture books "Health Can Be Fun" and "Safety Can Be Fun" by Munro Leaf. Another good series, graded for older children, includes the titles: "Step Lively," "Here's Health," "Good for You" and "Full of Life." An especially fine book for older boys and girls is entitled "Safety Challenges You." It gives rules for safety in all the sports such as swimming, baseball, football, and so on. It also includes the topic so dear to older teen-agers—driving a car. Besides rules for safe driving it gives simple directions about first aid in case of accident.

Further materials on Safety, First Aid, Hygiene, and Health are included among the pamphlets in the Information File in the adult section. In the Youth section there are a great many books about playing games, and biographies of famous men and women who have been outstanding sportsmen.

Now that winter programs are

being planned for other types of organizations (clubs, churches, etc.) the Springfield Library will be glad to cooperate by arranging book exhibits similar to the one Mrs. Porter took to the schools. However, time is needed to select and arrange the material so anyone wishing this service should give as much advance notice as possible. The Library telephone number is Drexel 6-4264, or a personal call can be made during library hours.

The Springfield Sun Guidebook

AUTO BODY WORK

ELERY — (155 Morris Ave., rear of Chrysler-Plymouth agency, Springfield) When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elery Auto Body Shop.

AUTO REPAIR

CLARK'S GARAGE — (Just over Route 22 overpass on South Springfield Avenue, Springfield) If you own a 1916 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began building the finest Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage — people know him!

SPRINGFIELD GARAGE — (311 Morris Ave., Springfield, Drexel 6-9856) Bob Briggs has been pounding the forward look back into cars ever since 100 horses was considered real power and V-8 was regarded as Jules (1937). His skilled crew do mechanical, collision, and painting. And very well, too.

CARPET & LINOLEUM

CARPET DECOR by FRED W. MOORE, JR. — (515 Millburn Avenue, Short Hills, Drexel 6-2575 - near the Chaudier) A carpet should do more than cover the floor, it should cover the years. The problem in securing carpeting is to know how it will stand up years hence. The solution is to buy a known quality carpet (like Mohawk) from a dealer like Fred W. Moore, Jr. who has earned a 10 year reputation in short time for selecting, selling his products.

FOOD MARKETS

SPRINGFIELD MARKET — (272 Morris Ave., Springfield, Drexel 6-0431). The only supermarket from here-to-kingdom-comes offering free telephone and delivery service (exceptant midday hours). Jim Funcheon and Leo Schulman can be relied on to pick only the top quality items. Their prices are competitive—can't be beat.

HI FI & SOUND

STEREO SOUND CORP. — (173 Mountain Ave., Springfield, Drexel 6-4547) Your two ears play an important part in listening to sound. The story of high fidelity sound reproduction is largely an effort to add another ear to the traditional one eared speakers. This development, called stereophonic sound, is available for home listeners as well as the Radio City Music Hall. This firm can set you up with either dual recorded tape sound systems or AM-FM radio binocular sound.

HOME IMPROVEMENTS

CHANNEL LUMBER CO. (Route 22, Springfield, Drexel 6-6001) They have a beautiful aluminum stack chair here for gardens and porches which you can buy for \$3.98. But if you just need some extra chairs for a card party or club meeting, Manager Don Lenny will loan you as many as you need at no charge whatsoever. Of course, Channel is also nationally famous for their lumber, shovels, axes, paint, hardware, etc.

INSURANCE & REAL ESTATE

ANNE SYLVESTER'S REALTY CORNER—549 Morris Ave., Springfield, Drexel 6-2209. If you are going to put your home on the market, see that it is presented in the most favorable light. Nobody turns on a more favorable light than the saleswoman of this real estate outfit. They are able to point out the advantages which a woman can put out to a potential buyer. And as the world knows, it is the woman who makes the decisions in buying homes.

BUNNELL BROS. — (8 Flamer Ave., Springfield, Drexel 9-2400) Since 1916 when this firm was established, Robert and Richard Bunnell have become synonymous with insurance in Springfield. They write all kinds — from health to life to home. About the only thing on which they won't take out a policy for you is against the hazard of the new Route 22 coming through your bedroom window. The Bunnells can insure you against an act of God, but not an act of Godson.

LAUNDROMAT

COURTESY LAUNDROMAT — (268 Morris Ave., Springfield) What could be more convenient than to drop your clothes off here when you begin shopping and pick them up when you finish with the groceries? What could be more economical for that matter? Everything is done for you at 1/3 the cost of a regular laundry.

LUMBER & SUPPLIES

COLUMBIA — (Maple Ave., Springfield, Drexel 6-3930) Columbia doesn't want to cast any aspersions on local hardware stores, but they do have a wonderful kitchen stove hood and fan which pulls all cooking odors out of the kitchen. It pulls \$171 out of the Rubens' pockets, but the price is a very good buy. Another item for cooking your home is the 36" aztec fans this firm handles. They'll give you a particularly good deal.

LIGHT FIXTURES

MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield). Any preconceived ideas about lighting go out the window when you come in the door of Joe Boodzela's showroom. From lamp poles to pull down to Chinese lanterns, the stunning designs run the gamut from Provincial to Modern. Give them a glimmer if you're prepared to be dazzled.

PAINT & WALLPAPER

R. GLENNING — (248 Morris Avenue, Springfield, Drexel 6-7795) Along with artist's supplies and about a million samples of wallpaper, Roy Gledding carries the famous EBE line of paints. This firm has pioneered some startling developments in paint, including alkyl base and latex base paints that cover in one coat. The Chlor-Match system of selecting the 24 color variations is the cleverest we've ever seen.

POULTRY

CASALE'S FARM — (128 Springfield Ave., Springfield, Drexel 6-1509) What's the good of living in the country (i.e. Springfield) without being able to get country fresh food? Casale's Farm, the turkey king, makes all this committing worthwhile by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.

RESTAURANTS

CHINA SKY — (Springfield Shopping Center) Everyone knows that the average Chinese serving about twice that the average American can eat. (Consider the bargain then on the Egg Foo Young luncheon at \$1.00.) What every Springfielder doesn't know is that Jack Chin's American dishes are just as generous. Also consider the atmosphere and the air conditioning. You don't need a fortune cookie to tell you we highly recommend this place.

RESTAURANTS

WALTER'S INN—(592 Morris Ave., opposite Millburn Ave., Springfield) The 24 hour dining room here has the pizza pie and the hot dog stand. It is located here where the pizza comes king size in both diameter and seasoning. We like spinning a pizza among everybody at the table and ordering individual portions of their delicious lasagna, Berlin, and red hot peppers. You sure know you've dined out after that.

WESTFIELD PANTRY — (109 North Avenue, Westfield, Westfield 9-3132) If you rose a Koster delicatessen with a Swedish empannabard, add bits of Danish pastry, and serve in a beautiful air conditioned dining room, you'll have the Westfield Pantry. Every Monday night they put the headmaster array of delicatessen foods and bakery goods on a huge table and let the gourmets go to town — all you can eat for \$1.85.

SERVICE STATIONS

AL BAKER'S SPRINGFIELD MOBILGAS STATION (Morris Avenue at five corners opposite Walter's Two Bars) Hard working (16 hours a day) Al Baker is making over Springfield's five corners almost singlehanded. He has repainted and cleaned up the Springfield Mobilgas station making it ready for complete auto servicing. At all times he has free gifts for the kids.

GULF CENTER—(326 Morris Avenue, Springfield, Drexel 9-9859) Joe Calabria has built up quite a reputation for himself in the five short months he's been in town. He's brought a lot of the latest technical know-how to us with all the new service equipment he's installed. If you stop here you'll save more than Green Stamps — you'll save your car.

Overlook Giving Free Eye Exams During Next Week
If you are over 25 years of age and would like to have your eyes examined for disease, you may attend the free clinical eye screening station at Overlook Hospital, from 2 to 3:30 p.m., Tuesday or Wednesday, September 17 and 18. The clinic at Overlook is one of many planned and set up for next

week by the Medical Society of New Jersey in conjunction with National Sight Conservation Week. Overlook is one of three hospitals in Union County cooperating in the program by providing the space and facilities necessary for the screening procedures.
The purpose of the program is to detect evidence of any eye disease—such as glaucoma, tumor, cataract, etc.—or of any general disease reflected in the eyes that should have treatment or follow up by a physician. The public is

urged to take advantage of this opportunity to guard against previously undetected conditions.
Goddard and Douglas Next Stars at McCarter Theater
Melvyn Douglas and Paulette Goddard will co-star in the McCarter Theater's second offering of the season, "Waltz of the Torreadors." A Paris-London-New York hit, "Waltz of the Torreadors," will play for four performances, September 26, 27, 28. Open-

ing night curtain time will be 8 p.m. and Friday and Saturday nights will be 8:30 p.m. with a Saturday matinee at 2:30 p.m.
A hilarious comedy, with serious thought-provoking implications, "Waltz of the Torreadors," has been praised in most of the capitals of Europe. It is now in its second busy year in London and last year, received the annual award of the New York Drama Critics Circle as the "Best Foreign Play of the Year."

GD Week Starts This Sunday
Civil Defense Week in New Jersey and across the nation will bow in Sunday morning in churches throughout the state, Acting State Civil Defense Director Thomas S. Dignan said yesterday. "It seems most fitting," he said, "that this seven-day observance to a selfless cause be launched on a reverent note."
In connection with Civil Defense Week, Dignan has directed all municipal civil defense heads to sound their

air raid sirens on Wednesday, September 18. On a synchronized clock basis the "Alert" signal—a steady three-minute tone—will be set off at 3 p.m. The "Take Cover"—a three-minute wavering signal—will be sounded at 3:10 p.m. This same sequence will be repeated at 7 p.m. and 7:10 p.m.
The sirens are being sounded to further train the public in what the signals mean. The public will not be required to seek shelter and traffic will not be stopped.

Chamber Warns Against Lincoln Penny Gimmick

The Chamber of Commerce, warned residents this week about Lincoln penny coin albums currently being advertised under a "buy-back" lure. Citing a bulletin from the National Better Business Bureau, with which the Chamber is affiliated, the cham-

ber said that, in a typical advertisement, the reader's interest is attracted by some such heading as "We pay \$16 for only \$9 Lincoln pennies."
 Readers are told to send \$1 for a Lincoln coin album "to hold your pennies," according to the Chamber. Purchasers are instructed to "fill the spaces, with dates shown in album, return complete album and receive \$16 by return air mail plus \$1 back for album."
 Nowhere in this advertising, the Chamber manager stated, is

the reader advised that the coins necessary to complete the album must bear specified mint marks, or, in some cases, the initials of the engraver.
 In order to complete the album, certain rare coins would be required. The Chamber cited the following statement of the American Numismatic Association regarding certain of these coins:
 "Established dealers offer to pay about \$18.50 for the 1909 S.V.D.B. in poorest acceptable condition, and up to \$110 for an uncirculated specimen. The 1914

D has a retail value of about \$14.75 in just good condition (poorest acceptable condition) and much higher for those that are better. Anyone with a complete set of these coins, in any condition, would be foolish to sell it for \$16, when just one of them is worth more than this."
 The Chamber also stated that the National Better Business Bureau and asked the Post Office Department whether these offerings might be a violation of the postal lottery and fraud statutes. The Post Office Department gave

the following opinion to the National Bureau:
 "... the ability of the purchaser of the album to complete it as required would depend in some measure upon chance. Further, as indicated by your correspondence, it is a misrepresentation to sell the album under the conditions described with the suggestion that the purchaser would benefit from selling the completed album for \$16."
 "Accordingly, based upon the information you have furnished, the operation of such a scheme

through the mails would appear to be in violation of the postal lottery and fraud statutes."
 The Chamber stated that advertising which features promises to repurchase completed coin albums under such arrangements, would appear to be a "gimmick" employed by the advertisers in order to sell the albums to the public. He noted that, according to the bulletin received by the Chamber, the National Better Business Bureau has stated its opinion that the dissemination of such advertising is not in the public interest.

National State Opens for Business in Kenilworth

More than 2,200 visitors attended the opening day celebration at The National State Bank's new temporary office on the Boulevard in Kenilworth. This new office, complete with drive-in facilities, represents Kenilworth's first and only bank.

Emlen Roosevelt, president of the bank, and Mayor Walter Boright of Kenilworth, along with other bank officers and civic officials participated in ribbon-cutting ceremonies before the doors opened. Later in the day, Governor Robert Meyner inspected the bank's new quarters after attending Kenilworth's 50th Anniversary celebration and parade.

Mr. Roosevelt stressed the fact that this was a temporary office with permanent quarters planned for completion in 1958.

National State Bank now has seven offices in Union County, including Springfield and is the County's largest bank.

TOGETHER

Every experience means more when it is shared. When father, mother and children go to church together they are sharing a beautiful experience. When they sing the songs of the gospel, read the Scripture, listen to the sermon, unite in prayer, they are adding to the joy of being together. When they open their hearts to God and pledge allegiance to Him, family life is strengthened. The "togetherness" reaches out to include fellowship with others.

Young people who grow up in the Church, who have a truly Christian home, are blessed with a tremendous advantage. They have learned to work and live with other people for the glory of God and the advancement of His cause. There is strength in the very thought of uniting in work and worship.

Together—what a difference it makes! Does your family go to Church together?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Health, Safety is Faculty Day Topic

Health and Safety—Education in the Springfield School was the main topic of the faculty day program held on Wednesday, September 5 in the Florence M. Gaudin School.

The program was planned through the cooperative efforts of the administrative staff of the township elementary schools and the Springfield Teachers' Association. An orientation trip introduced new teachers to the general layout of the town of Springfield and to the facilities offered by the township schools. The reception and coffee hour enabled new teachers to become acquainted with the administrators, the regular teachers, special teachers, and the school personnel.

Mrs. Margaret McGarrath represented the Teachers' Association as the hospitality chairman for the day.

Mrs. Elizabeth Powers, Program Chairman, introduced the program committee members, each of whom discussed a particular area of health and safety

planning: Miss Gloria Boorujy, Primary Grades; Mrs. Constance Bizlewicz, Intermediate Grades; Mr. Norman Le Boeuf, Upper Grades, and Mrs. Joan Carroll, Visual Aids.

An interesting and attractive display of new materials related to the teaching of health and safety was planned by a display committee consisting of Mrs. Kathleen Fallon, Mrs. Isabel Huff, Miss Gloria Boorujy, and Mrs. Elizabeth Powers.

Mrs. Lillian Hayward, past president, announced the names of the present officers of the Springfield Teachers' Association, as follows: Mr. William Fallon, president; Mrs. Lillian Gushin, vice-president; Mrs. Marilyn Perkins, secretary; and Miss Margaret Hergenhan, treasurer.

B. F. Newslinger, Superintendent of the Springfield Schools, summarized the objectives of the Faculty Day Program and the new school year ahead. Mrs. Ester Porter, former kindergarten teacher in the James Caldwell School, discussed "Using the Springfield Public Library." Mrs. Porter is the new Children's Librarian at the Springfield Free Public Library.

The final phase of the day's program came when the teachers attended the principals' meeting in the respective school buildings and a quota of time was allotted to arranging materials in the individual glass rooms for the purpose of beginning the actual teaching of the all-important subject of "Health and Safety Education in the Springfield Schools."

Expert on Youth Will Address PTA

The new Edward V. Walton PTA will open its first meeting at the school on Monday, September 16 promptly at 8:15 p.m. This is an important meeting and all mothers, fathers and friends are urged to attend.

Almost interesting and informative program will be presented. Capt. Edward Durning of the Irvington Police-Bureau of Special Service will speak on "Youth and Crime."

Captain Durning has been one of the state's outstanding advocates for better understanding of the teen-age problems and a great deal of juvenile delinquency has been prevented through his understanding and treatment of the youngsters.

Mothers of first grade pupils at the Walton School will serve refreshments after the meeting.

At Schiphol Airport in Amsterdam, Holland, airline passengers can see ships sailing above them. The airport's runways are 13 feet below sea level along side a canal.

State Champ Girls Softball Team Plays Benefit Game Sunday

The outstanding Girls Softball teams will play this Sunday afternoon at the Irwin Street Playground to raise funds for the Recreation Commission Building Fund. Proceeds from this benefit game will assist in providing additional monies for the proposed Recreation Center on Mountain avenue.

The game should draw a large crowd to the Irwin Playground and on the basis of past records, the fans should be seeing a good game. Umpires have donated their services, and the Recreation Commission will allow the use of the field gratis, with all proceeds going to the Building Fund. Recreation Commissioners, Bob Marino, Les Lawn and Director Ed Ruby are in charge of arrangements.

The Plainfield "Marauders" newly crowned New Jersey ASA

Softball Champions will make their only appearance of the season here, facing the strong Paterson Debs in an exhibition game.

The colorful Marauders will bring to town their regular lineup, which includes Allene "Rebel" Shore, recognized as the top chucker in the National Girls Softball League. Others who will be in the Marauder lineup are Liz Metzger, hard hitting first baseman, Patti McCreesh, fleet centerfielder, Shirley Moran, catcher, Marie Stout, smooth fielding third baseman, and the comely Patti Kukal at shortstop.

The Paterson team will be seeking revenge on the Marauder team which displaced the silk city girls as New Jersey State Champions. Pitching for the Paterson Debs will be Marilyn O'Connell, sister of the New York Giants second sacker. Others in the Paterson lineup will be Ronnie Bromm, catcher, Bernice Grassa, and Donna Shortway, classy fielding shortstop.

Team Bowling Bows At Spfd. Alleys

The Springfield Municipal Bowling League kicked off their new season, Monday night at the Springfield Bowling Alleys with all hands showing up and bowing as if they were all thumbs.

The same 12 teams are entered this year as last year with basically the same personnel battling it out for the crown won last year by Springfield Market. Judging from the scores turned in by the first night contestants, the pins have become stuck to the alleys over the long summer. Only eight men rolled games over 200 during the night and none of them topped A. Sismus's 211 for the Bunnell team.

Three teams swept their opponents to capture an early lead in the race. D'Andrea Driveways wasted no time in disposing of Brunner Construction, Frank's Auto Service downed American Legion No. 2, and Mende Florist swamped Drakes Fuel.

The champion Springfield Market bowlers clashed with the only team to give them competition last year, Parkview Garage. The messers Policarpio and Pacifico didn't give the Market men much cause for worry this season, losing 2 out of 3.

Meanwhile, Bunnell Brothers took 2 out of 3 from American Legion No. 1, and Beckmann's Market did likewise to Cuzzolino Furs.

The Standings: W. L. D'Andrea Driveways 3 0, Frank's Auto Service 3 0, Mende Florist 3 0, Bunnell Brothers 2 1, Springfield Market 2 1, Beckmann's Delicatessen 2 1, American Legion No. 1 1 2, Cuzzolino Furs 1 2, Parkview Garage 1 2, Brunner Const. 0 3, American Legion No. 2 0 3, Drakes Fuel 0 3.

SUNNING SPORTS

By MIKE GOODMAN

Springfield Regional began its 21st year of football on September 1. Approximately 102 gridiron candidates among them 56 varsity hopefuls turned out to go through rigorous double sessions until school opened September 5. Shorn of 10 lettermen by graduation, 9 letterholders return from the team that upended Rahway last Thanksgiving Day, 19-14. This nucleus led by quarterback Don Carpenter faces a tough season with the likes of Union, Morris-town, and Rahway doing the grid card.

In Coach Mike Stohena's offense (a blending of the unbalanced line of the single wing with the advantages of the split "T") Regional has two seasoned op-

atives returning in the backfield. Don Carpenter, a fixture at the quarterback slot the last two years, returns for his last campaign. Bob Keith, another senior letterman, occupies the left half-back spot. Considered a fine runner and a good passer, Keith adds versatility to the backfield.

Two speedy ball-carriers will rotate at right halfback. "Chip" Skousen, whose had game experience, and Cass Wolowitz, a first year man. Both are juniors. At fullback, Bill Franklin shapes up as the man to beat. Franklin,

11', 195 pound sophomore is considered a fine prospect. A second backfield consisting of Ed eRe at quarterback Ron Bell at fullback with Dennis Golcher and Vinnie DePinto at halfback. Returning to cover the wings for Regional are senior Al Parker and Bob Broom, a junior. A transfer to Regional, Bill Jackson, a 168 pound senior is slated to hold down weak side guard in the unbalanced line. Jim Funcheon, a classmate of Jackson's, pairs with him at guard. Funcheon, a 150-pounder, is considered to be the most improved lineman from last year. Ed Jones, another senior, adds needed depth to that position. Junior Dave Lebanic, probably the biggest man on the squad at 215 pounds has clinched one tackle spot. The other slot seems a toss-up between seniors Bill Eisey, 180 pounds, and Herb Gwathney, at 185. Returning over the ball is center Ray Walsh. A boy named Engel up from the V squad will spell him.

This year the main problem is one of greenness. Since Regional
