Officials Meet To Discuss New Highway Route

No official word has come to Springfield from the New Jersey State Highway Commission regarding the proposed realignment of the new Route 22 but a conference with the Township Committee is expected to be set up within a few weeks.

A letter has been forwarded to Highway Commissioner Dwight R. G. Palmer requesting information on whether or not any new maps have been prepared showing the route to be taken by the new highway in going through Springfield. In anticipation of some action by the Highway Department very soon Henry Grabarz, Springfield Planning Board Chairman has called a special meeting of that board for tonight (Thursday, September 19) to discuss the part the Springfield would play in a County-wide Planning Board which would serve the many municipalities of the County in the same manner as the local board serves each municipality.

Invited speakers will be Albert Benninger, Director of the Union County Board of Freeholders; Harvey Mandel, Senior Planner of the State Department of Conservation and Economic Development; and William E. Roach, Jr., Planning Director of the Somerset County Planning Board.

"The need for a County Planning Board has been discussed before," said Grabarz, "and we will explore all possible ways that creation of such a joint venture by many Union County municipalities will benefit Springfield. It is hoped that a mutual exchange of ideas and support among the neighboring towns will be beneficial to our town, particularly in the case of a problem which would confront many municipalities, such as the location of the proposed new Route 22."

Ethical Society to Begin Season Sunday

The story, published recently in the Springfield Sun, that "rival taxicab operators in Springfield were blowing up a storm in competing for business here" has run out of steam and turned out to be a dud.

Both rival groups will agree that there has been some keen competition between drivers to snare riders but there have been no serious incidents.

Joseph Soffimine, well known Essex County official and president of the taxicab organization which operates licensed in Springfield as well as Millburn, Short Hills and Irvington, deprecates the fact that there should be any misunderstanding as far as their service is concerned.

"Our big fleet of cabs—painted orange and black—has been giving service in Irvington since 1947 and, in 1949, we started in Millburn. Our service expanded and we then decided to come to Springfield.

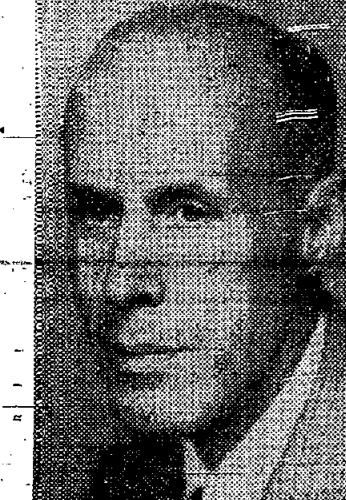

"That was in 1950 when we purchased the good-will and name of Springfield Cab Company which was then being operated by Fred Piper. The name was incorporated by us and we were assigned a taxi stand at the curb in Morris Avenue.

"Springfield is a rapidly growing community. We don't want either the Township officials or the residents to think that there is any trouble. We have built up our business through service and we hope to continue here as we have since 1950."

E. J. RYDER

E. J. Ryder of 170 Bryant Avenue, Springfield, New Jersey will celebrate the 35th anniversary of his service with the Bell Telephone System on September 20. A member of the technical staff of Bell Telephone Laboratories—Murray Hill, New Jersey, Mr. Ryder is associated with the device physics area of the Solid State Electronics Research Department.

Mr. Ryder began his telephone career in 1922 with the Western Electric Company's engineering department, the predecessor organization of Bell Telephone Laboratories. His early work was in the field of acoustical research studies, especially sound waves and public address systems. Prior to World War II he was concerned with metal-contact studies for relays and switches used in Bell System developments. During the war he helped to develop high power switches used in radar. Since 1946 Mr. Ryder has concentrated on fundamental studies of semiconductor materials which are used in the transistor and related devices.

A native of Brooklyn, Mr. Ryder received the E. E. degree from the Polytechnic Institute there. He is a member of the American Physical Society and has written many technical articles for professional magazines.

Mr. Ryder and his wife, Helen, have made their home in Springfield for the last fifteen years. The couple has two children: June and Joan. Mr. Ryder is the Secretary of the local Republican Club and is Chairman of the Springfield Assessment Committee.

Street Lights Out For Santa Claus

A visit from Santa Claus at Town Hall, free gifts to all the kids—this is the plan for the Springfield Chamber of Commerce this year for the holiday season. At a meeting held at Orchard Inn last week, Chamber members unanimously adopted the idea of a "Kid Christmas" instead of the usual stringing of lights on Morris Avenue.

Serving on the "Kids Christmas" committee are Bob Davidson, Jim Funcheon, Ike Freedman and Don Lenny. More detailed plans will be announced later.

The Chamber also decided to present a flag to decorate the new town hall.

A request will also be made to the town committee to put up larger signs indicating to shoppers the location of the municipal parking lots.

The United States Marine Band, "The President's Own," will visit this area for the second time on Thursday, September 26. Under the sponsorship of the Millburn-Springfield Kiwanis Club, members of the band will perform a matinee at the Millburn High School at 2:30 P.M. and will return in the evening at 8:30 P.M., resident in their "Special Dress" uniforms to give the evening concert. In 1955, when the Marine Band last played here they were received with a great deal of acclaim, and 1957 was the earliest that the Kiwanis Club could reserve a return date.

This year the Marine Band celebrates the 159th year of its founding—1798-1957. The Band is the oldest active musical organization in this country. President John Adams approved a bill for its establishment in 1798 and it continues today as the official White House Band.

The Millburn-Springfield Kiwanis Club is proud to be able to bring the culture of this fine organization to the citizens of Millburn and Springfield and calls upon the support of citizens of both communities to welcome the Marine Band to this area. All proceeds from this function will be used for the Boys and Girls Welfare Fund of the Kiwanis Club.

Tickets are popularly priced for both the matinee and evening concert and may be obtained in the following manner: Millburn—Short Hills Item, Millburn, National State Bank, Millburn, Marge's Sweet Shop, Springfield, or by calling any of the following Kiwanians: Ellsworth Fischer, DR 6-1315, Dr. Jerome Horowitz, DR 9-2162, Nelson Jowitz, DR 6-218, Al Lechner, DR 9-5058, John A. Schaible, DR 9-5100, George Turk, DR 9-4143, Melville Thornton, DR 6-0873, or Alfred Young, DR 6-0466.

Record high marks were reached in enrollment at the local schools this month, the totals for the four public schools being 1,711. This is 264 more than September, 1956.

The total enrollment of children who reported for classes Thursday, September 5, with the new addition of the Florence M. Gaudineer School available for use, is as follows:

Gaudineer	552
Caldwell	421
Chisholm	339
Wallon	399
	1711

Enrollment of students, as of September 11, at the Jonathan Dayton Regional High School here, was 1,496. This is an increase of 250 over 1956, the number of students reporting last year being 1,246.

Springfield Taxi Owners See No Signs of Trouble

The story, published recently in the Springfield Sun, that "rival taxicab operators in Springfield were blowing up a storm in competing for business here" has run out of steam and turned out to be a dud.

Letters to Editor

Editor, SUN:

We would like to take this opportunity to thank the SPRINGFIELD SUN in carrying the news articles pertaining to the many bus trips to the Billy Graham New York Crusade Meetings held in Madison Square Garden during the last 3 1/2 months.

We would also like to thank all the Protestant Churches in town for their co-operation too. There was also many, many individuals who played an important part in making these trips a success. Not willing that any should be offended, by omitting one name, our thanks goes out to each one.

Each trip to New York was a success, and we "Praise the Lord" for the many decisions that were made for Christ by the many residents of Springfield and surrounding towns.

It's relaxing to know that we have a local newspaper that will co-operate fully in bringing these current items to the attention of its readers. Again, thank you very much.

Howard Oertel, Ray Schneidermann.

One of the earliest landscape architects was Cyrus, the Great, founder of the mighty Persian empire. According to tree researchers, he loved trees so much he planned formal plantings and actually laid out the ground and cared for many of the trees himself.

Your Library

Summer is now almost over and the library is returning to its winter schedule, but there is still a little time for canning and preserving if the winter store of jars is not up to a housewife's standard. For those who love to cook, this is probably the last time of the year to undertake such extensive activities. In case some favorite recipe has been lost, it or one approximating it may be found among the cookbooks in the Free Public Library of Springfield. It is very easy to find the cookbooks; Springfield has a large collection and they are almost all numbered "641.5".

"Pickles and Preserves" by M. L. Brown is a very good book for this time of year. A new book "Ann MacGregor's Cookbook for Frozen Foods" by Charlotte Adams, and an older one "Home Freezing for Everyone" by Alkire and Schuler take up food preserved by this method. (Incidentally these have a slightly different number "664.8".)

LIBRARY WINTER SCHEDULE

 Hours

If mother does not wish to go in for extensive preserving, she may like to astonish the family with some new and different dishes. Three that give unusual suggestions are "The Dione Lucas Meat and Poultry Cook Book," "Foods of Old New England," and "Complete Book of Cheese."

Two Openings Mark Busy Commercial Week

MUSIC & FABRICS — Pictured at left is Harold Chasen, owner of the new Harmony House, records, high fidelity equipment, etc., which opened officially this week on Route 22 opposite Big Top Car Hop and next to Dairy Queen in Springfield. Over 10,000 albums are on hand for the discount house's big opening. Pictured at right is Mrs. Norma Polakoff, left, showing two customers of The Fabric Place a sample of one of the thousands of materials to be unveiled tomorrow, Friday, Sept. 20. The pre-opening visitors to the new store opposite Sip & Sup Restaurant on Morris Avenue are, left to right, Mrs. Morris Goldstein and Mrs. Leon Sobel, both of Union.

are grown and have left home for college, careers, or marriage; mother may find herself adjusting to a small family, the same problem which faces brides. Ida Bailey Allen's "Cook Book for Two" has much to say on this subject. If left absolutely alone, "Cooking for One," by Elinor Parker, would be her choice, while "Chafing Dish Cookery" by Florence Brobeck has ideas for informal meals. "Magic with Leftovers" by L. R. Brunner has appeal for all cooks these days when budgets must be stretched.

Springfield will be treated to another novel idea this week as the Harmony House opens the first highway store devoted solely to music.

Specializing in records and high fidelity components, the Harmony House will open officially tomorrow at the completely remodeled location across Route 22 from the Big Top Car Hop and next to the Dairy Queen. Unofficially the store has been open for three weeks. Harold and Bea Chasen of Maplewood have started the unique operation with a full line of all labels of records at true discounts. For example, all \$3.98 records will be sold at \$2.98. In addition, for every \$5.00 worth of records purchased, a 45 rpm or 78 rpm record is given as a bonus free.

Hi Fi components, transistor radios and ready made Hi Fi sets are on hand at discount prices. During opening celebration Friday through Sunday, prizes and gifts will be given away.

An interesting sideline of the firm is recreation room equipment including juke boxes, from \$75, and electric amusement games from \$50.

Harmony House will specialize in repair and installation of all types of sound equipment.

A revolutionary method of displaying fabrics comes to Springfield with the opening of The Fabric Place tomorrow, Friday, Sept. 20.

Many original merchandising ideas have been exhibited in the former location of United Fabric at 167 Morris Avenue across from the Sip & Sup Restaurant. Perhaps the most appealing innovation is the cataloging of materials according to dominant colors. Big samples of materials have been mounted on hinged peg boards that swing easily to permit customers to leaf through a vast variety of fabrics keyed to the same colors.

The Fabric Place has been brought to Springfield by a Union resident, Leonard Polakoff. He has been manufacturing draperies, slipcovers and bedspreads for decorators and fabric stores in the area for ten years. His wife, Norma, will assist him in running the store.

LOST BOY

Dry those tears, Sonny. The Law has brought you home.

But when you're grown up, don't get lost then—for the Law won't be able to bring you home!

Sure, grown-ups often get lost. They choose the wrong road, they take the wrong turn, they depend on the wrong ideas, they seek the wrong aims. And some of them get lost again and again.

Why can't the Law bring them home, too? Well, when a grown-up gets lost he generally does a lot of harm to himself and others. And then it's the job of the Law to protect people from the harm he is doing.

But, Sonny, when you grow up you're not going to get lost. We have thousands of churches for youngsters like you—and for your parents, too. Churches teach us to find ourselves before we have a chance to get lost.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CATHOLIC INFORMATION

"Give it back!" "Father," the tremulous voice barely finds its way through the grill in the confessional. "Father, I took something that wasn't mine." "What was it?" asks the priest. "It was a sum of money, Father." "How much?" "About fifty dollars." "Do you still have it?" "Yes, Father." "Give it back." "But, Father, I—" "Give it back. I can't forgive your sin until you've promised to make it good in some way."

It happens every day in the confessional, that balancing of the scales of justice: stolen goods returned, frauds adjusted, wrongs of every description put to right. Has the penitent attacked the good name of a neighbor? He must try his best to undo that harm. Is he in a situation which steno-

grapher takes his morality to the breaking point? Does he find his stenographer a temptation? He must try to have her transferred to another department, or find her another job some place. Is he falling in love with a married woman? He must promise not to see her again, not even to think of her any longer, if that be possible.

The father-confessor is a man trained in the ways of psychology, not only through his books, but also through his constant experience with human nature. He knows how to size up the personality of the sinner, his strong points, morally, and his weak points. The answers to a few leading questions give him a fairly good idea of the sinner's sincerity.

He carries a tremendous responsibility. It is his place to see that the sinner is really sorry. Otherwise, the words of forgiveness would have no effect. He must help the sinner work out a way of sloughing off his bad habits, of restoring lost or stolen goods, of repairing every malicious evil done by the sinner to his neighbor. He must reassure the broken-hearted penitent and give him fresh hope in the mercy of God; he must work through the crust of the smug, brittle soul, who may be convinced that he is already a saint (there are such people).

If the annals of the confessional could be published, what a story they would tell: of sinners reclaimed, of wolves turned to lambs, of alcoholics reformed of countless dangers to society averted. Thank God for the confessional!

2 Local Girls Graduate As Registered Nurses

MISS PATRICIA BINDER

Miss Patricia Binder, daughter of Mayor and Mrs. Albert G. Binder, 27 Tower Drive, last night became the second member of the first family of Springfield to devote herself to nursing when she was graduated from the East Orange General Hospital School of Nursing.

Miss Binder was among 23 women who participated in ceremonies which brought to an end student days and began an exciting career as an "R.N."

Miss Joan Bender, daughter of Mr. and Mrs. Lester Bender of 51-B Flermer Avenue, was a member of the same graduating class last night to receive the coveted title of Registered Nurse.

Another daughter of Mayor and Mrs. Binder, Jacqueline, is now serving as Pediatric Technician in the nursery of Overlook Hospital. Miss Jacqueline graduated from the Coit Memorial Hospital in Newark last June as a Pediatric Technician Nurse.

Miss Patricia, who received her "R.N." last night at the East Orange Hospital, is a product of Springfield's school system and a graduate of the Jonathan Day-

MISS JOAN BENDER

ton Regional High School. The local girls who graduated last evening, have spent the past three years in an intensive program of study which now qualifies

them to become fully-qualified nurses. Training in the hospital's classrooms, on-the-job experience, additional studies at nearby Upsala College and two six-month assignments at the Essex County Mental Hospital and New York's Presbyterian Hospital have given them a well-rounded professional training.

The student nurses also enjoy a full and varied social life—which includes dances, suppers, monthly birthday parties, picnics, trips to New York and a host of other activities.

The Greek philosopher, Aristotle, was the first writer to note that all babies are born with blue eyes.

P.T.A. NEWS

The news for the four individual Parent-Teacher Associations of the Springfield elementary schools will be gathered and organized by the following 1957-58 Publicity Committee Chairmen: James Caldwell School P.T.A.—Mrs. Edward J. Snider, Mrs. John A. Schoch; Raymond Chisholm School P.T.A.—Mrs. Louis Cohen, Mrs. Daniel Kaleem; Edward W. Walton School P.T.A.—Mrs. Sidney Lester, Mrs. Frank Burstein; and the Florence M. Gaudineer School P.T.A.—Mrs. Victor Bracht, Mrs. Walter Anderson, Mrs. Robert Multhaup. These chairmen have a scheduled time for news releases to be submitted to the newspaper editors. It is requested that the news reporters for the various P.T.A. Committees have the news items ready for the publicity chairmen by Saturday of each week.

CALDWELL SCHOOL
With summer vacation behind and school in session, it is time to think of the James Caldwell School P.T.A. if you are a parent of a child attending that school. Mrs. Frank Stevens, Finance Chairman, has a budget to be met. Mrs. Stevens feels that this can be achieved through the sale of T-shirts and sweat shirts. A card party is also planned for October 21 at 8:00 p.m. in the auditorium of the James Caldwell School. (Please circle this date on the home calendar!) Flyers will be sent home to announce details for these events. Mrs. Stevens invites all parents and friends of the school to help and support the James Caldwell School P.T.A.

The P.T.A. of the James Caldwell School, held a tea on Monday, September 16, for the teachers in the school gymnasium. A short business meeting was held, conducted by the Pres., Mrs. Alan R. Cunningham. The budget for the ensuing year was approved.

Presiding at the tea table were, Mrs. H. E. Forsyth, principal, and Miss F. Gaudineer, school nurse. The first social function of the organization was well attended. Mrs. Howard Heerwagen, hospitality chairman, was assisted by Mrs. James Bell, Mrs. Harold Hansen, and Mrs. Merrill Peterson.

evening, September 16. Capt. Durning illustrated his talk on "Youth and Crime" with examples of weapons used by youngsters who, through lack of proper guidance, became juvenile delinquents. His talk was preceded by a short business meeting presided over by Mrs. Joseph A. Bender, president. The budget for the year was approved and plans announced for the membership drive in October, a shirt sale in September, a book sale in November and a card party on March 17.

Refreshments were served by the first grade mothers.

CHISHOLM SCHOOL
The Raymond Chisholm School P.T.A. Class Mothers have started their year's activity under the chairmanship of Mrs. Edward W. Ries, Jr. Their first project was that each Class Mother contact other parents to provide dessert for the P.T.A. tea, Thursday, September 19, from 3-5 p.m. in the school gymnasium.

During the year the Class Mothers will serve as hostesses at P.T.A. meetings and at classroom parties on special occasions and holidays. The Class Mothers are Mrs. Robert Smith, Mrs. Albert Warhoffig, Mrs. W. Donham Crawford, Mrs. Henry T. King, Mrs. Thomas Decker, Mrs. Edward Tackels, Mrs. Neil Brown, Mrs. Willard Jayne, Mrs. Eugene Bataille, Mrs. Harold Fried, Mrs. Harold Raab, and Mrs. Ries.

GAUDINEER SCHOOL
The executive board of the newly-formed Florence M. Gaudineer Parent-Teacher Association met recently at the Gaudineer School to discuss plans for the coming season activities.

Officers of the organization are: Mrs. Joseph F. Patterson, President, Mrs. B. F. Newswanger, Hon. President, Mrs. C. L. Seltzer, Vice President, Mrs. Thelma Sandmeir, Vice President, Mr. Norman L. Lebeuf, Treasurer, and Mrs. J. Frank Jakobsen, Secretary.

REGIONAL HIGH
The Jonathan Dayton Regional High School Parent-Teacher association will give a tea for the faculty of the school on Thursday, Sept. 26 at 3:30 p.m. in the school cafeteria. Mrs. V. Cinquini is Hospitality chairman.

The entire executive board of Regional P.T.A. will be host and hostess for the afternoon. Mrs. Horace Libby, President of P.T.A., will head the receiving line to greet the teachers, assisted by Dr. R. Jacobson, Principal of Regional; Dr. Warren Davis, Supt. of Schools; and Mrs. E. Alder Owens, Past President.

Drive with Care **(SCHOOLS' OPEN)** *Protect Our Children*

**DRIVE CAREFULLY
CHILDREN SHOULD BE
SEEN - NOT HURT!**

WATCH FOR OUR CHILDREN WHEN YOU DRIVE . . .

YOU MUST ACCEPT THE RESPONSIBILITY FOR THEIR SAFETY! Even though we teach our children the ways of safety, they sometimes forget! They dart into the street to retrieve a ball or ride their bicycle without a thought of cars. When there's the slightest doubt about a child's intention to cross a street or run into it . . . hesitate or stop. Practice extreme caution near schools and on residential streets. We love our children . . . let them live.

- **Be certain your car is mechanically safe:** Your driving skill and attitude are helpful . . . but not enough if your brakes fail, your tail lights don't work, or your car stalls in heavy traffic. Have your car safety-checked now!
- **Be sure you are alert and your emotions under-control:** Driving safely requires your full attention. If you're emotionally upset, ask someone to take the wheel for you. That's the only safe thing to do.
- **Practice courtesy at all times:** Many of our traffic laws could be considered simply as common courtesy . . . yield the right-of-way, give adequate hand signals, watch for pedestrians and many others. Drive with courtesy and you'll automatically be a better driver.

- **Understand and obey local traffic laws:** Although the laws governing drivers are essentially the same everywhere, there are variations that cover existing conditions in each area. Whether you're a resident or a visitor it's important to know and adhere to the local laws—for safety's sake.
- **Adopt caution as your constant companion:** There is no such thing as being too careful when you drive. Always exercise extreme care . . . don't be too sure the child on the sidewalk will not suddenly dart across the street. You may be obeying the laws, but someone else may be careless.
- **Don't speed:** One of the major causes of accidents today is speeding in excess of existing laws and road conditions. Speed limits, like all other laws of traffic, are to protect you! Be prepared when danger appears . . . take it easy!

SUNNING SPORTS By MIKE GOODMAN

Last season it seemed that almost every team on Regional's schedule reached their peak in strength, experience, and other attributes that make winning football teams...

Hillside is a case in point. Headed by All-County back Bill Bass, the Comets had one of their best seasons in their 26 years of football...

Union High School is the exception to the rule. After losing Warren Montgomery, All-County end, and talented Bobby Adams plus a covey of fast backs by June Graduation...

Linden noted for their hard-charging line will have one of their greenest and lightest in years. Their star, All-State lineman Fred Luongo, has gone on to the more fertile fields of college...

The Springfield Sport's League began the '57-58 season with one team and three new sponsors. The new team is Siero Sound Corp. from Mountain Avenue...

The team standings are as follows: P.E.A. 3, 0; Springfield Tree 2, 1; Conte's Delicatessen 2, 1; Lynn Decorators 1, 2; Drexel Cleaners 1, 2; Siero Sound Corp. 0, 3.

Jack Weber had the high series with a 200, 199, 167, making a 183 average. Bill Lynn had the high game of 217, with J. Pepe following with 200.

Conte's took 2 out of 3 from the Lynn team. P.E.A. took three games from the Siero Sound Corp. and Springfield Tree took 2 from the defending champions, now sponsored by Drexel Cleaners.

Ask Town to Note Constitution Week - Springfield participated in observing Constitution Week which started Monday and continues to tomorrow (September 20) as part of a nationwide program.

There was no program in Springfield but Mayor Albert G. Binder issued a proclamation, published in this issue of the Springfield Sun, calling on the residents of the Township to observe the 170th anniversary of the signing of the Constitution and asking that the flag be displayed.

Mrs. Eugene F. Donnelly, chairman of the National Defense Committee of the Daughters of American Revolution, issued a statement in connection with Constitution Week in which she said: 'The observance of the 170th Anniversary of the Signing of the United States Constitution the week of September 16 to 20 is to recall to the American people the true significance of the events that occurred leading up to its adoption in 1787, and to revitalize appreciation of our great heritage which is the Constitution.'

'The American System had its foundation in the long bitter struggle of the human race for political liberty and self-government. This struggle came to a head with the framing of the Constitution on principles of liberty and freedom. Nowhere else in the world has freedom been experienced as it has been in this country under our Charter of Liberty; yet this wonderful instrument has its enemies, one of which is the lack of knowledge and indifference of the people who are its guardians.'

Sue for Rifle Mishap in 1955

An article appearing in the Elizabeth Journal last week reported that Edwin Davenport Jr., 16, of 42 Edgewood Ave. Springfield, and his parents seek \$50,000 in a Superior Court suit citing mouth wounds suffered by the youth when he was hit by an errant shot at a YMCA summer camp rifle range two years ago.

The boy, according to a complaint filed by Mr. and Mrs. Edwin D. Davenport Sr., was a counselor at Camp Kiamasha, a YMCA facility at Stillwater Township, when the mishap occurred on July 2, 1955. He was assigned to the rifle range.

Mr. Davenport claims the camp management was negligent in permitting 'extremely young children' to handle firearms, and also charges that the rifles used at the range were defective. The suit asks \$50,000 for the injuries and \$5,000 for medical expenses.

"Batten Down The Hatches!" A Sarokin's Going To Europe

If the weather bureau man should point a warning finger to Friday, September 27, and order storm signals hoisted from Block Island to Cape Hatteras, it will come as no surprise to most residents in Springfield—when all the facts are known.

Or, if the weather report for September 27 forecasts unusual precipitation, high winds and the possible approach of Hurricane Esther, it will be because Mrs. S. O. Sarokin, of the Springfield Sun Sarokins, is leaving that day for a seven weeks tour of Europe. And the records will show that whenever the Sarokins make a trip, all the furies of bad weather run wild.

Planning a seven weeks tour of Europe could hardly be kept a secret from the weather man with all the necessary preliminary details of passports, shots, clothes and general logistics. Those who know Mrs. Sarokin's interpretation of logistics and the art of moving and organizing supplies, will appreciate how carefully everything has been planned for every minute of the entire seven weeks, not only for her trip but for those who must remain to "run the store."

EATING WITH THE CAPTAIN

Mrs. Sarokin leaves on the Statendam with friends, one of whom is affiliated with the Holland America Steamship Lines and who has made preparing for this seven week trip a dream of anticipation—even to dining at the captain's table.

It is not the guided tourist type of trip. Reservations have been made at the best hotels, the finest theatres, the operas, the bull fights—throughout the leading cities in Europe. The itinerary will take the travelers on a thrilling schedule of stops in England, France, Holland, Switzerland, Italy, Portugal, and Spain, with the return trip on the newest of ocean liners, the Cristoforo Colombo.

than ever before. Sheridan has an incredible fountain of knowledge about people and places; is cynical and hard boiled at times but he knows the pitfollers, the politicians, the scuffers, the honkytonkers, the playboys as well as the plain people. He knows history, the number-of-stories of every office building, the nine dollar per room-housing for underprivileged all of whom own new cars and television sets. And, what he knows, Sheridan has the knack of telling it so well, so entertainingly that no one realized he had chatted through the entire beat ride. He is such a fine ambassador of goodwill, selling patriotism and civic pride, it's a pity television or some other medium of the arts hasn't signed him to a long and juicy contract.

Reform Group Plans Dinner

The Reform Jewish Congregation of Springfield will hold its first Installation Dinner Dance on Sunday, October 13th at the Far Hills Inn, Somerville, N. J. Music for this gala affair will be provided by the Sy Mann and his orchestra. A prominent star of the stage and television is expected to head the floor show.

For table reservations or additional information call Mrs. Harriet Blake, DRexel 6-4919.

IN CASE OF ICEBERGS

During the Summer, Mrs. Sarokin took daily swimming lessons from a professional instructor at the Colony Swim Club to combat the threat of icebergs in the Atlantic and, last Friday, the Sarokins enjoyed that Circle Line sightseeing trip around Manhattan just to acquaint the prospective sea-going traveler with the pitch and motion of the ship. The ocean doesn't scare Mrs. Sarokin after this "shake-down" trip.

That three hour guided cruise should be a "must" for everybody. It is, without a doubt, the finest amusement buy in New York and there isn't anything on Broadway—or in television—that can match 3 hours of rapid, interesting comments by "Bill" Sheridan, the man at the microphone who happened to be on this particular trip.

Sheridan, affable, glib and well informed, put on the kind of a show that made the entire trip around New York most entertaining. Sheridan mixed statistics with unusual bits of philosophy, dramatized the presence of Japanese freighters in our harbor, recited poetry, quoted pointed proverbs, and verbally waved the American flag at the drop of a hat, but he knew his subject so well that everybody came away more informed about the many points of interest
