CHANNEL'S FOURTH ANNIVERSARY

Springfield's encouraging and spectacular rise in the world of retail business is due to a great many men and things—but the real pioneers, the real trail blazers, the men who recognized the potential for a great shopping area and were willing to invest money to back up their faith in the future of Springfield, were the executives of the Channel Lumber organization.

Channel opened its much publicized sales empire on Route 22 just four years ago which proved to be so sensationally successful that other merchandising and sales experts, armed with architects' plans, began to look towards Springfield.

Soon after Channel Lumber's pioneering move, the Davaga Stores came to Springfield which is now one of the largest operations in this area. Then the General Greene Shopping Center—in the heart of the Township—followed with such nationally known organizations as J. J. Newberry, Grand Union and National Shoes as units in what is now a very active shopping area.

The climax, of course, and further evidence that Springfield is becoming a Mecca for retail establishments, came a few weeks ago when Saks Fifth Avenue opened its lush suburban branch here.

Channel Lumber's success in Springfield was no accident. Management of the local operation is not by remote control—from executive offices in another city. Ben Charin, the youngish and very capable head of the organization, makes Springfield his headquarters, his base of operations. Don Lenny, the general manager of the Route 22 store, purchased a home in Springfield as soon as he took over the job and has become one of the Township's most civic minded residents.

Both Charin and Lenny are champions of promotion and good public relations. Channel participates in practically every civic program and is an important factor in Springfield's economic growth.

BIG TIME PROMOTION

Keeping up with Springfield's Channel Lumber Company must be quite a challenge to other merchants in New Jersey. The local outfit puts one idea into effect after another.

Latest promotion idea to cross Channel's path is the following elaborate method of delivering some merchandise. There once was a time when the most you could find out about a box was "This Side Up." The following telegram to Channel shows how far they've come from the simple brown wrapper days:

CHANNEL LUMBER CO., Attn. Donald S. Lenny
Route 22, Springfield

We would like to have a full trailer load leave here in time to reach Springfield on Friday, October 4. We will attach large banners to both sides of the trailer reading, "another trailer load of AMF Dewalt Power Shops for the customer of Channel Lumber Company, Route 22, Springfield, New Jersey." Pictures will be taken of the trailer as it leaves our plant, and a press release will be forwarded to the "Newark News" and "Newark Star Ledger." On the chance that the banners will be damaged on the trip to the carriers Jersey City Terminal, a duplicate set of banners will be sent along so that during the last leg of the journey to your store, the trailer will be well identified. Wally will precede the trailer in his own car equipped with a public address system so that the load will be further identified and all the world will know where the merchandise is headed and when, where, and how they can buy it. We will make arrangements with the trucking company to have the trailer spotted on your parking grounds Friday evening to remain there all day Saturday and Sunday. We will include in the shipment a supply of our 20-page power shop catalogs and appropriate give-away literature.

OBSERVING NEWSPAPER WEEK

Next week—from October 1 to 8—is National Newspaper Week, and if we tend to boast a little just now perhaps we are indulged. For the newspaper, which regularly devotes its homes, has a message of its own. We believe that message worthy of some attention.

The American newspaper occupies a unique place in the world. Its freedom to print is guaranteed by the Constitution. It has been considered from the beginnings of the Republic and from even before that—an essential instrument in the lives of the American people.

Its basic purpose has been and always will be the same: To tell the happenings of the day. Here the function is of particular importance in regards to the happenings of government, which is but an instrument of the people's will.

Its next and most inseparable function is to try to place the facts concerning these happenings in perspective—to give them meaning in the light of other events, past and present.

It has other important purposes—to serve as a medium for advertising, to entertain and amuse, to serve as a public forum.

You may, and undoubtedly do, on occasion become discouraged with your newspaper or even become angry with it. Yet it is an indispensable item for intelligent living, and in more case than is generally realized it is the most constructive and most educational item in a family's existence.

Where newspapers are free from government restriction, as they are in the United States, you are free to select the reading matter of your choice. You are privileged to have a voice of protest. You are favored by having news of importance about you, personally, collected, verified and presented in readable and understandable form delivered to your home every day.

The modern newspaper is a swift and an accurate purveyor of important factual data and a medium of considered moderate and enlightened opinion.

The newspapers of America set aside this week, therefore, to call attention to the services they perform. But more than they set it aside to remind themselves and their readers of the obligation they owe the American public.

It is their constant hope that the reading public will continue to trust the integrity of their services. It is their constant effort to maintain the standards which have made this nation, more than all others, a nation of newspaper readings.

National Newspaper Week, therefore, is not an occasion for self-praise by newspapers nearly so much as it is an occasion for self-praise by the nation.

Firemen Vote To Give Town Rescue Truck

The members of the Springfield Volunteer Fire Department, at their meeting held at Fire Headquarters on September 18, voted to purchase a brand new rescue squad truck which they will donate to the Township.

The new piece of apparatus will cost in the neighborhood of five thousand dollars when fully equipped. The money for this civic project has been raised through the efforts of the volunteer's annual dance held each year in mid winter.

The new truck which will be housed at Fire Headquarters will contain all the latest rescue equipment; able to cope with practically any type of emergency. Among the tools which will be carried will be heavy duty jacks, floodlights, power saws for metal cutting, acetylene torches, oxygen breathing units and many other tools for rescue work.

Fire Chief Charles A. Schilling praised the action of his volunteers for their large financial and worthwhile contribution to the citizens of Springfield.

Chairman of the Truck purchasing committee is Robert M. Briggs assisted by Warren Rubin, John Decker, Art Schramm, Edwin M. Erskine and John D'Andrea.

Bonadies Campaign Kick-Off at Dance

"Springfield Community dance and entertainment program will be held Friday night at 8:30, October 11 at the Club Diana, it was announced today by the Springfield Campaign Committee of Re-elect Township Committeeman, Vincent J. Bonadies.

Co-chairmen, Edward Olesky and Michael Genovese declared that the program at the newly renovated Club Diana on Springfield avenue, Union, will include Broadway entertainment as well as dancing. Tickets can be obtained from Olesky at 55 Grand Oval, Springfield, or at the Club Diana.

The program will feature a "Know Your Community and Meet Your Neighbor" theme, particularly for new residents of Springfield who are attending.

The entertainment and dance will also commemorate Bonadies' service to the Community as a Township Committeeman as well as highlighting a Township-Wide Drive in behalf of Springfield residents to Re-elect Bonadies in the November election.

Bonadies, who is completing a three year term as a Township Committeeman, is chairman of the Department of Public Affairs. He resides with his wife and daughter at 12 Sherwood road.

Rep. Dwyer and Bonadies Join to Help Local Man

Getting State Department approval for a passport to travel beyond the "iron curtain" is almost impossible—except for a very good reason—but Congresswoman Florence P. Dwyer and Township Committeeman Vincent J. Bonadies teamed up last week to prove that it can be done.

As the result of their efforts, John F. Taraska of 256 Hillside avenue is now on his way to visit his aged mother in Poland, having left by plane yesterday armed with the priceless passport. He flew on an SAS transatlantic plane from Idlewild Airport.

It all came about when Taraska received word that his 74 year old mother in Poland was in failing health and wished to again see her Springfield son whom she had not seen for 34 years. He decided not to postpone the trip any longer and immediately applied for the necessary passport and approval to visit his mother.

That was in August but there was no response from the State Department despite the fact that he had emphasized the necessity for the trip in his application. Twice he was compelled to cancel plane reservation when the passport did not arrive.

Finally, in desperation, he asked Township Committeeman Bonadies to help expedite the passport. Bonadies went through proper channels to reach Rep. Dwyer, the Congresswoman from this District, and the urgency of the matter was relayed to her.

LUTHERAN CHURCH INSTALLS PASTOR—Shown kneeling and receiving the blessing of his fellow clergymen is the Rev. Lester P. Messerschmidt, who was installed as pastor of Holy Cross Lutheran Church last Sunday afternoon in a special installation service held in the church auditorium, 623 Mountain avenue, Springfield. Grouped about the newly installed pastor are, left to right: The Rev. Howard Schoenfeld of Livingston, the Rev. Henry Loebner of Orange, guest speaker for the occasion, the Rev. Walter Reuning of Westfield, who performed the rite of installation, and the Rev. Henry von Spreckelsen of Union.

Overflow Crowd Attends Lutheran Installation

"Imitate the attitude of Christ and His concern for people," urged the Rev. Henry Loebner last Sunday afternoon in his sermon delivered at the installation service of the Rev. Lester P. Messerschmidt as pastor of Holy Cross Lutheran Church, Springfield. "Capture some of the kindness, sympathy, compassion, and love for sinners which Christ had," he continued in his remarks to Pastor Messerschmidt.

Unico Picnic Set For This Sunday

The second annual picnic of the Springfield Unico Chapter has been set for September 29 at the Old Cider Mill-Grove, Vauxhall road, Union.

United National President Eugene Boffa and the national vice president Charles Finnofreddo will be the guests of honor.

A diversified program of games and entertainment for both the adults and the children has been arranged and will run continually from 1 to 7 p.m.

Tickets may still be obtained for the picnic by contacting Fred Puorro, general chairman of the picnic committee at Drexel-6-4122.

Discuss Cancer Crusade Plans Monday Night

Mrs. Lee L. Andrews, Charles F. Heard and Mrs. Joseph Bender were elected to the Board of Managers of the American Cancer Society last Monday night at the group's 11th Annual Dinner held at the White Laboratories, Galloping Hill road, Kenilworth, New Jersey. Plans for the annual Cancer Crusade were discussed with Mrs. Philip Lewis again as Springfield chairman.

Walter H. Hildebrandt, of Union, was elected President of the group for the coming fiscal year and Dr. William O. Wuester, of Elizabeth, Chairman of its Executive Committee.

Activities of the chapter during the fiscal year ending August 31st were reviewed for the Board of Managers by the retiring officers. It was reported that a total of \$123,489.18 was collected during the April crusade. The activities of the many surgical dressing groups throughout the county was reflected in the Service Chairman's report which indicated that 241,206 dressings were made by the volunteers and that 203,112 were distributed. Over 9 1/2 tons of cotton were consumed in making

Plan Townwide Merchants Sale for Xmas Holidays

All the merchants of Springfield—including General Greene Shopping Center, Route 22, Morris and Mountain avenues—are already planning a town-wide Christmas sales event scheduled to start the first week in December.

Don Lenny, manager of the Channel Lumber operation on Route 22, Bob Davidson, manager of the J.J. Newberry store in the shopping center, and Ike Freedman, of the Springfield Hardware Company, make up a promotion committee to prepare a full month of activities intended to attract thousands of shoppers to Springfield.

This very ambitious holiday program is being staged by all the merchants under the sponsorship of the Springfield Chamber of Commerce, and every business place in the Township is expected to participate. The theme of the holiday sales event will be aimed at the children of Springfield with a Christmas party to be staged on the grounds of the Regional High School. Gifts and refreshments for the kids and the arrival of Santa Claus by helicopter will be one of the high spots of the program.

The question of Yuletide lighting for Morris avenue is still undecided. Springfield has had strings of lights across Morris avenue during the Christmas season for many years, installed through the efforts of the Chamber of Commerce. This year the merchants are considering doing their own window and store front lighting for the holidays and the money, usually collected by the Chamber of Commerce for the stringing of lights across Morris avenue, to be used for the other events being planned for this sales program.

Don Lenny and Bob Davidson are also preparing a special newspaper to be issued the first week in December which will contain the full program of events and carry the biggest advertising message ever offered by Springfield merchants. This special newspaper will be distributed to more than 30,000 shoppers in this section of the state and is expected to carry advertising from every merchant in Springfield.

Says Township Should Invite More Industry

A comprehensive plan for bringing light industry to the township was outlined today by Henry Grabarz, chairman of the Municipal Planning Board. He said the program would feature an aggressive campaign in which the merits of the township would be sold to firms seeking sites as a refuge from congested urban locations.

Citing the work of the Planning Board for the re-zoning of the land on the south side of Route 22, the Planning Board leader said this would give the impetus needed to bring more industrial ratables to Springfield.

"What this municipality needs is a consistent industrial promotional policy," Grabarz declared. The former Building Inspector, who is a Republican candidate for the Township Committee, said a program of merely inserting an advertisement in a newspaper and then sitting back to await results is of questionable merit.

"No results were obtained by the incumbent Democrat who followed that policy as industrial commissioner," Grabarz observed.

COSTS RISING

"With costs rising it is obvious that the bill for municipal operations is also going up," Grabarz pointed out. "The burden will fall on the home owner unless we bring more desirable industries here. A program of industrial solicitation will pay off in many ways. It will add to Springfield's tax revenues, will provide employment, and in turn all strengthen some of the town's business enterprises.

"The Planning Board has made important moves to facilitate bringing industry here. However, there are still steps to be taken and I plan to make recommendations for zoning modifications which will permit the type of industry we want—the non-noise variety to established desirable plants away from residential areas.

"Springfield has an ideal location, a short distance from New York City, on two of the state's principal highways and with a commercial railroad available to industrial plants. Few municipalities have so much to offer to manufacturers. We should sell this tremendous potential to the scores of firms which each year move out of the New York-Jersey City-Bayonne-Newark area.

"The adjoining township of Union offers an excellent example of how numerous industries have

Town's Oldest Resident Celebrates 95th Birthday

Elizabeth Kessler

Springfield's oldest resident, Miss Elizabeth Kessler, celebrates her 95th birthday today, Thursday, Sept. 25.

Miss Kessler was born in Springfield on what is now Mountain avenue in 1862. Since 1892 she has been living at her present address, 257 Short Hills avenue.

She has been a member of the historic Springfield Presbyterian Church for over 80 years, during which time she was extremely active in church affairs. She still receives many cards from her former Sunday school pupils who are scattered across the globe as far away as Hong Kong.

Her parents, George and Martha Eubel Kessler, came to Springfield from Germany. One of her grandfathers fought in the battle of Waterloo as a Prussian soldier. The Kessler family started a hat business which Elizabeth worked in for 55 years, 1885 to 1940.

Miss Kessler was one of five sisters. Her only brother, George, died in 1930. Her sister, Bertha, died in 1945. Edith, in 1951, and Kate in 1955. Her sister Emma is still living. Elizabeth Kessler lives today with her nephew, Bernard Beckman.

Miss Kessler, like all the children of Springfield-Millburn, attended the two room school house on Academy Green behind the present Methodist Church. The family lived beside a papermill on Morris avenue opposite Short Hills avenue at that time. At one point the mill was converted to an explosives plant. Even though Miss Kessler's parents were assured there was no danger, in 1892 the whole works blew up, destroying the Kessler home. Luckily nobody was injured.

Following the explosion, the Kesslers moved to 257 Short Hills avenue to the Mulford property. Miss Kessler has lived there ever

Discuss Cancer

(Continued from page 1)

The dressings. Volunteer drivers made 2,182 motor trips transporting cancer patients to the county's Cancer Society-sponsored clinics. The Society's loan closets in Elizabeth and Plainfield loaned hospital beds to 26 patients and also made available a host of other sick-room supplies where they were needed. The cost of special medications and radioactive materials costing almost \$2,000 were supplied without charge to cancer patients during the fiscal year.

The visiting nurse associations in Union County made a total of 1,908 calls, the cost of which were borne by the chapter. Breakdown by community indicated that the Cranford association made 48 calls, the Elizabeth group 1,335, the Plainfield nurses 118, the Rahway group 184, Summit 136 and Westfield 85 visits.

In discussing the educational program of the chapter, Mr. Kohler remarked that this activity is probably responsible for saving more lives than any other facet of the society's comprehensive cancer control program. During the year just completed, 528 programs were given in the County to an aggregate of over 28,000 county residents. One or more of the excellent short films covering some phase of cancer were shown 528 times. The major share of the work was directed at our young citizens in the schools who were the recipients of the 381 programs. Adult schools were scheduled for 9.

Industry throughout the county asked the chapter's educational representative to give 50 presentations. For the first time this year, the pharmacists of Union County were contacted as a group, therefore, these programs had to be presented late at night after the drug stores had closed. The educational program for doctors in the county was augmented this year with a series of programs in the areas major hospitals. This is part of a continuing program on the part of the Society to assist all doctors in the quick and early recognition of cancer so that remedial steps can be taken in time to save a life.

The new Chapter President, Mr. Hildebrandt, headed the County's Cancer Crusade for the last two years. His efforts were commended by the state group in 1956 for being the first county to surpass \$100,000.00 in the crusade in five years. Mr. Hildebrandt is a resident of Union, New Jersey and was recently elected vice-president of the First State Bank in that city.

John Cottage, son of Mr. and Mrs. J. Cottage of 38 Shunpike road, marked his 10th birthday at a luncheon party held at Tretola's Restaurant, Union. His guests were Robert Shubert, Karl Roetger, and Jeffrey Hitchings.

Little Eddie Zuran, son of Mr. and Mrs. David Zuran of 1 Arch-bridge lane celebrated his very first birthday at a lawn party on Sept. 19. The guests included Nancy and Alan Fibrens, Richard Deutsch, and Ronnie Krowne all of Springfield; and Judy and Rob- bie Greenspan of Livingston.

Another first birthday celebrant is Marlene Susan Zerolnick, daughter of Mr. and Mrs. Leon Zerolnick of 22 Evergreen avenue. Marlene was the center of attraction at a family gathering on Sept. 25.

Linda Johnson was an excited little miss when presented with a birthday cake at a family party on Sept. 17. Linda, who was two years old, is the daughter of Mr. and Mrs. John C. Johnson of 4 Washington avenue.

Date of Barbara London's 5th birthday party was Sept. 14. Barbara, daughter of Mr. and Mrs. Gerald London of 3 Kipling avenue, had as her guests Barbara Fulmer, Barbara Ottenstein, and Arnold Kasten all of Springfield, and Diane Romine of Basking Ridge.

We are happy to add our welcome greeting to five families who recently moved to town. Bloomfield was the former home-town of Mr. and Mrs. John Begert of 64 Denham road. The Begerts have four youngsters—Joan age

5½, John age 3½, Mary age 1½, and Ann age 9 months.

Former Newarkers Mr. and Mrs. Joseph Schiavo of 179 Hawthorne avenue may be new residents but many of us have known Mr. Schiavo for a long time. He is more fondly known as "Red" of the Rialto Barbers on Morris avenue, Springfield.

Mr. and Mrs. Norman Alexander of 60 Newbrook lane formerly resided in the Bronx, N.Y. Their children are Maxine age 11 years and Howard age 4 years.

Mr. and Mrs. H. Stein, formerly of Irvington, list as their new address 60 Twin Oaks oval. Their two children are Andrea age 5½ years and Wendy age 3 years. Mr. Stein is a government engineer and an accountant.

Mr. and Mrs. Walter Kosub of 30 Henshaw avenue moved here from Maplewood. Their daughter Linda is 2½ years of age. Mr. Kosub is the Assistant Engineer in Springfield.

Former residents of Springfield, Mr. and Mrs. Joseph Grimm, now of Colonia were feled at a surprise 40th anniversary buffet August 30th at the Old Evergreen Lodge.

The buffet was given by their daughters and sons-in-law, Mrs. June DeFino, Mr. and Mrs. F. A. MacKenzie and Mr. and Mrs. John Hansen, 40 relatives and friends of the Grimms attended from Springfield and surrounding communities. Mr. Grimm was in the auto repair business in Springfield for 25 years.

Authority to Talk On Port Authority

Transportation in the Port of New Jersey-New York will be discussed at the regular meeting of the American Legion Continental Post No. 228, at 9:00 p.m., October 3, at the American Legion Home, Trivett Avenue, Springfield. Stephen P. Kenny, of The Port of New York Authority, will be the speaker.

Assistant to the Director of the real estate department, Mr. Kenny will enumerate the transportation and terminal facilities in the Port District—roughly, the area within a 25-mile radius of the

Statue of Liberty. He will then discuss the Port Authority's role in developing and operating modern transportation and terminal facilities and point-out the economic impact of these facilities on the lives of residents of Springfield and the 350 other communities in the District. The American Legion members will have opportunity to ask questions of Mr. Kenny after his talk.

Bamberger's Will Close in Millburn

With the current expansion of Bamberger's into the large suburban store operation, store president David L. Yunch announced that Bamberger's will close its Millburn store on Saturday, September 28th.

Several reasons were listed by Yunch for closing the store which has been in existence for almost 10 years. He pointed out that the store was first opened as an appliance store in 1947 to meet consumer demand during the post-war period. Two years ago, he added, it became a gift store. "During these two years," the president said, "we have found that the Millburn store was not representative of a Bamberger's store and too small to meet the needs of our customers."

He went on to explain that the size of the store limited the assortments and types of merchandise that residents of New Jersey have associated with Bamberger's other stores in Newark, Plainfield, Paramus, Morristown and Princeton.

"We have made many friends during our stay in Millburn, and Bamberger's is grateful to its many customers in the area," Yunch told. "However, we want to provide an even greater service to our customers and the best way this can be accomplished is by having larger and complete department stores," he commented.

SOIL TESTS

This has been a very hard summer on lawns and other garden subjects ... The drought may already have taken its toll of many of your valuable plants, but if your lawn, shrubs or trees are showing signs of weakness you may still be able to save them.

Come in and tell us your problems. A little water properly applied, or mixed with a good water soluble fertilizer, may be all that is needed. Your lawn might require a careful application of a dependable crabgrass control. A small amount of Wilson's world-famous organic Plant Food can make the difference between saving or losing your favorite shrubs, roses and trees.

OR ... If you need Insecticides or Fungicides, we have them too ... and can tell you just what should be used.

Woman's Club News

The Springfield Woman's Club will hold its first meeting of the season Wednesday, October 2, at 8:15 p.m. in the Edward V. Walton School on Mountain avenue.

Miss Marin of Schultz and Behrie, East Orange, decorators will give a talk and demonstration on interior decorating. If you have acquired a knick knack or a picture in your travels this summer and you don't know just what to do with it or where to put it Miss Marin may be able to help you. Come out to see and hear her. It will be nice to see old friends again and meet new ones.

Ten members of the Springfield Woman's Club attended the Fall Conference of the New Jersey State Federation of Women's Clubs at Douglass College in New Brunswick on Saturday, September 21. Those who attended were: Mrs. Merton Williams, Mrs. Kenneth Bandemer, Mrs. Victor Brink, Mrs. Edwin Davenport, Mrs. Thomas Geddes, Mrs. Robert Hardgrove, Jr., Misses Mildred and Ruth Levsen, Mrs. Henry Wasung and Mrs. Louis Schneider.

General Assembly Session of the all day conference started at 10:30 a.m. in Voorhees Chapel. State Federation President, Mrs. C. Howard Sanborn presided. The 500 clubwomen were welcomed to the college by Dr. Mary I. Bunting, Dean Douglass College and Dr. Lewis Webster Jones, President, Rutgers University.

Dr. Richard Paul Freed, minis-

ter of the College Hill Presbyterian Church, Easton, Pa. delivered his address: "Career Women of the Bible." His address was so well received that the applause went on long after he was seated.

Mrs. C. Howard Sanborn presented the two Scholarship students, Miss Margaretta Rossas from Brazil, recipient of Pan American Scholarship who came

was thankful for this opportunity to educate herself. It would enable her to go back and help her countrywomen who don't have any rights.

"Mountain Songs," by Catherine Rowe Linville, Lecturer in Music, Douglass College, were immensely enjoyed by all present. After lunch the following work-

shops were attended by different members from the Springfield Woman's Club, Civics and Legislation, International Relations, College Committee, Publicity,

Radio and Television, Program Assistance and Youth Conservation. Mr. Frederick Gassert, Director of The Division of Motor Vehicles

spoke at the Civics and Legislation Workshop. Safety was discussed and sources for safety program materials were given. Mrs. Henry Wasung is State Safety Chairman.

Au revoir *Auf wiedersehen* *Arrivederci*
but not good-bye!

65 years ago we knew what we wanted to be: when Bamberger's grew up we'd be a family of great department stores built to serve New Jersey with the widest choice and most diversified lines of fine goods. We found out there was only one way we could do it — to build Bamberger stores the way we wanted Bamberger's to be. Great stores to hold great selections of our merchandise, equipped to give extensive service and beautiful, too, because shopping should be a fully rewarding adventure...

This is the Bamberger's you've found in three of our stores so nearby you've made shopping there an everyday habit. We've grown accustomed to your face... and accustomed to your smile!... in Bamberger's Plainfield and Morristown and Newark. We're so happy you've discovered our closeness, completeness, the convenience of shopping in these full-fledged Bamberger stores. This is the way it was meant to be, and the reason we're closing the Millburn Home Store (the only store we couldn't build from scratch to be big enough for Bamberger's extraordinary selections and services). You've outgrown the little store in Millburn just as we have, but we're proud and grateful that you're more than ever our customers.

Both of us, it seems, were meant for bigger things. We've already broken ground for the new Bamberger's in Menlo Park, and just yesterday the ink dried on final plans for the building of Bamberger's Monmouth County. Meanwhile we're still expanding, improving, beautifying our mighty Newark store. It's an old Bamberger family saying that anything we can do, we can do better! That's why Bamberger's-New Jersey is the fastest growing department store group in America today.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal
Chairman, Springfield Shade Tree Commission

Since my article on Japanese beetle grub damage last week, many people showed up at our garden center with patches of turf for diagnosis. All the brown patches are not beetle damage, but in order to solve your problems we are publishing the following questions.

QUESTION: How can I tell if grubs are in my lawn?

ANSWER: If you have a good lawn and you live in this area you have grubs. Whether or not the number present are sufficient to destroy your lawn is a question I cannot answer, but in all probability it is just a matter of time, and I feel the expense of grub-proofing is so slight that it is not worthwhile risking the total destruction of your lawn.

The presence of startlings on your lawn is a sure sign of grubs. They feed on the grubs by making a slight hole in the turf and inserting their bill. If you notice small pencil size holes over your lawn it is an indication that startlings have been foraging for grubs.

If the dead turf is easily raised from the soil, or pulls up in patches when you rake the lawn, that, too, is an indication of grub damage.

QUESTION: How expensive is grub-proofing?

ANSWER: Usually, around a dollar per thousand-square feet. The material can be applied dry by hand, or with a fertilizer spreader, and liquid application can be made if so desired.

QUESTION: I used a fertilizer spreader to apply grub-proofing, but it all came out in just a small area. Should this happen?

ANSWER: No, spreaders are calibrated for fine and coarse material and should dispense them uniformly. However, many brands of machines are so poorly made that after a few months they no longer are accurate and cannot be adjusted properly. Two spreaders have been given a good report in Consumers Magazine. Write, or phone me and I will give you the names.

QUESTION: Is it too late to start my lawn?

ANSWER: Absolutely not. It is a fine time to seed because the damp nights will aid the seed germination. Best seeding time is from August 15th to late September, although many excellent lawns have been made in late October if weather conditions permit.

QUESTION: I wrote to the Shade Tree Commission some time ago about pruning a tree in front of my home but nothing has been done about it. Can you tell me when it will be done?

ANSWER: Unfortunately, Springfield has no paid help to

to this type of work and it would be too expensive to call a tree expert for such a small job. Therefore the Commission waits until enough work accumulates and the lowest bidder performs the task for us.

At the last meeting the Commission decided to have work of an emergency nature done as quickly as possible by local tree men. Chances are that your work will be completed within a few weeks.

QUESTION: Who are the members of the Shade Tree Commission?

ANSWER: Edward Cardinal, Chairman, Felix Gold and Nathan Hart.

Local Students Enroll At Endicott Jr. College

Miss Barbara Davis, daughter of Mr. and Mrs. Channing Davis of Forest drive, Springfield, is one of the 232 freshmen who registered for the 1957-58 academic year at Endicott Junior College in Beverly, Massachusetts on Tuesday, September 17.

Miss Davis, a graduate of The Beard School, will initiate her college career by participation in Orientation Week, a period of registration, counseling, programming and campus activities which includes a meeting with Dean Eleanor Tupper, testing, faculty forums, house meetings, coffee hours and acquaintance teas, and chapel devotions conducted by Dr. George O. Bierko, President and Chaplain of the college.

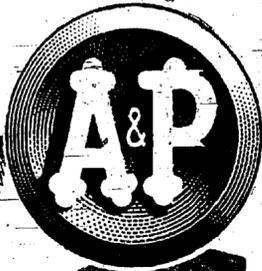

It is during Orientation Week that students choose their courses of study and meet with their educational and personal advisors who will help them to prepare for their chosen career. The week also includes entertainment in the college theatre and picnics in the college beaches. Orientation Week will conclude with Endicott Sunday in Beverly churches on September 22 and open house on Sunday evening in all dormitories and houses. Classes begin on Monday, September 23.

Jewish New Year Defined By Temple Beth Ahm Rabbi

RABBI REUBEN R. LEVINE

"Inscribe us in the Book of Life, O King, who art desirous of Life." These words echo in a recurrent theme as Jewish people enter their Synagogues to pray on Rosh Hashana, the beginning of the year. At this season, Jewish tradition envisions a great book open before God.

In this "Book of Life" the Divine Hand writes the fate of every person for the coming year. The Lord sits in Kingly judgment over every soul, determining his future, according to his words, thoughts, and deeds.

SYMBOL OF REBIRTH
The Jewish New Year has been called the "Birthdays of the World." Our tradition tells us that "on this day the world was called into being." That thought adds to the concept of renewal, which is so basic a theme in this observance. The Act of Creation never ceases. Each sunrise, each new leaf that bursts forth on the tree, each wave that dashes the shore, is part of the continuous creation in which God is engaged. But even more is this process exemplified in man's creativity. The artist who paints a canvas with beauty, the scientist who proclings life, the engineer who spans a river with steel, the teacher who imparts learning to the young. These, too, are creators. Each of us in his own way helps God to perfect and improve the world. What better occasion is there than this symbolic "Birthdays of the World" to reassert our responsibility to participate in creation?

APPLIES TO EVERYONE
The message of Rosh Hashana is universal. It emphasizes man's obligation to be a moral, creative, responsible child of God. This message is part of the very fabric out of which the Judeo-Christian heritage is woven. With Yom Kippur, "the day of atonement," the Holy Days culminate with an expression of the most human, yet God-like, attribute of all—forgiveness. As God forgives, so we too must be forgiving. As God is merciful, so we, too, must be kind. We hope and pray that the spirit of the High Holy Days will fill all hearts and pervade our lives at this season. May it be with us always, helping to motivate men of good will in every corner of the globe to build a secure, ethical society, and a happy peaceful world.

MAN IS PERFECTABLE
Judaism holds as one of its fundamental beliefs the concept of man's perfectability. In the heritage of Israel there is no such thing as unpardonable sin. A man is born sinless, and it is he and alone who will determine by deed and thought whether he shall be a sinner or not. True repentance is the keynote of the High Holy Days, as stated in the prayers themselves: "If a man repents sincerely, God will accept him forthwith."

God has given mankind a wonderful world in which to live and to thrive, but in the realm of human relations and morality, man carries the burden of choosing the proper path. To the end that the correct choices will be made, we have been given Divine Hashana and Divine Teaching. Rosh Hashana prayers repeat the constant hope that this teaching will ever be before us as a guide and inspiration in becoming better human beings.

Fund Raising Program Is Announced by Local Temple

It was announced at the last general meeting of Temple Beth Ahm that the program for the fund raising year of 1957-58 would consist of three specific events, namely the Auction, the Raffle and the Theatrical Presentation, in other words, "ALL OUR BEGS IN ONE ASKIT."

THE AUCTION

The first of these events, under the chairmanship of Ike "Springfield Hardware" Freedman for the third consecutive year, is the AUCTION, to be held at Temple Beth Ahm on Saturday evening, November 23, 1957. As usual, this auction will feature the sale of a used automobile a used piano, and a free weekend at Copake Country Club, in addition to hundreds of other new and valuable gifts.

Other features of this evening's entertainment will include free door prizes, mystery gifts—each hour on the hour, refreshments and the opportunity to enjoy the competitive spirit of outbidding your neighbor.

Can you use electrical appliances, household gifts, tools, toys, paper goods, clothing, furniture, garden equipment? Of course you can—and where is the place—TEMPLE BETH AHM—and when is the night—NOVEMBER 23, 1957—and what is the price of admission—JUST YOUR ATTENTION.

Here is a wonderful opportunity for all the residents of Springfield and surrounding communities to purchase holiday gifts at prices far below their actual cost. REMEMBER THAT ALL ITEMS PURCHASED AT THIS AUCTION WILL BE NEW.

THEATRICAL PRESENTATION
The Dramatic Workshop of Temple Beth Ahm is planning a departure from its usual three-act play this year and is devising into the musical comedy field. The final selection of a vehicle will be made within the next two months.

At a meeting of the Dramatic Group last week, it was decided to hire a professional director who would be in charge of the entire production. All residents of Springfield are invited to participate. Actors, dancers and singers please take special notice. Time of casting will be announced in this newspaper at a later date, and all casting will be under the sole supervision of the director.

In the meantime, any interested persons may contact Mr. Paul Weisman, President of the Dramatic Workshop, at his home, 6

Beth Ahm Reaches Membership Goal

Chairman, has reported that Temple Beth Ahm now has a roster of three hundred member families, a goal which was not expected to be reached until 1959.

South Derby road, Springfield, DR 9-3192.

Social Group Set For Temple Youth

The formation of a social Youth Group for boys and girls of high school age has been announced by Temple Beth Ahm.

Temporary plans of the youth group committee include a Succoth dance, swimming party, bowling and many more interesting and exciting events.

Final plans will necessarily depend on the type of social activity the boys and girls most desire; the entire program being scheduled by discussion of the adult committee and the interested children.

The first organizational meeting will take place Monday evening, September 30 at Temple Beth Ahm from 7-9 p.m. Scheduled entertainment for that night will include dancing to the latest records, ping pong, checkers, chess and refreshments.

The adult committee consisting of Al Smotoff, Ike Freedman, and the Messiases Meyer-Biddelman, Harry Farb, Felix Gold and Morris Levy expect the Youth Group plan to be a tremendous success and urge full support from the youth of town as well as the parents.

N.J. Transportation Exhibit Planned

The steady march of New Jersey transportation development from the days of Indian trails and stage coaches to modern travel will be depicted in an exhibit to be opened October 22 by The New Jersey Historical Society.

"Story Time! Story Time!" and with those magic words all the eyes of the children turn to the little table where the candle is waiting to start the pre-schoolers

off on another magic carpet of make-believe. The lighting of the candle tells the listeners that story hour has begun and all eagerly wait for the words "Once Upon a Time . . ." Each Friday morning at the Springfield Public Library, boys and girls from three to five years

of age gather in the Children's Room to hear Mrs. Ester Porter, Children's Librarian, tell them a story. All is quiet for the first half of the hour and then one can hear "Caps for Sale" or "The Three Billy Goats Gruff" coming to life as the youngsters dramatize the stories they have just heard.

Strains of "Jack and Jill went up the Hill," or "Humpty Dumpty Sat on the Wall," or "Will you A Come and Walk With me ALL AROUND the Room" can be heard as 20 little voices join in singing and doing rhythms all around the room.

Story time is over and once more the children sit around the little table, close their eyes, make

a wish and blow out the magic candle. Wishes are tucked carefully into pockets as they tiptoe to the book shelves, and choose a book to take home. The story hour has proved so popular that in addition to the two sessions which are being held at 10 a.m. and 11 a.m. every Friday, a third one is beginning on October 2 at 10:30 a.m.

While the children have for their special feature Story Hours, Mrs. Maitland P. Simmons, in honor of Constitution Week, has arranged a very attractive display about the Constitution on top of the information file. This, along with the questions about chemists, the current project-project of the

High School Science classes, is keeping the Youth Section busy. Book Week plans are well under way as the P.T.A. groups from Springfield met with the library staff to plan a book sale during the week of November 17-23. All the latest books for children and adults will be on display in the auditorium of the library during Book Week and members of the P.T.A. will take orders for those wishing to purchase books for themselves or as Christmas gifts for others.

The latest books for children are perfectly delightful this year, filled with outstanding illustrations which catch the young ones' fancy. There will also be books for the teen-ager, the hobby enthusiast, the mystery lover, the do-it-yourself fan, and those who want best-sellers. So if you're planning on purchasing books for Christmas, wait and buy your gifts at the P.T.A. book sale.

Those who met to plan the Book Week Sale at the library were Mrs. Joseph Patterson and Mrs. John Brownlee from Florence Gaudineer School; Mrs. Leonard Garber, Mrs. Joseph Bender, and Mrs. Philip Goldhammer from Edward Walton School; Mrs. Thomas A. Argyris and Mrs. Niles Christensen from Raymond Chisholm School; and Mrs. Charles L. Heard from James Caldwell.

P.T.A. NEWS

Caldwell School

At the September meeting of the Executive Board of the James Caldwell School P. T. A., the following officers were introduced: Mrs. Alan Cunningham, president; B. F. Newswanger, honorary president; Mrs. H. E. Forsyth, vice-president; Mrs. David Sageiser, vice-president; Mr. John E. Billings, treasurer; and Mrs. J. Brenton Stearns, secretary. Committee chairman who will serve as member of the Executive Board for 1957-58 were announced also. They are: Mrs. S. A. Fried, achievements and goals; Mrs. Charles F. Heard, by-laws and legislation; Mrs. William S. Anderson, class mothers; Mrs. Frank Stevens, finance; Mrs. S. Bryant Haas, Founders' Day; Miss Florence M. Gaudineer, health and safety; Mrs. William F. Van Vranken, historian; and international relations Mrs. Howard F. Heerwagen, hospitality and hostess; Mrs. H. Heady, membership; Mrs. William W. Hartz, nominating; Mrs. David Sageiser, parent education and program; Mrs. George Kunc, publications; Mrs. Edward J. Snider and Mrs. John Schoch, publicity; and Mrs. Louis Gash, summer round-up.

P.T.A. members who enjoy participating in group singing are reminded of an invitation to join the Union County P.T.A. Choral Group. Further information about the chorus can be had by calling Mrs. George Lord who is a local member of the Choral Group. Mrs. Lord has reported favorably on the satisfaction derived from membership in the Choral Group. She feels that here are members in each local P.T.A. who would enjoy singing with P.T.A. members from the various localities of Union County.

P.T.A. Parent-Education Conferences are announced by the New Jersey Congress of Parents and Teachers, as follows: September 24, Hammonon High School, Hammonon; September 30, Essex House, Newark; and October 2, Far Hills Inn, Somerville. If any local P.T.A. member is interested in attending, please contact the president of the school P.T.A. The P.T.A. presidents have additional information on the meetings.

Presidents of the local Parent-Teacher Associations invite the officers, committee chairmen, and members of each P.T.A. to plan to attend the annual state convention of the New Jersey Congress of Parents and Teachers to be held in Atlantic City on October 23, 24, and 25. Watch for further news of the convention in the weekly column of P.T.A. News published by the Springfield Sun.

WALTON SCHOOL

Mrs. William Peacock Room Representative Chairman of the Edward V. Walton School P.T.A. is pleased to report that the list of class mothers for the coming year 1957-58 is now complete. These ladies act as the direct liaison between the school and the home, and their work is invaluable in promoting the parent-teacher relationship which is so important.

Following is the list of the room representatives according to grade: Kindergarten, Mrs. Leon Katz, Mrs. George Akerblom, and Mrs. Walter L. Michels 1st Grade, Mrs. Seymour Margulies, Mrs. Stephen Beno, and Mrs. Steven Tonko; 2nd Grade, Mrs. Stanley M. Cornfield, Mrs. Frank Haydu, Jr., and Mrs. Spencer Cannon; 3rd Grade, Mrs. Robert F. Walter, Mrs. John M. Jordan; 4th Grade, Mrs. LeRoy J. Mumford and Mrs. R. E. Purkhiser 5th Grade, Mrs. Russell W. Sibole and Mrs. Sol Levitt.

CHISHOLM SCHOOL

The first meeting of the newly-formed Raymond Chisholm School P.T.A. was held at an afternoon tea on Thursday, September 19th, 1957. It was opened by short business meeting, presided over by Mrs. Niles Christensen, P.T.A. President, at which time the

SUNNING SPORTS

By **MIKE GOODMAN**

Football reigns supreme, come Saturday, when the County's football teams begin their respective seasons. Following are my gridiron predictions. Springfield Reg-Carteret, Cranford over Linden, Union over Weehucic, Plainfield over Barringer, Rancelle Park over Summit, and Rancelle over Scotch Plains.

Regional clashes with Hilside in a home game this Saturday. The Bulldogs hope to avenge last year's loss to the Hillside Comets which was Hilside's first win in six meetings with a Springfield eleven. Springfield will pin its hopes on eight starting lettermen on an elite offense, will depend on speed and deception and good blocking which Regional has in a veteran line and two elusive backs.

The eleven starters that'll carry Springfield's hopes and dreams are listed below.

Right End Richie Bream. A six-foot 160-pound Junior, playing his second year of varsity football.

Left End Al Parker. A 165-pound Senior playing his second year on the varsity. Al will probably be one of the main targets in Regional's aerial attack.

Quarterback Don Carpenter. A seasoned veteran participating in his third and last football season at quarterback. Don can run, pass, and kick with skill. Carpenter will also play linebacker on defense.

Left Halfback Bob Keith. Keith is the scabback in Springfield's backfield. He is also a good passer. At 145 pounds, this Senior letterman is in for workhorse duty at left half. In the multiple offense, he will also play Wing-Back.

Right Halfback Dennis Golcher. Another speedster, Golcher is only a Junior but he should see good service in the backfield. He also weighs 145 pounds.

Fullback Bill Franklin. A 6'1", 185-pound sophomore, Franklin is considered an excellent prospect at the plugging spot. He will also see duty in the defensive forward wall.

This Saturday lets hope that the Bulldogs ground the Hilside Comets.

One of the many formations of the multiple offense. This one the Wing "T" is shown with unbalanced line right. The starting eleven are envisioned in their defense positions.

Beckmann's Sweeps 3 From D'Andrea for Bowling Lead

In winning three games from D'Andrea Driveways, Beckmann's Market racked up the seasons high series and enabled them to take undisputed possession of first place. Springfield Market dropped two games to Cuzzolino Furs, Bunnell Bros. won two from Frank's Auto Service, American Legion Team No. 2 swept their series with Mendel's Florists, Legion Team No. 1 took 2 1/2 games from Brunner Construction, and Parkway Atlantic won two from Drake's Fuel Service.

Baumer of Legion Team No. 2 was high with a 637 series. Others who had high games were Mafano, 232; Plerson, 226; Joe Palcarpio, 224; Colandrea, 217; Misko, 214; Gregory, 221; Don Pacifico, 210 and 213; S. Burdett, 213; George Graziano, 213; Martin, 213; Leacycraft, 210; and Anderson, 210.

Shell Salesman Wins Pro Title

Richard J. Casillas, of 141 Wentz Avenue, Springfield, has been selected as a "Professional Salesman" in the Management Recognition program of Shell-Oil Company's New York Division. He is one of 90 salesmen in the five-state area covered by the division.

The program requires that a man merit the award as outstanding salesman in his field three times during a 36-month period, based on a quarterly competition, in order to receive the title of Professional Salesman. Mr. Casillas achieved this goal after only 18 months.

Mr. Casillas, who is an Industrial Salesman in the Newark District, is a graduate of the University of Texas where he earned a Bachelor of Science degree in Petroleum Production Engineering. He furthered his studies while serving in the Air Force and at Newark College of Engineering, where he studied sales methods.

casions for self-appraisal. It is a time for newspapers over the land to rededicate themselves to the American public.

SPRINGFIELD AGREES

It's always pleasant to hear nice things about people especially when it concerns someone you know with whom you have almost daily contact-like Mrs. Eleonore H. Worthington, Township Clerk.

The Elizabeth Journal published a series of articles on "Women Doing Public Service Jobs" and we couldn't have said it any better concerning Mrs. Worthington than the following:

"If Township Clerk Mrs. Eleonore Worthington of Springfield didn't have tenure in her post the odds are there would be a movement to assure it through a referendum.

"Completing her sixth year as clerk she has won general approval of the rank and file through her handling of her office and in her contacts with the public.

"Persons coming to her office for information like her. Newsmen seeking background material for stories invariably contact her and politicians of both parties concede she is doing a competent job in a position where she constantly comes in contact with the public.

"Her husband, Joseph E. Worthington Jr., a former school commissioner died more than eight years ago. Since then she has put her daughter, June, through Drew University and her son, Joseph, has earned a bachelor's degree from Williams College and a master's degree from Columbia University.

"Prior to her marriage, Mrs. Worthington worked for a number of years with the National Board of the YWCA.

"One of the members of the township committee recently told a reporter 'The job Mrs. Worthington does as clerk is of inestimable value to this governing board. She is the person who comes in direct contact with the public and she and her assistants certainly reflect the spirit of co-operation that should mark a well administered community.'"

Lions Hear Talk On Port Affairs

Louis Gambaccini, of the Port of New York Authority was the guest speaker at the Springfield Lions Club last Friday evening at Orchard Inn, Route 22, Springfield. Mr. Gambaccini discussed the transportation and terminal facilities in the Port District—roughly, the area within a 25-mile radius of the Statue of Liberty. He brought out the Port Authority's role in developing and operating modern transportation and terminal facilities on the lives of residents of Springfield and the 350 other com-

munities in the District. As a manager analyst, Mr. Gambaccini applies scientific management principles to administrative and organizational methods in order to improve these operations. A graduate of the University of Connecticut and Syracuse University, Mr. Gambaccini served with the United States Army from 1952 to 1955. He and his wife and family live in Staten Island. Howard F. Casselman, program chairman for the Springfield Lions Club, scheduled this presentation through the Port Authority Speakers Bureau.

Local Employees To Attend Meeting

Many Springfield staff members of Crestmont Savings and Loan Association will travel with the rest of the organization to Cherry Hill Inn, Haddonfield, N. J. Saturday to attend the Second Annual Customer Relations Conference of the New Jersey Savings and Loan League. Loren F. Gardiner, Executive Vice President of the Association said last night.

The conclave, Gardiner said, will deal with the manner in which those employed by the Association may increase their service to the public and further Crestmont Savings' dedicated purpose of promoting thrift.

Gardiner said those who will be heard during the day-long conference will include Professor Robert W. Lang, of Western Reserve University, Cleveland, Ohio; Louis Stoeker, Supervisor of customer relations, Public Service Corporation; Peter Bove, public relations department, New Jersey Bell Telephone Company, and James Bonnell, assistant vice president, Federal Home Loan Bank of New York. A highlight of the program, he added, will be a five-minute speaking contest to select a representative from the State of New Jersey in the national competition of the American Savings and Loan Institute to be held in Chicago this Fall.

Those who will attend from the Crestmont Savings and Loan Association are J. William Anspach, President; Loren F. Gardiner, Executive Vice President and Manager; Carl L. Becker, Treasurer; Harry C. Thompson, Jr., Asst. Secretary; Mary Doby, Asst. Secretary and Manager of Springfield Office; Rose Boylan, Asst. Treasurer; Kathleen Krey, Asst. Treasurer; Arlene Alley, Asst. Treasurer; Margaret G. Lee, Asst. Treasurer; Arthur Taylor, Lydia Taylor, Florence Wagner, Irma Schmidt, Ruth Lawrence, Agatha Szalkowski and Mary Betz and Diane Beers.

Karakelic, Turkey, is the world's most law-abiding community. Not one of its inhabitants ever has been arrested or brought into court in 99 years. Karakelic has an approximate population of 450.

Town's 2nd Cop Succumbs at 71

Manning Day Jr. of 23 Salter street, the second patrolman appointed in Springfield's history, died Tuesday in Clara Maas Hospital, Belleville, of a brief illness. He was 71.

A lifelong resident here, Mr. Day was employed most recently as a guard at the National State Bank of Newark. He retired from the police department here in 1939 after more than 30 years' service.

Mr. Day was active in scouting and was an organizer of one of the first Boy Scout troops here. He leaves his wife, Mrs. Anna L. James Day; a stepson, Russell Paynter of Springfield; a daughter, Mrs. Evelyn Adams of Springfield; three brothers, Howard of Leonardo, James in California and Herbert of Springfield; a sister, Mrs. Hazel Jacobs of Springfield, and two grandchildren.

Services were conducted by Rev. Virgil Mayvry, pastor of the Springfield Methodist Church, at the Young Funeral Home, Millburn. Burial was in the Springfield Presbyterian Church Cemetery.

August Taxes Up Over Year Ago

Tax Collector Charles H. Huff, in his report for money received during the month of August, still shows figures for 1957 far ahead of last year.

The total collected up to and including August this year is \$1,416,683 as compared with \$1,267,507 for the same period in 1956.

The 1957 taxes collected during August amounted to \$214,659 and a total of \$1,344,648. Tax Collector Huff also received \$1,172 for unpaid 1956 taxes. Back taxes amount to \$35,747 of which \$34,851 was for last year. One tax payer sent his check for \$12.80 for payments due on 1956 taxes.

Delinquent taxes run about the same as last year, the report showing that, up to and including August, \$34,894 had been received for back payments.

The so-called white rhinoceros is really not white, but a dull gray. Its most notable feature is the remarkable length of its horns, which in the female reach more than 60 inches and in the male more than 40.

Says Township

been attracted to the area, contributing millions of dollars in new rentals. In any competition for new industry Springfield is in a good spot for we have hundreds of acres available.

"I am recommending to the Planning Board study of a policy of conformity with Millburn. The neighbor on our north, like Springfield, has open territory available and it appears to me that a logical move might be for the two townships to adopt a general policy in which both could benefit from establishing the proper type of industry along their adjoining borders.

PLANS COUNTY AGENCY

"On my recommendation the Planning Board also is studying the possibilities of County Agency which could eliminate many annoyances and nuisances which develop as a result of lack of co-operation between municipalities. An organization of this nature, featuring an integrated program of development, actually could advance the cause of 'home rule' rather than lessen the emphasis on municipal responsibility which currently appears to be the trend.

"With a state ban on open dumping set for next year there has been talk of construction of an incinerator on a group basis. The problem of course would be the location. Close co-operation on a county or group basis probably could result in a decision that would be beneficial to all municipal palities involved. It must also be noted that some industries seek large areas for expansion and joint offers by municipalities could provide facilities which could not be afforded by one. Incidentally, operation of a joint incinerator would reduce the present excessive cost of garbage collection which would be reflected in a tax rate drop.

"If elected in November one of my principal objectives will be the rapid development of a program which will see owners of industrial plants brought here and made ac-

quainted with this potential of Springfield as a location for the desirable type of manufacturing plants. We recently contacted many owners of vacant areas where I have recommended industrial re-zoning and have received generally favorable reports," the Planning Board chairman declared.

Wins P.O. Golf Set

Eddie Rackowski of 79 Bryant Avenue won the Robert Reed Memorial Golf Trophy in the golf match held annually for post office employees.

Rackowski beat out Mat D'Andrea with a net score of 72 to D'Andrea's 74. The match was played at Baltusrol Golf Club last Monday.

The Springfield Sun Guidebook

<p>AUTO BODY WORK</p> <p>ALLEY — (155 Morris Ave., near of Chrysler-Plymouth agency, Springfield) When your car is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the knowhow of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Alley Auto Body Shop.</p>	<p>INSURANCE & REAL ESTATE</p> <p>ANNE SYLVESTER'S REALTY CORNER — (60 Morris Ave., Springfield, DRexel 6-2300) Someone once said, "If you want to get a job done, ask the BUSIEST person in town." Well, you should see the activity at Realty Corner. Anne Sylvester has her personal (and ready) staff setting all kinds of records in the "Houses Sold" category and providing top-flight service for personal insurance.</p>	<p>RESTAURANTS</p> <p>CHINA SKY — (Springfield Shopping Center) Everyone knows that the average Chinese-savory is about as good as the average American can eat. Consider this: the chef at the Big Foo Young luncheon set at \$60. What every Springfielder doesn't know is that Jack Chin's American dishes are just as generous. Also consider the cheerful surroundings and the air conditioning. You don't need a fortune cookie to tell that he's highly recommended in this place.</p>	
<p>AUTO REPAIR</p> <p>CLARK'S GARAGE — (Just over Route 22 overpass on South Springfield Avenue, Springfield) If you own a 1916 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undriving the motor. Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage — people know him.</p>	<p>LAUNDROMAT</p> <p>COURTESY LAUNDROMAT — (268 Morris Ave., Springfield) What could be more convenient than to drop your clothes off here when you begin shopping and pick them up when you finish with the groceries? What could be more economical for that matter? Everything is done for you at 1/3 the cost of a regular laundry.</p>	<p>SERVICE STATIONS</p> <p>GULF CENTER — (326 Morris Avenue, Springfield, DRexel 9-9859) Joe Calabria has built up quite a reputation for himself in the five short months he's been in town. He's brought a lot of the latest technical know-how to go with all the new service equipment he's installed. If you stop here you'll save more than Green Stamps — you'll save your car.</p>	
<p>CARPET & LINOLEUM</p> <p>CARPET DECOR by FRED W. MOORE, JR. — (515 Millburn Avenue, Short Hill, DRexel 6-2575 - near the Chandler) A carpet should do more than cover the floor, it should cover the years. The problem in selecting carpeting is to know how it will stand up years hence. The solution is to buy a known quality carpet (like Mohawk) from a dealer like Fred W. Moore, Jr. who has earned a 10 year reputation in Short Hill for standing behind his products.</p>	<p>LUMBER & SUPPLIES</p> <p>COLUMBIA — (Maple Ave., Springfield, DRexel 6-5950) Columbia doesn't want to ease any aspirations on local housewives' cooking, but they do have a wonderful kitchen stove hood and fan which pulls all cooking odors out of the kitchen. It also pulls \$31.71 out of the husbands' pockets, but at that price it is a very good buy. Another hot item for cooling your home is the "36" attic fans with air handles. They'll give you a particularly good deal on these.</p>	<p>TV SERVICE</p> <p>A. B. & S. — (2700 Morris Ave., Union, 7 miles from Springfield, MUdcoke 2-5800) Al Jones, a TV pioneer since 1938 runs an efficient shop that has 55% of their business in Springfield, where people have learned they can: (1) fixed charges, (2) same day service, and (3) guarantee for all work, depend on A.B. & S.</p>	
<p>FOOD MARKETS</p> <p>SPRINGFIELD MARKET — (272 Morris Ave., Springfield, DRexel 6-4431). The only supermarket from here to kingdom come offering free telephone and delivery service (expectant mothers note). Jim Panchon and Les Schulman can be relied on to pick only the top quality items. Their prices are competitive — can't be beat.</p>	<p>LIGHT FIXTURES</p> <p>MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield) Now that it is getting dark early in the evenings, it's time to light the outside of your home both as a welcome to guests and a safety factor. Joe Hockadel has a great variety of outdoor lights, including low black mushroom lights, stake lights, lantern string, and bullet lights and spot. He gives away a booklet "Light for Living Outdoors" as a guide to homeowners.</p>	<p>PHONE NUMBERS</p> <p>POLICE — DRexel 6-4400 FIRE — Call Operator DRexel 6-4400 FIRST AID SQUAD — DRexel 6-5800 TOWNSHIP CLERK — DRexel 6-4266 PUBLIC LIBRARY — DRexel 6-4266 CALDWELL SCHOOL — DRexel 6-4266 CHRISTMAS SCHOOL — DRexel 6-4266 GAIDNER SCHOOL — DRexel 6-4266 WALTON SCHOOL — DRexel 6-4266 REGIONAL HIGH — DRexel 6-4266 ST. JAMES SCHOOL — DRexel 6-4266</p>	
<p>HI FI & SOUND</p> <p>STEREO SOUND CORP. — (173 Mountain Ave., Springfield, DRexel 9-4547) Your two ears play an important part in listening to sound. The story of high fidelity sound reproduction is largely an effort to add another ear to the traditional one eared speakers. This development, called stereophonic sound, is available for home listeners as well as the Radio City Music Hall. This firm can set you up with either dual recorded tape sound systems or AM-FM radio binaural sound.</p>	<p>PAINT & WALLPAPER</p> <p>R. GLENNING — (248 Morris Avenue, Springfield, DRexel 6-7755) Along with artist's supplies and about a million samples of wallpaper, Roy Glenning carries the fabulous complete SERIE line of paints. This firm has pioneered some startling developments in paints, including Alkyd base and latex base paints that cover in one coat. The Cleo-Match system of selecting the 324 color variations is the clearest we've ever seen.</p>	<p>HOME IMPROVEMENTS</p> <p>CHANNEL LUMBER CO. (Route 22, Springfield, DRexel 6-5000) They have a beautiful aluminum stack chair here for gardens and porches which you can buy for \$5.98. But if you just need some extra chairs for a card party or club meeting, Manager Don Lenny will loan you as many as you need at no charge whatsoever. Of course, Channel is also nationally famous for their lumber, housewares, paints, hardware, etc.</p>	<p>POULTRY</p> <p>CASALE'S FARM — (128 Springfield Ave., Springfield, DRexel 6-1509) What's the good of living in the country (i.e. Springfield) without being able to get country fresh food? Carlo Casale, the turkey king, makes all this communiting worthwhile by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.</p>
