## Red-Cross Canteen, Motor Corps, Another Local Chapter Service

The Springfield Chapter of the American Red Cross has an active Canteen Committee which serves the community in many ways. Under the leadership of Mrs. George Walton, Canteen Chairman, these ladies aid in boosting the morale of the patients at the East Orange Veterans Hospital.

They annually give two large teas for the patients where their smiles and interest in the men are as important as the homemade refreshments they provide. Throughout the year, they bake birthday cakes which they deliver to make these special days memorable party occasions to the individuals, and at other times they give ward parties for patients. The Canteen serves refreshments at the annual meeting of the local Chapter, and will be on hand to give coffee and refreshments to the donors at the Blood Mobile.

The Red Cross Canteen Committee participates in the Springfield Civil Defense exercises. The Canteen is responsible for organizing and carrying out the Mass Feeding phase of the Civil Defense program. Each of the Canteen Committees has been trained and certified in mass feeding and one of the members, Mrs. Evelyn Couch, is an authorized Red Cross instructor for the course.

The Canteen committee includes: Mrs. George Walton, 36 Kew Drive; Mrs. Marie Stauch, 109 South Maple Avenue; Mrs. Fred Punigam, 118 South Maple Avenue; Mrs. R. R. Couch, 46 Henshaw Avenue; Mrs. Kathi Kubenz, 91 Tooker Avenue; Mrs. Melvin D. Putt, 29 Morris Avenue; Mrs. Irene Pearson, 87 Caldwell Avenue; Mrs. Fred Silva, 60 Tooker Avenue; Mrs. Gertrude Quinlan, South Springfield Avenue; Miss Gertrude Sala, Morris Avenue; Mrs. Martha Rawlins, Evergreen Avenue; and Mrs. Jean Knowles, 54 Salter Avenue.

Active in helping to set up the mobile kitchens are members of the Springfield Red Cross Motor Corp. Mrs. Carl Ledig heads this active group which in nine months has made 111 trips, tra-

velled 1,823 miles, and accumulated three hundred hours of volunteer service.

Motor Corp. drivers have all taken a Red Cross orientation course and six of the drivers last week completed their required Standard First Aid Course. Springfield citizens will find these experienced drivers behind the wheel of the Chapter's station wagon almost every day of the week on errands to the veterans' hospital and transporting patients to various appointments for outpatient treatment. In the past nine months five trips have been taken to Lyons and 29 to East Orange-V.A. hospitals to take party favors and refreshments and to transport patients and Gray Lady volunteers. Trips have been taken to Jersey City, Newark and Summit for patient treatment. To children, cerebral palsy victims, fare transported weekly to Orthopedic Hospital for treatment, and one patient has been taken to the Plastic Eye Clinic in New York for several treatments. Numerous trips have been made to Orange Memorial and Overlook hospitals. These volunteers also deliver on loan the Red Cross freetier equipment to residents in need. A multi-height hospital bed, a wheel chair, the walker, and assorted smaller items such as bed pans are included in these deliveries.

The Red Cross Motor Corp. volunteers are skilled drivers vital to the work of the Springfield Chapter. Serving this needs are: Mrs. Carl Ledig, 188 Milltown Road; Mrs. David Kaplan, 165 Henshaw Drive; Mrs. Harold Jensen, 29 Kew Drive; Mrs. William Trivett, 42 Colonial Terrace; Mrs. David Weinstein, 74 Louis Avenue; Mrs. Thomas Doherty, 34 Washington Avenue; Mrs. Mrs. John W. Menth, 123 Bryant Avenue; Mrs. Vicent Barnwell, 48 Mountain Avenue; Mrs. William Geita, 487 Meisel Avenue; Mrs. William Valois, 510 Meisel Avenue; Mrs. E. W. Neal, 350 Rolling Rock Road, Mountain Side; Mrs. Max Kuehn, 46 Profit Avenue; Mrs. L.A. Kameen, 34 Redwood Road; Mrs. D.J. Slatery, 24 Sherwood Road; and Mrs. Henry B. George, 184 Milltown Road.

## Two Resign from Directors Board

The Board of Directors of the League of Women Voters of Springfield have announced the appointment of Mrs. Nelson Lewis and Mrs. Isadore Yablonsky to replace Mrs. Richard Moore and Mrs. Leonard Atkin.

In line with the non-partisan policy of the League, Mrs. Moore and Mrs. Atkin have offered their resignations from the Board of Directors to become politically active in the forthcoming primary campaign.

The League of Women Voters encourages political activity of its members except while serving in a policy making capacity as board members.

## Cardinal Application Rejected

### Hardgrove, Falkin, Braun Pledge Community Service

The Regular Republican candidates for Township Committee and tax collector posts, promise a vigorous campaign "based solely on the issues at hand and the many improvements that can be made in Springfield."

Arthur M. Falkin and Robert D. Hardgrove are running for Township committee and Fred Braun is seeking the tax collector post. The candidates today, issued statements prior to the Primary elections on Tuesday, April 18.

"As the endorsed candidate of the Republican Party Policy Committee I gladly accept the opportunity to run for a seat on the Township Committee in the April 18th primary. It is my intention to pursue a vigorous campaign based solely on the issues at hand and the many improvements that can be made in our Community.

Drawing upon my background as a Sales Executive I will endeavor to help operate the Township on an efficient, business-like basis giving the taxpayers the maximum value for their hard earned tax dollar. I will capitalize on my many years of participation in the youth activities of our Town to help formulate a constructive program that will make our community a leader in this type of an endeavor.

"I consider the endorsement an honor for which I will work long and hard and I will devote my entire efforts toward waging the type of a campaign that could only be culminated by victory in the November elections. I hope that my efforts will warrant the continued support and confidence of the Republican voters and I request their support in the Primary."

Braun's statement:

"I feel honored that the Regular Republican Policy Committee has selected me to run in the April 18th primary for the office of Tax Collector.

"My many years of experience in both the banking and real estate fields will qualify me for this important post.

"Having lived in Springfield for 24 years I feel that I can give the kind of service that the taxpayers of our community deserve and I intend to devote my full time to the position."

Hardgrove's statement:

"A question that has been directed to me in recent weeks is 'Why are you running for the Township Committee?' Perhaps by answering this query every one will understand why I am in this primary race as a Republican.

"First and foremost is a desire to be of service to the community which has been my home for the past ten years. My wife, Hazel, and myself have a very deep feeling for Springfield which is expressed in our desire to see our community be referred to as 'Our Town' by every one of its residents.

"Of course, the desire to serve does not guarantee the opportunity. The opportunity did present itself when the Republican Party inquired as to my interest in a candidacy. A thorough investigation of the conditions under which an elected Republican functions proved to be sufficiently broad so that I may fully utilize my knowledge and talent for the betterment of Springfield. This was a most important assurance before consent could be given to undertake the responsibility the voter would place in me by his vote. Also as part of my responsibility to the voter, I bring experience from actively in many organizations and civic groups plus the experience gained as a graduate engineer.

"The local Republican Party, I feel, is unique. It has in the past few years formed an organization that is cohesive, but not dictatorial. The present primary is proof of this. It is up to you, as a Republican, to select the men you want as representatives in November. If in

### Bid for Baltusrol Sewers Union Firm Submits Low

Township Committee Tuesday unanimously rejected a recommendation of the Board of Adjustment to grant a variance for the construction of a retail store on the nursery property of Edward A. Cardinal at 280 Milltown Road. The application had been made by Joseph Wilf, builder for the proposed store. Township Committeeman William Balentine did not attend the meeting.

Committeeman Daniel M. Lucy said that the application had been carefully reviewed by the board. The board was advised, he said, by Mr. Michael Pissero, an attorney serving Tuesday, the absence of Township Attorney Irwin Weinberg, who is hospitalized, that the variance was for a "new use and not the continuance of a non-conforming operation." The question was whether or not to grant a variance for a new use, he said. Committee Chairman Vincent J. Bonadies pointed out that there has been "argumentation on both sides." He said that the record was complete and added that last night's meeting was not a public hearing on the subject.

**CARDINAL SPEAKS OUT**

Speaking briefly on his own behalf, Mr. Cardinal said that the business had been in operation a number of years. Another resident living in the proposed area claimed that the property was formerly a chicken farm and shrubbery had not been grown there prior to 1948. Citing the volume of business conducted on the site, another questioned whether the business was retail or wholesale.

The original application called for a retail store 60 feet by 100 feet for the selling of garden equipment and supplies to be located on a plot 236 feet wide and 148 feet deep in Milltown Road with two driveways and a parking area for 36 cars. Rear property was to be subdivided for residential purposes and the existing old buildings were to be eliminated. The use of a present sign was to be continued as well as an additional sign to be displayed on the building. Poor drainage and a water situation on the land were to be corrected.

The Board of Adjustment had granted the variance with a nine-point provision requiring the following: only one driveway, 25 feet in width; installation of sign according to the zoning ordinance; proper drainage with elimination of mosquito hazard, to be used solely as a garden center, plants suited for residential purposes, fencing as designated by board, non-blaring lights, hours from 7 A.M. to 9 P.M., and no incoming deliveries on Sunday. The Board of Adjustment's hearing on the application was held Feb. 23.

J. and C. Excavating Co. of Union with a low bid of \$38,039.60 was awarded a contract to construct sanitary sewers in Baltusrol, from South Springfield Avenue and Dundar Road on the recommendation of Township Engineer Alfred H. Swenson. Other bids were: Cruz Construction Co., \$58,310; Delve Contracting Co. of Morris Plains, \$40,152.60; D'Annunzio Bros. Inc. of Scotch Plains, \$54,870; Debari Corp. of Belleville, \$51,749; Ragayl Contracting Co. of South Orange, \$43,744.90; Kenneth Brennan of Summit, \$49,383.10; Caruso Bros. of Elizabeth, \$48,297.60.

## Primary Here Is Best Kept Secret Of '61

Springfield's participation in next Tuesday's primary election is one of the best kept secrets of the year. Especially since there are contests on the local level for both the Republicans and Democrats.

The regular GOP organization has endorsed Arthur M. Falkin and Robert Hardgrove to run for the two places on the Township governing body against Democratic nominees in November. But Howard S. Smith, president of the Springfield Board of Education, also wants to be one of the candidates.

"Up to this moment there has been very little campaigning by any of the candidates.

"On the Democratic side, the two endorsed candidates for the two Township Committee spots will have no opposition in Tuesday's primary. They are Richard M. Sullivan and Peter Finerney, who are saving all their political fire for the general election.

Mrs. Tesis Jones, present Collector of Taxes, has been endorsed by the Springfield Democrats for election to that office in November.

## Moore Urges Citizens Cast Primary Vote

Richard "Dick" Moore, the Regular Democrat candidate for the office of Tax Collector, urged the citizens of Springfield to cast their vote in next Tuesday's Primary Election.

Based on past Primary Elections, it would seem that too many people leave the choice of candidates to a small minority of the registered voters. Since this is a gubernatorial year and there are 7 candidates seeking nomination from the two major parties, careful selection and a stronger show at the polls would have its effect even in Trenton.

"An Independent voter may cast his ballot for candidates of his choice from either of the two parties by signing a declaration at the Polls, designating the political party in whose Primary he desires to vote. Once he has established himself as a member of a given party by voting in its primary, he may not vote in the Primary of any other party until he has refrained from voting in two primaries. Nothing in the foregoing affects the secrecy of the ballot in the Primary nor his choice of any candidate at the General Election."

"I, therefore, urge all voters to exercise the privilege afforded by the Election Laws and vote for the candidates that they would like to see on November's ballot," ended Mr. Moore.

## BB Plans Conclave

Mrs. Leo Rivkind, president of the B'nai B'rith women of Springfield Chapter, today announced that the 26th annual convention of B'rith women, district 3, will be held April 15-18 at the Shelbourne Hotel, Atlantic City. The conclave will bring together representatives of almost 150 BBW chapters, located throughout Pennsylvania, New Jersey, West Virginia and Delaware.

Delegates from Springfield chapter will be Mrs. Leo Rivkind, present president, and Mrs. Bernard Chodas, past president and councilor.

## Collection of Delinquent Taxes Surpass '61 Total

Springfield Tax Collector Tesis Jones has been setting records since the first of the year with all current collections greater than previous years and especially in the matter of delinquent taxes.

The report for February shows that Tax Collector Jones has brought in a total of \$24,766 in delinquent taxes for the months of January and February as compared with only \$15,958 for the same period last year.

For February Tax Collector Jones reported a total of \$13,501 against only \$8,921 for the same month in 1960.

Tax Collector Jones is the Democratic candidate for election to that office in November and is on the Democratic ballot in the primaries next Tuesday. She was named Tax Collector by the present administration and, since she took over the office, collection of taxes in Springfield has improved monthly. Modern business methods and the latest bookkeeping equipment has aided Mrs. Jones in improving 1960 and 1961 since 1957.

The efficiency of the tax collection office.

The February report by Mrs. Jones shows a total in tax collections for the month of January and February totaling \$755,886 as compared with \$688,344 for the same two months in 1960. The month of February produced a total of \$380,540 in collections against \$323,263 which is a gain of \$57,277.

Tax Collector Jones is making a special drive to bring in some of the delinquent taxes and, at the same time, keep ahead of the regular 1961 receipts. The month of February produced \$235.84 which was due since 1954. There were also delinquent taxes collected in the amount of \$352 due since 1940, \$243 since 1937 and \$749 since 1937.

 Interstate Route 78, part of the 41,000 mile national defense highway system, eventually will extend from the Highland Tunnel across the State to Phillipsburg

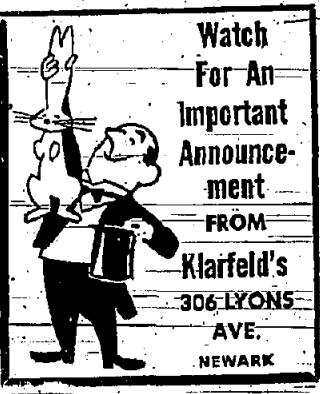

on the Delaware River opposite Easton, Penn.  
 The Highway Department's plans show the freeway's total length will be 45.2 miles and its total cost is estimated at more than \$306 million. The Federal Government will pay ninety per cent of the freeway's cost and the State ten per cent.  
 Three New Jersey sections of Route 78 are now open to traffic. Two built by the State Highway Department consist of a 2.7 mile, \$4.5 million section from Bloomsbury to Still Valley, in Hunterdon and Warren Counties, completed in October, 1958; another 2.8 mile, \$3.5 million section near Clinton, Hunterdon County, was completed in September, 1958.  
 The construction projects in the Bloomsbury area, and a demolition project in Springfield Township, Union County are now \$2.7 million.

## Husband-Wife Art Shown at Library

An exhibition of paintings by Melvin and Jacqueline Kapholz can be seen at the Springfield Public Library in the basement reading room. This exhibit is sponsored by the Springfield Woman's Club and will feature Mr. and Mrs. Kapholz' work through the month of April.

The paintings displayed were done by Melvin and Jacqueline Kapholz during their 1959-60 stay in Mexico. At that time they decided to pull up stakes from Springfield and to live for a year "somewhere in Mexico" where they could devote full time to their art. They rented their house at 113 South Maple Avenue and with their two small youngsters headed south by car. The place they chose to live was San Miguel de Allende, which Jacqueline describes as a "colorful town full of pastel painted houses and beautiful, fascinating people. It was a land of fiestas and gaiety - colorful camouflage for the poverty of the area. In the paintings exhibited the happy and lively scenery is depicted in Mrs. Kapholz's watercolors, while Mr. Kapholz's discerning portraits reflect the more solemn side of some of the people.

 Bonadies reported that Attorney Weinberg had a serious illness and would be absent for an unknown period of time. A temporary township attorney would be needed until Mr. Weinberg's return. Committeeman Howard A. Plummer said that several ordinances were coming up requiring the need for someone skilled in municipal law. His recommendation is subject to negotiation.

### NO PERSONAL-TAX

Authorization was given to the township attorney to prepare an ordinance for the elimination of personal property tax, action being taken by most communities and recommended by the secretary of the Board of Tax Assessors.

Committeeman Lucy said that he had some reservation in the matter but would vote with the majority. It is the action being taken by most communities, he said, and is a problem of "collection with no legal backing." Chairman Bonadies said that the new law places a burden on both industry and the community and leaves no alternative but its elimination.

Request of Fire Chief Ormond W. Mesker for three fire hydrants at the southeast corner of Fadam Road and Route 22, the southeast corner of Fadam Road and Diamond Road and the Triangle at Hillsdale Avenue and Tudor Court was granted.

On recommendation of the Planning Board, approval was given Garen Inc. to subdivide in Surrey Lane off Evergreen Ave.

He pointed out that he had learned much about law enforcement during that period, observing that he is a World War II veteran, Commissioner of the State Police, and a member of the board of education and through his contact with state institutions. Simmons said he is conversant with the problems of state aid to schools. He said he has visited every section of the county during the

**Daly Pledges Improved Streets, Hi-ways, Commuter Transportation**

It is my hope that I will express the sentiments of the entire labor movement in Union County, as well as the rest of New Jersey, in wishing you a victory on April 18 which you so richly deserve. This is the first time in the history of Union County that a Republican candidate for a freeholder nomination, at the April 18 primary, from Lewis M. Herrmann, special representative of the International Typographical Union, and editor of the New Jersey Labor

improved commuter transportation, an increased program of technical training for industry through joint cooperation of Union County industries, an improved attitude toward labor, and a limited county-area-wide government to handle countywide problems.

Miss Parker said Mr. Herrmann believes "This is a real opportunity for members of the county to put into office a man who speaks their language, and who has dedicated most his life to the service of his fellows." Mr. Daly's election, Herrmann believes would assure "people of Union County of efficient and unselfish service for their general welfare."

# Case, Dwyer, Benninger Help Insure Victory For Mitchell in GOP Primary

The Case-Dwyer-Benninger task-force has performed so many political miracles in behalf of James P. Mitchell in this county that political observers are now convinced that the former Secretary of Labor in President Eisenhower's cabinet will be the winner in the Republican gubernatorial scramble next Tuesday with his own home county of Union giving him the whopping plurality he needs.

Senator Clifford P. Case, Congresswoman Florence P. Dwyer and former Director of the Union County Board of Freeholders Albert J. Benninger have teamed up to bring out as many voters as possible for Secretary Mitchell in this area of Union County and all indications point to unusual support.

Benninger has been unusually energetic in urging voters to support Mitchell next Tuesday, preparing and supervising telephone squads, flooding the area with letters, inviting business and professional men to meet Secretary Mitchell personally and topping it off with a jam-packed luncheon at the Mountside Inn last Tuesday where more than 400 were Benninger's guests.

Not content with bringing out that large crowd at the Mountside Inn last week, Mr. and Mrs. Benninger have invited several hundred to attend a reception and tea at the Chateau, Route 22, Mountside, Sunday afternoon, April 16, from 2 to 4 to personally meet the former United States Secretary James P. Mitchell and his family. Mrs. Mitchell, and Secretary Mitchell's mother, Thomas Mitchell, the actor, motion picture and television star, will also be on hand Sunday to help his nephew in the race for the Republican nomination for Governor.

Benninger, who says he is that kind of a Republican sees Mr. Mitchell "as one of the most qualified candidates the Republican party has ever had and Union

County especially should give him an overwhelming vote next Tuesday.

Mitchell is the man who can win next November and his being on the ballot in the general election should carry every Republican candidate to victory against their Democratic opponents. Everyone will concede that with Union County's own Jim Mitchell on the ticket in November-Union County Republican candidates should sweep every office.

"Those who cannot find any weakness in Mr. Mitchell's long list of capabilities, his character and fitness for the office" as New Jersey's Governor, point to the fact that every Governor of New Jersey over the last fifty years has had legislative experience. Which forces me to mention New York's Governor Rockefeller.

high office for the Republicans. Benninger and his team expect to continue in Mr. Mitchell's behalf right up to primary next Tuesday. "Union County," said Benninger, "must give Mitchell overwhelming support so that he can pass that first obstacle of primary. Union County, with Mitchell for Governor, could attract a great many independent voters in November and win the state's

**FOR THE FIRST TIME... YOU CANNOT LOSE**

**Kills crabgrass as it sprouts**

The seed from last year's crabgrass is in your lawn—just waiting for warm weather to sprout. In half an hour this weekend you can make sure it will never come up. Just fill the accurate Scott's Spreader with HALTS®, set the dial, and take a walk. HALTS creates an invisible barrier over the entire lawn, lies in wait, then strikes when crabgrass sprouts. HALTS doesn't harm good grass—in fact, HALTS is so compatible with grass you can actually seed the same day!

Mitchell will keep taxes down
Jim Mitchell plans to increase state revenues by bringing in new industry and expanding present plants. He will cut expenses by business-like methods in Trenton and will lead a complete revision of the tax structure. This program would make a state sales or income tax unnecessary in the foreseeable future. To hold taxes down, pick a big man for a big job. In the Republican primary, April 18 - Vote James P. **Your Library**

This year National Library Week is being observed between April 16 and April 22. It is a week set apart to carry information to the public about the many services the libraries of this country can perform for them and to honor librarians and libraries.

The Springfield Free Public Library is anxious and happy to have a part in this celebration. However, National Library Week trends so closely on the heels of the exhibit about atoms, entitled "Survival for Sixties" that it was decided to continue that exhibit. One of the many services that libraries can offer citizens is information about atoms, and how to protect themselves from fallout.

Mrs. Milton A. Zisman has presented the Library with a number of pamphlets about fallout to give away. Mrs. Zisman, in addition, is writing about the purpose of the exhibit, "Survival for Sixties," in another article to be published in the Springfield Sun. Mrs. Leo W. Johnson has made a striking poster for the background and the Library has arranged to exhibit its own books.

Governor Meyner has prepared a proclamation to call attention of all the citizens in the State to National Library Week. Local-ly, the Springfield Sun has very kindly made their window available for an exhibit of library books, to show the citizens of Springfield some of the many types of information available in their own Library.

**PAL Ball Tryouts Sat.**

Berkeley Heights PAL baseball tryouts will be held on Saturday, April 15th. Major league tryouts for 5th and 6th grades will be held at 9:00 A.M. Minor league tryouts for 4th grade, and those boys who are not placed on teams in the morning, from the 5th grade, will be held at 2:00 P.M. on the same day.

A special invitation is extended to fathers so that they may meet PAL members and become part of PAL. John D. Phillips, Publicity Director, states, "The work is not hard if it is shared. We'll be happy to see you."

**Y GOP To Hear Primary Winners**

The April Board meeting of the Young Republicans of Springfield was held on the 10th at the home of Frances Jahn, delegate. Others attending were Hank Wright, Bob Jamison, Ginn Gregory, Jack Lambui, Rich Bishop and Vincent Altavie.

The group decided to hold their regular membership meeting on Friday, April 28th, starting at 8 P.M. at the home of Ginn Gregory, 479 Mountain Ave. Successful candidates will be invited to tell the group how they did it. Plans were also made for the May meeting with a non-political guest speaker at another home in Springfield. Also on the agenda are a Cookout Meeting in June at Jackie Binders and a cake sale.

In the nature of important business transactions, the Board voted to endorse, work for and vote for members contesting for County Committee posts in the April 18th Primary as follows: District 9 - Virginia Gregory, 479 Mountain Ave., DR 6-3227; District 12 - Bob Jamison, 702 Mountain Ave., DR 6-0849; District 4 - Henry S. (Hank) Wright, 53 Cofax Road, DR 9-2582.

**Pick Barrett Dumont Aide**

At a meeting of the county chairman of the Dumont for Governor Club, held at the Boyle Hill Inn in Madison, James Frederick Barrett of Cypress Terrace, Springfield, was named by Senator Wayne Dumont Jr. to head up his campaign forces in Springfield.

The Dumont bandwagon has been increasing in size steadily throughout the state the candidate said, and definite gains are being tabulated especially in Union County. "There is a tidal wave forming at the grass roots level, and we expect to see the result on April 18th."

Additional members of the committee in Springfield include: Jack C. Lambui, 50 Warner Avenue; and Robert Jamison, 772 Mountain Avenue, both of Springfield.

People wishing to help are asked to contact Jim Barrett at DRexel 6-2988.

# A SHIRT TALE WITH A HAPPY ENDING

Once upon a time there was a middle aged shirt that started turning grey. Alas, there was a lot of life left in this shirt, but it was retired to the rear of the shirt drawer, only to be used around the house.

One day its owner heard about Pan American's "Personalized" shirt laundering. Being a sceptic he thought he would send up his greying shirt. After all hadn't his wife given up on it!

So the grey shirt ended up at Pan American. As it was laundered in our special equipment, under controlled temperature, it could feel the fibers massaged free of its traces of age and returning to its original whiteness. Under the hands of our expert pressers it regained complete social security.

No longer does it miss the excitement of the business world, or the pleasure of attending church on Sundays... and looks forward to continued service. The moral of the story: If you enjoy your clothes and want to extend their life span... send them to Pan American!

JFK's Peace Corps Idea Not New to Wooster Collegian

Ghana - Country of Contrasts

A college student already one jump ahead of President John F. Kennedy's Peace Corps is Miss Donna Sweeney of 182 Meisel Avenue, Springfield. Home on vacation from College of Wooster, O., the 21-year old senior on April 5 told of her recent experiences in Africa at the Ladies Benevolent Society meeting in the parish house of First Presbyterian Church.

Giving the Ghanans the highest praise, Miss Sweeney emphasized their "complete racial equality" and commented on their warmth and hospitality. "They told us that we were free to go into any house without knocking and that is a real sign of friendship," she said.

This experience has increased her interest in history, her college major, and she is planning on returning to Ghana this September to study "history of West Africa" at the University College there, where she has been accepted.

DONNA SWEENEY

Miss Sweeney explained that they received a one-week orientation course at Union Theological Seminary, New York, learning about both Africa and the United States. They were instructed on answering questions on American education and American churches and segregation and American labor problems.

Ghana, a country of contrasts, contains some of the most modern and most primitive conditions, Miss Sweeney said. Their first stop, Accra, the capital with some 300,000 people, has department stores with escalators and air conditioning.

The first work camp was at a seacoast village where they worked with 25 Ghananian students in the erection of a schoolhouse. The day began at 6 A.M. and included a morning work program, an afternoon discussion period when they shared ideas about religion, politics and social customs and a social period in the early evening.
