

Springfield Plans Huge Urban Renewal Program

To Tear Down All of Morris Avenue Stores

The Springfield Chamber of Commerce, through its president, Henry Grabarz, has presented a program of urban redevelopment for the entire North side of Morris Avenue from Main St. to Morrison Road and running back from Morris Ave. to the line of the proposed new Route 78.

Springfield is faced with a severe loss of ratables because of the construction of the new highway and this plan would more than replace the loss and increase the tax receipts from the present \$19,726 to over \$53,000 annually," Mr. Grabarz said.

"The project involves approximately eight acres of land which we presently have buildings ranging in age from 25 to 70 years and with a total market value of about 3/4 million dollars.

"These properties all run very deep up to the line of the new highway - but there is no way of using the rear portions of these properties since almost all of the buildings were built up front and from sidewalk to sidewalk in the days when parking and proper planning was no immediate concern and consequently neglected.

"The properties range in width from 20 feet to 89 feet with 75% of the buildings and properties being sub-standard under present day zoning standards. All the vacant lands behind these buildings represent a tremendous tax potential if it were possible to make intelligent use of this vacant area.

"Many attempts were made in the past to do something about the increasing problems of the land owners, but to no avail, since, without the complete cooperation of all the owners, none of the proposals were ever completed.

"As a result these buildings and businesses have stagnated and failed to keep up with the modern economic trends because of the physical impossibility to improve or modernize these many small buildings because there was no room to do so or provide offstreet parking.

"The businesses and tenants have been unable to realize their full potential again because of the impossibility for expansion.

"The Chamber of Commerce has proposed a plan which we feel is the only answer to a difficult problem which would give a tremendous boost to Springfield's economy, tax returns and permit the local businesses to enjoy a prosperity they never could achieve before.

"In the same manner that so many of our neighboring communities are rebuilding portions of their business and residential areas we propose that a study be made by the Planning Board to declare the section in question to be a 'blighted area' under the definitions of the Federal Housing Act.

"Having declared this to be a 'blighted area' application can be made to the State and Federal governments for financial assistance to acquire the lands and buildings, tear down the buildings and sell the cleared land to a builder or developer to construct a new shopping center which would be set back from Morris Avenue all the way to the line of the new highway.

"Two buildings, totaling 196,000 square feet, with modern air conditioned stores, off-street parking for from 400 to 500 cars, all of a colonial design, have been proposed by the Chamber as a means of rebuilding the area, increasing the tax take by building a modern shopping center with an estimated value between 2 and 3 million dollars as compared to the present day total valuation of approximately 3/4 million.

"This would give the local businessman a chance to survive the 'chainstore' and big shopping center competition which he cannot do in his present position.

"There would be twice the present amount of space available with a chance to attract some large reputable, nationwide stores to locate here, and to generate greater interest in Springfield and encourage shopping here rather than out of town.

"Studies have shown that to buy these properties and turn over cleared land to a developer would involve an expenditure of a little less than half a million dollars of which the Federal government would pay 75%, making Springfield's share about \$15,000.

"Credited against this sum would be the Township owned parking lot of about \$40,000 meaning a net cost to the town of about \$75,000. This cost could be recovered, as in other towns, in about five years because of the increase in taxes from \$19,726 to over \$53,000 annually," Mr. Grabarz said.

Under this plan of Urban Renewal business men would be allowed up to \$3,000 for moving costs and apartment tenants and home owners up to \$200.

"The most striking feature of this proposal is that this project could be built behind the present buildings without any interruption of business. The new buildings could be erected and sufficient parking installed so that on completion the present businesses could move in with no loss of business and the old buildings demolished and the balance of the parking and landscaping completed.

Mr. Grabarz said that this program had been presented to the Township Committee, the Planning Board and the property owners involved.

"We are greatly encouraged by the response of the property owners who attended our meeting when the plan was unveiled.

"Over 60% of the owners attended the meeting and several others who could not attend called to express their approval if a workable program could be achieved."

"Millburn is planning to rebuild its business area, Maplewood is rebuilding business areas, Montclair, Newark, Morristown and other surrounding communities are rebuilding through Federal Aid, and we in Springfield can do no less if we are to remain alive, competitive and a self-sustaining community and not just a white spot by the side of a high speed highway," Mr. Grabarz said, and the Chamber of Commerce of Springfield will do everything possible to keep our town a good place to live in."

Property Owners Along Morris Avenue Enthusiastic

The very ambitious urban development program which would transform Morris Avenue into an esthetic and booming business section is no idle dream of the Springfield Chamber of Commerce. Some spadework has already been done, steps have been taken, conferences held, and the entire program set in motion.

As evidence of the interest in this many million dollar plan with the Federal government picking up most of the tab, the Chamber of Commerce called a meeting of the property owners affected by this program.

Henry Grabarz, President of the Chamber of Commerce, who is at the wheel of this development project, said even he "was surprised at the time turnout and interest displayed by the property owners."

Among those present at the meeting to discuss the development plan were Russell Lyons, Joseph T. Hague, Herman Kravis, Michael D'Andrea, John Riess, Ernest Nagel, Sr., Emmer

Senior Citizens To Meet June 13
Springfield's Golden Age Group is scheduled to meet at the American Legion Hall, Trivett Street, on Wednesday, June 13, starting at 10:30 a.m.

Given Master Degree In Engineering Management

ROBERT D. HARDGROVE

Springfield Township Committee member Robert D. Hardgrove Jr., 38, of 125 Salter Street, Springfield, will receive a master degree in engineering management tonight (June 7) from the Newark College of Engineering.

Committee member Hardgrove already has a B.S. degree in electrical engineering from the same college. He has been employed for 20 years by Public Service Electric & Gas Co. and is presently working in that company's electric distribution department in Elizabeth.

A resident of Springfield since June, 1950, Mr. Hardgrove resides at the Salter Street address with his wife, Hazel, and three children, Janice, Lucille, and Robert. He has been a member of the Springfield township committee since January and is also president of the Springfield Board of Health.

Plan Annual Baby Parade In Springfield For July 4

The Springfield Fourth of July committee for 1962 is happy to announce that the annual baby parade will be held again this year. In back of Regional High School.

There will be five divisions consisting of girls up to two years of age; girls from two to five years of age; boys up to two years of age; boys from two to five years of age; and floats with boys and girls up to five years old.

There will be prizes consisting of \$15.00 for first best and \$10.00 for second prize in the first four divisions.

Also there will be a prize of \$20.00 for the best float and \$15.00 for the second best.

The winners of the 1961 contest were Edward Halper, son of Mr. and Mrs. Irving Halper of 20 Archbridge Lane, who will preside as king of 1962, and Debra Walters, daughter of Mr. and Mrs. Richard Walters, 51 Colonial Ter, will be the queen of the parade.

Last year's king and queen were Michael Coray, son of Mr. and Mrs. Edwin Corey of 97 Kipling Ave., and Barbara Joan Yaeger, daughter of Mr. and Mrs. J. Charles Yaeger of 56 Colonial Ter. They will yield their crowns and present them to their successors.

The trophies will be donated by the Springfield Chamber of Commerce to the king and queen.

The chair lady for this year's parade will again be Mrs. Thomas E. Smith who, with her committee, did such an outstanding job last year.

In order to enter for king or queen it will again be necessary to fill out an application blank that is printed (Page 2) in this issue or call Mrs. Smith at DR-9-4985 for extra applications.

There will be no entries without an application and there will be no applications accepted on the day of the event.

Elks Urge Mayor Urges All Attend Pool Hearing

Stressing the need for a revival of "the fervent patriotism that won American freedom," Saul Freeman, Exalted Ruler of Springfield Lodge 2004 BPOE, today called for a community wide salute to the flag on Flag Day, June 14.

Mr. Freeman said that the Springfield Lodge will hold an observance honoring the flag on the 185th anniversary of its adoption by the Continental Congress in 1777.

"The lodge's observance will be held at the American Legion Hall, 50, Trivett St. on Thursday, June 14th at 8 p.m. He invited every resident of Springfield to observe this colorful ceremony.

"The habits of apathy and complacency weaken the spirit of patriotism," the Elks' leader said. "The fervent patriotism that won America her freedom is the only thing that will preserve it. We should strengthen our spirit of allegiance by practicing and manifesting our loyalty to American principles" and to the flag, which is the symbol of those principles."

Mr. Freeman said that his lodge will be one of 2,000 Elks Lodges across the nation conducting Flag Day programs. He pointed out that the Benevolent and Protective Order of Elks has been observing Flag Day for more than half a century.

Mayor Urges All Attend Pool Hearing

Mayor Philip Del Vecchio, commenting on the report of the Citizens' Swimming Pool Study Committee's release last week, stated, "The township committee meeting of May 22, in my mind, showed a widespread acceptance of a municipal swimming pool, although there were numerous objections to the site at Evergreen Lodge, recommended by the Swimming Pool Committee."

"In the 5-1/2 months that I have been in office," Mayor Del Vecchio continued, "I have been convinced that no other single item has shown such a specific demand among the people of Springfield, as the Municipal Swimming Pool and Recreation Area."

"This is borne out by the 700 families who signed pledges solicited by the Swimming Pool Committee. This pool represents 2800 people or 20% of our town's population and certainly indicates that this venture would be economically feasible."

"If we of the Township Committee are to be truly responsive to the desires of the people," Mr. Del Vecchio went on, "I rather excellent sampling should indicate that this is what the people want, and we should attempt to bring this project to fruition as expeditiously as possible."

(Continued on page 2)

Evergreen Lodge

"Evergreen Lodge" as the site for the proposed municipal swimming pool will have a hard road to travel when the public hearing is held at the Gaudinier School auditorium Wednesday evening, June 27.

Petitions, objecting to this location for the pool, are being circulated and even the present operator of Evergreen Lodge is organizing groups against approving this site, it is reported.

The Republican dominated Township Committee will be handling the "hot potato" at the June 27 public hearing.

There has been considerable discussion regarding the approval of the Mayor's Citizens' Pool Study Committee of the Evergreen Lodge Site. The Township Committee has received three reports and, in each case the Evergreen Lodge has been acceptable for the municipal pool.

Candeub, Fleissig and Associates of Newark as part of the report resulting from a swimming pool study, said that "Springfield, with a population of approximately 16,000 people and 4300 families, could easily support a community swimming pool."

Another study of Springfield's municipal recreation program prepared by the Department of Conservation and Economic Development, Trenton, and this also

SEE PAGE 2 FOR MAP AND OTHER SWIM POOL SITES IN SPRINGFIELD

points out the need for a municipal swimming pool and names Evergreen Lodge as "the area which can well accommodate a successfully operated municipal swimming pool."

This report, is part of a study of Springfield's Recreation System, is dated January 1962, giving these other reasons for considering Evergreen Lodge as the site:

1. This area (Evergreen) is located off a primary road and can be easily reached from all sectors of the Township.
2. The land is relatively even and needs little expenditure for clearance and fill.
3. Two parcels adjacent to the lodge area can be black-topped for parking purposes.
4. Noise will not be a deterrent factor because the area is not too heavily populated with home sites.

The Mayor's Citizens' Pool Study Committee recommended acquisition of the Evergreen Lodge and two other properties nearby for the construction of the recreation facility.

This decision came as the result of many months of study, conferences and discussions by members of the Mayor's Committee and the report was that the recommendation had been accepted at a joint meeting with the Township Committee and that the proper legal steps would be taken as the last meeting to require the necessary land.

A resolution was introduced authorizing Township Attorney James M. Cawley to prepare an ordinance but, at the end of the discussion with many home owners in the audience voicing objections to the selection, Mayor Philip Del Vecchio announced that the proposed ordinance would contain no specific site and that a public hearing will be held at the Gaudinier School auditorium Wednesday evening, June 27.

Under serious consideration and receiving a great deal of favor throughout Springfield is the Jenco property located north of Morris Avenue, which is acres available. There would be no objection from other property owners since there is so much of this land available and the problem of accessibility is rapidly disappearing.

The new federal highway No. 78 is coming through this same Jenco property and the site is on the north side of the roadway, nearer to the Millburn line. According to present maps, the highway will go over Morrison Road and, those on their way to the proposed site for the swim pool, would turn in just past the roadway to the proposed swim pool area.

Planning Board Makes Decision - But It's A Secret

At its regular meeting Tuesday night in Municipal Building, Springfield Planning Board was presented an order from Union County Superior Court Judge Walter L. Heifield III to answer the application of Lawrence and Filomena Leone of 595 South Springfield Avenue for a subdivision of their property.

Dated June 4th, it directed the Planning Board to give an answer to the plaintiffs within 30 days from last May 8th.

After the meeting, the board went into an executive session, which is reported to have lasted until 2:30 a.m.

A decision was reached on the matter by the board but the Board said it would not be announced until the 30-day limit is up.

It was reported that the conclusion reached on the matter would be written up by Planning Board Attorney David Zurav and announced within a few days.

According to Leone's attorney, the civil case concerning the Leones as plaintiffs and the Township Clerk, Township of Springfield, and the Township Committee of Springfield as the defendants, was heard in May.

The Leone lawyer said that Township Attorney James Cawley did not comply with the order submitted by his office and it was taken back to the judge, who held that the original order was proper and dated it back.

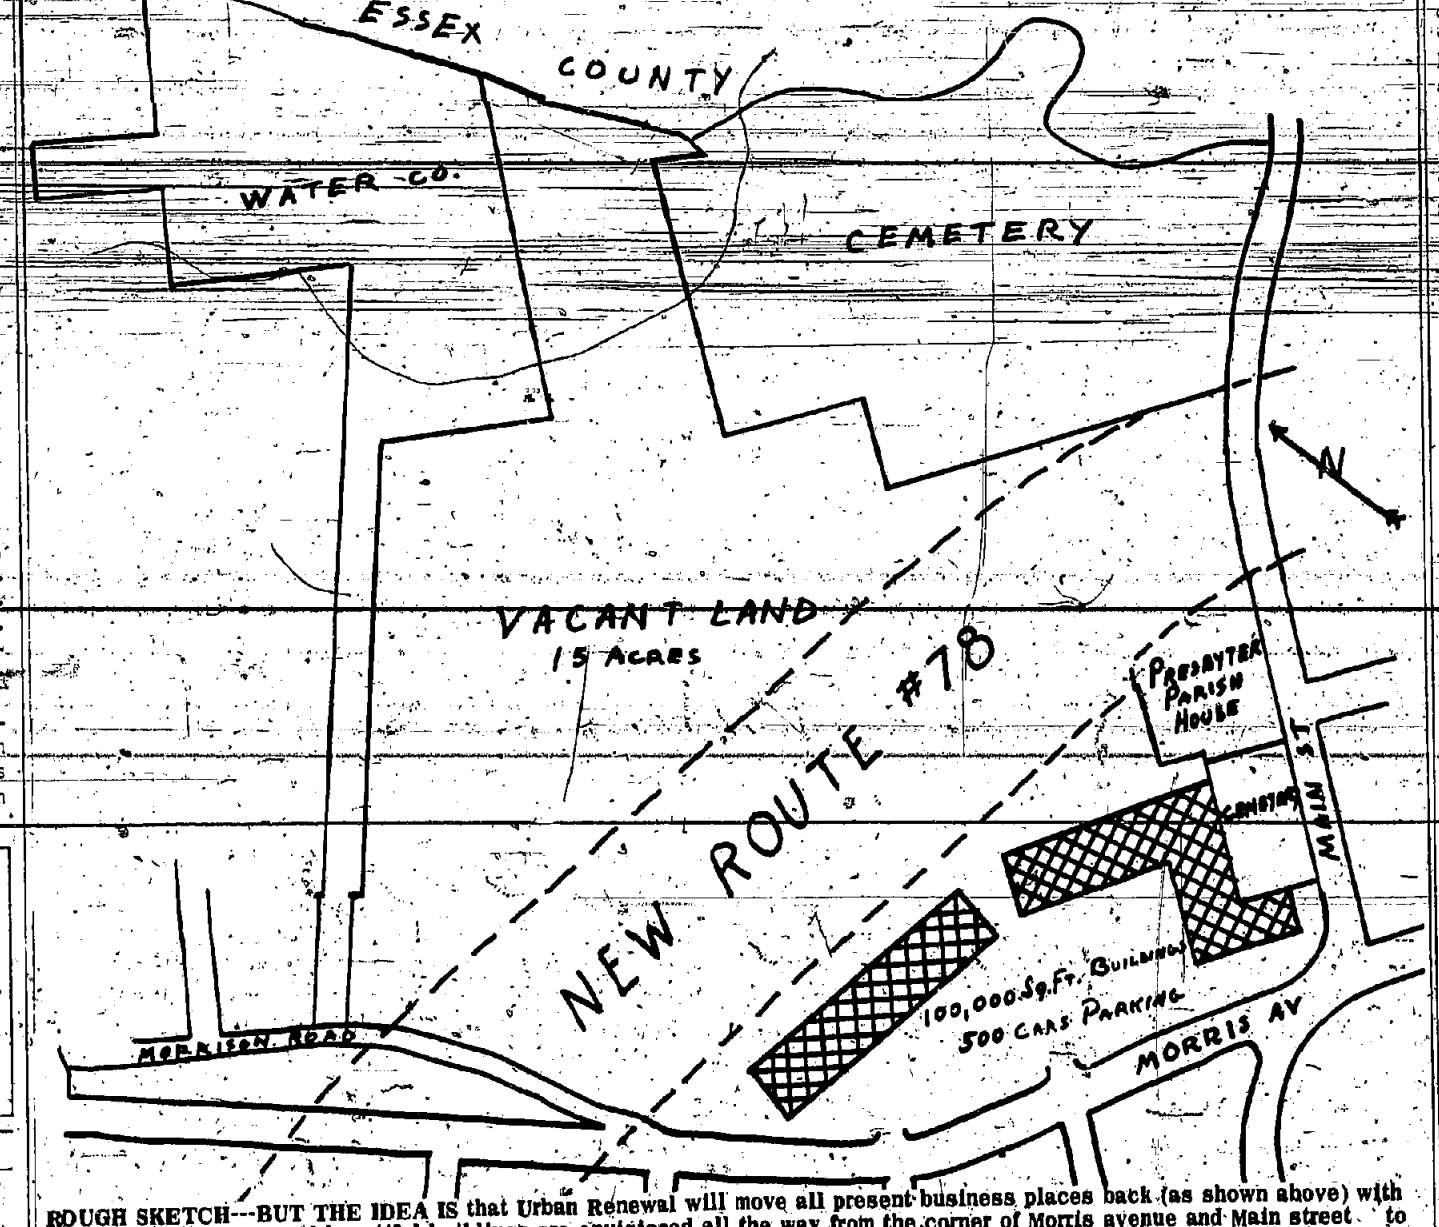

Mr. Leone said that his property was classified as a major subdivision in May, 1961. A public hearing on the application for the subdivision into 14 building lots of the property, comprising about five acres was held in September, 1961.

Mr. Leone said that no neighbors objected to the subdivision at the hearing, and pointed out that the board never gave him an answer on the application. His lawyer contended that the length of time the board has to decide on an application according to law has expired many months ago.

Mr. Leone told the Springfield Sun after the meeting Tuesday night that he plans to take his case further if the board rejects his application.

Board Attorney David Zurav reported that the master planners for Springfield, Candeub and Fleissig of Newark, have suggested that the land be used for municipal purposes with a firehouse, library, or First Aid sub

(Continued on page 2)

ROUGH SKETCH--BUT THE IDEA IS that Urban Renewal will move all present business places back (as shown above) with parking in front. New and beautiful buildings are envisioned all the way from the corner of Morris Avenue and Main Street to the Public Parking Lot No. 2, opposite Caldwell.

station recommended for future consideration.

The application of Allan Fatoure of 150 Balmoral Road for the subdivision into 8 lots of property in the vicinity of Mary Allen Lane, Mountainside, was classified as a major subdivision. Mr. Fatoure is desirous of building a dwelling to replace

his own home in the path of the proposed Route 78.

The application of Gluseppina Montarari of South Springfield Avenue for the subdivision of property at South Springfield Avenue and Route 22 with a property line was ordered returned to the applicant with a request for additional information showing the location of all existing buildings on the land and side lines and set backs.

About Those Other Pool Sites

See Map At Right

Here are the descriptions prepared by Candeur, Flettsig and Associates, of a municipal swim pool study and locations, submitted to the Township of Springfield, dated July, 1961:

THE EVERGREEN TRACT. This site, located off of Evergreen Avenue adjacent to the industrial park, is a FOUR-ACRE TRACT with a lodge building and picnic area. The advantages of this site are: it is easy to develop; it has good access to utilities; it is centrally located to serve the southeastern portion of the community; and it can act as a buffer between the industrial area and the residential area across the street.

Disadvantages are that the size of the site may preclude expansion or construction of additional complimentary recreation facilities and that it is off-center relative to the entire community.

If this site is selected, thought should be given to acquiring the 0.6-acre residential lot adjacent to the site at the southeast end and/or 1.7-acre tract directly across Evergreen Avenue. Also, consideration should be given to the possibility of using the adjacent Public Service garage lot on weekends during peak periods of pool use.

SOUTH SPRINGFIELD AVENUE SITE. This site is located across from the elementary school on South Springfield Avenue and consists of several lots in single ownership totaling over 30 acres. The advantages are: the site is relatively easy to develop with access to utilities; it is large in size (only a 7-10-acre portion would have to be purchased) and allows for full development and expansion; it has excellent access from South Springfield Avenue; and the pool could be so situated to act as a buffer between the industrial area to the southeast and potential residential development on the remainder of the site.

The main disadvantages are that it is not centrally located to serve the entire community and there is little natural landscaping. There is also a possibility that the acquisition costs may be very high.

THE MOUNTAIN AVENUE SITES. These are three sites located on the northwest side of Mountain Avenue adjacent to the Baltusrol Country Club. They are presently vacant or under cultivation. Sites 3 and 4 are over 10 acres and site 5 (three parcels in separate ownership) is 7.7 acres.

All three sites have the same relative advantages which are: they are large enough in area to provide room for full development of the pool facilities; they have access to utilities and should be relatively easy to develop (although site 3 may have some drainage problems); they are well-located to serve the entire community; there is good access off Mountain Avenue; and they can be developed without undue nuisance to the adjoining residential areas.

The main disadvantage of these sites is their lack of natural landscaping. In addition, their acquisition costs are expected to be high.

THE CALDWELL AVENUE SITE. This site is a 4.0-acre tract of land owned by the township, located off Caldwell Avenue between Rose and Tooker Avenues.

The advantages of this site are its central location with respect to the entire community and the fact that the land is already owned by the community.

The main disadvantages are: the site is too small for proper development of a community-wide pool; access off Caldwell Avenue is not good; the site probably will entail expensive land development costs; in fill and drainage preparations; and because it is an interior lot surrounded by residential units, the pool may be a nuisance in this area.

If further consideration of this site is desired, thought should be given to the possibility of acquiring an additional lot for access to Mountain Avenue and possibly expanding the size of the tract by acquiring the unused portion of the long back yards of the houses fronting in Tooker Avenue.

MORRISON ROAD SITE. This is a 25-acre site, located off Morrison Avenue between Morris Avenue, Main Street and the township line. While part of this site will be taken for the new highway, a large area will remain for potential development.

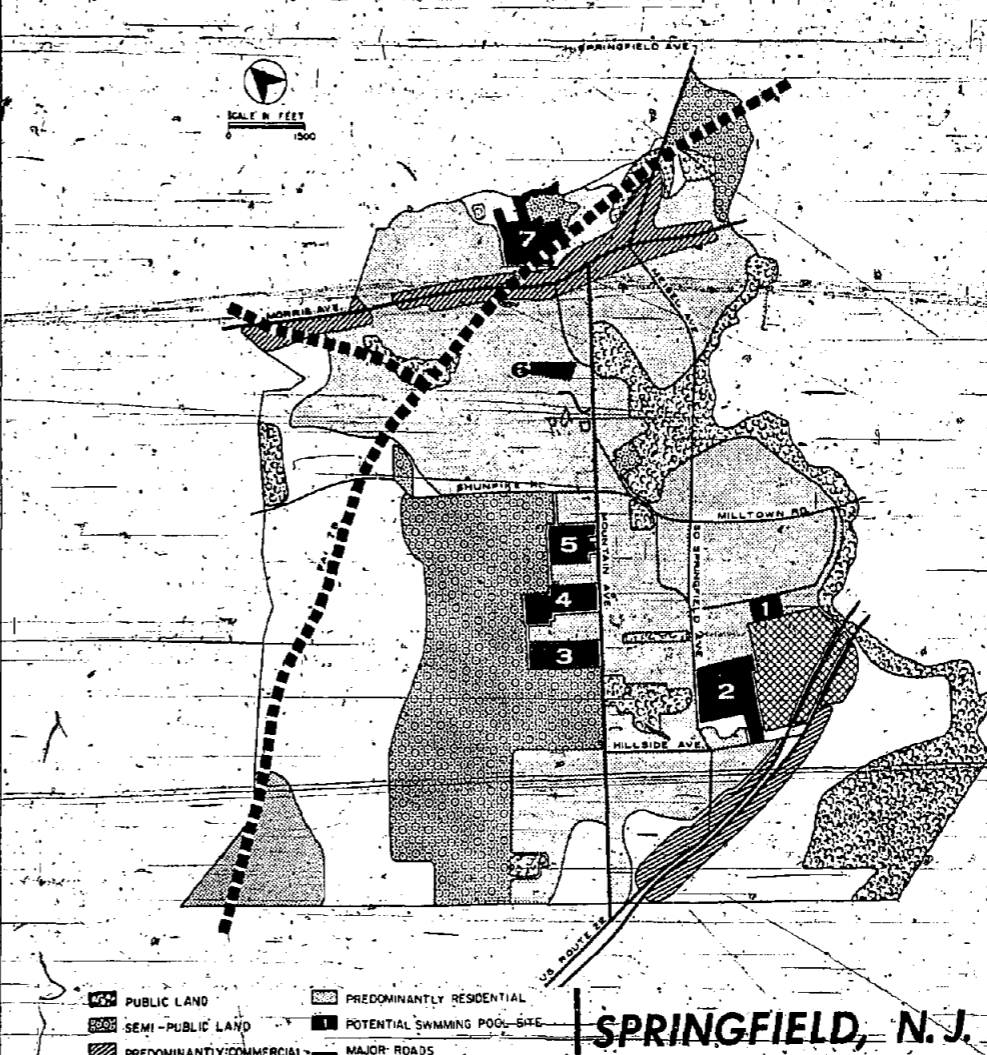

The main advantages of the site are: it is large in size, has access to utilities, and should present no development problems.

The main disadvantages are: it is poorly located both in terms of service and in site access since Morris Avenue has to be crossed to reach it; it is potential commercial land and may entail high acquisition costs; and the pool may have to be situated close to the new highway, which may create a dirt and noise nuisance.

Further study as to actual location and development of the pool on the site and of improving access should be made if use of this site is considered.

OTHER SITES. Several other sites were also superficially inspected and may prove warranted for use if none of the above alternatives are suitable. These sites include the Board of Education property between Mountain Avenue and South Springfield Avenue, the Union County Park Commission lands (most of which is subject to flooding), the New Jersey Quarry Company land bounded by the railway, the Troy Garden Apartments, the new highway and Shunpike Road, and the possibility of acquiring a part of the Baltusrol Country Club land along either Mountain Avenue or Shunpike Road. Some of these sites should also be considered if a second pool is envisioned for the future.

Location Map of Potential Swimming Pool Sites

MAP SHOWING SWIM POOL SITES: No. 1 - Evergreen Tract; 2 - South Springfield site; 3 - 4 - 5 - Mountain Avenue sites; 6 - Caldwell Avenue site; 7 - Morrison Road and Jenco Tract site.

Mayor Urges

(Continued from page 1)

should be appreciated by all the people of Springfield. Their recommendation to locate this facility at Evergreen was an objective and unbiased one. The six other sites studied were shelved because of acquisition costs unfavorable, location, inadequate size, etc. I want to make it clear that the Citizens' Committee was acting in an advisory capacity to the Mayor and Township Committee, and their recommendation is not binding upon the Township Committee.

"We on the Township Committee are not attempting to impose the Evergreen Lodge site upon the public. In fact, the Township Committee has invited four architects to be interviewed on Saturday, June 9, for the purpose of making new site studies, and to make independent recommendations.

"All sites that are available for procurement will be investigated by the architect chosen by the Township Committee. These site studies will be discussed with all interested citizens at our

public hearing to be held at the Gaidneef School on Wednesday, June 27th, at 8:00 p.m."

"This hearing will NOT be limited to any specific site or location."

"I regret," Mayor Del Vecchio concluded, "that this worthwhile project has been made subject to political overtones. I have attempted to keep the Swimming Pool Question out of the political arena by reappointing the past administration's Pool Committee in its entirety to maintain continuity of effort on the pool's behalf, regardless of the political complexion of the Township Committee."

"I urgently request all interested persons who have any comments on this vital issue to please write me at P.O. Box No. 6, Springfield, and by all means to attend the public hearing on June 27th."

Temperance To Be

Topic This Sunday

Rev. George O. Lewis, Jr., who is Director of the New Jersey Council on Alcohol Problems will be the guest speaker this coming Sunday morning at 10:45 at the Springfield Methodist Church.

Mr. Lewis is very popular across the State of New Jersey as a leader of Temperance Forces and speaks in hundreds of public schools to young people. This service is open to the public and all young people and adults of the Church are invited to attend.

The Pastor, Dr. Gilbert will be attending annual conference and John Brunny, chairman of the Pastoral Relations Committee, will preside.

Sparky Visits Springfield Again, June 9

Once again the members of the Springfield Fire Department F.M.B.A. Local #57 will conduct its third Sparky Fire Department meeting.

Meetings have been held in the Jonathan Dayton Regional High School as members viewed films and held short lectures on Fire Prevention.

This next meeting planned for Saturday, June 9, 1962 at 10:00 A.M. will be held behind the American Legion Hall at No. Trivet and Center Streets.

The fireman will conduct a demonstration for the Sparky members of Grades one, two, and three consisting of an actual fire and the proper use of extinguishing equipment.

The parents who drive their children to the meeting, are asked to have transportation ready at 11:00 A.M. to take them home. In the event of bad weather the program will be held the following Saturday.

Burglar's Friend Now Well Dressed

Over \$2,000 in cash and clothes was taken from the Florence Lee Dress Shop, 236 Morris Avenue, Springfield by an unknown burglar last Saturday night.

According to the police, Patrolman Ralph Merlucci, who was on duty in the area, spotted a broken window at the rear entrance to the dress shop and evidence of forcible entry. Further investigation by Officer Merlucci, indicated the merchandise had been gone through and the cash register tampered with.

An inventory by the owners indicated exactly \$2,113.31 in money and merchandise missing from the store according to police. The police are working on various leads.

J.E. Morrison

James Edgar Morrison of 1875 Ledgewood Road, Mountainside died Friday in Overlook Hospital, Summit, of a sudden illness. He was 61.

Born in Springfield, Mr. Morrison lived there until six months ago when he moved to Mountainside. He was a vice president of Andrew Wilson, Inc., Springfield, for the last 21 years.

MARINE POLICE OFFICER—Springfield resident, Deputy Area Commander Wallace Callen, of 10 Mohawk Drive of the New Jersey Marine Police is on duty weekends at Newark Bay in his own personal radio equipped boat which he uses for state patrol work. Deputy Commander Callen was recently sworn in as area officer by John Kent of the New Jersey Conservation and Development Department and is now on duty as an unpaid volunteer.

'Night Owl' Barbecue

The "Night Owls" of Chi Omega will recess for the summer following a barbecue picnic on Sunday, June 10 at 5 p.m. at the home of Mr. and Mrs. David Pyle, 237 Delaware St., Westfield. Husbands of the members are invited. Arrangements for the affair are being made by Mrs. Pyle, Mrs. J.D. Cox, and Mrs. Robert Deegan, all of Westfield.

Full activities of the group will commence on September 10 with a dinner at Scouffers Restaurant On The Mall, Short Hills, Mrs. J.R. Holmin of Summit is in charge of arrangements.

Silver dollars although popular in some Western states, are rarely used in the East. A Brooklyn, N.Y. gas station attendant called "hotter" recently when a Wyoming motorist tried to pay him with a silver dollar.

The Bureau of the Census was established as a permanent agency in 1902.

Greenwood Swim Club Opens For 9th Season

On Thursday, June 14th, GREENWOOD SWIM CLUB, located in nearby Florham Park, officially opens for its ninth season of complete summer activities. The Club will remain open daily until 8 P.M. through September 9th.

Owens, Syd and Ned Jacobs have succeeded in making Greenwood a truly family swim club whose program provides a variety of facilities and activities for both parents and children at most reasonable rates. The Greenwood Day Camp, again under the able and professional direction of Mrs. Florence Piaster, a faculty member of Fairleigh Dickinson University, provides fully supervised programs in arts and crafts, dramatics, organized play, and athletics for children from three years of age for six days each week. Competition for the coveted Greenwood trophies results in many bright young faces at the season's end.

Arnie Marks, a veteran pool supervisor and physical education teacher in the Newark school system, joins the Greenwood staff this year as waterfront supervisor of Greenwood's one million gallon circular pool, the largest and safest pool of any private club whose recirculating waters are a continuous source of relaxation throughout the season.

The Club also provides organized teen and pre-teen age activities which include both informal and formal dances, movie nights and athletic competitions. Other notables on the Greenwood staff include Vic Thomas, track coach of Arts High, who will act as Director of Athletics, Pete Roberts, Social Director and Jerry Samak, well known tennis professional, who will teach free tennis clinics and will be available for private and group lessons on Greenwood's four all-weather tennis courts. Greenwood offers complete athletic facilities including softball fields, four wall

handball, basketball, volleyball, shuffleboard, tetherball, and horse shoes.

For adults, sunbathing on Greenwood's sand beaches surrounding the pool, is the favorite daylight pastime, diversion from which is provided by cabarets, dancing, playing art lessons by the Kardones, and lectures on cosmetics, fashion shows and the like. Saturday nights provide the opportunity for the Greenwood members to howl. This is the night of the week that Greenwood's fully air-conditioned club house is set-up for dancing, Broadway shows, champagne hours, amateur nights and the tremendously successful Hawaiian Nite, featuring Pua Lan and her Hawaiian Orchestra and dancers, with lavish Luau by Thom's whose outstanding food and service throughout the season is enjoyed by all the Greenwood members.

On Saturday night, June 30th Greenwood will present its first

gala Broadway Show of the season, featuring the wildly acclaimed comedy team of BLACK AND NOLEN, whose hilarious antics have drawn the label "Beauty and the Beast". Other headliners that night will be the vocalists Lynn Page and Ernie Taylor, with dance music by our versatile Gaines Orchestra. For this occasion, Thom's will cater his famous prime ribs of beef banquet, with all the trimmings.

Greenwood's facilities provide private Cabana and Dressing Rooms known as Cabnettes, and not the gym locker atmosphere found at other swim clubs. The managers advise that all cabana facilities have been rented for some months, but report that a few cabnettes remain available for new members who believe they would enjoy the Greenwood program which constantly seeks to provide "Everything for Everybody".

AT GREENWOOD—Pictured above is Greenwood Swim Club's own Gaines Orchestra which will entertain club members on Saturday night, June 30th, when the popular Florham park club holds its first gala Broadway show.

Reunited After 35 Years

American shores were graced with a new visitor from Czechoslovakia last week when Mrs. Olga Kutma arrived in New York after a six-day trip aboard the USS America to visit her sister, Mrs. Henry F. Ruban, of 248 Hillside Avenue, Springfield.

Mrs. Ruban had not seen her sister in 35 years. The Czechoslovakian visitor plans of remaining in this country for three months in which time she will visit with two other sisters, Mrs. J. Moskal of Livingston, and Mrs. L. Petras of Union.

Senior Roundup Scouts Attend Training Session

Park, Vermont, on the shores of Lake Champlain, Mrs. D. J. Shovin will serve as their nurse and trip director. Nearly 10,000 Girl Scouts from every state in the union and U. S. possessions and Girl Guide Rangers from at least 20 other countries plan to attend the Roundup with 1,700 adult volunteers and staff from various parts of the United States.

The Girl Scouts set up camp starting at 9:00 a.m. Saturday and from 2:00 to 4:00 p.m. there was an open house for intermediate leaders, relatives and friends of the Roundup girls. They demonstrated the various activities that they plan to take part in at the Roundup. There was a question and answer period.

Special guests at the open house were Mr. and Mrs. George Morin and Mrs. Edgar Allen who will also attend the Roundup. Mrs. Morin will be the transportation director and Mr. Morin the photographer. Mrs. Allen will be the waterfront consultant.

Equipment for this venture was donated by local organizations, merchants and businessmen.

Miss Bette Bingham is the program director for the Council who has assisted with this project. The volunteer trainers include: Miss Idamea Treaner, Miss Jean Tobey, Miss Betty Jane Morgan, Miss Edna Doll and Miss Eleanor Lutgens.

The Washington Rock Girl Scout Council is a member agency of the United Funds.

A weekend training session at the Sky Top Area in Watciting was held June 2 and 3 for the 38 Girl Scouts from the Washington Rock Girl Scout Council who were selected to attend the Senior Roundup from July 18-31 at Button Bay State

Back from a tour through Canada are Springfielders Mr. and Mrs. Philip Goldhammer, of 7 Essex Road, and Mr. and Mrs. Nat Turen of 29 North Derby Road. The two couples spent some time in Ottawa, and stayed at the Queen Elizabeth Hotel in Montreal.

he thought the ending should be, and whom sent it in. Result is that Gary received a certificate from the magazine, and the June issue carries the story with his finishing touch.

Mr. and Mrs. Donald Sobin, of 48 Evergreen Avenue, Springfield, announce the birth of a daughter, on May 17, at Overlook Hospital in Summit. The new addition, who weighed in at seven pounds, eleven ounces, has been named Darcy-Lee. On the welcoming committee is ten-year-old sister Debbylyn. Mom is the former Doris Eaton.

With faces, shining, and hair carefully combed, members of the choir of the Thelma S. Sandmeier School in Springfield took their places on the platform this past Tuesday morning to present "A Morning of Music," which was the culmination of a year of hard work, and of getting to school early on Tuesday mornings. The program contained folk songs from other lands, as well as some American favorites.

Circle Meetings

The Women's Association of the Willow Grove Presbyterian Church will meet on Monday, June 11th.

The Morning Circles will meet at 9:30 a.m. as follows:

Mrs. Cecil Knowles with Mrs. Hartley Clark, 75 Lancaster Rd., Colonia

Mrs. James Claypoole's with Mrs. John Rudnik, 1734 S. Marine Ave., Scotch Plains

The Afternoon Circles will meet at 12:30 as follows:

Mrs. Werner Pflug's with Mrs. Jack Mohler, North Gate Rd., Scotch Plains

Mrs. Bernard Anderson's with Mrs. William Quisberg, 443 Oak Ridge Rd., Clark

The Evening Circles will meet at 8 o'clock as follows:

Mrs. James MacGregor's with Mrs. Norman Larsen, 71 Summit Ave., Westfield

Mrs. Hartley Owen's with Mrs. Edward Oliver, 424 Grove St., Westfield

All Circles will continue the study of the seventh Chapter of the book of Romans.

With Law Firm

Miss Kathleen Foley of 457 Meisel Avenue, Springfield, who was graduated from Jonathan Dayton Regional High School and completed her work at the Katterbach Gibbs School in Montclair has secured a position through the Placement Department of the School with the law firm of Blume and Blume, Newark, New Jersey.

MR. AND MRS. MARTIN HUSKA CELEBRATE 25TH ANNIVERSARY

Mtsde. Bell 'Draftswoman' Would Rather Study Math

Miss Ann L. Ayres of Mountside works in what most girls would consider a dream world, but she wants out. She's one of half a dozen draftsmen (or is it draftswomen) at Bell Telephone Laboratories at Murray Hill among about 125 men. Miss Ayres, however, would rather be a mathematician than a draftsman, so she has been attending Union Junior College in Cranford nights for three-and-a-half years. She is climaxing this nocturnal effort when she's awarded an Associate in Arts degree at UJC's 29th annual commencement on Thursday evening (June 7).

A constant Dean's List student, Miss Ayres was elected to Phi Theta Kappa, the junior college equivalent of Phi Beta Kappa. "Going to college nights means giving up almost everything else," Miss Ayres pointed out. "You have to spend a lot of time to get through and I was carrying a big load. It's a lot harder than high school," she commented. Miss Ayres also found it necessary to work Saturdays "quite a few times," so that time to study was often limited. Despite these drawbacks, she managed to earn all As and Bs. She will graduate with one of the top averages in her class. "The studies have been getting more difficult all the time. At-

tending classes five nights a week left little time to study. Such classes as calculus takes time," she explained. Miss Ayres plans to transfer to Newark-Rutgers to continue her studies in math. She expects she'll eventually have to attend classes in New Brunswick. Miss Ayres hopes to be assigned to Bell Laboratories' mathematics department in the future. "There's not too much chance for advancement for girls in the drafting department," Miss Ayres said.

She began her career at Bell Laboratories as a messenger after graduating from Jonathan Dayton Regional High School in Springfield. Her intention was to go to college nights right after high school, "but in the middle of my senior year I became fed up with studies." The urge to go to college hit her again in the winter of 1959 and she enrolled at Union Junior College to major in science. Miss Ayres was encouraged to enroll in college by the Bell Laboratories' policy to pay employees' tuition.

Miss Ayres was able to complete the four-year evening program in three-and-a-half years by attending three Summer Sessions. She also made up some necessary credits by taking several courses at Fairleigh-Dickinson University and Newark College of Engineering.

The bride had as her maid of honor, her sister Mrs. R.W. Ball of Berkeley Heights. Best Man was Ralph Masi of Springfield. Bridesmaids were Miss Marie D'Andrea of Springfield, Miss Doris D'Andrea of Millburn and Miss Jacqueline D'Andrea of Millburn, all cousins of the bride. Ushers included Daniel Covello of Summit, Joseph Marone of Newark and Robert Rosa of Cranford.

Mrs. James Rosa, Jr.

D'Andrea-Rosa Recite Vows

Janet D'Andrea daughter of Mr. and Mrs. Michael B. D'Andrea of 232 Morris Avenue, Springfield, became the bride of James Rosa, Jr., son of Mr. and Mrs. James Rosa of 7 Park Avenue, Summit, on June 2. The ceremony took place at St. James Church with the Reverend Edward R. Oehling officiating.

Huskas Get Surprise

Mr. and Mrs. Martin Huska of Scotch Plains and Lebanon, New Jersey were the happy recipients of a surprise Twenty-Fifth Wedding Anniversary dinner which was held at the Club 101 in Newark on May 25. Mr. and Mrs. Huska were married on May 28, 1937 in St. Charles of Borromeo Church in Newark. Over one hundred guests attended the reception given in their honor. They are the parents of two sons, Martin a student at Fort Lewis A and M College in Durango, Colorado, and James, a student at the Scotch Plains High School.

Mr. and Mrs. Huska have been residents of Scotch Plains for the past twenty years. Mrs. Huska is the former Helen Carrell of Newark. Mr. Huska is president of Centaur Machine Tool and Manufacturing Company of Springfield.

Carol Weitzel, David Kohfeld Married In Illinois Church

Carol Joanne Weitzel, daughter of Mr. and Mrs. William F. Weitzel, Sr., 86 Oregon Road, Berkeley Heights, was married to David Lloyd Kohfeld, son of Mr. and Mrs. Albert Kohfeld of Elaine, Washington, at two o'clock Saturday afternoon, June 9, at the Christian Reformed Church in Wheaton, Illinois. Dr. William Mierop, pastor of Holywood Park Baptist Church, North Plainfield, New Jersey, officiated.

The bride, escorted by her father to the altar - banked with palms and flowers, wore a floor-length gown of tulle trimmed with lace applique, sequins, and seed pearls. The long sleeves tapered points over the hands and the modified Sabrina neckline was trimmed with applique of Alencon lace. From a large bow at the back waistline, fell a chapel length train. Miss Weitzel wore pearl earrings and carried a cascade arrangement of stephanotis and white roses.

The attendants, Miss Betty Jean Corby of Scranton, Pa., and Miss Diana Gullett, of Columbus, Ohio, college friends of the bride, wore white silk street length dresses with overskirts embroidered in lavender and blue, respectively. Wearing large picture hats and short white gloves, they carried baskets of assorted spring flowers. William F. Weitzel, Sr. was the best man.

Miss Lejine To Wed

Mr. and Mrs. George Levine of 30 North Derby Rd., Springfield, have announced the engagement of their daughter Carol Joan to Jack M. Hanowitz, son of Mr. and Mrs. Sam Hanowitz, 313 East 23rd St., Paterson, N. J.

Miss Lejine is a graduate of Springfield Regional High School and attended the University of Miami, Coral Gables, Florida. She is now employed by the Moore Club of American Finance Company, Newark. Mr. Hanowitz, a graduate of East State High School, Paterson, N. J., attended Bloomfield College, Bloomfield, and is associated with his father in the dry cleaning business. A May-1963 wedding is planned.

Mrs. David Lloyd Kohfeld

zel Jr., brother of the bride, was best man, and Thomas Dodgson, Stanwood, Washington, Walter Wolfram, Philadelphia, Pa., and Robert Stamps, Jasper, Texas, were ushers. As they left on their wedding trip, the bride and groom wore matching suits of navy blue. Mrs. Kohfeld accented her outfit with blue and white accessories and a corsage of white roses. The couple, both of whom received A.B. degrees from Wheaton College (Illinois) this June, will spend the summer in Washington after which they will return to the Midwest where Mr. Kohfeld will take graduate studies in psychology at the University of Illinois and Mrs. Kohfeld will teach high school.

Miss Virginia Barnwell, daughter of Mr. & Mrs. Vincent Barnwell of Springfield, has achieved her first big step in her chosen career of Nursing, by receiving her CAP on May 4th. Miss Barnwell entered the Clara Maass Memorial Hospital School of Nursing on a three year scholarship after graduating Jonathan Dayton Regional High last June. (Davron Studios)

Miss Rosenberg Becomes Bride of Edward Wahler

Miss Gerarda Marcella Rosenberg, daughter of Mr. and Mrs. John M. Rosenberg of Henshaw Avenue, Springfield, on Saturday, June 6th, became the bride of Edward Dewey Wahlers, Jr., son of Mr. and Mrs. Edward D. Wahlers of East Cedar Street, Livingston. The Rev. James Elliott Lindsley performed the ceremony at St. Stephens Episcopal Church, Millburn. A reception followed at the Turtle Brook Restaurant, West Orange. Miss Priscilla Pollock was the maid of honor and Mrs. Ger-

(Portrait by Davron Studios) Mrs. Edward D. Wahler, Jr.

Miss Berghof Weds F. Mueller

Mr. and Mrs. Robert A. Berghof of 155 Main Street, Newark, announced the marriage of their daughter Daryl M. Berghof, 21, to Mr. Fred F. Mueller, 28, of 155 Main Street, Newark, on Saturday, June 6th. The ceremony was performed by the Rev. Daniel J. Arico at the Clinton Avenue Protestant Church, Newark, at 2:00 p.m. Mrs. Berghof was maid of honor and Mr. Hugh Murray was best man. The reception was held at the Calm, West Orange, where the couple are honeymooning at Virginia Beach, Va., at the Plaza-Bard Motor Lodge. Mrs. Mueller is a graduate of Jonathan Dayton Regional High School.

Mondelli-Mele Say Vows

Little Flower Church, Berkeley Heights, was the setting Sunday for the wedding of Miss Phyllis Mondelli, daughter of Mr. and Mrs. Daniel Mondelli, of 158 Washington St., Berkeley Heights, to David Anthony Mele, son of Mrs. Emily Mele of Summit. The Rev. Carl J. Arico performed the ceremony. A reception followed at the Redwood Inn, Somerville. Miss Maureen Flynn was honor attendant. Bridesmaids were the Misses Suzanne Dalberò, Elaine Aiugedò, Joanne Migliorise and Joanne Mele, the bridegroom's sister. Joseph Kawan served as best man. Ushers were Norman Rucco, Michael Colangelo, Walter Rabe and Lewis Otero, the bridegroom's brother-in-law. The couple are graduates of Wilfred Academy; Mrs. Mele is a beautician in New Providence.

Nancy Vinella Married To John Scuorzo of Spfld.

Miss Nancy Vinella, daughter of Mr. and Mrs. Ernest Vinella of 306 North 22nd Street, Kenilworth, became the bride of John Scuorzo, Jr., son of Mr. and Mrs. John Scuorzo Sr., of 6 Essex Road, Springfield, Saturday afternoon in St. Theresa's Church, Kenilworth. The double-ring ceremony was performed by the Rev. Michael A. Hogaek, assistant church pastor. A reception for 300 guests followed in the V.F.W. Hall in North 21st Street, Kenilworth. Miss Sandra Klopf of Kenilworth was maid of honor for her cousin. Bridesmaids were Miss Cheryl Vinella of Kenilworth, a sister of the bride; Miss Joann Scuorzo of Springfield, a sister of the bridegroom; and Miss Mary Ann Zampaglione of Kenilworth, a cousin of the bride. Jerry Scuorzo served as his brother's best man. Ushers were Jerry Vinella of Kenilworth, a brother of the bride; Charles Pire of Newark, and William Picone of Kenilworth, a cousin of the bride.

(Portrait by Davron Studios) Mrs. John Scuorzo

Mr. and Mrs. A. Korol, 46 South Stanley Road, South Orange announce the engagement of their daughter Barbara to Michael A. Nigro, Jr., son of Postmaster and Mrs. Michael A. Nigro, Sr. of Berkeley Heights. Barbara is a student at Berkeley Secretarial School and Michael is a Junior at Seton Hall University. Wedding date has been set for April 20, 1963.

Miss Jacobsen, Bucknell Grad

Miss Barbara A. Jacobsen of Springfield, received special recognition at Bucknell University's 112th annual Commencement exercises here Sunday. Miss Jacobsen, who was awarded the degree of bachelor of arts, was graduated with the distinction of Cum Laude, indicating that she had attained the grade-point average of 3.5 or more out of a possible 4.0 during her college career. She also graduated with honors in sociology. She was one of 10 graduates of a graduating class to receive their degrees with honors. She is the daughter of Mrs. Randolph T. Jacobsen, Short Hills Avenue.

WATCHUNG WEEKLY CLASSIFIED

Country casual in appearance, County Station is perfect for the teen-age bedroom, guest room, or master bedroom in a small home. In Bubinga wood (from Africa) it has a warm mellow tone and is simplified through the use of moldings to serve as pulls, rather than hardware. The bed has an interesting plank effect in headboard.

Temple School Registration Soon

Springfield's Temple Shalom membership committee announces that registration for its religious school year 1962-1963 will soon take place. It is therefore advisable for non-members with children of religious school age to contact the committee. All those interested in joining the congregation or desiring further information should contact either Mrs. Martin Sherman, DR 9-3132 or Mr. Herman Horowitz, DR 9-4498.

Kuzma Dental School Grad

Edward Kuzma of Springfield, is among 35 seniors at Seton Hall College of Medicine and Dentistry who will receive Doctor of Dental Surgery degrees June 9, at commencement exercises held at the South Orange University campus. It was announced here by Dr. Merritt M. Maxwell, dean. A graduate of Lincoln High School, Jersey City, and Seton

Hall University, Kuzma is married to the former Doris Taraska of Springfield. They have

Edward Kuzma

two children and make their home at 256 Hillside Avenue. He is a veteran of the U. S. Navy and following graduation will join the U. S. Public Health Service at Baltimore, Md.

At the ceremonies Saturday, Governor Richard J. Hughes and John D. Vervey, dean of Oklahoma City University School of Law will receive honorary degrees.

Spring Garden Country Club Opens June 16

Spring Garden Country Club, the Summer vacation land for many residents in this area, is all painted, refurnished and ready for the season's regular opening scheduled for Saturday, June 16.

This vast playground and swim pool in Florham Park has been attracting residents from Springfield and other communities in this section but the rush for accommodations has never been greater than this year, according to General Manager Leo Pearl.

Everything at the swim-club is in readiness for the full program which is to start with June 18. Many new facilities have been added for the convenience of members.

The first function of the year has already been announced to be held at the Coronet in Irvington. It is an evening of dance, entertainment and food.

SCIENCE NOTEBOOK

BY HANS KLEIN
UNION COUNTY REGIONAL HIGH SCHOOLS

Porpoises or dolphins, because of their reputedly high intelligence, have been in the news a great deal lately. What are some of the things we know about them? Everyone by now is aware that they are mammals. Porpoises are related to whales and are included with them in the Order Cetacea. The species we have heard most about is the bottle-nosed dolphin in the genus Tursiops, but there are numerous other related species.

Can Roman Catholics eat dolphin meat on fast days? Do any scientists really think dolphins or porpoises could be more intelligent than humans? Why is the U.S. Navy interested in research on dolphins? Why is the word "porpoise" used more often than the correct name "dolphin"? (Question by D. Hudak, Clark, N.J.)

Questions sent to Hans Klein, care of this newspaper, will be answered in the Science Quiz.

supplanting the highly rated chimpanzee. However, Dr. John Lilly, a neurophysiologist, goes even further in his enthusiasm over their interesting behavior. He points out that the size and complexity of its brain may place the dolphin as an intellectual rival of man himself.

Questions sent to Hans Klein, care of this newspaper, will be answered in the Science Quiz.

Questions sent to Hans Klein, care of this newspaper, will be answered in the Science Quiz.

Questions sent to Hans Klein, care of this newspaper, will be answered in the Science Quiz.

To Talk On Greece

Mrs. E. B. Baldeschweller, of Cranford, a traveler and photographer, will lecture and show color slides on "Greece and Her Islands," at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, on Sunday, June 10 at 3:00 p.m.

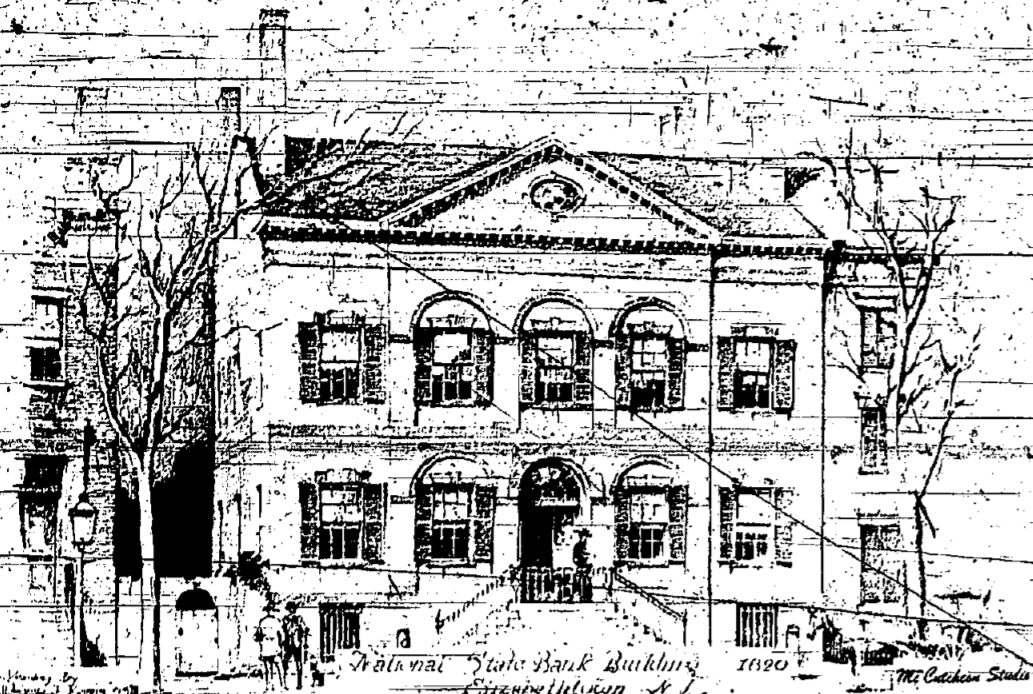

In 1961, Mr. and Mrs. Baldeschweller toured continental Greece and many of the surrounding islands. The slides to be shown were photographed by Mrs. Baldeschweller during her two month visit to this ancient land. The lecturer will discuss ancient Greece and Greece as it exists today.

At 4:00 p.m. on Monday, June 11; Wednesday, June 13; and Thursday, June 14; Dr. Harold N. Moldenke, director of Trailside, will conduct one-half hour nature talks for children. The topic selected for the three days is "Lizards, Alligators and Crocodiles." Dr. Moldenke's lectures will be supplemented with color slides.

The public is invited to visit the Trailside Nature and Science Center on weekdays, except Fridays, from 3:00 to 5:00 p.m., and on Saturdays, Sundays and holidays from 1:00 to 5:00 p.m. There is no admission charge at Trailside.

Services Offered

REPAIR, alter and modernize anything in and outside your home. Free estimates, Call DR 9-5868.

EARLY ONE—Pictured above is the National State Bank building as it looked at its Elizabeth town location in 1820. The bank is currently celebrating its 150th year of service. The National State Bank has offices in Elizabeth, Springfield, Roselle Park, Summit, Kenilworth and Westfield.

National State Bank, Eliz. Celebrating 150th Year

The National State Bank, Elizabeth, is celebrating its 150th year of service. The State Bank of Elizabeth as it was originally known, was founded in 1812 when there were only three other banks in the entire state. The 150-year span has produced an interesting history and an impressive record of growth for National State. Its first banking quarters were temporary, in a home which stood where Caldwell Place now intersects Broad Street, Elizabeth. Plans to purchase a lot were immediately put into effect and in 1814 the bank occupied permanent quarters on the very same lot on which the Main Office stands today.

The bank's first president was Phaddeus Mills. A sound, conservative man, his abilities and character served the bank well during a period when one of the most striking features of the nation's economy was its chaotic condition.

Of the early depositors, the following names are still actively carried on the bank's books: Bonnell, Campbell, Coursen, Crane, Kean, Lum, Meeker, Ogden, Parrott, Sayce, Thomas, Townley and Woodruff.

Mr. Mills was followed as president by New Jersey governor Aaron Ogden in 1818, William Chetwood in 1818, and Looe Baker in 1821. Mr. Baker served the bank until 1840 through local and national crises, during which times the bank actually progressed. In fact by 1835, the State Bank's business had increased to the extent that additional capital was needed, and stock was issued to the full \$200,000 authorized.

In 1861 with the Civil War on, the bank loaned \$70,000 "to equip such regiments as may be called out for service," and later purchased thousands of dollars of government and state securities issued to finance the war.

The National Banking System came into being in 1863. Recognizing the importance to the country of a uniform currency and a nationally regulated system

Gets Top Honors

Top honors in the field of Foreign Language have been awarded to Kathleen Middlekauff, a senior at Governor Livingston Regional High School in Berkeley Heights, according to word received by August Caprio, language coordinator for the Union County Regional District.

Kathleen Middlekauff

New Jersey Modern Language Teacher's Association annually presents a \$300.00 scholarship to the most outstanding foreign language student in the state on the basis of overall scholastic average as well as scholarship in a language. Results of the Listening Comprehension test conducted by the College Entrance Examining Board are included in making the decision, Mr. Caprio said.

Foreign language students in public, private and parochial schools from all over the state participated in the competition submitting in addition to scholastic averages an original essay written in a foreign language on "Why I Should Like to Major in a Foreign Language." Kathleen who is studying French with Mrs. Sylvia Fosman, will continue with her studies in Modern Language at Smith College following her graduation from High School this month.

While at Governor Livingston Kathleen has been number one in her class scholastically in both her junior and senior years, President of the National Honor Society, and member of the Language-National Honor Society. In addition she was a delegate to Girls State, a member of the National Forensic League, and for the past year has served as co-editor of the school yearbook.

of supervision over all banks, the State Bank made application for admission and in 1865 was admitted as the National State Bank of Elizabeth.

In 1914, the bank subscribed to the stock of the Federal Reserve Bank in its district and became an early member of the Federal Reserve system. When permission was received from the Federal Reserve Board in 1919, the bank organized a trust department.

NAMED—Arturo A. Checchio has been named an executive assistant to Richard V. Mulligan, vice president of personnel at Johnson & Johnson. Checchio had been with Personal Products Corporation, an affiliated company of Johnson & Johnson. A native of Scotch Plains, Checchio was graduated from Iowa University and later studied at Rutgers University, New York University, and the Advanced Management School of the American Management Association. A former mayor of Scotch Plains, Checchio is presently serving as Township Committeeman and as member of the Planning Board. With his wife, the former Portia Schuler of Oskaloosa, Iowa, and their five children, Checchio resides at 711 Westfield Road Scotch Plains, N.J.

Shakespeare For Parks

The R. J. Goerka Company of Elizabeth and Plainfield, will sponsor the outdoor productions of Shakespeare's "A Mid-Summer Night's Dream," and "Romeo and Juliet" which will be presented in the Union County Park System this season.

Donald Carpenter, Former RHS Varsity Athlete, Gettysburg Grad

On Sunday, June 3, 1962, Donald M. Carpenter of 86 Tooker Ave., Springfield, son of Mr. and Mrs. Carl Carpenter, 294 Washington St., Berkeley Heights, graduated from Gettysburg College, Gettysburg, Pennsylvania with a Bachelor of Science Degree in Health and Physical Education. Mr. Carpenter, a graduate and former athlete at Jonathan Dayton Regional High School, participated in varsity football while at Gettysburg and was Middle Atlantic Conference Punting Champion in 1960 and 1961. Besides participating in football, Mr. Carpenter was a member of the Sigma Alpha Epsilon Social Fraternity, Varsity "G" Club, Physical Education Majors Club, and past president of Kappa Phi-Kappa Professional Education Fraternity.

Donald Carpenter

Alumnae Assn. Will Honor Active Members

The collegiate members of Zeta Tau Alpha from the northern New Jersey area will be honored by the Union County Alumnae chapter at a luncheon this Saturday. The event, scheduled for noon at the William Pitt Restaurant at Chatham will climax the current season for the group. Mrs. Richard Dittman of Westfield, President of the Alumnae, will welcome the college girls and also the representatives from New York City, Staten Island and Bergen County Alumnae chapters present. Mrs. Jay Gross of Cranford, National Ritual Chairman of Zeta Tau Alpha will bring greetings from the national organization while Mrs. Quentin Brown, 1214 Sylvan Lane, will outline her duties as New Jersey State Membership Chairman.

The affair, will be highlighted by the presentation of "Moments to Remember from the Theater", a series of dramatic sketches given by Miss Jackie Judy of Elizabeth and Mrs. Russell Hermann of Cranford. Both these artists have had considerable experience in summer stock and in local dramatic offerings.

Mrs. John Rogers of Cranford will be chairman of the luncheon, assisted by Mrs. Brown and Miss Jeffrey Henp of Roselle. All area Zetas are invited and may secure further information from Mrs. Stewart Knapp, 110 Victor Street, p.m. each evening.

"Romeo and Juliet" will take place on a lawn area behind the park. Commission's administration building in Warhance Park, Elizabeth and Roselle, on Tuesday, August 28 and Wednesday, August 29. Bleachers will be set up for the audience and admission is free.

Elected Monitor

Steven M. Martin, son of Mr. and Mrs. Frank B. Martin, Jr., Sleepy Hollow Road, has been elected a monitor at the Taft School. He will be one of twelve seniors to hold this position of leadership next year.

Martin is a three-year veteran of the varsity golf and basketball teams, and has been elected captain of basketball. An honor student, he came to Taft in 1959 from Wardlaw School.

The productions will be presented by the Woodbridge Summer Shakespearean Drama Festival and are now in rehearsal under the direction of Henry Glass, Westfield. Mr. Glass has directed community theatres in Linden, Livingston, Plainfield and Woodbridge.

Swim Pool Study Well Done

Serving in the public interest, especially on study and survey programs, may have its civic rewards but, as a rule, these well intentioned and dedicated citizens usually get a solid kick in the Equator.

The Mayor's Citizens' Swim Pool Study Committee offers a good example. The members of that committee have been taking so much abuse after doing what everyone considers to be a very thorough and conscientious job, which will hardly encourage other citizens to enlist or even answer the call to civic duty.

This Pool Study Committee has devoted seven or more months with meetings, visits to every possible location for the municipal facility, to every community where there is now a swim pool in operation, to conferences, to letters, telephone calls, special problems, and a great many matters - other than their own professions and businesses.

There have been charges that "a group of 12 citizens, unfamiliar with the technicalities of pool site selection surveyed 7 or 8 possible sites and recommended Evergreen Lodge property as their choice."

Which is quite unfair because evidently Evergreen Lodge is the best location in their judgment. The Township Committee should have made good its word to accept the recommendation and start the legal wheels rolling.

According to members of the Mayor's Pool Study Committee there was a conference held with the Township Committee and the Evergreen Lodge site was acceptable.

Even if the ordinance, with "Evergreen Lodge" included in the contents, were passed on its first reading - and, we understand, it was on the agenda, the usual public hearing would have been held before final passage.

This would have given all those opposing the selection of Evergreen Lodge an opportunity to offer their objections and the vote on the ordinance would reflect the influence of these protests on the members of the governing body.

Now - with the June 27 public hearing in the Gaudineer School and the expected reports from professional engineers on other sites for the swim pool - the whole merry-go-round will start all over again. More committees, more studies, more reports. Selecting a swim pool and recreation site will never satisfy everybody.

Members of the Mayor's Swim Pool Study Committee should be commended for the job so well done - even if Evergreen Lodge doesn't prove to be the site selected. It was the judgment of the members of the study group comprised of Springfield residents with very diversified and outstanding qualifications.

Recreation Director Edward J. Ruby is a member of the study group which gave the committee the necessary "know how" on any question in that field.

Edward Schwartz, chairman of the Citizens' Pool Study Group, knows all there is to know about real estate, appraisals and other factors important to such a project. He devoted considerable time and effort to this study, giving the problem all of his capabilities.

Marvin H. Strauss, Milton Zisman and Joseph Fleischman are very well known in the CPA field. Joseph Seidel is an attorney, C.R. Boettger is an engineer, Howard Kiesel is in advertising and public relations, Stan McConkey is in the engineering field, and all the others offered something to the Citizens' Committee in arriving at decisions.

While all of these could not possibly know all the technicalities of pool site selection, it was a well rounded group with more than usual ability of such committees.

Their decision, after all those months of consideration, could only have been inspired by a sense of "what is best for Springfield."

The newspaper publicity that "Evergreen Lodge is recommended for the swim pool site" was not released for publication until the Mayor's Committee had received assurance that the report would be accepted by Mayor De Vecchio and the governing body.

No one will say what happened between the time of that joint meeting, held on the Wednesday prior to the regular Township Committee session, and the meeting itself. If a Mayor's Committee's final recommendation is not accepted - very few of Springfield's busy professional and businessmen will anxious to serve as members of such groups.

Goodbye Cicada!!

The cicada - vulgarly known as the locust - is on its way out after a brief ten-day visit, the first one since 1945. We won't expect to hear from him again until 1979.

This 17-year visit prompts us to consider the intriguing experience it would be to change places with Mr. Cicada and come back to check on the affairs of earth every 17 years.

If Mr. Cicada could speak and cogitate, can you imagine his surprise - and chagrin - to arrive on the scene in 1962 and find that the world was busy building atomic stockpiles with an eye towards destroying itself! As you recall, Mr. Cicada went into hibernation shortly before the first "A-bomb" was launched in August 1945. He had finished his ten-day stint by the first week of June of the same year. What a shock the atomic testing business would have been to the thinking cicada!

And can you imagine his comments on the prospects of the US and the USSR sending men to the moon! He might regret that he would miss all the fun - the moon-flight being scheduled for the heart of his hibernation years - or he might cut short both the Reds and Yanks (we're not talking about baseball teams) by saying in ultra-sophisticated tones, "When I come back in '79 you fellows will still be experimenting; you're too wrapped up in trying to beat the other guy to make any real progress."

No doubt it would be quite an experience, sleeping through many of the experiences of a quivering world. On one hand Mr. Cicada missed the thrills of the annual World Series; the joy of 17 Christmases; the major developments of great scientists and humanitarians like Dr. Jonas Salk; the theatrical accomplishments of a Lerner and Lowe in "My Fair Lady" and a Paul Scofield in "Man for All Seasons"; the heroic accomplishments of John Glenn and Scott Carpenter; the surgeons

'We Get Letters'

EDITOR, SPRINGFIELD SUN:

The people who wrote the letter last week to the editor, certainly showed their ignorance. Why didn't they take the trouble to meet the men of the pool committee and any one else who is interested in the pool and discuss it like adults.

The main question has been, do the people of Springfield want a pool? When the survey was taken, that was the question. The volunteers who took the survey did not know where the pool would be located, because they weren't told.

I know, because I was one of the volunteers.

We gave up days of our time for this and walked our legs off. We didn't twist any arm, or put a gun in anyone's back to make them sign the survey, as we have been accused of doing. We found, thru the survey, that the people of Springfield want the pool.

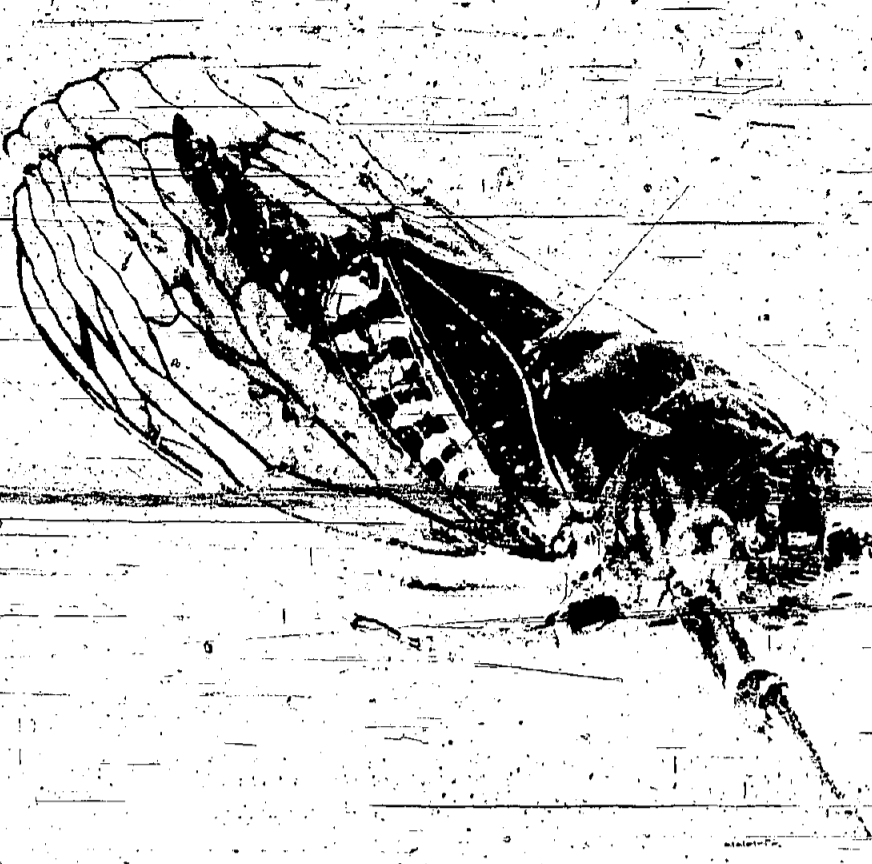

The men on the pool committee have given up months of their time, away from their families, to try and find a suitable site for the pool. They have studied each site to try and find the best location and safest for the children of our town.

The children must and should be considered above anything else. Evergreen is an excellent location. We would be rid of the town of a public nuisance, as for decreasing the value of property, that is not true.

It's a known fact that in other towns the property value has increased. I'd rather have a pool in my back yard any day, and listen to the laughter of children, than have a bunch of BEER drinkers "living it up" till two in the morning.

The pool committee, each and every one of them has welcomed all comments and suggestions on the pool and site. How about giving them a little help.

The public meeting on June 27, is not to be a circus, granted we'll have some nuts, but lets not make it a circus. The meeting is to present the true picture to the people and to try and please everyone. Lets all

HERE'S THE BABY--Behold the Cicada-the locust to the uninitiated-as he pranced about the backyard of watching weeklies photographer Fred Keesing before he came into focus of his close-up lens. The cicadas which buzzed the ears out of area residents for the past ten days are on their way out... for another 17 years.

work together and have our pool and recreation center. Remember the children of today are the citizens of tomorrow. Let's turn out the best we can.

134 Hawthorn Ave.
Springfield, N.J.

EDITOR, SPRINGFIELD SUN:

Having just received your edition of the Springfield Sun, dated May 31, 1962, I found it quite thrilling as well as "comforting" to be informed of the earth-quaking news that Springfield's median income is above that of Maplewood, Cranford, East Orange, Elizabeth, Plainfield, Englewood, Madison, Montclair, etc. Since having obtained this invaluable information, I have concentrated deeply on "adjusting my status" accordingly. It has made me look twice at the towns that I had considered achieving great strides in their educational, recreational and general progress.

After reading this financial report I will now look at these towns' growth through my newly acquired "status" glasses. Most revealing of all was that "lified pinky" Westfield's median income is only slightly above that of Springfield's. Now I have been completely "status adjusted."

And to think that some of my neighbors whom I have always considered "fine people," are really, really fine people.

Since the Bureau of Census report covers data on such interesting subjects as education, employment and ethnic origins, I do hope that in the future articles dealing with these subjects, you will be mature enough to handle them in their proper perspective as just interesting news and not as a basis for childish egotisms. Yours truly,
(Mrs. Irving) Lenora Gladys Halper

EDITOR, MOUNTAINSIDE

ECHO: Last Friday evening, I had a most refreshing experience here in MountainSide. I was privileged to see the MountainSide Music Association's variety show "Here We Go Again". Not only was this a most marvelous production, but it was refreshing in the sense that there was a group of MountainSide residents all working together happily and sincerely to make this show a success.

Money Matters

By Donald H. Shafman

This article is one in a series which will regularly appear in this newspaper dealing with investments and financial and estate planning. Periodically, Mr. Shafman, who is President of Donan & Co., Inc., and a former practicing attorney, will devote a column to answering readers' questions. These may be sent to The Springfield Sun, Springfield, N.J.

I am certain readers will be pleased to note that I am not going to add my opinion to the many already expressed as to the reasons for the wide swings in the stock market in recent days. Nor will I indulge in the usual "double-talk" and nebulous predictions as to the future of the market.

It is, however, significant to notice that the heaviest selling during the major declines was done by small investors who are most prone to panic. By and large these were the same people who were avidly buying stocks at inflated prices not too long ago. Conversely, now that the smoke has begun to clear it appears that the institutions were tending to reduce their position in common stocks prior to the major market breaks. Then when the declines came they were in position to buy at bargain prices.

The results achieved by the institutional investors during this period makes interesting reading. As typical of these results, we might repeat in this column a comparison of mutual funds with leading stocks which was recently compiled. Compared here are the declines suffered by representative mutual funds from the highs of December 13, 1961 to the close of business on May 28, as against the market prices of six leading stocks from their 1960-61 highs to May 28th:

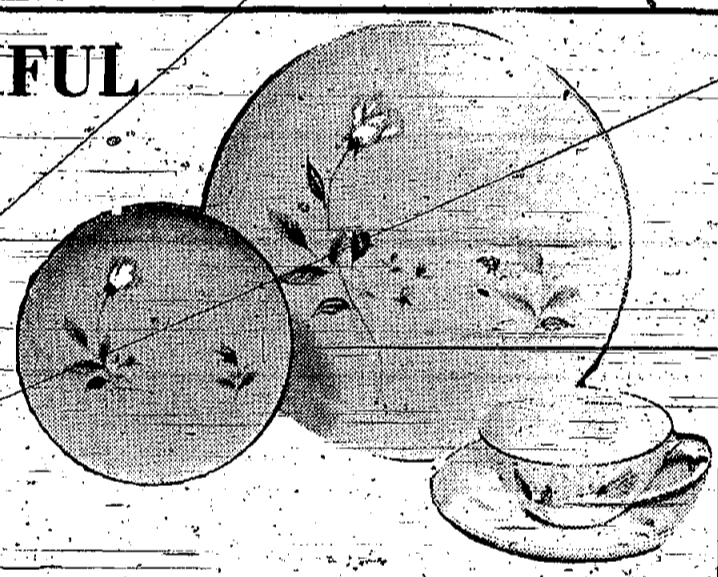

- Six major balanced funds - average decline 16.5%
- Wellington Fund - off 14.6%
- Eaton and Howard Balanced - off 15.2%
- Commonwealth Investment - off 16.4%
- Axe-Houghton Fund - off 16.4%
- George Putnam Fund - off 20.6%

Ends Basic

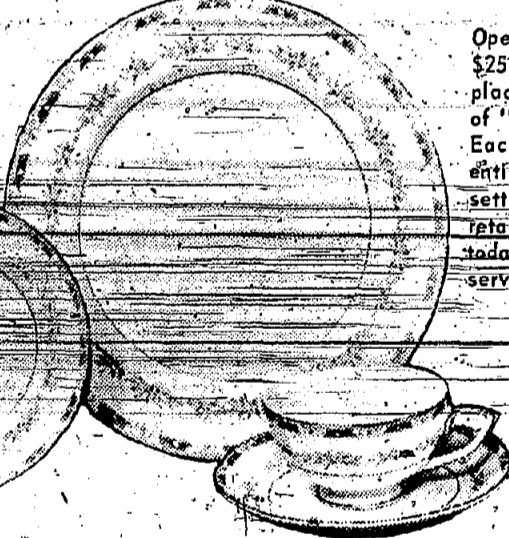

Pvt. Henry F. Ruban, Jr., son of Mr. and Mrs. Henry F. Ruban, of 248 Hillside Avenue, Springfield, who joined the New Jersey National Guard in December of 1961, has ended his eight week basic training at Fort Dix, N.J.

Pvt. Ruban will be stationed at Fort Dix to complete his six month reserve training. He is assigned to heavy artillery in the First Training Regiment. Pvt. Ruban is a graduate of Jonathan Dayton Regional High School and is married to the former Mary Ann Pettinocchio of Springfield.

Robert Norton Is Honored On 70th Birthday

Robert A. Norton Sr., a Springfield resident founder and President of Norton and Williams Co., Inc. of Westfield, New Jersey's largest Laundry and Dry Cleaning Supply Company, was honored at a testimonial dinner celebrating jointly his 50 consecutive years in the Textile Maintenance Industry and his 70th birthday.

The surprise testimonial, held at the Springfield Steak House, Route #22, Springfield, was attended by 160 persons—customers, competitors and associates from all segments of the Laundry, Dry Cleaning, Institutional and Allied Trades Fields.

ROBERT A. NORTON

Mr. Norton began his career in 1912 with H. Kohnstamm & Company of New York City as a receiving clerk. He served with the U.S. Army in France in 1917 and 1918. Upon his return to the Laundry and Textile industry, he joined Carman and Company of New York as a salesman and became Vice President of that firm in 1940.

He founded his own business in Westfield, New Jersey in 1946 and has led his company's

MAP VOTER REGISTRATION DRIVE—Making plans for a non-partisan voter registration drive in Union County under the auspices of the New Jersey Organization for a Better State (NEW JOBS) are two of the group's trustees, the Democratic and Republican State Senatorial candidates and their county chairmen. Left to right above are (seated) H. Roy Wheeler, Democratic candidate for State Senator from Union County; Lannon F. Mead, Nelson F. Stamler, Republican candidate for Senator; standing James J. Kinneally, Union County Democratic Chairman; Joseph McLean, and Charles Bailey, Republican chairman in Union County.

growth to one of the leading Laundry and Dry Cleaning supply houses in the East.

Long active in State and National Associations pertaining to the industry, he is recognized as one of the industry's leaders.

Mr. Norton lives at 56 Forest Drive, Springfield with his wife Katherine. They have two sons, Robert, Jr., and Joseph and two daughters, Gloria (Mrs. Matthew Hayes) and Carol (Mrs. Robert Buckley).

"Jim" Pancani Rated As Leading Architect

An interesting "success" story appeared in the Newark Sunday News regarding Azeglio (Jim) Pancani, Springfield resident and one of the nation's leading architects.

AZEGLIO (JIM) PANCANI, JR.

AZEGLIO (JIM) PANCANI, JR., of Springfield, has been made full partner in the architectural firm of Gerber and Pancani, Newark and Miami. Jim has been an associate of Erwin Gerber since 1951. He studied architecture at Columbia and New York Universities and entered the business in New York City in 1927. Coming to Newark in 1945, as Gerber's chief draftsman, Pancani has been responsible for the design of a number of major apartment buildings, residences

and special purpose structures. Included in the latter are the recently opened Tammy Brook Country Club in Cresskill, The Newark YM-YWHA and several community buildings in Florida. A number of high rise apartment buildings also have come from his drawing board.

A former chairman, Pancani has been a member of the Springfield Planning Board seven years. He holds memberships in the Newark and state architectural organizations and in the International Fine Arts Council.

Gerber and Pancani is rated among the first 10 architectural concerns in the nation. The firm currently engaged in work in Puerto Rico, California, Florida and Metropolitan New York as well in many areas of New Jersey and along the Eastern Seaboard.

A resident of Springfield more than 15 years, Mr. Pancani resides at 3 Briar Hills Circle with his wife, Matilda. They have a son, Richard, 21 and a daughter, Irene, 16.

Allers Signs NEW YORK (UPI)—Franz Allers, musical director of Broadway's "Camelot," has signed a contract to conduct the premiere performance of "My Fair Lady" in Munich, Germany, in September. Allers was the conductor of the original "My Fair Lady" production.

Springfield Tax Assessors Sign For Courses

The life of a tax assessor is not the "secure, the easy 'political' job as many see it. Many changes take place almost daily and efficient tax assessors must keep in stride with these new ideas, this new information.

W.W. (BURT) LAYNG

That's why W.W. (Burt) Layng, Secretary of the Springfield Board of Assessors, and Tax Assessor Harry E. Monroe have signed to take a course being offered at the Ninth Annual Conference of Assessing Officers to be held at the Douglass College Campus in New Brunswick June 18 to 22.

This course is given under the auspices of the Rutgers' Bureau of Government Research. One of the features of the study is the liberal use of the round table conference method in order to pin point problems and exchange experience.

Tax Assessor Layng also was one of 16 candidates who sat for the first examination given by the newly formed Society of Assessors at Rutgers University, those passing to become members of the society.

"Young Man Of Year" To Address Jaycees

Grover C. Gouker Jr., Executive Secretary—Pennsylvania Association of Tobacco and Candy Distributors, will be the principal speaker at the Springfield Junior Chamber of Commerce second annual charter night.

Mr. Gouker became active in the Jaycees in Hanover, Pa. in 1946. He held all local offices in Hanover and served as Vice-President and State President for Pennsylvania.

He was elected National Vice-President and has also served as U.S. representative for Junior Chamber International.

ANNIVERSARY—Harry L. Stark of 15 Princeton Avenue, Berkeley Heights, marks his 35th anniversary of service as a designer with Bell Telephone Laboratories on June 5.

Mr. Stark joined Bell Laboratories in 1927, and throughout his career has specialized in design drafting. His work has spanned many phases of design and development including Vitaphone and Movietone; portions of sonar controlled torpedoes; and, more recently, apparatus for new telephone sets and for ocean cable. Mr. Stark is a native New Jerseyan. He was born in Paterson and was graduated from Paterson High School. Mr. Stark and his wife, Marjorie, have lived in Berkeley Heights for 21 years. Their son, Ronald H. Stark, is in the Air Force.

Mr. Gouker has an extensive background in civic activities on both the community and state level. He is a recipient of the "Outstanding Young Man Of The Year Award" and was listed as one of the "top twenty" all time Jaycee speakers.

GROVER C. GOUKER, JR.

The Jaycee's second annual charter night, to be held Saturday evening, June 23, at the Springfield Steak-House, will consist of a dinner dance, installation of newly elected officers and a talk by Mr. Gouker. Tickets for this event can be obtained from Bert Jones, program chairman (MU 6-8709).

Korean's Debut HOLLYWOOD (UPI)—Korean screen actor Philip Ahn makes his stage debut this fall at the Laguna Summer Theater at Laguna Beach, Calif. He will have the leading role in "A Majority of One," an Oriental part.

Adult Softball

Pitch Decision Tough; 3-Way Tie For First

By Dick Schwartz

Officials and team representatives of the newly formed Springfield Adult Softball League were prepared to sweat over rules and regulations at last Friday's meeting...

The boys were ready for a vote when it was suggested that they go out on the lawn for a pitching demonstration. With vice president Ron Golcher doing the honors, the members saw first-hand the various pitches open to them...

Another vote was asked for on the use of spikes, and again the baseball shoes were voted down but it was accepted that because of the chance of wet turf fields...

outfielders could wear spikes in the field as long as they changed their shoes before coming to bat. Through the generosity of Meeker, the League constitution and special waivers will be printed this week and be on hand for Sunday's games...

The fact is, that all ballplayers will have to sign the waiver before stepping up to the plate on Sunday. League officials felt this move necessary in the light of possible physical injury.

The Springfield Sun, with a lighter defense than they had shown to date took an early lead over Wesley and after five innings held a 2-1 margin. However, the roof fell in on the news-papersmen in the sixth when the jaycees batted around for 13 big runs and the eventual victory.

Softball Schedule

(Including byes, playing fields and playoff dates. Games will be played on Sunday mornings until June 24th. Time of evening games will always be 8:30. This is a final schedule.)

- Team Letters: A. American Legion, B. Davron Studio, C. Ehrhardt Electronics, D. Fischer Travel Bureau, E. Jaycees, F. Katz, G. Meeker, H. Mets, I. Requette, J. Sun, K. Wesley Jewellers

- Field numbers: 1. Meisel Avenue, 2. Washington Avenue, 3. Sandmeier Field

THURSDAY, JUNE 7, 1962

State Baseball Champs

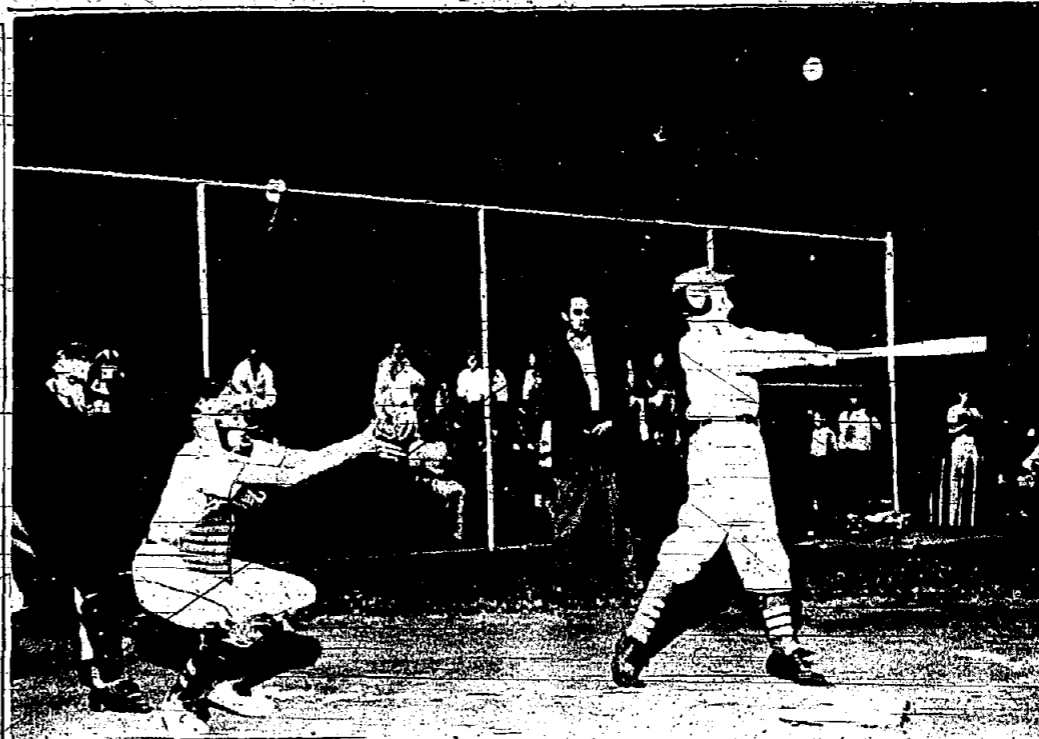

DiPasquale, Nesbitt, Toasts Of Heights

Bulldog JV Wins Pair

The junior varsity baseball team of Springfield swept a doubleheader with Cranford, and ended the season with a 10-7 record. Jack Kulaga went the distance in the first contest, allowing three unearned runs in the 6-3 decision.

The early morning contest was decided quickly, as the Bulldogs scored three runs in the first, and three more in the second to pull the game out of reach. Bob Rahnenfuhrer's leadoff triple in the bottom of the first was the big blow for Springfield, as Jack Kulaga and Frank Monticello chipped in key hits.

The second contest was a pitcher's battle all the way, with the Bulldogs wrapping matters up in the eighth, when Jeff Anderson hit a two put grounder through the first baseman's legs with the winning run on third.

POP-UP—This action took place last week in Mountainside Little League play. Frank Magno of the Chiefs pops up in front of the plate as left to right; Umpire Lee Ryan, Bobby Nigro, catcher for the Elks, and George Stillwell, president of Little League (in background) look on.

Jerry DiPasquale, Lynn Nesbitt and Russ Hunchar are the toast of Berkeley Heights. These three were instrumental in bringing Governor Livingston Regional High School its first state athletic championship last week.

Madison, co-champion of the Suburban Conference and sporting a 12-2 season record, was favored to whip Governor Livingston which carried an 11-6 record into the game.

These records, of course, did not reflect the late-season brilliance of DiPasquale, a senior righthanded curveballer. In his final three starts, Jerry defeated Clifford Scott High of East Orange, 3-1, in 15 innings in a State courtesy game; blanked Springfield Regional, 1-0, on two hits, and then blanked Madison.

Nesbitt's blast was so long that Lynn managed to circle the bases although he fell down rounding first base. Another homer by Nesbitt, it will be remembered, snipped a 1-1 tie in the 15th inning of the game with Scott. DiPasquale had to be at his best to win a pitching duel with Madison's Jack Vail.

DiPasquale walked three batters and fanned five. In their second season of baseball, the Highlanders finished with a 12-6 record. Their two-year mark under Hunchar, with all games being played at opponents' fields, is an impressive 20-13.

The baseball championships was the second title for a Hunchar-coached team during this school year. Last fall Russ' soccer team won the Union County Conference championship.

Flashing batting power that long had been dormant, Scotch Plains-Fanwood flung wound up its baseball season in the fashion last week by blanking Clark Regional, 6-0, and routing Hillside, 10-2, in Watching Conference games.

Before snapping their hitting slump, the Blue Raiders dropped a heart-breaking 1-0 decision to conference champion Cranford. Five-run rallies in the first inning of the games with Clark and Hillside made it easy for the Blue Raiders who finished the season with a 6-9 record.

The Raiders piled up a 9-0 lead in the first three innings against Hillside, and had no trouble thereafter. The Raiders lashed out 10 hits to give Mason an easy victory. Hal Hamlette, Ken Durille and Tom Ruitshauer all had hits in Scotch Plains-Fanwood's big first inning.

Dayton Drops State Tourney To Livingston In 10th, 5-4

By Arnold Minzman

The Springfield Regional baseball team ended the varsity season on a low note, as the Bulldogs dropped a 5-4 decision to Livingston in the Group III, Section 2 State Finals. Bill Kretzer went all the way for Springfield in the 10th inning contest, losing his third game in nine decisions.

After two scoreless frames, the varsity jumped on Livingston hurler Bill Fox for three runs. Bill Kretzer was walked on four pitches, and he advanced to third when shortstop Al Cee threw

Jack Appar's ground ball into left field while attempting a force play on Kretzer at second. Tony Fevola then hit a ground ball through Cee's legs; Kretzer scored and Appar going to third. On a double steal, Appar scored while Fevola advanced to second.

Livingston came up with two unearned runs in the bottom of the fourth inning to pull within one, but Springfield came back with one of its own in the fifth to gain a 4-2 margin.

Once again Kretzer was walked on four pitches, and Appar sacrificed him to second. Bill went to third on Fevola's single, and scored as second baseman John Cole erred Francis' grounder.

Livingston came up with two more runs in its half of the fifth, and the score stood at 4-4 until the bottom of the tenth. Butch Bell's double was the only extra base knock for Springfield, as the team was held to 5 hits off pitcher Fox.

The Bulldogs ended the season with a 12-10 record, commendable considering the difficulty of the season.

season predictions. Coach Ed Jasinski had but three lettermen, and three undrafted sophomores hurlers as the nucleus of the squad, but the consistency of Kretzer, Francis, Fevola, and Appar, the clutch performances of Frank Monticello, Richie Bittle, Joe DiMario, and Bell, plus the mid-season slugging of Frank Perrelli and Steve Berger, gave Springfield a County power.

The outlook for next year is starting, as Frank Perrelli and Tony Fevola are the only regulars that are graduating, and the team is a sure bet to have a successful season.

Registration for the regular swim group will be held Wednesday, June 13th and Thursday, June 14th, from 10:00 to 4:00 P.M. in the Recreation House, 59 Caldwell Place. A fee of \$2.00 is payable with registration.

PLEASE ask for schedule of swimming program when you register.

Cindermen Only Nine Back

Although they finished in a disappointing tie for 11th place with New Brunswick with only seven points in the New Jersey State Interscholastic Athletic Association's Group IV track and field championships at Rutgers University last Saturday, the trackmen of Scotch Plains-Fanwood High School finished only nine points back of the champion.

Springfield All Star Slugfest

The Youth Minor Leaguers, picked for All-Star play on Memorial Day, proved that batting prowess comes early in life by pounding the pitchers at will in a 14-10 scoring spree.

Springfield Picnic Date

The Springfield Junior Baseball League set the date of June 27, 1962, for its annual picnic at a meeting of the Executive Committee last Thursday night.

Shady Lane And Willoughby League Winners

In an abbreviated schedule last week of the Old Men's Softball League of Fanwood, Shady Lane defeated Poplar 13 to 12 and Willoughby upset Hunter 6 to 4.

Raider Netmen Are Eliminated

Scott Callahan and Pete Cressman of Scotch Plains-Fanwood High School were eliminated in the quarterfinal round of the Union County Conference tennis championships—doubles tournament on June 1 at Westfield.

Springfield Raider Netmen Are Eliminated

Announcement was also made of plans for a manager-coach baseball game on Saturday afternoon, June 16th at Gaudinier field. As in past years, the boys will get a chance to become bench jockeys for those "all-knowing" adult instructors.

Springfield Recreation Commission Offering Swimming Program

The Recreation Commission's summer swim program will start on Monday, June 25th, and will be conducted for eight consecutive weeks. This program is made possible through the cooperation of the Springfield Chapter of the American Red Cross and your Recreation Commission.

Little League Week

Hurling Key To Highlander Victories Over Dayton, Comets

Superlative pitching by Jerry DiPasquale and Bob Heuer carried Governor Livingston Regional High School's baseball team to a pair of impressive victories last week over strong Watching Conference teams.

The pair of wins boosted the Highlanders record to 11-6 and assured Coach Russ Hunchar of the team of its most successful season in their first season last year. The Highlanders posted an 8-7 record.

DiPasquale was brilliant for the second straight game as he

blanked arch-rival Springfield Regional, 1-0, at Springfield.

Jerry limited the hard-hitting Bulldogs to just two hits to give Governor Livingston a sweep of its season series with Springfield.

Heuer, the Highlanders' sophomore southpaw, was equally brilliant in defeating Hillside High, 8-2, at Hillside. Heuer kept the Comets hitless through the first five innings and allowed only two hits overall. It was Heuer's fifth victory against one loss.

DiPasquale, who has been plagued by wildness this season, walked only two batters and struck out 10 in posting his sixth victory in 10 decisions.

Larry Bellon was the only Springfield hitter to bother DiPasquale, collecting both hits off the Highlander curveballer. DiPasquale was hooked up in a scoreless duel with Richie Bittle until the sixth inning when an unearned run gave him all the margin he needed.

The Highlanders scored the winning run without a hit. Artie Thomas was safe on an error and moved to second on a ground out. The fleet shortstop then stole third base and scored when Bittle committed a balk.

Governor Livingston was limited to three hits, all singles, by Thomas, John Wadas and John Nakonechny.

Three-run rallies in the fifth and sixth innings provided Governor Livingston with its decisive margin over Hillside.

The Highlander sported Heuer to a 1-0 lead in the second inning and he protected it until the fifth. Then the Highlanders eased big Bob's task with three runs in each of the next two innings for a 7-0 edge.

Alan Kennedy, playing first base for one of the few times this season, led the Governor Livingston attack with four straight singles and scored twice. Heuer helped his own cause with two singles and scored once. Frank Fish also had two hits as the Highlanders combed two Hillside hurlers for 12 safeties.

Heuer walked seven and struck out three in gaining the victory. He figures to be the ace of the staff next season with DiPasquale slated to graduate this month.

Beacon Sports
CY JAMES

There have been times this spring when Jerry DiPasquale, the fine senior curveball pitcher of Governor Livingston Regional High School, must have been quite discouraged.

On pre-season forecasts, DiPasquale had been rated one of Union County's top pitchers and the main hope of the Highlanders to come up with a second straight winning season.

Jerry started well enough, nipping Clark Regional, 2-1, in his first game and losing a tough 2-0 decision to powerful Rahway High in his second start.

Then things began to happen to Jerry, all of them bad. His curve ball — his Sunday pitch — suddenly lost its curve, he was plagued with wildness and he developed a sore arm. Needless to say, Jerry's pitching effectiveness dropped off drastically.

Actually, Jerry became more valuable to the Highlanders as a glugging outfielder than as a pitcher for a period of several weeks. This was pretty much the situation when Governor Livingston opened its bid for the New Jersey State Interscholastic Athletic Association's North Jersey, Group 2 Section 2 regional championship against Clifford Scott High School of East Orange.

Except for sophomore southpaw Bob Heuer's sudden development into a winning pitcher, the Highlanders wouldn't even have qualified for the tournament. Heuer's four straight victories earned the Highlanders a tournament bid.

But in the tournament Coach Russ Hunchar turned to his ace hurler — DiPasquale. Hunchar felt that DiPasquale's savvy represented the Highlanders' best hope of whipping Scott.

Jerry responded nobly to his coach's confidence. It's doubtful if he ever pitched a better game in his life — not even last season's one-hitter against Rahway could match his effort against Scott.

As expected, Scott was tough. After four scoreless innings, the Highlanders took the lead 1-0 on Lynn Nesbitt's triple. Scott tied it in the same inning and then DiPasquale showed his class.

With the Highlanders strangled by Scott's pitching and classy defense, DiPasquale blanked the East Orange nine for 10 consecutive innings, in eight of which Scott could have won the game by scoring since it batted last. It was class pitching under the most pressure-packed conditions.

There was a brief moment in the 13th inning when it appeared that fate was going to crown Jerry DiPasquale a high fly that could easily have been handled by an infielder or outfielder dropped just off the infield behind second base. It gave Scott runners on first and second and made it possible for a hit to give the East Orange team the victory.

The hit, however, was not forthcoming. DiPasquale fanned the next batter, something he did quite often during the three-hour and 45 minute marathon. Jerry fanned 17 batters during the long afternoon, including the final two batsmen in the 15th inning. It was an unforgettable performance!

During the first 15 years that the Blue Raiders Booster Club of Scotch Plains-Fanwood High School presented its annual scholarship award, a single recipient always had been chosen.

This precedent was broken last month at the club's 16th annual All-Sports dinner when Bob Stoveken, fullback and co-captain of the 1961 football team, and his football teammate, guard Stan Scarpet were selected to share the honor.

The presentation was the highlight of the dinner which attracted some 225 persons, including former football coach Chuck Nelson who will assume new duties next fall as coach of Kearny High School's football team. Those at the dinner left no doubt in Chuck's mind about how they felt about him, giving him a prolonged round of applause when he was introduced.

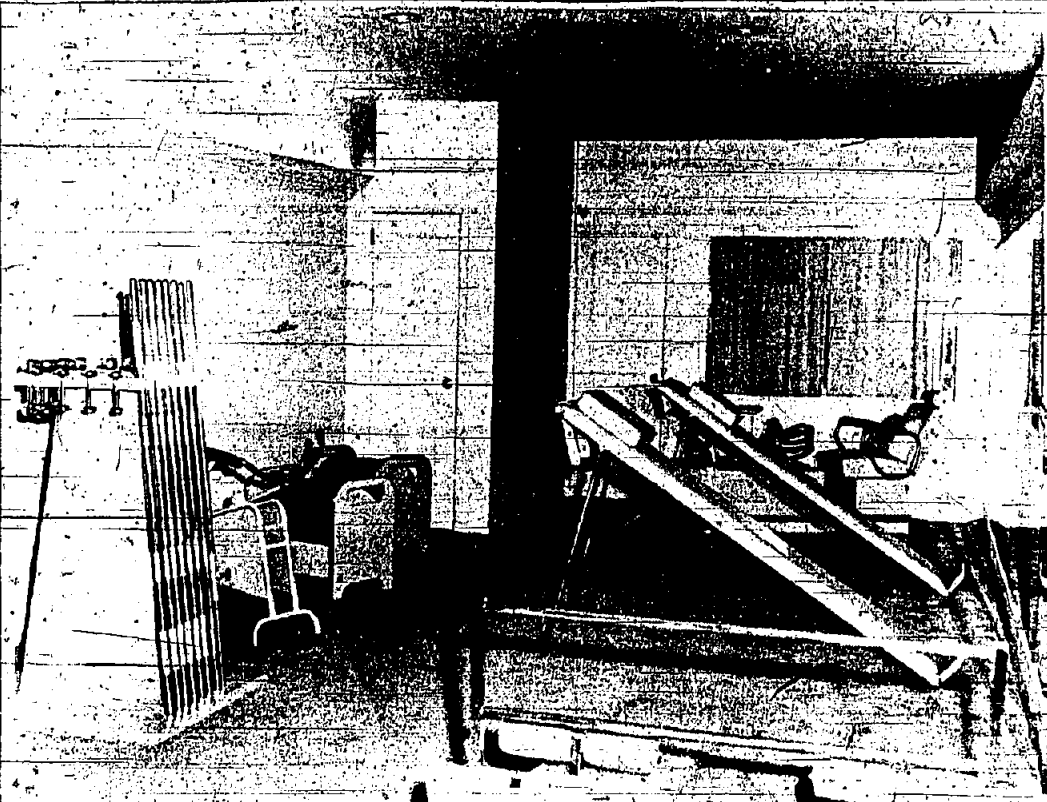

Members of the football, cross-country, soccer, basketball, wrestling, baseball, track and golf teams were honored at the affair, with special awards being made to all senior athletes. Ray Grauff is president of the Blue Raiders Booster Club.

Film Exec Aids Religion

BEVERLY HILLS, Calif. (UPI) — A recording and movie executive is leading a campaign to raise \$10 million to expand the Southern California School of Theology at nearby Claremont.

Randolph C. Wood, a leading Methodist layman, is president of Dot records and vice president of Paramount Pictures.

There is a rising demand throughout the nation for outstanding, well-trained Christian ministers, he said.

ALL FACILITIES—Richard's Health Club at 512 Millburn Avenue, Short Hills, has modern facilities such as these above in one of their rooms, to aid you in a rewarding health program.

Scotch Plains Raider Trackmen End With Conference Wins

The trackmen of Scotch Plains-Fanwood High School closed out an undefeated dual-meet season last week with one-sided triumphs over a pair of Watching Conference rivals, Rahway and Hillside.

Art Swartz set a Blue Raider record for the discus with a toss of 155 feet, 9 inches against Rahway, Mickey Donovan was the only double winner for

Scotch Plains-Fanwood, capturing the shot put and javelin, throw, as the Blue Raiders won 83-34.

Other winners for the Blue Raiders were Bob Beam (100), Ernie Coles (220), Terry Frank (880), Steve Harris (mile), Marcellus Reed (high hurdles), Bill Edwards (low hurdles), Paul Burcz and Richie Smith (pole vault).

Edwards and Coles also tied for second in the 100-yard dash, while Reed placed second in the low hurdles. Donovan added a third in the discus.

The Blue Raiders swept the mile, shot put, discus and 100-yard dash in piling up their huge victory margin.

Hillside provided tougher competition for the Blue Raiders before falling by a decision 69-48 margin at Hillside. The Plainsmen won eight events and tied for first in another.

Bob Beam won the 100-yard dash in 10:2 seconds. Miller Steve Harris switched to the 880 and was clocked in 2:03.4 minutes. "Chip" Sweeney took the mile in 4:45.8 minutes. Marcellus Reed and Bill Edwards gave the Blue Raiders a 1-2 sweep of the hurdle races, with each scoring one victory.

Paul Burcz won the pole vault, Paul Tirshier took the shot put and Art Swartz was first in the discus. Thor Jensen tied for first in the high jump. "Mickey" Donovan placed second in the javelin and third in the discus.

The victories gave Scotch Plains-Fanwood a total of 12 for this season and extended its string of dual-meet victories to 28 over a three-year span.

Cubs 1 6 0	
Cardinals 1 7 0	

WHITE SOX SURGE AHEAD	
The Farm League "A" White Sox broke up their neck and neck pennant race with the Tigers by scoring a pair of victories over their rivals. The contests were excellently played and pitched by both clubs. The regularly scheduled game stood deadlocked at 0-0 as the teams entered the second extra inning. Kevin Carroll took over at that point with a two-run homer that the Tigers could not overcome in their turn at bat.	

FARM LEAGUE "B"	
Orleans 3 1 0	
Indians 3 2 0	
Yankees 3 2 0	
Red Sox 0 4 0	

INDIANS IN CLOSE WIN	
The Farm League "B" Indians emerged on top in an exciting come-from-behind game with the Yankees. The Blue shirted Yankees raced to an early 6-0 lead in the opening inning, with the fine pitching of John Trummer putting the lid on the kettle. The Indians edged forward in the intervening innings while Trummer and Warren Banach set the Yankees down with only 1 extra tally. With the score at 7-5 and two out, in the bottom of the last, Seth Brown and Bob Cardoni sparked the Indians' cause with singles and Tom De Canna put it on ice with a triple for a 6-7 win.

Short Hills Health Club Is Relaxing & Rewarding

By Dick Schwartz

Ill-health of body or of mind, is defeat....Health alone is victory. Let all men, if they can manage it, contrive to be healthy.....Thomas Carlyle.

If Carlyle's famous words have lost much of their meaning during these days of fast living and business pressures, it is certainly not the fault of Donald M. Kober, Club Director of Richard's Health Club, 512 Millburn Avenue, Short Hills.

Kober sees the purpose of a health club as meaning a little more than a "guaranteed cure-all" affair for two dollars down and all the steam and exercise you can take! To Don, being trim, self confident and energetic is strictly up to the individual, not the machines, although machines designed for body contouring are means to an end.

Richard's Health Club, a relatively new concern to this area, has both of the above-mentioned attributes. On the one hand, a highly trained, experienced staff of health and exercise experts are constantly on the job at Richard's, each with his or her speciality, and each with instructions to treat those members in attendance with individual care and service.

Along with the experts, Richard's Health Club is equipped with the most up-to-date machines to aid instructors and members. "We do not have in mind a pressure-sell campaign here at Richard's," reports Kober. In fact, we limit our membership so as to give the most in individual attention. There are no 2 hour schedules at this phase of our course, and no 2 hour schedules at another phase.

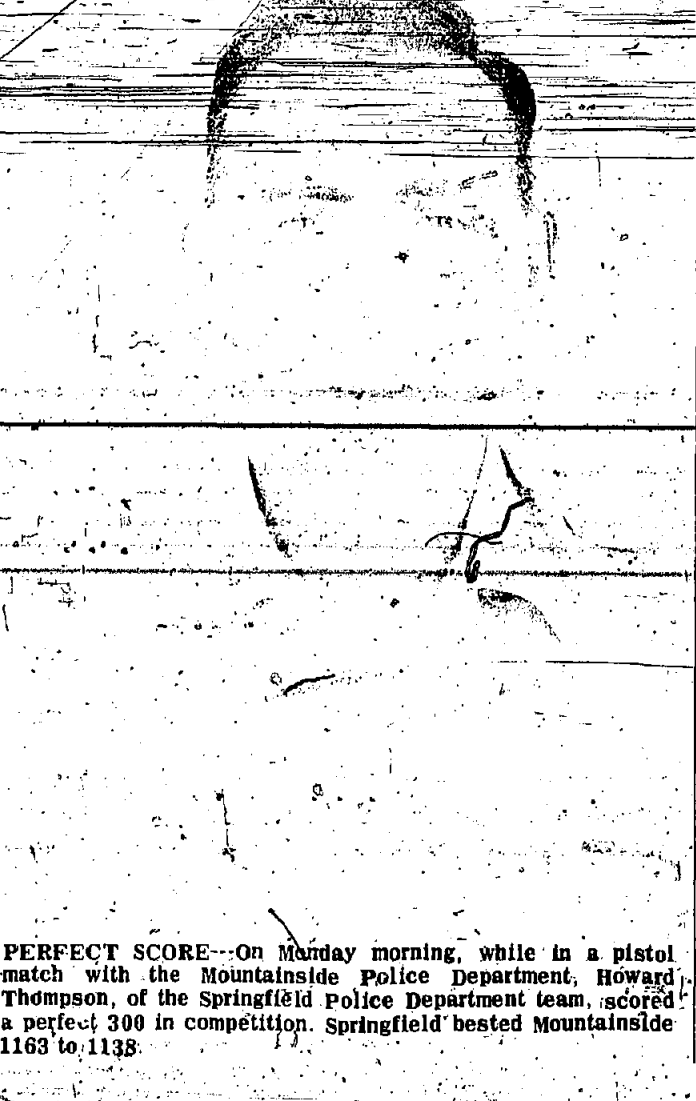

"Once our members let themselves into the Club through either the front door or a private rear entrance, they are free to exercise in whatever manner they choose. If a lady or gentlemen wishes to take a sun lamp treatment, followed by a session in our steam room, there is nobody here to tell them they must comply with any sort of schedule.

"We are looking for mature members here at Richard's. Mass-production health clubs make a mockery, we feel, of the purpose of an exercise program," says Kober. "We like to think of our folks as one big happy family, with more emphasis placed on the philosophies of health rather than the high pressure tactics common to many clubs today.

"Those people interested in a sound health program for themselves, and who agree with our ideas on the subject, are cordially invited to drop into our club any time for a chat and look-around.

"Sit down at our health bar, enjoy a cool drink, and discuss your needs and just what you would like to get out of the club.

"We at Richard's feel that at 512 Millburn Avenue, you'll find a home away from home this summer. A home where both men and women will be spending a cool summer exercising their way to self confidence and personal pride and satisfaction."

PERFECT SCORE—On Monday morning, while in a pistol match with the Mountainside Police Department, Howard Thompson, of the Springfield Police Department team, scored a perfect 300 in competition. Springfield bested Mountainside 1163 to 1138.

200 On List Of Graduates At Gaudineer School

Some 220 graduates will receive diplomas on Thursday, June 21, at 10:30 A.M. in an out-of-doors ceremony at Gaudineer School, Springfield.

Moving the program to the outside has been the answer to solving the problem of limited space and the growing number of pupils to be graduated.

However, should inclement weather prevail, the ceremony will be held in the gymnasium with attendance limited to two guests for each graduate.

Following are addresses by B. F. Newsinger, Superintendent of Schools, and Mrs. Thelma L. Sandmeier, Principal, the diplomas will be presented individually by Howard S. Smith, and August Caprio, President and Vice President, respectively, of the Board of Education.

The Rev. Dr. Benjamin W. Gilberth of the Springfield Methodist Church will invoke the benediction. A number of civic and fraternal organizations will recognize the students who are outstanding in the areas of leadership, scholarship, citizenship, and service, by presenting them with bonds or medals.

They are the Parent-Teachers Association, presentation to be made by Mrs. Robert B. Jackson, President; American Legion, Continental Post #228, John Wentz, Commander; American Legion Auxiliary, Unit #228, Mrs. Alfred Rutz, President; Springfield Lions Club, Herbert Spring, President; Church and Gannon Chapter, National Society, D. A. R., Mrs. Christian Oehler, Regent.

Also, South-Springfield Community Club, David Bagley, President; Elizabeth Gunn Memorial, Dr. Henry Milhauser; Edward V. Walton Awards, Daniel R. Murray, Principal, Edward V. Walton School; Country Oaks Association, Inc., Mrs. William Galtz, Member; Ladies of Union, Mrs. Fred Fluorco, President; Polish Alliance, Capt. Springfield, Mrs. John Macura, Vice President; Men's Club of Temple Beth Ahim, Rabbi Reuben Levine, Felicitates #40, Order of Eastern Star, Mrs. Frederick Moore, Sponsor of Springfield Rotary Club, Daniel R. Murray, Springfield Chamber of Commerce, Henry Grabarz, President.

Program music will be directed by Mrs. Barbara Jaeger, vocal teacher, and John Alt, instrumental teacher.

Candidates for graduation are:
Boys—Gregg Allan Anderson, Edward Ellsworth Andrew, Stevan A. Apter, Andrew Marc Baer, James E. Belliveau, Arthur James Bender, William A. Bosco, Jr., Sanford Joel Braverman, Andrew R. Breitbart, Drew Thomas Bucksar, Lawrence Budish, Donald Cardinal, Richard George Cinquina, Lewis Clark, Glenn Cole, Dennis Condon, Theodore S. Cunningham, Marshall L. DeCristoforo, Michael Eric Deitz, John G. DiStefano, Francis Stephen Drabik, Jr., Gary S. Elliott, Ernest Erskine, Ronald J. Faber, Jeffrey Allan Feldman, Peter Foster, Ronald Fragner, Glenn M. Friedman, Barry F. Folmer, Terrence Garity, Daniel Ginter, Gerald E. Glaser, Also, William Jacob Gold, Freddy E. Goldberg, Howard I. Goldstein, Charles A. Grissom, David Ira Gurian, Edward Marc Halper, Harold Norman Hansen, Jr., Herbert L. Hart, Stephen D. Haritz, Kenneth Bruce Hausman, Howard Wilbur Heerwagen, Steven Hodes, William S. Frank, Edward P. Hydock, R. Scott Ingalls, Charles Robert Johansen, Francis X. King, Alan Joel Kur, Edward J. Lartzeer, Peter William Lawrence, Raymond Ross Leaycraft, Marshal W. Lichtenstein, Dominick Malgeri, Craig Ajana Maticic, Martin Alan Mazure, Leonard Steven Meyer, Steven H. Mittnacht, Robert Moreines, Donald Mullen, Edward Mullen.

Also, Roger F. Naumann, Lewis Gregg Nemerson, Sanford Lewis Neubarth, Alan B. Oertel, Joseph Orango, Jr., Gregory E. Faules, Martin Pedinoff, Ira Howard Piller, Kent Merwin Preston, Richard L. Querques, Ronald H. Raab, William A. Rankin, Jr., Reinhold Regal, Sanford E. Retzky, Fred Ronecker, Stewart Rosen, John Joseph Rosenburg, David Rubinfeld, Ira M. Rutkow, John A. Rutz.

Also, Randall Emory Sarokin, Alan John Schnell, Steven E. Selgel, Albert R. Sellinger, Robert G. Shea, Robert John Shibtter, Jon N. Slohoda, Stephen Michael Squire, Peter G. Stamelman, Ronald Peter Steichter, Frederick Steeles, Jr., Steven Allan Tasher, Robert B. Thelle, Kerry Alan Tompkins, John M. Unterwald, Jr., Robert Irwin Waldman, Gary Thomas Ward, Paul Wenberg, Barry Carl Woznicki, Theodore F. Wyglendowski, Jay Alan Yotter, Robert A. Young, David Alan Yuckman, Michael Zidonik, Carl Lee Zucker.

Girls: Elaine Kay Mary Alfano, Marla Annette Anker, Linad K. Barnberger, Janet Carolyn Bash, Joanne Baudi, Susan Jane Beck, Andrea Rae Bille, Susan Franzen. (Continued in 8th column)

Class of 257 To Graduate At Regional

A class of 257 pupils will be graduated from Jonathan Dayton Regional High School, Springfield, at the 25th commencement program to be held June 20 at 7 P.M. on the school campus. In case of rain, the exercises will be held indoors.

Graduation talks concerning the theme "Purposes of Education," will be given by Roberta Finney, Karen Scurek, William Silva, and Elliot Wortzel.

Their topics respectively are: Self-Realization, Human Relationships, Economic Efficiency, and Civic Responsibility. Students are the only speakers.

The awarding of diplomas will be done by Avery W. Ward, William J. Mellick Jr., and John A. Hopping, all members of Regional High School Board of Education.

Processional leaders will be Anthony J. Molluso, Student Council president, and Joan R. Molluso, Senior Class president, who are twins.

Dr. Randolph T. Jacobsen, principal, will make the presentation of awards. Wendy Ebert, vice president of the class of 1962, will present the class gift. An address of welcome will be given by Joan R. Molluso, class of 1962 president.

The program will be as follows:
Selections, Regional Band; Processional, "The Honor Legion," by Vance; National Anthem, audience and band; Invocation, Rev. James S. Tiller of Kenilworth; Address of Welcome, Miss Molluso; Presentation of Class Gift, Miss Ebert; P.T.A. Awards, Mrs. Michael A. Passero, Jr., Retiring President of the P.T.A.; Student speeches; March, "The Forty-Ninth Star" by William Gerrard; Presentation of Awards by Dr. Jacobsen; Awarding of Diplomas by Mr. Ward, Mr. Mellick, Mr. Hopping; Senior Class "Alma Mater," composed by Elaine Pfeiffer, class of 1944, with Walter Boright, student conductor; Benediction; Rabbi Reuben Levine of Springfield; Recessional, "Forn and Circumstance" by Elgar.

The following are candidates for diplomas:
Joy Adams, Janice Claire Adler, Judith Ann Aloia, Judith Louise Arledge, Stephen Michael Bakanowski, Evelyn Louise Bashy, Harold William Baizant, Barry Edward Becker, Paul Edward Becker, William Frederick Beeh, Gasy M. Benko, Robert Fred Berke, Mary Ann Birnker, Richard E. Blafar, Ellen E. Bloom, William Walter Bogoski, Walter Ellsworth Boright, Jr., Eileen Frances Boyd, Julia A. Boyle, Michael E. Bracht, Bonnie Gay Briar, Jean Anne Brann, Arleen Claire Brenner, Robert C.W. Champions Highlight Golf Tourney

Three former National Amateur golf champions head the list of top-flight players who will compete in the Pro-Celebrity event June 20 at the Plainfield Country Club preceding the J.E. McAuliffe Memorial Professional Women's Golf Tournament.

The Triangle Conduct and Cable Co. of New Brunswick, sponsors of the \$9,000 tournament to be played June 21-24, has earmarked all receipts from the Pro-Celebrity and the McAuliffe Memorial for the benefit of the Muhlenberg Hospital Building Fund.

Deane Beman, Ted Bishop and Willie Turnesa who won amateur golf's biggest title will play. So will Metropolitan Amateur champ Bob Gardner and his Walker Cup teammate, William Hyndman. Former Walker Cup member Jimmy McHale also will compete, along with Bob Kunz who won the Metropolitan Amateur at Plainfield.

Several former New Jersey State Amateur champions have indicated they'll tee it up. Foremost of these is Charley Whitehead, virtually retired from competitive golf for over a decade, he set a record winning six amateur championships and the State Open in a seven year span commencing in 1936.

Entertaining Moths, or Myths?

If moths get into your closet, they'll put a hole in the family's clothing budget for a long time. If you've thought quality summer storage was expensive, you've been entertaining a myth that's wholly unfounded.

Our Free Box Storage service permits you to empty your closets of winter wear and let us moth-proof and store them for the summer. You'll save time and worries, and we'll give your clothes complete protection and pamper them with Pan American's famous "Personalized" quality service.

All you pay is the regular cleaning charges... no charge for Box or Storage. Insurance available at 2% of evaluation.

Open 7 A.M. to 7 P.M. Monday thru Saturday

Baseball

Baseball's role in the stepped-up drive to improve the physical fitness of American youth will be emphasized during the observance of Little League Baseball Week, June 11-16.

Little Leaguers, more than one million strong in 5,000 communities in all 50 states will take part in local programs marking Little League Week.

President John F. Kennedy has set aside this period each year by Proclamation as a means of calling attention to the Little League movement and its role in preparing youth - mentally and physically, for the larger responsibilities of the future.

Each of the 6,000 Little Leagues will observe Little League Baseball Week with special programs of games and events, designed to underline the role of Little League in the community life.

In his proclamation, President Kennedy observed:
"Active participation by youth contributes to their fitness and to the maintenance of our national vigor and vitality. Little League Baseball not only promotes the physical well-being but instills the qualities of fairness, cooperation and discipline - qualities which contribute to the development of good citizenship."
"To grow with stability, Little League must bring in the most competent people of the community, welcome their assistance and suggestions - lest the program become stagnant for lack of new blood or infusion of new ideas."
"Dealing with children means dealing in futures; and conducting a growing international movement affecting the lives of so many children and their families, and this requires vigilance and foresight."
"The Foundation is in the same category as security. It is insurance that the program can go on, and on-and-on, that chartered leagues may never have to go out of existence for lack of funds."
"The estate of Little League is sound and thriving. It holds the esteem of millions of right-minded citizens, it is a household word meaning spirited, bright-eyed family and community action at top drawer level."
"Little League is growing... faster than we as individuals are growing. There are now close to one and a quarter million boys playing Little League Baseball. By 1966, there will be over ten million boys of Little League age in the United States alone."
"...to support the work of Little League to help it grow is to build a memorial, not of stone or marble, but a memorial that can be found in the eyes of a boy in his home for the future."
"Let us not ask what Little League can do for us - but what we can do for Little League."

Delegation Leads GOP Convention

Forty-one Westfield YR's attended the annual convention of 30th annual New Jersey Young Republican Federation held last weekend at the Ritz-Carlton Hotel in Atlantic City. Delegates from nineteen counties convened to elect new statewide officers, meet with national and state party leaders, adopt a platform and formulate plans for fall campaign activities.

The group heard keynote State Senator Wayne Dumont urge all YR's to get behind the candidacy of Nelson Stamler, Union County's nominee for the pivotal Senate seat formerly held by the late Robert Crane of Westfield. Saturday the delegation heard a Congressional Campaign Committee "Paul Revere Panel" comprised of Congressman Peter Frelinghuysen, Jr., of New Jersey, James E. Bromwell of Iowa and James Harvey of Michigan decry the failures of the Kennedy Administration and offer positive Republican countermeasures to the democrat program.

The organization elected John Dakis of South Orange their new Chairman. Members of the Westfield Club elected to state office were Miss Frances Johnson, Vice Chairman; Richard F. Plechner, National Committeeman; Miss Marilyn Kriney, Secretary; and Miss Barbara Conlin, Associate Vice Chairman.

The Westfield delegation, headed by club leaders Frank H. Betz, Paul Piret, Miss Mary

ellen Byrne, Harold and Mark Haddock, Stephen Mullins and B. Lawrence Newcomb, was the largest of any in the state, for which the group received special commendation at the Saturday night banquet. Total convention attendance was 283.

At a reception following the convention, Westfield Chairman Betz paid special tribute to club members Paul Piret, head of the Redball Committee, reservations chairman Harold Haddock and platform committee chairman Larry Newcomb for their outstanding contributions to the success of the entire convention and stated that "the broadened base of solidarity among Union County Young Republicans resulting directly from the convention will be a major asset in organizing on a countywide basis to re-elect Florence Dwyer to Congress, send Nelson Stamler to the State Senate and return Jay Stimmer, Mary Kane and Ray Moyle to the Freeholder posts."

Betz also announced that the next Club meeting would feature an address by Senator Dumont. The meeting will be held at Maple Tree Inn in Fanwood on June 19th, one week later than the usual meeting so as not to conflict with the MORE meeting to be held on the 12th. The club will also hold a cocktail party for all Union County YR's at the same place on Sunday, June 24th under the direction of Social Chairman Greg Sullivan.

Will Travel To Cloisters

The next Summit YWCA bus trip is scheduled for Tuesday, June 19. Destinations are the Cloisters at Fort Tryon in New York City and the Interchurch Center which is situated opposite the Riverside Church at 121st Street.

An air-conditioned bus will leave the YWCA at 10:30 A.M. and return about 5 P.M. Cost of the trip includes bus, admissions and guides - but not luncheon, which may be purchased in the Center's Cafeteria.

A museum guide will give background information on the Cloisters' famous display of Medieval art from ancient monasteries, the Unicorn tapestries, rare chasses

and altar pieces and painted statues from the Middle Ages. Medieval Music will be featured in the garden.

The Interchurch Center offers a more contemporary display of religious art objects in its contemporary chapel, Orthodox Room and Treasure Room.

As space in the bus is limited reservations should be made immediately. Call the YWCA at CP 3-4242. Men as well as women attend YWCA trips to places of interest. Two trips to the Shakespeare Theater at Stratford, Connecticut are scheduled for Wednesday July 18 and Saturday July 28. Details will be announced later.

B'nai Brith Tea, Tourney

The Amity Chapter of B'nai Brith Women will hold a Membership Tea on Tuesday, June 12, 1962, at the home of Mrs. Samuel Berliner, 644 Purce St., Hillside Membership Vice President is Mrs. Lester Solaway.

The group will also have their last meeting of the season in the form of an Open Board Meeting on Thursday, June 14, 1962, at 8:30 P.M. at the Congregation Adas Israel-Mishnages, 246 Shephard Ave., Newark, N.J. Andy Pecora, Recreational Director of Bixside Swim Club will direct a "Same Nite" program. All members are invited. Refreshments will be served. Mrs. Bruce Sternberg is Program Chairman. President of the Chapter is Mrs. Arthur Kesselhaut.

The Amity Chapter of B'nai Brith Women will sponsor a Golf Tournament on consecutive Sundays, June 10, 11, 12, 13 and 14. It will be held at Chancellor Lane on Chancellor Ave., Irvington. Cash prizes will be awarded to winners of Adult Division. Gifts galore will be awarded to winners of Children's Division. Everyone is welcome. Admission will be \$1.00. Mrs. Harry Glass and Mrs. Myron Kesselhaut are Co-Chairman. Mrs. Arthur Kesselhaut is president.

Council To Attend Unveiling & Exhibit

Union-County of NA Council Members of National Council of Negro Women will attend the unveiling of an illumination of Mrs. Beahm's last will and the opening of the joint exhibit of the works of Mordechai Avnet from Haifa Israel-Water Colorist, Painter and Sol Model; New York Illuminator. Sun, June 10, 1962 from 4 to 8 p.m. at Loeb Student Center New York University 577 Broadway, Washington Square N.Y. Contribution \$2.00 for tickets contact Mrs. Edward Baily.

Auto Mechanics In Short Supply

NEW YORK (UPI) - There are only 750,000 auto mechanics to service the estimated 63 million cars on the road in the United States, according to a leading auto equipment firm executive.

Auto parts manufacturers are trying to alleviate this situation through special training programs and automated equipment, said R. A. Stranahan, Jr., president of the Champion Spark Plug Co.

"Roughly, there are 80 cars to one mechanic," Stranahan said. "In some states the ratio is as high as 126 vehicles to every mechanic, and automotive experts predict that this could well be the national average, with cars on the increase and mechanics on the decline."

Parts manufacturers have tackled the problem on two fronts, Stranahan said. One mechanic training program designed to speed up service and automatic service equipment that locates trouble more quickly and accurately.

As an example, Stranahan said, his company has designed a portable ignition analyzer that enables the operator to quickly and easily determine the cause of ignition system malfunctions and ascertain spark plug condition without removing the spark plugs from the engine.

Stranahan said the company has made the analyzer available to about 3,000 schools with vocational shop classes and regularly keeps about 5,000 instructors informed through communication of ignition system developments and new test techniques. In addition, he said, company field representatives and service engineers conduct classroom demonstrations.

Mrs. Farrow's Feathery Friends

ST. LOUIS (UPI) - The way birds flock to Mrs. Fred Farrow neighbors think she's running a wild life refuge.

Mrs. Farrow has her bird feeders in the back yard at nearly the kitchen. The feeders are different types and some birds turn up just one feeder and not the others.

Mrs. Farrow feeds about 100 birds each day, a choice of sunflower seeds, bread and gray, mixed bird seed and suet.

There's a one-legged starling which first appeared in December and used to eat bread, but now has become used to bread and gray and won't eat the other food.

Mrs. Farrow's bird friends include cardinals, blue jays, starlings, sparrows, downy woodpecker, chickadee, mockingbird, linnet and red-bellied woodpecker.

WORDS OF WISDOM
"The most burning life is to question the signs of God, to dispute fully that which he hath revealed, to deny Him and carry one's self proudly before Him."
From literature on request. **BAHA'IS OF SPRINGFIELD, P.O. BOX 278, SPRINGFIELD, N.J.**

150th Anniversary

Over the past century and a half, The National State Bank has established an outstanding record of service and progress. Chartered in 1812... when there were only 3 banks in New Jersey... when Chicago did not yet exist... when the Midwest was a wilderness and the West more distant than Europe, National State has continually served the people, through both times of crisis and opportunity. We are proud that from its early beginnings to the present, the bank's constant attention to the needs of our customers has resulted in steady growth and an ever-increasing popularity of our complete banking services. The same principles will continue to serve as our guide in the years ahead, as they have so well in the past.

STATIC

President Kennedy's favorite song is "Green Sleeves," an old English composition, Impresario Louis J. Breyer, owner of Roseland Dance City, the ballroom on West 52nd Street, New York City, wrote to the White House to discover the Chief Executive's best liked song so he can have his bands feature it at that ballroom. He was advised by Evelyn Lincoln, personal secretary to the President, that this is the President's favorite tune.

Steve Allen, Jack Benny, Red Buttons, Jerry Lewis, Phil Silvers and Kate Smith are among the galaxy of show business greats who'll perform a special full-hour tribute to Ed Sullivan on the 14th anniversary of TV's longest-running entertainment program. "The Ed Sullivan Show, Sunday, June 24, via CBS-TV. Seems like only yesterday we were all intrigued with radiol."

"The Alvin Show," popular cartoon series starring Alvin, the mischievous singing chipmunk, his brothers Simon and Theodore, and songwriter David Seville, will make its debut as a Saturday morning program June 23, on CBS-TV. Show will also be seen on Wednesday nights until Sept. 12, when it will become a regular Saturday show. Patricia Medina, Joseph Cotten's wife in real life, will play his wife in the forthcoming Joseph Hayes play, "A Calculated Risk," which will be presented next season by Howard Erskine and Mr. Hayes and directed by Robert Montgomery.

LIVE WIRES: Comedian Paul Lynde, Perry Como's NBC-TV comedy star, has been signed by Columbia Pictures to recreate his original stage role in "Bye Bye Birdie," currently filming screen version of the sensational Broadway hit. Lynde has been cast in the hilarious role of Harry McAfee, father of Ann Margret. The actor played the role for over a year to critical acclaim on Broadway.

A new wave of American comedy is emerging. The younger comedians are rejecting the slapstick and domestic brand of comedy and swinging to the sophisticated and "hip." The emphasis is on political and social satire. A distillation of the nation's new laughter will be examined on Bell & Howell Close-Up! Show will mirror the current trend in comedy with the humor of Mort Sahl, Dick Gregory, Jules Peffer and two groups of satirists, "The Second City" and "The Uniquecorns." The changing style of comedy will be discussed by Bergen Evans, Northwestern University English professor, Prof. Benjamin De Motz of Amherst College, Al Capp, creator of "Li'l Abner," the comedy team of Bob and Ray and their performers themselves.

Peter Boone, 9, speaks his first lines as an actor when he appears with his father, Richard Boone, in an upcoming "Have Gun, Will Travel," episode now in production. According to Boone, who stars as Paladin in the series, son Peter already thinks like a professional actor. Boone showed Peter the script, in which the boy has four lines, then asked his son what he thought of the part. The answer... "Oh, it's okay, Dad - what there is of it."

LOOK/LISTEN: Tammy Grimes, a honey ocea performer, giving her sweet tooth a workout in a "Fifth Avenue Candy Shoppe." Stan Ewin, entertainment director of the Sahara in Las Vegas, will play the role of Mr. Smith's chauffeur in "Mrs. Smith Goes to Washington," the new ABC-TV series starring Fess Parker, which debuts in the fall. Hal Stanley, who'll produce the show reports that shooting will start on the first episode this month.

Mae West, who made "come up and see me some time" the most famous invitation in the English language, has been signed by Plaza Records to an exclusive recording contract. It was announced by label proxy Harry Weise, Miss West's initial release will be a single titled "Am I Too Young" with the flip-side containing "He's Bad, But He's Good For Me," which is scheduled to hit the record stands this month.

Overheard at the Assembly Steak House: "His idea of a high altitude jump is climbing down off a bar stool..."

Lawman's Peter Brown is doing the rounds of other shows. He's just been signed for an upcoming episode of "Hawaiian Eye." RADIO-TV NEWSRELL: Garry Moore and his tallidekick, Durward Kirby, are observing their twentieth year as a network team this month. They got together as a TV duo in June, 1950, when Garry, now starred with an Emmy-winning variety hour on CBS TV Tuesday nights, began his well-remembered daytime series on the same chain.

A FLYER—John Heller, son of Mr. and Mrs. E. Raymond Heller, of 55 Mountain Avenue, Springfield, made his first solo flight on Monday, May 28, at Morristown Airport. John, who was sixteen years old in April of this year and a sophomore at Jonathan Dayton Regional High School first became interested in flying at the age of nine after a flight with his father from Newark to Washington, D.C. on the Eastern Air Lines. At the age of fourteen, he joined the Springfield Squadron of the Civil Air Patrol as a Cadet. Through his work in this organization he was awarded the Certificate of Proficiency on February Fifteenth of this year and promoted to the grade of Cadet Master Sergeant. For the past two months he has been teaching Air Navigation to a class of Cadets in his CAP Squadron.

FDU Writers Conference To Re-Open On July 16th

The Fitchburg Park-Madison Writers Conference re-opens for its second season on July 16, at the Fitchburg-Madison campus of Fairleigh Dickinson University. It will meet until July 28. There will be workshops in fiction, juvenile writing, non-fiction, and poetry.

Annual TB League Report Mailed Throughout County

Copies of the Annual Report of the Union County Tuberculosis and Health League are being mailed this week to a number of residents of Union County and to government officials and other agencies.

The booklet, entitled "The Count Down for the Eradication of Tuberculosis in Union County," has a central theme based on Goals and Standards of Performance to be achieved by 1970 in New Jersey, according to a statewide plan of attack adopted by the New Jersey Tuberculosis Council, a group representing all agencies in the state concerned with tuberculosis.

Comparing the situation in tuberculosis control in Union County with the first New Jersey Goal for 1970, the report shows that the rate of decline in the new active tuberculosis case rate would have to be twice that of the past five years in order for Union County to achieve the Goal by 1970.

In attempting to compare the Union County rating with the New Jersey Goal for 1970, of a tuberculin reactor of one per cent among 14 year old students, the report reveals that little accurate information is available from present school testing programs. When a reactor rate of one per cent has been achieved in the 14 year olds, it shows that the community has controlled the spread of the disease. This is essential if a new generation is to grow up and remain free of tuberculosis infection.

The report describes the League's work of the past year, including enlargement of its tuberculosis clinic for the

Zeller Serving As Chairman

Melvin H. Zeller of 20 Betar Hills Circle, Springfield, is serving as chairman of the Accountant's Division in the 1962 United Jewish Appeal of Essex County, it was announced by David M. Litwin, chairman of the UJA Business and Professional Council.

Zeller, a partner in the accounting firm of Zeller-Nadler Co., Newark, is a certified public accountant, budget chairman of Temple Beth ARI, Springfield, he is also treasurer of Springfield Lodge of B'nai B'rith and a member of Columbia Lodge of the Masons.

Campaigners in the Accountant's Division drive, traditionally delayed until the end of the tax season, are currently organizing an all-out solicitation of prospects.

The annual United Jewish Appeal campaign raises funds for the support of local services maintained by the Jewish Community Council of Essex

County and its beneficiary agencies, and also supports a network of national and overseas agencies which assist Jews in Israel and throughout the world.

Day Camp Opens Soon

The Summit YWCA Day Camp scheduled to open July 2 for the first of two-week sessions still has a few openings in both periods for girls and boys age 5 and 6 years and for girls age 7 and 8.

The new groups, new this year, for girls age 9 through 11, is already a waiting list and with 10 more registrations, a 2nd group will be started.

Call Miss Mary Ida Gardner at the YWCA CR 3-4242. A brochure with complete details of all phases of the camp will be mailed upon request.

NEW OFFICER—Jay Longfield, at left, incoming president of the Springfield Lions club presents Past-President's plaque to Herbert Kern, whose term expires this month. Other officers installed at a Ladies' night dinner dance were Henry Grabarz, 1st Vice President; Dr. Len Eckle, 2nd Vice President; August Caprio, Secretary; Charles Quinzel, Treasurer; Arthur Dauser, Lion Tamer; Richard Colandrea, Tail Twister; Jack Stelman and George Lancaster, Directors.
