Master Plan Considered By Township

In preparation for the future impact of such impending projects as the jet airport, the new federal highway, and the possible revitalization of Route 22, Springfield officials have been holding conferences with the Department of Conservation of Commerce and Development in Trenton out of which will come a Master Plan with the State of New Jersey and the Federal Government paying 50 percent of the costs.

Mayor Vincent J. Bonadies and Chairman of the Springfield Planning Board—Azelegio Pancani spent several hours with Salvatore Bontempo, Commissioner of the Department of Conservation in Trenton, discussing the many problems confronting Springfield with the threat of the new highway No. 78, the possible connecting spur, and other state and federal building that will affect the Township.

Need Master Plan "We need a Master Plan," said Mayor Bonadies, "to be able to meet these projects without losing any of the momentum of our present progress. Through Mr. Bontempo and his Department of Conservation and Economic Development we can have a thorough study made of Springfield's future needs as related to the highway and airport projects.

This Master Plan will enable Springfield to move ahead while accepting the inevitable march of progress with more highways, airports and other projects. Mr. Bontempo and his associates were most kind to us and we plan to set up several more conferences so that we can go into more details on this Master Plan," the Mayor concluded.

Commissioner Bontempo explained that a complete plan is generally recognized as the basic and most important technical aid required by a municipality to deal knowingly and constructively with the continuing problems of growth and change in physical structure.

The New Jersey Municipal Planning Enabling Act authorizes (Continued on Page 2)

League Urges Voters Register

The Springfield League of Women Voters urges you to register now so that you may vote in the school board election. One must be registered 40 days before election.

Feb. 2nd is the date for election of the Regional Board of Education. Feb. 9th is the date for election of the regular school board of education.

Registration hours are from 9 a.m. to 5 p.m., Mondays thru Fridays, at the Township Clerk's office in the Municipal Building in Springfield.

SET-UP FOR CHRISTMAS - Members of the Springfield Paid and Volunteer Fire Department will light up the Town Green in front of the Municipal building for the holiday season.

Failure of Employees To Join Pension Fund May Cost Township Thousands

It will cost the Township of Springfield many thousands of dollars to bring the Public Employees Retirement System up to date.

And it will cost a dozen or more municipal employees a considerable sum in back payments in order to comply with a law which required that they should have joined this Retirement Fund plan five years ago.

Mayor Vincent J. Bonadies and the present administration took immediate steps to "cure the situation" when it was discovered a few weeks ago that "it was a condition of employment" that employees must be covered under this Public Employees Retirement System.

The situation regarding the Retirement Fund came as the result of information received from the Division of Pensions, Public Employees Retirement Fund, in Trenton.

Township Attorney Weinberg's report, dated December 9, stated that Springfield came into the State Retirement System by referendum of November, 1944, and became effective July 1, 1945. Eleanor H. Worthington was appointed certifying agent by resolution on January 1, 1952.

Employees and veterans employed since January 1, 1955, must join this Retirement Fund system. Any employee who falls into this category who has not joined must make back payments to the date when he should have joined the system.

All employees who have been employed since January 1, 1955, must join as a condition of employment and failure to join must result in the termination of the employment. Police and firemen are exempt since they have their own retirement fund.

According to the report following the December 2 meeting with the Board of Trustees of the Pension Division, Franklin

Invite Local Officials In Fight On Jet Airport

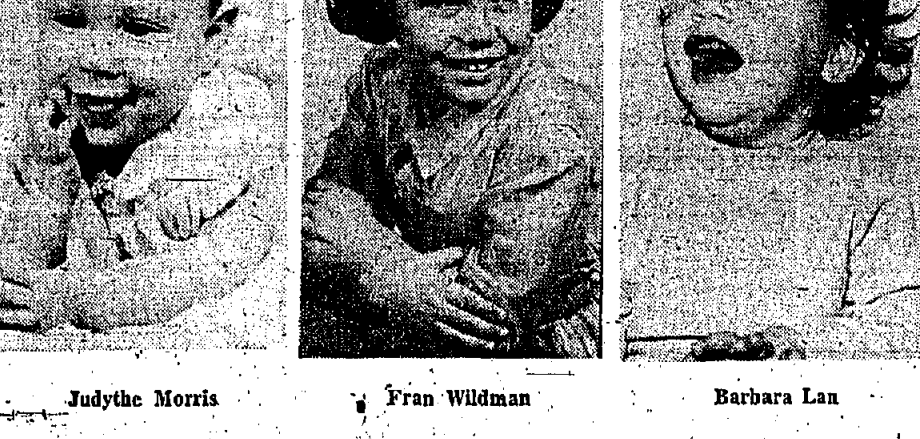

Mayor Vincent J. Bonadies and several other members of Springfield's official family will attend the meeting of officials from Union, Morris and Essex counties being held in Chatham this evening (Thursday) to do something about the proposed jet airport in this area.

Yackety-Yackers Say Not Guilty On Phone Tie-Up

Two women pleaded innocent to charges that they refused to yield when a doctor demanded the use of their party line telephone for an 80-year-old heart attack victim.

Dr. Marvin Becker testified before Municipal Judge Milton Freeman in Millburn that he had tried five times to gain the line to summon an ambulance for Mrs. Sophie Wetzel. He estimated the delay at eight to 15 minutes.

Winners Announced In Charming Child Contest

Judythe Morris, Fran Wildman, Barbara Lan

4 Candidates Have Filed for School Board

Up to this writing (Tuesday, 5 p.m.) four candidates have filed petitions for the six vacancies to be filled for the Springfield Board of Education at the elections to be held in February.

The last day for filing petitions is December 31 at 4 p.m. with the Secretary of the Board of Education.

Thus far three candidates have filed for three year terms and one for the one year term. Edwin G. Davenport, present member of the School Board, has announced his candidacy for reelection and his petition for the three year term is already in the hands of the Board of Education.

Dr. Benjamin H. Josephson, residing at 201 South Springfield Avenue, and James W. Phelps of 21 Molter Avenue, are the other two who have filed petitions as candidates for three year terms.

Joseph A. Bender, 21 Ann Place, has filed his petition and will seek election to the one year term on the School Board.

Local Elks Hold Christmas Party

The Springfield Elks will hold their Annual Children's Xmas Party on Saturday, Dec. 19, at Evergreen Lodge, from 2 to 5 p.m.

The hardworking committee has arranged an excellent program for the children, and in addition to the fun and games to be had, there will be some fine entertainment from the Jude Morley Orchestra.

Squad Answers 134 Aid Calls In 90 Days

The past ninety days brought increasingly activity to Springfield's First Aid Squad with a total of 134 calls, averaging 1 1/2 calls per day according to a report issued this week by the squad.

Forty-seven calls were answered during September and an equal number in October while 40 trips were made during November. There were 18 occasions during the 3 month period when both ambulances were pressed into service simultaneously.

A breakdown of statistics issued by the local first aiders shows 87 emergencies and 32 transportations during the period. Five stand-by calls, either attending the Springfield Fire Department or covering for neighboring first aid squads were also logged.

School Board Asked To Explain Gas Station On Property It Had Bought

Board of Education members found themselves on the hot seat as citizens questioned them as to details and reasons for the purchase of the Harenberg property, South Springfield Avenue.

At the meeting Tuesday, members of the audience demanded to know why the School Board went into the deal. Under the terms of the purchase, Frank Harenberg was given \$47,500 and also received the right to operate his gas station and occupy his home as long as he lives.

Board members explained that "time was the prime factor in the move. "We needed the land in order to build the new school," Board President Howard S. Smith stated. "Our only other course would have been to go to condemnation which would have been time-consuming and, in the end, more expensive," he added.

Smith explained that the board will eventually convert the home into board offices which will free two classrooms now being used as offices by the board.

"A classroom is valued at, at least \$40,000," Smith noted. (Continued on Page 2)

P.O. Thanks Patrons For Cooperation

Springfield Postmaster A. V. Del Vecchio expressed his thanks today for cooperation so far on his annual campaign to "Mail Early." He said "I know the time has passed to talk about early mailing but I suggest that you use air-mail for every card or gift going to distant points."

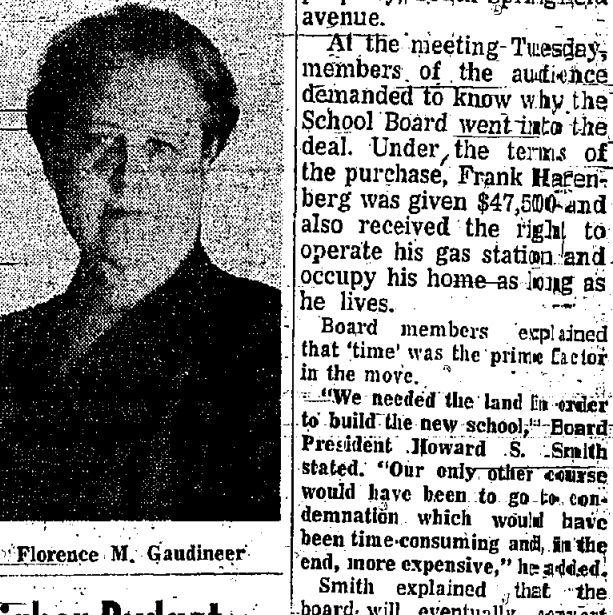

The most critical time is when these peak periods occur. To take care of the last minute rush, the main post office will be open from 8 a.m. to 6:30 p.m. on Dec. 17 and 18, all day Saturday and Sunday, and on Sunday from 12 noon to 5 p.m., Monday, December 21st through Wednesday, December 23rd.

Jet Airport News Takes Spotlight From Route 22

The second area of study is an investigation of Federal standards for road construction. The third approach that is to be taken, according to Best, is to contact the congressional subcommittee on road construction.

When definite findings are made, the group will hold another meeting, the Springfield man said. Last month, Best had proposed widening and improving Route 22 from Newark Airport to Mountaineer. He claimed that Route 78 would not be adequate for the purposes of many of the motorists traveling Route 22 and that immediate relief is needed from the congestion on the present highway.

He maintained that Route 78 has been put off for several years and that his plan would afford more direct relief to commuters.

Florence M. Gaudineer

Higher Budget Asked for 60-61 By School Board

The Board of Education has adopted a tentative budget of \$1,216,424.60 for the 1960-61 school year as compared to this year's budget of \$1,032,370.35.

The budget will have to be approved by the county superintendent of schools; to be officially published; subjected to a public hearing and ratified by the voters before it becomes official.

A total of \$1,055,776.12 would have to be raised by local taxation. The remainder would come from \$127,648 in anticipated state aid and \$32,000.48 in the board's free balance—remaining from this year.

The budget is composed of: Current expense, \$1,006,900; land, building and equipment, \$35,000; and bonds, notes and interest, \$174,524.60.

The same figures for the current budget are: \$883,325; \$20,100 and \$128,945.25 for the total of \$1,032,370.35.

The statistics for the 1958-59 year were, in the same order: \$818,530; \$25,000 and \$134,148.85 for a total of \$977,678.85.

Miss Florence M. Gaudineer Ends 37 Years School Service

Miss Florence M. Gaudineer, school nurse for 37 years and one of the most revered persons in the township, will end her service with the school system as of March 31, 1960.

At the Board of Education meeting Tuesday, the board acceded "with deep regret" to her wishes and accepted the resignation of Miss Gaudineer. She is forced to retire or suffer financial penalties under the retirement regulations for teachers.

In 1952, she was honored by having a school constructed bearing her name. Several township organizations have cited her as being the community's outstanding public servant.

In her letter requesting that the board accept her resignation, she said that "I consider it an honor and a privilege to have worked for you." She expressed her love of the children and said she got great satisfaction out of adding "my small part" to their education.

In conclusion she stressed: "What wonderful memories I have." Benjamin F. Newslinger, superintendent of schools, described her as "an irreplaceable person." He said that she "could always be counted on."

His sentiments were echoed in a resolution by the board which said she had devoted "a life of self-sacrificing service."

Civic Group Officers Are Nominated

At the last meeting of the Twin Brooks Civic Association, the following nominations were made: President, Frederick M. Edwards; First Vice-President, Alexander Clark; Second Vice-President, Victor A. Bracht; Secretary, Mrs. Robert Buffington; Treasurer, Mrs. John Adams; and for Trustees: Walter Anderson, Mrs. John Dreher, Mrs. H. W. Quinton, Jr., Stanley Kroeger, Mrs. Robert Southward, and Max Weiss.

This organization operates in the vicinity of Bryant Avenue, Dayton Court, Lyon Place, Salter Street and parts of Rose and Tooker Avenues. It has been extremely active in the opposition movement to the proposed Route No. 78 (new Route No. 22) and Route 208 (formerly PA-107) which are to traverse Springfield.

PARENTS OF SON Mr. and Mrs. Norman LeBoeuf of 100 Adams terrace, Springfield, are the parents of a son born Dec. 1 in Overlook Hospital, Summit.

With the prospects of a jet airport in this area, all discussion on the revitalization of Route 22 or the pinpointing of the new Federal Highway (Route 78) is taking a back seat.

Leonard E. Best, Springfield industrialist, who is leading the battle for doing something with the present Route 22 no matter how many new Federal Freeways go through this area, plans a vacation shortly after the first of the year and will let the whole matter rest until he returns. Even then, he says he may wait until the jet airport matter has exhausted itself in the public meetings and newspapers before taking on the battle of Route 22 again.

Invite Local

(Continued from Page 1)
facts are developed in the plan. Considerable opposition was found to the plan at a luncheon meeting held by the Port of New York Authority with both Rep. Florence P. Dwyer and State Senator Robert C. Crane stating they were opposed to this area for the project.

to the Great Swamp location on several grounds:
1. A lengthy study of state water resources shows that it is erroneous to think in terms of improvement by obliterating a swamp. The Great Swamp has vast potential to the state in terms of water resources, for recreation and a wild life refuge.
2. The PA is going in the wrong direction to serve the metropolitan area, which will

be traveling west through heavily congested areas to reach the Morris County airport. It can be located in a better manner to serve more people.
3. The authority is tempting fate by relying on the federal highway program, which is not a guaranteed program. At any time a lack of funds could halt the project and we would have an air terminal in a fine residential area which would be reached by rural roads.

available immediately.
However, board members pointed out that the brochure stated that the buildings on the land would "eventually be used" and also explained that the board at that time could not be aware of certain facts which later became available.
Members of the audience questioned if Harenberg would be taxed as he is living on school property which is by law non-taxable. The school board attorney said that Harenberg assumed responsibility for any taxes which might accrue from or after the sale.
However, he added that the board had no knowledge if he is still on the township books.
(Information received at the Springfield Tax Assessor's office was that the Harenberg property is still being carried on the tax books.)

ing regulations adopted by municipalities shall be "in accordance with a comprehensive plan."
Church Sets

members of the Westminster Fellowship Group. The congregation will join in singing Christmas Carols while the Girls' Choir will present music appropriate to the season. All members of the community are cordially invited to attend this "Family Service" that this significance might be added to the observance of Christmas Day.

to the township of Springfield for their sponsorship of Trick or Treat for UNICEF. Please share this expression of our deep appreciation with all committee chairmen, cooperating organizations and local leaders as well with the boys and girls who have so strikingly shown their concern for all the "world's children."
"Your generous contribution will help UNICEF to bring health and a chance for a better future to children all over the world. More than 100 governments will receive medical supplies to help fight disease, combat malnutrition and establish child care centers this year through the combined efforts of UNICEF and cooperating UN agencies. Your group is part of this total picture and, for both the material support of your contribution and the spirit of understanding it represents, we thank you."
A "Certificate of Appreciation" to the "Young People of the Township of Springfield" was also received and has been forwarded to Mrs. Eleanor

Worthington, township clerk. According to a recent Newark News article, a total of 1 and 1/2 million dollars was collected by more than 2,000,000 American children taking part in this year's Trick or Treat program. (In 1959, the first UNICEF Drive netted a total of 600 dollars.) We are proud to have taken part in this worthwhile cause.
Very truly yours
Mrs. Sidney Miller
Mrs. Dean Thompson

Frelinghuysen Opposed
Rep. Frelinghuysen, whose congressional district includes the site of the proposed air terminal, said he was "very violently opposed to the proposal."
He declared that "now is the time for us to organize and consolidate our efforts" to fight the port authority's plan. The congressman was joined by other Morris County officials in a denunciation of the project.
Rep. Frelinghuysen said he has invited officials of Morris, Somerset, Union and Essex counties to meet Thursday in Chatham "to plan to unite the opposition to this airport."
The jet terminal, which would be south of Morristown and southeast of Chatham, would, according to officials and residents of the area involved, send land values plummeting and destroy the strictly residential nature of their neighborhoods.

School Board
(Continued from Page 1)
Residents also questioned the immediacy of the need. However, one board member said that part of the school building will occupy a section of the site so that it was necessary to acquire the land before the building could be completed.
The board was questioned as to the proximity of the gas station to the school building. The board agreed that it was closer than was preferable, but indicated that its hands were tied.
At present Harenberg is using only about one-fourth of the 3 1/2 acre property so that the remainder is immediately available for school use.
The board was also attacked for allegedly publishing misleading facts in a brochure printed before the referendum for the new school. One person said that the booklet gave the impression that full use of the Harenberg property would be

LETTER S
Editor Sun:
The members of the UNICEF Committee would like to share with the people of Springfield the following letter received by them last week from the U. S. Committee for UNICEF. It reads in part:
"On behalf of the United Nations Children's Fund, we wish to extend our heartfelt gratitude

LETTER S
Editor Sun:
I wish to take this opportunity to express my sincerest thanks to all the residents of Springfield including the Municipal Officials, The National State Bank of Elizabeth, and this newspaper, for assisting so generously by volunteering their services and contributions in behalf of the forthcoming Multiple Sclerosis Unit of the new St. Barnabas Medical Center in Livingston.
It is very heart-warming and gratifying to know that there is so much concern for the ever increasing number of persons stricken with MS who are in such desperate need of an institution to provide the care they require. The importance and necessities of a project, such as this, can never be too highly emphasized and great pride can be taken in knowing that your support will help to make this enterprise a reality.
The Multiple Sclerosis Service Organization extends an invita-

Do you know that...

Industry in New Jersey IS GROWING... thanks to Research?

Many fine "Blue Chip" industries are growing in New Jersey, the Crossroads of the East.
One of the chief reasons for this continuing growth is the fact that New Jersey has such fine research centers. Over ten per cent of the nation's research facilities are concentrated here. There are more than 500 research units in this area, long known as the "Semi-Circle of Science."
New Jersey has served as the birthplace for many technological developments. It is estimated that expenditures for research within the state exceed \$500,000,000 a year.
These outstanding facilities are just one reason why industry grows at the Gateway to World Markets.

You should be happy and proud to be a part of New Jersey

How can I overcome my fear?

THE TRUTH IN THIS GREAT BOOK CAN DISSOLVE IT FOR YOU Fear can vanish—you can find yourself assured, safe, comforted, with new courage to go forward—as you ponder with an unprejudiced, receptive thought the truth contained in this great book, Science and Health with Key to the Scriptures by Mary Baker Eddy.

You may read or borrow Science and Health free of charge at any Christian Science Reading Room. The book can be purchased in red, green, or blue binding at \$3 and will be sent postpaid on receipt of check or money order.

Christian Science READING ROOM 116 QUIMBY STREET WESTFIELD Hours: 10 to 4:30 Also Monday, 7 to 9 Information concerning free public lectures, church services and Sunday school is also available.

Dept. Store Head Talks to Rotary

At the Baltusrol Golf Club heard Mr. Charles R. Armstrong, Vice President of V. P. Goerke Company in Elizabeth, N. J., speak on F. W. Woolworth, the man, his business, and his methods. Mr. Armstrong is a member of the Elizabeth Rotary Club past President of

Asbury Park Rotary Club; has spent 23 years with the F. W. Woolworth Company. Mr. Armstrong talked about Mr. F. W. Woolworth biographically, showing how he got started, the failure of his first five stores, his ideas in merchandizing, manufacturing, pricing, and assembling the persons that made the great Woolworth Company so outstanding. In the introduction of merchandise Mr. Woolworth saw to it that his stores

this prescription: what it is, how it is used, what it costs, and how many do you want. The speaker showed the influence of the Woolworth boy's visit to Napoleon Bonapart's brother's mansion in Great Bend, N. Y. He described the building of the New York Woolworth building in New York City, the dedication of which President Roosevelt referred to him as the Bonapart of the merchandizing business, as he turned on the lights of the new building. A short time before his death, which occurred at 87, he spoke of Mr. Woolworth's plans to buy a complete block in the city for another great building. The eight years between his death and that of his wife's death cost his estate \$1 million dollars in taxes. The church built to Mr. Woolworth's Mother's memory in Watertown, N. Y. has a trust fund established for it, which helps the church to operate with this memorial structure.

4 Locals Start College At UJC

Four Springfield residents launched their college careers this semester in the Day Session of Union Junior College. They are among the first students to use the college's new \$1 million Nomahegan Building on a 28-acre campus opposite Nomahegan Park in Cranford.

There are 300 students enrolled in this year's Freshman class. The college's total enrollment is about 1,000 students including the new U.J.C. Institute, pre-natal nursing students from Elizabeth and Perth Amboy General Hospitals and off-campus courses at Merck & Co., Inc., Rahway; CIBA Pharmaceutical Products, Inc., Summit, and Union Carbide Plastics Company, Bound Brook. The Springfield residents enrolled as freshmen in Union Junior College's Day Session are: George W. Fleetwood of

200 Bryant avenue, Thomas J. Murphy of 109 Evergreen avenue, Miss Virginia A. Rudy of 50 Oakland avenue and Gary D. Southward of 194 Bryan avenue.

Trip Abroad to Contest Winner

The first annual nation-wide contest for high school students of German will be administered under the auspices of the American Association of Teachers of German (AATG) in March, 1960 with a round-trip fare from New York to Germany and a five-week stay abroad as the grand prize.

The examinations will take place between March 5 and 15, 1960 and the closing date for entrance applications has been set at January 15. Applications are to be directed to Professor Bernhard Ulmer, German Department, Princeton University, Princeton. A fee of 25 cents must be accompanied with each application.

Three examinations are planned: for fourth-year; for third-year and for second-year German students. The Foreign Office of the Federal Republic of Germany has made available the funds to defray the expenses of a trip to Germany for the national winner among the fourth-year students. In addition to the first prize the German government has placed eight book prizes at the disposal of the AATG.

Contes Keeps Two Game Lead

Counties Delicatessen held on to its lead in the Springfield Sports League bowling by beating Calontone Shoes twice on December 9. Third place Stereo Sound gained some ground, sweeping three from Highland Metal

while second place P.B.A. was dropping two to Bond Electronics. Baumer had high game and high series with a 245-612 series. Others rolling a 200 or better game included: Gianattasio 233; Mende 241; Harker, 204; Latella 203; Burdett 209; Cardinal 213; Weber 205; DeFino 204-221; Putter 215; Kennedy 205; Tompkins 202; Coburn 202; Gregory 201.

Bonnie's Bulletins

NEWS AND TIDBITS ABOUT
FOUR FRIENDS & NEIGHBORS
IN BERKELEY HEIGHTS.

If You Have Any News Call
Bonnie Wiley FA 2-7027

Miss Judith Fenrich Ward, one attending the Dec. 16 meeting of Mr. and Mrs. Douglas E. Ward, 22 Twin Falls Road, Berkeley Heights, will begin her Christmas vacation from Centenary College for Women Friday, Dec. 18 and return to the campus Jan. 5.

post high school-age single young adults which meets usually every 1st and 3rd Sunday of the month, and which are attended by persons from Summit and many surrounding towns, will be omitted Dec. 20 and Jan. 3.

The ladies of the cafeteria of Berkeley Heights schools had their annual Christmas party at Newton Inn at Newton, N.J. Sunday. Mrs. Lois Bontempo was in charge of the affair. Those ladies attending the party were: Mrs. Kay Mondelli, Angie Gagliulo, Edith Bisco, Anna Amodeo, Mary Clark, Millie Monsippa, Margie Williamson, Millie Fichichl, Carmel Del Piero, Angie Mazzarisi, and Lilian Masullo who went as a guest.

Police Chief Harold Curtis, his son Harold Jr. did very well on their hunting trip. The Chief bagged a 4 pointer, his son killed a 6 pointer and Detective Don-

FROM THE GRANDSTAND

By Doug Voigt

Regional's basketball fortunes look a turn for the worse last week, as the eagles succumbed to Plainfield and Hillside, 52 to 50 and 55 to 43 respectively. The Plainfields game was marked, as was the Westfield game, with fouls, but this time the "Bulldogs" were on the short-end of the percentages at the charity ball Brian went along for the ride. Police Sergeant Ralph Del Duca, out did them all by bagging an 8 pointer.

The Mountain Park PTA ladies asked me to remind you to buy your Christmas trees from them this week end at Memorial Park, across from the Police Station.

the beginning of the second half and finally pulled it out when Bill Franklin missed a chippe in the waning seconds.

It is hard to point out one fact which contributed to the Hillside victory. For the third game in a row, the "Orange and Blue" was guilty of receiving more fouls than their opponents. They lit seven of ten for a better percentage, but Hillside players had 19 chances and hit 11. The foul shooting definitely could not be blamed for this loss, although it definitely had a bearing on the play in the closing moments. At one point, the score was 46 to 41 and field goals were 18 to 17 with the "Comets" holding the "high hand. In an attempt to rattle the offense, the locals employed an all-court press, but the Hillside team was fortunate enough to be able to spring a man loose under the basket and they began to pile up the total. As the margin of difference increased, the Regionalites became more frantic and it became increasingly easier for the "Comets" to make the easy layups.

This Friday, the "Bulldogs" open their home season against Caldwell. This game follows a contest Tuesday against a Highway squad which is without a

Deborah To Hold Holiday Party

A regular meeting of Suburban Deborah League will be held on Tuesday, December 22, 1959 at 8:30 P.M. It will take place in Temple Beth Ahm, Baltusrol Way, Springfield, N. J. Mrs. Bert Bruder, program chairman, announces that the evening will be devoted to a holiday party for members. Each is requested to bring a 50c gift which will be placed in the grab-bag. There will be audience-participation games with suitable prizes. Mrs. Norman Stromeyer will preside. Mrs. David Feldman, chairman, announces a visitation to the Deborah Hospital, Browns Mills, N. J. on Tuesday, January 12, 1959. The chapter will have a baby-sitting service and will provide a car-pool. Luncheon will be served at the hospital, and a tour of the building will follow.

Girl Scout Troop No. 666, composed of twenty-nine seventh grade girls, will give an International Tea for their mothers tomorrow, December 18 at Deerfield School. The Scouts chartered a bus and visited the United Nations several weeks ago as part of their work on the International Friendship badge. The tea is an outgrowth of the trip combined with the girls' wish to entertain their mothers. Each girl is making cookies from recipes of foreign lands and Viennese coffee, as well as punch, will be served. Mrs. Bradford Craver of Westfield, a native of Bulgaria, will show costumes and tell about Christmas customs as she knew them in her country. The girls of Troop No. 666 are: Gail Barrett, Nancy Blohm, Kathy Campeau, Joyce Doyle, Patty Dwyer, Eileen Freeman Susan Hartnett, Valerie Hyde, Tomi Kayser, Janet Keller, Jean Knechtel, Joyce Kulsop Lenage Langhinz, Pat Latella, Dorothy Locke, Lynn Lueddeke, Janet Moore, Peggy Nerf, Bette Neroda, Sharon O'Brien, Nan Presser, Leslie Rayson, Linda Rumpf, Linda Seaman, Gail Sarrett, Bonnie Skutches, Leokadia Stawick, Lynn Van Voorhies and Pam Warkala. Leaders are Mrs. Thomas A. Hyde and Mrs. Daniel J. Hartnett.

How sorry we were to hear of the recent fire at the home of Mr. and Mrs. Joseph Colarusso and their five children of 229 Robinhood Road. Our wishes are for a very hasty restoration of their lovely home.

Well over a hundred members and friends of the Mountainside Newcomers Club enjoyed a delightful afternoon at the regular monthly meeting on Monday, Mrs. Herman Schmitz, Jr. presided. The vocal rendition of Christmas carols offered by the club's own group, under the leadership of Peg Olson, was especially lovely. Making and decorating Christmas candles was demonstrated by Mrs. J. Henry Staub. (Bel there isn't a bar of paraffin left on the store shelves what with all the "do-it-yourselfers" in this fine group.) Dainty tea sandwiches, cookies and cakes were served with coffee and tea.

A Christmas tree decoration party and buffet supper took place at the home of Barbara and Nicholas Byron of 277 Indian Trail on Sunday. Among the guests present to help decorate the beautiful Balsam Pine tree were Mrs. Elizabeth Flanagan of Elmhurst, who will celebrate her 89th Christmas; Barbara's brother and wife, Mr. and Mrs. Charles Gutowski from River Edge; the Misses Sally and Virginia Lyons; Betty Wilson from Elmhurst; Nick's brother Oscar Byron and Nick's son Donald Byron. (Wilt Mrs. B was heard to say, "Nothing like putting your relations to work to get the job done!") Mr. and Mrs. James Quinn of Mountainside joined the group for cocktails.

A gala surprise Fortieth Wedding Anniversary party was held last Saturday at the home of Mr. and Mrs. Daniel Knier of 294 Indian Trail for Mrs. Knier's mother and father, Mr. and Mrs. W. L. Bradshaw, Sr. of Plainfield. The party was given jointly by Mr. and Mrs. Knier, the Bradshaw's daughter Miss Frances Bradshaw of Plainfield, their daughter and son-in-law, Mr. and Mrs. C. L. Cutler of Mountainside, and their son and daughter-in-law Mr. and Mrs. W. L. Bradshaw, Jr. of Fanwood. A simply marvelous catered buffet was served to the seventy-five guests; among who were eighteen grandchildren.

A little premature, but nevertheless a date to keep in mind is February 12. This is the night of the Mountainside Newcomers Club's Grand Ball. The affair will be held at the Redwood Inn in Somerville.

Dennis Ryan of 924 Mountain Avenue had a pet show Saturday. On exhibit were his three pets: a rooster called Peck, a Navajo named Perky and his beloved dog Topper. (Denny's own enthusiasm is only outshone by that adorable face full of freckles!)

Don't forget the cake sale to be held at the home of Mrs. Dwyer on December 22 from 2:30 Edward Perrini, 324 Longview to 4:30 and 7:30 to 8:30 p.m. The sale is being held by the Mountainside AAUW for the special purpose of helping a Mountainside girl with a scholarship fund. Incidentally, a jimmidy way to stock up on holiday goodies.

Congratulations to our three newest U. S. citizens. They are Anna Plank of 1154 Route 22 and Waleria and Wasy Bilous of 1081 Summit Lane. How proud you folks must be!

A real old-fashion corned beef and cabbage dinner was enjoyed

by many members, relatives and friends of Elks Lodge 1885, BPOE, Route 22 last Thursday evening. This was the monthly family dinner night.

Do you have a daughter or are you acquainted with an attractive young lady between the ages of 18 and 25 years who is a legal resident of New Jersey and resides in New Jersey or who works or goes to college in the Washington area? Why not have her enter the New Jersey 1960 Cherry Blossom Princess Contest. Entries should be submitted to William L. Karpf, New Jersey Cherry Blossom Chairman, New Jersey State Society, P. O. Box 9611, Washington 16, D. C. If anyone is interested call me for further details.

Cub Pack 172—Springfield
The Christmas party of Cub Pack 172 of Springfield will be held tomorrow night, Friday, December 18th at the James Caldwell School. The boys will trim a tree with decorations they have made. Christmas Carols will be sung, with Mrs. George Eaton of 42 Sycamore terrace, Den Mother of Den 5 at the piano. Christmas gifts

made by the boys for their parents will be on display.

The Honor Guard will consist of Gordon Cunningham, Steve Cowles, Bobby Belliveau and Jeff Bell of Den 8. The party will begin at 7:30. Please boys, remember to wear sneakers, not shoes.

A Council Meeting was held at the Recreation House on Thursday evening, December 3rd. Plans were made for the Christmas party and also for the Blue and Gold Dinner, which will be held sometime in February. The Cub Scout Pow-Wow, which was held in Clark on December 5th was discussed and several Den Mothers said they would be represented.

There was a typographical error in our last write-up, the list of new boys in the Pack

extended to all.

Zabalski, Jerry Adams, Craig Cawthorn and Shelley Eisenberg of Den 7 and John Phelps and Robert Lobel of Den 1.

The Cubs, Den Mothers and Council Members of Pack 172 would like to wish all a Very Merry Christmas and a Happy and Healthy New Year.

Municipal League Race Is Tighter

In Monday night's bowling, Cuzzalino Furs swept their series with Springfield Market, and moved into a first place tie with Baldwin's Shell who lost two games to Dandress Drives. Springfield Bowl and Ehrhardt's Electronics are in a tie for third place.

Harold Burdett was high man with a 24-616. Walton was next with a 220-611. Others with high single games were Straub 222, Gianatassio 221, Boch 219, Calicarpio 217, Coburn 215, Dick

Co. Party Upheld As 'Work' In Widow Award

County Judge Milton A. Feller has upheld a \$14,000 workmen's compensation award to the widow of Francis B. McNeil of Springfield who was killed Dec. 8, 1957, on his way home from Mack Trucks Inc. dinner.

Mr. McNeil, who resided at 131 Claremont Pl., Springfield, was a 35-year employe of the Plainfield firm and had been honored at the "Old Timers" dinner held at the Washington House, Watchung.

He and Alfred Platt of Ruthford, a passenger in his car, were killed when the vehicle

crashed into the rear of a tractor-trailer parked on the shoulder of Route 22 in Mountainside. Judge Feller agreed with the decision of Deputy Director Roger W. Kelly of the Workmen's Compensation Division of the State Department of Labor and Industry.

Employment Factor
Mr. Kelly found that the employment of Mr. McNeil by Mack Trucks contributed to the fatal accident.

Judge Feller, in his decision, said it was evident that the president of Mack Trucks placed great emphasis on the

dinner, even arranging a postponement in order to attend.

"To ignore the impact of an invitation signed by the president of a major corporation to an executive in the lower echelons of the corporate structure is to ignore business realities and human experience. It would seem that there was an indirect, substantial, underlying compulsion which the company placed upon these employes to attend," the judge declared.

Held Not Compulsory
The company maintained that attendance at the dinner was not compulsory and that the event was purely a social one to show appreciation for long service.

Judge Feller said "Compulsion" may be exerted indirectly. While an invitation may be substituted for a command, it

would be unrealistic to fall to recognize that the force of such a substitute may equal that of an express order. It makes little difference whether the employer chooses to motivate his employes by compulsion or by incentive; it all adds up to the same result, the advancement of the respondent's business."

The jurist ruled that Mr. McNeil was on a "special purpose trip" when he was killed and that he was "in the course of his employment until he reached his home."

The award to Mr. McNeil's widow, Edith F. McNeil, includes \$14,000 in compensation and \$400 for funeral expenses.

Mail Early For Holiday, Postmaster Urges Residents

Springfield—Postmaster A. V. Del Vecchio said today that the mounting volume of Christmas mail "makes it most important" for everyone to help on his "Mail Early for Christmas" program. He said: "Last year we handled a total of 500,000 pieces of mail between Dec. 1 and 25. This year the comparable volume is even heavier and the real rush is just starting."

"Most people realize that the early arrival of a Christmas card or gift is always welcomed," the postmaster pointed out. "But there are still some who have the mistaken idea that a gift or card arriving on Christmas Eve has special significance. Actually, it is the thought behind the gift or card and not the time of arrival that is the important consideration."

Every facility of the Post Office is being pressed into maximum service; extra trucks and personnel have been added with the goal clearing all Christmas mail well before Christmas Day, Mr. Del Vecchio said.

He again reminded residents to address cards correctly, completely and clearly; to send all cards by first-class mail; and to be sure to include return name and address on the Christmas card envelopes.

In conclusion, the postmaster said, "We can make it a merrier Christmas for everybody if

you will follow the above simple rules and mail your cards well under cold water and snipped at the stem end before now." They are ready to use. Peeling and soaking mushrooms are unnecessary.

When one plus one doesn't make two

Everyone knows that "1 + 1 = 2" is good arithmetic. But one curious child plus one curious child adds up to thousands of questions. Multiply this by a classroom full of inquiring minds and you have an infinity of problems and opportunities for a teacher. She can't use any simple 1 + 1 formula. She uses instinct and affection to spark that craving for learning in each child in her class.

A good teacher has the gratification of helping a child's mind grow. She knows she is needed. She is one of those who serve.

The 2,700 JCP&L-NJP&L men and women who help provide you with electricity get great satisfaction out of helping their customers live an easier, healthier and more comfortable life. And of course, that includes teachers. Electricity is used in schools in many ways. Educational films. Fine lighting for young eyes. And many new schools are now being heated electrically. We are happy that electricity serves those who serve us all.

Crestmont Savings Pays \$400,000 in Dividends

The board of directors of Crestmont Savings and Loan Association, with offices in Maplewood and Springfield, has declared a semi-annual dividend at the rate of 3 1/4% per annum for the period ending December 31, according to a statement issued by Loren F. Gardiner, president.

Crestmont's top officer estimates that an amount approaching \$400,000 will be distributed among 15,000 savers in both offices of the association. Accumulated individual savings within Crestmont Savings

and Loan are now estimated at the period starting January 1, 1960. Savings accounts of Crestmont's members are insured for safety up to \$10,000 each by the Federal Savings and Loan Insurance Corporation—a permanent instrumentality of the United States Government.

In October of this year, Crestmont's board announced an anticipated dividend rate increase to 3 3/4% per annum for

8 Teams Close In Bowling League

Temple Beth Ahm's bowling league standings became a bit closer with the top teams losing ground. Sweeps were taken by the Faber team and the Kramerman's which put the

top eight teams within four games of the leading L. Seroff's team.

The leading pinners of the day were O. Baroff with a 224 game and a 594 series, S. Faber with a 204-200 game and a 585 series. Other 200 games were rolled by L. Seroff 211, Atkin 204, L. Sarokin 203, A.

Kalem Re-elected Squad President

At election of officers held this week by the Springfield First Aid Squad, Daniel Kalem of Henshaw Avenue was re-elected as president of the organization for a second term. Ivan Kerzner was elected as vice president.

Also re-elected were the following officers:

Madeline Lancaster, secretary; Florence Neilsen, treasurer; and Helen Bowles, corresponding secretary.

Field officers re-elected were Robert Voorhees, captain, and Otto Furst, 1st Lt. Ethel Lucy was elected as 2nd Lt.

Helen Bowles was also chosen as House Committee representative and Harold Jensen as Trustee to fill a 3-year term.

Installation of officers as well as appointment of all committeees for 1960 will be in early January, it was reported.

Handicapped Train. At New County Occupational Center

(Last article in a series on Mental Retardation.)

A few months ago five handicapped persons began training for their vocational future to mark the opening of the Occupational Center of Union County at 1180 East Grand Street, Elizabeth. The group is taking a 38-week program learning industrial skills and doing actual work for corporations through subcontracts.

The center, operated on a non-profit basis under the sponsorship of several health and rehabilitation agencies, divides its course into three phases. During the first eight weeks, the trainees did light industrial work, service tasks and clerical jobs. Each individual then was evaluated to determine his or her particular skill. An 18 week personal adjustment training segment then is held, during which group discussions and counseling periods are led by Dean W. Garwood, executive director of the center. The second phase of the program is aimed at teaching good work habits and attitudes and what is expected of a person in the everyday work-world. This is the most important part of the program because it will help to build the self-confidence of adhering to more rigid and realistic job standards.

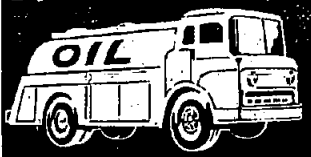

At the conclusion of the course, center officials will determine if each trainee is pre-

pared to work in industry or business. Job placements will be made through the state employment office and private agencies. Some will be given employment at the center, depending on job openings there.

The trainees work on simple packaging, sorting of scrap materials and assembly of small couplings. The workshop is paid for this work and since it is not run for profit, returns to the trainees. Businesses that have sent work to the center have found it to be very practical, since they are often unable to hire persons for jobs of short duration involving considerable hand operations. Subcontracting jobs have also proven to be good financial practice for business.

Some equipment has been donated to the center, such as benches, stools and lockers;

4 Teams In First Place

In Friday night's bowling, Captain Brunny's No. 15 team lost two to Becker's No. 16 and are now in a first-place tie with teams Nos. 5, 8 and 14. Team No. 11, led by Douglas, is only three games back.

Individually, Cardinal of team No. 5 was high with games of 188, 202 and 221 for a 611 series. The highest single game was Walt Schramm's 224.

Bennett had a 214, Arey 211, Siman 210, Leacraft 207, La Sota 207, Wood 202 and Stewart 202.

NEW! JUST OUT! 1960 G-E T.V.

At Prices That Set New Value Standards!

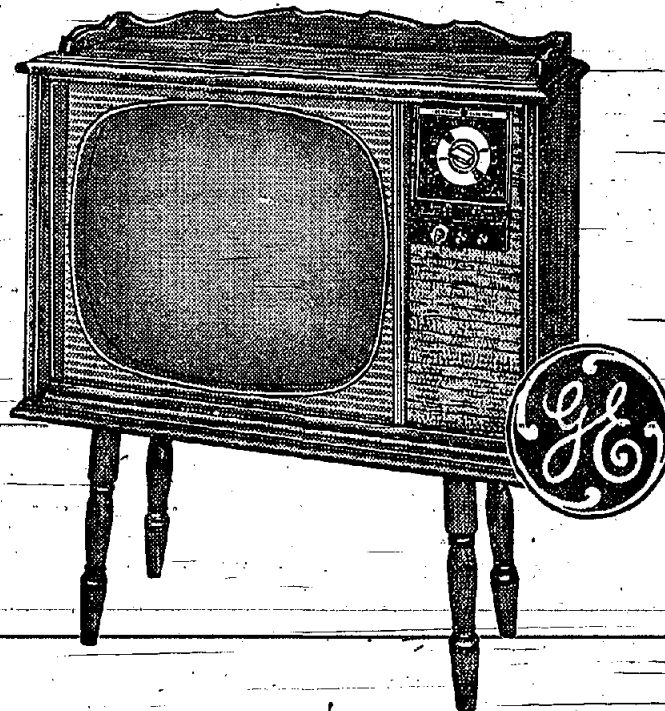

Model 21C3575

The ultimate in modern television with the long tapered curve of the cabinet reflecting the pure functional lines of the Scandinavian furniture influence. In genuine-walnut veneers and solids. The cabinet is supported on tapered buttress legs tipped with ferrules in brushed-brass finish. The dual speakers, mounted separately at opposite ends of the cabinet, are enclosed behind distinctive louvers, a pleasing variation from the usual grille cloth. This lovely instrument will command admiration in any living room and will complement most furniture styles. Available with manual tuning or with "Electronic Power Tuning" and 4-way wireless remote control.

FEATURING NEW

- Slim Silhouette "Scandi" Styling
- Custom Coaxial Speaker Systems
- 4-Way Wireless Remote Control
- Stereo-Phono Jacks
- Dual Tone Controls
- Custom "Ultra-Vision" Chassis

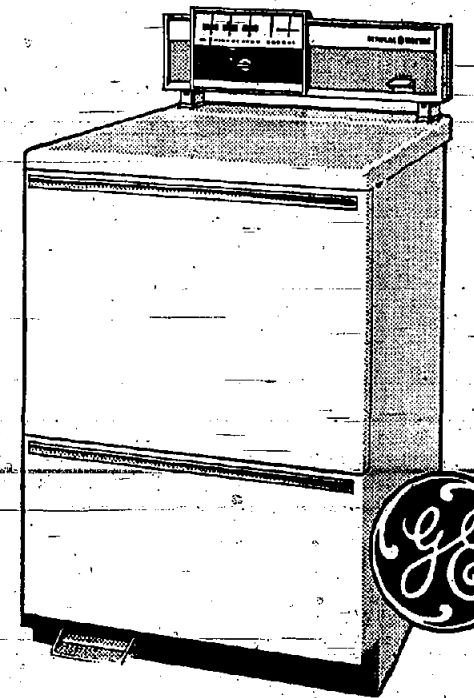

Model 21C3567

A Slim Silhouette console set executed with the honest simplicity of Colonial New England. Faithfully reproduced in a hardwood cabinet veneered in genuine hard rock maple and finished to the fine patina which marks early American furniture. The authenticity of the design is carried out with removable, gracefully turned legs and an overhanging scrolled school-master top. The speaker grille cloth cleverly imitates the woven rush seating used in chairs of the period. The control panel was carefully designed to enhance the traditional style of this charming television receiver.

FEATURING NEW

- Slim Silhouette Early American Styling
- Stereo-Phono Jacks
- Dual Tone Controls

New! General Electric High Speed Dryer with Automatic Control

High-Speed drying at safe, low temperatures.

AUTOMATIC CONTROL
Provides just-right drying times and temperatures for any clothes load. . . . automatically. Dryer turns itself off the moment clothes are properly dry.

DELICATE is the setting for silks and synthetics. They tumble gently through currents of warm air with controlled drying times and temperatures.
REGULAR is the setting for cottons and linens—the things you wash most often. These frequently used items dry quickly and safely.
HEAVY is the setting for hard-to-dry loads. Bathmats, bedspreads, rugs, terry towels come out thick and fluffy.

HIGH-SPEED DRYING SYSTEM
Room air enters the dryer from the front and is then warmed, entering the clothes basket from the back. Fast moving currents of properly warmed air flow through the tumbling clothes, drying them quickly and naturally. Moist air and lint are carried through the trap, depositing the lint, and then exhausted at the rear.

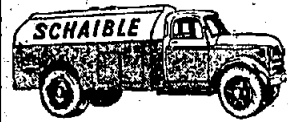

BABY-IN THE HOUSE?

You can safely dry up to 50 diapers in this G-E High-Speed Dryer. They come out soft and fluffy, ready to be worn, and are free of harmful bacteria that washing normally does not destroy.

Synthetic De-Wrinkler • Automatic Sprinkler • Air Freshener
Efficient Metal Lint Trap • Magnet Door with Foot Pedal Opener
Safety Start Switch • Operates on 115 or 230 Volt Circuits
Choice of Color or White • G-E Written Warranty

AUSTERS

APPLIANCES

143 E. BROAD STREET, WESTFIELD • ADAMS 3-2121
OPEN MONDAY AND FRIDAY EVENINGS UNTIL 9 P.M.

To Enter Nat'l. Science Contest

Three senior boys of Dayton Regional H. S. will take examinations for the Westinghouse Science Scholarship of 1960. This test is conducted by Science Clubs of America and is administered by Science Service. The purpose of Search is to discover and foster the education of boys and girls with skill, talent, and creative originality in science.

Students from all states will compete in a two and a half hour long exam. Of these, 40 students will win a 3-day trip to Washington D.C. and 250 others will receive honorable mention which awards are forwarded to colleges of the student's choice. Usually the top 40 students win scholarships of one kind or another in addition to the scholarships offered by Westinghouse and a good number of the "honorable mentions" receive scholarships from colleges of their choice.

The three boys of Dayton Regional who have qualified for this test are Roy Allan Westberg, 68 Demore avenue, Berkeley Heights; Peter Besch, 25 Park Lane, Springfield; Paul Stock, 4 N. 14th street, Kenilworth. In the past Dayton Regional had students who were among the top 40 winning trips to Washington in 1957 (1), 1958 (1), and 1959 (3). This is considered one of the top science competitions among high school science students.

YOUR LIBRARY

As Christmas Day comes nearer and nearer, preparations and excitement are stepped up. In the Springfield Library the decorations have been added to the Christmas trees to make this season a more festive occasion.

Now the Christmas wreath has been hung on the front door. In the main hallway on the first floor are Christmas greens and candles. Other greens are on the mantle over the fireplace.

The water color of the Cannon Ball House painted by Miss Doris Henrich has been hung above the fireplace. It fits right into its setting and is much admired as more readers come in. The Library is surely grateful to the Art Department of the Woman's Club for such a beautiful gift.

The decorations on the main floor have been in the charge of Mrs. Matiland P. Simmons. On the second floor in the children's room, Mrs. Conrad Miller has done an equally fine piece of work.

The Christmas tree in the hallway at the head of the stairs has been beautifully trimmed. The children coming to the last two Story Hours for this year enjoyed adding bits of tinsel.

A snowman and a Santa Claus picture on the bulletin board form the background for the large number of books which contain Christmas stories for children.

In both the adult and children's collections are many books explaining Christmas customs. Some of these books point out that many of the traditional ways of observing Christmas are not Christian at all. Some, like the yule log and evergreen decorations have come down from pagan times. At this time of the year the Romans celebrated their Saturnalia. Furthermore that long ago the Jewish people celebrated the Festival of Lights called Hanukkah. The religious holidays are particularly well explained in "Days and Customs of All Faiths" by Howard V. Harper, as well as some other books of customs.

All of these threads of culture have come together to make our American Christmas season. The books help us to understand and appreciate customs other than our own, besides entertaining us with their charming stories. The decorations help to make it a gala season. In these ways the library can help everyone enjoy Christmas more.

Sharey Shalom To Hold Ball

Sharey Shalom, Suburban Reform Congregation, has announced their annual New Year's Eve - Chanukah Ball to be held on Thursday evening, December 31st at the American Legion Hall, South Trivelt Avenue in Springfield.

There will be a band for dancing, food, etc. For reservations please call Mrs. Pauls Gash at DR 9-3306.

Appear at Radio City
Henry Baldwin, son of Mr. and Mrs. Howard Baldwin, 151 Wentz Ave. and Donald E. Eggen, son of Mr. and Mrs. Edw. L. Eggen, Jr., 35 Kipling Ave. are currently singing on stage at New York's Radio City Music Hall as members of the renowned Columbus Boy-Choir in the theatre's famed two-part Christmas stage show, the pageant of "The Nativity" and "Yule Moon," a gala spectacle, both produced by Leon Leonidoff.

Kids Sell Mags To Help School

By Pat Keegan, Age 11
 Recently school-children from the Florence Gaudineer School, about 750 sixth, seventh and eighth graders are all helping

doorbell selling subscriptions to many different magazines. This is because they have started a magazine sale to help the school. Some of the magazines being sold are Coronet, Look, Life, toward the yearbook. Some money will be sent to the Book's company as a payment. What is left will go to buying these articles: An Encyclopedia, a rose bush, and shrubs. Some of the magazines being sold are Coronet, Look, Life,

Seventeen, McCall's and Post. So when these hard-working children come to your door, remember: This may make Springfield a better place for my children and later my grandchildren to live in.

Clifford Ends Basic Training

Great Lakes, Ill. (FHTNC)—Robert E. Clifford, son of Mr. and

Mrs. E. Clifford of 37 Oakland ave., Springfield, N.J., graduated from recruit training Dec. 11 at the Naval Training Center, Great Lakes, Ill. The graduation exercises, "boot camp," will include a full dress parade and review before military officials and civilian dignitaries.

The Finest Christmas Gift!

THE FISHER

Remarkable FULL-SIZE-CONSOLE PERFORMANCE In Compact Form!

THE FISHER Promenade II STEREOPHONIC PHONOGRAPH

HERE ARE THE FEATURES that make the difference: Powerful, distortion-free stereo amplifier (30 watts peak power) engineered to acoustic standards normally found only in large consoles. The sound is 'open,' full-bodied, true! Two-channel control center with four-position channel selector, balance controls, two-channel bass and treble controls. Precision-engineered four-speed automatic record changer, for stereo and standard records. Full-range, LP and 78 rpm stereo cartridge with diamond LP stylus. Dual-cone, massive-magnet speakers. Facilities for stereo tape or r.c.d. In Mahogany, Walnut, Cherry or Blonde.

Overlook Adds Radiologists

Two new specialists in radiology have been added to the medical staff of Overlook Hospital as assistant attending physicians working with George M. Himadi, M.D., chief of the department. William J. Esposito, M.D., and Alexander D. Crosett, Jr., M.D., both of Summit, also both came to Overlook from the staff of Columbia Presbyterian Hospital in New York City, where they were also instructors at Columbia College of Physicians and Surgeons.

Dr. Crosett is a graduate of Yale University, class of '46, and Yale Medical School, 1950. He interned at the University of Minnesota Hospital in Minneapolis and was assistant resident and resident physician in the department of radiology at the Presbyterian from 1951 to 1953.

Flight surgeon for the U.S. Air Force Strategic Air Command currently holds the rank of captain in the U.S. Air Force Reserve. After his tour of active duty Dr. Crosett returned to Columbia Presbyterian in New York to become the attending physician in radiology until coming to Overlook. Formerly a resident of Eastchester, Dr. and Mrs. Crosett and two children live at 1 Manor Hill road.

Dr. Esposito attended Newark College of Engineering and is a graduate of New York University, class of 1950. He received his medical degree from New York Medical College at Flower Fifth Avenue Hospital, and took his intern and residency training at Syracuse Upstate Medical Center of the State University of New York. Dr. and Mrs. Esposito live at 15 Mele place.

All three Overlook radiologists are certified as Diplomates of the American Board of Radiology.

Museum Exhibits Audubon Prints

Furry rabbits and pert squirrels greet the visitor to the Montclair Art Museum in the North Gallery where a collection of Audubon prints is showing through January 10. These animals, not alive but mounted specimens, have been included in the exhibition to give three-dimensional comparison with the wild creatures depicted by the famous ornithological painter James John Audubon. The specimens have been lent from the science collections of the Newark Museum.

On Sunday, December 20 at 3:30 p.m., there will be a gallery talk on the subject of the Audubon prints to which the public is welcome. The speaker will be Miss Mary Ellen Earl of the museum staff.

A Tree Or Not A Tree

To help you identify the Christmas trees usually sold in this area, look for the following characteristics:

Pine trees have two to five needles in a cluster, and needles are one and a half to three inches long.

Fir trees have single, flat needles, one-half to one inch long.

Needles from spruce trees are sharp and have four sides so that you can easily roll them between thumb and finger.

Pines and firs normally retain their needles longer than the spruce, but all will usually give satisfactory service if treated properly.

For suggestions on how to stretch the life of your Christmas greens, the Essex County Extension Service has a leaflet titled "Indoor Care of Christmas Trees and Greens." To secure a copy of this leaflet send a card to the County Agriculture Agent, Lawrence D. Little, Jr., 246 Bloomfield Avenue, Caldwell, and it will be mailed to you free.

CYNTHIA'S CHATTER

EXCHANGE ASSEMBLY—Classmen had the assembly last Thursday, the upper side the show was put on by the

Summit High School performing choir with a flute soloist and a boy's chorus. Along with this fine program, came an excellent humorist, doing the monologue 'The Last Dance' by Dorothy Parker. The assembly was good and all in all well received. Thank you Summit, we hope to give you our exchange assembly this January.

J. V.'S TRIUMPHANT—Last Friday night, at Hillside, the Junior Varsity Bas-

ketball team won a fabulous game. Outstanding on the team was Jackie Weiss and Larry Stickle, both Sophomores. It's not due to lack of school spirit, or team organization, that our Varsity team didn't do as well as the J. V.'s, because both were very high at the Hillside game. There were no outstanding players on the team due to the outstanding activities of all the players. Better luck next time, boys, you're all great!

TALENT SHOW SOON

Practice for the future talent show assembly, was held on Monday night for the Dance Band of 1960. Also in the offing are bids for singers, dancers, humorists, pantomimists, and small combos. See Mr. Triakly or Mr. Romeo of information and sign up in the band room if you're interested in participating in the program.

SOPHOMORE DANCE HELD—The Sophomore Dance was held on Friday last, with Mickey V. and the Valentis entertaining. The gym was decorated by an able group of sophomores, who did a beautiful job. The large Christmas tree in the center, and the walls were only part of the gorgeous festive of a gym. The dance was hooped with balloons and all in all, the gym was not even slightly representative of a gym. The dance was a success as I hear it, so congratulations Sops, you did a

HELPERS ON THE WAY—The idea of birthdays, seems to have gotten under way. Arlene Kaveberg, will help with the birthday lists and will give me news of B'nai B'rith activities to put in the column. Myra Elliott also will assist in Thomas, Both Arlene and Myra are from Springfield, whereas this activity as will Bonnie Bonnie is from Mountaineide.

Homecoming Set at UJC

The annual Christmas week alumni homecoming of the Union Junior College, Cranford, will be held Monday, Dec. 28, in the college's new Nomahegan Building from 8 to 11 p.m., it was announced today by Kenneth O. Scheller of Cranford, chairman.

The program will feature tours of the new \$1 million building, which was opened in September, dancing and selections by the U.J.C. Glee Club.

Mr. Scheller pointed out that the affair is held each year during Christmas week so that U.J.C. alumni who transfer to four year colleges away from home will be able to attend.

Area Optometrists Get Society Posts

Dr. Chester Lindsey of Fanwood was named a trustee of the Union County Optometric Society last week in the Park Hotel, Plainfield. He will represent the county branch at the New Jersey Optometric Association meetings in Newark.

Dr. Cosimo Paone of Berkeley Heights was named chairman of the public information committee. Dr. Lindsey was named a member of the occupational vision committee.

The Fanwood doctor gave a report on the 58th annual state association meeting held recently at the Nassau Inn in Princeton.

FRESHMEN WIN—The PTA of Jonathan Dayton Regional High School, Springfield, will present a cash award to the freshman class today during assembly period in the school for attaining the highest percentage of parent membership, 97 per cent.

Miss Joan Pitney, student representative, will make the presentation. This year the students themselves conducted the drive.

Mrs. H. C. Oakman, chairman, announced the total membership at 1,230.

HEADS COMMITTEE—Steve Petrone of Berkeley Heights headed the decoration

committee for the winter formal at Fairleigh Dickinson University's Florham-Madison campus Saturday.

"Success or failure in business is caused more by mental attitude even than by mental capacities."—Walter Dill Scott.

Merry CHRISTMAS GREETINGS to all

BOB MANDEL, R.P.

We at Bell's would like to take this opportunity to extend to everyone our sincerest good wishes for a very Merry Christmas and a Happy and Prosperous New Year. It is also our honest desire to thank you for being so patient during our building program, allowing us to stay open even while adding the additional space that is now at your disposal. We hope that you will accept our invitation to visit us in our larger quarters and will take advantage of the friendly, personal yet efficient service to be found inside our doors. Our prices too, you will find are extremely reasonable as is evidenced by our slogan "The Best For Less." Bell's is a friendly place to shop, why not stop by and say hello?
