

Candidates Charge 'Gutter Politics' To GOP

Hardgrove, Falkin & Del Vecchio Say They Propose Progress

Hardgrove

Robert D. Hardgrove, Republican candidate for Township Committee, stated a recent rally, "The present Township Committee has ignored completely the crushing impact of the impending new Federal Highways that will gouge their way through our historic town."

"Many of our friends and neighbors will be forced to leave our town," stated Hardgrove. "Their homes and businesses will be destroyed. Large jagged interchanges, as well as the main right-of-ways will eliminate and devalue properties. Isolation of the north end of town will create traffic problems, snarl normal communication, and access to schools by our children will be more difficult."

Hardgrove asked, "What action has the present governing body taken concerning this situation? There has been a hands-off policy since 1959. They have refused to release vital information concerning the path of the new Route FIA 78 even though they possess this information. (Editor note: FIA 78 is the proposed new Route 22.) Yet the New Esso map indicates its position. This same map also shows the right-of-way of Route FAI 278. (The proposed route connecting the Goethals Bridge with FAI 78 in Springfield.)"

Falkin

Arthur M. Falkin, Republican candidate for Township Committee, proposed a program to coincide with the "Green Acres" project as advanced by the New Jersey Legislature.

Speaking to residents of the ninth district and in response to many inquiries, Falkin, advocated a complete study of all available land within the Township with an "eye to the future" to accommodate the needs of our community.

With the present rate of real estate appreciation in Springfield averaging from 6% to 8% per year it would be prudent to investigate the availability of all vacant land at this time, and after a thorough survey of the future needs of the community, the necessary steps to acquire this property should be taken without delay in order to protect the investment of the taxpayers. Provisions for future growth of our Township must at all times be considered.

Del Vecchio

Philip DelVecchio, candidate for the Township Committee, speaking before a group of independent voters from Edgewood Avenue and Wentz Avenue, asserted that the opposing Democrats candidates in pointing with pride to the present tax rate, are attempting to foist responsibility for the continuing tax increase to local government bodies other than the incumbent Township Committee.

"In 1959, Springfield's tax rate dropped from \$5.77 to \$5.35, a decrease of 42 points," stated DelVecchio. "This decrease was helped by an 18-point reduction in Springfield's county tax share, a five-point reduction in Regional School Tax, and a seven-point decrease in Local School Tax. Circumstances over which the Township Committee had no control."

Candidate Hardgrove stated, "The damage by FAI Route 278 in its course through Springfield from the Township of Union will be devastating. This route will act as a permanent barrier between the majority of Springfield residents and our business section located along Morris Ave. Those of us who will remain as residents in Springfield, will be faced with an additional increase to the already heavy tax burden brought about by a large rate increase. Instead of having one integrated, coordinated township, we will become a maze of "Chinese Walls" and interchanges."

Hardgrove concluded: "The people of Springfield have a right to expect their representatives to keep them informed of these developments. They have a right to expect that the Township Committee will make every effort toward protecting the town. These rights will be exercised when the slate of Hardgrove, Falkin and DelVecchio are elected in November by a majority of voters who expect, and will get, responsive representative government."

"Even though this fortunate reduction in rate occurred only three months after the present administration assumed control in Town Hall," said the Republican candidate, "the administration glorified this as major accomplishment on their part."

DelVecchio went on to say that "When the rate increased in 1961 a total of 41 points, the responsibility for this increase was denied by the present five-man Democratic Township Committee."

"I maintain that if in 1959, the administration on whose record our Democratic opponents are running, was willing to take the bows for the 42-point tax decrease, not of their doing," continued DelVecchio, "they must also assume the responsibility for a 41 point tax increase in 1961."

In conclusion, DelVecchio stated that with his election and that of Robert D. Hardgrove and Arthur M. Falkin, a new era of individual creative thinking would be brought to the Township Committee. "The intolerable burden of taxation on the homeowner can only be relieved by the attraction of new and desirable industrial facilities in selected areas of Springfield," he concluded.

responsibility demands business and financial "know-how" and proven executive ability," stated Braun.

Mr. Braun concluded "with the personnel and equipment available I am confident that I can restore the efficiency required of the Tax Collector's Office."

Braun Says Experience Important

Fred L. Braun, Republican candidate for Tax Collector for Springfield, in his house to house person-to-person campaign urged the voters to compare his background in the business and financial world with that of his Democratic opponent.

Mr. Braun pointed to his 15 years of experience with the Prudential Insurance Company in the capacity of real estate appraiser as well as his many years of active participation in the banking field.

"The Tax Collector is responsible for the collection of over 2 million tax dollars. This re-

Lindylee Fund Now \$2694.36

The total contributions received by the Lindylee Brown Fund reached \$2,694.36 as of Monday's report.

Saul Freeman, chairman of the Crippled Children's Committee of the Springfield Elks, says he is very grateful for the fine response to this cause but he says he's a bit discouraged because

"Thanks," Say The Parents

If words could only express our thanks for everyone's sincere efforts during our months of anxiety, they would have to be very special words that we just couldn't find.

The feelings we wish to give to all of you lie much deeper. It is only through persons that we can face the many trials that life gives us.

We have not been let down. We thank all of you very much.

Sincerely,
Janet and Donald Brown

very few of the industries participated.

Lindylee is the 3-year-old daughter of Mr. and Mrs. Don

School Children Help In Collecting For Lindylee

Two nine year old girls, Sharon Gagnon, daughter of Mr. and Mrs. Frank Gagnon of 449 Mountain Avenue, and Nancy Jeanne Martino, daughter of Mrs. Grace Martino, of 415 Mountain Avenue, both of Springfield, brought a well filled envelope to the Springfield Sun office Monday with \$27.55 collected for Lindylee Brown the encephalitis victim.

Sharon and Nancy are both pupils at the Edward V. Walton School and the story of Lindylee's sickness and the need of the parents for financial aid inspired them to ring doorbells and ask their neighbors to contribute.

The \$27.55 was turned over to the Lindylee Fund Committee and Sharon and Nancy will receive official thanks from Mr. Freeman and his committee.

During the last week Betsy Dewey, 10 year old daughter of Mr. and Mrs. Charles Dewey, of 133 Balmoral Way, Springfield; and Susan 8, daughter of Mr. and Mrs. Robert Grimm, Woodcrest Circle, and Scotty, 8 son of Mrs. and Mrs. Roger Sewell, Woodcrest Circle, went from door to door in their area and turned over \$15.78 to the Lindylee Fund.

5 Scrap Paper Drive For Lindylee

The Lindylee Brown Fund will receive the entire proceeds in the November 5 Springfield scrap drive according to the American Legion Post.

The legion has been picking up scrap paper every first Sunday of the month and the next one, November 5, will be for the benefit of Lindylee, the three year old who is now home recovering from an attack of encephalitis.

All residents of Springfield are urged to collect as much scrap paper as possible so that the proceeds of the November 5 pick up will add to the drive for financial aid.

Temple Women Send Check For Lindylee

The Women's Group of Sharey Shalom of Springfield mailed a check for \$18.00 for the Lindylee Brown Fund with the following letter accompanying the contribution:

Gentlemen:
Enclosed you will find a check for \$18.00 from the Sisterhood of Temple Sharey Shalom toward the Lindylee Brown project established by your organization.

The \$18.00 has a special significance to our organization and to Judaism in general in that 18 is the numerical value of the Hebrew word "Chai" which means "To Live".

As a result donations in the Jewish Faith very often center around 18.

It is our hope that this check will in some small way serve to alleviate the suffering of Lindylee and the anxieties of her parents.

St. James Annual Dance

The second annual buffet and dance will be held at the St. James Auditorium in Springfield Saturday night, October 14, with the drawing of the winner in the automobile raffle as one of the features of the evening.

Joseph DePalma is chairman of the committee of arrangements with co-chairman Joseph Affilito and Mrs. A. Pancani and Richard Canaka assisting.

Say Republicans Lack Campaign Issues, Now Turn To Mud Slinging

"Rejected Bosses Seek To Regain Control,"-Dems

Township Committee candidates John C. Pitney, Richard M. Sullivan and Peter Finnerty last night charged opposition political candidates Philip Del Vecchio, Arthur Falkin and Robert Hardgrove with irresponsibly and desperately resorting to low-level mud slinging; gutter politics to cover up their failure to find a single campaign issue.

Pitney, Sullivan and Finnerty told a series of Republican and Democratic house meetings that "the personal character assaults being waged by DelVecchio, Falkin and Hardgrove are typical, but regrettable, whenever a political office seeker has nothing to offer the people but election-time promises and not a single record of community service."

Pitney, Sullivan and Finnerty stated: "Personal character assaults and political distortions are always the prime weapon of those inexperienced and irresponsible candidates who suddenly appear at election time with a promise-everything - to everyone campaign, coupled with personal assaults on everyone and anyone who stands in the way of their personal drive for public office."

Their concern is not for the individuals whom they have personally and unjustly attacked but for their own political ambitions which are based on getting votes at any price.

"We challenge DelVecchio, Falkin and Hardgrove to make known what contributions to municipal progress they have ever made other than election-time promises and to state why they have refused to place before the public a single evidence of community participation other than representing the rejected political forces that gave Springfield the highest tax rate in the county before they were voted out of office."

"DelVecchio, Falkin and Hardgrove have waited until the eve of election to claim their sudden interest in municipal progress, but election-time only interest in government is not what the people of our community want," the statement concluded.

Tax Office Collections Very Good

Springfield tax collector Tessie Jones declared today that the highest percentage in collections of delinquent taxes in the township's history has been achieved this year in the tax department.

Speaking before a rally of Republicans and Democrats in behalf of her election, Mrs. Jones stated: "As a result of these record collections, more monies have been brought into the township to provide additional revenues for township purposes."

"Such year round efforts in delinquent tax collections must be continued so that no single additional burden is placed on the vast majority of tax payers who respond regularly and promptly with their payments."

A resident of the township for 33 years, Mrs. Jones also outlined to the rally her participations in numerous municipal and civic affairs.

She served in civilian defense and Red Cross during World War II and received a presidential citation. She also has served in the Parent Teachers Association and the Regional High School Boosters Club.

She has helped to spearhead the Springfield mothers' March of Dimes and also served on former Mayor Binder's Committee for Springfield's 175th anniversary.

Name Springfield Man to New Post

Harry Hillard has been appointed supervisor of Gift Centers (redemption stores) in northeastern states by the King Korn Stamp Company. It has been announced by Sidney Rosenthal,

Temple To Hold Fashion Show

The second annual fashion show and dinner sponsored by Sisterhood of Temple Beth Ahm will take place at the Temple auditorium Tuesday, October 17 at 8:30 p.m. Featured in the parade of beautiful apparel will be fashions by LaNette of Irvington and hats by BeeBee of Orange.

To set the proper basis for this gala, Mrs. Ben Grau and Mrs. Sol Levitt, co-chairman, have the services of Mrs. Lee Lichter as their catering chairman. Mrs. Lichter, whose reputation for excellent cuisine is well-known in the Temple circles has gathered together a highly efficient staff including Mrs. F. Neubarth, Mrs. Al Hausman, and Mrs. Herman Wolfman among others.

Interested In Banking Career

The Springfield office of the National State Bank of Elizabeth has room for two, or three bank tellers.

If you are interested in the dignified and interesting career of banking - this is an opportunity to learn the profession in a very fine environment, in a busy suburban community.

For further information telephone CRestview 7-4000 and ask for Arthur Smith, Vice President in charge of the Springfield Branch.

Annual Temple Dance

Temple Sharey Shalom annual free membership dance on Saturday night, October 14 at Edison Recreation Center on Morris Avenue in Summit, Live band, professional entertainment.

Rabbi Levine Holds Lecture

On Wednesday evening October 11, Rabbi Reuben Levine of Temple Beth Ahm, Springfield, held the first of six lectures entitled, "Meaningful Moments in a Jew's Life."

The series of lectures is being sponsored as a joint project of the Temple Beth Ahm and Temple Shalom Adult Education Committee.

Rabbi Levine will discuss authentic Jewish attitudes, rituals, and customs relating to birth, education, Bar Mitzvah, marriage, family life and death. The course will be held October 25 November 8, 22, December 13 and January 10 at the Shalom Shalom Temple House from 8:30 to 10:00 p.m.

A second course is being offered in elementary Hebrew. The course for beginners will place emphasis on reading and familiarity with the prayer-book. Mrs. Abner Gold will conduct the class at her home 201 Lelak Avenue each Tuesday from 8:30 to 10:00 p.m.

For students with a reading knowledge of Hebrew who wish to learn it as a living language Mrs. Norman Salsitz will conduct a course in conversational Hebrew each Tuesday from 8:30 to 10:00 p.m. at Temple Beth Ahm.

LETTERS

Editor, Sun:

In reference to a letter to the editor on Page 3 of last week's Springfield Sun, I would like to say, just briefly, that the writer of it is beyond all help.

Harry Truman once said that "there is nothing dirtier than the slimy character who uses the press to attack another person and remains anonymous."

lowest in the county" is because Springfield happens to assess at a greater percentage of true value than do all other municipalities within the county. Were we to assess at 80 per cent of true value instead of the current 40 per cent, the tax rate would be cut by one-half to .297, but the taxes would remain the same.

The foregoing is not meant to detract from any progress which may have been accomplished by actual reduction of costs of municipal services - but let's stop the "statimetic" focus, please.

Very truly yours,
Joseph S. Seidel

Channel Co. To Observe Anniversary

Channel Lumber Company, with one of its leading retail operations located on Route 22, Springfield, inaugurates a month long promotion to commemorate the founding of the business in 1908 with a 53rd anniversary sale with all 4 stores participating.

The promotion will follow a gay 90's theme with gayly attired sales people, Old time Piano Roll player on display. New products will be featured and demonstrated. Channel will give over \$3,000.00 in prizes and gifts in a "guess how many notes", musical contest and all can enter.

There will be free candy and balloons, for the youngsters and give-away for the ladies.

Channel Lumber Co. has added a home improvement center offering complete remodeling and planning service for discerning N.J. shoppers.

B.R. Charin, vice president said: "Our 53 years denote, not only, integrity but acceptance by the public at large of our policy which has never changed in offering quality, name brand products plus person-to-person service."

Anne Sylvester To Address Realtors

Anne Sylvester, President of Anne Sylvester's REALTY CORNER in Springfield, will be one of the speakers at the 8th District Annual Educational Conference of the New Jersey Association of Real Estate Boards at the Hotel Suburban in East Orange, on Thursday October 12 at 2 P.M.

The topic of Mrs. Sylvester's speech will be "Salesmen-SOS". Anne Sylvester is in private life, Mrs. Frederick F. Sylvester of Great Oak Drive, Short Hills.

Van Ness Named N.J. State Board

J. Norwood Van Ness, residing at 14 Alvin Terrace, and offices at 248 Morris Avenue, Springfield has been reappointed to the New

Jersey State Board of Examiners of Optometric Dispensers and Optometric Technicians.

Van Ness was first appointed to this Board by Governor Alfred Dreese in 1952, followed by re-appointment by Governor Meyner in 1956.

The present term will be the third term to be served by Van Ness.

Having been established in Newark as a dispensing optician for twenty-four years Van Ness followed his customers to the suburbs and established an optical dispensing business in Springfield, at 248 Morris Avenue, three years ago.

In 1952 as chairman of the Legislative Committee of the Society of Dispensing Opticians of New Jersey, Inc. he led the successful efforts of N.J. opticians to pass licensing legislation.

He is also past president of the Guild of Prescription Opticians of New Jersey, Inc. and a member of the Springfield Rotary Club.

Van Ness stated that progress in the form of style in eyeglasses and automation in the optical laboratory have benefited the optical business. He can recall the time when round, pear shape or octagon-rimless eyeglasses were in vogue and most of the grinding of lenses was done by hand on simple machines.

Automatic machines with diamond impregnated steel wheels do the grinding more accurately and at a more rapid pace. Many other instruments and tools have been added to the optician's laboratory to enable him to produce

finer eyeglasses.

Van Ness is married and lives at 14 Alvin Terrace in Springfield. He has a son attending Drew Theological Seminary in Madison, N.J. Van Ness says that his family enjoys living in Springfield and is most optimistic for the future of this pleasant suburban town.

Mrs. George Gianas, wife of George Gianas, of 48 Pitt Road, Springfield, died at home after a long illness. She was 59. A native of Greece, she came to this country 45 years ago and lived in Newark before coming here five years ago.

She leaves a son, John of Springfield; four daughters, Mrs. Mary Vasilov at home, Mrs. Katherine Kassel and Mrs. Bertha Parkowitz of Springfield, and Mrs. Helen Patsis of Jackson Heights, N.Y.; two brothers Peter and Anthony Stavros in Greece; two sisters, Mrs. Olga Thomas of Newark and Mrs. Maty Katsafouris of Fort Lee, and 12 grandchildren.

The funeral was held Wednesday from 10:30 a.m. to 12:00 p.m. at the Summit City Hall and Monday, October 23 at Newark State College in Union both starting at 8 p.m.

This is one of the services of the League to the public and is under the supervision of the Voter Service committees.

Mrs. Sidney Miller, Springfield Voter Service chairman, urges all voters to attend one of these meetings to see and hear the candidates.

For further information or transportation arrangements, call Mrs. Miller at DR 6-4605.

For those who cannot attend, the League has prepared candidates information sheets which will be available at the Springfield Library.

Local candidates sheets will be distributed door to door by Springfield Girl Scouts.

What's so different about this gas station?

The big difference is that Hess fills your tank with the finest quality gasoline money can buy! Yet charges less than other leading brands. How can we do it? Because we're gasoline men who stayed out of the retailing business until we figured out how to eliminate the hidden costs. We're one of the East's largest independents... own and operate a brand new, pushbutton refinery in New Jersey, have our own oil wells, pipelines, termi-

nals, truck-tanker fleets, and lots of busy, clean, white Hess gasoline stations going up wherever you drive. Our gasolines are certified top brand quality. Hess Certified Regular and Certified 100-Octane... both refined to protect and to power... to help you start faster, without battery strain... to climb hills easier, without knock... to pass on thruways with safety... to stretch your mileage... and your dollars. See for yourself.

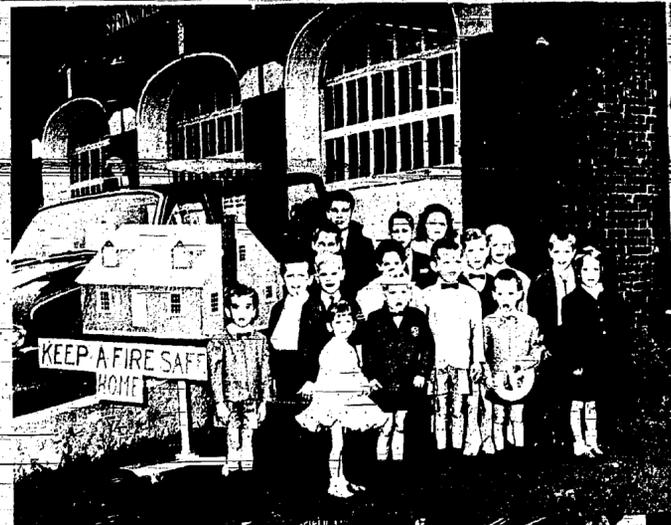

Drive in for quality... get a bonus of savings!

Perhaps because you are establishing a habit. You may find it takes a little grit to put money in the bank when there are so many other places to put it. But, after you have saved that first thousand, you begin to realize the advantage of getting interest instead of paying it. You have a sense of security, with something between you and financial trouble. It's easy to start the ball rolling at First State. Just stop in at the office most convenient for you and open an account today.

Exhibit To Aid In Fire Prevention Crusade

Firemen Plan to Form Jr. Fighters

Fire Prevention Week is being observed in Springfield by members of the department with an exhibit of a model home showing grave mistakes usually made when a fire starts.

The exhibit will be on display in all schools of the Township with members of the Springfield Local, F.M.B.A., pointing out the many areas of fire prevention. The exhibit will also be on display in several commercial places in Springfield during the "Clean out and clean up period against fires."

Fireman William Schmidt is president of an organization sponsoring a "Sparky" program in Springfield which is intended to teach the youngsters in the community on how to prevent fires.

Chief O.W. Mesker, head of the Springfield Fire Department has sent the following letter to parents of school children in the first 3 grades:

"The Springfield members of the Firemen's Mutual Benevolent Association are interested in sponsoring a SPARKY JUNIOR

Fire Department for boys and girls in grades 1 through 3 in all Springfield schools.

"One of the aims of this program will be to teach the children - and through them, their parents, how to prevent fires and more importantly how to behave in case of a fire.

"Sparky" was born several years ago in an effort to cut down the increasing number of home fires and particularly the appalling number of deaths among children.

"Sparky" is a public-service symbol of the general fire safety education program conducted by the NATIONAL FIRE PROTECTIVE ASSOCIATION which is the world's largest organization devoted exclusively to the protection of lives and property from fire.

"If a sufficient number of children express interest in this program, which will function throughout the school year, with one meeting in December, March and June, we will put in operation. The time and place for each meeting will be announced in the

Fourth-Mrs. Walter Stogryn and Mrs. Nathan-Von Der Lippe

Warkala and Stamler Get Campaign Help

Vincent F. Warkala, Republican candidate for the State Assembly, has been awarded a check for \$1,000 by the States "New Jobs" Committee.

"New Jobs" is another way of saying the New Jersey Organization for a Better State. A non-partisan organization is dedicated to the election of capable candidates who are genuinely interested in good government and in the economic growth of New Jersey.

Warkala was given the check in ceremonies at the Winfield Scott Hotel by Frank X. McDermott of Westfield, Secretary of the state organization.

A resident of Mountaineers, Warkala is training manager of the Singer Manufacturing Co. of Elizabeth. He and incumbent GOP Assemblyman Nelson F. Stamler of Union are the only two candidates in Union County endorsed by the Committee.

Warkala, a lifelong resident of Union County, endorses the New Jobs organization's premise of "a genuine concern for good government and out State's economic growth."

The Mountaineers resident is a graduate of Thomas Jefferson High School, Elizabeth, where he was a stand-out athlete; received a BA degree from Rutgers University and was awarded a Masters in Business Administration Degree from New York University.

During World War II he served in the North-African campaign and was wounded in Italy and had to spend four months in a hospital. After entering the Army as an enlisted man, he was discharged as a First Lieutenant.

Since World War II, he has been a member of the Army

Library Trustees Hold Meeting

The trustees of the Mountaineers Library Association held its regular monthly meeting last evening (October 9). This was the first meeting held in the new work room of the library. The work room is a room across the hall from the main library, and is used for cataloging of new books.

The library staff has been very busy cataloging and processing new books because of the large increase in the book stock during the past year. Approximately 1100 books have been added to the library during 1961. A large percentage of these books have been non-fiction and reference books—specifically for use by high school students.

It was reported that a memorial fund for the purchase of books has been established in memory of Mr. Charles Schlier.

New Members of 1961 Star Club

Anthony D. Cucuzella of 104 Fieldstone Drive, John C. Gacos of 287 Short Hills Road and Maurice Rothman of 50 Forest Drive, all of Springfield, have qualified as members of the 1961 Star Club of New York Life Insurance Company, according to Don Parker, CLU, regional vice president of the company's Greater New York Region.

Membership in the Star Club is based on 1960-61 sales records and is composed of outstanding agents of New York Life, which has a field force of more than 6,000 full-time agents in 245 offices throughout the United States and Canada.

As members of the Star Club, they also will attend an educational conference Sept. 13-16, in Lake George, New York.

OFF-BROADWAY TO FILMS

NEW YORK — From Off-Broadway to Paris film stadium has been the path of Delphine Syrig.

Born in France, Miss Syrig was discovered by movie makers while appearing here in a revival of "An Enemy of the People." Her performance won her the feminine lead in "L'Annee Derniere," a picture now being made in her homeland.

Response To Public Meeting Favorable

The Taxpayers Educational Committee of Mountaineers announced today that the favorable response of the general public to the September 27 meeting sponsored by TEC was most gratifying.

Herbert Kranich, Temporary Chairman, in speaking for the organization went on to say that a large number of questionnaire cards have been received

commenting favorably on the aims and techniques of the group. Mountaineers are genuinely interested in learning about all phases of their local government; they appreciate opportunities to meet and question officials in a non-partisan atmosphere.

The great majority of replies to the questionnaire requested further meetings designed to acquaint citizens with the workings of the borough government. People want to know how the borough government operates, the duties and responsibilities of the various elected and appointed officials and more about the local problems now facing all of us.

In view of these requests, TEC is arranging a "Know Your Town" meeting for Wednesday, November 1, at 8:30 p.m. at Deerfield School All-Purpose Room. The panel of speakers has not yet been announced. As in the previous meeting, speakers will make a short prepared presentation and there will then be a moderated question and answer period.

Mr. Kranich further stated that a general membership meeting of TEC is being planned for late November. At that time, the large number of persons who indicated an interest in joining TEC will have an opportunity to learn more about the various committees and the work that is being planned for the future.

Toot, Toot, Tootsie Don't Cry!

Wipe your eyes, for there's many a June Bride of years ago that still can't iron her husband's shirt properly. Or if she can, it takes her so long that she neglects her cooking and other important chores.

But why should the new bride bother with her husband's shirts, when she can have them done at Pan American? We have the equipment, the trained personnel and the know-how to get his shirts laundered just the way he likes them. In fact we guarantee his satisfaction.

You can also have those new linens and table cloths laundered at Pan American—with complete confidence. They'll not only look better, but also last longer. We hang your tablecloths on hangers, so that you'll have a minimum of wrinkles and creases. Those banquet cloths especially merit our "personalized" care. So let us help you take the wear and "tears" out of your laundering chores.

Open 7 A.M. to 7 P.M., Monday thru Saturday

On Program

Warren M. Davis, superintendent of Union County Regional High School, Springfield, is on the program for the annual conference of the New Jersey School Superintendents Association Oct. 17-19 at the Shelburne Hotel in Atlantic City.

Davis will be co-chairman of a clinic session on summer and Saturday programs on the Oct. 18 program.

The convention is "Developing Quality Education." Speakers will include Dr. Frederick M. Raubinger, New Jersey commissioner of education, on "Current Problems in Education in the State."

25th Wedding Anniversary

Mr. and Mrs. John Scuzzo of 6 Essex Road, Springfield, celebrated their 25th wedding anniversary at a party given in their honor by their children at the Club Diana in Union.

The party was attended by 50 friends and relatives. Mr. Scuzzo who is president of the Springfield Steel and Fibre Drum Co., and Mrs. Scuzzo have been residents of Springfield for the past 7 1/2 years. They have five children: Ariene (Mrs. Leroy Potts); John, Jerry, Joann, Elaine, and a 5 month old grandchild Marialaine.

Courses Resume

The Religious School Committee of Temple Israel of Scotch Plains and Fanwood announced that the Adult Education Course in Jewish History will resume again this fall under the guidance of Rabbi Bernard Fuerst.

The course will be given on the 1st and 3rd Wednesday of each month, from 8:30 p.m. to 10:30 p.m.

The first class will commence on Wednesday, October 18, and run through June.

For further information regarding this course, contact Paul Weitz, 2334 Carol Place, Scotch Plains.

Toy Gets Praise

Teachers throughout the United States have been echoing words of praise for the amazing new learning toy developed by the National Communication Laboratories, New York City, specialists in juvenile communication.

The toy, called the Automatic Tutor, is designed to make learning fun. With it children learn while playing either singly or with other children. Play time is turned into learning time with the child barely conscious of the speed with which he has mastered his school subjects. Both child and parent realize it, however, when marks quickly start on the upgrade.

One major feature of the toy is that it can be programmed by the child himself, even by a first grader, to provide him with aid in learning reading, simple arithmetic, writing and other subjects. At the same time it is equally adaptable to aiding the sixth grader master more complicated areas of math, spelling and history.

The toy, which sells for \$4.98, has not yet been distributed to stores. However, it can be obtained on a C.O.D. basis, with a full money-back guarantee if not satisfied, by writing to the National Communication Laboratories, 507 Fifth Ave., New York City.

Praises Association

Dr. Kenneth G. MacKay, president of Union Junior College, lauded the Union County Police Chiefs Association yesterday (Monday, October 9) for their foresight in establishing their Police Training Academy 15 years ago.

He spoke at opening exercises for the academy's 15th annual eight-week session, which began at Union Junior College's Monahan Building. His presence as policeman from 15 Union County communities and the Union County Sheriff's Office enrolled.

Dr. MacKay pointed out that the necessity for recruit training for new policemen was recognized by the State Legislature this year with the adoption of a bill establishing the Police Training Commission and recommending that all new policemen be required to attend a training program.

"Here in Union County we have been doing this for the past 15 years because of the efforts of the Police Chiefs Association to raise the professional standing of police officers and to improve law enforcement. There is hardly a need here for the police training law adopted this year, but unfortunately this cannot be said for all parts of New Jersey," Dr. MacKay said.

The president of Union Junior College told the new police-officers that an untrained policeman is a patrolman in name only.

Dr. MacKay welcomed the new policemen to the college and invited them to make use of all college facilities, including the library, student lounge, cafeteria and dining hall.

"We have enjoyed having the Police Training Academy on our campus for the past two years," Dr. MacKay said.

Chief Lester W. Powell of Cranford, academy dean, presided at the opening exercises. Other participating were: Former Chief Norman Olsen of Roselle Park, associated president, and Chief Christian Fritz of Mountainside, chairman of the education and training committee.

The following patrolmen are enrolled in the academy: Berkeley Heights - Theodore P. Rica; Clark - Alfred Versevich; Cranford - Michael A. Deane, Robert A. Guertin, and Robert C. Thiene; Hillside - Jerome E. Horning, Charles W. Ritz, Stanley Madurski, Lawrence Sadlon, Donald L. Baker, and Anthony J. Messano.

Also: Kenilworth - Frank J. Dowd, and Joseph J. Rego; Linden - Raymond A. Beckman, Ronald E. Machuta, Charles F. Schreck, John R. Zaslomovitch, Sterling West, Jr.

STERLING ACHIEVEMENT—Mr. and Mrs. Richard J. Costello (center) of 141 Wentz Avenue, Springfield, receive a sterling silver tea set from B.C. Astrup, New York Division manager of Shell Oil Company, Cosligo, Shell's industrial products salesman in Northern New Jersey area, received the company's highest sales award for his consistently outstanding achievement in the sales field. He has won 11 quarterly sales contests in the past five years.

Ice Skating Center To Launch Season

Michael J. Hegan, president of the Union County Park Commission will be the principal speaker at the dedication ceremonies and official opening of the Warnanco Park Ice Skating Center on Thursday, October 12, at 8:00 p.m.

The invocation will be given by Rev. Donald Hackley, of St. Joseph the Carpenter Roman Catholic Church, Roselle. The prayer of dedication will be given by the Rev. Albert F. Hill of the First Presbyterian Church, Elizabeth.

Other speakers at the program include Jay A. Steamer, director of the Union County Board of Chosen Freeholders, and Rudolph Krestan, general superintendent and secretary of the Union County Park Commission.

Immediately following the dedication and ribbon cutting ceremonies, a one-hour skating program demonstrating figure skating, dancing on ice skates, speed skating and pee-wee hockey will be held.

The program will include, Miss Zonnie Tracy, age 14, of Caldwell, a member of the Garden State Skating Club, and the 1960 runner-up in the Middle Atlantic Junior Figure Skating Championships. Miss Tracy will display a solo in figure skating.

Miss Penny Shaw of Summit, age 14, a member of the Essex Skating Club, will also display a solo in figure skating.

Miss Judy Mothersell, age 9, of West Orange, a member of the South Mountain Figure Skating Club who has been skating just two years and placed third in both the 1961 New England and the New Jersey Speed Skating Championship Competition. At present Miss Mothersell is in training for the North Atlantic Figure Skating Competition (Ladies Juvenile Division) to be held in Troy, New York, in early December. Miss Mothersell will also present a solo in figure skating.

Miss Peggy Eastman, Summit, and Richard Hirsch, New York, members of the Metropolitan Skating Club and the 1959 North Atlantic Bronze Dance Champions which was held at Lake Placid, New York, will exhibit

dancing on ice skates. A demonstration of Pee-Wee hockey will also be conducted under the supervision of Mr. Robert Crane, Cranford.

The feature event of the evening will be a figure skating exhibition by Miss Regine Allwardt, age 16, formerly of Garmisch-Partenkirchen, Germany, the site of the 1936 Olympics and now of South Plainfield. Miss Allwardt at the age of 14 won the German Junior Championship and last year won the senior championship. Miss Allwardt is the protégée of Miss Joane Kelley who has been a professional teacher since 1949 and has taught in Germany and the United States. Miss Kelley tutored the German Olympic Figure Skating team from 1958 to 1960.

At the intermission between performances the Zamboni ice surfacing machine will be demonstrated.

The show is sponsored by the Beacon Hill Club and is sanctioned by the United States Figure Skating Association.

George T. Cron, superintendent of recreation for the Park Commission is chairman of the dedication program.

DIRECTIONS TO WARNANCO PARK ICE SKATING CENTER: Springfield-Meisel Ave., Springfield Ave. through Springfield & Westfield to Kenilworth Blvd. Follow Kenilworth Blvd. to Westfield Ave. at Roselle Park-Elizabeth city line. Right on Westfield Ave. to traffic light at Linden Rd. Roselle Light. Left at Linden Rd. to Warnanco Park. Follow main drive to rink.

Eisenhower Due For N.J. Return

Union County residents will be among those welcoming former President Eisenhower back to New Jersey next Tuesday, according to Charles P. Bailey, county GOP chairman.

Returning to New Jersey to campaign for James P. Mitchell, his former Secretary of Labor and Cabinet Officer, President Eisenhower makes his first major visit to the State since leaving office.

Bailey said that since President Eisenhower announced he wanted to come to New Jersey to campaign for Mitchell, the county GOP organization has been swamped with calls from Union residents wanting to see the former President.

President Eisenhower will make two major public appearances in Essex and Hudson counties.

He will speak at a women's luncheon at 1 p.m. in the Essex House, Newark, and at 9 p.m. will attend a rally in his honor. President Eisenhower can also be seen when he motorcades along Broad Street in Newark at 12:30 p.m., en route from Mitchell Headquarters in the Hotel Robert Treat to the Essex House luncheon.

Mitchell Says Labor Has Made Mistake

"We have no right to be wedded to one political party," Mitchell said. "Organized Labor has done itself a disservice by identifying itself too closely with one political party."

The first quotation represents the words of Samuel Gompers, trade union pioneer and founder of the American Federation of Labor.

The second statement was made by former Secretary of Labor James P. Mitchell, candidate for governor.

The philosophy reflected in the statements by Gompers and Mitchell is making a comeback in New Jersey labor circles.

This fact is borne out by the significant support which Mitchell, a Republican, is receiving from labor representatives young and old, under the leadership of "Labor's Non-partisan Committee" for Mitchell. Labor officials and rank-and-file are urging the election of Mitchell as a "proven" friend of the working man.

Alfred A. Fontana of Clark, state coordinator of the committee, said, "There is a growing realization that Labor has made a big mistake in getting involved in the politics of the Democratic Party. By doing so, it has put itself into the position of having to defend the party's faults."

"We believe the wisest course for labor is—in the words of Sam Gompers—to reward our friends and defeat our enemies—regardless of party," continued Fontana.

"We are supporting Mitchell

because he is the best qualified candidate. He is independent of any political masters, and he carries with him a comprehensive and workable program.

Fontana cited the fact that labor representatives supporting Mitchell have resisted "strong political pressures" to work for a candidate not of the Democratic Party.

"In addition," he continued, "These men have been working on a volunteer basis, without great financial resources, often digging into their own pockets to pay their expenses."

At the committee's recent kick-off dinner in Newark, six international union presidents expressed their all-out support for Mitchell.

David Sullivan, president of the Building Service Employees Union, said, "We ask for no special favors of Jim Mitchell. We support him only on the basis that he is the best man for New Jersey."

Mortimer Brandenburg, president of the Distillery and Allied Workers Union, said, "Jim Mitchell was the greatest Secretary of Labor this country has ever had. We don't claim he belongs to the trade union movement—we do claim he belongs to all the citizens of New Jersey."

Howard Coughlin, president of the Office Employees International Union, said of Mitchell, "I have always known him to be vitally interested in the problems of labor."

JOSEPH STARITA

AT STEVENS—Joseph M. Starita, of 2225 Redwood Road, Scotch Plains, has started his college career at Stevens Institute of Technology, it was announced by Charles R. Wellhausen, Dean of Students and Admissions. Joe is one of 364 freshmen.

A 1961 graduate of Seton Hall Preparatory School in South Orange, Joe was a member of the Bowling & Rifle teams.

Back To School Night Is Planned

October 19 is the date set for the 2nd Annual "Back to School Night" at Governor Livingston Regional High School, according to an announcement from Frederick Aho, principal. The Parent-Teacher Association sponsors the event which gives the parents an opportunity to follow their children's schedule through a day at school, meeting the teachers and getting a brief resume of the class program.

The meeting will start promptly at 8 p.m. in the auditorium with a PTA business meeting. Mr. Aho will then give instructions for the evening. In homerooms parents will receive their individual schedules. Every class will meet for a shorter period of time, giving the teacher a chance for a brief introduction of himself and the subject covered.

During study periods parents are encouraged to visit the library to inspect those facilities.

Following the simulated school day, refreshments will be served in the cafeteria. Here teachers will be seated with departments to give the parents an added opportunity to discuss curriculum.

Is Appointed

J. George Piccoli has been appointed Director of Personnel Relations of General Aniline and Film Corporation, it was announced today.

Since becoming associated with the corporation in January of 1958, Mr. Piccoli has served as Manager of Labor Relations. Prior to joining General Aniline & Film Corporation, he was Manager of Labor Relations for Republic Aviation Corporation from 1955 to 1958 and six years previous to that was Director of Industrial Relations for the Associated Industries of Cleveland, Ohio. He has also served in executive personnel positions with Daystrom Corporation and Elastic Stop Nut Corporation.

Mr. Piccoli attended Rutgers University and was an instructor in industrial relations at Western Reserve University. He resides at 2282 Woodland Terrace Scotch Plains.

Back To School

Major manufacturing operations of General Aniline & Film Corporation are located at Calvert City, Ky.; La Habra, Calif.; Linden and Paterson, N.J.; Vestal, Johnson City, Binghamton and Rensselaer, N.Y.

Ribicoff; Hughes Will Be Featured At Local Dinners

Abraham A. Ribicoff, U.S. Secretary of Health, Education and Welfare, will join Richard J. Hughes, Democratic candidate for Governor, as featured speaker at two unique dessert luncheons Monday (October 16).

More than one thousand women active in the Hughes campaign will attend the simultaneous luncheons at the Chanticleer in Millburn and Mayfair Farms in West Orange. Guests of honor will be Mrs. Hughes and Mrs. Robert B. Meyner.

The former Governor of Con-

necticut will speak first at the Chanticleer and then, with Judge Hughes, will travel to Mayfair Farms. Mrs. Meyner and Mrs. Hughes also will travel to each affair.

In addition to the campaign speeches, the guests will enjoy a fashion show.

Directing the programs is Mrs. Joseph H. Lerner of South Orange, Associate Manager of the Hughes campaign, who is in charge of special events.

Culture Society Names Teacher

The Ethical Society of Essex County has announced that Mrs. Betty Levin, of 99 Troy Drive, Springfield will teach the First Grade in their Ethical Religious Education School this year. The school holds classes every Sunday from 11:00 to 12:30 at the Ethical Society's meeting house at 516 Prospect Street, Maplewood.

This will be Mrs. Levin's third year as a teacher at the Society. She has a B.A. in Psychology and has worked as a nursery school teacher and settlement house group leader. She has a daughter Janet, who will be in her class this year.

The First Grade curriculum will cover two main topics: "Getting to Know Myself"—a child's introduction to himself, his family, and broader environment from a mental health approach. Basic emotions such as fear, anger, and jealousy will be explored on an elementary level through stories, games, play-acting and films. "Getting to Know Other Peoples"—the second topic—acquaints the child with peoples of other lands and cultures in an attempt to understand similarities, differences, and contribution to our way of life.

The Ethical Society is a religious fellowship seeking greater understanding of and bettering man's relationship to man without reference to dogma or creed. Parents need not be members to enroll their children in the Sunday School. Inquiries can be addressed to the Society or by calling Clinton Burkett, Director of the Sunday School, at Orange-5-7976.

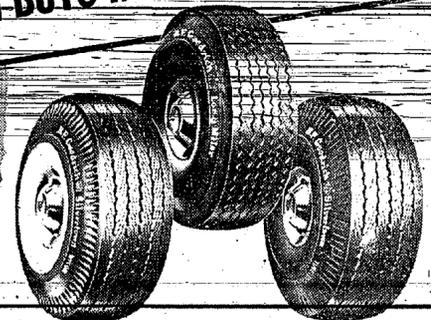

CAUTION! YOU ARE WASTING GOOD DOLLARS IF YOU BUY NEW TIRES WITHOUT CHECKING YOUR WHEEL ALIGNMENT FIRST!

Those day-in day-out road bumps can knock your wheels out of line—and that's bad! The life of your tires could be cut as much as 50%! Vital parts can be bent or broken! The whole car may vibrate! You can head-off real trouble by getting Rayco's FREE "LECTRO-MATIC" WHEEL ALIGNMENT CHECK.

County Scheduled For Defense Drill

Acting State Director Thomas S. Dignan has announced a Civil Defense exercise - OPERATION READINESS - for Region II, which includes Union County, to be held on Saturday December 2, 1961, between the hours of 8 A.M. and 12 noon.

The principal objectives of the exercise will be to test and evaluate the alerting systems at all levels, and activation of all control centers within the county on a short notice. The exercise is intended to put into play emergency field units, i.e. radiological monitoring stations and other field resources, and to test plans for the control of local emergencies under stress conditions.

Mr. V. William DiBuono, deputy coordinator Union County Civil Defense & Disaster Control, has stated that plans are being formulated to simulate problems which will necessitate transmission of personnel and equipment to various parts of the county. The public will not be required to participate in this exercise.

University Ladies Hold Bd. Meeting

The Mountainside branch of the American Association of University Women, at its last board meeting at the home of Mrs. John F. Barry, made plans for a public meeting on the library needs of Mountainside, to be held Wednesday, October 25, at 9:30 p.m. in the all-purpose room of Deerfield School. Mrs. H. Tulchin, program chairman, announced that Albert Hartung, mayor of Mountainside, Frederick Wilhelm, president of the board of education, Mrs. Elmer Hoffarth, librarian of the Mountainside public library, and Miss Ann Voss of the state library service in Trenton have all accepted invitations to address the meeting. Dr. Henry Langheinz has agreed to act as moderator. Everyone is invited, and in view of the intense interest in this issue at the present time, a large attendance is expected.

New Pastor

The congregation of the Mountainside Union Chapel last Tuesday unanimously voted to extend a call to the Rev. Melville H. Eaton, pastor of the First Baptist Church of New Milford, to fill the pulpit. This was announced by Wallace W. Colby, chairman of the pulpit committee, and John Prichard, temporary chairman of the Board of Deacons. Prichard has acted in the capacity normally filled by the pastor, since the Rev. Milton Ashey moved from the area at Easter time. Hugh Whyte was elected to the Board of Deacons and Donald Wilson to the Board of Trustees. Mrs. Donald Wilson was elected church clerk. An overall budget of \$23,577 for the church for the coming year was also approved.

Return Classes To Beechwood

After considerable debate, Mountainside Board of Education, by majority vote, agreed Tuesday night to return the third and fourth grade classes, presently housed in Echobrook School, to Beechwood School.

The two classes were temporarily transferred to Echobrook School while construction work was going on at the Beechwood School.

The question of whether the children should be returned to the Beechwood School or permitted to remain at the Echobrook School was introduced by Superintendent of Schools Dr. Levin B. Hanigan. He said their classrooms at the Beechwood School were now ready for them but explained that there might not be room for the classes at Beechwood next September and it might be advisable to permit these two grades to remain at the Echobrook School. He pointed out that teachers, pupils and parents all seem to enjoy the present situation.

The Echobrook School is within walking distance for the youngsters and they are able to go home for lunch, he said. If they are returned to Beechwood School, transportation will be furnished third graders and fourth graders will be required to walk. This would mean a long walk for fourth grade youngsters who might live in the Old Tote Road area, he said. Transportation costs would not be increased because there is room on the bus for the third graders, Dr. Hanigan said.

The possible shortage in classrooms at the Beechwood School next year was explained by Dr. Hanigan. The establishment of Deerfield School next September as a school for sixth, seventh and eighth grades only is being considered. Also under consideration is the moving of two sixth grades to the Beechwood School at that time and leaving the three other sixth grades at Deerfield or just two of them there and moving the other to Echobrook. This change would also mean that children in the kindergarten to fifth grades, inclusive, who are presently housed in Deerfield and walking there, would be required to go to either Beechwood or Echobrook. Disadvantages would be transportation and personnel problems, it was said.

Vice president Orlin E. Johnson introduced the motion to transfer the third and fourth grades back to Beechwood School. He maintained that the board had "made known an intent to move the children to Beechwood School" and recommended that the board do so. It was the aim of the board to return the children as soon as possible, he said. As far as he can judge, he said, there is no great difference in the facilities at either school except that the children can walk to the Echobrook school. Voting

against the motion were W. Peter Metz and Walter H. Rupp. Mr. Metz suggested that the board let it be known there is a question about returning the children and then, after a two-week waiting period, during which parental opinion could be acquired, the board should make a decision. Dr. Hanigan said the two classes will be moved Thursday. The empty rooms at the Echobrook School will be used for reading, speech, art and music, he said.

Both Dr. Hanigan and Board President Frederick Wilhelm expressed the belief that it would be a "dangerous" practice to present this problem to the people for settlement. Dr. Hanigan said it might result in a split vote and President Wilhelm said it was a dangerous precedent to establish for future boards. He added that the solution depended on the board and not the parents.

Plan Control Of Vending Machine

Mountainside Board of Health at its meeting Monday night in Borough Hall discussed the establishment of a code for vending machines dispensing food in "broken package" and food which can spoil without refrigeration.

Items which would not be included under the code would be candy in a wrapper, soda in bottles and cigarettes in wrappers. Items which would be affected by the code would include milk and coffee vending machines.

The board is considering control of these machines by license, inspections and supervision. Each board member has been furnished with a copy of the code set up by the State Department of Health, which may be adopted by individual municipalities simply by reference, it was reported. Many new and varied vending machines are being installed throughout other states within the country, which require supervision.

Several coffee-vending machines are located in local industrial plants, it was said. No milk vending machines are said to be in the borough. Members are studying the state code before further action is taken by the board.

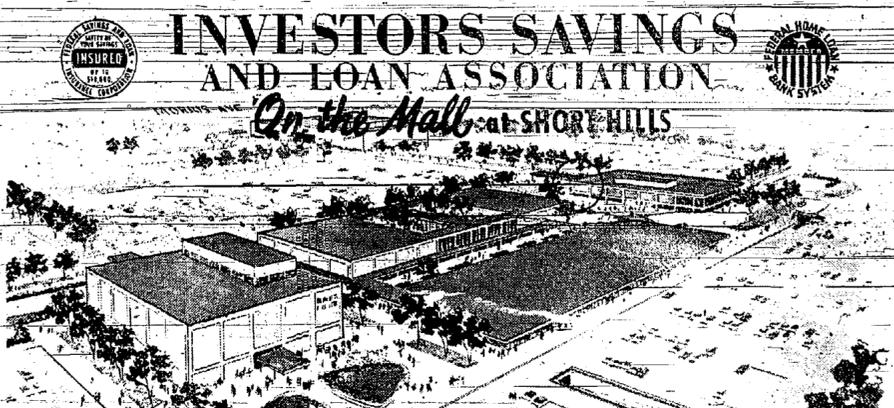

Also under discussion was the fluoridation of the borough's water supply. The Mountainside board has gone on record in favor of the fluoridation program but it was pointed out that it must be ascertained whether all the communities in the system are amenable to it.

PTA NEWS

Woodruff School - Back To School

Next week the parents of all Woodruff School children are invited to go "Back to School" to learn about the classroom programs for this year. Monday, October 16, has been set for kindergarten, first and second grade classes and Tuesday, October 17, for third, fourth and fifth grades. The time each night is 8:00-9:00 p.m.

Parents should go directly to the classrooms, where they will be met by the class mothers and teachers. During the first 45 minutes, the teacher will explain the curriculum and materials used for the specific grade level, and the last 15 minutes will be available for questions and answers.

Musical Concert Planned By PTA's

The Raymond Chisholm-Parent-Teacher Association, in conjunction with the Sandmeter, Wal-n, Caldwell and Gaudineer Par-

ent-Teacher Associations, will sponsor a concert to be given here in Springfield at Jonathan Dayton Regional High School. The South Orange Community Orchestra, under the baton of Miss Marjorie Bram, will present an "Around the World" concert in the high school on Sunday, November 19, at 4:00 p.m. Admission is free. Children will not be admitted unless accompanied by a parent.

The purpose of this concert, aside from providing an opportunity to listen to good music, is to promote international friendship and to give children the experience of sharing with their parents the enjoyment that music brings.

"More Library Help Needed."

Dr. Hanigan

Superintendent of Schools, Dr. Levin B. Hanigan, reported to the Mountainside Board of Education Tuesday night in Deer-

field School that the local library association is not able to supply him all the help he requested.

He had asked for 40 hours of library instruction a week for the three schools, he said, and had wanted two library periods a week for grades four through eight, one period a week for grades one through three and one period every two weeks for the kindergarten.

These, he said, are minimum standards. The local library has agreed to two periods for the fifth through eighth grades, one period for the first through fourth grades and to try to work the kindergartens in.

His additional request for library hours at school before and after school as well as additional time for conferences for teachers was denied, he said, because the library officials do not have the time for it. He pointed to the importance of having a school librarian on hand all the time.

Presently the library services are only operating at Echobrook School. The Beechwood library has just been finished, he said, and the Deerfield program has not been started yet because the library schedule has not been fit into the school schedules.

This curtails his library program, Dr. Hanigan said. The library will do the best it can, he said.

Board President Frederick Wilhelms, who represents the

Gala Party

Plans for the James Caldwell School PTA Card Party which will be held on Tuesday, October 24, 1961, at 8:15 p.m., have been completed, according to Mrs. S. M. Kroeger, chairman.

This year's event promises to be very different from that of other years, as it features the well-known Fashioneer and Artist from Pennsylvania, Libby Edwards.

In addition to the dessert bridge, there will be door prizes and table prizes, included in the admission, which have been donated by leading and well-known merchants.

Assisting Mrs. Kroeger are: Mrs. G. Lindenfelser, Mrs. J. Johnson, Mrs. J. Knowles, Mrs. R. Isley, Mrs. S. Hedstrom, Mrs. L. Emmel, Mrs. R. Hardgrove.

An Executive Committee Meeting of the James Caldwell School PTA was held Monday, October 9, at 8:15 p.m. in the library of the Florence M. Gaudineer School Mrs. John A. Schuch presided and the various chairmen gave their reports.

To Speak At Regional H.S.

Dr. James Colville, Jr., director of field relations at Nasson College, will speak to Jonathan Dayton Regional High School students who are making plans for college at 8:30 a.m., Monday, October 16.

and opportunities in higher education. He also will outline the background of Nasson and will bring students up to date on the progress there.

Enrollment at Nasson reached a record high of 430 co-educational students this fall. Construction is already underway on the first of two new buildings which will total 22 on campus.

Cazenovia Representative To Visit Regional High

Miss Beatrice Patterson, Admissions Counselor for Cazenovia College, a two-year college for women at Cazenovia, N.Y., will visit Jonathan Dayton Regional High School Tuesday morning, October 17.

She will meet with the Guidance Advisor and students who are interested and describe curricula offered at Cazenovia.

Mountainside PTA To Open '61 Season

On Thursday evening, Oct. 12, at 8:15 p.m. at Deerfield School, the Mountainside PTA will present its first program of the school year. New staff members will be introduced by the Superintendent of Schools, Dr. Levin B. Hanigan, and the PTA president will extend the traditional welcome to the school system and Mountainside.

After the introductory phases of the meeting are completed, the feature of the evening will occupy the focus of attention. Dr. Leland Jacobs, Professor of Education at Columbia University, will speak on the topic "How You Can Help Your Child in School." This subject is of great concern to parents these days, because "subjects" are far more

difficult, numerous, and comprehensive than ever before. Added to the pressures of the curriculum itself is the uncertainty that has accompanied the tremendous publicity about American education. Many people have made the schools as whipping boys and popular periodicals and newspapers have bolstered sagging circulation by sensational charges and counter charges concerning some phase of the educational program.

Into the spotlight will step a man who has devoted his life to American education at all levels from the elementary school through the university. He has gained a world wide reputation for his professional con-

Prof. Leland Jacobs a question and answer period. This will enable parents to raise questions about language arts and any other areas of the elementary curriculum. Here is the opportunity to ask the many questions that sometimes perplex parents and even teachers.

From these and similar questions usually raised by parents, it can be readily seen that this particular PTA program will be very interesting and certainly of great practical value to parents of school age children. Let's hope that Mountainside provides a large, enthusiastic group for Dr. Leland Jacobs, and then challenges him with provocative questions.

Dr. Rebecca Liswood

Dr. Jacobs has written many books and professional articles about language arts. The best known of these are: "Student Teaching in the Elementary School," "Children and the Language Arts," "Individualizing Reading Practices," and "The Treasury of Literature Series for Children."

After Dr. Jacobs has finished his presentation, there will be

Upsala Professor To Address PTA

Byron D. Stuart, Professor of Education, Upsala College, East Orange, has been invited to speak on "Education Behind the Iron Curtain" at the Edward V. Walton PTA meeting on Monday, October 16 at 8:15 p.m.

Formerly an administrator in the Westfield public school system, Professor Stuart served as a member of the Comparative Education Society's survey of schools in the Soviet Union. The committee traveled extensively throughout the Soviet Union and had the opportunity to discuss the subject with the outstanding education personnel of the country. Professor Stuart's topic will feature color slide illustrations.

All parents are cordially invited to attend this realistic presentation of the "Big Red School House" in action.

Sandmier PTA To Hold First Seasonal Meeting

On October 16th, the Sandmier PTA will hold its first meeting of the 1961-62 year. A new president will be made at this meeting due to the special program scheduled and the stipulation that only paid-up members may attend.

Dr. Rebecca Liswood, a most prominent lecturer, will speak on Sex Education for Children, followed by a question and answer period and refreshments.

Dr. Liswood started her career as a pediatrician, but realized that to practice preventive medicine for children, on their emotional level, she had to help their parents. She decided to specialize in marriage and marital counseling and secured her training in the Marriage Council of Philadelphia, which is affiliated with the Psychiatric Division of Family Study of the University of Pennsylvania Medical School. She is now Executive Director of the Marriage Counseling Service of Greater New York, a member of the Kings County Medical Society, and a member of the American Association of Marriage Counselors. She has led group discussion and given many lectures on various phases of courtship, marriage and family adjustments, to schools, colleges, parent-teacher organizations, religious and other community groups and lectures directly to adolescent groups on preparation for marriage.

Dr. Liswood has been quoted in many local newspaper articles and magazines, as well as foreign magazines and she has lectured

Teacher's Group Plans Book Fair

The Mountainside Teachers Association will sponsor its third annual Book Fair at the Deerfield School on Thursday November 2, Friday November 3 and Saturday November 4. On Thursday and Friday the Fair will be held from one o'clock till 5 o'clock and on Saturday from 10 o'clock till 2 o'clock. There will be a large selection of books for adults and children.

Mrs. Edward Jasper is chairman of the Book Fair assisted by Mrs. Jerry Jamone, as art director, Mrs. Edward Mooney Publicity. All the Mountainside teachers will participate to make this affair a success.

The officers of the Mountainside Teachers Association are: President - Mr. William Tetley, Vice President - Mrs. Austin Singer, Treasurer - Mrs. John Hysko, Recording Secretary

throughout the United States, Canada, Israel and Paris. She has conducted work-shops in Marriage and Family Living for the Talladega Alumni Association at Vassar College in Poughkeepsie, New York, and for a group of physicians in Dallas, Texas, under the auspices of the American Women's Medical Association.

Accordingly, this PTA meeting should prove most enlightening and beneficial to all parents, and be successful in starting the Sandmier PTA off to a most promising year of better association towards parents, teacher, child and community.

Parents of Jonathan Dayton Regional High School students will occupy their children's desks at the annual PTA back-to-school program on Thursday (Oct. 12) at 8 p.m. Mrs. Michael A. Passero, Jr., will preside at the business meeting preceding the condensed class schedule.

A budget of \$1,390 will be presented for the approval of the association by Mrs. Leo Abramson, chairman. This represents an increase of \$65 over last year, she said.

Finance chairman Mrs. Joseph Todres will ask for voluntary contributions of one dollar per member as the major fund-raising effort. Donations may be put in envelopes placed on the desks of the students' homerooms.

The first issue of the newsletter, edited by Mrs. Rupert H. Humer, was distributed this week, under the direction of Mrs. Robert E. Witt and Mrs. Samuel Liebowitz.

LINEMAN ON THE MOVE—Regional's Frank Perrelli (51) gets hauled down after picking up 17 yards on a recovered Raider fumble. Four plays later Ron Purro caught an Aggar pass for the TD.

INTERCEPTION—Marty Sica (33) of the Bulldogs snags one of the three interceptions he executed during winning effort against Scotch Plains. Waiting in vain for the would-be completion is Sal Verini (42) of the Raiders.

Sports Review

by Dick Schwartz

On Saturday morning, when most are turning over for forty or so more winks, there's plenty of activity in at least one small section of the County. On Springfield's Meisel Avenue field, where the Orange and Blue of Regional High School fight their gridiron wars, the patter of youthful feet can be heard scampering through dew-covered grass as the Springfield Youth Football League begins its weekly activities at 9 a.m.

Now in its second year of existence, the Youth Football program is picking up steam and realizing its potential at both the administrative and practical ends. The League is controlled by a citizens committee but sponsored by the Town's Recreation Commission. Technical Director is Henry T. King, C.S. Catapano handles the administrative details and Ed Ruby serves in his capacity as Recreation Director.

Aside from the three principal leaders, the League is aided by high school athletes who donate their time on Saturday mornings, and adults who volunteer their services rain or shine. Among the latter, Frank Shmshock, Bill Hagenbush, Del Tompkins, Phil Kurnos, Johnny Long (former Chicago Bear), Richard Bell, D. Williams, Dan Lan, Bob Morano, Lee Sarokin, and Marty MacMahon are prominent leaders.

The kids are required to make a few purchases before being admitted to the gridiron clinic, and all are for their safety. Helmets, pads, and football pants are a 'must', while the League supplies shirts and playing equipment. A two dollar registration fee is charged and this money is used at the end of the season for a dinner given to the personnel.

Parents seem to go for the idea of the Youth Football League. All comments thus far have been favorable, and officials are proud of the fact that there hasn't been one accident since the League's inception.

A typical week-end morning for League members begins at 9 a.m. when the boys gather on the field for brief limbering up exercises. They then are broken up into groups determined by weight and age. They drill at basics until about 10 and then play off for scrimmage games, all supervised closely by adults.

The sight is inspiring. The field is covered with multi-colored uniforms fitted on all sizes and shapes, and some of these kids are really hard-hitting, heads-up ball players.

Membership Plea Made

An intensive drive for new members is being conducted by the Bulldog Booster Club, an organization of parents whose children are students at Springfield Regional High School or who are interested in high school athletics.

New members will be accepted at a meeting of the group which will take place in the coaches lounge on the first Monday of November. Interested persons may also enroll in the organization by calling Robert Williamson, Chairman of the Booster Club at 446-2715.

Highlanders Look Toward Somerset County Opponent For Second Gridiron Win

Governor Livingston Regional High School's football team, plagued by misfortune in losing two of its first three games by one-touchdown margins, is hoping for better luck on Saturday when it travels to neighboring Watchung to play Watchung Hills Regional High School at 2 p.m.

The Highlanders only win this season was a 24-0 triumph over Bound Brook High, a Somerset County Conference team, Governor Livingston is hopeful of making Watchung Hills, another Somerset County Conference team, its second victim.

Watchung Hills dropped its opener to North Plainfield, 39-0, but bounced back to beat Ridge High of Basking Ridge, 12-0. Last Saturday Watchung Hills bowed to Bernards High, 19-0. In their first meeting last season Governor Livingston downed Watchung Hills, 19-7.

The Highlanders suffered their second loss of the season here last Saturday, 6-0, to Piscataway High School, in a rock 'em, sock 'em contest that kept a large and enthusiastic crowd in a constant state of excitement. With the two teams very evenly matched, it was evident that the breaks would decide the issue.

And that is just what happened.

GOING FOR YARDAGE—Skip Flint (44) Gov. Livingston halfback, breaks out into the clear for gain against Piscataway. Gain wasn't enough as Piscataway blanked the Highlanders, 16 to 0.

Soccer Candidate At Yale Univ.

Heath Haldane Hill of 1626 Ramapo Way, Scotch Plains, is a candidate for the freshman soccer team at Yale University. Soccer is one of the fifteen intercollegiate sports at which Yale competes during the year.

Hill prepared for Yale at Lawrenceville where he was a member of the soccer, track and wrestling teams and of the Cum Laude Society.

Scoreless First Quarter

The opening quarter saw both teams battling for the offensive advantage, with neither accomplishing the feat. But early in the second stanza, the locals began to move the pigskin and although a fumble resulted after a 50 yard march to the Plains 6, Regional's prowess was becoming obvious.

Tuffy Hartz showed speed and intelligence moving the ball in this first unadorned spurt and quarterback Jack Aggar displayed a potent wing, completing three passes.

Scotch Plains fought back to their 44, where Frank Perrelli gathered in a fumbled ball and brought it back to the Regional 21. After three plays for short yardage, Jack Aggar unleashed a long pass to Ron Purro who made a great over-the-shoulder catch in the end-zone for the first tally of the game.

As the third quarter opened, Tony Novello, Raider quarterback, fumbled the ball and Ed Erskine recovered. The locals could only manage to move their attack to the 12, but two plays later, Marty Sica picked off a Novello aerial and raced seven yards to the 15. Soon afterwards Aggar tossed to Hal Bell for what should have been a score, but Haywood Gibson, Raider defender snatched the ball from the receiver's hands and turned the play into a touchback.

But nothing was to stop Regional from scoring last Saturday. Just two plays later, Dave Bemisowski, a sophomore basketball player, plucked off another Novello pass and raced 35 yards for the score.

The last tally of the afternoon was initiated by still another Sica interception. Marty moved the ball to the Plains 39 and a few plays later Hartz had an easy time going through the Raider line for the score.

The contest was surprising in many respects. Regional defenders were giving the opposition all the room they wanted on the flat, and were concentrating on stopping the long pass. They accomplished this superbly. Marty Sica, who looks better every game, was over the field like a wet shirt, being everywhere at once, and making his presence known in almost every play. "Sica did an outstanding job," said Coach Herb Palmer after the game, "but I certainly have to give credit to the entire team, and my coaching assistants. The boys won as a unit, and they all HAD to do a fine job, because it's obvious that Scotch Plains is better than they showed Saturday."

From the Raider camp, Coach Chuck Nelson was dejected but not willing to throw in the towel. "Herb did a fine job with those kids of his," said Nelson. "I don't know what happened to our boys out there, but we'll sure try and correct it by next week-end. It's hard to put your finger on any one fault, nobody played their usual game, but you can't take anything away from Springfield."

This Saturday both teams face the grid wars once again. Regional does battle with Caldwell at home, and Scotch Plains faces Westfield on their home field.

Bulldogs Rip Raiders

Plains Hoping To Reverse Tailspin

Go Into Fourth Week Undeclared

It was Coach Herb Palmer's birthday last Saturday and the mentor received the best of all possible gifts commemorating the occasion as his boys turned back a highly-touted Scotch Plains eleven, 20-0.

Contrary to most opinions aired before the contest, the game was rather lop-sided, with the Orange and Blue maintaining superiority over their opponents from the opening whistle until the crowd left some two hours later.

There were few if any spurts of power from the Plains camp, as the entire squad seemed to lack the psychological push necessary for a tough game. The backfield of the visitors, often mentioned as tops in the County, had a great deal of difficulty penetrating the cement-like Regional defensive wall, and only on spotted occasions did fleet-footed Raider backs reach the secondary.

All three RBIS touchdowns were set up by sparkling defensive plays, highlighted by three interceptions by Marty Sica, who put out a professional appearance as he roamed the field, performing his assigned tasks, and then some.

Frosh Makes Varsity Club

Philip Rittersbacher, son of Dr. and Mrs. Phillip Rittersbacher, Sr. of 50 Springbrook Road, is a member of the varsity football team at Maryville College this year.

The 18-year-old freshman is playing right end, and saw action in the first game, which saw Maryville defeat Centre College of Danville, Ky., 34-0. The Maryville club is ranked fifth in the south among small college football teams this year, according to a recent article in a national magazine.

Rittersbacher was converted to end from halfback. He is a good pass receiver, and Coach Boydon Baird said that he looks like a fine prospect. He has excellent speed according to the coaches.

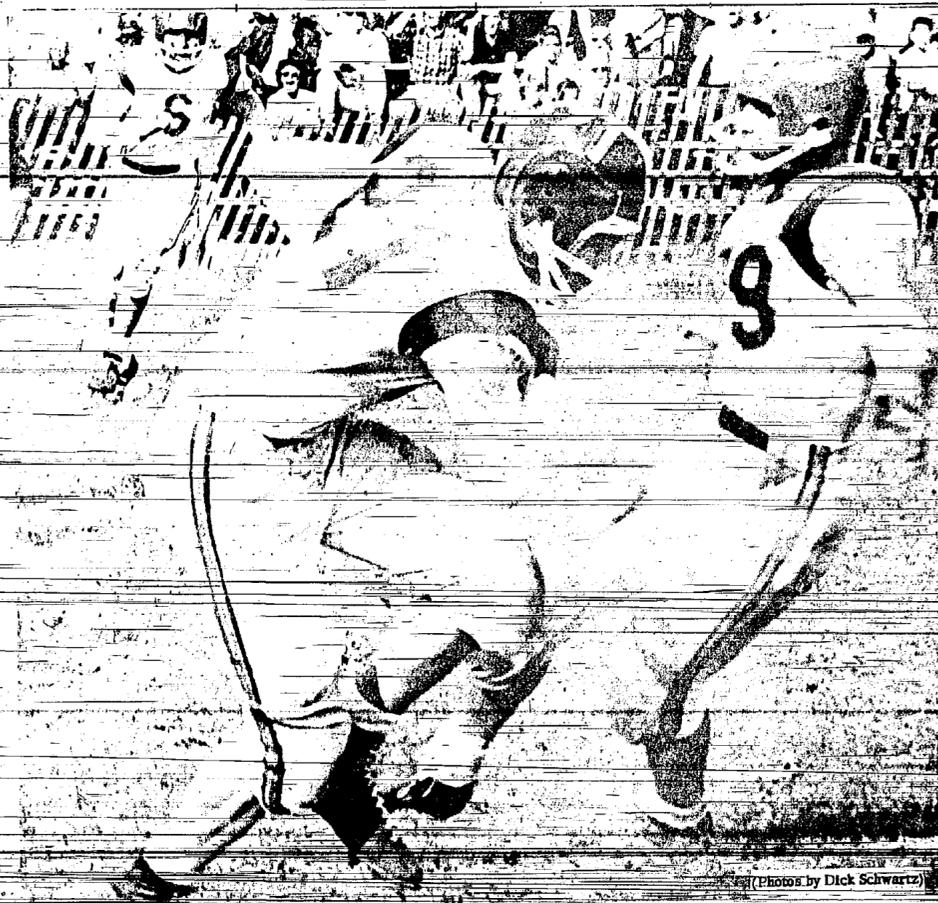

Maryville is a co-educational college with an enrollment of 800 students from 40 states and 12 foreign countries. It is located 16 miles south of Knoxville near the foothills of the Smoky Mountains. Related to the United Presbyterian Church, the college will inaugurate its seventh president since its founding in 1819. Dr. Joseph J. Copeland will be inaugurated on Oct. 28, which is also Homecoming.

ALMOST—Haywood Gibson (34) Scotch Plains back is as close as anyone can get to catching a pass, but he bobbed and lost the pigskin. In hot pursuit is Marty Sica, Bulldog lineman who put on quite a show both offensively and defensively.

MOVING OUT—Haywood Gibson (34) of Raiders picks up yardage in first period. He didn't get too far though, as Marty Sica (33) hung on and eventually brought him down.

GOING ALL THE WAY—Dave Bandrowski (21) is on his way to a 92-yard pass-interception return in the third period.

PURRO SCORE—Ron Puorro, Springfield halfback goes into end-zone with first of three Bulldog touchdowns. Puorro made a beautiful catch on the fourth down toss from Quarterback Jack Appar.

ON TEAM—Eugene Becker, son of Mr. and Mrs. Bruno G. Becker of 151 Baltusrol Avenue, Springfield, is a member of the soccer squad at Grove City College, Grove City, Pennsylvania. Becker plays the inside right position. He is majoring in Business Administration and is a sophomore.

H.S. Booters Scale Heights In Heights

From "patie" to championship contender in less than one year, that's the rags to riches story of the soccer team of Governor Livingston Regional High School as the team reached the midway point of its season.

With most of the same boys who won only three of 14 games last season still performing—this is the second season of experience under their belts—the Highlanders have won four and tied one of their first six games.

Coach Russ Hunchar's team established itself as a strong contender for the Union County Conference championship this season when it captured two-conference tests last week to run its conference record to 3-0.

The Highlanders posted a major upset on October 2 in Elizabeth when they edged previously undefeated Edison Tech of Elizabeth, 1-0. Sam Testa's first goal of the season provided Governor Livingston with its winning margin.

Testa gained possession of the ball in front of the Yellow Jackets' nets during a scrimmage and booted the ball in. It was the third straight shutout victory for Governor Livingston and snapped a three-game winning streak for Edison.

Two days later, the Highlanders posted an equally satisfying triumph, and their fourth straight shutout, when they rolled past neighboring rival New Providence High, 3-0, at New Providence.

Bob Nolan scored his first goal of the season to put the Highlanders in front, 1-0. Dave Jabanowsky then booted in his third goal, with "Char" Kelly heading in the final tally. Goatsie Frank Antonetti made the Pioneers his fourth straight shutout victim.

Chatham High put an abrupt halt to Antonetti's scoreless string on October 6 in Chatham. The Morris County kickers scored in the opening minute of play against the Highlanders but were blanked thereafter.

Nolan headed in the tying goal for Governor Livingston with eight minutes to play in the first half. Hunchar was far from pleased with the deadlock, claiming his boys were better and should have won, but "Chatham outthusted us." Particularly galling to Hunchar was that Chatham previously had been tied by New Providence.

The Highlanders were looking for their fifth win yesterday when they traveled to South Orange to play Columbia High School. Tomorrow the Highlanders return to conference play against Springfield Regional.

The game with Springfield could be the Highlanders' first "home" game. Hunchar has received approval to use Memorial Park, near Berkeley Heights center, for a field. Hunchar was trying to find suitable goal posts in time for the game.

League In Swing

Temple Beth Ahm Bowling League is beginning to settle down to a long, hard pull, as the league is closely bunched at this point. Most of the league, which consists of twenty-four teams, are bowling at the 500 mark or thereabouts, leading the league in individual average so far is Baroff with a 182 and right behind is Kramerman with 177 and L. Cohen with a 176. Hitting the maples for high scores this week were: Seroff 223, Mermelstein 222, Title 221, B. Bruder 220, Weinberg 208, Peakin 207, Weiss 206, Grau 205, Elliott 201 and Liebeskind and Moss with 200.

Cub Pack 172 Adds 17 New Denners

Cub Pack 172 held its first Pack meeting of the season on Friday, Sept. 29. Led by Cubmaster Stan Gold they welcomed seventeen new denners into the pack by a very impressive ceremony.

Those accepted were: M. Burns, H. O'Neil, D. Jackson, B. Smith, G. King, J. Neville, S. Prussing, D. Dunn, W. Wells, J. Pasch, D. Ballard, A. Brindell, B. Constad, B. Reichman, D. Silverman, M. Spal, and T. Wilson.

There were comments by M. Hurowitz, Pack Chairman and the showing of the "Scout Jamboree" film.

HOW Water Works
 WATER UNDER FIRE!

DURING WORLD WAR II, THE REPEATED BOMBING OF LONDON ENGLAND, CREATED THE ALMOST IMPOSSIBLE TASK OF DELIVERING 900 MILLION GALLONS OF WATER DAILY TO THE WORLD'S LARGEST CITY. THE PROBLEM WAS SOLVED BY USING TANK WAGGONS, STAND PIPES & DISPENSERS IN ADDITION TO THE SERVICE OF THE UNHARMED PART OF THE WATER SYSTEM, AS AN ADDED PRECAUTION, BOMBPROOF SHELTERS WERE BUILT OVER THE MANY SMALL RESERVOIRS!

COMMONWEALTH WATER CO.

WHILE AN EMPTY GALLON PAIL CAN HOLD ONE GALLON OF AMMONIA GAS, THE ABSORPTION QUALITIES OF WATER IS SO GREAT THAT A ONE-GALLON PAIL FILLED WITH WATER CAN HOLD 400 GALLONS OF AMMONIA GAS!

Tied For First

Milton's Liquors, with Webb leading the way with games of 202, 223, and 197 for a 622 series, won 2 games from Bond Electronics, as the Springfield Sports League saw another week of bowling action.

The P.B.A. team won two close games from the league, leading Colantone squad and Sam's Amoco moved into a first place tie with Colantone with a two

win evening against Sam's Amoco.

Drexel Cleaners showed power by taking two from Carol Tool. These men rolled 200 or better scores; Putscher, 234, 205, Webb, 202, 223, Mutschler, 228, M. Conte, 203, Halsey, 201.

THE STANDINGS

Colantone Shoes, 10-5, Sam's Amoco, 10-5, Drexel's, 8-7, Gonze's Dell, 8-7, Milton's Liquor, 8-7, Carol Tool, 7-8, Bond Electronics, 5-10, P.B.A., 4-11.

Receives Honors

Miss Gloria Rouse, 56 Denham Road, Springfield, has been selected for the Bethany College honors program for the freshmen class for 1961-62.

Miss Rouse is one of 29 freshmen who will receive special guidance and orientation this year, so that they will be able to enter the honors program their sophomore year. The 29 were selected out of a group of 250 freshmen.

Announcement was made by Dr. David E. Ross, Dean of the Faculty at Bethany College.

Arnold Forster To Honor Dore Schary

Strand Theatre Summit

Oct. 11, 12, 13: Ada, 2:50, 7:20, 9:35

Oct. 14: Ada, 2:30, 4:55, 7:15, 9:40

Oct. 15: Beyond the Time Barrier

One of this nation's most ardent freedom fighters will present the B'nai B'rith Women, Northern New Jersey Council, citizen's citation to writer-director-producer Dore Schary Thursday at 8:15 P.M. at the Mosque Theater in Newark.

His fight against racial and religious bigotry started when Hitlerism was rampant and has continued through the years. He wrote the best seller "A Measure of Freedom" and later with Benjamin R. Epstein co-authored "The Troublemakers" and "Cross Currents."

Oct. 15: The Pit and the Pendulum: 3:20, 6:05, 8:45

Oct. 16-17: Beyond the Time Barrier: 2:30, 8:30

Oct. 16-17: The Pit and the Pendulum: 3:40, 7:00, 9:45

A native of Newark who has won acclaim both on Broadway and in Hollywood, is being honored by B'nai B'rith Women as a "local citizen who has made a n outstanding contribution to our American Heritage of freedom."

More than 3,000 Council members and their guests are expected to attend the Columbus Day program which will also feature a musical-dramatic presentation symbolizing B'nai B'rith in each of its humane facets. Designed as a tribute to the Council membership, the Living Gallery of Service is written, produced and directed by Mrs. Mark (Mac) Swanger of Hillside.

Rialto Theatre Westfield

Wednesday, Thursday, Monday and Tuesday; Last Time I Saw Archie: 7:30-By Love Possessed, 9:10

Friday: Last Time I Saw Archie, 7:00, 10:35-By Love Possessed, 8:40

Saturday: Kiddie Matinee, 1:00; Last Time I Saw Archie, 4:45, 8:25-By Love Possessed, 6:25, 10:00

Sunday: Last Time I Saw Archie, 1:00, 4:35, 8:15-By Love Possessed, 2:35, 6:15, 9:50

It was only appropriate, therefore, that the Council select Arnold Forster to make the award. Forster, a resident of New York City, serves as general counsel to the Anti-Defamation League of B'nai B'rith and its civil rights director and in this capacity is responsible nationally for the fact-finding and law activities of the agency.

The musical-dramatic presentation will have its first public showing on Thursday and has been booked for a tour through New Jersey, Pennsylvania, Delaware, West Virginia, Washington, D.C., and New York.

For more than 20 years his strong, compelling voice has been heard throughout the land, rallying Americans to the fight against prejudice and anti-Semitism, exposing the dark forces of bigotry, and pleading for a "better America."

It will be narrated by Mrs. Sara Juman of Union, a past president of Council and District 3 and a member of the B'nai B'rith Women national executive board. Taking part in the presentation will be Evelyn

Shevelove, Manfred Orbach, and Bea Ovslew, all of Newark, Norman Forer and Mona Sulzman of Hillside, and Wexley Wyniers of Springfield.

Mrs. Joseph Tallor of Elizabeth, Council vice-president, is overall program chairman which was coordinated through Mrs. Gerald Freeman of West Orange, president of the 32-chapter organization consisting of more than 5,000 members.

"Music Man" In Second Week At Meadowbrook

Talented Jack Carson, one of the nicest gents ever to grace the stage, is scoring a personal triumph in "The Music Man". This fast-moving, melodic Broadway hit now is in its second week at the Meadowbrook Dinner Theatre, Route 23.

Six-foot, and every-inch a star, Carson is so tremendous as Prof. Harold Hill, a rapid-talking salesman, that he stops the show nightly with his all-around work. Whether it's singing, dancing or plain-acting, Big Jack is tops.

While Meadowbrook audiences smother him with applause, Carson is delighted at the opportunity of playing here. "I win the leading lady," smiled Carson, who recalls he always lost Doris Day to Dennis Morgan when the three were making hit musicals for Warner Brothers in Hollywood.

Carson wins a wonderful performer in the person of Leigh Green, who portrays Marian, the librarian, in the Meredith Willson musical. The two make a

delightful pair and their duet on "Till There Was You" and "76 Trombones" and "Goodnight" are superb.

Carson, who was raised in Milwaukee, has appeared in over 50 motion pictures. He was never better than in the superbly produced offering at the Meadowbrook.

While the big fellow has been well received by critics and the paying customers, he's surrounded by an excellent Meadowbrook cast. Nikki Sowinski, Lucy Greeno, Dale Malone, Priscilla Morrow, and Hagen and Alice Wunderle contribute much to making the first New Jersey showing of "The Music Man" a solid hit.

Arthur Whitfield, one of the smallest performers on the oval-shaped stage, comes through with a king-sized effort as the lispng Winthrop Paroo. He looks like a miniature Dick Haynes, but is an outstanding dancer as well as singer.

"The Music Man", with its gusty "76 Trombones" and many other hits, backed out by Carson & Co. is wholesome family entertainment from start to finish.

FIVE PARTS FOR MARY NEW YORK —Mary Martin is going to have five parts to interpret in her next musical, "Blood and Thunder."

The show, scheduled for debut next year, is based on a book about Charles A. Taylor, a Broadway producer at the turn of the century who was known as "the master of melodrama."

Brubek Quartet At Paper Mill

The Dave Brubek quartet, which has packed jazz fans in as far-a-field as Pakistan, will play two performances at the Paper Mill. Playhouse on Sunday evening, October 15, at 6 and 9 p.m.

Brubek, who began as a classical pianist and has appeared with major symphony orchestras since 1947, several years ago and made his first hit with a concert "Dave Brubek at Oberlin College" which became a best selling record. Since that time he and his quartet have played at Storyville, Birdland, supper clubs across the country and have given concerts in such remote and improbable spots as Bagdad and Afghanistan.

Bloodmobile Is Westfield Bound

On Tuesday, November 7th—Election Day, a Red Cross bloodmobile unit will be set up at Westminster Hall, the Presbyterian Church, Westfield, between the hours of 1 P.M. and 7 P.M.

Mrs. Emery Gebert, Chairman of the Drive, has asked Westfield and Mountside groups to participate in this mass donation. This new program, which will be part of the New York Reg-

ional Red Cross Blood Program, will give the residents of our community an opportunity to provide for our blood needs. "Anyone who has faced the problem of finding enough friends and relatives to donate blood in a family emergency knows what having said Mrs. Gebert. Urge the organizations to which you belong to participate as a Red Cross group bank."

A guide to the best business organizations in the Watchung Weekly area. These firms offer prompt service and have reputations for the highest quality & reliability.

Hobby Show Will Be Held

The Annual Adult Hobby Show that includes an exhibit of thirty-five antique automobiles, will be held at the Union County Park Commission's Trailside Museum on Sunday, October 15, from 1:00 to 5:00 p.m.

Many other exhibits will also be on display with the hobbyists demonstrating and explaining their projects. Some of these are: Plastics and chinaware, wood carving, custom jewelry, hook rugs, and Indian relics. His annual display of hobbyist projects, according to James B. Hawley, Summit, chairman of this special program, will offer appeal to most everyone and in previous years has attracted thousands of visitors and hobbyists.

Admission to the exhibit and Trailside Museum is free.

Trailside Museum, with indoor and outdoor exhibits of live and mounted mammals and other natural life of this area, is open to the public from 3:00 to 5:00 p.m., weekdays, except Fridays, and from 1:00 to 5:00 p.m. Saturday, Sundays, and holidays.

In addition on Monday, October 16; Tuesday, October 17; Wednesday, October 18; and

Temple To Sponsor Gala Bazaar Outing

Sunday, October 15, at 11:30 a.m. Temple Beth Ahim will again sponsor a gala day at the Evergreen Lodge on Evergreen Avenue in Springfield. Plans for this 8th annual outing have been underway for months.

The day-long festivities will include an auction, bazaar and carnival. Seventeen new booths are under construction and will be ready for young and old alike to enjoy Sunday.

Puppies, live goldfish, baseballs, bats, games, toys and model ships, planes and rockets are among the many prizes for children.

A ferris wheel, merry go round with cotton candy machine and custard stand will add a carnival touch to the days outing.

The admits may spend the day bidding at the auction. Only new merchandise will be up for bidding.

Lucky guests may find them-

Thursdays, October 19 at 4:00 p.m., each day Dr. Harold N. Moldenke, director of Trailside Museum will conduct the daily one-half hour nature talks for children. The topic selected for the week is "Song Birds."

Overlook Follies All Ready To Go

The 13th Annual Overlook Hospital Follies is in full preparation. December 1 and 2 are the dates and the show is at Summit High School Co-Chairman in charge of production is Mrs. Augustus McKelvey of Short Hills together with Business Chairman, Mrs. D. Matthew Duft of Summit. Meetings have been held to plan a show that promises to be a

Medals Of Merit For Journalists

Herman A. Estrin, of 315 Henry Street, Scotch Plains, grand president of Pi-Delta Epsilon, the national honorary journalists fraternity, will present five Medals of Merit at the organization's annual convention October 27 - 29 at Rensselaer Polytechnic Institute, Troy, N.Y. The event will be attended by over 250 delegates representing chapters at 110 colleges and universities throughout the U.S.

According to Dr. Estrin, who is professor and executive associate of the Department of English Newark College of Engineering, medals will be given to Pierre Salinger, William Randolph Hearst, Jr., John O'Hara, Jay Gould, and representatives of General Electric's "College Bowl" television show. They are being cited by Pi Delta Epsilon as outstanding contributors to the field of journalism and to the inspiration of student publication personnel.

Prior to the convention, on October 21, Dr. Estrin will attend a meeting of the New Jersey Collegiate Press Association at Jersey City State College. He has served as executive secretary of the association since 1953. Later, on November 2-4, Dr. Estrin will be panel chairman at the annual convention

Fall Season Is Beautiful

Although it will be another week or so before the annual Fall foliage display reaches its peak, it is now time to start planning where one can best take in one of Nature's prime attractions, it was announced today by Rudolph Krstan, general superintendent and secretary of the Union County Park Commission.

Fall is perhaps the most delightful season of the year to visit the parks in the Union County Park System when large numbers of nature lovers are on hand to observe the panorama of color being unfurled in the countryside and wooded areas of the parks.

The undisturbed natural features of the Watchung Reservation remain unchallenged for their appeal to visitors who annually appreciate Nature's handiwork there as the most spectacular in the area.

The observation tower on the first Watchung ridge is perhaps the most popular spot to view the autumn scenery. From the top of the tower one may see Nature's vast backdrop of brilliant color. Good views are also available from the Lake Surprise area and along the roadside of Glenside Avenue, W. R. Tracy Drive and Sky-Top Drive.

Echo Lake Park, Mountainside and Westfield, along the upper and lower lakes is attractive in the Fall because of its many dogwoods and sour gums which annually take on a deep scarlet and gold coloring.

Rahway River Park with its sweet gums, sumac, maples, oaks, tulip trees and ash, each year makes an impressive showing as does the Dogwood Arboretum, in Cedar Brook Park, Plainfield, with its multi-colored foliage.

Many facilities and activities such as bicycle riding, hiking, picnicking, museum programs, playgrounds, horseback riding, tennis, golf and archery continue to prove popular with the Autumn Season visitors. Boating, fishing and golf still highlight the sports scene throughout the Union County Park System.

Duplicate Bridge Group Winners

The Mountainside Couples Duplicate Bridge Group met Friday at the Westfield "Y" for their October match.

North-South winners were: Mr. and Mrs. E. Martin, Scotch Plains 2, Mr. and Mrs. J. Rider; 3, Mr. and Mrs. N. Byron; both of Mountainside.

East-West winners were: 1 Mr. and Mrs. R. Middlekauff; 2, Mr. and Mrs. R. Weisberg; 3, Mr. and Mrs. D. Mitchell; all of Mountainside.

Next match of duplicate bridge will be held on November 3, at 8:15 at the Westfield "Y".

To Head Citizens For Hughes

Miss Ann J. Messina of 52 Wabeno Avenue, Springfield has been named "CITIZENS for Hughes" Municipal Chairman.

The main purpose of the organization is to interest Independent, Republican and Democratic voters into actively supporting Richard Hughes for governor of New Jersey.

Miss Messina is an instructor at Union Junior College in Cranford. She is a member of Committee of Education in Summit and the Junior Fortnightly Club. She holds a B.A. degree from Rutgers University and M.B.A. degree from New York University, and a certificate in Banking, University of Rome, Italy.

In accepting the appointment Miss Messina said, "Richard Hughes has the same forcefulness and drive that carried President Kennedy to victory last November. I'm going to make every effort to spread his message throughout the community."

SHERIFF'S SALE SUPERIOR COURT OF NEW JERSEY CHANCERY DIVISION UNION COUNTY DOCKET # 7-288-60

ANDREA AVITABILE, Plaintiff, vs. MARY RUSSO, widow, and CAMBRIDGE INVESTMENT INC., a N.J. corporation, Defendants. CIVIL ACTION EXECUTION - FOR SALE OF MORTGAGED PREMISES

By virtue of the above-stated writ of execution to me directed I shall expose for sale by public vendue, in the Court House, in the City of Elizabeth, N. J., on Wednesday, the 18th day of October 1961, at two o'clock in the afternoon all said date.

ALL the following tract or parcels of land and the premises hereinafter particularly described, situate, lying and being in the Township of Springfield, in the County of Union and State of New Jersey: BEGINNING at a point in the southeasterly side of Mountain Avenue, thereat distant northeasterly 123.64 feet from the intersection of the same with the northeasterly side of Hillside Avenue (formerly Turkey Road), said point also being distant northeasterly along Mountain Avenue 1431.00 feet from the intersection of the same with the old northeasterly line of Hillside Avenue, formerly Turkey Road; thence (1) along said side of Mountain Avenue North 47 degrees 36 minutes East, fifty feet; thence (2) South 72 degrees 17 minutes East, three hundred four feet and eighty five one hundredths of a foot; thence (3) South 47 degrees 36 minutes East, fifty feet; and thence (4) North 42 degrees 17 minutes West, three hundred four feet and eighty five one hundredths of a foot to Mountain Avenue and the point or place of BEGINNING.

Premises commonly known as 557 Mountain Avenue, Springfield, New Jersey. There is due approximately \$9,276.14 with interest from August 1, 1961 and costs. The Sheriff reserves the right to adjourn this sale.

Ralph Orsiccio, Sheriff of Union County, N.J. D.J. & S. CX-126 September 21, 28, Oct. 5 and 12

LEGAL NOTICES

AN ORDINANCE TO PROVIDE FOR THE CONSTRUCTION OF SIDEWALKS AND THE PERFORMANCE OF WORK INCIDENTAL THEREON ON THE EASTERLY SIDE OF SHUNPIKE ROAD BEGINNING AT A POINT 155 FEET NORTH FROM THE NORTHERLY SIDE LINE OF WINDSOR DRIVE AND ENDING AT THE INTERSECTION OF SAID DRIVE WITH THE EASTERLY SIDE OF SHUNPIKE ROAD

BE IT ORDAINED by the Township Committee of the Township of Springfield, New Jersey, that the following Ordinance be and the same shall be:

1. That a concrete sidewalk shall be constructed along the easterly side of Shunpike Road beginning at a point 155 feet North from the Northerly side line of Windsor Drive and running thence in a Northerly direction for a distance of 295 feet.

2. Said sidewalk shall have a width of 4 feet and a thickness of 4 inches excepting where said sidewalk crosses driveways, where the thickness shall be increased to 6 inches excepting also thereon existing sidewalks.

3. The said sidewalk shall be constructed under the supervision of the Township Engineer and in accordance with Township plans and specifications prepared by said Township Engineer.

4. The owners of properties fronting on the easterly side of Shunpike Road, within thirty (30) days after receipt by them of notice of the pendency of this Ordinance, shall install sidewalk in front of their respective lots, at the cost and expense of said owners and in the event said owners shall fail to make said installation within said period of thirty (30) days, then said sidewalk shall be installed by the Township of Springfield and the cost thereof assessed against the owners as hereinafter provided.

5. As an incident to the construction of the said sidewalk contemplated by the terms of this Ordinance and as indicated on the plans for said purposes aforementioned, said sidewalk construction program shall entail necessary grading, removal of trees where required, construction of steps where necessary, and any and all other work incidental and necessary to the installation of the sidewalks contemplated by this Ordinance.

6. So much of the other work required to be done in connection with the construction of this sidewalk as is necessary to abate property owners as an incident to the construction of said sidewalk pursuant to R.S. 40:60-1 et seq. shall be paid for by taxation in large.

7. To provide the funds necessary to carry out the provisions of this Ordinance and the expenses and charges thereon, there is hereby appropriated the sum of \$1,400.00 from monies raised in budgets heretofore adopted under the caption of "Capital Improvement Fund Appropriation"; the estimated amount of monies to be raised for the aforesaid work being the sum of \$1,400.00.

8. Assessment to be levied against the property owners for the sidewalk and work incidental thereto to be done and performed in accordance with the terms of this Ordinance, shall be paid in three annual installments from the date of the continuation of said assessments in the manner provided by law.

9. All other matters required with respect to carrying out the provisions of this Ordinance shall hereafter be determined by resolution of the Township Committee.

10. This Ordinance shall take effect 20 days after final passage and publication thereof according to law.

11. Eleonore H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield, New Jersey, held on Tuesday evening, October 10, 1961, and that the said Ordinance shall be submitted for consideration and final passage at a regular meeting of the said Township Committee to be held on October 24, 1961, in the Springfield Municipal Building at 8:30 p.m., at which time and place any person or persons interested therein, will be given an opportunity to be heard concerning such Ordinance.

Eleonore H. Worthington, Township Clerk

SPRINGFIELD PARTY LINE DR 6-4316 Call in your news items and join in the fun...with news of your neighbors, via The Sun.

the birth of their daughter, Valerie Lynn, on September 19, at Muhlenberg Hospital in Plainfield. Big sister is seven-year-old Elsie. Young Valerie weighed a healthy nine pounds at birth.

We extend a "welcome to Springfield" to Mrs. Ellen Thomas, who has recently moved to 79 Tooker Avenue. Mrs. Thomas was formerly a resident of Landing, N.J.

Mr. and Mrs. Arthur Weiss, were hosts at a combined wedding reception and birthday celebration on Sunday, October 8, at their home at 45 Laurel Drive.

Mr. and Mrs. Al Fassbender, of 54 Redwood Road, announce the birth of their daughter, Valerie Lynn, on September 19, at Muhlenberg Hospital in Plainfield.

Mr. and Mrs. Edmund Sikorski of Mountainide was guest of honor at a surprise baby shower on Tuesday evening, September 19 at the home of Mr. and Mrs. Harry Speicher, at 11 Evergreen Avenue.

Mr. and Mrs. Al Fassbender, of 54 Redwood Road, announce the birth of their daughter, Valerie Lynn, on September 19, at Muhlenberg Hospital in Plainfield.

Mr. and Mrs. Al Fassbender, of 54 Redwood Road, announce the birth of their daughter, Valerie Lynn, on September 19, at Muhlenberg Hospital in Plainfield.

Birthday congratulations go to Peter May, son of Mr. and Mrs. Brown May, who was eight years old on October 1. Peter spent a very thrilling day at Freedom Land with mom and dad and ten year old brother David. The Mays reside at 25 Cypress Terrace.

A new creation almost emerged from Mamselle Coiffeurs on Morris Avenue last Saturday afternoon, when the customer insisted she wanted the new "Avocado" hair style. Further discussion disclosed it was the "Artichoke" the lady wanted.

Mr. and Mrs. Al Fassbender, of 54 Redwood Road, announce the birth of their daughter, Valerie Lynn, on September 19, at Muhlenberg Hospital in Plainfield.

Your Library

One problem that faces all libraries is how to give one book to several persons at the same time. This comes up almost daily in various forms.

Just now the Free Public Library of Springfield is wondering how to supply the High School seniors with material about Chaucer. In a few weeks it will be Shakespeare, then Milton. Later it will be Charles Lamb.

Every level of school and every subject has its problems. About this time of year the younger children all want Columbus and explorers at the same time. Then United Nations Day is celebrated in October and there is a demand for information extending from the lower grades to the higher ones.

In addition there are all the various subjects and projects. A large group come for historical novels, another group for biographies of scientists, another for material about France.

"What do the French eat?" is one question. We want French recipes, or it may be French songs. And so it goes among the young folks.

Continual questions and demands from whole classes on an institution, the Library, which can usually afford one copy of the book and when it can buy more is faced with the problem of storing books when that topic is not popular.

But is not only the many young people who try to get the same books at the same time. Adults

read a particularly interesting book review or hear a speaker on the radio, or attend an adult school; and immediately half a dozen wish the same book at once.

Amid all these heavy pressures all that any Library can do is be philosophical, ask readers to return their books promptly, and pass them on as quickly as possible to the next person. This is the way of all libraries.

RARE JEWISH BOOKS CINCINNATI (AP) - Among the rare books kept in a special building at Hebrew Union College are 59 items which compose the entire library of a group of Chinese Jews of 300-500 years ago. They lived somewhere within the interior of China.

"What we know about that community is guesswork at best," says librarian Herbert Zafren, "but it covers several hundred years, from the 15th Century to the 17th."

From 1841 to 1876 the Declaration of Independence hung, unprotected, before a window on the wall of the Patent Office.

Richard Lan, son of Mr. and Mrs. Donald Lan of 34 Cypress Terrace, celebrated his seventh birthday with a dessert and miniature golf party on Sunday afternoon, September 24. Richard's guests, in addition to brother Donald and sister Barbara, were Bobby Malsano, Warren Schlepner, Steven Zwillingman, Robert Goodman, Michael Sanders and Bobby Dorsky.

Mr. and Mrs. Arthur Weiss, were hosts at a combined wedding reception and birthday celebration on Sunday, October 8, at their home at 45 Laurel Drive.

B'NAI B'RITH BIRTHDAY

WHEREAS, B'nai B'rith, the world's largest and oldest Jewish Service organization, is now engaged in marking its One Hundred and Eighteenth Anniversary with a Membership Drive in the Jewish communities of our great country; and

WHEREAS, the cause is worthy of enthusiastic support, in that membership is not sought in the formal organization sense but rather in the human sense and for all humanity's sake; and

WHEREAS, B'nai B'rith - the name means "Sons of the Covenant", and the Covenant is that made by God with Abraham - was founded October 13, 1843 by a group of twelve men whose noble purpose it was to unite Israelites for the highest ethical, social and moral purposes, which grew to a tremendous organization of men and women associated together for those human purposes of volunteer service wherever, whenever and by whomsoever needed, regardless of creed, origin or color; and

WHEREAS, One Hundred Eighteen years of social service and great achievement have elapsed, ranging from fighting bigotry to helping flood victims; from recruiting a company of volunteer soldiers for Abraham Lincoln to sending four million dollars in food supplies and equipment to the people of Israel; from supporting homes for orphans and the aged to fighting for civil rights for all minority groups; from Americanization programs and orientation of new immigrants in the American scene to the establishment of scientific laboratories and veterans' aid programs; and making it possible for one hundred fifty thousand Jewish young men and women of American extraction to maintain touch with their ancient heritage to enabling worthy students, regardless of creed, to obtain college educations;

NOW, THEREFORE, I, Vincent Bonadies Mayor of the Township of Springfield, New Jersey, do hereby proclaim October 13, 1961 as

B'NAI B'RITH BIRTHDAY

commencing the National Membership Campaign, and ask that all local newspapers, radio, social and business organizations cooperate fully in this campaign commemorating the One Hundred Eighteenth Anniversary of an organization dedicated to humanitarian purposes. I sincerely endorse B'nai B'rith as a worthwhile, civic-minded organization living up to its splendid traditions in our community.

DATED: October 1, 1961

Vincent Bonadies Mayor

For Safety's Sake - Please Do Not Post

There are several important reasons why posting bills, signs and notices on utility poles is illegal in the State of New Jersey (Section 27:5-1 of the Revised Statutes). The most important by far is the danger to utility linemen who must climb these poles night or day in all kinds of weather. Posters with their metal tacks may cause a fall just when the lineman is trying to maintain your electric service. Please help us help you without this danger - keep poles clear for safety and good looks.
