

J. A. Bender Against, Dr. Josephson Is For Fire-Detection Plan

Opinion is divided in Springfield on the question of whether or not the Board of Education should be directed to install a fire-detection system in the local elementary and junior high schools.

Also divided on the question are the men seeking election to Springfield Board of Education next Tuesday. The fire-detection question will be found on the ballot when the voters of this township take part in the annual school election on Feb. 9—and the decision on installing or rejecting the equipment will be made by the voters.

A considerable portion of the candidates night arranged by the League of Women Voters and the several Parent-Teacher Associations here was devoted to a discussion of the merits and weaknesses of the fire-detection system proposed for Springfield.

The program was attended at the Florence M. Gaudinier School Monday evening, Feb. 1, with about 200 members of the sponsoring organizations—and others present.

All but two of the men seeking election to the Board of Education to be held Tuesday were on hand to gather what support they could. Frank W. Haydu, Jr., a candidate for re-election, and James M. Cawley were absent because of illness.

In charge of the presentation was Mrs. K. D. Smith of Westfield, vice-president of the League of Women Voters of New Jersey, as moderator; co-chairmen were Mrs. Frank Jakobson, president of Gaudinier P.T.A., and Mrs. L. W. Krieger, president of the local League group. The latter was taking the place of Mrs. Arthur Lichtenberg, who was ill.

Present to present their views and to answer questions were the following candidates: John L. Aggar, Joseph A. Bender, August Caprio, Edwin G. Davenport, Robert D. Hardgrove, Dr. B. H. Josephson, James W. Phelps, Richard E. Werner.

In opening the session, Mrs. Smith explained that each of the men would be asked four questions relating to Board of Education relations to administrative staffs and the public. (Continued on Page 14)

Named To Head Shuonpike Unit

N. L. COOPERMAN

A regular meeting of the Shuonpike Association was held Tuesday evening, Jan. 12, at the home of Mr. and Mrs. Frank Wehrle, 22 Shuonpike Road. Officers for the year were elected.

Norman L. Cooperman, 24 Warwick Circle, was elected president. Other officers elected are: Joseph Roller, vice-president; Werner Bothe, treasurer; Mrs. Leslie Van Riper, recording secretary; Norman L. Cooperman, corresponding secretary.

The Association's annual Christmas party was held at Evergreen Lodge on Dec. 20. Mrs. Stephania Wilson, chairman of the Christmas party, (Continued on Page 16)

Historical Society Elects; Given Gifts

Eugene F. Donnelly was elected president of Springfield Historical Society at the annual meeting held Thursday Jan. 28, succeeding Howard F. Casselman, president for the past two years.

Other officers are: William S. Quinlan, vice-president; Miss Catherine Siess, treasurer; Howard W. Wiseman, secretary; Donald B. Palmer, curator. Trustees are: Mrs. A. J. Kuller, Sumner; Henry C. McMullen, Charles F. Heard, Howard F. Casselman, Mrs. Charles Beardstey, Edwin A. Baldwin, Stewart C. Fulton.

A report on the restoration of the Cannonball House, headquarters of the Society, was illustrated by slides prepared and exhibited by Stewart C. Fulton. (Continued on Page 14)

NEW HEAD OF SOCIETY TAKES OVER—Eugene F. Donnelly, shown at left above, takes over as president of Springfield Historical Society from Howard F. Casselman, outgoing leader, following elections held at the Society's annual meeting Thursday, Jan. 28. (Photo by Stewart C. Fulton)

Regional Vote Is Very Light

With light votes being cast in all six towns included in Union County Regional High School District No. 1, the several financial items on the ballot were approved and the members of the Board of Education seeking re-election unopposed in Berkeley Heights, Clark, Garwood and Springfield.

In SPRINGFIELD, the Current Expense item of \$1,775,954 was approved, 102 to 20; the Capital Outlay item of \$99,350 was favored, 98 to 23; the Agriculture Dept. sum of \$925 was OK'd, 98 to 29; the transfer of \$100,000 towards the furnishing of the new school in Berkeley Heights was approved, 99 to 23.

In BERKELEY HEIGHTS, the Current Expense item was approved, 146 to 10; Capital Outlay, 145 to 8; Agriculture, 127 to 36; Transfer, 152 to 5. Everett A. Fay received 135 votes.

In MOUNTAIN SIDE, Current Expense was approved, 102 to 14; Capital Outlay, 101 to 16; Agriculture, 77 to 27; Transfer, 106 to 9.

In CLARK, the score was: Current Expense, 56 to 13; Capital Outlay, 53 to 14; Agriculture, 44 to 23; Transfer, 51 to 11. Thomas A. Nolan polled 49 votes.

In KENILWORTH, the vote was: Current Expense, 37 to 13; Capital Outlay, 37 to 12; Agriculture, 34 to 15; Transfer, 33 to 9. William Broderick received 50 votes.

In GARWOOD, the results were: Current Expense, 75 to 21; Capital Outlay, 73 to 28; Agriculture, 61 to 33; Transportation, 66 to 19. John Teuscher was given 98 votes.

Cerebral Palsy Drive Here Is Far 'Over Top'

Mrs. B. H. Josephson, head of the Cerebral Palsy Drive in Springfield this year, reports a record total of collections for this worthy cause—with more than \$1,200 already received.

"A great many of the envelopes given to the workers have not yet been returned to me," said Mrs. Josephson. "These should bring the total amount collected very close or even above the \$1500 mark which is higher than any amount Springfield has ever given toward Cerebral Palsy."

Mrs. Josephson urged all workers to return their envelopes and the money collected as soon as possible so that a report can be made to the headquarters in Elizabeth.

Mrs. Josephson organized her army of workers in Springfield to assist in this drive against Cerebral Palsy and launched a campaign which brought in the record amount of money in a very few weeks.

Local Minister To Be At Meet

Ministers of the New York Area of the Methodist Church will be at The Inn at Buck Mill Falls, Pa., from Feb. 9 to 11. Bishop E. B. Newell, Resident Bishop of the Methodist Church, will preside. Dr. John Sutherland Bonnell, minister, Fifth Avenue Presbyterian Church, New York City, will lecture on "Counseling and the Healing Ministry." Paul Blanshard, author and lecturer, will talk on "Catholic Power and Policy in the United States."

Dr. H. Gordon Harland, of the Department of Systematic Theology, School of Theology, Drew University, will discuss "Theology and Politics: the thought of Reinhold Niebuhr" and "Christian Faith and Social Responsibility: the Realm Between Love and Justice."

The Rev. Virgil E. Mabry, pastor of Springfield Methodist church, will be among the 400 clergymen expected to attend the meeting.

Voters To Have Final Word On School Board

Springfield voters will go to the polls next Tuesday—February 9—at least, we hope the voters will go to the polls—to fill 5 vacancies on the local Board of Education.

There is a contest for each one of these seats with two candidates on the ballot for each of the five places to be filled.

There are some very qualified men on the ballot and the voters should have little trouble selecting those who would best serve the community as members of the School Board.

"Those who would best serve" doesn't mean those who would be "yes" men and merely rubber-stamp members of a Board that spends many hundreds of thousands of dollars to expand our educational system in Springfield.

The election next Tuesday is made a bit confusing by a referendum—a public question placed on the ballot asking the voters to decide whether or not it is worth authorizing the expenditure of \$22,600 for the installation of a monitored fire detection system in ALL THE SCHOOL BUILDINGS OF SPRINGFIELD.

This public question has obscured the clear cut view the voters might have had in selecting five qualified men to serve on the Springfield Board of Education.

Only three of the candidates—one who is an incumbent—have evidently taken the trouble to do a little research in the matter of protecting the lives of school children but, even there, they do not agree.

However, the only area of disagreement appears to be in the type of equipment to which we hastily add—ANY KIND OF FIRE DETECTION—ANYTHING THAT WILL ADD TO THE SAFETY OF THE CHILDREN IN SPRINGFIELD'S SCHOOL SYSTEM IS BETTER THAN ABSOLUTELY NOTHING.

AND 'ABSOLUTELY NOTHING' IS WHAT SPRINGFIELD HAS NOW! Edwin G. Davenport, present member of the Board of Education and a candidate for reelection next Tuesday, made a statement at Monday night's Candidates' Night.

"If the Board of Education were in favor of such a fire detection system (referring to the public question on the ballot) the cost of the installation would have been in the budget." Which, by the process of deduction and inference, means that the Springfield Board of Education IS NOT IN FAVOR OF THE FIRE DETECTION INSTALLATION. Which is also no great surprise!

Says Vote 'No!' This Says 'Yes!'

Editor, Sun: The voters of Springfield are urged to vote "No" on the referendum covering the installation of a Fire Detection System in the public schools.

The entire matter should be restudied as a result of extensive tests recently completed by the Los Angeles Board of Education, California State Marshall office and the Los Angeles Fire Department.

These tests have completely upset the theory that has been held by the nation's fire experts for decades.

Over 60 separate fires were set in a 30 year old Los Angeles school which had been abandoned. Every known fire protection device was tested. Almost every new fire-safety device tested proved to be worthless.

Chief Raymond M. Hill, Fire Marshall of the Los Angeles Fire Department who was in charge of the test listed some of the results as follows:

- 1. In almost every test, killing smoke preceded killing temperatures.
- 2. Buildings are already filled

This Says 'Yes!'

Editor, Sun: I am writing this letter as an open appeal to the mothers of Springfield.

I have two young daughters, age 5 and 6, who attend classes at the Walton School. When occasionally I hear the fire horn blow during school hours, the initial fear that fills my heart is that—it's the school that's on fire.

As I'm sure it must happen with many mothers, my thoughts get the better of me until I finally see my girls returning home at their regular time.

A few weeks ago I read with great excitement in the SUN that Fire Chief Mesker was advocating the installation of automatic fire detectors in the Springfield School system. Honestly, I felt a sort of relief upon reading this and thought to myself—that it was something that had been a "long time coming."

Having installed automatic fire detectors in my own home—years ago (and being instrumental in their installation in the homes of my relatives, (Continued on Page 14)

Club To Have Wives As Guests

KEN ROGERS

The annual dinner given by the Men's Club of the Presbyterian Church in Springfield for their wives will be held Saturday, Feb. 6. Although the club usually meets on Monday, the date was changed to permit the men ample time to prepare the roast beef dinner, complete with Valentine's Day trimmings.

Ken Rogers of Springfield will be the speaker. Following his graduation from Dartmouth, Mr. Rogers spent some time in Russia. Presently he is a graduate student at Princeton, specializing in foreign affairs in preparation for a career with the State Department.

His talk, illustrated with colored slides, will deal with his experiences in Russia. Tickets for the dinner are available at the Parish House office, 35 Main street, Springfield.

Hadassah Tag Week Feb. 8-14

From Monday, Feb. 8, to Sunday, Feb. 14, Springfield Chapter of Hadassah will hold a tag week. Women will be stationed in designated stores with signs labeled "Child Care" and will solicit funds to support Youth Aliyah.

Hadassah supports and conducts in Israel a comprehensive health, education and social welfare program, one of which is Youth Aliyah, a service for the rehabilitation and vocational education of underprivileged children and youth.

Hadassah is the official representative in the United States of Youth Aliyah, the international agency for the rescue, relief and rehabilitation of Jewish children in Israel.

Paint Exec In Talk To Rotary

Mr. Al Smiles, past district president of Rotary of Union, N. J., representing the Marine Paint Firm of Union spoke to Rotary at noon Tuesday, Baltusrol Golf Club on the subject of Marine Paints.

As early as the 5th century B.C. the Phoenicians used pitch, wax and asphaltum and possibly copper sheeting. In 1412 B.C. the use of arsenic and sulphur by the Greeks and in the 3rd century, lead sheathing. Henry VIII, in 1421, also employed the use of lead sheathing for his boats.

Henry VIII, to prevent worms from penetrating into the plank used 15th century animal hair and tar, iron and steel were known in the 10th century, (Continued on Page 2)

\$875,000 Sold; Position Explained; Option Taken On Land

Springfield Board of Education at a special meeting Tuesday evening, Feb. 2, sold a bond issue of \$875,000, took steps which may lead to the purchase of land for use as a school site and clarified its position on the fire-detection question which is to appear on the ballot in next Tuesday's annual election.

Five bids were submitted for the bonds and the bid accepted was that offered by a syndicate composed of Herbert J. Sims & Co., Inc., Goodbody & Company and Newberger, Loeb & Co. The successful bid was for \$875,847.88 and an interest rate of 4.25.

The other bidders were Suburban Trust Co., National State Bank of Newark, Union County Trust Co. and a joint bid by Hornblower & Weeks and J. C. Bradford & Co. Other interest rates mentioned were 4.30 and 4.35.

Pleased With Rate When the motions necessary to complete the transaction were adopted, members of the Board expressed their satisfaction at the interest rate obtained. It was no secret that a rate of 4.50 to 4.75 was looked for when advertising for bids was discussed.

It was remarked by Board members that the success achieved in disposing of the bonds indicated confidence in the financial position and integrity of the township and its school system.

The bond issue was authorized June 23, 1959, for the construction of the Thelma L. Sandmeier School on South Springfield Avenue. Work on the project began early in November. Sale of bonds was withheld until this week because it was felt a better yield could be obtained by so doing. Cost of construction from November until now has been financed with bond anticipation notes.

Position on Proposal Board Member Edwin G. Davenport suggested to his colleagues that it might be well to issue a statement expressing the feeling of the Board on the fire-detection proposal which is to be voted on at the election Feb. 9. He said it has come to his attention several times—particularly at the candidates' night meeting the night before in the Florence M. Gaudinier School—that the school board has been charged with backing the proposal simply because it is on the ballot with the annual budget.

Mr. Davenport said he knew this to be erroneous, that the Board had not recommended (Continued on Page 14)

Mr. Cunningham is an active member of Springfield Presbyterian Church and has served the community as a member of the Board of Education. He is associated with Esso Research and Engineering at its Linden division office.

He was an officer in the U.S. Air Force during his military service.

Lions Hosts To Sons, Daughters

More than 102 Lions and Lioncubs attended the annual father, son and daughter night of Springfield Lions Club Friday, Jan. 29. This was the largest gathering of this type since this traditional evening was established several years ago.

Once each year the children of the local Lions members are guests of their fathers, giving the youngsters an opportunity to see for themselves how the Lions operate during the rest of the year.

Entertainment by Whitey Carson, well-known Western entertainer on TV and in movies, highlighted the evening's activities.

Card Party Plans For Feb. 15 Set

Plans have been completed for the card party and fashion show to be sponsored by the Raymond Chisholm School Parent-Teacher Association Monday, Feb. 15, at 8 p.m., in the school auditorium.

Parents are asked to purchase their tickets early so that suitable preparations may be made. Additional tickets are available from Mrs. Edward Denner, DR 6-4684, or Mrs. Harold Kaveberg, DR 6-2938.

It Happens In Springfield This Week

TODAY, THURSDAY Meeting, Millbrook Springfield Kiwanis Club; Chanticleer, Millbrook; noon.

Meeting, board of Springfield Chapter, Women's American ORT; home of Mrs. Rudy Bamberg, 31 No. Derby Road, Springfield; 8 p.m.

FRIDAY FEB. 5 Model United Nations Session; presented by students at Jonathan Dayton Regional High School; Town Hall; 9 a.m.

SUNDAY, FEB. 7 Meeting, Briar Hills Civic Assn., American Legion Home; evening.

MONDAY, FEB. 8 Meeting, Suburban Deborah League board; home of Mrs. Alvin Schneider, 385 Meisel Avenue, Springfield; 8 P.M.

Meeting, Regional P.T.A. joint meeting; Jonathan Dayton Regional High School, Springfield; 8 P.M.

TUESDAY, FEB. 9 Board of Education Election; Meeting Township Committee; Town Hall; 8 P.M.

Meeting, Rotary Club; Baltusrol Golf Club; 12:15 P.M.

"Hospitality Tour" at Overlook Hospital, Summit; 8:15 P.M.

Every Tuesday through April.

Cunningham Heads Drive

A. R. CUNNINGHAM

Alan R. Cunningham, 88 Spring Brook road, Springfield, has been chosen general chairman to head Springfield's drive for members and funds for the American Red Cross. Eugene P. Donnelly, 280 Northview terrace, chairman of Springfield Red Cross Chapter, announced the appointment on Feb. 1.

The 1960 drive, under the leadership of Mr. Cunningham, will begin in Springfield on March 4 and continue during March, which is American Red Cross month throughout the nation.

Area representatives and volunteer workers will be appointed by Mr. Cunningham to carry on the work of recruiting members for the local Red Cross Chapter and soliciting funds to promote the work of the organization on the local, state and national levels.

"Springfield always has been proud of its record of support of the Red Cross," said Mr. Cunningham.

Mr. Cunningham is an active member of Springfield Presbyterian Church and has served the community as a member of the Board of Education. He is associated with Esso Research and Engineering at its Linden division office.

He was an officer in the U.S. Air Force during his military service.

HAPPY, THE CLOWN, SHOWN ABOVE, WILL BE BACK IN

Springfield Saturday, Feb. 13, when the Ladies Auxiliary of Springfield First Aid Squad presents another in its series of cartoon movies for children at the First Aid Squad house. The picture will be shown from 12 noon to 2 p.m. and from 2:29 to 4:30 p.m. With Happy, who is Helen Helmstetter, in the picture are, at top, from left to right: Dawn Zarelli and Jori Kerzner; in foreground, left to right: Seth Kerzner, Cindy Zarelli, Margaret Vorbees.

Our Last Reminder

Be sure to vote in the school election Tuesday, February 9.

In all towns there is to be balloting on school budgets on that day and members of the Board of Education to be elected. In some communities there are contests (often hot) for the vacancies.

In all instances, the budget figures have been widely publicized and public hearings have been held by the school trustees. More often than not, the public hearings have been poorly attended.

There has been ample opportunity for every citizen to learn everything there is to know about the financial needs of his school system. If questions still remain in the minds of any voters, there still is time to have them resolved.

When the time to pull levers comes next week, everyone who goes out to vote—and we hope the number will be large—should have an intelligent idea of why he is voting as he does. The motivation—the "why"—is purely the best interests of the school children and the school system as the voter honestly sees them.

We hope the same is true when candidates for the school board are voted for. Private feuds, personal feelings have no place in the voting booth.

When it is all over and the decision on the budget has been given and certain candidates are chosen, let us have no second-thinking, no recrimination, no "I-told-you-sos." Let us take the several majorities and pluralities—however small they are likely to be—as an expression of the will of the people, and let us act accordingly.

If you have any desire—and you most assuredly should have—to make the weight of your vote felt, to express a valuable opinion on an important matter, BE SURE TO VOTE TUESDAY, FEB. 9.

SUN Rays

This column was the victim last week of that dreaded newspaper gremlin: lack of space. As much of the type was put into place in the page as there was room for . . . and when the wall of advertising was reached, there had to be a stop to inserting type . . . with no regard to whether the end came at the finish of an item—or smack in the middle.

Thus, the piece about the visit to the Summit Y.M.C.A. was chopped off a full four paragraphs before it had run its course. We are starting this week's column with what was omitted of the "Y" story. First, refer to last week's paper and refresh your memory . . . re-read the explanation for the visit to the institution, particularly at that time . . . whom I met, etc., etc. Now go on with the rest of the incident, as revealed in the following paragraphs:

Just to give you an idea of the scope of this inter-faith, inter-racial local unit: there are swim periods for men, women, children . . . there are gymnastic and "slimnastic" classes . . . community chorus sessions . . . meetings of the Old Guard . . . bridge club sessions . . . meetings of various groups, such as H-Y Clubs, SCUBA Club . . . folk dancing, etc., etc.

A tour of the building followed the luncheon, and those in the party were shown the sleeping rooms rented to young men working or studying in the neighborhood, the gyms, the meeting rooms, the handsome pool. The auditorium was out of bounds at the time because it was occupied by an overflow class from the local high school. The "Y" plant, as you probably know, is composed of the original building (quite old but holding up real well) and the recently built addition. Needed improvements were apparent almost wherever one turned. These, we were told, will be attended to when funds permit.

It was a fascinating experience for me and a big step forward in my program of learning the locality in which I work. It was impressive, too. I came away with the feeling that Al Devenney and his associates are doing a swell job . . . that I would like to use whatever ability and opportunity I have to help them grow and improve as the years go on.

You might find it highly profitable to call the "Y" and find out what it has to offer in your own field of interests.

As deplorable as the number of auto accidents is, it is amazing that, in the face of the terrific traffic on the roads and the ease with which a smash-up can occur, that there are not many more of them.

You are about to be called on to exercise one of your most cherished rights and to execute one of your most solemn duties: the election of Board of Education members. Use all the intelligence and civic interest that this important act deserves.

INTERESTING PEOPLE MET: A. B. Anderson, secretary of Springfield Board of Education for some 30 years. In a con-

A Report to the People

THE SPRINGFIELD TOWNSHIP COMMITTEE PUBLISHES BELOW THE CONDENSED MINUTES OF THE LAST REGULAR MEETING.

Minutes Township Committee Meeting—January 12, 1960
Unanimous approval minutes regular meeting December 23, 1959 and adjourned meeting December 30, 1959.
Unanimous approval denial of extension of Building Permit No. 5829, issued to Sherwood Development Co.
Unanimous approval forwarding to each Committee members of monthly reports or minutes of Township Departments, Commissions, etc., and uniformity of recording minutes of all Township bodies.

Unanimous approval of request of Regional High School to hold model United Nations meeting in the Municipal Building on February 5th.

Unanimous approval of Final Subdivision Plat, Block 68, Lots 33, 34, 47 and 48, Stiles Street, application of Louis H. Monetti.

Unanimous approval Final Subdivision Plat Crestview-Builders, Inc. Sections E and F, and Baltusrol Top, Inc., Section HG on Baltusrol Top.

Adjournment.

THOSE WISHING TO SEE THE OFFICIAL MINUTES IN FULL OR IF THERE ARE ANY QUESTIONS, ARE INVITED TO CONTACT MRS. ELEANORE H. WORTHINGTON, TOWNSHIP CLERK, AT DREXEL 6-5800.

versation with him the other day, he started to tell how the local schools came to be named as they are—the Caldwell School for the Rev. James Caldwell of Revolutionary fame . . . the Florence M. Gaudineer School for the nurse who has given nearly 40 years to the school system here and is to retire March 31 . . . and so on.

Mr. Anderson also squeezed in a few words about how streets here have gotten their names before we were interrupted. Ask him about the naming of Meisel Avenue, apparently one of his favorite stories. He appears to be a storehouse of local lore and historical data.

If Mr. Anderson ever feels in the mood to put-on-paper some of his recollections and tales, he'll find this column most receptive.

School budgets are difficult collections of figures to understand. This is not altogether the fault of the Boards of Education which make them up. State law is much more to blame. For this reason it is no easy matter for the layman to comprehend what the mass of digits mean and for a Board to explain. This observer thought Robert G. Smith (a member who probably has attended his last school board meeting) did a fine job last week for the Springfield trustees when the public hearing on the budget was held. The number of people present at the hearing was by no means impressive, in view of the population and voter-registration of the township. The questions asked were, in the main, the type any interested citizen could be expected to pose. The answers were complete and satisfying . . . and such as to give the impression that the Springfield school budget for the coming year is a good one.

This is an aside to the officers and members of Suburban Deborah League and to Mr. and Mrs. Norman Stromeier, of 217 Leik Avenue, Springfield, and is to be read by them only. Thanks for the two notes received. As nice a gesture as ever has been extended in this direction.

The program to be held at Springfield Town Hall tomorrow, Friday, Feb. 5, in which a replica of a session of the United Nations will be presented by students at Jonathan Dayton Regional High School sounds mighty fascinating. Why the small (by comparison) council chamber was chosen as the scene rather than the school auditorium is unknown here. I imagine folks will not be able to witness the presentation, even though it takes place in the morning.

Were it not so important, one annual chore of the State Legislature would be amusing. Year after year the Assembly passes a resolution asking New York State to raise its legal drinking age from 18 to 21, the legal age in New Jersey. Year after year New York State ignores the request. Why this is so . . . who applies the pressure, is a big question mark. Down this way the difference in age limits may not be significant. Up in the area I leave every morning, it is serious, as the New York State line is a mere five miles away and it is common practice for Jersey 18-year-olds to make that short trip in search of liquor. Those students attending the Regional High School who live in Mountaintop and Berkeley Heights will occupy a handsome new building away up in the mountains in Berkeley Heights, come next September. The structure, set on a 35-acre plot adjoining the Nike missile base and to be known as the Governor Livingston School, is progressing in good order.

At least that is the way it appeared to me one morning recently when Dr. Warren Davis, Superintendent of Schools in the Regional District, led me on a tour of the "split-level" building. The description fits: part of the school is one story high, part occupies two stories and a portion rises three stories.

While I was impressed with the many classrooms, the several special-rooms for instruction in the sciences, with the stepped auditorium, fine gym, complete locker rooms for boys and girls, well-planned cafeterias for students and for faculty and staff, what struck me most forcefully was the lovely view from the hilltop. "Given favorable conditions," said Dr. Davis, "you can see New York from here."

Also noteworthy, to me, were the teachers rest room which can be turned into an observation tower if ever the study of astronomy becomes that important at Livingston (that's looking ahead) and the small remedial gym intended for boys and girls whose physical condition prevents them from romping with the

other students in the regular gym (that's thoughtfulness!)

What seemed to impress a Berkeley Heights resident who was in the sightseeing party was the hill to be climbed to get to the school.

With a capacity of 900 young folks, the facilities are expected to be outgrown in the near future . . . in fact, so soon that plans already are being made for an addition.

If I could hear Dr. Davis correctly over the sound of my chattering teeth, the local Regional District, of which Berkeley Heights' new showplace will be a part, has two first in its record book; it is the first Regional to be created in New Jersey; it is the first Regional to occupy two buildings; when the school were inspecting is in use, another record will be established in that ours will be the first Regional to make use of three different buildings. By the way, the other two are in Springfield and Clark.

Not making such rapid progress in the field of school construction is the new elementary building under way in Springfield. This school, as you know, will be named for the principal of the James Caldwell School here—Mrs. Thelma L. Sandmeier. Some optimist has said it would be ready by Aug. 1 next. Superintendent of Schools B. F. Newswanger doesn't appear to be over-optimistic.

Had a talk with Mr. N. last week (he should be added to my list of persons worth meeting.) One remark of his is especially worthy of quotes: "If you say anything about our schools, you many care to mention that anyone is welcome to ask any question he wants to about the system; we have nothing to hide." Coming from the Superintendent of Schools, these words carry the weight of authority.

Superintendent Newswanger invited me to a look-see at the operation at the South Springfield Avenue site. Recalling Berkeley Heights, I'll wait until it gets somewhat warmer, if you don't mind!

Girl Scout Leaders Are Invested; Aid Assembly

An investiture ceremony of the Springfield-Girl Scout leaders of Washington Rock Girl Scout Council was held Wednesday evening, Jan. 20, at the Florence M. Gaudineer School in Springfield.

The following leaders were invested: Mrs. W. P. Wood, Mrs. Randolph Frost, Mrs. Milton Cooper, Mrs. Eugene Halper, Mrs. Howard Osbahr, Mrs. Robert Peters, Mrs. Bernard Warman, Mrs. Adam LaSota, Mrs. Louis Ciethamel, Mrs. Edward Reis and Mrs. John Unterwald.

The investiture was conducted by Mrs. Allen-Lindsay of Washington Rock Council. These leaders recently completed a ten-week training course.

Mrs. Frank Patterson, neighborhood chairman, conducted the business meeting that followed. She introduced her new secretary, Mrs. Robert Peters.

Mrs. John Roche, troop consultant, reviewed the spring training schedule. Mrs. L. W. Kriegman, cookie chairman, distributed cookie kits and announced the cookie sale will start Jan. 30.

Mrs. Louis Soos discussed the changes in the Council by-laws, which were voted on Jan. 25 at the Delegate Assembly at West-

field High School. Mrs. Soos was a Delegate to the Assembly. Mrs. Edward Kent served refreshments at the close of the meeting to 50 leaders and Scout representatives.

The Springfield leaders opened the program at the Delegate Assembly Monday night, by singing "God Bless America" and "Peace on the River."

Importance Of Research Told Home League

When Springfield League of the Jewish National Home for Asthmatic Children met recently, speaker was Dr. Jack Bleiberg, dermatologist and former allergist. He spoke on the advanced techniques used and highly important research being conducted at the Children's Asthma Research Institute and Hospital on the grounds of the Jewish National Home.

Dr. Bleiberg discussed the hopes held for finding the cause of and effecting the cure for allergies, and he explained how important this is to the millions

of sufferers. Present at the meeting were Mrs. Nathan Barbarosh, president of the New Jersey Regional Council of Presidents; Mrs. Albert Bean, vice-president of the Council; Mrs. Benjamin Shill, president of Newark League.

Mrs. Joel Kaplan was program chairman and Mrs. Raymond Efruss introduced the speaker.

Parents of children with intractable asthma who desire information regarding the home should call Mrs. David Adler, League president, at DR 9-5490

Paint Exec.

(Continued on Page 19) but iron was not used for ship plates before 1800, steel before 1865.

The first patent on A. F. paints was granted to William Beale in 1825. Powdered iron, cement and copper were used in trial and error tests. Modern scientific methods have improved some of these old basic patents into some of the efficient marine paints available today. The marine paint manufacturer today is also interested in internal preservation of steel surfaces with the coming of transporting of oils and gasoline.

Plants, Algae, sponge, coral, jelly fish, worms, starfish, antrhopods, mollusks, plankton, and seaweed present the scientist with their gravest problems in providing paints for the trade.

Tax Seminar Roll Is Near Capacity

Joseph F. J. Mayer, Newark District Director of the Internal Revenue Service, announced today that enrollments for the Newark District Tax Seminar will be accepted until Feb. 11. Registration should be directed to:

To Hear School Budget Details

Sunday evening, Feb. 7, the Briar Hills Civic Association will hold its next meeting at American Legion Hall in Springfield.

Guests for the evening will be representatives from the Board of Education and the Township Committee who will discuss in detail the proposed increased school budget.

Also to be discussed will be plans for the annual Association dance to be held Sunday, Feb. 21, at the Bow & Arrow Restaurant in West Orange. Members are welcome to invite guests.

Mrs. B. Levitt and her committee have made all arrangements. Mrs. D. Genovese is ticket chairman and may be contacted at DR 4-1177.

Scouts To Take Part In Service

Boy Scout Sabbath will be observed at Temple Beth Ahm, Springfield, Friday night, Feb. 5. Rabbi Reuben R. Levine, spiritual leader, has arranged for the participation of five Scouts from Troop 62, which is sponsored by the temple.

With Brotherhood Week soon to begin, each boy will speak briefly on aspects of that theme. Participating will be Barry Hollander, Steven Levitt, Larry Lichter, Lewis Wildman and Elliot Wortzel.

Adult leaders of Troop 62 are: S. Schapiro, Scoutmaster; S. Breier, Assistant Scoutmaster; S. Wortzel, member of Union Union County Council, B.S.A.

Troop Committee members are O. Granick, L. Golden, E. Hollander, J. Berkowitz. Working with the Explorer Post are S. Weinberg, leader; S. Levitt, L. Lichter.

SENATOR TO SPEAK

It has been announced by the program chairman of Springfield Lions Club that State Senator Wayne Dumont will address the club at its meeting on Feb. 5. Senator Dumont will discuss the taxation problems of the State of New Jersey and legislative action contemplated to resolve these problems.

FROM THE GRANDSTAND

By Doug Voigt

Regional's athletic squads Feb. 5. have compiled outstanding records. The hoopsters defeated North Plainfield 65 to 61, lost to Union as the basketballers won two of their three, and the wrestlers dence 60 to 48. The matmen developed a three-game winning streak which they will put on ed over Caldwell 32 to 15, and the line against Union Friday, were victorious over Scotch Plains 39 to 11.

Only a 28-point effort by the visiting North Plainfield's star, Tom Sperling, kept the "Chauks" in the game. His shooting kept the score close for the first three quarters, but when he fouled out they became helpless and only a spastic rally in the closing moments made the difference little as it was. Howie Rudominer and Stu Chesler led the Springfield scorers with 34 and 15, respectively. Union assumed the lead early in the game and never relinquished it as they were victori-

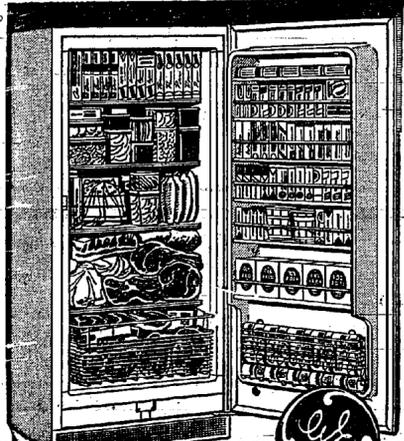

ous over the Regionals for the second time this year. The "Farmers" would surge out to an eight-point lead, the "Bulldogs" would cut it down to two or four points, and then the process would repeat itself. Rudominer had his top night of the season as he put through nine of 18 floor shots and two of two foul shots for 20 pints to lead the Regional scorers. New Providence led briefly in the first period, but the superiority of the local cagers began to show at the game progressed. Going off the court with a 29 to 18 lead at halftime, the "Bulldogs" played indifferently throughout the remaining moments of the contest. Five players hit in double figures, with Bill Franklin leading the scorers with 15 points. He was joined by Richie Baker with 11, Jay Gladstone, Ed Reese and Chesler with 10 each.

Ron Lucariello and John Petrozelli pinned their opponents at 1:28 and 0:40 to lead off the hillside match. These two bouts were indicative of things to come. Gene Becker won 5 to 4, Ed Lucariello won 4 to 1 and Fred Sommers won 4 to 0. A win despite the difference in points is good for three points for the team score, and a pin is good for five. The contest ended as it began, with the last four wrestlers, pinning their opponents. Bob Parrella was victorious at 0:57, Leo Lospinoso at 2:35, Matt Principe at 1:42 and Gene DuBeau at 2:47.

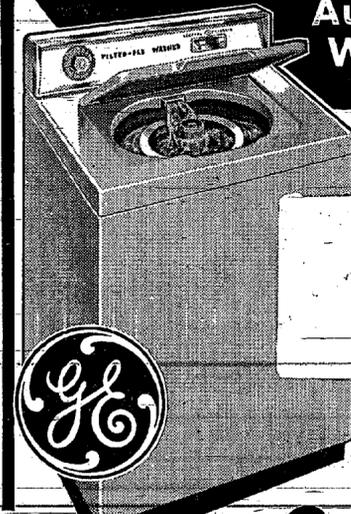

Again Lucariello and Petrozelli led off with pins as Caldwell fell 32 to 15. Ron pinned his opponent at 1:46, and John flattened his man at 0:29 for the fastest pin of the season. Becker won on time advantage, which occurs when the bout score is even but one man has been in control more than one minute more than his opponent. Kasbarian won 7 to 0, George Rupp won 7 to 4 and Wid Painter tied 5 to 5 and didn't control his man long enough for time advantage. Parella pinned his man at 3:00, and Lospinoso and Du Beau won 10 to 0 and 4 to 0, respectively. Further information - phone MUlock 8-3290.

Congresswoman Wins Pension For Widow

The widow of a World War I veteran has won a two-year struggle with the Federal Government to prove her eligibility for pension benefits with the help of Representative Florence P. Dwyer (R-6th Dist. N.J.), the Veterans of Foreign Wars and a change in the law.

The widow, Mrs. Anna M. Uhr, 1305 Franklin Street, Hillside, became entitled to the pension as a result of the service of her husband, the late George Uhr, in the U.S. Army during World War I, even though he was an Austrian national and considered officially an enemy alien.

Mrs. Dwyer described the case as "one of the most prolonged and complicated I have ever experienced."

The case was referred to the Union County Congresswoman

when VFW efforts failed to win Veterans' Administration approval of Mrs. Uhr's pension claim.

Case Is Complicated

The VA based its denial of the claim on grounds that Mr. Uhr's military record failed to show whether or not he had been discharged at his own request in 1918. In the absence of evidence that he had not requested his discharge, the VA insisted, the presumption must be that Private Uhr had taken advantage of the Secretary of War's directive requiring commanding officers to discharge "at the earliest possible moment all subjects of countries with which the U.S. was at war who did not desire to serve in the U.S. Army."

The VA explained that the law and VA regulations provided that aliens who were discharged at their own request were not entitled to veterans' benefits nor to the designation "honorable discharge."

On the other hand, Mrs. Uhr contended there was no affirmative evidence to indicate her husband had requested his own discharge. She pointed out, through the VFW and Congresswoman Dwyer, that Private Uhr had been discharged eight months after the Secretary of War's directive, which specified immediate discharges, and that Private Uhr's commanding officer had endorsed his discharge as "honorable" and had noted specifically that his character in

the legislation, concerned that hardship had resulted from the inability of some veterans' survivors to prove the negative point that the veterans had not, 40 years before, asked for their alien discharges.

The bill was considered by Congress in June and July, 1954, approved and sent to the President, who signed it on July 28, 1959.

Following her submission of a new claim for a pension as the unremarried widow of a veteran, Mrs. Uhr's claim was approved by the Veterans Administration under the revised law.

She is now receiving a modest monthly non-service connected pension.

Among those who had been especially diligent in seeking to help Mrs. Uhr, Congresswoman Dwyer mentioned George P. O'Reilly of Rahway, Rehabilitation Officer, Veterans of Foreign Wars, 5th District of New Jersey, and William W. Vanderhof of Plainfield, Supervisor of Veterans Interment for Union County.

Varied Reports To Be Heard At Feb. 8 Meet

A regular board meeting of the Suburban League will be held Monday evening, Feb. 8, at the home of Mrs. Alvin Schneider, 383 Meisel Avenue, Springfield. Mrs. Schneider, membership vice-president, will report on various projects scheduled by the chapter.

The annual kiddie dinner will be held Saturday, May 7, at Altman's, Short Hill. Chairman of the function is Mrs. Leo August and she is being assisted by Mrs. Israel Schanerman.

Chairman of the rummage sale scheduled for early April is Mrs. Anthony Fiorello. Mrs. Robert Cohen will report on the cake and food sale to be held on May 6. She is being assisted in this project by Mrs. Irwin Weinberg and Mrs. Lawrence Goodman.

Mrs. Sanford Kessler, merchandise chairman, will report on the chapter's sales and purchases for the month. Mrs. Estelle Forman, Tag Week chairman, will report on this fund-raising project.

Suburban League is an auxiliary of Deborah Hospital, Browns Mills. The hospital provides non-sectarian care for tuberculosis and corrective surgery in cardiac and pulmonary diseases.

Woman's Club In Busy Week

The Drama Department of Springfield Woman's Club, which had a meeting scheduled for Monday, Feb. 8, met Monday, Feb. 1. Hostess for the evening was Mrs. Henry Bullman, 66 Fieldstone Drive. Co-hostess was Mrs. Stanley Frank. The Department is going into rehearsal and will meet about twice a week from now on.

The Literature Department will meet Monday, Feb. 8, at the home of Mrs. F. Mitchell, 21 Woodcrest Circle. Reviewer for this evening will be Mrs. Henry Bouchard.

The American Home Department will paint ceramics during its meeting Tuesday, Feb. 9. Hostess will be Mrs. Charles E. Miller, 112 Meisel Avenue. Co-hostess will be Mrs. R. D. Hardgrove Jr.

The Art Department, which met Monday, Feb. 1, had a surprise party for two of its members who are moving away: Mrs. G. Oyster and Mrs. D. Leamy.

The monthly meeting of the International Relations Dept. will be held Thursday, Feb. 11, at the home of Mrs. Thomas Geddes, 111 Hawthorne Avenue. Miss Mildred Levens will act as co-hostess. A most exciting program has been arranged by Mrs. W. Konrad, chairman.

Mrs. John Coger, now of Scotch Plains but formerly a teacher of U.S. Army personnel's children in France and Germany, will speak on "Teaching Our American Children Abroad."

Mrs. Coger also spent one year in Japan and South America and toured Denmark, Poland and East Berlin and behind the Iron Curtain. She was with the Summit school system last year.

The members of Springfield Woman's Club extend their sincere sympathy to Mrs. A. Pancani on the loss of her sister.

Burned-Out Eating Place To Re-Open

Big Top Car Hop, closed since Nov. 18, when a pre-dawn fire destroyed its interior, will reopen this Spring at the same Route 22, Springfield, location with a new name—the Garden of Eatin'—a new decor and a new approach to informal dining. It was announced today. Management will remain the same.

Robert Gersin Associates, a New York industrial design firm has been retained to give the building and grounds a new look and new personality in keeping with the new name.

As conceived by management, Garden of Eatin' will be a truly universal restaurant, specifically designed to intermix formality with informality in a fresh, inviting atmosphere.

A complete party service for children will be resumed, with greater privacy for small and large groups. The parking lot will be extensively landscaped to bring the Garden of Eatin' theme to those who prefer car service.

Although it has a population of more than 181,000, the streets of Grand Rapids, Mich., are so well planned one can drive from the center to the outskirts in 10 minutes.

Local Students On Washington Field Trip

James V. and John P. Allen, of 150 Baltusvil Avenue, Springfield, and 14 other Hamilton College students are taking part in a field-day trip to Washington, D.C. They are the sons of Mr. and Mrs. Fred J. Allen.

Both boys are Servers at Hamilton, which is in Clifton, N.Y., and are majoring in economics. The trip is an annual program, sponsored by the college's Government Department. The students, who are accompanied by Prof. Channing B. Richardson, will return to Hamilton on Feb. 6.

Springfield Man Gets CPA Degree

Stanley A. Pitynski, of 182 Hillside Avenue, Springfield, formerly of Bayonne, has just received his C.P.A. degree. He is graduate of Bayonne High School and of Columbia University. During World War II he served in the Air Force as a navigator with the rank of first lieutenant.

The new C.P.A. is married to the former Miss Bertha L. Kaczarek of Bayonne, and the couple have four children: Stanley Paul, Judith, Christina, James.

N. J. Bell Official Scores Phone Tax

Jesse B. McCullen, public relations vice-president of the New Jersey Bell Telephone Company, today labeled the ten percent tax on telephone service as "discriminatory" and said it was unwarranted as either a federal or state tax.

"If the tax is eliminated," McCullen said, "our customers would get immediate benefits in the form of a ten per cent reduction in their bills for local services. The company itself would gain nothing because the excise tax is paid by the customer."

Federal or State?

"There seems to be a current controversy as to which government, federal or state, should get the revenue from excise taxes on telephone service. Apparently little consideration is being given the fact that the Congress of the United States, at the urging of its constituents, already has voted to discontinue the tax on local telephone service as of June 30, 1960.

"The main issue, therefore, is not whether the tax revenue should go to the federal government or the state, but whether there should be any such tax at all.

Tax Called 'Unfair'

"The basic unfairness of the tax may be illustrated in two important ways: first, it is discriminatory in that it singles out telephone service as the only household utility to be so taxed; and second, it is so sound because it places telephone service in the 'luxury' category along with cosmetics, tobacco, jewelry and alcoholic beverages.

"In addition, the tax was levied as an emergency measure during the war and was,

Airport To Be Topic Of Talk

When Springfield Democratic Club meets next week, the program will consist of a talk by Thomas F. McGarry, aviation editor of the Aviation Development Division of the Port of New York Authority. His subject will be "The Need for a New Major Airport in the New York-New York Metropolitan Area."

The meeting is scheduled for Wednesday evening, Feb. 3, at 8:30, at the Legion Home in Springfield.

NEWS AND TIDBITS ABOUT FOUR FRIENDS & NEIGHBORS IN BERKELEY HEIGHTS.

If You Have Any News Call
FA 2-7027

Mr. and Mrs. Albert Mayell of Dogwood Lane celebrated their 12th wedding anniversary recently by going to the "Red Head" in New York. Congratulations Mr. and Mrs. Mayell.

Mr. and Mrs. Ronald Hoke of 42 Surrey Lane announce the birth of their first child Jeneive Lee born January 26 and weighing 5 pounds 10 ounces. Mr. and Mrs. Hoke are newcomers to Berkeley Heights since April.

YWCA - Berklein will feature special entertainment at the Feb. 7 Sunday afternoon drop-in from 3 to 7 p.m. in Summit. "Experts" will discuss the timelessly controversial topic of "man vs. woman" and the changing patterns of societies.

Doctor and Mrs. Cosimo Pano, 226 Springfield Avenue announced the birth of their son Mark John born January 23 weighing 6 pounds 6 ounces. They have two other children, Michael and Karen 21 months.

"Censorship of the Written Word" will be the subject of a debate at the next meeting of the

POWER BOAT HANDLING

A course in seamanship, safe efficient operation of craft under all conditions. Navigation, reading of charts, compass, use of the radio, etc. This important course for boatmen will be given by the U. S. Coast Guard Auxiliary at the UNION ADULT SCHOOL Union High School Union, N. J. Classes start Feb. 16th, for 10 Wednesday nights. For further information phone MURDOCK 8-1200.

Women Favor Bill On Pollution

The League of Women Voters of Springfield is calling for expansion of the federal water pollution program. The League strongly endorses the bill now before Congress which would amend the existing law providing funds to local communities for the building of sewage treatment plants. The proposed amendment is commonly called the Blatnik Bill. It was introduced by Representative John Blatnik of Minnesota, and is formally designated H.R. 3610. Mrs. L. W. Kriegman, president of the local League, announced that this agreement is

shared throughout the League in all 50 states. The local League has been studying water problems for four years; practically all of the other 1999 local Leagues have taken part in this study. All agree on the necessity of controlling pollution.

"This is not a give-away federal program. The local community must put up at least 70 per cent of the money spent. This usually means \$3 of state-local funds to every \$1 of federal money," said Mrs. Kriegman.

Young G.O.P. To Meet On Feb. 11

A special Lincoln Day program will highlight this month's meeting of the Young Republicans of the Westfield Area, according to Larry Newcomb of Scotch Plains, club president. The program for the meeting, to be held Thursday, Feb. 11, at 8:30 P.M. at Danker's Radley Lodge on Lambert Mill Road, Scotch Plains, will feature music and other entertainment from the life and times of Lincoln.

These activities are being arranged by Miss Marianne Gerhardt, assisted by Mrs. Frances Stranahan of Mountainside and Mr. and Mrs. Douglas Osborn of Fanwood. After the meeting refreshments will be served.

Mr. Newcomb urged all interested young people in the towns of Fanwood, Scotch Plains, Mountainside and Springfield to attend. He stated that "now is the time to organize for '60," adding that the club has set a goal of double its membership by June.

Curt Merz To Play In Canadian Loop

Curt Merz, former Springfield Regional High grid star, will play his pro football north of the border.

The University of Iowa end, drafted by both the Philadelphia Eagles of the National Football League and the New York Titans of the newly-formed American Football League, has signed with the Winnipeg Bombers of the Canadian League.

The 6-4, 225-pound wingman climaxed a brilliant collegiate career recently when he helped the North win the annual Senior Bowl game at Mobile, Ala. He played three seasons at Iowa, earning All-American recognition in 1958. An injury kept him out of four games last fall and spoiled his chances of again winning All-American laurels.

Counselors In Overlook Tour

A behind-the-scenes tour of Overlook Hospital, last Thursday gave a group of 18 guidance counselors from local high schools a first-hand view of a medical team in action and the challenging opportunities offered in the field of health careers.

Representing Springfield's Jonathan Dayton Regional High School were Mrs. Arthur Stender and Miss Charlotte Singer.

In addition to special tours such as this, Overlook is holding regular tours for the public every Tuesday night at 8:15. Interested groups, clubs or individuals can make arrangements through the Public Relations Office, CR 3-8100, Ext. 238.

The guidance counselors tour was held under the auspices of a program called "Health Careers," sponsored by the National Health Council. The purpose of the program is to point up the alarming shortage of personnel in the health field, as well as the more than 150 diversified careers available. Not only are today's hospitals "big business," but there are many opportunities in industry, education and allied fields.

Locally, "Health Careers" has been activated by the Women's Auxiliary of Overlook, Springfield, members of this committee are Mrs. William Konrad and Mrs. Charles Heard, both of whom are also active in the hospital's Junior Volunteer program.

The Overlook tour focused on many career possibilities. Dr. George L. Erdman, director of laboratories, spoke on the vital importance of laboratory analysis in diagnosis and treatment and told about the Overlook School of Medical Technology.

Dr. John L. Tullis, associate head of pathology, pointed out the challenge of medical research, and the latest advances in X-ray technique were described by Dr. George Himaldi. The therapeutic functions of the pharmacy and physiotherapy

CYNTHIA'S

CHATTER

ALUMNI HONORED

In the past week nine of Regional's alumni have been honored by receiving state scholarships to continue their education. Special recognition should be given to them because they were in high school. Those who received awards were: Judy Bodner of Springfield; Lenny Hodapp Jr. of Springfield; Jean Mac Payden of Berkeley Heights; Allen Menkin of Springfield; Norman Muller of Springfield; Ray Rouse of Springfield; Ronnie Sattler of Kenilworth; Barbara Aman of Springfield; Judy Vance of Springfield.

INTERVIEW ASSEMBLY

Last Thursday an interesting assembly was planned for the upper classesmen. Midori Kawagoe of Hiroshima, Japan, and Eric Dietlin of Paris, France, answered questions about their countries, their social life and their beliefs on current problems. As most of you know, Eric is staying with Ken Ben-Ari and Midori is staying with Vicki Tujague. Both Ken and Vicki live in Mountainside. Friday, Feb. 5, Ken will hold a get-together at his home for all of his friends and those participating in the Dayton model-U.N. program.

BIRTHDAYS FOR FEBRUARY

Ellen Schwartz - Feb. 13, will be 16 years old.
Mary Falcone - Feb. 4, will be 16 years old.

At a panel discussion following the group heard talks by Miss Patricia Devine, chief dietician; Miss Virginia Carney, director of Overlook School of Practical Nursing; Robert E. Heinlein, hospital director; and Mrs. Stanley Lewis of Short Hills, chairman of the health careers committee.

LYNN URNER - Feb. 4, will be 17 years old.

Barb Smith - Feb. 26, will be 16 years old.
Ronnie Dehner - Feb. 27, will be 17 years old.
Miss Mary Ann Ulbrich - Feb. 12, will be 21 years old - again.
Irene Zidonik - Feb. 17, will be 18 years old.
Lillian Connert - Feb. 20, will be 17 years old.

CAROUSEL PROGRESSING

This year's presentation by the student of Regional High School will be the musicale "Carousel" by Rodgers and Hammerstein. This show will be presented on March 4 and 5 in the auditorium of the school. Tickets are only \$2 each and I'm sure you won't want to miss it. The two big stars will be Elise Lindauer as Julie Jordan and Ted Davis as Billy Bigelow.

INCIDENTAL NEWS DID YOU KNOW THAT:

Carol Lees of Berkeley Heights was accepted at Presbyterian Hospital for nurse's training next year.
Karen Pennypacker of Berkeley Heights was accepted at Moravian College in Pennsylvania.
Irene Herman of Kenilworth was accepted at Newark State College to begin training in the

fall for her teaching career? Gung Hoy Fat Choy to Jim Wing, who has completely redecorated his "China Sky" to celebrate the Chinese New Year. For oriental food - this is the utmost!

Firesiders Plan Evening Of Fun

An enjoyable evening has been planned by the Fireside Group of the First Presbyterian Church of Springfield for its Wednesday, Feb. 10 meeting. The evening will begin with a "Mr. Treats Mrs." to a children's dinner at 6:30. Following this at 8 there will be "swing your partner and promenade" for an evening of square dancing.

BAHAI WORLD FAITH

"If you are a Muslim, whose Faith dates from 622 A.D., you will find that your prophecy concerning the coming of the Mahdi has been fulfilled with the appearance of Baha'ullah, the Manifestation for the present day."

Call Drexel 9-5093 or write Baha'i, 141 Salter Street, Springfield, N. J., for free literature.

Helen Sabo

Mrs. Arthur Schwartz of 22 Archbridge Lane announces that her committee has completed selection of the models for the annual Raymond Chisholm PTA card party and fashion show. From all reports this year's show on February 15th should be the most successful to date.

Newcomers to Springfield are Mr. and Mrs. James J. Wallace with sons Curtis 10, and Tommy 2. They have moved to 807C Mountain Avenue, from Scranton, Pa. Mr. Wallace is with A.T.&T. in New York.

Jerome and Betty Fingerhut of 28 No. Derby Road have presented daughters Linda 9, Donna 8, Gail 7 and Rayna 6 with a new baby brother, Kenneth Spencer, born in Overlook Hospital on January 23rd.

Lisa Rabin, daughter of Mr. and Mrs. Allen Rabin of 31 Pitt Road, celebrated her 4th birthday on January 28th by treating her classmates at Happy Days Nursery School to some goodies in the morning.

ASSESSMENT NOTICE
Notice is hereby given that, at a meeting to be held in the Municipal Building, 2nd floor, Springfield, New Jersey, at 8:00 P.M., on Thursday, February 11th, 1960, the undersigned, appointed by the Township Committee of the Township of Springfield, in the County of Union, as Local Improvement Assessment Commissioners, to ascertain the cost and expense of the improvement of Milltown Road between Jewel Lane and a point 100 ft. easterly from Cozier Ave., by the installation of granite block curbing and other necessary improvements along both sides, except in such places where curbing previously existed in accordance with ordinance 88-16 passed by the Township Committee of the Township of Union, on July 9, 1958, and to assess said costs and expenses upon the properties abutting upon the line of such improvement to the extent of the benefits therefrom, will be held at said meeting and will also at said meeting hear and consider any objection or objection that the owners of property along said street may present against the fixing of benefits so determined as assessments against their several properties.

NEW STORE HOURS AT TRIPLE'S REDEMPTION STORE IN SPRINGFIELD: 9:30 a.m. to 6 p.m. Tuesday, Wednesday, Thursday, Friday—9 a.m. to 9 p.m. Closed Monday.

Hi Neighbor

(Continued from Page 6)
Millburn, Springfield and Short Hills has planned a very interesting program for Thursday evening, Feb. 11th, at 8:15 p.m. at Congregation B'nai Israel in Millburn. Participating will be Rev. Chester Anthony of the Antioch Baptist Church in Springfield; Capt. Edward Durning of the Irvington Police Dept.; the choir of the Latter Day Saints Church and the Wyoming Presbyterian Church, and presiding is the Hon. Milton Freeman.

On those days when the children are pestering for "something to do," take them to the Miniature Village at One Evergreen Avenue, which is open daily from 1 to 3 p.m. There are three delightful sets, including the village itself (which was 25 years in the making and includes replicas of local landmarks)—all complete with lighting and sound effects. Harry and Anne Speicher who did the "handwork" are two of Springfield's most interesting older citizens. Mr. Speicher was one of the engineers who worked on the Panama Canal and Mrs. Speicher was a star of silent films. Mom and Dad will find the exhibit just as interesting as the small fry—and if you never met the Speichers you have a very pleasant experience in store for you.

Team 5 Leads By Half Game

Andrew's No. 5 team won two from Douglas No. 11 team and still is on top in Springfield Church League standings, but only by half a game. Team No. 15 (Brunny) is in second spot after taking three from Lindenman's No. 1 squad. Schmidt's No. 14 won the odd game from No. 4 (Ferguson) and holds the third spot. The matches were rolled Jan. 29. Highest game of the night was the 222 turned in by Schramm. Taus followed with a 210. Alden had 4, 209, Schenk 206, Jones 201 and Allen an even 200.

STANDINGS JAN. 29

	W	L
5 - Andrew	38-19	
15 - Brunny	37½-19½

7 - Raab	21½-35½	

BALDWIN HANDLED TICKETS FOR GOP DINNER, FEBRUARY 11

Announcement was made of the appointment of Walter W. Baldwin of Springfield as local ticket chairman for the Lincoln Day Dinner being sponsored by the Union County Republican Committee.

The dinner, to be held on Thursday evening, February 11, 1960, at the Hotel Suburban in Summit, is in the Republican tradition of honoring Lincoln as the founder of the G.O.P., according to Freeholder Jay A. Stemmer of Clark, the general chairman for the affair.

Including a roast beef dinner, music, tickets are priced at \$7.50 each. Speaker: Secretary of Labor James Mitchell.

Other members on the Committee: Amy Bandemer, Mrs. Joseph Ens, Arthur Marshall, John Bauer, William J. Doyle, and Phillip Del Vacchio.

Accountants Hear Talk
R. J. Strom, of 17 Midvale Drive, and Julius A. Marsh, of 104 Remer Avenue, both Springfield, were among the members of the Newark Chapter of the National Association of Accountants who heard Leonard A. Olsen talk of the chapter meeting last week. Mr. Olsen, who is provost of Rider College in Trenton, spoke on "Education for Accounting."

BIRTH ANNOUNCED
Announcement has been made by Mr. and Mrs. Kenneth J. Brands, of 19 Remer Avenue, Springfield, of the birth of a son at Overlook Hospital in Summit Sunday, Jan. 24. The new arrival, Jeffrey Thomas, joins a sister, Jewel, aged 3, and a brother, Kenneth, aged 2½.

CRT Board Meets Tonight, Feb. 4

Board members of Springfield Chapter of Women's American ORT Organization for Rehabilitation (through Training) will meet tonight, Thursday, at the home of Mrs. Rudy Bamberger, 31 No. Derby Road, Springfield. Mrs. Nat Turen, Chapter Tel Aviv chairman, will report on the vocational-high-school in Tel Aviv, Israel, being built by Women's American ORT, with facilities for 1,600 day students and 2,000 evening pupils. The center, the largest and most modern vocational high school in the Middle East, is still under construction, although classes opened in 1958. Mrs. Turen reports completion will take place this year.

Ex-Usher Takes Part in Shows

A musical arranger for Paper Mill Playhouse productions who began his association with the Millburn theatre as an usher, will be among the volunteer participants in the shows to be staged there Feb. 20, 27 and March 5 to benefit the playhouse fund drive. He is Don Post of 112 Park Place, Irvington. He began ushering at the Paper Mill in the late 1940's while attending high school. His association with the Playhouse continued after his graduation and completion of his military service, which included duty as musical director for the First Army. Post, who is now a musical coach in Manhattan, is also what he calls "a copier and orchestrator," which means he arranges musical scores to fit the instrumentation of the orchestra at Paper Mill. He also has played the piano for Paper Mill rehearsals under supervision of Albert H. Florillo, the theatre's musical director, and Frank Carrington, managing director of the Playhouse. All proceeds from the three shows will constitute a contribution to the performing artists to the sponsorship drive for the 1960 season, which will open March 29—provided a sufficient amount of money is pledged.

Anti-Semitism Film To Be Seen

The program of the Feb. 10 meeting of B'nai B'rith Women of Springfield, promises to be an exceedingly interesting one. A film, "No Easy Way," is to be shown. The film is designed to aid Jewish parents in dealing with the effects of anti-Semitism on their children. This film has been widely recommended. Members are urged to bring interested guests. The B'nai B'rith Women of Springfield meet the second Wednesday of each month, 12:45 P.M., at Temple Beth Ahm, Baltusrol Way, Springfield. Blanche Levine is chairman of the Anti-Defamation League Committee of the local B'nai B'rith unit.

CHAPTER WINS AWARD

Springfield Chapter was one of two chapters in this region to win the 300th re-enrollment membership award at the Jan. 25 region board meeting. Accepting the honor for her chapter was Mrs. Martin Fishbein, of 19 No. Derby Road, Springfield, membership chairman for the chapter. Mrs. George Levine is president.

The site of the huge concrete bunker will be covered with net his death is being converted into an extension of a nearby park. What remains of the bunker will be covered with flowers, grass and trees.

Prairie-dogs, who once lived in vast underground towns on the flat-prairies of Texas and other Western states, are gradually fading away, reports the National Geographic Society.

More than 11,000 persons in 350 establishments in New York State are engaged in the manufacture of dolls.

24 HOUR SERVICE

MILINERY

Madame Pitt, style creator of international repute, offers the truly unusual. Create and construct your own fabulous hats right in the region. Do not miss this opportunity. Register now. Classes start Feb. 10th for 18 Wednesday nights.

Two-Way Tie In Municipal Bowl League

In Springfield Municipal League action Jan. 25, Evergreen-Lodge won two from Bunnell Brothers and moved into a first-place tie with Springfield Bowl, which lost two to Beckman's Market. Baldwin's Shell and D'Andrea Driveways won one and two, respectively, and are in a two-way tie for second spot. Beckman's-Market is next in line.

Don Pierson of Springfield Market was high man, with games of 182, 192 and 237 for a 611 series. Second highest single game was Burdett's 230. Pierson had a next with 222; Calandrea had a 216 and Sarenco 215.

First State Bank Renames 11 To-Board

At the regular annual meeting of the stockholders of The First State Bank of Union held Tuesday, Jan. 26, the following directors were re-elected: Herbert J. Dwyer, Charles F. Heard, Bernard J. Heinzman, Walter H. Hildebrandt, Milton J. Hull, Dr. Alan L. Jacobs, Austin A. Kohl, Howard L. McMurray, Frank M. Pitt, Benjamin Romano, G. Milton Salzmann.

The year 1959 was replete with important events for the bank. Frank M. Pitt, president, said in his report to the stockholders. This report included such noteworthy accomplishments as the construction of a modified colonial-type building to be known as the Townley Branch, which is expected to open for business sometime this summer.

In addition, a pension plan making banking their career was created for those who are. The first stock dividend of 10% was paid, which was enthusiastically received by the stockholders in addition to a new stock issue amounting to \$350,000 being sold during 1959. The stock issue was over-subscribed and more than 50% of the stock was voted at the annual meeting.

Check credit was introduced during the year and has been well received. The check credit plan permits individuals to have a line of credit at the bank similar to that granted a business and, in this way, an individual may write a check for the purchase of goods or services.

The economic forecast for the year 1960 is bright, with the gross national product probably reaching \$25 billion at the end of 1960, Mr. Pitt stated. Retail business prospects are excellent. Tight money conditions will affect the mortgage market during 1960 in that there will probably be 1,100,000 home starts in the United States in 1960 as against 1,300,000 in 1959.

Home starts will affect the building industry adversely in 1960 because of a lack of mortgage money. The First State Bank of Union expects to have mortgage money available for home financing as well as commercial endeavors in 1960.

There will be another negative factor in 1960, namely, the stock market. Mr. Pitt further commented, Stocks have been selling in 1959 out of proportion to earnings, dividends and other proper measurements of value.

Savings deposits have leveled off nationally in 1959 and probably will grow sparingly in 1960. People are spending their money for consumer goods, automobiles and investing in stocks and are not saving enough, said the bank president.

Earnings of the First State Bank of Union in 1959 were satisfactory, reaching a record \$121,870.37, or \$2.18 per share on the average number of shares outstanding, after the

SCULPTURE CLASS—Dr. Louis Schimoler and Mrs. Marie Welsh sculpting in wood at classes being held at the home of Mrs. Lillian Johnson, 143 Baltusrol Way. Classes in sculpture are sponsored by the Art Center of Springfield. Interested persons, call DRexel 6-4139.

ing bond profits, were approximately 35% higher in 1959 than the earnings of 1958. Although gross earnings in 1959 will be higher than in 1958, because of the recent increase in the number of shares outstanding, the per share earnings may be lower temporarily.

During 1959, Roger Amidon, assistant vice-president joined the staff in charge of the Consumer Loan Department and Victor Kostin, assistant treasurer, was placed in charge of the Mortgage Department, Mr. Pitt concluded.

Spring Garden Is Taking Members

The renewal of membership by many Springfield residents in the Spring Garden Country Club, Florham Park, has been extremely gratifying to Leo Pearl, Club Manager.

This again is an indication of the successful season of last summer and the pleasure derived from the ambitious social, swim, and athletic programs conducted by the excellent supervisory staff of the Club.

Also, delegates to the state organization, W. Howard Lear of Elizabeth and Miss Frances Johnson of Cranford, and alternates, Ronald Morsbach and Mr. Reilly.

the Saturday morning children's classes in place of Mrs. Johnson, Mr. Lindemer is art teacher at Summit Jr. High School and has taught children's classes in Maplewood and South Orange.

The Tuesday afternoon children's classes will be changed to Thursdays, starting Feb. 11. Mrs. Lillian Johnson will instruct this class from 3:15 to 5:15 on Thursdays at the Civic Center on Caldwell Place.

If there are enough requests, arrangements will be made to take care of the pre-school children at the adult beginners' classes Tuesday mornings.

All interested persons may enroll in any of the art classes by sending in the application form which may be found elsewhere in the paper. Further information may be obtained by calling Mrs. Louis Schimoler at DR 6-8275.

Springfield Recreation Sports

California, Michigan, Minnesota, Kentucky win

Improved defensive play as well as better scoring featured play in the Springfield Recreation Commission "State League" Saturday afternoon Jan. 30, at the Florence Gaudineer School gym.

In the opener Pete "Red" Lawrence came through with a clutch goal in the last five seconds to give California a 17-15 win over an aggressive West Virginia, five. Barner and Etzold were the scoring leaders for the winners, with Lawrence netting his lone goal in the final moments of the game.

Michigan trimmed Texas 19-11 in a contest that was close for three quarters. Ben Chadwick and Frank Haydu were the top men for Michigan, with Ries and Muller the best for the hard-luck Texans.

Illinois' height was too much for Illinois as Hitchings, Buczek and Stevens controlled both backboards to set up several easy fast-break scores. Jensen and Bob Bellevue were the leaders for the Illinois dribblers.

The best game of the four-game card was the finale, as both clubs battled to the opening whistle to the closing seconds. Oklahoma jumped off to a 9-7 lead at the quarter as Steve Ginsberg netted 2 goals with Silverman and Tompkins getting singletons. But in the second quarter, it was Jimmy Bellevue sparking the Blue to a 13-11 halftime lead. Bellevue came through with timely baskets in the fourth period to outstand the winners were Siegal, Hansen and Hartz.

The league continues its hectic play this Saturday afternoon at the Florence Gaudineer School gym, with unbeaten Michigan and Kentucky battling in the feature of the four-game card. The contest is scheduled for 2:30, with a good-sized crowd expected.

Hawks stop Warriors 51-42

The Hawks continued to dominate play in the Springfield Recreation "Youth" Basketball League by trimming a hard-fighting Warrior Team 51-42 Thursday evening, Jan. 28, at the Florence Gaudineer School.

Big Norm Greenberg gave a good exhibition of set-shot shooting by canning three straight in the first period to spark the winners. Dennis Francis was the big gun, however, with six baskets in the

BASKETBALL SCHEDULE

Ivy League at Gaudineer Gym

Springfield Bowl Still Holds Lead

After the January 16, 1960 action in the Springfield Municipal League, Springfield Bowl holds first place alone as they took two games from Legion No. 2.

Evergreen Lodge won two from Ehrhardts and are tied for second place with Baldwin's Shell, who dropped the odd game to Mendes Florists. Dandrea Driveways moved up a notch by sweeping their series with Springfield Market.

The highest game was the 225 turned in by Sereno. Howard Selander has a 223, Coburn 215, Gately 213, S. Burdett 213, Harker 211, Brunner 210, and C. Marcantonio 210.

Says Vote Yes

(Continued from Page 1)

...I further read where Chief Mesker was speaking before several PTA groups to educate other people about the benefits of such automatic systems and

was delighted since I just knew that if everyone knew the facts, the referendum couldn't help but be passed by the parents of Springfield.

But this week, after reading about and hearing about remarks made by certain candidates who are running for the school board, I became alarmed. It seems that this meritorious suggestion is about to become a political football and I'm afraid, as so often happens with such footballs, will get lost in the crowd of politicians and political jargon and leave the kids, who are most affected by it all, out behind the goal.

I hope that the mother and fathers, by all means, will judge the question on its own merits and vote upon it that way, not on the merits of the candidate who spoke either on behalf of, or against it.

I have known Chief Mesker for many years. I know him to be an honest man with one overwhelming drive — to help his fellow man. He is an experienced fire fighter and is highly regarded by those who serve in the same capacity. He has no axe to grind.

He is NOT running for any office and seeks no public gain. He only seeks to protect our children's lives — yours and mine — from the most horrible kind of talk or disfiguration.

I pray we never have the need for any such fire detectors. I hope that they are maintained for the next 25 years and never put to use. But most of all, I hope that anyone who reads this letter will not let the school kids down, will not let words like "property protection" sway them, will not leave the voting to "others" — but WILL come out next Tuesday and vote YES for one of the most important questions ever to come before us!

Remember — if this system were to save the life of but ONE child, it would pay for itself — 100-fold.

Yours truly,
Mrs. Andrea Kissel

brochure—with maps and pictures—on why the Smith property should be approved for a school site.

Why didn't the School Board make available to the voting public the results of their studies on various types of fire detection and control over all these years? They must have made a study of the problem.

Why make the voters conduct their own investigations on such an important subject?

If the Board of Education wanted the voters to decide on whether or not to install a fire detection system, why weren't the taxpayers given an opportunity to...

1. Approve or disapprove high priced per yard of draperies which added to the aesthetics but very little to the safety of the school children;

2. The thousands of dollars difference in the cost of one kind of tile over another;

3. Whether or not a 3 1/2 acre piece of property should be purchased—when less than the half of acres was needed for a new school—with the owner permitted to occupy his home and gas station AS LONG AS HE LIVES.

We point out these things because we believe the Board of Education has made many decisions, costing many thousands of dollars, in the cause of better education for Springfield, without asking the voters to decide whether or not such money should be spent.

The fire detection—or any fire deterrent system for Springfield's schools should not confuse the voters in next Tuesday's elections.

Every eligible voter should go to the polls and elect the five men best qualified to conduct the affairs of our school system. Study their biographies, talk to their neighbors, speak to them personally and then make up your mind.

Don't listen to the scare telephone solicitations. Select the best five men.

When a heat detection device gives its warning, smoke detection devices are faster but do not allow complete evacuation before the smoke level becomes deadly.

3. Partitions for fire prevention were of no aid and sometimes had an adverse effect.

4. A complete system of automatic sprinklers will maintain low temperatures throughout the building and will prevent extensive buildup of smoke and irritating gasses.

5. Sprinklers in exit ways, but not in the fire area did not prevent smoke spread.

6. Fire doors never closed in time to prevent dangerous smoke conditions throughout a school.

7. Enclosed stairways are no better than open stairways unless doors are closed immediately after a fire outbreak.

The entire matter should be re-evaluated before we authorize this large capital expenditure and continuing maintenance cost for an installation of questionable value.

August

In connection with this action, the Board said: "The Board of Education expresses gratitude to Baltusrol Golf Club in its support of the local school system by offering this most desirable property at such an attractive price, which is much lower than the prevailing market."

Mr. Davenport answered another query by saying that lengthening the school day and year was being considered on county and state levels and that the question of language study in the grades also was under scrutiny.

All the candidates were public relations-minded and agreed that the citizenry should be kept fully informed about all school business and all were united on the need for complete co-operation between the Board and the administrative staffs.

Mr. Phelps drew the first applause — and there was little of it throughout the evening — when he defended the American system of education against the Soviet process. He said he was in favor of the broad educational base in effect here — whereby all kinds of skilled personnel was turned out — rather than only highly developed talents required by the state, as was the fruit of the Russian system.

Mr. Matthews presented papers and a diary of great historical interest to Springfield. Miss Caroline Day, of Tooker Avenue, donated a handsome rocking chair, used in Ye Olde Meeker Inn, historic hostel formerly at the intersection of Stuyvesant and Morris Avenue in Union.

Judge Harold Ackerman of Springfield presented the Society with a facsimile of the original New Jersey Constitution.

The Cannonball House, its library and museum, are open to the public on Sundays 3 P.M., and at other times by appointment. Call the librarian, Miss Phoebe Briggs, DR 6-5088.

Sassaparilla was a medical export from Maine as early as 1802. It was then believed to be a remedy for almost all body ailments.

J. A. Bender

(Continued from Page 1)

curriculum, language study in the elementary grades and safety measures and that then there would be a period for questioning the candidates.

It was apparent that most of those in the audience intended to sit through the preliminary discussion and wait as patiently as possible for the forum. It was obvious that there was a strong desire to get launched on the matter of installing a fire-detection system — even though Mrs. Smith pointed out that properly the subject should not be discussed at all, as it was a referendum question and not a prospective Board member's qualification.

Mr. Bender and Dr. Josephson were most outspoken on the subject. Mr. Bender was opposed to the plan and advocated a sprinkler system in its stead.

Dr. Josephson was just as emphatically in favor of the proposal on the grounds that it was superior to sprinklers as a safety measure.

All the others — with the exception of Mr. Davenport — were lukewarm about the proposition, saying that they felt they needed more information before taking a stand. Mr. Hardgrove called the proposal a "pig in a poke."

Mr. Davenport, who is a member of the school board seeking another term, indicated that were the Board of Education in favor of the plan, it would have included it in the budget, rather than allow it to be a separate question on the ballot.

Mr. Bender pointed to the cost of the proposed system (\$25,000 initially and \$2500 annually thereafter) and declared that a sprinkler system at \$85,000 which required no annual maintenance charge was superior to the detection system and would cost no more in the long run.

Dr. Josephson could not see any guarantee of safety in sprinklers, saying that sprinkler were known to be effective as protectors of property but not of life.

Mr. Davenport found himself fielding most of the questions on other subjects coming from

The inside story of a Water Heater or "How to get into hot water and like it!"

Decoded report from Agent WH-9, inside a very special type water heater somewhere in New Jersey:

"Approached subject cautiously. Found nothing to be cautious about. Water heater electric. Only danger was drowning in all that (Wheel) hot water. Uncovered some important facts."

(1) Flameless electric water heater has insulation all around — sides, top and bottom. Keeps water hot without costly re-heating. (2) Crystal clear water inside tank. This tank has special electroplating feature for longer life. (3) Heating units immersed right in water or wrapped around tank. No corrosive hot spots. No heat wasted. (4) Special baffle to trap incoming cold water so hot water is never diluted."

"Called Electric Company. Discovered special 'off-peak' water heating rate. Big bargain. More hot water than you need for only pennies a day. Please accept resignation, effective immediately. Going into electric water heating business."

Buy with assurance from your local Reddy Kilowatt Dealer who displays this emblem.

RICHMOND

Sharey Shalom Head At Conference Which Lauds Anti-Nazi Acts

Charles Danziger, president of Sharey Shalom, and Harry Katz, vice-president, attended a recent conference of the New Jersey Council of the Union of

American Hebrew Congregations at Temple Israel in South Orange.

After a discussion regarding the recent wave of synagogue and church desecrations, the following resolution was unanimously adopted:

"RESOLVED that the New Jersey Council of the Union of American Hebrew congregations expresses its deep sense of appreciation for the prompt and understanding action of our public officials, civic organizations, clergy and press in condemning recent un-American incidents, such as the use of Nazi symbols and other forms of desecration of religious and educational institutions, and the distribution of hate literature. Their unanimous voice in emphatically condemning and rejecting such acts and those who committed them is the best tradition of American Democracy."

Mrs. Philip Ames, president of the "Responsibilities of Temple Leaders" was the theme of the program, and Mr. Danziger was one of the three discussants. He stressed the very personal nature of the re-

wards for service. He said: "If one accepts the responsibility of temple leadership in anticipation of rewards of honor, glory and power, he is misguided and probably will be disappointed."

Mr. Danziger was appointed to the nominating committee by Dr. Henry J. Gewirtzman president of the New Jersey Council.

Correction Made In Library Item

An announcement was made that the lending library of Sharey Shalom, would make books available to members of Sharey Shalom, their children and Religious School teachers, free of charge for the first two weeks the library is open, and from then on there would be a charge of five cents a day. This is incorrect.

Books may be taken from the library at no charge to the above-mentioned people. When they have kept the books out of the library for more than two weeks, the books will be considered "over due" and there then will be a charge of five cents per day. People in the community may also take books from the library at a cost of 25 cents per week.

Mrs. Philip Ames, president of Sharey Shalom's Women's Group, and Jackie Heller, of the Senior Youth Group, are in charge of the library, which is located at the Temple House, 78 South Springfield Avenue.

YOUR LIBRARY

In speaking of the First World War, John Jay Chapman said: "... The younger generation ... will never know from how many old shibboleths and cramping views they have been liberated by having taken part in something that was universal. Our own past will assume fresh aspects in our eyes."

This seems to explain what has happened to us since the last war. For the ten years that the American Heritage series has been published, it has been giving Americans a fresh view of their history. The beautifully designed volumes with color

Springfield. The library is open from 10 a.m. to 12:30 p.m., Sundays, and from 3:15 to 5:15 and again from 8 p.m. to 9 p.m., Wednesdays.

Sharey Shalom has announced a Religious School Parent-Teacher meeting for Wednesday, Feb. 10, at the Temple House, 78 South Springfield Avenue, Springfield, at 8 p.m.

Lewis Gash, chairman of the Religious School board, will preside. Rabbi Israel S. Dresner will discuss "The Aims and Objectives of Jewish Education." A question and answer period will follow.

After the meeting, the Religious School teachers will remain so that the parents may discuss whatever they wish with them. The Women's Group of Sharey Shalom will serve refreshments.

All parents of Religious School children are urged to attend this and all other PTA Meetings.

pictures and line drawings have interested readers in history who have never enjoyed history before. (The number of "Civil War buffs" who pursue avidly anything about that conflict is another sign of the times.)

The American Heritage series is particularly used because the articles, written in a lively manner, are indexed in the "Readers Guide". This is the index which lists about 120 magazines which have the greatest use. The "American Heritage," which appears every two months, or six issues to a year, is something like a hard cover.

Now this periodical has sparked a television drama series, "Our American Heritage," which puts on a story in color on Sundays every couple of months. The next production will be Sunday, Jan. 24, at 8 p.m. "DESTINY WEST" is its name. It tells the story of Gen. John C. Fremont and his explorations. Springfield Library has many books which will interest those who see this production.

Fremont's wife, Jessie Benton Fremont, is the subject of a novel, "Immortal Wife," by Irving Stone. Stone's book has been very popular with Springfield readers and has so much authentic material that some libraries place this book in biography.

Two fine articles on Fremont appeared in the American Heritage series: June 1956 and August 1957.

There is also "Narratives of Exploration and Adventure," edited by Allan Nevins. "The Far Western Frontier 1830-1860," by R. A. Billington, is a volume in our New American Nation Series, which is shorter than his famous scholarly work, "Western Expansion" (1949).

For someone just looking for facts, there is nothing better than the article in "Dictionary of American Biography," Fremont, likewise, is included in all of the many encyclopedias in the library.

Books on all levels of interest will be on display in the main hallway of the library for a few days. Anyone interested in reading them may leave requests.

Television and books are helping the American past to live again, and to open wider our eyes to true appreciation of our great heritage.

On the other hand the Story Hours, for the pre-school children have taken an even firmer place in the affections of the Springfield mothers and have been a tremendous success. If any reader of this column knows of four-year-old children who will enjoy a story hour, he is urged to have them register. While there are more names than can be accommodated at any one time, eventually all the children registered get a turn.

An innovation has been programs for adults. Last February and March, four evenings were devoted to discussing books. This series was entitled "Novels of Protest" and ended with an attendance of over forty people. A new series of four meetings is being planned for the next few months.

The other program entitled "Great Book Discussions" is part of a national movement whose attendance this winter is over 35,000 people. The Springfield group meets in the library roughly every two weeks. Time is 8:15 P.M. and the evening is Tuesday. Some very interesting people have joined.

The next meeting will discuss Epictetus' "Discourses" on Jan. 12. Visitors are welcome.

It is possible to sum up the last year, 1959, as one of achievement and to look forward to this year—1960—in a confident spirit.

DEATHS

A. H. KAUFMAN

Arthur Henry Kaufman died Thursday, Jan. 21, at his late home, 43 Woodcrest Circle, Springfield, at the age of 61, following an illness of ten months.

Services were held at the home, 43 Woodcrest Circle; the Rev. William Rodda, of the Chatham Methodist Church, officiating and interment took place Monday morning in Fairmount Cemetery, Newark.

Surviving the late Mr. Kaufman are his wife, Mrs. Florence F. R. Kaufman, and a brother, Howard, living in Clermont, Fla.

Born in Yonkers, N. Y., and a veteran of World War One, the late Mr. Kaufman had lived in Chatham before coming to Springfield nine years ago and had been employed by Wigton & Abbott Co., a building contracting firm in Plainfield, until a year ago.

ERNEST ULBRICH

Services were held Thursday, January 28, with a Solemn High Mass of Requiem being sung at St. Rose of Lima R. C. Church, Short Hills, for the late Ernest A. Ulbrich. Interment followed in St. Mary's Cemetery, East Orange, with the George Ahr Funeral Apartments of Irvington in charge.

The late Mr. Ulbrich died Sunday, Jan. 25, at Overlook Hospital, Summit, at the age of 81, following a long illness.

A resident of Springfield 18 years, he had lived at 225 Short Hills Avenue. He is survived by two daughters: Miss Mary Ann, at home, and Mrs. Barbara Saffery of Glen Cove, L. I.; two grandchildren: Susan and James Saffery, and sister, Mrs. Victoria Von Smuders of Elizabeth.

Mr. Ulbrich had been with General Cable Corp. of New York for 43 years, and was assistant director of purchasing for the firm.

WILLIAM F. CAMPBELL

A Mass of Requiem was celebrated at St. James R. C. Church, Springfield, Tuesday morning, Jan. 26, for the late William F. Campbell, who died at Overlook Hospital, Summit, Friday, Jan. 22, following a short illness. He was 74 years old.

Burial was made in St. Teresa's Cemetery, Summit, with the Home of Springfield in Smith and Smith Suburban Funeral home in charge of arrangements.

Surviving the late Mr. Campbell are a sister, Mrs. Mary Ditzel of Fanwood, and two nephews, Raymond and William Ditzel.

Mr. Campbell, who had lived at 53 Warner Avenue, Springfield, had worked for more than a score of years in the supply department of Puroator Products in Rahway before he retired in 1958. Prior to that, he had operated a service station at Morris Avenue and Seven Bridge Road, Springfield.

Before coming to Springfield 35 years ago, Mr. Campbell was a private chauffeur in Newark and Greenwich, Conn.

MRS. JESSIE HERINGTON LANDAU

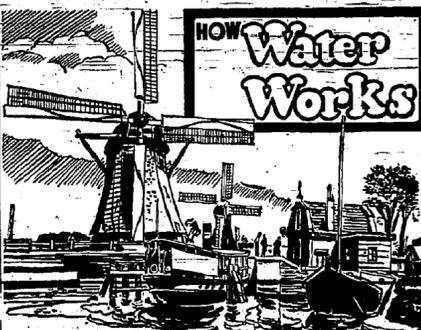

Mrs. Jessie Herington Landau, of 15 Prospect Place, Springfield, died January 26 in All Soul's Hospital, Morristown, after a long illness. She was 66.
