Local Rabbi Convicted Vows More "Freedom Rides"

Rabbi Israel S. Dresner, spiritual leader of Temple Shalom in Springfield, was convicted last Thursday, along with nine other clergymen, of unlawful assembly by a Tallahassee, Florida magistrate, and received a maximum sentence of \$500 fine or 60 days in jail. He posted \$1000 bond and filed notice of appeal.

The clergymen were arrested during a "Freedom Ride" by the Congress of Racial Equality (CORE).

Municipal Judge John Rudd, in passing sentence, told the clergymen: "If I thought for one minute that you came here on a noble, Christian purpose, and acted accordingly, you would not be here now. Stop and think when you go back home and check the records of crime there compared to Tallahassee. Then clean up your own parishes, and you'll find you have more than you can take care of."

Rabbi Dresner, in an interview with the Sun, stated: "I am proud of how we all acted in the face of the difficulties we encountered. I'll be going back, soon I hope."

Highway Department Wants Land No Right of Way Maps Available for Town

Mayor Calls Offer "Gross Insult"

A State Highway Department letter asking for a small parcel of town-owned property produced a violent storm of protest from Springfield Township Committee Tuesday night.

The letter asked to buy 2,805 square feet of land off Morris Avenue opposite Caldwell Place for \$4,900 in connection with the construction of Route 78, Section 5-A. The land is a portion of municipal parking lot Number 2.

Mayor Vincent J. Bonadies called the offer "a gross insult to the people of this community with no regard for common decency."

No action will be taken until Springfield has maps certifying the right of way, the Committee indicated.

Last week, Mayor Bonadies said, Mrs. Eleanor Worthington, township clerk, called, at his request, numerous Highway Department officials seeking information. "Everyone was either on vacation or said they had no authority," he said. In April, 1960 at a meeting in Trenton with State Highway Commissioner Palmer and Township Committee members, a promise was made that the right of way maps would be in the hands of the township clerk within 10 days according to Mayor Bonadies. No maps have yet been received, despite many requests, he said.

This letter is the first indication the township has that the Highway Department is planning a highway, the mayor said. Committee member Howard A. Flammer described the request as premature in view of the fact that the township has no knowledge of where the road is going. He recommended that the communication, written by Angelo A. Alfano, principal right of way negotiator, Appraisals and Negotiations, be filed. Committee member Daniel M. Lucy said that he agreed with Committee member Flammer and would take no action until an alignment map was available. Every effort to learn the alignment has been ignored and now they ask us to part with property vital to the township, he said.

Addressed to Mrs. Worthington, the letter said that the land in question contained some black top parking areas, some guard railing and one light stanchion. Included with it were agreements in duplicate which were requested to be executed and returned along with a copy of the approving resolution.

Township Committee instructed Mrs. Worthington to convey its feelings in this matter to the State Highway Department.

GOP CHOOSES MANAGER—The Republican candidates in Springfield's November election have chosen James Cawley as their joint campaign manager. Agreeing on policy platform and strategy are left to right Arthur Falkin and Robert Hargrove, Township Committee candidates; Fred Braun tax collector candidate and Mr. Cawley.

Baltusrol Hosts Lady Golfers As 89 Begin Open Tourney

Women Shooting For \$8,000 in Prize Money

The annual Women's Open Championship of the United States Golf Association which is being played today at Baltusrol Golf Club is the second largest field in the history of the event. The 89 women will compete for a total prize money of \$8,000 in total prize money with a first prize of \$1,000.

The 72-hole tournament will be played over three days in a course which has been the scene of nine other national championships.

Leading today's field will be champion, Betsy Rawls

of Spartanburg, S.C. Miss Rawls who triumphed last year at Worcester, Mass., will be seeking an unprecedented fifth win. She won previously in 1951, 1953, and 1957.

At tee-off time a trio of her sister professionals loomed as the biggest threat to Betsy's continued domination of the event. They included Mickey Wright of Dallas, Texas, the game's longest driver, last year's "Player of the Year" and the current Ladies PGA champion; Louise Suggs of Atlanta, Ga., 1960's leading money

winner and former two-time champion, and the current "hottest" player on the circuit, Mary Lena Falk of Sea Island, Ga. Besides this high-powered foursome, every former Open champ and all of the leading players on the LPGA circuit are competing. That includes previous title-holders Patty Berg of St. Andrews, Ill., Fay Crocker of Montevideo, Uruguay and Kathy Cornelius of Phoenix, Ariz.

Marlene Bauer Higge of Delray Beach, Fla., Barbara Romack of Sacramento, Calif., Beverly Hanson of Palm Desert,

Calif., Marilyn Smith of French Lick, Ind., and Ruth Jensen of Seattle, Wash., head the standout group of women professionals seeking a first Open title.

A number of the nation's leading amateur players are competing in an effort to break the professionals' exclusive hold on the Open title.

This group is headed by Marlene Stewart of Toronto, Canada, the 1956 Amateur champion. Also competing is former amateur champion Mrs. Mark Porter and the two-time runner up, Helen Sigal Wilson, both of Philadelphia, Pa. Mrs. Frank Stranahan of Toledo, Ohio, Phyllis (Tish) Preuss of Pompano Beach, Fla., and Marge Burns of Greensboro, N. C., recent Women's Eastern Amateur winner.

Heads Squad

The installation of new officers for the Gold Cross Auxiliary of New Jersey, First Aid Squad Council, second district, was held at the Springfield First Aid Squad Building June 14.

The newly elected and installed officers were: president, Mildred Skladny, Wachung; vice president, Doris Wottowicz; Linden; corresponding secretary, Jean McCandless, Cranford; recording secretary, Ruth Pardue, Wachung; treasurer, Emma Gile, Plainfield.

Attending the installation were groups from Linden, Plainfield, South Plainfield, North Plainfield, Colonia, Westfield, Clark, Watchung and Springfield.

DEMS MEET—Vincent J. Bonadies, Democratic mayor from Springfield, meets with Judge Richard J. Democra, Democratic candidate for New Jersey governor. The two Democrats met a reception for the gubernatorial candidate at the home of Mr. and Mrs. Chrygotis of Summit. (Fred Keesing photo).

State OK's Traffic Lite

Installation of a traffic signal at Hillside Avenue and South Springfield Avenue, for many months a bone of contention between state and local officials, will soon be a reality according to a state communication received Tuesday night by Springfield Township Committee.

In a letter to Committee member Russel W. Sibole, Gerald J. Driscoll, Chief of the Department of Law and Safety, Division of Motor Vehicles, explained the state's stand in this matter and enclosed signal application forms.

The signal will be granted on the condition that South Springfield Avenue will be made wider when funds are available.

Chief Driscoll wrote that his office was not "attempting to thwart the efforts to install a signal at the location but was concerned with the safety of both the motorists and pedestrians who will be using these roadways." He continued, "A signal can increase the hazard at an intersection if it is not installed properly or if certain roadway improvements are not accomplished in conjunction with its installation. In this case, we are highly concerned about the potential hazard to pedestrians and northbound motorists because of not cutting back the northeast corner as well as the reduction in the capacity to carry traffic that the signal will cause for South Springfield Ave., which is already overloaded," he wrote.

However, in view of your agreement to widen South Springfield Avenue when funds are available at which time you agreed to relocate the signal poles, we are willing to proceed in this matter," the letter concluded. It further stipulated a semi-actuated push button controlled traffic signal.

Committee member Daniel M. Lucy said that the light will be a much needed improvement to the community. There was a great deal of delay in accomplishing this and it was through the concentrated drive made by Committee member Sibole and Police Chief Wilbur Selander that it was achieved, he said. The location is in the route of children walking to and from the new Sandmeter School.

Authorization was given for the filling in of the application forms and their return to the State.

Nationalism

As long as people are imbued with the spirit of Nationalism, their Country becomes, and remains, powerful and great. When the Nationalist spirit wanes, the same Country becomes weak, morally corrupt and ineffective because Nationalism is the back-bone of a Country.

Nationalism is a great force! The signers of the Declaration of Independence were inspired with it....Nathan Hale and other brave men died for it....The ancient Romans built an Empire with it, and lost all when it lapsed. All through history, it is evident that great Nations became great only because of a strong Nationalistic spirit. This is how AMERICA BECAME GREAT!

Yet, now at the most crucial time in our history, when we need this Nationalistic spirit more strongly than ever, it seems to be lacking. Americans today seem to be more interested in their own individual economic welfare than in the welfare of the Nation as a whole. The "money-value" seems to have replaced many other good and necessary values such as honesty, decency and moral strength. Complacency, indifference and pacifism are very common feelings everywhere today, even though Communism has encroached into the Western Hemisphere, and a little "Tin Dictator" has already spat in the eye of the American eagle.

Moreover, Communist sympathizers are hard at work trying to destroy unity here at home. They have propagated the Southern integration problem to the hilt, constantly fanning the fires of hatred and prejudice among American groups. Certainly, all intelligent Americans, including the Southerners, realize that integration must be instituted everywhere. The Negro people have been more than patient, and are entitled to live as first-class American citizens.

President Kennedy is endeavoring to effect complete integration as expeditiously as possible. However, outside interference, such as the crusading "Freedom Riders", can only hinder the President's efforts and quell the strong Nationalistic feeling that we so desperately need.

Today, as in 1776, we need the Nationalistic spirit of our forefathers to preserve our freedoms that they endowed us with. In this editor's opinion, it is the only thing that can save our beloved Country from the complete enslavement of a Communist society.

We must not allow ourselves to be blinded to all else but the "Money-value"! We must not allow racial and religious prejudice to divide and weaken us! Let us all put aside our petty differences and strive shoulder to shoulder, as Americans, to keep our great Country and the rest of the World free from Communism! Let us become steeped in the strength of Nationalism so that we may continue to live, work and worship in our own ways!

The 1961 Women's Open Golf Championship will be played on the Lower Course of the Baltusrol Golf Club, June 29, 30 and July 1. For the tournament the Lower Course will be 6,382 yards long with a par of 36.

Despite the fact that the course is 36 years old, it was designed and built by A.W. Tillinghast in 1920 at the direction of the club's founder, Louis Keller - the Lower Course has undergone no radical changes from its original concept. In fact, the course as it will be set out for the women's event, will more nearly approximate its original yardage than in any previous tournament held there.

Baltusrol was laid out in the form of a loop in that the first nine goes out and away from the clubhouse and the second nine comes in back to the clubhouse in the classic design of most older courses.

Although there is no more than 50 feet difference in elevation between the highest and lowest points of the course, there is no suggestion of flatness because of the natural roll of the terrain. The 96 bunkers which do the layout are equally divided between the fairway and green areas. There are six holes on which the green cannot be seen from the tee, but there are no real "blind" shots on the course. Serving as backdrops for many of the holes, and as separators on four parallel fairways, are hundreds of trees which were growing before the Club was founded in 1895.

Starts Field Work
Pfc. Albert D. Briggs, Jr. of 260 Short Hills Avenue, Springfield, a member of the 303d Civil Affairs Group, an Army Reserve unit with headquarters at the Kearny Shipyard, will undergo two weeks of field training at Fort Devens, Mass. The tour of duty starts August 14.

WINS FENCING LETTER

Every aspect of the course is of championship caliber, but certainly the most outstanding feature of Baltusrol is its massive greens and their many breaks and contours. There are no trick or gimmick holes on the king-sized greens, but they do require study.

The Baltusrol greens average more than 7,000 square feet in area, with many covering more than 10,000. The seventh is the most expansive, comprising more than 11,000 square feet of its putting surface. Semi-elliptical in shape, with the long side lying perpendicular to the line of the hole, puts of 60, 70, 80 and even 90 feet in length are possible.

One of Baltusrol's most famous holes is the 140-yard fourth, "The Water Hole." This beautiful one-shotter was selected by Look Magazine as one of its All-American Golf Holes. A small lake fills the entire area between the tee and the green. The two-level green, the second largest on the course, is guarded on the left by a magnificent weeping willow and to the rear by a series of bunkers scalloped into the side of a small hill which provides a bowl-like backdrop to the picturesque hole.

Fly Flag On Fourth

"If you have a flag fly it proudly on the Fourth of July" is the appeal made to all homes and businesses by Francis E. Sammond, commander of Continental Post No. 228 of the American Legion here.

Commander Sammond said, "If you don't own a flag, try to get one before the Fourth to make this Independence Day the biggest mass display of the nation's colors ever seen in Springfield. He explains that the display of the flag serves two important purposes. "First," he says, "it offers a simple means for the adult population to set an example of patriotic concern for children and youth. We can't expect young people to be very concerned about their responsibilities to the nation if adults don't even show enough interest to display the flag.

"Second," streets on which the flag flies before every home or business are one way of presenting visible evidence of national unity."

Although July 4, 1961, will be the second anniversary of the 50 star flag, it is still entirely proper and correct to display a 48 or 49 star flag, Commander Sammond stated. "No American flag is ever obsolete as long as it is in serviceable condition."

Just as well known is the longest hole, the 535-yard 17th, which Bobby Jones rates as one of the finest par 5s ever played. Its outstanding features include the "Canyon" trap, about 200 yards of the tee, which completely bisects the fairway, and the plateau green fronted and flanked by a series of deep bunkers. The 17th and the 500 yard 18th, which is bounded on one side by a pond and on the other by a small forest of majestic evergreens with its fairway cut in half by a creek, give Baltusrol one of the toughest finishes of any courses in the country. It is the kind of finish which can make or break a championship bid. The men found that out in 1926, 1940 and 1954; now it's the women's turn.

Mrs. Robert Hardgrove, of 125 Saker Street, have returned from a week at Cornell University in Ithaca, N.Y., where Mr. Hardgrove was attending the summer general meeting of the American Institute of Electrical Engineers. While the men spent most of their time at technical sessions, side trips were arranged to the Steuben Glass Factory at Corning; the University-High Voltage Cable Laboratory; and the Great Western Champagne-Wineeries (yes, they did give samples); in addition to lectures on ornithology and other activities. On the return trip Mr. Hardgrove fished the Beaver Kill River, where he caught his limit of trout, so the week was fruitful in more ways than one.

The Country Oaks Civic Association held their dinner dance last Saturday night at the Washington House in Weehung. The annual affair was thoroughly enjoyed by all members present. Sixteen-year old Brenda Nadel, daughter of Mrs. Rose Nadel of the Eden Roc dress shop, has been named National Fan Club President for new Rock, n. Roll singer Gary Temkin, who was discovered by Mr. George Francis, father of singer Connie Francis. Gary and Brenda were guests at a party held on Saturday night, June 21, at Don Sterling's studio on Broad Street, which was attended by a number of celebrities in the musical and recording fields.

The auditorium at Jonathan Dayton was filled with proud mothers, fathers, and friends last Saturday night when students of Miss Bunny's School of the Dance performed at their annual recital. All who participated are to be congratulated on a wonderful performance.

The home of Mr and Mrs Jules Amster, 31 Garden Oval, was the scene of a luncheon on June 9, for son Steve's fifth grade class at the Walton School. Twenty-six children were the Amster's guests at this last social get-together before leaving Walton and going on to the Gaudineer School. Grown-up guests were Principal, Mrs. Forsyth; teacher, Mrs. Bittenbaum; school secretary, Mrs. Wagner; and class mother, Mrs. Staley; all of whom were presented with corsages.

Police Chief W.C. Selander and his wife welcomed their tenth grandchild on May 31, when their daughter-in-law Jean presented her husband Guy with a bouncing baby boy. The young man, who has been named Guy Thomas Selander, Jr., weighed in at seven pounds, four ounces, and has a sister named Sandra Jeanne. The younger Selanders are residents of Short Hills.

Father's Day, 1961 was the occasion for a double celebration at the home of Mr and Mrs William DeLeonard, 322 Milltown Road. Not only was son Dennis celebrating his ninth birthday, but father Bill was proud enough to "pop" the buttons off the new shirt that Dennis had presented him for the holiday. Reason is that said shirt was purchased with a gift certificate Dennis had won in the Elizabeth Journal contest. "Why do you think your Dad should be king for a day?"

Indebted congratulations go to Bruce Cohen, son of Mr and Mrs H. Cohen of 13 Cypress Terrace, who was six years old on June 16 Bruce celebrated with a luncheon at which he entertained friends and classmates in Miss Denny's morning kindergarten at the Sandmeier School.

Mr and Mrs Jan Jurrisen, of 73 H.H. Avenue, became the parents of a baby girl on May 30. With the birth of daughter Christina Margareta Cecilia. The baby was born at Overlook Hospital in Summit, and weighed seven pounds, six ounces.

Lights sparkled on the patio at 750 So Springfield Avenue, last Saturday evening when Miss Joyce Ann Friet, daughter of Mr and Mrs Frank Friet, played hostess to a group of friends. Joyce entertained twenty-two boys and girls at a barbecue party which started with food at four p.m. and ended with dancing at ten.

Congratulations go to Mr and Mrs Rudolph Oeckinghaus, of 43 Caldwell Place on the birth of son Peter Ulrich on June 4 at Overlook Hospital in Summit. The new addition to the Oeckinghaus family weighed in at eight pounds, three ounces. Big brother is two-year-old Harold.

Cawley Manages Campaign For Local GOP Candidates

J. Fred Braun, Arthur Falkin and Robert Hardgrove, Springfield Republican candidates in November, formally announced the selection of James Cawley, a local attorney, as the closest Republican candidate in years in his effort to upset the Democrats in local offices. The announcement was made at a press conference in the Springfield Hotel on June 27, 1961. Mr. Braun, the tax collector candidate, drew the highest vote of any local candidate in either party when he won the Republican designation for the Tax Collector post. At the same time, Mr. Hardgrove and Mr. Falkin won the contested Primary for the two vacant Township Committee seats. Their victory was attributed, in part, to solid organization support, according to Republican sources. The candidates began their campaign by inviting all interested voters to support their campaign by calling Mr. Cawley or any candidate. Mr. Cawley stated he considered it an honor and a privilege to serve as campaign manager for three excellent, qualified candidates. He promised a vigorous campaign "to restore two-party government in Springfield."

Elizabeth Curran Weds Newark Man

The marriage of Miss Elizabeth M. Curran, daughter of Mr. and Mrs. Thomas Curran, Sr., of 236 Short Hills Avenue, Springfield, to Francis E. Walker, son of Mr. and Mrs. Frank Walker, of 115 Canton Avenue, Newark, took place June 24 at St. Rose of Lima Church, Short Hills. Father Martin Burns, O.S.B., of St. Mary's Abbey, Newark, performed the ceremony and celebrated the nuptial Mass. A reception was held at the Robin Hood Inn in Clifton.

Mrs. Thomas Curran, Jr., sister-in-law of the bride, was matron of honor. Mrs. Vincent Hanlon, Mrs. Alfred Rowe, and Miss Dorothy Ann Walker, sister of the bridegroom, were bridesmaids. Mr. Thomas P. Coeman was best man and Mr. Curran, Jr., brother of the bride, Mr. Richard S. Hester, and Mr. Andrew T. Purcell were ushers.

Mrs. Walker is a graduate of the Academy of St. Aloysius, Jersey City, and the College of St. Elizabeth. She is completing studies for her master's degree in library service at Rutgers University, and is an assistant librarian at Schering Corporation, Bloomfield. Mr. Walker is a graduate of St. Benedict's Prep and attended Newark College of Engineering. He was graduated this month from Montclair State College and will teach English at Pascack Valley Regional High School in the fall.

Pastor Returns from 37th Lutheran Church Confab

Pastor Returns from 37th Lutheran Church Confab Sun. The Rev. Lester Messerschmidt, Pastor of Holy Cross Lutheran Church, Springfield, returned yesterday from the 37th convention of the Atlantic District of the Lutheran Church—Missouri Synod held at Concordia College Institute, Bronxville, N. Y. At the convention Pastor Messerschmidt served as Floor Chairman on district youth activities.

The convention essay on "Christian Motivation" was delivered by the Rev. Theodore Thormahlen, Webster, Mass. Over 600 pastors, parochial school teachers, and lay delegates attended the three-day meeting. Delegates heard that the Atlantic District with congregations in New Jersey, New York, Connecticut, and New

England established 13 new mission congregations in 1960—an average of more than one per month. Since 1930 a total of 104 new Missouri Synod Lutheran congregations have been started in the district. The Atlantic District is made up of 140,000 members in 266 congregations. Recipe for a longer life never exceed the food limit!

Presentation of Awards Highlights League Picnic

Hot dogs and soda replaced bats and balls last Monday evening at the annual Little League picnic held at Meisel Avenue field, Springfield.

Jack Siman, league president, introduced Mayor Vincent J. Bonadies. The Mayor congratulated all the boys on the fine quality of the year's play plus their outstanding sportsmanship. In addition, Mayor Bonadies requested the boys to give a long and loud round of applause for the adult men who served as managers, coaches and on the executive committee of the league who gave so much of their time to make the league possible. Jack Ellsworth, who has served as equipment manager of the league in addition to checking on playing conditions of the fields, was presented a special trophy by Mr. Siman as a small token of his many years of fine service.

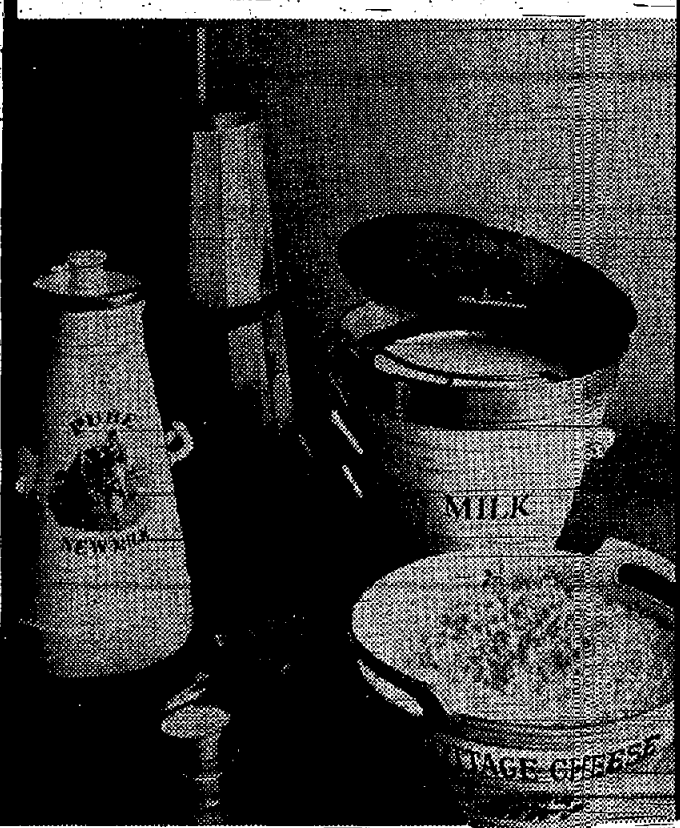

Team Trophies Awarded
 The Babe Ruth Minor League champions this year are Jayne's Motor Freight with a clean record of 14 wins and 0 losses. Del Tompkins, manager of the team and each team member were presented with trophies. Willard Jayne, president of Jayne's Motor, happily accepted the trophy in behalf of his company. The Youth Major League champions is the American Legion team with 12 wins and four losses. In order for manager Herb Krauthblatt and his boys to top the trophies, they had to beat Crestmont in a special play-off game which they won 3-1. Congratulations to a fine American Legion team. Frank Sammond, commander of the American Legion, accepted the trophy in behalf of the Legion. Mr. Krauthblatt presented trophies to each player.

The winner of the Minor League Little World Series this year is the Detry Queen team. Coach Kramerman presented the boys their trophies. Don Rex, owner of Detry Queen, accepted the sponsors trophy from Mr. Siman. The champions of the American League, who lost to Detry Queen in the World Series, also received trophies.

The winner of the Babe Ruth Major League championship has not yet been crowned. The schedule was delayed due to bad weather. At this time, it looks as if it could need in a 3-way tie for first place between the Drakes, Channel Lumber and the Angletons. It may be another week before this one is decided.

Each year the Baltusrol Golf Club, Springfield, presents a trophy to a boy in each league for good sportsmanship and general "good ability." The winner of this award in each league is by secret vote of every boy in the league. Heartiest congratulations go to the winners. This year's winners are Frank Monticello of the Babe Ruth Majors, Daniel Gineer of the Babe Ruth Minors, Steve Hartz of the Majors and Thomas O'Meara of the Youth Minors. The trophies were suitably engraved and the boys are quite proud of their awards.

\$52,000 Rec Improvements Are Adopted

An ordinance calling for recreation improvements at Irwin Street and Woodside playgrounds, at a cost of \$52,000 was adopted at final reading Tuesday night by Springfield Township Committee, Mr. Henry Wright, a member of the committee, asked whether sanitary facilities for all the playgrounds might be provided for in the ordinance. There were no other objections.

Mayor Vincent J. Bonadies told Mr. Wright that the Recreation Commission is aware of this, but explained that the ordinance was only "one small step of an overall program." The committee is embarking on a program neglected by previous administrations, he said, and plans to concentrate on one or two playgrounds at a time so that there will not be too much of a burden on the taxpayer.

Township Engineer Alfred H. Swenson was authorized to advertise for bids at Mr. Swenson's request. Bids will be received July 25 in Township Hall.

Improvements at Irwin Street Playground will include clearing and grading site area, remodeling ejector station by filling it in, constructing cement floor and vents, installing electric cables, replacing fence and installing shelving; eliminate basketball backstop and existing black-top area and reconstruct present basketball area into a garden complete with landscaping; reconstruct existing baseball diamond; landscape the area adjacent to existing baseball diamond and construct parking area including the removal of necessary pavement and curb; construct two tennis courts, a house and basketball court; enclose the play area with fencing.

Woodside playground improvements will be construction of tennis court, enclosed with fencing; construct a shelter house; rehabilitate the grass area and provide necessary landscaping.

Township Committee also adopted an ordinance on final reading providing for the paving and construction of shoulders and curbing in Stiles, Meckes, Diven and Ruby Streets at a cost of \$52,000.

The resignation of Mr. Robert Marino as chairman of the Insurance committee was accepted. Committeeman Daniel M. Lucy commended his work in surveying the insurance policies and coverage and said that the township owes him a "debt of gratitude."

Renewal of plenary retail consumption licenses for Balusolo Golf Club and the Elks organization were approved.

The committee approved the recommendation of the Board of Adjustment granting two variances. One was to permit Mrs. M. Petruzzello to operate a one-chair beauty parlor in the recreation room of her home at 573 Mountain Avenue and the other, to permit Theodore Hottis to enlarge the Lido Diner in Route 22. A third recommendation of the board giving Firestone Tire and Rubber Co. permission to operate a service station at 661 Morris and Essex Turnpike under certain conditions set down by the board was approved with an amendment requiring that a pump area be used for parking space.

A resident of Warwick Circle attending the meeting complained about rats coming from a nearby dump. Mayor Bonadies told him there have been an unusual number of complaints about rats this year and the situation has been referred to the Board of Health.

Committeeman Russel Sibole did not attend the meeting. Next meeting will be July 11 at 8PM in Township Hall.

Regional Board Rejects GL Bids

Summer Student Enrollment Up

All bids were rejected by the Regional Board of Education for general construction work, plumbing and iron work on the Governor Livingston Regional High School addition at the Board's June 21 meeting. The Board voted to seek new bids. Bids on the other two base contracts, electrical work, and heating and ventilation were held for consideration on July 11 when the new bids are opened.

Dr. Warren M. Davis, regional superintendent, said the low bids on five base contracts plus the cost of equipping the school and other charges—to be incurred would send the total cost well beyond the \$1,500,000 approved for the work.

New Specifications Stated
New specifications will be written for the three contracts to be re-advertised, excluding site work which was figured in the bids considered last night.

Dr. Davis said the site work which includes grading, storm sewers, catch basins and other improvements, will have to be deferred until the board has a clear idea of the cost of construction of two wings to be added to the school in Berkeley Heights.

"We will have to review plans for the site work in the light of the bids which come in July 11," he said.

He said the board is giving first priority to construction of the two wings because a serious delay would lead to crowding at the Berkeley Heights school in September of 1962.

Shift 3 Bus Contracts
The board renewed all bus contracts last night with the exception of one run to each of the three schools. These contracts were awarded as follows:

One bus and one standby bus from Garwood to Johnson Regional High, Clark, to Terzella Bus Co., Woodbridge, at \$23 per day per bus, and three buses from Kenilworth to Dayton Regional High, Springfield, at \$3,700 per year per bus, and two buses from Mountainside to Governor Livingston High at \$4,100 per bus per year, both to Bern Bus Co., Dunellen.

The board hired teachers for all summer school classes.

It was announced that more than 1,300 students have enrolled for the summer session at the three high schools. Davis said nearly 75 per cent of those who enrolled did so for "enrichment purposes."

"A few years ago it was the case where a student who went to summer school went there because he flunked during the year," Davis said. "Now we find that the majority take courses in drama, art and other subjects which they have not had time for during the year." He added that the Regional system started the summer session four years ago with an enrollment of 200 students.

Drew-Eds sponsor teas, Valentine's day dances, parents' day and other social events in which all students and faculty may participate.

Laura, a graduate of Jonathan Dayton Regional High School, will enter her Sophomore year at the College of Liberal Arts in September.

To remove grass stains, use cold water; soap and cold water; lye; or bleaching agent.

Dr. Davis said the site work which includes grading, storm sewers, catch basins and other improvements, will have to be deferred until the board has a clear idea of the cost of construction of two wings to be added to the school in Berkeley Heights.

Swimming Pool Ordinance Is A Necessity For Safety

During the hot summer months, private swimming pools are a constant source of pleasure. They offer a means of relaxation, a way to get away from it all, and a way to beat the heat.

Children delight in water play. If managed properly, a private pool can be a world of fun for them—and for everyone.

LAST JUNE 21st, the Township of Scotch Plains issued an ordinance to regulate the construction and use of private swimming pools. The essence of that ordinance is printed here as a check list for all pool owners and as a guide for pool safety and legality for all prospective builders.

The ordinance provides for the following restrictions:

Swimming pools may not be built, installed, or maintained without first obtaining a permit from the Township Committee of Scotch Plains. Application for the permit must be submitted along with final plans for the pool and other required information.

All swimming pools must be planned to comply with the existing zoning regulations, but no pool may be built nearer than 5 feet from any property boundary. A pool must be built on a lot on which there is already a house. Property owners are protected from property divisions in that no property division may occur in which the pool will be separated in ownership from the property to which it was originally attached.

Each pool must be surrounded by a safety fence which must measure no less than 4 feet or no more than 6 feet in height. The fence must have a gate which may be closed by means of a safety latch or lock. The fence may not be any closer than 5 feet from the pool. The side of the fence which faces the house may not be made of any material which blocks vision through it. No opening in the fence may be any bigger than 1 1/2 inches.

If the pool is required to have a filtration system and pump, the pump is to be placed at the maximum distance from all boundary lines. This pump cannot be any nearer than 15 feet from any property line. Any electrical work done in

connection with the pool must be installed according to the current Electrical Code of the National Underwriters Association. This electrical work must be shielded from the direct view of neighboring properties.

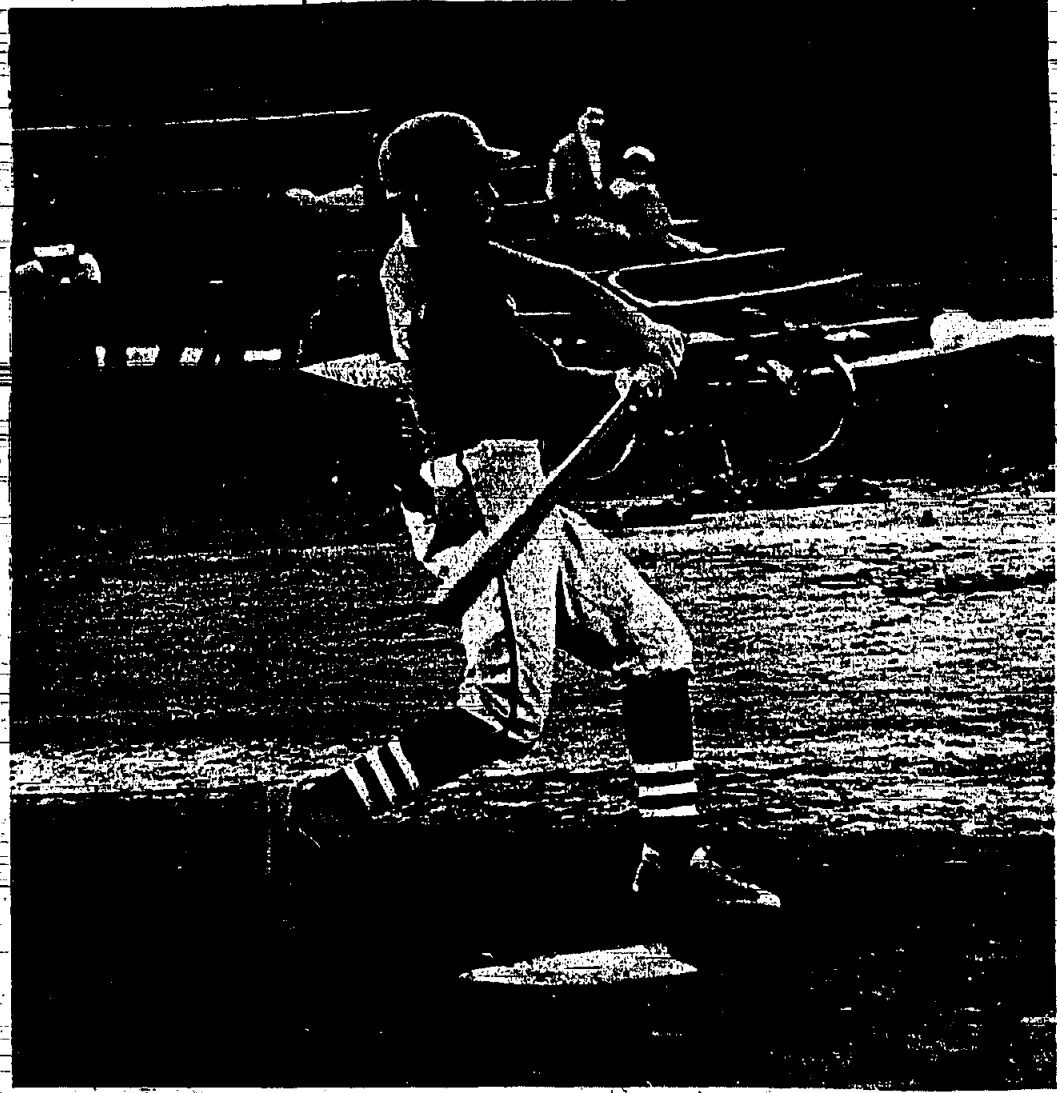

If no one is attending the pool, the gate to the pool must be kept securely locked. Any person who violates this ordinance is subject to a fine of not more than \$100 for the first offense and not more than \$200 and/or 90 days imprisonment for each other offense after the first.

To Receive Federal Aid For Planning

Springfield Township Committee Tuesday night unanimously agreed to enter into contracts with the Department of Conservation and Economic Development so that the community will be able to receive federal and state money for proceeding with a master plan of the township, to be drawn by Candeb, Fleissig and Associates of Newark. The total cost of the program will be \$22,000.

Township Attorney Irwin Weinberg explained that through provision of the National Housing Act, the Department is permitted to supervise a master plan survey if a community shows a need for such a survey. Springfield's need is the fact that it will soon be disseminated by two highways, he said.

Fifty per cent of the cost will be contributed by the federal and state governments and 50

Farrell Advises, Learn From Gals

Watch the ladies play golf and learn how to swing a golf club. That's the advice of Johnny Farrell, host professional for the 9th U. S. G. A. Women's Open Golf Championship which will be played at Baltusrol Golf Club June 29-July 1.

The still-youthful-looking winner of the 1928 Men's Championship pointed out that the women don't have the strength to overpower the ball the way the men do. "But they get good distance from their shots because they have a rhythmic swing which creates clubhead speed with no apparent effort. The girls have to swing right—and they do!"

"Believe me, you'll find more picture swings among the girls than you'll ever find among the men professionals." And Johnny knows. He's been a keen observer of golf all his life, particularly since he burst upon the golfing scene during the 'golden age of sports' in the 1920s. Before he hung up his competitive spikes to become a permanent fixture at Baltusrol, Johnny won a total of 44 major tournaments.

Now regarded as one of the game's outstanding teachers, Farrell, through the medium of TV, golf clinics, and the practice tee at Baltusrol, has spread the gospel of the 'one-piece swing,' which he says is the only logical way to strike a golf ball. "After a slight forward press to get the swing underway," Johnny explained, "everything moves as a single unit: the hands, the arms, the shoulders, the hips and the body."

"With the one-piece swing," Farrell said in carrying the action to its logical conclusion, "you have the winding up of the left shoulder going back and the unwinding of the hips coming down. This winding and unwinding is what creates clubhead speed. The women are experts at this, because they have to move the ball by swinging at it, not by hitting it."

Farrell advised watching the top-flight lady professionals in action as a case in point. He said that Betsy Rawls, Mickey Wright, Parry Berg, or any of their sister tourists on the Ladies PGA circuit would provide graphic proof of his premise.

"Pay particular attention to Mickey Wright," Farrell advised. "She hasn't achieved the reputation of being the game's longest hitter as a result of sheer power. Mickey is a big girl who has learned to fully utilize the extra leverage her height gives her. She moves the ball farther than anyone else, but she does it with a beautifully smooth swing without pressing and without jerking."

Farrell also had high praise for Louise Suggs, who recently won a unique tournament at West Palm Beach, Florida, by beating Sam Snead. Dow Finsterwald and a number of top men professionals on a par-3 course. Johnny, who was a playing partner of Miss Suggs, observed:

"No one can play the medium irons better than Louise, and there is no one who looks better doing it. You'll see what I mean when she plays here in the Open."

As head professional at Baltusrol since 1934, Farrell's final observation concerning the forthcoming tournament and its players, was not unexpected.

Gaudineer Students Win Diplomas

Students were awarded diplomas by Howard S. Smith, President and Joseph Bender, Vice-President of the Springfield Board of Education, at the second outdoor graduation exercises held at the Florence M. Gaudineer School on Thursday, June 22. The program, directed by Mrs. Barbara Jaeger, Mrs. Rhoda Gansler, and John Alt, consisted of patriotic and student songs sung by the graduates and several orchestral arrangements played by the school orchestra. Students who proved exceptional in all-around scholarship, citizenship, service to the school, and mastery of specific subjects, were given recognition by various civic organizations in the town. Recipients of awards included the following: Parent-Teachers' Association Honorable Mention Awards for Scholarship, Arlene Arends and Donald Lewis; American Legion Character and Citizenship Awards, Sandra Sommer and Lawrence Anthony; American Legion Auxiliary Awards for Honor, Courage, and Scholarship, Linda Hodapp and Allan Katz; Springfield Woman's Club Industrial Arts Award, Gregory Romanyshyn and Michael Geoghegan; Springfield Lions Club Science Awards, Jeffrey Katz and Michael Adickman; Daughters of the American Revolution History Awards, Marilyn Brownlie, Michael Adickman, and Keith Nelgel; Henshaw-Hawthorn Association Mathematics Award, Barry Hecht; Elizabeth Gunn Memorial, Home Economics Award, Joan Cingari; Edward V. Confab Reports Heard by AAUW

Mrs. Harold Tulchin was hostess last night at an informal gathering of the Mountaintop branch of the American Association of University Women. Reports were heard from three of the group who have just returned from the national biennial convention of the AAUW held at Washington, D. C., June 19-23. Mrs. John Miller, president, was official delegate and she was accompanied by Mrs. Paul Krystow, vice president and membership chairman, and Mrs. William Cronin. While there, they attended the dedication of the new AAUW Educational Center, an eight-story, \$2 million building that serves as the national headquarters of the organization.

Marie Wilson Featured at Meadowbrook

Having completed its third spring season on a record-breaking note the Meadowbrook Dinner Theatre is preparing for a gala summer season.

Starting Tuesday evening July 11 Marie Wilson of movie stage and TV fame will headline the musical comedy attraction at the Meadowbrook. Route 28 show place. Television's "My Friend Irma" will appear in "Gentlemen Prefer Blondes".

Another star-studded attraction has been booked in the "Brook by producers Helga and Gary McHugh, for August 1st. That's when Dennis Day opens in "Finian's Rainbow" the wonderful "How are Things in Glocca Morra?" show.

However, when the lovely Marie Wilson starts singing of "Diamonds Are a Girl's Best Friend" the Meadowbrook will be presenting its 34th major musical comedy. It will mark the first time since the Meadowbrook's conversion to the world's first dinner theatre that it has repeated a musical. "Blondes" was first presented here in June 1959 and like all Brook shows, was proclaimed a theatrical triumph.

The Meadowbrook's bringing in big name performers has met with the public's complete approval. William Bendix recently smashed all records here with

his work in "Take Me Along". TV's Riley was a sheer delight and the producers anticipate a duplication with TV's Irma.

Miss Wilson will handle the role of Lorelei Lee, the most famous of the dumb but resourceful flappers of the 1920's. This role was created by Carol Channing on the Broadway stage and in the movies by Marilyn Monroe. With a 1924 setting, "Blondes" includes a great musical score by Julie Sygne and Leo Robin, in addition to "Diamonds Are a Girl's Best Friend", there's "A Little Girl From Little Rock".

Marie-Wilson will be ably supported by another stellar cast of singers, dancers and actors. Reservations are being accepted now. Phone Clifton 6-1455.

Pets Get Bequest

The founder of Springfield's Town and Country Dog Training Club left one-fourth of her residuary estate to about 20 pets - dogs, cats and rabbits. The bequest was made by Mrs. Gladys J. Cassell, 3 Park Lane, Springfield. She died June 14. The will was on file Monday in the office of Union County Surrogate Eugene J. Kirk.

The animals' share of the residuary estate - the size of which was not disclosed - will be used for their care and maintenance at the Honey Croft Kennels in Calif.

Miss Marjorie Herdman, a partner in Honey Croft and a longtime friend of Mrs. Cassell, said she has moved the pets to the kennels.

"There are about five or six rabbits, eight or nine cats and six dogs," Miss Herdman stated. "I hope that some people don't think Mrs. Cassell was eccentric in leaving part of her estate to her pets," the kennel operator declared.

"She lived for her animals, and I'd say they kept her alive for the last couple of years because she had to get up every day and feed them," Miss Herdman continued.

The kennel owner said Mrs. Cassell, who had no next of kin, purchased most of the dogs, but the cats and rabbits were given to her at different times.

Although the Springfield widow had no particular favorite, "Christie," a Bedlington terrier, strode into her life - and her heart - several winters ago, around Christmastime.

The dog, crusted with ice, was discovered by Mrs. Cassell as it was chewing on the few plants that were lasting through the spell.

"Mrs. Cassell, who was big-hearted," Miss Herdman said, "took the dog in because she couldn't see any animal suffer, and nursed it back to health."

"The dog is close to 20 years old now, but you wouldn't believe it was that old because of the care it received," the kennel owner declared.

Several other persons, including Miss Herdman, will share in the remainder of the estate. Former Springfield Magistrate Henry C. McMullen, named executor in the will, said Mrs. Cassell did not leave a huge estate.

The final figure, however, will be determined after the Springfield widow's real property and securities are converted into cash, under terms of the will.

A Chicago native, Mrs. Cassell moved to Springfield in 1958, after living in East Orange and Short Hills. Her husband, it was reported, was a drug firm executive.

Olympic Park Plans for 4th

Olympic Park was preparing today for holiday weekend crowds swelled by increasing numbers disgusted with the tiring hours of shore and mountain traffic. The management is making a special effort to woo the millions of New Jerseyans who live only minutes from the Irvington-Maplewood park.

The Fourth of July week's free circus, starting Monday, will feature Pete and Trude Liva, human flies who walk upside down on high rigging. Yet this daring interlude in their trapeze act is no more hazardous than a long holiday trip on crowded highways, they claim.

The Tuckers, trampoline comedians, and Robert Mock's Kenelcade of collies round out the bill.

Traffic, Revenue Are Up 4% and 2% On N.J. Turnpike

Traffic and revenue on the New Jersey Turnpike were up 4% and 2%, respectively, in May, 1961, as compared with May 1960, it is reported by Joseph Morecraft, Jr., Chairman.

A total of 4,481,868 revenue cars, trucks and buses was transported in May against 4,306,479 in the corresponding month of 1960. Toll collections were \$9,145,750 against \$8,081,702.

For the twelve months ended May 31, this year, 49,723,184 vehicles were transported on the Turnpike, an increase of 4.6% over the 47,513,618 in the previous year. The toll revenues in the 1961 year were \$35,883,265 and compared with \$34,467,973 in the previous year.

Against the revenues were charged budgeted operating expenses of \$7,820,116 compared to \$7,120,502 in the year-May 31, 1960.

Deducting these operating costs from gross revenues at the 1961 year left \$31,961,021 before debt service or Reserve requirements against \$31,322,470 a year earlier.

Disbursements for extraordinary expenses from Reserve Fund and not provided for in the annual budget amounted to \$1,281,038 against \$1,317,171 a year previously.

Letters to the Editor

Editor, Sun:

Rabbi Dresner's participating in the Freedom Ride is to be highly commended. Springfield should be proud that one of its clergymen had the courage to personally confront the problem of desegregation with an act of genuine brotherhood in search of moral and legal justice. The concept of second-class citizenship for a minority group is not only immoral, it is also anachronistic. The Constitution and the Supreme Court have said so, in effect. Peoples all over the world are committed to attain freedom and equality. Unless we take the steps necessary to obtain racial desegregation, we must be looked upon with suspicion by the rest of the world. Neither the recent trip of Mr. Stevenson to South America, nor the work of the Peace Corps will be of any avail as long as we don't practice what we preach.

Letters to the Editor

profit organization to establish and operate such a school. Possibly, the Board might be able to make some arrangement with the County Park Commission whereby it could donate the land needed. 2. The Board, in cooperation with private enterprise, might set up scholarships based on need for children wishing to enroll in specific private vocational schools. This will obviate the charge of favoritism for under the presently outlined program the school is really one for favored trades. The Board should not be in the field of education at all, but if the pressure is such that it feels it must be, these alternatives are superior to getting itself involved in a multi-million dollar building program, not to mention the millions in the annual cost of maintenance and operation which this white elephant would entail. Sincerely, O. B. Johansen 825 Walnut Street Roselle Park

S & L pens Offices

The Elmora Savings and Loan Association, one of the fastest growing financial institutions in the Union County area, today opened its new offices at 1165 E. Jersey Street, near Broad Street, in Elizabeth. Special ceremonies, including a ribbon-cutting by Mayor Steven J. Bereik of Elizabeth, marked the inaugural program. Officials of a number of nearby communities in eastern Union County also were on hand. Included in the program was the presentation of a plaque in honor of the late Stephen J. Negey, Elizabeth architect and civic leader and former member of the Union County Board of Directors at the time of death in December, 1960. The Savings and Loan Association, founded in 1928 as the Elmora and West End Building and Loan Association, moves into the new location from offices in the Hersh Tower, 125 Broad Street, Elizabeth, N.J.

Automation Comes to Drycleaning Center

Editor:

I would like to thank you, on behalf of The Masterwork Music and Art Foundation, for the excellent cooperation which we have had in regard to coverage of our Sixth Annual Festival of Music and Art. Without the generous publicity which has been given to us, we would be unable to maintain a cultural program in this area. We are fully aware of the valuable service you are performing for the arts, and wish at this time to express our gratitude for your interest and assistance.

Sincerely,
Marion J. Lewis
Public Relations Chairman

BRIEF:

If the Board of Freeholders still insists on injecting itself into a field beyond its competency, i.e., education, it would be better for it to liquidate the present vocational-technical school and adopt one or the other of the following alternatives in order to lessen the deleterious effects of its intrusion. 1. Have it make a study to determine what tax reduction or other incentives can be given to encourage private businessmen in the county to set up a non-

Automatic self-service drycleaning comes to Union County tomorrow, at 2626 Morris Ave., Union. The new coin-operated drycleaning service will be introduced in a gala grand opening celebration that will offer free drycleaning and laundry all-day Friday and Saturday on a first-come, first-served basis. The equipment includes eight coin-operated drycleaners, along with 21 automatic washers, 8 large clothes dryers, and extractors in this 2,800 sq. ft. air conditioned installation which will be open seven days a week from 8 a.m. to 10 p.m. Automatic laundering establishments have become a familiar sight across American in recent years. Now Union County housewives will be able to do both laundry and drycleaning in one visit to the New Norge-Cleaning Village. The drycleaning units will clean anything from a man's suit to a girl's party dress, as well as all kinds of shoes, trench coats, etc. It is designed to clean 8 pounds of garments (3 or 4 men's suits or 8 dresses) in approximately 45 minutes, for \$1.50. The drycleaner provides a means for the consumer to dryclean clothes personally, at a quarter of the cost, and a fraction of the time normally required. One of the unique abilities of the machine is that it has built-in, wrinkle-free cleaning with only a touch-up with a steam-iron needed at most. The cleaner utilizes a specially formulated cleaning solvent developed by Norge and Borg-Warner called Norge-Clor, which le-

aves the garment wrinkle-free. The cost of the service will be \$1.50 per 8-pound load of drycleaning. Each load can be made up to 10 to 12 blouses, skirts, or slacks, or 3 or 4 medium weight men's suits or topcoats. In addition, complete coin-operated laundry facilities featuring washers, dryers, and the new water extractors which almost eliminates the necessity of drying, will make the new Laundry and Cleaning Village the most complete service now in existence. The new facility will be equipped with lounge area, children's play area, and parking for forty cars. Arthur Ellis is the owner-manager. To date almost fifty of these Cleaning Village have been opened in New Jersey since they were introduced in this area four months ago by the distributors, myrtle & Ross of Newark. Another self-service coin-operated drycleaning and laundry center is planned for Park Avenue, Scotch Plains. In the near future, it will feature 17 new Norge Automatic, coin-operated dry cleaners, plus 14 automatic top-loading washers, 10 big double-load washers, 10 automatic dryers; and, in addition, two new high-speed extractors.

Auxiliary Honored By Squad

The Springfield First Aid Squad honored the Women's Auxiliary last Thursday evening at a surprise party at which time a plaque was presented to Mrs. Sadie Stevens, present president of the women's group. Robert Robinson, president of the squad, cited the splendid support the women have rendered in past years and expressed the Squad's appreciation to Mrs. Stevens as he presented the plaque.

The Women's Auxiliary of the Springfield First Aid Squad was organized in September, 1954 and consists of Squad members' wives and townswomen who want to help the Squad in a non-professional capacity. The women give their time and efforts to raising money for the Squad. In the past they have had card parties, cake sales, dinners, and cartoon parties for this purpose. The present officers of the Auxiliary are: President, Sadie Stevens, Vice President, Marjorie Nuttall, Secretary, Ethel Nauman and Treasurer, Lillian Branning. The theme of the surprise party was a great big "Thank You" from all the members of the Squad to all the members of the Auxiliary.

LOCAL MEN JOIN LIONS—The Springfield Lions Club inducted two local men as the newest members of the Springfield chapter of Lions International at its last meeting of the season. From left to right: Richard Colandrea, 61 Rose Avenue, a local mason contractor; Harold Bishop, Lions Club president and William Royal, 5 Berkeley Road, a sales manager with Hawthorne Supply Co.

BROWNIES, SCOUTS DO GOOD DEED—These girls represent the Brownies and Girl Scouts of St. James, who over the past three months have collected over 300 pieces of clean material to be given to the American Cancer Society for cancer dressings. Left to right are Susan Magliaro, Troop 584; Patricia Leonardis, Troop 739; and Dorothy Saranond, Troop 756.

Special Summer Math, English Courses Offered by Rutgers U

A special summer program in verbal and mathematical skills for high school seniors and graduates—planning to enter college—will be conducted day and evening by the Rutgers New Brunswick Extension Center.

The classes will begin Monday, July 10, with both day and evening sections available in writing skills and evening sections available in reading and mathematical skills.

The reading improvement class, emphasizing retention, speed and good study habits, is scheduled

on Mondays and Wednesdays from 7:00 to 10:00 p.m.

Three sections will be offered in the writing skills course which emphasizes grammar, clear and forceful writing, and the organization of material for themes.

The three different classes are scheduled Mondays and Wednesdays from 10:05 a.m. to 12:05 p.m., 6:15 to 8:05 p.m., and 8:05 to 10:05 p.m.

The mathematical skills courses being offered include Plane Trigonometry, Mondays and Wednesdays from 6:30 to 8:20 p.m.

Preparatory Mathematics, Mondays, Wednesdays, and Fridays from 6:30 to 9:30 p.m.; and Preparation for Calculus, Mondays, Wednesdays, and Fridays, 6:30 to 9:20 p.m.

The College Anticipation Program is open to high school seniors and graduates.

Interested students are asked to contact their high school guidance director or the director of the New Brunswick Extension Center, Rutgers-The State University, 35 College Avenue, New Brunswick, New Jersey.

Stamler Attacks Motor Agency

Assemblyman Nelson F. Stamler of Union has warned that the Motor Vehicle Division shorter summer inspection hours will create “complete havoc” with the program. Stamler declared that eliminating the Saturday inspections, as the division plans to do this week, is a “serious mistake.” The division has announced that it will operate its stations on a Monday-to-Friday basis from now until September. In addition,

the stations will close a half hour earlier than usual at 4:30 instead of the normal 5 p.m. for the duration of the summer. The policy of shorter hours in the summer has been adopted by the state for the past several years. However, Stamler questioned its wisdom and advisability as it applies to inspections. He asserted that the shorter hours will make it more difficult for the average motorist to comply

with the regulation that cars be checked once a year. If there must be inspections—and the state tells us they're necessary—they'll have to tell us how we're going to get the cars inspected in the brief period they've allotted,” the legislator declared. He pointed out that he had said more than a year ago that the Motor Vehicle Department must either discontinue the operation or maintain it.

Last call for Summer Storage

We regret to inform you that as of June 30th we will have to close our offer of free Summer Storage.

If you drop off your winter wear now, we can still see to it that they're safeguarded for the summer. First, they'll be drycleaned and mothproofed, then placed on hangers and sealed in plastic bags.

Not only will you know that your winter clothes are safely stored for the summer, but you'll have the extra closet space that you always need.

There's no extra charge for this moth-proofing and storage service. You just pay the regular drycleaning costs. Insurance is available at 2% of evaluation.

Open 7 A.M. to 7 P.M. Mondays thru Saturdays

Summer Subscription Sales at Paper Mill Eve Arden Way Ahead of Last Year's Mark

Subscription sales for the Paper Mill Playhouse 'Summer Festival of Stars' have passed last year's record mark - and the season doesn't open until June 26th. Whether it's the new low price schedule for the 12 weeks summer season that's attracting theatre-goers, or the mixture of the stars, the wicket for their season tickets. Subscribers are picking up, in addition to a healthy discount, preferred locations - and an unusually interesting season. Scheduled on the Paper Mill summer bill of fare are: Cornelia Otis Skinner and Hans Conried in 'The Pleasure of His Company' from June 26 thru July 8; Molly Bicon and Martyn Green in 'A Majority of One' from July 10 thru July 22.

Trailside Plans Costa Rica Film

'The Land of Costa Rica' a color, sound film will be presented at the Union County Park Commission's Trailside Museum in the Watchung Reservation, on Sunday, July 2, at 3:00 p.m. The film will show the customs and legends of the people of Costa Rica from the time it was discovered by Columbus in 1502 to the present day. Scenes of the many mountains and jungles in this land of 'eternal Spring' will also be shown.

Foothills Offers Comedy

June 21 marked the opening night of Foothill's second production of this season. Opening with 'The Happy Time' earlier this month, the Foothill Playhouse continues with another brilliant comedy, 'Nude with Violin' by Noel Coward. This is the latest confection from the pen of one of the most versatile writers of this era; witty, entertaining - and unmistakably Noel Coward. As it must to lesser men, death comes even to the brilliant painter, Paul Sorodin. And indecency close to death's heels comes Sorodin's bereaved relatives, his business manager, and all those others who, their grief not entirely untinged with greed, anxiously await the reading of the great man's will. It is the propitious moment for Sebastian, valet and companion extraordinary to Sorodin, to step in with some jolting surprises for the assembled 'mourners.'

Yankee Doodle Opening at Mill

The Saturday morning Children's series at Paper Mill Playhouse, one of the popular events of the spring season, will continue every other Saturday at 11 A.M. during the summer. July 1 is the date of the first show, 'The Story of Yankee Doodle.' In 'Yankee Doodle' an orange cloak and yellow bonnet, hanging on a magical costume tree, transforms Jane, a school girl of today, into the daughter of Nancy and Matthew Dickinson of colonial days. The town is Boston; and the year - 1773. Jane and her cousin Seth's decision to participate in the Boston Tea Party results in many suspenseful and exciting adventures. Folk music and dance are an integral part of Yankee Doodle, and the colorful costumes and settings effectively capture the colonial period.

Jimmy Durante had an all-star line-up for his NBC-TV color on August 9. Bob Hope, Garry Moore and Janice Rule will join the Scholz for the funfest. This will mark Jimmy's first tele-show in a couple of seasons.

Robert Sterling and George Chandler, a warmly human-comedy series dealing with an accomplished New York newspaperman who leaves the rat race of the big city to buy a newspaper in a quiet country village, will make its debut on CBS-TV this fall. It will be seen on Tuesday nights. Sterling starred on TV in the "Topper" series with his wife Anne Jeffreys. Chandler played Uncle Petrie in the recent "Lassie" series.

MGM-TV has finalized a deal with a new producing unit comprised of Freddie Fields, David Begelman and Blake Edwards, which calls for the production of three one-hour shows and three half-hour series. The new company will develop TV properties for Judy Garland, Polly Bergen, Henry Fonda and Phil Silvers, among others. Blake Edwards created and produced "Peter Gunn" and "Mr. Lucky." Fields and Begelman are former vice presidents of Music Corporation of America who recently formed their own company.

SIGHTS/SOUNDS: When sportscaster Mel Allen goes out of town to cover various sporting events he sometimes checks into hotels under an assumed name. Often he checks in as "Allen Melvin." "That's the advantage of having two first names," says Mel. "You can switch them around and sometimes become anonymous."

Peggy Lee will star in the NBC-TV special tribute to songwriter Harold Arlen on September 24.

Don DeFore has been signed by Screen Gems to co-star as the husband opposite Shirley Booth in the new "Hazel" series. The top song hit in Germany is Siv Malmquist's recording of "Danke für die Blumen" written by two young American songwriters, Addy Barron and Bert

nicé Ross. And the girls have just been informed that the record is also in the top ten lists in Sweden and Holland.

France Nuyen has been signed to co-star opposite Laurence Harvey in Hal Wallis' "A Girl Based on the Best-Selling Novel by Ronald Kirkbride."

CHANNAL CHATTER: "Follow The Sun," a new hour-long adventure series under the supervision of Marion Hargrove and starring Barry Coe and Gary Lockwood will debut on ABC-TV's Sunday schedule this fall. Series will concern two freelance writers based in Hawaii. Denise Lor, long-time regular on Garry Moore's former daytime TV series, has been signed to play Alan King's wife in the special one-time comedy program, "The Alan King Show," to be presented Monday, September 18, on CBS-TV.

Merle Miller, one of the country's outstanding young novelists, has turned in another top-notch book in his latest, "A Gay and Melancholy Sound," which has been published by William Sloane Associates. The story concerns Joshua Bland, a former child genius, who becomes a successful theatrical producer. Good reading.

Gig Young, who starred in the Broadway hit, "Under the Yum Yum Tree," is in Hollywood for a co-starring role in Gary Grant and Doris Day's upcoming movie "Touch of Mink."

RADIO-TV NEWSREEL: Fendall Yerxa, former managing editor of the N.Y. Herald Tribune, has been named editorial director and another man for ABC-TV's "Editor's Choice" which is seen on ABC-TV Sunday

nights. Spike Jones and his wife, singer Helen Grayco, take over Danny Thomas' CBS-TV Monday night spot for the summer starting July 17.

Colpix recording star Nina Simone will make her screen debut and sing two songs in "The Notorious Landlady," the Columbia Pictures production starring Kim Novak, Jack Lemmon and Fred Astaire.

"Goodbye Again," starring Ingrid Bergman, Yves Montand and Anthony Perkins, is an excellent new movie drama produced by Anatole Litvak and released by United Artists. The play is based on "Aimez-Vous Brahms," by Francoise Sagan. Victor Borge will star in a comedy music special, "Wed. Sept. 27 on CBS-TV. Comedienne Hermione Gingold and concert pianist Leonid Hambro will aid and abet the Borge brand of madcap in the hour-long program.

Singer Patty Clark and the Castle Singers, a vocal trio, have been signed as featured performers, with co-hosts Johnny Desmond and Ray McKinley on CBS-TV's "Glenn Miller Ties" which debuts on Monday, July 10.

That's all for now.

Tours Europe With Scouts

Miss Carol Daniel, daughter of Mr. and Mrs. Albert Daniel, 1132 Iris Drive, Mountainside, will tour Europe with 13 girls and four leaders from International Friendship Troop 691 of Washington Rock Girl Scout Council. She will sail aboard the Queen Mary June 28.

Miss Daniel will be gone for 10 weeks and will visit England, Switzerland, Belgium, Holland, Italy, Spain, Norway, Denmark, Greece, France, Germany, Austria, Czechoslovakia, Poland, Czech Republic, Yugoslavia, Hungary, Rumania, Bulgaria, and Turkey.

During their years of preparation the girls have studied interesting customs about each country they will visit, had foreign dinners prepared by the girls themselves, viewed pictures taken by other troops traveling to Europe and worked out their own itinerary. Mrs. Jack F. Andrews, troop leader, said "We feel that this trip will help to truly further good international relations."

On this tour, the girls will stay in various youth and student hostels where they will have an opportunity to share their culture with other students from other lands and to broaden their understanding of these people.

Rabbi Levine Comments on Colleague's Freedom Ride

Rabbi Reuben R. Levine

Rabbi Reuben R. Levine of Temple Beth Ahm, Springfield, offers some supporting comments on Rabbi Israel Dresner's recent participation in the "Freedom Rides." Rabbi Dresner, who is the spiritual leader at Temple Shalom, Springfield, took part in a Freedom Ride which integrated numerous bus terminal facilities in Florida. He and 17 other clergymen were jailed for 36 hours in Tallahassee, Florida, on charges of unlawful assembly and grouping to incite riot. Rabbi Dresner was released on \$500 bail and was later fined \$500 when he returned to Tallahassee to stand trial last Thursday.

Rabbi Levine's remarks on this situation follow:

"The other day I had the pleasure of attending the Junior High graduation at the Gaudinier School. We took pride in seeing almost 250 fine young Springfielders reach a milestone in their maturation. One of the songs they sang was called 'What Makes a good American?' It went: 'Am I a good American? I stand up for my rights—but do I stand up for yours?...' This is what we are teaching our children. It is what we want them to live by as citizens of the United States.

This makes it all the more disturbing for me to have heard some disgustingly narrow and even vicious comments this week on Rabbi Israel Dresner's participation in the Freedom Ride. They ranged from: 'A rabbi has no business getting himself in jail,' to 'Would you want your daughter to marry one?' I must confess to naïvete in having thought that we in our area, particularly people associated with religious organizations, had come a longer way from personal prejudice and moral cowardice. Thank God there were just as many or more who praised Rabbi Dresner's heroic action.

It seems that we live in such complacency and self-interest that we forget that someone has to take the active step in preserving and fostering the ideals we so glibly profess as Americans, Christians, and Jews. The men at Concord and Lexington knew what had to be done and did it; the men assembled in Philadelphia on that hot July day in 1776, knew what had to be done—and did it. The social and political progress of our country from that very day to this has been prodded by individual deeds of courage and conviction that set the example for others to follow.

The very fact that you are reading these words, or that you and thousands of other adults and children are even being made aware and thoughtful of the integration problem is due to the unhesitating willingness to sacrifice on the part of others in freedom rides and their like. Of course it is daunting. Of course it may take away some of our 'peace of mind.' But isn't it even more disturbing to know that in some parts of our beloved Republic there are citizens who are being forced into a second-class position; who are being denied the right to use ordinary public facilities on as free a basis as their lighter skinned countrymen?

One cannot of course shut his eyes to the fact that this is not merely a racial problem. It has exceedingly complex social, economic, psychological and cultural implications. Contrary to the fears of the bigots and even those of the more rational critics of demonstration tactics,

MAKES DEAN'S LIST

The Dean's Office of Grove City College, Grove City, Pennsylvania, announces that Charly Joas, daughter of Mr. and Mrs. J. C. Joas, 141 Salter Street, Springfield, has been named to the Dean's List at the completion of the past semester.

Miss Joas is a sophomore and is a member of Sigma Sigma Sigma sorority.

Wins Degree

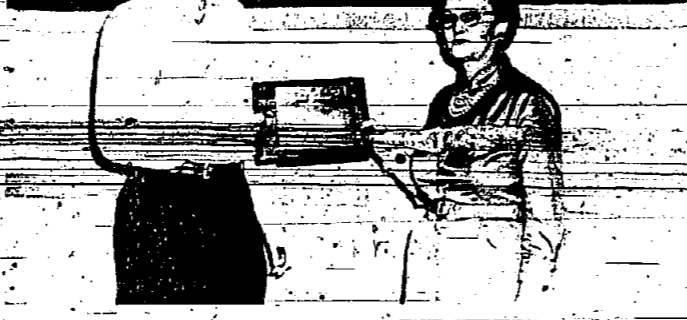

Miss Frances Patricia Koonz, 74 Wabeno Avenue, Springfield received a BSNE from The Catholic University of America, Washington, D.C. on June 4.

...true integration and acculturation are a long, long way off. Much will have to happen on both sides of the color line before it can come about. But we cannot be permitted to forget that the common ideals of brotherhood and equality we are supposed to hold so dear are being degraded and opprest every minute and every day in many parts of our country.

...our own. Rabbi Dresner and others like him are helping us to remember. They are continuing in the spirit of the Prophets who demanded: 'Have we not one Father? Has not One God created us all?'

Remember the song our children sang last Thursday morning: 'Am I a good American? I stand up for my rights—but do I stand up for yours?...'!!

LADIES AUXILIARY SPRINGFIELD FIRST AID SQUAD

AUXILIARY HONORED—The Springfield First Aid Squad honored the Women's Auxiliary June 22 at a surprise party. Mrs. Saide Stevens, right, was presented a plaque by Robert Robinson (left) in recognition of the fine work performed. Mrs. Stevens is president of her group; Mr. Robinson is head of the Squad.

3 Localites Win Degrees from NSC

The following residents of Springfield were among the 390 to receive degrees from Newark State College, Thursday, June 8:

Miss Myrna Joyce Chesler, daughter of Mr. and Mrs. Morris Chesler, of 44 Wentz Avenue, Springfield, majored in early childhood education. While in college she was a member of the Association for Childhood Education and Vice-President of Omega Phi sorority. She is a graduate of Jonathan Dayton High School and will teach first grade in Woodbridge Township.

Joseph P. Cocozzelli, husband of Marie A. Cocozzelli, of 501 Meisel Avenue, Springfield, majored in special education, for his Master of Arts degree. His thesis dealt with suggested science lesson plans related to social learnings of educable mentally retarded. He was a recipient of the Lloyd Yepsen Scholarship and published an article in "Children Unlimited" in June of 1960. He is a member of the Association for Childhood Education and the Elementary Classroom Teachers Association. Mr. Cocozzelli will teach educable mentally retarded at the Eastern School in East Orange. He is the son of Frank Cocozzelli and the late Angelling Cocozzelli.

Miss M. Ruth Pringle, daughter of Mr. and Mrs. Mark A. Pringle of 73 Linden Avenue, Springfield, majored in general elementary education. Miss Pringle graduated Summa Cum Laude—and was on the Dean's List for three of her four years. She was a member of Kappa Delta Pi National Honor Society, Alethian Club, and Communications Committee. She is a graduate of Jonathan Dayton Regional High School, Springfield. She will teach in the Springfield school system.

UJC Library Facilities Offered to Collegians

CRANFORD—Fred E. Mark, 111, librarian, today invited Springfield area collegians and other local residents to make use of the Union Junior College library this summer. He reported that the library will be open for reading and reference purposes daily, Monday through Friday, from 6 to 9 p.m., through August 4.

Plan Church Dedication

Rev. Gerard J. McGarry, pastor of Our Lady of Lourdes Roman Catholic Parish of Mountainside, called together the past and present officers of the Rosary Altar Society and the Holy Name Society to form a committee to inaugurate plans for the dedication of the new church. Assisting Father McGarry as co-chairmen are Mrs. Christopher Fritz, president of the Rosary Altar Society, and James Dwyer, president of the Holy Name Society. Dedication of the new church is scheduled for Saturday, September 9, at which time the Most Rev. Thomas A. Boland, S.T.D., Arch Bishop of Newark, will lay the cornerstone of the church and bless the church and school.

Legion Team Wins Youth Major Title

Heat Crestmont Savings 3-1

The American Legion beat Crestmont Savings 3-1 to win the Youth Major League Championship in Springfield at Washington Field last night. A large crowd witnessed this exciting game. Both teams had ended the regular season with 11-4 records with Crestmont having beaten the American Legion twice during the regular season. The game was very well played by both sides.

Ron Azarewicz of Crestmont and Robert Belliveau of American Legion both pitched fine ball. Belliveau pitched his finest game of the season striking out ten men.

The hitting star for Crestmont was Ron Azarewicz with two hits while Ricky Szelen had two hits for the American Legion.

Crestmont scored the first run in the third inning on a double by Azarewicz who then stole both third base and home. The American Legion got two runs in the fourth inning on a triple by Belliveau, on a misplayed fly ball to the outfield. A fine throw by Crestmont's center fielder, Robert Marejnes in the second inning cut down a run at the plate.

POST 228 HONORS TEAM—The Jonathan Dayton Regional High School baseball team were the guests recently of Springfield Continental Post 228, American Legion at the Post Home. Edward Jasinski, team coach, introduced each player and trophies were presented to the senior ball players by Frank Sammond, past Post Commander. Shown in picture left to right are: Mr. Jasinski, pitcher Tom Marino and Mr. Sammond.

Plan Summer Meals For Easier Living

Summertime is a time for relaxed living, a time for take-it-easy meals, says Mrs. Irene H. Wolgamot, extension specialist in foods and nutrition, Rutgers University.

Planning meals ahead can make summer meals a pleasure rather than a chore. There are many tricks that can make last-minute preparation easier, too, Mrs. Wolgamot points out.

Food can be prepared in advance during the cool of the morning, she reminds homemakers. Extra quantities can be prepared—enough for a meal the same day and extra for the freezer for future use. Convenience foods can be used to cut preparation time. This is the season to make maximum use of mixer and of prepared foods of all kinds.

Summer is the season for simplicity, too. Fresh fruits and vegetables in season taste well without "dressing up." Elaborate menus are out of place. The season calls for relaxing—all the way—simple foods, simply served.

Foods can be well prepared and attractive, with short-cut methods. Use color on the table in foods, in table mats, in flowers or fruit to add to meal enjoyment. In planning menus, choose light, refreshing foods. The New Jersey State University specialist says this is the season for low-calorie dishes, cool beverages, crisp salads, frozen desserts.

Your Library

The students going into the 5th, 6th and 7th grades who are participating in the Summer Reading Program at the Springfield Public Library are launching something new in creative activity this year. They will write book reviews for a weekly column to be published in the Springfield Sun. Since the emphasis this year is in quality reading, it is hoped that their achievement in literary appreciation, reading comprehension and book enjoyment will be increased through this sort of competition. The children of Springfield are avid readers and steady library patrons. Their feeling toward the library is expressed most sincerely in the poem written by Ruth Wood of James Caldwell school.

Libraries are the nicest things I know
They help to make our minds grow.
The library in our town
Has many books to be found.
There books about dogs, horses,
and mankind.
They really are not hard to find.
Just ask the librarian to give you a hand.
She will help you understand
The way they put their books away.
Let's you have a pleasant stay.
Visit your library I am sure
you'll see
Many things that interest both
you and me.

Book Reviews Clara Barton, Girl Nurse
by Augusta Stevenson
This book I think is very interesting. Clara Barton as a girl became a nurse by taking care of her brother. Clara learned fast since her two older brothers and two older sisters taught school. Clara was very shy. Her parents sent her to a boarding school hoping that she would overcome her shyness of people. But that didn't help any. In about two months she came home pale and skinny. So Clara never went back there.

At the age of fifteen Clara began to teach. She didn't want the pupils to know that she was fifteen or that this was her first time teaching. There were big roughnecks in her class, but Clara soon made them into gentlemen. At the end of the second month Clara's first school was a success.

As the years rolled by there came a war. Clara Barton went to work in this war as a nurse. She had her hospital right on the battlefield. She saved lives of many men. When the war was over, Clara Barton started the Red Cross in America. Now Miss Barton is the best loved, most famous woman in the world.

English Children
by Mabel O'Donnell and Elizabeth Bloss
Something out of the ordinary was going to happen. Joan could see it in her mother's eyes. Mother was cooking tea. Father was coming home. Tom and Joan were coming too. When Father, Tom and Frank came home they all sat down. Joan could tell that a surprise was coming. When they all sat down Father said, "We are going to go to Grandmother's house at the shore." That was the surprise, and they liked it too. I think that Mabel O'Donnell and Elizabeth Bloss write very good books. They have written books of children in other countries. I also think they write English children very well.

Want Good-Looking Lawns? Visit Freedman at Scotts

1st Center to Carry Just Scott's Products

Have you ever passed a verdant-looking lawn and said to yourself, "If I had money, my lawn would look just as good if not better?" You probably have at one time or another. Well, that home-owner probably had limited funds to spend, but he knew where to go for information and gardening supplies. He went to Scott's Lawn Program Center, Route 22 and Coles Avenue, operated by Springfield resident Isaac Freedman.

He knows each of Scott's products completely and can readily tell which one would be best for a particular lawn problem. Freedman stated, "It is not difficult to grow and maintain a beautiful lawn. It just requires the proper planning and know-how. A home-owner does not have to spend a great deal of money, either. In fact less material is used when one uses Scott's products." He also emphasized if proper results are not achieved, Scotts refunds the money.

This center is the first establishment to carry a complete line of Scott's products and only Scott's products. Here the home-owner has the advantage of utilizing all of Scott's knowledge and advice necessary to growing and maintaining a beautiful, rich-looking lawn. All the firm's products are fully tested for five years before they are placed on the market. All kinks and bugs are ironed out before the product is ready for the consumer.

The conception of selling only Scott's products came about April 1st. Mr. Freedman, believing thoroughly in Scott's products, approached Joseph Smith, Union County representative for Scotts, and told him he wanted to open a center selling the firm's products exclusively. On April 8th, the new center was fully stocked and ready for business. "Without Mr. Smith's help and the willingness of O.M. Scott & Son to cooperate, this center could not have been ready in just 8 days," Mr. Freedman said.

Mr. Freedman has at his fingertips 20 years of experience with Scott's products and he is ready to impart this information to anyone wishing to receive it.

Mr. Freedman believes this new center will be the forerunner

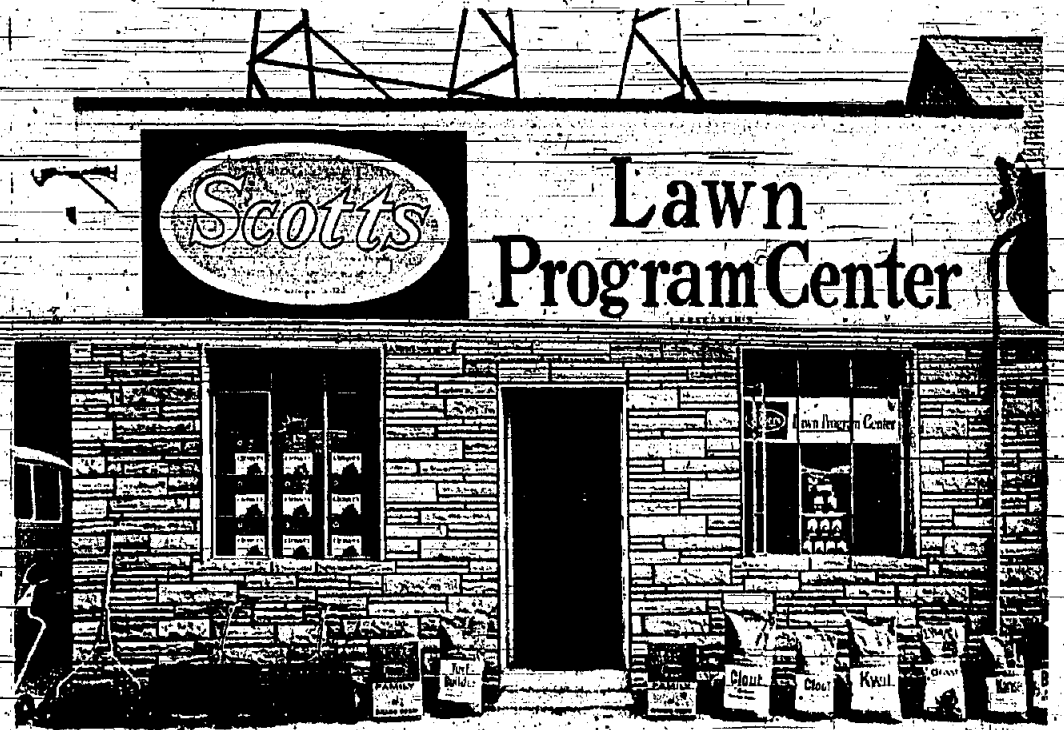

WEEDS, BEWARE—Wide assortment of lawn conditioners highlight the new Scott's Lawn Program Center on Route 22 and Coles Avenue, Union. Also featured is a rose program, the first time Scotts has featured this item on its agenda.

of many centers of this type throughout the country. Where else can one obtain all the necessary advice on how to grow a luxurious lawn free from crabgrass and other unsightly weeds. A Scott representative will visit

homes to find the trouble and tell the owner how to eliminate it. There is no charge for this service. A new innovation found in the Center is a complete Rose program, the first time Scotts has

ventured into this field. One of the finest programs ever placed on the market, this program advises how to raise large, beautiful roses.

STEP-RIGHT UP—Scott's Lawn Program Center, the first center to carry a complete line of Scott's products and only Scott's Products, is located on Route 22 and Coles Avenue, Union. Operated by Isaac Freedman, homeowners can seek professional advice on how to grow and maintain a lawn just by visiting the Center and talking to Mr. Freedman.

NOW THIS ROCK—Edward Skidmore, left, discusses rocks at the Tralidde Museum June 18 at which time rock hunters from "all over" gathered for the exhibit. Standing to Mr. Skidmore's remarks are Howard Bredlau of Mountinside and his son Paul 3.
