Springfield Board of Education Tuesday night agreed to purchase a new school bus from two Mountain Avenue near Walton School was asking the Board of Adjustment for a variance to permit her to operate a one-chair beauty parlor in her basement recreation room. The property MURRAY NAMED ASSISTANT PRINCIPAL Daniel R. Murray, principal of Walton School, was named assistant superintendent of schools effective July 1 on recommendation of Board Member Alan Cunningham. He will retain his principalship at the Walton School. Also on Mr. Cunningham's recommendation Robert Michael, school psychologist, was designated coordinator of special services. Special services include remedial reading, health, speech therapy, educational and trainable instruction and psychology.

Woodbridge Firm Gets NJ Highway Depart. Contract

The Middlesex Concrete Products and Excavating Corp. of Woodbridge, submitted the low bid of \$74,337.80 on a New Jersey State Highway Department contract for safety construction on Route 22 at Springfield Road, Union, approximately one-half mile from Springfield. The project will ease traffic delays at the intersection. At present, traffic on the westbound roadway of Route U-5-22 is controlled by a traffic signal at Springfield Road which frequently halts long lines of traffic, that sometimes extends back to the Garden State Parkway, nearly a mile to the east. To correct this condition the Highway Department will replace the outer shoulder of westbound Route U-5-22 with a concrete acceleration lane 13 feet wide, extending westerly from Springfield Road for 1,675 feet to a point opposite the existing opening in the center island which permits 'U' turns to the highway's eastbound roadway.

Dayton PTA Sets \$50,000 Scholarship Goal

A goal of \$50,000 was set by the scholarship committee of Jonathan Dayton Regional High School PTA at a meeting held last week at the home of Mr. and Mrs. Meyer A. Biddelman of 122 Maple Avenue in Springfield. Other members of the scholarship committee are Dr. Randolph T. Jacobsen, high school principal and Miss Charlotte Singer, director of guidance. Arrangements for the luncheon will be announced at a meeting of the PTA executive committee next Wednesday, May 24 at 8 p.m. at the high school.

Zwillman Heads Teachers Group

Martin M. Zwillman, social studies teacher and audio visual aids coordinator at Kawamee Junior High School, has been elected president of the Union Township Teachers' Association for the third time. Mr. Zwillman resides with his wife Phyllis and two children, Steven and Karen, at 14 Redwood Road, Springfield. A graduate of Monclair State College, Mr. Zwillman received his master's degree from Seton Hall University.

Dem Club Books Film, Talk On Fireman's Hazard

A fire in a 10,000-gallon asphalt storage tank at the Houdaille Construction Company dismayed the Springfield Fire Department Tuesday, May 16. The call was received at 10:33 Tuesday morning. The last spark was extinguished at 1:40 that afternoon. No one was hurt seriously, although the fire left room for an abundance of possibilities. Not more than two feet from the flaming tank stood an 8,000-gallon tank of highly inflammable Naptha. The Naptha is used to thin the asphalt—much the same way as turpentine is used to thin paint. Pigeon leading between the two tanks carried the heat to the Naptha. But, luckily, the Springfield Fire Company kept an able eye on both. Using water, which was acquired with difficulty because of the high area and poor pressure, the 10 volunteers from Springfield Fire Company kept the Naptha hazard down and extinguished the asphalt fire. There were a few tense moments but, on the whole, the Company performed a commendable deed. The Summit Fire Company was called in, immediately bringing an additional pump, extra engine and five men. The 'big headache' was quickly soothed and the men were able to relax and enjoy the coffee and buns served by Mrs. Jean Quinzel and Mrs. George Walton, members of the Canteen Service of the Red Cross Chapter of Springfield.

Special Dedication For New Building Planned by Community Free Church

The Community Free Church of Springfield, located at 240 Shunpike Road, will be holding a special service of Dedication for its new church building, on Sunday, May 21 at 3:30 p.m. Dr. Arnold T. Olson, President of the Evangelical Free Church of America will give the dedication message. Henry Gaudineer of Scotch Plains will be the soloist. Also participating in the service will be several neighboring Evangelical Free Church pastors, including Rev. Orlan Urang of Park Ridge, the superintendent of the Eastern District Association of the Evangelical Free Church of America. The church, which had been meeting at the Florence Gaudineer School, began construction of their church building last summer. They are now cordially inviting the people from this area to come and visit on this special occasion. In the construction, special consideration has been given to mothers with little tots, providing a soundproof Mother's Room equipped with a PA system and viewing window to the main auditorium. Dr. Olson will also be speaking at the Morning Worship Hour at 11:00 a.m. on May 21st. Everyone is most cordially welcomed to the services of this special day.

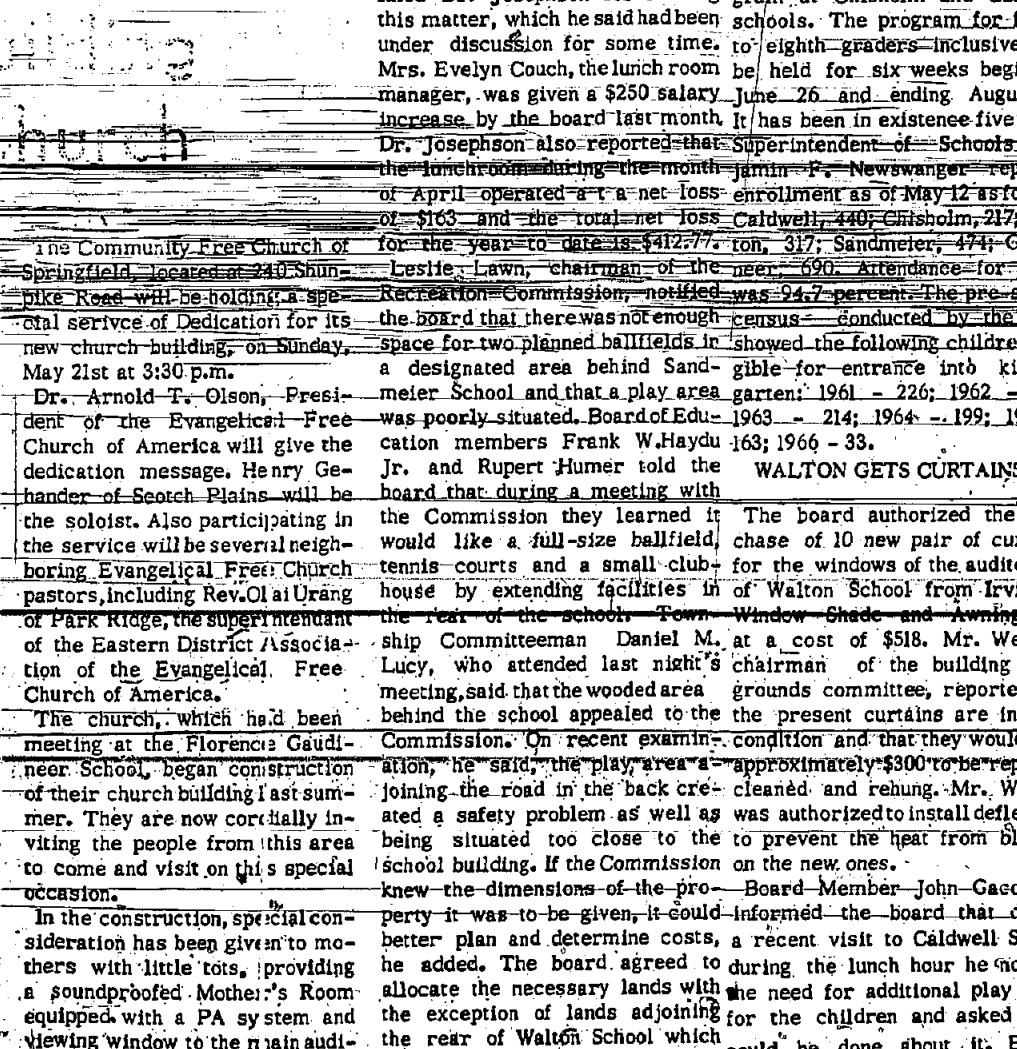

Wear a Poppy Memorial Day

'Wear a Poppy,' an annual appeal from the American Legion Auxiliary, will be heard in Springfield this coming May 24, 25, and 26. For more than 40 years Poppy Day has offered citizens of this country the opportunity to remember both the nation's war dead and its disabled veterans. The poppy became immortalized in a poem by Canadian soldier Lt. Col. John McCrae, entitled, 'In Flanders Fields'. Practically everyone is familiar with its opening lines: 'In Flanders fields the poppies blow between the crosses row on row.' The poppy as a memorial to our servicemen's sacrifices for the cause of freedom dates back to the years following the First World War. The American soldiers returning home in 1918 wore familiar with the wild European poppies which bloomed on the battlefields of Europe. All of the red crepe paper memorial flowers offered to the public each year by volunteer workers are made by veterans in hospitals and convalescent centers throughout the nation. Since the years following World War I the flower has become symbolic of the sacrifices all American servicemen have made in the Nation's defense.

NEW PAY SCALE Board Member Benjamin H. Josephson announced a new pay scale for employees of the Gaudineer lunchroom as follows: kitchen helpers presently employed less than two years, \$1.25 per hour plus five cents per hour for each additional year with a \$1.50 maximum and helpers employed over two years, \$1.40 per hour plus five cents an hour per each year with a \$1.50 maximum; cooks \$1.50 per hour plus five cents per hour for each additional year with a \$1.80 maximum; and the present cook, \$1.65 per hour plus five cents per hour each year with a \$1.80 maximum. It was further agreed that any workers who should receive cook wages Alt, Instrumental music teacher, Dr. Josephson Smith congratulated Dr. Josephson for settling this matter, which he said had been under discussion for some time. Mrs. Evelyn Couch, the lunch room manager, was given a \$250 salary increase by the board last month. It has been in existence five years. Dr. Josephson also reported that Superintendent of Schools Benjamin H. Josephson reported that the month of April operated at a net loss of \$163 and the total net loss for the year to date is \$412,777.77. Leslie L. Lavin, chairman of the Recreation Commission, notified the board that there was not enough space for two planned ballfields in a designated area behind Sand-gible for entrance into kindergarten School and that a play area garten 1961 - 226; 1962 - 243; was poorly situated. Board of Education 1963 - 214; 1964 - 199; 1965 - 163; and 1966 - 33. WALTON GETS CURTAINS The board authorized the purchase of a full-size ballfield, tennis courts and a small club house by extending facilities in the rear of the school. Town Window Shade and Awning Inc. ship Committeeman Daniel M., at a cost of \$518. Mr. Werner, Lucy, who attended last night's meeting, said that the wooded area behind the school appealed to the Commission. On recent examination, he said, the play area was approximately \$300 to be replaced. Joining the road in the back created a safety problem as well as being situated too close to the school building. If the Commission knew the dimensions of the property it was to be given, it could better plan and determine costs, a recent visit to Caldwell School he added. The board agreed to allocate the necessary lands with the exception of lands adjoining the rear of Walton School which will be needed for future expansion and development. President Attorney Howard Crossman told Smith recommended that board him this matter had been considered a year ago. On representatives meet with the Recreation Commission to help expediate plans for this proposal. The matter was referred to the school planning committee.

TO NEW AND MODERN OFFICES The Watchung Weeklies, publishers of the Springfield Sun, Mountaintop Echo, Scotch Plains Times, Fanwood Independent, and Berkeley Heights Beacon, has moved into its new office, which is located at 200 Morris Avenue, Springfield. A parking lot is located in the rear of the building for your convenience.

CHURCH DEDICATED—The Community Free Church of Springfield, situated at 240 Shunpike Road, Springfield, will formally dedicate its new church building, Sunday, May 21, at 3:30 p.m. Construction was started last summer and the members started using the facilities December 18, 1960. (Fred Keesing)

Irwin Play Area 1st in Line For Recreation Improvements

QUICK LOOK AT IRWIN PLAYGROUND CHANGES—The Springfield Township Engineers have prepared a quick plan which shows the many improvements planned for the Irwin playground. A botanical garden, single angle parking for 45 cars, two tennis courts, a field house, an improved baseball field and renovated and expanded landscaping are all scheduled for this area. Since Irwin has the largest registration of children—259—the Township Committee in conjunction with the Recreation Commission decided this spot would be the best starting point. Other areas to be improved are Sandmeier and Woodside.

Springfield residents and children have much to look forward to this summer regarding the local play fields. Improved landscaping, tennis courts, field houses, parking areas, botanical gardens are just a few of the changes that are to be made at the Irwin, Woodside, and Sandmeier play areas.

The Township Committee has been working hand-in-hand with the Recreation Commission plus consulting with the NJ State Recreation Commission to prepare the necessary plans for the proposed alterations. The 1961 municipal budget appropriated \$50,000 to be used for recreation expansion and the Township Committee wishes to complete as much as possible so Springfielders can enjoy the facilities now instead of waiting long periods of time. The Committee does not want to do things "piecemeal." Since the Irwin playground is the largest in town with over 250 registered children, it was only natural that the starting

point should be made here. Improvements in this area include single angle parking for 45 cars; two tennis courts, a botanical garden, a dual purpose basketball and badminton court; an improved baseball diamond; improved landscaping plus shrubbery, a lightly wooded area suitable for play; and a field house complete with sanitary provisions. The house will be used for the storage of recreation materials and will be available for use by the local scout organizations. The water fountain already on the site will be moved to the botanical gardens.

The shrubbery will enclose the ball field which will be graded properly, top-soiled and reseeded early this fall. There will be an entrance built near the storm sewer and paths will be broken from the wooded area leading to the play areas. Second in size with over 100 children registered is Woodside which is next in line for improvements. A tennis court, field house, additional landscaping complete with tree-planting and more developed park area is scheduled for this section.

Plans have not been completely formulated for the Sandmeier play area, but a field house and improved landscaping is definitely in store for this section. Township engineers are now preparing contour maps for these areas. Before any construction can take place, though, the ordinance must be presented twice at the Township Committee meeting.

Nowinski Appears In Levin Comedy

Edmund Nowinski of 9 Cayuga Court, Springfield, is participating in the first major theatrical production ever offered in Conlin auditorium of St. Benedict's Preparatory School, Newark. The school is presenting "No Time for Sergeants" in which Edmund plays the part of an inductee. The three-act comedy by Ira Levin will be staged May 12 and 13 and will be directed by Frank Torok, director of the drama guild.

Babe Ruth Majors Rained Out

The second week of baseball for the little leagues was seriously hampered by rain which made the fields unplayable. The Babe Ruth Major League suffered most; its entire schedule was rained out. In the Babe Ruth Minor League, Jay's Motor took over undisputed possession of first place by beating Beacon Hill 5-0. Jeff Hittings threw a 1-hitter, Leibowitz of Beacon Hill spoiled the triumph.

Grounded just inside the 3rd base line. Barry Patterson played a good defensive game at short for Jay's team and was quickly drafted to the majors. Lots of luck to Barry in his new venture.

Below is a capsule summary of the games that were played by May 14 and the standings of the League.

PTA Landscaping Property Is Important Undertaking

Council members Wednesday approved a change in the By-Laws which will extend membership to include first vice presidents, school principals, and the superintendent of schools. Members of the Council also approved the proviso that only public school PTA's will be members.

Mrs. A. V. Rivero, chairman of the joint PTA Junior Theater committee, announced the following schedule of plays for next year: "Othello" by William Shakespeare, a musical which is now playing on Broadway; November, "Many Moons" by James Thurber; January 6, "The Emperor's New Clothes"; and February 3, "King on a Pogo Stick".

Mrs. Stuart Truitt, chairman of the joint PTA scholarship committee, requested the newly elected PTA presidents to give serious consideration to the recommendation of the scholarship committee that each PTA contribute \$150 to the scholarship fund. Last year each PTA contributed \$100. Mrs. Truitt explained that the recommendation came as a result of the increase in the number of worthy applicants and rising costs for college.

Mrs. John Watson, Council representative to the Joint Civic Committee, reported that the Committee has reorganized for the coming year under the chairmanship of Leon McMichael. She explained that the Committee was formed for the purpose of encouraging and endorsing well-qualified candidates for election to the Scotch Plains-Fanwood Board of Education. She explained that the Committee will screen a candidate recommended by any Scotch Plains or Fanwood resident, and will endorse three candidates prior to the election in February 1961. She pointed out that endorsement by the Joint Civic Committee does not constitute endorsement by member organizations, many of which, including the PTA Council, are prevented by their laws from endorsing candidates.

Announcement was made of an outdoor art exhibit, to be held in the garden home of Mr. and Mrs. William G. Mennen, Jr., 60 Tollerton Road, Fanwood, on Tuesday, May 23 from one until dusk. Proceeds will go to the Fanwood-Scotch Plains YMCA BUILDING FUND.

Dr. Paul Rossey, superintendent of schools, invited Council members to attend the Board of Education meeting on Thursday

Plant your house and yard with definite ideas in mind. Plant with a purpose: trees for shade, cereus or accents of color and form; shrubs and evergreens to enhance the architectural lines of the house. Gardens and shrub borders should be planned and not scattered hit or miss about the property. Notice other houses as you pass by. Some will have a guide to the architecture.

Planting may be equally good, but plants and the manner in which they are used make the difference. It is more difficult to plant the contemporary house with its long low lines, than the conventional house. Do not destroy the lines your architect has created, or chop up the house into bits and sections by overuse of conical evergreens. Keep planting under long picture windows low, and conform to the lines of the house by using low material such as ground covers.

To add height and softness place a flowering tree a few feet from the house, not against it. Large windowless areas may need to be broken up by an individual plant or grouping of plants.

The first step in planning and planting your home is to locate a source of first class plant material. Buy at reputable nurseries where you know

plants are properly dug, correctly labeled, and free from disease. Trained nurserymen know the facts concerning season and type of bloom, and the hardiness and fitness of their plant material. From them, and from catalogs and books, learn all you can about the plants which appeal to you. Ultimate size, hardiness, and growth habits are of the utmost importance according to the American Association of Nurserymen.

Remember to design your planting for the years ahead. Plants grow continuously.

Next put your newly acquired knowledge to work. Place a piece of tracing paper over a photograph of your house and use a few fundamental shapes and forms to work out groupings. It may take more than one sketch to get the result you want.

Note how some groupings look stiff and testless; others look softer and enhance the house. Use the combination that best brings out the feeling the architect tried to express in his design. Within your chosen outline of shapes incorporate certain plants as accents. Others will serve as fillers and softeners.

Planned for Donor Dinner Presents Awards By Barbara and Bill Fashion Show Religious Day

The Women's Group of Temple Shalom will hold their annual Donor Dinner in the Gold Room on Tuesday evening, May 23, at 7:00 p.m. Mrs. Saul Shepar, who is chairman of the affair, has announced that Lynette Topal will sing and entertain the group, door prizes along with individual surprise gifts will be presented to everyone attending the Donor Dinner. Mrs. Shepar has also stated that special recognition will be given to Mrs. Bernard Lesser and Mrs. Philip Ames, president of the organization, for having made the most donor credits.

The annual Mother's Night Dinner and Installation of the Suburban Deborah League was held Tuesday evening, May 9 at Green's Hotel, in West Orange. Special awards were presented at the affair. Members awarded Special Workers Charms were the Mesdames Robert Cohen, Sidney Fajans, Al Greenberg, Golden Hyde and John Mause, Jr. Members awarded Clovers for meritorious achievement were the Mesdames Edward Bitman, David Feilman, Seymour Krell, and Mollie Hanson. Miss Hanson was the organization's highest fund raiser, having raised over \$1,000. Discs and diamonds also were awarded to the following members according to monies raised for the year.

The subject of bettering our services to Springfield was discussed at our last squad meeting. One of the things talked about was getting to the scene of an accident quickly, especially when there is a traffic problem. All of the Squad members on call do not go to the scene in an ambulance. We work from our home. A siren system originating from the Police Department. The Squad members living close to the squad house pick up the ambulance and the others go in their private cars. Of course the ambulance gets through quickly, but what about the rest of us? We don't have sirens or red flashing lights on our cars to let you know who we are. Our uniforms and white hats are not easily noticed by someone ahead of us looking through a rearview mirror. What do we do? First we have a small "Springfield First Aid Squad" sign in red and white and a white light with a Gold Cross on it on the bumpers of our cars. We also ride with our headlights on and flash them on and off while tapping the horn lightly when we would like to pass someone. I imagine you all have seen us at one time or another and just thought we were impatient drivers. You would be helping us quite a bit by pulling to the right of the road to let us pass. We are interested in joining the League of Women Voters and working on this study. Contact Mrs. Lichtenberg at DR 6-6703 if you plan to attend.

During the month of April your First Aid Squad answered forty-two calls and travelled 438 miles. The members put in 219.25 man hours.

Members of the Baha'i World Faith of Springfield are sponsoring a public meeting on Monday, May 22, at 8:15 P.M. at the home of Mr. and Mrs. Raymond Rouse, 56 Denham Rd., Springfield, to observe the anniversary of one of the most significant days in religious history, the "Declaration of the Báb." Joseph C. Joas of Springfield will be the guest speaker. His subject, "The Launching of a New Spiritual Age," will tell the story of a young Persian boy, 17 years ago in the city of Shiraz, announced himself to be a Prophet from God and Herald of a still greater Prophet soon to appear. Mr. Joas moved to Springfield from Illinois eight years ago. He has been a member of the Baha'i Faith for over thirty years and while residing in Illinois was a guide at the beautiful Baha'i House of Worship located in Wilmette, Illinois.

At a special organizational meeting in the Raymond Chisholm School on May 8, the following Department Chairmen who volunteered their services at P.T.A. were welcomed by newly elected president Mrs. Bernard Schwartz Budget & Finance, Mrs. Walter Baldwin; Character and Spiritual Education, Mrs. Glen Carson; Exceptional Child, Mrs. Max Raab; Founders Day, Mrs. Adam LaSota; Health & Mental Health, Mrs. Milton Zeman; Hospitality, Mrs. Everett Kaufman; Kindergarten Round-Up, Mrs. Willard Jayne and Mrs. Frank Bucc; Legislative, Mrs. Fred Merkle and Mrs. Max Raab; Music, Mrs. Adam LaSota; Parent & Family Life, Mrs. Benjamin Josephson; Program, Mrs. Byron Ehlers; Publicity, Mrs. Stanley Mruk; School Representative, Mrs. Jack Zlaten; Recreation, Mrs. Wilbert Binder. These Department Chairmen along with President Mrs. Bernard Schwartz, First Vice-President Mrs. Byron Ehlers, Second Vice-President Mrs. Robert Powers, Secretary Miss Janet Hahn, Treasurer, Mrs. Frank Madison and Corresponding Secretary, Mrs. Chris Vasilow will comprise the new Executive Board of the Raymond Chisholm Parent-Teacher Association for 1961-1962.

Religious Group Plan Convention

The Springfield congregation of Jehovah's Witnesses once again announce a district convention at the Yankee Stadium on June 20-25. The assembly theme is "United Worshipers". Jehovah's Witnesses firmly believe the only way to reality is to put into practice Bible principles and teachings in one's daily life. The New York assembly is the first in a series to be held this summer throughout the United States, Europe and Canada. Delegates from South and Central America will attend the New York convention.

Marshall DeCristofaro, presiding minister of the Springfield congregation, said, "At least 60 delegates from this area will be attending at New York also," and urged all who wished, to feel welcomed.

It is the desire of the Board to bring to the P.T.A. the kind of programs that the members want to have. Therefore, many of the thoughts and ideas suggested in the questionnaires parents were asked to complete have been given careful consideration. Plans are to incorporate these suggestions into programs that will both enlighten and entertain. Only by complete cooperation can the new officers and chairmen carry out their duties effectively. Let's give them our whole-hearted support so that the aims of P.T.A. can be achieved. Their eagerness to bring us a new kind of Association should only be surpassed by our eagerness to participate. It is for the good of our children, our homes and our community. Is there anything really more important than this?

AMERICAN LEGION
CONFIDENTIAL POST # 228

MISSILE-BOUND—The Springfield Sons of the American Legion took their "sons" to the Nike Base in Watchung on April 30 for a tour of the base. The boys were delighted with their tour, though some of them probably wanted to shoot off a missile. They had to be content with just looking. The Legion Sons provided box lunches and soft drinks for the youngsters.

Participants In Steel Symposium

Leon Salz of Mountainside, Manager, Lubricants Division, Magnus Chemical Company, Garwood, was a panel member of a symposium on lubricants for stainless steel, featured at the national meeting of the American Society of Lubrication Engineers in Philadelphia, April 11-13.

The symposium was attended by technologists and administrators from leading industrial organizations concerned with the fabrication of stainless steel. The session chairman was E. W. Emmerich, Allegheny Ludlum Steel Corporation. Other panelists included J. E. Anderson, Armco-Steel Co.

In his capacity as executive for Magnus lubricants sales, Mr. Salz has traveled extensively, visiting thousands of metalworking plants throughout the U.S.A. and internationally. He is the author of numerous articles on metalworking subjects especially in the fields of cutting fluids, stamping and deep drawing lubricants and wire drawing compounds. The value of these articles to industry was recognized by the American Society of Lubrication Engineers when he was selected to receive the Wilbur Deutsch Award in 1958 for his outstanding contribution in raising the standards of lubrication.

Mountain Trail Club Picks Mrs. Goodhart President

Mrs. Robert Goodhart was elected President of the Mountain Trail Garden Club-Mounday when the group met at her Whip-poorwill was home in Mountain-side. She succeeds Mrs. John S. Bretzger who presided and received annual reports of officers and committee chairman. Mrs. Wilbur Groves was elected Vice President and Mrs. C. A. Serretti Jr. was chosen Corresponding Secretary. The slate was presented by Mrs. Edward J. Verlangeri, Nominating Committee Chairman.

The club received a thank you letter from Overbrook Hospital in Cedar Grove of Easter novelty gifts for women patients.

Mrs. Bretzger announced the club had been notified that it had won an award from the Garden Club of New Jersey and presentation will be made at the State Organizations' Orange Headquarters May 23. Mrs. Bretzger and Mrs. Goodhart will attend the meeting.

Mrs. Edward Roome, read an article on means of attracting humming birds. Mrs. Edward Powers, Delegate, reported on a flower show school at State Headquarters.

Mrs. John Suski reported the recent Husband's night program at the home of Mrs. Carl Salerno, 1482 Barton Drive, a success.

Winners of a 'Little Flower Show' held in conjunction with the meeting were: 'South of the Border', first, Mrs. George H. Buchan and second, Mrs. Suski; 'In Apple Blossom Time', first, Mrs. Martin Deegan and second,

Mrs. Miles Goodrich: Tip-Top Through the Tulips', first, Mrs. Serretti and second, Mrs. Powers.

The Club will attend Sterling Forest Gardens in Tuxedo, N.Y. May 24. Accommodations are available for guests. It was announced.

Mrs. Suski reported the Club had contributed bioters to the State Horticultural Society.

Mrs. Bretzger reported in addition, trips to Cape Cod, the Adirondacks, Tanglewood and the Shakespeare Festival at Stratford, Conn. also will be made. Membership is open to college-age or older persons.

Kick-off Spring Garden Readies for Memorial Day

At last Thursday's meeting of the Short Hills Outing Club, President Henry Wright of 53 Colfax Road, Springfield announced plans for the kick-off cocktail party to be held on Sunday, May 21st, from 4 to 8 P.M. at Ye Old Mushroom Farm, 309 Mr. Pleasant and Prospect Avenues, West Orange.

Spring Garden's big pre-season Memorial Day week-end is beginning Saturday May 27th until Tuesday May 30th. During this extended holiday, the pool and baby pool will be available to members weather permitting. Most of the general facilities will also be available for the members' comfort and enjoyment.

Another pre-season bonus for all members will be the full use of the club's facilities every week-end from Memorial Day until the official opening day of the 1961 season - June 17th.

Pinocchio

The delightful story of the wooden puppet who became a real little boy will live on the stage of Paper Mill Playhouse Saturday, May 20th. Two performances of this appealing play will be given at 11:30 a.m. and 2 p.m. due to the tremendous demand for tickets.

Geppetto, a lonely woodcutter, the beautiful blue fairy, candlewick, Fireater, the Cat and the Fox will all be cavorting and conniving on the stage as poor Pinocchio sows his wild oats and finds his nose growing longer and longer. The wonderful fun sparkling all through the play is enough to fill any child's imagination.

"Pinocchio" is the second Children's Show to be presented at Paper Mill. "Tom Sawyer" is on June 3rd at 11 a.m. and 2 p.m., and "Young Abe Lincoln" comes to the Playhouse on June 17th, directly from New York. All of the shows have a talented professional cast of actors and are wonderful entertainment for the young of any age.

Brigadoon Wins Audiences At Meadowbrook Theatre

William Bendix in "Take Me Along" follows the Cedar Grove's present hit but, the famed star has a task in hand to top the current production replete with the whirling plaids and the swirling music. Its the enchanting musical-comedy "Brigadoon" which is winning audiences nightly at the Meadowbrook Dinner Theatre on Route 23. The wonderful Lerner and Loew show features Barbara Williams, Noel Coward, John Deery and a star-studded supporting cast.

Blending words, music and dance, "Brigadoon" tells of the adventures of two vacationing Americans in the Scottish highlands who stumble into the picturesque and fantastic village of Brigadoon on the day that it comes to life...which is one day in every hundred years. Here the people live from century to century in an aura of enchanting and peaceful light while the year of the world wears itself out. The Yanks, one romantic (Smith) and one sarcastic (Battles), are given the choice, in the form of two lovely Scottish maidens, the sweet Miss Williams and the other the man-chasing, wonderful Kit Smythe, of remaining in Brigadoon or going back to the hurly-burly of the modern world.

Set to the background of authentic Scotch burrs, tartans, plaids and haggies, the action moves through an inventive blending of romance, comedy, drama and excitement with such song hits as "Almost Like a Virgin in Love," "The Heather on the Hill," "Come to Me, Bend to Me and From This Day On." The vocals are in the capable hands of Miss Williams, of "Music Man" fame; Smith who replaced Robert Preston in the same Broadway show; Miss Smythe, who is being hailed as the theatrical find of the year and the fantastic tenor, Stuart HARRIS. The skillful Sword Dance features choreographer-Marc Horton and Gene Kelton, Judith Younger is most effective in the "Brigadoon" and all its beautiful music is performed every day through Sunday evenings. The show ends May 28th and will be followed by William Bendix recreating the Jackie Gleason role in the comedy hit "Take Me Along" opening May 31st.

 der, he will within two weeks thereafter exe-
 cute such contract and satisfactory perfor-
 mance bond. Upon failure to do so, he shall for-
 feit the deposit as liquidated damages and the
 acceptance of the bid will be contingent upon
 the fulfillment of this requirement by the bid-
 der. Checks of all excepting the above-
 mentioned bidders will be returned within three (3)
 days after contracts and bonds have been executed.
 No bidder may withdraw his bid for a period
 of 30 days after date set for opening thereof.
 The successful bidder will be required to ex-
 ecute a performance bond in approved form as
 set forth in "Instructions to Bidders", which
 bond will be in the amount of the contract.
 The Board of Education reserves the right to
 reject any or all bids, and accept the bid that
 in its judgment will be for the best interests of

Received by Holy Cross

The largest confirmation class in the 10-year history of Holy Cross Lutheran Church, Springfield, will be received into full adult membership by the historic Rite of Confirmation this Sunday at 10:30 a. m. service. Pastor Lester Messerschmidt will officiate.

While not considered a sacrament in the Lutheran Church, confirmation is considered one of the most important rites, in which the vows taken by the parents and sponsors at baptism are confirmed by the confirmation.

The members of the class have had two years of confirmation instruction in which they have reviewed the basic teachings of the Bible, and the principle teachings of the Christian Church. They have also been instructed in church history and worship customs and practices. Sessions were held once each week during the regular school year for two years. In this way, they have been prepared for their important decision and step in becoming full church members.

The Festival of Pentecost had been selected by the church because it is considered to be the birthday of the Christian Church and represents the first day when the Apostles won converts to the church. Traditionally, the day is known as Whitsunday (White Sunday) for the white apparel worn by early converts when being received into the church. The class will wear white confirmation robes on this occasion.

Members of the class are: Norman Dougherty, Robert Gooding, Richard Hadley, Charles Lissy, Daniel Lissy, Stephen Ludecker, Keith Minard, Robert Wilkins, and Lois Zachau.

The Ladies Guild of Holy Cross Parish is presenting each confirmation with a copy of "The Lutheran Prayer Book" in commemoration of the occasion.

Archaeological Finds Topic of Princeton Prof Talk at Church

"Sea Search into History at Caesarea" will be the theme of the Church Family Fellowship Evening at the Springfield Presbyterian Church on Thursday May 25, when Dr. Charles T. Fritsch of Princeton Theological Seminary speaks of the recent archaeological discoveries in the Holy Land.

The meeting will be at 8:00 P.M. in the Parish House to be followed by an informal fellowship hour.

Dr. Fritsch was a co-director of the underwater archaeological expedition at Caesarea in 1961 sponsored by the American-Israel Society, Princeton Theological Seminary, and Life Magazine. A colorful and detailed description of the work and findings of the expedition is described in the May 5th issue of Life. This city was once the chief port of the Roman Empire in the eastern Mediterranean, magnificently built by Herod in 10 B.C., serving as the port of entry to ancient Palestine and the focal point of the great trade routes of early civilization.

Through the years the city with its fine harbor was destroyed and abandoned through a series of wars and invasions and only in 1961 did it become the subject of intensive exploration.

SPECIAL SPEAKERS
Dr. Benjamin W. Gilbert of the Methodist Church, Springfield, will be absent from his pulpit this coming Sunday morning, but there will be special speakers at both services.

Alfred E. Bowman, president of the Board of Trustees, will speak at 9:30 a.m. Mrs. Virginia Gilbert Winn of Delmar, New, daughter of Dr. and Mrs. Gilbert, will present a special program of preaching and singing at the 11 a.m. service. In her special number, she will be accompanied by Mrs. Dorothy Green, also of Delmar.

More MH Helpers Assisting

Women's Club News

Preparations are being made for a Cocktail Party to be held on Sunday, June 4, at Wally's-On-The-Hill in Watchung to benefit the building fund of the Scotch Plains Women's Club. The Junior Membership Department, under the chairmanship of Mrs. Howard Dinkie, will sponsor this fund-raising event.

The Cocktail Party will be in full swing from four to eight p.m. that Sunday with hors d'oeuvres, coffee, music by Andrew Morgan of Plainfield, and a floor show scheduled at six o'clock. The show will be in the form of a French revue to carry out the French motif of the afternoon.

Mrs. Bruce Vogt, Mrs. William Miller, and Mrs. Raymond Swidersky are assisting on the committee. Tickets are presently available from all club members, or by calling Mrs. Vogt direct.

The public is cordially invited to join with the congregation of the Presbyterian Church in this most informative and interesting evening when the lecture will be illustrated with colored slides.

Here comes the Church can be heard in migrant camps when the New Jersey Harvester arrives with the chaplain at the wheel. The Harvester, a station wagon equipped to serve as a traveling church and community center, is nearly worn out.

To help replace the Harvester the Westfield Council of United Church Women is sponsoring a tea to be held on Friday, May 19 at the home of Mrs. Frank M. Rugg, 525 Lawrence Avenue, Westfield, from 2 to 4:30 in the afternoon. Colored slides depicting the work of the New Jersey Council of Churches among migrants will be shown.

A portion of the proceeds from the tea will be donated toward a Fellowship Grant, enabling a woman student to take additional courses, qualifying her to serve as a chaplain in public or private institutions, working with women and children.

Serving as hostesses throughout the afternoon will be Mrs. Leland K. Beach, President of the Westfield Council of United Church Women, Mrs. Charles Calucci, Mrs. Raymond S. Grant, Mrs. Josiah Compton, Mrs. William Dale, Mrs. Andrew W. Boggs, Mrs. Ricketson B. Russell, all of Westfield; Mrs. Robert Hanna of Mountainside, and Mrs. H. Stange-Orth of Cranford.

The committee in charge of arrangements for the tea includes Mrs. Nelson B. Aikens, Mrs. Cornelius Braxton, Mrs. Herbert Eckert, and Mrs. Frank M. Rugg all of Westfield; Mrs. Stewart G. Fulton of Springfield, and Mrs. Douglas E. Tuttle of Mountainside.

All women are invited to attend the tea and learn more about these projects.

Present plans for the Fall Season included the traditionally elaborate luncheon-fashion show to be held at the Chanticleer, Millburn, October 7 at 12 noon. Plans are being formulated to make this festive fund-raiser, bigger and better than ever.

Party chairman, Mrs. Dominick La Morgese, and vice-presy, Mrs. Azeglio Panconi Jr., coordinated plans for the gala fête. On the committee assisting are Mrs. Anthony Zampello, Mrs. William Royal, Mrs. Nicholas Di Giorgio, Mrs. Angela Montanino, Jr., and Mrs. Michael Passero, Jr.

University Experts Explain Higher Math To Regional Pupils

Two university experts in mathematics spent three days in the Union County Regional High Schools this past week engaged in a program of deepening the insights of pupils in mathematics.

The two men, both from the University of Delaware, are well known both in pure mathematics and in mathematics education.

Dr. Willard Baxter spent Monday in the Governor Livingston School in Berkeley Heights and Wednesday in the Jonathan Dayton School in Springfield. His topic was Linear Programming.

His colleague, Dr. William Thompson, spent Tuesday at the Arthur L. Johnson School in Clark discussing Probability and Statistics, a subject which the advanced mathematics class at that school currently had under study.

The program was sponsored by the Regional district by the Mathematical Society of America under the auspices of the National Science Foundation. The State Department of Education acted as the liaison agent in arranging for the three-day visit which included after-school meetings of the high school mathematics staffs.

GLHS Sports Highlights

With the rainy Spring continuing to play hob with the efforts of Governor Livingston Regional High School to play baseball, the Highlanders this week are turning their attention to tournament play.

Of a possible five games scheduled last week, the Highlanders managed to play—and win—only one. Governor Livingston turned back a last-inning threat by Middlesex High to win 6-4 on May 9 at Middlesex. It was the second time this season the Highlanders had downed Middlesex.

Two other contests—a Union County Conference tournament game with Rahway High and an evening with Bridgewater-Raritan High were postponed by rain and wet grounds. Two other scheduled games—with Mountain High of West Orange and Scotch Plains High—after several post-ponements were cancelled. The Highlanders had beaten Mountain High 15-1 and Scotch Plains 8-5 in earlier meetings. The win over Scotch Plains was in the Union County tournament's first round.

Last week's limited activity left the Highlanders with a 6-1 record for the season and the possibility of participating in three tournaments. It is the situation:

1. The Union County tournament contest with Rahway was to be played either yesterday (May 17) or today (May 18) at Rahway. Coach Russ Hunter tries to work out the scheduling arrangement with Coach Earl Houghton of Rahway. Governor Livingston has feared it since last year when it scheduled a one-hitter against the Scarlets. Rahway is seeded #2 in the tourney, while Governor Livingston is ranked #7.

2. Governor Livingston is scheduled to play Scotch Plains in the Union County Conference tournament. Scotch Plains is seeded #1 in the tourney, while Governor Livingston is ranked #7. The game is scheduled for May 22 and 23.

3. Governor Livingston is certain to be given strong consideration as an entry for the annual Greater Newark Baseball Tournament which will bring together 16 of the top schoolboy teams in North and Central Jersey. The deadline for entries was Tuesday

May 16. The outcome of last Tuesday's contest against Springfield Regional might very well determine whether the Highlanders are selected. Springfield rallied in the late innings to nip Governor Livingston 6-5, in eight innings on May 8. Reversing this setback might very well boost Huncher's nine into the tourney. A maximum of four Union County teams probably will be selected. Other outstanding contenders from this area are Linden Union, Rahway, Scotch Plains, Scotch, Roselle and Westfield.

Ken Hamilton pitched and batted the Highlanders to victory over Middlesex. With the score tied 2-2 in the sixth inning, three walks filled the bases. Ken then promptly unloaded them with a long triple. Moments later Hamilton scored the fourth run of the inning on an error.

Jerry DiPasquale once again was a hero in a relief role. When Bob Sweatt, who had taken over the pitching duties from Hamilton got into trouble in the seventh inning, DiPasquale came on with the tying runs on base and no one out and retired the side. Two strikeouts and an infield fly ended Middlesex's hopes. Artie Thomas paced the Highlanders' 10-hit attack with a double and two singles, while Tony Mele had two singles. Steve Farrar, John Wasias, John DeLuca and John Nackoneckny accounted for the other Highlander hits—all singles.

Souvenirs from Civil War Shown at Barrett & Crain

In commemoration of the "Blue and the Gray", Civil War mementos have been arranged in the windows of Barrett & Crain, Realtors, 100 Morris Ave., Springfield.

Also shown are several old books including Helper's "Impending Crisis", 1859 and 1860, a piece of the tree against which Brigadier General J.E.B. Stuart rested and died, after being wounded, and other war relics loaned by H.A. Ricards of Westfield. Confederate money, stamps, and political ads were loaned by M.E.C. James.

Union mementos include a cavalry officer's sword, a bayonet, a Windsor Rifle, U.S. model 1841, a rosewood rifle, a Remington 44 cavalry revolver, a Union cover and a Confederate cover, a picture signed by General Sherman, a letter from General Dix, a pic-

Baking Contest Winners Told

Through the courtesy of the Union County Home Economics Extension Service, Miss Anne Randolph of Mountaintop and Miss Edith Ingalls of Berkeley Hills, judged the BKE Sale of the Country Fair held Saturday, May 13 at the Deerfield School, Mountaintop.

In the decorated cake division the winners were: First, Mrs. J. Winkles; second, Mrs. C. J. French; third, Mrs. H. Cohen; fourth, Mrs. G. Kennedy.

In the yeast cake division: First Mrs. R. Hergott; second, Mrs. Kadoski.

The winner for brownies was: Mrs. Kilbourne.

The pie baking winners were: First, Mrs. J. Bauer; second, Mrs. L. M. Greenberg; third, Mrs. H. Kranich; fourth, Mrs. J. Keenan.

Winners in the children's division: First, Nancy Wecht; second, Sara Elwood.

In spite of cloudy skies, this 13 Annual Fair proved to be the most successful thus far. The committee wishes to thank all those who gave of their time and efforts to assist their PTA in its one fund raising event of the year. Thanks also to all the residents of Mountaintop who came out to support these efforts.

In the background are displayed two of Mrs. Mott's water-colors of homes recently listed.

The Mother's Guild of Saint James Church, Springfield, will hold its final meeting of the year on Monday, May 22 at 8:30 p.m. in the school auditorium.

The Guild will again sponsor two \$25 bonds for the boy and girl with the highest scholastic achievement record in the graduating class.

Induction of new officers for the coming year will be held. The annual reports will be given plus plans for the Communion Breakfast for eighth grade students will be completed.

Attends Bank PR Meeting

Loren F. Gardner, president of Crescent Savings and Loan Association of Maplewood and Springfield, attended the quarterly meeting of the Savings and Loan Foundation held at the St. Anthony Hotel in San Antonio, Texas, on Monday and Tuesday of this week.

The purpose of the meeting, according to Mr. Gardner, was to review the Foundation's national magazine, radio and TV advertising programs for the next few months. The Foundation, a national organization formed in 1954 to educate the public on the importance of the savings and loan association in the economic life of the community, has been steadily gaining support of associations throughout the country. Recently, membership in the Foundation passed the 2,000 mark.

TV programs sponsored by the organization include those of public interest such as the Presidential Inauguration and "The Real West" narrated by the late Gary Cooper.

LIBRARY GETS \$500—As a result of the annual dessert and card party, sponsored by the Friends of the Library on March 17, the group was able to give a \$500 check to the Mountaintop Public Library. Mrs. Elmer Hoffarth, librarian, will use her discretion in deciding what books to obtain. Pictured left to right are Mrs. Hoffarth, librarian; Mrs. Howard McMurray, president of the Friends of the Library; and Mrs. Walter Rupp, treasurer.

Chalet Goes To Chem Caravan

Alan Chalet of Springfield, a student at Jonathan Dayton Regional High School, participated in the second annual Chemical Caravan which was conducted by the Chemical Industry Council of New Jersey. Sponsored by White Laboratories, Alan observed lecture-demonstrations by Professors H. N. Alyea and E. M. Rogers of Princeton University. He later had lunch with Governor Robert B. Meyner and met chemical industry executives. Approximately 100 young people participated in the tour.

Heating Plant Balky? Fuel Bills Excessive?

Let us give you all the facts about modernization.

The heating plant is the heart of your home. Right now is a great time to find out if it is being as good to you as it should. Does it keep you comfortably warm with minimum fuel consumption? Does it maintain uniform warmth throughout the house? Does it operate dependably... never letting you down? Is it the right size for your house? Is it giving you the most for your fuel dollars?

These are some of the questions you should ask yourself if any of the answers are not satisfactory. You should know about the possibility of modernization or replacement. It is quite possible that new OIL HEATING equipment... conveniently financed over a period of years... will save you money, through more efficient fuel use, and through elimination of repair costs.

Let's get together for an expert diagnosis of the "heart of your home." No obligation, of course.

Call us today for an expert evaluation of your present heating plant.

Your Library

Travel in America presents slightly different problems from those considered last week. As long as one stays within the borders of the United States there are almost no money, social or language barriers.

Here the scenery and natural wonders are the chief delights. Some good titles to consult are: 'America's Natural Wonders' by Colby; 'America's National Monuments and Historic Sites' by Long; 'Our Land and People in Pictures' from Look Magazine; 'America's Wonders' from National Geographic Magazine; 'It's a Big Country'; and 'America Off the Highways' by Buman. Other good guides are: Places 'Vacation Guides' 'Good Places to spend an Enjoyable Vacation'; 'Hammond's Pictorial Atlas of Spenic America.'

For day trips or travelling close to home 'How to Know and Enjoy New York' and books and pamphlets about New Jersey are good to know. 'The Springfield Library has a collection of NJ pamphlets, Cunningham's 'NJ Shore', 'Essex-shore's 'Newark, City of Surprises', and Shuman 'The Iron Story' and examples of books. 'NJ, a Guide to Its Present and Past' which was prepared by the Federal Writers Project in 1939 is still the most comprehensive guide to our state. It is also true of most of the other states that the WPA guides include more detailed information than any other sources. When these supplements by up-to-date by road maps and atlases, the travelers report their most useful handbooks. Other books are about one region. Examples of these regional type are those about New England or the West.

Camping is another phase of travel. 'Books on the National Parks, have sections about camps and there are special books on camping and hiking. There are likewise, books, to give advice about places to eat and sleep. Two are by Hines: 'Camping for a Night' and 'Adventures in Good Eating' and Elwell's 'Camping out in America'.

When travelers cross the borders of the United States, they find conditions in Canada quite similar to our own; there are good guides to that country and likewise for Mexico where travel is more like American travel. Our Library has many guide books and other books which give backgrounds on Mexico, Guides to the Caribbean, South America, Asia and Africa are also available. Last week the European guides were listed in the SUN.

A Board Member's View

By James Noste
(Nothing in the following article is to be considered the official opinion of the Mountainside Board of Education)

As a Board member, I find myself in an uncomfortable position. I am confronted with two pressures, one, the need of providing the proper Elementary educational facilities for our youngsters, in accordance with the basic requirements of the public education system, two, submitting to the pressure and requests of parents of school youngsters.

This position becomes more acute when the funds assigned for this task are limited.

With respect to the amount of money needed for education, let me emphatically state, "We can never spend enough money for good educational purposes."

However, when public funds are limited or reduced from School Budget requests, a Board member must decide to which pressure he must submit. My actions and decisions to date have attempted to show that my prime responsibility lies with providing basic educational facilities.

The purpose of public education is to provide the necessary educational facilities and opportunities to all youngsters of school age. Public schools must first and foremost develop basic needs and skills of all educable youngsters so that they may adequately take their place in community life.

From grades Kindergarten to 6th the basic facilities that the school must provide are courses in English, Social Studies, Physical Health, Science and Mathematics. From grades 7 to 8 the basic facilities change according to the future goals. Terminal students require subjects in Industrial Arts, Home Economics, and courses in commercial areas such as Typing, Bookkeeping, Consumer Educa-

tion, etc. The college bound youngster requires advanced subjects than those mentioned above. In addition to these basic subject areas I would add remedial courses for those youngsters who require them. Unfortunately, some youngsters do not respond as rapidly as others and are slow to learn.

Our capabilities are limited and not so broad as others. Consequently, by laws of natural phenomena they fall short of the goals set by educational standards. This difference in intellectual, social, racial, religious, or economic standards. This difference in intellectual, social, racial, religious, or economic standards. This difference in intellectual, social, racial, religious, or economic standards.

We often find a combination of fast and slow youngsters in the same family. Our Mountainside schools have their share of such pupils. How does our public school system reach these individuals? I believe, if we are to adhere to the democratic principle provided in our public school structure, we as Board members and administrators must do whatever possible to assist the less capable children to reach and maintain the educational standards required of them. This may be accomplished by concentrated remedial programs under the guidance and supervision of highly specialized teaching personnel. This could take place during the current school year or during the summer recess. This is an area most deserving of additional finances, time and effort.

Monies which have been expended in areas beyond the basic needs, namely, in French instruction in the elementary third and fourth grade level, or funds which the Board of Education has currently approved to spend on Librarians and the expansion of

our library facilities reflects an excellent example how limited educational funds can be spent for the benefit of some but at the detriment of the academically weak child. I would rather see fifty French and Library programs wither on the vine than deny one slow child his educational rights.

To the parents who are blessed with a child who maintains satisfactory or above standards. I can honestly say, I am as thrilled and happy as they. This indicates our public school system has met and achieved its purpose.

For some persons, the young children require additional educational reading materials, in light of the limited local funds and the absence of Federal Aid, they have no choice but to satisfy this need at their own time, effort and expense. There are excellent public supported libraries in the nearby cities and towns that can provide an outlet for such needs. In some instances for parents have gone through the expense of providing private resident audio-visual and library facilities for their children. There are suitable and highly reputable Private Schools in the vicinities whose curricula could further enrich the child's needs beyond the basics. A group of parents may work cooperatively to underwrite the cost of educational plus-

My decisions on French, Elementary Library programs and those to be made in the future must follow one direction. I'll follow the path that the majority of voting citizens of Mountainside, on two distinct occasions, directed me to follow. If I ignore the mandate and proceed to provide expanding, and in some cases, duplication library facilities, in essence, I am repudiating the will of the majority in order to provide facilities over and beyond our primary necessities.

If some persons feel the youngsters require additional educational reading materials, in light of the limited local funds and the absence of Federal Aid, they have no choice but to satisfy this need at their own time, effort and expense. There are excellent public supported libraries in the nearby cities and towns that can provide an outlet for such needs. In some instances for parents have gone through the expense of providing private resident audio-visual and library facilities for their children. There are suitable and highly reputable Private Schools in the vicinities whose curricula could further enrich the child's needs beyond the basics. A group of parents may work cooperatively to underwrite the cost of educational plus-

es for their youngsters, in the confines of our public supported school buildings. This procedure has proven practical in piano and musical instrument instructions for those who wish to develop musically.

This may be burdensome, inconvenient and more often troublesome. However, what else can a parent do when he feels strongly for his child's educational welfare? I sincerely believe, when our public institution becomes financially limited, parents of deserving children should assume the responsibility for their child's education.

no designs in that direction. I merely wish to carry my responsibility for the best interest of not only the paying public who have children in the elementary schools, but for the retired and semi-retired public, for parents whose children are beyond school age, and last, but not least, for those paying citizens who have no children.

Represents Holy Cross at 19th Missionary Meeting

Mrs. Helen Messerschmidt, 9 Ascot Way, Summit, represented Holy Cross Lutheran Church, Springfield, at the 19th Annual Convention of the Atlantic District of the Lutheran Women's Missionary League this week. Also attending from Holy Cross Parish were: Mrs. Roy Dougherty, Mrs. Carl Holmberg, Mrs. A. Jacobsen, Mrs. Lester Luedeker, and Mrs. George Mithon.

The convention was held on May 17 and 18 at the Ambassador Hotel, Atlantic City. Approximately 1,200 delegates and guests representing 250 congregations of the Lutheran Church-Missouri Synod attended from Eastern New York, New Jersey and New England. The Rev. Theodore C. Moeller, pastor of Pilgrim Lutheran Church, Indianapolis, Indiana, and vice-president of the English District of the Lutheran Church-Missouri Synod, was the banquet speaker on Wednesday evening, May 17. Additional featured speakers on the convention program were Ruth Youngdahl Nelson of Washington, D. C., and Lucille Koppelman of St. Louis, Missouri.

The hosts for this convention are the New Jersey societies of the Hudson Zone of the Atlantic District LWML. Mrs. R. Dunlop, Weatwood, N.J., is the convention chairman. Co-chairman is Mrs. R. Wilson, Glen Rock, N.J. Mrs. G. Hollingshead, Bergenfield, N.J., is the convention secretary and Mrs. F. Conrad, Paramus, N.J., is the treasurer. The theme for the convention was "Ambassadors for Christ".

The Atlantic District includes 250 societies with a membership of 11,000. It represents the northeastern-most district of the International Lutheran Women's Missionary League which has a national membership of 200,000. The league, dedicated to presenting the Gospel of Christ, fosters mission work in the United States and foreign countries. While each district is a unit in itself with its own projects, it also cooperates in supporting projects of the international organization. All funds are gathered on an entirely free will basis.

The annual theme for the year in the Atlantic District LWML is "Why I Am A Lutheran". Financial support was given to a chapel at the University of Connecticut, Storrs, Conn., and Trinity Lutheran Church, 9th Street and Avenue B, New York City. The international projects offered support for a high school in Hanno, Japan; a combination administration building and dormitory for the educational high school in Espirito Santo, Brazil; and a seminary in Manila, Philippines. Officers of the Holy Cross Lutheran Church LWML are: Mrs. Lester Luedeker, President; Mrs. George Mithon, Vice-president; Mrs. Roy Dougherty, Treasurer; Mrs. Richard Wilson,

Recording Secretary and Mrs. Carl Holmberg, Corresponding Secretary. The Rev. L. P. Messerschmidt is pastoral advisor to the group.

Gaudy Land Acquired by Holy Cross

Holy Cross Lutheran Church of Springfield has officially acquired the property at 641 Mountain Ave., Springfield, directly southwest of the present church site. Dr. George Becker, Building Committee Chairman, has announced, formerly owned by Louis Gaudy, the transfer of title took place on April 27th. Purchase agreement for the property was signed in July, 1960. Situated on the lot which parallels the present church property are a five-room frame dwelling and a garage. Dimensions of the lot are 40ft x 56ft. Acquisition of the Gaudy property now gives Holy Cross Parish a two-acre site consisting of 148 feet of frontage on Mountain Avenue and a depth of 569 feet. It is planned at the present time to use the Gaudy dwelling for the Sunday-School rooms and other parish activities until new educational facilities and a church are constructed next year. The church's present Parish House at 639 Mountain Ave. is now for sale and activities will be moved to the newly acquired building at 641 Mountain Ave.

Women Plan Final Meeting

Mrs. Phillip Ames, president of Temple Sharey Shalom women's group has announced a board meeting to be held on Monday evening May 22. Since this will be the last board meeting before the election of new officers, of the season, Mrs. Ames as she has done in past years, will hold the meeting in her home at 25 Archbridge Lane, in Springfield, at 8:30 PM. On the agenda will be final reports from all committee chairmen, and a final report on the group's Donor Dinner, which will be held on the following evening. Mrs. Ames has also announced that the Women's Group has voted to join the National Federation of Temple Sisterhoods, which is a branch of the Union of American Hebrew Congregations, to which Sharey Shalom belongs.

DWYER NEW CHURCH PRESIDENT.—Pictured above is Michael Kluczewski, left, the outgoing president of the Holy Name Society of Our Lady of Lourdes Church, Mountaine, congratulating the new president, right, James F. Dwyer of 1227 Wood Valley Road, Mountaine, Father Francis McDermitt, the society moderator, in the center. The new officers were installed at the Tuesday meeting held at the Elks Club, Rt. 22, Mountaine. The other men elected are Charles DeAngelis, vice president; John Suski, secretary; Casimir Osiecki, treasurer; and George Misurillo, marshal.

Christian Service Women

Hear Kenilworth Reverend

Rev. James Tiller, Pastor of the Kenilworth Methodist Church, was guest speaker at the May meeting of the Woman's Society Christian Service of the Springfield Methodist Church. The topic of Mr. Tiller's talk was the Faith in Action Crusade, which will be launched this fall by the churches in the Newark Conference of the Methodist Church to raise the sum of \$2,150,000.

A substantial amount of this money will be used for church expansion. A careful study reveals that many new churches are needed in the Newark Conference, which will also have to be provided with leadership. Another part of these funds is to be allocated to City Church Advance, many Spanish-speaking people are moving into the cities and there is great need to supply these city churches with Spanish-speaking ministers and Christian Education Directors.

There has long been a need for a Methodist Campsite in this area, and part of this money is to be used for the purchase, construction and maintenance of such a campsite in the Newark Conference. This will be for the use of both youth and adults and will provide accommodations for between 200 to extend the work Methodists are doing in higher education, they plan to continue supporting their church-related schools and the Wesley Foundation. Three outstanding schools sharing in this support are Drew University and Seminary, Centenary College for Women and Morrisstown College. Also they wish to provide additional scholarships for ministerial candidates to make it possible for them to devote the first year of their theological training entirely to their studies without it being necessary for them to seek outside employment. It is also planned to allot a portion of this money to amplifying God's Call. This means equipping young people with the wide variety of Christian vocations open to them and particularly explaining to them the necessity of recognizing and answering the call to the ministry. Including a small percentage to conduct this Crusade, the total amount required will come for the individual churches in the Newark Conference. The wholehearted cooperation of every Methodist will be necessary to carry this program to a successful conclusion and it is believed that this will be accomplished, as Methodists will welcome this opportunity to take a part in advancing the work of their church.
