

Classic Rivalry Dates Since '37

A football series dotted with upsets returns to Springfield Thursday. Springfield Regional meets its arch-rival Rahway in the 23rd clash between the two elevens. The rivalry is a heated one and both teams will play with the fervor that has become a trademark with this series.

Past Regional Scores With Rahway

Year	Regional	Rahway
1937	0	25
1938	7	12
1939	14	19
1940	9	13
1941	0	44
1942	0	37
1943	7	23
1944	6	0
1945	6	0
1946	7	12
1947	38	0
1948	7	13
1949	27	2
1950	7	7
1951	7	33
1952	7	32
1953	12	7
1954	7	12
1955	14	33
1956	19	14
1957	13	39
1958	7	70

The gridiron rivalry dates back to Springfield's first year of existence; the first game being played in 1937. The Rahway "Indians" were heavily favored in that game and they trounced the "Bulldogs" 25 to 0. Rahway's talent-laden backfield tallied time after time with Indian halfbacks Sam Kobesky and Charley Shupper each netting two TD's. Rahway served notice on Springfield that the football series would be a long and arduous one for the Bulldogs.

Rahway shocked the Regionalites as the series grew. The Big Red Wave held sway until 1944. Finally in that year, the plucky "Bulldogs" broke Rahway's 7-year winning streak. Behind the scabback running of Mal Aldridge, Springfield tallied once and held on to hand Rah-

(Continued on Page 13)

Linemen Key To Dayton Win

Regional's linemen—both defensively and offensively—have been responsible for the success of the Springfield attack. These players who play, but often are overlooked by "back-watchers" will be instrumental in the outcome of the annual Turkey Trot. They are: ends—Leo Lospinoso and Rich Van Horn. Tackles—Jim Buckley and Stuart Brink. Guards—Joe Testa and Art Gerber. Center—Bill Fischer.

Lospinoso is one of the best defensive ends in the county and could easily stop Rahway's bread and butter plays to the outside. The interior are likely to force the "Indians" to play their type of ball even more due to the overall strength which the Regional eleven possess at these positions.

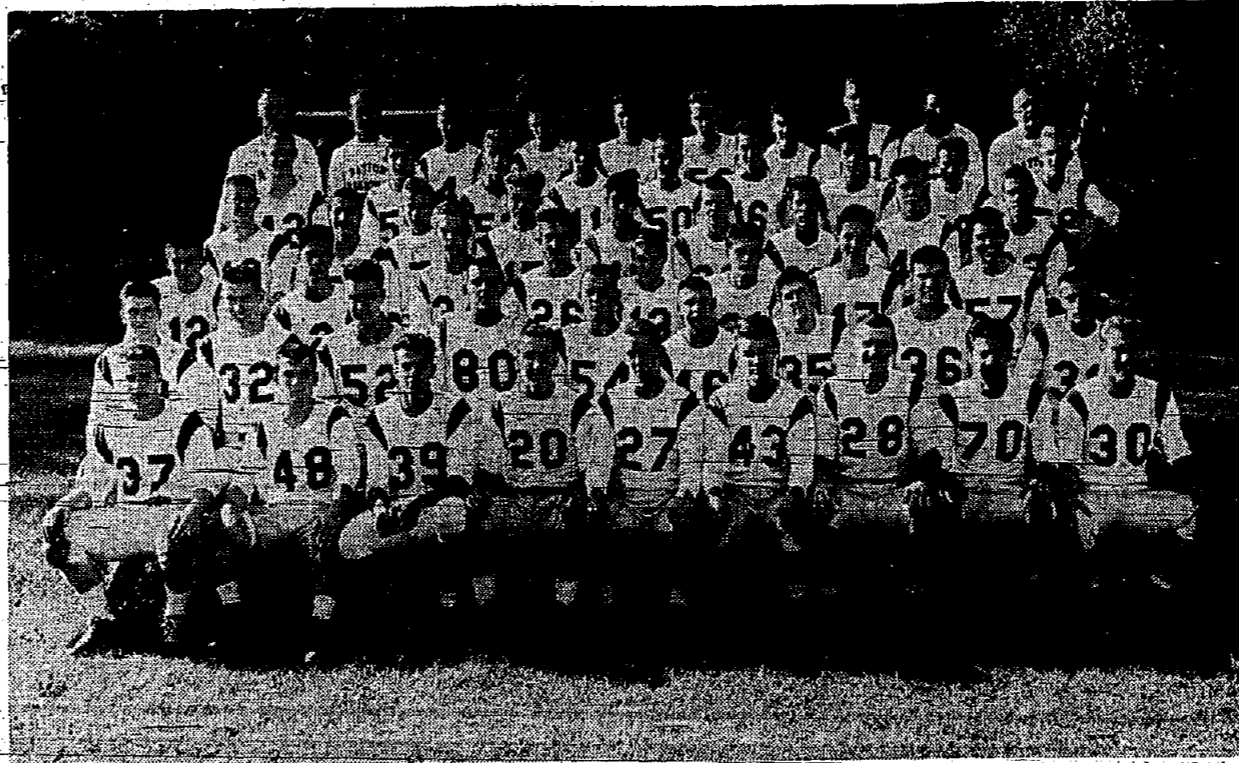

Outstanding replacements for these stalwarts are: Tackles—Norman Goldberg and Steve Rago. Guards—Walt Rice and Ralph Longo. Those players mentioned previously also change positions to perfect a strong offense and add weight to the offensive forward wall.

100th Year Of Protestantism Celebrated

Methodists in the United States and around the world will join in spirit and in prayer with millions of other Christians in observing in November (in the local church November 29th) the 100th anniversary of Protestantism in one of the world's leading nations, Japan.

Although centenary activities have been in progress throughout 1959, the sponsoring body for the centenary observance, the National Christian Council, has set November as the official period for the celebration. In the Springfield Methodist Church, Main Street at Academy Green, the celebration will be held November 29 at 8 p.m. The public is invited to attend this meeting, commemorating the first Sunday in Advent this year, the hundred anniversary of Protestantism in Japan. Miss AIKO HIRAIWA, daughter of a Methodist Bishop in Japan and a student at Union Theological Seminary, New York City, will be speaking and showing colored slides of the church's work in her native land. This promises to be a fine program of commemoration. The members and friends are invited to attend.

Regional Faces Undefeated Rahway On Thanksgiving

TURKEY DAY SPECIALISTS—Members of the 1959 Jonathan Dayton football team pose for the photographer prior to Thursday's encounter with their traditional rival Rahway. Don Schneider's eleven hopes to upset the Indians 20-game streak.

County's Best Backs To Prove It Thursday

When Springfield Regional takes the field this Thursday, it will sport one of the best backfields in Union County. Although operating from the somewhat common T, they are adept at quick-snap plays which tend to throw the defense off-balance. The starting backfield consists of Eddie Reese at quarterback, Herb Etzold and Bobby Shayer at the halfback slots, and Ron Bell at full. They are sometimes spotted by Carl Kirchner and Ken Hamilton, who can be just as effective.

Reese has exhibited exceptional signal-calling for the home town eleven and has highlighted many a game with long passes to Etzold. Not only Etzold, but every other back and end become dangerous players when Eddie drops back to fling one goalward. His passing ability is primary, but he can also run as well as any other T-quarterback that the Bulldogs have faced.

If one were to pick an individual star in the Regional backfield, it would have to be Herb Etzold. Etzold, besides being potent on line slants and end sweeps is one of the top receivers on the squad. He has caught five TD passes and carried four across on foot for a total of nine touchdowns. He has the

Crash Damages Police Car On Emergency Call

One of the Springfield police cars answering an emergency call suffered considerable damage in an unusual accident Sunday at 2 p.m.

According to police, a call was received involving 3 1/2 year old Kathy Quain of 28 South Maple avenue who walked in front of a car driven by Albert Steinglass, 66, of Elizabeth.

Both Springfield First Aid Squad ambulances were on duty, and the Millburn ambulance, which usually stands by, was also on call. The police department dispatched Patrolman John Wentz, Jr. to drive the child to Overlook Hospital.

On Meisel Avenue, near Webeno, Wentz proceeded to overtake and pass a car driven by Joseph W. Sukovich of 66 South Maple avenue. Sukovich made an unexpected turn to the left and forced the police car into the curb and a catch basin, causing considerable damage to the right side and front end of the police vehicle.

The police reported that no one was hurt from this accident. Kathy Quain is in fair condition at Overlook Hospital with a skull fracture from her accident, as reported Monday morning.

New School Board Member

NEW SCHOOL BOARD MEMBER, Frank W. Haydu, Jr., of 140 Pitt Road, Springfield, was named to the Springfield Board of Education last week to serve in place of Alfred W. Rogers of 120 Fieldstone Drive, who has resigned from the Board. Haydu, 35, has been a resident of Springfield for 9 years and will serve until the next school election in February. He is controller and member of the Newark meat packing firm of S. Haydu & Sons, Rogers, in resigning, notified the Board of Education that he is being transferred to the Pentagon in Washington where he will be chief of research and development in the office of the Army's chief signal officer.

Powers Elected

The election of David Earle to the Student Council at Kimball Union Academy, Meriden, N. H., was announced this week. Bowers, who is the son of Mr. and Mrs. Robert E. Powers, 8 Denham Road, Springfield, is one of three members of the Academy's junior class who will serve on the Council.

Party Line Talkers May Lose Their Telephones

Party line telephone users will be watching what happens tomorrow (Friday) night when two women, charged with refusing to cease their conversation to allow a doctor to make an emergency call, are scheduled to appear in Municipal Court.

In addition to action by the Municipal Court there is a possibility that the two women may lose their phones if the New Jersey Bell Telephone Co. does something about the letter from Ralph Fusco, president of the New Jersey Public Utilities Commission requesting an investigation. In the letter Mr. Fusco said that if the allegations of the teup were true the company should withdraw its regulations.

Fusco noted specifically that, according to tariff regulations, the phone company may terminate service if the phones "are or would be improperly used."

Summonses were issued last week for Mrs. Mary C. Zelinski of 759 Ridgewood Rd., Millburn, and Mrs. Jeanette Hausler of 51A Mountain Ave., Springfield, to appear in court on a disorderly persons complaint.

The complaints were signed by Mrs. Catherine Hammerle of 63 Louist Ave., Millburn. Dr. Marvin Becker, chief of the cardiac clinic at Beth Israel Hospital, told police he tried to call for an ambulance a week ago for Mrs. Hammerle's mother, Mrs. Sophie Wetzal, who suffered a heart attack.

The doctor said two women were on the phone and told him to "go to hell" when he explained the emergency. Police investigated and determined who the talkers were.

New Coach Tests Unbeaten Indians

Thursday, Springfield meets Rahway in the twenty-third annual Turkey Day meeting of the two elevens. Once again Rahway is favored by nearly everyone, but this series rarely runs true to form.

The contest will be played at Regional's home field. Starting time for the game is 11:00 a.m. A capacity crowd is expected.

Locals Enter Contest With 5-2-1 Record

Regional's football squad enters this year's Thanksgiving contest with Rahway sporting their best record in the last four years. They opened the season with a thrilling 20-13 victory over a stubborn Hillside eleven. Herb Etzold was highly instrumental in the triumph as he scored the "Bulldogs" first touchdown of the 1959 season and intercepted a pass-in.

(Continued on Page 13)

NAMED PRESIDENT—Elected to the presidency of the Millburn-Springfield Kiwanis Club at its November 19 meeting was Dr. Warren M. Davis, Superintendent of the Union County Regional Schools. The election was a feature of the regular club meeting held at the Charter in Millburn Thursday noon November 19.

The newly elected vice president is Arthur Vall, an officer in the Springfield branch of the National State Bank of Elizabeth. New trustees are Carl Brenner, Nelson Jovitt, and Robert Oliver.

George N. Turk, Springfield business man, was re-elected treasurer.

Two Named Trustees On Springfield Library Board

Kenneth R. Hetzel—Mr. Joseph A. Bender of 21 Ann place and Kenneth R. Hetzel, Jr. of 9 Essex road were appointed to fill unexpired terms on the Board of Trustees of the Springfield Free Public Library Nov. 5.

Mrs. Bender will assume the post of Mrs. L. E. Skousen whose

Mrs. Joseph Bender term expires Dec. 31, 1963 and Mr. Hetzel succeeds Robert Potter whose term would expire Dec. 31, 1960.

Both Mrs. Skousen and Mr. Potter resigned from the board. Elliott Lichtenstein was elected vice president of the board and Mrs. Bender, secretary.

Happy Thanksgiving

Upon reflection this newspaper has decided there are many things to be thankful for this Thanksgiving. The most outstanding event is the overwhelming acceptance of the paper in town. It is most gratifying.

Another gratifying part of the job is when phone calls or letters are received saying "thanks" for publicity, whereas it is we on the staff that thank you for cooperating and letting us in on all the wonderful church, organization, school and township activities that go on in town. Your news is always welcome no matter whether large or small.

Believe it or not we are also thankful for the criticisms too, for they serve a very useful purpose. Constructive criticisms let us know what you, as a reader, want to see in the paper. Also the acknowledgment alone lets us know that it is being absorbed, which is pleasing to any author.

Only recently, a gentleman that had a complaint when the paper first came out told me that he now liked the paper and requested that some publicity be put in about his favorite organization. So you see time improves all things and there is still room for improvement so we can be thankful. B.W.

Thanksgiving For Health

What comes first on your Thanksgiving list? Health? Most people would agree that health is the basis of enjoying the other blessings of life.

It seems timely, therefore, to express our recognition to one of the primary sources of health to our community, namely, Overlook Hospital.

SPRINGFIELD, for instance, shows a patient increase in Overlook this past year of 157% since 1950. THERE WERE 868 PATIENTS FROM SPRINGFIELD LAST YEAR AS COMPARED WITH 338 IN 1950.

Also in Springfield—123 babies were born to Springfield families at Overlook this past year. That means a little pink or blue bundle to a Springfield family every three days.

For MOUNTAINSIDE, since 1950 there has been a 490% increase in patient usage of Overlook. The figures show that 325 PATIENTS FROM MOUNTAINSIDE WERE TAKEN CARE OF AT OVERLOOK IN 1959. Only 55 went to Overlook from Mountain side in 1950.

There were also 45 babies born to Mountain side parents at Overlook in 1959.

In BERKELEY HEIGHTS the records show that 122 babies were born in Overlook—or one every three days.

Increase of BERKELEY HEIGHTS RESIDENTS USING OVERLOOK THIS PAST YEAR AS COMPARED WITH 1950, AMOUNTS TO 216%. There were 597 Berkeley Heights patients this past year as compared with 189 in 1950.

Public Health surveys show that one out of every eight persons will be hospitalized this coming year. We are indeed most fortunate, here in this area, that we have such good neighbors to turn to when illness strikes our families.

The medical and scientific advances in Overlook's new wing that will directly benefit us include: 66 new beds (bringing the total to 316)... complete air conditioning... six new operating rooms... "Quick Section" laboratory for immediate cancer diagnosis... new Maternity floor... Children's Wing with TV monitors... Parent "Sleep-in" rooms... Interfaith Chapel... expanded Physiotherapy, Electro-cardiac and Blood Bank departments... Medical Library... centralized Administration Floor and completely new kitchen.

The new wing also makes possible an Intensive Care Unit for critical cases—an entire medical task force working in high gear, 24 hours 'round the clock, 'til the crisis is past.

These advances have been achieved through the tireless efforts and far-sightedness of citizens in all the towns the hospital serves.

With this area sending more patients to Overlook, the hospital's current Building Fund Drive offers us a concrete way to express our thanks for the excellent quality of its medical care and hospital administration. Only by our practical demonstration can this non-profit, non-tax supported hospital be ready with every available skill and service in our own hours of emergency and need.

Let's make Thanksgiving this year in the form of a contribution mailed to the Overlook Hospital Building Fund Campaign.

Plugged TV Brings Some Relief

Whewwww... That's supposed to be a sigh of relief, and we're not sure how it's spelled. In fact, there are a considerable number of things of which we are not sure. The only difference now is

Ag Station Board Names Schaffernoth

Edward C. Schaffernoth of Marlton road, Scotch Plains, a former Springfield resident, is helping to shape the future of New Jersey's agricultural center.

He has been named to the board of managers of the Agricultural Experiment Station at Rutgers University, New Brunswick. According to the university, the board acts as an advisory group for the sprawling experiment station.

The facility has been credited with many key developments in the agricultural field.

Schaffernoth, 47, is president of the Union County Board of Agriculture. He grows garden vegetables and perennial flowers in his 46-acre farm in Marlton road.

Mr. Schaffernoth is a former member of the executive committee of the County Board of Agriculture and of the New Jersey Farm Bureau. He is a former supervisor of the Mid-Jersey Soil Conservation District.

His appointment was approved by the board of governors of the State University. Mr. Schaffernoth will represent Union County on the board of managers.

LETTERS TO EDITOR

Dear Editor:

As honorary seal sale chairman for the Union County Tuberculosis and Health League, I am happy that on Monday, Nov. 16, some 130,000 people in Union County received their 1959 Christmas Seals.

Proceeds from the campaign this year will underwrite a countywide program to speed up discovery of people who have TB and to encourage them to obtain medical treatment promptly, while their chances of recovery are best and before their disease may infect others.

A vote of thanks is due to more than 500 volunteers from all parts of Union County who helped prepare the 1959 Christmas seal letters for the mail.

Through your kindness in publishing this word, and through the generosity of the many individuals and groups whose support has made our TB seal campaign a Christmas tradition, I foresee new strides in Union County's ever continuing battle against this deadly—yet

unnecessary—disease of TB. Phil Rizzuto, Honorary Chairman

that we are no longer afraid to admit it.

Since the beginning of the tv big money quiz shows, and the spectacular display of knowledge shown by the contestants—housewives, department store clerks, taxi drivers as well as college professors and band leaders—we have been going-around with the feeling that we are a little dumber than everyone else in the world.

We don't know the middle name of Charles the second's (or is it eighth?) third wife... We don't know who was the first left-handed batter who hit for a .388 batting average... If that's possible, we can't even name the Presidents backwards much beyond Wilson...

Much less vice presidents. But the relief is that we no longer feel so terribly ignorant.

After all, intellectual achievement isn't directly related to the memorizing of a set of encyclopedias... or memorizing a lot of answers to questions you know are going to be asked.

Most certainly the ego in others was also deflated when they watched contestants answer with apparent erudition questions that merely baffled most home viewers.

A question arises: is it better or worse that our ego is rising again, inflated with the knowledge that maybe we aren't so dumb after all?

It doesn't make us any smarter, but it does make us feel just a little better.

Topaz Charity Ball Will Aid Children's Home

The Topaz charity ball will be held Saturday at the Hotel Suburban in Summit. The benefit is being sponsored by the Ladies of UNICO of Springfield to aid the Children's Country Home in Westfield.

Mrs. Azeglio Pancaai, general chairman of the ball, which resides at 3 Briar Hills circle, Springfield, entertained the dance committee at a cocktail party at her home Monday.

Among the guests who will attend the ball are Mayor and Mrs. H. Emerson Thomas of Westfield, Mayor and Mrs. Vincent J. Bonadies of Springfield, Mrs. Harry Kniffin, Miss M. Van Wert, Mr. and Mrs. Charles W. Anderson, Mr. and Mrs. Robert Cornwall, Mr. and Mrs. Franklin Park, and Mr. and Mrs. L. E. Pleninger, who are all associated with the Children's Country Home in Westfield. Also attending will be UNICO national president, Mr. and Mrs. Bernard Torroco from Jersey City and the Hon. Charles and Mrs. De Fazio Jr., vice president.

Mrs. Azeglio Pancaai

Missionary To Address Women

The women of St. Stephen's Church, Millburn, will hold their second meeting of the year Tuesday, Dec. 1, at 8:15 p.m. Speaker will be the Rev. Seth C. Edwards, president of Cuttington College, Liberia, who will talk on the problems and potentials of that country.

The Rev. Mr. Edwards has served as an Episcopal missionary in Liberia, West Africa, for the last 11 years. He is president of Cuttington College and Divinity School at Susseco in the Liberian hinterland.

Cuttington, the only overseas college of the Episcopal Church in Africa, trains agriculturists, teachers, clergymen and other Christian leaders to take active parts in the development of their country.

On July 26, 1958, the Rev. Mr. Edwards was decorated by the government of Liberia with the Order of Grand Commander of the Star of Africa for his interest in education in that country.

INVESTED INTO SO Miss Diane Menig of 98 Wagon avenue, Springfield, has been formally invested into the Student Organization at the College of Saint Elizabeth, Convent Station. She is the daughter of Mr. and Mrs. Arthur F. Menig and a 1959 graduate of Jonathan Dayton Regional High School.

unnecessary—disease of TB. Phil Rizzuto, Honorary Chairman

Take Part In Police Graduation

Several area police chiefs will take part in graduation exercises for the 14th annual session of the Union County Police Training Academy sponsored by the Union County Police Chiefs' Association Monday afternoon at the Cranwood, Garwood.

Diplomas will be presented to about 40 "rookie" policemen from Union County communities who have completed an eight-week training program at Union Junior College's new Nohagan Building in Cranford.

Area College Graduates Invited to AAUW Coffee

The Mountaineer branch of the American Association of University Women has extended an invitation to eligible college graduates in Mountaineer and surrounding communities to attend a coffee Thursday, Dec. 3, at 10 a.m. at the home of Mrs. Paul Krystow, 304 Old Tote road.

The purpose of this meeting is to impart a broad general knowledge of what AAUW is, and what it does, to women in the area who are eligible to become members. In extending the invitation, Mrs. Krystow, membership chairman of the group, said "we hope all who are interested in affiliating with the group will come to the coffee."

Just In Case You're Not Sure Here's All About Regional High School

The Union County Regional District is composed of the six communities of Berkeley Heights, Clark, Garwood, Kenilworth, Mountainside and Springfield.

Each of these communities has its own elementary schools, but the six—have joined together for high school purposes. An elected board of education directs the policy of the District—District which has its own superintendent of schools.

The Regional High Schools are comprehensive schools which provide programs for youth with various goals in mind. Strong college preparation is complemented by equally strong emphasis in business and the vocational areas. Industrial arts areas are fully covered.

The only vocational agriculture and vocational distribute education programs in Union County are found in the Regional Schools.

In addition, special programs have been and are being developed to provide opportunity for slow learning students and those in need of remedial work to achieve success to the best of their ability.

Fine Acceptance Qualified graduates of the Union County Regional High Schools are accepted without hesitation by all of the colleges, universities and other institutions of higher learning in our nation. There is no major university in the East which does not have in its student body at least one Regional graduate.

This same statement is true for many other leading universities and colleges in the rest of the nation although it is true that most of our graduates who pursue further schooling are more likely to choose northeastern colleges and universities.

Presently, a little more than half of our graduates enter directly from high school into institutions of higher learning. Others enter after having completed an armed services enlistment.

Approximately twenty percent of our graduates accept office or other business-type positions. Some none per cent enter distributive occupations, approximately four per cent enter agriculture.

The rest are scattered among marriage, trades and industries and the armed services. Some pertinent facts about the regional district and high schools are as follows:

This is the only school district in the United States ever to have been awarded the Thomas A. Edison Foundation citation for excellence of its science program.

In 1959, two students of the Regional Schools, Alan Chieffo and Louis Caruso, won second and fourth places, respectively, in the National Science Fair.

In 1959, the Jonathan Dayton School won second place in the P1-M1 Epsilon Mathematics contest held at New York University among 58 schools in New Jersey and Pennsylvania.

Science and mathematics have long been strong areas in the Regional District. The Jonathan Dayton School has been following the recommendations of the Cooperative Committee of the College Boards in its advanced mathematics program. The Arthur L. Johnson School is one of three in New Jersey which are cooperating in the Illinois Curriculum Project in Mathematics.

The Arthur L. Johnson School won first place in the State of New Jersey for its display at the Industrial and Vocational Arts exhibit in Asbury Park in 1959.

Both schools won many places in the Newark "Craftsman's Fair" with three projects sent to Dearborn for national judging. Well equipped modern machine and auto shops have been installed in the Regional Schools. All pupils in the District have access to these.

Mrs. Wasserbach Named To Trailside Club Post

Mrs. Charles Dickey, president of the Trailside Garden Club of Union County, last week named Mrs. M. L. Wasserbach of Summit as corresponding secretary to fill the unexpired term of Charles Dickey who died recently. The group met in the Trailside Museum.

Members voted to have a dance, which had been cancelled in October, sometime in February.

YOUR LIBRARY

"Give Thanks, Good People for Good Books." This is the motto for Thanksgiving display for the Springfield Public Library. A picture of the Puritans, a turkey, gourds, fall leaves and berries are used for decoration.

Under this heading is a miscellaneous collection of books with themes that have a seasonal connection. First there are books about holidays and the autumn season. These include "Days and Customs of All Faiths," "Book of Holidays," "Circle of the Seasons," and "Seasons of the American Past."

There also is a novel called "Autumn Comes Early" by Howard Breslin.

Some other books accent the New England theme which becomes activity is the providing of scholarship grants for local girls who wish to attend college.

Anyone interested in further particulars may call Mrs. Krystow. Child care will be provided during the coffee hour.

Additional Yule Seals Available

Christmas seals should have reached every home in Union County by now, Vincent F. Warkala, county seal chairman, announced today. Anyone who did not receive Christmas seals may obtain them by notifying the Union County Tuberculosis and Health League, Box 708, Elizabethtown, he said.

An effort was made by the Tuberculosis League to reach every family in the county, but undoubtedly some have been missed if they have recently moved or are new in the community," Warkala said.

"The Union County Tuberculosis and Health League has one thing in common with just about any other organization you can think of," the chairman pointed out, "its activities cost money."

The fight against tuberculosis carried on in Union County by the Tuberculosis League is dependent upon the contributions sent for Christmas seals, Warkala explained. The seal sale is conducted entirely by mail, and no personal visits are made to request contributions.

Preserves" and "The Venison Book."

People in the United States have many opportunities to borrow books of this kind from our many public libraries.

With so much to choose from, the American people—and the people of Springfield in particular, can say truly, "THANKS FOR GOOD BOOKS."

Accept Bid For HS Equipment

A bid of approximately \$8,600 from General Electric for the installation of kitchen equipment in the Governor Livingston Regional High School, now under construction in Berkeley Heights, was accepted by the Union County Regional Board of Education last week in Springfield.

Also accepted was a bid of \$430 from Casale Company of Garwood for ventilation in the Jonathan Dayton Regional High School cafeteria.

Announcement was made that Frederick A. Eisasser, architect, will report in person to the board this week on progress at the new high school.

The percentage of completion on several of the major areas in the new building was reported as follows: Ground floor: Auditorium wing, about 100 per cent; center area, about 80 per cent; gym wing, about 80 per cent. First floor: Auditorium wing, about 100 per cent; gym and cafeteria wing, about 70 per cent; second floor; center area, about 100 per cent.

Vim Executives To Visit Japan

Jay and Morton Kassover, partners and directors of the Vim Electric Company, operators of Vim Stores, the world's largest television and appliance chain, left for Japan Monday to begin an extensive inspection tour of the leading electrical and appliance factories and plants there. The Kassovers will also confer in Tokyo with leading Japanese manufacturers on the practicability of the direct purchase and exclusive American distribution by the Vim Electric Company of Japanese electronic products.

Jay Kassover stressed that "Vim is interested only in the direct purchase of products which meet with the high American standards for performance and service." Electrical appliances accepted for inclusion in the Vim line will carry the full Vim guarantee.

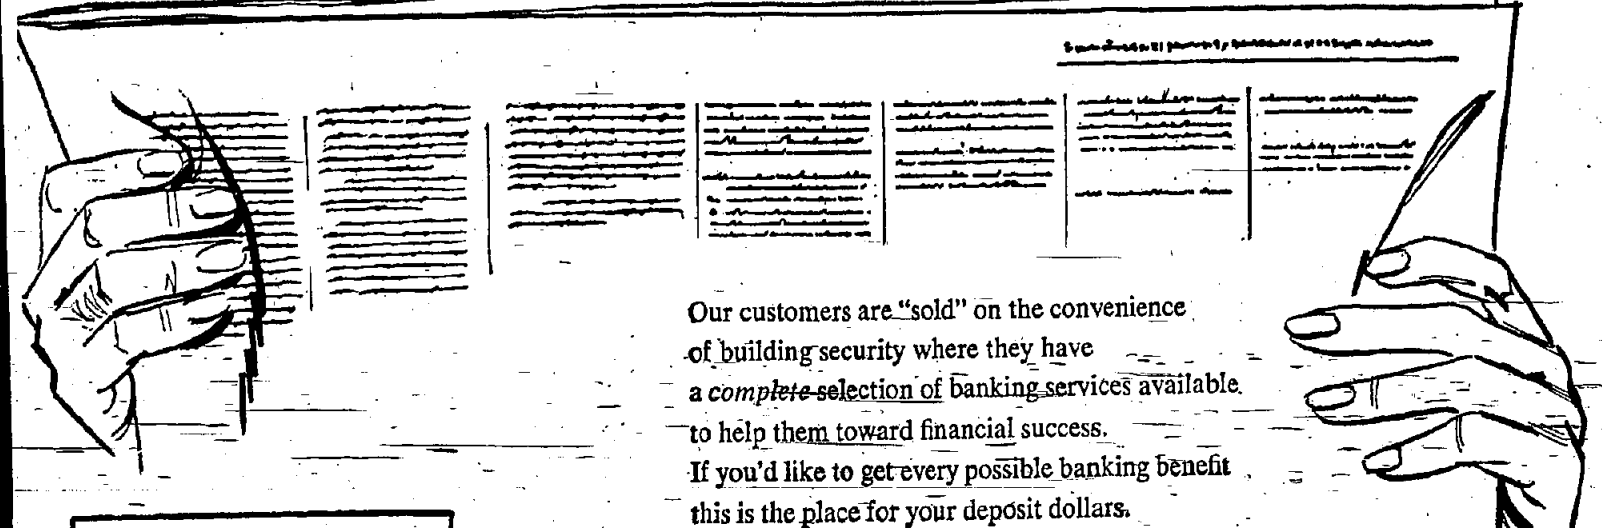

Vim Electric, the first company of its kind to purchase directly from a foreign manufacturer, recently effected a similar program with Metz Industries, one of the largest manufacturers of radio and stereo hi-fi equipment in West Germany.

The company operates 63 retail Vim stores throughout the New York and New Jersey metropolitan area and has sales affiliates across the United States.

Charles Henry Parks became the first Catholic-Chaplain commissioned in the Navy in 1888.

Guidance Officers Attend Conference

Miss Helen Crawford, guidance officer in Jonathan Dayton Regional High School, and Louis Prisco, guidance officer in Fanwood-Scotch Plains High School, attended a conference for high school guidance teachers Nov. 18 at Newark State College, Union.

Three new curricula for children who wish to train as secondary school teachers were explained. The college plans to institute the curricula—in science, English, and recreation education—next September. College faculty members called on the guidance officers for at least 24 students to start each program.

Chisholm School A committee has been formed to study the fire alarm system of the Raymond Chisholm School of Springfield. Serving on this committee are Mr. Martin Zwillman, Mr. Edward Denner, Mr. Jack Slater, Mr. Irvin J. Gershen, Dr. Benjamin Josephson, Mr. Herbert Ginter and Mrs. Lawrence Dorsky.

Any person wishing to serve on this committee, please call Mr. Edward Denner, acting chairman, DR 6-4884.

Mr. Carmen Catapano, treasurer of the Raymond Chisholm Parent-Teacher's Association, attended the Parent Teacher's Convention at Atlantic City in place of Mrs. Irvin J. Gershen, president of the Raymond Chisholm P.T.A. The convention was held November 18, 19 and 20.

At the "Open House" meeting of the P.T.A. held Monday, November 15, Miss Werber's second grade class won the attendance award for having the largest proportion of parents attending the meeting.

Mrs. Robert E. Meyer greeted the B'nai B'rith Women of Springfield who made a trip to Princeton on Tuesday, November 17. When the women arrived at Morven (the Governor's Mansion), they were taken to the solarium, where Adele Halper, Hillier chairman, introduced them to Mrs. Meyer. The women had an opportunity to chat with Mrs. Meyer, and were then taken on a tour of Morven.

This trip also included a visit to the Hillier Foundation at Princeton University, and lunch at Princeton Inn. Rabbi I. Levey, director of the Princeton Hillier Foundation, was the luncheon guest of the B'nai B'rith Women.

Gaudiener School The Springfield Florence M. Gaudiener Parent-Teacher Association would like to wish everybody a very Happy Thanksgiving.

According to legend, Kill Devil Hill, N. C., site of the first airplane flight, got its name from a brand of rum so potent that it could "kill the devil."

Westminster Abbey contains the grave of Jonas Hanway, the first Englishman to carry an umbrella in the streets. He was stoned by sedan-chair men and coachmen, who thought he would ruin their business.

The constellation Andromeda is the most distant object visible to the naked eye. It takes about two million years for its light to reach the earth.

Miss Rinaldi Is Wed In Little Flower Church

Miss Angela Marie Rinaldi, daughter of Mr. and Mrs. Charles Rinaldi of 481 Springfield Avenue, Berkeley Heights, was married to Theodore Phillip Rica, son of Mr. and Mrs. Joseph Rica of Kenilworth Saturday at a Nuptial Mass in Little Flower Church of Berkeley Heights. Father Francis X. McCue performed the ceremony. A reception was held at the Martinsville Inn, Martinsville.

The bride, given in marriage by her father, wore a princess gown of white tulle with lace rising to form a Sabrina neckline. The double puff skirt was highlighted with lace and allon falling into a chapel train. Her triple caped veil was of silk illusion fastened to a double point crown. She carried a prayer book and bouquet of white orchids.

Miss Marie Amodeo of Berkeley Heights was maid-of-honor for her cousin. The bridesmaid were Mrs. Patricia Venice of Kenilworth, Mrs. Theresa Grazino of Springfield, Mrs. Joseph Schaffernoth of Berkeley Hills and Miss Loreta Carapazza of Berkeley Heights. All of the attendants wore royal blue velvet dress with satin tunic.

Patrick Vince of Kenilworth was best man. Ushers were Tony Rinaldi, brother of the bride and Joseph Rica, Frank Rica, Fred Rica brothers of the bridegroom.

Mr. and Mrs. Rica both were graduates from Jonathan Dayton Regional High school. Mrs. Rica is a secretary at the law firm of Martindale & Hubbel and Mr. Rica is a representative of the Mayfair Ezzo Service Station in Kenilworth.

After a wedding trip to Florida the couple will reside at 115 Summit Avenue, Berkeley Heights.

Society Plans Pumpkin Party

The Etical Culture Society, 516 Prospect street, Maplewood, will hold a pumpkin party and folk festival Saturday at 8:30 p.m. at the meeting house. Fred Weyte will be caller. There will be square, folk and social dancing, featuring the rumba and cha-cha. Those interested are invited to bring the entire family. Sitters will be provided.

Co-chairman of the affair is Mrs. Nathaniel Hart, Remer avenue, Springfield.

Tickets Available For Theatre Party David Hecht, ways and

Chamber Music Recital Sunday

The first of a series of three chamber music recitals will be held at St. Stephen's parish house, Millburn, Sunday at 4 p.m.

The musicians will be James Howe, flutist; Virginia Howe, violinist; Marie Goldman, cellist and Ernest Goldman, pianist.

Mr. Howe, who is assistant professor of fine arts at Newark State College, was for many years affiliated with chamber music groups both as conductor and flutist. Mrs. Howe, who teaches violin at a diola extensively in this area, is a graduate of the Eastman School of Music, Rochester, N. Y., and has performed in many chamber music groups.

Mrs. Goldman received her musical education in Vienna and came to this country with her husband 21 years ago. Ernest Goldman, Vienna-born, chose engineering physics as a profession in spite of unusual musical talent. His music has been an active avocation, however, during the 21 years he has lived in this country.

Mr. Goldman has gained a following through many private recitals as well as formal concerts for the Newark House for the Aged, New Jersey State College at Union, Nutley Symphony, Bloomfield Symphony and numerous other groups.

Music by J. S. Bach, Beethoven, Haydn and Loeillet will be performed. There will be no admission charge and the public is invited to attend.

Mrs. Theodore P. Rica

means chairman of Springfield's B'nai B'rith Lodge, has completed distribution of tickets to members for the lodge's theatre party.

The event will be held Tuesday evening, Dec. 1, at the Mayfair Theatre in Hillsdale. The feature will be "F. B. I. Story" starring James Stewart.

NEW! World's First Dishwasher that Washes to Order - Automatically! GE 4-CYCLE DISHWASHER. Automatically Controls the "Just Right" Dishwashing for Every Need! Do you know that ...

AGRICULTURE

is an Ingredient of Industrial Success in New Jersey?

As our annual celebration of the riches which come from the earth draws near, we give thanks for the bounty which comes from New Jersey soil.

Agriculture in the Garden State is abundant and diversified. New Jersey's farmers are scientific in their work; they rely heavily on research to improve their products. It is significant that the income per acre of New Jersey farmland is the highest in the nation.

You should be happy and proud to be a part of New Jersey —

PUBLIC SERVICE believes in New Jersey and its future

HOUSE BUILT ON ACCURACY

In 1891 a disastrous train wreck in Ohio, the climax of a series of railroad accidents, resulted in a public uproar and a congressional investigation. The committee found that the cause of the wreck was faulty timing caused by the inaccurate watches carried by train crews. The national publicity that followed forced the railroads to adopt watch inspection services and to require employees in charge of train operations to rely only on watches of officially approved quality. To meet the demand for really high-accuracy watches, the Hamilton Watch Company was formed in 1892 in Lancaster, Penna. The first Hamilton, made in 1894, was by present standards, bulky and unimpressive but its accuracy was unequalled. In 1957, Hamilton introduced the world's first electric watch - a timepiece that reaches a new high in accuracy and dependability. The electric watch never needs winding, for it receives its power from a tiny "energizer" - the size of a shirt button - which will run the watch for at least one year. Installation of a fresh energizer by a jeweler is simple and quick. Amazingly accurate, the electric watch is Hamilton's latest contribution to man's search for accuracy in timekeeping; never more important than in today's space age.

Informality, Opulence Reach Their Peak in New Fall Furs

Informality and opulence, the two trends featured in fall fashion, reach their peak in new furs. Informality is interpreted, not necessarily in severe men's tailoring, but rather a relaxed softness of the fit. Opulence is achieved through the deft manipulation of luxurious pelts, often lavished with contrasting trim. New themes run the full gamut. Significant among them are necklines, widened by mammoth collars and/or lapels, or collarless, often with an optional, and removable, collar in another fur; belted waists; longer jackets with greater variety in their shaping; deep armholes, though definitely not dolman, usually coupled with wider sleeves. Noteworthy, too, is the almost unimpeded use of furs. There is present, of course, in all its color variations, and there are many other familiar favorites among them, chinchilla, otter, Southwest African Persian lamb, sable, Russian or American broadtail, beaver, Alaska fur seal. The foxes - silver species and color, including silver, Norwegian blue and; revived for fall, red - take an important place.

Stuffing Vital For Success of Turkey's Taste

By Mary W. Armstrong, Home Agent

The stuffing is an important part of the Thanksgiving turkey. People have strong feelings about it, too. "We like good old-fashioned savory dressing best," "My favorite is-giblet stuffing," or "Can you suggest a different stuffing for a change." These are all typical of homemaker (both male and female) comments at this time of year. In answer to requests from many homemakers, we are offering a few suggestions about stuffing the turkey and also some recipes, traditional and novel.

Making the stuffing the night before is a time saver on Thanksgiving morning. But it's better to refrigerate it separately from the bird, and stuff it just before putting it onto the oven. And remember to pack the stuffing loosely. Both the neck and pelvic cavities can be used and if more is needed it can be baked separately with a little stock.

You can have stuffing in half a turkey. Even a small family can take advantage of the extra savings on large birds by splitting the bird in half—freezing one half and cooking the other. These are the directions: Put half a turkey on rack, skin-side up. Roast until half done. Remove from oven. Place on platter. Put a piece of aluminum foil on the rack. Spoon out stuffing on the foil and shape into a mound to fit under the turkey half. Return turkey to oven and cook until tender.

Old-Fashioned, Savory Stuffing
 4 tablespoons fat
 3/4 cup chopped celery and leaves
 2 tablespoons chopped onion
 pinch of thyme
 2 tablespoons chopped parsley
 4 cups soft bread crumbs
 1/2 teaspoon savory seasoning salt and pepper
 In 4 tablespoons of fat, cook for a few minutes the chopped celery and leaves, onion, parsley. Then add soft bread crumbs, savory seasoning and thyme. Salt and pepper to taste. Stir until well mixed and hot. Chopped giblets may be added if desired. This recipe will stuff and 8-10 lb. turkey. It is also good with fresh pork.

Almond, Raisin, Corn Stuffing
 4 small onions, chopped
 1/4 cup minced parsley
 1/4 cup margarine or butter
 3 cups crumbled cornbread
 1/2 teaspoon thyme
 1 teaspoon salt
 1/2 teaspoon pepper
 1 cup chopped walnuts or almonds
 1 cup seedless raisins, chopped
 Sauté the onions and parsley in the margarine or butter till the onions are cooked, about 5 minutes. Mix the cornbread with the herb and seasonings, combine with the onion mixture, then add nuts and raisins. Makes 11-12 cups of stuffings for a 12-lb. or larger bird.

If it's duck or goose you are featuring, a tart fruit dressing is appreciated. This is one of many using rice instead of bread:

Rice and Apricot Stuffing (5-pound duck)
 3 tablespoons butter or other fat
 1 cup chopped celery (mixed stalks and tops)
 1 sprig parsley, chopped
 1 small onion, chopped
 3 cups flaky, boiled rice
 1/2 teaspoon savory seasoning
 4 pound dried apricots.
 Salt to taste
 In the melted fat, cook the celery, parsley, and onion for a few minutes. Add to the rice and dry seasonings. Wash and dry the apricots, which should be plump and tender, then cut into strips with scissors, and mix with the rice and seasonings.

Springfield Man Cited For Service
 John Liesinger of 41 Cottler avenue, Springfield, was recently awarded a clock in honor of 25 years of service with P. Ballantine & Sons, Newark.

The presentation was made by Otto A. Badenhausen, executive vice president of the Newark brewers of beer and ale at ceremonies honoring veteran employees.

Mr. Liesinger, a plumber in the engineering department of P. Ballantine, is one of 114 employees who are being similarly honored during 1959 on completion of a quarter-century of service with the company.

The USS Red Rover, captured from the Confederates, was converted into a hospital ship in 1862, and became the first U.S. Navy hospital ship on record.

The University of Vermont's first graduating class was in 1804 and comprised of four students. Eight years later its buildings were used as barracks for troops in the War of 1812.

News of Local Troops

The regular monthly Springfield Girl Scout Leaders Neighborhood meeting was held on Wednesday, November 18th, at the Gardner School, Springfield. Mrs. J. F. Patterson, Neighborhood Chairman, presided.

Woman's Club News

Since the Springfield Sun is publishing early this week there is little to report. However, we wish to bring to the attention of our members the fact that the next Club Night is on Wednesday, December 3. Please remember that this is our Christmas Program—and that the Programing Committee has a very pleasant evening planned for us. The Music Department of the Springfield Woman's Club will supply the entertainment and I am sure that all those who have heard this very talented group perform will agree that they are sure worth hearing. Club Night will also be Federation Guest Night and free guest night at our Club. If you have any friends or neighbors who might be interested, get them to come out with you. We will be glad to have them.

We also wish to remind you that you should your White Gifts for the needy children to this meeting. The Executive Board is asked to remember that the meeting will be held on Tuesday this week, and it will be at the home of Mrs. W. Konrad, 210 Hawthorn Ave., with Mrs. T. Geddes acting as Co-Hostess.

DON'T FORGET YOUR WHITE GIFTS.

Local Men Attend Chapter Session

John L. Buckley Jr., controller of McCormick & Company, Inc., addressed the Newark chapter of the National Association of Accountants Thursday evening, at a dinner meeting held at the Robert Treat Hotel.

Mr. Buckley's subject was "Organization for Cost Reduction."

Members from Springfield who attended were: W. D. Chapin, 212 Baltusrol avenue; R. J. Stomp, 17 Midvale drive; Julius A. Marsh, 104 Remer avenue and James B. Stevens and Baltusrol way.

SCOUT NEWS OF AMERICA

Cub Pack 172—The theme "Country Store" was carried out at the monthly Pack meeting of Springfield Cub Pack 172 on Friday evening, November 20, at the James Caldwell School. The fixtures and furniture of the store were set up in the boys in various dens. There was the black "pot belly" stove, scales, a telephone, counters, a barber pole, barrels, etc. Thanks must go to Everett Howell of Baltusrol avenue, secretary of the Council who did a wonderful job on the painting showing the merchandise on the shelves and the large sign outside the store. Each Den did theme.

The Honor Guard for the evening consisted of Andy Besch, Drew Hope and Greg Howell of Den 8.

The Pack's charters were presented by William Lynch of 171 Tucker avenue, Springfield Scout Commissioner to Frank DiBiase of 445 Mountain avenue, Lions Club Representative, sponsors of the Pack.

The following boys received awards from Roger Shotwell of 56 Mountain avenue, advancement chairman: Den 5, Howard Huneke, Bear Badge and a Gold Arrow Point; Geoffrey Eaton, Bear Badge and a Gold Arrow Point; Ricky Emmel, a Gold Arrow Point; Mare Berlin, a Gold Arrow Point; Den 5, Jimmy Kunc, a Gold Arrow Point; Kenneth Lynch, Bear Badge and Don Cumberley, Bear Badge and a Gold Arrow Point. The following are new boys in the Pack: Brian Zabelski, Jerry Adams, Craig Cawthorn and Shelley Eisenberg of Robert Lobel of Den 1.

Den 7: Mrs. Arthur Adams of 8A West Bryant avenue, den mother is now working with the boys in making Christmas gifts for their parents. The boys also recently made outside hurricane lamps from tuna fish cans, mayonnaise jars and sticks to hold them in the ground. The boys painted them red and green and decorated them with Den 8: The boys in this Den have sold all of their candy, but are still taking orders on the peanut crunch and mints at 85 cents a box. They have started making their Christmas gifts for their parents under the leadership of the Den Mother, Mrs. Benj. Colandrea of 97 Lyons place.

Den 1: Mrs. Edward Smith of 35 Profit avenue would like to thank the parents for the cooperation she is getting from them this year and for the refreshments they provide each week for the boys.

Den 5: On Thursday, Nov. 12, when the schools were closed for the Teachers' Convention,

Stromes Have Son
 Mr. and Mrs. Lloyd Stromes of 123 Briar Hills circle, Springfield, are the parents of their third child, a son named Jason Howard, born Nov. 18 at Beth Israel Hospital, Newark. Other children are Morrie, 7, and Rise, 3.

Mrs. George Eaton of Kew drive, den mother, and Mrs. Henry Huneke of 518 Mountain avenue, assistant, took the boys to the South Mountain Ice Skating Arena where they enjoyed a morning of ice skating. Following the skating the group enjoyed lunch at the Hitching Post, past the street from the Arena. The Den had a very nice display at the Pack meeting consisting of leather comb cases and book markers, baskets made of crepe paper, litter bags, designs on tile, wooden boats and a ring toss game. These items were made by the boys during October and November.

Den 4: Mrs. F. Goldring of 6 Berkeley road is Den Mother of this Den. The boys enjoyed a picnic at South Mountain Reservation last month. Mr. Goldring is the Assistant Cubmaster of Pack 172.

REMINDER: Will the Den Mothers please remind the boys and will the mothers please see that the boys wear sneakers and not shoes to the Pack meetings. The shoes scratch and mark up the gym floor.

Tai-lai, one of the world's fastest and most difficult games, means "happy festival" in the Basque language. The ball, hurled from baskets attached to the players' arms, moves at speeds up to 150 mph.

Alexander Graham Bell gave the first public demonstration of his telephone at the Philadelphia world's fair in 1876.

Mentally Retarded Child Benefits From Schooling

It is true that the mentally retarded child requires many specialized types of services. He also can enjoy and benefit from many of the activities that the normal child engages in when these activities are planned to meet his particular needs.

That the mentally retarded child can benefit by schooling has been implicit in the laws of the state of New Jersey since 1954. By virtue of the Beadleston Bills passed at that time, every mentally retarded child in the state is entitled to yearly psychological testing by an accredited psychologist appointed by the local boards of education. Each local school board is under obligation to provide for children who meet certain requirements as determined by standards established by the State Department of Special Education. The local school board has the option of establishing special classes within its own school district; providing transportation and tuition for classes outside the school district or by arranging for teaching by home teachers. Our own Mountainside school system cares for such children by arranging with other nearby communities for the admission of Mountainside children to their special classes. The Mountainside Board of Education then pays for the youngster's education. These children are given the opportunity to learn as much as their capabilities permit and they also have the added psychological impetus of being a part of a group of children who are their intellectual equals.

In addition to spearheading the drive for education for the mentally retarded, parent's organizations such as the Union County Unit, New Jersey Association for Retarded Children also seek to "provide much-

needed play-time for these youngsters. There are monthly parties for young adults and sub-teenagers. At these parties, the children are able to celebrate holidays and learn something about them; they play games and have fun while learning proper social deportment. Boy and Girl Scout troops have been organized. The children enter into the activities of scouting and work for badges and awards just as do their normal brothers and sisters. A weekly swimming program is conducted at the Plainfield YMCA. There, under qualified supervision, these children enjoy water play and are reaping great benefits in muscular control through the swimming lessons. Religious training has also been made available for retarded children. They are capable of great love and are able to appreciate the great love of The Almighty for them... his little children.

Garden Burnett Came With Pilgrims, Babcocks Say

"In the culinary section of our herb garden there dwells one plant that has been common to all old gardens since the landing of the Pilgrims," Bill and Ursula Babcock of Mountainside related today. Because this herb, Garden Burnett, was included in the cargo of the Mayflower on its long voyage to Plymouth in 1620, it is considered early New England.

Poterium Sauguisarba is the botanical name for Burnett, which is both a kitchen and a medicinal herb, the Babcocks point out. Poterium comes from the Greek and refers to a drinking-cup, which denotes that the plant was long used to add its mild cucumber-like flavor to drinks. It is still used for this purpose to-day. Medicinally it has been used through the ages

Hiking Club Will Inspect Bull Mine

The Union County Hiking Club has picked an up-and-down schedule for its members this weekend. One day they will inspect a mine, the next day climb a mountain.

Bob Gasser, North Plainfield, is the leader of the tour of Bull Mine, Monroe, N. Y., Saturday. "The mine inspection trip," Mr. Gasser said, "includes eating lunch at the bottom of the mine, along the shore of an underground lake. Bring gloves, warm clothing, flashlights, and candles," he advised.

Those participating in this inspection trip will meet at the Union County Park-Commission Administration Building, Warinanco Park, Elizabeth, at

The Sunday hike with Dennis Berliner, Union, as leader, includes an eight-mile walk over Turkey Mountain, near Bonton. Members and other interested persons will meet at the Administration Building, at 8:30 a.m., or at Bloomfield Avenue and Route 23, Verona, at 9:10 a.m.

Migration of Birds To Be Topic of Talk

David Fables, assistant professor of biology at Union Junior College, Cranford, will explain "Fall Bird Migration in New Jersey" at the Union County Park Commission's Trailside Museum, Watchung Reservation, Sunday at 3 p.m.

Mr. Fables, an authority on New Jersey bird life and whose newspaper column, "Afield in New Jersey," appears in 25 daily and weekly newspapers in New Jersey, will supplement his talk with colored slides.

The museum is open to the public every Saturday, Sunday, and holiday throughout the year from 1 to 5 p.m. During the week the museum is open daily, except Friday, from 3-10 5 p.m. Dr. Harold N. Moldenke, museum director, also conducts a half-hour nature program at 4 p.m. every weekday, except Friday, and a two-hour study course in nature for adults every Monday morning at 10 o'clock.

Anyone interested in gaining a greater knowledge of the habits of birds, mammals, flowers and other phases of the natural life of invited to attend these talks.

For additional information apply to Dr. Moldenke at Trailside Museum.

ANOTHER REALTY CORNER SALE: Rest-Borgnaes is vice-president and Controller of dance at 317 Hillside Avenue, Springfield, sold Serta of New York, Inc. This sale was arranged for Mr. and Mrs. John Jordan to Mr. and Mrs. by Evelyn Schiold, an associate of Anne Syl Edward H. Borgnaes of New York City. Mr. vester's Realty Corner.

Anti-Litter Drive Slated

An anti-litterbug campaign will be launched in the Mountainside school system, Wednesday, Dec. 2, when members of the Blue Star Garden Club of Mountainside and their Junior Garden Clubs, present to the schools litter cans prepared by adult club members and decorated with hposters made by the Juniors.

Mrs. Joseph H. Hershey, club president, reported that "the club has the approval of the Board of Education in endeavoring to teach the children good citizenship by not littering. The club had hoped to initiate a contest on the subject, but the Board of Education has discontinued all contests in the schools, so the club is undertaking an educational program instead."

Posters made by the Juniors, comprising youngsters in the sixth, seventh and eighth grades, under the leadership of

Mrs. William Stanke, Junior Garden Club chairwoman, the senior club, have made posters depicting their thoughts on littering, an dthese will be placed in the schools, and items will be inserted occasionally in the school bulletins.

Wednesday's opening program will be held at Deerfield School where the Juniors meet each Wednesday, and following a short talk by Mrs. Hershey on the youngsters' responsibilities to fight litterbugs, the litter cans will be officially presented to the schools.

Unit Schedules Holiday Party

The Ladies Auxiliary of the American Legion Blue Star Unit 388, Mountainside, planned Thursday night at the home of Mrs. Henry Weber, 292 Central Avenue, Mountainside, for a Christmas party to be held at the December meeting at the home of Mrs. Allen Zimmer of 727 East Front street, Plainfield. Each member has been requested to bring a child's gift

which will be donated to the children's ward at the John E. Runnels Hospital, Scotch Plains.

The unit has made its application to send a girl as representative from the organization to Girls' State at Douglass College, New Brunswick. Plans were also made for a fashion show to be held in March.

Book Drive On In Boro

Final plans for the book drive at the Mountainside public schools were made by the Friends of the Library of Mountainside recently.

There will be assemblies at the three schools Wednesday, Nov. 25, at which time the children will present their books to the library.

Announcement of the plans was made by Mrs. E. Nolan and Mrs. H. McMurray.

The group voted to have annual dues of \$1 per adult. Anyone wishing to join the organization may do so at any time by contacting Mrs. Trudy Boyle of Rolling Rock road or Richard R. Locke, president, it was announced.

Mrs. Jean Hershey announced that donations were received from the Kiwanis Club and the Mountainside Music Association.

Plans are being made for a card party to be held sometime in January. Time and place will be announced soon.

Miles To Open Newest Store

The doors of Miles newest, most modern store will swing open Nov. 27 at the Echo Plaza shopping center, Springfield. Designed to fill the footwear needs of the entire family, the store is arranged for easy selection with rapid salesman service. Its decor is modern. Miles sales persons are trained to properly fit every size foot-tenager to adults.

The opening will feature free gifts with every purchase: men will receive Esquire shoe shine kit or genuine leather wallet with any shoe purchase; women and teenagers will receive a fashion handbag or a pair of hosiery. Children will receive their choice of a school bag, doll, pen and pencil set or rocket with any shoe purchase.

Board Plans Newcomer Yule Session

Activities were planned for the side newcomers Club at the home of Mrs. John S. Truhosters.

Mrs. C. Dickinson, president, presided at the meeting. Mrs. Herman J. Jr., program committee man, and Mrs. Arthur Zie, hostess committee man reported that the completed for the December meeting which will be the annual Christmas tea. The Westfield Y.W.C.A. will be open to past members and their friends. The entire program will feature newcomers vocal group and Henry Staub Jr. who demonstrate making Christmas. Everyone is asked to bring a small Christmas gift to be given to the Elderly Ladies in Elizabeth.

Mrs. Schmitz reported that the winter dance will be held in February and the dance will be announced Dec. 14 meeting.

Mrs. Jack Hildebrand, new chairman of the Robin bridge tourna William Shallcross and ward Powers are chairing the Holiday and Christmas ginner's Bridge, respectively.

Mrs. John R. Nilsson, chairman, Mrs. William Olson, music group, and Mrs. Hildebrand, room dancing chairman.

The date of the next meeting of the Board of Directors Hildebrand, 1 Whipcord with Mrs. Donald Luge co-hostess.

Garden Center Section to Open

The Blue Star Garden Club of Mountainside will open the third section of its permanent garden center in the Mountainside Public Library Monday.

This newest educational program will be on the "Use and Care of Christmas Greens." In addition to literature on the proper care of greens once they are out or purchased for holiday decorations, there will be literature on fire-retardant which has been requested by residents each year, and displays on "how to" make Christmas wreaths, table trees, and similar items.

Much interest was shown in the first two exhibits of the garden center in October and November. Both adults and school children made use of the question box relative to planting winter and spring bulbs, and on care in putting the garden to bed.

The Christmas display will be dismantled after Dec. 24 as the library is not open during the holidays. January's display will be on "Attracting and Feeding Winter Birds," according to Mrs. Gilbert Thommen, garden center chairman.

Buying a coat this season? Simplicity in styling and luxury in fabrics are earmarks of fashionable coats this year. Coats with these qualities stay in style longer, too.

A woman in a world of fear...

It's bad to be alone with fear, full of pain and uncertainty. Imagination plays vicious tricks; petty worries grow monstrous. Then the warm voice and capable hands of a good nurse soothe fear away. She serves confidence along with supper. And when it's time for sleep, the knowledge that she is watching lets the sick rest easy. Her life isn't what she imagined when she started training. There's not much glamour and the hours are long. Her feet hurt a lot. But she wouldn't change her job for any other in the world. She is needed. She is one who serves.

The 2,700 JCP&L-NJP&L men and women who help provide you with electricity also get great job satisfaction out of helping their more than 380,000 customers live an easier, healthier and more comfortable life. And, of course, that includes nurses who use electricity in a hundred ways—from operating room lights to diathermy to the hotplate in the hall. We are happy that electricity serves those who serve us all.
