Traffic signals will soon be installed at the intersection of South Springfield and Hillside Avenues in Springfield. The Township Committee introduced an ordinance providing for this installation at its Tuesday meeting. The final hearing on the \$10,000 traffic signals is planned for March 28.

The Township had the plans and specifications approved by the State Highway Department before introducing the ordinance. The sum of \$9,500 will be raised by bonds or bond anticipation notes. The remaining \$500 will be appropriated from the budget capital improvement fund.

The acquisition of traffic signals and equipment will cost Springfield \$9,500; the rest includes legal expenses and interest which have or will arise from the installation.

The Township Committee postponed the final hearing on the \$80,000 sewer installation until March 28. Only three members of the Committee were present at the meeting and four are needed for a final hearing.

## Public Hearing on \$1,169,318 Budget Planned for March 28

### Tax Rate Estimated At \$5.95

The 1961 Springfield Municipal Budget of \$1,169,318 will be aired at a public hearing in Township Hall March 28. The budget was first introduced by the Township Committee and approved by all Committee members February 28.

Showing an increase of \$16,261 over last year's budget of \$1,123,057, the tax rate is also up 42 points. This year's estimated tax rate is 5.95 as opposed to 5.55 in 1960.

**General Tax Rate Up**  
Though the overall tax rate is up, the local purpose tax rate is down 13 points. This year it is estimated at 1.11, in 1960 it was 1.24. The breakdown for the other tax rates as contrasted to 1960 figures for local school, 2.33; 2.31; regional school, 1.44; 1.20; county, 87.85.

Under local purpose tax, salary and wages appropriations show increases of approximately \$39,000 with most appropriations showing modest increases with the exception of the Fire and Police Departments. Those departments show an increase of \$30,000. This increase is due to an enlargement and the creation of new officer ranks in both departments plus salary and wage boosts.

Most other expenses which include such items as materials, supplies, and nonbondable equipment; repairs and maintenance of buildings, equipment, printing, contractual services, reading, advertising, utility services, insurance, etc. approximate the 1960 amounts with certain exceptions.

Increases shown in insurance, \$6,100; garbage, \$2,000; and parks, \$8,375. The total increase in other expenses is \$17,112.

Debt service increased \$9,480; deferred charges increased \$3,315; and the reserve for uncollected taxes (based upon 94 percent of tax collection) decreased \$29,222. This amount will reduce the local purpose tax rate by 13 points and in turn reduce the school county fund regional increase of 65 points down to a net overall increase of 42 points.

**School Taxes Up 41 Points**  
The local school tax, including the special fire alarm retirement fund, will be 2.53, an increase of 39 points over 1960. Although the County Board of Taxation has not yet approved the regional school tax, Springfield's share is estimated at 1.44, or 21 points over 1960 making a total increase in school taxes of 43 points.

The Township estimates the County tax rate at 87. This rate is an increase of 42 points over 1960.

**Improvements Planned**  
The 1961 budget includes a \$5,000 Capital Improvement Fund.

### Canvassers, Solicitors To Register

The Springfield Township Committee introduced two ordinances at its Tuesday meeting, one for the licensing and regulation of canvassing and soliciting in town and one for the purchase of an emergency snow truck with an 11-foot snow plow attachment.

Before a person may solicit, canvass or act as a solicitor in Springfield he must first register with the chief of police. He must present proper identification plus two photographs of himself to the police chief plus stating the purpose of his canvassing or solicitation, the route, date and approximate hours. Those hours must be between 9 a.m. and 5 p.m. If the person seeking the permission has had any conviction of crime, he must also report this fact to the police chief.

After meeting all qualifications, the chief will issue a registration certificate which will include the person's photograph and the chief's signature. This certificate must be carried by the person during the time he is soliciting and is not transferable. The certificate can be voided for such reasons as giving false information or not complying with the ordinance.

The certificate will cost \$2 and expires on December 31 of the year issued. The solicitor may not canvass or solicit on Sundays, before 9 a.m. or after 5 p.m. on Saturdays or weekdays.

This ordinance does not affect persons delivering goods, wares or merchandise. Any one found violating the ordinance is subject to a fine of \$50.

**RED CROSS AWARDS** — Eugene Donnelly, for Springfield Chapter chairman and East Orange Veterans Hospital Representative, receives an award from Mrs. Harry Quinzel and Dr. Leonard Eckle in his service. Mrs. Quinzel is Home Service Director and Dr. Eckle is Chapter chairman.

## Red Cross Links Home, Servicemen

The American National Red Cross is the connecting link providing contact between the home folks and their loved ones in the service. The Red Cross is the only agency qualified and able to provide this valuable type of assistance. In the Springfield Chapter this work is carried out by the Home-Service Committee in cooperation with the national Field Director, York Springfield, chapter under the leadership of Home Service director Mrs. Harry T. Quinzel, 13 South Trivett, has handled many interesting cases in this area. Mrs. Henry C. McMullen, Social Service Aide, assists in this work.

All emergency leaves and extensions must be verified by this Red Cross committee through contact with the family, physician, and hospital. The responsibility for granting the leave, however, rests with the armed services and the Red Cross can not guarantee approval. Every effort is made by the Red Cross, nonetheless, to see that the needs of service personnel and families are met, and in all of the years the Springfield Chapter has never had a leave or extension denied.

Emergency financial grants and loans to either servicemen, veterans or their families are made by this committee. Home Service also aids veterans in their contacts with various government agencies to gain and verify benefits due them and their families.

During the past year fifteen Home Service cases have been completed. Two financial loans were made; one has been repaid and the other is being repaid. One financial grant was made. Two cases involved counseling veterans and aiding them in filing for disability benefits. Several personal home visits, in counseling and investigation were made. Emergency leaves were verified for the military. One leave was granted for death in the family, and another for morale purposes when the appearance of a serviceman at his father's bedside gave a morale boost contributing to his recovery. Extension of leave because of illness was also granted. Two health and welfare reports for family or servicemen were made. One resulted from a delay in mails when a serviceman was transferred. Red Cross investigated and reported on the serviceman's safety bringing relief to his parents and fiancée. Further relief arrived when fifteen letters, delayed during the transfer, arrived in one day.

A new trend in Red Cross service is for new inductees or enlistees to file a card which the local chapter takes to make a personal visit to his family informing them of the services available to them through Red Cross while their loved one is in the service.

Another important link between your local Red Cross and those who serve or served in the Armed Forces is our work with the veterans administration hospitals at East Orange and Lyons. The Springfield Chapter is a member of the East Orange V.A. Hospital Council where Mrs. Oliver O. Deane, Jr., 252 Short Hills Avenue, serves as council representative. Our Junior Red Cross supplies favors and decorations for all special occasions and holidays. Canteen workers provide home baked cakes and a gift at birthday celebrations for the patients and are responsible for two or three teas and ward parties during the year. Motor-Gorp volunteers supply escort service and Gray Ladies and Junior Gray Ladies serve the patients.

The Springfield Chapter also seeks to supply Red Cross trained volunteers for other needs at the V.A. hospital. Volunteers are needed to serve as: Feeders; Nurses Aides; Ward Assistants; in occupational therapy and recreation on the T.B. floors; and men are wanted for corrective therapy. Special needs include a stamp collector, chess players, and an art instructor. Anyone interested in being of service is asked to call Chapter Headquarters DRexel 6-1676.

car police patrol on a 24-hour shift. The promotions are effective April 1 with salary set by ordinance.

Fire Chief Olin Mesker recommended the appointment of Charles Bishop, 31 Saller Street, to probationary fireman. This appointment, too, was approved and is effective March 1. Salary is set by ordinance.

The Department of Public Safety and Police Chief Wilbur Selander recommended the installation of flashing traffic lights at the Sandmeier and Chisholm schools plus the areas around St. James and Gaudineer schools. Irvin Weinberg, township attorney, was authorized to draw up the necessary ordinance and Alfred E. Swenson, township engineer, was authorized to set up the plans and specifications and advertise for bids.

John C. Ganley, Northview Terrace, was appointed a probationary policeman, effective March 16. A former special policeman, his probationary period is for one year at salary set by ordinance.

The Committee approved a raffle license for Temple Shalom for a raffle to be held August 20.

Mr. Swenson was authorized to advertise for bids subject to the final hearing on the Baltusrol Top sanitary sewer system. These bids are for the secondary systems which will tie into the main trunk lines.

The Nadel Cab Company of Springfield, owned by Herman Nadel, had one of its licenses rescinded for failure in fulfilling certain representations. The license had been issued April 24,

1960 and the Department of Public Safety recommended the rescinding. The cab company has failed to move the storage of cabs from the residential area. The company has been issued four summonses to date. The company will appear before Magistrate Thomas Argyris today to show why the company should continue operating as it has in the past. The company's other three licenses are still in tact.

## BOY SCOUT NEWS

Troop 70, Springfield, once again walked away with the Trophy at the annual Union County Rally held on March 7th at Union High School.

This was the second year in a row that the troop won, and considering well-trained seasoned scouts were ineligible to compete being over the age limit, great credit must be given to the raw recruits who must have put in some pretty hard and fast work in the past few weeks to carry home that Axe. Good work and congratulations to Troop 70.

## How Water Works

**The Greatest Irrigation System** the world has ever known was built over 2,000 YEARS AGO! The Babylonian canals transformed the barren Tigris-Euphrates region into a marvelously fertile garden spot and made ancient Babylonia a city larger than present-day Chicago! To duplicate this gigantic irrigation system today would cost billions of dollars!

## Antique Sale, Show Goes into 19th Year

March 21 this year marks the first day of Spring but it is also the first day of the Springfield Antique Show and Sale which opens on that date in the Parish House of the Historic Presbyterian Church, 37 Main Street, Springfield. It will run from March 21 through March 23 from 11 a.m. to 10 p.m.

This is a top flight show that is in its 19th year. This long span of experience can be considered a guarantee that the two hour display will have everything that the "antique fan" may expect. This is the kind of a sale to which dealers return year after year and such reputation can only be acquired after years of successful presentations.

In addition to the displays of china, glass, clocks, toys, traditional pieces and collectors' items, the fair offers such other attractions as home-cooked lunches, the traditional Colonial Tea Rooms with its costumed attendants. In addition there will be a sale of very fine hand-painted and hand-made aprons.

The show is sponsored, as it has been over the years, by the Ladies Benevolent Society of the church under the expert guidance of Mrs. Emil Meyer.

Happy Birthday wishes to William John Phillips, son of Mr. and Mrs. John Phillips of 103 Hawthorne Avenue, who celebrated his fourth birthday with a party on March 8. His guests were Janet Oertel, Janice Kreigman, Jimmy Edwards, Patricia and Maurine.

Kauer, and big sisters, Susan and Mrs. Hyman Ginter, of 52 Garden Oval, were hosts at a gala party at Greene's Hotel on Sunday afternoon, March 12, in honor of the Bar Mitzvah of their son, Daniel Terry. With Mom looking lovely in pink beads, one hundred and fifty guests were entertained by Al Spurr and his orchestra of Irvington, at a party which Danny, sisters Leenie and Iris, and all the guests will long remember.

Newcomers to Springfield are Mr. and Mrs. Sol White, of the White Printing and Publishing Company of Union. The family has moved from Elizabeth to 113 Henshaw Avenue. Younger members are: Tina, almost twelve, and Eoretta and Suzy who share the same birthday on July 25. At white time Loreta will be ten years old and Suzy will be six.

Mr. and Mrs. Robert H. Messing of Troy Drive announce the birth of twin girls on March 4 at Perth Amboy General Hospital. Mrs. Messing is the former Norma Jacobson, daughter of Dr. and Mrs. Murray Jacobson. Her father is of the staff at Perth Amboy General.

Miss Fran Katz, daughter of Mr. and Mrs. David Katz of 29 Cypress Terrace, celebrated her eighth birthday with a supper party on March 3 at which her guests were Barbara Schwartz, Marcia Katz, Karen Levin, Barbara Schaefer, Nancy Tropp, Sandy Siegel, Candy Friedman, Gail Rosenberg and brother Jonathan.

Mr. and Mrs. William Zervakos of 11 Surrey Lane, are back from the "sunny south." With eight-year-old twins Janet and Ellen they spent two weeks at The Aztec in Miami Beach. Congratulations go to Mr. and Mrs. Raymond Della Serra of 192 Milltown Road on the birth of son Daniel at Overlook Hospital on March 8. Weighing in at six pounds, fourteen ounces, young Daniel joins a family that includes six-year-old Raymond, Jr., four-year-old Mary and two-year-old Susan. Proud grandmother is Mrs. Margaret Schmidt, of the same address.

Hal Wasserman, son of Mr. and Mrs. Jules Wasserman of 38 Hemlock Terrace, is the proud possessor of a shiny, new two-wheeler, which was a fifth birthday present from Mom and Dad on March 11. Had played host to a party at a luncheon party at which his guests were Peter Galvarg, David Gorman, Joe Bogner, Robby Fish, Barry Pink, Bobby Manheimer, Marc Sumpman, Lammie Katz, cousin Mitchell and brothers Eric and Evan.

New residents at 26 Joanne Way are Mr. and Mrs. William Ruceto, formerly of Union. Younger members of the family are eight-year-old Jane and three-year-old Lori Ann. Dad's an engineer.

The George Schenack home at 97 Battle Hill Avenue was the scene of a gala Christmas party last Sunday afternoon for new grandson Daniel Nelson-Kitchner. The baby son of daughter Irene and son-in-law Nelson Kitchner was christened in the morning at Emanuel Methodist Church in Newark, by Reverend Leopold Schneider Jr. Forty-five guests were present at the party to see Aunt Evelyn and Uncle George become the very proud godparents of the newest member of the family.

Since it's nice to see the younger members of the community engaged in worthwhile pursuits, we'd like to mention that the B-nai B'rith girls, ages 14 to 19, are selling baby head bracelets, and are knitting an afghan robe for a convalescent home. Anyone interested in purchasing a bracelet can call Diane Spiegel at DR 6-7495; and those of you with old yarn or knitting needles sizes seven to ten to contribute, are requested to get in touch with Anita Goldberg at DR 6-3473.

# Scholarship Grant Hiked by Boro AAUW

## \$300 Now Available To Students

Mrs. Thomas A. Hyde, scholarship chairman of the Mountainside branch of the American Association of University Women, has announced the boro scholarship grant offered to a Mountainside girl has been raised to \$300 this year. The executive board voted

the increased amount at a meeting held last week in the home of Mrs. Richard E. Greenman, 220 Evergreen Court.

The branch, organized last year, granted a \$200 scholarship at the end of its first year. An earlier announcement this year increased the fund to \$250, but receipts from a breakfast-fashion show and the club's round-robin bridge have made possible the additional amount this year. Mrs. E. G. Perrine,

branch president, expressed her thanks to the many men and women who have participated in the two events with the resulting benefit to a local girl.

Mrs. Hyde and her committee have set March 17 as the closing date for this year's applications. Any Mountainside girl who

is now a high school senior or already attending college may apply by calling Mrs. Hyde at AD 2-3334.
