

HELEN G. REYNER
13 ALVIN TERRACE
SPRINGFIELD, N.J.

"The Day The Rains Came!"

WHAT'LL WE DO? Union County Highway Department employees helplessly watch waters rising in Meisel avenue Monday and in a few hours after this photo was taken, the floods completely covered the area, both on the north and south, making Meisel impassable. (Photo Dick Schwartz)

CALL THE FIRST AID SQUAD! Monday's floods played no favorites. Photo, taken from lawn of Municipal Building shows street in front of Springfield's Rescue Squad, corner of Center and Trivet streets, under water. It was even higher an hour or so after above picture was shot. (Photo Dick Schwartz)

"THIS IS FUN!" Carol Ann Roessner and her dog Ginger, watch the waters rise in front of their home at 15 Alvin Terrace during Monday's rain storm. Neighbor Dick Bell's auto at 22 Alvin Terrace is seen stalled across the street. An hour or so after the above picture was taken by Patrolman Edward Roessner, the waters in Alvin Terrace rose waist high.

THAT'S FOR SURE--AND POSITIVELY! The "No Skating" sign is superfluous, to say the least, and can easily be ignored when this photo was taken Monday afternoon from Meisel avenue. Skating rink and even the benches are entirely under water. (Photo Dick Schwartz)

Bargains Galore..Sales Days Here.. March 22 to 28

Merchants Ready For Sales Days; Starts Thursday

In less than ten days, Springfield Sales Days program will begin. More than fifty merchants will cooperate in an unprecedented week of values, beginning on March 22, and continuing to March 28. Prior to the start of the sale, a "Springfield Shopper," sponsored by the Chamber of Commerce, will be mailed to some 10,000 homes in this area, full of excellent values for everyone. Participating stores will display banners in their windows, and salespeople will wear buttons with the slogan "Shop in Springfield." Saul Freeman, executive secretary to the Chamber of Commerce, and one of the leading organizers of his program, declared, "The shopper is now fully subscribed." All the participating merchants are preparing to give the people of this town some real bargains in quality merchandise or services. All that remains is for this community to give the merchants an opportunity to prove that shopping in Springfield can be as good as shopping anywhere.

Will Salesky, chairman of the Merchants Committee, stated that "the effort being made is much more than just another sale. Small businesses during the last few years have found increasing competition to be a serious problem, making it imperative for the small shops to do even more to be able to hold up their end." Springfield has been known for its activity in anything which

Township Says It Will Issue Bank Permit

The feud between Springfield Township Committee and the Board of Adjustment over the proposed drive-in banking facility at the General Greene Shopping Center was continued at the Township Committee meeting Tuesday night in the Municipal Building.

The battle was renewed when a letter was received from Earl L. Lawit, board secretary, informing the Township Committee the Board of Adjustment's latest decision in the matter. The board had recommended the application for a variance made by the National State Bank with certain stipulations including a 30-foot setback and driveway at the Mountain Avenue approach to the shopping center. The Township Committee had approved the variance but deleted the board's conditions. In a letter to the Township Committee, Mr. Lawit told the Committee that at a special meeting March 2 no facts presented themselves which, in anyway, altered the board's position taken February 20. The board is an autonomous body, the letter stated, and the action of the Township Committee

Policeman Killed In Car Crash

Patrolman Joseph Roessner, 30, of 55 Rose Avenue, Springfield, was killed Tuesday night when he lost control of his patrol car while pursuing a speeding vehicle in Meisel Avenue. Police Chief Wilbur C. Selander said that the officer had told headquarters that he was "chasing a Chevy." Police Chief Selander said that Patrolman Roessner was traveling north at the time. He reported that the car slid from the left side of the vehicle striking a tree in front of 152 Meisel Avenue. The patrolman was declared dead at the scene by Dr. Michael Bernstein, the police surgeon.

Patrolman Joseph Roessner

In Line of Duty Patrolman Roessner was alone at the time of the crash. He had reported for duty at 4 P.M. The accident occurred at 10:27 P.M.

Patrolman Roessner had been a member of the police department since June, 1955. A life-long resident of Springfield, he was graduated from Jonathan Dayton Regional High School with the class of 1949. He was a member of the Legion Post of Springfield, Local 76, P.B.A., and the Holy Name Society of St. James Church. He was a son of the late Mr. and Mrs. Anton J. Roessner of Springfield. Two of his brothers, Edward and Robert both of Springfield are also patrolmen with the Springfield Police Department. He also leaves his wife, Mrs. Jacqueline Roessner; two daughters, JoAnn, 11/2 years old and Jeanne, six months; another brother, George, also of Springfield, and a sister, Mrs. Mary Ann Jones of Garwood. Funeral arrangements are being made by Smith and Smith Suburban, 415 Morris Avenue, Springfield.

Costs Too Low

It was brought to Springfield Township Committee's attention Tuesday night that the price being charged for the opening of a street is \$25. Township Committee Vincent J. Bonadies pointed out that these permits can no longer be serviced at that price. "We are losing money on this deal," he noted. Township Engineer Alfred Swanson agreed with him and said that the "whole ordinance is outdated."

School Board President Smith And Ceithaml Are Democratic Candidates

HOWARD S. SMITH

LOUIS F. CEITHAML

Howard S. Smith, now in his sixth term as President of the Springfield Board of Education, and Louis F. Ceithaml, a graduate mechanical engineer, have filed petitions for the two places on the Township Committee as the Independent Democratic ticket in the November elections. They will oppose Mayor Philip Del Vecchio and Dean Widmer, the Republican ticket, with control of the Township Committee at stake. At the present time the Springfield governing body is made up of three Republicans, Mayor Del Vecchio, Robert Hargrove, Jr., and Arthur Falkin; and two Democrats, former Mayor Vincent J. Bonadies and Russel Sibole. Sibole's term is up this year but he has decided not to seek re-election. Members of the Springfield Democratic organization feel confident that the Smith-Ceithaml team will recapture control of the Township administration and an ambitious campaign is being mapped out which is to be carried through the early Summer right into election day.

School Board President Smith, now a resident of Town House Apartments in Morris Avenue, has been living in Springfield for 47 years. He has served 17 years as a member of the Township's Board of Education and is now in his sixth term as President of the School Board. Mr. Smith has been with the Prudential Insurance Company for eighteen years, spent five years as a member of the Springfield Police Department and, for seven years, a member of the volunteer Fire Department.

Mr. Smith is a member of the Methodist Church. He is a widower with 19 year old twins, Fenne and Sanders, the latter a freshman at Bowdoin College. The other members of the Democratic team, Mr. Ceithaml, is 40 years old, and a graduate of the Illinois Institute of Technology--as a mechanical engineer. He is the eastern district representative of the Daily Machine Specialties Corporation of New York and has been employed there for more than 20 years. He is a member of the St. James R. C. Church in Springfield and the Holy Name Society. Mr. Ceithaml lives at 3 Surrey Lane and has two daughters, Kathleen, 13, and Sandra, 10. He is also a member of the American Legion, the Springfield Elks, the Country-Oaks Civic Association and the Country-Oaks and Sandmeier PTAs. He served overseas with the United States Army in World War 2.

There'll Be Very Few Blanks for Local County Committee

There will be very few blanks on the ballot in the coming primaries for Springfield, both the Republicans and Democrats have filed petitions for most of the places in the Municipal County Committee column. The Republicans have no one in the 11th District and no county committee women in the second, third, and twelfth districts. The Democrats have missed in several of the districts, many of the petitions having been completed too late, but write-in candidates have been designated in those districts. In the 7th district there are two competing for the county committee women's place with both Rayna H. Keane of 33 Henshaw Avenue, and Norma Levine of 5 Avon Road, filing petitions. Mrs. Keane has been the Democratic organization committee woman in the 7th district for a great many years. Following are the candidates who filed for both the Democrats and Republicans for county committee:

- DEMOCRATS
 - Dist. 1 John A. Lisa, 121 South Maple Avenue
 - Tessie Jones 53 Warren Avenue
 - 2 Edward Olesky, 57 Garden Oval
 - Doris Logan, 61 Garden Oval
 - 3 Joseph J. Viscoski, 64 Caldwell Place
 - 4 No petitions filed
 - 5 No petitions filed
 - 6 No petitions filed
 - 7 Frank A. Bucci, 194 Hawthorne Avenue, Norma Levine, 5 Avon Road, and Rayna H. Keane, 33 Henshaw Avenue
 - 8 David Katz, 29 Cypress Terrace, Helen Sabo, 30 Hemlock Terrace
 - 9 Allen Ravin, 91 Pitt Rd.
 - 10 Helen Serokin, 35 Christy Lane, Ruth Hillard, 15 Arch-bridge Lane
 - 11 Irwin Weinberg, 190 Lak Avenue, Janet E. Lawit, 8 Essex Rd.
 - 12 Michael A. Genovese, 72 Briar Hills Circle, Ruth Miller, 114 Jefferson Terrace
 - 13 Jay B. Bloom, 75 Kew Drive
- REPUBLICAN
 - Dist. 1 William A. Ruocco, 26 Joanne Way, Myrna Libby, 81 Washington Avenue, 2 Leonard W. Garner, 80 Garden Oval

Two Hearings Being Planned On 1962 Budget

Announcement was made of two public hearings on the municipal budget at the Tuesday night meeting of Springfield Township Committee in Municipal Building. The first will be held on a Saturday, March 17, at 1 p.m. and the other will be March 20, at 8 p.m. When the final hearing will be held. It was reported that the taxpayers will be sent a letter informing them of the makeup of the budget, and the factors in its preparation which it is hoped will give them a better understanding of the budget. The Township Committee unanimously voted for the printing and issuance of this letter, which

Committeeman Arthur M. Falkin said the residents should receive on Thursday. Only criticism was voiced by Committeeman Vincent J. Bonadies, who said that he would vote for sending out the letter, but noted that there was "certain parts" of it about which he was unhappy and inferred that it had certain connotations of which he does not approve.

Continue Sale

Because of the excellent response, the Springfield Junior Chamber of Commerce light bulb sale will continue through Sunday March 18. Those not contacted and would like to assist the Jaycees by purchasing a package of light bulbs please contact James Richelo, at DR 6-2089.

HERE'S THE BOTTLENECK: Exit and entrance to General Greene Shopping Center in Mountain Avenue shows jam at exit while entrance driveway is clear. Max Levine, owner of the shopping center, made a survey with Township Committee members Arthur Falkin, Robert Hargrove and Russel Sibole and agreement has been reached on curing the traffic problem. Mr. Levine says he is willing to do anything to clear up the

Democratic Club Sets Annual Ball, Mar 24

The Springfield Democratic Club will hold its annual ball at the Springfield Steak House on Saturday evening, March 24. The affair will feature a cocktail hour at 7:30 followed by a Smorgasbord dinner and dancing. Door prizes will be awarded. Serving on the Dance Committee are Janet Lawit, Tess Jones, Alex Blackman, Jay Bloom, Mike Genovese, Yale Manoff and Doris Logan. Tickets may be obtained by calling Janet Lawit at DR 6-4625.

HEY, KIDS! SPARKY'S Fire department meeting will be held at the Regional High School in Springfield at 10:30 a.m. this Saturday, March 17, for Grades 1, 2 and 3. There will be the usual interesting Fire Prevention and Safety Program.

Golden Age Group Is Being Organized

Concern for the senior citizens of Springfield has been expressed by Recreation Director Edward J. Ruby, who said that the Recreation Commission is ready to do something for them. Interest has been shown in the establishment of a "Golden Age Group" within the township and he is issuing an appeal to all older residents interested in a senior citizens program to contact him.

The Recreation House facilities in Caldwell Place could be available for meetings, he said. Programs could take the form of card parties or lectures, but this would depend on what the members themselves wanted, he said, and emphasized that the program would concern that in which the membership would be the most interested.

Surplus Items For Sale

With the removal of the Springfield post office from its old quarters in Morris Avenue to the recently opened building in Mountain Avenue, Postmaster A. V. Del Vecchio announces that considerable surplus of office furniture and other equipment will be sold to the highest bidder.

Forms for bidding are available at the new post office, 210 Mountain Avenue, Springfield, where all the surplus matter on sale can be inspected. Inspection hours are from 10 a.m. to 5 p.m. Monday through Friday and 10 a.m. to 12 noon Saturday.

Another REALTY CORNER sale: Property at 5 Christy Lane, Springfield sold for Mr. and Mrs. Lester Stein to Mr. and Mrs. Andrew Yohannan of Newark. Mr. Yohannan is employed by The Rath Packing Company. This sale was arranged by Evelyn Schiodt, an associate of ANNE SYLVESTER'S REALTY CORNER.

Why the "new look" in phone numbers?

New numbering system rapidly being introduced

To meet the great growth in phone service, a new numbering system (All-Number Calling) is being introduced throughout the nation. With the new plan, letters in telephone numbers are being replaced by numerals. For example, a number like 555-2368 might take the place of KL 5-2368.

WHY ALL-NUMBER CALLING?
With more and more people needing phone service, there soon won't be numbers enough to go around, under the present setup. All-Number Calling is urgently needed to open up hundreds of new number combinations, to provide more service for more people.

Many New Jersey communities have already switched to all numbers. Thousands of other people are also changing over, one-by-one—as phones are installed or moved to new addresses. Eventually, every phone number in the nation will be all-number. Then, letters will disappear from dials, making dialing simpler than ever.

PLEASE KEEP A RECORD OF CHANGES More and more numbers you call will be all-numerals. It's a good idea to note them in your personal numbers list. If you'd like a handy booklet for numbers you call often, it's yours for the asking at the Telephone Business Office.

NEW JERSEY BELL

could be expanded by working closely with local pastors and rabbis, he said. Similar senior programs have been established in neighboring communities with a successful one underway in Summit, it was noted. Communities usually restrict membership to residents of that particular municipality. "For a number of years, we have been accused of neglecting these older members of the township, and now we want to do something for them," Mr. Ruby said.

The recreation director already has a few names of people interested in the program, but he is anxious to have more so that organization of the group can get underway.

He can be reached by writing to the Municipal Building or telephoning him at DR 6-5800.

TOWNSHIP SAYS

(Continued from page 1)
owner of the shopping center in expressing his views on the matter, Township Committeeman Vincent J. Bonadies said that it was his understanding that the Township Committee could accept or reject the recommendation of the board or remand and return the application to the board for further consideration. It was not his experience to accept half of the recommendation and reject the other, he said, and contended that "to take a decision of an autonomous body such as the Board of Adjustment and tear it apart was not a healthy precedent to start."

Township Committeeman Arthur Falkin explained that the Township Committee did not feel it could enforce restrictions on the applicant which were the responsibility of the owner. "We are trying to achieve exactly what the Board of Adjustment is, but we want the restrictions placed on the shopping center owner," he said, adding, "the Board of Adjustment didn't question our motive in this thing."

Committeeman Russel Sibole declared, "The Board of Adjustment is out of order. The Township Committee should stand on its decision with no apologies owed, it was not the intention to override anybody. The restrictions should not have been placed on the bank. It has no control over it." Committeeman Robert Hardgrove agreed.

Committeeman Bonadies pointed out that the application could have been returned to the board for reconsideration. Mayor Philip Del Vecchio explained that time was running out for the applicant which has had the proposal before the township since September.

Jay Bloom, a member of the Board of Adjustment, who was in the audience, discussed the matter. He emphasized that he was not speaking as a representative of the board. He told the Township Committee that the position and procedures it took were "unfortunate." He said that the attorney of the board should not have been overridden by another attorney. He contended that the special conditions in the recommendation were placed on the variance and not on the tenant. "Traffic should not be increased until the situation is improved,"

Township Attorney Cawley explained that the function of the Board of Adjustment attorney was that he has power to give an opinion to the Board of Adjustment, which it can either accept or reject. The Township Committee is advised by the township attorney, the lawyer said.

Mr. Cawley told Mr. Bloom that the Township Committee would prefer to "tackle" Mr. Levine directly. It was explained that the public works committee of the Township Committee is negotiating with the shopping center owner and a map has been drawn up with a plan for egress and ingress to the shopping center from Mountain Avenue. This road is a county street and the plan is being submitted to the county engineer for approval.

After the meeting it was explained that the stipulation as set forth by the board calling for a 30-foot curb cutback at Mountain Avenue could not be accomplished because in addition to this cutback William Chirgotis is also planning a 12-foot cutback on adjoining property for a proposed office building for the General Greene Village.

There is a county regulation designating that the maximum cutback of curbing on county streets be 36 feet and these two adjoining driveways would extend

over this amount by six feet, it was pointed out. The county regulation is to insure the safety of pedestrian traffic, it was explained to offset this situation, the Township has a proposal for an eight-foot wide island which would break into the driveway on the shopping center property and afford pedestrian safety.

The present plan going from south to north in Mountain Avenue calls for a 12-foot driveway on the Chirgotis land and 14-foot driveway on Levine land, which together would be used as a common driveway by both parties for "in" traffic, then the eight-foot wide island, and finally another 14-foot wide driveway for "out" traffic for the shopping center.

Since Mr. Levine's present driveway is on Mr. Chirgotis' property, it would mean that the shopping center driveway would be extended north and cutback a considerable distance from its present location. The exit from Mr. Chirgotis' planned building would be through his property and not at the Mountain Avenue entrance.

Township Attorney Cawley indicated that the next move would be for the Township Committee to authorize the building inspector to issue a permit to the applicant.

He reported that in such a case where the Board of Adjustment makes a recommendation and the application comes before the Township Committee it is not the jurisdiction of the board to direct the building inspector in the matter. This authority is given to the Board of Adjustment only in the cases which do not come to the Township Committee, the attorney said.

Planning Young Democratic Club

A Young Democratic Club for those of high school age is now being organized in Springfield.

The group will be sponsored by the Springfield Democratic Club and those youngsters who are interested may get more information by telephoning Candy Logan at Drexel 6-1204, Myra Elliott at Drexel 6-7510 or David Gershen at Drexel 6-5772.

Fine Home-Made Food

The regular monthly cafeteria luncheon of the Springfield Methodist Church will be held in the church next Thursday, March 22, from 11:30 a.m. to 1 p.m.

Springfield Is Opposing Raise In Bus Fares

A communication was received from Public Service Coordinated Transport of Maplewood at the Tuesday night meeting of Springfield Township Committee informing it that its request for a five cent fare increase will be considered at public hearings April 3, 4, and 5 at 101 Commerce Street, Newark, before the Public Utility Commission.

On the recommendation of Township Committeeman Vincent J. Bonadies, Township Attorney James Cawley was directed to prepare a resolution opposing the fare increase to be sent to the commission.

The recommendation of the Board of Adjustment for a special exception use sought by Mastern Corp. in Route 22 at Stern Avenue to permit servicing of autos was accepted by the Township Committee.

The Township Committee had remanded the application to the board for a revised plan for access to the service area. The business is to be operated by Bambergers.

Announcement was made that a recreational survey of Springfield contained in a 52-page report, has been received from Thomas Guida of the State Department of Conservation and Economic Development.

It was explained there are only two copies of the report and after they have been reviewed by the township officials their contents will be made known to the public. The survey was described as an "excellent report."

A complaint of a flood condition in the back yard of three homes in Lelak Avenue was made by Sidney Krueger. It was reported that the condition has existed for eight years and that drains installed in the area are not eliminating the problem.

Township Engineer Alfred Swenson suggested that the drain be cleaned out and it was also decided that the situation be further explored with the persons involved at the next executive session of the Township Committee March 26.

O.R.T. Show

The Springfield Chapter of Women's American O.R.T. (Organization for Rehabilitation Through Training) will honor its Mellah Mothers together with 23 other Chapters of the North-Central Jersey Region at a desert-fashion show to be held at the Chantier in Millburn on Tuesday, March 20, at 12:30 p.m.

Daily Visiting At Spring Garden

Spring Garden Country Club in Florham Park announces that visiting hours have been set for inspection of the swim club facilities for 1962, and members as well as prospective members are invited by General Manager Leo Pearl to "see the many improvements made."

Tuesday through Sunday have been set aside for visits from 9 a.m. until 5 p.m. daily. Every part of the sprawling acres of the Spring Garden Country Club has been made ready for the opening of the new season and several new programs have been added.

Many new boats have been added to the lakeside activities with two new motors converting the boats to motor driven craft.

Manager Pearl says that renewal reservations are coming in very rapidly and urges all those who are interested to visit the Spring Garden facilities in Florham Park for inspection or for information.

PTA Will Hear Director Of Labs

Lt. Col. Richard C. Orphan, director of the Feltman Research Laboratories at the Army's Picatinny Arsenal, will be the principal speaker Thursday (Mar. 15) at 8 p.m. when Jonathan Dayton Regional High School PTA plays host to Governor Livingston and Arthur L. Johnson High Schools at the annual Regional District Science Fair.

To illustrate Picatinny's role in ammunition research and engineering, there will be a display of the 280 mm atomic shell, a complex telemetry unit similar to those used in space vehicles, and a typical warhead section.

Colonel Orphan is head of the arsenal segment which is responsible for nuclear research, pyrotechnics, plastics, explosives, and propellants. Prior to his assignment to Picatinny in 1960, he served as ammunition officer with the Eighth U.S. Army in Korea.

Union Lions Give Gift To Overlook

Sight will be restored and hearing renewed for many people at Overlook Hospital in Summit, thanks to a gift from the Union Lions Club. The gift, an Otoscope Microscope for eye and ear surgery, opens a whole new field of operation for the hospital, according to Robert E. Heinlein, Director.

Delicate surgery like corneal transplants is greatly aided by the Otoscope. The Reader's Digest last month featured an article describing the use of the Otoscope in a delicate new surgical procedure which restores hearing in certain cases, an operation impossible to perform before.

The Otoscope is a portable microscope of special construction enabling it to illuminate narrow cavities. It is used directly over the patient during surgery, the light operated with a foot lever to free the surgeon's hands. Through it the surgeon can see fields until now invisible to him, thus permitting him to work in areas which before were inaccessible.

"The Lion's Clubs have long been active in the field of sight conservation," commented Rudolph A. Schrober, President of the Union Lion's Club. "We are most pleased to be able to make this gift to Overlook."

"A great number of Union residents are served by Overlook each year," he pointed out. "Union is the third largest user of the hospital. In 1961 Union sent 1,221 patients to Overlook, more than any of the twelve communities the hospital serves except Summit and Westfield."

VP To Address Naval Reserve

Lieut. Commander James M. Cawley of 3 Richland Drive in Springfield who is an active member of Naval Reserve Composite Company 3-6, has made arrangements for Dr. Leonard Andrew Scheele, Senior Vice President of Warner-Lambert Pharmaceutical Company to address the naval officers of Company 3-6 at the Madison Campus of Fairleigh Dickinson University on Monday evening, March 19, on the subject of "The Public Health Service."

Dr. Scheele, who is a member of both the Board of Directors and the Executive Committee of Warner-Lambert was previously a career Commissioned Officer in the United States Public Health Service from 1934-1956 and held the position of Surgeon General, the highest official of the United States P.H.S., for his last eight years with the organization. Detailed to civilian duty with the Medical Department of the Army during World War II, Dr. Scheele has received the Legion of Merit, the Typhus Medal, and numerous decorations from France, Italy, and Cuba.

Dr. Scheele is a resident of Summit. His numerous state and local activities include: Member, New Jersey State Medical Society; Member, New Jersey Hospital Association; and Member, Board of Managers, New Jersey State Hospital, Greystone Park.

Econo-Car Boom

Car Rental Firm Making Competitors Take Notice

Forty year old Lawrence Dixon is proving that small firms can still compete successfully against giants.

In fact, Dixon's success is due to the fact that he operates a small firm with low overhead.

Dixon is president of Econo-Car International, Inc., a rent-a-car system, at 520 Westfield Ave., Elizabeth, New Jersey. His company rents compact American automobiles through over 200 authorized dealers and distributors in 3 states. Mr. Dixon has been in the car leasing business for over 17 years and is also president of Great American Auto Leasing Company, which specializes strictly in long term leasing.

Dixon says he is able to compete against huge operators, because his authorized dealers and distributors aren't plagued with the big expenses that the big

national operators have.

His authorized dealers and distributors rent compact American cars for \$5.99 per 24 hour period and a few pennies per mile. All cars are equipped with automatic transmission, radio, heater, safety belts and also free pickup service. The free pickup service is a very important first in the auto rental business today.

The average consumer who normally has to travel a great distance to pick up a car, now need only call Operator "25" at Western Union, find out where the local dealer is, contact the dealer and the dealer in turn delivers the car at no extra price.

Dixon believes that out of a potential 10,000,000 rentals per year today, there are approximately 500,000 rented cars on the road; and two basic reasons why he feels Econo-Car will take a tremendous share of the mar-

ket, is price and free pickup service.

Econo-Car can rent cars cheaper than the big 3 of the industry, because they don't have to pay concession commissions for operating at airport and hotels. Econo-Car operations are located in your own home town and local travel centers.

An authorized distributor for Econo-Car has many advantages over a local operator. Econo-Car teaches him the rental business such as bookkeeping, how to properly rent cars to make money, advertising, promotion and how to obtain the proper location. He is supplied with signs, advertising material, billboards, and everything necessary to establish the Econo-Car corporate image on the local and national scale. Dixon believes to succeed in this business you have to have a name and identity.

While Econo-Car is only in New Jersey, New York, and Pennsylvania, within the next 12 months outlets will be opened in 50 key cities throughout the country.

Receives Wings At Ft. Benning

Army 2nd Lt. Edward S. Foster Jr., son of Mrs. Adelaide Foster, 163 Tooker Ave., Springfield, completed the airborne course at The Infantry School, Fort Benning, Ga., Feb. 23.

Lieutenant Foster received his paratrooper wings after completing four weeks of intensive ground and aerial training which included five parachute jumps from an altitude of 1,250 feet. He received instruction in the duties of a jumpmaster and in the techniques of air transportation and delivery.

The 22-year-old officer is a 1957 graduate of West Orange High School and received his bachelor's degree in 1961 from Norwich University in Northfield, Vt. He is a member of Epsilon Tau Sigma fraternity.

Evening Bridge

Couples Evening Bridge Group of the Welcome Wagon Newcomers Club will hold their March 23 party at the Field House, Myrtle Avenue in Summit. Mrs. Fred Ort will take reservations at CR 7-4497. Prizes for this evening will be plants and bulbs for spring planting.

Now In Korea

Army Pvt. Arthur L. Hannah, whose wife, Brenda, and parents, Mr. and Mrs. Orlie D. Hannah, live at 328 Evelyn St., Scotch Plains, recently arrived

in Korea and is now assigned to the 1st Cavalry Division.

Hannah, a member of Company E of the division's 8th Cavalry, entered the Army in September, 1961 and completed basic training at Fort Jackson, S.C.

The 19-year-old soldier attended Scotch Plains High School.

Pledge Member

Theodore B. Shelton of Springfield, has become a pledge member of the Sigma Alpha Mu fraternity at Bucknell University, where he is a freshman.

Shelton was among 308 Bucknell men and women who accept-

ed invitations to join one of the Greek letter societies at the close of the annual rushing season for new members conducted on the campus recently.

Sunday Drop In

Next Sunday afternoon Drop In is scheduled at the Summit YWCA on March 18. The group will meet at The YWCA as usual at 3 p.m. to enjoy the usual ping pong, table games, T.V., records and refreshments. At 5 o'clock they will go to the Plaza Lanes in Madison to bowl, at the regular charge per game until 7 o'clock.

Play For Health

In connection with the National Mental Health campaign, the Thelma L. Sandmeier PTA will sponsor a play for parents entitled, "And You Never Know," on Monday evening, March 19, at 8:15 p.m.

This play is presented by the Union County Association for Mental Health with the Little Theatre Group of the City of East Orange being led by Mrs. Leland W. Davis. A discussion period will follow which should

prove of great value and interest to everyone.

Ends Course

Army Specialist Four, Ted N. Torchy, 24, son of Mr. and Mrs. Nicholas T. Torchy, 1589 Grouse Lane, Mountainside, recently completed a two-week German language course conducted by the 4th Armored Division in Germany.

The course provided Specialist Torchy with a basic knowledge of conversational German.

Only the first hour of the 64-hour course was conducted in English.

Frat Officer

Louis Jacobson, son of Mr. and Mrs. Ralph Jacobson of 145 Wentz Avenue, Springfield, was elected vice president of Gamma Epsilon Tau, International Graphic Arts Honor Fraternity.

Louis is in his sophomore year at Rochester Institute of Technology, majoring in Printing Management.

More Regionalites have been accepted at other colleges. They are: Joan Molluso at Douglass, Franck Klok and Diane Fletcher of Kentworth at Newark State Teachers College...

Party Line DR 6-4316 HELEN SABO

Springfield Mayor and Mrs. Philip Del Vecchio, and Township Attorney James M. Cawley and his wife Lorraine, have returned from a five day vacation spent at the Emerald Beach Hotel, in Nassau, British West Indies.

Congratulations go to Mr. and Mrs. Edward J. Miller of 500 North Avenue, Fairwood, on the birth of son Thomas Joseph on February 26 at East Orange General Hospital. The new addition, who weighed nine pounds, six ounces at birth, has a two-year-old sister, Denise. Mrs. Miller is the former Barbara Greza.

Back from a memorable weekend at the Nevele Country Club are the members of a Springfield 'Mens' Gin Group' (cards that is). The gentlemen, all accompanied by their lovely wives, are the Messrs. Dave Hecht, Irving Shatten, Yale Maroff, Leroy Buzin, Marty Fishbein, Mac Fischrom, Hy Gelfand and Eugene Lewis. Highlights of the week-end came when Yale and Beverly Maroff won the twist contest, and the masseur rolled-bathing suit clad Gene Lewis around in the snow for a somewhat unusual massage.

Here's a reminder to members of the Jonathan Dayton PTA that the second annual show and dance is being held tomorrow night, March 16, at the Club Diana. A gala time has been planned and everyone is urged to attend.

Mr. and Mrs. Harold H. Spiegel, of 106 Redwood Road, Springfield, have returned from a two week trip to Miami Beach, Florida. Accompanying them were daughters Ilona and Diane, and Helen's brother, Mr. Sidney Nash.

A daughter, Mary Beth, was born to Mr. and Mrs. Bud Roche of 354 Darby Lane, Mountainside, on February 26 at Overlook Hospital. The young lady, who weighed six pounds, fourteen ounces at birth, joins a family that includes brothers Tommy and Bobby.

Mr. and Mrs. Michael A. Petrichio, of 43 Mapes Avenue, Springfield, have returned from their twelfth annual winter vacation in Florida. The Petrichios spent six weeks at The Chateau in Miami Beach.

An exclusive showing of fashion accessories will be held at 8:30 this evening at the Sherey Shalom Temple House in Springfield. Sponsored by the Springfield League CARIF, the meeting will also include discussions on...

Tag Week, which is March 26 to April 2, and final plans for the donor dinner set for May 9 at the Bow and Arrow.

Friends in Springfield will sorely miss John and Jean Williams, who have this week moved from 11 Lyons Place to Lindberg and Chamberlain Avenues in Wacung, with their children Jack and Lois. Son Skippy is now with the submarine service in the U.S. Navy.

Mr. and Mrs. Larry Morris, of 9 Woodside Road, Springfield, have just returned from a rather hectic vacation in Miami Beach, Florida. Larry and Rhoda were all set to enjoy themselves at The Caroline Hotel, when they were flooded-out in the 'inletment' weather, and had to move to The Seville mid-vacation.

Springfield Democrats have completed final plans for their March 24 annual dinner dance at the Springfield Steak House on Route #22. With cocktails, smorgasbord dinner, and dancing, all in the offing, the evening should be as enjoyable and successful as in previous years.

Mr. and Mrs. Leon Katz, of 15 South Derby Road, Springfield, announce the birth of a daughter on March 2 at Overlook Hospital. The new addition, who has been named Nancy Lynn, weighed seven pounds, seven ounces at birth. Other members of the family are eleven-year-old Stanley and nine-year-old Barbara.

The Pembroke College Club of New Jersey is sponsoring a luncheon-bridge-fashion show at B. Altman & Co. on Thursday, March 22 at 12:30 p.m. Among the models, all of whom are members of the Club, is Mrs. Alan Corney of Scotch Plains.

Mr. and Mrs. George J. Kelly of Birch Hill Road, Mountainside, announce the engagement of their daughter Joan Marise to Thomas W. Blount, son of Mr. and Mrs. William C. Blount of Summit Avenue, Westfield. Miss Kelly is a graduate of Jonathan Dayton Regional High School and is attending Fairleigh Dickinson University. She is employed by Bell Telephone Laboratories. Mr. Blount is a graduate of Holy Trinity High School. He attended St. Bonaventure University and is presently attending Fairleigh Dickinson University. He is employed by the Summit Herald. A Fall wedding is planned.

On Dean's List

William V. Peacock, son of Mr. and Mrs. William Peacock, 69 Irwin St., Springfield, has been named to the Dean's List at Hope College for academic achievement during the first semester of 1961-62.

In order to be on the Dean's List a student must attain a B or better grade point average with no grade lower than a C. He was honored at the Dean's Tea held Thursday afternoon, March 8.

NOTHING FOR NOTHING!

Contrary to some high-pressure advertising we've heard and read, we can't imagine anyone giving away a \$200 item for \$20, or a \$20 item for \$2. From experience, most of us have found that these 'bargains' are more expensive in the long run and cost much disappointment.

Good labor and good materials are not obtained cheaply. The selling price is based upon the type of material and the cost of labor that went into the finished product. In the 'long run' you'll find it less expensive to buy from a reputable merchant who will stand behind the quality and reputation of the products he sells. Otherwise, you'll find you get nothing for nothing.

The same criteria also applies to dry cleaning. The type of cleaning your garments get will depend upon the machinery and solvent used, the skill of the cleaners and pressers, and the time and care that is given to each garment. It is impossible to give away true quality service. That's why you'll find that your clothes will last longer and you'll look better when you send them to a quality cleaner such as Pan American.

OPEN 7 A.M. to 7 P.M. DAILY SAME DAY SHIRT AND DRY CLEANING SERVICE ALL-CLEANING-DONE-ON-PREMISES

Pan American on the circle at south avenue Westfield © 1962 C.A.M.A.

PREPARING ANTIQUE SHOW: Priceless kettle is being shown by Mrs. Emil Meyer (center) of 216 Balustrad Avenue, to Mrs. Dean Widmer of 10 Tulip Road (left) and Mrs. Robert Potter of 6 Joanna Way, as preview for the annual Springfield antique show to be held March 27, 28 and 29 at the First Presbyterian Church Parish House, 37 Main Street, Springfield.

Antique Show Ready For Presbyterian Church, March 27

March 27-28-29 are the "GO" days for the 20th Annual Springfield Antique Show and Sale at the Historic Presbyterian Church Parish House, 37 Main Street in Springfield. The hours will be from 11 a.m. to 10 p.m. on the first two days and from 11 a.m. to 6 p.m. on the 29th.

Two decades of experience lie behind this show which is assurance that everything there will be "A.O.K." There will be out-

standing displays covering two floors and the presentations will be made by discriminating dealers who have selected this show for their exhibitions.

As in the past a visit here will be both rewarding and relaxing. This is one of those shows that has everything that is dear to the lovers of Americana. Beautiful old glass; rare glittering silver; fascinating aged clocks; many traditional pieces and collector items will be on display.

Not to be overlooked will be the customary "Colonial Tea Room" where ladies costumed in the colorful dresses of that period will be waiting to serve those who choose to relax and enjoy real homemade delicacies.

Overlook Names New Director

New Director of Financial Management for Overlook Hospital is John E. Huntsbarger, according to an announcement made today by Robert E. Heinlein, Administrator.

Mr. Huntsbarger will have overall responsibility for all phases of Overlook's complex \$4,000,000 annual budget, including operating expenses, admissions, patients' accounts, hospitalization, payroll, cost studies, mortgage payments, data processing and methods analysis under policies established by the Overlook Board of Trustees and its Finance and Investment Committee.

Mr. Huntsbarger comes to Overlook with broad experience in hospital finance. For the past five years, Mr. Huntsbarger has been Controller of Western Pennsylvania Hospital in Pittsburgh, Pa., a six hundred and fifty bed institution almost twice the size of Overlook. He was promoted to this position from that of Cost Accountant, which was preceded by further accounting experience at Mercy Hospital in Hamilton, Ohio. He held similar positions with Monsanto Chemical Company and the Harkrader Collection Agency, both in Ohio.

Born and educated in Ohio, Mr. Huntsbarger attended Middletown Business College, the University of Cincinnati and the University of Pittsburgh, where he majored in Business Administration and Accounting. During World War II he served as a First Lieutenant in the United States Army Field Artillery. Temporarily Mr. and Mrs. Huntsbarger and their two children are residing in Old Bridge, New Jersey.

Service Has New Home

Mrs. Mary W. Armstrong, Union County Home Agent, announced today that the Home Economics Extension Service has moved from the Court House Annex and is presently located at 1106 Elizabeth Avenue, at the corner of Bridge Street. The new location is just two blocks east of Broad Street and the Court House.

The Home Economics Office is located in the front of the building on the ground floor. The large meeting room and auditorium, however, where many classes are held, and other meetings, is most directly and conveniently entered from a side entrance, 7 Bridge Street.

This department is one of several agencies moved to the Elizabeth Avenue building from the Court House. The expanded program of the Extension Service required more space than was available in the Court House Annex. Homemakers have long protested the inadequacy of the meeting room available in the Court House Annex and it is the hope of the staff, the county officials, and the participants in the program, that more women can be accommodated at Extension programs held in the new quarters.

Offer Two Hikes

The members of the Union County Hiking Club will be offered two hikes over the weekend of Saturday, March 17 and Sunday, March 18.

On Saturday, Bob Gasser, North Plainfield, will lead a 18 to 20 mile hike along the Palisades from Fort Lee to Alpine along the top of the ridge and return along the bottom of the Palisades. This group will meet at the Administration Building of the Union County Park Commission, Warinanco, Park, Elizabeth at 8:00 a.m.

Fred Dlouhy, Union, will lead a 8-mile hike in Harriman State Park, near Harriman, New York. The hikers will visit the abandoned shafts and pits of the old iron mines in the area. The group will meet at the Park Commission's Administration Building at 8:30 a.m.

Those interested in participating on the hikes with the members of the Union County Hiking Club are requested to contact the Park Commission for further information.

TRAIN FOR BLOODMOBILE: Red Cross volunteers prepare for visit to Springfield March 26 showing W.J. Getz as the potential blood donor with Mrs. Vincent Policarpo, RN, checking the pulse while Miss Florence M. Gaudineer (left) Blood Program Chairman, looks on.

Springfield Red Cross Seeking Donors

"The Springfield Red Cross is seeking blood donors for the first 'Bloodmobile' visit of the newly formed Blood Bank," announced Miss Florence Gaudineer, Blood Program Chairman.

"For the first time since World War II and the Korean conflict a Red Cross Bloodmobile will come to Springfield on Monday, March 26 from 1:00-7:00 p.m. at the American Legion Hall to receive blood from donors.

"Unlike the wartime visits when the donated blood was shipped immediately overseas and to V.A. Hospitals, this visit will collect blood for credits in the Springfield Blood Bank.

"Two-thirds of the blood collected will remain exclusively in Springfield to meet the blood needs of the Township.

"The other one-third will go into the Regional-Blood Bank pool for emergencies, open heart surgery, special blood derivatives and reserves for blood indigents - those unable to donate because of age, serious illness, or medical history.

"This program," explained Miss Gaudineer, "is designed to benefit the entire community - offering blood to any who have the need, provided there are sufficient credits in the Bank. Anyone who donates blood, however, is guaranteed blood credits for himself and family. At NO time does a patient pay for this blood - the gift of the donor. Any cost to the recipient is solely for the charge of administering this free blood or plasma safely through

the transfusion."

"Every effort is being made to make it easy for you to donate," explained Miss Gaudineer.

"Baby sitting service will be offered, and Motor Corps will provide transportation when needed and to those commuters needing a ride from the train to the Legion Hall."

"YOU can give blood if you are between the ages of 18 and 57, weigh a minimum of 110 lbs; have had no recent serious illness or operation; have had no active hepatitis in 2 years; have had no active malaria in 6 months; have had no pregnancy within the past year, and are in good general health."

"Those with medical histories of hepatitis and malaria can now give blood and receive blood credits in the Red Cross Blood Bank Program. This is possible because of recent discoveries in the production of vital blood derivatives from the plasma separated from the disease carrying red blood cells.

"At NO time will blood from hepatitis or malaria donors be used as WHOLE blood for patient transfusion. Therefore, it is only through the extensive nature of the Red Cross Blood Bank that such donors can give blood and receive credits.

"With 54 Regional Centers this blood can be collected in quantity, separated, and used for much needed derivatives.

"The quantities required for processing and the cost of the

processing make such a program prohibitive for hospitals and smaller banks. The Red Cross is happy, therefore, to undertake this service

Turen.

Lutheran Church Notes

The Second Sunday in Lent will be celebrated at both the 9:30 and 11:00 a.m. services at Faith Evangelical Lutheran Church, 524 South Street, Murray Hill on Sunday, March 18. The Rev. Russell E. Swanson, pastor of the congregation will preach on the topic: "The Uninvited".

At Midweek Lenten Vesper Services on Wednesday, March 21 at 8:00 p.m., the Rev. Mr. Swanson will present the third sermon on the general theme: "Seven Words of Salvation" using as his topic the third word from the cross. Topic for the sermon will be "Thy Son, Thy Mother." Special music will be presented by the Men's Chorus.

Members of the Tri M's, Faith Lutheran's Couples Club, will hold a "Day for the Master" at Faith Lutheran Church on Saturday, March 17. Members of the organization will meet at 10:00 a.m. for an all day work session preparing the present worship center for dedication festivities scheduled for April 1. Members of the group will generally houseclean the building and do some painting and repair work—particularly in the Sunday School Rooms. Highlight of the day will be the serving of a Kropkakor Dinner by Pastor and Mrs. Russell Swanson and Mr. and Mrs. George Clark. Kropkakor is one of the national dishes of Sweden. The "Day for the Master" will be but a part of an ongoing program preparing the present building for dedication of the congregation's new church. Dedication and opening of the new church is set for April 1, with the first services scheduled for 8:30 and 11:00 a.m. and

dedication set for 4:30 p.m. with the Rev. Dr. Thorsen A. Gustafson, president of the New York Conference, conducting the Rite of Dedication, assisted by pastors of the New Jersey District and local Lutheran pastors.

Tell Of Rangers

The physical and mental toughness needed by new 2nd Lieutenants to survive the Army's Ranger and Airborne schools was described today by two Norwich University graduates who have just done it.

Addressing a group of the military college's Distinguished Military Students who have been tapped for Regular Army commissions on their graduation next June, Lt. Edward S. Foster, Jr., of Springfield, N.J., and Lt. James R. Chittick, of West Hartford, Conn., stressed that a mental attitude of "can do" is essential to overcoming the physical fatigue basic to both courses.

Both Foster and Chittick were graduated from Norwich last June. Foster, who ranked first in his class academically, held the rank of Cadet Colonel in the Norwich regiment, Chittick, an avid outdoorsman at Norwich, was a Cadet Captain. Each has since been through both service schools. They visited Norwich during leaves before re-assignment. Foster is going to Germany, and Chittick has drawn an assignment in Alaska.

Included in their audience today was the present Cadet Colonel, William B. Brick, of Crosswicks, N.J.

Fireside Group Planning Dance

The Fireside Group of the First Presbyterian Church in Springfield announces the formation of a committee to organize a "Golden Years" dance to be held March 24 at the Parish House in Main Street, Springfield.

John Johnson was named general chairman and will be assisted by Mr. and Mrs. Frank Di Biase, Robert Bevan, Mr. and Mrs. Sven Heckstrom, Paul Beck and Richard Werner.

One of the features of the dance, in addition to reviving the big name band music of the 1935-45 era, will be entertainment in keeping with the spirit of that decade. Home talent from the Fireside Group will be used and an entertaining evening is in store for all who attend.

PLAN GOLDEN YEARS DANCE: Fireside Group of Springfield's First Presbyterian Church, prepare for dance to be held March 24 at the Parish House. Shown left to right - seated Kay Di Biase, John Johnson, chairman; and Marilyn Heckstrom. Standing, Paul Beck, Frank Di Biase and Richard Werner.

Airco Promotes Area Resident

Walter B. Moen of 204 Timber Dr., Berkeley Heights, has been appointed general manager of Air Reduction Sales Company's development and engineering department. He was formerly manager of Airco's cryogenic engineering department in Plainfield.

Moen, an officer in the U.S. Maritime Service during World War 2, started with Airco at Murray Hill in 1948. He is a graduate of Pratt Institute, Brooklyn, and earned his master's degree in mechanical engineering at Columbia University.

Heights Resident In FDU Honor Society

Mrs. Sylvia I. Frenchman, 286 Mountain Ave., Berkeley Heights, will be inducted into Phi Zeta Kappa Fairleigh Dickinson University Honor Society, at the student convocation on March 13, at 11 o'clock, to be held at the Dreyfuss Hall, the Mansion, of the Madison Campus.

Mrs. Frenchman, a sophomore student, majoring in history, is a mother of two boys. Raymond 14, an honor student at Governor Livingston High School and Paul 11, attending the Columbia School. An active community member, Mrs. Frenchman was director of Sunday School and secretary of a Cub Scout committee.

fourth year of operation and will graduate its first full senior class in June.

Registration For Nurse's Aids

A new training program for women who wish to serve as nurse's aides is being offered by Elizabethtown Chapter, American Red Cross, 203 West Jersey Street, Elizabeth, New Jersey. Women between 18 and 55 in good health and interested in becoming nurse's aides are asked to come in person for registration. Mrs. Mary De Stefano of Rahway, chairman of nurse's aides and in charge of recruiting, says the following days have been set for registration:

Day hours—March 12 and 14 from 1 to 3 p.m.
Evening hours—March 19 from 7:30 to 9 p.m.

HOW Water Works

DO YOU KNOW...?
WHY SOME CLOUDS ARE WHITE AND OTHERS BLACK?

The difference is caused by the size of the water particles in the clouds, as well as by the amount of sunlight shining on them. When the water particles are small, they reflect sunlight and the clouds are white. When the drops of water are larger, they absorb light instead of reflecting it, and the cloud appears dark.

"When the wells dry, they know the worth of water."
(Benjamin Franklin)

A safe, dependable water supply is a city's greatest asset. Without it, no community could long exist.

Now During The Spring Electric Range Festival
March 19th - April 28th

Ask your Reddy Kilowatt Dealer for a demonstration of the **FLAMELESS ELECTRIC RANGE** 8 Points of Superiority

- Modern** flameless, electric cooking prepares better tasting, more attractive meals with greater ease.
- Automatic** controls are easily set for exact cooking results. Simply put in the food, then forget it.
- Cool**—practically all the heat is concentrated on cooking utensils and retained in the oven.
- Economical**—the average family of four is only \$2.00 per month—less meat shrinkage saves dollars top.
- Controlled** surface cooking, baking, broiling and roasting insures best results every time.
- Clean** flameless electric cooking creates no fuel grime to foul up the range, utensils and kitchen.
- Fast**—surface units and broilers are as fast as heat itself but without flame. Ovens attain desired temperatures almost at setting of controls.
- Flameless**—no flame or fumes to worry about, no burners to get-out-of-adjustment.

After your Reddy Kilowatt Dealer has established these 8 big points of superiority in favor of a new electric range, pick out the beautiful model best suited to your family. And start enjoying cool, clean, controlled cooking the flameless electric way. Meats shrink less, cakes won't fall and vegetables retain their nourishing goodness. You can count on every recipe and every meal to have that "cook book" quality time after time.

So, see your Reddy Kilowatt Dealer today—he's especially anxious to sing the praises of his new electric ranges during the big Spring Festival.

SCIENCE NOTEBOOK

BY HANS KLEIN—UNION COUNTY REGIONAL HIGH SCHOOLS

Do scientists know anything about life on other planets? Scientifically, there is no direct evidence of life on any other planets, but many scientists reason that the probability is great that life exists not only in the solar system, but elsewhere in the universe.

vised means for sending signals to earth? The signal reaching us would have left that distant planet at a time when Christianity was just extending into northern and eastern Europe. To send a signal and get a reply the time required would be equal to the time difference between the present and

It seems unlikely that life similar to that on earth exists elsewhere in our solar system. Even more unlikely is the possibility that "intelligent" beings having a "highly developed technology" exist on nearby planets. Dr. Drake of the Green Brook Observatory in West Virginia estimated that we must look 1000 light years in every direction to find a planet having beings with a possible civilization supporting a technology equal or superior to our own. Of course Dr. Drake could be wrong, but since he is an important astronomer let us assume that his estimate is better than most.

ancient Greece. Even if we receive messages from outer space, how long will it take us to decode them. Possibly we already are being sent signals which we do not recognize. Yet if we were able to reply, who on the other planet would remember that someone, 2000 years before had sent it? No doubt the descendants of the ambitious sender have long ago given up in despair of ever making contact with us or anyone else in the universe.

SCIENCE QUIZ
1. To what does the "ruddy planet" refer? an Australian express, Mars, Earth, or an unknown planet?
2. What is the average difference between temperatures on Earth and Mars in degrees Fahrenheit? 100, 50, 1,000, or 0?
3. How many moons does Mars have—2, 3, or more?
4. What is the best indication we have that Mars has seasons: changes in plant growth, appearance of clouds, polar caps, or dust storms?
5. As seen from Earth which is the most conspicuous planet: Mars, Moon, Venus, or Saturn?

What is the situation if 1000 light years separate us from beings having a technology that has de-

TERMITES

are flying again. Watch for "swarms" of "flying ants" which come with Spring, shed their wings, then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later.

We specialize exclusively in protection of property against TERMITES and other wood destroying insects, using dependable engineering methods. We are not simply exterminators. Every job is supervised by an experienced, technically trained, licensed engineer.

We are a New Jersey organization, employing we have served New Jersey property owners successfully since 1935. Our reputation in this field is unsurpassed.

Thousands of references are available in New Jersey - not in some distant state. Our work is GUARANTEED FOR 5 YEARS, without additional charge.

ANSWERS
1. To Mars, because of its red color.
2. 2, 400 degrees. The average Earth temperature is 60 degrees.
3. Two. They are quite close to our Moon and are quite close to each other.
4. Polar caps. When the north pole is covered with ice, the temperature is 40 degrees below zero.
5. Venus. The Moon is most conspicuous, but it is not a planet.

Girl Wins Top Grade In Contest

Miss Sue French of 34 Colonial Terrace, Springfield, daughter of Mr. and Mrs. G.W. French has received the highest grade in the Betty Crocker Home-maker Test given to sixty senior girls in December, and has been awarded a pin and citation making her the Betty Crocker Home-maker of Tomorrow of Jonathan Dayton Regional High School. She is now in competition with other school winners and hopes to become a state winner and eventually a national winner, eligible for a \$5,000.00 scholarship award.

Susan French
The test, consisting of 150 practical situations on knowledge and attitudes and also including a formal essay, was taken by thousands of senior girls throughout the United States. Miss Nancy Ann Fleming, last year's Miss America, was a former state winner in this contest. Miss French is a member of the Home Management class at Regional, is in the Dramatic Club and intends to enter college in the fall to prepare to become an elementary school teacher.

Anderson Elected Asst. Treasurer Of AEP Firm

Harold D. Anderson, Jr., of 735 Knollwood Terrace, Westfield, has been elected an assistant treasurer of the American Electric Power Service Corporation, New York.

Mr. Anderson is chief tax accountant for the Service Corporation and the entire seven-state American Electric Power System. He began his career with AEP in 1936 as an assistant valuation engineer with Appalachian Power Company, one of the System's six operating utilities.

He worked as one of the Service Corporation's traveling auditors before being based permanently in New York late in 1941 as an assistant tax accountant. He held the posts of tax accountant and division head before being named chief tax accountant in 1959.

Mr. Anderson, who lives with his wife and two daughters, holds a bachelor of arts degree from Lafayette College and has completed the Utility Management Training Course at the University of Michigan. He is a member of the National Tax Association and the Taxation Accounting Committee of the Edison Electric Institute.

Painting Will Begin

The New Jersey State Highway Department has announced plans to repaint 3,350 miles of white lines along its State Highway System.

The Department advertised for bids March 29 on separate contracts for north and south Jersey. The dividing line between the two contract areas generally follows Route 33 from Trenton to Asbury Park.

Counties covered by the northern contract are Passaic, Bergen, Warren, Morris, Essex, Hudson, Union, Hunterdon, Somerset, Mercer, Middlesex and Monmouth. A total of 1,630 miles of white lines will be painted within 35 working days with work starting July 16.

Counties in the southern contract areas are Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean, Salem and parts of Mercer, Middlesex and Monmouth. The contract will call for 1,720 miles of white lines to be painted in 35 working days with work starting September 10.

The contracts call for painting lines along the inner and outer edges of the highway using white paint and glass-reflecting beads. The combination greatly increases visibility at night and during fog periods. The reflective lines also reduce the accident factor by keeping vehicles within the driving lanes.

Society Will Attend Dance

Several members of the "Give 'em Watts" Society, Springfield, will attend the Spring Conference and Dance in Princeton, March 9 and 10. They are President James Briggs, Recording Secretary, Kathy Francis, Corresponding Secretary, Ralph Jakobus, Sergeant-at-Arms Douglas Pierson, and Treasurer Fred Sperling. Also Della Sperling and Lois Donahue, Mrs. Janice Pierson, Bongiovanni, former State President, also hopes to attend.

Douglas Pierson is running for State Color-Bearer and will be installed on the 10th.

'Y' Kaffeeklatsch

Subject for the next Summit YWCA Kaffeeklatsch which meets Wednesday morning, March 21, is to be "How To Get the Most From Your Travel Dollar." Speaker is to be Nancy B. Duke, owner of The Dukay Travel Agency and a resident of Summit.

Mrs. Duke's talk will take the audience behind the scenes in a travel agency and describe the services available to help people plan their trips. She will also answer a much-asked question as to how travel agents make their money.

Coffee will be served at 10 o'clock and followed by the hour long program at 10:30. The usual concurrent dance and rhythm classes for children over 3 and baby-sitting services for infants over 18 months, will be available at a reasonable charge for youngsters whose mothers are attending the program.

Baha'i Speaker Saturday

William DeForge, of New York will speak on "Peace Through Baha'ullah" at a public meeting to be held at 56 Denham Road, Springfield, on Saturday, March 17th at 8:30 p.m.

DeForge is a member of the Real Estate Board of New York and the National Association of Real Estate Boards. He has his own real estate business in New York City.

Several occasions has visited the Isle of Cuba for the purpose of spreading the Baha'i Teachings.

DeForge is chairman of the Western Hemisphere teaching Committee of the Baha'is of the United States; member of the Auxiliary Board for the western hemisphere; and was for several years national observer at the United Nations for the Baha'is.

William DeForge
He assisted with the formation and organization of the Northern New Jersey Symphony and was its conductor for seven consecutive years. The Northern New Jersey Symphony had a membership of eighty musicians. He has travelled extensively as a Baha'i national teacher throughout the United States, Central America, South America, Canada, Nova Scotia, and the West Indies. He has introduced the Baha'i World Faith in Puerto Rico and Santo Domingo and in the United States. DeForge has travelled throughout several European countries visiting the Baha'i Centers in Germany, Belgium, Luxembourg, France and England where he lectured on the Baha'i World Faith. While in Alaska recently he was on T.V. in every major city, as well as on radio. While there he met with the Chamber of Commerce, the Real Estate Board and the International Rotary.

Newcomer Club Luncheon

The Florham Park Inn, South Orange Avenue, Florham Park, will be the luncheon site for the March 20th meeting of the Welcoming Wagon Newcomers' Club. Spring flowers and colors will be used as a salute to spring theme.

Mrs. Marshall Johnson, Chairman of the Day, has selected Mrs. Robert A. Small, Mrs. Albert S. Condie, Mrs. Garroli Guilekson, Mrs. L.A. Walsky and Mrs. Richard Henderson to serve on her committee.

Mrs. John S. Tennant is to guest speak at the luncheon. Her topic, "Curtain Going Up" will give a thumbnail sketch of Broadway plays. Mrs. Tennant was born in England and received her early education there. She has lectured through out the United States. She is an active member and leader in many dramatic groups. Mrs. Tennant has traveled over much of the world with her husband who is an attorney for U.S. Steel.

The social hour begins at 11:30 A.M. and luncheon is served at 12:30 P.M. Reservations may be made by contacting Mrs. Kenneth Hueter, 38 Constantine Place, Summit, at CR 3-7655.

The Social Chairman, Mrs. Richard Frodge, will be taking reservations for the bus trip, the dinner dance and the theatre party at the luncheon. The bus trip is scheduled for March 28 the tour will include Riverside Church, St. John's Cathedral and the United Nations Building. The bus will leave Murray Hill station at 8:45 A.M. The dinner dance will be held at Wally's Tavern on the Hill on March 31. The theatre party will see the Broadway hit "Sail Away." The

Good Citizens Are Selected

The Church and Canton, Chapter, N S D A R, Springfield, is sponsoring two Good Citizens at the State Conference in Trenton March 15 and 16.

The girls are Deborah Jane Powers of Springfield and Karen Moran of Clark. Miss Powers is the daughter of Mr. and Mrs. Robert Powers, 8 Denham Road. She plans to attend Muskingum College, majoring in elementary education, intending to become a teacher. Miss Moran is the daughter of Mr. and Mrs. Peter E. Moran, 8 Durham Drive. She hopes to go to Montclair Teachers College.

Mrs. James H. Chalmers, Chapter Regent, will take the girls to Trenton. They will be presented to the Governor and taken on a tour of the town. Mrs. Ralph Tuttle is the Chapter Chairman of Good Citizens. Others attending the Conference are Mrs. Eugene H. Brooks, Mrs. Eugene F. Donnelly, State Historian, and Mrs. James Haggert, Chairman of Schools.

EASY DOES IT
Screw a metal drawer handle on the side of your stepladder at the point where ladder balances when lifted. This will make room-to-room transportation easier.

Watchung Weeklies Sports

Confounded Rain!!

It all began with that confounded rain last Monday, and ended with a splitting headache and a genuine desire to commit something like hari-kari.

We're not trying to fool anyone, it's rough going for a weekly newspaper sports section this time of year, since basketball and wrestling are dead issues, and track, golf and baseball are just lifting themselves out of hibernation.

This week of March 15 was "Larry's week". Larry, is Larry Goodwin, a terrific foreign car mechanic who knows his way around "Detroit Iron" just as well.

Naturally, what good is a feature story without pictures, especially since we have every type of camera known to man, and an "expense" account for film and bulbs?

But we didn't bank on that confounded rain. By noon-time half of Springfield, the location of our home office, was under water, and the other half wasn't exactly a desert, so we decided to postpone the trip to Larry's for awhile and get some "weather pictures".

A camera is a funny instrument. If you take it apart without putting all the pieces back in their correct nooks your success at picture taking will be greatly reduced.

Some four pictures and three hours later a negative inspection revealed that somehow or other Larry just wasn't in focus...

Load more film-holders, call Larry and explain the situation and then at six o'clock in the evening, back to Westfield.

Another four pictures, another session in the darkroom, and another temper tantrum when the negatives looked exactly the same.

It was too late for another session at the station, and we didn't have the nerve to ask for a third time anyway, so we figured we'd go with the one picture and chalk it up as a nice try.

Getting back to Larry Goodwin, he really doesn't deserve the rotten break (he even combed his hair on both occasions).

Larry has been a mechanic for some 15 years, getting interested in sports and foreign cars after owning a '53 MG-TD.

Larry himself is a Jaguar owner who never gets time to slide behind the wheel but he "just likes the idea of owning one."

Then there was the woman who brought a camp stool with her and told one of my boys, "I'll be outside reading in the sun, sharpen the points and I believe the car also has valves...sharpen those if you get a chance also."

Larry didn't pay for this column, and we're not getting a free tune up on our MG for the trouble. We have always been impressed with the way Larry handles himself, and his knowledge of foreign cars.

Keep him in mind when those rattles get the better of you. P.S. We found out why our camera was sick. There's a track and there are two points on that track and the lens board must be pulled tight to them.

In our haste, thus the fog....Confounded rain!!!

Playground Positions Available

William Hedrick, Recreation Superintendent, Berkeley Heights, announced that there are positions available for experienced teachers, college graduates, college students majoring in physical education, music, art, general elementary education, and related fields of education, and college students majoring in other subject matter fields that are capable with working with children.

Springfield Bowl Returns To First

In the rough and tumble race for first place in the Springfield Municipal Bowling League, Springfield Bowl, with a 2 out of 3 victory over Ehrhardt, once again moved into the number one spot.

Standings table with columns W, L, Springfield Bowl, Ehrhardt Elec, Cuzzolino Furs, Cardinal Car. Cen., Baldwin Shell, Springfield Mkt., D'Andrea Drives, Policarpio Atlantic, Brunner Excavating, Mendel Florist, Evergreen Lodge, Casternova Bros., Frank's Auto, Legion, Bunnell Bros., Springfield Elks.

Other 200 scores were recorded by: Robt. Bannell Jr 221, 206; Robt. Jr. Baseball League Try-Outs Scheduled For 31st. In Spfld.

Try-outs for the '62 season of the Springfield Junior Baseball Leagues have been set for Saturday, March 31st.

Registration forms for the 9-12 year old players can be obtained in the various grades schools while the forms for the 13-15 year old players can be obtained either at the Gaudineer School or at the Dayton Regional High school about March 19th.

Plans have been completed for the 1962 Fund Drive which will be held on April 28th. The usual house-to-house coverage will be made by uniformed players. This season there will be twenty-eight teams plus a Youth League Clinic, 11 of these teams are Major League and the other 17 are Minor League.

Sponsorship for the twenty-eight teams has been arranged. Many of these have been with the League since its beginnings over ten years ago.

RHS Bowling Crew Second In Tourney

On March 2nd, the Dayton Regional High Bowling Team entered the Union County Tournament and placed second out of 33 teams, 27 pins behind Union.

Frank Martin paced the Keglers by posting a 599 series, 3rd highest in the Tourney and by rolling a 247 game, tops of all contestants. Other members of the Varsity five were Bob Cohen who had a high game of 219 and a 548 series; Bob Kirk, a 204 game and a 574 series, and Larry Cyre and Dennis Francis who posted 496 and 493 series respectively.

By placing among the top three teams the Bowlers are now eligible for State Competition. Those matches will be held at the Star Lanes in the Blue Star Shopping Plaza in Scotch Plains on March 24th.

The Bowlers also broke a 1952 tournament record by scoring 2744 total pins. The previous record was held by Jefferson with 2722 pins.

The Bowling Coach, Pete Socca, said following the matches, "The Boys did a commendable job and did not choke as they have done under pressure in the past." He thinks that they can do as well in the States as they did in the County Tourney.

Busy CHICAGO (UPI) - Ernie Banks, Chicago Cub shortstop, played his first major league game on Sept. 17, 1953 and then played in 424 consecutive games until Aug. 10, 1956.

Is Patronage Out?

former training base at Miller Huggins Field in St. Petersburg, Fla. But its questionable how much of the Yankee fandom the Mets will be able to take over.

Early indications are that the Mets are going to be faced with an indifferent audience among the winter visitors, as well as the native crackers, of their Florida west coast training base.

When we left the numbing northern cold for the sunny Florida climes at the beginning of March, we expected we were leaving the world of baseball madness behind and that baseball would be in the spotlight in the sunny south.

But such is not the case. Whether you're in New Jersey or Florida, the state is gripped by basketball fever. Down here the names are different (and more colorful) -- Dixie Hollins, Boca Ciega, Manatee, Escambia, Seminole -- but the objective is the same, A State championship is the goal, whether you're playing a University of Florida in Gainesville, or in Haddonfield.

The situation is a bit disturbing to the Mets. They have been shunted to less prominent areas of the sports pages and have been relegated to performing their spring training chores in relative obscurity.

Even the presence of Casey Stengel in the Mets' camp has failed to lure the fans. The old Professor (acclaimed in the newspapers as St. Petersburg's most popular citizen) must have been thinking of what used to be when he looked around at the sparse gathering of 1,200 fans for the Mets' first full-scale intra-squad game.

A Yankee squad game, in past years, lured three or four times that number.

The disturbing part of the 1,200 fan turnout is that the performance was free. Anyone could walk through the gate without charge and only 1,200 people out of the thousands and thousands who are giving St. Petersburg its biggest winter season in years bothered.

It could be a foreboding for New York's newest entry in the National League. It appears the Mets' honeymoon with St. Petersburg fans might end before it ever starts. Let's hope the Mets fare better - better in New York, or the Polo Grounds - going to be a mighty lonely place this spring and summer.

Minutemen Streak Ends

The Springfield Recreation Commission Junior Minutemen saw their six-game winning streak broken last Monday night when a visiting Colonia Junior High School Team gained a one point victory over the locals.

At the start of the final quarter Colonia trailed by seven points and finally overcame a Minutemen lead with two minutes remaining and never relinquished it.

Springfield Recreation Texas, California Do Battle Sat.

The stage is all set for one of the biggest cage battles of the Springfield Recreation State basketball league next Saturday afternoon, when Texas and California clash in a winner's bracket game.

Should Be Exciting

The stage is all set for one of the biggest cage battles of the Springfield Recreation State basketball league next Saturday afternoon, when Texas and California clash in a winner's bracket game.

In the opening game last Saturday afternoon Texas nipped West Virginia 35-34 to drop the Hillbillies into the losing bracket.

By Cy James

(Cy James, our Berkeley Heights sports reporter, whose Beacon On Sports appears weekly on these pages, is currently in Florida with the family enjoying a deserved vacation. Cy will be sending us articles on how the Grapefruit League shapes up to him. This is the first.)

ST. PETERSBURG, Fla. -- Is the patronage honeymoon over for major league teams that relocate or establish new franchises? There have been indications for several years that it is.

When the Boston Braves moved to Milwaukee several years ago, the loyal burghers of that Wisconsin city gave the team and its players just about everything, including cases of beer that made Milwaukee famous.

The mutual admiration society flourished through a couple of pennant fights and a world series before disillusionment set in.

Prices went up, services went down, and attendance which had skyrocketed to unprecedented heights, started descending almost as fast.

In like fashion, the Dodgers and the Giants the darlings of Pacific Coast fans in the late '50s when they took their road show to Los Angeles and San Francisco.

The Dodgers and Giants still are far from starving in their new locations but many of their fans have become alienated by the money-grabbing tactics of round Walter O'Malley and equally round Horace Stoneham.

Last year the Washington Senators were transplanted to Minneapolis - St. Paul, Minnesota's twin cities. Minnesota fans proved to be far less gullible than their Wisconsin neighbors in the acceptance accorded the Twins. While the reception wasn't as cool as the Minnesota spring, it was a far cry from the Royal carpet treatment accorded the Braves several years earlier.

It was pretty much the same story in Washington, which was saddled with a definitely inferior new-look version of the Senators, and in Los Angeles, where the Angels sought to steal away some of the Dodgers' patronage.

Now two more "new" outfits are preparing to embark on their bids to win fans in New York and Houston, Texas. The Mets face the unenviable task of competing for New York patronage with the world champion New York Yankees.

The Mets already are getting a taste of Yankee competition. The Mets have taken over the Yankees'

former training base at Miller Huggins Field in St. Petersburg, Fla. But its questionable how much of the Yankee fandom the Mets will be able to take over.

Early indications are that the Mets are going to be faced with an indifferent audience among the winter visitors, as well as the native crackers, of their Florida west coast training base.

When we left the numbing northern cold for the sunny Florida climes at the beginning of March, we expected we were leaving the world of baseball madness behind and that baseball would be in the spotlight in the sunny south.

But such is not the case. Whether you're in New Jersey or Florida, the state is gripped by basketball fever. Down here the names are different (and more colorful) -- Dixie Hollins, Boca Ciega, Manatee, Escambia, Seminole -- but the objective is the same, A State championship is the goal, whether you're playing a University of Florida in Gainesville, or in Haddonfield.

The situation is a bit disturbing to the Mets. They have been shunted to less prominent areas of the sports pages and have been relegated to performing their spring training chores in relative obscurity.

Even the presence of Casey Stengel in the Mets' camp has failed to lure the fans. The old Professor (acclaimed in the newspapers as St. Petersburg's most popular citizen) must have been thinking of what used to be when he looked around at the sparse gathering of 1,200 fans for the Mets' first full-scale intra-squad game.

A Yankee squad game, in past years, lured three or four times that number.

The disturbing part of the 1,200 fan turnout is that the performance was free. Anyone could walk through the gate without charge and only 1,200 people out of the thousands and thousands who are giving St. Petersburg its biggest winter season in years bothered.

ROLLER FUN--Boys and girls roller skating at Columbia School last Saturday afternoon. The program is offered to all boys and girls of Berkeley Heights from grades 3 through 12 every Saturday afternoon at Columbia School from 1:30 p.m. to 4:00 p.m.

New Jersey's State Colleges Offer Varied Physical Education Activities

Besides varsity and junior varsity teams in major sports, New Jersey's six state colleges offer their students a wide variety of required and optional physical education activities, according to a survey released today by Commissioner of Education Frederick M. Raubinger. These activities range from touch football, softball, lacrosse, archery, soccer, hiking, riding, tennis and golf outdoors to badminton, fencing, table tennis, bowling, volleyball and basketball indoors. All six state colleges require at least two courses in physical education for a degree. At Montclair State College, the required courses include a one-semester course in healthful living plus four semesters that include orientation programs in team, dual and individual sports, as well as special classes in remedial physical education, dancing and swimming. At Trenton State College the required courses include "organized recreation," taken in which Trenton can afford to require, as it is the only state college with its own swimming pool, at 25' x 75' structure which is used five nights per week by students and faculty members.

Exciting

(Continued from page 10)

West Virginia*, 2:40 PM -- North Carolina* vs. Kentucky*, 3:30 PM -- Oklahoma* vs. Utah* *These clubs have one defeat, any club losing another game will be eliminated from further play. All players are to report to the gym one half hour before game time. Monday night -- March 19 -- 7:10 PM -- Loser of Texas-California game to face the winner of West-Virginia-Minnesota game. 8:00 PM -- Winner of North Carolina-Texas game to face winner of Oklahoma-Utah game.

The Giants, Pirates and the Browns won last Saturday afternoon at the Thelma Sandmel School in Small-Fry Basketball activity. In the opening game of a 3-game card the Giants, captained by Ralph LoSanno won easily over the Raiders, with LoSanno tossing home 16 points. Jeff Morris and Keith Brown tie the top performers for the Raiders. The Pirates defeated the Lions 13-6 with Dave Margulies, Bruce Bernstein and Don Jackson sparking the victory. Ted O'Connell was the best for the losing Lions five.

In the finals the Browns nipped the Indiana 10-9 in a close battle with Richard Toll's basket in the closing moments the deciding point. Toll scored 9 of the 10 points for the winners, with Mike Atkin and Garry Ginsberg the best for the Indians.

The Nats and the Knicks were the big winners last Saturday afternoon at the James Caldwell School-gym and will clash this Saturday afternoon at 2:45 PM for the Caldwell school Small-Fry title.

The Nats defeated the Billikens easily last Saturday afternoon, winning 17-4 with Lewis the high man for the winners, with Buccelli's expert ball handling featuring for the losing Billikens. The Knicks squeaked through the victory by nipping the Bullers 20-19 with Schwartz the standout for the winners. Blumenthal, Cohen and Fox were the top performers for the Bullers.

The Lakers walloped the Celtics with Colandrea and Pierson running wild in this easy win.

Eats For Cause

Frank Scerbo, son of Mr. and Mrs. Louis G. Scerbo, 84 Pleasant Ave., Fanwood, recently helped the University of Tampa's fund raising drive for a new student center by eating some 20 hamburgers.

Six university students competed in an attempt to break the unofficial world's record in hamburger eating. The winner, Max Davis, senior from Cartersville, Ga. ate 27 hamburgers. Scerbo, a sophomore at the University of Tampa, is a business major. He graduated from Scotch Plains - Fanwood High School. He plays fullback for the University of Tampa Spartans, and was a member of the team which completed the best season in the history of the university last fall with 8 wins, 1 loss, and no ties.

The Lakers walloped the Celtics with Colandrea and Pierson running wild in this easy win.

Merely A Rookie

Paul Goldsmith, veteran stock car test driver, stock car, national champion and Indianapolis Speedway driver, will be just another rookie in the Atlanta 500 on March 25, officially that is.

Goldsmith, the United States Auto Club national stock car champ, is one of eight drivers who will be making their first competitive starts on the Atlanta International Raceway, and the rules require the rear bumpers of all rookie cars be painted a bright yellow or red.

With almost a week to go to the March 15 entry deadline, 42 drivers have signed for the FIA International and NASCAR-sanctioned 500-mile classic on the 1-1/2 mile bank asphalt oval. The fastest 46 cars will start the race.

The entry list includes seven national champions, all five previous Atlanta Raceway winners and three father and son racing teams. Buck and Buddy Baker of Charlotte, N.C., will be driving a pair of Chryslers in the 500-mile race, while former Atlanta 500 winners Bobby Johns and Bob chief mechanics, Socrates 'Shorty' Johns and Roy Burdick.

The other father and son driving team in NASCAR Grand National competition is made up of Lee Petty and his two sons, Richard and Maurice, all Plymouth drivers. Richard Petty is officially entered and Lee (recovering from year-old injuries) has indicated he plans to enter a second Plymouth, but is undecided about the driving assignment, whether himself or Maurice.

If Maurice is entered, he will be an A.L.R. rookie. The newest entries are for Thomas Cox of Asheboro, N.C., in a Plymouth.

Other local youths to compete will be David Hunt, Darryl Hunt, and Richard Roloff.

140 Attend BH Mardi Gras

One hundred and forty members and friends of the Republicans of Berkeley Heights enjoyed the facilities of The Delwood Recreation Center in Springfield Avenue, Berkeley Heights at the first annual Mardi Gras on Friday.

Swimming, dancing to Ray Barton's Electronic Trio, and refreshments catered by Mar-Jul's Delicatessen were highlights of the affair.

The Mayor of Berkeley Heights, "Abdullah" Williams, and two former Mayors, "Huey Long" Manner and "Beatnik" Loman, were introduced as judges of the Grand March.

The judges awarded a prize for the best couple costumes to Carl and Betty Siebert who were dressed in the attire of the "Lincoln Day" period.

Best male costume was worn by Bob Harrison who gave a comic diving exhibition in an appropriate bathing suit.

The best female costume was worn by a lady known by her friends as Mary McDonald. Benjamin Delia was chosen as "Frontier Democrat" and "most original" prize was divided by two couples, Bob and Elaine Braun, and Bill Braun and Sherry Foulke, all in astronaut costumes. Awards were also presented to Carl Cluesman as a candidate for "Vic Tanny," and Ed and Ethyl Sheldon who were "Most ready for a Midnight Snack."

The affair was planned as a non-profit social evening.

FASHIONS—Mrs. Richard Verdick on left and Mrs. William Eshbaugh, members of the Mountainside Newcomers Club model the latest in cladding at the Club's Annual Fashion Show held March 12 in Westfield.

Kyle To Address Woodruff PTA

Mr. Vance H. Kyle, principal of the William Woodruff School, will talk at the Woodruff PTA meeting on March 19 at 8:15 p.m.

Mr. Kyle will cover the curriculum aspects of the classroom teaching as well as the many varied services that make up the total Berkeley Heights educational system. Film slides of learnings, activities and services, actually taken in the school, will be shown.

In addition, special teachers in the areas of instrumental music, reading, art, psychological services, physical education and vocal music will be introduced and will speak a few minutes about their own special areas.

Refreshments will be served.

Sturchio To Address PTA

"Science in the Elementary Schools" will be the interesting talk given to the Mountain Park School PTA members at their 8 p.m. meeting, Monday, March 19, in the All-Purpose Room at Mountain Park School. Mr. Malcolm Sturchio will be the guest speaker and will encourage questions and a lively discussion after his talk.

Mr. Sturchio received an AB degree in Chemistry at Rutgers University and he is currently Assistant Professor of Chemistry in the School of Science and Engineering at Fairleigh Dickinson University, Madison, New Jersey Campus. He is not only Chairman of the Education Com-

Science Fair Due March 14-16

The Fifty Annual Union County Regional High Schools' Science Fair will be held at the Jonathan-Dayton Regional High School in Springfield, March 14-16th, 1962.

While not the oldest Science Fair in the state this fair is unique in that it includes three high schools and has a special category for entrants from the elementary schools in the constituent districts.

Student exhibitors will begin setting up their work at the Jonathan Dayton school at 3 p.m. on Wednesday afternoon March 14th. At 7 p.m. the Judges will begin interviewing exhibitors and selecting the winners of categories in Jr. High Science, Biology, 9th Grade Science, Chemistry, Physics, Mathematics, Models & Charts, and Group. The award winners will be announced at the PTA meeting in Halsey Hall of the Dayton school at 8 p.m. on Thursday evening March 15th.

The Judges for the Fair will be working scientists from local industry, secondary school science teachers, and former student science fair winners from the regional district.

Outstanding exhibitors will be sent to the Greater Newark Science Fair at the Newark College of Engineering in April to compete for an opportunity to be sent to the National Science Fair International to be held in Seat-

le, Washington. The Regional District has an enviable record of sending seven students to the National Fair since the Newark Fair's inception. Last year it provided double winners, Miss Barbara Jones and Mr. William Fitzpatrick, both of Mountainside. Other winners in the past have been Diane Taylor, Jules Macey, Alan Chalet and Louis Caruso.

The Fair is sponsored by local industrial corporations: Celanese Corporation, Ohaus Scale Corporation, Beckman Instrument Co., White Laboratories, The Union County Medical Society. Numerous book publishers have contributed prizes to be awarded as special mention awards.

The Fair is directed by the Science and Mathematics Departments of the Regional District under the chairmanship of Mr. George M. Barclay of the Arthur L. Johnson Regional High School in Clark.

Residents Favor Language Study As Revealed By Polled Statistics

A survey of some 1,375 parents in the six elementary schools in the Regional High School District, conducted by the Educational Service Bureau of Temple University, showed that as a whole parents favored a foreign language program in the elementary schools by about a four to one ratio. A poll taken of children throughout the regional district indicated that 92.4 per cent of them wanted to learn a foreign language in elementary school.

The most positive feelings in the parent survey were shown in Clark, Mountainside, and Springfield. The most negative feelings were shown in Kenilworth, but it was still favored there by almost three to one. Very few parents are either neutral or have no opinion on the subject, the Temple report noted.

The regional district percentage breakdown on the opinion of parents, listing affirmative attitudes first and negative attitudes second, was as follows: Berkeley Heights, 76.0 and 21.9; Clark, 64.2 and 16.5; Garwood, 77.2 and 21.5; Kenilworth, 70.5 and 26.6; Mountainside, 83.0 and 13.9; and Springfield, 81.8 and 15.9. These other parents not accounted for in the above percentages gave either "neutral" or "no opinion" responses to the survey. A total of 1,083 of those questioned gave affirmative answers to the poll as against 259 negative attitudes.

An overwhelming majority of the pupils polled in each district expressed a desire to learn a foreign language. The percentage breakdown for the region according to districts was: Berkeley Heights, 93.4; Clark, 92.0; Garwood, 93.4; Kenilworth, 92.3; Mountainside, 89.7; and Springfield, 93.2.

The Temple report said that bright children expressed a greater interest in learning another language than other children and that children in the higher grades expressed a greater interest in learning another language than children in lower grades. However, they surveyed indicated that in no group of children was the percentage who wanted to learn a foreign language less than 80 per cent. The study was conducted on children in grades, 3, 5, 7 and 8.

Chemistry Workshops on the Fairleigh Dickinson University Campus for high school teachers. The PTA members and parents will also enjoy the opportunity to see the prize winner exhibits from the March 17th Mountain Park Art, Science, and Hobby Show.

56 Denham Rd., Springfield, N.J.

Witnesses To Meet For 1st Convention

The first Bible convention of 1962 for Jehovah's Witnesses in New Jersey Circuit No. 5 has been scheduled for March 16-18 and will be held in the Plainfield High School, 119 West Ninth Street.

The announcement was made today by Mr. William Pitt, of 214 Oak Tree Road, Mountainside, N.J., a minister of Jehovah's Witnesses, following official notification by the convention sponsor the Watchtower Bible and Tract Society of New York.

Mr. Pitt, who will attend and head a delegation of local Witnesses stated that the purpose of the Christian gathering is to aid Jehovah's Witnesses to expand their Bible educational activity thereby "Faithfully Increasing Our Praise to Jehovah" which is to be the convention theme.

"Ours is an active religion," the minister told the local group of witnesses as he discussed preparation details with them. "Ours is not a come-and-sit religion but a get-up-and-do worship of God. What Jehovah's Witnesses have been doing for decades, other religious groups are just starting to talk about. That is, the need of witnessing to others, a living faith, one practiced all day long, not just once a week or occasionally."

Last year Jehovah's Witnesses were active in 185 lands. They spent 132 million hours preaching, made 45 million return calls

Local Chairman

Mrs. Sam Goldman, of 73 Sycamore Terrace, Springfield, has been named local Chairman for the Carol Channing Revue to be held Saturday evening, April 14th at the Mosque Theatre, Newark, sponsored by the Ruth Estrin

Goldberg Memorial for Cancer Research

"Carol Channing and Twelve Gentlemen Who Prefer Blondes" will star the Broadway comedy-drama, who zoomed to fame in "Gentlemen Prefer Blondes."

Miss Channing and her company will offer scenes from her Broadway shows as well as portions of her night club act.

Mrs. Goldman announced that a community committee has been formed to sell tickets for this performance. R.E.G.M., the sponsor of the program, is an organization which has contributed more than \$140,000.00 towards the fight against cancer in the past 12 years.

Ticket reservations may be made by contacting Mrs. Sam Goldman, 13 Sycamore Terrace, Springfield, MU 2-9423.

Round Table Discussion

Dr. S. J. Cohen, Medical Advisor to the Westfield-Plainfield Mothers' Club of the N. J. Diabetes League will hold a "Round Table Discussion" with the members' children at his home on Thursday, March 15th from 7 to 9 p.m. Assisting Dr. Cohen will be the discussion will be Mrs. Alva C. Sapp of Westfield, Mrs. Robert T. Neumann of South Plainfield and Mr. Arthur J. E. Hogstrom of North Plainfield. Receiving the guests with Mrs. Cohen will be Miss Ginger Nielsen of Westfield, Miss Beverly Spahr of Scotch Plains and Master Douglas Stewart, of Fanwood, all children of the Club's Executive. Refreshments will be served to the children through the courtesy of Hoffman Beverage Company, Newark. The age range of the children attending this meeting will be approximately 10 to 16 years, and all parents of diabetic children, and children who are interested in this meeting are asked to contact Mrs. E. W. Stohr, 2120 Seward Drive, Scotch Plains, for further information.

While the children are at the meeting, a "Parents Reception" will be held at the home of Mrs. O. Wm. Nielsen, 18 Carol Road, Westfield, N.J. Assisting Mrs. Nielsen receiving the guests will be the President of the Club, Mrs. Murray T. Stewart and Mr. Stewart of Fanwood, Mr. and Mrs. Ernest W. Stohr of Scotch Plains and Mr. and Mrs. Joseph E. Road of Westfield. Parents of non-members and non-participating children are cordially invited to attend this reception.

Newberry's Aids Scouts

In honor of Girl Scout Week, as well as in celebration of the Girl Scout's 50th Anniversary, Newberry's Department Store, Springfield, has given over one of its windows to show some of the work done by Springfield Scouts. There are exhibits showing service projects for hospitals, crippled children, etc., as well as projects used in arts and crafts and badge work.

Although articles are shown from every troop which had items to display, it was impossible to exhibit everything, because space was limited. The display will be in the window until Monday, March 19, and it is hoped that all Girl Scouts and Brownies will have an opportunity to see each other's work.

10,000 Gather For Scout Mass

One mass holy hour which attracted more than 10,000 Catholic Girl Scouts replaced the usual program of 11 Holy Hours at churches throughout the archdiocese of Newark this year.

This special event held in the honor of Our Lady of Fatima, patroness of Catholic Girl Scouts and observance of the golden anniversary of Girl Scouting in America was held at the Sussex Ave. Armory in Newark.

Presiding was His Excellency, Most Rev. Thomas A. Boland, T.D., L.L.D., Archbishop of Newark.

This also marked the 20th anniversary of Catholic sponsored Girl Scouting in this area, and the starting of national Girl Scout week. Radio, TV, newspapers, movies, etc. will focus the nation's eyes on Girl Scouts for the next 12 months.

In 1942, the late Archbishop Walsh, officially adopted intermediate Scouting as the best recreational and spiritual program for our Catholic girls. This holy hour was sponsored by more than 130 parishes in the archdiocese with a total membership of more than 16,000 girls. Intermediates and Sr. Scouts attended, not the brownies.

Msr. John Coniff of Washington, D.C., acting national youth director gave the sermon. Msr. John Kieley, director of the diocesan youth groups, was in charge of the arrangements. The counties of Union, Bergen, Essex, and Hudson participated in this affair. This was just one of the thousands of ceremonies held in recognition of the great good girl scouting has been for the girls of America.

St. Bartolomeo's neighborhood of Scotch Plains & Fanwood has 114 girls and 10 adults in attendance at this affair.

Ends Course

Army 1st Lt. Richard R. Russell, 26, whose wife, Judith, lives at 3483 S. Utah st., Arlington, Va., completed the eight-week officer orientation course at The Armor School, Fort Knox, Ky., March 3.

Lieutenant Russell received instruction in the fundamentals of armor warfare, armor equipment, tank gunnery, field engineering, automotive maintenance, communications, instructor techniques, leadership

principles and platoon and company level armor tactics.

The lieutenant, son of Mr. and Mrs. Ralph Russell, 76 Helen st., Fanwood, was graduated from Scotch Plains High School in 1953, and from the University of Oklahoma, in Norman, in 1957. He is a member of Sigma Nu Fraternity.

National Guard Accepting For 6 Mo. Program

The 5th Reconnaissance Squadron, 50th Armor, an element of the 50th Armored Division New Jersey National Guard, has been authorized an increase in strength.

Lt. Col. Norman S. Koed of Watchung, the commanding officer has announced that one hundred additional vacancies exist in the unit at this time.

Young men between the ages of 18 and 24 may contact Sgt. McBride at the Westfield Armory, between 9 AM and 5 PM daily AD 2-4205 for an interview. If accepted they will go into the National Guard 6 Mos training program.

This is a rare opportunity for young men of this age group since the National Guard in this area has not had this many openings for quite some time.

Summit Art Center Reduces Dues For Retired Members

The Summit Art Center is offering a concession of 50% in membership dues to retired persons. It is hoped this move will set an example for other organizations. Retirement often means reduced income, which makes it difficult to continue all activities desired. Decreased membership costs would be a step toward enjoying a fuller retirement.

The unprecedented measure was voted at a trustees' meeting March 7th. The meeting was at the home of the Summit Art Center President, Mrs. James R. Moss.

Class Exhibition
An exhibition of Adult Class work by members of the Summit Art Center will open Sunday, March 18th, at 17 Cedar Street, Summit. The show is an annual event. All class members are invited to show a painting or sculpture completed in the current season. Works may be brought in for hanging until 3-PM-Friday-evening, March 16th.

More than two hundred students are enrolled in the Summit Art Center's Spring Term Classes. About 90 works are expected for the Class Exhibit, based on previous years' entries.

The Class Exhibition opening tea will be from 3 to 5, Sunday afternoon. Mrs. Theodore Noon of Short Hills and Mrs. Reid De Tar of Chatham are co-hostesses.

The show will be open Saturday and Sunday afternoons through April 1st.

Picnic Sites Can Be Reserved

Residents of Union County who are planning to conduct picnic outings for individuals or organizations in The Union County Park System may now apply for reservable areas. It was announced today by The Union County Park Commission.

The Recreation Department of the Park Commission will accept requests and issue picnic permits for any of its 118 reservable picnic sites ninety days in advance.

In addition to these reservable areas the Park Commission also maintains approximately 90 other picnic sites that are available on a first-come, first-served basis.

articles on psychiatric counseling. Father Hagmaier is a well known lecturer in problems of mental health and the separate roles religion and psychiatry play in the determination of human behavior.

Among his many degrees, Father Hagmaier holds a doctorate degree from the department of Marriage and Family Life at Teachers College, Columbia University, the first priest to receive such an award.

The lecture will begin at 8:15 p.m. and will be followed by a

'Y' Thoughtstirs

Next meeting of the Summit YWCA Thoughtstirs is scheduled for Wednesday evening March 21. Subject for discussion will be "Religions of The World" and is to be presented by Mrs. Herbert West, Mrs. Ronald Lank, Mrs. William Greer, all of New Providence, and Mrs. Richard Waddell and Mrs. Gerald Hatnie, both of Summit. Greer will be Mrs. Gary Smith of New Providence. Refreshments will precede the program.

All young women under the age of 40 are cordially invited to join the Thoughtstirs who meet regularly on the 1st and 3rd Wednesdays of the month from 8:15 to 11 p.m.

AWARD—First Lieutenant Wade L. Barghausen (left) of Westerville, Ohio, receives a certificate designating him an outstanding supply officer for the year 1961. Presented by Lieutenant Colonel Charles E. Leibach, Jr., the certificate was awarded by Headquarters, United States Air Force, in recognition of outstanding proficiency in performance of supply responsibilities. Lieutenant Barghausen is married to the former Gail-D. Fruehauf of 22 Homestead Terrace, Scotch Plains.

Chase Promotion

The Chase Manhattan Bank has announced the promotion of Bruce C. Hyldahl to Assistant Treasurer in the Investments and Financial Planning Department. Prior to his promotion, Mr. Hyldahl held the position of Municipal Bond Salesman. He had served in this capacity since 1959.

Mr. Hyldahl joined the Chase Manhattan Bank in 1957 following his graduation from Duke University. During his association with the bank he has been related to Municipal Bond sales. Mr. Hyldahl was graduated from the Jonathan Dayton Regional High School of Springfield in 1953.

N.S.C. Dean Of Students Retiring After 32 Years

Dr. Harriet E. Whiteman, dean of students at Newark State College, Union, has announced she will retire on September 1, 1962, after 32 years of service. Dr. Herbert W. Samenfeld, now assistant director of student personnel, will succeed her as dean of students. Dr. Whiteman came to the college in 1930. She served successively as educational secretary and instructor in psychology, administrative assistant to the president, and dean of students, a post she assumed in 1945. "The administrative team of Newark State College is going to suffer a deep loss with the early retirement of Dean Harriet E. Whiteman," Dr. Eugene G. Wilkins, president of the college, commented. "She not only

has exhibited excellent judgment and creative ideas, but has worked indefatigably for a superior college. During the time that the college was establishing its reputation nation-wide in the field of student personnel, she was intimately concerned with our development of the program and has continued to strengthen and direct it as the college has grown into a major institution." Dr. Whiteman now is hard at work on her last major task the opening of the first residence hall in the 107 year history of the college. The residence hall for 150 girls will open this September on the heels of her retirement. At present, such matters as staffing, selection of students, furnishing, and the formulation with students of rules and regulations for self-government are being ironed out. Dr. Whiteman is the wife of H. Ralph Whiteman, partner in the accounting firm of Hallbergh, Whiteman, and Sweeney of Ridgefield and New York City. They live at 708 Northfield avenue, West Orange.

Dr. Samenfeld came to Newark State College and his present post in 1957. He administers the counseling program, is psychologist and veterans adviser, and serves on the Student Personnel committee and the scholarship and Loan committee.

A graduate of Drew University Dr. Samenfeld earned an M.A. in 1951 and a Ph. D. in 1954, both in psychology from the University of Minnesota. Before coming to Newark State he was an assistant professor in the psychology department of Southern Connecticut State College and was associated with the Vocational Counseling Service, Inc. both in New Haven, from 1953 to 1957.

Dr. Samenfeld, who lives with his wife, Melanie, and their two children, Scott, 10, and Lisa, 7, at 2421 Seneca Road, Scotch Plains, is active in educational and civic affairs. He was chairman of the Scotch Plains Association for Good Schools from 1959 to 1961. He is school education chairman of the Union County PTA, a member of the board of directors of the Union County Tuberculosis and Health League, and a member of the job study group for the Girl Scout Council of Greater Essex County.

His professional affiliations include membership in the American Psychological Association, American Personnel and Guidance Association.

Annually, Hahne's has for over a quarter of a century contributed some of the income received on this day to the New Jersey State Federation of Women's Clubs and in particular, the support of The New Jersey Club Woman magazine.
Springfield Woman's Club members and friends can take advantage of this opportunity to help and at the same time have a day of fun by doing the following:
Go to Hahne & Company in Newark on Thursday, March 29 and register your name and the name of your guests accompanying you in the name of the Club. Registration - no charge - will be on the Third Floor from 9:45 a.m. until 1:30 p.m.
There will be three meetings in the Auditorium, second floor, at 10:15 a.m., 12:00 and 2:00 p.m. Tickets will be issued at the time of registration designating the meeting you wish to attend.
Mrs. Harley L. Dangremond, President of the New Jersey State Federation of Women's Clubs will greet the Club Women followed by a presentation by the State Drama Department. At the end of each meeting Hahne & Company will present a showing of the outstanding Spring Fashions for 1962.
Many lovely gifts will be given by the store, and four \$25.00 cash prizes will be awarded for the greatest percentage of club membership registered in four groups.

New Jersey's Betsy Palmer To Star In Musical "Maggie" In May At Paper Mill Thea.

Betsy Palmer, the pride of Englewood, New Jersey and TV, will bring her blond charms into the Paper Mill Playhouse on May 22 in "Maggie", a musical based on J.M. Barrie's "What Every Woman Knows". The show, which will play for five weeks, will be the second of the Paper Mill Spring Festival of Musicals.

The opening musical will be "Fiorello", bowing on April 24 for a four week run. Tom Bosley, who zoomed to stardom in the title role, will again essay the colorful Fiorello La Guardia. "Maggie", with Miss Palmer in the title role, is a tender valentine to every woman who contributes to the success of her husband—and doesn't let him know it. It was originally seen on Broadway several years back but has since been completely rewritten. A concert version of the latter received extensive praise when it was shown in New York in 1957.

Miss Palmer, though known primarily as a TV actress and Panelist, will be given a chance to sing and dance, something she does very well. She played to capacity audiences last season when she romped through "Gentlemen Prefer Blondes" on the summer theatre circuit. "Maggie" will represent her musical comedy debut on the east coast, however, World Baker, who won acclaim for his direction of the off-Broadway sellout "The Fantasticks" will direct the Paper Mill presentation of "Maggie". It is hoped that the show will bounce back on Broadway as a hit this fall.

The Paper Mill box office will open on Monday, March 19, with tickets available for both shows on a single or subscription basis. Subscriptions for the two musicals are being offered at a 15% saving.

Henry T. Weinstein and Laurence Feldman, who with Frank Carrington operate the Paper Mill Playhouse in Millburn, have announced plans for a similar operation on Long Island. The Messrs. Weinstein and Feldman, who also operate the Westport Country Playhouse in Connecticut, have joined forces with Dr. Frank A. Calderone in the Mineola venture. The three will present a forty week season of noted stage and screen stars in current hit musicals, dramas and comedies. The theatre will debut on Thursday, May 24.

By opening night, the producing team will have invested more than \$100,000, in refurbishing the theatre. Renovations will include air conditioning, a new stage, lobby and exterior.

Stones At Trailside Center May Have Been On Moon

The Trailside Nature and Science Center, in the Watchung Reservation, has put on display two stones, known as tektites, donated by Mr. Robert Barter of Westfield, a councillor for the Trailside Museum Association. Tektites are glassy stones which are formed when a very large meteor strikes a planet or a large satellite. So much heat is created by the impact that the rocks and minerals of the area are melted and splashed high above the surface.

Dr. Hall explains that such a phenomenon on the Moon would cause the flying pieces to escape the weak gravitational field of the Moon to enter the gravitational field of the Earth. By examining the tektites it can be determined if they have been melted once or twice; once when the meteor hits, and once when the fragment enters the Earth's atmosphere. The composition of these stones is in proportion like nothing on Earth. The Moon stones contain large amounts of nickel and iron. Authority for these statements may be found in the August, 1961, issue of "Scientific American" in an article entitled "Asterobolites," written by Dr. Robert S. Dietz who was born and educated in Westfield.

like nothing on Earth. The Moon stones contain large amounts of nickel and iron. Authority for these statements may be found in the August, 1961, issue of "Scientific American" in an article entitled "Asterobolites," written by Dr. Robert S. Dietz who was born and educated in Westfield.

Starts Wednesday "BEN HUR"

The tektites now on display at the Trailside Nature and Science Center are roughly spherical black stones about half an inch in diameter. Tektites have been known for centuries and are readily available from nine known areas around the Earth: Texas, Georgia, Martha's Vineyard, Ivory Coast, Egypt, Czechoslovakia; Indo China, Australia, and the Philippines. Dr. Hall stated that tektites have been worshipped by primitive man as votives from the Heavens. Through various expeditions the modern scientist has learned that the primitive man believed that the tektites came from heaven in a fiery shower, which the scientists are now finding out is true.

Untragic Tragedy

by Bertha Taylor

The Il Caffe, 13 Valley Street, South Orange, presented, The Academy-St. Playhouse-Production of "The Hanging of Emanuel" a tragic Comedy by Israel Horowitz.

The Play was abstract; something NEW, not involved with God, death, sex, drugs and perversions. While "The Hanging of Emanuel" is an abstraction. It is absurd. It is entertaining. The work was inspired by Philip Wylie's "The Disappearance". In his novel, there is a psychological disappearance of Women from the world of Man and Man return disappears from the World of Women, the struggle for superiority.

Mr. Horowitz discusses the same problem in his work, but with a distinctly different point of view and different results. Members of the Cast included: Marcia Swerdlow; Mini Wade; Micki Boni; James Loeffle; Randy Holland and Barbara Myhrberg. On March 16, The Il Caffe will present THEODORE direct from New York's Greenwich Village. Tickets \$2.00 tax included; for reservations call, South Orange 2-9750, 13 Valley Street, South Orange, New Jersey.
