

# Revival Of Shunpike Sewer Follies--with Same Cast Now Ready For Staging, Say Democrats

The Republican controlled administration in Springfield is staging a repeat performance of that 1958 Shunpike Sewer Follies which aroused the taxpayers and voters enough to bring about legal action and political upheaval.

Howard S. Smith and Louis Celtham, Democratic candidates for Township Committee, in a bustling statement issued today.

They charged that the "nebulous and mysterious retention basin" to be constructed on Baltusrol Golf Club property has the same plot, the same happy ending, with the same home developer letting the taxpayers pick up the tab for drainage costs which every other builder has to provide for at his own expense in Springfield.

"The cast of characters in this year's plot, better recognized as 'The 1962 Give-Away' is the same as the 1958 political flop which the taxpayers fought through the courts to victory, saving the Township considerable money.

"The heavy in this year's cast, is the same developer who are the brothers of Max Sherman, formerly Township Attorney.

The producer of this year's "let the taxpayers pay the bill" performance, the statement continued, "is the Township's Chief Executive Phillip Del Vecchio.

"Rehearsals for the '1962 Give-Away' have been held for the past three months with very little changes in the format or script," continued the Smith-Celtham statement.

"Producer Del Vecchio insists on retaining the dramatic

scenes in the presentation, putting special emphasis in the act where the taxpayers of Springfield are assured that it would cost them nothing. However, he falls to answer, when asked, who will pay for maintenance, who will be responsible for accidents since the basin will be very deep, who will have to carry the insurance, and why doesn't the Springfield developer install his own drainage facility? and who will pay for proper drainage when it becomes necessary?

"All this soliloquy is interrupted by the disturbed taxpayers who, off-stage, shout, 'What is the agreement with Baltusrol Golf Club? Is the property being leased, donated? Or, is it an easement? Does anyone know? Where is the agreement? Is there an agreement?'

"The act ends in a dramatic dissertation by Del Vecchio in which he tells the troubled taxpayers that this would help service the poor-owners of the 102 acres in Baltusrol Top. The curtain goes down as voices of builders in the crowd, off stage, shout that they had to build drainage facilities, why not the Shermands.

"A dress rehearsal was held at the Planning Board meeting last week and even though there was no agreement, no specific details or figures, the performance was given complete and whole-hearted acclaim at the urging of Del Vecchio.

"Tryouts, however," concludes the Smith-Celtham statement, "do not always mean theatrical success. The Republicans attempted such a give-away a few years ago and an aroused

electorate booted them off the political stage, the G.O.P. candidates for Township Committee being sent into retirement.

"Before the final curtain comes down on this plot we are going to make certain," stated Smith & Celtham, "that the taxpayers are being made aware that they eventually must pay the bill in full for that which is now the developer's obligation.

"This latest give-away attempt is a replay of the Shunpike sewer grab in 1958 which ended up in the courts.

"Taxpayers and voters all over the Township are already aroused and we are planning to go to the people and put a halt to such political favors."

Attention, all dogs! That bulging pocket on the person of Postman Robert G. Lenahan results from nothing other than your favorite food - dog biscuits!

The 51-year-old regular mail carrier admits that he always carries this item along with him for all "my animal friends."

He confides: "I have one dog that follows me all over the route. He is sort of a protector because with him around I do not have any unpleasant experiences with dogs who are inclined to bite."

The mailman also takes note of the kindness of the public who offer a cold drink of water or soda on a very hot day. Such action gives you "a nice feeling," he says.

Born and educated in Brooklyn Postman Lenahan lives with his wife Marie at 218 Bradford Avenue, Linden. He has been with the Post Office since April 15, 1959, and presently works five routes a week, covering most of Springfield.

During World War II, he was with the 29th Division Combat Intelligence and served three years in the European Theatre of Operations.

A putterer around the house, he has a complete workshop in his basement where he repairs numerous household appliances. He also has hobbies of collecting old maps and weapons such as firearms and swords.

He is a fourth degree Hibernian and belongs to the National Association of Letter Carriers.

## More About Water Basin Bonadies Says Rotwein Isn't Stating Facts

Township Committeeman Vincent J. Bonadies, responding to a statement published in the Springfield Sun last week by Donald S. Rotwein, chairman of the Springfield Planning Board, "deplored the injection of politics by the chairman in the matter of the planned open sewer basin by Springfield Developers.

"The fact that members of the board are members of one party or another has absolutely no bearing on the merits of any question put before the planning board," said Bonadies.

"Anyone raising the question of politics on the Planning Board is remiss in his responsibilities to the community and to the other members of the Board.

"Mr. Rotwein's contention that the Democratic administration favored such a retention basin last year is a gross misstatement of the facts.

"The record stands clear as a bell that the Planning Board last year voted approval by a mere 3-2 vote of a total of nine members, only after a long bitter debate within its ranks.

"The Democratic majority on the Township Committee could not approve the entire plan last year and submitted the question of piping the storm waters to the Township Engineer.

"During December, 1961, Alfred Swenson, Township Engineer, submitted his report on cost and the feasibility of piping to the Township Committee. Before any action could be taken a new administration took control.

"Mr. Rotwein's contentions on many aspects of this application are false since he does not really know the facts. First off, Baltusrol is not entirely surrounded by a cyclone fence.

"Secondly, no agreement with Baltusrol was presented to the Board and hence no one knows whether this land has been donated or an easement given to the town, or that an agreement exists at all.

"The Board, under Mr. Rotwein's guidance, did not spend many hours on this matter but gave it the sum total of 20 minutes of its time, on a matter of great impact to the community.

"He moved quickly despite the fact no agreement with Baltusrol was introduced or even acknowledged by the developers' attorney.

"Rather than be concerned with politics, Mr. Rotwein, as Chairman of the Planning Board, should have been more concerned with his own status on the application and the question of legal ramifications involved with this application.

"Mr. Rotwein knows full well that the policy of past administrations has been that the burdens of disposal of storm waters rests with the developer and not the municipality," Bonadies concluded.

## Enrollment Hits 2,208 In Schools

At the regularly scheduled Springfield Board of Education meeting held Tuesday night, September 18th, at the James Caldwell school, enrollment figures for the Township's five elementary schools were released by Superintendent of Schools B.F. Newsaanger, showing a total of 2,208.

Enrollment figures for the present term beginning September 5th show the Florence Gaudineer School with a high enrollment of 714 students.

Sandmeier School is next with 498 young Springfieldites attending, and the James Caldwell school reports 429 children enrolled.

Overall figures show 2,208 Springfield children attending the township's five elementary schools with a breakdown by grades showing 265 in kindergarten, 756 in the primary grades one thru three, 715 in the intermediate grades four thru six and 460 in the upper two grades seven and eight.

The 1962-63 attendance figures show a rise of 86 students over last year's figures at this time and a rise of 324 over figures of 1958 before the Sandmeier school was operating.

## Del Vecchio And Catapano Propose Fiscal Efficiency In Springfield Government

### Lack Of Purpose - Del Vecchio

Mayor Phillip Del Vecchio, Republican candidate for re-election to the Township Committee, addressed a group of Township people on Wednesday and deplored the lack of positive thinking on the part of his opponents.

Mayor Del Vecchio pointed out that the opposition candidates have not offered a single constructive suggestion for the betterment of Springfield but "have based their campaign on personal vilification and an attempt to tear down the excellent program for which we have laid the foundation in the past eight months."

Mayor Del Vecchio stated, "Since our term began we have succeeded in maintaining a true bi-partisan, no self-interest, responsive government.

"On January 1st, we did not fill administrative positions by party line -- no less than seven Democratic office holders were retained or reappointed because they were qualified to serve.

### Obstruction - Catapano

Township Committee Candidate Mike Catapano charged that "the obvious purpose of our opposition is to obstruct the positive programs of the Republican Administration purely for political purposes."

Mr. Catapano stated, "The effort to hamper Mayor Del Vecchio's ordinance to purchase and install a mechanized book-keeping system for our Township Offices can only be politically motivated. I was astounded by our opponents attack at the Township Committee meeting on September 18th which impugned the Mayor's purpose in proposing this necessary improvement."

Catapano continued, "I can not conceive why so-called responsible leaders of our community and candidates for public office would attack a positive step forward for solely personal political gain. It is apparent that the best interests of Springfield is not paramount in their minds."

## To Select Miss Springfield Food, Fun, And Frolic At Dems Picnic Sunday

The accent will be on food, fun and frolic at the annual outing of the Springfield Democrats being held this Sunday at Evergreen Lodge.

The festivities will start at 11:00 a.m. and continue until dark, with music provided by Larry and his Four Dominos, "The Masters of Mirth, Music and Mimicry."

Best buy of the day is free rides for the children, -- and the food that will be available.

The program includes games for children and adults; a twist contest for each age group from junior to grandmas; a cake sale; and a contest for Miss Springfield Teenager, sponsored by the Teen Democrats.

Contestants for the latter are asked to appear in Bermuda shorts and blouses. Entry blanks will be available at a booth at the picnic from 11 a.m. to 1 p.m., Sunday.

Democratic candidates for Union County offices will be present, along with Township Committee candidates Howard S. Smith and Louis Celtham. Governor Hughes is expected to partici-

## "School Prayer" Topic At Joint Temple Discussion

The Jewish High Holydays, commencing this year on Friday night, September 28, are customarily preceded by a midnight "Silchos" or Penitential Service on the Saturday night prior to the New Year observance.

The congregations of Beth Ahm and Shary Shalom, So. Springfield Avenue, Springfield, are meeting at 11:30 P.M. on Saturday, September 22.

Both Rabbi Israel Dresner and Reuben Levine will officiate, with Cantor Irving Kramerman assisting.

The worshippers will convene at 9 p.m. for a forum on one of the great controversial issues of the day: "The Supreme Court Decision on Prayer in the Public Schools."

Representatives of both congregations will participate in the panel moderated by Dr. Albert Kessler.

Discussing the subject include: Prof. Julius Mastrow, Dept. of Political Science at Drew University who specializes in American Government; Arthur Falkin, member of the Township Committee; Leonard Atkin and Dr. Samuel Gross.

Various sides of the issue will be aired and differing opinions expressed, with ample opportunity for discussion.

## Unico Ladies Serve As Models Fashion Show For G.O.P. Candidates

Members of the Springfield Chapter of the Ladies of Unico and professionals will model the latest in furs, millinery and accessories at the luncheon and fashion show to be held by the Springfield Chapter at the Chantier this Saturday, September 22.

The professionals and Springfield Unico Ladies will model a collection of ensembles representing top designers which is to be the high spot of the affair. There will be prizes for the guests, which includes a sterling silver punch bowl, crystal luggage, silver and decorative household items.

Mrs. Azeglio Pancani, Jr., is chairman of the fund, assisted by Mrs. Frank Defino, Mrs. Fredrick Puorro, president of the Ladies of Unico, heads the reception committee.

Members who will model are Mrs. Vincent Falso, Mrs. Casper Belletti, and Mrs. Frank Fiore.

## Want Better Schools Here

It was reported through a letter received from the New Jersey Association's Ethics Committee, at the September 14 meeting of the Springfield Board of Education, that the Board should cooperate with the association by banning all picture taking in the public school system save those pictures necessary for annual yearbooks.

The letter pointed out that it was contrary to the system of free enterprise to permit boards to permit any type of monetary promotion through the facilities of public schools.

Other Board business was a comment by board member Mrs. Sonya Dorsky as to the proficiency of Springfield school crossing guards.

In a comparison with Millburn, Mrs. Dorsky pointed out that, in many instances, Springfield guards cannot compare with those of the neighboring town.

Mrs. Dorsky requested that Supt. Newsaanger obtain a map from the Township showing exact locations and schedules of all crossing guards here.

Also discussed by the board was the lack of shade trees and facilities at the Raymond Chisholm playground.

It was pointed out in a letter from a Springfield mother that children complain of the heat on the playground during the summer months, and as a result refuse to play there.

The letter also stated that play facilities were also lacking at the playground.

The board requested that Supt. Newsaanger originate a survey among the Townships physical.

## Appears Here October 4 Lions Present Rubinoff With Famed Stradivarius

When Rubinoff and his violin appear in Springfield on October 4, under the sponsorship of the Springfield Lions Club, in a program of popular concert music, he will play on one of the most precious instruments in the world, the famed Romanoff-Stradivarius violin insured for \$100,000.

The violin is famous for its silken lustrous tone, its full range and almost unbelievable depth. Made in 1731 by the master of all violin makers, this particular "Strad" eventually found its way into the hands of the Romanoffs, one time rulers of Russia, and still bears the bejeweled crest of that family.

During the revolution it was smuggled out of Russia and eventually was purchased by Mr. Rubinoff.

Sensitive to heat, humidity, altitude and the risks that beset any treasure of such vast value, the Stradivarius is guarded and handled with deference and extreme care at all times. The ancient instrument still retains the original varnish and is the acme of perfection in musical instruments.

Rubinoff will appear at the Jonathan Dayton Regional High School Auditorium on October 4. Tickets are available at Bunnell Bros., 8 Mountain Avenue; or may be purchased from any Lion Club member; or by mail by enclosing check or money order to Lion-Rubinoff Popular Concert, P.O. Box 113, Springfield.

## GOP Club To Hear About Famous Women Of State

A program dedicated to the women voters of Springfield has been arranged by the Springfield Republican Club to be held Monday, 8:15 p.m., September 24, at the American Legion Hall, No. Trivett Street, Springfield.

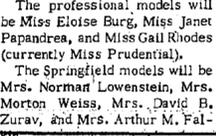

Miss Dorothy A. Voss, an employee of the New Jersey Bell Telephone will speak on famous women of New Jersey and their contribution to education, social service, science, politics, art and industry. The talk will be illustrated with a collection of color slides.

The Springfield Republican Club invites all those interested to attend Monday night's regular monthly meeting.

## Gave \$3,524

Springfield contributed \$3,524, 47 in the 1962 American Cancer Society campaign for funds, according to the report made public by the Union County Chapter.

Union County raised \$131,800 in 1962 exceeding its goal by \$6,800.

## Del Vecchio

(Continued from page 1)

Del Vecchio continued, "Playing party politics to the detriment of the Township is not my idea of good government and is a policy which I refuse to follow. My sole obligation in being a member of the Township Committee is to serve Springfield and, I have not, nor will I ever place party politics above the interests of our town."

"Remarkably, I have been attacked for dividing the responsibilities of the Township's legal department upon four different attorneys. This change of procedure was instituted so that Springfield can profit by utilizing a diversified wealth of experience and knowledge."

"A portion of this division was brought about by decisions of the Supreme Court to the effect that the Township Attorney should not serve as attorney to the Board of Adjustment and the Planning Board, and further that the Municipal Court Prosecutor should not hold partisan political party positions."

"Therefore, we now enjoy the services of separate attorneys as Prosecutor of the Municipal Court, Township Attorney, and legal advisors to the Board of Adjustment and Planning Board. What is even more remarkable is the considerable savings to the Township."

Mayor Del Vecchio further stated, "The total fees paid to the former Township Attorney under the previous administration for the years 1959-60-61 was \$52,000, which averages over \$17,000 per year for a part time job."

"For this year, with four attorneys serving Springfield, our legal bill will be under the budget figure of \$11,200. This is a considerable saving and takes advantage of some of the finest talent in our community."

"Our opponents attack recklessly, without regard for the truth, positive programs that we have instituted in 1962. To simply repeat trite and irresponsible statements as a campaign platform leave my opponents little to offer a community on the verge of its finest hour."

Mayor Del Vecchio concluded, "Mike Catapano, my co-candidate for the Township Committee and I have a positive program to carry out for you and Springfield. Election day, November 6, will be a critical day for Springfield and I hope that your vote for the future of Springfield will be for Del Vecchio and Catapano."

## Catapano

(Continued from page 1)

Catapano pointed out, "Previous administrations had considered similar proposals, and endorsed this concept. The present bipartisan Finance Committee studied the need for modernizing the antiquated business procedures in Township and formalized its findings in an ordinance which was introduced by their Chairman, Robert Hardgrove and seconded by Russel Sibole, a member of the Finance Committee."

"Remarkably, in view of the fact that the past administration overexpended their budget for 1961, I am astounded that such opposition to an improvement that will preclude the possibility of such an overexpenditure in the future could be so violently attacked."

"It is perfectly clear and obvious that our opponents are making a political football of this mechanical bookkeeping system."

"The facts must therefore be clear—The ordinance to install a machine bookkeeping system in Township will benefit Springfield now, will increase efficiency for long range planning, and will result in tax savings," stated Catapano.

Catapano continued, "My training as a Certified Public Accountant makes me aware of the benefits that accrue through the use of modern office machinery and procedures. I feel that my profession qualifies me to assist the Township in its fiscal planning and operations, and if I am voted to assume the res-

ponsibilities as a member of the Township Committee I will make available all my professional attainments for the use of the Community."

Catapano concluded, "Your vote of confidence on behalf of Mayor Phil Del Vecchio and placing your trust in me on election day, November 6th will guarantee dedicated leadership for Springfield."

education teachers to seek a solution to this problem.

The board received resignations from Mrs. Irngard Rau, School Secretary, and Mrs. Janet Crann, and accepted both with regret and best wishes.

Approval to have the following persons placed upon the official list of substitutes was granted: Mrs. Honor Snyder, Mrs. Louise Stewart, Mrs. Rena Birnbaum, Mrs. Mary-Ackerman and Mrs. Nancy Callahan.

William K. Pfeifer, a social studies teacher at the Gaudineer school, requested, and was granted, permission to attend an all-day conference on world affairs in New York City on October 12.

Mr. Newslinger was granted permission by the Board to attend the annual conferences of the New Jersey School Superintendents Association and the New Jersey Federation of District Boards of Education which will be held October 23 thru 27th.

## Townfolk Rally Help Book Sale

The townfolk are rallying behind the Springfield Historical Society in an all-out effort to make the annual book sale starting September 26 a success.

Springfield merchants have donated window space for placards, and the Grand Union, National State Bank of Union (Springfield Branch), and Springfield Market have permitted barrels to be placed in conspicuous places for the deposit of books.

Also, the Springfield Pharmacy, recognizing the need for a cash register, presented the Society with one for their permanent possession, as a token of their good wishes.

Mrs. S. Bryant Haas, Chair-lady of the Registration Committee, reports that Springfielders are responding in great numbers to serve on her committee.

"The Annual Book Sale will run September 26 through the 29th, and be held at the Cannonball House. All profits from the sale will go toward the maintenance of that historic landmark, and the furthering of our historic community."

Mrs. S. Bryant Haas, Sales chairman of the annual Historical Society Book Sale, announced today her committee of twenty-three Springfielders. They will assist in the merchandising of the sale.

Those named are: Mrs. Dorothy Tallau, Mrs. Ibez Kindre, Mrs. R. Hardgrove, Mrs. Edward Beck, Mrs. S. Gill Mrs. J. Martin, Mrs. J. Cawley, Mrs. R. Purkhiser, Mr. Howard Wiseman, Mr. Donald Palmer, Mr. and Mrs. A.R. Cunningham, Mr. and Mrs. H. Gosselman, Mr. and Mrs. Robert Jackson, Mr. and Mrs. Richard E. Werner, Mr. and Mrs. S. Bryant Haas, Mr. and Mrs. Charles C. Heard, and Mr. Clarence Root.

The sale will begin Thursday September 26, running through Saturday September 29th.

Proceeds from the sales will be used toward the maintenance and preservation of the historic Cannonball House, one of Springfield's most prized possessions.

## Crowd At Picnic

Approximately 80 persons representing the Springfield First Aid Squad and the Ladies Auxiliary of the squad and their families attended the recent picnic held at the Alvin Terrace field in preparation for the annual fund drive for the squad conducted during this month.

## Cannon Chapter, DAR, To Observe Constitution Day, Next Tuesday

The 175th Anniversary of the signing of the Constitution of the United States of America will be observed by the Church and Cannon Chapter, daughters of the American Revolution, Springfield, at its annual Dutch Treat Dinner to be held Tuesday evening (Sept. 25) at the William Pitt, Chatham.

This week, September 17-23, has been proclaimed as Constitution Week by President John F. Kennedy who has urged all private organizations to hold appropriate ceremonies "to inspire all our citizens to keep the faith of our Founding Fathers and to carry out the Ideals of United States citizenship."

It was on September 17, 1787,

that the Constitution was approved unanimously by the delegates of the Constitutional convention. In the week following, the proposed Constitution was made known to the people throughout the country.

Mrs. Charles W. Woolsey of Madison, D.A.R. state chairman national defense, will be the principal speaker at the dinner.

Mrs. A. B. Anderson of Maple Avenue, hospitality chairman for the local chapter, planned the dinner.

The program will be planned by Mrs. James H. Chalmers of Meisel Avenue, Springfield, chairman, Mrs. Earl E. Schaub of Basking Ridge and Mrs. E. E. Lindauer of Wentz Avenue, Springfield.

## Story Time And Games At Springfield Library

When autumn comes, it is preschool story-time, Boys and girls who are four years old, or who will have a fourth birthday before December 1962, are now invited to join one of the pre-school story-hour series to be held at the Springfield Public Library.

Children in the A-Series beginning on September 12 and ending October 10 have already received their tickets—and there are no more openings.

There are, however, openings in the B-Series beginning October 17 and ending November 14, and also the C-Series, beginning November 21 and ending December 19. Anyone interested may call the Springfield Public Library (DR 6-4264) and ask for Mrs. Ketter, Children's Librarian.

The D, E, F, Series will begin after Christmas.

The children are expected to come upstairs without their mothers, who have the privilege of waiting for them on one of the lower floors. The program starts promptly at 10:30 a.m. and ends at 11:15 a.m. The main objective of this type of library service is to introduce the pre-school child to the library as a pleasant place where he can learn to love books and reading, to know good literature, to develop his imaginative powers and learn library manners, and also to form a lifelong library habit.

The program includes an opening ceremony with magic wand and song. Then the children sit down and listen quietly, without interrupting, to one or two stories ten minutes in length. After this an opportunity is given for more active participation in the form of songs and games. Once more another story or musical poem is introduced.

Often variety is given to this portion of the program by using the stereo-record player for fa-

inous stories and animated musical selections.

The periods before and after the formal programs are spent on informal talks about everything from books to astronauts. Time is allowed for browsing among the picture books. At the end, the child selects two books to be charged out on his story-hour number. Now he becomes a real steady library borrower, for he is charged with the responsibility of taking the book home, taking good care of it, and returning it the following week.

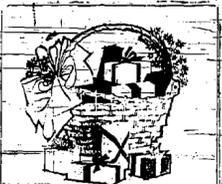

## Nursery School At Beth Ahm Ready

The nursery school of Temple Beth Ahm of Springfield held an orientation meeting at the Temple on September 17. The purpose of the meeting was to familiarize parents with the workings and aims of the school.

On hand to welcome the parents were: Rabbi Reuben Levine, Seymour Wortzel, vice-president of the Temple; Mrs. Sol Levitt, president of the Sisterhood; Mrs. Viola Taft, director of the nursery school; Mrs. Eve Harrison, one of the school's certified teachers; and Mrs. William Prokocimer, chairman of the nursery school committee.

The nursery school P.T.A. is in the process of planning many new and diversified activities which they hope to conduct this year.

There are still a few openings in the school and interested parties may contact Mrs. Taft at DR 6-2987.

## Rev. Evans Director Of Bloomfield College

Announcement has been made of the election of the Rev. Bruce W. Evans, pastor of First Presbyterian Church, Springfield, as a director of Bloomfield College, Bloomfield.

The four year, co-educational college of liberal arts and science begins its 156th year as an educational center in New Jersey this year.

Bloomfield College served the cause of education first as an academy of learning and then as a special school for training German-speaking ministers. It is now an institutional member of American Council on Education and the Association of American Colleges.

The college program is centered around a core curriculum which provides an all-around educational background, giving the student not only an opportunity

to specialize but to explore.

The faculty is headed by the Rev. Dr. Theodore A. Rath. Degrees are offered in the following major areas: accounting, biology, business administration, chemistry, economics, English, foreign languages, history, mathematics, philosophy, physics, religion, sociology, and psychology.

Since 1958, when the Synod of New Jersey of the United Presbyterian Church took over sponsorship of the college, it has expanded its physical facilities at an amazing rate. A new library, a gymnasium, and two new dormitories have been constructed.

Enrollment has grown from 262 students in September, 1959 to 700 as of September, 1962 with an additional 300 in the evening session. The college also serves as a center for lectures, exhibits,

and other community projects in the Bloomfield area.

Rev. Evans has been pastor of the Springfield church since 1946, assuming that position after service in the United States Navy. He is a graduate of Washington Jefferson College and Princeton Theological Seminary. He and Mrs. Evans have two children, Bruce Jr., who is a sophomore at Lehigh University, and Janet, who is in the eighth grade of Florence M. Gaudineer School, Springfield.

**Asking them - helps us improve telephone service**

They're telephone customers like you—a few of the many we interview every year, to find out what they think of telephone service. Answers are carefully analyzed, to see where we can improve our way of doing things. All sorts of details are checked. The speed of telephone service. Information. Billing. The helpfulness of telephone people. Finding out what customers think of us is important. It's the best way we know to fit service to your needs, and make your telephone service grow in value.

# Mountainside Man Elected To Board

The election of Orlin E. Johnson of Mountainside, vice president and director of manufacturing of the Bristol-Myers Products Division, Hillside, to the Board of Trustees of Union Junior College was announced today by Dr. Thomas Roy Jones of Westfield, chairman.

Dr. Jones, who is vice chairman of the Board of Trustees, said Mr. Johnson will serve on the ways and means committee headed by Harry A. Cooper of Rumson, chairman of the board of Cooper Alloy Corporation, Hillside.

Mr. Johnson's election brings the membership on the Board of Trustees of Union Junior College to 25.

Education is not a new field for Mr. Johnson. He is vice president of the Mountainside Board of Education and before joining Bristol-Myers he was principal of the high schools in Mason, and Siren, Wisconsin.

A graduate of Northland College, Ashland, Wis., Mr. Johnson has done graduate work at Superior State College and the University of Wisconsin. He is a member of Beta Chi fraternity, Mr. Johnson served the Reynolds Metals Company in McCook, Ill., as assistant department head prior to joining Bristol-Myers in 1946 as assistant head of the finishing department. He was named head of the finishing department in 1947, assisting in the traffic division in 1951, plant superintendent in 1952, and assistant to the vice president of production in 1953. He was appointed to his present post in 1956.

President of the Hillside Industrial Foundation. He is chairman of the Board of Trustees of the Michigan State University School of Packaging Foundation, Inc. Mr. Johnson also is a director of Junior Achievement of Union County, Inc.

## Joan Steets To Be Nurse

Miss Joan Claire Steets, daughter of Mr. and Mrs. Joseph Steets of 31 Rose Ave., Springfield, is a freshman entering the Ann May School of Nursing of Fitkin Memorial Hospital in Neptune, N. J. She is a graduate of Jonathan Dayton Regional High School.

This will be the largest freshman class in the history of the Ann May School, and the enrollment on September 10 includes 51 young women who are beginning a three year nursing course. An orientation program for the freshmen is in progress this week. This includes an official welcome, a barbecue, a "Welcome Tea", attendance at a Student Government meeting, and a tour of Fitkin Hospital. The nursing school is affiliated with Monmouth College, where the students will also take academic and scientific courses. The orientation program will include four sessions on "Fundamentals of Nursing", and lectures on the guidance program and health services.

## PT-A Holds Tea-Social

The Florence M. Gaudineer P.T.A., Springfield, will open the year with a Get-Acquainted Tea on Monday, September 24th at 3:30 p.m. in the school gymnasium. All parents are invited to meet their children's teachers.

The Committee on Children and Youth, headed by Mrs. Edward F. Litten, will present a film depicting the role that the P.T.A. plays in dealing with the problem of obscene literature. The movie is "The Accused", starring Loreta Young.

**SAFETY NOTE:** The School Administration and Mr. Victor Shapira, Chairman of Safety and Civil Defense, urge the parents to allow their children to walk to and from school, even in poor weather, to avoid the hazards of too many cars in the school area.

**HOLLYWOOD (UPI)**—The George Burns and Carol Channing show at the Dunes Hotel set the attendance record for Las Vegas with an audience of 9,221.

**TO APPEAR**—Larry Baldwin of Mrs. Howard Baldwin 151 Wentz Ave., Springfield will appear with the Columbus Boychoir and the New York Philharmonic at the opening of The Lincoln Center for the performing Arts in New York City on Sunday, September 23rd. The entire student body of the Columbus Boychoir, comprising seventy voices, will sing with the Juilliard Chorus and the Schola Cantorum. This performance will be nationally televised by CBS-TV on Sunday, September 23rd, 9-11:00 PM, D.S.T.

## Fall Season Driving Tips

The end of summer may be the time to stop that straw hat, but it is no time to put away the safe driving habits which were observed during the traditional vacation season, according to the Allstate Motor Club. Fall is a popular time for families to take weekend motor trips, even after children return to school. Saturday football games attract thousands of persons. Cool weather and autumn's colorful panorama lure city dwellers into the rural countryside. Highways remain busy despite the calendar, and motorists should remember the rules of safety which they heeded during summer months.

A valuable set of rules appears in the current issue of "Discovery Magazine," official publication of the Allstate Motor Club. The feature written by Stanley C. Letas offers "Five Safe Conduct Passes" to highway driving. The author warns of the danger of taking driving for granted. He calls "routine" the villain in the daily drama of traveling busy streets and highways and urges motorists to pay special attention to the job of driving when on a motor trip.

The Allstate Motor Club Magazine article stresses these points to remember:

1. Take your time. Be realistic about matching trip miles to the number of vacation days. A way to estimate the maximum one way distance you should travel from home is to multiply the number of vacation days by 100. If you're using toll roads and expressways you can stretch this distance farther.
2. Drive only when you're fit. Avoid tranquilizers, pep pills, and prolonged use of aspirin. If you're supposed to take medicine, ask your doctor before you drive to learn if it can have side effects that will hamper your driving.

3. Travel by day. There is no substitute for driving with normal visibility and during normal waking hours.
4. Share the road. One of the easiest ways to avoid incidents that can mar a trip is simply to cooperate with others. When other drivers make mistakes or get into trouble in traffic, help them out instead of adding to the conflict. Courtesy on the roadways pays big dividends in safety for all motorists concerned.
5. Keep your guard up! When encountering speeders, crawlers, road hogs, bumper huggers and zig zagers, look for trouble spots and keep away from them. Avoid overconfidence...it can lead to trouble in traffic.

Mrs. Wallace Callen at 10-Mc-hawk Drive.

The first meeting will be an "Open House," held at Temple Beth Ahm, on Thursday, Sept. 20 at 1 p.m. Rabbi Rueben R. Levine, spiritual leader of the Temple will speak on "The Spirit of the New Year".

All members and prospective members are invited to attend. Temple affiliation is not necessary.

For information please call Mrs. Wallace Callen, Senior League Chairman, MU 2-9533.

**Meet PARLEY S. KETCHAM**  
VICE PRESIDENT AND DIRECTOR OF FIRST FEDERAL

Born on a farm near Waverly, New York, Parley Ketcham's early ambition was to be a school teacher.

Following this he attended and graduated from the State Teachers College in Lock Haven, Penna. in 1905. From there he went on to study further at the Teachers College of Columbia University in New York City. Mr. Ketcham taught in the public schools of Pennsylvania for six years before moving to Westfield, and a new teaching position in 1911. He left teaching in 1917 to join the Sales Department of the Quaker Oats Company, an organization he served until his retirement in 1951.

Mr. Ketcham has been a Director of First Federal Savings and Loan since 1931. He has been very active in Masonic activities, helping to organize the Sir Galahad Chapter of the Order of the De Molay and serving as one of its first Directors.

He has been a mason since 1911 and is now a member and Past Master of Atlas Lodge and a member and Past High Priest of Corinthian Chapter. His other activities include membership in the Westfield Old Guard, and he is Director of the District Nursing Association of Westfield. Parley Ketcham has long been a tennis enthusiast. He was one of the organizers of the Westfield Tennis Club and served as a Director for several years.

## Marsha Wilson Marries Fred Adrian Remyn

Marsha Diane Wilson, daughter of Mr. and Mrs. Horace F. Wilson of 73 Warwick Circle, Springfield, was married Saturday September 15, to Fred Adrian Remyn, son of Mr. and Mrs. Adrian Remyn of 836 Prospect Street, Roselle Park. The mar-

riage took place at the First Presbyterian Church in Springfield at 4:30 p.m. Reverend Bruce W. Evans officiated the ceremony. Laura Jean Libby of Springfield was the soloist accompanied by Mr. Charles Sills at the organ. A reception followed at the Hotel Suburban in Summit. The bride, given in marriage by her father, Mr. Horace F. Wilson, wore a gown styled of white taffeta with reem-broidered Alecon lace on a net bodice with matching front panel. The back featured three self-roses falling to a full chapel-train. She wore a matching Alecon lace pillbox with three self-roses at the back with a double tiered elbow length veil. The bride carried a cascade bouquet of stephanotis and phalaenopsis orchids.

Gail Wilson, sister of the bride, from Springfield, was honor attendant. She wore a dress styled in a modified bell skirt of aqua silk-organza over taffeta. The dress was sleeveless which featured white ribbon lace on top. She carried a cascade of yellow fig mums and yellow pom poms in the center.

The bridesmaids were Mrs. Joseph B. III, cousin of the bride from Newark; Joanne Jacona of Union, and Mrs. John W. Brinkers, Jr. of West New York. Their gowns and tiaras were identical to the maid of honor. Mr. Franklin Remyn of Roselle Park served as best man for his brother. Ushers included the Messrs. Joseph Bill of Newark, Charles Gersner of Newark, and John W. Brinkers of West New York.

# Dems: Bank Arguments Do Not Hold Water

In a letter received by the Democratic Candidates for Mountside Borough Council Eli Hoffman and Leo A. Genova from the N. J. Commissioner of Banking and Insurance, it appeared that the arguments offered by the Mountside Borough officials that the location for the proposed branch office of the Suburban Trust Company in Mountside should not be in the vicinity of Route 22 and Central Avenue does not seem to hold water!

In a nine-page report, Mr. Howell thoroughly explained his reasons for the choice of the site and also indicated that, "I am still of the opinion that the site location that would best serve the needs of all the residents of the Borough of Mountside would be a site in the vicinity of Route 22 and Central Avenue."

It was further pointed out by Mr. Howell that the site location of 1210 U.S. Highway 22 was used primarily for identifying purposes and that "by statute the Suburban Trust Co. could with Mr. Howell's approval, move to any site in that vicinity."

It also appears that a request for a referendum on this matter should be put on the ballot in November. This will allow the citizens of Mountside to express its will.

In the nine-page report, Mr. Howell proceeded to analyze the area, and to discuss the various banks which had applied for the approval. In addition to the Suburban Trust Co. the Union County Trust Company had also applied to Mr. Howell's office for a branch office in Mountside; while the National Bank of Westfield and the Plainfield Trust State National Bank had applied to the Comptroller of Currency, a U.S. Government agency which must approve National Banks.

It appeared that Suburban Trust Co. was a logical choice because it was domiciled in the Town of Westfield, with its principal office 1.9 miles from the proposed site.

# COACH PALMER HOPING HIS OPTIMISM JUSTIFIED AS BULLDOGS PREPARE ATTACK

## Labels Squad Jigsaw Puzzle With Pieces That 'Should' Fall In Place

### Orange And Blue Now Watching Conference Members;

### Also Graduate To Bigger Group IV Classification

We're Sorry Bob

In our usual haste to meet deadline for the paper, the photo of Bob Haas, standout Bulldog left half, was misplaced. Of course, Bobby's picture belongs on this page with the rest of the starting squad since he is expected to play a major role in this season's attack. We'll get your picture in the paper next week for sure. Bob, we're sorry.

Rich Bittle

Drew Wuesterman

Ron Puorro

Butch Bell

to be as tough a player as you can find in Union County. Puorro of some beautifully executed pass receptions, and Palmer sees Puorro as an even more improved ballplayer this year. He also expected Ron to play some defense.

Other backs who will be called upon are Dave Bonislowski (185), Tom Baker (150), Pete Coan (155), Bob Reis (160) and Carl Yaras (175).

Bonislowski, a senior, and incidentally, a fine hoop prospect, is a deep defensive standout who is being groomed with Haas for the number four backfield berth. Right now Haas has the inside track on "Bono" due to the former's superior-running ability.

Baker is a junior who will more than likely see some action as a reserve defensive back. Baker is tough on the field, but he missed last year's campaign and that lost season is hard to make up.

Coan, another senior, will serve as a reserve fullback and defensive cornerman. He is expected to see a great deal of action.

Reis is a soph who will probably spend this season understudying Appar for future behind-center duty. Palmer feels that in Reis he has a prospect who should come along at a rapid pace.

Yaras rounds out the corp of reserve backs. Only a sophomore, Carl has a great deal to learn but will be used if needed.

Up front the picture takes this shape: Butch Bell (192) who showed speed and hard-nosed defensive play last year as a junior, will return to his end position again with these same attributes. Palmer considers Bell one of the top ends in the area and maintains that a great deal of the squad's success will rest on Butch's shoulders.

Joe DeMario will lean his 230lb frame into one of the tackle slots. DeMario has speed along with weight, and along with Bell and Tom Venice, is one of the three best linemen in the County, according to Palmer.

Venice (192), veteran guard, and defensive team captain, is described by Palmer as the "ideal high school footballer." Tom has the right attitude and desire. He is also considered by Palmer to be the best blocker on the club and the Coach says that if there's a tougher kid than Venice around, he has yet to meet him. Tom is a senior.

Rich Bittle (205) is a junior end who has shown a lot of potential. Bittle is described by his coaches as having good hands going for him both on offense and defense. He is compared to Larry Stickle, and then some.

Reserve ends who have made the squad and should be of some help are Frank Monticello (182), a junior, Bruce Ledig (170), a junior up from the J.V., and sophomore Keith Neigle (175), who

had a good freshman year.

At the other tackle spot, Palmer names Frank DiFabio (208), who he considers to have the most hustle on the club. What DiFabio might lack in skill he seems to be able to make up in sheer determination. He's a senior.

Reserve tackles include juniors Mike Londino (220), and Ray Figero (215), two big boys who are expected to see some service. John Stupak (205) will be called upon to play the other guard slot both ways. John, a senior, is labeled a "good lineman" by his coaches, and with a little more speed could most likely be a great one.

Backing up at the guard position will be three sophomore hopefuls, Rich Basta (175), Tom Tompkin (172), and Al Greenberg (180). All three fit into Palmer's plans for the future.

A trio of gridgers have set their sights on the center berth, with Charlie Roll (195) a junior, presently getting the nod from the bench. The other two boys are Doug Kappstatter (175) a junior up from the J.V., and senior Fred Mercurio (185). Roll has the edge because of his ability to snap deep, but either of the other two could handle the position if need be.

Aiding Palmer with Regional's gridmen will be line coach Vinnie Albano, backfield coach Bob Lummer, J.V. coach Ray Vanchus, trainer and Frosh coach Joe Mills, and Mike Iannelli, who will be assisting Mills with the freshmen.

The Orange and Blue will find themselves in new company as of September 22, for this is the year they gain full entry into the Watchung Conference and this is also the year the school steps up to Group IV status.

Membership in the Watchung Conference simply means that the Bulldogs will now be rubbing elbows with such area powers as Westfield, Hillside, Scotch Plains and Cranford for a conference title. The Watchung loop is considered one of the toughest in the State.

As far as that Group IV business is concerned, Group IV simply means that Jonathan Dayton has gotten bigger, and a larger male enrollment has pushed the athletic teams into a bigger school bracket...in fact the biggest.

Placement in the wrong Group IV conference could prove a disaster to the Bulldogs. There are two possibilities. On the one hand, they could be thrown into the Central Conference where the strongest opposition might come from Westfield's Blue Devils. On the other side of the coin, however, the Dayton athletes might wind up in the Northern Jersey Conference which boasts Montclair for instance...need we say more??

## Up To Line At Gov. Livingston

By Cy James

How important is the work of the line to a veteran backfield? The answer to that question will pretty much determine the success -- or lack of it -- that the Governor Livingston Regional High School football team will enjoy this fall.

The Highlanders have the "horses" to make Coach Al Brown's winged-T go. Ben Russell, in his third year at left halfback, figures to be one of the county's top running threats. The other halfback post will be capably handled by Bob Clarkson.

Both of these 164-pounders run with power and speed if given any kind of blocking at all. Then there is three-sport star Lynn Nesbitt, a 205-pound bull who possesses considerable agility. Lynn is being switched from end to fullback and everyone is certain he will make the change without any loss of effectiveness. He starts fast and he should hit opposing lines like a blockbuster.

John Adamiak is being asked to fill Frank Fish's shoes at quarterback and that's a big assignment. Adamiak, a 183-pounder, is 25 pounds bigger than Fish but is short on offensive experience. He played mostly on defense last year.

If any of this fearsome foursome gets injured, however, Brown is going to be in trouble. The backfield reserves are small and inexperienced. George Bubrick, 162, and Jeff Basham, 146, are the substitute quarterbacks.

Backing up Russell and Clarkson are Jim Benedict, 151, Tom Conner, 143, Ed Stickle, 145, Gary Spivey, 155, Ron Robinson, 132, Ed Sauerberger, 142, and John Walsh, 149. Available to spell Nesbitt at fullback are Tom Piccinino, 150, and Bob Hof, 143.

The key to the Highlanders' success lies in how rapidly Brown can develop an adequate forward wall. Only one regular is back in action, Ed Troost, 178-pound end. The other lettermen in the line are Ted Davis, a 175-pound offensive tackle, and Dick Kelley, a 160-pound guard, who saw only limited action last year.

Brown is faced with a shortage of ends to pair with Troost. He is looking over Mark Kelly, 157, Ricky Oels, 154, Russ Nicosia, 162, Don Chamberlain, 160, and Art Lenox, 146. These boys all lack weight and Jack Frost, a 165-pound tackle candidate, or someone else might be shifted to end on defense.

Mark Irwin, 185, is the leading candidate to pair with Davis at tackle. Other hopefuls are Roger McMahon, 193, Pete Geddis, 177, and Frost. The heaviest tackle candidate, Paul Bartow, a 200-pounder, twisted a knee in practice last week and is expected to be sidelined for some time.

The guards are bigger than last year but hardly in the class of all-stater Jerry DiPasquale. Candidates are Steve Fitch, 152, Mike O'Brien, 159, Bill Russo, 149, Bruce Goins, 155, Mike DiLeo, 152, Ed Shuttleworth, 154, Mike Addota, 175, and Earl Nauerz, 186. Addota and Nauerz could add some needed heft to the defensive line.

Scott Irwin, 150, brother of Mark, Meredith Rice, 173, and Mike Spadafora, 151, are battling for the center position.

By Dick Schwartz

Coach Herb Palmer of Jonathan Dayton Regional High School emitted sporadic outbursts of optimism as he spoke to us about his 60 football charges late last week, but we came away from the interview with the feeling that Palmer was pulling no punches when he told us: "I've got a jigsaw puzzle here, and if all the pieces fall into place we'll be going places, if not, we'll be in trouble."

That seems to be just about the size of it on Mountain Avenue as the Bulldogs train for their opening encounter on September 22 against rival Somerville, at Somerville.

Naturally, as is the case every high school year, there are a few familiar faces missing from the huddle. Those who probably will be missed the most are All-State tackle Marty Sica and Bob Tuffy Hartz, outstanding halfback on the 1961 Bulldog grid edition that compiled a strong 7-1 record and was named co-champion of the state sectional Group III title.

Others with diploma in drawer are Bill Geoghegan, Larry Stickle and Frank Perrelli, all mainstays in last year's attack.

All this can cause one to wonder just what Palmer has to be optimistic about, sporadically or otherwise, until one takes a peek at this season's talent on paper, and hears Palmer sound the praises of a club with attitudes "healthier than I've ever had before."

With every lad on the Meisel Ave. field determined and trying, this is the way the Bulldogs shape up: Regional field general this year will be Jack Appar (140) working out of the quarterback slot. Appar, now a senior, has shown a great deal of football maturity and has also shown that he is an improved runner, passer and punter. As Jack gains more and more confidence in himself, Palmer hopes the rest of the club will show confidence in Jack. This trend is already underway, as recent scrimmages bear out.

Fullback duties will be up to Drew Wuesterman, (190), a junior with all the potential of a standout football player. Palmer rates Wuesterman with Ron Coles (circa 1956), another Bulldog fullback who knew how to hit the line. Wuesterman is also a fine student and constant hustler.

Junior Bob Haas (168) will start at left half for the Orange and Blue. Haas, who played defense last season, is a triple threat man who can throw the pigskin and grind out the yardage afoot. Both Wuesterman and Haas are expected to go both ways according to Palmer.

Back for another swing around the Dayton football schedule will be Ron Puorro (140), now a senior, and considered by his coaches

Charlie Roll

Frank DiFabio

## Shortage Remedy Hunchar Switching Goalie To Forward

Frank Antonetti, who performed so nobly as goalie for last year's Governor Livingston Regional High School soccer team, will have an opportunity to see how the other half of the game is played this season.

With top-notch forwards at a premium on the Highlanders' squad this season, Coach Russ Hunchar plans to use Antonetti on his forward line when the season gets under way today with the Highlanders meeting powerful Summit High in Summit. The Highlanders will play Union High tomorrow in Union. Governor Livingston will make its home debut at Memorial Field here next Wednesday, playing Columbia High School of South

Orange at 3:45 p.m.

Antonetti's goal tending helped Governor Livingston win the Union County Conference title and earn a berth in the State regional tournament last season.

With John Wadas and Bill Sawyer gone, the Highlander forward wall needs bolstering and Hunchar hopes Antonetti can help out.

Ed Konopka, who saw some action as a fullback and reserve goalie last season, will take over Antonetti's duties in the nets.

Dave Jubanowski and Tony Conte, letterman last season, will join Antonetti on the forward wall, as will Mike Drahl, another letter winner last season.

## Bob Jones Delivers High Series

Bobby Jones, one of Springfield's top postmen seems to also be a top bowler as his high series of 212, 172, 213, total 597 bears out in another week of Springfield Municipal League action. Other high series was rolled by Stan Westenberg with a 174-219-193, total 586.

Other 200 or better scores were compiled by Ed Coan, 235, Sam Casternovia, 220, Dom Pacifico, 214, Howard Selander, Jr., 208, and Matt D'Andrea, 203.

Next Monday evening, Sept. 24 being the third bowling night of the young season, all team captains of the League are required to turn in all rosters of players, both regulars and subs to the League Secretary. Captains must show first name of the bowler and his middle initial.

## Bocci Back In Heights

The third annual championship in bocci changes only in location for Sunday on the rolling greens of the Rocco Coviello Estate in New Providence. A team manned mostly by players from Berkeley Heights, the Union County champions, will take on a team from East Brunswick, "the experts" from Middlesex County. This series started as a home and home "bridge game" between Berkeley Heights and East Brunswick.

Coviello is captain of this year's squad. He recently returned from a tour of Italy where he acquired many new tricks to use in this game of "Italian bowling." Frank "Butch" Caparosa is manager for the Berkeley Heights "bruisers" whose lineup this year will include Mayor Thomas J. Williams, former Mayor George T. Loman,

Others working for the success of "Wietecha Day" are Gov. Hughes, Sen. Case, Rep. Dwyer, Toots Shor, Bennett Cerf, Klavan, and Finch of WNEW and Marty Glickman. Wietecha is the Giant's standout center who has not missed a game in over nine playing seasons.

## Plains YMCA Now Forming Touch League

The Fanwood-Scotch Plains YMCA is forming a six-man touch football league. Dr. R. Smith, secretary of the YMCA announced. The league will play on Saturdays.

The playing field is at the corner of Grand Street and Forest Road in Scotch Plains on a gridiron 156 foot long with goal posts, ten yard markers, and other regular football game features.

All the regular football action will be allowed with the exception of tackling. Each team will field six men at a time and carry a roster of ten players. The players will wear various brightly-colored jerseys.

## Working For "Wietecha Day"

Jack Goldberg of Springfield is one of a committee of six organizing the "Ray Wietecha Day" scheduled for Sunday, November 4, when the New York Football Giants take on the St. Louis Cardinals.

Others working for the success of "Wietecha Day" are Gov. Hughes, Sen. Case, Rep. Dwyer, Toots Shor, Bennett Cerf, Klavan, and Finch of WNEW and Marty Glickman. Wietecha is the Giant's standout center who has not missed a game in over nine playing seasons.

# Plains 'Y' Embarks On Gymnastic Sea

PROGRAM UNDERWAY - Top photo shows Mrs. Helen Shiffano Surgen, former U.S. Olympic team star working out on the parallel bar before getting down to the business of instructing members of the newly formed Scotch Plains 'Y' gymnastic team. Below are a few of the youngsters going through their paces for the camera.

A tremendous gymnastic program will be conducted at the Fanwood-Scotch Plains Y.M.C.A. this year with an excellent staff including former National Women's Gymnastic Champion of the U.S. and former American Olympic team star, Mrs. Helen Shiffano Surgen, who was announced today. Advanced apparatus work, tumbling and free calisthenics will be taught to both boys and girls by Mrs. Surgen. Mrs. Surgen was a member of the U.S. Olympic team in 1958, the first American gymnastic team to place in an Olympic competition. Mrs. Surgen was top scorer for the American woman and won second place in the world in the horse-vault event.

A product of the U.S. Turner Clubs and Y.M.C.A.'s in Newark, Elizabeth, Orange, and other New Jersey cities, Mrs. Surgen turned professional after her Olympic experience appearing in hand balancing acts at St. Nicholas Arena, Olympic Park, The Claridge Hotel and on T.V.

Working with Mrs. Surgen at the 'Y' will be her husband, Mr. Clifford Surgen, an outstanding gymnast himself. Others who will coach the various gymnastic programs this year will be Mr. Hamilton Williams, who has been working with boys in the apparatus work for two years, Mr. Vincent Francioso of New Providence, and physical director Edward B. Chen.

Beginner tumbling and trampolining will be taught this year by Mr. Chen and high school senior Central Atlantic Area Y.M.C.A. trampoline champion Robert Sewalls.

The 'Y' tumbling team will compete in several Y.M.C.A. and Turner meets. During the past three years members of this group have won several second and third places and this year they are hoping for more championships. They are, incidentally, prepared to perform demonstration shows at any civic or social club upon request.

A junior high and high school girls group in both free calisthenics and apparatus work began this summer under Mrs. Surgen's direction and will also enter competition along with junior high and high school boys under the direction of Messrs. Hamilton, Francioso, and Surgen.

The 'Y' gym is extremely well equipped with some new and much nearly new equipment such as flying rings, parallel bars, horizontal bars, trampoline, mats, and the vault horse.

It has been tentatively planned that the 'Y' will sponsor a small sectional gymnastic meet of its own in the mid winter in order to help stimulate interest in this fine developmental sport.

## Conte Takes All Three

Conte's Deli won all three games from the V.F.W. as the Springfield Sports League began another season.

Milton's Liquor won two from the P.B.A., while Bond Electronics won two from Carol Stamping. Dick Beckarik had games of 200, 201 for Bond.

Colantone Shoes took two from Sam's Amoco, to round out the week's action.

## Plan Volleyball

Representative of the Men's Volleyball league met at the Fanwood-Scotch Plains Y.M.C.A. on Sept. 17 to discuss plans

for this year's league. Physical director Edward B. Chen said that he plans to have, again, an eight team league playing a 28 week schedule. Several teams from past years have indicated they intend to enter again this year.

Games will be played on Monday and Wednesday evenings from 8 p.m. on in the 'Y' gym.

Anyone interested in entering a team or in playing on one of the teams entered in invited to contact Mr. Chen at FA 2-7600 and are urged to do so soon.

# Coach Brown Optimistic Too As Highlanders Await Opener

### Would Love To Take Parsippany Eleven!

With three weeks of practice and three full-scale scrimmages behind him, Al Brown, coach of Governor Livingston Regional High School's football team, is cautiously optimistic as he awaits Saturday's season-opening game with Parsippany High School at 2 p.m. in Parsippany.

This is a game that Brown would dearly love to win. In each of his first two seasons, big, tough teams representing Parsippany have whipped Governor Livingston in the opening game. This year's contest will conclude the rivalry, at least for the time being.

Parsippany is highly regarded in Morris County circles and Brown is anticipating another rugged contest for his Highlanders.

"Parsippany is the only team that deserved to beat us last year," Brown said. "We had 10 touchdowns called back during the year and easily could have finished with an 8-1 record instead of 5-4."

Concerning his own squad, Brown says he feels "a little tickled" over the improvement the squad showed in its final two scrimmages after a very poor outing in its first inter-school practice session. The Highlander coach considers his team small, inexperienced and slow. Despite these obvious drawbacks, Brown is counting on fast development of his young team to bring him a third consecutive winning season at Governor Livingston.

A veteran backfield, although two boys are playing in new positions, is the prime reason for Brown's cautious optimism. John Adamiak, a wingback last season, is taking over the quarterback chores in the Highlanders' winged-T offense.

A three-sport athlete, the 6-4 junior is being counted on to give the Highlanders a strong passing offense to complement the running ability of fleet halfbacks Ben Russell and Bob Clarkson.

Russell may have to bear a major share of the outside running chores against Parsippany as Clarkson missed more than a week of practice during the past 10 days while he was recovering from a dental operation. Russell figured to be one of Union County's top running backs this season.

Another newcomer to the backfield is three-sport star Lynn Nesbitt, a 205-pounder, who has been switched to fullback from end. Brown calls Nesbitt "a real leader and a real hustler." The coach is mighty pleased with the way Lynn has adjusted to his new role.

Prime targets for Adamiak's passes will be Russell, Clarkson and two ends, Ed Troost and Mark Kelly. Troost, a regular last season, has put on 20 pounds and has shown tremendous improvement over last year, Brown says. The coach calls Troost the best blocker on the team. Kelly, only a sophomore, is a fine pass receiver. Mark still has two other boys battling him for the starting right end spot, Ricky Oels and Glen Blivisier.

The starting tackles on Saturday figure to be Ted Davis, an offensive regular last season who probably will play defense as well this season, and Mark Irwin or Roger McMahon.

Dick Kelly, a 158-pounder, is a sure starter at guard. He saw considerable action as a reserve last season and has really caught Coach Brown's eye in pre-season practice. Brown expects Kelly to be a real standout in the Highlander line. The coach calls him "a real fine boy."

Mike O'Brien will be at guard on offense, with Jack Frost taking over when the opposition has the ball. Steve Fitch, who has dropped to 152 pounds, is ready to spell Kelly when Dick needs a rest.

Anchoring the Highlander line will be Meredith Rice, at center. Meredith is another boy who has looked real good in practice. He will probably give way to Dick Rosato, a 205-pounder on defense. Rosato and Nesbitt at 205 are the biggest boys on the squad.

With Brown planning to platoon as much as possible, all of the linemen mentioned figured to see considerable action against Parsippany.

The platooning also figures to give some game action to a number of youthful backs. Gary Spivey, a junior, and Jim Benedict, a sophomore, are reserve halfbacks. Nesbitt's replacement will be Bill Russo, a junior, who is some 50 pounds lighter than Lynn and stands only 5-5, but according to Brown is "real spunky and has lots of heart."

Another who figures to see plenty of action is George Bublrick, a sophomore quarterback. Brown says Bublrick has "the best throwing action of any high school passer I ever coached."

## Springfield Youth Gridders Begin With Steak Dinner

The Springfield Youth Football program had its first unofficial "kick off" of the season as members and their wives gathered at the Springfield Steak House for dinner. Administrative Director Mike Catapano and Technical Director Henry T. King spoke briefly about the program before turning the floor over to Dr. F. Bateman, head of Rutgers University Athletic Department.

Dr. Bateman gave a very entertaining and interesting talk about the importance of youth athletic training and team participation. He urged parents to support the youth league and actively participate in athletic programs as he feels physical training is an integral part of a child's natural development.

The Springfield Football Program, under the direction of Ed Ruby, Springfield's Recreation Director, Henry T. King and Mike Catapano got underway Saturday morning at 8:45 and will run for ten consecutive Saturdays. The program is based on the clinical theory whereby individuality within a team concept is stressed and competition is eliminated to the extent that the boys are not cast in any set pattern. Each week's session is complete into

## Youngs Entertain

Don and Barbara Young entertained the Madison Ski Club at a picnic at their home in Millington on September 8. This was the first event in the fall program. Attending were: Don and Virginia Baron of Morristown, Roy Chambers of Dover, Charles Clarke of Springfield, Greg Chuet of Berkeley Heights, Arnie DeGroot of Florham Park, Jack and Eleanor Lewis of Madison, Mary and Dick Orr of Madison, Jean Roddy also of Madison, and Cliff and Elsie Walker of Springfield.

## Church League Four-Way Tie In Boro Loop

The second week of competition in the Church Bowling League of Springfield increased in tempo as the scores came in higher and the vieing for position was more pronounced.

The 200 or better bowlers were as follows: Charles Schrum with a 241 and Stanley McConkey with a 202.

SCIENCE NOTEBOOK BY HANS KLEIN UNION COUNTY REGIONAL HIGH SCHOOLS

What was the basis for Darwin's theory that exploded into the intellectual world in 1859 when he published "On the Origin of Species by Means of Natural Selection"?

His early training was somewhat erratic. At first he studied medicine, but bored with anatomy he turned to theology with the intention of going into the clergy.

Inspired by Malthus' work on population in which it was stated that nature produces individuals far in excess of the food available to maintain them.

# Selected To Represent P.S. At Youth Conclave

Sixteen-year-old Bernie J. Brien of 12 Cayuga Court, Springfield, typifies a new breed of high school students who have taken up the challenge offered by science and space technology with particular emphasis on rocketry.

A junior at Jonathan Dayton Regional High School in Springfield, Brien was selected by the judges as the recent Greater Newark Science Fair at Newark College of Engineering to represent Public Service Electric and Gas Company at the Fourth National Youth Conference on the Atom November 8-10 in Chicago. In this Public Service will send seven outstanding high school science students and three teachers to the three-day conference.

Brien's science fair project, "Experimental Rocket and Payload," was an original design that actually worked, with the payload soaring as high as 1600 feet in an outdoor experiment prior to the fair. A camera built in the rocket's payload photographed a mouse slung underneath it during peak acceleration. It also recorded the forces of gravity and had a built-in sensing mechanism to correct internal failures during flight.

It took Brien about a year of research and four years of actual construction to prepare the rocket for launching. Most of the work was done in a home workshop off the garage since the rocket, when completed, measured 11 1/2 feet long. It was constructed mostly of aluminum and carried a five and one-half pound payload including a small still camera. Brien used a solid propellant composed of sulphur, zinc and alcohol to get the required thrust.

Besides the Public Service award, Brien also received a certificate from the U.S. Air Force for outstanding work in space power and was awarded a one year subscription to Astronautics Magazine from the NCE Chapter of the American Rocket Society. He also received a one year subscription to Science World Magazine for his project from the fair.

A consistent B student in high school, Brien started in rocketry five years ago about the time Russia launched its first Sputnik. In May, 1959, his initial rocket-launching attempt

proved successful reaching a height of 500 feet. Prior to the Greater Newark Fair he won first place for his project in the local science fair sponsored by Springfield Regional, Governor Livingston and Berkeley Heights High Schools.

"I didn't believe it at first," he said, when he was informed that he would represent Public

Service at the Atom Conference. "It's a wonderful opportunity for me to further my knowledge in science and technology," Brien plans to major in aerospace engineering in college and specialize in rocket development.

Over 500 students and teachers from more than 26 states will be sponsored

BERNIE J. BRIEN

## Springfield Rec. Notes

The Recreation Commission with the help of the Springfield Recreation Bowling-Allees, are anxious to start a bowling league for girls on Saturday-mornings. When enough girls are registered a league will be formed. All girls desiring to participate please contact the Recreation Department - DR 6-5800.

An Arts and Crafts Program for girls will be held at the Recreation Center, 59 Caldwell Place, on Tuesday and Thursday afternoons, from 3:15 to 4:45 p.m.

Tuesday afternoon the program will be for girls 8 to 10 years of age; Thursday afternoon will be for girls 11 through 13 years of age. These classes will be conducted by a very capable instructor.

The Recreation Department is still seeking to secure an instructor for our twirling group. Anyone with experience who would be available on Tuesday evenings, please contact the Recreation Department - DR 6-5800.

## Lions Club Presents New Local Officers

The Mountside Lions Club held the first meeting of the new year at the Springfield Steak House last Monday. The meeting was devoted to the presentation of the new officers for the coming year. Nicholas Byron of 277 Indian Trail assumed the Presidency. David Mitchell of 1567 Grouse Lane is First Vice President. James Holcombe of 1050 Ledgewood Road Secretary; Frank Magnolia Jr. Treasurer; and Harry Irwin 1309 Stony Brook Lane, Tail Twister.

The month of September was designated as "Double the Membership Month". Prospective members will be guest of the club at the dinner meeting of September 24.

Special representatives were assigned to attend meetings of the Town Council and Board of Education. Liaison was set between other civic and social organizations in Mountside. The purpose of a Lions Club is to determine community needs and develop means of meeting them, either through its own efforts or in cooperation with other agencies. At the same time, Lions Clubs provide good fellowship and club social life for the members. A Lions Club also keeps friendships in good repair. Lionism is an active and efficient medium for united community effort and enterprise. It is an outstanding force for national and

world service, exerting tremendous influence for national welfare, international amity and peace, and human progress socially, culturally, and economically. The motto of the Lions is "We Serve."

## Local Smith Club Extends Invitation

The Smith College Clubs of Watchung Hills, Montclair, the Oranges and Short Hills have extended an invitation to Principals and Guidance Counselors to meet with Miss Jane Schmann, Director of Admission at Smith College, at a Luncheon to be given on Thursday, September 27, at 12:30 at the Montclair Golf Club.

On Friday, September 28, at the invitation of the Smith College Clubs of Watchung Hills, the Oranges and Short Hills, Miss Selmiann will talk to prospective students in the new Summit High School at 3:30. Refreshments will be served. Guidance Counselors and Principals are welcome on this occasion, too, as well as any girls interested in learning about Smith. Further information may be obtained by calling Mrs. Armond Johnson, FR 7-7760, or Mrs. John C. Fritzing, JE 9-2088, who is President of the Smith College Club of Watchung Hills.

## B.H. High School Begins Third Year With More Students and Teachers

Governor Livingston Regional High School in Berkeley Heights began its third year of operation this week with increased student enrollment, additional teachers, but an uncompleted building program. With this year's student body numbering near 1100, additional teachers have been added in English, Math, Science and Foreign Languages, according to Mr. Frederick Aho, principal.

Classroom space, however, will be in short supply until ten additional class rooms and the added gym and locker facilities are completed. One wing of new classrooms was ready for the opening of school, and the increased science laboratory facilities were in operation, Mr. Aho said. Still to be completed is the area devoted to language classrooms and listening stations.

Student enrollment figures, which are still subject to change as more students are entering, everyday show 307 freshmen, 323 sophomores, 221 juniors and

215 seniors. This is approximately 300 more pupils than the school accommodated in its first year.

Twenty teachers are new to Governor Livingston while several have transferred from other schools in the Union County Regional District. Miss Barbara Wejle, Mr. Arthur Bonnet and Mrs. Pept Herbst are new to the English department. In Science Mr. Richard Duggan, Mrs. Barbara Fibberts and Mr. George Whiting are new this year. In Mathematics the new teachers include: Mr. Robert Seyfarth, and Mr. George Mackrin, who has been at the Arthur L. Johnson school for three years. Language teachers include: Mrs. Elizabeth Reinke, Mrs. Marion Herrmann and Miss Alberta Heintz, who will teach French during the morning at the Clark school and in the afternoon at Berkeley Heights. In Physical Education there are two additions, Mr. Robert Martin and Mr. Howard Tozier. Social Studies additions Mr. David

## World Peace Baha'i Topic

The Baha'i World Faith as the true solution to world peace, racial and religious unity, will be discussed at a public meeting at Great Hall, Cooper Union, Astor Place Eighth Street between Third and Fourth Avenue, New York City, on Saturday, September 22 at 8:00 P.M. The meeting is co-sponsored by the Baha'is of Springfield along with various Baha'i Communities in New York, New Jersey and Connecticut.

Speaker for the occasion will be Dr. Firuz Kazemzadeh, noted historian and writer.

Brody and Mr. Gilbert Davis who is also a transfer from Arthur L. Johnson.

Mr. Joseph Aigner will be teaching the classes in electronics. Miss Barbara Berzansky is taking over speech and drama; Mrs. Lydia Brichle is teaching in Business Education; and Mr. Kenneth Gleason is new in the Guidance Department. Mrs. Alice Leschick will teach three classes in the field of Home Economics.

## Women's Clubs Hold Conclave

The New Jersey State Federation of Women's Clubs will hold the 7th District Fall Conference on Monday, October 8th, at 10:15 a.m. at the First Presbyterian Church in Caldwell. Luncheon will be served at 12:30 p.m. at the Women's Club of Caldwell and the afternoon session will follow.

Mrs. Douglas G. Wagner, State President of the New Jersey State Federation of Women's Clubs will be the keynote speaker and her topic will be her theme, "Seek, and Ye Shall Find." Other guest speakers from State Federation will be Mrs. Louis M. Richards, Financial Secretary, on "The Golden Touch" and Mrs. G. Russell Behmer,

## Garden Chairman on 'Our Heritage'

There will be a short musical interlude to open the afternoon session. A program has been planned to give club women a better understanding of Federation and of the various projects sponsored by the Department. District Chairmen will give brief outlines of their departmental plans for the coming year and will serve as hostesses for luncheon. Luncheon reservations may be made to Mrs. Henry Kieffer, 23 Irwin Place, Caldwell, N.J.

## P-T-A Has Tea

A tea and social were held by the James Caldwell School P.T.A., Springfield, on Monday, Sept. 17th at 3:15 P.M. in the school auditorium to mark the opening of this year's P.T.A. meetings. A short business meeting, presided

## over by Mrs. D. Mattice, vice-president, preceded the tea.

Reports were given by various committee chairmen. Mrs. S. Haas, Publications Chairman, gave a brief talk on the advantages of subscribing to the Parent Teachers Magazine. She pointed out the many interesting and helpful articles it has to offer all age groups. Mrs. D. Mattice, on behalf of Mrs. S. Kroeger, Finance Chairman, announced that the P.T.A.'s annual card party and fashion show will be held on November 13. Clothes for the fashion show will be from the Babs Shop, Summit. Mrs. H. R. Forsyth, principal, then introduced the members of the school staff to all those present.

## F.D. Rothenberg Awarded Coveted Insurance Honor

Franklyn D. Rothenberg, Manager, United States Life Insurance Company, was awarded the coveted Chartered Life Underwriter designation at National Conferment Exercises of the American College of Life Underwriters in Chicago, Illinois on September 19. The American College of Life Underwriters grants the C.L.U. or C.L.U. Associate designation to persons in life and health insurance, who pass a series of professional examinations and meet the stringent experience and ethical requirements of the College. Mr. Rothenberg was awarded a Bachelor of Science degree from New York University and has completed various advanced life insurance training courses. He is currently an instructor of Life Underwriter Training Council classes, in addition to membership in The Newark Life

The New Jersey General Agents and Managers Association. In the community Mr. Rothenberg is an officer of The Millburn-Short Hills B'nai B'rith and The Millburn-Lions Club. Mr. and Mrs. Rothenberg and their three children reside at 114 Adams Terrace, Springfield. The C.L.U. program was established to meet the professional education needs of the men and women who provide life and health insurance service for the public. Persons who attain the Chartered Life Underwriter designation are privileged to use the term or its abbreviation (C.L.U.) after their names and to wear the C.L.U. key. They are also eligible to become members of the American Society of Chartered Life Underwriters, a professional body whose principle objective is to maintain high standards of insurance service

## Members Honored

A coffee in honor of the new members coming into the Rev. and Hoe Garden Club of Westfield was held by the Membership Committee at the home of the President, Mrs. Thomas O. Gilson, 382 Orinda Circle, on Thursday morning, September 13th.

The Membership Chairman, Mrs. John S. Breitenstein, introduced the club officers and the committee chairmen who explained the activities of the various committees.

The first meeting of the season will be held in the garden of Mrs. Gilson on Wednesday, September 19th, at 12:45. Members are requested to bring a garden chair.

After a brief business meeting, the new members will be introduced to the club by Mrs. Breitenstein, Membership Chairman, and the Yearbooks and Newsletters distributed by Mrs. William V. Hartigan, Publicity Chairman, and her committee.

The program "Springtime Beginnings in the Fall" by the Horticulture Committee will be presented by the chairmen Mrs. Enos T. Westrich and Mrs. Edward J. Higgins, and will show preparation - what bulbs to plant and where to get them.

## Ladies Ass'n Plans Season

The Women's Association, Mountaineers, is looking forward to another busy season. At the 1st Board meeting held on September 11th, The Treasurer Mrs. Everett Perkins, reminded the officers that the Fall payment was due on the pledges and for the Circle leaders to remind the others, and that she would accept any new pledges to help meet our obligation to the three missionary agencies, the sewing and the Christmas box.

Mrs. Herbert Banfield, Literature Chairman, announced that she would like to receive books, children's and adult paper backs and hard backs - and Golden Books - to be sent to Stony Point, N.Y. for overseas distribution.

Mrs. Russell Cutter, World Service Chairman, and Mrs. David Riker, Sewing Chairman, issued an urgent plea for more women to come out and sew on Tuesday mornings. Our assigned quotas will not be met unless your help is given. There will be sewing in the Church on October 2nd and 16th from 9:30 until noon.

Mrs. W.R.C. Miller, asked for old white sheets for cancer dressings.

## Years First Hadassah Meeting

Mrs. Seth Ben-Ari of Mountaineerside was the principal speaker at the first open meeting for the season of the Westfield Chapter of Hadassah, Monday, Sept. 10, in the home of Mrs. Joseph Rosenblum, 2 Byron Ct., Westfield. Mrs. Ben-Ari who recently returned from an extensive tour of Israel presented her impressions of the miraculous achievements in that country within the past half-century. She told of the thrill of visiting the modern city of Tel Aviv built on miles and miles of sand dunes; of a visit to the ancient fortress of Armageddon where 5,000 years of history have been exposed by the excavations of archaeologists. "The emotional impact," said Mrs. Ben-Ari, "is difficult to describe of such experiences as that of planting a tree in one of the new forests which are turning green the Judean Hills so long neglected by uncaring rulers.... of the fertile valleys where only swamps existed two years ago and of the modern city of Beersheba which was a mere Bedouin trading post five years ago." She concluded with a description of the greatest thrill of all, to be as a Hadassah member, the sight of the magnificent Hadassah Hospital and Medical Center, the latest of the many educational, training and research centers established by Hadassah.

Twenty-one new members were welcomed into the Chapter by Mrs. Herbert Seidel of Mountaineerside who presided. Mrs. Sol Schwartzman, vice-president in charge of program, presented an original skit, "The Golden Girls," written by Mrs. Walter Averick also of Mountaineerside. Mrs. Schwartzman was vocal soloist and Mrs. Warren Victor, piano accompanist for the musical presentation, a satirization of the Executive Board of the Chapter.

Mrs. Seidel announced that she, Mrs. Arthur Rogow, Vice-President in Charge of Fund-Raising, and Mrs. Herbert Feldman, Vice-President in Charge of Membership, will represent the chapter at the National Convention of Hadassah in Pittsburgh, Sept. 16-19.

TRAPPED—Picture of skunk trapped in garbage can at the home of S. Bloom, 75 Kew Drive, Springfield. The skunk and its family had been frequent visitors to the Kew Drive area. Mr. Bloom reports that it became trapped when it went after a batch of "blintzes" thrown in the can. The ASPCA was summoned to take care of the animal. (Dick Schwartz)

**Wins Mention**

**At Indiana U.**

Charyl Ios, 141 Salter, Springfield, won mention on the Deans' Honors Lists at Indiana University for the spring semester as a result of individual scholastic achievement.

Students in the Junior (freshman) Division are so honored by earning a "B" grade average. Sophomores and upperclassmen must earn an average of nearly "B" plus, or 3.3 out of a possible 4.

Those selected to the Dean's Honors Lists are invited to participate in the annual Founders' Day Program in May when the University marks its birthday with tribute to scholastic excellence.

**Dr. Pierce To Speak**

Headquarters Newark Contract Management District Air Force

Systems Command will commemorate the Fifteenth Anniversary of the United States Department of the Air Force, 18 September 1962, with a "Dining-In Night" at the Essex House, 1080 Broad Street, Newark. The Officers and Civilian Personnel of the District will join with representatives of industry in observing the occasion.

The Principal Speaker will be Doctor John R. Pierce, Executive Director, Research-Communications Principles Division Bell Telephone Laboratories Inc., Murray Hill, New Jersey. Dr. Pierce is the recipient of a number of awards, including the Stuart Ballantine Medal and holds the Honorary Degree of Doctor of Engineering from the Newark College of Engineering and Doctor of Science from Northwestern University. He is also the author of "The Theory and Design of Electron Beams," "Man's World of Sound" to mention a few. One of Dr. Pierce's recent achievements was his engineering, design and development of Teléstar.

**Girl Scouts On Television**

Girl Scouts in the Washington Rock Girl Scout Council area will join millions of viewers across the nation on Monday night as the 1962 Roundup story flashes across their TV screens.

"The Road to Button Bay," which will be seen on Channel 2 September 24, 9:00 p.m. to 10:00 p.m. (Station WCBS-TV) is something new in evening TV. It is a real-life treatment of the 1962 Girl Scout Senior Roundup at Button Bay, Vermont, which was attended by two Senior Girl Scouts from Scotch Plains.

Filmed by Drew Associates, the prize-winning documentary film unit of Time, Inc., and sponsored by General Foods Corporation, "The Road to Button Bay" will be shown over the CBS-TV network in prime evening time.

The TV story of Roundup—largest encampment for girls ever held in the Western world—will be told through the experiences of a patrol of eight Senior Girl Scouts from Kansas, three of whom are specially featured.

But since the movie cameras followed this group to several events involving many or all of the 10,000 Roundup campers, local Girl Scouts will be hoping for a glimpse of someone they know.

"We hope," says Mrs. John Foster, President of the Washington Rock Girl Scout Council, "that everyone in Scotch Plains will be watching 'The Road to Button Bay.' We are sure it will be an enjoyable hour, and we think it will give many people a new appreciation of what Girl Scouting means to our teenagers."

The Scotch Plains girls who attended the Roundup as representatives of the Washington Rock Girl Scout Council are: Gail Messemer, 1927 Bartle Avenue and Elizabeth Painter, 210 Hawthorne Street.

Washington Rock Girl Scout Council is a member agency of the United and Community Funds.
