

He Won't Be Here Tomorrow

# "Yes, Virginia, There Is A Commissioner Palmer!"

Many Springfield residents are just as confused as little Virginia who wrote the editor of the New York Herald many years ago asking, "Is there really a Santa Claus?"

Springfield has been asking the question—"Is there really a Dwight R.G. Palmer, Commissioner of the State Highway Department? Paraphrasing that now classic reply to little Virginia, as printed and reprinted every Christmas time, the answer to Springfield's query is "Yes, Virginia, there is a Mr. Palmer!"

It's true that very few officials in Springfield have ever seen Mr. Palmer.

He did not appear at any of the public hearings held in Springfield all these years on the very urgent Highway 78 matter.

And, for the conference to be held in the Springfield Municipal Building, Friday evening, March 23, there will be four representatives from the State Highway Department—but not Mr. Palmer. Since the beginning of the campaign by Springfield begging Commissioner Palmer to do something about the removal of the obsolete trolley tracks in Morris Avenue, Township officials have been hoping to do some "man to man" talking with Mr. Palmer.

Former Mayor Vincent J. Bonadies did manage to "get an audience" with Commissioner Palmer but it almost took the Pentagon, a full company of Marines and a constitutional amendment to make the appointment.

Former Mayor Albert Binder once "saw Mr. Palmer" but not at an official or municipal conference.

The Highway Department has had a load of correspondence with Springfield authorities but Commissioner Palmer has never appeared in person at any of the hearings.

But, there definitely is a Mr. Palmer. He's the same Mr. Palmer who has been straightening out the transportation mess in New Jersey. The trolley tracks are still on Morris Ave.

Tomorrow night, (Friday) at 8 o'clock, four representatives from the Highway Department will come to Springfield for a question and answer period on various Highway 78 problems.

All residents of the Township are invited to attend tomorrow evening's meeting in the Municipal Building.

## Adopt New Budget Without 1 Question

### Werner To Act As Auctioneer

Richard Werner, a member of the Springfield Board of Education, will be auctioneer at a "Good-As-New Auction" held by the Florence M. Gaudineer PTA in the school cafeteria at 8:15, Monday evening, March 26. All members and friends are invited.

Mrs. Walter W. Anderson, budget and finance chairman of the

Gaudineer PTA, urges each member "Do a bit of advance Spring cleaning and take down from those upper shelves the good-as-new articles that have been stored away for too long. The brick-a-brac that doesn't suit your decorating scheme, those worn-out aprons, boots, toys, or outgrown children's clothes might be just what your neighbor has been looking for."

Mrs. Herbert Quinton, assisting Mrs. Anderson, adds "Any new items will be gladly accepted too, as well as cakes and cookies."

The committee requests the merchandise to be auctioned between 8:15 and 8:15 p.m. on Monday, March 26.

If that is not practical, articles may be delivered to the homes of Mrs. Anderson, 46 Lyons Place, or Mrs. Quinton, 94 Lyons Place.

### Plan Cake Sale For 1st Aid Squad

The Auxiliary of the Springfield First Aid Squad will have a cake sale March 30 from 9 A.M. to 2 P.M. in the Grand Union.

The sale will consist of home-made baked goods made by the auxiliary members and their friends. Proceeds will be used for squad expenses.

The purpose of the auxiliary is to furnish the squad with the things they need such as blankets and bandages. Usually two cake sales are conducted each year as well as two card parties.

The sale is under the direction of Mrs. Nicholas (Mickey) Zarrilli of 48 Rose Avenue, chairman. About 20 women belong to auxiliary, which meets the first Monday of each month in the squad building.

### Voters League

The Springfield League of Women Voters is holding its annual membership meeting on Tuesday, March 27, celebrating the seventh birthday of its founding.

The meeting will be held at the home of Mrs. Sidney Sklar, 18 Archbridge Lane, at 8:30 p.m. The program will consist partly of voting on the budget, officers, and amendments to the by-laws as well as membership orientation.

A progress report on the "Know Your School" study will be given.

Anyone considering membership in the League is cordially invited to attend.

## More Donors Needed For Bloodmobile Visit Here

SUN - More Donors needed will be immediately available to meet the blood needs of the Township, stated Miss Florence Gaudineer, Chairman of the Blood Program.

Springfield's Mayor Philip Del Vecchio was among the first to realize the value of the new blood program to the community, and he registered early as a blood donor.

"The response of donor registration has been good," announced Miss Gaudineer, "but there is still a need for more donors to provide sufficient blood credits to place our Blood Bank Program on a firm basis. Call DR 6-1676 to give blood on Monday. Your cooperation now will provide the blood that can save a life tomorrow."

Miss Gaudineer added, "All persons who have volunteered to give blood are urged to keep their appointments and to be prompt in arriving for time assignments in order to maintain a smoothly running program of blood donations."

Persons needing transportation or who have baby sitting problems should call Red Cross Headquarters, DR 6-1676 for assistance.

## Start Fund To Help Policeman's Family

### Please Help The Joe Roessner Fund

Neighbors of Patrolman Joseph Roessner who was killed last week when his police car hit a tree while he was chasing a speeder in Meisel Avenue have started a fund for the widow and his two children. The following letter has been sent to all in Springfield:

The terrible tragedy which numbed our town last Tuesday night is one which cannot be easily forgotten.

A young man, in the prime of his life, performing the duties of a dedicated policeman, was killed instantly while pursuing a speeding motorist.

One moment he was a virile and happy husband, the proud father of two children, the next moment he was dead, leaving a widow and two fatherless children.

Nothing which can be said or written can change this awful fact. Joe Roessner is dead, and the attendant problems which remain with the living are heaped upon Jackie Roessner.

This committee, which has been formed to help ease the burden of Jackie Roessner, appeals to the people of Springfield to once again show their sympathy towards a family in distress, as they have always done in the past, and contribute in any way they can to make this drive meaningful.

Please send in your contribution. All contributions should be addressed to: SAUL FREEMAN, Chairman Joe Roessner Fund, P.O. Box 25, Springfield, New Jersey

### Rotary Club Gives \$100.

The Springfield Rotary Club, at a special meeting Tuesday announced the donation of \$100.00 to the Joe Roessner Benefit Fund.

This is the first service club in Springfield to respond to the appeal for help to the family of the killed policeman.

## Considering "High-Rise" Apartments

According to well informed sources Springfield's Planning Board will shortly recommend an exhaustive survey and study of the Township's remaining vacant land so that the "best use may be made of the property for increased rentals."

The next regular meeting of the Planning Board is Tuesday evening, April 3.

The report has it that members of the Planning Board have been considering a change in the present zoning code with the recommendation that even "high-rise" apartments may be constructed in Springfield.

At the present time, under the current zoning code, only the garden apartments are permitted in Springfield but even those can only be constructed after making application to the Planning Board and the Board of Adjustment for variances.

The report has it that a complete study may reveal several areas to be especially suitable for zoning for apartment houses, and if high-rise structures are permitted, many builders are ready to utilize the land they now own for such structures.

Since there is very little room remaining for one family residences, many close observers in Springfield believe the construction of more apartment buildings would give the Township increased rentals without increasing the school attendance load.

Apartment houses now in Springfield, they point out, have very few children of school age.

The survey will also emphasize easing of some restrictions on acceptable industries so that more of these attractive rentals can be brought to Springfield.

The many minor details in the application for necessary variances and the repeated controversy over these matters have discouraged many industries and commercial enterprises planning to locate in Springfield.

## 8,110 Voters Eligible

A total of 8,110 residents of Springfield will be eligible to vote in the primaries, according to the figures released by Township Clerk Eleonore H. Worthington following the recent registration drive.

This total is less than the 8,296 who were registered as voters for last year's primary election and less than the 8,245 who were eligible for the November balloting.

The decrease is explained by the removal of eligible voters out of town and those who have moved into Springfield have not yet registered.

Following is the registration in Springfield by districts: First 532, second 534, third 574, fourth 666, fifth 658, sixth 989, seventh 468, eighth 547, ninth 555, tenth 676, eleventh 772, twelfth 707 and thirteenth 433. Total 8,110.

## "Singing Sergeants" Feature Band Concert Here, April 1

Plans are moving in high gear for the appearance Sunday, afternoon and evening, April 1, of the United States Air Force Band at the Regional High School.

The band is sponsored by the Springfield Rotary Club. Dan Murray and Jerry Goldstein, co-chairmen, report that all of the committees on the project report success in promoting sales of tickets, patrons, for the 8-page souvenir program and sponsorship of nearby school bands to send students.

There are numerous kinds and types that are not approved in this Township. The improper use of certain types fire extinguishers may cost your life.

### Want To Be A Policeman?

If you are in first rate physical condition and between the ages of 21 and 30, there is a vacancy in the Springfield Police Department.

Applications are available at Police Headquarters and if there are any questions, the answers can be had at headquarters.

Examination will be held next month.

## Collection Of Taxes Is Ahead of '61

Springfield's receipts of taxes is higher than last year's, according to the usual monthly report submitted by Township Collector of Taxes, Erad L. Braun, both for the month of February and the first two months of the year.

The total received for the first two months is almost \$100,000, more than was paid in taxpayers during the same two months last year.

A total of \$850,518 has been taken in by Tax Collector Braun in 1962 as compared with \$755,986 for 1961.

This total includes \$368,385 in 1962 taxes for the month of February alone which brought the total of 1962 taxes for the first two months to \$813,352. The February tax collector's report in 1961 had a total of \$727,977.

Past due taxes accounted for \$34,484 in the first two months of Collector Braun's report. Of this total \$32,819 was for taxes due from 1961 and \$1471 for 1960 unpaid taxes.

## Hold First Meeting

The first organizational meeting of the Springfield Young Democratic Club was held last Wednesday evening when Donald Lewis and Robert Tutela were appointed temporary co-chairmen.

Candy Logan will serve as Secretary and Publicity Chairman; Jeffrey Katz, study group chairman; Sally Bryson and Nancy Hillard, political action chairmen; Angela Tutela and Charlotte Morgan, social chairmen; and Macia Ehlert and Judy Lewis and Marcia Lillien and Judy Lawit, fund-raising chairman.

Norma Levine is advising the group.

The next meeting will be held at Mrs. Levine's home, 5 Avon Road on Wednesday, March 28 at 7:30 P.M. Interested teenagers may contact Candy Logan, DR 6-1204, for further information.

## Play For Health

In connection with the National Mental Health campaign, the Thelma L. Sandmeier PTA will sponsor a play for parents entitled, "And You Never Know," on Monday evening, March 26, at 8:15 p.m.

This play is presented by the Union County Association for Mental Health with the Little Theatre Group of the City of East Orange being led by Mrs. Leland W. Davis. A discussion period will follow.

Proceeds of the concert are used for youth activities and scholarships.

This is the first appearance of the 1962 Spring tour for the Air Force and which will be heard in thirteen Mid-Atlantic States. It is under the direction of Col. George S. Howard, one of the country's outstanding conductors.

One of the features of the group is "The Singing Sergeants," whose 30 members sing in 15 languages. They have always been one of the concert highlights, whether their songs express wit, humor or drama. Capt. Robert L. Landers, their director, was formerly assistant conductor of the San Carlo Opera Company. He is a past master in the art of programming.

"The Singing Sergeants" have appeared with the New York Philharmonic—Philadelphia, Cleveland and National Symphony Orchestras. Most television viewers have seen and heard Ed Sullivan's "Toast of the Town," "The Paul Whiteman Show," with Ken Murray and Faye Emerson on their shows and "Armed Forces Hour."

Their rendition of "The Lord's Prayer" is used daily as station sign off for many television stations.

Through the assistance of local firms, the Regional High School Band, as well as bands from Millburn High, St. Rose of Lima Church of Short Hills, and Southside High School of Newark, will be sending their students to the matinee performance to hear this outstanding group of musicians.

## Springfield Woman Named By D.A.R.

Mrs. Herbert A. Lafler

Mrs. Herbert Alva Lafler of Troy Drive, Springfield, was elected State Recording Secretary at the DAR Annual State Conference in Trenton on March 16. She is a member and Director

of Watch Tower Chapter in Maplewood, and has been Regent and Registrar. As Genealogical Records Chairman for her Chapter, she prepared an indexed listing of "Revolutionary Ancestors of Members of Watch Tower Chapter," which was published in the January 1962 issue of the DAR Magazine.

It is bringing inquiries from many parts of the country to the chapter members for additional information on these accepted lines.

Mrs. Lafler, a graduate of Simmons College, Boston, Mass., was an English teacher before her marriage, and taught in Massachusetts, Connecticut, and New Jersey High Schools.

The Board of Managers of the New Jersey State Society, Daughters of the American Revolution, was elected on Friday, March 16, at the Annual State Conference in Trenton.

FOR MORE SCHOLARSHIPS--Week starting Monday, March 26 has been set, by proclamation of Mayor Philip Del Vecchio, to seek more financial support for scholarships to Jonathan Dayton Regional High School graduates. Picture shows R.H. Humer (left) and M. Biddleman, both co-chairman of the drive, watching Mayor Del Vecchio signing the proclamation.

## Seek More Help For Scholarships

To add impetus to the Jonathan Dayton Regional High School PTA Scholarship Fund Drive, Mayor Del Vecchio has proclaimed the week starting March 26, as "Scholarship Fund Drive Week."

"This is one of the finest things a town can do for its youth," said Mayor Del Vecchio, "and I hope that all the industries, businesses and organizations in Springfield will get behind it and make it the success that it deserves to be."

According to reports from Co-chairmen M. Biddleman and R.H. Humer the fund is approaching a critical period because the students have to set up firm college plans now for entering school next year.

"As most parents know, it costs at least \$2,000 per year, plus what a student can earn to attend an away from home college," he said.

"Too many of our deserving students have been unable to attend college in the past because of a shortage of funds. It is planned to award the scholarships on the basis of school citizenship, scholarship and need. The awards will be direct grants, not loans, and will be administered by a committee consisting of Doctor R. Jacobsen (Regional Assistant Superintendent), the Guidance Director Miss C. Singer, the Senior Class Guidance Director, the Senior Class Advisor, and various Department Heads."

Pledges are requested to be submitted now for payment by May 1, 1962 and should be sent to Regional High School PTA Scholarship Fund Drive Committee. Checks should be made payable to Dayton Regional PTA Scholarship Fund.

The Fund got off to a good start last year when the Kenilworth Veterans of Foreign Wars donated two \$1,000 scholarships. Since then things have been rather slow with the largest donation being \$250.

The Fund drive has been separated into two sub-committees; one under R.H. Humer for Springfield and the other under Mr. M. Biddleman for Kenilworth.

There are about 700 concerns within the boundary limits of these two towns and if all take a responsible interest our goal of \$50,000 could be met. The Mayor of Kenilworth also is designating the week starting March 26 as Scholarship Fund Week.

It is planned to make regular reports through the cooperation of the Springfield Sun between now and May 1, 1962 listing the donations and all committee members.

### Heads B'nai B'rith

Mrs. Arthur Kesselhaut of 6 Mohawk Drive, Springfield, is the new president of Amity Chapter of the B'nai B'rith Women and will be installed at a program to be held at the Chanticleer in Millburn on March 29.

The feature of the installation program will be the appearance of Lynn and Conway, professional ballroom dancers who will perform "Dancing Through The Ages" during the evening.

## Crestmont Sponsors TV Program

History students young and old will join millions from coast to coast on Thursday, March 29 when at 7:30 P.M. Channel 4 and the NBC Television network present "U.S. #1 - American Profile."

This hour-long presentation, sponsored nationally by the Savings and Loan Foundation and locally by member associations, features Van Heflin as host and narrator for a script written and produced by Lou Hazam.

The only member in Springfield is Crestmont Savings, Loren F. Gardiner, President of Crestmont, is a Trustee of the Foundation, for New York, New Jersey and Puerto Rico.

Hazam's most recent TV triumphs include the highly-praised "Vincent Van Gogh: A Self-Portrait" and the "Way of the Cross" religious documentary. Screen star Van Heflin, in a rare television appearance, investigates on the program the cultural, historical and scenic significance of the first major thoroughfare in the United States.

The TV script travels the thoroughfare from its beginnings at Fort Kent, Maine to Key West, Florida. En route some 40 communities of prominence are visited, including Boston, New York, Philadelphia, Baltimore, Washington, Richmond, Raleigh and Columbia to name only a few.

**Picasso Featured  
At Annual Show**

A new group of modern ceramics, featuring several by Picasso, plus an auction of oils and watercolors, this year will augment an outstanding collection of important paintings at Far Brook School's fifth annual Exhibition and Sale of Contemporary Art. Mrs. William Rempfer of 75 Colfax Road, Springfield, art committee member, announced that the show will take place at the school, 52 Great Hills Road, Short Hills, April 6 through April 10.

Not only will Springfield residents have an opportunity to select from the works of Miró, Chagall, Soyer, Prestopino and other world famous artists, but they will also be able to bid for paintings by leading Garden State artists. The auction, an innovation on the local art scene, will be held during the reception for patrons, sponsors and artists Friday evening, April 6. The auctioneer will be Reginald T. Blauvelt Jr., president of Lincoln Storage Warehouse, East Orange.

The Picasso ceramics, which have become the master's latest contribution to the art world, will highlight the new section of contemporary pieces by many noted artists who work in this medium.

New Jersey's own prominent painters will again add their varied canvasses to the comprehensive display. Among them will be Tom Vincent, Joseph Domarecki, Joe Jones, Jean Behonwalter, Louis Lozowick and Henry Gasser. Visitors can also browse through a large collection of lithographs and drawings, as well as a selection of sculpture.

Other highlights of the five day event include an open house on April 6 for students from nearby schools. The next evening Mrs. John E. Karlin of Madison, Far Brook parent and member of the Drew University faculty, will present a personal commentary on many of the paintings in the exhibit. Mrs. Karlin teaches the history of art and modern art at Drew.

The exhibit and sale is open to the public April 7 and 8 from 1 to 5 p.m. and 8 to 11 p.m., April 9 from 9 a.m. to 4 p.m. and 7 to 10 p.m. and April 10 from 9 a.m. to 4 p.m. There is an admission charge and all proceeds benefit the Far Brook scholarship and building fund. Graphics, within a popular price range, will start at \$10 and oils will begin at \$75.

**CIBA 25th  
Anniversary**

Ciba Pharmaceutical Company will celebrate its twenty-fifth anniversary in Summit, N.J., this year with a three-day commemoration on May 24, 25, and 26, it was announced today by T.F. Davies Haines, president.

"Twenty-five years ago, on May 21, 1937, we opened our plant in Summit, with five buildings and 98 employees," said Mr. Haines, "since that time we have become a major prescription pharmaceutical company located on an 80-acre site, with 31 buildings and more than 1,700 employees.

"We have dedicated ourselves to the discovery and production of useful drugs and tried to carry out our responsibility as a corporate citizen to make Summit and the surrounding area a better place in which to live and work.

"Our continued attention to these matters in the years to come will, I believe, maintain for the company the respect and good will we have earned in the medical field and in the local community since we moved to Summit," said Mr. Haines.

To commemorate the anniversary, CIBA has planned a series of events for employees, retired employees, and others who have been interested in the company.

On Thursday, May 24, at 8:30 p.m., CIBA will bring an important cultural event to Summit when it presents a concert by the Masterwork Chorus and Orchestra of Morristown, N.J.

On Friday, May 25, CIBA will dedicate its \$2.7 million developmental research facilities. Dedication ceremonies will be held for invited representatives from government, industry, academic fields, and the press.

Saturday, May 26, a picnic for employees and retired employees and their families will be held at Forest Lodge, Mt. Bethel.

**Hadassah Blue Box Party Tonight**

Tonight, March 22, Springfield Hadassah will hold its annual "Blue Box" party which is a method of collecting funds for the Jewish National Fund. These monies are used for the redemption and reclamation of land in Israel. Simultaneously, Springfield Hadassah will also celebrate the Festival of Purim, and Mrs. Emanuel Magid will present a suitable program. During Purim the biblical portion of the Book of Esther is read, it retells the story of how Esther engineered the rescue of Persian Jewry from annihilation by the tyrant Haman, centuries ago.

Mrs. Sidney Feldman, Chairman of the nominating committee, will present the slate of officers for the coming year.

Mrs. Murray Greenberg, Donor Luncheon Chairman and Co-chairman Mrs. Fred Braun will give further details on the Donor Luncheon which takes place April 3, at 12 noon at Goldman's, West Orange.

Emil Cohn will be the featured entertainer. Millburn Chapter of Hadassah is joining Springfield this year. The theme for Donor will be, "5 Golden Decades."

Mrs. David Sugarman, Journal Chairman, has extended the deadline for ads until the meeting night March 22.

Mrs. Otto Granick has arranged for Springfield Hadassah to sponsor the Oneg Shabbat this year at Temple Shalom, Friday March 30, 8:30 p.m. Services are held at the Presbyterian Parish House on Main Street, Springfield. Mrs. Emanuel Magid will be guest speaker for Hadassah.

**Tentative Tax Rate**

Councilman Henry Wester, finance chairman, announced at the Tuesday night meeting of Mountainside Borough Council that the tentative tax rate just established by the auditors since the local school budget cut is now \$7.29. Before the reduction it was announced as 7.35. The tax rate for 1961 was \$7.16.

The breakdown for 1962 is as follows: local schools, \$3.31; regional schools, \$2.02; county, \$1.10; and municipal, \$86. Originally the local school had been announced as \$3.37.

**Painter Opens Show**

Liba Bayrak, Painter, will open in a one-man-show at the Argus Gallery, 2 Green Village Road, Madison, on March 20. Born in Czechoslovakia and currently a resident of Mountain Lakes, Liba is a cosmopolitan who has studied and lived in many countries. She combines in herself and in her art the peasant influences of oriental Turkey and the clear light and color of Arabic Morocco. Her art education started at the School of Allied Art in Prague and continued in Paris at the School of Applied Art and La Grande Chaumiere. While in Casablanca where her husband served as Turkish consul for several years, she studied painting at Ecole des Beaux-Arts and exhibited her work in group shows at the Salon d'Automne and the Salon des Independants for each of those years. In 1958 she won the Prix de la Vigie Marocaine and in 1959 the Prix du Maroc Demail.

Since she came with her family to the United States, Liba has shown at Fairleigh Dickinson University, the Highgate Gallery, Sunken Meadow Art Center, the European Gallery, and with the Audubon Artists and d'Aennele Gallery. She has also worked as a member of the International Arts Seminar at Fairleigh Dickinson University in Madison during the summer of 1961.

The one-man show will run until April 13. There will be at the same time in the upper gallery a group show from the Gallery's collection of painting and sculpture. The hours are Tuesday through Friday from one to five, Thursday evening from seven to nine, and Saturday from ten to five.

**Places Second**

Patricia Kaufhold, 13, of 66 Kew Drive, Springfield, has placed second in the Mount St. Mary's Academy Scholarship Examination which was held on Feb. 17th, at the academy in No. Plainfield. She has been awarded the Mother Mary Catherine Carlton Scholarship for four years.

**READY FOR OPENING: Spring Garden Country Club, Florham Park, is preparing for another fun-filled season, and even though some frost is still on the ground, members of the staff are busy preparing the premises. Pictures catch Leo Pearl, General Manager surveying the new fleet of aluminum boats to be introduced this summer.**

Millon introduced Pool supervisor, putting the finishing touches on the frame of a new playhouse for the kiddies, and Randy Meyerson, Rickie Rubinfield, and Scotty Meyerson of Springfield anxious to go boating whether on land or water. Showing the finer points of navigation over the "concrete sea" is Charles Buehler, a member of the staff.

**Six From Area Attending UJC**

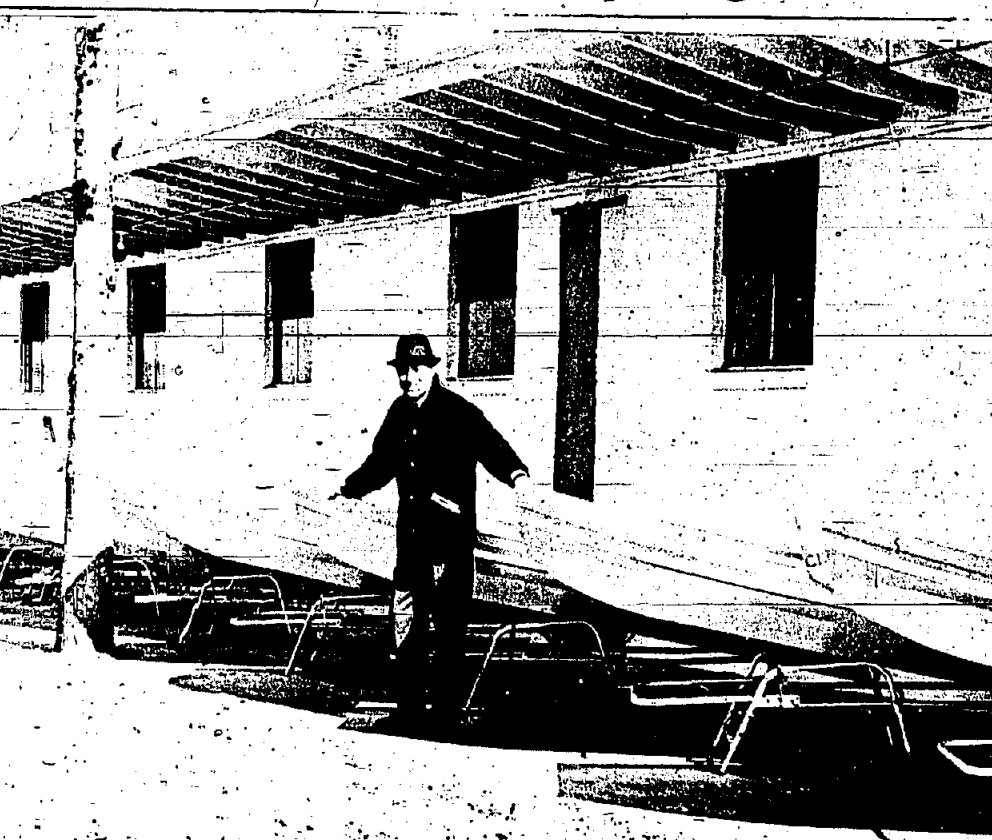

Six local residents were among the 101 students who launched their college careers during the Spring semester at Union Junior College, Cranford.

Springfield claims two attendees, Mrs. Margaret Eldridge of 88 Wabeno Avenue, who is a Science Major in the Day Session and Mr. Howard F. Stein of 96 Briar Hills Circle, a liberal Arts-Major in the evening session.

Mountainsiders, Miss Beverly R. Rottstock, of 1354 Birch Hill Road, and William C. Schuster of 336 Darby Lane, are also enrolled. Miss Rottstock is a liberal arts major in the day session.

Mr. Adrienne L. Stearns of 223 Victor Street, Scotch Plains, and Miss Judith Graham of 266 North Avenue, Fanwood, are two students enrolled from that area. Both are in the evening session. A "two-year community college of the academic disciplines," Union Junior College offers majors in liberal arts, engineering, science, and business administration. There are about 1,000 students enrolled in UJC's Day Session.

**The 4 that goes around acting like a V-8... Tempest!**

Used to be that people swore by V-8's and V-9's alone. And then along came Tempest's spunky 4 to steal their thunder. The hottest version of this 4 (186 hp) puts out more horsepower than any other production 4 in the world. More torque, too. And every version, standard 110 hp on up, is smooth and silent and effortless. About the only thing Tempest doesn't share with the big boys is its appetite for gasoline and spare parts. Try a drive in a Tempest 4- soon, hear? You might as well save while you're swinging! **Pontiac Tempest**

IRWIN 'WHITEY' WEISSMAN

Office Supply Co. Opening In Summit

Commercial Office Supply Company at 75 Union Place, Summit will open its doors to the public on Saturday, March 31, at 1 p.m. At this time refreshments will be served.

The new company is the undertaking of Irwin 'Whitey' Weissman, whose offices were formerly at 249 Emerson Lane, Berkeley Heights.

Commercial Office Supply will deal in new and used office machines and repairs on same. Weissman entered the office machine business in 1931. He belongs to the Quarter Century Club, a trade group made up of people with 25 years or more experience in the office equipment field.

Weissman currently services such accounts as the Summit Board of Education, the Union Board of Education, New Providence Board of Education, Berkeley Heights Board of Education, Allen Industries, Charles Beseler Co., and many others.

Weissman has served as a member of the School Construction Committee, Heart Association, Post Office Committee and the Township Seal Contest, all in Berkeley Heights.

Champagne Party Begins Art Show

The Fourth Annual Art Show and Exhibit of the Westfield Chapter of Hadassah will be officially launched this Saturday evening (March 24) from 5 to 11 p.m., with a Pre-Vue Champagne Party for Patrons and Sponsors and exhibiting artists, in the Waterk Room of the Westfield Memorial Library. The public showings will be on Sunday, March 25, 1 to 10 p.m., and Monday, March 26, 1 to

4 p.m. and 7:30 to 10 p.m. The Pre-Vue Gala Saturday night will also serve as the official Westfield Chapter launching of Golden Jubilee Year for Hadassah - the first of a series of precedent-breaking events that will take place throughout 1962 in honor of Hadassah's 50th anniversary.

meeting of the Art Show Committee on the truly "golden" quality of this year's exhibit, reported on some of the last-minute acquisitions of works by contemporary artists with top reputations: Charles Reinnike, Robert Vickrey, Isabel Bishop, Waldo Pierce, Ernest Fiene, Doris Rosenthal, Julian Binford, Zoltan Sepecky, Carlyle Brown, and Emden Eitings. "And," said Mrs. Kahn, "at the risk of being repetitious I must again use that word and say that this is a 'golden' opportunity to acquire the more modest-priced paintings of these fine artists."

"If I may call attention to one particular work," went on Mrs. Kahn, with justifiable pride, "there is an especially appealing painting by King Rich, a fishing scene painted on the shores of the Dead Sea."

Mr. Seth Ben Ari, whose expert craftsmanship has been responsible for the distinctive appearance of past shows is again in charge of the hanging of the exhibition.

Smith-Brana Will Wed

Penne Smith

Mr. Howard S. Smith, President of the Springfield Board of Education, has announced the engagement of his daughter Penne Ann to Mr. August Brana, Jr., son of Mr. and Mrs. August Brana of Linden, N. J.

Miss Smith, a graduate of Jonathan Dayton Regional High, is employed by Martindale-Hubbell, Inc. of Summit. Mr. Brana is a graduate of Linden High School and attended Newark College of Engineering. He is an agent with the Prudential Life Insurance Company in Linden.

A September wedding is planned.

Antique Show Tuesday

This is the year when the annual Springfield Antiques Show and Sale will celebrate its 20th anniversary and will commence on March 27 at 11 a.m. and continue through March 29.

The first two days it will be open from 11 a.m. to 10 p.m. and from 11 a.m. to 6 p.m. on the final day, March 29.

Thirty well known dealers from the east will fill the two floors of the Parish House of the Historic Presbyterian Church, 37 Main Street, Springfield, with their wares.

A unique feature, this year, will be the showing of antiques toys. This will be an additional attraction since it will be the first time antique lovers will have the opportunity to see these rare pieces.

There will, of course, be the regular showing of outstanding old glass, silver, china, and rare old furniture along with antique knickknacks of every description. This show has become through two decades of success a regular event that must be visited by every "Antique Buff."

For periods of relaxation there will be the usual Colonial Tea Room with service by costumed hostess and will feature a wide variety of home made delicacies to suit every taste.

Visitors to the show will also be glad to know that there will be regular sale of Home Made baked good and hand made aprons.

HELEN SABO

Congratulations on their eighteenth wedding anniversary go to Mr. and Mrs. Harold Adickman of 37 Hemlock Terrace, Springfield. Bert and Harold spent the week-end in New York where they stayed at the new Summit Hotel, and spent their time sampling the restaurants and theatres that the big city has to offer.

Mr. and Mrs. Carl Gargano, of 37 Caldwell Place, Springfield, announce the birth of a daughter, Laurie Jane, on March 7 at Muhlenberg Hospital in Plainfield. Big brother is sixteen months old Craig. Grandparents are Mr. Ernest Johnson of Mountside, and Mr. and Mrs. Arnetto Gargano of Plainfield.

Those of you getting ready to shop for an "Easter Bonnet" will be glad to know that there's going to be a Spring Hat Sale held on Friday evening, April 6, at the First Methodist Church of Scotch Plains, which is at Mountain Avenue and Forest Road. The sale runs from 7:30 to 9:30 p.m.; all hats are priced at \$3.98; every hat is different; and we're all invited to come and try them on.

Mr. and Mrs. Francis J. Keane of 33 Henshaw Avenue, Springfield, welcomed their seventh grandchild on March 13, when their daughter Gail Lasky presented husband Donald with a nine pound, two ounce baby boy. The new arrival, who has been named Craig David, was born at Somerset Hospital, and was welcomed home by brothers Christopher, David, Stephen and James. The Laskys are residents of South Bound Brook.

Miss Paula Rita Frankel, daughter of Mr. and Mrs. Norman Shapiro of Cottage Lane, Springfield was one of 67 Freshman students at Philadelphia's Albert Einstein Medical Center School of Nursing who received caps in ceremonies held at the school on Thursday evening, March 15. We wish Paula success in a very fine career.

Mr. and Mrs. John J. Underwood, of 12 Edgewood Avenue, Springfield, were hosts at a gala party on Tuesday evening, March 20 in honor of the golden wedding anniversary of Helen's parents Mr. and Mrs. F. Szibdat of West Orange. Eighteenth of their family and friends gathered at Mayfair Farms to help

the Szibdats celebrate fifty years of married life.

Miss Judith Hofreiter, daughter of Mr. and Mrs. Charles Hofreiter, of 351 Cherry Hill Road, Mountside, has been elected treasurer of Phi Mu sorority at Gettysburg in Gettysburg, Pa. Judith, who is in her junior year, is majoring in mathematics.

A girl, Sally Emma, was born to Mr. and Mrs. Michael Romano of 1496 U.S. Highway #22, Mountside, on March 6 at the Presbyterian Unit of United Hospitals in Newark. The new addition joins sisters Caryl, Janice and Ellen, who are twelve, ten and four years old respectively.

Theodore S. Shelton, son of Dr. and Mrs. Raphael Shelton of 399 Meisel Avenue, Springfield, has been promoted to the rank of Cadet Corporal in the Army R.O.T.C. at Bucknell University in Lewisburg, Pa. Teddy, who is a freshman at Bucknell, is studying for a Bachelor of Science degree in Biology.

Congratulations go to Mr. and Mrs. Gordon Wood, of 1215 Maple Hill Road, Scotch Plains, on the birth of daughter Laura Ann, who arrived on March 17 at Muhlenberg Hospital in Plainfield. The Woods also have a son, David Brian, age two. Visiting with the Woods are the two proud grandmothers, Mrs. Charlotte Kalous of Pohocantons, Illinois; and Mrs. Edward Wood of St. Louis, Missouri.

Doyle Completes Aviation Course

Pvt. Thomas A. Doyle, son of Mr. and Mrs. Thomas F. Doyle, 2212 Rhoda pl., Scotch Plains, completed the five-week aircraft maintenance course at The Aviation School, Fort Rucker, Ala., March 9.

Doyle was trained in the servicing and maintenance of rotary and fixed wing aircraft and the operation of Army airfields.

He entered the Army last November and completed basic training at Fort Jackson, S.C. The 19-year-old soldier is a 1960 graduate of Scotch Plains Fenwood High School. Before entering the Army, he was employed by the Grand Union Co. in Watchung.

Teenage PARTY LINE by Myra Elliott

More of our Regionals have been accepted at colleges. Edie Montanari at Mt. ### Bids Asked Again For Irwin Street Shelter

New plans and specifications for a shelter house at the Irwin Street Playground will be received March 27 at 8:15 p.m. in the Municipal Building, Springfield.

Recreation Director Edward J. Ruby explained that the original plans of the shelter house, for which bids were received and rejected numerous times because they were too high, have been changed.

The project now calls for an area 55 feet by 24 feet covered by a roof which will consist of a building 25 feet by 24 feet and a patio 30 feet by 24 feet. The building will be divided for boy and girl toilets and storage space. Specifications also call for a Dutch door and fold-away counters.

The previous plans required an area of 55 feet by 30 feet. It was felt the six foot reduction on the width of the project and a change to back-to-back plumbing work would reduce the cost of the proposal.

New specifications and plans were determined after conferences with Plumbing Inspector Ben Davis, Architect Azeglio Pancauti, Building Inspector Otto Fessler, Dean Widmer of the Board of Adjustment, Albert

Evans of the Planning Board, Recreation Commission members, Recreation Commission members, Recreation Director Ruby, and Township Committeeman Arthur M. Fakin.

Municipal officials have been desirous of finding a way to construct the shelter house without it amounting to too great an expense to the township. Lowest bids to date have been in the area of \$18,000 and it has been considered that this figure is much too high.

Recreation Director Ruby reported that all other major plans at the Irwin Street playground are underway and the jobs have been awarded. Half of the work has been completed on two tennis courts and a basketball court to be used for all purposes.

The work is being done by Domalick Lamorgese of 531 Mountain Avenue and is expected to be completed by June. Drains will be needed and this will be necessary on the baseball field there for the Youth League program, he said. Final landscaping also is to be done. Off-curb parking is completed and work is underway on the old pumping station which is being repaired and converted for storage space. At the Woodside play area,

work for the installation of one tennis court is more than half finished. The fence is about completed and the rough work has been done.

The entire job is also expected to be done by June, John D'Andrea, of Milltown Road is doing this project. A shelter house for this area, smaller than the one planned for the Irwin Street playground, is also desired but plans have not yet been initiated for it.

### Flo Okin Cancer Starts Tag Drive

The Flo Okin Cancer Relief for the care of individual cancer cases will conduct its annual Tag Drive in Springfield from April 2 through April 7. Mrs. Sydney Weiss is overall chairman for the drive will direct the activities of 1,000 members and volunteer workers who will solicit for funds.

The organization was founded in 1932 by Mrs. Michael Keonigsberg to perpetuate the name of her sister who died of cancer.

Approximately \$25,000.00 is expended annually to bring aid to needy cancer patients by providing them with medication, x-ray treatment, cobalt therapy, sickroom equipment, nursing care in nursing homes. Once a case is accepted by the group they follow it through to its conclusion.

### Township To Share Grant

Springfield will share in a \$52,130 urban planning grant which has been awarded to the N.J. Department of Conservation and Economic Development by the Urban Renewal Administration, it was announced by Rep. Florence P. Dwyer (R-6th Dist).

The purpose of the grant, which will be supplemented by State and local funds, is the development of a comprehensive plan to guide the growth and development of the communities.

The work, which is scheduled to be completed within two years, will include: base mapping, studies of economic base, population, physical characteristics of the land, existing land uses, transportation facilities, utilities housing and community facilities; preparation of plans for recommended land uses, transportation routes and community facilities; and preparation of zoning and land subdivision regulations.

Results of the planning project will be presented in the form of reports, maps, charts, plans and other graphic material.

The grant was approved under the urban planning assistance program of the Housing Act, Congresswoman Dwyer explained.

### Swim Pool Committee Gives Some Answers

A general feeling of wide acceptance is reported by the Springfield Swim Pool Committee after the announcement regarding the questionnaire to be distributed in the coming few weeks.

Members of the committee report that many phone calls have been received from residents requesting further information and clarification of some of the questions.

For that reason, the committee has set forth 10 questions and answers below which should clear up any unknown areas.

The committee also points out that if any residents are interested in furthering the cause of the pool and will volunteer to help in the circulation of the questionnaire, they may do so by calling either Edward Schwartz (DR 6-2650) or Howard Kiesel (MU 2-9440).

The questions and answers are as follows:

**Q. WHY does Springfield need a swimming pool?**

**A. 1.** In view of the fact that the pool will offer an expanded year-round recreation program, the pool facility will be a valuable asset to the town.

**2.** The town summer program, started 15 years ago, can no longer be a fact because the Railway Pool, where the program

has been conducted, can no longer accommodate the entire program. With a town pool, this program can be continued.

**Q. Where is the pool going to be?**

**A.** Because land negotiations by the township attorney are presently underway, the committee cannot as yet disclose the location. The site proposed was chosen with safety and accessibility in mind. As soon as negotiations are completed, the actual location will be made known immediately.

**Q. What size and type pool is proposed?**

**A.** A 9,000 to 10,000 sq. ft. concrete pool including a separate wading pool is the plan.

**Q. What other facilities will be available?**

**A.** Locker rooms, shower rooms, rest-rooms, refreshment stand and parking.

**Q. Under the proposed financing arrangements we expect that the pool construction and site acquisition costs will be amortized out of membership fees so as not to affect township taxes.**

It is a known fact that in surrounding communities that have had pool programs of this type, there has always been an ample surplus, after operating expenses, so that there was never

a financial burden on the township involved.

**Q. When will the pool be finished?**

**A.** If residents give us the "green light" immediately and we can acquire the site in the very near future, we are hopeful that the pool will be in operation by this summer.

**Q. How much will be pool and site cost?**

**A.** We estimate the total cost will be approximately \$275,000.

**Q. How will you raise the money?**

**A.** By either getting pledges of credit from residents for no more than \$300, or selling interest-bearing bonds for a similar amount.

**Q. What is meant by "pledging my credit"?**

**A.** One method of financing is to borrow money from a bank. Before a bank will lend this money, they must know that responsible people are in back of the project, and that these pledges are an indication to the bank that you, as a responsible person, are willing to co-endorse your share. It will only be necessary for these pledges to be "called in" if, for some reason, the pool is not successful. However, precedence shows, IN EVERY CASE, THAT IS IS AN EXTREMELY REMOTE POSSIBILITY.

**Anticipate No Rise In Mortgage Rates**

The Board of Realtors of the Oranges and Maplewood indicates its belief that current ample supplies of money for conventional home mortgage loans will continue, and interest rates on such loans, now stabilized at levels well below a year ago, are not expected to rise before summer, if at all. With mortgage yields much higher today than the yields of most types of long-term debt and with personal savings expected to break a record in 1962, mortgage money has remained amply available, and mortgage rates, after falling steadily throughout most of last year, have been stabilized at levels well below a year ago.

Competition among lenders is becoming keener, while 80-percent-of-appraised-value loans with maturities of 30 years on new homes have become more common. The availability of funds has kept mortgage rates down, and a 5-3/4 per cent rate has been common in most big metropolitan areas with some 5-1/2 per cent rate on low ratio loans. Conventional mortgage interest rates with respect to existing homes in good neighborhoods is most commonly 5-3/4 per cent, with one-third of the nation reporting this 5-3/4 per cent interest rate.

**PTA Conference To Deal With Dope, Smut, Alcohol**

The annual spring conference of the New Jersey Congress of Parent and Teacher Associations, Region 111, will be held on March 27th, at the Twin City Restaurant, Elizabeth, from 9:30 a.m. until 2:30 p.m.

Representatives from P.T.A.s in Union, Mercer, Middlesex, and Somerset counties will be welcomed by Mrs. Kenneth Lathrop, state president; Dr. William West, Union County Superintendent of Schools; Mrs. Carl Hoff, president of the Union County Council.

The keynote address will be given by Dr. George Boone, Director of Handicapped, Office of Special Education of the State Dept. of Education. A symposium will follow with Dr. Alice Kehler, Professor of Education at Jersey City State College; Dr. Robert Scott, pastor of Westminster Presbyterian Church, Elizabeth; Dr. John Bateman, head coach of football at Rutgers University; Senator Wayne B. Dumont, Warren County; Dr. Guy V. Ferrrell, Director of community colleges.

The afternoon session will be introduced by Mrs. John A. Haggerty, Director of Region 111. The speakers will be Mrs. Thomas F. Delaney, Executive Director of Chronically III Service, Inc., and Mr. F. Thomas Mueller, Detective with the Essex County Sheriff's Office. Their topic will be the addiction to narcotics and alcohol of teen-aged and younger children, as well as the increasing fight against obscene literature now being waged in the state of New Jersey.

In issuing an invitation to P.T.A. members to attend this conference, Mrs. Hoff, of the host county, noted that "This is a meeting stressing the 'quality' of P.T.A. rather than the 'quantity'. The theme 'In the palm of our hand' with its call for action on the fronts of creative living, inner strength, physical well-being, civic responsibility and educational opportunity as well as the demand for action against alcohol, narcotics, and obscene literature, is designed to attract the truly alert parent and teacher. Registration is limited to 300."

**Crowd Hears Jehovah Minister**

Joseph Saia, district minister of Jehovah's Witnesses, told a Plainfield audience of 2173 last Sunday that the issue of world rulership now raging between East and West is linked to a much greater issue of universal rulership between Jehovah God and Satan.

Saia's public address "Who Will Rule the World?" was delivered at the Plainfield High School as the climax of a three-day Bible convention of Jehovah's Witnesses from central New Jersey.

"This struggle for rulership of the world is an issue that is far-reaching and much deeper than one might suspect," the speaker declared. "It has to do with the invisible rulership that influences the conditions men are experiencing. On earth there is a criminal government, as it were, visible and invisible and millions have yielded to the pressures of one whom 2 Corinthians 4:4 calls 'the god of this world', Satan."

"Today, nations are pre-occupied with government of men by men," Saia continued. "Little thought is given to the government of God. Politically minded people ignore the greatest fact in connection with world rulership; that Jehovah God, Creator of the earth and men upon it, has a government which will rule the world. For that," the speaker pointed out, "Christians have prayed: 'Let your kingdom come.'"

"Not a power-hungry, atheistic dictator from the East, nor a democratically elected ruler from the West, but the one who has received authority and been empowered by God to rule in his own Son, Jesus Christ," the conventioners were told. "To him God has already given rulership that will not pass away," as the prophet Daniel foretold. This," said Saia, "will allow for God's will to be done on earth as it is in heaven."

Marshall DeCristofaro, presiding minister of the Springfield congregation, said, "We are looking forward to sharing this good news with others in our own community."

**Film On Canada**

"Quetico - International Wildlife Refuge" a color, sound film depicting the wildlife of Canada, will be shown at The Union County Park Commission's Trailside Nature and Science Center, in The Watchung Reservation, on Sunday, March 25, at 3:00 p.m.

The film relates the story of a man in a canoe moving about the lakes and streams of Canada's Quetico - Superior International Park. The viewer will see the wildlife of Canada in the four-seasons of the year.

On Monday, March 26; Wednesday, March 28 and Thursday, March 29; at 4:00 p.m. each day, Dr. Harold N. Moldenke, director of Trailside, will conduct one-half hour nature talks for children. The topic for the three days is "Desert Life."

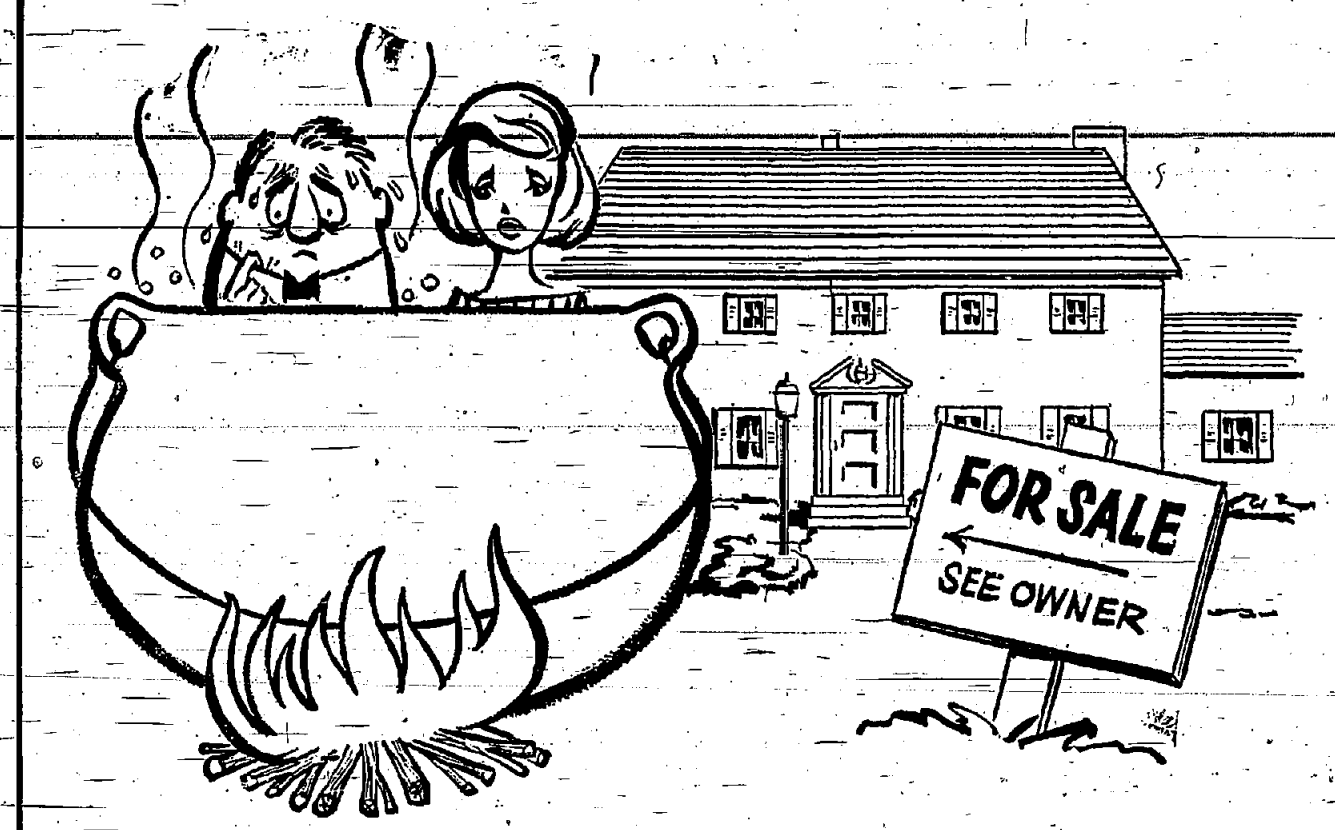

The Trailside Nature and Science Center is open to the public each weekday from 3:00 to 5:00 p.m. and on Saturdays, Sundays and holidays from 1:00 to 5:00 p.m.

**Will Move Office**

After 23 years at the Jonathan Dayton Regional High School building in Springfield, The Superintendent's office and the office of the Secretary and the Board of the Union County Regional High School District will be required to occupy a new location in September. The press of enrollment at Jonathan Dayton and the completion of rooms at the Governor Livingston Regional building in Berkeley Heights will cause a move to that building.

The move will not be permanent, however, in that at the end of three years the Governor Livingston building also will be completely occupied by students and within that time the Board must plan for new quarters.

In addition to the Superintendent's office and the Business and Purchasing office, the Superintendent of Buildings and Grounds and the Assistant Superintendent of Schools will move to the Governor Livingston building.

**DON'T PUT YOURSELF IN A STEW**

**Selling a home is a professional job**

*Leave it to the professional*

Leave to the expert those matters in which the expert excels... and that applies to plumbers or printers, bakers or bankers, locksmiths or lawyers.

Selling real estate implies an abundance of knowledge in a highly specialized field. It requires facts on comparative values, financing, mode of presentation, and many other technicalities involved in the sale of a home.

Too late, many folks learn that signs reading "FOR SALE - See Owner" merely attract curiosity seekers or those seeking to impose distress prices on properties. The net result is lost time, lost money.

Place your confidence in a Realtor. He will represent your best interests. He knows how to show your home in proper perspective. He knows how to make prospects feel at home. He glamorizes what is good. He is familiar with the means by which you can secure your top dollar... and what more can anyone ask?

Don't put yourself in a stew! Leave this to the informed, the knowing public has learned to trust his or her Realtor.

Comparing electric bills with the family next door can be misleading. Your bill may be larger because you made a greater use of our service for all kinds of modern conveniences, many of which your neighbors do not enjoy. We wish everyone made a full use of electricity, but as a matter of fact, our average, monthly residential bill is only about \$8.45. Many of our customers have smaller bills and many have larger ones, depending upon their own decision as to what electricity can do for them.

So if your bill is larger than your neighbor's, don't worry — take satisfaction in knowing that you are putting this modern service to greater use for better living... electrically.

### Art Lecture In Summit

A.L. Chanin, staff lecturer of the Museum of Modern Art in New York City, will present an illustrated lecture: "An Introduction to the Art of Painting" at the Summit Art Center, Mr. Chanin's talk will be Tuesday, March 27th, at 8:30 p.m. in the Summit Art Center Studio, 17 Cedar Street, Summit.

Through appearances on radio and television, and as a lecturer to many organizations, Mr. Chanin has developed an approach that is non-technical in terminology. The layman sees and feels just what happens in each work and the relationship between the artist's expression and daily experience. Old Masters and Modern are contrasted and compared in a number of famous paintings spanning five centuries. Mr. Chanin's talk shows what

makes a painting art and what one should look for in a painting. Mr. Chanin instructs at the People's Art Center of the Museum of Modern Art and at the Y.M. & Y.W.H.A. in New York City. He has written articles for Art News, Arts Digest, Charm and the New York Times Magazine. He is author of the Metropolitan Museum of Art publication: CUBISM, ABSTRACTION and REALISM: a book on THE IMPORTANT PAINTINGS IN PARIS MUSEUMS; and a GUIDE TO THE IMPORTANT PAINTINGS OF NEW YORK MUSEUMS, M.C. Chanin has been a member of the staff of the Museum of Modern Art since 1946.

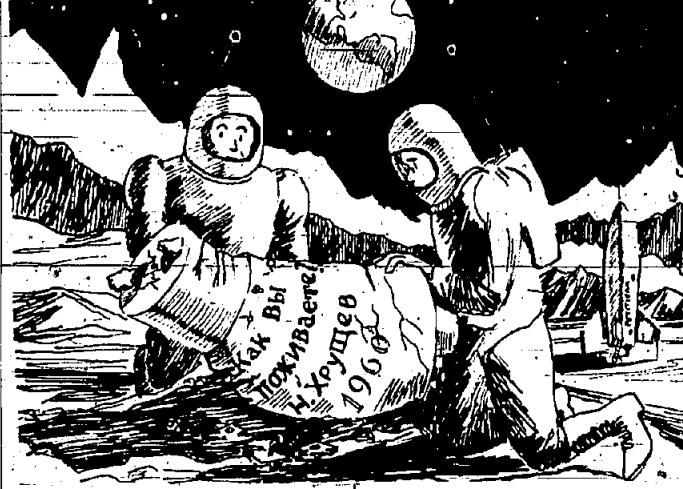

### SCIENCE NOTEBOOK

BY HANS KLEIN UNION COUNTY REGIONAL HIGH SCHOOLS

With the U.S.A. and the U.S.S.R., both having put men in space, what now are the prospects of interplanetary travel in our lifetime? If by interplanetary travel we mean going to and from planets within our solar system — the prospects are slim indeed, unless you are a newborn babe. Modern technology will be challenged by great problems before pay-loads sufficient for carrying human crews can be launched safely into outer space. However, who, at the time of the Civil War, could have foreseen that man would be able to fly to the ends of the earth in hours or bounce signals off the moon? So if our technology develops at an ever-accelerating rate, as it now is, who can predict what could develop within the next 100 years? More probable in our lifetime will be successful probes to the moon. The Soviets are reputed to have landed a rocket on the

moon, and though this can be considered a first step, it has hardly told us much about conditions there. Real progress will be made when we send a rocket to the moon capable of testing matter on the moon's surface and sending back an analysis by radio. Such a rocket will require greater technological skill than we now possess, but it is well within the framework of our present know-how. The next step, that of getting a rocket to the moon and back, will require expert planning and will be fraught with technological complications. A manned space ship would first circle the moon and then return. Before men can be put on the moon, a great deal more needs to be known about conditions in space as well as about conditions on the moon.

TOWNSHIP OF SCOTCH PLAINS

Notice is hereby given that all persons who own or possess property in the Township of Scotch Plains, New Jersey, are hereby notified that the Board of Assessors has determined the relative values of certain lots situated in the Township of Scotch Plains, New Jersey, and that the same have been assessed for the year 1962.

OFFICE OF THE TOWNSHIP CLERK

TAKE NOTICE that at a meeting of the Township Committee held on March 13, 1962, approval was given to the application for a Special Excavation License as submitted by The Mastere Corporation, re property known as Block 111, Lot 7, Sierra Avenue and U.S. Highway #22, Springfield, N.J.

TERMITES

are flying again. Watch for "Swarms" of "Flying Ants" which come with Spring, shed their wings, then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later.

We specialize exclusively in protection of property against TERMITES and other Wood Destroying Insects, using dependable engineering methods. We are not simply exterminators. Every job is supervised by an experienced, technically trained, licensed engineer.

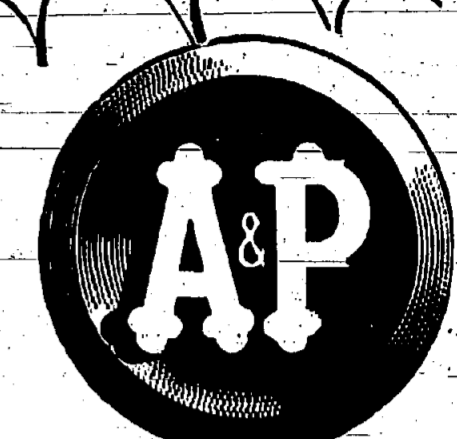

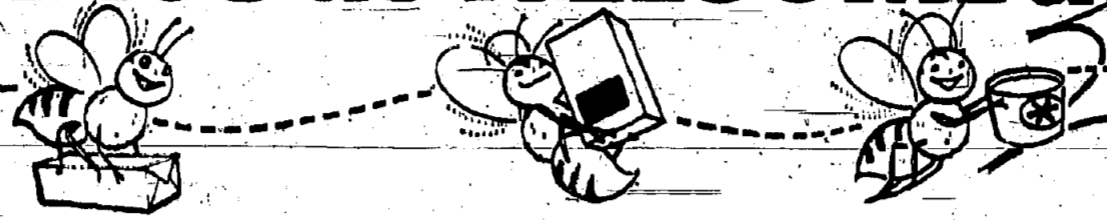

We are a New Jersey organization, employing New Jersey residents, and we have served New Jersey property owners successfully since 1935. Our reputation in this field is unsurpassed.

**Sports Track Down**

BY DICK SCHWARTZ

.....Like quizzes?.....Looking for something to do between TV commercials?.....Believe that your knowledge of sports is superior?.....

Let's try a list of brain-teasers for a change of pace. The incentive?.....a year's subscription to Sports Illustrated Magazine.

This Saturday will be the deadline for answers, addressed to me, Dick Schwartz, 200 Morris Avenue, Springfield. Since we really won't be able to tell who mailed theirs first, all the letters having 100% correct answers will go into a fish bowl with the winner announced in next week's column.

Granted, the prize isn't anything close to a million dollars, but it might be fun brain-searching for the answers. Naturally, back newspapers and sports annuals, will probably contain all the right choices.....Let your consciences be your guides.

1. Which Major League teams finished seventh last season in their respective leagues?
2. Winner of the 1961 Masters Tournament was.....with.....finishing second behind him?
3. This year the Boston Celtics won 60 games. Last year they won 57. How many did they lose last year?
4. Which team won the NCAA Basketball Tournament last year?
5. Leading pitcher of the home-run ball last year was.....?

### WE RAN THESE IN A JULY ISSUE

6. Who captured the Heavyweight Championship from whom in Carson City Nevada in 1897?
7. Which base did Fred Merkle fail to touch in 1908?
8. What position was Snodgrass playing the day he dropped that fly ball in 1912?
9. What American amateur golfer won the Open from the best professional England had to offer in 1913?
10. It was the Brooklyn.....when they played the Braves for a record 26 innings in 1920?
11. In 1926 did Gertrude Ederle swim the Channel in 8, 14, 22 or 36 hours?
12. Bill Tilden was defeated by Henri Cochet of France in the National Championships at Forest Hills in 1918, 1937, 1926, or 1909?
13. The famous 'long count fight' between Tunney and Dempsey took place in what city?
14. Who was the pitcher, and who was he pitching for when he threw Babe Ruth his 60th home run?
15. It was Roy.....who ran the wrong way in the Georgia Tech-University of California game of 1929?
16. In what round did Max Schmeling stop Joe Louis in their first encounter?
17. Cincinnati's Johnny Vander Meer pitched his famous second successive no-hitter against what team in 1938?
18. It was May 2, 1939. What team were the Yankees playing when Lou Gehrig failed to play, thus ending his consecutive game streak at 2,130?
19. And what pitcher for the Cleveland Indians did Joe Di Maggio fail to hit against, thereby ending his hitting streak at 56 games?
20. Against what team did the Philadelphia Phillies finally clinch a Pennant in 1950?
21. How old was Bobby Jones when he won golf's Grand Slam in 1930.....18, 36, 28, or 53?

Along with the winner (if we have one) the answers will also appear in next week's column.....GOOD LUCK!

### Time Marches On

#### Register 4th At West 'Y'

Registration for the ten week Spring term of gym and swim instruction for residents of communities other than Westfield will be held at the Westfield YMCA on Wednesday, April 4th. Registration for Westfield residents will be held on March 28th. Both registrations start at 9:15 a.m.

A full schedule of swimming instruction classes for boys of all abilities who are at least 49 inches tall will be offered. Registration is on a first come, first served basis and Ralph Muzzey "Y" physical director, urged parents not to delay registering their boys as the Spring term is the heaviest registration of the year.

All out-of-towners, Westfield residents in grades 1 to 3 and non-YMCA members must register at the desk.

#### Plainfield Site Of Phys Ed Meeting

At the third annual conference of the Central District of the New Jersey Association for Health, Physical Education and Recreation of Plainfield High School on Thursday, March 22, Cornelius Keller, assistant director of physical education in Union Public School, will serve as chairman of a discussion group on "The Needs of the Handicapped in Physical Education." C. Thomas Hassard, corrective therapist, Union Township Schools will present a film on the adaptive and corrective program in Union and with W. Greenville Mulford, director of physical education in Union Township, will serve as consultants in a discussion period.

Following this Dr. Donald Herachnik, director of special services, Johnson Regional High School, will present a paper on "Physical Education for the Educable Child" and serve on the panel with Miss O. Slotterbeck, educable teacher, Robert Lummer, Core Health teacher and Thomas Santaguida, physical education teacher for the educable child; all of the Johnson Regional High School Faculty.

Louis Peragallo, health and physical education instructor, Johnson Regional High School, Clark, and Mrs. Lillian Hauffer, Springfield, assistant in health education, New Jersey State Department of Education, will be consultants for the group dealing with the teaching of health, and Edward Moran, director of physical education, Thomas Jefferson High School, Elizabeth.

#### Five Will Participate

Five members of the staff of the Union County Regional High Schools are scheduled as participants March 29, in the conference of the New Jersey Central District Association of Health and Physical Education. It is to be held at Maxson Junior High School in Plainfield. Dr. Donald Metzger, Director of Special Education will moderate a panel on "Physical Education for the Educable and Slow Learning Student". Participants on this panel from the Regional schools include Miss Obertha Slotterbeck, Mr. Robert Lummer, and Mr. Thomas Santaguida of the Jonathan Dayton building.

Mr. Lewis Peragallo, Physical Education teacher at the Arthur L. Johnson school will be a consultant on a panel entitled "Different Values in Direct and Indirect Health Education Teaching Methods".

#### Give Jackets Tonight

The Booster Club of Jonathan Dayton Regional High School, Springfield, will hold a special meeting, tonight, Thursday, at 8:30 p.m. at the Dayton gym. Students, parents, members, and all others interested are invited to attend.

The Booster Club will present members of the Varsity Football Team State Championship jackets. A program of movies showing the ups and downs of the grid season will also be shown.

## Nelson Gives Up Grid Reins

Charles L. Nelson, head football coach at Scotch Plains-Fanwood High School for six seasons, has announced his resignation to accept the head football coaching position at Kearny High School.

Nelson, who led the Blue Raiders to 25 wins, 25 losses, two ties and two Watching Conference championships, said he regrets leaving Scotch Plains but regards the Kearny job "as a real challenge."

Nelson, a native of Brooklyn, N. Y., was one of the nation's leading pass receivers in 1948 at Brown University. He was graduated from Brown in 1950 and served four seasons as assistant and head coach at Washington and Jefferson College at Washington, Pa.

In addition to football, Nelson played baseball at Brown and has starred in several Plainfield area baseball leagues in recent seasons.

Three more losing campaigns followed before the Raiders won Conference titles with a 6-3-0 record in 1959 and a 6-2-1 mark in 1960. His team was 7-2 last fall, but yielded the conference crown to undefeated Westfield.

When he took over his football duties at Scotch Plains-Fanwood in 1956, the Blue Raiders

Chuck Nelson

had gone through seven consecutive losing seasons.

The Fanwood-Scotch Plains Jaycee-ettes will meet in the Southside firehouse on Thursday, March 22, at 8:15 p.m. Husbands of Jaycee-ettes will be guests.

A judo demonstration will be given by several members of the Eastern Union County judo team from the Elizabeth, N.J. YMCA.

Hostesses for the evening will be Mrs. Marry Katz, chairman; Mrs. Theodore Benedict, Mrs. Paul Anderson, Mrs. Robert Mulhall, Mrs. William Stablein.

## Lummer Readies Squad

By Gary Wilkin

Don't laugh when you see some of the boys of Regional High huffing and puffing around the school - they're in training for the Varsity Track season opening April 10th.

Coaches Bob Lummer and Martin Taglienti have already begun work with the basically inexperienced group. With only six returning lettermen, the outlook at present seems quite bleak but a 100 prospective candidates could turn the tide.

Of the returning lettermen Tuffy Hartz has been selected Captain and will probably run the sprints and throw the javelin. Others are John Kieffer a top prospect who will take on the hurdles and high jumps, Ed Erskine will throw the shotput and discuss, Jack Moore, a Junior, showed great promise as a Sophomore running the 880 and will most likely lead the pack in that class. Bill Geoghegan and Glen Thomas are the other returnees.

At present all spots are wide open, but the great enthusiasm and desire shown by the candidates will no doubt fill up most positions by time the season starts.

## East And West Will Clash

The Springfield Recreation Commission "State League" will conclude its program next Monday evening when the league championship will be decided as well as the playing of its annual EAST-WEST "All-Star" game. The site of this attractive program is the Florence Caudmeer School gym with the twin bill scheduled to start promptly at 7:15 p.m. Parents, adults and friends of all the clubs active in the program are invited to attend and should see an exciting cage program.

The All-Star combinations are determined to win against each other and the respective Coaches have scheduled practice session in an effort to come up with their best combinations. Coaches Jerry Title and "Chuck" Kessler of the EAST squad as well as Coaches Frank Haydu and Carmen Catapano of the WEST are confident of their charges and look for a high scoring game.

The Eastern "All-Star" combination has the size and backboard strength in big Johnny Eva, Dave Rich, Engo Zorn, and Mike Catapano give them the edge in rebounding, plus an excellent backcourt performers in Richie Campbell, Freddie Title and Gary Kurtz.

The WEST All-Star, with Coaches Frank Haydu and Carmen Catapano guiding them, features a fast and aggressive combination, Joe Bucco, Richie Cohen, Timmy Sommers, Don Buehrer, Richie Sherman, and Billy Murphy love to run and this might be a big factor in this "All-Out" battle.

The backcourt work of Dale Lies, Timmy Sommers and Don Buehrer should set up the Western offense, getting help off the backboards by rugged Keith Brink and Ken Braverman. All in all it looks like the biggest game of the year and worth watching a good turn out of fans.

The first of the series of clinics are set for 7:30 p.m. on March 26th at the James Caldwell School gym and March 28 at the Raymond Chisholm School gym.

"There will be more boys involved in baseball this Spring than ever before," the Ruby-Wittish announcement noted. "But numbers alone will not make for a good program. What we're after now is improved quality of play."

The two youth leaders pointed out that improved quality of play would "make the game safer and more enjoyable for those who participate."

Mr. Rosenberg said he intends to cover teaching methods as well as techniques, theory and skills.

#### Series Of Baseball Clinics Scheduled For Coaches

Springfield Recreation Director Ed Rudy and Youth League Director Robert Wittish announced today they had arranged for a series of baseball clinics to be held for the benefit of managers and coaches who will be involved in Springfield baseball activities this Spring. The clinics will be run by John M. Rosenberg of 54 Henshaw Avenue. Mr. Rosenberg, author of the successful "Baseball for Boys" and the just published "Basic Basketball" is a former player, high school coach and sports writer. He has staged numerous baseball and basketball clinics in New Jersey during the past few years.

The registration forms are now available at the Gaudineer School or Regional High School for these 12-15 of Babe Ruth age or at any of the various grade schools for the 9-12 year old players of Youth League age. Tryout fields will be announced later.

#### Youth League Tryouts

ATTENTION ALL SPRINGFIELD YOUTH LEAGUERS.....On March 31st, tryouts for the 1962 season of the Springfield Junior Baseball Leagues will be held. The registration forms are now available at the Gaudineer School or Regional High School for these 12-15 of Babe Ruth age or at any of the various grade schools for the 9-12 year old players of Youth League age. Tryout fields will be announced later.

WESTERN SPRINGFIELD ALL STARS—Front row: Coach Frank Haydu, Dale Lies, Gordon Cunningham and Don Buehrer. Back row: Bill Murphy, Joe Bucco, Richie Cohen, Ken Braverman and Coach Carmen Catapano. Missing when photo was taken; Keith Brink, Rich Sherman and Tim Sommers. (Dick Schwartz)

TUMBLERS PRACTICE—Members of the Scotch Plains Fanwood Tumbling Team practice for the seventh annual Barnyard and Baleshay Circus to be held at the local 'Y' on March 30 and 31.

### Tumbler Takes Third

William Ruyle, of the Fanwood-Scotch Plains Y.M.C.A. tumbling team won third place, Saturday, in the annual Central Atlantic Area Y.M.C.A. midwest boys tumbling meet, held at the Orange, New Jersey Y.M.C.A. in competition with boys through age 13. Bill, who is nine years old did the three required runs of the forty foot mats with rolls, leaps, hand springs, back hand-spring, flips, roll ups and dives. The meet was competed in by Y.M.C.A.'s in the area including New Jersey, Delaware, Maryland and the District of Columbia so that Ruyle's win against competition four years his senior is significant.

Robert Sewalls, also of the Fanwood-Scotch Plains Y.M.C.A. placed fourth in the junior boys trampoline competition and fifth in the parallel bars.

Other local youths entered in the meet were Darryl Hunt, David Hunt, Richard Hyman, and Richard Roloff.

Most of the local group will be entered in the New Jersey state gymnastic championships sponsored by the state association of Turner Clubs next month.

It is probable that at least two of the local boys will compete in the National Y.M.C.A. gym championships in Washington, D. C. in April.

### Participates

#### In Panel Discussion

Donald P. Hoagland, Coordinator of Industrial Arts and Vocational Education for the Union County Regional High School District was a member of a panel which discussed "The Emerging Industrial Arts" at the annual New Jersey Industrial Arts Assoc. convention at Asbury Park on Friday, March 16. Mr. Hoagland stated that industrial arts can provide meaningful experiences for all, the college bound student and the student who goes to work upon graduation from high school. However, each must participate

in an industrial arts program that is planned for the particular needs of the group of students involved. He cited the comprehensive offerings in industrial arts provided by the Regional district and indicated the success with which the district is preparing students for a vocation or for higher education. He stated that pre-college and terminal students can no longer be mixed indiscriminately in an industrial arts class, if the school is to provide the best in industrial arts education.

The regional district has been a leader in providing vocationally directed education in its industrial arts program and this year has in operation a program of part-time cooperative trade

and industrial education. Twelfth grade students enrolled in this program attend school in the morning and work in industry in the afternoon. Mr. Hoagland indicated that "The Emerging Industrial Arts" will include more of this type of experience

for those students who are vocationally inclined and have the necessary skills and training.

The panel was moderated by Dr. Fred Christoffel, a teacher in the Elizabeth school system. Other members of the panel were Robert R. Blunt, Middlesex County Superintendent of Schools, John J. Smith, State Supervisor of Industrial Arts Education, Dr. Carl Frankson, Chairman, Industrial Arts Dept. at Montclair State College and Earl J. Murphy, teacher, Trenton Central H.S.

### Pirates, Giants, And Lions Win At Sandmeir School

The Giants, Lions, and Pirates captured their closing games at the Thelma Sandmeir School last Saturday afternoon to conclude Small-Fry cage play at this site for the current season. The Springfield Recreation Commission basketball program will wind up all activity in the Small Fry division this Saturday afternoon when the Champlains of the Sandmeir and Caldwell Schools clash for the mythical "Small-Fry" Basketball Championship. The site of the big battle is the James Caldwell School, with the annual East

West "All-Star" game following. In the opening game the Giants defeated the Browns 14-5 as Ralph LoSanno sparked this win. Richard Toll the best performer for the Browns. The Lions defeated the Indians 17-13 in a close battle with Gianstasio, Danzinger and O'Connell the standouts. Garry Ginsberg and Richie Falin the best for the Indians. In the finale the Pirates wallpiped the Raiders with Bruce Gerstein high man for the Pirates; Williams top performer for the losing Raiders.

### Junior Sportsmen's Show

#### Due At Rutgers University

"Outdoors in the Space Age" is the theme of the 15th annual Junior Sportsmen's Show which will run from March 27 to 31 in the Rutgers University Field House.

The popular show, which has grown by leaps and bounds since its inception in 1948, is expected to be viewed by approximately 70,000 spectators, including large numbers of school children.

The show, under the chairmanship of Irving Sosin of Highland Park, will include some 30 exhibits. Also, there will be five feature films on the outdoors and Chief Sunrise, a full-blooded Stoux Indian from South Dakota, will serve as master of ceremonies for evening stage shows. The show will run daily from 9 a.m. to 10 p.m. Saturday, the show will close at 6 p.m.

Among the exhibits will be a State Department of Conservation and Economic Development display on water supply and recreation and an underwater exhibit by the Brunswick Surf Club.

There also will be a special dog obedience show, a skin divers demonstration and a demonstration of Indian dances by the Camp Sakawawin Lodge, Order of the Arrow.

Live fish, animals and birds will make up many of the exhibits and back again for the 15th year will be a display of firearms and an exhibit of hand carved models of wild waterfowl and American game birds. Exhibits once again will promote conservation, safety regulations, and tips on hunting and fishing. Admission to the show is free.

### Small Frys Wrap Up League Play

The Springfield Recreation Commission "Small-Fry" eagles concluded their regular season play last Saturday afternoon, setting the stage for the "Championship game" this Saturday, also the annual East-West "All-Star" which also will be played on the same program. The site for the game is the James Caldwell School gymnasium. Parents and friends are invited and a very exciting program is in store for all those who love to see the kids in action.

In the opening game of a triple-header at the Caldwell School, the Aggies defeated the Lakers 20-13 in a well played game, with Billy Beck and Dan D'Andrea sparking the win. Colondrea and Pierson the best for the Laker quintet. The Billikens defeated the Bullets 11-9 in a hard-fought game, with Buccì and Meisel the standout performers for the winning Billikens, Gohen top man for the Bullets.

In the finale of this program the Nats defeated the Knicks 20-12 as Lewis and May sparked the win, with Schwartz and Steinberg excelling for the Knicks. The Nats by winning gained the honors of representing the Caldwell School in its big battle with the Sandmeir School this Saturday afternoon.

## Golden Anniversary Of Girl Scouts Shows Gain Over Yrs.

For 50 years Girl Scouting has been an important part of growing up in America. As they celebrate their Golden Anniversary this year, membership in this world wide organization, as grown to almost 18 1/2 million girls. Of these, 3 1/2 million are in troops in the U.S.A., as compared to a total of 12 girls who comprised the first troop.

With emphasis on self-reliance, character development and service to others, Girl Scouting offers its members help in their daily lives and a link with others in their community, state and nation.

Based on a non-sectarian code of ethics, Scouting encourages youngsters of every faith to live up to the ideals of their own religion.

By wearing the uniform of a Girl Scout, a girl has a sense of belonging and a fellowship with all who wear it. She gains a spirit of democracy, while also learning to respect her own individuality.

The Girl Scout program is geared to three age groups, each with its own uniform, its own program and its own goal. Scouting gives youngsters a continuity and a variety of ever expanding activities.

The age into which youngsters are born today is perhaps the most complex in the history of the world. It is the aim of Girl Scouting to help these girls in their communities to grow into healthy, happy, responsible women. Helping them are the countless volunteers who are thereby

helping to write the history of youth in America.

In keeping with the Girl Scout Promise "to do my duty to God and my country, to help other people at all times, to obey the Girl Scout Laws," the 50th Anniversary theme is, "Honor the Past - Serve the Future."

Girl Scout Week begins Sunday, March 11, for 13,813 girls and 4,449 adult volunteers of the Washington Rock Girl Scout Council, a participating member of the United and Community Funds, and will end Saturday, March 12.

On Sunday, March 11, the Scouts and their leaders will join in a Golden Day of Rededication by attending special services in churches of their choice. The Scouts of the Jewish faith will attend special services on Friday evening or Saturday morning.

During the week, Scouts will carry out international friendship activities, either as troops or as individuals with others in their communities - family and neighbors, religious, civic, industrial and professional groups.

Senior Scouts (from 14 through 17 years of age) are participating in specialized aide programs

which provide not only service to their communities, but also opportunities for vocational exploration. Our Senior Scouts are serving as library, museum, hospital and nurse's aides, child-care and office aides.

The Council also has special interest Senior Scout Troops. These include Mariner Troops, Wing Scout Troops, International Friendship Troops, Trail Blazers and Mounted Troops.

Another special 50th Anniversary project was the Golden Blossoms. Brownie and Intermediate troops throughout the Council planted flowers in village squares, hospitals, schoolyards, churches and synagogue grounds, as a means of thanking their community and sponsors for their support of Girl Scouting and to help beautify their communities.

They also have been giving service hours by making tray favors for hospitals and convalescent homes, knitting or crocheting squares for afghans, singing and reading to the aged, and many other services.

The Washington Rock Council is made up of 856 troops, located in 26 communities throughout Union County and parts of

Somerset and Middlesex Counties.

10,000 girl and adult members of the Girl Scouts of the U.S.A. will meet this summer from July 18-31 in Vermont on the shores of Lake Champlain for the 1962 Girl Scout Senior Roundup. Thirty-two of these girls will represent the Washington Rock Council.

The girls will erect a city of 6,000 multicolor tents in the 230 acre Button Bay State Park and adjacent fields and woodland. The purpose of this international encampment, which is often the culminating experience of a girl's Scouting days, is to bring together girls of various races, national origins and creeds to share in a rich camping experience and a wide selection of activities.

For many months these girls have been undergoing a rigid training program under the direction of one of the Council's professional staff.

Two Senior Scouts have been chosen to represent the Council in National and International events.

Miss Penny Rounds of Westfield will go to England for an international gathering abroad. Miss Margaret Behrens, also of Westfield, was chosen to attend the All States Wilderness Encampment at Twin Lake, Michigan.

The adults in the Council also can qualify for opportunities. Mrs. Albert Patterson of Westfield, Council Program Chairman, was chosen for an international opportunity. She was selected to act as a leader with the Senior Scout Ranger Service Program for UNICEF at the Girl Scout Cabana, Cuernavaca, Mexico. Mrs. Patterson will be in Mexico from August 30th to September 17th, 1962.

Miss Melissa Fouratte has been chosen as a leader to accompany Senior girls for the Scout Exchange Project in Denmark, Finland, Norway and Sweden for 6 to 8 weeks in the summer of 1962.

Mrs. John Foster of Mountainside is the Council President.

### Planning Board Action Is Upheld In Mountainside

The action of Mountainside Planning Board in permitting Palnut Co. of Glen Road to open curbing for use of a parking lot was upheld at the Mountainside Borough Council meeting last Tuesday night in Borough Hall, (March 20).

This has been questioned by a group of residents living in the area of the concern when they attended a recent council meeting in a delegation headed by Frank S. Torma of Sunrise Parkway. Mr. Torma contended that there was a gnawing in the area and maintained that he wanted to preserve the neighborhood. He claimed that the Planning Board had been in error to permit the request of the company and recommended that the previous character of the area be restored. Councilman Gilbert Pittenger Tuesday night reported that following Mr. Torma's complaint, as the council representative to the planning board, he made a thorough investigation in the matter. He said he conferred with Palnut officials and to a charge

that 50 cars were using the lot at night, he learned from the concern that 10 were using it. Also he reported that a visit was made to the four homes backing the area and said that these people were not disturbed with the matter.

Councilman Pittenger announced that he was in agreement with the decision of the Planning Board in the situation. Also, Mayor Eugene Rau declared, "there is no violation and in no manner or way will the situation take away from the residential character of this particular area."

### Mtsde. U.J.A. Committee Hears Native Of Israel

The Mountainside Committee for this year's United Jewish Appeal campaign, recently attended a Workers' Tea where they were addressed by a native Israeli woman, Mrs. Shulamith Zechory Spector. Mrs. Spector, at the age of thirty-two, is an engineer, and industrial consultant and a radio producer in Israel. She received her degree in engineering in this country, at Columbia University in 1955 and thereafter returned to her native Israel to practice her profession. She was a member of the Haganah (the Jewish self-defense force) at the age of thirteen and later, during the war of liberation, served as a lieutenant of Commandos in the Negev Brigade. Mrs. Spector is an authority on the problems and difficulties facing immigrants to Israel who must be absorbed into industry.

Mrs. Spector is now in this country to record programs for broadcasting in Israel and is also engaged in speaking on behalf of the United Jewish Appeal. She electrified her audience with vivid first-hand accounts of the problems facing immigrants coming into Israel as well as the problems which the country is facing in receiving these immigrants. Some of the stories of how these problems are being met, are often a miracle of endurance and ingenuity. Each year thousands of immigrants seek refuge in the Holy Land and somehow they have to be absorbed into that tiny land. No one is ever turned away. The greatest financial burden to meet these problems, is borne by the Israelis themselves who are heavily taxed on their incomes. The balance of the financial burden must be borne by American Jewry if this great humanitarian task is to succeed.

Members of the Mountainside UJA Committee are approaching the task of raising these urgently needed funds with inspired

### Notes 30 Year With Bristol-Myers

Walter F. Haupt of 216 Evergreen Court, Mountainside, this month celebrates 30 years with the Bristol-Myers Products Division at Hillside.

Mr. Haupt presently holds the position of Export Traffic Manager and as such, has a major responsibility in the export of the many company products that are shipped throughout the free world.

He has been active in civic affairs in the Mountainside area for many years, having served as Republican County Committeeman and Borough Chairman. He also spent 12 years as a member of the Mountainside Volunteer Fire Department. That sailing has been a hobby of Mr. Haupt's for many years can be evidenced by the 21-foot sail boat which he, himself, built.

### Traffic Changes Presented At Mtsde Council Meeting

An ordinance amending the traffic ordinance to prohibit parking in Glen Road from Route 22 to Rutgers Road and provide for stop signs in Wood Valley Road and Stony Brook Lane was introduced at the Mountainside Borough Council meeting Tuesday night in Borough Hall.

The measure is to eliminate the parking of vehicles, both private and commercial, in the specified area in Glen Road, which is presently described as a problem and unsafe condition. A full stop sign was designated for Wood Valley Road at the intersection with Stony Brook Lane and a stop sign was authorized on Stony Brook Lane. A public hearing on the ordinance is scheduled for April 17th.

The only bid received for gasoline was submitted by Dean Oil Co., of Fanwood and action on the matter was deferred.

Two proclamations were made by Mayor Eugene Rau: one announcing April, 1962 as cancer control month and the other designating March 18 to 24 as World Understanding Week in conjunction with the Mountainside Rotary Club and urging its support.

Approval was given for extending the bingo license of Our Lady of Lourdes Church from April through August and its application for a traffic was granted.

Mayor Rau in his library report announced that persons with library cards three or four years old are being re-registered. He also reported that monies collected from fines will be held by the library until September or October at which time they will be given to the municipality as required by law with the borough determining whether the monies will be placed in revenues or returned to the library.

Councilman Raymond Herrgott reported that the report of the borough engineer noted that no work was done by private developers in the borough during February. The Rescue Squad answered 30 emergencies and 20 transportation calls from January 1 to February 28. Councilman Chester Fabian in the report of the police department for February announced 183 traffic summonses issued, 195 police calls answered, \$702 in fines collected, and 10,600 miles patrolled. A communication was received from the borough attorney advising that Judge William Mill

### Wilson Case Is Deferred

Mountainside Borough Council Tuesday night at a meeting in Borough Hall deferred action on a communication received from the lawyer of Arthur A. Wilson regarding his Route 22 property until an executive session.

The communication, addressed to the mayor and council, was received from Melvin J. Koestler of Elizabeth, it suggested that the parties meet for a compromise on the use of the property in question. Mr. Koestler informed the mayor and council that his client has considered the opinion of Superior Court Judge Milton A. Feller, who recently ruled in favor of the borough regarding the Wilson tract, and reported that Mr. Wilson had instructed him to file an appeal with the Appellate Division after judgment has been entered. "Before entering into a new stage of litigation, I feel some attempt should be made to reach a solution on this problem," the lawyer wrote and suggested an informal meeting with the mayor, council and borough attorney, "to see whether a compromise can be reached which would be satisfactory and beneficial to all parties."

A five-year battle has been waged between the borough and Mr. Wilson concerning the right to construct a shopping center at 1354 Route 22, where Mr. Wilson owns 12 1/2 acres. The property owner originally sought a business variance for the land from the Board of Adjustment. Most of the property is in residential A zone with the exception of a small part on which a building is constructed.

### Services Expanded

To increase its services and usefulness to Westfield, Mountainside, and many other communities, the Children's Country Home is now making available out-patient treatment and assistance to adults, as well as to children. This added service was announced by the Board of Managers and the Medical Staff.

It was pointed out that patients desiring to avail themselves of this expanded service must be referred to the Children's Country Home by their Physicians. Supervision over the indicated Physical Therapy treatments may be exercised by the referring physician, or, by Children's Country Home's Medical Staff.

Whirlpool, Hubbard Tank and Pool Therapy treatments are available, as well as heat and massage treatments, and walking instructions. A completely equipped functional therapy room provides the means and facilities for additional Physical Therapy treatments. Specific details concerning this new service may be obtained by calling the Social Service Department, Adams 3-3220.

### Smith Elected President Of Jonathan Dayton PTA

William C. Smith of Kenilworth was elected president of Jonathan Dayton Regional High School PTA at a meeting last Thursday evening in Halsey Hall. He is the first man to hold the office.

Other officers elected are Rupert H. Humer, Springfield, first vice-president; William Hoffman, Kenilworth, second vice-president; Mrs. Robert Isley, Springfield, recording secretary; Mrs. Adolph Leikauskas, Kenilworth, corresponding secretary, and Meyer A. Biddelman, Springfield, treasurer.

Lt. Col. Richard C. Orphan of Picatinny Arsenal lauded the Regional District for its part in encouraging young scientists through the Science Fair. He indicated the government's growing concern for the drop in numbers of young people specializing in science in recent years, and pointed out that science and military defense are closely related. He showed slides concerning the Arsenal's role in armaments research.

The Rev. Michael Hudek of St. Theresa's Church, Kenilworth, gave the invocation, and Mr. Smith led the pledge of allegiance. Warren M. Davis, superintendent of schools, introduced George M. Barclay of Arthur L. Johnson Regional High School, whom he termed "Mr. Science Fair" because of his pioneering work in planning fairs in this area.

Mrs. Barclay announced the winners in the fair and presented plaques and books. The exhibit were open to the public.

### Baha'i New Year

The Baha'i New Year will be observed Wednesday, March 21. Five million Baha'is around the world, according to Mr. Raymond Rouse, member of the Springfield Baha'i Group, will use this occasion to celebrate the victories won in Africa, Asia and South America during the past year.

Local observance will be held in the form of a dinner at the China Sky Restaurant, Springfield, on Tuesday, March 20 at 6:30 p.m. There are some 11,000 new Baha'is in India; 20,000 in East Africa; and 3,000 in Bolivia, South America, plus thousands coming in from southeastern Asia and the South Pacific Islands. There are now 6,500 Baha'i centers in 258 countries and territories. A record achievement, Mr. Rouse said, when you consider the Baha'i Faith is less than 120 years old.

### Paper Mill Playhouse Season Starts In April For 30 Weeks

The Paper Mill Playhouse—success formula of presenting top Broadway, Hollywood and TV names in the latest shows from Broadway will be repeated again this year. The 1961 season offered something for everyone's taste—even the sandpail set.

The Playhouse will open its doors on Tuesday, April 24, for a contemplated 36 week season with "Fiorello!", bringing Tom Bosley, who created the title role on Broadway, in for a four week run. The hit show will be directed by Howard da Silva, who appeared in the show with Bosley, Bosley, who married a former cast member of "Fiorello!" in New Haven last week, will begin rehearsals in two weeks.

Word Baker, director of the off-Broadway long runner "The Fantasticks" will direct Englewood's Betsy Palmer in the second Paper Mill musical "Maggle," based on J.M. Barrie's tender play "What Every Woman Knows."

Saturday morning and afternoon will again be turned over to the tricycle trade this year when the Popular Kiddie shows play two performances at 11 and 2. The Peppermint Players will present "The Sleeping Beauty," "Jack and the Beanstalk" and "All Baba and the Forty Thieves" on June 23 and July 7 and 21.

The children's shows scheduled for spring will be announced shortly. As in 1961, the Paper Mill will offer shows on a subscription basis at a 15% discount. Frank Carrington, Henry T. Weinstein and Laurence Feldman maintain "that subscribers support the theatre and should be given preference as to seat location and discount." In 1961 over 5,000 people subscribed to shows at the Mill.

Although neither stars nor plays have been definitely set for the summer season which will open in June, the Playhouse is currently negotiating with such luminous names as Zaza Gabor, Arlene Frances, Cyril Ritchard, Walter Slezak and Hans Conrard. Mr. Conrard, it will be remembered, drew capacity crowds in the summer of "Pleasure of His Company." Several recent Broadway shows are expected to jolly up the summer schedule at Paper Mill as of June 25. The Paper Mill box office will open at 10 a.m. Monday, March 19 and remain open 7 days a week until 10 a.m. until Christmas, 1962.

### Simmons Show

The Simmons College Club of New Jersey will hold a benefit Luncheon Bridge and Dinner Show on Thursday, April 5th, at 12:30 P.M. at Charleston Gardens, B. Altman & Co., Short Hills. A special feature will be a Millinery Fashion Show with club members acting as models. The proceeds of the Luncheon Bridge will be sent directly to the college.

Chairman of this event is Mrs. Richard Hartkopf of Clark, assisted by Mrs. W. Durr Westfield, Mrs. S. Perry Westfield and Mrs. H. Ecterman of Springfield.

Models are Mesdames John Barry of Madison, Maxwell Cherriff of Berkeley Heights, Walter Rupp of Mountainside, Donald Young of New Providence, John Nulton of Hillside, B.S. Stockslager of Westfield, and Ronald Dehoff of Maplewood.

Alumnae of the college are cordially invited to attend and may obtain additional tickets from Mrs. Hartkopf.

### Caldwell PTA, Springfield

The Union County Association for Mental Health presented a short play entitled, "According to Size" by Nora Sterling, for members of the James Caldwell School P.T.A. at their regular meeting on March 19, 1962.

The play performed by Theatre Guild Members of Newark State College, under the direction of Mrs. Z.J.O. Fry dramatized the typical characteristics of the five-year old and the problems parents have in handling them. It emphasized the over-protective parent, the too lenient parent, and the parent that showed sound judgement in rearing her child. A child's curiosity must be satisfied, yet he needs correction and must know his limitations. Shirley Sachar, Mary Llobell, and Judy Burst, who played the parts of the three

mothers did a splendid job in bringing out all of these points.

A discussion period, led by Wallace Hill, Psychiatric Social Worker, Janet Memorial Home, Elizabeth, N.J., followed. Mr. Hill was formerly Psychiatric case-worker at N. J. State Diagnostic Center in Monticello Park.

Mrs. J. Schoch, president, announced the following members of the Auditing Committee: Mr. Alan Cunningham, Mr. Douglas Mattice, and Mr. E. Bryant Haas.

This year's T-shirt sale was a success with a higher profit than the school has heretofore realized, according to Mrs. A. Kroeger, finance chairman.

Mrs. Dunns third grade again won the attendance banner.

### M & R Changes

M & R Refractory Metals, Inc., of Springfield, manufacturers of refractory metal products, today announced several organizational changes in line with their accelerated expansion and diversification program.

On March 21st, Mr. Robert Goodman, formerly Purchasing Agent for Special Metals, Inc. of New Hartford, New York, will join M & R in a similar capacity.

Mr. W. I. Bayly has been appointed Plant Engineer.

Robert Bilangi, Plant Manager, has been elected Vice-President and Assistant Secretary.

Rudolph S. Wood, Sales Manager, has been elected Vice-President in Charge of Sales.

### Problems Before P.T.A.

Mrs. Edward Lilen, Gaudineer P.T.A. Chairman for the committee on Children and Youth; Mrs. Robert B. Jackson, president; Mrs. Thomas A. Argyris, vice-president; Mrs. Stanley M. Cornfield, Safety chairman; and Mrs. Ben Paul Yuckman, publicity chairman, are attending a meeting at the James Cald-

"MALARIA"—A malaria display presented by two contestants at the Union County Science Fair last week proved very interesting. The girls, Carol Bergstedt (standing) and Jacqueline Banyasz, did the research and display all by themselves. (Fred Keesing)

well School, this morning (Thursday March 22). This meeting is being conducted by the Union County Council chairman of the Committee on Children and Youth, Lt. Earl G. Kinney, and is being concerned with the problems of obscene literature and narcotics and legislation affecting these offenses.

The Florence M. Gaudineer P.T.A. Executive Committee is continuing its endeavors to remove obscene literature from the shelves of local stores and to learn more about local problems of narcotics and alcoholism.

More stringent legislation a-

gainst the sale of "printed filth" is being discussed in the legislature in Trenton, but an aware and demanding citizenry is needed to support the efforts of the law makers.

Assemblyman Le Roy J. D'Alaio is quoted as saying "The in magazine sales are forbidden yet it goes on every day. We must outlaw tie-in sales in a more effective manner than we have been doing. In the final analysis, the answers also lie with the home, with the parents, who have to organize themselves to keep a strict watch on the kind of garbage being sold." With the help of interested cit-

izens' groups, we can accomplish a great deal in getting rid of this crime against our youth."

In the fight against the availability and use of narcotics, especially by teenagers, several bills are before the State Legislature increasing the penalties for the illegal sale and manufacture of narcotic drugs. Bill S-23 forbids suspension of sentence for illegal manufacture or sale of narcotic drugs; S-24 increases penalties for violation of persons over 21 years of age who provide narcotic drugs to persons under the age of 18 years;

S-25 includes within the definition any drugs determined by the Health Commissioner to have an addiction-forming or addiction sustaining liability; S-27 makes possession of certain drugs a disorderly persons offense.

These bills have been passed by the Senate but must be passed by the Assembly and signed by the Governor. Lt. Kinney urges all voters to write the Representatives from Union County requesting passage of these vital bills.

The Regional Spring Conference of the Parent-Teachers Association will be held at the Twin City Restaurant, Elizabeth, on Tuesday, March 27, at 9:45 a.m.

Mrs. Robert B. Jackson, president of the Gaudineer P.T.A., and Mrs. Ben Paul Yuckman, publicity chairman, are serving on the committee for arrange-

ments for this conference for which Union County is host to representatives from Middlesex and Somerset Counties.

Mrs. Jackson urges Gaudineer P.T.A. members to attend

### To Chaperone Twist-A-Thon

Members of the various Junior Chambers of Commerce have volunteered to furnish chaperones for the 12 noon to midnight Twist-A-Thon which is to be held at the Elizabeth Armory in Elizabeth, Saturday, March 31, all the proceeds to go to the Union County March of Dimes Fund Drive.

Dance bands, combos and orchestras from practically every school in Union County will furnish the continuous music for the twelve hour dancing with twist contests and other competition to be on the 12 hour program.

Dance bands, wishing to participate in this Twist-A-Thon are urged to contact Henry Roth at MLRdock 2-9412.

A long list of celebrities from stage, screen and television will be announced shortly in addition to nationally known disc jockies, twist professionals and other stars who will make an appearance during this 12 to noon program March 31.

Tickets, selling for \$1.00, have been distributed to all sections of Union County and indications point to a large crowd for the benefit of the March of Dimes Fund.

### Missionary Conference

The annual missionary conference of the Millburn Baptist Church will be held March 22, 23, and 25. On March 22 at 8:00 p.m. Mrs. James Williams, a missionary from Ethiopia, will speak.

On March 23 at 8:00 p.m. Rev. Raymond J. Davis, Associate General Director of the Sudan Interior Mission, will speak and show pictures. There will also be special music.

On March 25, Sunday, Mrs. Raymond Davis will speak in the Bible School Service at 9:45 a.m. Mr. Davis will speak in the 11:00

a.m. and 7:00 p.m. church services. In the 6:00 p.m. Young People's meeting pictures will be shown by Mrs. Davis. Everyone is cordially invited to attend all of these services.

### Legion Auxiliary In Meeting Tonight

The next regular meeting of the American Legion Auxiliary will be held at 8:00 p.m. tonight (Thursday) March 22, at the Public Service Electric and Gas Company building in Summit.

Miss Ann Ware of Public Service will show colored slides of famous foods on a "Cook's Tour of Europe."

### Proclamation

#### TAG DRIVE WEEK

WHEREAS, there are innumerable children in the City of Springfield and throughout the State of New Jersey suffering the torturing and agonizing effects of asthma and who are in need of medical and psychiatric care in order to become happy and healthful members of society; and

WHEREAS, the responsibility of giving each child a chance to health and happiness is a responsibility we gladly assume because it is one of the major factors in the economic life of our City and State; and

WHEREAS, The Children's Asthma Research Institute and Hospital, Denver, Colorado, is dedicated to the free nation-wide treatment of children suffering from chronic intractable asthma and other allergic diseases; and

WHEREAS, the facilities of this Home are insufficient to provide for many of the asthmatic children now seeking admission and treatment therein; and

WHEREAS, we must together give our support to the Springfield League, The Children's Asthma Research Institute and Hospital and Denver, support its work and given generously to its annual Tag Drive Week which helps to make this Home's services possible:

NOW, THEREFORE, I, Mayor of the City of Springfield do hereby proclaim the week of March 26th through April 2nd as TAG-DRIVE WEEK for the Springfield League of The Children's Asthma Research Institute and Hospital and urge all our citizens to participate wholeheartedly in this worthy cause.
