Presbyterian Church Getting Renovation Job

Outside renovation of First Presbyterian Church and grounds are now underway. The work is being done under the direction of the building and grounds committee of the Board of Trustees.

The bulk of the work will be carried out about the chapel and church with a new walk on the Main Street side, rebuilding of the entry steps to the chapel, coping about the chimney, new tin-deck on the tower above the clock, a new roof, and the beautification of the area around the front of the church.

In preparation for the new landscaping, the old evergreen tree in front of the church was removed Monday. The aged tree, believed to be about 60 years old, was reported to be becoming a hazard to safety and has been estimated by a horticulturist to have about two more years to live.

Other shrubbery in the area was also eliminated and new shrubs will be located in the area. The magnolia tree remains.

Members of the Men's Club of the church will dig the holes tomorrow (Friday) night and put in the new plants Saturday morning.

The new shrubbery has been donated by Albert Fiemer of F. and F. Nurseries and will be planted under the direction of William Rossell of Henshaw Avenue, generally following the landscaping plans prepared by John Jennings, landscape architect.

Other plans will include the building of a flagstone area around the church entrance.

As it looks now, Springfield will definitely have a motion picture theater.

Springfield Board of Adjustment Tuesday night in the Municipal Building unanimously agreed to recommend to Springfield Township Committee for approval the application of Echo Plaza Inc., requesting a variance for the operation of a motion picture theater at the Echo Plaza Shopping Center.

The recommendation carried a stipulation for a lighting plan for the parking lot which is to be submitted to the township engineer and the traffic consultant.

It was reported that Echo Plaza Inc. would be the builder and owner of the property and would lease the property to a syndicate for operation.

It is understood that the syndicate already is operating several other theaters including those at Menlo Park and other shopping centers. First-run features will be shown at the movie house.

The application of Elmer Walker of 45 Morris Avenue for a variance to erect a garden apartment at 845 Mountain Ave. was also unanimously recommended to Township Committee for approval. Mr. Walker proposes to build an apartment house with 29 units, including an apartment for a superintendent.

By majority vote, the board approved the application of Albright Construction Co. of Grantford seeking a variance to build a one-family dwelling on a sub-standard lot in Ruby Street.

The Springfield Planning Board has approved a minor subdivision involving the property subject to the Board of Adjustment approving the variance.

PROCLAIMS REALTOR WEEK: Mayor Philip Del Vecchio presents proclamation to Georgia McMullen, a member of the Board of Realtors of the Oranges and Maplewood, and commends Realtors of Springfield for their devotion to civic advancement and the application of their professional skills to local government as well as to fraternal and service clubs, and for the high order of professional ethics to which they are pledged.

"Your Home May Be Next On Burglars List," Says Chief

"This is the time of the year when burglars and prowlers 'ave easy 'pickin'," said Springfield's Police Chief Wilbur C. Selander today. "Most citizens will soon be going off on week-ends or vacations and virtually abandoning their homes to burglars."

"The unconcerned and careless attitude of many was largely responsible for the 55 burglaries committed in our city last year," continued Chief Selander. "Although most people didn't intentionally invite intruders to ransack their home, they might just as well have hung up a sign saying, 'no one's home, burglars welcome'."

"A stroll around your neighborhood any day will tell you at a glance who's away; their porches will be cluttered with circulars; an accumulation of milk bottles on the stoop; an unkempt lawn; an empty garage with the door open; or a bulging mailbox. Tip-offs that'll broadcast 'no one's home' to anyone canvassing the neighborhood."

"In the evening, most empty homes can be spotted too; just look for the dark houses. It's a known fact, light is one of the best deterrents to crime, yet most homeowners go out for an evening, and leave their homes completely dark. Or, they'll go off for a weekend or vacation and leave the same light burning day and night. No light at all, or the same light burning continuously is a good giveaway 'no one is home.'"

"A simple, but effective means of having light in your home every evening, is by connecting an automatic timing device to one or two lamps. Such a timer will turn a lamp 'on' early in the evening, then turn it 'off' several hours later. With lights turning on and off during the evening hours it'll give the appearance someone is home and may avert a possible burglary attempt."

"Homes and apartments account for more than four of every ten burglaries. By observing a few simple precautionary steps, you can reduce the possibility of a burglar selecting your dwelling as his target next time you're away", concluded Chief Selander.

4 Break-Ins In 2-Day Period Reported By Township Police

Four recent break-ins in Springfield were reported within a two-day period according to Police Chief Wilbur C. Selander.

Three of them were discovered by police, May 7, during routine night checks made at the premises.

According to records at Springfield Police Headquarters, Sidney Piller, owner of Elkay Products Co., 35 Brown Avenue, reported, May 6, that three typewriters and an adding machine were lost or stolen from the premises May 5 or 6.

Entrance was said to be gained by breaking a pane of glass in a rear window.

On May 7, Patrolman Robert Polewka discovered two entries. One was at the Hardings Brothers Tool Co., 44 Commerce Street, and the other at The American Optical Co., 40 Commerce Street.

Entry into the first concern was gained by taking out a pane of glass in a side window. Nothing was reported missing from that company. Entrance into the other company was through a rear window in the boiler room. Two electric adding machines, valued at \$200 each, were reported missing.

Also on May 7, Patrolman Daniel Halsey found entry was gained at Wemco Products, 15 Brown Avenue, by taking out a pane of glass in a rear window.

Listed as lost or stolen were an electric typewriter, valued at \$150, two dictaphones valued at \$100 each, and a copying machine valued at \$102.

School Board Publication Is Award Winner

Springfield Board of Education at its regular meeting Tuesday in Caldwell School learned that the School Board Publications Association at Rutgers - The State University, New Brunswick, has selected the "Springfield Board News", school publication, to receive a certificate of excellence award.

This information was sent to Superintendent of Schools Benjamin F. Newswanger in a communication by Robert W. Marker of the university.

Professor Marker wrote that the certificate presentation would (Continued on page 2)

First Aid Squad Needs Volunteers

The Springfield First Aid squad still needs some volunteers to help in answering emergency calls.

An appeal was made through the Sun columns last week but there is room for more help.

Both men and women are needed - even for a few hours DURING THE DAY TIME.

You can help the First Aid Squad by telephoning HELEN BOWLES, DREXEL 6-6316; or BOB VOORHEES, DREXEL 9-4677.

Mrs. Egolf To Address Dems Here Monday

Mrs. Lillian Egolf, Democratic candidate for Congress from Union, will be the featured speaker at the May 21 meeting of the Springfield Democratic Club.

Alex Blackman, President of the Club, is urging all those who are interested to attend the meeting which starts at 8:00 p.m. at the American Legion Hall.

"We're building a good club to supplement our County Committee" said Mr. Blackman, "and have been gratified at the size of our recent meetings. As a matter of fact, we had to switch our meeting place back to American Legion Hall because the room made available to us at the Springfield Steak House wasn't large enough to hold the crowd."

"We welcome the active participation of all those interested in a Democratic victory in November."

Springfield Women Organize New Twig Unit For Overlook

Six years ago, a group of Springfield women formed the first Twig for Overlook Hospital in the Township and the members have given freely of their time in service to the hospital every week.

Since that time, two additional "twigs" have been formed in Springfield to prepare bandages and dressings and make bibs for the babies of Overlook. Twigs are identified at the Hospital by their cherry red uniforms which they wear as they perform their duties. "Twigs" are branches of the Women's Auxiliary of Overlook which reach out into communities served by the hospital.

The various Twig groups donate thousands of dollars and service hours to the hospital. They cooperate in the work of the Women's Auxiliary by means of financial support or volunteer service, or both. All three Springfield twigs are service groups, and one has an additional purpose - that of raising funds - to provide nursing care for patients while convalescing, after their release from the Hospital.

The Springfield Twigs this year donated more than 1050 hours of service to Overlook.

The principal project of Springfield Twig #1 is the manning of the Nourishment Cart every Friday evening. Juices, milk, and cookies are served to patients throughout the hospital, before bedtime.

Perhaps, as important as the liquids themselves, are the friendly smiles and words dispensed by the women as they make their rounds on the various floors.

In addition to this main project, various members of all three Springfield Twig groups have served many daytime hours in many departments at the hospital.

League Of Women Voters To Hear About Juvenile Problem

The League of Women Voters of Springfield will hold its annual Spring Luncheon on Saturday, May 26, at 12:30 p.m. at the Bottle Hill Inn, in Madison.

Mrs. Thelma Sandmeier, Principal of the Gaudineer School will speak on the subject of Juvenile Delinquency, a problem she has become very familiar with, not only in her role of educator, but also as Chairman of the Springfield Conference Committee.

The League of Women Voters Chapter of the National Society of the Daughters of the American Revolution.

She has been honored by the Plunge School, and the Lions Club proclaimed her Citizen of the Year in 1958.

In 1960 the Springfield Board of Education named its newest school in her honor.

The League welcomes all who wish to attend, and suggests they call Mrs. Stephen Beno, DR. 6-1719 for luncheon reservations.

Name Bonadies As Director Of Travelers' Aid

Township Committeeman Vincent J. Bonadies has been named to the Board of Directors of the Travelers Aid Society of Northern New Jersey.

Notice of the appointment came in a letter from President Joseph A. Lupo in which he stated that the Travelers Aid Society is looking forward to a successful year.

VINCENT J. BONADIES' year of working together to expand the program and helping the ever-growing group of people on the move who have need of our services in the Northern New Jersey area.

"Your energy and effort, combined with ours," the letter continued, "will give the program added impetus and we are confident that we will be better able to achieve our goals."

MRS. THELMA SANDMEIER This is a court-appointed local group whose aim is the prevention and correction of those juvenile problems which, if unchecked, might lead to further, more serious delinquency.

Work of the organization, now in its eighth year, is kept quiet in order to protect the offenders, but it has been estimated that several dozen youngsters have been spared juvenile records as a result of the work of this committee.

A native of New Jersey, Mrs. Sandmeier was awarded a Certificate of Merit for public service by the Church and Cannon

Full Week-End Program for Temple Beth Ahm Dedication

Temple Beth Ahm, Springfield, New Jersey will dedicate a new Temple building the week-end of May 18, 19 and 20.

Dedication Sabbath Services, conducted by the Temple Youth Group will begin 8:45 p.m. Friday, May 18 and will be followed by an Oneg Shabbat sponsored by the Sisterhood of the Temple, Saturday, May 19 at 10 a.m., the Dedication Sabbath Morning Service will be conducted by the students of the Religious School and will be followed by a Kiddush sponsored by the Sisterhood.

Open house tours will be conducted by members of the building committee from 2-4 p.m. and Dedication Ball will begin at 9 p.m. Saturday. The Men's Club will sponsor this event for Temple members.

The formal dedication program and Torah Processional will take place Sunday, May 20 at 1:45 p.m. It will be at this ceremony that the Torahs will be transferred from the old building to the new building. Formal dedication of the Ark and the kindling of the Eternal Light will be followed by choral selections by Cantor Kramerman and the Temple Choir.

The main speaker for the Sunday program will be Rabbi Simon Ginstrom, President of Northern New Jersey Region, Rabbinical Assembly of America. Present at the affair to extend greetings will be United States Senator Harrison A. Williams Jr.; Congresswoman Florence P. Dwyer; Mayor of Springfield Philip Del Vecchio; Sheridan Schechter, President of the Northern New Jersey Region of the United Synagogue of America; Dr. Max Gruenewald, Rabbi, Congregation B'nai Israel, Millburn; Rabbi Israel S. Dresner, Temple Sharey Shalom, Springfield; Reverend Bruce Evans, Minister, First Presbyterian Church, Springfield and architects Mr. Percival Goodman and his associate Mr. Stanley James Goldstein.

Rabbi Levine Offers New House Of Worship To Entire Community

"We of Temple Beth Ahm are understandably proud of our achievement. To have planned, financed and erected a building such as ours is a noteworthy accomplishment for our young congregation."

"We pray that our new edifice, but rather for the entire community."

"Every house of worship in Springfield is a token of the role religion plays in the life of our citizens. Each church and synagogue should be a landmark of the Spirit for everyone residing in our Township, regardless of his or her personal persuasion."

"These are the indications, for one and all to see, that within the collective heart of our citizenry there dwells the urge to seek God, to live in accordance with His teachings and to seek the friendship and brotherhood of one's fellow man."

"In this spirit we offer our new building to the entire community as an additional witness to its striving after truth and its desire to imbue life with spiritual and moral values."

"Together with our prayer of gratitude for the privilege of erecting an edifice dedicated to the preservation and realization of Divine Teaching, we add our sincere wish that Temple Beth Ahm will always be a source of spiritual inspiration to Springfield."

"May it be looked upon with pride by all who behold it."

RABBI REUBEN LEVINE will help to inspire those who worship in it with renewed dedication to the ideals of the Bible and to the teachings of their religious heritage.

"It is important however, to be aware that our structure is not only a symbol of spiritual devotion for the congregation

Here's Description of Photo Showing Springfield In 1896

The photo to the left was taken by Edwin D. Pannell in 1896 and comes from the collection of the Springfield Public Library.

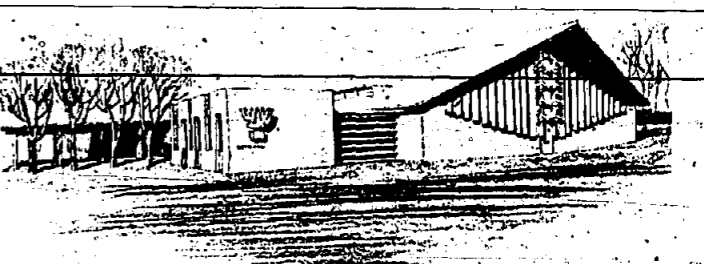

It shows the Seven Bridge Road better known as Springfield Avenue looking north-east from Morris Avenue, towards Maplewood.

This road was part of the Springfield and Newark Turnpike, laid out under an act of the State Legislature, passed March 3, 1806, by Commissioners appointed by the Governor.

The building at the left in this picture was the carriage and wagon shop of James Farrow, later conducted by John Koch, and stood on the present site of Dobbs Auto Body Shop.

The yard of the Keovic-Eacher Lumber Co. is presently back of the fence at the right. The original width of the road, as specified by the Act, was "four rods" (66 feet), but it was actually laid out on a width of 30 feet.

The name "Seven Bridge Road" was derived from the fact that it took many bridges to get the road across all the little streams which emptied into the Rahway River from the northwest.

Will Review Miller Book At Meeting

The controversial novel "The Tropic of Cancer" written by Henry Miller will be the subject of a review given by Mr. Harold L. Roth, Director of the East Orange Library at the May meeting of the Springfield Chapter of B'nai B'rith Women. The meeting will be held May 23 at 1 P.M., at the Temple Beth Ahm, Baltustol Way, Springfield.

Mr. Roth, who has worked for the New York Times, and who is Chairman of the Building and Equipment Section of the American Library Association, was brought to the public's attention last summer by his stand that

persons ignoring library procedure concerning overdue books, be fined. This action received national attention with Mr. Roth the center of an article published in Life Magazine.

A short business meeting will precede the review. Mrs. Terry Strauss, President, will preside. For further information concerning the meeting contact Mrs. Amalia Terry, 1st. vice president and programming chairman at MU 2-9034. The meeting is open to the general public. GETTING READY—for the annual Spring Concert at Governor Livingston Regional High School are, from left to right; Richard Halkowich, trumpet, Cynthia Brandie, soprano, Ted Davis, baritone, Karen Kirk, oboe and Elizabeth Bryan, accompanist.

Mrs. Lou Cethami, Mrs. Robert Buffington, Mrs. Charles Miller and Mrs. Vincent Bonadies, have returned to Springfield after four days in Atlantic City, where they were delegates at the convention of the New Jersey Federation of Women's Clubs. The ladies stayed at the Haddon Hall Hotel, and proudly came home with first prize for a press book in the weekly publication classification.

Two young Springfieldites were the proud recipients of Gold Awards at the annual auditions of the Music Educators Association of New Jersey, held on May 12. Seven-year-old Caryn Groder is the daughter of Mr. and Mrs. Joseph Groder of 395 Meisel Avenue, and ten-year-old Holly Ruth is the daughter of Mr. and Mrs. Henry Roth of 68 Twin Oaks Oval. Both girls are piano pupils of Mrs. Oscar Fidel of Richland Drive, Springfield.

Mrs. Allen Borsky, of 122 Kipling Avenue, Springfield, has been notified that she will be honored with a life membership in the National Deborah Board of Trustees, when that group meets on May 20 at the Benjamin Franklin Hotel in Philadelphia. Mrs. B. has been active in Suburban Deborah for a number of years, and has served two terms as President. This is a particularly gratifying honor, since Life Members in the Board usually have grayed, if not wisened, heads than Mrs. Borsky.

Mr. and Mrs. Stanley A. Plytynski, of 182 Hillside Avenue, Springfield, entertained at a dinner party in honor of their daughter Christina, who received her First Holy Communion at St. James Church on May 5. Among the twenty-five guests from Staten Island, Bayonne and Jersey City were her Godparents, Mrs. Edward Kaye of Bayonne and Mr. Joseph Behson of Staten Island.

Mr. and Mrs. Peter Malloy, Jr., of 51 New Brook Lane, Springfield, announce the birth of their first child, a son, on April 29 at Columbus Hospital in Newark. The young man, who has been named Peter Malloy, III, weighed seven pounds; three ounces at birth.

Miss Phyllis Kaplan, daughter of Mr. and Mrs. David Kaplan of 165 Henshaw Avenue, Springfield, was guest of honor at a bridal shower on Saturday, May 12, at the home of Mrs. Allen Borsky of Kipling Avenue, Springfield. Phyllis, who will be changing the prefix, but not the name, will be married on June 17 to Mr. "Buzzy" Kaplan, son of Mr. and Mrs. Irving Kaplan of Pottsville, Pa. The lack of name change should create some really amusing incidents for Phyllis and Buzzy in the years ahead.

Expectations
"This report card in a disgrace. You can do better than that. Your father will be disappointed that you're not at the head of your class, and you could be if you tried," a mother scolds her 12-year-old son. Perhaps the son does need to be prodded and given incentives to work hard in school, but is this mother using the right approach? Does her son really have the ability to be at the head of his class? Can he make the grade even when he does try hard? It's likely these parents have set too high a standard for their boy. Expecting more than he has the ability to accomplish may hurt him a great deal. A youngster will find various ways of reacting to such a situation. He may run away because he's afraid to go home. He may begin to lie and say he lost his report card or that the school isn't giving him this year — then forge his father's signature. Cheating is a usual result, and the child feels that he is cheating not for himself, but for his parents. When parents expect too much of their children, trouble usually follows in one behavior form or another. Then the youngster gives up because he can't ever succeed. Parents naturally want to be proud of their child, but can't they be proud even when he isn't at the head of his class? It's necessary to be satisfied with the best he can do and not push too hard for more.

Nine Springfield Girl Scout leaders and their husbands attended the 50th Anniversary Girl Scout Dinner, at the Arbor Inn, Plainfield, Mrs. Edward Kisch, Neighborhood Chairman and Mr. Kisch, Mr. and Mrs. Anthony Cicconi, Mr. and Mrs. Joseph Carroll, Mr. and Mrs. Joseph Sergi, Mr. and Mrs. Michael Viciedo, Mr. and Mrs. F. Solia, Mrs. Lee L. Andrews, Jr., Mrs. Robert Zelgler and Mrs. Phillip Del Vecchio.

District 8, of which Springfield is a part, won the Laura Snyder Award. This award is given yearly to the district having the largest attendance at Annual Meeting and Dinner. District 8 is a second time winner.

The highlight of the evening was a Fashion Show, of Girl Scout Uniforms from 1912 to the present day. Uniforms. Guest speaker was Mrs. Herbert C. Schuckler who's topic was "Suddenly-It's Tomorrow."

The Heritage Trail Chorus, entertained those present, with a selection of songs, which they have recorded for the Washington Rock Girl Scout Council.

Discussion Groups Popular At Springfield Public Library

The winter of 1961-62 has seen a great deal of lively discussion of great books in the Free Public Library of Springfield. Every two weeks a group of men and women interested in reading met in the Library at 30 Main Street and talked about one of the books listed in the Third Year Series of Great Books.

No matter if the weather was bad or good, the group, large or small, someone always came forward with interesting thoughts and everyone present, before he left, felt that his mind had been stimulated. No matter how heated or personal the discussion became, each person's views received tolerant consideration and each expressed his own thoughts with consideration and courtesy.

At the beginning, forty-two people signed up for the series. For various reasons all could not continue; some could not come every time, one or two even joined after the series had started. Attendance ranged around fifteen or twenty, with a low of ten and an upper reach of twenty-five. If the Great Books group continues to increase in numbers next year as in the past, it may be necessary to split it into two sections.

This year Mrs. S. Bryant Haas has been the discussion leader and has brought to it her unusually keen mind and careful preparation. At times the amount of preparation has become so great that several other members of

the group have assisted for one evening. Mrs. Haas has earned the affection and the gratitude of the entire group. It is hoped that some of them can help lead the group another year.

Beginning Thursday May 17, Miss Rachel Leon, Director of the Great Books program in the New York area, is giving a leader training course in Plainfield. The following people from the local group have agreed to attend: Miss Emilie M. Kermer, Mrs. Claire Marx, Mrs. Doris E. Mezger, and Mrs. Mildred Yellin.

This training for leadership of a discussion group is a valuable discipline which can be applied to almost any group situation. The course, sponsored by the Great Books Foundation, is free. It is held every Tuesday evening for six weeks from May 17 through June 21. Any interested person may attend.

The new Assistant Director of the Springfield Library, Mrs. Helen C. Francis, has had experience with discussion groups. Anyone wishing to go along with the group to the Leadership Training course in Plainfield may get in touch with her for further directions. The Springfield Library number is DR 6-4264.

Anyone who wishes to be informed about the Great Books Discussion which will be held next winter may give his name to Mrs. Francis at any time.

SPRINGFIELD CITIZEN OF YEAR: Mrs. Theresa Doherty accepting plaque from Don La Moita, chairman, (left) and F. DeFino, president of Springfield UNICO, in center. The award was made by UNICO at the Chanticleer with approximately 200 attending. Judge A. Gullano of Superior Court of New Jersey was toastmaster and honored guest.

Do You Know 16 Pancake Varieties? Recipes Given

How many kinds of pancakes do you serve? How many do you know about? A restaurant in New Orleans serves 18 kinds every day. All are delicious.

The place is known as the Pancake House, and there is a choice for breakfast, luncheon or as a dessert dish at any time of the day. Some have such intriguing names as Dutch Babies, 49ers, Palestine Pancakes or Dollar Pancakes.

From the standpoint of good eating—Cocoanut Pancakes and Southern Pecan Pancakes vie with Blueberry Pancakes or French Pancakes with Strawberries and Triple Sec Suzette Topping.

Pancakes are one of the oldest food dishes. In the early days in rural American homesteads spoke of making "flour batter" for the family — this was a filling, economical dish and was easily and quickly made as long as flour was on hand.

Pancakes, though high in carbohydrates, do have one nutritional advantage in that they are low in fat. But many modern pancake varieties have added minerals and vitamins from fruit or vegetable ingredients. Swedish pancakes with Lingon Berry Butter, Jamaica Banana Pancakes, German Potato Pancakes, Cottage Cheese Pancakes, and

Apple Pancakes all contribute to a variety of daily nutritional needs.

The original Pancake House in Florida has the exclusive franchise to use their recipes in sixteen southern states and Puerto Rico, but many other good recipes for pancakes are available.

Here are three:

- LEMON PANCAKES
1 teaspoon grated lemon rind.
2-1/2 cups sifted flour
4-1/2 teaspoons double-acting baking powder
1 teaspoon sugar
2 eggs, beaten
2 cups milk
1/4 cup melted shortening
1 teaspoon salt

Sift flour, baking powder, sugar and salt into a bowl. Combine eggs, milk, shortening. Stir in

lemon rind. Add to dry ingredients. Beat only until flour is dampened (batter will be lumpy). Fry pancakes on an ungreased griddle. To dry each pancake, pour about 1/4 cup of batter on hot griddle. When the edges become dry and some of the bubbles break, turn the pancake and cook until brown on the other side. The pancake batter may be prepared in advance and kept overnight, tightly covered, in the refrigerator. Makes about 12 four-inch pancakes.

QUICK BLUEBERRY PANCAKES
1 cup milk
1 egg
1 tbspl. melted or liquid shortening
1 cup pancake mix
1/2 cup fresh, frozen or canned blueberries, drained

Place milk, egg and shortening in a shaker or glass jar. (If melted shortening is used, add after pancake mix.) Add pancake mix; shake vigorously 10 times or until batter is fairly smooth. Pour batter onto a hot, lightly greased griddle. Sprinkle each pancake with berries before turning. Turn

and bake on other side. Serve with butter and syrup. Makes 3 servings.

Cake Sale

Holy Cross Lutheran Church will hold a cake sale on Saturday May 19th at the Grand Union in Springfield. Chairman Mrs. Sigurd Holme and Mrs. Horace Libby announce the sale will begin at 10 a.m. and continue until all items are sold. The proceeds from the sale will go toward the building fund to furnish the kitchen of the new church soon to be built.

Luncheon Card Party

The Ladies of UNICO of Springfield are planning a LUNCHEON CARD PARTY to be held at B. Altman's & Co. on Wednesday June 6, at 12 noon. Tickets may be obtained from Mrs. Anthony Zarrello, Chairman at DR 6-1576 or from any member.

JAYCEES GET BANNER FROM CHAMBER OF COMMERCE—Bert Jones, President of Springfield's Junior Chamber of Commerce, and Henry Grabara (right) president of the Chamber of Commerce gave a dinner for its members at the China Sky Restaurant, Springfield. Will Salesky Chairman of the Merchants Committee, commented favorably on the Springfield Shopper, an advertising program which was mailed to ten thousand homes in this area. Reference was also made to the successful sale held in conjunction with the Springfield Shopper, and methods of improving business atmosphere of Springfield were also discussed. Guests at the dinner was Bert Jones, President of the Junior Chamber of Commerce—Henry Grabara, President of the Springfield Chamber of Commerce presented a Banner to the Junior organization, and welcomed them into the family of Service organizations, dedicated "to improving their lives". Mr. Jones thanked the members of the Chamber of Commerce for their fine gesture and outlined some of the work done by the Junior Chamber of Commerce. (Photo D. Schwartz)

With GAS HEAT you never have to worry about fuel deliveries

When icy storms and snow drifts hit New Jersey, homeowners with gas heat have little worry about comfort. With safe, dependable underground delivery directly to their furnace, there is never a fuel delivery problem—never a fuel shortage. And gas heat is so clean, the housework is "lessened"—there's never any soot or oily grime to dirty curtains, furniture and walls.

Another very important advantage is that Public Service gives, without charge, prompt efficient service on the gas burning parts and controls of gas heating equipment. Because gas equipment has fewer moving parts it lasts longer—costs less.

Do what so many Public Service customers are doing every year — "Join the Swing to Gas Heat."

Good Neighbors... ???

The present dispute between Westfield and Scotch Plains over the construction of a town yard on the Westfield side of the boundary line brings up some interesting points on the relationship communities have, and should have, with each other.

Westfield certainly has a problem. The town sold the site of its present yard near the center of town in order to allow Hahn and Co. to come to town.

Since 98% of the community is residential, it does not have too many available areas. The site near the boundary line is owned by the town, and therefore easy and inexpensive to utilize.

Because it is on the outskirts of a community that prides itself on its excellent residential status, it seems to be an ideal location all-around -- from their point of view.

But what about Scotch Plains? In this same area there are many fine \$30,000 homes and others of even greater real estate value.

Here is one of our nicest areas suddenly placed next to a busy garage-to-be with trucks belching in and out all day long.

By closing our eyes and picturing the scene, most of us can get a pretty good idea of how we would feel if this happened to us.

Granted, there are many conditions in everyday living one must accept, but is this one necessary and fair to all concerned?

Is it fair even to the residents of Westfield who have the misfortune to live in a zone classified as residential, but is still scheduled to have township trucks in its midst, creating more traffic and increasing safety hazards for children?

Westfield contends that each town should have the right to plan its zones the way it sees fit, providing it does not create a major nuisance in the category of a jetport.

This causes us to agree with the Scotch Plains contention that Westfield's action is downright unneighborly and unfair.

According to these standards each community would be encouraged to put its most undesirable elements at the border of the next town, creating a series of industrial "no-man zones" between communities.

Even this would not be too bad for communities which have similar zones on their boundaries. But to place one next to your neighbor's residential area without consideration for his feelings seem a little unfriendly.

It reminds us a little of the man who burns garbage on the fringe of his property when the wind is blowing towards his neighbor's kitchen at mealtime.

It seems that for years there has been an artificial "class distinction" between Westfield and Scotch Plains that should be exposed for its phyness once and for all. It also reminds us of the old stories about the "shanty" Irish and the "lace-curtain" Irish and the anecdotes about people who live on the "good" side and the "bad" side of the railroad tracks.

Certainly the people of Westfield and Scotch Plains do not want to be snobs and foster their unbecoming sides on each other. A real estate man may say on occasion, "You are paying for the name of Westfield," but this doesn't impress us in Scotch Plains no more than it impresses most of the genuine people of Westfield.

Let's get over the idea that Scotch Plains is a stepson of Westfield and insist that each town have its own individuality and be treated as equals.

Here is a time for every individual in our town to rally behind the town council and Attorney Harry Bernstein as they fight for Scotch Plains' rights in the matter.

Send letters to the governor and let him know what is going on. Let's make all the state acquainted with what has happened and let them decide which one has been the good or bad neighbor.

It is growing increasingly important to be good neighbors these days, here and throughout the world. Let's hope that Westfield will reconsider and take its wash and hang it out some place else -- other than facing our front lawn.

Help Fight Multiple Sclerosis

Among the millions who watched and thrilled to Col. John W. Glenn's heroic flight into outer space were thousands of wheel-chair-bound and bedridden multiple sclerosis patients whose own outer space lies just one step beyond the room in which they spend most of their lives.

As with most people stricken with a chronic disabling illness without known cause or cure, the MS patient's horizon lies inward, into the barely explored neurological complex which can be termed man's inner space.

Here, too, are worlds to be conquered, battles to be won, lives to be saved and regenerated.

An estimated 500,000 Americans are victims of MS and related diseases. Their pillar of hope is the MS Hope Chest Campaign of the National Multiple Sclerosis Society which runs from Mother's Day, May 13th to Father's Day, June 17th.

Organized to support and stimulate research into multiple sclerosis and related diseases, the Society now numbers 165 chapters, branches and units. It has sponsored 167 research projects and awarded 41 fellowships to young research scientists.

Its chapters, including the Upper New Jersey Chapter at 9 Clinton Street, Newark, maintain patient service programs and support, wholly or in part, 33 MS clinics.

The knowledge gained from the Society's activities has convinced the research scientists that they can find the conviction is not enough. The Society's program of research, patient services, and lay and professional education depends upon public financial support. To the MS patient, the discoverer of the cause and cure of multiple sclerosis will be a glorious hero.

Your support of the MS Hope Chest Campaign can help bring this about. Tax deductible contributions can be mailed to the Upper New Jersey Chapter or sent in care of your local Postmaster.

New Medical Center For West Essex

Greater West Essex salutes the new Saint Barnabas Medical Center on the celebration of its Cornerstone Laying Ceremony on Friday, May 25th at 11:00 a.m.

Since Saint Barnabas will be our own new hospital, let's have an attendance second to none. Each of the 21 communities served by this \$12,000,000 "Hospital of Tomorrow" will have its own special section. The town that turns out the largest contingent will be singled out for special recognition.

We urge that representatives of the Mayor's Office, Chamber of Commerce, Fire and Police Departments, Rescue Squad, the High School Band, City Officials, Service and Civic Clubs as well as the general public will turn out in force to assure our town the best possible attendance.

Let's really rally around the Springfield banner and show the other towns in West Essex what civic pride really is!

On Genova

Editor, Mountainside Echo:

It is not an easy thing to ask a man to stand for Borough Council knowing in advance some of the hazing he will have to take. I must accept a good share of the responsibility for asking Leo Genova to do this. He has now been exposed to the kind of fire some of his predecessors have known. I am proud to be associated with him. Calm, patient, strong, these are the qualities the opposition have shown him to have.

Mr. Genova has proven himself to be twice the man his critics are. Just the kind of man who will go on to clean up the muddle in Borough Hall.

Very truly yours,

Zenobia Forgets!

Editor - Beacon;

ZENOBIA FORGETS!

Mr. Smyth's handling of a rebuttal to my clearly stated principles is typical of the subtle methods practiced by his ruling clique, frightening good thinking people both Republicans and Democrats by taking portions of statements out of context to make an individual look bad.

We Democrats refuse to mislabel people with irrelevant, Sherman Adams type "guilt by association" propaganda.

His twisting of my statement about the Volunteer Fire Department to make it look like I was impugning the work of these dedicated men... He failed to note that what I was vigorously opposing was the rash of patronage offices among which was the inclusion of an appointment of a fire inspector at \$5,000 per.

Such an appointment would, in no way, change the Class B Rating of our high fire insurance premiums. However, the erection of a fire house for the Eastern end of town with that kind of money would be far more valuable and give the town better protection.

Mr. Smyth also stated a salary figure of \$10,000 for a Township Administrator again conveniently forgets the salary is now \$12,000. I would also like to remind our citizens that Mr. Smyth made a vitriolic attack of the Township Committee's appointment of Tom Williams as Mayor. Yet, now he bespeaks of him as an old buddy.

In his mention of one continuous rule for thirty consecutive years as being the voice of the people, he glosses over the fact that many good suggestions were proposed by Democrats, then adopted by the Republicans.

Boss Ruler Smyth is worried about certain issues which the Democrats will expose at the appropriate time. His deceptive tactics to allure newly registered independents are plainly evident.

Where oh Where?

Dear Editors,

Where, oh where, have you been? What with Mrs. New Jersey of '62 Gloria Johnson of Mountainside and Mrs. Union County of '62, Faye Granberry of your own Berkeley Heights you should write an article in last week's paper suggesting a Mrs. N.J. Contest with local competition.

There was local competition this past year and in previous years.

Please, please come up to date.

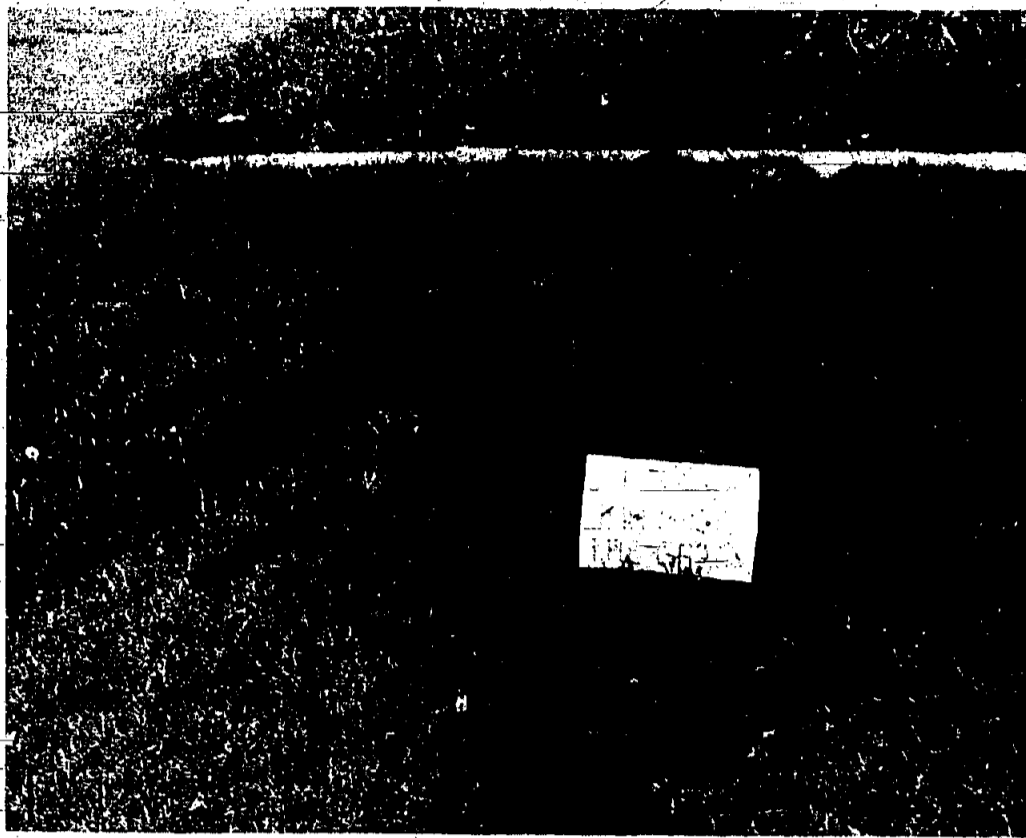

Sincerely,
Mrs. Union County '62

Wrist Slapped

Editor, Scotch Plains Times
Post Office,
Scotch Plains, N.J.

Dear Sir:

Once again I read, both with interest and with some consternation, the article published in the Scotch Plains Times last Thursday regarding school elections. I was rather puzzled as to why your paper made the same comments that it had made in your edition of Thursday, February 22, 1962 in regard to keeping the polls open longer than from the hours of 2:00 p.m. to 9:00 p.m.

IN A RUT--Lawn of Mr. and Mrs. William Jensen of Birch Hill Road, has been used for some sort of moronic fun by teenage drivers who speed across the grass late in the evening. Police officials in Mountainside have apprehended one young driver and have made it clear that anyone caught partaking in this juvenile pastime has an excellent chance of losing his drivers license.

A Thanks

Editor, Springfield Sun: On behalf of the officers and members of the newly formed Teen Democratic Club of Springfield, we wish to thank publicly the many people whose cooperation and efforts enabled our first function, our Spring Dance for Springfield Teenagers held Friday evening at Chisholm School, to be such an overwhelming success.

Our gratitude goes to the staffs of the Board of Education and the Police Department for their cooperation, to the Springfield Sun for our publicity, to Mr. and Mrs. Earl Lawitz, Mr. and Mrs. Ed Logan, Mr. and Mrs. Ed Lillian, and Mrs. Louis Blumenfeld who acted as chaperones, and finally, but certainly most important, to the two-hundred and fifty teenagers who attended our dance.

Their fine conduct has encouraged our sponsoring group, the Springfield Democratic Club, to give us permission to hold further functions for the enjoyment and benefit of the teenagers in town.

Money Matters

By Donald H. Shafman

This article is one of a series which will regularly appear in this newspaper dealing with investments and financial and estate planning. Periodically, Mr. Shafman, who is President of Donan & Co., Inc., and a former practicing attorney, will devote a column to answering readers' questions. These may be sent to The Springfield Sun, Springfield, N.J.

We are constantly surprised at how many people religiously get their physical and dental check-ups, and yet rarely get around to realistically examining their financial well being. Realizing that this is frequently so due to not knowing where to begin, we offer herewith some suggestions.

In the first place it is important to remember that, in many respects, a family is not unlike a business -- it should show a profit. Get out your pencil and start reviewing your past expenses and future plans.

If your plans are sound, your "business" should show a profit after normal operating expenses. This profit may show up in various ways, e.g., additional cash in the bank, mortgage reduction, increased life insurance cash value, additional investments, etc.

After considering these profits, many of which are hidden, as with pension plan contributions, your own past results may pleasantly surprise you.

On the other hand, if the figure was disturbingly low, be honest in seeking the reason why. You may discover that your only problem is lack of will power, or you may actually be living beyond your means. However, remember that your neighbor who is making twice as much as you may be complaining even louder about the difficulty of making ends meet. Remember also that many people live on less than you!

You will certainly want to review your life insurance program. Don't look for a pat formula that's right for others; rather relate the picture to your own family situation. Instead of thinking of lump-sum values, think in terms of income for your family, and payment of debts. Also consider income replacement insurance in case you become disabled, and major medical coverage for large medical expenses which may not be covered under your hospitalization policy.

When considering savings and investments, keep in mind that a good place for your money yesterday may not be suitable today. Consider whether you need absolute dollar safety or can you take some risk? Do you prefer income now or a chance for larger profits later? Must you keep your money readily available, or can you invest for the long-term?

Above all, if you've conducted your personal "business" on a hodgepodge basis in the past, resolve to work out a plan for the future--and stick to it!

Realtors Luncheon

The annual Womens Luncheon of the Oranges and Maplewood will be held at the Canoe Brook Country Club, Summit, Thursday, May 17, at 1 p.m. The luncheon will be preceded by an informal cocktail hour. Mrs. Anne Sylvester, President of Anne Sylvester's Realty Corner, Springfield, is chairman of the affair. After the luncheon clothes by Franklin-Simon will be modeled by a bevy of attractive real estate sales women and Mrs. Harriet L. Moore, President of the Board of Realtors will be the commentator.

Mrs. John Leopold introduced the program for the day "I've Got a Secret". All members participated in this get-acquainted game and prizes were awarded. Mrs. Donald Leo was chairman of the day.

Past members and guests are invited to attend the next meeting of the club, which will be held June 11.

'Friendly Visitors' To Attend Course

Friendly Visitors, recruited from all areas of Union County by the Visiting Homemaker Service of Central Union County and the Upper New Jersey Chapter, National Multiple Sclerosis Society, will attend a one-day orientation course in Roselle on

Thursday, May 24. The sessions will begin at 9:15 a.m. and run through 3:35 p.m.

Miss Helen Parker, county chairman, today announced the Union County professional leaders who have volunteered to teach the course: Fred F. Sen-

erchia, Jr., M.D., Elizabeth Mrs. Edwin Clair, director, Visiting Homemaker Service, Benjamin S. Ettinger, director, Union County Association for Mental Health, Miss Gladys Schultes, Westfield District Nurses Association, Mrs. Ruth Dudley, di-

rector, Plainfield Department of Welfare, Mrs. Louis Zibalsky, director, Elizabethtown Red Cross Chapter Home Service, Mrs. Ethel Mathiasen, director, Bayway Community Center, Rev. Willard Bicket, pastor, Plainfield Congregational Church, Mrs.

Murjel Taggart, social work coordinator, Upper New Jersey Chapter, Multiple Sclerosis Society and Miss Marion Selbie, director, Plainfield Visiting Nurse Association.

"The ill and aged who are homebound have a lonely existence," said Miss Parker. We hope that men and women of all ages who feel they have some

time to devote to others, will help dispel some of this loneliness—by becoming Friendly Visitors to the homebound. We urge them to volunteer for our course and become a part of this very worthwhile service."

Asked to devote approximately five hours a month, at times convenient for the volunteer, the Friendly Visitor is assigned to call upon specific patients who need contact with their communities.

Egolf Warns That Rep. Dwyer Is Ignoring Trade

Union County is definitely among the areas President Kennedy had in mind when he warned "We must trade or fade," Rep. Florence Dwyer is blandly ignoring this warning.

This was the charge today from Mrs. Lillian Walsh Egolf, Democratic candidate for Congress

from the Sixth District. She said this industrial county's voice in Congress should be among the loudest clamoring for action.

"Instead we hear nothing from Mrs. Dwyer," she said. "She sits with the near-sighted and the narrowminded who are resisting the Kennedy trade expansion pro-

gram because of the temporary dislocations it might cause in some areas."

Union County exported more than \$55 million in industrial materials last year, Mrs. Egolf said. "Every dollar's worth of it was in competition with goods produced more cheaply overseas.

Quality is our major selling point, but when our competitor's achieve our level of perfection, where will we be? she asked.

Mrs. Egolf said she indorses the Kennedy trade act and she indorses the Kennedy view that America will be left behind if it doesn't face up to today's eco-

nomie facts of life.

"The administration has spelled out a program of tariff reduction and reciprocal arrangements that will keep us even with the fast-developing countries of the world trade bloc," she asserted.

"At the same time, the bill will help smooth out some of the rough spots that will come with these adjustments. The govern-

ment is ready to retrain whatever workers may be displaced and help whichever industries may be hit by the tariff changes."

"The Kennedy trade expansion bill treats cause and effect. It demands support of industrial counties like Union, but unfortunately Union's representation in Congress is blind to its need,"

MacPherson To Head GOP Club

Robert B. MacPherson, Fanwood public relations consultant, was elected president of the Republican Conservative Action Club of Union County last night at the club's meeting at the American Legion Hall in Westfield, MacPherson, who

founded the new club, will take office June 1, the start of the club's year.

Elected as vice presidents were Richard Schoel and Dr. Arvid Zuber of Westfield, Albert Mol of Westfield was elected treasurer, Mrs. F. L. Parker of Westfield was voted financial secretary and Mrs. Gay MacPherson was elected recording secretary.

Mrs. Helen Casey of Scotch Plains was elected historian and William McClenahan of Linden was elected librarian. Elected to the executive committee were Mrs. Robert Brearley of Scotch Plains, W.F. Boucher of Fanwood and Mrs. William H. Denlinger, also of Fanwood.

At its meeting, club members heard New Jersey and national tax policies decried by Frank Haines, research associate of the New Jersey Taxpayers' Association and Edward Magee, noted New Jersey Tax authority.

Mr. Magee said Governor Hughes has "repudiated the traditional American ideal of limited government" and assailed the state Democrat administration for "pushing New Jersey spending up to the half-billion mark and taking us further down the road to bankruptcy."

The GOP conservatives also heard reports on the club's current drive for new members and on club activities concerning national and state legislation.

The club will hold the third in a series of educational programs on state and national issues in Plainfield on June 5 when the subject will be "Let's Look at the Communist Threat."

Praise Oral Examinations
AUBURN, Ala. (UPI) — The oral examination not only is a better instrument to measure individual student achievement, but acts as a catalyst to provoke his thinking, according to two Auburn University professors who prepared a research paper on testing.

Dr. G. E. Tanger and T. C. Minn said their study showed a student may be able to work out assigned problems and pass conventional written tests but does not necessarily grasp the basic principles of the subject. Oral testing probes areas of understanding or lack of it which written tests do not discover, the professors said.

Obtain Floating Classroom
MONTEREY, Calif. (UPI) — The Hopkins Marine Station of Stanford University has acquired under a long-term charter the auxiliary-power sailing schooner TE Vega for use as a floating classroom. The National Science Foundation grants will enable Stanford to convert and outfit the 135-foot vessel for use in marine research. Three faculty members, 12 students and 15 crew members will man the ship on three 11-week annual research cruises, according to present plans.

Canny Orbits
NEW YORK (UPI) — The Can Manufacturers Institute estimates that if all the metal cans produced last year were laid end to end in a straight line, they would circle the earth 100 times.

Softballers Play Ball On Sunday

By Dick Schwartz

In just three short weeks Springfield is taking on the appearance of a town with an Adult Softball League. When we began this venture we had no idea of the acceptance it would receive from all corners of the community.

As things now stand we count about thirteen teams lined up to play ball when the season begins (we hope) on the 26th.

The first formal meeting of the new League this past Monday-evening in Ed Ruby's office was, we thought, a rousing success. Representatives from every team showed up for the occasion, and the overall feeling in the room was that of enthusiasm.

All problems raised at this meeting were disposed of through logic and mutual agreement. Equipment, for instance, was a factor easily overcome when all decided that only official balls and bats would be used. Same held true for umpires and game rules.

As we got down to playing dates, Ruby advised the group that Little League schedules have all Springfield playing fields wrapped up until June 23rd. A quick bit of discussion brought about the idea of Sunday morning playing dates until after the 23rd when we could then swing into a few evenings a week.

Finances proved an easy obstacle. It was agreed that each team would, at our next meeting, (Monday, same time, same place), present a \$25 entry fee. This money, which boils down to about \$2 per man, would be put in a kitty from which we would pay umpires and meet other costs such as insurance and field equipment. In addition to the \$25, it was voted that each club be responsible for its own balls and bats with the home team probably supplying a new game ball. Spikes were considered, and the consensus of opinion was that only softball shoes would be allowed, and this ruling would be subject to the whims of each individual player. As for the length of the season, while nothing was formally decided, the feeling seemed to indicate that a week or so before Labor Day would be an excellent time to call it quits and start thinking about ADULT FOOTBALL AND BASKETBALL LEAGUES.

Those who were on hand for the initial meeting represented (1) the team comprised of single players; (2) American Legion; (3) Meeker; (4) Davron Studio (5) neighborhood team; (6) Fisher-Travel Bureau; (7) Watchung Weeklies; (8) Junior Chamber of Commerce; (9) Reinette Youth Center. In addition to these, Public Service, Friden Machine, another neighborhood team and Victory Engineering have shown a willingness to join, the first three approaching us Tuesday morning.

It was decided that a sort of pre-season practice round should be played this Sunday so each team has a chance of looking the other over. The schedule for Sunday reads:

9:30 A.M.
LEGION VS. REINETTE
DAVRON VS. KATZ
11:30 A.M.
FISHER BROS. VS. SINGLES
MEEKER VS. WEEKLIES
12:00

J.C. VS. VICTORY
ALL GAMES AT MEISEL AVE. FIELD
Other teams not represented in the above schedule are asked to show up at 12:00 when they will be assured of a game. (Specifically Friden, Public Service, D'Anunzio's team and any others who are interested).

ALL THOSE SINGLE-BALL PLAYERS WHO WISH TO GET TOGETHER TO FORM ONE TEAM SHOULD GET IN TOUCH WITH US AT DR 9-5000 IN CASE WE GET ENOUGH NAMES FOR TWO TEAMS BEFORE SUNDAY.

Don't forget the last meeting before the season begins, will be held in Ed Ruby's office, Town Hall, next Monday evening at 7 p.m. Rosters and a \$25 entrance fee should accompany team representatives at that time. . . See you Sunday morn!!

9 Hole Results

This week's results in the Echo Lake Country Club Nine Hole Womens Group Alibi Tournament (substituting par for three worst holes) reads: Mrs. A.W. Oehls, 1st prize; Mrs. W.W. Luginbuhl, 2nd; Mrs. J.D. Skinner, 3rd. Mrs. K.E. Hill won the putting prize with a low score of 16 putts.

Scotch Plains Blue Raiders Capture 3rd Spot In Annual Union County Track Championships

Burcz Clears 10'-8"

Pole vaulter Paul Burcz cleared 10 feet, 8 inches to give Scotch Plains - Fanwood High School its only individual championship in the 29th annual Union County Conference track and field championships at Plainfield on May 10.

Burcz beat out three other vaulters, including teammate Richie Smith, by two inches. Burcz' victory helped the Blue Raiders finish third in the 15 school field with 30 points. Plainfield won the championship with 45 points, with Union second with 37-1/6 points.

Scotch Plains beat out Westfield for third place by a three-point margin. Springfield Regional was the only school which failed to score in the meet.

Scotch Plains' Steve Harris, the favorite in the mile after his victory in the Newark Board of Education meet, finished second behind Linden's Neil Metzger. Harris had beaten Metzger in the Newark meet but succumbed to the Linden star's blazing finish. Hugh Sweeney, of Scotch Plains was fifth in the mile.

The Blue Raiders' Art Swartz was second in the discus, while Mickey Donovan was third in the shot put and third in the javelin. Marcellus Reed also scored in two events, placing third in the 120 yard high hurdles and fifth in the 180 yard low hurdles. Teammate Bill Edwards was fourth in the low hurdles. Coles accounted for Scotch Plains - Fanwood's other point with a fifth in the 220 yard dash.

OFF AND RUNNING—Pictured above are the representatives of those teams who want to start playing softball in the newly formed Springfield Adult Softball League. These boys showed up for the group's first meeting Monday evening at Springfield Town Hall. At that time problems were discussed and a practice round for this Sunday set up. It's still not too late to join the League if you're interested in exercise and competition. (see 'Softball' column on left).

Livingston Highlander Nine Snap Out Of It Just In Time For Union County Tournament

Just when it seemed that Governor Livingston Regional High School was about to hold a golden opportunity to qualify for the New Jersey State Inter-Scholastic Athletic Association's North Jersey Group 2, Section 2 baseball tournament, the Highlanders

snapped out of their lethargy. Upset by previous winless Piscataway, 4-3, on May 7 and by Clark Regional, 4-1, in a Union County Conference tournament game on May 9, the Highlanders carried a 6-4 record into their game with Ridge High School in

Basking Ridge on May 11. With the NJSIAA requiring entries for its tournament to have won 60 per cent of their games through May 12, the Highlanders were faced with a must game against Ridge. They had to win to qualify for the NJSIAA.

And win they did but not without a struggle. The Highlanders jumped off to a 5-0 lead in the first two innings but had to use three pitchers before finally posting a 6-4 triumph. Sophomore southpaw Bob Heuer was credited with the victory, the fourth for the

undefeated lefthander. With a 7-4 record, the Highlanders are assured of an NJSIAA invitation for the second straight year. Their first opponent was to be named this week. First-inning singles by Frank Fish, Art Thomas and Lynn Nes-

bit helped the Highlanders to a 2-0 lead against Ridge. Fish singled home two more tallies in a three-run second inning. Ridge bounced back against Governor Livingston starter Alan Kennedy for two runs in the second inning and added another in the third. The Highlanders moved in front 6-3 in the fifth and held off Ridge's late threats behind the relief hurling of Heuer and Jerry DiPasquale.

Fish and Nesbitt had two hits apiece in the Highlanders' sixth hit attack.

Kennedy also started against Piscataway and was the losing pitcher. Piscataway scored twice in the first and third innings to grab a 4-2 lead against Kennedy. Heuer relieved and turned in a sparkling 3-2/3-innings-of-hit-less pitching.

The Highlanders threatened to tie in the fifth when Thomas singled and scored on Fish's double. Nesbitt, however, fanned and the Highlanders were checked thereafter.

Governor Livingston was due to get back in action last Monday against Thomas Jefferson High School in Elizabethtown. The Tee Jays area a semifinalist in the Union County Conference tournament.

Raider Batsmen In Rough Slump

The baseballers of Scotch Plains-Fanwood High School, who started the season in such fine form that they gained a seeding in the Union County Conference tournament, continue to be plagued with a batting slump.

The Blue Raiders suffered their fourth straight loss on May 11 when they were blanked by Westfield High, 5-0, here. Mary-Howard limited Scotch Plains to just two hits, a single by Ken Durelle and a double by Tom Rutishauser. Durelle's single with two out in the sixth inning spoiled Howard's bid for a no-hitter.

The loss dropped Scotch Plains to sixth place in the Watchung Conference with a 3-5 record. The Blue Raiders are only one game behind fourth-place Clark Regional but will have to soon shake their batting slump if they are to finish in first division.

Dayton Nine Qualifies With Timely Victories

Take Hillside, 5-2, Roselle, 6-0 To Be Eligible For State Tourney

By Arnold Miniman

The Dayton Regional baseball team had its back to the wall last week, having to defeat both Hillside and Roselle, to qualify for the State tournament. On May 10, the Bulldogs downed Hillside 5-2, and qualified for the states the next day by shutting out Roselle 6-0, behind Richie Bittle's three hit pitching. The win at Hillside avenged previous 7-0 defeat at the hands of the Comets. Bill Kretzer went the route, allowing four hits, in posting his fourth victory against one defeat.

Hillside started the game as though they were out to set the world on fire. In the first inning Scully led off with a single, and scored on Pitcher Ric Fella's home run. Kretzer then passed Shutsky and Herman before he could get Korlesky to hit into a double play.

Springfield failed to score until the third inning when Jack Aggar, singled, stole second, and came around on Tony Fevola's base hit.

While Kretzer was in the process of retiring 14 batters, in a row, the Bulldogs tied the score in the fifth. Once again Aggar singled, and scored as the Comets made two miscues on Fevola's ground ball.

With the score tied at 2-2 in the top of the seventh, Springfield rallied for three runs to put the game on ice.

Catcher Rich Sevrin led off with a single, and was forced at second on Kretzer's attempted sacrifice. Aggar was safe when the left fielder errored his fly ball, and Fevola singled Kretzer in. Denny Francis then followed with a bases clearing triple.

Richie Bittle pitched three hit ball, and faced only 24 batters in seven innings, as the Bulldogs defeated Roselle, at Roselle, 6-0.

Aggar led the game off with a single, and Francis was safe on an error. With Aggar on third, Francis stole second, and both runners scored on Danny Mascaro's tremendous double off the left field fence.

Bittle breezed along as Springfield added 4 insurance runs in the third and fifth innings.

In the third, Sevrin, Steve Berger, and Bittle hit consecutive singles, Sevrin scoring on Bittle's knock. Butch Bell's triple in the top of the fifth opened the gate for three more runs. Burch scored on Sevrin's fielder's choice, Berger singled, and Bittle was safe on an error to load the bases. Then Aggar singled two runners across.

To qualify for the state tournament, a team had to be playing .600 ball by May 11. Springfield, with an 8-5 mark, is at .625.

BULLDOG BITS
Richie Sevrin, in subbing for Joe DiMario behind the plate, has been a valuable contributor

to the Bulldog offense, getting a key hit in both contests. . . Sophomore Steve Berger has snapped out of his hitting slump with 5 hits in the past three games. . . Bittle's sparkling victory was his first decision of the year. . . Jack Aggar, in going 6 for 9 in the last two games, has hit his average to .360, 17 for 47. On his last appearance in the Roselle game, he hit a long fly ball to left field that just missed clearing the fence for a home-

run. Joe DiMario was given a police escort to the Roselle game, and played the final two innings; Perhaps the Roselle team was afraid to win. . . Congratulations to Butch Lyon, of the junior varsity who pitched a no-hitter in defeating the Hillside J.V. 5-1. The junior varsity is now 6-4-1.

Girl's Softball
The Mountside Girls Softball League swung into this past week. Results are as follows: Monday, May 7, Cardinals 18-Bluejays 17, Flamigos 24, Orioles 16. This contest lasted only four innings, with the game called due to darkness.

On Tuesday, May 8, rain postponed the Canaries vs. Peacock encounter.

A rained out game of May 3 was played on the 9th with the following results, Eagles 11, Peacocks, 9.

HOW TO COVER FIRST—Coach Hunchar uses 1st baseman John Nakohecnay to show members of Berkeley Heights PAL just as a first sacker guards his base in the event of an infield grounder.

TWIN KILLING—Coach Hunchar used Bill Sawyer at second and Art Thomas at short to show young Berkeley Heights players the finer art of shortstop and second base harmony.

PLAY AT SHORT—Livingston coach Russ Hunchar instructs Berkeley PAL players on the correct moves at second base to complete the double play. The demonstrator is Bill Sawyer.

Beacon on Sports

BY JAMES

Some 57 varsity athletes at Governor Livingston Regional High School are going to be honored by the Highlander Booster Club next Tuesday night at a dinner in the Mountside Inn.

It will be a big night for most of the boys, a great night for some of the boys, an unforgettable night for one senior, (the winner of the Mike Suchena Memorial Award) and regrettably, a rather hollow occasion for some of the young athletes.

You might wonder how a night on which they are being honored for athletic prowess, a night when they will be listening to Tom Harp, the Cornell University football coach, a night on which half of the lettermen (all seniors) will be receiving trophies from the Booster Club can be a hollow occasion.

It probably seems impossible to you. But it can be! Just put yourself in the shoes of one of the athletes. Regardless of what sport in which you earned your letter you worked hard for it and you're proud of it. You have a right to expect -- or at least hope -- that your parents are proud of your achievement too. They should be!

But when you step up to receive your award and you look out at the seas of faces you notice a couple of familiar faces are missing. Where's mom? Where's pop? They're not here to share your glory on the biggest night of your budding athletic career. And somehow much of what the Highlander Booster Club is trying to do for you and other Governor Livingston athletes loses some of its meaning.

How important can an award be when your own parents can't take time to share in the glory of your moment in the spotlight? You're hurt and you have a right to be! And your parents have missed a golden opportunity to show their pride in your accomplishments. They may never have another opportunity to share in your athletic achievements.

Now you're probably sitting snugly in an easy chair thinking that if your son was being honored at a dinner you certainly would be there. Who could possibly pass up such an affair? The answer, unfortunately, is too many parents!

You don't believe it? Just think about this for a moment. When the Highlander Booster Club staged its first dinner for Governor Livingston varsity lettermen last May, more than 50 athletes were honored. That means that somewhat in excess of 100 parents should have been at the dinner.

A total of 56 tickets were sold and this includes sales to persons who didn't even have boys being honored as well as non-athletic students and girl friends of the boys. It's certainly safe to say that less than half of the honored athletes shared their glory with their parents.

With 57 athletes being honored next Tuesday night, there are some 114 parents who should be there. And there are going to be a good number of disappointed and disillusioned young athletes if there are less than 114 parents in the Mountside Inn.

If you're a parent of one of the 57 athletes being honored you should plan on being at the Mountside Inn. Nothing should be more important! Cancel that bridge date, Mother! The baseball games will be on television all summer, Dad! But it isn't every night that you can make your son proud that your his mom and pop!

SCOTCH PLAINS - FANWOOD TRACK TEAM TITLE CONTENDER

Scotch Plains-Fanwood High School has established itself as a definite contender for Watchung Conference, and New Jersey State Interscholastic Athletic Association Group 4 track and field championships this season.

The Blue Raiders gained recognition as a title threat with their strong showing in the Newark Board of Education meet when they tied Union High School for second place, just 3-1/2 points back of Montclair in the division for Group 4 schools. Montclair scored its decisive points in the final event of the meet.

Sophomore Steve Harris turned in the top performance for Scotch Plains winning the mile run in the excellent time of 4:20.2 minutes. Hayward Gibson barely missed joining Harris in the winner's circle with a javelin throw of 190 feet, 6-3/4 inches. He was edged out by 2-1/4 inches and had to settle for second place.

Mike Donovan captured third place in the javelin for the Blue Raiders, while Art Swartz took third in the discus event. The Blue Raiders other points came on Marcy Read's fourth-place finish in the 180-yard low hurdles.

In addition to tying perennially powerful Union, Scotch Plains Fanwood finished in front of such strong Union County rivals as Plainfield, Westfield and Linden. A real noteworthy accomplishment!

Big Purse For Ladies

The 27 top golfers who will compete in the J. E. McAuliffe Memorial Professional Women's Golf Tournament at the Plainfield-Gloucester Club June 21-24 will vie for one of the biggest purses on the Ladies PGA tour. The Mahlenberg Hospital Building Fund will receive all receipts from the tournament, which is sponsored by the Triangle Conduit and Cable Co. of New Brunswick, N. J.

The \$9,000 offered in prize money for the 72-hole tournament is the fourth biggest pay-off among the 19 tournaments scheduled for the lady pros this season.

The LPGA schedule released recently by Len Wirtz, tournament director, disclosed that only the Dallas Civitan Open, the Milwaukee Jaycee Open and the Carling Eastern Open in Wooster, Mass., exceed the McAuliffe Memorial in total purses offered.

The Plainfield tournament's first prize of \$1,250 is second only to the \$1,500 first prize offered by the Dallas and Wooster tournaments.

The purse distribution of the McAuliffe Memorial makes certain that nearly every player in the field makes a stop at the pay table after completing play. Under the prize money distribution set up by Carl S. Menger, tournament director and president of the sponsoring firm, 23 of the 27 contestants will share in the money.

"With the kind of money being offered for the McAuliffe Memorial, and the number of places paying a prize, it is certain that the lady professional make a real effort to collect part of it."

Hunchar Visits PAL

Russ Hunchar, athletic director at Governor Livingston Regional High School, Berkeley Heights, conducted a baseball clinic on Saturday, May 5th for members of the Berkeley Heights PAL Major and Pony Leagues.

Hunchar opened the session with an address to the boys on proper baseball attitude, including cooperation with others and the necessity of playing as a team not as individuals.

Hunchar then went on to illustrate many baseball techniques and plays.

Burkemo Twice Wounded

BIRMINGHAM, Mich. (UPI)—Pro golfer Walf Burkemo was a sergeant with the Seventh Armored Division from 1942 to 1945 and saw action in the European Theatre of Operations. He was wounded twice, first on D-Day and later in the Battle of the Bulge.

Clark Upends Highlanders Regional Bows 4-1

Rudely upended by a team it had edged by one run on two occasions during the regular season in the quarterfinal round of the Union County conference baseball tournament on May 9, Governor Livingston Regional High School was looking forward to today to competition in the New Jersey State Interscholastic Athletic Association's Group 2 tournament, Clark Regional, which had been beaten by the Highlanders 2-1 and 7-6 in previous meetings, surprised Governor Livingston with a rash of home runs in scoring a 4-1 victory at Clark.

The Crusaders spotted Governor Livingston a 1-0 lead in the first inning on Lynn Nesbitt's single, a walk and John Wadas' double, but bounced back to tie on Les Ragonese's fourth-inning homer.

The tie lasted until the sixth inning when Jim Close homered off of Jerry DiPasquale. A triple and another homer in the seventh clinched the verdict for Clark.

DiPasquale, who had pitched both previous wins over Clark, suffered his third loss of the season. He has won three games. By winning, Clark qualified to meet Union in the semifinals.

The loss marked the second straight year that Governor Livingston had been eliminated in the quarterfinal round of the UCC.

Dr. Speaks On Sports Medicine

Dr. Frank Burstein whose offices are at 485 Mountain Ave., Springfield, has just returned from Oklahoma City, Oklahoma where he addressed the American College of Sports Medicine.

Dr. Burstein spoke on "Ocular Injuries in Sports". He covered baseball, football, boxing, tennis, skiing, and swimming in his discourse. The main part of his paper was devoted to boxing and he suggested rules to minimize ocular boxing injuries.

He also spoke about the use of contact lenses in sports and covered the subject of allowing one-eyed children to engage in competitive sports.

Bowling Beauties End '62 Season

On May 8, the "Bowling Beauties" of the Springfield Chapter of B'nai B'rith, celebrated the end of the 1961-1962 bowling season at the Maison Billia Scotch Plains. The lovely ladies, dressed in Spring finery, met for a gala cocktail party and luncheon, where each was presented with a personal gift.

Awards were presented to 18 members. Recipients were as follows: High-average, series and games, Mrs. Shirley Kurtz. Second highest-average, Mrs. Dorothy Weinberg. Second highest game, Mrs. Selma Fox. Second highest-series Mrs. Mimi Biddleman. First place team, Mrs. Dot Danziger, Mrs. Mimi Klein, Mrs. Miriam Serchuk, Mrs. Dot Weinberg. Second place team, Mrs. Rita Stein, Mrs. Irene Weiss, Mrs. Florence Adler, Mrs. Rita Spector. One-Hundred percent perfect attendance, Mrs. Dot Danziger. A consolation prize went to Mrs. Rita Spector for lowest scoring player! The most improved player of the year award was given to Mrs. Maisie Hammer-proving it can be done!

The League, which meets every Tuesday afternoon, will resume in October for the 1962-1963 season. Mrs. Maisie Hammer, Third Vice-President and Fund Raising Chairman, stated "all you need is a pair of wild slacks...and the urge to have a good time -- we do the rest." For further information contact Mrs. Hammer at DR 9-5738 or Mrs. Gert Shodos DR 9-2980; and Mrs. Dot Danziger, DR 9-2380.

Mrs. Terry Strauss, President of the Springfield Chapter of B'nai B'rith Women stated "it would be wonderful if more Springfield women turned out not only to participate in our bowling league but would also join in the important work being done in the Springfield Chapter

Plains Cindermen 2nd

Capturing the distance medley relay championship on a great anchor leg by sophomore Miller Steve Harris, Scotch Plains-Fanwood High School tied for second place in the Central Jersey Relay Championships on May 12 in Long Branch.

Harris flashed the one-mile leg in 4:34 minutes to bring the Blue Raiders out on top. His teammates on the winning quartet were Mike Bradley (380), Bruce Tompson (440) and Hugh "Chip" Sweeney (1,320).

The Blue Raiders finished third

in the two-mile relay and were placed second in the 480-yard low hurdles shuttle relay when both Union and New Brunswick were disqualified from the race after finishing second and third, respectively.

Scoring 10 points Scotch Plains Fanwood tied Perth Amboy, just three points back of champion New Brunswick. The Blue Raiders beat out two Union County rivals, Plainfield (9) and Union (7), that finished ahead of Scotch Plains-Fanwood in the Union County conference meet.

The Blue Raiders were among the favorites in the Watchung Conference championships which were scheduled today at Westfield.

Title Quickie
DETROIT (UPI) — James J. Jeffries, while heavyweight champion, knocked out Jack Finnegan at 55 seconds of the first round in Detroit on April 6, 1900. Since the bout was officially scheduled for 10 rounds, that's probably the heavy title quick-kayo record.

Annouce Results Heights Adult Ball League Extends Invitation To All

The Berkeley Heights Recreation Committee has started its second season of adult softball. Berkeley Heights is one of the few towns in this area which feels that some activity should be planned for its adults as well as its teenagers.

This League which is gaining in quality is intended to provide beneficial activity for adults and also entertainment for all base-

ball fans or people who just like to get out in the air and enjoy the scenery.

Games are played Mon. Wed. & Thurs. nights starting at 6:30 and all people are invited to attend. A highlight of the season will be an All-Star game against New Providence, a playoff between the Eastern Div. winner and the Western Div. winner, and a series against the New Providence champion.

The first week of activity saw the Jaycees beat Team Six 8 to 7 in a hard fought battle. Pfiel for the Jaycees banged out 3 hits as Youngs won his 1st game. Walt Fitzgerald pitched well for Team Six. A 5 run 6th inning left them one run short of a tie thanks to some poor base running by Eddie Campione.

Wednesday Ralph Gregory pitched a beautiful one-hitter against the Braves who seemed very rusty from the long winter rest. Frank Festa pitched a good game for the Braves allowing only 4 hits. A long fly to center field produced the winning run in their 1 to 0 victory.

Thursday Esso defeated last year's champion Eagles 7 to 2. Esso bombed Calleo for 7 hits and 7 walks, the big hits being Glen Beagle's single followed by Dean DePuy's double in the 4-run 6th inning Willie Della converted to a second baseman for the Eagles showed all second basemen how it should be done.

Fanwood League Off And Running

In the first week of a new season of the Old Men's Softball League of Fanwood, Marian defeated Russell 10 to 3, Shady Lane beat Coriell 9 to 7 and Sun Valley tied Hunter 12 to 12.

Marian behind 3 to 1 scored nine runs in the fifth inning to defeat Russell 10 to 3. Lou Lott and George Cochran got key hits in the big inning. Ken De Mitr was the winning pitcher. Sheldon Anderson had two triplets for the losers.

Tom Healy, Bill Lasher, John Lubischer and Ernie Gehler each had two hits sparking Shady Lane to a 9 to 7 win over Coriell. Kurt Uebele was the winning pitcher. Gus Ventura & Ray Decker each had two hits for the losers.

Sun Valley scored five runs in the last inning to tie Hunter 12 to 12 in a see-saw battle. Steve Yates with three hits lead the attack for Sun Valley. Eric Wieda, Fred Chamblin and Bob Jorda each had two hits for Hunter.

Last Saturday morning, in the first game of a double header, Morris Ave. Motors team lost to the Elks 2 to 1 in a game that went 10 innings. The game was well played by both teams. Lance Kramer was the hero of the Elk team, driving a ball deep to left field for a double, scoring Froggy Freedman for the winning run.

In the afternoon game, behind good pitching of Glen Cole, Morris Ave. Motors came up with four big runs in the bottom of the 7th inning to edge Angeltons by 7 to 6. Calabrese went 2 for 4 for the Angelton Team. Danny Ginter's single started the big rally for the Morris Ave. Motor team. Perry Krowne and Kerry Tompkins each scored two runs.

DONT BUTT YOUR HEAD AGAINST A STONE WALL

Selling a home is a professional job

Leave it to the professional

Leave to the expert those matters in which the expert excels... and that applies to plumbers or printers, bakers or bankers, locksmiths or lawyers.

Selling real estate implies an abundance of knowledge in a highly specialized field. It requires facts on comparative values, financing, mode of presentation, and many other technicalities involved in the sale of a home.

Too late, many folks learn that signs reading "FOR SALE—See Owner" merely attract curiosity seekers or those seeking to impose distress prices on properties. The net result is lost time, lost money.

Place your confidence in a Realtor. He will represent your best interests. He knows how to show your home in proper perspective. He knows how to make prospects feel at home. He glamorizes what is good. He is familiar with the means by which you can secure your top dollar... and what more can anyone ask?

Don't butt your head against a stone wall. Leave this to the misinformed. The knowing public has learned to trust his or her Realtor.

Staff Passes Resolution

The Executive Committee of the Medical Staff at Overlook Hospital, Summit, New Jersey, at its regular meeting Tuesday night, May 8, passed a resolution refusing support to a petition currently being circulated asking physicians to reduce care to patients under the King-Anderson Bill or similar legislation should it become law.

According to Robert E. Heinlein, Director, the resolution reads as follows: "RESOLVED, that the Medical Staff Executive Committee of Overlook Hospital does not support nor approve the resolution currently being circulated for petition, calling for physicians to refuse to care for patients under the King-Anderson Bill or similar legislation should it become law."

Have you ever wondered if a dog or cat can think? They certainly show evidence of thinking, as most persons owning pets will agree. Frequently their thinking, or lack of thinking, may be disconcerting to us.

The same confusion of purpose is evident if you were in a South American jungle and confronted an Indian savage who had never seen a civilized person.

I believe that I can honestly say that I have read every one of W.R. Burnett's novels since he started writing with "Little Caesar" in 1929. I can, without contradiction, state that Burnett has never turned out a "bad" novel. He is a superb storyteller with a pen that captures dialogue so readable that he could be writing with a raperecorder.

OFFICERS—Springfield Civil Air Patrol officers pictured above are, left to right; S/Sgt. Robert Gray, Squadron Supply Officer, Chief Warrant Officer Gerard W. Dehner, Commandant of Cadets, Capt. Joshua J. Ward, Training Officer, Lt. Steward Hartshorn, Squadron Operations Officer, and Capt. Paul S. Wertlake, commander of Springfield Composite Squadron.

Springfield Civil Air Patrol Gaining Wide Popularity Here

Civil Air Patrol was formed December 1941, out of the desire of civil pilots to mobilize with their equipment in the common defense of the United States. They were put under the control of the department of Civil Defense. In 1942 CAP was transferred to the War Department. Shortly afterwards it was put under the control of the Army Air Force.

Civil Air Patrol has three main duties. They are: Search and Rescue; Communications; and its Aviation Education. Civil Air Patrol flies over half of all search and rescue missions of the Air Force. They search for both civilian and military pilots. It provides a well organized communications system. With the completion of the aviation education program you may enter the Air Force with advanced rank, pay, and position.

At present our Squadron Commander is Capt. Paul S. Wertlake. Our commandant of Cadets is Chief Warrant Officer Gerard

W. Dehner. The other active seniors are S/Sgt Paul Hawryluk, our Communication officer; Capt. J.J. Ward (USAR), our Training Officer; S/Sgt. R. Gray, Supply Officer; Chief Warrant Officer Hannah Dietrick, Personnel Officer, Timothy Quigley, Finance Officer, 2 Lt. Judith Behanke, now with Wing, 1 Lt. Hartshorn, Operations officer, who has been with CAP since 1941.

The Cadet Corp, which was recently commanded by C/2 Lt Edward Kisch, is now commanded by C/M Sgt. J. Heller. The Cadet Executive Officer is C/M Sgt Eugene Boehm. C/2c Robert Edmondson, C/m Sgt J. Janukowicz, C/1 Sgt. G. Dehner, Jr., and C/1c P. Krumbholz (Leave of Absences) are the non-commissioned officers. C/B Tomas Niesy, C/B Paul Lodato, C/B John Dorn, C/B William James, C/B Nancy Jones, C/B H. Day, C/B Peters, C/B Grefroth, C/B R. Urquhart, and C/B William Cowherd are the newer cadets

to Springfield Squadron. C/B William Cowherd, before coming to our Squadron, was on the famed Bayonne Drille Team in Bayonne Composite Squadron.

On May 19 the entire Cadet Corp will be at McGuire Air Force Base for Air Police Duty. Parades on May 30, May 26, and July 4 will be attended by the Cadet Corp. On 8-15 July Civil Air Patrol Cadets will be down at McGuire AFB for their usual training.

Civil Air Patrol not only offers an aviation education but advanced military training to pre-

pare you for the armed Forces. If the CAP training course is completed it would be possible to skip basic training when you join the Air Force.

If you are an outstanding cadet as C/2 Lt Edward Kisch was, you would be chosen for the Cadet Foreign Exchange Program, Congressional Dinner, or the Jet Orientation program. At the dinner you would meet the President of the United States.

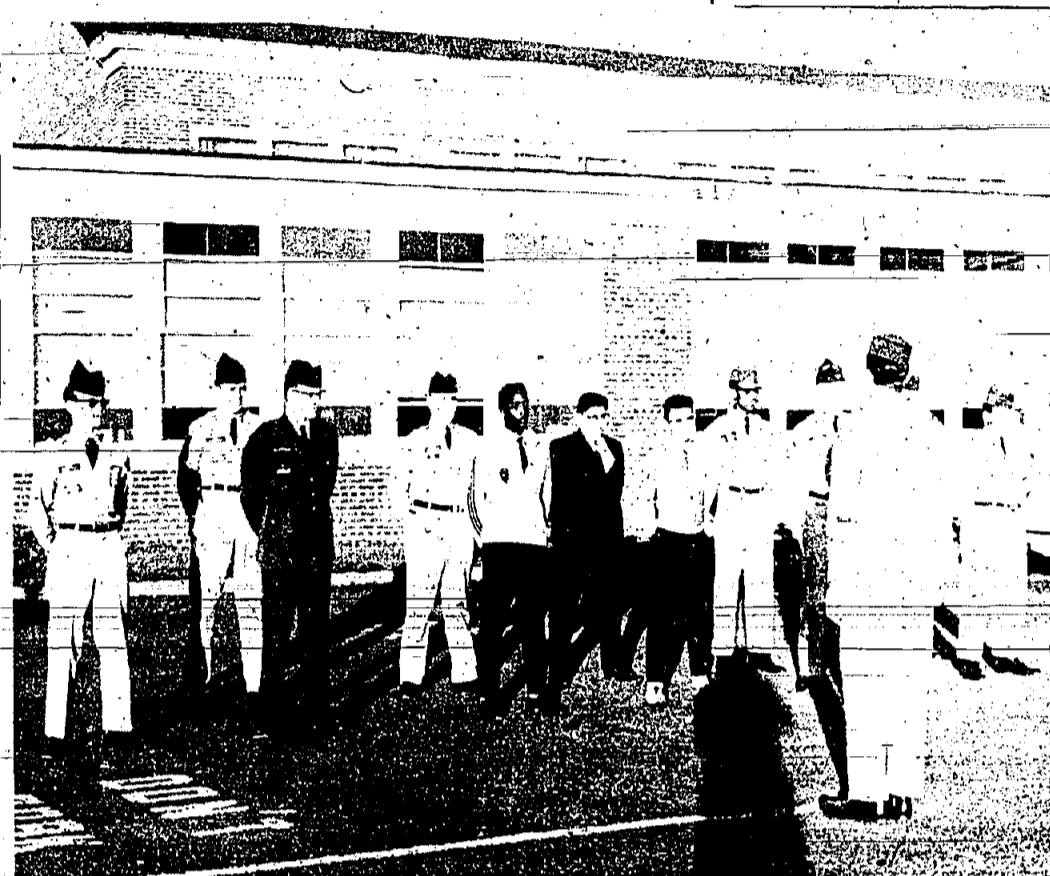

Any male or female 14 to 18 years of age may join the Cadet Corp. Any person over 18 may join the Senior Corp.

The Springfield Squadron (formerly the famed Summit Squadron) meets at Gaudineer School at 7:00 P.M. on Wednesday nights. For additional information call DR 6-7985 after 3:30 or write to CAP, 134 Hawthorn Avenue, Springfield.

Home Vending Machines
NEW YORK (UPI)—Cigarette vending machines now can be found in a surprising number of private homes in Australia, according to a recent issue of the Journal of Marketing.

John S. Ewing, graduate business faculty member of Stanford University, wrote in an article that these machines are mostly in the homes of heavy smokers who want to avoid running out when the shops are closed.

Nevada has the highest suicide rate in the United States—26 per 100,000 population.

DRILLING—Springfield Civil Air Patrol cadets train at the Gaudineer School on one of their drilling days.

Animals Hike Drug Sales
NEW YORK (UPI)—The typical veterinarian buys approximately \$6,000 worth of drugs each year.

The estimate, from the New York State Association of Public Health Veterinarians, is coupled with a report that each of the 19,000 vets nationwide is responsible, on the average, for the health of 375 horses, 7,785 cattle, 2,577 sheep, 4,583 hogs, 31,063 poultry, 2,083 dogs, and 1,166 cats.

Retarded Children's Drive At \$1500 In Springfield

One of the most successful fund drives of the Union County Unit-N.J. Retarded Children ended today. Campaign Chairman Frank R. Hodges of Springfield said that almost \$1500.00 has been raised to date. This represents an increase of over \$500.00 over the amount raised

last year in this community. The Union County Unit, N.J. Ass'n-Retarded Children, one of 850 Units of the National Association for Retarded Children, sponsors the Occupational Center of Union County, Elizabeth, N.J., Nancy Luzon Training School, Roselle, N.J., Camp Star, Mounts Inside, N.J., Recreational Activities in Elizabeth, Hillside and Plainfield; Referral & Informational Services, Institutional Aid, Educational Programs, Community Planning and Research. The funds raised in Springfield will be used to maintain and expand these essential services.

"I wish to express my thanks," said Frank R. Hodges, Campaign Chairman, to the 45 volunteers who participated in the campaign and to the residents of Springfield who contributed generously. Retarded Children can be helped. Our community is giving them the chance to be helped.

"For those who had not had a chance to make their gifts there is still an opportunity to contribute for research against Mental Retardation and for training and help the mentally retarded," Mr. Hodges added. Arrangements can also be made by calling the Association at CHestnut 5-3400.

Azalea Display At Warinaco Pk.

The Azalea Garden in Warinaco Park, Elizabeth and Roselle, is now presenting its annual array of spring color, according to Robert A. Koller, chief forester for the Union County Park Commission.

Mr. Koller stated that there are representative bloom in each of the five major groups of plants in the Azalea Garden including the Chent Hybrids, Kaempferi Hybrids, Kurumes, Mollis Hybrids, Vuyk Hybrids, in addition to most of the species plants. The Korean species Yodogawa Azalea and the Royal Azalea are also in bloom.

The vivid colors in the garden will be at their peak during the week of May 14 and will continue to show color through late June, when the Indicum Azalea blooms.

The garden contains 3600 plants representing 54 species and clones covering 2-1/2 acres in Warinaco Park. A plant listing and a diagram of the garden are available by contacting the Public Information Department, Union County Park Commission, P. O. Box 275, Elizabeth, N.J.

Olympic Park To Have Band

Basile's Olympic Park Band will be playing again this season at the Essex County amusement park where the late Joe Basile's musicians held forth in the bandstand for dozens of years.

Another Basile, Clem, has taken up his uncle's baton. The band members are the same men who won fame with Capt. Joe Basile in open-air concerts throughout the world.

John Philip Sousa, Arthur Pryor and band leaders of that stature were the Basiles' predecessors at Olympic Park.

The band will offer popular and classical music Sunday afternoon and evening in two more of the traditional concerts for which the Irvington-Maplewood park is noted.

Olympic will be open Saturday and Sunday in another preview of the daily season which will get under way Saturday, May 26. New rides and games will be making their debut, according to Robert A. Guenther, park president.

Maier To Attend Camp

Robert J. Maier, a member of the 490th AFOTC Cader Wing, Newark College of Engineering, will attend a four week summer training encampment at Eglin Air Force Base, Florida.

This summer training is a part of his four year Air Force ROTC program which will lead to a Reserve Commission, as a 2nd Lieutenant in the U.S. Air Force.

Cadet Maier is a Junior at Upsala College, East Orange, majoring in Mathematics. He will be commissioned upon graduation in June 1963.

He is the son of Mr. & Mrs. John Maier, and resides at 182 Hillside Ave., Springfield.

Summit Y Attic Treasure Hunt

Final plans have been announced by the Summit YWCA for its gala Attic Treasure Hunt Supper, and Auction to be held on Tuesday, May 29 from 2 p.m. until 10 o'clock. "Treasures" of every conceivable description will be marketed between the hours of 2 and 8 when the auction will begin.

During the afternoon there will be a free glass blowing exhibition by Miss Grace Howell of Scotch Plains for children which will give parents an unnumbered period for shopping at the Hunt. Small glass blown items geared to junior pocketbooks will be on sale at this attraction.

Two spaghetti supper sittings will be served at 5:30 and 6:30 p.m. at reasonable prices with special reduction for children under 12. Reservations should be made immediately by calling the YWCA at CR 3-4242 so that families may be assured of a table.

Mathew Geddis, well known auctioneer from Myersville, will wield the auctioneer's hammer at the evening event. Offerings will include goodchinasware, bedroom furniture, a variety of excellent chairs, 2 antique beds, rugs, rockers, carpet sweeper, electrical equipment, etc. Objects of art include both brand new and old picture frames, pictures, old china clock and other decorative glass, lamps and many other items.

The event is under the chairmanship of Mrs. J.W. Kizzia who invites anyone to make contributions of their "excess" belongings right up to the time of the sale. A call to her at CR 3-4745 or to the YWCA at CR 3-4242 will bring a messenger to collect items if the donor cannot conveniently bring them to the YWCA at 282 Morris Avenue in Summit.

Navy Enlistment Program To End

The temporary three year Navy recruit enlistment which was originated in January 1962 to increase the readiness posture of the Navy and the Nation is nearing its expiration date of 30 June 1962.

Navy Recruiter's located in the Union County Court House, Elizabeth, New Jersey urge all those interested in the three year enlistment to contact them in the very near future.

Made Counselor

Timothy J. Stewart, a sophomore at Franklin and Marshall College, the son of Mr. and Mrs. James Stewart, 89 Salter Street, Springfield, has been appointed a Dormitory Counselor at the College for the academic year 1962-63 by the Faculty-Administration Committee for the Selection of Dormitory Counselors.

Two Join League

Mrs. John W. Van Cleve, Corresponding Secretary of the Junior League of the Oranges and Short Hills, has announced that Mrs. Guy Alden Martz of 67 Colfax Road, Springfield, and Mrs. James Quinn of 11 Tower Drive, Springfield, have been made active members of the Junior League.

Twin City To Be Site Of Golf Affair

The committee sponsoring the Cabaret and Buffet Supper in honor of LILLIAN WALSH B-GOLF, Democratic candidate for Congress in the 6th District held a rehearsal and made plans at a meeting held at the Columbian Club in Rahway. The affair will be held at the Twin City Restaurant in Elizabeth on Saturday, June 2nd.

Heading a large committee, Mrs. Florence Praska is general chairman. County Register, James J. Delaney of Scotch Plains, Mrs. Ego's campaign manager is honorary chairman.

The Cabaret entertainment is being coached by the Flora Hayes Enterprises. One of the features of the evening will be a Grand March in which all of the Democratic candidates within Union County have been invited to participate.

The Souvenir Journal Committee in charge of Sid Stone of Elizabeth, chairman, will meet at his home, Wednesday evening.

FASHIONETTES

United Press International The latter, John Fredericks, has turned his talents to toppers for the beachcomber. The New-York designer has created an all terry cloth "after dip" hat elasticized like a shower cap. The hat completely covers damp locks. Called the "frederick" it resembles what the milliner called "an ice bag." It comes in a variety of colors.

For the king of the clan: a three-inch high gold foil crown made of sturdy cardboard. The crowns are being stocked as giveaway items by some retailers of Father's Day gifts.

Spurred on by Jackie Kennedy's enthusiastic endorsement of riding a shopping center for the horse world combines chic with comfort in its new line. Sample: stretch denim Kentucky jodhpurs which Miller Harness of New York says withstands hours of riding without a wrinkle. The britches also are washable. An application of the sophisticated: low-waisted, beltless capri dungarees.

TERMITES

are flying again. Watch for "Swarms of Flying Ants" which come with Spring, shed their wings then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later.

We have specialized Exclusively in the protection of property against TERMITES and other Wood Destroying Insects since 1935.

We are not General exterminators. Thousands of references are available in New Jersey -- not in some distant state. Our work is GUARANTEED FOR 5 YEARS without additional charge.

Gardeners Visit Trailside Museum

The May meeting of the Mountain Trail Garden Club was held at the home of Mrs. Howard Rhodes, 333 Old Tote Road, Mountside, Co-hostesses were Mrs. George Buchan and Mrs. Myles Yamarick. "Let's Have a Picnic" was the theme of the day. The table was set up in picnic style with picnic accessories.

The new slate of officers for the year 1962-63 was announced by the chairman of the nominating committee, Mrs. George Buchan, Mrs. Paul Blaser, 2nd Vice President, Mrs. Edward Powers, Recording Secretary, and Mrs. Joseph Nothum, Treasurer.

Mrs. Edward Powers whom the club sponsored at a recent Landscaping School gave a report to the members. Many helpful hints on how and where to plant shrubs and trees was given. Membership Chairman, Mrs. Paul Blaser presented two new members with Corsages, Mrs. Paul Weingart and Mrs. Frank Tranchard, and welcomed them to the Club.

Conservation Chairman, Mrs. Miles Goodrich, read an article of warning on insecticides recommended to destroy various pests that plague mankind; "Please Read The Label" as many of these are harmful to birds and other wild life which we do not want to destroy.

Round-Up Reminder

Mothers of 1962-63 Kindergarten are reminded of this year's Registration dates of this year's Mountain PTA Summer Round-Up to be held next week. Beechwood School will hold its registration from 9:00-5:00 p.m. in the Kindergarten room on Monday, May 21st. On Tuesday, May 22nd, same time in the Kindergarten room also, registrations will be accepted at Deerfield School. Children may be registered at whichever school is most convenient to the mother. The child's birth certificate is necessary for registration. To be eligible the child must be five-years old on or before December 1, 1962.

The June meeting will be a Flower Show at the home of Mrs. Wilbur Groves, 346 Old Tote Road. The arrangements will be made by the members. Mrs. John Suski announced she has given in the name of Mountain Trail Garden Club three flats of violets to the Garden Club of New Jersey for planting on our parkways.

Mrs. Robert Godhart, President closed the meeting at 1:00 o'clock. After refreshments were served the group attended Trailside Museum for a Nature Walk and Conservation Slides shown by Miss Irma Mayer, Assistant to Dr. Moldenke.

Students Observe Electrical Wonders

After several discussions on electricity and its uses, Mrs. Young's third grade class at Beechwood School, Mountside, toured the school to see electricity at work. They were shown the electric motors which control the fans in the classrooms; and were greatly impressed by the amount of dirt the filters remove from the air.

Mr. Donaldson, the custodian at Beechwood, then took the class to the main control panel in the hall and explained the circuit breaker to the children. The boiler room was visited next, where the children saw the large pipes containing the electric wires leading into the school from the poles outside; Mr. Donaldson explained the reason some pipes in the boiler room were painted orange and others yellow. "That is so we can tell the hot pipes from the cold pipes," said Mr. Donaldson.

The children then observed the meter that measures the electricity used in the school. The amount of money spent for electricity for one month in the school made a great impression. Students and teachers alike appreciate the time and effort that many of our community helpers willingly donate in order to make our classrooms studies more interesting and more meaningful.

MMA Presentation

Slated For June 1

"Here We Go Again" is the title of the Mountside Music Association's fourth annual variety show which will be presented at the Deerfield Auditorium on Central Avenue on Friday evening, June 1st. The cast is composed of a core of experienced veterans of past shows, with enough new-comers to add a fresh note. As in past years, the over-all direction is in the hands of Jeanne Wilhelms, while the musical direction is under Aden Lewis, Mrs. Wilhelms and Mr. Lewis share the credit for much of the creation and production of the show and both will star in the revue.

If the spirit of good fun and enthusiasm displayed at the weekly rehearsals carry over to the 8:30 curtain time on June 1st, this promises to be the biggest and best show yet. A little difference approach and

bigger production numbers will be the keynote of this year's revue, but the tried and true, annually-awaited show stoppers will not be missing. No MMA show would be complete without the "glamorous" graduates of Mary Farrell's chorus line who will again display their charms. One of the production numbers will be a Minstrellette which will feature, along with Interlocutor Al Liebeskin and soloists Marcy Slovick and Fred Steifel, the tap-dancers who each year master an intricate routine and give a highly professional performance under the direction of Jean Stahuber. Included in this group are Annette Liebeskind, Marie Toland, Bea Reich, Marie Kleinfelder, Arline Fine, Grace Gutman, and Ruth Gilman. They will do a soft shoe routine as well as a tap dance. Walt Benzing, a new-comer to MMA circles, will be involved not only in special staging effects, working in co-operation with his wife, Ruth and Anne-Hose who are co-managers of staging, but he will appear as a soloist in a production number with Mona Grubel, Harvey Slovick, and Marie Toland. Other soloists making their debuts in "Here We Go Again" are Werner Schon, Evelyn Lugannan, Lil Simpson, and Jerry London, who with his wife, Julie, are the MMA's only out-of-town members.

Kiefl Will Attend Camp

Michael C. Kiefl, a member of the 490th AFROTC Cadet Wing, Newark College of Engineering, will attend a four week summer training encampment at Otis Air Force Base, Massachusetts. This summer training is a part of his four year Air Force ROTC program which will lead to a Reserve Commission as a 2d Lieutenant in the U.S. Air Force. Cadet Kiefl is a junior at the Newark College of Engineering, majoring in Mechanical Engineering. He will be commissioned upon graduation in June 1965.

He is the son of Mrs. Elizabeth Kiefl, and resides at 1221 Wyoming Drive, Mountside.

State Dentists Will Meet At Atlantic City Convention

New Jersey dentists, dental hygienists and assistants, dental manufacturers... exhibitors and others will converge on Atlantic City May 20, 21, 22 & 23, when the New Jersey State Dental Society holds its 92nd Annual Session. It is estimated that close to 2000 attendees and visitors are expected. As in past sessions, an extensive committee of State Dental Society members has planned a program to include educational events, registered clinics, a scientific session, manufacturers' exhibits and a complete schedule of social activities.

State Dental Society business will include two business meetings of the General Assembly on Monday, May 21 and again on Wednesday, May 23. The Annual Election of Officers will be held on Wednesday and immediately following the Second Business Meeting, the Board of Trustees will hold their annual Reorganization Meeting.

A comprehensive series of Education activities will include a Visual Education Program on Monday and Tuesday; a Scientific Session on Monday; Twelve Table Clinics by members of the State Dental Society on Monday; Six Registered Clinics on Tuesday and Wednesday; on Tuesday a Panel Discussion and a Symposium are scheduled.

Social events during the four day meeting have been planned for maximum interest and will include on Monday a Women's Auxiliary Breakfast and Ladies Luncheon Trip; on Tuesday a Ladies' Tea; and a Buffet Luncheon on Wednesday. Special evening social events include a Mixer Party on Sunday evening; a Patio Party and a Guest Speaker Program Tuesday evening, and the President's Dinner Tuesday evening.

Highlight events of the Meeting will revolve around a Guest Speaker Program on Monday evening when Congressman Cornelius E. Gallagher will speak on "Foreign Affairs - Its Challenges and Responsibilities of World Leadership". He will be introduced by State Dental Society President, Thomas E. Powers, D.D.S., while the presiding officer will be Frank Sabatino, D.D.S. on Tuesday evening the President's Reception and Dinner-Dance will be held when Dr. Powers, 92nd President of the New Jersey State Dental Society will be honored for his years of distinguished service to the Society. Entertainment will be provided by Paul Mann and his orchestra.

Numerous other dental groups will be holding meetings during the Society's 92nd Annual Meeting, including The New Jersey State Board of Registration and Examination in Dentistry; The New Jersey Society of Oral Surgeons; The New Jersey Society of Dental Anesthesiology; American and International Colleges of Dentistry; The Hygienists Association of the State of New Jersey; The New Jersey State Dental Assistants' Association and Women's Auxiliary of the New Jersey State Dental Society.

Numerous members of the Society have been active throughout the year in planning this Meeting. Their efforts were under the direction of Dr. Joseph L. Konzelman, Bayonne, Chairman, and Dr. Clifford W. Doeringer, Plainfield, Vice Chairman. Committee Members include: Dr. Thomas F. Powers, Plainfield; Dr. John W. Barron, Haddonfield; Dr. Michael Frost, Clifton; Dr. Jules N. Lewin, Belmar; Dr. John G. Carr, Camden.
