4 OUT OF 5 PEOPLE IN SPRINGFIELD READ THE SUN

VOL. 30th YEAR NO. 5 DREXEL 9-5000 SPRINGFIELD, N.J., THURSDAY, NOVEMBER 19, 1959 OFFICIAL NEWSPAPER TOWNSHIP OF SPRINGFIELD 10¢ A COPY, \$4.00-BY THE YEAR

## Name Ch'man And Captains Of Fund Drive

Mrs. Samuel Goldstein of 26 Kipling Avenue, Springfield has been appointed local Campaign Chairman for the Union County Unit, New Jersey Association for Retarded Children, Fund Campaign to be conducted during the National Association Retarded Children's Week, November 28 to December 5, it was announced by Julius Masuech, Cranford, co-ordinator for Union County.

Funds raised during this period are used to support a program of service to the community's mentally retarded children and medical research to find preventative measures.

In accepting the Chairmanship, Mrs. Goldstein said, "This widespread problem of mental retardation is one which deserves much greater public attention. We cannot neglect a problem for which so much good can be done if the funds are made available."

Funds raised will be used to expand local services and research in the field of mental retardation.

The Union County Unit, New Jersey Association for Retarded Children, is a local, non-profit (Continued on Page 2)

## Health Food Shop Opens Diet Doors

For the determined diet-watcher and for those who must by doctor's order, watch carefully what they eat, Springfield now has the answer for all your dietetic, diabetic, organic food needs... a health food shop!

The "Centre Sandwich Shoppe" at 234 Morris Avenue in Springfield will, in addition to conducting to serve delicious sandwiches and hot meals, carry a complete line of salt and sugar free foods, including low cholesterol oils, salt free mayonnaise dressings, and canned fruits, vegetables and juices.

The "Centre" will also handle a complete assortment of dietetic candies and chocolates, cookies, puddings and desserts.

The new Health Centre will be run by Elena Proctor, a specialist in the food processing industry for the past ten years. As a nutrition expert, Miss Proctor will be in a position to assist you in any and all of your dietetic needs.

Also available to customers will be a complete library of books, compiled to guide you to better health through better nutrition.

## Ernie Nagel Observes 20th Anniversary In Springfield

STILL ON THE JOB. Ernie Nagel, who started business in Morris Avenue, Springfield, 20 years ago, is showing his son, Ernie Jr., some of the secrets of the trade. Ernie, Jr. is taking over the operation under Boss Ernie's guidance.

Just twenty years ago this week — an energetic and ambitious youngster, Ernie Nagel, with stars in his eyes stormed into Springfield with his own ideas on how to "make friends, influence people and become successful."

Today, 20 years later, Ernie Nagel is just as eager and energetic but there is no longer any question about "making friends and becoming successful."

The Ernie Nagel place of business, still at 230 Morris Avenue, Springfield, where he first established it 20 years ago, attracts selective shoppers from the entire area. Whether it is the smiling personality of Boss Ernie, or the courteous attention of his salespeople or just the plain fact that "the best of meats and meat products" are

## Architect Says New School To Be Ready Sept

Ground was broken last week for the construction of the new elementary school in South Springfield Avenue which, according to Architect Emil A. Schmidlin, is expected to be ready for use next September.

This 18 room school is to be named for Mrs. Thelma L. Sandmeier, principal of the Florence M. Gaudineer School, and a teacher and education administrator in Springfield for many years.

The school will cost approximately \$718,559 and is located in the Walton, Harenberg and Kotzen tracts fronting on South Springfield Avenue. This site was approved by voters in a special school referendum last June ending a controversy in the Township which first resulted in the disapproval of the Smith site in an earlier special election.

According to a brochure issued by the Board of Education the new school will be a one story structure, containing 18 classrooms and accommodating children from kindergarten through grade six. There is an all purpose room which will serve many uses such as physical education classes and activities, assembly, vocal and instrumental as well as providing a center for neighborhood activities.

There will be sufficient space for remedial reading, speech correction and advanced enrichment programs.

## Morris Ave. Yule Lighting The Best Ever

Thanks to the support of the merchants, professional and business men and women of Springfield, Morris Avenue will be gayly lighted this Christmas season, installation of which has started.

The display will be longer and more brilliant than ever, according to James M. Cawley, chairman of the Chamber of Commerce Projects Committee.

The lights start at Satter Street and run to Meisel Avenue; additional lights also at the entrance of Mountain Avenue.

The Springfield Chamber of Commerce is sponsoring the Christmas lights through its Projects Committee which is composed of chairman James M. Cawley, Milton Keshen, John Schable, Edward C. Coley, W. A. Towardowski, Fred A. Handville, Henry Grabarz, Jack Steffman and Drew Morrison.

The merchants, business and professional men and women of Springfield will be contacted during the month of November by Fred Handville. The purpose of these calls is to acquaint the people with the problems of setting up such a display and to obtain pledges towards its payment.

## Red Cross Is Planning For Annual Drive

The Springfield Chapter of the American Red Cross entertained two area representatives at the November meeting of the Board of Directors.

Miss Irene Haas, local area representative, informed the Directors of Red Cross activities in other localities in the area, urging the Springfield Chapter to join the East Orange Veterans Hospital Organization in order to have access to the hospital facilities and to provide an (Continued on Page 2)

Twin Brooks Association Hears Mr. Best On Rt. 22. Leonard Best, Springfield industrialist and Chairman of the Route 22 Committee, spoke at the current highway situation at the meeting of the Twin Brooks Civic Association last week.

## Twin Brooks Association Hears Mr. Best On Rt. 22

Leonard Best, Springfield industrialist and Chairman of the Route 22 Committee, spoke at the current highway situation at the meeting of the Twin Brooks Civic Association last week.

Mr. Best briefly outlined the conference he has had with highway and governmental officials in Trenton and Washington. He has also met with many Union County mayors and governing bodies in an effort to consolidate their efforts to help solve the problems of the proposed new route construction which will affect their towns.

He asked for a realistic view of improving the existing Route No. 22. The Madigan-Hyland firm planned the new Route No. 22 (78) and then the same firm was requested by the State Highway officials to make a study of the revitalization of the present Route No. 22, he stated.

Their subsequent report did not confine itself to the revitalization of the present Route No. 22 but produced a combination of the present Route No. 22 and the new Route No. 78 running together.

Mr. Best cited the millions of dollars spent on engineering fees for these highways which are paid on a percentage basis. The higher the cost of the road would indicate a higher fee for the engineering firm.

He pointed out that even if a new route were built, it would fail to give access to the communities south of the present Route No. 22.

"Springfield would have to cross Watchung, Scotch Plains would have to go through the 'Bloody Gap'; Westfield and Cranford would have to go through Mountainside.

"It fails to provide access to Hillside and Elizabeth areas unless the Getobals Bridge spur is built and the Highway Department is on record that this will not be built in the foreseeable future. There is no information as to how this facility will take care of the traffic from the Garden State Parkway at Union.

"A new alignment involves many problems of traffic flow, interchanges, etc. at an estimated cost of 300 million dollars. While the people are not highway engineers, there is general agreement that a program that involves a cash outlay of over 300 million dollars should be presented to the public formally with sufficient detail as to the needs and effectiveness and cost of the proposals."

Mr. Best called attention to the fact that while State funds are spent very carefully for state hospitals, educational needs and other facilities, there seems to be no way to stop huge road construction expenditures.

By use of a map, Mr. Best also showed how the present Route No. 22 could be improved and made adequate from Newark to the Plainfield area.

## School Board & Township Still Short On Cooperation

Any chance of romance between the Springfield Board of Education and the Township Committee has gone out of the window.

For many years there has been considerable talk about "a better relationship and more cooperation between the School Board and other municipal departments."

The League of Women Voters, at the regular Candidates Night held recently, posed its No. 1 question—"Do you believe we (Springfield) need greater cooperation between the Township Committee, the Board of Education, etc.?"

The candidates couldn't wait to say "sure-there should be greater cooperation." Which just about made it unanimous with only the Board of Education to be heard from.

Last week ground was broken for Springfield's new \$718,559 elementary school to be constructed in South Springfield Avenue. Plans and specifications for this new school have been approved by the New Jersey State Board of Education which is according to the book. But no one in the official family of Springfield has had a peep at the plans.

## Fire-Chief Mesker Warns Residents

Fire Chief Ormond W. Mesker has issued a warning to residents of Springfield against purchasing "any kind of fire detection equipment or extinguishers."

"Do not be misled," says Chief Mesker's statement. "There are numerous inadequate and dangerous fire detectors and extinguishers on the market.

"These can cost you or your family your lives. If you are approached or interested in extinguishers or detector equipment, please consult your fire department first.

"If any one comes to your door selling such equipment, notify the Fire Department at DRexel 6-0144."

Chief Mesker is concerned with the great number of salesmen attempting to sell fire extinguishers and detector equipment since the tragedy last week when Kevin and Keith Lester, six year old twins, died in the blaze which ruined the second floor of their home at 20 Baltusrol Way.

He believes in installation of such equipment but he wants all residents to be careful before contracting or making purchases.

## Here's What They Said That Night

Here is Question No. 1 submitted at Candidates Night recently by the Springfield League of Women Voters, and the answers.

The Question: Do you believe we need greater cooperation between the Township Committee, the Board of Education and the Planning Board?

ANSWER BY WILLIAM H. BALENTINE (Democrat, Winner) "Perhaps this can be best accomplished through regularly scheduled meetings between representatives of each group. This would ultimately build up a storage of facts pertinent to the departments... become a worthwhile advisory group for consultation and guidance; and as equally important, an aid to long range planning."

ANSWER BY RUSSEL W. SIBOLE (Democrat, Winner) (Continued on Page 2)

## Werner Named General Agent By NY Ins. Co.

The appointment of Richard E. Werner as General Agent of the Manhattan Life Insurance Company with offices at 140 West 57th Street, New York City, formerly the Peysers Agency, has been announced by the company's Home office.

Mr. Werner lives at 30 South Maple Ave., Springfield.

Mr. Werner will have as Assistant to the General Agent, Marlin Rosenberg, who has served as Office Manager of the 140 West 57th Street Agency since the death of Percy A. Peysers, General Agent for 19 years.

Mr. Werner has a broad background in the life insurance business, starting in 1950 with the Arthur V. Youngman Agency, New York, of the Mutual Benefit Life Insurance Company. In 1952 he led the agency in paid for lives. For two consecutive weeks Mr. Werner achieved the distinction of securing at least an application a week. In 1954 he became a Supervisor for the Youngman Agency.

A year later, Mr. Werner joined the Russell E. Knapp Agency, New York, of Mutual (Continued on Page 2)

## Palmer Writes Twin Brooks Re Route 78

In an effort to obtain the latest highway data, the Twin Brooks Civic Association wrote the legislators of both political parties. All acknowledged receipt of the letters and are currently seeking information on the highways.

Governor Robert B. Meyner replied by stating that he had given his letter containing specific questions to State Highway Commissioner Dwight R. G. Palmer.

Mr. Palmer replied promptly. Concerning Route 78, he stated, "Hearings for Route 78 have been held from Still Valley through to the Springfield-Union line. These hearings were held sectionally and numbered five. The public hearing from Springfield through Newark has not been held."

"The Highway Department has finalized the alignment for Route 78 and has had Federal concurrence from Still Valley in Warren County to the Springfield-Union line.

"Funds were allocated for Route 78 for several fiscal years. Route 78 bypassing Clinton has been completed as a bypass of Clinton and from Still Valley to Rt. 22 in Bloomsbury the route will be opened on October 30, 1959. From Route 22 in Bloomsbury through the Jugtown Mountain the work is now under construction. Engineering design is underway on the remainder of the route to the Springfield-Union line."

"The second Madigan-Hyland study was made in conformance with Interstate and Defense highway requirements. No other basis would be acceptable for an Interstate and Defense Route as defined by Congress and the Department of Commerce.

"Federal Funds are apportioned to the individual States. The States allocate each year an allocation to the Routes and projects it proposes. The B (Continued on Page 2)

## Area Youths Win Academy Nominations

Sen. Clifford P. Case and Congresswoman Florence P. Dwyer have announced the list of "finalists" for appointments to the service academies.

Among Senator Case's nominees to compete for appointments to the U.S. Merchant Marine Academy is Richard A. Moss of 344 Park Avenue, Scotch Plains. Moss was also selected by Mrs. Dwyer to compete for a Union County appointment to the Air Force Academy.

The congresswoman also selected Donald H. Crabtree of 214 Diamond Hill Road, Berkeley Heights, as one of her preliminary nominations.

Donald B. Gibbons of 19 Park Lane, Springfield, was listed among the contestants for an appointment to the Naval Academy while Ronald S. Humer of 11 Dayton Court, Springfield, was among Mrs. Dwyer's initial choices to compete for an appointment to the Coast Guard Academy.

The final selection will be left up to the staffs of the military institutions. The students will take the entrance examinations and will be rated by the service academy.

In each case, the legislator will follow the recommendations of the staffs at the academies in making the appointment.

## Student Describes Trip To Russia

Kenneth Rogers of 126 Fieldstone Drive, Springfield, addressed the Springfield Lions Club Friday on "The Church and Soviet Russia."

Mr. Rogers, a graduate of Jonathan Dayton Regional High School and of Dartmouth University, is currently attending Princeton University for post-graduate study. He was one of 20 college students selected by the Carnegie Foundation this past summer for a three-month scholarship course in the Russian language and a tour of Russia.

Mr. Rogers gave his impressions of the Soviet Union and its relationship to religion as he saw these conditions during his trip. During the hour, the American students spoke nothing but Russian, he noted. His address to the club was highlighted by slides taken by Mr. Rogers during his trip.

## Regional High Has 17 Seniors On Merit List

Seventeen seniors in Jonathan Dayton Regional High School have been cited for outstanding performance on the National Merit Scholarship qualifying test last spring, Dr. R. T. Jacobsen, principal, announced today. Each student has received a formal "letter of commendation" from the National Merit Scholarship Corp.

Seniors honored are: Stephen L. Spear, George L. Seltzer, Lois Jacobsen, Barry M. March, Donald P. Gibbs, Laura M. Metz, Frances R. Wertz, Michael H. Besch and Jodie M. Fidel, all of Springfield; Paul F. Kluge, James W. Cerulli, Katherine A. Murphy, Douglas R. Voigt, Donald H. Crabtree and Ralph A. Kleinberg, Berkeley Heights; and Neil A. Macmillan and Richard S. Mazur, Kenilworth.

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the National Merit Scholarship Qualifying Test.

The top scorers in each state, prorated according to the number of graduating high school seniors in the state, are named Semifinalists and take a second examination in December. Further established their eligibility for Merit Scholarship consideration.

Students in the commended group are selected on a national basis without regard to the high school population of the state.

The annual Merit Scholarship Competition offers the largest system of privately financed scholarships in the United States and possessions.

The Merit Scholarship Program is now in its fifth year. Founded in 1955 with grants of twenty million dollars from the Ford Foundation, and \$500,000 from Carnegie Corporation, it now has more than one hundred sponsors including business and industrial organizations, foundations and other groups. More than one and one half million students have been tested in the annual academic competitions.

Currently 3,000 of the country's most-able students hold Merit Scholarships at 400 colleges and universities. Fifteen million dollars have already been committed for these awards.

Semifinalists and Commended students receive many scholarships apart from the Merit Program. NMSC estimates that more than nine million dollars in scholarships for the freshman year alone will be awarded these students, in addition to the regular Merit awards.

## Early Deadline For Next Week's Issue

Because of Thanksgiving Day—we will publish next week's issue on MONDAY, NOVEMBER 23. This means that all news items, photos and letters to the editor MUST REACH US NO LATER THAN NOON SATURDAY, NOVEMBER 21. PLEASE help us by getting advertising and all news items in as early as possible.

## Four Springfield Congregations Unite for Thanksgiving Services

Rev. Virgil Mabry, Rabbi Israel Dresner, Rev. Bruce Evans, Asst. Pastor Don Weber, and Rabbi Reuben R. Levine.

As in previous years, four Springfield congregations will unite to observe Thanksgiving. Rev. Virgil Mabry, Rabbi Israel Dresner, Rabbi Reuben R. Levine, Rev. Bruce Evans and Assistant Pastor Don Weber, representing the Beth Ahm Church, the Shalom Congregation, Temple Beth Ahm and the Temple Beth Shalom Congregation, Temple Beth Ahm respectively, have conferred on the program for a joint Service to be held Wednesday, November 25, 8 p.m. at Temple Beth Ahm, 60 Baltusrol Way.

In keeping with the rotation system established by the clergy, the host congregation this year will be Sharey Shalom choir.

The annual Thanksgiving Service has proven to be an ideal way for bringing into focus the spiritual meaning that this holiday has for all Americans, and has followed concretely the sense of fellowship shared by Springfield residents of various faiths.

Everyone, including non-members, as well as members of these congregations, is most welcome to attend the service. It is scheduled to start at 8 p.m. on Wednesday, November 25, the Eve of Thanksgiving Day.

In reference to Route No. 208 (formerly FAI-107, the Spur Route from Goethals Bridge to Springfield), Mr. Palmer stated, "We do not foresee any possibility of former FAI-107 ever becoming a reality. This route was not a creature of out-it was included, however, in the list of Interstate highways that might be constructed in the future."

"We have no intention of exercising that right and I dare say that long before the program reaches a point of reconsidering this route it will be wiped out entirely. There has been much emphasis in certain channels about the risk of this route; however, at no time have we ever given the possibility of it a second thought."

However, Robert D. Hardgrove, president of the Twin Brooks Civic Association, has cautioned that the latter road is still very much on the state maps.

In his letter, Mr. Palmer invited representatives of the Twin Brooks Civic Association "to visit the State Highway Department offices where information would be given to you as it is available."

 extended field of service for the Chapter.

Mrs. Ralph F. Doubleday, an active member of the Millburn Chapter, was also a guest at the meeting. Mrs. Doubleday has been assigned by the National Red Cross Headquarters as a special volunteer representative to assist Springfield with the local fund drive.

She discussed with the Board early preliminary plans for the annual drive which will take place early in March. Mrs. Doubleday urged the Springfield Board to call upon her for every possible assistance in making the local drive a successful venture again this year.

Mrs. George Bowles, chairman of the First Aid Committee, reported that 80 persons are involved in the Red Cross First Aid Courses offered this Fall. Members of the Springfield Civil Air Patrol have just completed the training course.

The standard course finds 18 members and the advanced course finds thirty individuals working hard toward the qualifications in classes held at the First Aid Squad Building. Among the participants are 48 school teachers and 20 firemen under the directorship of Mr. Jensen of the Fire Department Auxiliary.

Mrs. Bowles reminded the Board of the unique practice of the Springfield Chapter in awarding to each of the participants the Instruction Books used in the course. This practice expresses the Committee's appreciation to each individual for the skills and techniques of First Aid, and also assures them of having a competent and ready source of referral information should any question arise in determining how to administer necessary aid.

The Volunteer Motor Corp. Committee reported that it is still busy with several transportation cases, and the Home Service Committee report involves eight current cases.

 years the Fire Chief says. "The Fire Department does not presume to have any say in the plans for school buildings," states Chief Mesker, "but in the face of the recent tragedy when two children were suffocated by smoke in a Baltusrol Way home, the need for better and quicker fire detection in all our schools becomes more important."

"Right now," continued Chief Mesker, "a telephone call must be made to bring the fire department to the school in case of a fire."

"When the schools are being used at night this method of calling our department becomes quite a problem because the telephone aren't always available as during the day."

Chief Mesker says he has never been asked to sit down and discuss the planning for a new school from the fire department's point of view.

"We believe there is a need for immediate fire detection equipment in all the Springfield schools. There are other safety suggestions we might make but have never been given the opportunity to give the new school planners the benefit of our experience because they just don't care to discuss new building with our department."

Springfield Building Department, according to the reports, has not been asked to inspect the new school's plans nor has any other municipal bureau been invited to make any suggestions in the face of the zoning and building code changes being planned for the future.

Further evidence of the widening gap between the School Board and the governing body came when the ground breaking ceremonies last week were carried out without a single member of Springfield's official family participating in the ceremonies.

Mayor Vincent J. Bonadies made his appearance during the ceremonies but his presence wasn't officially recognized by those in charge of the program committee. The report has it that Mayor Bonadies didn't even receive an invitation to participate as Springfield's chief executive.

 the big chains moved into the area. He worked hard, spent many thousands for refrigeration so that he could properly store and age his merchandise; he installed the latest in servicing equipment and he used his experience in buying in the market.

"Today Boss Ernie is taking things a little easy. He has turned over the operation of his establishment to his son, Ernie, Jr., a real 'chip off the block' who is now in full charge."

Boss Ernie keeps in touch with what's going on in Morris Avenue but it is Ernie, Jr., who is on the job six o'clock in the morning and it is Ernie, Jr. who supervises the manufacture of the various products, and pitches in, as Boss Ernie used to do, when there is work to be done in the back.

Ernie, Jr., has been married two years and is a resident of Springfield, living in Hillside Avenue.

Boss Ernie lives in Green Village and spends a great deal of his spare time caring for his several horses, winners of prize ribbons in various horse shows in this area. Despite the fact that his residence is in Green Village, Mr. Nagel is very civic minded and participates in every project that will help Springfield.

 He leaves his wife, Mrs. Eleanor Jewell Grasso; a son, George R. of Hazlet; two brothers, Louis and John of Newark; a sister, Mrs. Mary-Loretta of East Orange and two grandchildren.

**Postmaster In Plea For Early Yule Mailing**

Springfield Postmaster A. V. Del Vecchio, announced today the start of his "Mail Early for Christmas" campaign. "Following the suggestions outlined below will help to make your Christmas and that of your friends and loved ones as merry as it should be," he said.

Christmas is only a little more than one month away, but the Post Office is geared at this time to insure the delivery of all gifts parcels and Christmas cards by Dec. 28. Mr. Del Vecchio noted, however, he said, "your cooperation is essential."

Speaking of his plans, the postmaster stated: "There are more than 200 million people in the United States today. More than ever before. Of course, more people means more Christmas mail. That's why it is so important to seek a helping hand from the public to 'Mail Early for Christmas.'" The postmaster said he especially directs his appeal to the lady of the house because "she usually selects the Christmas cards, buys most of the gifts, and makes sure that the Christmas mailing list is up to date."

This year's Christmas mail will set a new all time record, exceeding the half-million pieces of outgoing mail handled here last year. The postmaster urged residents to take the following steps now: Check your Christmas card lists very carefully, making sure that each address includes the full name, street and number, city, zone and state; ask for information at the post office about packaging and wrapping parcels for mailing; and stock up on stamps.

He noted that "a modest investment in heavy wrapping paper, sturdy empty cartons, adhesive tape will pay big dividends in safe deliveries of your cherished Christmas gifts. Ask the post office clerks for insurance on parcels."

"If you would like to include your Christmas cards or letters inside the packages with your gifts, just add the appropriate first class postage for the card or letter to the postage for the packages themselves. This combination mail service was introduced by the Post Office Department some time ago and has proven very popular. The combination parcel insures simultaneous arrival of your gifts and greetings."

"Remember, that only Christmas cards carrying four cents, or 7 cents airmail, may include a personal message. Only a signature is authorized on cards mailed at the 3 cents, third class rate. Be sure your return ad-

66 Judy: Hello, Mother, how are you? Mother: Why, Judy, dear! How nice. Judy: I was going to write, but I had so much to tell you I decided to phone instead. Mother: I'm so glad you did, Judy. It's so nice to hear your voice. Judy: How's ever? Mother: We're fine, dear, but I've got four all over my hands. Judy: What are you making? Mother: Well it started out to be an apple pie, but I ran out of apples. But I had a can of blueberries so I've just invented BlueApple pie. . . . Judy: Oh, Mother! Mother: Blue are Fred and the children? Judy: They're fine—I called to let you know that the children's presents came. You really shouldn't have. Mother: Now, dear, after all it is Sam's fifth birthday and you know how disappointed Bobbie would have been if there wasn't something for him too. . . . And besides they're my grandchildren. . . . Judy: Mother, you and Daddy are wonderful, but next time. . . . promise. . . . please. Mother: We'll see next time. . . . How do the children look in the coats? Do they fit? Judy: They're perfect. We're going to send you pictures, but you know Fred—if he doesn't forget the film—he forgot the flashbulbs, but he made a list this morning and we'll take them Saturday. Mother: How was the party? Judy: You never saw so many screaming Indians in your whole life. If it wasn't for Janie Parker, I never would have lived through it. Mother: Who's she, dear? Judy: Remember Tommy Parker, the boy I used to date in school? Well he married Janie and they just moved into the community. . . . she's an absolute dream with children—used to teach pre-school. Mother: That's nice, dear. I'm glad you have such lovely friends. Judy: Well, anyway, she organized the games and as usual the ice cream was delivered late and then they sent chocolate—and one of the children is allergic so I had to drop everything and run down for some other flavor. But, the kids had fun. Mother: Your father and I were talking about you with. Are we all set? Judy: Oh, yes! That's the other thing I wanted to talk to you about. We're leaving Saturday instead of Friday night. We'll get a good early start. So I guess we'll arrive about 7 or 8. Mother: Fine, we'll wait supper. I'll sit out on the diet? Judy: Well, off and on it anyway. If you're thinking about dumplings—do it please. The diet can go for once. . . . you know—Mother: Judy! The pie—it's burning. . . . I think I smell it. Judy: Well, goodbye Mom—see you next week—we'll phone on the way if we're held up.

### Many Help Mail Christmas Seals

As Christmas Seals arrived at the homes of Union County residents, Mrs. Edward Sierks of Fanwood, president of the Union County Tuberculosis and Health League, thanked the many volunteers who helped get the Seals ready for mailing at the stuffing party at the Singer Recreation Building in Elizabeth last week.

More than 265 persons representing 35 organizations came to help. Mrs. Sierks reported, and with honorary County Chairman Phil Rizzuto encouraging them, they inserted Christmas Seals in 90,000 letters, a good portion of the total to be mailed.

"This pitching in to get a necessary task finished shows a fine community spirit," Mrs. Sierks said, "and the fight to win control of tuberculosis in Union County will move forward next year with this enthusiasm continues."

Other organizations registered were employees of the Plainfield Trust State National Bank, members of the Scotch Plains Women's Club, workers from John E. Rummels Hospital for Chest Diseases, the Presbyterian Church of Springfield, Jonathan Dayton Regional High School, Mountainside Women's Club, Mountainside Civic Council, Kappa Alpha Theta Sorority of Westfield, Upsilon Lambda Phi Fraternity of Hillsdale, and the Union County Chapter of the National Secretaries Association.

### General Electric High Speed Dryer with Automatic Control

High-Speed drying at safe, low temperatures.

**AUTOMATIC CONTROL**  
Provides just-right drying times and temperatures for any clothes load... automatically. Dryer turns itself off the moment clothes are properly dry.

**DELICATE** is the setting for silks and synthetics. They tumble gently through currents of warm air with controlled drying times and temperatures.

**REGULAR** is the setting for cottons and linens—the things you wash most often. These frequently used items dry quickly and safely.

**HEAVY** is the setting for hard-to-dry loads: Bathmats, bedspreads, rugs, terry towels come out thick and fluffy.

**HIGH-SPEED DRYING SYSTEM**  
Room air enters the dryer from the front and is then warmed, entering the clothes basket from the back. Fast moving currents of properly warmed air flow through the tumbling clothes, drying them quickly and naturally. Moist air and lint are carried through the trap, depositing the lint, and then exhausted at the rear.

**BABY IN THE HOUSE?**  
You can safely dry up to 50 diapers in this G-E High-Speed Dryer. They come out soft and fluffy, ready to be worn, and are free of harmful bacteria that washing normally does not destroy.

Inspection and roll call for the annual charter review will be top items on the agenda when Berkeley Heights Cub Scout Pack 68 meet Friday, Nov. 20 at 7:30 p.m. at Berkeley School for the monthly pack meeting.

Monday, Nov. 23, will mark the next parent meeting of the club. The meeting will be held at the Berkeley Heights library at 8:00 p.m. Discussions will be in order concerning the forthcoming split in the pack. The new pack 368 will be required to elect a committee to select a cubmaster. The cub scout Christmas theme will also be discussed.

The final leadership training session in the current series of three will be held Thursday, Nov. 19, 8:00 p.m. at Berkeley School. Another six hour training class will be held in the near future if enough cub scout parents desire to attend. If you are interested in another training class please contact Bill Ding, CR 7-0537 or B. Wiley, FA 2-7027.

### Newcomers Plan Hawaiian Dance

All Newcomer plans point to November 28, the evening of the Hawaiian Supper Dance at the Forum Club, Madison. A social hour at 7 p.m. will precede the luau buffet supper.

Dancing in native costume, with island backgrounds, will be to the music of Steve Michel's orchestra. Marilyn Maupana, Madison, will do her exciting knife dance.

Mrs. M. E. Cordiano, Berkeley Heights is a member of the hostess committee. Chairman of the big event is Mrs. P. A. Echlund, Murray Hill. Her co-chairman is Mrs. L. G. Runge, also Murray Hill.

At the monthly luncheon of Summit Area Newcomers, Mr. Carl Danneman, of International Travel Service, Short Hills, showed the "Wings to Hawaii" film plus spoke of his several trips to our 80th state.

Mrs. Eugene Cooper, BH, was Chairman of the day. Other committee people helping at the Arch. SH, were Mrs. Robert Rieder, Mrs. Donald Colepp, Mrs. Warren French Mrs. William J. Jardine, Mrs. Allen Hughes, and Mrs. J. William Tang all of BH.

Also a reminder of Couples Evening Bride on November 20, 8 p.m. at Summit YWCA lounge. Mrs. E. T. Nelson, Murray Hill is chairman of the evening. Call her at CR 7-1118 for this card and dessert get together.

The Newcomers is an organization of new residents to the BH, NP, MH, and Summit area. All new residents are welcome to attend any, or all, events. Please call the chairman listed.

### Thoughtstirs Change Date of Meeting

The Summit YWCA thoughtstirs will meet Monday evening at 8:15 instead of the usual fourth Wednesday date because of the Thanksgiving holiday.

A special observance of the Thanksgiving season will be led by Mrs. Hugh Garnett and Mrs. Tom Richards, both of Chatham. There will be a continuation of the discussion of American and British housewives led by Mrs. Michael Healy of Summit.

Hostess for the occasion will be Mrs. Jerry Reid of Gillette and Mrs. Rex Wiese of New Providence. Greeter will be Mrs. H. I. Maunsell of Murray Hill.

At the last meeting of the group Mrs. William Highleyman chairman. This office changes every two months to provide an opportunity for each member to

### Feed Shade Trees Now

Mid-fall is considered the best time for feeding shade trees. Some of the fertilizer will be used before the ground freezes and the rest will be available as growth starts next spring.

Lawns and street trees should be fed about every three years, since they are growing under abnormal conditions and do not have the advantages of decaying leaves and vegetation which forest trees have.

A high nitrogen fertilizer, such as 10-6-4 is used for most shade trees. However, trees which have been "scorched" by the hot summer, common on many shade trees this year, should be fed with a high potassium fertilizer, such as 5-10-10. The last number in the fertilizer analysis is potassium.

Apply the fertilizer in a series of holes which extend from the

### Club Departments Plan For Festival

Members of the garden and American home departments of the Evening Membership Department are preparing for the Holiday Festival to be sponsored by the Woman's Club of Berkeley Heights.

Workshops were held at the home of Mrs. Richard Piaget, garden department chairman, Monday and Tuesday mornings and last night. Fall and Christmas corsages were made.

Handmade jewelry will be made by members of the American Home Department at the home of Mrs. Harry Hunt, chairman at a date to be announced.

### Retarded Drive Starts Nov. 28

More than 120,000 children born this year will be mentally retarded, the national association has announced. The group also noted that three out of every 100 children in the nation are retarded—more than those with any other handicap.

In a recent research paper published by Dr. Seymour B. Sarason and Dr. Thomas Gladwin, both authors stated their conviction that "real understanding of the nature and implications of subnormality can be approached only by paying more than lip service to the fact that this is a social and cultural as well as a biological and psychological problem."

The Union County unit of the state association points out that dollars donated will be applied to the local programs such as training classes, special education classes, scholarship program, speech classes, sheltered workshop and home nursing.

The Berkeley Heights unit of the National Assoc. for Retarded Children will start its fund drive Nov. 28. The Evening Woman's Club has pledged its support and the members will be active participants in the fund drive.

### Troop 68 To Hold Wangaroo

Boy Scout Troop 68, Berkeley Heights, will hold a "WANGAROO" Saturday at the Surprise Lake area of Watchung Reservation.

The Scouts have planned a menu of sausages and flapjacks and cocoa for breakfast, broiled steak, stick potatoes, biscuits and cocoa for dinner, and hot dogs, beans, cake and cocoa for supper.

Scoutmaster Emery Stokes instructed the tenderfoot group on the compass; Assistant Scoutmaster Taylor spoke to the first class scouts on firstmanship while Assistant Scoutmaster Quirk discussed directions with the second class scouts.

The boys of the Falcon patrol placed first in the inspection with Lion and Apache patrols placing second.

Patrol contest of "whipping end of rope," "flying neckerchief," and games were featured.

All boys interested in joining Troop 68 are asked to contact Mr. Stokes at Columbia School, Berkeley Heights, Tuesdays at 7:15 P.M.

### Brownie Troops Have Varied Activities

Brownie Troop 336 under the leadership of Mrs. J. Arnold and Mrs. C. Siebert visited the "Doll House" at 1078 Mountain avenue, Berkeley Heights, Monday where members saw a dismade. The troop has designed get-well cards which the girls

## Overlook Follies Tickets Go on Sale This Monday

The "box office" for the sale of tickets to the Overlook Hospital Auxiliary Follies of 1959 will open at the Summit Trust Co. this Monday and remain open until December 4. Hours will be from 8 a. m. to 2 p. m. daily and from 6 p. m. to 8 p. m. on Friday. All tickets for the revue to be presented the evenings of December 4 and 5 at Summit High School are reserved seats.

There also will be a special ticket sale at the hospital on Tuesday, November 24, from 2:30 to 4:30 p. m. and all day Saturday, November 27, at the Summit Hardware Co.

Those unable to call at the box office can make arrangements by calling the chairman of tickets, Mrs. Ansel M. Caine, Jr. at CR 3-7043. Mrs. Caine recommends that Follies plans be sold on a "first come, first served" basis.

Others on the ticket committee are Mrs. Harry Crosson, Mrs. Kenneth Hamlin, Mrs. William Miller, Mrs. J. S. Russell, and Mrs. J. C. Hewitt. Also assisting are Twigs 23, 32, 38, 29, 2, 33, and 31.

A special display in the lobby

of the Summit Trust was created by Mrs. Charles Clarke, who also designed the posters which will be seen in the area served by the hospital starting tomorrow.

This year's production, the 11th in the series, is sponsored by the Women's Auxiliary of Overlook Hospital, and is its major fund-raising project. All proceeds will be used to meet the linen budget.

### Pi Beta Phi Holds Coffee and Display

The Northern New Jersey Alumnae Club of Pi Beta Phi held a coffee and display of Arrowcraft articles from Nov. 10, at the home of Mrs. Richard C. Thompson, 80 Whitney drive, Berkeley Heights.

The articles were all hand made at the Pi Phi Settlement School in Gatlinberg, Tennessee. The public was invited.

### Wool Is Spring Fashion Fabric

To know what's ahead in fashion, the calendar need only be turned backward. Fashion always returns to yesterday for inspiration, recaptures the mood of an era or decade, and then invests freshness into old ideas. The results?—new and exciting variations on an inexhaustible theme.

A preview of Spring—1959 fabric, fashion's guidepost to next season's news in clothes, shows a strong '30's influence. Worsteds, cool and crisp to the touch and wrinkle resistant, will be found in every spring fashion, in a stunning variety of weaves, patterns, textures and weights.

Exactly tailored yet totally feminine, dashing and dramatic, sporting all the traditional menswear suiting patterns, wools include the air-light, clear-faced worsteds, worsted flannels and sharkskins, solid or accented by pin, chalk and pencil stripes. Worsteds checks in classic tattersall, Glens, shepherds, and stars, range in size from pinpoint to bold checks. Some what more subtle are herringbones, diagonals, shadow plaids and faintly etched patterns.

Another fashion favorite.

back for a Spring sojourn in the wool dress, starring alone or with its own matching jackets in airy meshes, lenos and nets, breathlight tweeds, wool volles and georgettes, and textured crepes, fine as spider webs, yet woven of the strongest worsted yarns.

Tweeds—newly grained and flattened are occasionally accented with tiny bouclette nubs. Light as they look, new season tweeds are lacy and airy in quiet colorings, heather tones, or livened with slashes of white yarns.

Dipping into yesterday for more inspiration, fashion takes lessons from grandma, producing a wondrous array of feathery wools that look hand knit. Thick, soft yarns are ingeniously woven to look like afghans, bubbly bed-throws and bulky sweaters.

Jerseys, the real knits of fashion, emerge with firm new vitality: classic patterns, firm-bodied herringbone effects, pettipoint and novelty ribbings.

Riding high on the worsted revival list are gabardines, serges, twills and whipcords—many with baby fine, nearly imperceptible diagonal ribs. Back again are failles with

slightly more pronounced ribbing, and wool ottomans, heavily corded for a new spring face.

The color outlook is lighter than Springtime. White and near white influence the entire fabric scene, no matter what the weave or pattern.

Pale greys are important—vying with pale beiges for one of the most important looks of the season. Moving into stronger colors, blues are bright and true, from navy to rich sapphire. Greens are greyed to no-color. Mauve and touches of mauve add colorful whimsy to the spring spectrum.

Peach and persimmon are popular accent colors, and in the brown family rust, antique gold and bronze burnish the season. Reds blaze a dramatic path into Springtime, best in bright and corally tones, pure pinks and rich American Beauty.

### Home Agent Suggests Ideas For Thanksgiving Menu

Whether your choice for Thanksgiving dinner is turkey, chicken, or pork, you will find some good news at the meat counter this year, says Marguerite Kerr, Essex County home agent. And, when you pick out the vegetables and fruits to meet menu needs, you will find good buys, too.

There is something about the Thanksgiving Day dinner that makes it different from the festive meals at other holidays and celebrations. Maybe it is because the pattern follows closely that of the early Pilgrims, with such items as turkey, cranberries, and potatoes having a major place in the menu. Or, maybe it is because Thanksgiving Day is truly a native American holiday, or because it comes at the end of the growing season, just before the onset of winter.

While the menu of the Thanksgiving meal has come down through the years with remarkable likeness to the dishes served on that first Thanksgiving Day, there have been many changes.

Agriculture has made tremendous strides. The cultural practices, the varieties, the quality, the harvesting are all different. Transportation, a slow inefficient operation when there was any at all in the days of the Pilgrim fathers, has also seen great changes.

One of the results of this progress in production, processing and distribution has been to take a lot of the work out of the job of preparing the Thanksgiving dinner. In addition to better quality foods, we have the choice of preparing our food completely at home or of buy-

ing partially prepared foods, we make the choice based on how we want to expend our time, energy and money.

Marguerite Kerr gives the following suggestions for making meal planning and shopping easier and the festive day more pleasant:

Plan your menu early. From the menu, make out the shopping list, keeping in mind the number you are going to serve, what you have on hand and the best buys in the market.

Shop early and avoid last minute rush, crowds and shortages. Do as much ahead as you can. For instance, pies or jellied salads can be made ahead, Turkey dressing can be made the day before and refrigerated. The table can be set the night before.

Here is a suggested Thanksgiving menu containing foods that are in good supply in New Jersey markets.

### Salt Loss May Cause Fatigue

Father's weariness after a bout with the lawn-mower, children's fretfulness following a romp in the hot sun, and Mother's "all-gone" feeling when the household chores are done may be attributable to salt losses from excessive perspiration as well as to physical exertion.

The salt and water lost from excessive sweating must be replaced to avoid heat-fatigue and more serious consequences.

Fortunately, the abundance of summer fruits and vegetables that have a natural affinity for salt plays into the homemaker's hand in providing the extra salt needed by an active family in summer. Use of a little more salt in the preparation of foods and the serving of salty nibbles with cool summer drinks are good protection against salt depletion. The body uses the salt it needs and discharges the rest.

Studies have shown that as little as a five per cent loss of salt from continued heavy perspiration produces weariness. Heat fog follows in three stages: Loss of will to work follows a 10 per cent salt loss; effort is forced when the supply drops 20 per cent; and dizziness may result from a 30 per cent salt loss. When the body's salt supply drops 40 per cent, heat cramps may occur, while a 50 per cent loss may result in prostration.

Heat stroke or sun stroke is the oldest known disease, and the oldest records of the affliction are in the Bible. Fifty years ago in this country it was believed that drinking ice water after exposure to prolonged heat was the cause of stomach cramps and other symptoms. Now it is known that the contributing cause is loss of salt in the system, and that salt lost through perspiration must be replaced continually to maintain an adequate reserve.

### New Seamless Hosiery Cued For Fall Wear

The bare leg or uncluttered look of seamless hosiery has reached out from its summer shell to encompass all seasons. Once found almost exclusively in sunnier shades and worn to present the illusion of bare legged beauty, seamless hose is now conceded to be the fashion leader in every shade and weight for coming fall and winter wear.

The opaque or covered look for day and country wear,

which some women prefer to the wearing of tights, is very apparent in a new-type stretch nylon.

Sheer, seamless hose are of course worn for every day and dress occasion, and color-wise pick up the shade of the ensemble.

Perfect color matching in hosiery is not considered half as smart as wearing a tone that carries out the color theme of an outfit and blends in without noticeable difference.

Blond, olive, wine and gray composites are the color leaders, that go well with all of the new fall shades.

Off-black is still the glamour tint for cocktail and evening wear. But whatever the shade,

### Teens Fall for Casual Shoes

Teenage hearts have been captured by a casual shoe this fall—the leather boot. The long, high silhouette coordinates with high-hemmed slim jims, skirts and bermudas.

The new styles are marked by pointed toes, high vamps and backs rising above the ankles, in brushed and smooth leathers. Queen of campus casuals is the suede leather boot, pointed at toe and back, with a center-line seam, flat or squashed heel and slim, flexible leather sole.

Casual flats in all-leather textures feature squared-off and oval toes as variations on the tapered toe. One-to-five eyelet ties with tassel-tipped laces and ghillie ties are the favored closing for flats and oxfords.

Spectator and saddle treatments supply a fresh, seasonal look in contrasting leathers and color combinations.

For a more formal occasion, the teenage girl wears a pump—often with a bow. A short T-strap and a low instep strap are seen in smooth, grained and patent leathers. Festive, too, is a black suede boot-like pump with a plain or high slit vamp.

It's a seamless, colorful hosiery season.

The songs sung by the Venetian gondoliers have given us the musical term "barcarolle."

### Men's Shoes Are Going

#### "Continental"

American Continental styling, featuring the "more shoe" look, but retaining the lightness and flexibility to which men have become accustomed, dominates men's fall footwear, according to Leather Industries of America. The new shoes show the Continental touch in their slim, graceful lines, but their greater body and durability, due to the use of new lightweight but rugged leather soles and uppers, are characteristically American.

Moderately tapered uppers are set on flexible leather soles trimmed close to the shape of the uppers. Instead of a flimsy, slipper-thin sole, American Con-

tinental styles have a more practical, shock-absorbing medium leather sole that cushions the foot through a day's standing and walking.

The American Continental tapered-toe look may be either rounded or squared off at the tip. The taper ranges from very slight to a low extreme, almost pointed style, but most shoes are moderately tapered. This shape, combined with soft and pliable leather construction, gives the foot maximum toe room and the trim elegant look demanded by current styles.

"True brown," the name of a new family of men's leather shoe colors which became widely popular last spring, will be even more popular in autumn. Having no red undertones, versatile "true brown" leathers can be worn not only with the new fall brown suits and slacks, but with all shades of blue, light and medium gray, olive

and charcoal green. Perennially popular black, in both smooth and lightly grained leathers, will be available in many styles for dress and casual wear.

Fewer than a thousand grizzly bears, once undisputed masters of the American Northwest, remain in the United States outside Alaska, and most of these are in Montana. They have entirely disappeared from Texas, Arizona, New Mexico, Utah, Oregon, the Dakotas and California.

Highest body of water in New England is a Pond, called Lake of the Clouds, which stands on a shoulder of Mount Washington in New Hampshire, at an elevation of 5,088 feet.

### Conference for Volunteers

A Service of Dedication followed by a Conference for all Episcopalians who serve as volunteers in hospitals throughout the Episcopal Diocese of Newark will be held in Trinity Cathedral, Newark, on Sunday, November 22, from 4:30 to 8:30 p.m. While the program is sponsored by the volunteers of the City Mission Society of the Diocese of Newark, all volunteers who are working in hospitals under other agencies are also invited to attend. Prospective volunteers are especially welcome.

The Right Reverend Donald MacAfee, D.D., S.T.D., Suffragan Bishop of the Diocese, will give the address at the Service. Dr. Archie Crandall, Superintendent of Graystone Hospital, will take part in the Service.

Following the 4:30 p.m. Service supper will be served in the Cathedral House, 24 Rector street, Newark, at 5:45 p.m. The supper speaker will be The Reverend E. Wendell Stenham, Chaplain of the Greater Hartford Council of Churches, Hartford, Connecticut, who will speak on "The Meaning of Love in Human Relationships." He will discuss the kind of love that heals and its application to the needs of people in crisis.

Over 200 volunteers of The City Mission Society serve in ten public hospitals located in different areas of the Diocese where they primarily minister to the lonely and forgotten. From Christ Church are: Mrs. John D. Long, Ferncliff terrace; Mrs. Dean Emery, Highland avenue; Mrs. Robert Craig, Jefferson road; Mrs. Ralph G. Morrison, Whitney road; Mrs. Raymond T. Chamberlin, The Crescent; Mrs. Wilfred S. Burgess, Park road; Rear Admiral and Mrs. Charles L. Austin, Forest drive South.

### YM Schedules Skin Diving Demonstration

The YMCA will present an aquatic open house and skin diving demonstration at the YM pool, on Friday November 27 at 8 p.m.

The skin diving demonstration will be conducted by the SCUBA Club of New Jersey, a skin diving and aqua-lung club affiliated with the Summit YMCA. The local Y has taken the lead in training and education in skin diving since the growth of the sport in the past few years.

The Friday night program will begin at 8 p.m. and will include an exhibition of water ballet by the Summit Synchronettes. Admission to the open house and demonstration is free. The pub-

lic is invited. Children under 12 must be accompanied by an adult.

### Nine-month Net Doubles in 1958, Reheis Reports

The Reheis Co. of Berkeley Heights, manufacturers of antiperspirants and other chemicals, more than doubled its net income for the first nine months of this year compared with the same period in 1958, the company reported last week.

Net for the period ending September 30 amounted to \$129,513, equal to 53c per share on 244,549 shares outstanding. This compares with \$54,823, or 22c a share, for the first nine months of 1958.

Net sales rose from \$1,514,183 to \$1,620,934 and other income from \$5,759 to \$21,144.

Reheis offered its stock to the public earlier this year at \$5.50 per share. It immediately was quoted at \$9.50 and is now quoted at about \$11.50 per share.

### Boro Youth Sets Two Middlebury Football Marks

Senior halfback Dave Barenborg led the Middlebury (Vt.) College football team in two departments, according to final statistics released this week. Middlebury' leading scorer and on defense.

The Murray Hill back was Middlebury's leading scorer and topped the rest of the backs in yards gained rushing. Barenborg turned in the greatest performance of his varsity career Behrman, Isidor Gross, Robert in Middlebury's final game of the season November 7, Saturday when the Panthers overwhelmed Vermont, 28-0.

The win gave Middlebury its title in the four years and its fourth straight winning season. The team's record of 5-1-1 was the best by a Middlebury team since 1948.

In the finale, Barenborg scored three touchdowns, a pair of two-point conversions and carried the ball 19 times for 119 yards and was outstanding.

# OVERLOOK HOSPITAL

## 2,023 BABIES

WERE BORN AT OVERLOOK LAST YEAR

(over 10,000 grown-ups were patients, too)

### Overlook Is Growing With Them

—A NEW NINE-STORY WING IS OPENING

#### DID YOU KNOW?

**THAT** one out of eight people will be hospitalized this year. Population increase makes Overlook's growth imperative if it is to meet Community needs. The number of patients has doubled since 1950. Two floors, not originally scheduled for completion, are being finished at less cost now. \$2,700,000 has been raised. \$1,200,000 is the remaining goal.

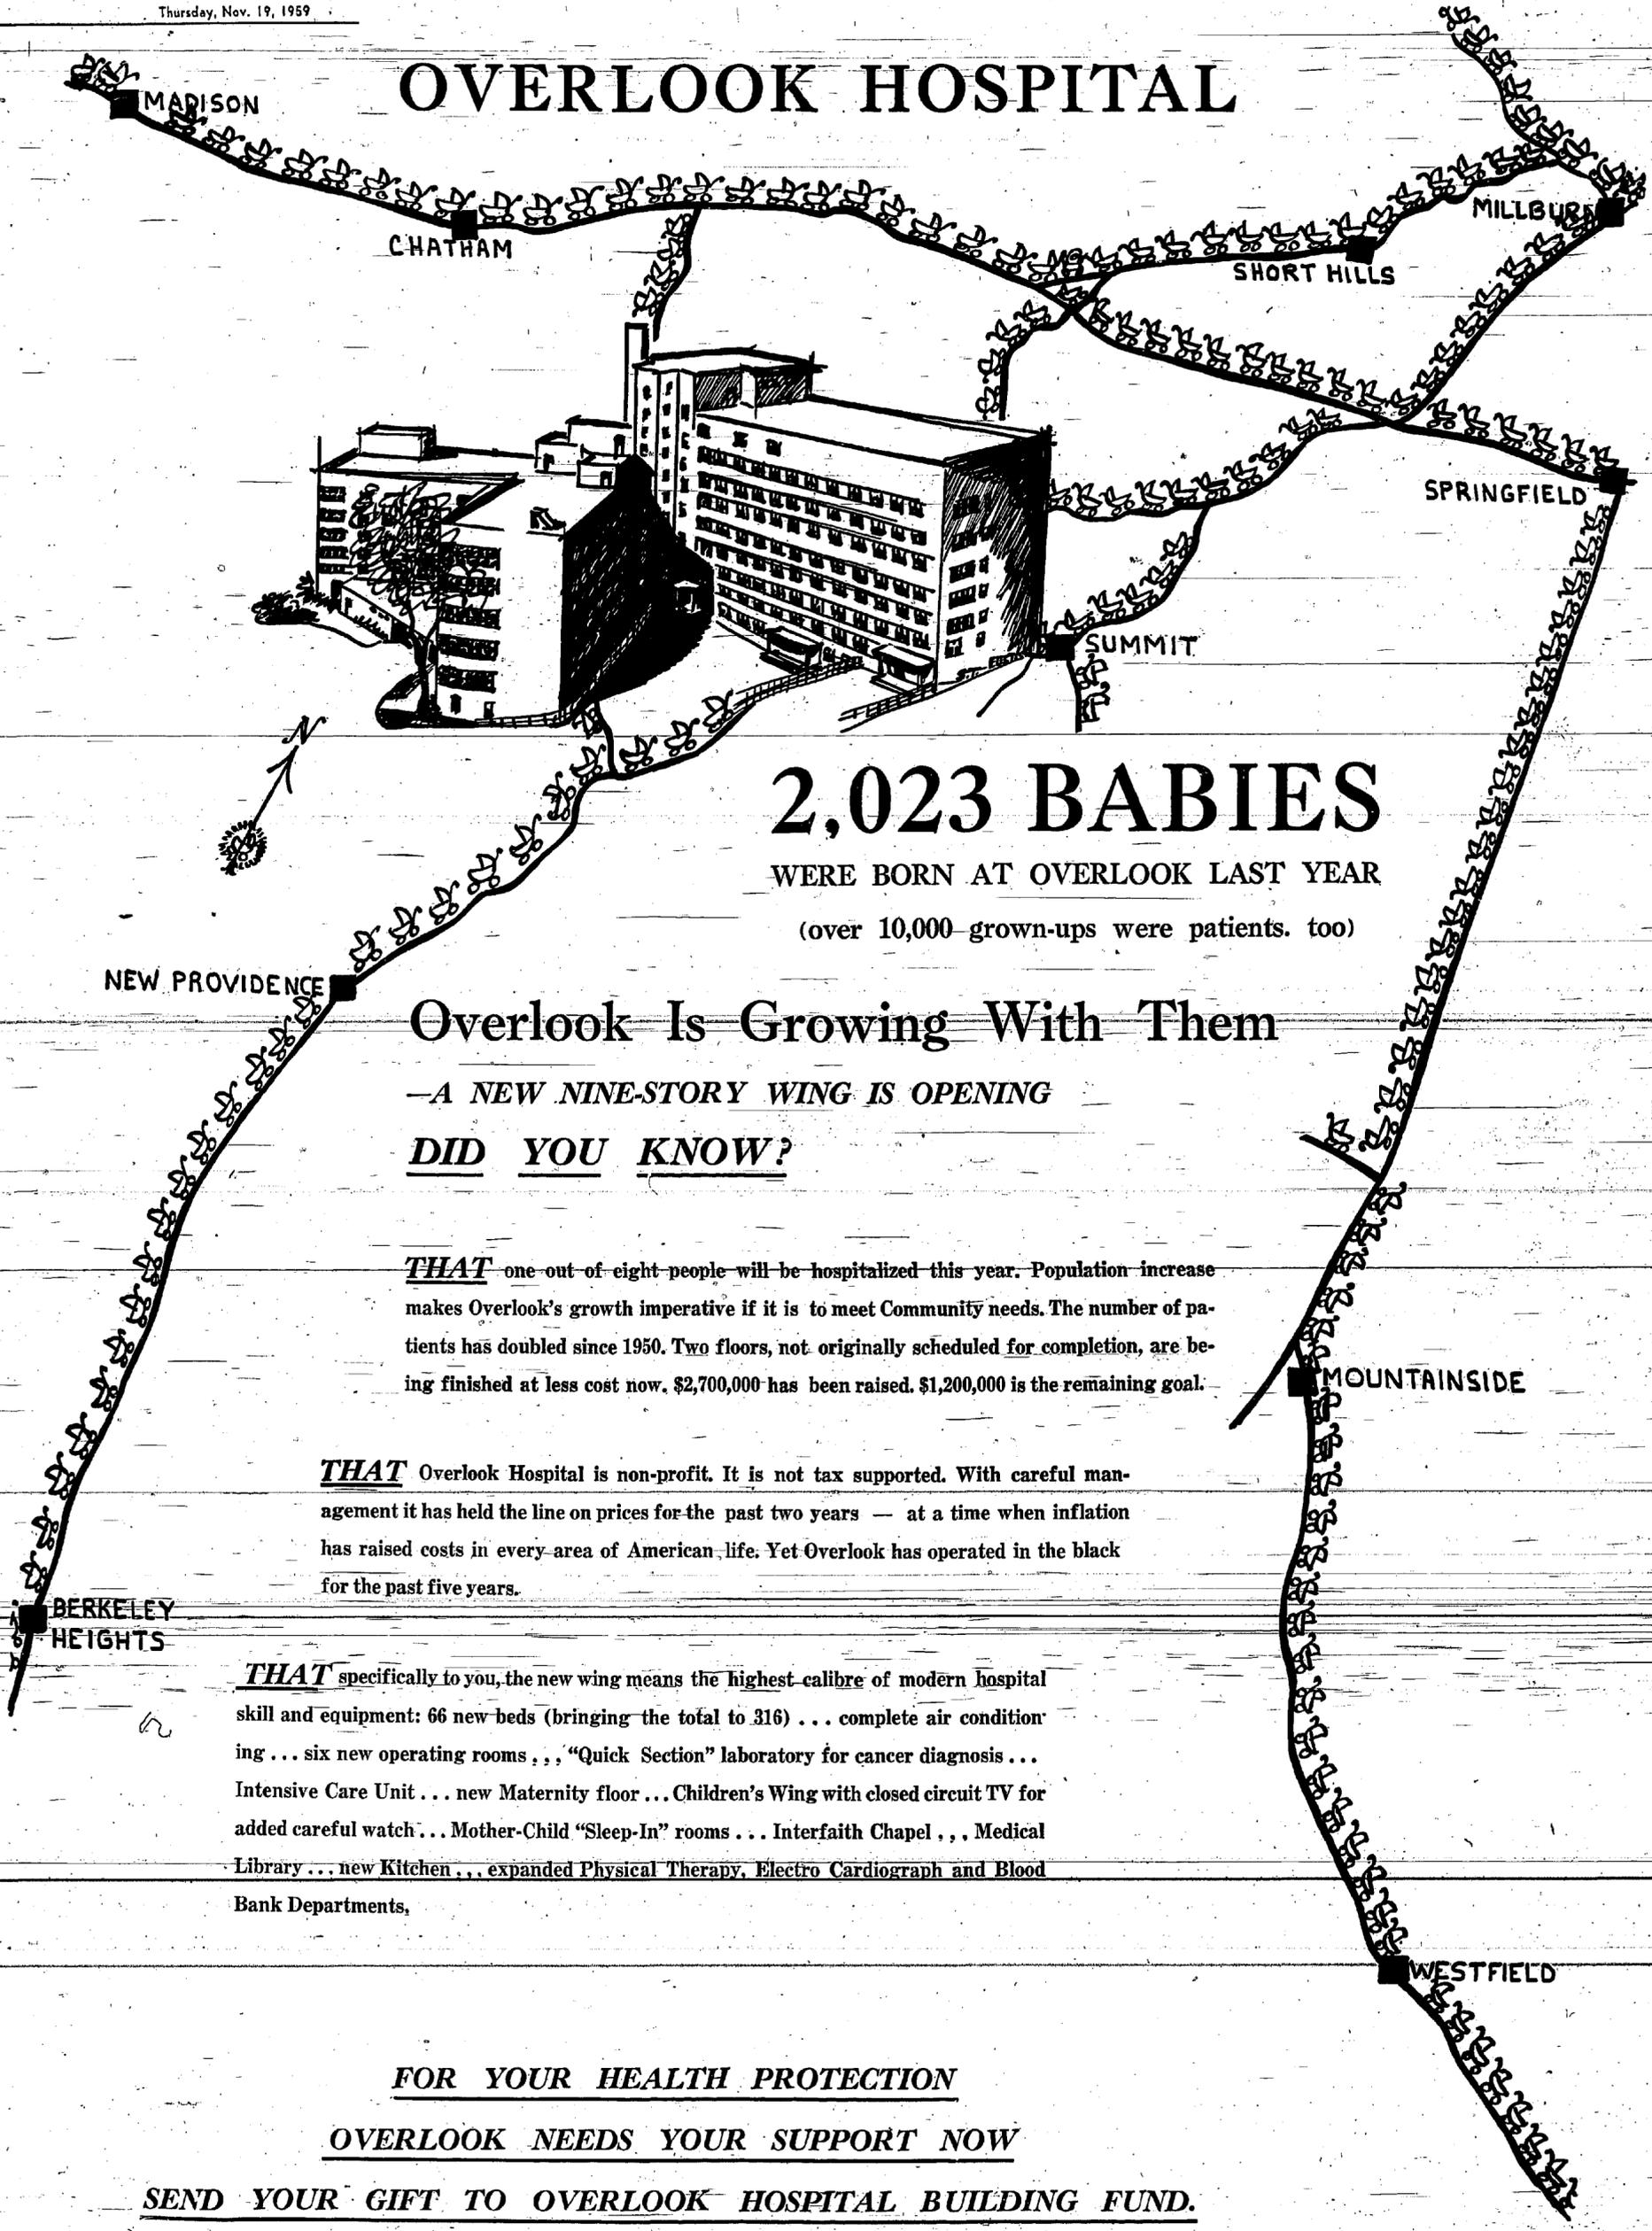

**THAT** Overlook Hospital is non-profit. It is not tax supported. With careful management it has held the line on prices for the past two years — at a time when inflation has raised costs in every area of American life. Yet Overlook has operated in the black for the past five years.

**THAT** specifically to you, the new wing means the highest-calibre of modern hospital skill and equipment: 66 new beds (bringing the total to 316) . . . complete air conditioning . . . six new operating rooms . . . "Quick Section" laboratory for cancer diagnosis . . . Intensive Care Unit . . . new Maternity floor . . . Children's Wing with closed circuit TV for added careful watch . . . Mother-Child "Sleep-In" rooms . . . Interfaith Chapel . . . Medical Library . . . new Kitchen . . . expanded Physical Therapy, Electro Cardiograph and Blood Bank Departments,

**Smart Leather Fashions Score For New Season  
Designers Feature All Leather Wardrobes**

Wonderful leather coats and jackets promise even more luxury this fall. Leathers are softer, more supple than ever before, thanks to entirely new tanning methods. And, of great importance, leather now has an excellent shape-holding power. One of the greatest joys of leather apparel is the easy upkeep—most garments can be cleaned with a damp cloth without losing any of the fine luster of leather.

Smooth, soft leather is shown in coats that fit easily on the shoulders and sweep out into a graceful fullness at the hemline. This style is effective in both clutch or button-front designs.

Jackets, too, are seen in both tailored and flowing lines, featuring similar detailing as in the full-length coats, and suited to many occasions around the clock.

Lace, lustrous satin, taffeta, silk bombazine, nylon tulle, peau de soie and a number of rich-looking fabrics beautifully fall-weddings.

Yes, leathers are softer and more supple than ever before, thanks to entirely new tanning methods. And, of great importance, leather now has an excellent shape-holding power.

One of the greatest joys of leather apparel is the easy upkeep—most garments can be cleaned with a damp cloth without losing any of the fine luster of leather.

Much attention in the latest leather designs is devoted to

custom-like detailing—in seaming, stitching, banding, inset, belt and collar effects.

Match-mates may be had for the new jackets and coats too, slim or full skirts, slim capris or slacks, and casual hats.

Good leather is one of the best fashion investments you can make. And this fall, you'll receive a big extra dividend in styles that are exceedingly smart!

**Bridal Gowns Combine Romantic Styling, New Design Details**

Following fall directions in fashion, bridal gowns combine such '59 news as important necklines and sleeves with traditionally romantic silhouettes.

Cloche or bell sleeves, modestly scooped or squared necklines that have been applied with lace and sprayed with paillettes are pretty ideas for wedding gowns which feature gently rounded skirts. Side width for the skirts is created through shirring or pleating.

Lace, narrow puffed with a leg-o-mutton puffing at the shoulder are an evening theme that carries over to bridal gowns. Sleeveless and brief sleeved gowns get more than usual fall attention. Often, they're accompanied by a bo-

tero jacket, creating a covered up look for the wedding. Then the gown alone can be worn later for evening occasions.

Back interest is expressed by shirring, bows, streamers, loops of self-fabric.

Big Bertha collars top many gowns. Pleated cape collars repeat the theme of pleating that appears on sides and trains.

Lace, lustrous satin, taffeta, silk bombazine, nylon tulle, peau de soie and a number of rich-looking fabrics beautifully fall-weddings.

**Styles for Junior Sizes Have Classic Yet Feminine Air**

Who is a teen? a junior? Is she a size—or an age? The controversy continues, but one thing is certain. Whether she's high school girl, college girl, career girl or young mother, she's Miss or Mrs. U.S.A. in her preference for the leading fashions of the season.

With the fall emphasis on classic, yet softly feminine styling, the problem of the girl or woman with a teen-or-junior sized figure is greatly simplified.

Among the wealth of shirt dresses, separates, Chanel-look suits, walking suits, all-weather coats, dress-jacket costumes, dressy coats and special occasion dresses, she's certain to find the fashions she wants, in sizes that fit both her youthful figure and her way of life.

Separates Approved Many of the teen-and-junior-sized fashions are appropriate for all ages, thanks to their classic styling. Others are planned for the special needs of the high school and college crowd.

Regardless of age, all "teens" and "juniors" agree on the importance of separates, here for fall in new muted colors, with leather and gold playing leading roles. The Continental look, usually featuring a blazer or "a-way jacket, is a favorite.

Sweaters, blouses, shirts, skirts, jumpers and pants compose a variety of costumes, and dyed to match separates are staging a fashion revival.

For the younger age groups, vests are a lively addition to separates costumes.

Suits Go Everywhere Chanel look suits with easy open jackets, walking suits with topper-length jackets and dress and jacket costumes in teen and junior sizes go to the office and P.T.A. meetings as well as high school and college.

All these suits, as well as the more-tailored suit and the fitted-and-belted suit come in dressier, special occasion versions, too. The big news of fur trims appears often on collars and cuffs.

For campus wear, the walking suit is liked with a fur or fake-fur lining.

When a dress isn't a shirt-dress—and it frequently is—the teen-junior preference is for styles that stress the sleeves, collar and or neckline.

News of Local Troops

Troop 756, Leaders, Mrs. F. Richmond, Mrs. L. L. Andrews, Springfield Troop meets every Thursday evening, from 8:00 to 9:00 P.M. at St. James School Gym. Following new scouts were welcomed into the troop, Margaret Brandowski, Diane Dreher, Patricia McLellan. The girls are working on the "Community Badge", and with the help of Mayor Bonadonna and the Townsfolk hope to learn of many ways to serve our Community. The Scouts will take part in distributing the Annual Scout Thanksgiving baskets with all of the other scouts and Brownies of St. James. The girls are also working on mittens, scarves and hats which they will place on the Scouts' Mitten Tree to be given to an orphanage at Christmas. The girls of the troop have also been given Christmas favors to make and deliver to the Mellick Home a week before Christmas. The troop went by the D.L.W. Hoboken where they were shown through a Diesel Train and then taken on a sightseeing boat to Bayonne, where a Navy bus took them to see the Film in the USS Carrier Franklin D. After the film they returned to the boat, where some of the girls went aboard an LT boat to spin around the base, while others went to see Fire Control. Guests of the troop on this trip were: Mr. F. Sammond, Mr. L. L. Andrews, Jr., Mrs. E. Boehm, John Sammond, Eugene Boehm and James Muln. Troop 749, Leaders, Mrs. T. Dziubaty, Mrs. B. Edelstein, inaugurating the new policy of setting aside certain meetings each year as Social Training. The troop recently held its first social event meeting, at which time the girls displayed their knowledge of leading group games, social dancing and acting as hostesses in preparing and serving refreshments. The girls baked delicious cup cakes, and in addition to displaying their individual talents as social dancers, they taught each other the various dance steps comprising the modern Rock N. Roll and other ballroom dances. On November 9th, the troop held an Investiture Ceremony, at which time the following girls were officially welcomed to the troop, Barbara Kanjar, Angela Tutela and Mary Ann Racioppi. On November 16th, the entire troop went on a trip to Joes Bros. in Rahway. The purpose of this trip was to enable the girls to obtain certain requirements necessary for their "Interior Decorating Badge." Mrs. Daly, a representative of the company, conducted the girls on a personalized tour, during which time furniture placement, color, texture, period, etc. were explained. At the conclusion of the tour refreshments were served. Mrs. R. Liebling was in charge of transportation, with the assistance of Mrs. F. Fried, Mrs. M. Zeldner, Mrs. N. Vogel.

YOUR LIBRARY

Both school and public librarians in charge of children's services are aiming today to do some work in library instruction so that future generations will be self-sufficient users of the library and be intelligently familiar with all its resources. They will be capable of effective research, knowing something of the Dewey Decimal System, the Card Catalog, the encyclopedia, Reader's Guide to Periodical Literature, and the many general and specific reference handbooks. Last year many classes from the K-8 grades in Springfield visited the library for book talks and library instruction. The Enrichment Group (Grades 1, 2, 3) came for three or four lessons. These eager children learned to use the encyclopedia, to recognize the difference between the author, title and subject card in the catalog, and by the symbols and numbers used in the Dewey Classification to locate the books on the shelves. They learned to know the difference between fiction and non-fiction. Other groups in the lower elementary grades come for a pleasant introduction to the library, a book talk, or a discussion of their reading interests. Children in the upper elementary grades go further into the study of the books in the ten main classes, knowing exactly where to locate them in the library. So far this year the Children's Librarian has received five classes: Mrs. Millicent Kramerian and Mrs. Ann Reesor from Walton School; Mrs. Myrtle Hardy from Raymond Chisholm, and Sister Christopher and Miss Byre from St. James School. Others will be coming throughout the school year. The teachers usually do some follow-up on this introduction to the library resources and it is continued in the junior and senior high level in the schools. The Children's Librarian has been pleased to have many teachers come in person to select books for their classroom collections which the Children's Department sends to the schools. According to the October report, it was estimated that approximately 3500 books were circulated from the classrooms through these collections loaned by the Public Library. Both the schools and the public library are cooperating to give access to the best in reading, to help the reluctant reader, and to challenge the gifted child. They both stand ready to help in the school assignment problem. The Public Library is prepared at all times to support any educational institution.

will begin at 7:30 sharp! All boys must wear uniforms and caps and be accompanied by one or both parents. The theme for this month is "Country Store." Woman's Club News

The Drama Department of the Springfield Woman's Club which met recently continued discussing their plans for the Program for Husband's Night in March. Plans were also for

mulated for a Theater Dinner the evening. This theme was Party at the Papermill Playhouse and the Chanticleer. The play will be "Annie Get Your Gun" and the event will take place for the December meeting. The International Relations Department had their meeting last Thursday, November 12, at the home of Mrs. W. Kish. Mrs. W. Konrad served as Co-Hostess. Since the meeting consisted of slides and a talk about Hawaii by Miss H. Frucht of Millburn the hostess and co-hostess used Hawaii as the theme for

the evening. This theme was carried out in the use of fruits and flowers from Hawaii in the decorations as well as the refreshments. All in all the use of these exotic fruits and flowers transported those who attended this meeting to that far off place the newest of our 50 states. During the meeting four new members were welcomed to the department, and we must say that this was a pleasant way to enter a new department. The new members are: Mrs. G. Bruni, Mrs. R. Hayes, Miss M. Sims and

Mrs. A. Krull. Just a few more short notes and reminders for the members of the Springfield Woman's Club. The Executive Board Meeting will be held early this month due to the Thanksgiving holiday. All Executive Board members are asked to note that the meeting will be held on Tuesday, November 24, at the home of Mrs. W. Konrad, 210 Hawthorne Ave. Co-Hostess will be Mrs. Thomas Geddes. **WALTON SCHOOL**  
On Monday, November 16, the Springfield Walton PTA held its Class Visitation meeting. In conjunction with Open House Week and National Education Week, PTA invited all parents to see the classrooms, the children's work and hear a short resume of classroom activities.

A great number of interested parents came, saw, and were informed of the educational processes of our school. Mrs. William Franklin, Jr. presided over the short business meeting. Mrs. Leonard Atkin, legislative chairman, reviewed the changes made in our by-laws. Refreshments were served.

This year's UNICEF program resulted in the collection of \$922.43 for the world's needy children. This exceeds last year's total of \$904.00. This is a most gratifying response considering the inclement weather.

As the Walton PTA representative to the town wide drive, I would like to thank all those who participated. Mrs. Beno, Mrs. Franklin, Mr. Moses, Mr. Murray, Mrs. Pillar, Mr. Quinn, Mrs. Ray, Mrs. Smith, all the teachers and parents and most of all the children who collected.

**GAUDINEER**  
Classroom Visitation will be the feature of the meeting of the Springfield Gaudineer PTA on Monday, November 23, 1959 at 7:30 p.m. in recognition of American Education Month.

There will be a brief business meeting at which time attendance award will be taken for the class with the highest percentage of parent representation. Mr. Norman Gierman, Gaudineer PTA School Education Chairman, will give the directions for visiting the classrooms. Parents will

Mrs. Charles Miller, Membership Chairman, and Mrs. H. E. Enz, Budget Finance Chairman wish to thank Room Representatives, Members, and School Staff for their wonderful cooperation during the Membership Enrollment in October, and for donations and patronage at the Bake Sale on Election Day, November 3rd.

Mrs. Daniel Kalem wishes to express her appreciation to everybody in the Gaudineer PTA who helped make the UNICEF drive on Halloween such a success, as well as to Mrs. V. James Cincouina, Mrs. David Kaplan, Mrs. Irving Montag, Mrs. William Geitz, Mrs. John Unterwald, Mrs. John Shea, who collected the UNICEF cartons from the students at Gaudineer School.

Please change the date of the January meeting on your calendar to January 25, 1960 (Monday).

**CALDWELL**  
The James Caldwell School P.T.A. of Springfield met on Monday, November 16, 1959 at 8:15 P.M. in the school auditorium. Mrs. George Kunc, President, presided. The Rev. Virgil E. Mabry of the Methodist Church offered the invocation. Mrs. Lucy Forsyth, Principal, spoke briefly on In Service Training which includes all the grammar school systems and is mainly a course of study in which all the faculty participates for the purpose of outlining the school program and course of study for the year.

Mrs. Kunc announced the following members of the Nominating Committee: Chairman, Mrs. Everett Howell; Mrs. Alan Cunningham; Mrs. John Schoch; Mrs. Bert Hope and Mrs. Robert Powers.

After the business meeting the parents visited the various classrooms, met the teachers

and heard the year's program outlined. They also saw examples of work done by the pupils and examined the books and materials used by the pupils.

Before the business meeting was held, the parents of the kindergarten children were given an opportunity to visit the Presbyterian Parish House between 7:15 and 7:45 P.M. in order to see the classrooms and the samples of work done by the children. While there, the mothers and fathers were urged to draw and paint pictures for their youngsters as a memento of their visit.

The various class mothers aided in compiling the attendance and these figures indicate that there were 538 classroom visitations.

**Couple To Note Sixtieth Wedding Anniversary**

Mr. and Mrs. Frederick R. Bohl

Mr. and Mrs. Frederick R. Bohl of 730 Mountain Avenue, Springfield, will mark their 60th wedding anniversary Nov. 29.

The couple was married in Brooklyn in Thanksgiving eve, 60 years ago, by the Rev. Robert Bruce Hull, Hilma Johnson, now Mrs. William Zink, and Fred Condit were their attendants.

Mr. Bohl, who was born in Orange Valley 87 years ago, is a retired engineer of the Springfield Pumping Station of the Elizabethtown Consolidated Water Co. Mrs. Bohl, who is 81, was born in Brooklyn.

Both have been members of the Millburn Baptist Church for 40 years.

The couple has two sons, Frederick M. of Millburn and Frederick M. of Dover, and three daughters, Mrs. Edward Matern of Hempstead, Long Island, Mrs. Roy Bahring of Ocean Grove, and Mrs. Clyde Hissler of Millburn, 9 grandchildren and 6 great grandchildren.

**Vim's Anniversary Offers Many Prizes**

Two thousand dollars in cash, a 10-day vacation for two in Miami, Fla., via National Airlines jet and a variety of appliances await the winner of Vim Stores' "Life Begins At 40" beauty contest currently being held in honor of the company's 40th anniversary.

In addition to the cash and the trip, the grand prize winner will also receive an RCA Victor color television, a Motorola-transistor radio, an Admiral stereo-hi-fi phono, a Roto Broil 400 and a Westinghouse vacuum cleaner. Second prize consists of \$1,000 in cash, a Kelvinator refrigerator and an Admiral television console. The third place finalist will receive \$500 in cash and an Olympic radio-television-stereo-hi-fi combination. Vim will also award 37 Traveler transistor radios as consolation prizes.

A panel of prominent newspaper columnists, including Igor Cassin, "Cholly" Knickerbocker of the Journal American and King Features Syndicate, Joseph X. Dever, society editor, and Frank Farrell, of the New York World Telegram & Sun, Herald Tribune, Mel Heimer, of the King Features Syndicate, Yard Mosehouse, of the New York newspaper, Robert Peterson, of the King Features Syndicate, Louis Sobol, of the New York Journal American and King Features Syndicate, Dan Walker, of the New York Daily News, and Earl Wilson, of the New York Post and Post Syndicate, will serve as judges.

The contest is open only to women born in 1919, the year Vim was founded by the four Kassarover brothers, Sam, Max, Jay and Nat. There is nothing to buy. The grand prize winner and two runners-up will be selected at a luncheon to be held Wednesday, Dec. 2nd, in the Emerald Room of the Hotel Astor.

Entry blanks and contest information may be obtained at any one of the 63 neighborhood Vim stores throughout the New York-New Jersey metropolitan area. The nearest Vim store is located in the Safeway store, and Frank Farrell, of the New York World Telegram & Sun, Herald Tribune, Mel Heimer, of the King Features Syndicate, Yard Mosehouse, of the New York newspaper, Robert Peterson, of the King Features Syndicate, Louis Sobol, of the New York Journal American and King Features Syndicate, Dan Walker, of the New York Daily News, and Earl Wilson, of the New York Post and Post Syndicate, will serve as judges.

**American Legion Auxiliary Meets**

The American Legion Auxiliary held their regular meeting at the Post Home on Friday, November 13. The Springfield Auxiliaries entertained the group with several outstanding members. Plans for the annual dance to be held in January were discussed as well as preparations for the annual Christmas party to be held at the regular Auxiliary meeting on December 19. President Doris Holme thanked Mrs. Alfred Rutz, Rehabilitation chairman, and all the members who attended the Ward party held in Lyons Hospital. Refreshments were served by the Hospitality Committee.

**Football Rally Set For Wednesday**

The Springfield Regional High School Booster Club announced today a rally will be held Wednesday at 2:30 p.m. at the Meisel Avenue field to show support for the school's football team which plays the Railway Thanksgiving Day game. The band, cheerleaders, twirlers and student body will be present through the cooperation of Dr. Jacobsen, Michael Suchena, athletic director, and the Student Council.

**Regional To Have Thanksgiving Dance**

The annual Thanksgiving Evening dance will be held from 8 p.m. to midnight in Springfield Regional High School, the school's Booster Club announced today. Music will be by the "Gents." All high school students and alumni are welcome, according to the club.

**FMBA Elect Officers**

The Fireman's Mutual Beneficent Association of the paid Springfield Fire Department elected the following officers for the year at a meeting held on November 2.

Named president of the group was Harry Astley; Vice President John Branning; Secretary Ted Johnson; Treasurer George Wentz and Delegate Reginald Ronco. All were elected to three year terms.

**Overlook Opens Drive With Buffet-Tour of Wing**

A capacity crowd attended "Hospitality Night" at Overlook Hospital Monday evening, November 16th, in the initial rally and buffet-tour for the Build-Up Campaign workers.

More than 200 campaigners toured the new wing, in groups of ten, to get a first-hand picture of the latest medical advances and facilities.

Donald H. McLean, Jr. of Summit, President—of the Board of Trustees, stressed the significant principles underlying the bricks and mortar of the new wing.

**Remind Residents Of Book Drive**

Richard Locke, president of the Friends of the Library of Mountaineer, reminded residents today of the Mountaineer book drive set for next week. Every boy and girl may donate a book or books to his or her library.

The book is to be one that he or she had enjoyed reading or knows that another child will enjoy reading. Mr. Locke said.

The children will receive donation labels that they may fill in and paste in the donated books, he noted.

The Friends of the Library have scheduled the drive during Thanksgiving Week, Monday, Nov. 23, Tuesday, Nov. 24 and Wednesday, Nov. 25. The school children may take their donated books to their respective schools, where library representatives will receive them.

**Local Man Ends Basic Training**

Thomas J. Smith, EA, US-G, son of Mr. and Mrs. B. Smith of 34 Crescent road, Springfield, has completed 12 weeks of basic training at the U.S. Coast Guard Receiving Center, Cape May. He entered the Coast Guard in August.

Smith, a fireman apprentice, will now report to the 3rd Coast Guard District for further duty.

Before entering the Coast Guard he attended Bayley, Ellard High School, Madison.

**Plan Fall Dance**

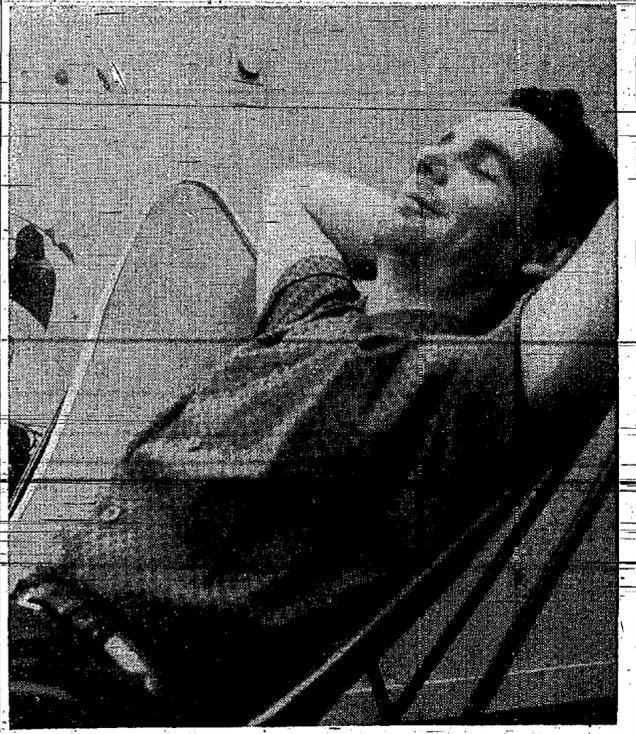

The Shunpike Civic Association will hold its fall dance at the Conkey in Livingston Saturday at 7:30 p.m. Entertainment information may be obtained through Mrs. Norma L. Cooperman, DR 9-4089.

**in the ELECTRICALLY HEATED home...**

there's comfort like you never knew before!

Relax, friend! No matter what spot you choose to settle down in, you'll be just as warm and comfortable as anywhere else in the room. That's because there's no place for drafts or cold spots with electric resistance heating. Heat flows evenly from wall to wall or ceiling to floor. And another thing! It doesn't leave the air uncomfortably dry. Good? Well, now it costs less than you'd think!

Look for the GOLD MEDALLION, the sign of complete electric living.

### Three In Area Named To Board

Three area men have been named to the 19-member Board of Directors of the Magnus Chemical Co. Inc., Garwood. Elected by the board were: Richard P. Edmonds of 14 Cypress Ter., Springfield; Leon Salz, who was formerly employed by the Crane Packing

Scotch Plains. A graduate of the University of Chicago, Edmonds is manager of the finishes and coatings division which he founded shortly after he joined the company in October, 1952. He worked on the editorial staffs of several magazines and labored in the advertising field before becoming associated with the paint manufacturing industry in the Chicago-area in 1939.

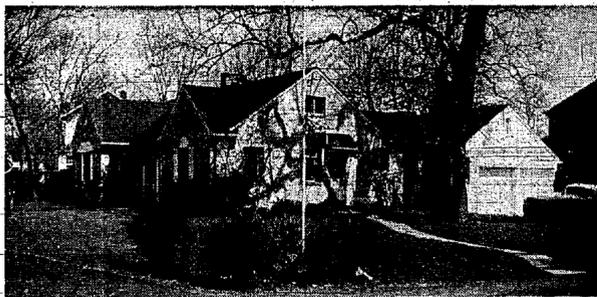

Co. in Chicago, was a senior chemist working on drawing and cutting oil formulations at the Mobil Oil Laboratories before joining Magnus in 1950. He is manager of the lubricants division. He received a bachelor of arts degree from New York University and a master of science degree in chemistry from the University of Michigan. Gabelmann, manager of production and purchasing for the equipment division, received

a mechanical engineering degree from New York University. He was associated with Carrier Corp. before joining Magnus 18 years ago. **Handicraft Items To Be Exhibited** Mrs. Glenn Oyster, program chairman of the Art Center of Springfield, has announced that an exhibition of handicraft works by New Jersey craftsmen will be held Monday, Dec. 7, at 6:15 p.m. at Gadinner school cafeteria. This exhibition is open to the public. Featured will be items for Christmas gift-giving.

Mrs. Leo Johnson has announced that classes in sculpture will be held at 143 Ballistol way starting Monday evening. The classes will consist of both beginners and experienced artists, who may work in any media, clay, wood, or stone. Further information may be obtained from Mrs. Johnson evenings at DR 6-4129.

### Turkey Shoot Set for Sunday

A Thanksgiving turkey shoot for skeet shooters will be conducted by the Union County Park Commission at 2 p.m. Sunday at the county park trap and skeet grounds, Kenilworth boulevard, Cranford. The shoot will be conducted under the Remington Handicap Rules and Regulations. Six turkeys will be awarded, three to the top gunners and three to the top handicap winners. The county park trap and skeet grounds are open to the public every Saturday and Sunday from 1 p.m. until dark. Targets and shells of all gauges are available at the trap house during the hours the traps are open.

**SOLD BY GEORGIA McMULLEN.** Property at 490 Morris Avenue sold for Dr. Walter Zuber to Richard Blaine, Short Hills Builder, through the Georgia McMullen Corporation. The property is in the process of being converted into a professional office building by Mr. Blaine.

### Spring Municipal League Bowls

In November 9, bowling Baldwin's Shell lost two games to Springfield Bowl but held on to their one game first place lead. Ehrhardt's Electronics also lost the odd game to Legion No. 1, but are still tied for second spot with the Bowl.

Dandrea Driveways follows, only two games out of first.

Wans of Beckman's Market was high man with his 246-621 series. High single games were rolled by Harbor, 238; Ralph Policarpio 234; Anderson 224; Cardinal 223; Pieper 223; Eckman 222; Pierson 221; Ehrhardt 217; Asmuski 215; Marcantonio 215; Battile 212; and Dougherty 210.

### Apple Harvest Heralds Fall

Apples belong to any season, but they are especially good when fresh from the trees, says Mrs. Irene H. Wolgamot, extension foods and nutrition specialist at Rutgers University. Apples are being picked in New Jersey, and we can enjoy them fresh from the orchard now through fall.

You have been enjoying the Twenty-Ounce-green-variety which is a good cooking apple—tart and juicy. It cooks quickly, too. This variety is tops for sauce and pies. Other excellent New Jersey apples that ripen in the fall include McIntosh, Cortland, Red Delicious, Golden Delicious, Stayman, Rome Beauty and Jerseyred. All of these varieties

### FROM THE GRANDSTAND

By Doug Voigt

Last Saturday, Herb Etzold scored three touchdowns to lead the Regional gridgers to an easy 38 to 7 victory over a hapless Piscataway Township eleven at the loser's home field. Etzold was joined in the scoring by Eddie Reese, Bobby Shayer, and Jim Scrudato. The "Bulldogs" built up a twenty to nothing lead in the first period and toyed around with the winless hosts for the remainder of the contest. Once again the air was filled with Springfield touchdown passes as three of the six tallies came on flings. Shayer scored first, going over from the one yard line. He was followed by two pass-reception touchdowns by Etzold: Reese threw the first one with Etzold gathering it in for a twenty-seven score. This made the score 13 to 0 as Bill Geoghegan added the extra point. Shayer tossed to Etzold for the next touchdown and Herb carried the ball across the goal line for his second tally. Geoghegan added the extra point, and the "Orange and Blue" led 20 to 0. After a scoreless second period, the Regionals broke into the scoring column again as Reese sneaked over from the one, and the visitors led twenty-six to nothing as the point after touchdown went awry. Etzold crossed into pay dirt for the

third time to pen the 4th period scoring. He carried from the ten to push the margin to thirty-two points. Piscataway salvaged a little glory as they scored on a one yard sneak by their quarterback, Tom Cooper. A little later, Scrudato plucked a Ken Hamilton pass out of the air and traveled 19 yards for the final tally for either team. Regional's line again looked very good as holes were opened up offensively and clogged up defensively. Rahway, the annual Thanksgiving foe, extended their unbeaten streak to nineteen games by trouncing Clark 53 to 0. The "Indians" face Snyder this Saturday and should enter the "Turkey Tilt" with their streak in a precarious position.

Regional's soccer team qualified for the State Tournament and played their first contest in the tournament Wednesday, November 18, against Summit. If the booters play as well as they did during the regular season, they could and in all probabilities will come out on top of the pack. Grandstand Picks: Millburn over Caldwell; Rahway over Snyder; Roselle over Cranford; Dunellen over Piscataway Twp. Thanksgiving Games: SPRINGFIELD over Rahway—7 points; Weequahic over Hillside—24 points; Carteret over Perth Amboy—3 points; Caldwell over Verona—1 point; Somerville over Bound Brook—24 points; Roselle over Roselle Park—6 points; Woodbridge over Edison, Township—27 points; Plainfield over Westfield—18 points.

## Do you know that...

# RESEARCH is an Ingredient of Industrial Success in New Jersey?

The human brain is the most important ingredient in successful research . . . and research is one of the most important ingredients of industrial success. In many ways, New Jersey leads the nation in its widely diversified research programs and facilities.

Ten per cent of the nation's research facilities are concentrated in New Jersey. Expenditures exceed \$620,000,000 a year. An estimated 21,700 scientists and engineers are active in New Jersey laboratories.

It is estimated that some 500 firms are active in research in "The Scientific State" today. The results of a current survey show clearly that the state is one of the greatest research centers in the U.S., if not the largest.

You should be happy and proud to be a part of New Jersey —

### Club To Hold Skeet Shoot

The November open skeet shoot, conducted by the Union County Trap and Skeet Club, under the auspices of the Union County Park Commission, will be held at the county park trap and skeet grounds, Kenilworth Boulevard, Cranford, Sunday, Nov. 28.

The shoot, slated to start at 11 a. m., will be held rain or shine and will include seven events.

There will be a 100-target all-bore event for shooters from Class AA down to Class E., a five-man team championship, a two-man team championship, a Lewis class purse, a class optional, an open optional, and a women's championship.

All shoots will be conducted in accordance with the 1959 rules and are registered with the N. S. S. A. and the N. J. S. S. A.

Awards will be given to champions and first and second-place winners in each class or event.

### Zoning Laws Unrealistic

The average New Jersey citizen is fast being deprived of his ability to purchase a home, warns the N. J. Home Builders Association, following a comprehensive statewide survey of municipal planning, zoning, and land sub-division.

The builders find that "discriminatory and unrealistic demands by municipalities are pricing the working man out of the market, noting that land has jumped from 10 per cent to 29.5 per cent of total sale price of a home within the last five years. "Mounting municipal requirements for land and off-site improvements has increased the land cost per house from \$2,000 to a current average of \$6,000 since 1954," declared John S. Wright, executive vice president of the NJHBA.

NJHBA President William H. Oliver feels that an analysis of a planning survey, with results from 100 municipalities that form a cross-section of the state, is certain to form the basis for proposed new legislation, compelling municipalities to "seek a proper balance in planning, rather than spot or discriminatory ordinances."

A survey indicates that builders must construct on lots that are three times the size of 1954 home sites. The average minimum lot size is 18,900 sq. ft., with an average minimum frontage of 102.9 ft. and an average depth of approximately 200 ft.

Forty per cent of the New Jersey builders who are dealing with subdivisions must dedicate land for either parks, playgrounds, school sites and, in many cases, all three, according to the survey findings. These requirements against the developers run from 5 to 10 per cent of the land area. Builders contend that this municipal demand is "thoughtless and unlawful confiscation of a citizen's private property, as well as causing an inflationary increase in the cost of a home site."

The survey reveals that in 70 per cent of the housing subdivisions throughout the state the average sales price of available homes is \$22,251. Mr. Wright points out that this takes into consideration four large subdivisions ranging from \$5,000 to \$9,000, and "very few that exceed \$30,000." Mr. Wright adds, "When we consider that the average weekly wage in New Jersey is \$92.50, it is very clear that the municipalities have put the builders out of business except to house a small percentage of our citizens, mostly those that are considered in the executive bracket."

"Comparing our average price per house against the national average sales price of all FHA insured mortgages — \$11,289 — New Jersey is in serious trouble, not only from the standpoint of the state's economy but also its future ability to expand industry and house workers."

### Undesirable Friendships

"Tom always used to play with such nice boys, but now he's picking up with undesirable friends," says a worried mother. "I can't figure it out and don't know what to do about it."

Sooner or later every parent comes up against the problem of undesirable friends for their children. It is at this point, before doing or thinking any further, that parents need to realize that these friends or companions are not undesirable from the child's viewpoint, says Phyllis Green of Rutgers University. Exactly the opposite, he chooses to be with them and be friends.

With these new horizons for thought and exploration opened up, parents can ask themselves a few questions. Why are these children friends of your child? What makes them so attractive to him? Will these friendships be lasting or just a passing fancy?

### Westfield Y Sets Date On Registration

Wednesday, November 18, was the date of the Winter Registration for persons from outside of the Westfield area, announced John Weinmann, chairman of the Boys and Youth Physical Education of the Westfield YMCA, a United Fund Agency.

Special programs that will be offered by the YMCA for the term starting November 23-January 30, 1960, will be Skin Diving, 9th through 12th graders, Monday 3-4. Must have passed Shark to qualify—He must also furnish mask, snorkel and fins for the course.

In addition to the special program, Mr. Weinmann stated the following classes for boys—1st thru 8th grades are as follows. All classes are 10 lessons unless otherwise marked: Polywog I, Saturday 10:30; Polywog II, Saturday 6:30 and 7:00; Polywog III, Saturday 1:30; Saturday 6:00; Minnow I, Saturday 12:30; Saturday 5:30; Minnow II, Saturday 9:30; Saturday 4:00; and Advanced Indian, Friday 8:00 a.m. This class is for boys who are fairly competent swimmers. They must have completed Minnow II.

Other swimming classes are listed as follows: Trailblazer (4th Grade), Minnow Wednesday 5:00; Fish A, Friday 4:00; Fish B, Saturday 11:30; Ranchers (5th Grade), Minnow A Monday 4:30; Minnow B Wednesday 4:00; Fish B Friday 3:30; Flying Fish Monday 5:30; Advanced Flying Fish Wednesday 5:30; Gra-Y 6th Grade and Up, Shark A Wednesday 3:30; Shark B Friday 5:30 and Barracuda Friday 3:00.

The following gym classes are being offered on a first come basis. For Ranchers (5th Grade) Beginning Trampoline Wednesday 5:00; Beginning Trampoline Wednesday 5:00; Intermediate Trampoline Wednesday 5:30; For Gra-Y (6th Grade), Intermediate Trampoline Wednesday 4:30; Beginning Apparatus Wednesday 4:30; Beginning Trampoline Wednesday 5:30.

For Ranger and Jr. Hi-Y (7th and 8th Grades) Intermediate Trampoline Wednesday 4:00; Beginning Apparatus Wednesday 4:00.

In addition to the events listed are Jr. and Senior High Basketball Leagues on Saturdays, 2:00 to 6:00 p.m. which are offered to Westfield members or sons of full privileged members of town members and the exercise room which is open Monday, Wednesday and Friday 3-6:00 p.m. and Saturday 10:00 a.m. to 3:00 p.m. also open only to Westfield members or sons of full privileged members.

### Local Girl Named Lunch Chairman

Miss Mary Harter, 514 Melrose Avenue, Springfield, has been appointed Chairman of the Champagne Luncheon and Bridge of the Auxiliary of Saint Michael's Hospital. This event will be held on Saturday, November 14, at Thomas, Park Ave., Newark—Proceeds from this affair will be used to purchase new equipment for the Orthopedic Department of the Hospital.

Others serving on the Committee are Miss Jean Foiding, Printing; Mrs. Graham Kelly, Invitations; Miss Mary Grace Maguire, Hospitality; Miss Agnes MacLean, Reservations; Miss Patricia Heck, Table-Prizes; Miss Margaret Mignon, Chance Prizes; Miss Murey Sweeney, Table Decorations; Miss Florian Heurich, Florists; Mrs. Michael Pavlo, Treasurer; Miss Helen Hansen, Miss Lorraine Koenig, Mrs. Frank McGee, Jr., and Mrs. Edward Handville, Advisors.

### Cocktail Party Set By Deborah

Mrs. Norman Stromeyer, President of Suburban Deborah League of N. J., announced that a paid up membership Champagne Cocktail Party will be held on Tuesday, November 24th at 9:00 p.m., at Temple Beth Ahm, Springfield, N. J. All members are urged to bring their husbands at a fee of \$1.00. An evening of music, entertainment, prizes and some excellent refreshments has been planned.

Mrs. Marvin Manheimer, chairman of the affair, assures us that all new members and their husbands will be made welcome at this gala event.

The family homestead of the 19th Century poet James Russell Lowell near Harvard Square in Cambridge, Mass., was used as a hospital during the Battle of Bunker Hill in 1775.

### It's The Law

This Legal Column is prepared under the supervision of the New Jersey State Bar Association as a public service. It is designed to inform citizens of their rights, duties and obligations under our laws rather than to give advice concerning specific legal problems.

#### IT'S A CONTRACT

When you drive your car into the gasoline station and tell the attendant to "fill it up", you've made a contract. You have made a legally binding agreement with the station operator to the effect that if he fills your tank with gasoline, you will pay for the amount of gasoline delivered at the price posted.

Usually we all think of a contract as a formal document written in fancy language which must be read carefully before signing. In every day living we make many binding contracts without a second thought. Take for example some of the more common daily events—such as having the newspaper delivered to your home, hiring the boy next door to mow your lawn, or telling the garage man to take that rattle out of the truck and send you a bill for the work. In each case, you have made a contract which can be enforced.

There are certain legal terms used to describe the essential parts or elements of a contract, such as "offer", "acceptance", "mutual assent", "consideration", and "communication". These terms merely mean that there must be a definite offer made by one party and accepted by the other. The parties must mutually agree on the thing to be given by each. There must be consideration for the thing to be given. Consideration usually takes the form of money paid; it can, however, be another object or a promise to do, or not do, a certain thing. The promise or consideration must be of value.

Verbal contracts are just as binding as written ones, as a general rule. The law does require, however, that certain agreements such as those relating to the sale of real property, be in writing. The greatest difference between a written agreement and an oral one relates to the question of proof in the event of a disagreement. It is usually safest to put the terms of the agreement in written form.

A good rule to follow is to read and understand every word in an agreement before you sign. It is no excuse to say "I didn't know what it meant" or "I didn't read it." Once you have put your name to a contract, it is the duty of the courts to see that you keep your promise. The chances are that it is too late to back out after putting your name on the dotted line.

#### CONTRACT DANGERS

Everyone makes mistakes, even though we don't always like to admit them. The courts, recognizing that no man is perfect, may take mistakes into consideration in certain contract matters.

Generally speaking, there is no prescribed form for a contract. In fact, a contract need not necessarily be written. Very often they are oral.

When making oral contracts or agreements, you should be careful to avoid mistakes. They may be costly. For example, take the case of a homeowner and a painter who orally agreed on a painting job. When asked for the price, the painter replied "two-fifty". The painter meant \$250, the homeowner understood it to mean \$2.50 an hour. Thus you see where the parties thought that they had reached an agreement, they had not done so. They were mutually mistaken, and the contract could be nullified.

The law is that where there is mutual mistake as to the subject matter of a contract, there is cause for rescission, which means that both parties must return the benefits received. Of course, if the painter has already painted all or part of the house—at the time the mistake is discovered, the court will permit him to be paid for the recoverable value of the work done.

So be careful. When you make an agreement or contract, whether it be verbal or written, be sure you each understand the terms. You'll save yourself trouble and possibly a law suit if you do.

The Secretary of the Navy, L. 1798, directed a Navy agent in Boston to procure watch coats for Marines on the basis of "one coat for every two Marines."

The Women's Group of Sharey Shalom, Suburban Reform Congregation, Springfield will hold its monthly Board Meeting on Tuesday, November 24, 1959 at the home of Mrs. L. Gash, 8 Garden Oval, Springfield.

Mrs. Saul Sneyper will make a report on our recent Card Party. Mrs. Milton-Friedman will report on the coming Paid-up Membership Supper which will be held on Tuesday, December 1st. Mrs. Nathan Turen will report on the program for the Paid-up Membership Supper.

There will be a discussion on the formation of the Temple Library and the Donor Dinner, which will be held on May 17th at the Chanticleer, Millburn.

Mrs. Philip Ames, President will preside.

### Weston Inst. Co. Honors Pignolet

Mr. Louis Pignolet received a 25 year anniversary watch today from Weston Instruments, Division of Daystrom, Inc.

Mr. Pignolet is a graduate of N.C.E. and has been a member of the Engineering Department since coming to Weston in 1934.

He and his wife Constance have two sons, Louis, 16, and Donald, 8. The family makes its home at 150 Baltusrol Way, Springfield.

Mr. Pignolet is a former representative of the New Jersey Taxpayers Association and serves as general chairman of the Fourth of July Committee.

### Student Printers To Exhibit Work

The Dayton Regional High School print shop has been invited to participate in the Industrial Arts Exhibit at the New Jersey Association Convention, Atlantic City Regional print shop was selected by the New Jersey Arts Association due to the outstanding work and printing program carried on by its students. Many other Industrial Arts Areas will be exhibited such as ceramics, rubber, stamp making, silk screen process, metal enameling, etc.

Regional students will put on the printing portion of the demonstration Friday November 13, from 10 a.m. until 2 p.m. at the Haddon Hall Hotel. Their demonstration will be passed out at the exhibit.

Students participating in the exhibit demonstrating the various areas are as follows:

Robert Gardella, 8, Garden Oval, Springfield; Lewis Kornish, 10, Madison Terrace, Springfield; Wayne Schober, 410 Timber Drive, Berkeley Heights; and James Turnbull, 258 Diamond Hill Road, Berkeley Heights.

All of the students are in the advanced program and are contemplating further schooling in the graphic arts field.

The exhibit and demonstration will be under the supervision of Mr. Stanley Grossman, instructor of Graphic Arts at Regional.

### ORT Sabbath Observance Set

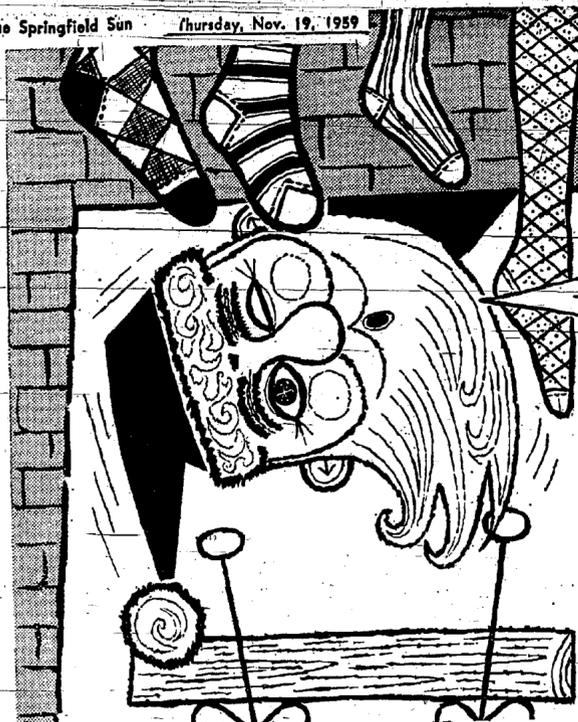

ORT Sabbath theme is: "The most meritorious of all is to anticipate charity by preventing poverty; namely, to assist one's needy fellowman . . . so that he may earn an honest livelihood; and not be forced to the dreadful alternative of holding out his hand for charity."

ORT Sabbath, observed annually by Women's American ORT, (Organization for Rehabilitation through Training) will be held tomorrow at Temple Beth Ahm by the Springfield chapter, with Rabbi Rubin Levine conducting the services.

Plans for the observance were announced by past president Mrs. David Hecht, chairman of the Conservative ORT Sabbath for the chapter. Mrs. Hecht explained that the purposes are to enable members to join with their co-religionists in giving thanks for the Jewish lives that have been saved and rehabilitated through ORT vocational training; to enable ORT members to rededicate themselves to their pledge to serve; and to bring the ORT message to worshippers in temples and synagogues throughout the country.

### Represents Club At State Session

Miss Mona Jenkins of Springfield, chairman of the legislation committee of the Business and Professional Women's Club of Summit, will be among those representing her club at the state board meeting of the organization in Plainfield Saturday. Others attending will be Mrs. Mildred McLean, president; Mrs. Harriet Foster, first vice president and Miss Madeline McGee, publicity chairman of the Summit club.
