Break Ground For New Temple House

12 Families Started Temple In 1957

Groundbreaking ceremonies were held last Sunday in Springfield for the new Temple Shalom which will be located on property owned by the Temple at the corner of South Springfield Avenue and Shunpike Road.

The 11,000 square foot structure of masonry will contain six classrooms, a sanctuary and a forum with a capacity of 400 persons, a chapel and library, an office plus kitchen facilities. The building is readily expandable to 21,000 square feet to accommodate anticipated growth.

The ceremonies took place at the Florence M. Gaudin School with Lewis Gash welcoming the visitors. Philip Ames, first vice president of the Temple, made the introductions and Reverend Bruce W. Evans of the Springfield Presbyterian Church delivered the invocation.

The choir consists of Mrs. Alvin Jay, director; Robert Silverman, assistant director; Mrs. Walter Cantor, Mr. Gash, Mrs. Roger Golden, Mrs. Sid Greenwald, Mrs. Jesse Halprin, Mrs. Gordon Haym, Alvin Jay, Sam Monastessky, Edwin Reichman, Mrs. E. Reichman, Mrs. Selwyn Schechter, Mrs. Ben Scopolin and Mrs. Robert Silverman. Accompanist is Joseph Horowitz.

Temple Shalom was formed in the spring of 1957 by twelve local Jewish families desirous of expressing their Judaism in the liberal reform manner. By the fall of 1957, 75 member families were meeting for religious services in the Parish House of the First Presbyterian Church of Springfield, N.J., and a full curricula of religious studies was provided to the children.

Presently, the congregation, under the leadership of Rabbi Israel S. Dresner, provides spiritual organization for 184 families from Springfield and surrounding communities. The religious school has 225 young people in Sunday School and 80 in weekly Hebrew classes. A full program of adult education and youth activities is in existence.

EDWARD RUBY

The Springfield Chapter, Unico National, will hold its Fifth Annual "I am American Day" dinner and dance on Saturday, May 6 at the Hotel Suburban, Summit.

The committee has chosen Ed Ruby as citizen of the year. Many of Mr. Ruby's friends and neighbors will be on hand to join the Unico to honor Mr. Ruby.

He is director of the Springfield Recreation Commission. Cocktail hour will start at 6 p.m.; dinner will be served at 7 p.m. Jerry Mulloy will be toastmaster. Springfield's Mayor Vincent J. Bonadies will be guest speaker.

Tickets may be obtained by contacting Fred Purro at DR 6-4712 or any member of the committee. The committee hopes that as many as possible will attend to honor Ed Ruby.

The Springfield Board of Adjustment denied an application submitted by Frank Di Biase and Robert Kennedy for the erection of garden apartments last Thursday night. Primarily for the aged, the proposed site was the Jacobsen tract, Mountain Avenue 200 feet northeast of Shunpike Road.

Di Biase and Kennedy asked for a special exception use for the proposed garden apartments. The land is zoned residential and the applicants wished to build multiple dwellings. This variance did not involve the placing of rooms or lot areas; only the use of the land.

The application was denied because it did not include the needed facts to clarify the potential problems if the use was granted. The applicants did not engage a professional man to study the effect on adjacent lands as to depreciation. They also had not done research as to whom they would rent the impact of traffic due to the 2-story, 84-unit apartments could not be shown either.

It was brought out at the meeting that the occupants would be semi-retired, widows, widowers, etc. but it was also stated young couples with no children or one child might also rent the 2-or-3-room apartments.

Two questions were raised: will these apartments be regular garden apartments available to all ages? Will they be geared for the elderly? The conclusion was the apartments were tailored for the latter.

Since the application was rejected, the case cannot progress further to either the Planning Board or the Township Committee. If the applicants properly reprepare their case, it can be re-presented to the Board of Adjustment.

A petition from 143 Warwick Circle residents voicing their opposition to the application was presented. No one was present at the meeting speaking for the acceptance of the application.

The Board will make a decision on James M. Coote's application for a special use variance in order to sell automobile accessories plus the installation of such articles at land located on Morris and Essex Turnpike, adjacent to the Price Tag. No decision will be made until the Adjustment Board receive a report from the Planning Board.

When the Board of Adjustment makes their recommendation it will be sent to the Township Committee for their approval or denial.

Mr. Coote resides at 651 Morris and Essex Turnpike. Alan Levins 68 Ruby Street, received a variance from strict regulation of the zoning ordinance to erect a split level home at 53 Merkes Street. The land is approximately 7500 square feet and will comply with the residential zoning. The builder cited the home is already sold; therefore is not being built on speculation.

Henry F. Barabz, radarman seaman, USN, son of Mr. and Mrs. H. F. Barabz of 231 B. Tuscol Ave., Springfield, is serving aboard the ocean non-magnetic minesweeper USS Atreya operating with the Sixth Fleet in the Mediterranean.

The Atreya was participated in minesweeping exercises with the French, Italian British and Greek navies, and conducted several amphibious operations.

The Springfield First Aid Squad, as a community service, will use the pages of the SUN to bring to the attention of residents precautions for a safer summer. Their column, written by Barbara and Bill, will appear every other week.

Ed Ruby Honored By Unico 3rd PO Bids To Be Opened May 8 in D.C.

Will Expand Facilities 3 Times

Bids will be opened in Washington May 8 for the new post office building in Springfield. This will be the third time the government has asked for bids. The first bids were too high and the second bidder though within the price range, had done unsatisfactory work in the Midwest.

The new building will be erected on government-owned property in Mountain Avenue south of the Railway Valley Railroad. For the first time all postal operations will be consolidated under one roof. The new building will replace the structure now being used in Morris Avenue and will expand present facilities by at least three times. The Post Office also rents space in the VFW building in Morris Avenue at the rear of the main building for a parcel post substation.

The Post Office department stated that a building with 8,000 square feet of floor space will be leased from a contractor for 20 years with renewal option totaling 30 years. The one-floor building will be of a colonial nature.

The basic plans were prepared by an engineer in the Post Office department. Certain specifications must be followed by the winning contractor, he said, though add to the design.

According to Postmaster A. V. Del Vecchio, the government will ask for an extension of its lease at its present location to cover the time between now and the date the new facility will be ready for occupancy. After the bids are opened and accepted, it will be one month to six weeks before construction starts. Del Vecchio said that if prior bids had

Progress toward the construction of the new and modern post office in Springfield was announced today by Postmaster General J. Edward Day to local post office officials in an air mail letter. "President John F. Kennedy has called for an accelerated construction program of 2000 new post offices to be built this year as spur to economy," the Postmaster said. "The post office that will be constructed here will not only benefit the community by way of more efficient postal service but will help to implement the President's program."

The building area is to be situated on the west side of Mountain Avenue, 275 feet from Henshaw Avenue, and will be about 8,000 square feet plus adequate platform and paved parking and maneuvering areas.

Under the Department's Commercial Leasing Program, the site will be assigned to the successful bidder, who will purchase the land, construct the building according to departmental specifications and rent it to the Post Office Department for a basic period of 20 years with 5 options to renew the lease and granting the Government irrevocable options to purchase.

The Department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership with the owner paying local real estate taxes.

Bids should be submitted to Anthony A. Vertesini, Regional Real Estate Officer, Post Office Box 838, Federal Building and Courthouse, Newark 1, New Jersey.

been satisfactory the department might have moved into the new building last Christmas.

Although the present post office building is in the general path of proposed Route 78, this did not influence the decision to relocate, Del Vecchio stated. "On the basis of the primary we feel confident that our message to Springfield will be heard," township committee candidates agreed.

Irwin Weisberg, Springfield Democratic chairman observed, "Dick Sullivan and Pete Finnerty, a warm and enthusiastic response from the community. Each of the Democratic volunteers have relayed favorable comments about our candidates from Springfield voters of both parties."

Attention was focused also on the Democratic Club which is planning a series of social events, including films game evenings and the annual picnic.

The Ladies Auxiliary of the Springfield First Aid Squad will hold a card party at the Squad House on May 15 at 8 p.m.

Retirement will be served. For ticket information, contact Mrs. Lee Street, DR. 9-6225, or Ginger Seal, DR. 6-1877.

Springfield's Democratic party has buckled down to work again. Confidence and unity were the keynote of a genial and humorous gathering in Mayor Vincent Bonadies' home at the annual party re-organization.

Peter Finnerty & Richard Sullivan thanked their supporters for a record primary turnout. "On the basis of the primary we feel confident that our message to Springfield will be heard," township committee candidates agreed.

Assessor Layng Has PPTI Forms

Secretary of the Board of Tax Assessors Wilbert Layng of Springfield reports that he now has an ample supply of the return forms, PPTI, for reporting tangible personal property used in business and who owned business personal property during any part of the twelve month period ending January 1, 1961.

Layng added that his objective is to reach every taxpayer required to file under the law, but that failure to receive a return form does not relieve the taxpayer from the duty to file. Any taxpayer who does not have return forms should secure them from the assessor's office.

The law also specifies a penalty of \$2 per day for late filing plus additional penalties for returns filed more than 3 months after the due date or for filing willfully false or fraudulent returns. However, no penalties or interest charges for late filing will be imposed with respect to any return filed in the assessor's office on or before June 15, 1961.

3rd Hobby Show Sponsored By Beth Ahm Sisterhood

Third annual Hobby Exhibition sponsored by Sisterhood, Temple Beth Ahm, Springfield will be held Sunday, May 7 from 12 noon to 6 p.m. at 60 Baltusrol Way. The admission fee is 50 cents and the exhibit is open to the public. Children will be admitted free.

During the short days and long hours, the participants in the exhibit have been busy at their many different hobbies. New this Spring has come and one's attention is devoted more and more to outside activities, the Temple's amateur artists have placed the finishing touches on their paintings, sculptures, woodwork, models, needlework, for the critical perusal of the public.

In past years, many interesting objects have been exhibited and this year's exhibition will present the ultimate in artistic development of our local artists whose range is from the classic to the abstract. The displays will include such diverse items as paintings and lovely flower arrangements by Mrs. Allen Borsky, and the most beautiful paintings by Rabbi Reuben R. Levine and Mr. Howard Apter.

While feasting their eyes on these treasures, spectators will have the opportunity of purchasing delicious homemade cakes which will be on sale all during exhibition hours.

Co-chairing this event are Mrs. Howard Apter, Mrs. Lee Lichter, and Mrs. Arthur Miniman.

Remember, Sunday May 7th is the public's opportunity to share in the fruits-of-the long winter's sun of his Springfield neighbors.

Boundary Changes To Excite Residents

Plainsmen Up To Eyes In Water

Two topics of apparent interest to the public were discussed at the meeting of the Scotch Plains Township Committee Tuesday night, May 2nd, at the Municipal Building.

The first of the topics was an inquiry by two Fanwood Avenue residents concerning the proposed boundary change between Fanwood and Scotch Plains and the second was a plea from the Williams Street drainage for proper storm drainage.

A fellow representative, Mr. John Fado, observed that the water across to the south side of route 22 seemed inadequate.

The Township Committee of Scotch Plains and the Borough Council of Fanwood are in the midst of discussion concerning the possible change of boundaries between the two municipalities. Existing in the present system are many private lots cut in half by the boundary. Some houses are even half in Scotch Plains, half in Fanwood.

The combined Committee and Council are trying to straighten out such a fix for real estate, tax, and convenience purposes. They have planned to change the boundaries from the existing backyard lotions to the center of the street. This plan, however, will necessitate changes in residency for some people from Scotch Plains to Fanwood, and vice versa.

Here is where the problem stands. As Mr. D. Mauro, of Fanwood Avenue, near Hillfield Avenue, and his neighbor proclaimed, sentiment may cause grievances. Although the switch seems minute to an outsider, residents in question may have a lot to say about such a move.

Mayor Oran Davies, cites, however, that the actual move of boundaries is a long way off. Both municipalities must agree, the State Legislature must approve, and Ordinances will have to be passed.

Additional mention was made by the same group of an area near-by, where Irish has been dumped. This "Irish" has inspired Mayor Oran Davies to publicly ask for citizen cooperation in eliminating such slovenliness. The Mayor asked that anyone seeing trash dropped from a vehicle take note of the license plate number and report it to the Police. Steps will be taken to apprehend and punish such a "litter bug."

An Ordinance providing for an \$800.00 exemption for certain citizens over 65 years of age for the year 1961, and an Ordinance creating the Township of Scotch Plains Redevelopment Agency will be two of the topics discussed at the public hearing, 8:30 p.m. at the Municipal Building of Scotch Plains, those interested should attend.

Bids were received pertaining to a car for the use of the Township Engineer's Office. Midtown Motors offered a 1961 Rambler at a net bid of \$1436.30. E.O.B. Motors gave a price of \$1544.65 net for a 1961 Corvair Coupe.

The Annual Ladies' Night Dinner of the Men's Club of the Presbyterian Church will be held at the Parish House on Saturday, May 13 at 7 p.m. A sparkling evening has been planned with Victor Paul, President of Wisconsin, speaking on "Fascinating Facts about Gems."

The dinner will be prepared and served by the men themselves. A report of the Nominating Committee for the election of new officers for the coming year will be received by Mr. Harold Jones, President.

Montclair Rabbi Schedules Talk

Dr. Joshua Schmitzer, Rabbi of Temple Shomrei Emunah, Montclair, will deliver the fifth lecture of this season's series on "Judaism, Philosophy and Practice" at the Jewish Community Center, 67, Kent Place Boulevard Summit, on Monday, May 8, at 8 p.m.

The series of lectures will be held at the Jewish Marriage and Family Life Center, 67, Kent Place Boulevard Summit, on Monday, May 8, at 8 p.m.

Dr. Schmitzer received his secular education at the University of Delaware and at Columbia University. He was ordained a rabbi by the Jewish Institute of Religion in 1944. Dr. Schmitzer was president of the Essex County Board of Rabbis until recently, has had an active career as army chaplain, rabbi, author and counselor in human relations, particularly in the field of marriage and family life.

At Temple Shomrei Emunah, of which he has been the spiritual leader since 1951, Dr. Schmitzer has established a human relations center and counseling program.

The lecture, which is open to the public, will be followed by a question and answer period and by a social hour. Hostesses for the evening are Mrs. Albert D. Kane of Short Hills and Mrs. Sol Reichler of Summit.

Raymond Murray Receives Award

Mr. Raymond Murray, President of the Board of Trustees of the Berkeley Heights Free Public Library since 1953, was awarded the Trustee Award of the Year at the 70th Conference of the New Jersey Library Association in Atlantic City on Saturday, April 29th. The presentation was made at the annual banquet in Hotel Dennis before a gathering of more than 400 librarians, guests and trustees.

For more than fourteen years Mr. Murray has dedicated his talents and enthusiasm to the establishment and growth of library service in his community. From 1949, when Berkeley Heights was looking for a suitable memorial honoring its service men and women of the Second World War, Mr. Murray has bent every effort toward building and equipping a public library to meet the community's needs. Thanks to his perseverance this library was incorporated and opened to the public in September 1953, and he became president of its board.

Under his leadership the library's budget allotment and the number of books in the library's collection increased five-fold. The library was among the first in the State to meet the minimum salary standard for professional employees.

Mr. Murray's philosophy of community service has been reflected in the generous provisions offered to meet the needs of the rapidly growing town — excellent school library facilities, and effective library materials to meet the requirements of a widely diverse group of readers.

Mr. Murray, who is a staunch believer in the professional approach to problems, brings to his library activities the benefit of active membership in the American Library Association and the Library Trustees Association of New Jersey.

His foresight, guidance and enthusiasm have played an important part in the growth and recognition of the Berkeley Heights Library which in turn reflects the concerted action of the library board under Mr. Murray's guidance.

Mr. Murray is a member of the Board of Directors of the Canoe-Brook Country Club, a trustee of the Overlook Hospital, and an active member of the Central Avenue Presbyterian Church in Summit.

The event climaxed three days of convention activities and programs and paid honor to 24 outstanding figures in New Jersey librarianship. Two members of the local board and their wives, Mr. and Mrs. Halsey Douglas and Mr. and Mrs. Arthur Maner, were present at the ceremony. Also attending were Mrs. Frances Wrathall, Library Director, Mrs. William Budell, Assistant Director, Mr. and Mrs.

Ray Estoppel and Mrs. Joseph Baranowski, Mrs. Budell, a member of the conference committee, is Hospitality Chairman of the New Jersey Library Association.

GIRL SCOUT NEWS

The first Brownie Mother and Daughter Tea was held at St. Bartholomew's on Sunday, April 30th from 3:30 p.m. to 5:00 p.m.

Chairman of this affair is Mrs. Warren Porter. The hospitality is under the direction of Mrs. Daniel Harkins, Mrs. Wm. Brauer, and Mrs. Peter Pelly. Decorations are being taken care of by Mrs. Joseph Dentizio, and Mrs. Joseph Pety is in charge of the entertainment.

There were to be approximately 200 guests, including the brownies, their mothers, and scout officials.

Eight Sr. Girl Scouts from Troop No. 520, under the leadership of Mrs. Harold W. Debbie and Mrs. Louis DeCullo helped with the serving.

Troop No. 844 under the leadership of Mrs. Walter Kern and Mrs. Louis Malinowski have elected new officers: pres., Patricia Dosh; vice-pres., Elaine Rosario, Sec.; Suzanne Kitt, and Treas., Regina Perpall.

Mrs. John Smith of Fanwood has been named the new Brownie troop organizer for St. Bartholomew's neighborhood.

Rescue Squad Gives Apology

The members of the Scotch Plains Rescue Squad Inc. wish to explain to friends, patrons who were inconvenienced by the force change in the location of their Annual Spring Dance from The Italian American Club, Scotch Plains to The Knights of Columbus Hall, Scotch Plains.

This change of location was caused by the failure of the Chairman of the House Committee, Italian American Club of Scotch Plains to honor a reservation that was made in April of 1960.

As has been our practice for a number of years, immediately after our Spring Dance of 1960 a verbal reservation was made with the House Chairman of The Italian American Club for our 1961 dance of April 15th. Prior to mailing out announcements of this dance to all homes in Scotch Plains, this date was confirmed with the House Chairman of The Italian American Club. With this confirmation of date, primarily was released giving date and place of dance.

On April 6, 1961, eight days before our dance the House Chairman of The Italian American Club advised the Rescue Squad that the use of the Club for their Dance was denied in favor of an

out of town wedding reception. The Scotch Plains Rescue Squad feels that the decision made by the representative of The Italian American Club was prejudicial to the people of Scotch Plains and members of the Rescue Squad.

Noticed a change in the weather? Well, it's time to start thinking about moth-proofing and storing your winter clothes for the summer.

You could gamble by placing an odoriferous agent in your closet and hope that it's as offensive to the moths as it is to you. But that means you would also lose the use of that needed closet space.

So why take chances or inconvenience yourself when you can put them in our Free Box Storage? We'll clean your clothes and moth-proof them, then place them into your box for storage. Let us know when you need your clothes and they'll be freshly pressed and waiting for you. Insurance is available at 2% of valuation.

Colored slides of the school children in action throughout this year will be shown to the Panwood-La Grande School P. T. A. on Tuesday, May 2 at 8:30 in the school auditorium. Edward Warner, principal, will be the commentator.

Mrs. Williams, chairman of the nominating committee, will present the following proposed slate of officers: for president, Mrs. Earl Phillips, honorary vice-president, Edward Warner, first vice-president, Mrs. Carl Gracely, second vice-president, Mrs. H. L. Crane, recording secretary, Mrs. Benjamin Baddock, corresponding secretary, Mrs. Paul Jones, and for treasurer, George Greim. Mrs. John Watson, president, will receive nominations from the floor and conduct the election. Mrs. Edwin Peterson, P. T. A. community advisor, will install the newly elected officers.

The association will be asked to approve a resolution concerning the expenditure of \$500 previously budgeted for the annual project. George Greim, chairman of the project committee, will propose the expenditure as follows: \$45 per class for the purchase of educational materials such as games, books, and records; \$70 for the remedial reading center; the balance for a record player and records for the school auditorium.

A resolution will be proposed to request the state legislators to approve assembly bill number 136 which increases the amount of financial aid to each school district.

Mrs. William Pogue will be chairman of the hostess committee for the meeting.

Faculty members of the Scotch Plains Junior School, with husbands and wives, were entertained at a covered-dish supper by members of the Parent-Teacher Association April 23 in the cafeteria of the school. Guests were greeted by Mrs. Walther H. Ott, president. Lady guests were presented with a corsage.

Gertrude Beatty, monologues of Westfield, presented "Spring Fever" to the delight of the audience.

Stuart Truitt was master of ceremonies and Walther H. Ott gave the invocation.

Senior Girl Scout Troop 531 under the leadership of Mrs. Russell Coriell assisted in the serving of the supper.

In charge of arrangements were Mrs. Stuart Truitt and Mrs. Mr. Douglas Beals.

Group singing was led by Franklin Spooner with Miss Ruth Sweetland at the piano.

Additional guests included Dr. Paul W. Rossey, superintendent of school, and Mrs. Rossey. Also present were husbands and wives of executive committee members.

Summer roundup plans have been completed by the chairman, Mrs. William G. Williams of the Evergreen-Alexander Muir Schools P.T.A. of Scotch Plains. Kindergarten registration will take place at Evergreen School May 3 from 1-3 p.m. Physical and dental examinations will be given at that time by Dr. Edgar Santoro, Dr. William Simmonds, Dr. Theodore Cowell, and Dr. S. R. Santoro. Parents are required to present birth certificates, and records of vaccination for smallpox and immunization for diphtheria, tetanus, whooping cough and polio at the time of registration. Birth records must be immunized before entering school. To be eligible for kindergarten next September, a child must have been born between Dec. 1, 1955 and Nov. 30, 1956. Parents may obtain a medical form from the school office, if they wish to have their child examined by their personal physician dentist. These children may then be registered at the roundup May 3 from 1-3 p.m., May 4 and 5 from 9 a.m. to 3 p.m. in the Evergreen School office. Mrs. David Hunt is co-

Curious Nite At Mill

Something very different is being offered by the Paper Mill Playhouse Sunday evening, May 7. Miss Gypsy Rose Lee, author, entertainer, extrovert and erstwhile stripper, will appear in what she calls "a curious evening."

The curiosity of the evening comes from its two facets. One Miss Lee has kept a filmed record of her career, a most unusual documentary, and two, she will comment on the film as it runs.

After her Sunday May 7 appearance at the Paper Mill Playhouse, she will take her show to a New York Theatre.

Mrs. Leslie Wood presided at the business meeting. She reported a profit of \$250 from the Book Fair held at Evergreen School April 15 was also successful in March. The movie program presented at the Junior School showing a profit of \$100. Mrs. Wood also reported on the Governor's Traffic Safety Conference which she attended April 20 in Trenton. Mrs. Wood reported that the state P.T.A. Conference was held in Trenton April 20-21. Parents were reminded of the Summer Roundup at Evergreen School May 3 from 1-3 p.m. Dental and physical examinations were to be given at that time.

The "Ever-Muir Orbit" has been chosen as the name for the annual school fair to be held May 13 from 11-4. Alex Molten, chairman, masked for volunteers, especially fathers, to help with final preparations for the affair. Mrs. Lincoln Cole, safety chairman, made available for signature a petition, to the Township Committee seeking alleviation of the traffic hazard at Evergreen School.

Exhibits in the fields of biology, chemistry, physics and general science will be displayed at the science fair being held Wednesday, May 10, in conjunction with the Scotch Plains P.T.A. meeting at the Junior School at 8:15 p.m. Students in the 7th and 8th grades have prepared the individual exhibits to be judged on the basis of creative ability, scientific thought, and thoroughness in problem exploration, skill in construction, clarity, and dramatic value. Prizes will be awarded in each division.

Early entries include exhibits of plant growth, embryology, models of body organs, conductivity of metals, electrical circuits, models of the solar system, the atomic bomb, an electric fly trap and a cloud chamber, according to Mr. Clickenger. The meeting is the last of a series of school activities to the community. Included in the agenda will be the installation of newly elected officers.

Lerner & Lowe Fantasy Booked At Meadowbrook

"The Meadowbrook Dinner Theatre audiences through May 28. Nowwood Smith, Barbara Williams and Johnny Pattles have the leading roles in the Route 29 show palace's 22nd consecutive hit musical. The above mentioned trio are this supported by one of the largest cast ever assembled at the Meadowbrook.

Written by Alan Lerner and Frederick Loewe of "My Fair Lady" and "Camelot" fame, the book and score appear brighter now than when the show won the New York Critics Circle prize over a decade ago. Donald Burr has directed another show with excellent scenery by Robin Wagner; costumes by John Crosby and lighting by Al Millman. Musical director Donald Yap again does fantastically well with such Lerner & Lowe hit tunes as "Come to the Bond to Me," "The Heather on the Hill," "Almost Like Being in Love," "There But for You, Go I," "From This Day On," and one of the most fun test songs, "My Mother's Wedding Day."

With kills, bagpipes and highland flings, choreographer Marc Heisens has a field day with the cast enjoying themselves as much as the audience.

Electronic Filter Firm Coming to Scotch Plains

Formation of a new corporation which will initially specialize in the design and manufacture of electronic filters and their components was announced in Scotch Plains today by Mr. Richard J. Hodge, president of the company which is called the Electronics Standards Corporation of America.

Engineering and executive offices are located at 1827 East Second St., Scotch Plains. N.J. Manufacturing facilities are at its Park Ave., Scotch Plains location.

Mr. Hodge explained that ESCA will devise and build filters which in the initial effort will be in the high end of the frequency spectrum, coverage of the entire frequency range is anticipated in the future.

Filters are an important factor in complex electrical transmission systems with application in both government and civilian use. Mr. Hodge estimates that there will be a total national volume of \$50,000,000 a year in filters within the next few years.

ESCA is now negotiating with several prime contractors. The head of the new company, Mr. Thomas Hodge, Jr., is also President of Pameo, an engineering design and manufacturing company. Some of their customers include Lockheed Electronics, Westinghouse Electric Corp., Burroughs Corp., Air Reduction Corp., Helipot Corp., Bendix Corp., and the Linde Company.

Mr. Hodge is an alumnus of Brooklyn Technical High School and Steven's Institute of Technology, he served as Vice President and General Manager of Precision Industrial Design Company of Newark, and was formerly a chief designer with General Motors Corp. He is a member of the American Society of Tool Engineers, past member of the American Society of Management and the American Ordnance Association.

St. Bartholomew Assists The Newark Drive

On Sunday, April 30, over 300 men of Saint Bartholomew the Apostle Roman Catholic Church

fishermen in the Benefactor phase of the Newark Archdiocesan Development Campaign.

This is the second phase of the campaign. During the first or Memorial phase over \$112,000 was pledged by approximately 220 Saint Bartholomew parishioners.

Altogether over 2,100 wage earners of the parish, which includes Eanwood and Scotch Plains, will be called on by the Campaign Workers, during the next 3 weeks.

The announcement by His Excellency Archbishop Thomas A. Boland that a co-institutional High School to accommodate 1,500 students is to be built in the Fairwood - Scotch Plains - Plainfield area has been received with great enthusiasm by the priests and parishioners of Saint Bartholomew.

The Rev. Monsignor John Cain, Pastor of Saint Bartholomew's has been the driving force behind the success of the campaign to this date. The inspiration and guidance offered by him and the other priests of our Parish, have given everyone connected with the Drive the confidence needed to accomplish our goal.

One of the most appealing parts of this drive will be the opportunity given to parishioners to make a pledge in memory of the late Reverend John S. Nelligan, the first pastor of Saint Bartholomew's. Plans have already taken form to dedicate the main altar in the student's chapel of the High School as a memorial to Father Nelligan.

The drive is under the General Chairmanship of Eugene F. Gatenby who is assisted by John J. Kennedy, Area Chairman; Rudolph Anderson, Area Chairman; Thomas Parise, Associate Chairman; Paul DeFrancesco, Associate Chairman; and Robert Koerner, Memorial Chairman.

The drive will run through the month of May. Saint Bartholomew's parish opens for pledges \$300,000 in pledges to be paid over a 2 year period.

The \$25,000,000 (twenty-five million) goal is the greatest effort of its kind ever undertaken by the Archdiocese. Over one-third of this goal has been reached already.

Yvonne De Carlo Shines in Destry

When the curtain went up on the Paper Mill stage Monday night, Yvonne De Carlo, the musical comedy performer, shone in the role of the glamorous star, supported by a superb cast, treated the first night audience to a rousing good show.

"Destry," a Western musical, is set in the picturesque town of Bollenbeck in the frontier days. Men are men there and the women glad of it. Freshly played by Miss De Carlo, is the girl friend of Bad (and handsome) John Frederick. That is, until young Sheriff Destry, played by long time Paper Mill favorite, Ted Scott, rides into town. Then in the tradition of the West and Westerns things start popping.

All of the action, and there is plenty, is accompanied by some of the liveliest singing and most inventive dancing — seen around in a long time. Two dance numbers in particular, the "Whip Dance" — a show-stopper set by Michael Kidd, and the procession to the jail, are worth the price of admission. Miss De Carlo, incidentally, proves that she sings as well as she dances with such tuneful numbers as "A Ring On My Finger."

Notable in the cast are John Fredericks, Ted Scott, Wallace Acton, Ethel Woodruff, Hilda Haynes, Roy Hausen, John Martin, Ted Forlow, James Weiss, and Allan Byrns.

The fast-paced show was directed by Frank Carrington and Agnes Morgan. The choreography is by Jack Beaber and the musical direction by Albert Fiorillo, Jr.

"Destry" will continue at the Paper Mill thru May 27th.

SP Girl Scouts See Mass Feed

The Emergency Mass Feeding demonstration held at the Junior School athletic field on Saturday, April 22 at 12 noon for the Scotch Plains Girl Scouts, was a practice exercise in the preparation and serving of food under a hypothetical disaster situation.

The 12 Senior Girl Scouts and 2 leaders who completed the course were certified as Emergency Mass Feeding volunteers and were presented with certificates by Miss Charlotte Martin, Red Cross volunteer instructor of the course. Those participating were: Constance Ambrose, Barbara Bochkay, Judy Delnero, Diane Hodges, Gail Messemer, Lorraine Plocek, Daria Reagan, Jo Ann Schrag, Judy Kutter, Barbara Wehr, and Mrs. Agnes Roberts.

Equipment used in the feeding exercise included a water tank mobile unit supplied by Edg. Co. 250 Signal Bn., Plainfield National Guard, and driver Sgt. Gregson, cooking equipment from the Plainfield Area Chapter, American Red Cross, and Scotch Plains Civil Defense truck and personnel, Boys of Boy Scout Troop No. 37, Scotch Plains, lent assistance as a Sanitation Unit.

Food was prepared and served in the field consisting of Mulligan Stew, corn bread, string beans, canned peaches and coffee.

The entire program was under the supervision of Miss Charlotte Martin and Arthur Peck, volunteer instructors of Red Cross Nutrition Service, Emergency Mass Feeding Unit, and Mrs. H. P. Messemer, Jr., Chairman of the Scotch Plains Emergency Mass Feeding Unit.

YMCA NEWS

The first of a series of meetings to develop a five year plan for advance was held at the Fairwood-Scotch Plains YMCA April 20, 1961. The development program, related to that of the Central Atlantic Area Council of YMCA's is called PACS. The legal group is headed by chairman Raymond Winkler of the board of directors who will arrange for a number of meetings of representatives of many phases of community life in Fairwood and Scotch Plains about the subject of the role to be played by the YMCA in the Fairwood-Scotch Plains community.

Last night's group was composed of the executive group and committee chairman from the YMCA. Determining the image of the YMCA as the officers and committee chairman of the 'Y' see it, was the objective of the meeting.

Each of the various program and administrative committees of the 'Y' is also in the process of developing five year plans for their particular phase of the associations work. Objectives, specific goals, and intermediate goals are being set.

President William Tidridge of the board of directors hopes that through this community wide analysis of the YMCA, its programs, and community needs a deeper and more effective service to the community will be rendered and it is hoped that all facets of community life will enter into the discussion and the developmental plans.

The adult program committee of the Fairwood-Scotch Plains YMCA, presented a successful year of program for adults at their regular monthly meeting last night and made plans and schedules for the new seasons of fall and winter 1961-62. Chairman John Kalafat noted that the non-physical program the 'Yg' this year had made several advances, adding new programs and increasing participation in others. He noted that "Under The Hood," emergency auto mechanics for women had been run on two occasions with good registration. A holiday program in preparing hors d'oeuvres was also well attended. A five week program in furniture refinishing is in progress with a complete registration. The beginnings of a club for fishermen has also been under taken. The second year of contract bridge classes for women was attended by 36 students. Ballroom dance classes too were carried on for the second successive year.

The committee made plans to repeat all successful courses, some several times during the coming fall and winter seasons. Courses for women in arts and crafts will be added to the curriculum. A brief program on preparing income tax returns will be tried in January of 1962. A ski club will be offered along with photography and stamps clubs. Oil painting also will be offered in the new fall program.

Temple Research Team Plans Study of Proposed FLES in 7 School Districts

Will Appraise School Communities Plus Examine Existing Programs

A research team from the Educational Service Bureau of Temple University is planning to study the feasibility, desirability and practicality of a program of modern foreign language instruction in the elementary schools of one or more of the districts associated with the Union County Regional High Schools.

The seven boards cooperating in this project are Berkeley Heights, Clark, Garwood, Kentwood, Mountainside, Springfield, and Union County Regional High School District No. 1. Together these districts are responsible for the education of approximately 12,500 at present and are expected to exceed 15,000 by 1965.

The results of the research team are expected to be significant in determining how far one or more of the elementary districts may vary their educational program from usual pattern before one of the districts is forced to change their programs to meet the needs of the district with the unusual program in their high school and post-high school education because of the differences.

The project which will be under the leadership of Dr. Wayne A. Smith, Professor of Education and Director, Department of Early Childhood and Elementary Education, College of Education, Temple University, is being initiated immediately and expected to be completed by November 1. Among the key guiding groups are the following Temple professors:

Dr. Samuel D. Weber, as professor of foreign languages and chairman, department of foreign languages and literature; Dr. Ross L. Neagley, professor of education and director, department of educational administration; and Dr. Leon Oxley, director, Educational Service Bureau.

The seven education boards and the individual school superintendents and school principals are expected to be concerned with the alterations of existing curriculum for both the elementary and high schools. At present it is expected that the study will be particularly helpful in the matter of feasibility, desirability, and operation of a program of modern foreign language instruction in the elementary schools of one or more of the districts associated with the Union County Regional High School.

The study will involve such areas as: financial requirements and implications; the health of pupils—physical, mental, and emotional; teaching and supervisory needs and facilities; physical facilities of space and equipment; the effect of programs of language instruction in elementary and secondary grades and might involve the possible effect in high school education programs for pupils of these districts.

Perhaps this study will lead to eventual regional planning cooperation in the area of a coordinated educational program, while retaining the independence of each of the seven districts.

This apparent need has been recognized by many board members and administrators and results from this study may clarify needs.

One facet of the Temple team's work will be an appraisal of the local school communities, as to their overall readiness and ap-

parent interest in this potential curricular change. Another important job will be the collating of data resulting from an analysis of the existing curriculum of our field to determine what has been done in the past, and what relationship these may have to the local situation. Another facet of the project is the examination of programs that have been in existence long enough to begin to get some idea of how successful they have been, what appears to be the basis for the success they have had, what has been the effect on other phases of the school program, what strain and effects have been noticeable on the pupils and what are the financial implications of this addition and the evidence that the end result has been worth the investment. Another important part of the work is to determine, so far as possible, what caused districts to discontinue it after they had instituted this kind of program, and whether they have found a reason to re-institute it. If so, what changes would be made.

The basic purpose is to provide reliable data for the several boards and their administrators to use in making policies and administrative decisions.

The report of the study is to present findings objectively, organize responses to specific questions that bear upon the feasibility, desirability and operation of a modern foreign language program. The report will also present the research team's interpretation of the data based on defined criteria and judgment of the weight of the evidence. The interpretations are expected to be both general and particular for the seven districts of the area. Therefore, the report should be both a summary of research and an application of research in consultant judgment.

In consideration of the feasibility, desirability, and operation of a program of modern foreign language instruction in this heart of Union County.

The project is to cost the districts a total of \$7,350, part of which will be paid shortly and the balance after the reports have been received. On the basis of the February 28, 1961 enrollment, this means that the round-

off amounts to be paid by each of the districts are as follows: Berkeley Heights, \$1,150; Clark, \$1,274; Garwood, \$319; Kentwood, \$611; Mountainside, \$1,000; Springfield, \$1,200; Union County Regional High School, \$1,000.

30 Year Men Honored By Humble Oil

Humble Oil & Refining Company has announced the names of these employees who received watches marking 30 years of service with its Esso Standard Division.

From Scotch Plains, these are: Earl D. Gieske, 1923 Sunset Place, 36 years; Harold J. Shaw, 328 Roberts Lane, 35 years; Joseph J. Deibert, 169-1/2 Winton Street, 32 years; and Bradland J. Chambers, 341 Aescia Road, Heights is George B. Hogg, Jr., of 777 Glenside Road, for 31 years; Helen C. Mitchell, 11 Tulip Road, Springfield, was also honored for her 33 years of service.

G.V. Maloney, manager of the New Jersey area, in announcing the watches were presented by plant and department managers, pointed out that the presentations mark a new policy by the Humble Oil & Refining Company. He stated that the program covered all employees with 30 or more years of service as of December 31, 1960. Previously, watches were awarded to employees after they had achieved 50 years of service.

Church Guild Elects Officers

At the April meeting of the Diamond Hill Community Church Guild, the following officers were elected to head the Executive Board for the coming year. President, Mrs. Sarah Stubbins; Vice President, Mrs. Raymond Egan.

Remaining on the Board in their present jobs are Record Secretary, Evelyn Troost, and Corresponding Secretary, Inez Blotack.

Do not forget the Annual Memorial Day Cookout, co-sponsored by the Guild and the Men's Club. The committee will furnish potato salad, coffee, soda, for the children and ice cream for everyone. This affair will be held rain or shine.

The last Executive Board meeting of the Guild will be held at Leg Teuber's home at 78-15 on Wednesday, May 17th. Since this is the last meeting for the current Board, all outstanding bills and money must be in the hands of Don Kolb, Treasurer, by May 15th.

Ex-President Fetes League Bd. at Dinner

The board of Springfield League, Children's Asthma Research Institute and Hospital of I.N.H.A. at Denver, will be feted to a supper given by the outgoing president, Mrs. Raymond Egan.

In honor of Mrs. Egan, a luncheon will be held at the home of Mrs. Egan, 2151 Avenue, Springfield, on Tuesday, May 23rd at 8:30 p.m. As is the custom of this chapter, the retiring president is presented with a gift from the board members.

Mrs. Egan will be the official chapter delegate to the 34th annual convention at Denver to be held sometime in July. The purse presented this year will be the highest amount raised since the chapter's five year inception.

The Springfield League would like to take this opportunity to thank the residents of Springfield for supporting the many fund-raising projects to all the merchants who donated so generously to the ad journal and fund raising; and to the Springfield Sun for bringing the news into everyone's homes.

Plainsman Named Deputy of Esso

It was announced by Esso Research and Engineering Company that Dr. Neil V. Hakala, of 803 Crestwood Road, Scotch Plains, has been named deputy to the vice president for petroleum products, medical, basic and analytic research.

Dr. Hakala was director of the products research division of Esso Research in 1948. He was formerly an assistant director, has been named acting director.

Dr. Hakala succeeds Dr. John G. McNab who has been named chairman of a "new uses committee."

Dr. Hakala, who joined Esso Research in 1948, has been a director of products research since 1957. He has a number of patents concerning petroleum and is the author of various scientific papers. He was born in South Range, Mich. He received a bachelor of science degree in chemical engineering from the Michigan College of Mining and Technology, Houghton, and a doctorate in chemistry from the University of Wisconsin, Madison.

Dr. McNab joined the company in 1950 after receiving a chemical engineering degree from Michigan State Univ., East Lansing. In the early 1950s, he served as a consultant on lubricating oil processing matters at refineries in France and England. His service also included the post of assistant director of the Process Research Division.

Sow Scotts seed at the economy rate—and fertilize with TURF BUILDER on the same day. With Scotts you need far fewer seeds per square foot—and far fewer pounds of seed in all—to build a lovely, thick lawn. You'll spend less than you would for so-called "bargain" seeds, with none of the risk. Scotts is all desirable grasses, perennial and 99.91% weed-free. The most good grass per dollar—and a lovely lawn that lasts.

Check with us for expert advice on any turf problem!

Hearliest congratulations go to William Fallon and Mrs. Fallon on the birth last month of their son, William Fallon, Junior. The young man, who weighed in at a "hefty" nine pounds, four ounces has a three year old sister. Best wishes from us all.

Mr. and Mrs. Walter Heckmann, of 158 Short Hills Avenue, welcomed a new granddaughter on April 28, with the birth of Ann Marie to Mr. and Mrs. Donald Heckmann of Millburn. The baby, who was born at Overlook Hospital, weighed seven pounds, eleven ounces, and is the younger Heckmann's first child. The mother is the former Mildred Panzina.

There was lots of activity at 11 Evergreen Avenue last week when the Elizabeth Y.M.H.A. brought two of its groups to see Harry and Anne Speicher's delightful Miniature Village. Both the bus load of fifty children, and the folks of the Golden Age Club, were enthralled with the fascinating scenes, which are of interest to the young, the elderly, and everyone in between.

Mr. and Mrs. Lawrence Morris, of a Woodside Road, announce the birth of Robin Beth on April 26 at Beth Israel Hospital in Newark. Other small fry in the family are three-year-old brother Keith and two-year-old sister Judy.

Miss Gail Christianson, daughter of Mr. and Mrs. Gordon Christianson of 47 Keeler Street, has been elected Co-Chairman of the Special Events Committee of the Student Union Governing Board of Lycoming College in Williamsport, Penna., for the coming year. Gail is a junior, and is majoring in English in the Elementary Education curriculum.

Mrs. and Mrs. Robert Padalino, of 805 Mount Air Avenue, became the parents of a baby girl on April 13 at Orange Memorial Hospital. This first addition to the family has been named Nancy Lynn. Mrs. Padalino, who is the former Marion Zultewicz, was formerly a nurse at West Essex Hospital.

Another "first-female-addition" to a Springfield family is Miss Jean Ann Labriola, daughter of Mr. and Mrs. Robert Labriola of 816 So. Springfield Avenue. Jean Ann put in her appearance on April 21 at Overlook Hospital.

New Members Inducted Into Honor Society

The National Honor Society of the Governor Livingston High School, Berkeley Heights, inducted twenty-one students on Thursday, April 27th.

These members of the Honor Society were: Linda Buttle, Christine Cleveland, Stephen Farrar, Joseph Feely, William Fitzpatrick, Joseph Gellings, Rosalie Maiorana, Judith Marchell, William Pegg and Robert Van Nest. The eleven members of the Junior class were: Ronald Alsbegg, Cynthia Brande, Stephen Depp, Donna Kristiansen, Ellen Macy, Kathleen Middlekauff, Thomas Murphy, William Powers, Kathy Telek, Carl Wamsler and Janet Witte.

The induction ceremony was conducted by Pat McGovern, President. Speeches on the qualities of Character, Scholarship, Leadership and Service, which members of the Honor Society must possess, were given by Carl Eredlau, Alberta Bell, Ellen Cunningham, and Paul Sammek. Mr. Emmett McWilliams, vice-principal of Bridgewater High School and a member of Phi Beta Kappa, was the guest speaker. A reception for the new members and their parents followed the inductions.

However, there might be someone in Springfield who has produced even better proof that they're "growing them bigger" this year. If you, or anyone you know, in Springfield, has a bigger baby, will you let us know. At the end of the year we can announce the biggest addition to Springfield in the junior division, and how about the smallest addition, too. Let us hear from you.

Mr. and Mrs. Floyd Merser of 76 Linden Avenue, Springfield, happily announce the birth of their first daughter, Karen Ann, who weighed in at 8 pounds 12 ounces on April 29th, at Overlook Hospital. Karen Ann will join her two brothers at home, Craig 9 and Kenny 6. Mrs. Merser is the former Florence Sukovich, daughter of Mr. and Mrs. Joseph Sukovich of 66 South Maple St., Springfield.

SH Outing Club Launches Season

The Short Hills Outing Club will launch its season at 8:30 p.m. tonight at its weekly meeting place, Farners Grove, Union, according to an announcement by Henry Wright of 53 Colfax Road, Springfield, president.

Another member from Springfield is William H. Everett of 4505 Avenue

During May, weekly meetings will feature a slide show, equipment sale and square dance. On week-ends during the month, the group will hike in New Jersey, canoe on the Delaware River and spend a week-end at a dude ranch in New York State. Among the other activities planned are tennis lessons beginning in June and a mid-summer boat ride. A kick-off cocktail party will be held Sunday, May 21, at Ye Olde Mushroom Farm, West Orange. Membership is open to college-age or older persons.

Trailside Club Receives Honor

The Trailside Garden Club of Union County will receive an award from the Garden Club of New Jersey on May 23 at Headquarters, 369 Park Ave., Orange. This was announced at the Club's meeting held Wednesday evening at Trailside Museum by Mrs. Edward De Vorkin, president. Mrs. H. J. Maxwell, Chairman of Awards Committee, notified the Club of its award. In 1959 they also received an award for the Flower Show held at Trailside Museum, Watchung.

Mrs. James Hand, Jr., and Mrs. Arthur Fenske, both of Green Village, gave a lecture, with colored slides, on the Great Swamp of Morris County. Mrs. Louis Cohen, Springfield, Program Chairman, introduced the guest speakers.

Rotary Foundation Offers Local Student Fellowship

A year of study abroad as a Rotary Foundation Fellow is the exciting possibility for some student from Springfield, Daniel R. Murray, president of the Rotary Club of Springfield, announced today. Applications are now being accepted by the Rotary club for the fellowship, which includes all transportation...

Fellowship Qualifications

Applications for the Rotary Fellowship may be made only by students whose permanent residence is Springfield, and should be made to Daniel R. Murray, 80 Linden Ave., Springfield. Candidates must be single and 20-28 years of age inclusive. They must have a college or university degree (or they must not be in their junior or senior year), a record of high scholastic standing, and a thorough knowledge of the language of the country in which they propose to study. They must have the ability to make friends easily, be vitally interested in world affairs, and possess an instinct for leadership. Rotary Fellowships are granted without regard to race, creed or nationality.

District Competition

The applicant selected by the Rotary Club of Springfield will compete for the Rotary Fellowship with applicants selected by the other clubs in this district, which is comprised of 42 Rotary clubs in this area of the State. Deadline for the receipt of applications by the local Rotary club is August 1.

Since the program was inaugurated in 1947 in memory of the founder of Rotary, Paul P. Harris, Rotary Foundation Fellowships have been awarded to 1,452 young men and women living in 70 countries for study in 50 countries. The one-year grants average \$2,000 each and the total grants have been in excess of \$3,700,000.

WOMEN'S CLUB NEWS

The combined voices of the Dayton Chorale, a choir of students who attended Jonathan Dayton Regional High School in Springfield, resounded in pleasant harmony last night at the May meeting of the Springfield Woman's Club held in the Edward Walton School. The Chorale, under the direction of Mr. William Peters, entertained members with a number of diverse selections from its repertoire. The Chorale and Mr. Peters are to be congratulated for an outstanding performance.

At this meeting members of the Club welcomed Mrs. Edward Songe, 67 Hillside Avenue, Springfield as a new member, and the new Department Chairman introduced their co-chairmen for the new Club year. A dessert social hour followed the regular business meeting.

On Monday, May 8 the Drama Department will meet at 7 p.m. at Paul's Restaurant in Newark to enjoy a leisurely dinner and to discuss plans for future department meetings.

Also on Monday, May 8 the Literature Department will meet in the home of Miss Florence Gaudineer and Miss Harriet Smith, 15 Satter Place, Maplewood. Guest speaker will be Mrs. Elizabeth Payne who will discuss "The Bible as Literature." This will also be an organizational meeting.

The American Home Department will hold its organization meeting in the home of Mrs. John Whitcomb, 6 Sycamore Terrace on Tuesday, May 9.

The International Relations Department will hold an organizational meeting on Thursday, May 11. Place will be the home of Mrs. George Walton, 36 Kew Drive. From May 9 to May 12 the State Annual Convention of the New Jersey State Federation of Women's Clubs will be held in Atlantic City, New Jersey.

Gail Ledig Receives Nurses-Cap-A-EO

Gail B. Ledig, daughter of Mr. and Mrs. Carl F. Ledig of 189 Milltown Road, Springfield, was one of the twenty-seven girls in the freshman class of East Orange General Hospital School of Nursing to receive her cap Sunday at services held in the commons of the nursing school. Gail, who started her course in September, will graduate in 1963. Miss Isabella M. Muller, R.N., director of nursing, awarded the caps. Rev. John A. McElroy, pastor of Calvary Methodist Church, East Orange, was guest speaker, and Leslie C. Ricketts, president of the hospital board of trustees, and Sheridan C. Snider, hospital director, welcomed the parents and friends of the students.

Walton PTA Readies for Spring Fair

Saturday, May 20th, from 10 a.m. to 5 p.m. promises to be an exciting and fun-filled day that is the date of the second Walton Spring Festival.

The grounds of the Edward V. Walton School will take on a carnival look. Mrs. L. Atkin, Chairman of the Decorations committee, along with Mrs. Louis Maas is at work planning a colorful background for the day's activities.

As a special treat for the children and parents, refreshments will be served, including hot dogs and all the trimmings, under the direction of the able chairmen, Mr. and Mrs. Morton Parish, and their committee. For those who want just a snack coffee and Danish will be available.

The games committee has promised a day of fun with games of skill to challenge everyone. Be sure to stop by and bring the family.

BOY SCOUT NEWS

Cub Pack 172

The April Pack Meeting of Cub Scout Pack 172 of Springfield was held on Friday evening, April 28th at the James Caldwell School. The April or May themes of Air Adventure or Indians were used. The parents and guests present enjoyed the following: Den 4, an Indian Skit; Den 6, an Airport and Airplanes made by the boys and an explanation of each plane was given; Den 3, an Indian Dance, with the boys in their own well made costumes; Den 5, a Puppet Show of the "Beane Treaty" with William Penn and the Indians, in forming Philadelphia; Den 8, an Indian Poem and Skit; Den 2, an Airport made by the boys and each building was explained; Den 9, a Railroad Skit.

A Webelos Ceremony was held for Jimmy Kunc, Kenny Lynch and Don Cubberley, all of Den 6, who will soon be leaving Pack 172. The boys all plan on becoming Boy Scouts.

The following awards were given out: Den 2, Andy Kriegman, a Gold Arrow, a Silver Arrow; Frank Bucet, 2 Silver Arrows; Barry Mitterhoff, a Gold Arrow; Keith Theiler, the Wolf Badge; Peter Newman, a Gold Arrow, a Silver Arrow; Keith Prussing, a Silver Arrow; Martin Josephs, the Wolf Badge, a Gold Arrow and 2 Silver Arrows; Robert Lyons, 5 Silver Arrows; Den 3 - Donald Casillas, a Silver Arrow and Ralph Weinstein, the Wolf Badge and a Gold Arrow.

Also: Den 7 - Walter Dohshak, a Gold Arrow, a Silver Arrow; Brian Zabelski, a Gold Arrow; Jerry Adams, a Gold Arrow; Charles Rich, the Wolf Badge; Kevin Keller, a Silver Arrow; Bernard Pearlman, a Silver Arrow; Den 4 - Gary Fox, the Wolf Badge; Robert Vogel, a Gold Arrow; Jeffrey Moxley, a Gold Arrow.

The following boys were awarded Union-Council Badges for selling four or more tickets to the recent Boy Scout Campades in Elizabeth: Charles Rich, Edward Harbach, Robert Taffer, Danny Baron, Jimmy Kane, Allen Karp, Gary Fox, Robert Ryder, Jeffrey Morris, Richard Kentsch and Allen Kirschten. Pack 172 sold 137 tickets.

Approximately 50 boys left the Gaudineer School bus on Saturday morning, April 29th for a trip to the Thomas A. Edison Museum in West Orange. From all reports, a good time was had by all and thanks go to Leo Newman, Special Activities Chairman, who planned the trip.

The Annual Cookout will be held on Saturday, May 20th at Nomahegan Park, Cranford, from 9 a.m. to 4 p.m. Areas 1 to 6 will be reserved for Pack 172. This year's picnic will be a family affair. All members of the Cub Scout's family are invited to attend. Each family must bring their own food. There are fireplace at the Park or you may bring your own portable grill. There will be games, which will be enjoyed by the Cubs and their fathers. Only the Cubs may participate in these games, no other children. All boys are asked to wear dungarees and sneakers. Mr. Newman is also in charge of the picnic, with the assistance of the other Committee members.

Among the books which the public have found most useful is a set of small green books prepared by Oceania Publications. Each of these deals with a single subject such as investments, adoption, laws concerning religion, copyrights, wills, pet owners, retirement, crimes and penalties, and so on.

Along with these books about laws are displayed biographies of famous lawyers. Justice Holmes is in Yankee from Olympus. "The Lion and the Throne" is about Sir Edward Coke who began practicing law under Queen Elizabeth I, and "James Wilson, Founding Father 1742-1798," tells about the lawyer who is credited with writing the Supreme Court section of our Constitution.

There are other books including the amusing one by Bellamy Partridge, "The Country Lawyer," two about the Supreme Court, and a very important one for young people entitled "Lawyer, Opportunities for Careers in the Legal Profession."

All of these books should help us to think about our "American Way" where we enjoy justice and liberty under the law.

TEACHER ELECTED ARTS HEAD - Stanley Grossman has been elected president of the New Jersey Industrial Arts Association. In the past Mr. Grossman has served as president of the Union County Industrial Arts Association and is presently membership secretary of the New Jersey Vocational and Arts Education Association. He is industrial arts teacher at Jonathan Dayton Regional High School.

Miss DeFino Starts 4th Term As Aux. President

June DeFino of Springfield was re-elected president of the Ladies Auxiliary of W.P. Batts Hill Post 1883, for her fourth term. The Post commended her for her efforts and wishes her continued success during this term of office.

The Auxiliary is invited to the May 3 Open House and June extends a special invitation to the "old-timers" and would like to see some of the inactive members drop in for the evening. The time is 3 p.m.

Psychiatric Group Meets

The Mountaineer committee of the Union County Psychiatric Clinic will hold an organizational meeting May 15 at 8:15 p.m. at the home of Mrs. W. P. Twyman, 29 Whipperwill Way, Mountaineer. Anyone interested in the group's activities is cordially invited.

NJ Head Speaks at Asthma League's Donor Dinner

The Springfield League, Children's Asthma Research Institute and Hospital of the Jewish National Home for Asthmatic Children at Denver, sponsored a donor dinner at the Bow and Arrow Manor, West Orange on Wednesday evening, May 3.

Honored guest and speaker was Mrs. Nathan Barbarosh, president of the New Jersey Regional Council of C.A.R.H. and J.N.H.A.C. Guests attending from other chapters were Mrs. Rayner Frish, president of the Dr. M. Murray Peshkin Chapter of South Orange and Maplewood, and Mrs. Howard Goldberger, president of Reservation Chapter of Millburn and Short Hills.

Mrs. David Adler, past president of the Springfield League, offered the invocation.

Mrs. Vincent Scalea, 17 LeMay Terrace, and Mrs. Adeline Twin Oaks Oval, both of Springfield, have raised the most money this year for the Denver Home and its Research Institute.

Mrs. Joseph Klein is chairman of the souvenir journal, distributed at the dinner. Mrs. Sol Waltman is chairman of the donor dinner. Committee members from Springfield include Mrs. David Adler, Mrs. Raymond Efrus, Mrs. Jack Hager, Mrs. Joseph Klein, Mrs. Benjamin Lubiner, and Mrs. Saul Mearder. Mrs. Waltman has announced that comedian Bobby King entertained.

Ladies Society Hosts Presbyterial Officers

Members of the Ladies' Benevolent Society of the Springfield Presbyterian Church will be hosts to the Elizabeth, Presbyterian Officers in their annual Training Session on Monday, May 8 at the Parish House.

Mrs. Warren Halsey, President, will be in charge of arrangements for this organization which represents officers in the women's organizations of all the Presbyterian Churches in the Elizabeth Presbytery which includes Union County as well as parts of Middlesex and Hunterdon Counties. Luncheon and dinner will be served by the local ladies.

Sweet Day Set By Park Drugs

The sweetest day in Springfield will be Friday, May 12 when Park Drugs at the General Greene Shopping Center stages a candy day.

To celebrate the opening of their Barton's Candy Department, More than half a ton of Barton's famous Continental chocolates is expected to be given away at the Candy Party, to which all residents of Springfield and neighboring towns are invited. Visitors will be presented with free souvenir packages from 9 A. M. until 10 P. M.

Introduced to the United States 20 years ago, Barton's candies combine the subtle tastes and high styling of Continental candy-making with the precision, quality and cleanliness of American scientific production methods. The huge Barton's Candy Center in New York City is one of the most highly automated candy manufacturing plants in the world, making possible the sale of luxury candies in smartly-

designing gift packages, at popular prices. Sixty-five owner-operated shops in New York, Newark, Philadelphia and Detroit, plus special Barton's departments leading department stores throughout the country, have made these Continental chocolates America's favorites.

In the gay, colorful new Candy Department shops, a bewildering variety of more than 300 fashions in chocolate. Included among the styles introduced by Barton's are readymade greeting cards for all major holidays, made entirely of delicious chocolate; tiny Bartontes, sculpture chocolate miniatures in loops, swirls and other striking designs, filled with many different centers; Thimettes, wafer-thin discs of pure chocolate, perfect for calorie-conscious gourmets; and a wide range of other highly individual candy creations, including authentic Swiss chocolates made at Barton's factory in Lugano, amid the Alps.

The full selection of Barton's Continental chocolates and gourmet gifts are available for the first time in this area.

Gov. Livingston Baseball Team Still See Sawing

With the scholastic baseball season at the halfway point, a still unanswered question is: "Just how good is the surprising first-year baseball team of Governor Livingston Regional High School?"

Coach Russ Hunchar has done a marvelous job of moulding a completely inexperienced

team into a formidable combination despite the lack of adequate practice facilities and the necessity of playing all games on opponents' fields.

The Highlanders have not one, but three fine pitchers in Ken Hamilton, Jerry DiPasquale and Bob Sweatt. The development of DiPasquale and Sweatt accounts for the Highlanders' success against their opponents in the past few games.

The Highlanders can hit with authority on occasion. In their three winning games they have battered the opposition for 37 runs. In losing one game and tying another, Governor Livingston has been limited to a total of three runs.

The Highlanders, with a 3-1-1 mark going into May, have a better record than even their staunchest supporters hoped for at this stage of the season.

The past week saw the Highlanders hit their high and low marks of the season.

A 15-9 rout of Mountain High

of West Orange on April 26 followed by a 6-0 romp over Middlesex High on April 27 led to Governor Livingston High being seeded seventh in the 16-team Union County Conference tournament which got under way this week.

The day after the Highlanders gained recognition from UCC tournament officials, Governor Livingston defeated Mountain High 15-9 in a game played in Clark Regional High School.

The Highlanders had whipped the Crusaders, 15-4, in the season opener.

The Highlanders twice were scheduled to face their biggest test of the season last week—against powerful Rahway High but rain and wet grounds caused the contest to be postponed twice.

The Highlanders may yet get a test from the Scarlet and Grey, seeded second in the UCC tournament and will play Governor Livingston in the second round if both teams win their first-round games. Governor Livingston was to make its tournament debut this afternoon against Scotch Plains High, a good pitcher, no-hit team with a 2-1 record. Rahway played Holy Trinity High of Westfield in the first round.

Governor Livingston had three big innings in crushing Mountain High in a game played in Springfield. The Highlanders slammed home six runs in the second and sixth innings and three in the third.

Hunchar's boys belted four Mountain High pitchers for 15 hits, including three each by Bill Sawyer, Steve Farrar and John Del Duca. Sawyer had the only extra-base hit, a pair of doubles. Lynn Nesbitt and Tony Mele had two hits apiece, while Artie Thomas scored three times.

Hamilton and Sweatt limited Mountain High to three hits, with Hamilton being credited with his second victory.

Di Pasquale and Sweatt blanked Middlesex on three safeties, with Di Pasquale hurling the first six innings and striking out 10 batters. Sweatt struck two

hitters in the one inning he pitched.

Thomas paced the Highlanders' 12-hit assault with three singles and two runs scored. Nesbitt, Mele and John Wadas had two hits apiece. Sawyer, Farrar and John Nekonkey had Governor Livingston's other safeties.

Overconfidence and superlative four-hit pitching by two batters helped to give the Highlanders first loss of the season on April 28. Governor Livingston's Sweatt and Hamilton allowed only three hits, but one was a two-run single by Les Ragonese in the third inning.

Thomas had two of the Highlanders' hits, with Mele and Hamilton accounting for the others. Wadas scored the only run for Governor Livingston.

After five games, Nesbitt is the Highlanders' top hitter with a .462 average. Mele is hitting .455. Thomas, .350. Farrar, .429 and Hamilton, .400 to give Governor Livingston a fantastic five .400 hitters.

Your Squad's Reporters

Now that summer is swiftly approaching and our memories of the past winter fading, everyone is spending all the bright new days trying to repair the ravages of winter to their shrubs and lawns.

The smell of spring is in the air—but beware—let's not just plant ahead of the season without proper care. Our equipment, especially those labor-saving power mowers that have been used for all these long months.

Make sure they are in PERFECT running order before trying them out on the lawn. Rid your lawn of the debris of winter before going ahead. Always wear substantial shoes while using a lawn mower. NEVER mow barefooted. Keep all gardening equipment of the lawn and children well away from the mowing area. Be especially careful about putting away your weed killers and insecticides as children have a way of getting into these things when you're back is turned.

You have all heard these warnings before, but they are well worth repeating if they save only one person from being injured this summer.

Please don't be thoughtless about these things. Work safely and live to enjoy your home and family this summer.
