Arrange Full Day Program For July 4th

A full-day program has been arranged by the 1962 Springfield July 4th Committee for next Wednesday which starts at 9 o'clock in the morning and ends with what the committee says will be "the most spectacular fireworks display in history."

The Baby Parade, always one of the features of the day's program, is attracting an unusual number of entries both in the individual events and the floats.

Those wishing to enter may still do so by filling in the entry blank appearing on page 2 of this issue and getting it to Mrs. T.E. Smith, 13 Profit Avenue, Springfield, by Saturday of this week.

The day's program will open with aerial salute of bombs and the Baby Parade in the rear of the Regional High School at the high spot of the morning. At 11 o'clock Mayor Philip Del Vecchio will deliver an address of welcome.

Free rides for the children will take up all the time to 1:30 p.m. to be followed by athletic events for all ages. A baseball game is scheduled for 2 o'clock at the Florence M. Gaudineer School field with the presentation of the all-stars' most valuable player trophy.

The evening program will start at 8 o'clock at the Melsel avenue field where music will entertain the crowd while waiting for the fireworks display to start.

Program For July 4th Events In Springfield

Union Services Start At Methodist Church Sunday

Union Services for the Methodist and Presbyterian Churches in Springfield during the Summer Season will begin next Sunday morning in the Methodist Church, Main St. at Academy Green. All the services will be held here during the five Sundays in July from 10:00 to 11:00 A.M. with Dr. Benjamin W. Gilbert, speaking.

Dr. Gilbert will speak on the topic, "How to bring a Nation under God." All members and friends of the co-operating Churches are cordially invited.

There will be crib service and a Nursery for the convenience of parents who wish to attend the services.

During August and the first Sunday in September the Union Services will be held in the Presbyterian Church with Rev. Donald C. Weber preaching.

Norman Simons is the organist and director of music. The vocal soloist Sunday will be Mrs. Joan Cook.

Last row: James Page, Peter Stark, Krista Rau, Linda Jonassen, Kathy Alexy, John Cahill, Thomas Robinson. Mrs. Edwin Crump (assistant). Graduating in absentia was Eric Alsld.

Name Playground Leaders For All Springfield Areas

Springfield Recreation Director Edward J. Ruby has announced the names of the playground leaders who will supervise the playground activities in the Township during the Summer months.

Two college students have been assigned to the Irwin, Sandmeier, Henshaw, Regional and Washington Playgrounds. Only one student has been named for James Caldwell, Denham, and Woodside play areas.

Following are the names of the playground leaders who will serve this Summer:

IRWIN PLAYGROUND, Miss Carol J. Marrano, 301 Northview Terr., Springfield, Graduate of Jonathan Dayton Regional High, 1960. Presently attending Juniata College, Huntingdon, Pa.

SANDMEIER PLAYGROUND, Miss Mary E. Garner, 99 Diven Street, Springfield, Hillshane High School, 1940. St. Augustine College, Raleigh, N.C.

WASHINGTON PLAYGROUND, Miss Arlene Franzese, 72 Newbrook Lane, Springfield, Graduate of Jonathan Dayton Regional High, Graduate Sacred Heart, Elizabeth, N.J., Attending, Newark State Teachers College.

JAMES CALDWELL PLAYGROUND, Miss Susan Oakman, 48 Keeler Street, Springfield, Graduate, Jonathan Dayton Regional High, 1959. Attending, Goucher College, Maryland.

DENHAM PLAYGROUND, Miss Gail Christensen, 47 Keeler Street, Springfield, Graduate, Jonathan Dayton Regional High, Graduate, Lycoming College, Williamsport, Pa.

WOODSIDE PLAYGROUND, Miss Myrna Cyre, 120 Linden Avenue, Springfield, Graduate, Jonathan Dayton Regional High, 1958. Graduate, Newark State Teachers College.

ART & CRAFT LEADER, Miss Maryann Doughton, 99 Morris Avenue, Springfield, Graduate, Jonathan Dayton Regional High, Graduate, Central Connecticut College for Women.

See Next Issue For Pool News

Because the Springfield Sun is "locked up and on the press" Wednesday evening, this issue of the newspaper does not carry any news on last night's public hearing on the proposed municipal swimming pool for Springfield held in the Gaudineer School.

The meeting was "covered by the SUN and highlights of the hearing will appear in the next issue of this newspaper.

Ceitham/Smith To Be Hosts At Party

Louis Ceitham and Howard S. Smith, candidates for the two Township Committee seats in the coming general elections against Carmen S. Catapano and Mayor Philip Del Vecchio, will be hosts to friends and campaign workers at a cocktail party to be held this Saturday evening, June 30.

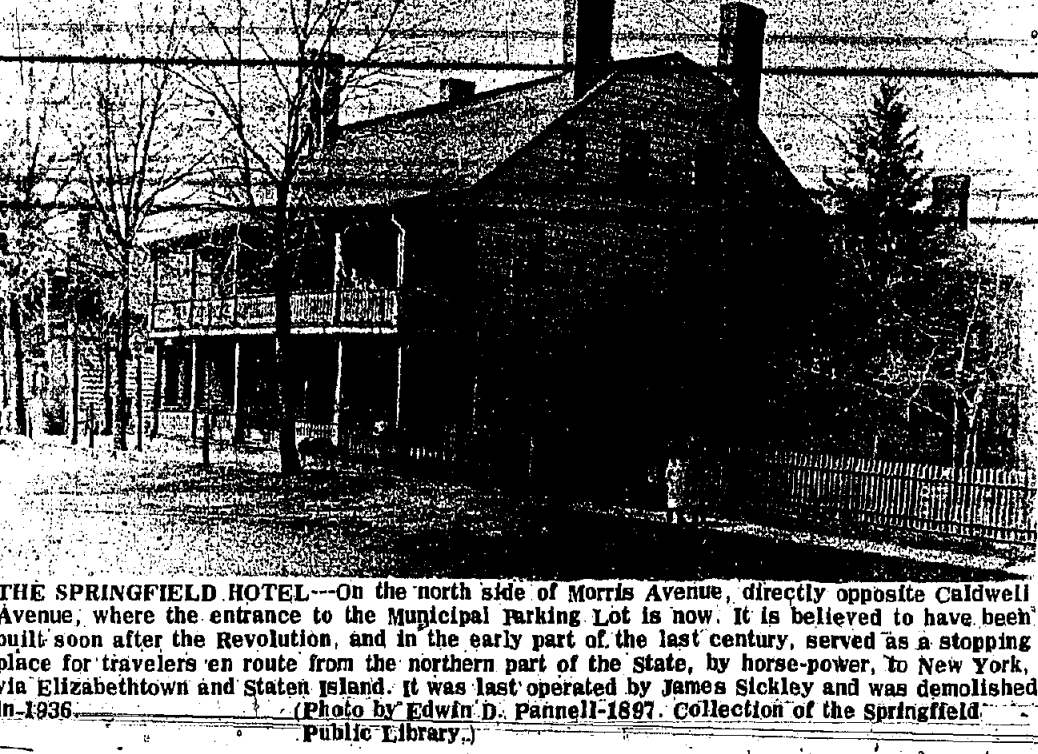

The party will be at the home of Robert Hamon, 72 Twin Oaks Oval, Springfield. Mr. Hamon is campaign coordinator for Messrs. Ceitham and Smith.

While a great deal of preliminary work has already been done in behalf of the Ceitham/Smith candidacies, the Saturday function is expected to be used as the launching pad for an active campaign throughout the summer.

SEES VICTORY: Also Blackman, residing at Briar Hills Circle, Springfield, is President of the Springfield Democratic Club this year and a member of the campaign committee working in behalf of Louis Ceitham and Howard S. Smith, candidates for Township Committee. In addition to his political activities, Mr. Blackman is President of the Briar Hills Circle Association, was Chairman of the Springfield Industrial Commission, an instructor on Panel of the Rutgers University Labor Management Institute and President of the International Association of Mechanical, Radio and Machine Workers, A.F. of M. He served overseas in the Pacific Area during World War II and is a member of the Veterans Division. The Blackmans have resided at the Briar Hills Circle address for six years. The other members of the family being wife Olga, and sons Kenneth, Stephen, 12½ Donald Keith, and Gary Alan, 16.

Remember

THE SPRINGFIELD HOTEL—On the north side of Morris Avenue, directly opposite Caldwell Avenue, where the entrance to the Municipal Parking Lot is now. It is believed to have been built soon after the Revolution, and in the early part of the last century, served as a stopping place for travelers en route from the northern part of the State, by horse-power, to New York, via Elizabethtown and Staten Island. It was last operated by James Sickley and was demolished in 1936. (Photo by Edwin D. Pannell-1897. Collection of the Springfield Public Library.)

Petition Says 'No' To Urban Renewal Plan

A petition, with 113 signatures of Morris Avenue property owners, was presented to the Township Committee at its Tuesday night's regular meeting requesting the rejection of the enactment of the proposed Urban Renewal Program for Morris Avenue.

The Springfield Chamber of Commerce launched the idea of revitalizing this shopping area by exploring of an ambitious Urban Renewal Program but, according to Henry Grabarz, Chamber President, it is only in its conversation stages and nothing official has been done.

Mayor Philip Del Vecchio said that it was his plan to call a meeting of Chamber of Commerce representatives, the Morris Avenue merchants and the various municipal commissions, and officials at which time the entire matter would be discussed. The meeting, he said, will be held in the next week or two.

Mr. Grabarz, Springfield Chamber of Commerce President, expressed surprise at the request to the Township Committee by some of the Morris Ave. property owners to drop any plans for a study of the area for possible re-development under Federal and State assistance.

"Since this is only a request to the Township Committee and Planning Board to make a study and survey of the area involved, the North side of Morris Ave., from Main St. to Morrison Road, it would seem that their action is a little premature.

"The Planning Board may not find that it is feasible to declare this as a 'blighted area' and the action of the property owners seems to be a little hasty. If the Planning Board finds that this is a 'blighted area' as defined by the State and Federal laws, then the Township Committee must hold a public hearing at which time all property owners who may have objections may present them.

"If the Township Committee declares the area to be 'blighted' after the recommendation of the Planning Board, and over any of the objections presented, no further action may be taken by the Town for thirty days to permit objectors to file required legal steps to vacate the 'blighted area' determination. Federal and State laws require this waiting

Movie Theatre Rules Passed

Springfield's Township Committee, in anticipation of the proposed moving picture theatre coming to Echo Plaza, passed an ordinance at Tuesday night's regular meeting "regulating, licensing and controlling" the operation.

The ordinance makes no attempt to set up any censoring or reviewing board but it does state clearly that the applicant for a license must not have been convicted of any crime; that it is issued only to persons of good character and "for such public exhibitions as shall not appear to affect injuriously public morals, health and safety."

The Township Committee has already approved a request for a variance permitting the establishment of a moving picture theatre in Echo Plaza and this ordinance spells out the rules and regulations under which such a theatre may be operated in Springfield.

The annual fee for the operation of a theatre will be \$350. According to the ordinance which may be revoked for any violation of the regulations with the possibility of a fine up to \$200. The construction of the theatre itself, the location of the projection room, the arrangement of seats, aisles, exits and entrances are spelled out. The management must keep order and fire and safety prevention measures at all times.

The ordinance calls for performances permitted only between 10 p.m. and no later than 2 a.m. On Sunday performances cannot start until 2 p.m.

Another ordinance was passed through its first reading Tuesday night which has to do with licensing and regulating commercial dry-cleaning establishments in Springfield.

There will be a \$10. fee for each machine in the operation with rigid restrictions imposed. Violations may result in fines up to \$200, or imprisonment.

Every phase of health and safety regulation is made part of the ordinance.

Captain Joyner Helps Even Tho' 'garbage' Isn't In Line Of Duty

A Springfield resident, asking that the name and address be withheld, writes the Sun to say "several kind words for service rendered by Captain Leslie Joyner of the Springfield Police Department, above and beyond the usual police officer's call of duty."

Last Saturday, the resident discovered that the garbage, placed at the curb for the municipal scavenger's morning collection, was overturned and scattered in the middle of the roadway, most of it in front of neighbors' homes.

An automobile had evidently hit the garbage receptacle, dragged it a distance in the middle of the street, all the refuse spilling and scattering.

"No one answered the telephone to the Municipal Building," said the now pleased Springfield resident, "so I decided to call the police station for some advice since this was Saturday, the beginning of a long week and with predicted rain and hot weather."

Captain Joyner, on duty at the desk when the resident phoned, answered the call for help. The garbage contractor only collects refuse in containers and the Springfield Street Department employees are not usually available Saturday.

In 10 minutes Captain Joyner had a Street Department truck on the scene, an emergency work er had cleaned all the debris off the street and the only damage was a broken garbage can cover with still visible imprints of car tires.

If the reckless driver of the speeding car that bumped this garbage can off the curb and dragged it for a half block could have been apprehended, the case would be completely closed.

"That's too good to be true," says the resident. "There's no such happy ending."

EARLY COPY NEXT WEEK

Presbyterian Church Has Long And Eventful History

By Richard E. Werner
Member, Board of Governors, Springfield Historical Society

The history of the Springfield Presbyterian Church begins in early Colonial days. On June 23, 1780, the British set fire to the then 19 year old Presbyterian Church—the second house of worship for this faith since it first formed in Springfield in the year 1745.

The British succeeded in burning the church to the ground (as well as most of Springfield) but the valiant Americans drove the British back to Staten Island. (A story in itself).

The present structure went up in 1791 on the same location as the previous one. Work and material were contributed by members of the congregation as they were able.

Men came bringing their tools and best timber their farms could furnish; booths were erected on the grounds where the women prepared meals for the volunteer workers; and contributions were solicited from the Presbytery of New York. (of which that church was then a member).

On the front of the church, next to the center door, is a tablet bearing the names of Springfield men who took part in the war of 1812.

School Library Gifts Announced

Mrs. Martha E. Davis, Librarian announced the following gifts have been made to the Governor Livingston High School library during the past month.

The Berkeley Heights Chapter of American Association of University Women in continuing the project begun last year, have donated six additional volumes of the Yale Chronicles to the Social Studies collection.

The American Association for the Advancement of Science have been loaning traveling collections of science books to high school libraries throughout the United States for several years. Governor Livingston Library was chosen as one of 200 high schools to receive this service during the 1961-62 school year. These collections were loaned in lots of 50 books exchanged periodically four times during the year.

At the close of the current period the librarian was informed that the current collection would remain in the library as a gift to the school from AAAS. These books are to be identified and added to the current high school collection which at the close of the second year of operation totals approximately 6500 volumes.

The Parent-Teacher-Association of Governor Livingston Regional High School has presented the school library with the sum of one hundred fifty dollars to be used to purchase books for the high school library. These books are to be selected by the librarian for whatever areas she feels need additional materials.

Mrs. Pettit has been an active teacher and lecturer for the Bahai's World Faith for many years. In July 1960, she terminated his association of several years with the American Radiator and Standard Sanitary Corporation where he was employed as General Territory Representative in order to devote full time as an unpaid itinerant teacher for the Faith. Pettit has served as a member of Bahai's summer school committees in Davison, Michigan and Dallas, Texas, member of the National Bahai's Youth Committee, Area Teaching Committee for the Gulf States, and for five years was elected as a delegate to the National Bahai's Convention in Wilmette, Illinois. Currently he is a member of the American National Bahai's Teaching Committee.

During 1960-1962, Pettit has traveled more than 50,000 miles throughout the country as a Bahai's teacher.

Witnesses Are Busy

The volume of work we have to accomplish in the next few weeks is tremendous," stated Mr. Marshall De Cristofaro, presiding minister of the Springfield congregation of Jehovah's Witnesses. His remarks to the congregation were concerning the forthcoming district assembly of Jehovah's Witnesses to be held in Jersey City at Roosevelt Stadium, July 20-22, 1962.

According to Mr. De Cristofaro, the bulk of the work at these conventions is done by volunteer workers. "We have received Volunteer Service applications from the convention headquarters," he stated, "and as a result many in the local congregation will contribute their services at the convention in various departments."

A number of volunteers will be going to Jersey City in the evenings and on week-ends to assist in the pre-assembly work. "Many things must be accomplished in a short time. Tasks such as building a speaker's platform, cleaning the stadium and setting up some 20 different departments will require much work and we are glad to assist in any way we can," Mr. DeCristofaro said.

"We look forward to the instructive program at the assembly," the minister added, "particularly do we anticipate the program highlight, the Bible lecture entitled, 'Fake Courage, God's Kingdom Is at Hand.' It will be delivered July 22, at 3 p.m.

The public has been invited to attend this lecture, there will be no collections taken.

Bean Finders To See Mill Show For Free

There will be a big doings at the Paper Mill Playhouse Saturday morning, June 30, at 10 a.m. for all the kids. Before the 11 a.m. performance of "Jack and the Beanstalk" there will be a bean hunt in the parking lot where 50 colored beans will be hidden. The lucky kids who find the beans will get in to see the show free.

The second event on the Saturday morning calendar will be prizes for the best Jack and the Beanstalk costumes that the children make for themselves out of odd bits of paper and rags.

The two children who win the first and second prizes will receive free tickets to every children's show of the season. The winning kids will be called to the stage to receive their prizes and the applause of the audience.

There will be two performances of "Jack and the Beanstalk". The first will be at 11 a.m. and the second at 2 p.m.

Beware Of Children Killer

Cases of lead poisoning among young children are likely to rise in number this summer, Charles F. Dotto, Health Officer, reported today. He explained: "This seasonal increase has been noted for several years. The most frequent victims are children one to four years of age who live with their parents in old houses in which lead paint has been used for interior paint-

ing or in which the walls have been plastered with plaster containing lead. Young children will characteristically bite and chew on many things, including wood-stills and flaky plaster. "Lead poisoning is one of the principal causes of child deaths due to poison. One study of more than 1,100 cases of accidental poisoning among children under 15 showed that 10 per cent were

due to eating lead. If the study had been done on children four and under a much larger percentage probably would have been found due to ingestion of lead paint.

"Non-fatal cases of poisoning are not required to be reported to the New Jersey State Department of Health. However, reports to the Department of accidental poisoning by lead and its compounds show the following number of deaths in the one to four age group: 1960-4; 1959-7; 1958-9; 1957-3.

"Parents should be sure toys and furniture, such as cribs, used by young children are not painted with paint that contains lead. If toddlers are seen chewing on 'window sills' or other painted objects, the physician should be advised, especially if the child is already being treated for an illness.

"Unless diagnosed and treated fairly early, lead poisoning may produce brain damage or be fatal."

Youngster Of The Week

LORI ANN LAMOTTA, 1-1/2 year old daughter of Mr. and Mrs. John Lamotta of Maplewood, is our "YOUNGSTER OF THE WEEK". Her proud grandparents are Mr. and Mrs. Harold Hansen of 18 Park Lane, Springfield. Lori's Mom and Dad are originally from Springfield and our graduates of Jonathan Dayton Regional High School. Mr. Lamotta is employed at Ringle Paper Company in Harrison.

Cook-Out and Cruise

Springfield-Girl Scout Troop #878, under the leadership of Mrs. Wm. Dolshun, held two activities winding up the scout year. First, the girls invited mother to attend their last meeting and cook-out, held at 338 Batusrol Way. Awards were given to the girls for their best services during the past year, with Susan Baudi, Paula Dolshun, and Mary Jane Fabrizio leading. Second, a cruise around Manhattan Island was enjoyed by all, on their "Family Day" outing. These included: Mr. and Mrs. J. Baudi, Susan and Jo Ann Baudi; Mrs. A. Constad, Bonnie Constad, Nancy Brown; Mr. and Mrs. Wm. Dolshun, Paula, Karen and Linda Dolshun; Mr. and Mrs. A. Fabrizio, Mary Jane and Donnie Fabrizio; Mrs. Murchison, Roberta Murchison; Mr. and Mrs. Wm. Rankin, Patty Rankin; Mr. and Mrs. E. Smith, Judy, Ruth and Ronnie Smith; and Kathi Yaeger.

Ehlers, Delaware Grads

MRS. JAMES EHLER

Both Mr. and Mrs. James L. Ehler received degrees from the University of Delaware, Newark Delaware, in graduation exercises held recently.

Mr. Ehler is the son of Mr. and Mrs. James T. Ehler, 4 Robin Road, Fanwood. He received his Master of Science Degree in Pathology.

Ehler received his B.S. Degree from the University of Delaware in 1956 and subsequently served two years in the U.S. 4th Armored Division stationed in Heilbronn, Germany. He was associated for a short time with G.L.F. Cooperative in Bridgeton, N.J., and in Pine Bush, N.Y. He then returned to the University of Delaware to work for his Master of Science Degree.

MR. JAMES EHLER

Band Opens 30th Season

The Union-County Band and Orchestra Summer School opened its thirtieth session on June 25 and will continue through July 27. The school offers six levels of learning in all band and orchestral instruments as well as piano, organ, baton twirling, fundamentals, harmony and conducting. Classes are held in the Locust School in Roselle.

Casimir V. Bork is the director of the school.

The school day will be from 8:45 A.M. until 12:15 P.M.

Registration is scheduled for Friday, June 22, from 12:30 to 5:30 P.M. and Saturday, June 23 from 9:30 A.M. to 2:30 P.M. at the Locust School.

The Advanced Band under the direction of Clarence J. Andrews of Plainfield will be featured at the opening assembly on June 25th as well as the first weekly assembly on Friday, June 29. At the opening assembly Mr. Bork will greet the students and acquaint them with the working of the school.

Six bus routes are planned for pick up through out the county as has been done in the past.

Pre-registration applications have already surpassed last year when the school had 620 students and 25 teachers, Mr. Bork announced.

Summer Student

Miss Priscilla Ewer Pratt, 1068 Mountain Avenue, Berkeley Heights, has enrolled in the 47th annual summer school at Wheaton College (Illinois) for the inter-session. She is taking a course in Bible.

The summer program begins with inter-session, June 12 to 22, during which two semester hours credit may be gained. The courses are varied to appeal to a wide range of professional interests as well as particular emphasis on the needs of Christian workers.

Club Officers

At the Annual Meeting of the Westfield Y.M.C.A. Stamp Club of Westfield, the following officers were elected to take office in June for the coming year of 1962-63.

President, Sidney Schneider, vice president, Jack McIntosh, Recording Secretary, Michael Fahey, Jr., corresponding Secretary, Patricia Byrnes, Treasurer, C.A. DuPont, Governors, Gilbert Peakes, Herman Raichle, William Withey, Charles Meyer.

The club holds its meetings the fourth Wednesday of each month, excepting July and August, at the Y.M.C.A. in Westfield.

The next meeting will be June 27th at 8:00 p.m. in the "Y".

Miss Zydycryn Engaged to Wed

JOAN ZYDYCZYN

Mr. and Mrs. Michael Zydycryn of 428 Yale Avenue, Hillside have announced the engagement of their daughter, Miss Joan Zydycryn to Mr. Joseph Buczowski, son of Mr. and Mrs. Julius Buczowski of 1074 Charles Street, Mountaine, N.J.

Miss Zydycryn was graduated from Hillside High School and is now attending Fairleigh Dickinson University, Madison. She is secretary to the Eastern Regional Sales Manager of Schering Corporation, Union. Mr. Buczowski was graduated from the Gratory School, Summit and attended Steven's Institute of Technology and Fairleigh Dickinson University. He is presently in the United States Army, stationed at Fort Dix, New Jersey in preparation for Officer's Candidate School. He is also a member of the Mountaine Fire Department.

Celebrate 10th

Two Fanwood residents this month celebrate 10th service anniversaries with Esse Research and Engineering Company, the principal scientific affiliate of Standard Oil Company (New Jersey). The two are: Martin W. Kaye of 231 King Street, an engineer with the company's product engineering division and Karl W. Lim of 15 Gere Place, an engineer with the company's process engineering division.

MRS. ROCCO CERRO
(PORTRAIT BY DAVRON OF SPRINGFIELD)

Annette Grosso Married Saturday to Rocco Cerro

St. James R. C. Church, Springfield was the scene of the marriage between Annette Joan Grosso, daughter of Mr. and Mrs. Dominick Grosso, of 35 Cambridge Ter., Springfield to Rocco Cerro, son of Mr. and Mrs. Anthony Cerro of 8 Willow St., Millburn on Saturday, June 23. A reception followed at the Blue Shutter Inn, Union.

Maids were: Miss Susan Siegel of New Providence, and Miss Marie Corbo, cousin of the bride, from New York City.

Theodore Cerro, brother of the groom, served as best man. Ushers included the Messrs. Joseph Gross, the bride's brother, of Springfield and Dennis Hado of Millburn.

After a honeymoon in Bermuda, the couple will reside in Summit.

DR 6-4316

HF-EN SABO

Congratulations on their eighteenth wedding anniversary go to Mr. and Mrs. Arthur Wilner, of 34 Cambridge Terrace, Springfield. The Wilners celebrated the occasion at the Bow and Arrow Manor on Sunday, June 24, with a group of twenty-four.

A daughter, Kathleen Elizabeth, was born to Mr. and Mrs. Joseph Spang of 30 Hillside Avenue, Springfield, on June 13 at Overlook Hospital in Summit. Little Kathleen, who weighed in at five pounds, four ounces, is the granddaughter of Mr. and Mrs. Anton Spang of Springfield.

Susan Karp, daughter of Mr. and Mrs. Martin Karp of 10 Newbrook Lane, Springfield, celebrated her ninth birthday last Thursday with a "hobo" party, at which her guests were Marissa Katz, Jill Mendelsohn, Andrea Magulies, Pamela Tasher Susan Goldstein and Fanny Kleisel.

The Far Hills Inn, in Somerville, was the scene of a gala party on Sunday evening, June 24, in honor of the fiftieth wedding anniversary of Mr. and Mrs. Kalman Lehner of Newark, and tendered them by their children, Mrs. Henry Hillard and Mrs. Seymour Marder of Springfield, Mrs. Morton Berger of Verona, and Mr. Phil Lehner, who came east from California for the occasion. Mr. Lehner is the oldest of thirteen children, eleven of whom, including his twin sister, were at the party; the other two not being able to get in from California. Since Mrs. Lehner, whose maiden name was Gertrude Gelfand, is also one of a large family, most of the one hundred and ten guests present were relatives of the couple.

Wendy Merkin, daughter of Mr. and Mrs. Irving Merkin, of 62

Laurel Drive, Springfield, entertained at a party on Sunday, June 24, in celebration of her eleventh birthday. Although Wendy was actually born on July 4, she decided to hold the party on an earlier date before her friends were dispersed to their summer activities. Helping her celebrate the occasion were Marcia Bass, Patti Binstock, Melanie Friedman, Lynn Fruchter, Laurie Gans, Ariene Gelfond, Lynn Greenberg, Pam Henry, Almee Kaplan, Connie Krasser, Debbie Krautblatt, Andrea Lesser, Jane Lester, Carla Lillen, Gale Lubliner, Helen Martinovich, Karen Schlangen, Gail Spector, Fran Tasher, Jane Thierberger, Bonnie Turen, Lisa Warinen, Ellen Weg and Lynda Weirner.

Dennis Condon, son of Mr. and Mrs. Paul Condon of 82 Tooker Avenue, Springfield, entertained eight of his graduating classmates at the Condon's summer home in Ocean Beach, N.J., on Saturday, June 16. Bathing, water-skiing and boating were enjoyed by all. Mom, Dad and sister Janet were also on hand at the party. A family party was held on Thursday evening, June 21, in honor of Dennis' graduation from the Florence Gaudineer School. Twenty-seven guests were present.

At Miss Bunny's dance recital last Saturday evening at Jonathan Dayton Regional High School, Kathryn, age 10, received a trophy and was presented with an award of a scholarship for classical ballet. Last week, Cathy's big sister Pat was graduated with highest honors from St. James and received an award of a bond from the Mothers' Guild. The girls are the daughters of Mr. and Mrs. Dan Kaufhold of 66 Kew Drive, Springfield.

MRS. GORDON LEACH

B. Heerwagen Becomes Bride of Gordon Leach

In the First Presbyterian Church, on Saturday, June 23rd, Miss Barbara Ruth Heerwagen, daughter of Mr. and Mrs. Howard E. Heerwagen, 27 Lewis Dr., Springfield, became the bride of Gordon Earl Leach, son of Mr. and Mrs. Earl Leach, 50 Wayland Dr., Verona, N.J. The Rev. Bruce W. Evans officiated. A reception followed at the Hotel Suburban, East Orange.

The bride's gown was of white peau-de sole, fashioned with bodice and front panel of net appliqued with res-embroidered Alencon lace. The bell skirt fell from a pleated cummerbund. She wore a light bouffant veil of silk illusion, caught from a lace cap. The bride's flowers were white sweetheart roses and lily of the valley.

Mrs. Keith Hazard, Princeton, N.J. was maid of honor. The bridesmaids were the groom's sister, Mrs. Francis N. Wright, Charlotte, North Carolina, and Mrs. Gerald DiBona, of Quincy, Mass. Their gowns were of gold silk and cotton, with tunic length, over-skirts. They carried small yellow roses with baby ivy.

The best man was the groom's brother-in-law, Francis N. Wright of Charlotte, N.C., ushers were Robert Meeker of New York City, Anthony Sousa of Buena Park, Calif., Robert P. Huffaker, Jr., Bryan Texas, junior usher, the bride's brother, Howard W. Heerwagen.

The bride was graduated in June from Wilson College, where she was a member of the Glee Club. She will be on the teaching staff of the Passaic Valley High School in September.

Mr. Leach was graduated from Lehigh University and is presently attending Rutgers Graduate School of Business Administration. He is a mechanical engineer affiliated with the Kearfoot Division of the General Precision Co.

After a honeymoon in Bermuda, the couple will live in Little Falls.

NEW RESIDENT—Mrs. Gertrude Rose, of Wurzburg, Germany, is pictured aboard the North German Lloyd liner, "S.S. Bremen", upon her arrival in New York Harbor from her home in Germany. Gertrude will join her husband, Mr. Mike Rose, of Laurel Drive in Springfield.

Smith-French Engagement

BARBARA SMITH

Mr. and Mrs. Robert W. Smith of Milltown Road announce the engagement of their daughter, Barbara Jane to Robert A. French, son of Mr. and Mrs. G. Williston-French of Colonial Terrace. An October wedding is planned. The bride-elect is a graduate of Jonathan Dayton Regional High School, and is associated with Martinsdale-Hubbell in Summit-Herlance Regional High School, and is associated with Hermann Forwarding Company of New Brunswick.

Two Spfld. Gaudineer Teachers Have Nuptials in Newark Church

MRS. FRANK J. LANIA

Anita Kathleen Tedesco daughter of Mrs. Kathleen Policastro of 70 Monticello Avenue, Newark and Frank J. Lania son of Mr. and Mrs. Rocco Lania of 133 Pacific Street, Newark were married June 30 at a Nuptial Mass in Sacred Heart Church, Vailsburg. The Rt. Rev. Travers officiated the ceremony. A reception followed at the Hotel Suburban in East Orange.

Miss Diana Miguel of Fortis was honor attendant. Bridesmaids were Elizabeth Brown of Asbury Park, Antonia Marino of Newark and Leonora Tomarino of Maplewood. Albert Ruccione served as best man. Ushers included the Messrs. Thomas Tedesco, Frank Thomas and Fred Chambers. The bride received her Bachelor of Arts studies at the University of Madrid, Spain, and Bachelor of Arts in Spanish from the College of Saint Elizabeth, her Summer studies at Veracruz Mexico. Mr. Lania is a graduate of Newark State Teachers College. He received his Masters degree in Administration and Supervision. Both Mr. and Mrs. Lania are presently teachers at the Florence M. Gaudineer School, Springfield.

After a honeymoon trip to the Virgin Islands and Puerto Rico, the couple plan to reside in Springfield.

PHYLLIS ANN MAHER daughter of Mr. and Mrs. John P. Maher of 1611 St. Ann Street, Scotch Plains, was married Saturday, June 10, to Robert William Meyers, son of Mr. and Mrs. Wesley Meyers of 1755 Mountain Avenue, Scotch Plains. The ceremony took place at St. Bartholomew Church, Scotch Plains, with the Rt. Rev. Monsignor John J. Cain officiating. A reception followed at Le-Pree's Cocktail Lounge, Roselle Park. Given in marriage by her father, the bride had as her matron of honor Mrs. John Wilson of South Plainfield. Bridesmaids were Miss Sandra Mihre of Plainfield and Miss Karen Polich of Scotch Plains.

Miss Bird Is Married

The marriage of Miss Madge Ellen Bird, daughter of Mr. & Mrs. O.C. Bird, of 349 Creek Bed Road, Mountainside, and James M. Pickler, Jr., of Valley Center, Kansas, took place June 23, 2:00 P.M., at Union Chapel, Mountainside, New Jersey. Reverend Harold Lundin officiated. Mrs. J. Pfeiffer, also of Valley Center, Kansas, a sister of the groom, was the matron of honor, and Miss Veronica Spiesbach, of 194 Linden Avenue, Springfield, was a bridesmaid.

The best man was Mr. Robert Saxton and the ushers were Mr. J. Pfeiffer, and Mr. Ronald Read. The reception was held at the home of the bride immediately after the ceremony. The bride graduated from the Governor Livingston Regional High School, Berkeley Heights. The bride and groom will make their home in Valley Center, Kansas, where the groom will attend the University of Wichita.

Chair Aids Relaxation

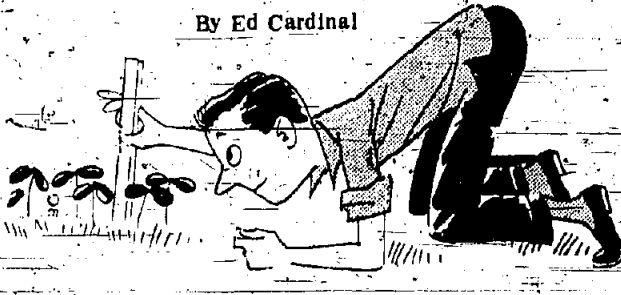

Are you really relaxing or do you only think that you are? The original Contour chair-lounger helps assure complete relaxation in 6 ways. Curved to cradle the body so that the weight is evenly distributed, the lounger also provides firm, even support for all regions of the torso. Another factor is the elevation of the feet and head allowed by the shaping of the chair. With these areas raised above the body's center of gravity, the heart is relieved of excess burden and the circulation is increased. The "contour-lounger's" built in massager, Vibration, adds an extra dimension to relaxation. Restfully stimulating and increasing circulation and melting away tiredness and revitalizing you. With finger tip adjustment to enable you to regulate the massage action from gentle to brisk, you can select the type of massage that best suits your needs. Also at your fingertips is the control to change your position. From an upright one for reading, conversing or writing, to an intermediate one for viewing, to a reclining position for complete resting. Because the chair changes position and you don't your back is always straight and your body supported. This aids in good posture as well as creating quick and easy relaxation. This lovely as well as functional addition to your home is available at Contour Chairs, Inc. 649 Broad St., Newark.

Deborah Barbecue

The West Mount Chapter of Deborah Hospital will hold a fund raising Barbecue at the home of Mr. and Mrs. Leah Hirsch 549 Jerusalem Road, Scotch Plains on July 7th at 7:30 P. M. After a sumptuous meal prepared by the Food Committee, there will be dancing on the patio. Mr. Nicholas Byron, the husband of a member, will man the bar. Tickets are \$6 per couple and may be obtained by calling Mrs. Irving Sedwin at AD 3-6655. The money raised by the affair will be donated to Deborah Hospital in Browns Mills, New Jersey, a free, non-sectarian hospital specializing in heart surgery and tuberculosis.

Taking Care Of The Garden

By Ed Cardinal

The cicada (locust) has left its mark! Thousands of dead twigs and small branches will soon appear on trees, evergreens and shrubs. The females cut slits in young twigs and deposit eggs in them. The slits break easily in the wind and soon wither. This damage may be extensive, but is not lethal to the plant—just use a pruning shear to remove the dead part. The wingless, scaly young will soon hatch, drop to the ground and remain there for another year.

Q: I dread the thought of the hordes of Japanese beetles. Will spraying at this time help?
A: The beetles will soon emerge from your lawn in droves. They will feed for the nearest plant and start feeding. If they like it they will skeletonize the leaves, or if it is not to their liking they will try another plant. At the first sign of beetles, spray your entire planting with Sevin or methoxychlor and they will usually move to your neighbor's unsprayed shrubs.

Q: I have been dusting my roses and other plants, but my neighbor claims that dusting is not satisfactory. What is your opinion?
A: You have undoubtedly seen pictures of crop dusting by planes. You don't suppose farmers would spend money for this if it were not a good method of insect control. Mrs. Prince's Farm, a model farm located in Springfield, keeps her fine vegetables insect free with large machines which cover several rows at a time. Dusting equipment for the home is available for as little as a dollar, and more elaborate machines may run as high as \$15.00, but a simple device costing less than \$4.00 is my favorite tool for dusting the thousands of plants in my nursery—and I do the job in one-fourth the time it takes for liquid spraying.

Q: This may be out of your line, but what about sand vs peat moss under a plastic swimming pool?
A: Sand is sharp and usually contains small stones which can chafe and damage the pool liner. A two inch layer of baled heat moss—just the Michigan type—makes an excellent bed for the pool. It is soft on the feet and will not damage the plastic liner.

Bible School Is Scheduled

A daily Vacation Bible School will again be conducted at Holy Cross Lutheran Church, 639 Mountain Avenue for a two-week period from August 13-24. Pastor Messerschmidt has announced. This is the fifth consecutive year that such a summer activity has been scheduled.

The purpose of the school says Pastor Messerschmidt is "to provide the children with Bible learning experiences designed to broaden and deepen their understanding of the nature of God. Besides Bible stories, there will be lots of other activities—games, songs, art projects, and handicraft correlated with the lesson workbooks. Every minute is designed to keep the children happily and purposefully occupied.

The children should thoroughly enjoy it.

Departments will be provided for five age levels:

NURSERY—For children three and four years old, or those who will not be ready for kindergarten in September.

KINDERGARTEN—For children five and six years old, or those who will enter kindergarten and Grade 1 in September.

PRIMARY—For children seven and eight years old, or who will enter Grades 2 and 3 in September.

JUNIOR—For children nine and ten years old, or those who will enter Grades 4 and 5 in September.

SENIOR—For children who will enter Grade 6 in September.

Those desiring more information or wishing to register their children in advance (there is no charge) are asked to call the church office, DRexel 9-4525 or CR 7-6958.

New Categories Set By GOP Conservatives

Two new membership categories have been established by the Executive Committee of the Republican Conservative Action Club of Union County, it was announced today.

Approval was given to a \$1.00 per year membership classification for students and others who are under 21 years of age. A second new membership category will permit persons residing outside of Union County to join the organization. Membership fee will be \$3.00 annually and will give members in this category full voting rights except for matters involving only Union County.

Front Street, New Bell Office Site

The New Jersey Bell Telephone Co. will move its business office in Plainfield to 204 E. Front St. on Monday, July 2, the company announced today.

The office is presently located in the company's central dial office building at 420 Park Ave. The shift is aimed at making company facilities more convenient for the 33,000 telephone users served by exchanges in the Plainfield area, according to Roland G. Mariani, Plainfield, business office manager.

Customers will be able to pay their bills and discuss telephone service with company representatives at the E. Front St. office, Mariani said. Some clerical operations will be maintained at the Park Ave. central office building, he added.

The Plainfield business office serves customers in Plainfield, North Plainfield and South Plainfield, and parts of Warren Township, Watchung, Fanwood and Scotch Plains. Its exchanges include: Plainfield 4, 5, 6 and 7; Fanwood 2, and 753, 754, 755, 756, 757, 322 and 889.

New "S" Line Is Coiffure Forecast

An airy feeling of chiffon lightness pervades the new "S" line of hair fashions created by Adrian for Maison Antoine at Saks Fifth Avenue, Springfield, N. J.

The "S" line emphasizes the short and close-to-the-head silhouette. It is very gracefully curved and smooth, a solution to summer. As Adrian's forecast for fall, it merits close attention.

Adrian will be at Maison Antoine, Saks Fifth Avenue, Springfield, N. J., from July 2nd to July 7th.

Though his sweeping "S" line requires little care, it achieves stunning after-five importance. It is designed to smooth away from the forehead for a calm view of the brow. It brings the face back into full view. Reminiscent of the Gibson Girl, it emphasizes a swan-like throat and neck. It emphatically states the return of the soignée look from which chic women never

really departed. A flowing smooth sheen as its objective, it may be brushed outward and back into a casual carefree look for outdoors, or upward for after-five elegance. It may be worn short, medium or long, and therein lies its natural gift for becomingness to every type of face. A summer sophisticate, it is styled by Adrian to transit from surfside to late day, from game to gala. It brushes out into a greater variety of face-framing silhouettes than any other hair fashion.

The important foundation for the new "S" line is a soft body wave that can be set on large rollers and brushed out into a flair.

Bias cutting with an upward movement is shaped in layers of almost imperceptibly varying lengths up to the crown, where it is longest. The ends may be cut to fan out, gracefully picking up the "S" curve in dif-

ferent directions. Brushing is the big movement that gives this new fashion its final shape. Preferred even to combing, the "S" totally discards teasing and lacquering. Long vigorous brush strokes upward and outward, launch the new look and bring out the smooth sheen of color. The effect is shirred, feathery and airy.

The part returns to fashion with the "S" design. Diagonal or on the bias, horizontal or lengthwise, the new part is always short. It establishes and individual silhouette around the features.

Adrian's reasoning behind the new hair designs is to bring out the face and features, free of clutter. A woman's face should be shown in all its delicacy, the focus. With its short sweeping curves, deft cut, the brushing and fanning out, his new fashions in hair harmonize with the trend of the new natural look-in-clothes predicted for fall.

The "S" line is Adrian's salute to summer, his forecast for fall, a summing-up of smooth elegance returning to the scene.

Melinda in "Birdie"

HOLLYWOOD TUPPI—Melinda, 15-year-old daughter of Grocho Marx, makes her film debut in Columbia's "Bye Bye Birdie." Melinda was one of more than 250 girls auditioned for the screen-adaptation of the Broadway hit.

SEEN ANY GIANTS lately? If you have, they might be interested in the giant size chair that can be found at Hamburger's Highway Furniture Outlet on route 22, Springfield. Mrs. (Ralston) Nelson and her 2-year old daughter April try the chair for size at the store which opened on Saturday.

'S' IS FOR SUMMER—The sweet yet sophisticated summer 'S' hair fashion forecasting fall directions. From a returned low side part the hair sweeps lightly over one side of the forehead, back to turned up 'S' curves. However, the face is left free and clear. Created by Adrian, who will be at Maison Antoine, Saks Fifth Avenue, Springfield, N. J. from July 2nd to July 7th.

Adult Softball

Wesley Stands Alone As Fischer Withers

By Dick Schwartz

And the season goes on... With five weeks of action already behind it, the Springfield Adult Softball League race to the playoffs seems to be drawing tighter and tighter as the greatest percentage of teams move up and down the standings ladder with each passing week.

Last week's slate of games proved no exception to the above rule.

Four games were played Sunday with these results: American Legion 9, Sun, 8; Ehrhardt Electronics 5, Fischer 10; Davron 4, Reimette 4; Katz 11, Reimette 4.

Legion's encounter with the Sun was noteworthy for no other reason than both clubs had yet to chalk anything up in the win column. This was settled as Legion pulled ahead early in the contest, fought off a rally by the newspapermen, and went on to break a 7-7 deadlock in the sixth inning for the win. The Sun Nin had their chance to get back into the ball game in the last half of the seventh, but with two men on and only one out, a line drive to second base was all the Legion needed for a double play and all

the marbles. John Wentz unloaded a homer for the winners. Ehrhardt Electronic continued its steady climb up the win column as they squeaked past Fischer 5-4. It was Fischer's first loss of the year. Mark Lies hit a round-tripper for the electronics experts, and Stan Cornfield was the winning hurler.

Fischer just didn't have it, as the usually strong lineup had repeated difficulty with Cornfield. With Fischer's loss Sunday, there remains but one team still to be taken, Wesley Jewellers, idle as the result of a bye stand-alone at the top of the heap with a 3-0 record.

Davron Studio surprised Meeker at Washington Field, topping the once-beaten club, 10-9. Meeker scored all of its nine runs in the first three innings and from then on was contained by the fine pitching of Lou Campanelli.

The two clubs battled right through regulation play all evening at 9, and it took the first extra inning encounter of the season to decide the outcome.

In the last half of the eighth, Lou Sansalone, hard-hitting Davron shortstop lofted his second

home run of the morning high into the center field trees to give Davron the clincher. Both Sansalone four-baggers were in the woods, quite a poke at the Washington Field.

Meeker has now lost two games in succession, bowing to Fischer last week, 11-4.

In the only other game played over the weekend, Katz sent Reimette down to defeat, 11-4.

All-Star Game

Springfield Adult Softball League officers met earlier this week with Foxwood softball league officials and decided on an All-Star game to be played between the two leagues. As yet, no official date has been set for the event.

The game will be played at the Foxwood field, and Springfield softballers will play under Foxwood rules. Foxwood also has a slow-pitch league.

Each Springfield League captain is urged to watch his team with special interest in the next few weeks and be prepared to submit two names for All-Star play.

Springfield officers wish to remind their League that "beating Foxwood would be a real feather in our caps since their clubs have been playing as a League for the last fifteen years."

This was the fourth straight setback for Reimette. Katz, meanwhile, is slowly but surely pulling itself from the cellar and now stands all even in the standings.

One game remains to be played this week. On Thursday Wesley Jewellers, trying to maintain its grip on first place will tangle with the Jaycees at the Meisel Field beginning at 6:30 p.m.

From here on in, all games will be played during the week. Next week's schedule reads: Legion vs. Mets, on Monday at the Meisel Field and Ehrhardt plays Katz on the Washington Field. On Tuesday, Meeker meets Wesley; on Thursday, Davron vs. Fischer; and on Friday, the Jaycees meet Reimette. All week games will start at 6:30 and all will be at the Meisel Field unless otherwise specified. The Sun has drawn a bye for next week.

The Standings

Wesley	5	0
Fischer	4	1
Ehrhardt	3	1
Jaycees	2	1
Meeker	3	2
Davron	3	2
Mets	2	2
Katz	2	2
Legion	1	3
Reimette	0	4
Sun	0	5

Series Time In Heights

Thursday, Friday and Saturday, June 28-30, is Minor League Series time in the Berkeley Heights PAL League. It was announced this week by League officials.

In a big week of baseball, the Minors will decide their divisional champions on Thursday and Friday in a modified playoff schedule and on Saturday the division winners will meet to decide the League champion in a single game.

Thursday and Friday games will be at 6:30 p.m. and Saturday's contest will start at 2:30 p.m.

Many adults have been impressed with the type of ball Heights PAL members play, and League officials urge all those parents and friends who have never seen the small fry in action to take these playoff dates as an opportunity to come out and root your favorite club home.

IT WAS A GREAT SHOW... Ed Sullivan, TV star who celebrated his 14th anniversary on the air last Sunday night, talks things over with Peter J. McDonough III, Union County Freeholder, as the two meet in the locker room of the Plainfield Country Club during the recent Pro-Celebrity Tournament held there.

Morris Ave. Motors Tops Ruth Majors

Morris Ave. Motors won the championship of the Babe Ruth Major League, Springfield, Saturday afternoon by beating Argenton's 12 to 0. Dave DeVore, the winning pitcher, had a near perfect game, allowing 1 scratch hit, and walked one man. The big bats for the Motor team were Monticello with a home run and single, getting help from Belliveau, De Vore, Jensen, Cole and Denny Lies. Mike Gilligan, the losing pitcher, pitched well, but a fine defensive game by Morris Motors limited the Argenton team to the single by Mike Zidon.

On Friday Morris Ave. Motors beat Channel Lumber 5 to 3, behind the fine pitching of Monticello, who allowed only 4 hits. Danny Ginter hit 3 for 4, Bobby Belliveau 2 for 4. Also heavy with the wood were DeVore, Monticello, Jensen, Hill, and Perry Krowne.

Last week results: Elks 2 - Channel 0; Channel 4 - Elks 3; Morris Motors 5 - Channel 3; Haydu 4 - Elks 2; Morris Motors 12 - Argenton 0; Haydu 11 - Channel 11.

Yankees Emerge Victorious In Mountainside Senior Loop

For the second consecutive year, the A.K. 1960 Co. sponsored Yankees have won the Mountainside Senior League championship; by defeating the Hago Products sponsored Red Sox, managed by Dave Starr.

The Yankees were managed again this year by Jules Rose, who was ably assisted by Chef Johnson and Jim Gleason. The two-hit pitching of Harold Butts, the support of a home-run by Allen Hambacher, and assorted hits by Mickey Johnson, Jimmy Hambacher, Tommy Banach, Bruce Cote, and Paul Doeringer, made the final score of the pennant deciding game 11 to 7.

Incidentally, Harold Butts won five games for the Yankees this season. Outstanding among them were: a game where he gave up only three hits, two occasions where the opposition muscled two hits, and one game in which Harold gave up only one hit.

The winning record for the Yankees has been constant both

years in which they were the champions; nine wins and three losses.

The President of the Mountainside Senior League, Walter Douglas, announced today "I wish to not only congratulate the players and management of the Yankees, but also to take this opportunity to publicly congratulate all the players and managers of the four teams in our Senior League. The one hundred per cent cooperation of the league officers, managers, assistant managers, umpire staff, and players enabled us to absorb more teen age boys into our league this year than ever before. Although many of the less experienced boys played on junior varsity, rather than varsity teams during much of the season, all the boys who registered for the League had an opportunity to play baseball and to improve their abilities in one way or another. We look ahead to next season with a fine established nucleus of players and managers, all of whom will be the better for their experience and efforts of this season. The citizens of Mountainside want our sincere thanks, and congratulations as well for supporting the excellent baseball program Mountainside has maintained over so many years."

Guest Day

The Echo Lake Nine Hole Golf Group Guest day was held June 21. The results of the day are: Low gross: S. J. Murphy and guest Mrs. G. Leslie with 47 and 46 points respectively; Second low gross, Mrs. R. Beddows, Jr. and Mrs. H. Claussen with 49 and 48 points; first low net, Mrs. W. Dorser and Mrs. G. Beard, 31 and 32 points; second low net, Mrs. F. Keogh and Mrs. E. Widin, 31 and 33 points; third low net, Mrs. R. King and Mrs. G. Berkeley 32 and 33 points; fourth low net Mrs. R. Daniel and Mrs. G. Samuelson, Jr.

Crestmont Nails Down Youth Major Honors

The Crestmont Savings & Loan Association baseball team became the undisputed champions of the Springfield Youth Major League this past week with 14 wins and 11 losses. In its final game it trampled American Legion 9 to 1.

This Crestmont team is to be considered one of the great teams to come out of the Major Youth division. It has shown power in all departments. Its pitching has been superb and its hitting has been tremendous. Credit for a job well done must go to Bruno Becker who has been manager of the Crestmont team for the past few years. Standouts on the team were Ron Azarawicz, who displayed excellent pitching and power at the plate, Brian Finerty, one of the outstanding catchers in the league, Jon Brenz, James Cannon, James Carnier, Ronald Hasselmann and Fred Vollhurst. The other members of the team who contributed to its efforts were Richard Toll, Richard Seilkoff, Dennis Murnane, Robert Janokowitz, Allen Fridkis, Richard Falcone, War-

ren Danzinger and Robert Blum, Assistant Manager Becker were coaches Spencer Cannon and John Janokowitz.

The Rotary team, coached by Frank Hayco and assisted by John Shock, were the runner-up with 12 wins and two losses, having had one game cancelled because of rain. With the exception of two games lost to the winning Crestmont team, Rotary might very well have been at the top of the heap. Such boys as Brian Sheehan, Gary Kurtz, Gary Haydu, John Shock, Richard Campbell and others were especially point on the team. In its final game this season the Rotary team squeaked out a 4 to 3 victory over a revitalized PBA team, Tony Gromek pitched excellent ball for the PBA team and but for untimely errors by fielders might very well have been the winning pitcher. As it was Gary Kurtz became the winning pitcher for the victorious Rotary team.

Manager Frank Gagnon and his coaches Burt Henry and Ed York did a terrific job for the Jayce

Trucking team. A fine team, it took third place in the final standings. Standouts were Kenneth Braverman, Clifford York, Kenneth Shatten, Stanley Yoblon-sky, Steven Sturman, Gordon Cuninghame and Gary Simson. The American Legion team under its manager, Phillip Kurnos and assisted by coaches Sol Levitt and Art Falkin, finished in fourth place after having taken the championship last year. Joe Buc-ci, Mike Krautjatt, Mickey Weatherston, Charlie Rawitz, Mitch Weiner, Kenny Kurnos and David May stood out.

Freshman manager, Edward Smith, assisted by Coach D. Barron and H. Cohen, molded practically an entire new team at the beginning of the season. Some of the boys came along very well and if this season had been longer it is conceivable that the other teams would have heard from the Lions. Top players for the Lions included Dan Barron, Ed Turan, Peter Sayki, Kenneth Minniman.

Herbert H. Palmer, Athletic Director

Ball to Linger In Mountainside

If you are one of the Mountainside Little Leaguers who found the season too short, don't despair. Baseball has decided to stay in Mountainside for the summer.

The officers of Mountainside Baseball have announced that an adult supervised baseball has been scheduled for each Tuesday and Thursday evening through July and August. The opening summer baseball contest will be held at 6:30 p.m. on Sulzer Field at Deerfield School on Tuesday, July 3. Additional games are scheduled for Thursday, July 5 and each Tuesday and Thursday following through August 30. The only exception being Thursday July 19. The time and place is the same for all games.

The games will all be on a pick-up basis. Members of the Mountainside Baseball coaching staff will be on hand to organize teams from among those boys present. Baseball, helmets and catcher's equipment will be provided; The boy need only bring himself and his mitt for an evening of fun.

Tuesday evenings are reserved for boys currently in Farm League A and Farm League B. Major and National League boys will play on Thursday evenings. All boys wishing to play should be present at Sulzer Field at 6:30 p.m. on the evening appropriate to their league.

To be eligible to play, a boy must be currently registered in Mountainside Little League baseball. Further he must wear his uniform to the game. Only unformed boys will be allowed to play. This is for the protection of the boys since only registered players are covered by Little League insurance.

Feathers Fly As Canaries Cage Orioles

Mountainside's Girls Softball League has closed out the current season with a playoff game held on June 14 for the championship of the League.

The finale pitted the Canaries against the Orioles, the Canaries emerging victorious, 9-7.

Mrs. Hartman managed the winners, while Mrs. McCurley called the plays for the losers.

All those girls on the winning club will be awarded trophies at the start of next season. The following managers were honored at a dinner in their honor on June 13: Miss Helen Raymond, Mrs. Florence Sachnow, Mrs. June Eschbaugh, Mrs. Richard Verdick, Mrs. Marg. Karwoski, Mrs. Mable Young and Mrs. Lenore Gordon.

Help!!!

Your Watchung Weekly Sports Department will be trying to give our readers full sports coverage throughout the Summer. However, because all activity seems to slow down during the hot months we're asking your help in supplying us with sports news you feel would be of interest to your friends and neighbors. Pictures are no problem for us. All we need is a lead and an appointment and we're willing to cover anything from a pool party to a hot badminton match in someone's backyard. If you think of it please call DR 9-5000, and ask for Dick Schwartz.

Beacon on Sports
CY JAMES

Lynn Nesbitt, Governor Livingston Regional High School's all-around athletic ace, is relaxing for the summer after a fabulously successful athletic year. Lynn would do well to enjoy his relaxation this summer, because a year from now things figure to be quite different.

Just about a year from now when Lynn is winding up his high school career his life is going to become quite hectic. Major league baseball scouts and representatives from scores of colleges will be camping on the Nesbitts' door step trying to cover Lynn's name on their contract and scholarship offers.

But right now Lynn can relax. As a boy finishing up his junior year at the Berkeley Heights school he is unapproachable as far as baseball and college scouts are concerned.

Although Nesbitt is unapproachable, the scouts already are talking about him in glowing terms. A number of professional baseball scouts in New Jersey who were contacted by the Newark papers for assistance in selecting all-New Jersey teams, unqualifiedly termed Nesbitt "the best schoolboy hitter in the state."

Charley Geibert, Lafayette College baseball coach and former St. Louis Cardinal infielder, is a great admirer of Nesbitt and hopes to lure him to the Easton, Pa., school after he graduates.

Another admirer of Nesbitt's is his coach, Russ Hunchar. Hunchar considers Nesbitt "an outstanding professional prospect." And this kind of praise is being lavished on a 17-year-old boy who still has a full year of high school ahead of him.

The most amazing part of it all is that Nesbitt deserves the accolades being heaped upon him.

Just look at his record during the past season: Six home runs in 16 games, including two in the State Tournament that gave his team its winning margin over two favored rivals, Clifford Scott of East Orange and Madison.

Nineteen runs batted in, including seven in one game against Ridge High School of Basking Ridge.

Twenty-six hits, nine of them for extra bases.

A .464 batting average, the best in Union County.

A fine fielder with good range and a strong throwing arm. Excelled at cutting off slow runners to shortstop and making barehanded pickups, and throws on bunts down the third-base line.

Fine attitude. Lynn's sense of humor was a boon to Highlander pitchers, as well as the rest of the team, according to Hunchar. Nesbitt's play was so exceptional that the Newark Sunday News switched him to first base, a position he never has played, on its mythical all-New Jersey team. This was done to permit inclusion of another crack third baseman, Earl Lombardo of Trenton, on the squad. No one had any doubts about Lynn's ability to make the switch.

Another tribute to Lynn's ability was his being one of only two non-seniors to make the all-New Jersey team. Nesbitt also was the only junior named to the Elizabethtown Journal and Newark News' all Union County squads.

Helping Governor Livingston win its first state championship climaxed a tremendous year for Nesbitt, but he would be the first to admit that it was not a one-man achievement. As Hunchar emphasizes, Nesbitt is a team man.

Being a team man, we know that Lynn won't mind sharing the spotlight with some of his outstanding teammates who gained lesser all-state and all-county recognition but still played vital roles in the Highlanders capturing the state regional championship.

Lynn's climactic homers would have meant nothing in the State Tournament without the superlative pitching of Jerry DiPasquale. Jerry limited two touring rivals to one run in 12 innings of pressure-packed pitching. It paid off in his selection for the second all-county team and the second all-state Group 2 nine.

Art Thomas' bang-up play at shortstop and his dazzling speed on the base paths earned him a third-team berth on the Group 2 all-state team.

And there was John Wadas, the catcher with the sling-shot arm. John picked off three Scott baserunners in the tourney game to keep DiPasquale out of serious difficulties. Wadas was a top-notch receiver all season and one of the team's steadiest hitters. He was named to the all-county third team.

Finally, there was a sophomore who didn't receive mention in the all-county and all-state selections, but who made possible the Highlanders bid for the state title. That would be Bob Heuer, a southpaw speedballer, who won five of six decisions. Four of his victories enabled Governor Livingston to qualify for state tournament play.

Heights Playgrounds Soon To Begin Full Summer Schedules

William Hedrick, Recreation Superintendent, announced today that all the Berkeley Heights Playgrounds will open with full programs on Monday, July 2. Playgrounds will be open at Berkeley School, Columbia School, Woodruff School, and Mountain Park Playground, from 9:00 a.m. to 12:00 noon, closed 12:00 noon to 1:00 p.m., and open from 1:00 p.m. to 4:30 p.m.

The following programs will be scheduled at the various playgrounds:

Crestmont

(Continued From Page 8)

Robert Ferrugia, Tom Brownie, Gary Vosberg and Ronald Smith. The PBA team, managed by Mike Catapano and assisted by coaches B. Shapiro and J. Title came on with a rush in their last four games. This team in pre-season form was expected to be in contention for the top division, however, it never quite jelled and hard luck seemed to pursue it. Howie Tjess, Richard Bromberg, Tony Gromek, Freddie Titte, Mike Catapano, Bobby Catapano, Mark Shapiro, Nathan Edelstein and Donald Cubberly were especially effective at various stages of the season.

The 1962 season is officially over but it is hoped that the boys will long remember their experiences and training. Mr. Catapano, Director of the Youth Major, wishes to express his thanks and appreciation to all the managers and coaches for their hard work, time, and energies, to the boys for their efforts, interest and patience, and to the parents who suffered through the season in various ways and who aided their sons and practiced self-control and understanding.

Tie Highlights

Fanwood Play

During the week ending June 22, 1962 the following were the results of play in the Old Men's Softball League of Fanwood. Hunter and Marian played an eight-inning 4 to 4 tie (game rescheduled for Friday, Aug. 10th). Poplar defeated Russell 12 to 6. Coriell beat Willoughby 10 to 8 and Hunter beat Sun Valley 10 to 8.

Marian and Hunter played an exciting eight-inning 4 to 4 tie with tight defense prevailing in the late innings. George Corham had a two run homerun and a single and Lou Lot had two hits for Marian. Ed Lambertsen continued his lusty hitting, led Hunter in hits with two hits.

Ed Pigot with three hits including a homerun and double led Poplar to a 12 to 8 win over Russell. Art Collier, Larry Watsy, Joe Campbell and Don McQueen each had two hits for Poplar. Van Breda hit a home run for Russell. Check Asselin, Neil Reed and Bill Quinn each had two hits for Russell.

Heidi Neilsen pitched and scored Coriell in a 10 to 8 win over Willoughby. Herb had three hits and scored three runs. Dan O'Connell hit a homerun for the victors and Sam Wait had two for two. George Ballow had three hits, Howard Drews had two hits and Mike Comerford had two hits for Willoughby.

Hunter edged Sun Valley 10 to 8. Ken Larsen with three hits, Joe Siczka with two hits and Fred Chemdlin with two hits led the hitting attack for Hunter.

Stu Clark had the only extra base hit for Hunter with a triple. Tom Platt and Joe Vetere each had two hits for the losers.

The following are made-up dates for rainouts of the games: Friday, June 29th Willoughby vs Russell; Monday July 2nd Shady Lane vs Sun Valley; Friday July 13th Marian vs Willoughby; Friday July 20th Marian vs Shady Lane; Friday Aug. 10th Marian vs Hunter. There will be a meeting of captains at the ballpark after the game on Friday, June 29, 1962.

White Sox New Farm A Champs

It's all over but the retelling and the White Sox stand forth as the 1962 Champs of Mountside Farm-A League. In a thrilling race which found excitement ever increasing, the White Sox managed to hold off the close running Tigers and carry off the top honors with a 9-2-1 record. The Tigers closed with 8-3-1.

The race entered its last week with the Tigers still holding on to a possible tie. The final Tiger-White Sox meeting loomed as the deciding contest. But fortune ruled otherwise as the Tigers fell before the on-rushing Cubs and lost their chance for a tie. Bob DellaValte and Richard Negro of the Cubs managed to contain the eager Tiger bats while their teammates exploded for 4 runs in the second inning. John Seligman's sharp hit was a key blow in the rally. The Tigers, who had bounced to a quick 1-0 lead on the strength of Jay Freidman's hit, were unable to solve the Cubs pitching and the victory went to the Orange Shirts, 4-1.

To prove that it could have been otherwise, the Tigers roared back to take the White Sox, 3-2, in the final game. For a while it looked as if the Sox would take the flag going away, as they moved in front in the second, 1-0, on the power of Rick Wilson's single driving in Tompe Gere. A scoreless third inning, however, gave way to a Tiger rally in the fourth. With Kevin Cleary doubling in two and Larry Mohs adding another, the Tigers moved in front to stay. The final score Tigers 3 and White Sox 2.

Heavies to Battle On Park Card

A heavyweight match between Gerald O'Neal of Newark PAL and Herman Callards of Elizabeth Recreation will feature a card of amateur bouts June 27 sponsored by the Holy Name Society of Our Lady of Assumption Church in the church parking lot at West Westfield Avenue, Roselle Park. Proceeds are for the church building fund.

The O'Neal-Callard bout is attracting considerable attention among boxing fans of the area. The Newark PAL battler recently lost a close decision to Ray Patterson, brother of Heavyweight Champion Floyd. He won the 1962 Golden Gloves novice title and the state novice title as well. Callards, the more experienced of the two, won the Golden Gloves novice crown in 1961 and captured the open crown in 1962.

Thirteen other bouts, featuring Essex and Union County boxers, will round out the program produced under sanction of the AAU.

AUGUSTA, Ga. (UPI)—There have been six holes-in-one in the history of the Masters golf tournament. They were shot by Ross Somerville (1834), Ray Billows (1940), Claude Harmon (1947), Johnny Dawson (1949), Leland Gibson (1954) and Billy Joe Patton (also 1954).

WASHINGTON (UPI)—Before tucking away winter woollens, moth-proof, please. Department of Agriculture entomologists report you can do it yourself with any of several insecticides now on the market.

Most of these insecticides are now in spray form. They are applied with a sprayer or in pressurized spray containers of their own.

Just hang the clean woollens, including blankets, on an outdoor line and spray with the chemical solution until the surface is moist but not wet. Allow garments to dry, then store.

If you apply too much solution, it can cause a white deposit after the fabric dries. The entomologists say don't worry about this. If it happens. After storage, usually you can brush off the excess.

Park Drug and Lions Club, finished fourth and fifth, respectively, playing good ball at times, but losing most of their games in the last innings.

BABP RUTH MINOR

Last week's results: Gem Shoes 10-Lions Club 4; Drexel Cleaners 8-Park Drug 4; Gem Shoes 15-Bunnell Bros 5; Bunnell Bros 12-Lions Club 12; Bunnell Bros 7-Drexel Cleaners 5.

Community Shops Edges Colantone For LL Title

Sporting a 14-2 record, Community Shops edged out a strong Colantone team to win in the Springfield Youth Minor League. Community bested Rex Dairy Queen, and the Fire Department team tripped Colantone in the final week of play. Had those decisions been reversed, the league would have come up with a three way tie.

Rex Dairy Queen in third spot headed toward the title, but the major league drafted their stellar pitcher, which hurt badly in the defensive area. K Products and the Geljack Jewelers teams, finishing fourth and fifth respectively, played good consistent ball, but lacked the explosive punch of the leaders. The Fire Department, in sixth place, played the role of spotters throughout the season, handing

defeats to both Community Shops and Colantone.

The National State Bank started slowly and finished in a strong rush out of the depths to take seventh place. Bruhl and Sons Jewelers team played the villain by defeating the strong league leaders only to those to the weak sisters. The Universal Storage team, in ninth place, started the season in high gear, only to run out of gas and coast down toward the cellar. Hylis and Chamber of Commerce teams never got off the ground all season and had the doubtful honor of sharing last place as the season ended.

The season was considered a successful one, with more than a dozen boys promoted to the majors.

The White Sox thus closed their 1962 season with an enviable 9-2-1 record. To Tom Burgess, Kevin Carroll, Dave Daniels, Alan Enalle, Tom Flanagan, Greg Gavriel, Dom Gere, Tom Keenan, Karl Kohl, Dean Lennox, John Methvin, Gary Sauerborn, Ed Seltzer, Bob Townsend and Rick Wilson our congratulations.

Tennis Tourney Begins Saturday

The Eastern Union County Tennis Tournament, sponsored by The Union County Park Commission, will be played at the Warrinanco Park Tennis Courts, beginning Saturday, June 30, at 10:00 a.m.

The tournament is open to all residents of Roselle, Roselle Park, Rahway, Clark, Cranford, Hillside, Union, Linden and Elizabeth, and will offer three divisions: men's singles, men's doubles, and women's singles.

The 1961 Men's Singles Championship was won by Cephas Monnet, Rahway. Mr. Monnet defeated Frank Blazek, Elizabeth, for the championship. The men's doubles was won by Mr. Monnet and Harry Burke, Hillside, who defeated Frank Blazek and Al Schael, Elizabeth, for the championship.

Entries close at 5:00 p.m. on Thursday, June 28 with George T. Cron, superintendent of recreation, The Union County Park Commission, Elizabeth.

9 On Staff

Nine North Jersey athletes, each with years of water safety experience, comprise the 1962 squad of lifeguards at Olympic Park's swimming pool. John Klotz of 367 Randolph Ave., Jersey City, a Jersey City State College senior, is captain of guards for the third season.

The 4-million-gallon swimming facility in Irvington and Maplewood is the largest fresh water pool in the East. Harold Scott, the manager, boasts that the water from its artesian wells is purer than city drinking water.

Three of the guards are from Union: John R. Carroll of 1806 Julian Ter., David P. Erickson of 982 Park Ter.

AWARDEES—Joseph Mirne and Max Kasoff present awards to Eugene Kroll and David Taub for fine leadership in the recent "Thunderbird" golf exhibition at the Neptune "Jumping Brook" Country Club. All receipts of this exhibition were turned over to The Home for the Chronic Sick. The Home for the Chronic Sick is a non-profit, non-sectarian organization located in Long Branch for the last three years. For many years the home was located in Irvington. From left to right: Joseph Mirne, Chairman of the board; Mr. Eugene Kroll, representing the Ford Dealers; Mr. David Taub, co-ordinator of the golf exhibition; Mr. Max Kasoff Vice President of the Home for the Chronic Sick.

Esso Tops Reheis 6-2

Berkeley-Esso, Eastern Division leaders in the Berkeley Heights Softball League, topped Reheis last week 6-2 with Al Geiger notching his fifth mound win for Esso while Fred Festa dropped his second for Reheis. A big 5 run 2nd-inning put the game out of reach for the losers. Ambrose and DePuy hit four-batters for Esso, Ambrose hitting a grand slam.

Team Six and the Jaycees were rained out on Wednesday. Both teams are battling for second spot in their respective divisions.

On Thursday, the Eagles came from behind to beat the Braves 7-2. In the 6th frame the Eagles broke up the ballgame with a 4 run rally. A bases-loaded single by Fred Tomis was the big blow.

Lou Zicgich had a tremendous round tripper in the 7th to deep center field. Testa lost this fourth game while Calleo relieving Cox won his fourth for the Eagles. Calleo allowed only two hits from the fourth inning on.

Tennis To Be Taught At Columbia

The Recreation Commission of Berkeley Heights is pleased to announce that an instruction program of tennis will be offered at Columbia Playground for boys and girls from grades 4 through high school. There is no charge for this program. Interested youngsters should contact Mr. Bennett Columbia Playground Director, and / or Miss Guenther, Columbia Playground Leader. Group instruction will be given to youngsters according to age categories. Definite time periods will be established when a sampling of interest is registered. The Columbia Playground officially opens on Monday, July 2nd.

The instructional program is for beginners and will offer the stance, grip, serve, forehand stroke, backhand stroke, and foot movements. All are welcome to attend.

PERMITS

William Hedrick, Recreation Superintendent, announced that effective this week through Labor Day an attendant will be at the tennis courts on a full time basis. In order to play on the three new courts residents must have tennis permits. Mr. Joseph Austria, the Recreation Commission attendant will be available to supervise the courts and maintain the courts. Tennis permits may be purchased from 9:00 a.m. through 4:00 p.m. from Monday through Friday at the Town Clerk's office.

ALLERGIC?

GET LASTING RELIEF WITH NEW TRION ELECTRONIC AIR CLEANER

KEEPS YOUR HOME OF DIRT, SMOKE, POLLEN, GERMS

Let Trion be your Automatic Housekeeper. Eliminate the drudgery and expense of heavy housework. Free yourself of yearly wall washing, drapery cleaning, daily dusting and other thankless household chores. You'll never know the pleasure and convenience you've been missing until you try Trion in your home.

CALL FROM SAN FRANCISCO—TOM TRYON, as a reluctant astronaut, and Danny Saval, as a girl from outer space, call the pilot's confused commanding general in this scene from Walt Disney's Technicolor comedy, "Moon Pilot," starring Tryon, Brian Keith and Edmund O'Brian and introducing the lovely Miss Saval.

Oil Painting At Art Center

An oil painting class will be held Monday and Friday mornings, 9:30 to 12:30, at the Summit Art Center. The sessions will begin July 2nd and continue four weeks through July 27th. The class will meet at the Summit Art Center, 17 Cedar Street, Summit.

The class is open to teen-agers and adults. Students may attend all 8 sessions for \$20, or any 5 of the 8 lessons for \$12.50.

Mr. Joachim Loeber of Westfield is the instructor of the summer class. He studied abroad with Dennenberg, Waldschmidt and Edward Munch. His approach to teaching originated in the Bauhaus movement. Mr. Loeber's instruction places the emphasis on the individual, imaginative approach. He has had several one-man shows and won many prizes in Europe and America.

The Tuesday evening Open Studio continues at the Summit Art Center. The Open Studio is \$2.50 a session or \$10 for 5, usable at any time. There is no instructor. The Open Studio, with models, is 7:45 to 10:15, at the Studio, 17 Cedar Street.

New Director For School

The Reverend James Elliott Lindsley, Rector of St. Stephen's Church, Millbrook, announced today that Mrs. Irma Thomas has been engaged as Director of the St. Stephen's School. "We are delighted to be able to secure the services of a person so highly qualified as Mrs. Thomas," stated Mr. Lindsley.

Mrs. Thomas, of Caldwell, N.J., for 16 years, has been employed at Carver School for Boys as a teacher of pre-school children.

Mr. Lindsley also announced Mrs. Lindsley will bring with her from Carver, as an assistant, Mrs. Elizabeth Walling of West Orange.

A total of 27 applications have been approved. Seventeen registrants are for three days a week and ten are for two days a week. The school administrators feel they can accept three more students for the 3-day-a-week sessions and ten more for the 2-day-a-week.

Anyone interested in registering their children should contact Mr. Lindsley at the church office, DR 6-0688, or Mrs. Herbert G. Schaeffer, DR 9-2599, 4512.

Paint Your Wagon Is New Meadowbrook Hit

The Meadowbrook Dinner Theatre in Cedar Grove has done it again. Producers McHugh, Sawyer and Scanga have come up with another smash added to their long list of hits with Lerner and Loewe's "Paint Your Wagon."

Summer Art Begin Wed.

Young people's art classes begin Wednesday, July 11th, at the Summit Art Center, 17 Cedar Street, Summit. There will be two sessions each Wednesday morning: 9:15 to 10:30 A.M. for children 8 to 12 years of age; and 10:35 to 11:50 A.M. for young people 12 and over. Students may attend any five of the seven Wednesdays in July-August.

Mr. Henry Niese of Hackensack, New Jersey, is the instructor. Mr. Niese has taught young people's classes for five years at the Summit Art Center. He also has taught at St. Bernard's School. Mr. Niese is a Pulitzer scholarship winner and has had works shown in the Whitney Museum as well as other have a one-man show in Provincetown, Mass. during July and August.

The Wednesday morning classes will include some outdoor work and will employ a variety of media: Water color, gouache, paper, mache and prints will be used. All materials will be provided except oils. Those interested in oil painting may consult with Mr. Niese for advice on materials.

The Young People's Classes will be \$9.50 for any 5 of the 7 Wednesday mornings beginning July 11th, through August 22nd. Checks should be payable to "Summit Art Center, Inc." and sent to Mr. Henry Niese, Hackensack, New Jersey. Enrollment checks will also be accepted the morning of July 11th at the Summit Art Center, 17 Cedar Street. Reservations and further information may be had by telephone: Mr. Niese - 425-4512.

Frank Lovejoy, in his first musical-comedy role, delighted

The Summit Art Center Summer schedule also now offers an oil-painting class, Monday and/or Friday mornings, 9:30-12:30, Mr. Joachim Loeber, instructor. The oil-painting class begins July 2nd, to run during July only. There is also the Open Studio on Tuesday evenings, George Kaff, monitor. The Open Studio, with models, has no instructor.

Commission To Present Nature Film

A color, sound film entitled "Cottontail" will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watching Reservation, on Sunday, July 1, at 3:00 p.m.

The film portrays a rabbit family through the cycle of the four seasons of the year, and how they provide for themselves and their families.

On Monday, July 2, Tuesday, July 3, and Thursday, July 5, at 4:00 p.m., Miss Irma Heyer, educational assistant at Trailside, will conduct one-half hour nature talks for children. The topic selected for the three days is "Salamanders." Miss Heyer's lectures will be illustrated with color slides and a one-half hour nature walk on the trails in the Watching Reservation will follow the talk on Thursday.

The Trailside Nature and Science Center will be open from 1:00 to 5:00 p.m. on Wednesday, July 4.

Beginning Monday, July 2, the Nature and Science Center will be open every day (except Fridays) from 1:00 to 5:00 p.m. This schedule will remain in effect until the end of August.

a full house on opening night with a perfect portrayal of a rugged leader of men in the gold-rush days. He also surprised the audience with the above average quality of his singing voice in four lusty ballads.

Don Burr's directorial mastery and John Anderson's musical touch are definite assets in making this virile and tuneful musical the success it is.

Fredrick Loewe's music is superb and expertly handled by an excellent swaggering male group of voices in "I'm on My Way," "Whoop-Ti-Ay!" and "There's a Coach Coming In." There are also a couple of attractive ballads, "I Still See Elsa" and "Another Autumn."

Merle LeTow and Keith Prentiss are excellent as the romantic leads, and Mary Tremaine as Lovejoy's wife, Elizabeth, leaves nothing to be desired.

Miss Tow, as his sprightly but illiterate daughter, is a blonde beauty, perfectly contrasted with Keith Prentiss as the romantic Mexican caballero who sings his songs so beautifully.

Just as she did in the Broadway production, lead dancer Ilona Maral does a large share of scene stealing as the Madam Cherry.

Excellent performances are turned in by Marvin Sprague, Jim Cannon, Dale McKinzie, Arthur Rodney, and Mary Marshall.

The choreography by Ronnie Johnston is highlighted in its execution by Maria Thome, Coley Ballister and Mollie Sterns. "Paint Your Wagon" should undoubtedly pack the Meadowbrook through July 24th when Mamie Van Doren takes command as the star of the Cedar Grove Theatre, in "Wildcat" for the month of August.

NEW YORK (UPI)—"Spice Jones and his zany orchestra have made a pilot for a new television series that uses them only for their music and voices. The animated characters on the screen are designed to look like the Jones men, however.

Drama Group To Present Shakespearean Comedy

"A Midsummer Night's Dream," a Shakespearean comedy, will be presented in an area adjoining the Shakespeare Garden in Cedar Brook Park, Plainfield, on Friday, July 6 and Saturday, July 7, beginning at 8:15 p.m. each evening.

The play will be performed by the Woodbridge Summer Shakespearean Drama Theater and is sponsored by the R. J. Goerke Co. of Plainfield and Elizabethtown.

The play itself is a mixture of romantic comedy and fairy magic. Demetrius and Lysander are both in love with Hermia, and Hermia's girl friend, Helena, has no sweetheart at all. When Lysander and Hermia agree to elope through the woods, Helena tells Demetrius so that he will follow Hermia and she can follow him. The woods, however, are haunted by fairies and the fairy King and Queen have a jealous quarrel. Unable to get the last word in any of their tiffs, the fairy King Oberon decides upon a little fairy mischief. Oberon casts a magic spell upon his Queen that will cause her to fall in love with the first creature she sees when she awakes. At the same time King Oberon, feeling sorry for the "Jorelon" Helena, casts a spell over Demetrius, Lysander, Hermia and Helena and places the quartet correctly in pairs.

In the meantime, a half-dozen tailors, tinkers and carpenters come into the forest to rehearse

a play. Bottom—the Weaver—makes his fool of himself, insisting he is so much better than the others and that the director should let him play all the parts that the fairies mischievously fix a donkey's head on him. Bottom is happy at this good fortune until King Oberon tires of his joke and sets everything to right again. When all is properly righted, they settle down to watch the laborers present their play, a sad love story that the actors portray badly. The play is directed by Henry

Glass of Westfield. Mr. Glass received his masters degree in drama from Pennsylvania State University and taught drama at the University's School of Theatre Arts.

TWO ALL-TIME GREAT HITS!

OLD Mr. BOSTON
YOU'RE MAKING A BIG MISTAKE IF YOU'RE NOT DRINKING 80 PROOF GIN!

If you think higher proof means higher quality that's a mistake.
If you think you have to pay more money to get a better gin that's a mistake.
If you think the gin most Englishmen drink is more than 80 proof that's a mistake.

You should know, to begin with, that America is practically the only civilized country in the world that drinks high-proof gin. The British, who perfected gin, know that gin has an ideal taste and flavor balance, and they prefer it at milder, smoother 80 proof. Here's the whole story:

HOW TO MAKE DRY MARTINIS - MAKE MORE SENSE		
Using Standard	Using 80 Proof	Using 80 Proof
25 Proof	30 Proof	Dry Gin
(4-1/2)	(3-1/2)	(3-1/2)
3 - 1/2 (Traditional)	26.5 Proof	63.0 Proof
5 - 1/2 (Dry)	81.0 Proof	72.6 Proof
8 - 1/2 (Extra Dry)	84.0 Proof	75.1 Proof

(The "standard" proof for today's bottled Martinis is a moderate 67.5 proof)

OLD MR. BOSTON IS THE FINEST GIN YOU CAN BUY
It's vacuum distilled at an unusually low temperature in special glass-lined stills. Only at such a low temperature, is it possible to capture the most delicate essence of the herbs. This is one reason for Old Mr. Boston's flavor distinction. It is America's first and largest-selling 80 proof Dry Gin!

\$4.29 QUART
\$7.99 HALF GALLON
\$3.89 | **\$2.20** PINT
"INTELLIGENCE IN THE PURCHASE... MODERATION IN THE ENJOYMENT."
Old Mr. Boston

80 PROOF GIN TASTES BETTER
"Proof" is no measure of quality. It's a measure of alcohol content alone. (100 proof means 50% alcohol.) Alcohol itself has no flavor. The pleasant taste of gin comes entirely from the herbs with which it's distilled.
The best test of gin is to drink it straight on-the-rocks. You'll find 80 proof gin has the big taste advantage of 80 proof milderness—with the same full flavor of higher proof gins.

80 PROOF GIN MAKES BETTER MARTINIS
It makes them extra dry, as you like them, but not extra strong. Twenty years ago, the 3-to-1 Martini was standard. Today, with the trend to drier Martinis, they're made 6, 7, even 8-to-1. As a result the modern Martini has climbed from a smooth 76.5 proof to an overwhelming 84 proof! Solution? Mix with 80 proof gin. It gives you the same full, dry gin flavor, but it returns the Martini to its original, more moderate proof.

80 PROOF GIN COSTS LESS
Gins are taxed by the U.S. on their proof or alcohol content only. The lower the proof—the lower the taxes, and the lower the cost to you. When you buy an imported label, you add the cost of shipping and duties. That pushes the price even higher, without giving you 80 proof quality.

80 PROOF GIN MAKES BETTER TALL DRINKS
When you mix a tall drink, like a Collins or a gin 'n' tonic, you dilute the strength of the gin "to taste." You also mix for balance of flavor. 80 proof gin will give you better balance. You don't have to drown it to drink it.

80 PROOF GIN DISTILLED FROM 100% GRAIN NEUTRAL SPIRITS. MR. BOSTON DISTILLER INC., BOSTON, MASS.

Money Matters

By Donald H. Shaferman

This article is one in a series which will regularly appear in this newspaper dealing with investments and financial and estate planning. Periodically, Mr. Shaferman, who is President of Donan & Co., Inc., and a former practicing attorney, will describe a column to answering readers' questions. These may be sent to The Springfield Sun, Springfield, N.J.

"How's the market doing today?" This is a question that we hear asked with increasing frequency by investors and would-be investors. Since the "market" is composed of many thousands of stocks and bonds, some of which are always going up and some down, it is obvious that there must be some framework of reference or measuring device.

The most popular and widely used method for measuring the trend and level of stock prices is through the use of stock price averages. There are several widely quoted averages with the Dow-Jones Industrial being far and away the most popular. Invariably changes in this average are what people refer to when they inquire about the market, and yet comparatively few understand how it operates.

The first Dow-Jones Industrial Average was published in 1897 and was computed simply by adding together the prices of 12 selected stocks and dividing by 12. Today's average consists of the following 30 stocks:

Allied Chemical, American Tel. & Tel., Aluminum Co., American Can, American Tobacco, Amstar, Bethlehem Steel, Chrysler, DuPont, Eastman Kodak, General Electric, General Foods, General Motors, Goodyear, Inter Harvester, Inco, Nickel, Inter Paper, Johns-Manville, Owens-Ill Glass, Procter & Gamble, Sears and Roebuck, Std. Oil of Calif., Std. Oil of N.J., Swift & Co., Texaco, Union Carbide, United Aircraft, US Steel, Westinghouse Electric, Woolworth.

Besides increasing the number of stocks used in the average, and occasionally substituting one

Static

"Mr. Smith Goes to Washington" is a new half-hour comedy series based on the award-winning film and starring Fess Parker as the freshman senator, will make its debut on ABC-TV Saturday, Sept. 29. Red Foley, long a famous name in western-style entertainment, also stars as Uncle Cooter, a backwoods guitar-playing philosopher whose songs and advice often prove valuable to Senator Smith, especially after a hectic day of smoke-filled rooms.

Sandra Warner, a young actress who has appeared often on TV in such shows as "Surfside Six," "The Untouchables" and "Bachelor Father," plays the Senator's wife.

The said ordinance was introduced and passed on first reading as follows, in the following words and figures: AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "ORDINANCE CERTAINING TO THE CONSTRUCTION OF CERTAIN CONNECTING SEWERS IN THE TOWNSHIP OF SCOTCH PLAINS, NEW JERSEY, AND DIRECTING THE SPECIAL ASSESSMENT OF THE COSTS THEREOF AND APPROPRIATING THEREFOR FROM THE COSTS THEREOF. IT IS ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF SCOTCH PLAINS, IN THE COUNTY OF UNION, NEW JERSEY, that the following ordinance be adopted, amended and supplemented to read as follows:

Section 1. Section 2 of said Ordinance, to which this amendment is hereby amended and supplemented to read as follows: "Section 2. The Township Treasurer shall from time to time hereafter accept any contributions made from any person or corporation in application or reimbursement of any such assessment or improvement, shall accept the sum of \$5,000.00 as a contribution from Bayberry Lane, Inc. towards the cost and expense for said improvement."

SCIENCE NOTEBOOK

SCIENCE QUIZ

Questions sent to Hans Klein care of this newspaper, will be answered in the Science Quiz.

1. How do we know Malthus influenced Darwin in his theory on evolution?
2. Extremely large families are now relatively rare as compared to several generations ago, why is the population rising so rapidly today? (submitted by R.G., Scotch Plains.)
3. Large areas in the Amazon basin are sparsely populated, why do not have more people migrate there?
4. The operation of the laws of nature are allegorically spoken of as "Mother Nature". It is often said that Mother Nature looks after all living things—how true is this?

Thomas Robert Malthus (1766-1834) started out as an English Clergyman, but he soon turned his talents toward economics. His father, a personal friend of Rousseau, held radical views for improving mankind through equal distribution of wealth. Possibly influenced by his father's interest, young Malthus followed the same theme, but took an opposing stand regarding the cause of human misery. He did not believe the unfair distribution of wealth was the cause of an imperfect society; instead he took the view that mankind's thoughtlessness and frivolity created its own bad society. His cure for bettering the world was to teach all men not to raise families

without guaranteed means of supporting them. He reasoned that in nature procreation in animals and plants exceeded the possibility of maintaining life and that in nature the struggle for existence was constant and violent.

This very point inspired Darwin to formulate his evolutionary theory based on "the survival of the fittest". Malthus also inspired Alfred Russel Wallace to propose the same theory independently of Darwin.

Malthus' writings on human population stirred up great interest and antagonism. Among human life he predicted ever-increasing misery among the poverty-stricken classes. He condemned doles and bounties for large families, believing they aggravated the evils which they set out to alleviate. Population, unchecked, would only be controlled by war, famine, and pestilence. He calculated, and not incorrectly, that population would outrun food production. The realization of his dire predictions were delayed by improved transportation, and the exploitation of the American continents and other colonial lands.

With no more great land masses to absorb the population pressures of Europe or Asia, and increasing attention to "pop-

ulation explosions", Malthus may once again be a topic of discussion.

ANSWERS

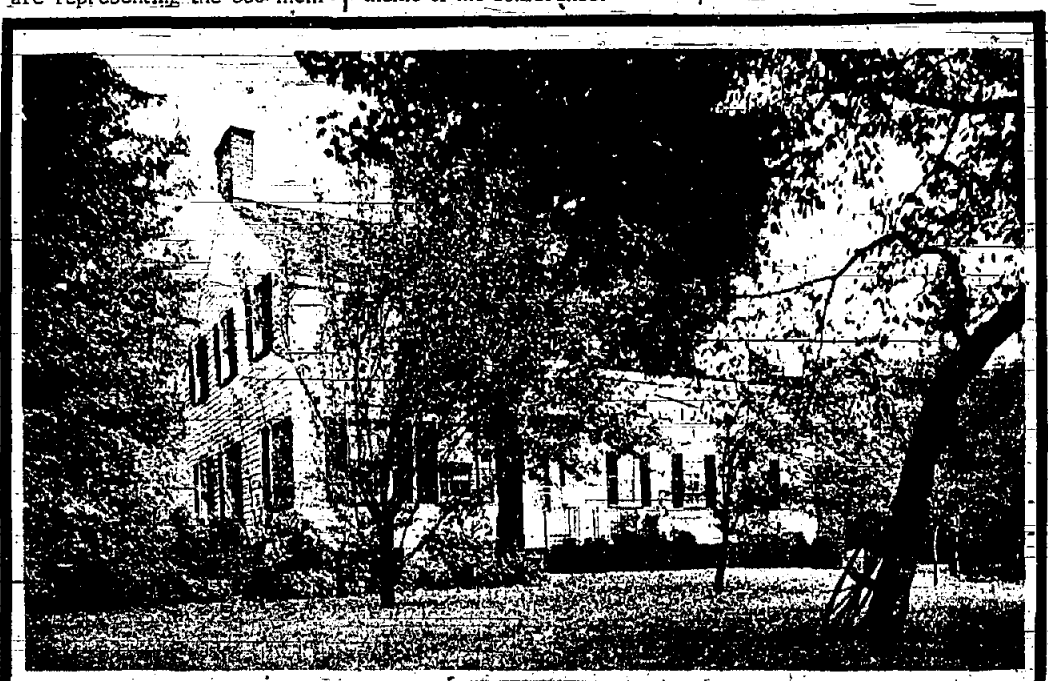

Local Girls Attend Y-Teen Conference

Judy McWain of Berkeley Heights and Margaret Siefkin of Mountainside, both members of the Summit YWCA Tri-Ep clubs which meet in the Governor Livingston Regional High School are attending the Annual Y-Teen Summer conference being held this week at Sarah Lawrence College in Bronxville, N.Y.

With eight other delegates from the Summit Tri-Eps, these girls are representing the 550 members in the clubs in Summit, New Providence and Berkeley Heights Senior High Schools.

The Summit YWCA is supplying top leadership for the conference. Mrs. John Stoneburner, Teenage Director is Conference Chairman. She has been working throughout the year with Ann Roberts, a Summit Tri-Ep who was chosen to be Y-Teen Program Chairman for the week. The conference will return home on Saturday.

LEGAL NOTICE

(Continued From Page 12)

25 and 26, Block 33, E. Second Street and Junier Avenue, "A-1" Residential Zone and "C-1" Commercial Zone, contrary to Section 9 (a) (1) and Section 19 of the Zoning Ordinance.

Denial permission to Paul Ferrara, 450 Henry Street, Scotch Plains, N.J., to erect a store and apartment building on Block 37, 17th Street, Scotch Plains, N.J., Commercial Zone, contrary to Section 19 of the Zoning Ordinance.

Notice is hereby given that at a meeting of the Township Committee of the Township of Scotch Plains, held in the Committee Chambers in the Municipal Building of said Township on Tuesday, June 26, 1962, there was introduced, read for the first time, and passed on such first reading, an ordinance, a true copy whereof is printed below, and that said Township Committee did then and there fix the stated meeting of said Township Committee to be held on the evening of Tuesday, July 10, 1962 beginning at eight o'clock P.M. at the time and the said Committee Chambers as the place, or any time and place to which a meeting for the further consideration of said ordinance shall from time to time be adjourned, and all persons interested will be given an opportunity to be heard concerning such ordinance.

The said ordinance as introduced and passed on first reading as aforesaid, is in the following words and figures:

ORDINANCE RELATIVE TO THE CONSTRUCTION OF CERTAIN CONCRETE PAVEMENT AND GRANITE BLOCK CURBS ON MEADOWS ROAD IN THE TOWNSHIP OF SCOTCH PLAINS, NEW JERSEY, AND DIRECTING THE SPECIAL ASSESSMENT OF THE COSTS THEREOF.

Section 1. The improvement described in this Ordinance is hereby authorized as a local improvement to be made or acquired by the Township of Scotch Plains, in the County of Union, New Jersey, for the purpose of concrete pavement and granite block curbs on Meadow Road from Highland Avenue westerly to the existing pavement, a distance of approximately 360 feet.

Section 2. The improvements hereby authorized, pursuant to the plans and specifications on file in the Township Engineer's Office, are hereby approved.

Section 3. The improvement described in Section 2 of this Ordinance is hereby authorized as a local improvement to be made or acquired by the Township of Scotch Plains, in the County of Union, New Jersey, for the purpose of concrete pavement and granite block curbs on Meadow Road from Highland Avenue westerly to the existing pavement, a distance of approximately 360 feet.

Section 4. The cost of said local improvement, not in excess of \$5,000.00 shall be paid by special assessments to be levied on property benefited therefrom, as near as may be, in proportion to the peculiar benefit, advantage or increase in value which the respective land or parcel of land or real estate shall be deemed to receive by reason of said improvement, and in no case shall any parcel of land or real estate be assessed with a greater amount of such special assessment, advantage or increase in value and if benefits so assessed shall not equal the cost, the balance shall be paid by the Township.

Section 5. The owner of any land upon which such assessment for said improvement shall be levied shall pay such assessment in ten annual installments, with legal judgment on the unpaid balance of the assessment, for an amount not exceeding \$500.00 shall be due and payable thirty days after the confirmation of the assessment and subsequent to the date of the assessment, and interest shall be payable in each successive year thereafter at the time the first installment of tax of said year shall be payable, provided that any owner of land so assessed who shall become due and payable and shall be deemed to have accepted the whole assessment of said improvement and shall be deemed to have accepted the whole assessment of said improvement.

Section 6. The cost of said local improvement, not in excess of \$5,000.00 shall be paid by special assessments to be levied on property benefited therefrom, as near as may be, in proportion to the peculiar benefit, advantage or increase in value which the respective land or parcel of land or real estate shall be deemed to receive by reason of said improvement, and in no case shall any parcel of land or real estate be assessed with a greater amount of such special assessment, advantage or increase in value and if benefits so assessed shall not equal the cost, the balance shall be paid by the Township.

Section 7. This Ordinance shall take effect ten (10) days after the first publication thereof in the Scotch Plains Record.

Summer School Convenes For Band And Orchestra

The Union County Band and Orchestra Summer School had its Thirtieth Opening Assembly this morning at the Locust School in Roselle.

Mr. Casimir V. Bork, Director, welcomed the almost six hundred students and bid them have a most enjoyable and musical five weeks together.

Virgil W. Bork, founder of the school, was also present to add his welcome to the opening of this Thirtieth Anniversary Session. He spoke of the beginning of the Union County Band and Orchestra Summer School in 1933, with ten teachers and one hundred fifty students. This school is believed to be the first of its kind in the world. During these thirty summers more than 11,649 students have studied music at the school, not including this year's enrollment.

Mr. Clarence J. Andrews of Plainfield directed the Advanced Band in Bombasto March, Morning, Noon and Night in Vienna, Sleeping Beauty, Selections from West Side Story and Relie of the Bell Witch.

The large student body is made up of pupils from Berkeley Heights, Carteret, Clark, Colonia, Cranford, Elizabeth, Englishtown, Fanwood, Garwood, Hillside, Linden, Mountainside, New Providence, Plainfield, North Plainfield, Rahway, Roselle, Roselle Park, Scotch Plains, Short Hills, Summit and Westfield.

These students, of all ages, come together to study the band or orchestral instrument of their choice, or perhaps organ, piano, baton twirling, Fundamentals of Music, Harmony, Theory or Conducting.

The school is in session from 8:45 A.M. to 12:15 P.M., each weekday for five weeks.

Each Friday morning at 11:30 an assembly is held at the school featuring one of the bands or orchestras or ensembles. This year many outstanding personalities in the field of music will be guests at the school.

The first evening concert of the Union County Band and Orchestra Summer School will be held at the Abraham Clark High School Auditorium on Thursday, July 5 at 8:00 P.M. It will feature the Advanced Band. The public is welcome.

RADIO-TV NEWSREEL: English teacher Ned Hoopes has been named host and Joel Heller has been appointed producer of CBS TV's "Reading Room" weekly series to be presented this fall. Show will debut on Saturday, Sept. 22.

Dick Powell's missus (June Allyson) and his eight-year old son, Ricky, join him on his Tuesday, July 10, show via NBC-TV. The three-day guest visit of President and Mrs. John F. Kennedy to Mexico (June 29-July 1) will be covered in two half hour CBS News Reports on CBS-TV... Mrs. Babe Ruth this week presented a keepsake to John Bruno, owner-host of New York's famous Pen and Pencil Steakhouse.

ENROUTE TO BERMUDA... Mr. and Mrs. Otto Bloch, of 56 Manes Avenue, Springfield, are shown sliding the deck of the luxury liner "S.S. Queen of Bermuda", just before sailing from New York Harbor bound for a summer vacation cruise to the tropical isles of Bermuda. They will celebrate their 30th wedding anniversary during the cruise.

TALENT TROPHY—Miss Buffy's School of Dance, Mountain Ave., Springfield, awarded Gail Fingerhut a trophy for outstanding talent in all phases of the dance. This is the third time the award has been given in the ten year history of the studio. The recital was held at Regional High School on Saturday, June 23rd. Gail is 9 years old, the daughter of Mr. and Mrs. Jerome Fingerhut, 35 Smithfield Drive, has studied dancing at the studio for the past three years.

**Summit 'Y' Plans Tours
To Shakespeare Festival**

Two trips to the Shakespeare Festival at Stratford, Connecticut have been announced by the Young Adult Committee of the Summit YWCA.

Both are for matinee performances to be followed by a picnic supper along the banks of the Housatonic River. Soft drinks will be available on the grounds. Lunch may be eaten before the air-conditioned buses leave the YWCA at 11:30 AM or a snack may be bought to eat on the bus. A sweater is advisable. Returning time to Summit will be by 9:30 PM.

First attraction will be on Wednesday, July 18 for a performance of Richard II, an historical drama of Elizabethan pageantry, starring Richard Basehart and Hal Holbrook. Deadline for reservations for this performance is July 13.

Second in the series is scheduled for Saturday, July 28, when Helen Hayes and Maurice Evans will portray great scenes of Shakespeare's important works

under the title of a "Scene from Shakespeare." This has been hailed already as an "extraordinary performance." Reservation deadline for the event is July 25.

Cost of trip includes balcony ticket and air-conditioned bus transportation. A small advance fee is charged for non-members of the YWCA. Reservations should be made soon as trip must be limited to the number of theater tickets already secured.

Appointed

Raymond W. Bauer, president of the Union County Trust Company, was appointed by Governor Richard Hughes to the Banking Advisory Board of the Department of Banking and Insurance, State of New Jersey. Confirmation of this appointment was made recently by the New Jersey Senate.

**County Lists
Schools**

Because so many people call the office of Union County Superintendent of Schools to inquire about the availability of summer school programs, this list of approved secondary schools in Union County is published: Cranford, Plainfield, Roselle, Union, Union County Regional at the Johnson School in Clark and Jonathan Dayton School in Springfield, and Westfield.

Approved private high schools located in Union County are Pinery in Hillside and Wardlaw in Plainfield.

The only districts operating elementary summer schools appear to be Mountside and Plainfield, neither of which is able to take any more enrollees from outside their district for this summer.

Cranford conducts a program for pupils of grades 7 and 8 from within that community only. Any desiring specific details should seek them directly from the district operating a school. Tuition is free to those residing in the district; but is payable by students from other communities according to a scale adopted locally. The amount varies according to subjects taken.

Monday, June 25 is the starting day for Clark, Cranford, Plainfield, Dayton; Tuesday, June 26, Westfield will open; Wednesday, June 27 is set for Union and Pinery; and Thursday, June 28, Roselle will open. All programs will operate for 30 school days. All are scheduled for morning hours.

The Board reviews all proposed legislation involving commercial banks, mutual savings banks, and savings and loan associations, and effects recommendations to the Commission of Banking and Insurance. The Board serves further to bring to the Department of Banking and Insurance any problems faced by financial institutions, and suggestions for regulations of the department as well as statutory revisions.

The other members of the Board are: Harold J. Curry, Executive vice-president, Phillipsburg National Bank & Trust Co., Phillipsburg.

John R. Desiderio, chairman of the Board, Bank of Commerce Newark.
Clyde E. Freehafer, President, Burlington Bank and Trust Co., Burlington.

Julius J. Marion, second vice president, Fidelity Union Trust Company, Newark.

William L. Maude, chairman of the Board, Howard Savings Institution, Newark.

John E. Poe, president, First National Bank of Princeton, Princeton.

Jonathan W. Powell, president, Burlington County Trust Company, Moorestown.
