Students Qualify For Semi-Finals

Dr. Randolph T. Jacobsen of Jonathan Dayton Regional High School, Springfield, today announced that three local students have been named semifinalists in the 1959-60 National Merit Scholarship competition. They are: Peter G. Besch, 25 Park Lane, Springfield; George E. Rupp, Outlook Drive, Mountside; and Allen R. Westberg, 68 Dolmore Avenue, Berkeley Heights.

The local students are among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nation-wide test of educational development given in over 14,500 high schools last spring. In this area 313 schools representing some 19,263 eligible students took part in the Qualifying Test. There are 297 semifinalists from New Jersey and, of these, three are from the Jonathan Dayton Regional High School.

The semifinalists now face another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further confirm their high scores on the NMSQT. This second test will be given in test-

In the final phase of the competition, high school grades, extra-curricular activities, school citizenship, and leadership of the students will be evaluated along with the scores on the tests. About May 1, 1960, the names of the Merit Scholars will be announced, the exact number depending on the degree of the sponsor support of the Merit Program. Finalists designate the college they wish to attend, and the course of study they plan to pursue leading to one of the usual baccalaureate degrees. This is the 6th year now that the Merit Scholarship Program is operating and competition is open to students in any public, private or parochial high school in the United States and possessions.

WHAT DO YOU NEED!

A BEDROOM ADDITION?

This well appointed home lacked an adequate first-floor Master Bedroom—our architects designed this 13 ft. addition to blend perfectly with the existing exterior and at the same time providing the necessary space, to eliminate what would have been an otherwise costly move.

282 INDIAN TRAIL, MOUNTAINSIDE
HOME OF MR. & MRS. H. BELL

A DEN?

Careful attention to detail and competent architectural planning make it almost impossible to detect the addition here at the Rohn's. What had been a little-used porch, is now a very much needed family room.

INSURMOUNTABLE PROBLEM?

We say it can be done! This job proves it! This 10 ft. opening was made for the Library Association at Echobrook School in a 16-inch masonry wall. Please note this is the basement and the opening is in what had been a main bearing wall. This was accomplished without disturbing the structural strength of the building.

CYNTHIA'S CHATTER
CYNTHIA BARBER

This past week has been a very busy one for the students at Jonathan Dayton Regional High School.

TALENT SHOW
On October 15th and the 22nd Regional High School students will put on a talent show for each of the assemblies, upper-classmen and lower classmen. Try outs were held last week and contestants were judged by Gail Guenther, head of this year's talent quest and a fellow Senior.

Their choice of talented performers are as follows: Pat Zalko, Elaine Giannattasio, and Annette Shordone all Seniors from Springfield. These girls will sing Moonglow with accompaniment by Bruce Miller on drums and Bill Slapin on bass fiddle. The first two girls are members of the Dayton Chorale and Annette is a member of the Dayton Choir. Steve Wa-

ters will accompany another member-of-the-Dayton-Chorale Christine Corrigan who will sing I Could Have Danced All Night from My Fair Lady fame. Steve, a musician in his own-right is also a member of the Dayton Chorale. Chris, a Senior from Berkeley Heights and Steve Waters from Mount-ain-side and also a Senior will remember this show as a high-light of their Senior year. Arlene Kaveberg, a Sophomore from Springfield, will again do a pantomime. Last year as a frosh, Arlene mimicked little Elise who was currently the fad.

Gloria Rouse a Junior from Springfield, will make us all laugh she hopes as she is attempting a humorous monologue. Tea for Two Cha-Cha is the theme for six girls, all seniors from Kenilworth. They are: Rose Rappa, Ginny Reichelt, Marlene Volpe, Betty Aragona, Jane (Marie) Machin and Mary Heffernan. It seems that no high school talent show is worth its applause if no com-
bo

or band tries its hand too. For this year's show Bruce Miller from Springfield, on drums, Bill Slapin, from Springfield, on bass fiddle, Wid Painter from Berkeley Heights, on trumpet; assisting Wid will be Charlie Ingrá from Kenilworth, on trumpet also, and Ken Patrylow from Kenilworth, on guitar. These boys will play Night Train, I Got Rhythm and When the Saints Go Marching In. It seems to me that every band from this high school I've ever heard always includes the famous Saints Go Marching In. Lots of luck to all of you and I'm sure you'll all be a great success!

CHORALE VOTES
The members of the Dayton Chorale held elections last week for officers of their organization. Instead of having a president and vice president, this year, we've changed our format. Our new Chairman is Paul Gorton a Senior of good standing from Berkeley Heights. As Vice Chairman from Mount-ain-side, Don Higgins, another Senior in good standing. Again two Senior girls will help Mr. Brown from-Chorale

In Secretarial work, Ellen Southgate from Berkeley Heights and Linda Blivise from Mount-ain-side who will be in charge of attendance. Mr. Brown said, "With good efficient officers and willing workers we will have a record group this year."

Our operetta this year will be Carousel, so anyone who is interested in participating should see Mr. Brown during the day within the next few weeks. Try outs should come a little after October.

BULLDOGS ARE BLUE
Saturday's game with Somerville at Somerville, was a total disappointment to Regional viewers. Although the Bulldogs fought with all they had Somerville had just a little bit more. Hearts were lodged in throats when Ron Laurino was carried from the field in the first half. He arose from the ground after minutes of examination by the coaches present and two ambulance attendants, amidst cheers and applause by the Regional crowd.

A large gathering of Region-alites filled the stands to capacity which is wonderful for an away game. With such spirit as our students have I'm sure

that every game whether away or home will be just as jam packed. Better luck next week against Caldwell which is a home game at 2:00 P.M.

The standard aspirin tablet is one-sixth of an inch thick. The name, sault, or rapid,

was applied to the fast-running connecting stream by 17th Century French discoverers. Through the five-locks, in an average eight-month navigation season, passes more than twice the shipping tonnage that flows through the Panama Canal each year.

It will develop on this subject Mr. Fritz will call on his own Christian experience and experience as a churchman to bring to the congregation an informative and inspirational lecture.

Deadline for Church Notices Now Monday

Deadline for notices to appear in this newspaper's church directory will be Monday at 4 p.m. instead of Tuesday. Ministers and church secretaries are urged to observe this new deadline by having copy in this newspaper's office by the above noted time or run the risk of having notices omitted for the week.

The earlier deadline is necessitated by a new operations schedule in this newspaper's mechanical departments. The cooperation of those who prepare church notices is earnestly requested. Copy should be typewritten on one side of the paper only and either mailed or brought to this newspaper's editorial department.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal

upon request.
 Q: What is your opinion of the various crab grass controls that are winter applied?
 A: Our garden center sold hundreds of bags last year with the largest percentage of users claiming excellent results. Some products have been improved to make them more effective. As long as they are sold on a money-back guarantee I would certainly recommend them—what have you to lose?

Japanese beetle grubs continue to do damage to our lawns. Usually the weather at this time of year is cold enough to drive them deeper into the soil, but soil temperatures are high enough to keep them close to the top where they continue to devour the grass roots and destroy the turf.

If you have not already applied chemicals for grub control, by all means do so at once, or risk the destruction of your lawn.

Q: To my amazement skunks are tearing up our beautiful lawn. I dread walking in my back yard at night for fear of their secret weapon. What cause I understand they scatter weed seeds all over the lawn, shall I do?

A: The skunks are not apt to bother you unless you bother them. However, they are a nuisance when foraging for grubs in your lawn. Apply 4 ounces of a 72% chlorthane to each 1,000 square feet of lawn.

Q: Last year I lost some Japanese holly and azaleas well as some time taking the over the winter. You mentioned lawn. Bulletins are available

Q: I plan on a new lawn, but I find the grass growing so slowly. Would it hurt to use some 5-10-5 on a tree?

A: You might ruin the tender grass with such a chemical fertilizer. Use a 10-10-10 organic to stimulate growth. It will not harm the young grass, and will give it a nice color as well as aid growth.

Fourteen senior students of the Advanced Chemistry class of Jonathan Dayton Regional High School together with their teacher, Walter Hahn, spent the afternoon of Wednesday, October 7, visiting the laboratory and manufacturing facilities of Hoffman La Roche Company in Nutley, New Jersey.

The program began with a brief lecture on the workings of the plant and was followed by visitations to the laboratories and the glass-making department. Students were then shown the manufacturing of some of the products made by Hoffman La Roche such as vitamins, salves, and cold compounds.

Finally students were treated to a snack of ice cream and peaches and left with a complimentary box of familiar Hoffman La Roche products.

FROM THE GRANDSTAND

By Doug Voigt

If Regional had played as well in the last three quarters as they did in the first, I could be writing about how the Springfield gridders had held a heavily-favored Somerville eleven to a tie. Somebody, however, did an about-face as soon as the first period ended. The score continued to mount as the game progressed towards its last seconds, and Somerville hardly seemed to be trying as they ran up a 40 to 7 victory. Herb Etzold's touchdowns provided the only offensive accomplishment after that glorious period of equilibrium which introduced this farce. The

When Caldwell invades Regional territory this weekend, the "Bulldogs" will have to win if they expect to have a winning season with their weakened schedule. "The best laid plans of men seem to be going awry!"

Regional's soccer team also had its undefeated record broken when they lost to Jefferson on Thursday. The final score was identical to that by which Linden was beaten by the soccer team from Springfield. The Linden game was well played, and the Regionals emerged with a 2 to 0 triumph. Harry Devlin had two goals which were instrumental in the conquest of a highly confident team from the crackbox gym. The other tally was racked up by John Aryleman. The entire team played an almost perfect

game of soccer and looked as if they could beat anybody—even Jefferson. Jefferson's victory is under protest, but in the long run, it will most likely be attributed to the lost column on the Regional soccer record.

Regional's next soccer opponents are Pingry and Irvington, who are met on October 13 and 15 respectively. Coach Hunchar's team will be out to hit the winning ways again in these away, so why not go to the games and cheer them in their quest.

As I consider my predictions, I quake with fear that my average will become worse than the preceding weeks, but here they are anyway.

Kids To Aid UNICEF Fund

The joint P.T.A.'s of Springfield will sponsor a fund drive in connection with UNICEF on Saturday, October 31. On that day, Springfield children will call on the residents of town carrying a small orange carton, identifying the fact that they are collecting money for UNICEF.

UNICEF, the United Nations Children's Fund, is the largest international organization set up to provide milk and medicine for the sick and hungry children around the world.

The children will be asking for your help towards the worthy cause and every penny will help.

Boro Woman Assumes Library Division Post

Mrs. Eva Schnitzer, of 355 Wild Hedge Lane, has assumed a key post in the state government as a member of the advisory council of the State Library Division.

Mrs. Schnitzer's work will be felt by every school child who uses his school library and every adult who is a member of a public library. The division also takes care of the state legislative library and the archives.

"I'm really thrilled about the opportunity," she said.

Mrs. Schnitzer was appointed by Gov. Robert E. Meyer with the concurrence of the State Senate.

According to Mrs. Schnitzer, the State Library Division has four important bureaus which cover: Public and school library services; law library; general reference and archives and his-

The new state official has been a resident of Wild Hedge Lane for about two years. Her husband, Albert, is affiliated with the Schnitzer Alloy-Steelless Steel Co. and Stainless Steel Engineering.

The advisory council will meet in the near future to comment on the new budget. Although the group has no legal power to alter the policies of the division, its recommendations can often sway legislators.

The bureau of public and school services distributes federal grants; establishes mobile libraries and provides consultative services. At present, Mrs. Schnitzer said there is a bill pending in the State government which would allocate \$400,000 to libraries.

The bureau of the law library provides material for legislators and lawyers while the general reference library stocks all state publications.

The bureau of archives preserves the basic historical documents of the state, Mrs. Schnitzer stated.

PTA Group To See Red Cross Helps Child Study Film in CD Exercise

A child study film, "Helping You to Understand Children" will feature the program of the James Caldwell School PTA session Monday night at the school auditorium.

A representative from the League of Women Voters will explain the New Jersey college bond issue referendum. Mrs. George Kune will preside.

An Attendance Award Banner will be presented to the class having the highest percentage of parents in attendance at the meeting.

Mrs. D. L. Thompson, International Relations Chairman, reports that the James Caldwell School PTA will again take an active part in the UNICEF program. All PTA members are invited to become UNICEF good-will ambassadors on Halloween Night—the customary "Trick or Treat" night—by planning a treat for UNICEF.

The Springfield Chapter of the American Red Cross participated actively in Sunday's hurricane disaster exercise sponsored by the Civil Defense. The Red Cross, on both the local and national levels, is responsible for the community welfare needs of food, clothing and shelter in Civil Defense.

The Canteen Committee, Motor Corp. and Red Cross directors cooperated in this local venture.

Mrs. George Walton, Canteen chairman, and her group prepared and served beef stew, donuts, coffee and milk to between 150-200 persons at the Florence Gaudineer School and 50 people at the Woodside Disaster Area.

Under the direction of Mrs. R. R. Couch the following members of the Canteen group prepared and served the meal.

Mrs. Melvin Reniger, Mrs. John Rawlins, Mrs. William S. Quinlan, Mrs. Frances Matrone, Mrs. Charles Knowles, Miss Gertrude Sala, Mrs. W. Kuensel, Mrs. George Parsell, Mrs. H. Salva, and Mrs. A. Stanch.

Red Cross directors transported food and supplies to the disaster areas. Mrs. Charles Beardsley, chairman of the Motor Corp., was in charge of this aspect of the work. Other directors participating were Mrs. Harry Quinzel, Mrs. Thomas Doherty, and Mrs. Carl Ledig. Mrs. David Kaplan and Mrs. David Weinstein were Motor Corp. drivers for the exercise.

of the Springfield Regional High School. The facilities at Temple Beth Ahm were not adequate to take care of the increasing number of reservations requested for the Yom Kippur services and arrangements were made to worship in the high school.

Temple Beth Ahm has a total membership of 370 families and still growing. It was very gratifying to the Rabbi and the governing body of the Temple to see so large a majority of its members taking part in the solemn services.

The services were conducted by Rabbi Rueben R. Levine and Cantor Irving Kramerman, assisted by the Temple's choir, under the direction of Dr. Henry Meimick.

The regular Yom Kippur services were held at the Temple on Monday from 9 AM to sundown.

At 9:30 the members assembled again at the Temple for the Annual Yom Kippur night dance. Music was furnished by Greene and his orchestra.

Arrangements for the dance were made by Ralph Feldman and under the sponsorship of the Men's Club of the Temple.

B'NAI B'RITH OBSERVES BIRTHDAY CELEBRATION
 Springfield's B'nai B'rith men's lodge and women's chapter are celebrating the 16th anniversary of the founding of the order.

B'nai B'rith-sponsored Oneq Shabbat will be held at the Friday Night Service of the Sharey Shalom Reform Congregation at 8:45 p.m. on October 16. This service will be held at the Presbyterian Parish House on Main St. in Springfield.

The membership would welcome the attendance of its friends and neighbors at this joyous occasion.

Stult Ste. Marie, the rapids that once blocked navigation from Lake Superior into Lake Huron, are now equipped with five locks—one Canadian and four American.

DRESSED FOR FAIR—Rick Glietsmann (left) Mrs. Dean Thompson (center) and Perrie Brunny pose in the costumes they will wear at the United Nations Fair to be run on October 29 and 30. The annual event is sponsored by the combined Woman's Society of Christian Service and the Wesleyan Service Guild of the Methodist Church of Springfield and will be held at the church.

The oldest known breed of noted in France during the 17th Century and was introduced to America many years ago. Only about 1,500 head of purebred Charollais are in Louisiana. Now there are a few in Kentucky.

BLUE RAIDER SPORTALK

Sports Happenings of
Scotch Plains-Fanwood High.
By Bob Quackenbush

Scotch Plains chalked up at least one victory in each of the three fall sports.

The cross country won one of three meets; they defeated Edison, but lost to North Hunterdon Regional and Roselle Park. The soccer team came up with its first victory, a win over Hillside, after tying Edison earlier in the week. In football, all three teams won. The freshmen defeated Cranford, the JV's beat North Plainfield, and the varsity whipped Piscataway.

Football Game

Piscataway won the toss and elected to receive. Norm Chambliss, who did all the kicking off for the team, booted the ball to the Piscataway 25 where Joe Scarpali made a sparkling tackle. Piscataway moved for two first downs on the ground before their quarterback was caught for an eight yard loss. The ground was made up on the next play, however, when Piscataway passed for a first down. At this point the defense held and the Plainmen took over on downs. We were penalized 15 yards for holding on the first play. Next play Frank Scerbo circled right end and after a bit of tricky running, broke into the clear for a 65 yard run and touchdown. Monte Gonzalez split the line again held and forced Piscataway to punt. Before the first play could get under way we were penalized 5 yards for the play of game. In answer to this, fullback Jack Holt ran straight up the middle for 31 yards and a first down. At this point the

Second Half

This time Scotch Plains received the kick and took the ball on the 20. After three plays we were forced to punt; but managed to maintain possession when Piscataway was penalized 15 yards for ruffing the kicker. After making one first down we were again forced to kick. Piscataway then started to roll, picking up three Calhoun came up with a key play, recovering a fumble to stop the Piscataway drive. This ended a scoreless third quarter with the score still 14-0 in our favor.

As the fourth quarter started,

the Piscataway line held and we were again forced to punt. Our line also held and Piscataway was forced to punt. Three passes put the ball on the Piscataway 5. The first was to Dave DiFlore for 19 yards; the second was to Dave Chambliss for 10 more yards. The last was a spectacular catch by Joe Scarpali, who was off balance and still managed to hold on to the ball. The play went for 21 yards. On the next play Scarpali broke over from the five for the score. This time the extra point was no good, and the score was 20-0.

After the kick off, Coach Nelson

sent in the JV unit. After a few plays, Piscataway back Leroy Lee went around end for 49 yards and the score. The extra point made it 20-7. Following the kick off, Bruce Springer went in at quarterback. On the second play he called for a pitch-out, but someone missed. The call became a when he pitched out, no one was there to get the ball and Piscataway recovered. At this time, Coach Nelson sent the regulars back in. The defense held and the game ended 20-7.

After the game, Coach Nelson

praised the work of Joe Scarpali on both offense and defense the fine running of Frank Scerbo on the outside and Jack Holt on the inside. Also mentioned for praise was Dave DiFlore, who is shaping up into an excellent football

Newsy Notes About Your Friends and Neighbors in Fanwood & Scotch Plains

Lottie Rogers

The American Home Department of the Fanwood-Woman's Club met October 6 at the home of Mrs. Thomas Simms, Chairman, 140 Helen Street. Each member brought her favorite dish and a copy of the recipe for a covered fish luncheon. The recipe will be copied and made into a pamphlet for each member of the group. The following committees were appointed for the New Year: Treasurer, Mrs. George Hejias; Sunshine, Mrs. Boyd Suther-

land; Telephone, Mrs. Fred

Haley; Mrs. Christine Albert and Mrs. William Mielzarek. The highlight of the afternoon was when Mrs. Walter Van Hoesen dipped into the past, 350 years ago, telling about the Hudson Champlain discoveries and then bringing her narrative up to the 350th Hudson Champlain Anniversary Celebration which was held last month. Meeting Crown Princess Beatrix in an official capacity (Mr. Van Hoesen was appointed by President Eisenhower to direct the observation of the Hudson Champlain discoveries in 1609) and attending several affairs given for the Princess gave Mrs. Van Hoesen's talk a touch of "regal presence" in the group.

Firemen distributed red fire

helmets and shiny badges to children who visited the new pumper truck parked in the business section of Scotch Plains last week. This was a part of a program for Fire Prevention Week. Adults were presented with literature describing methods of preventing fires in the homes.

Mr. and Mrs. Robert W.

Hodge of 130 Vinton Circle, Fanwood have just returned from a wonderful 4 days in Chicago, where they attended the American Gas Association Convention. They stayed at the Conrad Hilton Hotel, which was also the headquarters for the convention. It was quite a thrill for Mr. Hodge when she met Mrs. America to find that they had been former neighbors in Des Moines, Iowa.

Mr. R. C. Calahan of 184

Harold Ave., Fanwood has just returned from a 6 weeks business trip in Europe. Mr. Calahan is an employee of the Singer Manufacturing Co.

Mr. Justus Agnoli of 158

YOUR LIBRARY

Because of the deadline for sending news to the Sun the account of the "Great Books Discussions" held last Tuesday had to be deferred until this week. Some people could not decide what they thought about him; others thought him ahead of his time and sincere; another group suspected him of being a good showman.

Four new people came out to join in the conversation and two from the first discussion, and three new people could not make it.

About four to six more people would bring the group up to ideal size and allow for occasional absences of others. The next session will be on October 20 at 8:15 p.m.

The reading is to be "Antigone" by Sophocles, one of the most exciting in the whole series. Short and compact, it is easy to read and seems close to our time. Some people report having seen it on television.

All the present members are wishing for those four or six new members so that they will be assured of a fair number being present when bad weather and colds play havoc during the winter. This is the last time "Great Books" will be mentioned in this column this fall, except to report any chance that may turn up during the discussion.

To think that more and more people are taking part in library activities such as Great Books is indeed gratifying. Each month the Art Department of the Women's Club exhibits the work of a different artist in the Auditorium Room. The announcement of the current exhibit by Gertrude Sala appeared in the Springfield Sun last week.

At present there is a display in the main hallway of the Library in honor of United Nations Week. This was prepared by members of the League of Women Voters. There is a complete set of miniature flags of all the member nations.

The buildings in the United Nations group are presented in miniature. The roof of each building can be raised to show the seating arrangement inside. Along with the miniatures of flags and buildings, are posters, pamphlets, and books. The pamphlets were presented by the members of the League, but the books have been borrowed from the library collection. Each year as United Nations Week is celebrated, a few new books are added to those in the library. In five years these have grown to a fair number.

It is surely wonderful to see the Library in Springfield settling into the life of the community and working with various groups of people. Many thanks to the Art Department and the League of Women Voters for their current exhibits.

Woman's Club News

The first Club Night of the season was held on Wednesday, October 7, 1959 at the Edward V. Walton School. The opening exercises were conducted by Mrs. F. Johnson.

Miss Julie Ellen Ryder, who represented the Springfield Woman's Club at the Citizenship Institute for Girls last June gave a delightful speech about her experiences and impressions of the Citizenship Institute.

A new member, Mrs. Robert Hays of 118 Short Hills Ave., Springfield, was welcomed into our club by Mrs. A. La Sota, Membership and Good Will Chairman. We are all very happy to receive Mrs. Hays into our club and hope that she will enjoy her membership in our club as much as we enjoy having her.

It was announced that Mrs. DeForest Hillyer has been appointed Community Achievement Committee Chairman. Miss Mildred Levens was nominated and appointed to the office of Corresponding Secretary to replace Miss Gertrude Sala who had to resign this position.

The International Relations Department held their International Cuisine Dinner last Thursday. The honored guest for the evening was Mrs. R. D. Haragrove, President of the Springfield Woman's Club. The opportunity was also taken to welcome a new member Mrs. Calver Ackerman. The Menu was as follows: French Wine, Algerian Hors d'Oeuvres, Russian Beef Stragouff, Indian Dahl - a rice dish, Italian Shrimp Casserole, Italian Mashed Potatoes, Indian Peas Pulao, Indian Chicken Curry, French Pound Cake, German Crumb Cake, and this delightful gourmet meal was topped off by Espresso.

Guests at this dinner were: Mrs. W. Konrad, Department Chairman, Mrs. G. Walton, Miss M. Levens, Mrs. W. Stumvoll, Mrs. E. Kish, Mrs. C. Heard, Mrs. E. Schubert, Mrs. T. Geddes, Mrs. R. D. Haragrove, Mrs. H. Sherwin, Mrs. W. K. Sawyer and Mrs. C. Ackerman. The Garden Department will have their next meeting on Tuesday, October 20, at their new meeting place. Hostesses for the evening will be Mrs. H. Edsall, Mrs. W. Peacock and Mrs. S. Frank. Slides will be shown. DON'T FORGET THE MEADOWBROOK.

Girl Scouts proved that they make realistic "victims," and their valuable help contributed greatly to the success of the exercise. Explorer Scouts were a great help. Hot food was served at the

Economy, easy parking, and comfort are key features of the 1960 Ramblers. A three-seat station wagon has been added. The new instrument panel was designed for added safety and convenience. School under the capable direction of Mrs. Couch and the Ladies of the Welfare Division of the Civil Defense. The Springfield Chapter of the Red Cross was at the scene of the disaster dispensing the same food to the personnel there, using mobile canteen vehicles. The main purpose in holding this exercise was to find out just what the Springfield Civil Defense could get together in the event of a disaster striking this town. To those who witnessed the exercise, this phase in particular must be recognized as a complete success. By 3:30 p.m., two and one-half hours after it began, the disaster was declared over and the full-scale Civil Defense maneuver ceased. The injured, acted by Boy and Girl Scouts, removed their bandages and went along to play at other games, the rescue squads returned to their own communities and the residents of the Woodside section resumed their ordinary activities.

Republicans Give

(Continued from Page 1) a final net decrease in appropriations of only \$12,743," they stated. "What this means," Beck and Cawley continued, "is that the decrease in the tax rate was inevitable regardless of party. Rates were increased under Republican auspices; school costs, both Regional and District, had a momentary leveling off; and the county portion paid by Springfield was reduced.

"No local governing body can lay claim to credit for these fortunate happenings; and no party, or its candidates, should, inferentially or otherwise profess that they will continue. To do so would be unfair to the taxpayers of the town. Schools Cost More. The reason is that to do so is to ignore the fact that a new grade school has been approved by the voters; that the

fill in the area" and also deposit "the sum of \$5,000 in escrow to be used by Springfield for the purchase and installation of playground equipment."

The Smith tract is bounded by Milltown Road and Evergreen Avenue. The Park Commission owns the property bordering on the Union Township line.

Enough of that property has been deeded to the Township for a regular city street to connect Milltown Road and Evergreen Avenue which, according to the agreement with the home developers, will be built by Smithfield Park. This new street will be turned over to the Township of Springfield when completed.

The Park Commission has already agreed to permit the use of 3 acres of its property to be used as a playground at no cost to the Township. Mr. Karan and his Smithfield Park organization will put the land in shape for a playground and also to give \$5,000 towards the purchase of playground equipment.

Following is the letter to Mayor Bonadies from Smithfield Park, the Smith tract developers dated October 6: Dear Mayor Bonadies: This letter will serve to confirm our conversation relating to the subdivision application by Smithfield Park, Inc., which has been given tentative approval by the Planning Board of the Township of Springfield.

It is our understanding that the agreement contemplated between the Township of Springfield and the Union County Park Commission—providing for the installation and maintenance of a street on the Park Commission property adjacent to our subdivision, and an integral part of it, will also designate an area on the remaining Park Commission property to be used for a playground and recreation area in connection with the development of this area. We propose to do the following:

(a) Level and fill it with such soil as is available from our operation.
(b) Deposit the sum of \$5,000.00 in escrow with the Recreation Commission of the Township of Springfield for the purchase and installation of playground equipment at that area. Will you please advise as soon as the agreement has been entered into between the Park

Commission and the Township of Springfield so that we can proceed accordingly with our plans. Very truly yours, SMITHFIELD PARK, INC. By: Harvey Karan, President.

Says GOP
(Continued from Page 1) own political party never cared to make reference to once during 100 years of absolute township control. "It is understandable, however," they continue, "why Beck and Cawley carefully avoided mentioning the reasons their political leaders lost the trust of Springfield taxpayers. But fortunately, memories of taxpayers are not short. Beck and Cawley represent the administration that Springfield voters soundly rejected last year for years of indifference to runaway taxes.

"They defend with true political loyalty the latest fruits of their political leaders, the delinquent tax collection mess which developed under their campaign publicity director, Committeeman Eugene Donnelly—a loss in township income for which every Springfield taxpayer must dig deeper into his own pocket to offset."

"Beck and Cawley are part of the rejected past administration tradition of closed-door government—the kind of administration that would only listen to you if you didn't disagree with them."

Sibole and Balentine continued: "We are determined that the candidates opposing us for election to our local governing body shall not be successful in restoring and aiding the political comeback of the kind of past administrations here that gave us years of runaway taxes and inefficient leadership."

Mr. Koch was rushed to the Overlook Hospital by the First Aid Squad. He has been permitted to go home but is still under the doctor's care because of the injuries received. According to the police report Mr. Koch came out of the Parks Drug Store and turned left to cross to the sidewalk. He was struck by a car driven by Arnold Dreher, 17, of 1 Morrison Road, Springfield. The police report states that the driver of the car said "he was moving slowly through the southerly driveway." However, Mr. Koch stated that he was about to step off onto the crosswalk when he was struck by the car at a point where there were "caution signs."

While this particular accident may not be attributed to the "stop light jockeys" the police and Township officials are determined to halt the practice and conferences have been held with the shopping center owners to work out some plan of

War Declared
(Continued from Page 1) and many owners of parked cars have reported scratched fenders and other damage. One man, J. Theodore Koch, an executive at the Springfield office of the National State Bank of Elizabeth, was struck by a car in the passageway adjoining the Parks Drug, according to the report to the police, at 4:45 p.m. September 23.

Mr. Koch was rushed to the Overlook Hospital by the First Aid Squad. He has been permitted to go home but is still under the doctor's care because of the injuries received. However, Mr. Koch stated that he was about to step off onto the crosswalk when he was struck by the car at a point where there were "caution signs."

While Beck and Cawley are busy campaigning to restore the political representation of their rejected leaders, what about the tax problem in Springfield? The people of Springfield demand candidates for the local governing body who are concerned with holding the tax line; candidates who will face the tax problem squarely with a positive-action program not a positive-excuse campaign; candidates who will probe into such inefficiency as \$50,000 in delinquent taxes with objectivity and

Lucy Charges
(Continued from Page 1) to be necessary when the Committee, as a whole, reviewed a report which listed a large number of taxpayers as owing taxes for a period of years, and which in the aggregate totaled a substantial sum.

Following a review of that report, Mr. Binder and Mr. Donnelly, who had served as previous Committees, Mr. Donnelly as Finance Chairman, were asked if they could explain the reason for the situation or if they knew it existed. Both emphatically denied any knowledge of it and could offer no explanation.

When the motion was made to authorize the auditor Mr. Donnelly and Mr. Binder voted in favor of it. "Now it is difficult to reconcile how Mr. Donnelly at that meeting of the Committee knew nothing about it. It is equally difficult to understand how he can attempt to ridicule the audit as politically inspired when, in the same statement, he admitted 1, that the substantial delinquencies do exist; 2, that such delinquencies mean a loss of revenue; and 3, that our moving permit ordinance is not enforced.

And it is noteworthy that he makes these admissions before the auditor's report has been completed. Voted In Favor.

"What has happened to cause him to now attempt to hide the fact that he voted in favor of the audit. And if the authorizing of the audit was at that time sufficiently justified to require his affirmative vote, how can he now label it 'political.'"

"And if he is so well informed on the situation that he can make public statements such as this one at issue why didn't he speak out when asked to at the executive session, instead of denying any knowledge of the situation?"

"Certainly this abrupt about face on his part is inconsistent with the record and not easily understood. However, such action as his does fit in well with the plan of the Republican strategy board which, since January 1, has been to label every constructive step or corrective measure initiated by the Democratic majority of the Township Committee as 'political.'"

"I believe it was these strategists who induced him to take the irreconcilable position he has taken in making this statement."

policy our administration has adopted in dealing with developers and builders. We want to provide for future growth in Springfield and it is our present plan to add town owned property wherever possible. "We need a new firehouse and this full acre is now the property of the Township without costing the taxpayers a single penny."

Builder
(Continued from Page 1) tration has acquired a deed for one acre of land in the Prince property, South Springfield and Hillside Avenue, where a new garden apartment is now being constructed.

The full acre of land has been deeded to the Township by Joseph and Harry Will, of Hillside, builders of the 104 family unit apartment at no cost to the Township. On the basis of the reported sale of this section of the Prince property, this one acre is valued at \$20,000, and is located in Hillside Avenue between the Davaga parking lot and the apartment house.

The deal to deed this acre of land to Springfield came after the present Township administration pointed out the need of land for the construction of a fire house in this area. "Springfield has been studying the need for a fire house in that section of the Township," said Mayor Bonadies in discussing the acquisition of the one acre, "and we are very happy that the apartment house builders set that land aside for the future site of a new firehouse — which is so sorely needed there."

Work has already started on the construction of part of the 104 units. It is to be known as Mountainview Gardens with 3, 4 and 5 room units. "Acquisition of this acre of land for a new firehouse," said Mayor Bonadies, is part of the
