

Congratulations!

Now Let's Get Down To Business

Because of mechanical and time limitations in publishing last week's issue, the Springfield Sun was unable to congratulate the winners of the local political campaign which we forthwith and wholeheartedly now do.

The Sun joins with all of Springfield, both victors and vanquished in wishing Mayor Philip Del Vecchio and Carmen S. "Mike" Catapano the best of everything.

By their victory these two will now have an opportunity to close ranks, throw away all that

campaign rancor, unite and start attending to township business.

It was, we'll agree, an interesting, bustling, crackling and verbose kind of a campaign -- with both sides pouring on the ammunition. None of the four candidates for the office of Township Committee was the target of this campaign abuse. Most of it was directed towards top drawer party workers. There was nothing to attack as far as the integrity, the honesty and capability of all four candidates is concerned.

Target For Both Sides

Now that the election is over -- the Monday morning quarterbacks, the band-wagon-hoppers and the second guessers are flexing their political muscles, shouting "We showed 'em!"

More than a week after the election, the Springfield Sun has discovered that the shouts of "We showed 'em!" was the shrill shriek of victory against the publishers of the Sun.

Which was surprising and somewhat ludicrous

since loyal Democrats have also been very critical and abusive during the entire campaign regarding the handling of campaign literature for their candidates.

This election campaign was not our baptism of political fire. We've been through such campaigns before. This year, especially, more political venom and mud-slinging splattered the county, state and nation than ever before.

Politics Can Hit New Low

Those breast-beaters who couldn't stand the heat in the kitchen this year might derive some comfort from the kind of selfish, low kind of politics the people of New Hampshire were subjected to. The usually rock-ribbed Republican State of New Hampshire staged a Pler No. 5 brawl in the Spring primary in which the incumbent Governor Wesley Powell was soundly beaten by John Pillsbury for nomination to the office of Governor.

The Democrats nominated John W. King to oppose the Republican entry, Mr. Pillsbury.

and vanquished can salvage some glory out of the results. The vote was close. The victory was not exactly a mandate but it was a victory well won and we are confident both Mayor Del Vecchio and Mike Catapano will make many contributions towards the progress of Springfield.

There was no real apathy in Springfield and the voters spoke their piece. There was some evidence of party allegiance, some organization loyalty but the vote was proof that the citizen does some serious thinking of his own.

The defeated candidates were not clobbered. Enough of the voters evidently thought that Del Vecchio and Catapano would be best for the Township's progress. If it were all blind loyalty to a political organization, the Republican candidates would have received the same staggering number of votes given to Congressman Flo Dwyer and State Senator-elect Nelson F. Stamler.

It's a matter of history now: the Republican Gov. Powell announced publicly that he would support the Democrat, King, and then rushed through the state asking his constituents to cast their ballots for the Democrat.

The Democrats won the gubernatorial contest in New Hampshire -- for the first time -- because of this low grade kind of political chicanery. Springfield's campaign is over -- both victors

This May Surprise Critics

Before drawing the curtain on this year's political campaign we would like to reiterate the position of a weekly newspaper -- the Springfield Sun -- in the handling of publicity during a heated contest. Publicity handouts, even with the quotes by the candidates, are usually prepared by press agents, public relations men or party workers.

The Sun published all of them -- not edited -- not deleted -- and we kept the originals in case there was any question. Both sides received equal time -- equal space.

REPUBLICAN CANDIDATES AND ONLY 6 FOR THE DEMOCRATS.

There's no reason for "the above item" except that several very reputable residents of Springfield especially denounced the Sun for publishing so many pictures of the Democratic candidates. The truth is -- it appeared with the Republican candidates and only 6 for the Democrats -- just to emphasize the numbers.

If you were publishing the Sun -- and we were surprised to discover how many in Springfield already could handle this job so much better than the present editor -- where would you start "refusing to publish or cutting out a lot of the written content?"

Except in this case; and even the editor was very much surprised when the check was made; FROM AUGUST 16 ISSUE TO ELECTION DAY -- THE SUN PUBLISHED 17 PICTURES WITH THE

We Don't Set Fires; We Report 'em!

Using an old cliché -- the Springfield Sun "does not set fires -- we report them."

When something transpires at a public meeting -- at a regular meeting of the Township Committee -- it isn't good journalism to ignore it and not publish anything in the local weekly newspaper.

The daily newspapers, circulating throughout Springfield, published every bit of news -- concerning the political explosions at the Township meetings. They published every item before the Sun did -- but we'll wager anything that their editors did not receive any of the abusive letters and telephone calls we did from both Democrats and Republicans.

The Sun is aware of a planned, well arranged boycott of this newspaper. At first, we were ready to believe that a few orders to cancel subscriptions were just coincidental. But, when the numbers increased, all with the same reason -- "politics" we are fully aware that this "cancel-your-Sun-subscription" is pretty well organized.

We regret losing these regular subscribers -- some of whom have been reading the Sun for many years. But, if not agreeing with the contents of a newspaper, devoted to giving each side of a political controversy equal time; if this is their reason -- we can only say, "What else is new?" -- S.O.S.

One more thing -- before wrapping this up:

UNICEF Drive Is Success

Children Total \$900 for Cause

Over \$900 was collected this past Halloween by Springfield children for UNICEF according to the Parents Committee who sponsored this annual fund-raising drive.

All monies were collected in milk cartons by the various assortment of "goblins," "witches" and "angels" who tricked or treated for this worthwhile United Nations cause.

The collected \$900 represents an increase of approximately \$540 over last year's effort when a directive from the National Congress of Parents and Teachers ordered the Springfield P-TA not to sponsor the annual Trick or Treat Drive for UNICEF. Because of this directive, a group of Springfield mothers hastily organized a drive of their own which netted \$359.55.

This year's Parents Committee, in a letter to the SUN, wished to extend their gratitude to all the children of Springfield who carried their milk cartons for UNICEF on October 31.

The Committee also wished to thank all those parents who helped directly and indirectly to make this year's drive such a successful endeavor.

A vote of "deep appreciation" was also given to the teachers and school administrators who helped with the flyers and provided empty milk cartons; the Springfield Police Department which provided help and escorts when needed; the National State Bank of Elizabeth which took

GET YOUR TICKETS

Regional High School's Senior Class would like to announce that tickets are still available at the door for the November 16 production of "The Many Loves of Doble Gillis" which will be presented by the Seniors in the school auditorium. According to those who have witnessed rehearsal, the show shapes up to be one of the best ever presented on the Dayton Stage.

Top To Get New Lights

Nine additional street lights on new streets on Baltusrol Top were authorized by Springfield Township Committee Tuesday night in Municipal Building. On the recommendation of the Jersey Central Power and Light Company additional installations will be made on the following streets: Fern-Hills, Far-Hills, Tree-Top, Vista, and Highlands. Cost of the installation will amount to an increased monthly billing of \$22.13.

In addition, increased illumination was also authorized on Shunpike Road between Baltusrol Way and Eton Place. This change will increase the monthly billing by \$2.50.

A request was received from Stanley Kadish, a member of the audience, for additional lighting in Smithfield Drive. The resident was advised that part of the responsibility rests with the developer and that the builders reply in this matter is expected to be received by the next Township Committee meeting. Also being considered is the rearrangement of lights in the area, it was announced.

5 To Join In Service

Five congregations and their respective spiritual leaders will join together to observe Thanksgiving communally in Springfield next Wednesday. This year's Joint Service will be the sixth such annual observance and will include the participation of the Antioch Baptist Church, Labah Wellington, Pastor. The other congregations are: The Methodist Church, Benjamin Gilbert, Pastor; The Presbyterian Church, Bruce Evans and Donald Weber, Pastors; Temple Beth Ahm, Reuben R. Levine, Rabbi; Temple Shalom, Israel Dresner, Rabbi.

Worship has been planned jointly by the clergymen and will be conducted with the participation of all of them. Reverend Donald Weber will preach the sermon. The Service will be held at the new building of Shary Shalom on South Springfield Avenue at 8 P.M. on November 21st. The collection that night is dedicated to UNICEF.

Springfield

A MEMBER OF THE WATCHUNG WEEKLIES NEWSPAPER CHAIN

VOL. 33 NO. 5

SPRINGFIELD, N.J., THURSDAY, NOVEMBER 15, 1962

OF A COPY

Ask Change Township Government

Petitions, requesting a change in government for Springfield, have been prepared and will be circulated throughout the Township this week end so that a referendum may be held before March 1, 1963, and the election of new township officials on the second Tuesday in May of next year.

The petitions call for a change in the present form of government to the strong Mayor and five members of the Council, all six to be elected at large.

The petition for a change in the present form of government has been inaugurated by a group of citizens, not affiliated with any political party in Springfield, with the hope that "the bad press for Springfield and gutter politics indulged in during the recent election campaign will be forever eliminated."

The strong Mayor and Council form of government will do away with all political party labels and all candidates will run for office without regard to politics. Any number of candidates can run for Mayor and the five at large members of the Town Council, and the highest vote getters are declared the winners.

Springfield has just emerged from one of the "dirtiest political campaigns" and the petitioners for a change in government are confident this new form of government in Springfield will save the Township from very bad publicity and attract many more qualified candidates for office who will not need the support of any political party.

The committee for the change government here is confident that more than the necessary signers can be obtained so that they may be submitted at an early date to Township Clerk Eleonore Worthington.

The present Township Committee must, by law, immediately set a date for a referendum which will give the voters of Springfield an opportunity to approve or disapprove of the strong Mayor and Council form of government for Springfield.

When the voters decide in favor of such a change, the committee feels confident that the Township Committee will then set the second Tuesday in May, of next year, as the date for the elections. Holding the election in May will eliminate all politics since it will divorce the township elections from any influences of the general political campaigns.

Residents Ask That Safety Problems Be Examined

Concern Over Junction Displayed

Dr. Benjamin H. Josephson of 201 South Springfield Avenue, Springfield, Tuesday night appealed to Springfield Township Committee at its regular meeting in Municipal Building to make every effort to solve the traffic and safety problem in the area of the Shunpike Road, South

Springfield Avenue and Milltown Road junction.

Two schools -- Chisholm and Gaudineer -- and Temple Shary Shalom are located at the intersection.

The doctor went on to explain that Monday he was involved in what could have been a serious

accident. He contended that the area is unprotected many hours that some of the children are passing there, and pointed out that a solution to the problem is badly needed.

Mayor Philip Del Vecchio called upon Enslly Bennett, township traffic consultant, to update Dr. Josephson on the matter. Mr. Bennett advised the doctor that that the situation is being proposed at that location. The matter is "in the mill" so to speak, Mr. Bennett reported, but the design of such features naturally cause delay and need the approval of both the state and county. The township consultant agreed that there have been many "near misses" at the site but added records show only two accidents this year and one last year, which represents a "relatively good accident experience."

Chancellor or any other change in the traffic regulation offers the possibility of causing a greater number of actual incidents, Mr. Bennett said.

Committee member Vincent Bonadies declared that he doubted canalization can solve the problem and inasmuch as the route involved a lazy-S-curve, such an innovation would increase speaking for those drivers familiar with the route. Consideration would be given to a light at the location, he said, which would slow down traffic at the intersection. Mr. Bennett explained that canalization would still be needed with such an addition so that the vehicles could be put in their proper place.

Revise Parking Area Ordinance

Meter Rates Established

At its regular meeting Tuesday night in Municipal Building, Springfield Township Committee adopted on final reading an ordinance revising the ordinance regulating and controlling parking at the municipal parking lots

in Springfield. There were no objections from the audience during the public hearing on the measure.

The ordinance established the following rates at all parking lots where municipal meters are installed as follows: one hour, five cents; two hours, 10 cents, and 12 hours, 25 cents. Meters are presently installed only at Municipal Parking Lot Number 1, located at Center and Hannah Streets. The township also has another lot, Number 2, opposite Caldwell Place off Morris Avenue. Meters are not installed there. Meter time is designated as between 7 A.M. to 6 P.M., excluding Sundays and holidays.

Limitation is also set on the weight of the vehicle. Violators are liable to a penalty of not more than \$50 or imprisonment not

more than 30 days.

Committee member Vincent Bonadies declared that he doubted canalization can solve the problem and inasmuch as the route involved a lazy-S-curve, such an innovation would increase speaking for those drivers familiar with the route. Consideration would be given to a light at the location, he said, which would slow down traffic at the intersection. Mr. Bennett explained that canalization would still be needed with such an addition so that the vehicles could be put in their proper place.

Dems File Today For Recount

Springfield Democrats are filing necessary papers today applying for a complete recount of all the votes cast in the recent election for Township Committee.

The unofficial voting machine count showed that Democratic candidate Howard S. Smith lost by only two votes. Absentee ballots, added later, made Smith a loser by 8 votes.

The application for a full recount of the 13 districts in Springfield is being filed with the Union County Board of Elections. Signatures in the registration books are also being studied, according to a Democratic spokesman.

Del Vecchio's unofficial total was 3334 and Catapano, 3290. Smith polled 3282 and Louis Cethaml, the other Democrat, was given 3189.

Springfield Democrats feel confident a recount will give Smith the required number of additional votes for election.

Del Vecchio, the Republican high man, received a total of 3334 which is 52 more than Smith and 145 more than Cethaml's total.

The votes of all four candidates will be checked, the Democrats say, and with 6,668 ballots cast, "there's no telling what the results of the recount will be."

(Continued on page 2)

Mayor's Industry Committee Busy

The Mayor's Industrial Committee of Springfield held its regular monthly meeting on November 7, 1962.

Among the topics under discussion was the industrial brochure, which will be coming off the press by the end of November, as presently planned.

"This brochure is designed to attract industry into the remaining industrial sites," said one of the committee members. "There has been much effort consideration and reconsideration expended in this joint project by the Mayor's Industrial Committee and the Springfield Chamber of Commerce. We all expect the brochure to do a commendable job in presenting Springfield as a fine community in which to live, work and play."

"Another project which is being completed shortly is the sending of a letter to all industries in town. The letter is being drafted in order to inform industry of the function of the Committee.

"In short, they are to create and maintain a favorable atmosphere for industry presently here and for those to establish here."

"In that vein, a Grievance Committee has been formed and is active. Their first action was to contract for signs at both township lines on Route #22, announcing to traffic their entry into Springfield.

Another item brought to their

attention on and which they are presently working on is the parking problem in the Brown Industrial Tract.

"Here a potentially dangerous situation exists, inhibiting at times the flow of traffic. Further, with winter upon us, snow can be difficult to move when the streets are blocked."

"We expect to keep the actions of this Committee before the public by press releases from time to time, by just lists, comments or suggestions are welcome. Please refer them to the Mayor's Industrial Committee, at the Springfield Township Hall," the statement concluded.

Elks Lodge To Honor Rulers

Springfield Lodge of Elks will hold a Dinner Dance in honor of the Past Exalted Rulers, on Saturday, Nov. 17, 1962, at the Springfield Steak House, Rte. 22, Springfield, N.J. The committee in charge of tickets reports that a large attendance is expected, and that a good program has been arranged for the evening.

The Past Exalted Rulers of Springfield Lodge are: Richard M. Blake, Vincent J. Bonadies, Herbert E. Fay, Robert T. Marino and Thomas B. Rogan.

Some Interesting Figures In Local Election Results

Studying the elections results of last week in Springfield reveals some very interesting facts.

Using the unofficial figures as published following last week's election, the totals show that Township Committeeman Arthur

Falkin is still high man of all GOP candidates with 3345 votes in last year's campaign as compared with the 3334 received by Mayor Del Vecchio this year. Mayor Del Vecchio ran about even with his effort last year for the one year term. He polled 3292 in 1961 and 3334 last week.

An unusual figure in the election results of last year and this year is that present Township Committeeman Robert Hartgrove polled a total of 3189 in 1961 and Louis Cethaml, the Democratic candidate, this year received the exact number of votes -- 3189.

The Democratic candidates, Howard S. Smith and Louis Cethaml, actually increased the number of votes received this year as compared with the 1961 elections.

Richard M. Sullivan polled 3031, Peter Finnerty, 2916; and John C. Pitney, 2882, in 1961. Both Howard Smith and Cethaml increased these figures in last week's election.

Another interesting result in analyzing the election figures is found in the total number of people voting. Last week a total of 6668 voted out of the 8341 registered.

In 1961 a total of 6571 voted of the 8245 registered. The highest number of votes ever received by a local candidate was the 4528 for former Mayor Vincent J. Bonadies in 1960. That year 7816 voted out of 8376 registered during the Kennedy-Nixon campaign.

Nixon polled 4338, Rep. Flo Dwyer, 4870; and Senator Clifford was given 5096. Bonadies won by more than 1500 votes, his total of 4528 surpassing even the 3375 polled by President John F. Kennedy.

Pancake Kitchen Seeks Variance

To Build Restaurant Here

Application for the construction of a new restaurant by the Pancake Kitchens, and the building of a 13 unit apartment house both in what is designated as prohibited zones will be considered by the members of the Board of Adjustment next Tuesday evening, November 20.

According to information received from Board of Adjustment officials, Max Sherman, former Township Attorney, is representing both applicants for these variances.

The application for the restaurant is on behalf of Pancake Kitchens to be constructed at 40 Millburn Avenue near Saks Fifth Avenue stores.

An ordinance, passed in September, 1960, prohibits the construction of new restaurants in

Springfield which now, according to an official court, the Township has 23.

Plans for a high class restaurant to be located on Morris Avenue were rejected in 1960.

The other application is for a 13 unit apartment house at 575 Morris Avenue on behalf of a Robert Allen, which is now used car lot. The address is zoned for business and the applicants will seek a variance before the Board of Adjustment for a change.

In 1960 an application was made for a pizza restaurant at this 575 Morris Avenue, according to information received from the Board of Adjustment officials, but it was rejected because of the ordinance prohibiting any more restaurants.

Safety

(Continued from Page 1)

When Dr. Josephson asked whether it would be possible to provide temporary protection until the matter is resolved, Committeeman Russell Sibole informed him that a survey is being conducted by the police department. A complete report, including the situation or rainy days, should be available by the next Township Committee meeting, he said, and if adopted provision is indicated it will be furnished. Committeeman Bonadies insisted that a traffic light should be considered at the intersection. He recommended that a traffic count be taken there and the state petitioned to survey the area and indicate where a light should be placed. He stated that the state will affirm or deny the need for a light. Let them come up with the recommendation, let's not try to determine it ourselves.

The traffic and safety situation in this area, long the concern of the Board of Education, was emphasized Monday at 3:50 P.M. when a nine-year-old youth was knocked off his bicycle by an automobile at South Springfield Avenue and Fitzstones Dr. The boy was Nathan Kaufman of 45 Country Club Lane, Springfield, who was taken to Overlook Hospital by Springfield First Aid Squad. Driver of the automobile was Gerald Joff, 42, of 240 Broadway, Passaic. Both the auto and bicycle were going north on South Springfield Avenue at the time of the accident. The driver told police the bicycle cut in front of the car. Patrolman Robert Polewka investigated.

At the Tuesday night Township Committee meeting, the youth's father presented the township for their services as provided in the form of police and first aid assistance.

The question of licensing bicycles arose from a member of the audience, who said such a program would be a good idea, encouraging children to have responsibility and also as a measure to discourage theft. Township Committeeman Bonadies reminded those in attendance that he made such a recommendation four years ago and "got on his head chewed off by the mothers in the community."

The committeeman pointed out that he advocated this proposal as a training safety program and had asked the police department if it would conduct such a project, giving the youngsters instruction on the rules and regulations of the road. "These bicycle riders will be the drivers of the future," he noted. Committeeman Bonadies said that he has a file on a complete program of this type and it would be available for such an undertaking.

Mrs. Eleanor Northington, township clerk, was instructed by Mayor Philip DeLoe to put the subject on the agenda for discussion at the next executive session.

Parking

(Continued from page 1)

Committeeman Russell Sibole in commenting said that he, Mayor DeLoe, the police chief and Traffic Consultant Dent were satisfied with the new proposal and urged its adoption. A prohibition in the previous ordinance prevented all-night parking and this ordinance remains silent on this aspect. In addition a six-hour maximum existed in the old law. "These stipulations hurt our own people as well as commuters and these lots should be made available to the people of Springfield as much as possible at no cost," Committeeman Sibole pointed out. It was also felt that the lot would provide convenient parking for General Greene Village.

Township Committee voted unanimously in favor of adopting the proposal, with Township Committeeman Vincent Bonadies recommending that the ordinance should not be abused by taxis or trucks taking advantage of all-night parking.

Announcement was made of the reception of two sets of plans from the State Highway Department in connection with the proposed Routes 24 and 78 through the township wherein the relocation of sanitary sewers are designated. Township Engineer Walter Kozub reported that letters have been forwarded the state informing it what provisions the township would like incorporated in the plans. He advised the Township Committee he has received no reply to this communication as well as no answer to another request asking for state funds as a contribution to the cost of engineering services involved in this matter.

The report of the Assessment Commission recommending improvements in Stiles, Mecks, Ruby, and Diven Streets, was accepted. Final hearing on the proposal will be held December 11. The work involves curbing and related matters. Another report of the Assessment Commission concerning additional sidewalks in Shunpike Road involving three property owners was also accepted. November 27 will be the date of the final hearing on this recommendation.

A resolution was passed lifting the deed restrictions of Robert W. Cull, 104 Battlehill Avenue, involving lots 14-17 inclusive. A deed restriction stipulated 75-foot frontage. It was noted the property was in a 60-foot zone with other houses in vicinity on 50-foot frontage. It was emphasized that the resolution was not approval for construction and that in the event the owner wished to build houses he should make application to the Board of Adjustment.

Township Attorney James Cawley was directed to negotiate with Isaac Cottler for the purchase of property in Milltown Road needed for realignment in connection with the approach for a new bridge proposed by the county with the appraisal price of the property to be used as a guide and if efforts failed, he was authorized to take steps towards condemnation so that there would be no further delay in gaining access to the strip.

A communication was received from Monroe Markovitz of Elizabeth, lawyer of Westmark Builders, informing Township Committee that his client was anticipating the return of a subdivision bond. It was reported that according to the township engineer the builder's work was not yet completed with no connections made to the storm sewer system and that the township had not agreed to return these monies. The clerk was directed to inform the lawyer that there was no such understanding with the builder and that the township was endeavoring to reach a conclusion on the sewer problem.

Young GOP Meet on 18th

The regular monthly meeting of the Young Republicans of Springfield will be held Sunday, November 18, at the home of

Henry S. Wright

President and Chairman, Henry S. Wright, 53 Colfax Road. The meeting will begin promptly at 8 p.m.

Items of business to be discussed will be: the Annual Convention in February, officer candidates for 1963, teen-age GOP groups, and the significance of recent local elections.

All members, former members, interested Republicans and members of the press are invited to attend this meeting.

To be eligible for membership in the Young Republicans one must be between the ages of 20 and 40 and a resident of any of the twenty-one municipalities in Union County.

Represent Beth Ahm At Meet

Mrs. Sol Levitt, Sisterhood President, Mrs. Harry Wernischner, Vice-President, Mrs. Sam Greenfelt, Corr. Secy, Mrs. Meyer Biddleman, Gift Shop Chairwoman, were the four delegates representing the Sisterhood of Temple Beth Ahm at the National Women's League Biennial Convention at the Concord Hotel, New York, Nov. 11-15, 1962.

SENIOR EFFORT--Seniors at Dayton Regional High School rehearse third act of Senior Play "The Many Loves of Dobie Gillis" which will be presented at the school auditorium on November 16. The actress is Bethanie Baucher as "Limbo Lamb". Actors are Alan Yablonsky as "Mr. Harrington" and Jeff Martin as "Mr. Pigrass". (Dick Schwartz)

Name Kempler Fund Chairman

Alan W. Kempler of 24A W. Bryant Avenue has been appointed chairman of the Springfield Retarded Children's Fund for the 1962 campaign conducted by the Union County Unit, New Jersey Association for Retarded Children, it was announced today by Joseph Higgins, County Campaign Chairman.

"Section Vice-Chairman must be appointed by this weekend," said Mr. Kempler, while accepting the chairmanship, "to head up teams of volunteers who will help pass contribution envelopes to their neighbors."

"Between November 26th and December 3rd, we hope to make every Springfield resident aware of the need to expand the day school, summer camp, recreational and sheltered workshop programs for the mentally retarded," Mr. Kempler stated. "We need 200 volunteers to help us in this fine community effort. I would like to ask every adult and teenager who can spare a few hours to help the drive to call our headquarters, Chestnut 5-3400, or my home DRexel 6-8792."

"The 1962 goal of the Union County Unit, New Jersey Association for Retarded Children is \$33,000.00, and Springfield's portion is \$1,800.00. This annual drive conducted in Springfield will certainly draw the resident's attention to the needs of Union County's 15,400 mentally retarded children and adults," concluded Mr. Kempler.

Mr. Kempler, a graduate of Columbia Law School, attended the University of Paris, France, and is an associate of the law firm of Toner, Crowley, Woolper & Vanderbilt in Newark. He formerly served the Springfield Community as Chairman of the Advance Gifts for the March of Dimes, and is now Chairman of the Israel Bond Drive in Springfield.

Planners Classify Application

Springfield Planning Board Thursday-November 8, at a regular meeting in Municipal Building classified the application of Anthony Di Venuto for the subdivision of property in Caldwell Place as a major subdivision. The builder proposes to divide the property into five lots for the construction of houses.

The application of Baltusrol Top Inc. concerning three lots in Tree Top Drive was classified as a minor subdivision. The applicant plans to divide three lots into two.

The application of Harry Tzses for the classification of a subdivision plat was denied on the grounds that the proposal did not conform with the zoning ordinance. The applicant wanted to divide two lots in Robin Court into three lots and was advised by the board that one lot contemplated would have a 32-foot arce, whereas the zoning ordinance requirement calls for 60 feet.

Planning Board meeting are usually held the first Tuesday of every month at 8 P.M. in Municipal Building.

League Work At Library

"A Look At Our Schools" is the title of the exhibit in the main hall of the Springfield Public Library, as well as the title of a survey compiled by the League of Women-Voters of Springfield.

The display the League has put up includes a map of the Township with streamers which pinpoint the locations of the different schools leading out to pictures of each building, and several copies of the booklet which have been purchased by the library for its collection.

"A Look At Our Schools," a survey, will be on sale in public school lobbies on November 19, the night of P.T.A.-Open House. Anyone wishing further information may contact Mrs. Leo Newman (DR 9-9662).

Flo Dwyer, Stamler Top GOP Vote ; Oriscello Leads Dems

Congresswoman Florence P. Dwyer, always a top vote getter in Springfield, again led the entire ticket in the Township with a total of 4025 in the recent elections. She lost only two of the 13 Springfield districts, the eighth where she was beaten 220 to 208 and in the eleventh with 309 to 265.

State Senator-elect Nelson F. Stamler, also a favorite in Springfield, lost only three districts in the Township, defeating the Democratic candidate, H. Roy Wheeler by 1100 votes.

Sheriff Ralph Oriscello, only Democrat to win re-election to a county office, ran a remarkable race in Springfield, winning five of the 13 local voting districts. Where Congresswoman Dwyer defeated her Democratic opponent by more than 1700, and Stamler won from Wheeler by more than 1100, Sheriff Oriscello was beaten only by approximately 500 votes in Springfield.

Director of the Board of Freeholders Jay A. Stemmer was top vote getter for the Republican incumbents seeking re-election with a total of 3362. Freeholders Mary C. Kanane and Raymond Moore kept pace with Stemmer with votes of 3339 and 3324, respectively.

Sheriff Oriscello won the eighth district 274 to 143, the 10th by a vote of 340 to 233, the 11th by 351 to 203, the 12th 321 to 225 and the 13th by 166 to 162. All these figures are without the absentee ballot count.

PTA-OPEN HOUSE

The James Caldwell School P.T.A. will hold its annual "Open House" on Monday evening November 19, 1962 at 8:15 P.M. in the school auditorium.

Mrs. John Schoch, President will preside over a short business meeting. Following this meeting, parents will visit their children's classrooms. Here the teachers will present plans for the year and parents will have an opportunity to see the work their children have been doing. Work done by the pupils will be on display.

Cinquina At Naval School

Carl A. Cinquina, seaman apprentice, USN, son of Mr. and Mrs. V. J. Cinquina of 61 Park Lane, Springfield, N.J., is attending Radarmen School at the Naval Training Center, Great Lakes, Ill.

The class is to be graduated, Dec. 21.

The 24-week course covers navigation and position plotting by radar, scope interpretation, and the operation and maintenance of radar equipment.

To The Editor

Thank you very much for the splendid cooperation you have shown in helping to make the Springfield Red Cross Community Blood Program such a success.

It is through this media that we can tell our story to more people and this is proven by the tremendous response to our appeal.

Since each of us plays such a significant role in projects such as these, it is important to understand each other so we could offer the people of our town many wonderful services.

Thank you again, not only as the chairman of the Springfield chapter, but as an individual who is in a position to so thoroughly appreciate the fulfillment of the needs of our community through these projects.

Sincerely,
 John C. Gacos
 Chapter Chairman

On Air Carrier

Frederick F. Heyeck, aviation ordnanceman airman, USN, son of Mr. and Mrs. Frederick F. Heyeck of 171 Baltusrol Ave., Springfield, N. J., is serving aboard the attack aircraft carrier USS Independence with an air squadron.

Church To Sponsor "The Prodigal Son"

The chancel play, "The Prodigal Son", will be presented by the Princeton Seminary Merlyn Theater Drama Team at the First Presbyterian Church of Springfield on Sunday evening, November 18, at 7:30 p.m. The players will re-enact the story of the Prodigal Son in contemporary costume and setting-- all action taking place within the sanctuary.

The characters in this well-known Biblical story will be portrayed by Seminary students and wives. This Team achieved nation-wide acclaim in their former presentation of "Christ in the Concrete City."

Know Your Postman....

Local Postman Loves Talking To The Kids

Today's Postman of the Week is Anthony G. De Paola, 25, of 174 Oak Street, East Orange, who says he loves to talk to all the children on his route. The mailman has a little baby girl of his own, named Antonette Theresa. He is also interested in all sports and reading.

De Paola insists that he has ever had any unusual experiences during his postal service. He started as a temporary in Newark in 1957 and came to Springfield September 11, 1960, as a temporary and the following month became a regular. His route includes Evergreen Avenue, Archbridge, Janet, Christy, Cottler, Milltown, Mohawk, Smithfield, and Ruby.

An East Orange High School graduate, he completed two years of courses from the University, A.C.

Anthony G. De Paola

of Maryland while in the Army and spent 1955 to 1957 in the U.S. Army as a launcher crewman at a Nike site.

Anthony is married to the former Miss Dolores Barra of Maplewood and his affiliations include Blessed Sacrament Holy Name Society, Elmwood-Washington Little League, Sons of Italy, National Association of Letter Carriers, and Tremont A.C.

The award was given to Mr. Olinsky indicating that he is presently the leading Oldsmobile Sales Manager for the entire area.

Livingston Senior Play Set For Tomorrow Night

"The spirit and cooperation of these seniors have made them a responsible group to work with," said Miss Barbara Berezansky today as rehearsals for the 3rd annual senior play go into the final week at Governor Livingston Regional High School in Berkeley Heights.

"Onions in the Stew", a comedy adapted by Betty MacDonald from her best-selling book of personal experiences, will be ready for production tomorrow, November 16 in the high school auditorium. Curtain time is 8:15.

The entire class has worked to make this play a success along with the able help and encouragement of the faculty, according to Miss Berezansky. Miss Beth Worthington is assistant director. The sets have been designed and built under the direction of Mrs. Janet Greffrath. Mr. Peter Festante and Mr. Chester Kroppnick, Mr. Clifford Robinson has directed the students on the publicity and ticket committees.

The cast which has made up entirely of seniors includes: Ginny Stewart, Carol Ann, Diana Williams, Jane Ward, Don Chamberlain, Michael Webb, Tom Spiegel, Margot Zelsky, Anita Russo, Diane Hutblinsen, Diane Lyons, Pat Ruellet, Debbie Leverson, Sandra Scott, Brian Steffens, Linda Teresa, Phil Dietz, Gerry Hausman, Karin Anderson, Bill Arnold and Judy Cenci.

The student director coordinating all the student committees is Judith Cenci.

Dolores Parker is chairman of the costume committee with the following members: Judy Allen, Elena Caruso, Linda Davies, Lynn Fitch, Bunny Jason, Joyce Lewicki, Barbara Makholm, Janet Nolte, Diane Shallock and Carol Sheldon.

The properties committee members are Jean Wall, chairman; Carol Shallock, Mary Stefan, Sandy Harris, Barbara Olcese, Carol Blom, Arlene Gerken, Leona Mays, Norbert Russo, Pat Hakowich.

The make-up will be done by Polly Thornton, Car of Newburgh, Jane Jackson, Mary Ann Miretta, Nancy Stoppey, Sandy Alexander, Suzanne Best, Linda White, Sue Tompson, Kaye Lipscomb, Lee Johnson and Merri Freeman.

Tickets can be obtained from any member of the senior class and are being distributed by the following students who are also handling the publicity: Brian Steffens, Diana Lyons, Barbara Scott, Lynn Christianson, Linda White, Sandy Harris, Leslie Cleveland, Leona Mays, Lois Dazzay, Diane Wilke, Mary Stefan, Pat Hakowich, Carol Sheldon, Penny Thornton, Bunny Jason, Sue Benz, Pat Amodeo, Jean Wall, Tom Ferrare, Marlene Traeger, Ann O'Connell, Arlene Gerken.

Hospital League To Hold Dinner

Springfield League of the Children's Asthma Research Institute and Hospital at Denver

presents a Paid-Up Membership Supper on Thursday evening, November 15 at 7:30 P.M. at Temple Beth Ahm, 60 Baltusrol Way, Springfield.

Mesdames Oscar Baroff and Seymour Greer, Co-Chairman,

with the help of their committee, Mesdames David Adler, Abram Block, Irwin Bross, Myron Ogonsky, Vincent Scalara, Phillip Shaw, Sol Weltman and Larry Zwillman will have prepared a most delicious supper for the enjoyment of the paid-up members and their guests.

After a short meeting to be conducted by Mrs. Irwin Bross, there will be a game night with prizes to be awarded.

The speaker of the evening, it is hoped, will be a past patient of the Home in Denver who is now fully recovered and leading a very active, very healthy life at home.

Miss Todres plans to major in French. She is the daughter of Mr. and Mrs. Joseph Todres, Phyllis Boardman of 508 Springfield Ave., Cranford is the class representative to the School judicial board. A prospective art major, she holds a State Rehabilitation commission scholarship. She is the daughter of Mr. and Mrs. Henry M. Boardman. Virginia Barne of 530 Jefferson Ave., Rahway is a member of the regulations committee for commuters. Miss Barne, daughter of Mr. and Mrs. George D. Barne, was editor of the creative writing magazine at Rahway High School. She plans to major in biology at Douglass.

Three U.C. Girls Get Douglas Post

NEW BRUNSWICK -- Three Union County girls have been elected to freshman class offices at Douglass College, the women's division of the State University.

Renee Todres of 50 Garden Oval, Springfield has been chosen secretary of the class. A graduate of Jonathan Dayton Regional High School where she was treasurer of the French club,

Deborah Plans Children's Show

Mrs. Morton Goldberg, V.P. Ways and Means of Suburban Deborah announced plans this week for a children's movie.

Let's Talk

BY ANNE GETTER

Thank you for calling and giving me some interesting information about yourselves, just keep it coming. Phone no. is 273-3073, if busy try again.

WELCOME TO THE WORLD DEPT: Born at Overlook Hospital on Nov. 2; a girl to Mr. and Mrs. Donald Gooney of 47 Morris Ave., SPRINGFIELD; a boy to Mr. and Mrs. Frank Guida of 261 Berkeley Ave., BERKELEY HEIGHTS; a boy born to Mr. and Mrs. Jack Mowry of Ralph Place, BERKELEY HEIGHTS. On Nov. 3, a boy born to Mr. and Mrs. Richard Deeg, 5 Oxton Road, BERKELEY HEIGHTS, a boy born to Mr. and Mrs. Daryl Schwichtenberg of 82 Martins Lane,

BERKELEY HEIGHTS. On Nov. 5th a boy born to Mr. and Mrs. Alfred Parker of 646 S. Springfield Ave., SPRINGFIELD; On Nov. 7th a boy born to Mr. and Mrs. Robert O'Connor of 161 Robbins Ave., BERKELEY HEIGHTS. Can't wait to read the SPRINGFIELD branch of the League of Women Voters' booklet "A Look at Our Schools" which will be on sale in all the schools on Open House night, Nov. 19th. Or, if your prefer, call Mrs. Leo Newman at DR 9-5737.

A new idea for club meetings: Have it at a restaurant as Mrs. Florence Efrus, Mrs. Reba Block and Mrs. Peg Brownstein did when they hosted the board meeting of the SPRINGFIELD League of the Children's Asthma Research Institute and Hospital at Denver (known as CARH) last Monday. It was at the Chi-Am Chateau and among the things discussed was their coming Theatre Party "Borscht Capades" at the Mosque Theatre Dec. 1st. There are still some tickets available, just contact Mrs. Marder, DR 6-2305.

Good luck to Miss Andrea Burgard, daughter of Mrs. Robert C. Burgard, who has just become a freshman at Westminster College, New Wilmington, Pa. Miss Burgard is a graduate of SCOTCH PLAINS-PANWOOD H.S.

Miss Diane Sigrid Mroczek, daughter of Mr. and Mrs. Raymond R. Mroczek of 257 Hickory Lane, MOUNTAIN SIDE, was initiated into the Phi Iota chapter of Delta Delta Delta social sorority at West Virginia University, West Virginia.

Some people I know are leaving for a trip to Africa including northern Nigeria, Dakar in Senegal, Accra in Ghana on Dec. 11th. They will be very glad to contact any friends or relatives who live there or are in the Peace Corps, etc. just let me know and I will forward the info.

Marietta College, Marietta, Ohio reports three students enrolled in their college from this area: Mr. Lawrence R. Graham, son of Mr. and Mrs. Robert B. Graham of 1221 Terrill Road, SCOTCH PLAINS, Mr. Robert V. Seltzer, son of Mr. and Mrs. Clarence L. Seltzer of 32 Sherwood Road, SPRINGFIELD and Mr. Alan K. Preston, son of Mr. and Mrs. Ebenezer K. Preston of 145 Bryant Ave., SPRINGFIELD. Good luck to you all.

DEAR MRS. GETTER: My husband has gone out for rolls for breakfast. It has been twenty years and he has not come home. Do you think I should have breakfast without him or should I still wait? Please advise. Sincerely, Hungry.

DEAR HUNGRY: Eat. Best of luck to Miss Judith Miller, daughter of Mrs. Amy Miller of 2260 Elizabeth Ave., SCOTCH PLAINS, who has enrolled in the dental assistant's division of Lyons Institute of Medical Tech, in Newark.

Congratulations to Miss Mary A. Price of 1015 Charles St., MOUNTAIN SIDE, daughter of Mr. and Mrs. William A. Price, who is one of ten seniors at Simmons College, Boston, Mass. to begin a six-week student teaching program. See you.

Why you should choose National State as "your bank"

You can save, have your checking account, borrow for a home or car... use any bank service... in one convenient stop at your nearby National State office. Doing all your banking here, you'll become known by the bank... and this provides an excellent credit reference when you need it. What's more, when you want advice on any banking prob-

lem, the people at National State are more than glad to help you.

National State Bank is interested in your financial progress... it offers every service... and its officers and staff welcome the opportunity to be helpful - all good reasons for making it "your bank"!

Nulton of Hillside, Commissioner of former Elizabeth Hillside & Linden Girl Scout Council; Mrs. John Foster of Mountainside, Council President; Miss Myra K. Flint, Council Executive Director.

SCIENCE NOTEBOOK

BY HANS KLEIN
UNION COUNTY REGIONAL HIGH SCHOOLS

The last hundred years has seen greater changes developed by humanity than any other period in history. Although the continuous acceleration of change has been most apparent in the twentieth century, the seeds of the ideas presently flourishing germinated long before the last century.

Whether all aspects of our present state of development are wholly for good or not, today's technology has wrought the greatest changes. And this technology is almost wholly the brain-child of Western thought and culture. British, Germans, French, Ital-

- SCIENCE QUIZ**
1. Will Western culture maintain its supremacy in technology?
 2. When did the countries of the West begin to falter?
 3. What non-Western country has made the most rapid technological advances?
 4. Is the culture of the USSR slanted more toward the East or West?
 5. Have the peoples derived from Western Europe shown superiority in technological genius?

fans, Duch, Scandinavians, and western Russians have been the most outstanding European contributors to technology. Only the United States; and to a lesser extent, other countries whose heritage is directly derived from these European countries have made significant contributions to modern technology.

It is most doubtful if Africa and Asia could have made important technological advances without Western interference. British colonialism, accused so often of exploitation, should also be credited with raising the sights of its former subject races. Perhaps it isn't strange after all that we hear so little of malediction-out of the former British colonies against their rulers of yesterday.

- ANSWERS**
1. It still maintains it, but the relative importance of Western culture has waned, as Spengler predicted in his "Decline of the West."
 2. World War I was the beginning of the end for Western supremacy.
 3. Japan developed a high degree of technology in less time than any other state; although the advance was not due to their genius of originality.
 4. The USSR straddles East and West, but its technical culture is wholly of Western origin.
 5. There is no doubt that the peoples of European stock have shown a greater genius for organizing science to practical ends than peoples originating anywhere else.

Singer Steve Lawrence will be seen in his first straight video dramatic role in an early episode of the new NBC "Sins and Sinners" series. He will play a convict in this newspaper sketch.

Drama Team To Work At Church

The chancel play, "The Prodigal Son", will be presented by the Princeton Seminary-Merlin Theater Drama Team at the First Presbyterian Church of Springfield on Sunday evening, Novem-

ber 18th, at 7:30 p.m. The players will re-enact the story of the Prodigal Son in contemporary costumes and setting—all action taking place within the sanctuary. The characters in this well-known Biblical story will be portrayed by Seminary students and wives. This Team achieved

nation-wide acclaim in their former presentation of "Christ in the Concrete City." Prior to the evening's production, the players will be guests at supper of the Westminster Fellowship high school group. A cordial invitation is extended to the public to attend this presentation.

Would you like to work at the new Hahne & Company-Westfield?

Our new store in Westfield will open early next year. We are now accepting applications from people who would like to work in this store when it opens, and would like to acquire experience in our Montclair or Newark stores during this holiday season. This will enable you to become better acquainted with Hahne & Company, its people and its policies so you will be prepared to serve the people of the Westfield area when our store opens. We will be happy to discuss the opportunities at Hahne & Company with any person who would like to consider a career in retailing. Miss Murphy, Mrs. Smith or Mr. Kern in our Personnel Office in the Newark store, or Mr. Baker in our Montclair store, will be glad to give you full information at any time. The Personnel Offices are open each day from 9:45 to 5:30, and in Newark until 9:00 P.M. on Wednesdays. You may call for an appointment at Market 3-4100, extension 124.

Westfield Hospital Campaign Opens

The Westfield Hospitals Campaign, jointly sponsored by Overlook and Muhlenberg Hospitals, opened this week with the full endorsement of Mayor Burr A. Towl, Jr., of Westfield.

Initiated by a group of Westfield sponsors last year, the Westfield Hospitals Campaign brings home to the people of Westfield the facts that in terms of usage, Overlook and Muhlenberg are Westfield's Hospitals. Westfield is the largest user of each facility next to its own home community. More than 2500 Westfielders turned to these two hospitals for medical aid last year. Four out of every five West-

field babies are born in Overlook or Muhlenberg.

The combined \$10,000,000 expansion programs undertaken by these hospitals have been largely to meet the needs of the outlying towns they serve, like Westfield.

Mayor Towl, urging wholehearted support of the Westfield Hospitals Campaign, pointed out that Overlook and Muhlenberg have served Westfield for many years and will for many more.

The Mayor explained that the newly formed Hospital Council in Westfield itself is purely investigatory; its decisions far from made as to whether or not Westfield should have its own hospital.

Mayor Towl's statement reads: "To the People of Westfield: This week, a group of resi-

dents of Westfield are again undertaking a joint campaign to raise capital funds for Overlook and Muhlenberg Hospitals. Their actions deserve the wholehearted support of all of us.

"Lest any of you feel that, as the Westfield Hospital Council has been formed and charged with the task of answering the question, 'Does Westfield need a hospital of its own, or should its citizens support our area hospitals?', this support is no longer needed, I would like to point out certain facts.

"First, we do not know what the decision of the Council will be;

"Second, even if they decide that Westfield needs a hospital of its own, the road is long before such a goal can be reached;

Third, we are using these facilities at the present and will for many years.

"Therefore, I urge you to earnestly consider this appeal for support and to respond as your heart dictates."

Westfield sponsors of the campaign include: Clarke Smith and Philip D. Reed, Jr., both Governors of Muhlenberg Hospital; Willis G. Coe, Robert J. Lincoln, Alfred H. Meyer, and James W. Taylor, all Trustees of Overlook Hospital; and Robert Bottorff, Albert M. Falcone, M.D., Kenneth E. Hill, Nelson H. Jordan, Burton W. Kellogg, W. H. Lycan, C. Chesney McCracken, E. T. Moore, Henry C. Parsons, Everson F. Pearsall, Nancy F. Reynolds, and W. Arthur Staub, M. D.

Little Joey Fornaro

Hospital's "Patient of Year" Is Overlook Campaign Boy

Overlook Hospital "Patient of the Year" is a three-year-old boy—a brown-eyed imp who became one of Overlook's best loved patients in his eight week fight to recovery after almost being burned to death.

To look at little Joey Fornaro today, it is hard to realize that he came to Overlook burned severely over fifty per cent of his small body, in all degrees. After eight operations and delicate new techniques of skin graft-

ing, Joey is now happily at home. He is the son of Mr. and Mrs. Nofrey Fornaro of 131 Woodland Road, Murray Hill and Fornaro Farms, Berkeley Heights.

Joey was chosen to be Campaign Boy in Overlook's Annual Giving Campaign, beginning this week, because he offers dramatic evidence of the value of a modern community hospital, close to home, and the vital importance of advanced medical technique and equipment.

Flash Fire

Emergency victim of a flash fire, Joey's life was touch and go when the New-Providence Rescue Squad brought him to Overlook. The child had carried an open jar of lawn mower gasoline into his basement-burn area. When it spilled, the fumes burst into flames almost instantaneously.

Joey, barefoot and in shorts, received third degree burns on his legs and feet, first and second degree in other exposed areas—

arms and hands, face, neck and head, sections of his back and abdomen.

"It happened in seconds," said his mother, Mrs. Betty Fornaro. "He came running out, on fire. In the time it took my sister to move from one chair to another, Thank God he came out so we could smother the flames," she added. "He had to run through a sheet of flames to get out and he might have gone farther inside where the fire hadn't spread yet."

Life Fluids Oozing Away

The immediate danger in such extensive burns, especially in children, is the loss of vital body fluids, oozing out raw areas. Overlook doctors gave immediate plasma, blood and electrolyte solutions to maintain Joey's life. Antibiotics fought infection, another great hazard.

Next came another medical problem: there was not enough good skin left on Joey's small body to graft to the third degree burn areas of his legs and feet.

Skin grafts, unless from identical twins, do not take successfully from one person to another. New Instrument "Seeds" Skin

Here is where modern medicine again came into play. A new instrument called a Microdermatome made the few available inches of good skin on Joey's abdomen cover the much larger area of his legs and feet.

It sounds like magic, but the Microdermatome in effect "seeds" the skin by cutting a good piece into many other and grow together as the graft takes hold.

The Microdermatome cuts a piece of skin 1 1/2" square into 225 tiny squares of 1/10". The skin patch is then transferred to a special bandage made with accordion pleats, which permits it to be stretched in all directions, spacing the tiny squares of skin apart so they now cover an area of 16 square inches. Like a patchwork quilt the expanded bandages are placed next to each other, tailored to body curves.

Lion's Club makes Gift

The Summit Lion's Club has given Overlook the Microdermatome as an opening gift to the Annual Giving Campaign, which is aiming for \$300,000 this

TEARFUL MOMENT—above, as tender skin graft area on Joey's little legs still hurts after seven weeks, but recovery is well underway. His face, scalp, neck, hands and arms have healed perfectly. Gentle hands remove his socks for whirlpool treatment.

ALL IS FORGOTTEN—as water gently massages and reconditions damaged muscles while Joey splashes in giant 'bubble bath'.

HOME AT LAST—Joey hugs his mother in happy family reunion. Mrs. Fornaro herself feels like a member of the Overlook Family. She has been a patient 14 times and her six children, including Joey, were all born at Overlook Hospital.

year for needed X-ray department expansion.

Eight operations were required to put Joey back on his feet—four to remove damaged tissue and prepare for grafting, two to

change dressings under anesthesia, plus a medical team of surgeon, pediatrician, orthopedist, physiotherapist, and 24-hour nursing care.

Joey grew so fond of his Overlook "family" that he didn't want to leave when homecoming day

came in late October. He even refused to get out of bed! But the promise of his dog Roscoe, downstairs to greet him, and his Nurse Marguerite Coleman's accompanying him home changed his mind. With big kisses for all his friends, Joey was on his

way home.

Thanks to modern medicine and a large dose of Overlook T.L.C. (tender, loving care) one little patient will soon be running around—tribute to the combined efforts of the community and its hospital.

Dayton Regional Announces First Period Honors Winners

First Marking Period Honor Roll SENIORS

Richard Arends, Katherine Aschner, Susan Auslander, Tracy Bachrach, Barbara Baldwin, Carol Belliveau, Carol Billet, Michael Bondurich, Elaine Bouchard, Sally Bryson, Lynn De Rick, Walter Dierckx, Virginia Dooze, Gary Falkin.

Also, Stephanie Fischer, Anthony Giannattasio, Gloria Hirschorn, Diane Jadelis, Beverly Johnson, Karen Kurnos, Gail Kymar, Paul Lenchner, David Liehling, Diane Madsen, Joan Mentzer, John Moore, Kathleen Murphy, Laura Papciak, Roseanne Rappa, Susan Rivkind, Carol Rutz, Carol Schlesi, Nila Shapiro, Lauren Smalley, Natalie Stein, Lois Sytak, Anthony Verlangieri, Kathleen Vonderaa, June Waldman, and Trudy York.

JUNIORS

Skiing In Japan Is Talk Theme

"Skiing in Japan" will be the subject of a talk to be presented to the Madison Ski Club on November 15, at 8:15 p.m. by Marjorie Schultz Maynard, a former club member now living in Tokyo, Japan. Mrs. Maynard is the daughter of Mr. and Mrs. G. Elmore Schultz of Beckman Road, Summit, and since her marriage in 1959 to Edward L. Maynard, Far Eastern Representative of Isbrandtson Co., Inc.,

has made her home in the Orient. The Maynards have been in Tokyo for the past two years and during that time skied extensively in northern Japan.

The Madison Ski Club invites the public to attend this meeting which will be held at the Chatham Women's Club, Main Street, Chatham.

Sinless Fibs

NEW YORK (UPI) — Tom Poston, on leave as panelist on television's "To Tell The Truth," describes the CBS-TV game show as one where "it's a scene to tell a lie."

Let's Dance

HOLLYWOOD (UPI) — Several new dances are introduced in Sam Kataman's "Don't Knock the Twist." They include The Continental, Hully Gully, The Fly, Mashed Potatoes and The Bristol Stomp.

Ghana Official To Address Hadassah

Adusei-Poku of the Ghana Embassy in New York will speak to the Summit Chapter of Hadassah on Monday evening, November 19 at 8:30 P.M. at the Jewish Community Center. The topic of his speech is both timely and important to all of us: "Africa's Emerging Nations."

Adusei-Poku was educated in Ghana and was graduated from the University of Ghana with Honours Degree in Economics. While at the University, he was President of the National Union of Ghana Students and served also on the National Executive Board of the World University Service.

In September 1959, Mr. Adusei-Poku arrived in New York on a post-graduate fellowship to the New School for Social Research where he received his M.A. degree in Economics and where his is now a Doctoral Candidate in Economics.

Adusei-Poku served on the Ghana Delegation to the 16th session of the General Assembly of the United Nations. After the session, he was appointed Press and Information Officer of the Permanent Mission of Ghana to the United Nations.

Adusei-Poku is specially interested in the transitional problems of emergent African Nations, and deals specifically with the social, economic and the cultural aspects of these nations in the United Nations as of special significance to him.

Also on the agenda, Mrs. Robert Latzer will report on how Hadassah Medical Organization is training men and women from Ghana and other African nations in Israel.

Husbands and friends are invited. Refreshments will be served.

Cadet E. Becker Gets ROTC Post

Cadet Eugene B. Becker of Springfield, N.J., has been appointed to a position on the staff of the Air Force Reserve Officer Training Corps (AFROTC) wing at Grove City College here.

The 20-year-old junior, son of Mr. and Mrs. Bruno G. Becker of 151 Baltusrol Ave., Springfield, will be eligible for a commission in the United States Air Force upon graduation.

The cadet is a member of Kappa Alpha Phi.

Girl Scouts Break Ground

Ground-breaking ceremonies were held Wednesday, November 14 to officially begin redevelopment work at Washington Rock Girl Scout Camp Lou Henry Hoover, located on Swartswood Lake, Middleville, N.J. Participating in the event were Mrs. John H. Foster of Mountainside, Council President, Mrs. Henry G. Nulton of Hillside, Commissioner of the former Elizabeth, Hillside and Linden Girl Scout Council and Miss Myra K. Flint, Executive Director of the Washington Rock Girl Scout Council.

The \$141,000 redevelopment program began October 22nd as contracted by William C. Earl and Son of Stillwater Township, New Jersey, following the demolition of old structures on the site. To date foundations have been laid for the caretaker's house and infirmary and the area surrounding the five planned camper units has been cleared. Each camper unit will have facilities for 32 girls and 4 staff members. The unit will include 8 tents with platforms, a cabin, a wash house and a program shelter for rainy day activities and storage.

Camp "Lou Henry Hoover," named for Mrs. Herbert C. Hoover, former National President of the Girl Scouts of U.S.A. and wife of the 31st President of the United States, was purchased in May 1953 by the Elizabeth, Hillside and Linden Girl Scout Council through the efforts of Mrs. Nulton. The land, formerly used as a dude ranch, was converted into a campsite for 126 Girl Scouts' occupancy in late June of the same year.

In 1957 Camp Lou Henry Hoover became a part of the Washington Rock Girl Scout Council through the merger of the several councils in the area. It was operated until the fall of 1961 when redevelopment plans began. The camp will reopen in late June of 1963 with facilities for 160 girls.

The Washington Rock Girl Scout Council is a member agency of the United Fund.

Game Night will be the special feature of the Summit YWCA's Sunday Drop-In on November 18, from 4 - 7 p.m. Games, music, fireside-gatherings, and refreshments offer an afternoon of fun and sociability for single young adults from Summit and many surrounding communities.

The Drop-Ins are scheduled for the first and third Sundays of the month. As the name implies, those interested may just "drop-in" and need no previous reservations. For further information about the current program and future ones, phone Mrs. Walter Stankevich, Young Adult Program Director, at the YWCA, CR 3-4242.

Letter To The Editor

May I take advantage of your Letters to the Editor columns to express my appreciation for the generosity and fairness with which your newspaper reported the 1962 Congressional campaign in Union County, and to thank all those who, in so many ways, contributed to my reelection.

I am deeply grateful for the confidence which Union County voters have indicated in my ability to continue serving them in Washington. The margin of the vote was especially gratifying to me.

As I have tried to do in the past, I shall continue to do everything possible to represent all our

people, without regard to political or other differences, and to act effectively in Congress in behalf of the best interests of our country and our county.

Very sincerely,
FLORENCE P. DWYER
Member of Congress

Polish Club Will Meet

The Polish Alliance-Club will meet on Wednesday evening Nov. 21, 1962 at the home of Mr. and Mrs. Wesley Lewandowski, 173 Mountain Ave. at 8:30 P. M.

Election of Officers will take place and a discussion of a Polish language Course which begins in February of 1963.

Chairman Mr. E. Pachlewski has announced that the Course would be given in the J. D. Regional-High-Adult-School on Wednesday Evenings.

The club, which meets every second month, is social and fraternal. New members are always welcome.

74 Relief Games PHILADELPHIA (UPI) —

Jim Konstanty pitched in 74 games for the pennant-winning Philadelphia Phils in 1950, all in relief.

Executive Suite

NEW YORK (UPI) — When today's executive opens his office refrigerated cabinet, chances are he is reaching for a pot of yogurt or a chilled apple — in place of the traditional whiskey and water.

A manufacturer of refrigerated office furniture here reports the picture of the hard-driving, hard-drinking business man is in for a drastic revision.

The firm said that a recent national poll of big business officials indicated that more than half stock their cabinets with soft-drinks, fruit and milk for their guests' pleasure.

Plant Adjustment

NEW YORK (UPI) — Plants like people, need several months to become accustomed to new environments. This is particularly true of the variety of tropical foliage green plants, so popular for year-round indoor and outdoor decoration. To thrive best, foliage plants coming from the south should have a period of professional "climate conditioning" in northern greenhouses. Northern growers finish and harden tropical plants in porous red clay pots filled with proper local soil mixtures to enable them to adjust better to their climates.

Retarded Children Ass'n Will Meet

There will be a meeting of the Union County Unit, New Jersey Association for Retarded Children, tonight at 8:30 p.m. in St. Luke's Parish Hall, Roselle.

Guest speaker will be Arthur C. Avery of Roselle, a delegate from the Union County Unit to the 1962 Convention of the National Association for Retarded Children, held in Chicago, Illinois, last month.

Mr. Avery will report on "Progress and Problems at the National Convention."

RHS Senior Play Should Be Smash

It's the greatest! It's adorable! It's fun-filled and hilarious! It's "The Many Loves of Dobie Gillis," to be presented by the Class of 1963 on Friday, November 16 in the Jonathan Dayton Regional High School Auditorium. Curtain time is 8:00 and tickets are only \$1.00 at the door.

adorable and energetic Dobie Gillis (Paul Biddleman) falls for social climbing Helen Dixon (Helene Rat) but finally realizes true love in venge and faithful little Bonnie Willet (Tracy Bachrach). Petey Bellows (Rod Green) furnishes Helen's romantic opposite but leaves her at the end for glamorous Limbo Lamb (Bethanie Bauchner). You'll

laugh at the nearsighted old Mr. Pipgrass (Jeff Martin), who reduces even the cast to hysterics. Then there's Mr. and Mrs. Dixon (Arnold Bodner and Karen Kurnos) to liven the scene by "jumping" poor Miss Eorepaugh (Joan Mentzer). By far the wildest in the show are Happy Stella Kowalski (Beverly Ross and her Schottische Five.

The cast members thank above all, their director Mr. Joseph Trinity for a fun filled and educational experience. We thank Mr. David Brodman and his art committee for their work and the set as well as Mr. Richard Kahn for his backstage assistance. We are also indebted also to June Waldman and her Props Committee, Candy Logan and the Publicity Committee, Lee Huntington and her Costume Committee, Sydell Kantor and the Make-up Committee, Kathy O'Brien and her Ticket Committee. We can't forget Tom Speake and the Stage Crew.

Scores of people are involved in our show. We have great actors and actresses, a terrific play, and a fabulous director. All we need is your support**so come and see "The Many Loves of Dobie Gillis" on Friday, November 16.

Local Rotarians To Observe The Rotary Foundation Week

Springfield Rotarians will join with the more than half a million Rotarians in 128 countries next week for an observance of "The Rotary Foundation Week." It was announced today by Dr. Marvin Gould, president of the Rotary Club of Springfield.

The Rotary Foundation seeks to promote understanding and friendly relations between the peoples of different nations. Its major activity is granting Rotary Foundation Fellowships to outstanding graduate students for one year of study abroad as Rotary ambassadors of goodwill. Since this program was established in 1947, as a memorial to Paul P. Harris, the founder of Rotary, 1,594 young men and women from 71 countries have received Rotary Foundation Fellowships for study in 55 countries, with grants averaging about \$2,600. Total grants by the Rotary Foundation for this activity now exceed \$4,000,000.

Manpower Project's twelve-year Science sequence. The meetings featured an address by Dr. Polyskapp Kush, Nobelist in Physics. Other men from the area who attended included Mr. John Conlin, Principal of the Frank K. Hehly School in Clark, a Regional Board of Education member; and Mr. George Schlenker of Kenilworth, a former Chemistry teacher in the Regional schools. Mr. Schlenker is now Science supervisor in the Montclair schools.

Robert Youngans To Be Chairman

Robert Youngans, partner in the law firm of Duglie and Johnstone, Westfield, has accepted the chairmanship of the Mountainside Retarded Children's Fund to help the mentally retarded in the area. The appointment was announced today by Joseph Higgins, County Campaign Chairman of the Union County Unit, New Jersey Association for Retarded Children. The fund drive will be conducted from November 26th to December 3rd.

Mr. Youngans, a graduate of Bowdoin College, University of Virginia Law School, was formerly a Vice President of the Westfield United Fund, a trustee of Westfield Chamber of Commerce, Westfield Kiwanis Club and is a charter member of the Westfield Jr. Chamber of Commerce. He is presently serving as chairman of the Westfield-Mountainside Disaster Committee of the American Red Cross, Vice-Chairman and Trustee of the Red Cross in this area.

Mr. Youngans, his wife and their child reside at 292 Partridge Run, Mountainside.

"One of the major fighting fronts in the battle against mental retardation has been in the field of medical research," said Mr. Youngans in accepting the chairmanship. "Day by day as the powerful light of study is directed upon this problem, more and more causes have been discovered and more and more ways found to combat many forms of it."

"I am told," continued Mr. Youngans, "that David, the child on the poster currently being used in the fund drive of the Union County Unit, New Jersey Association for Retarded Children is afflicted with Down's Syndrome (mongolism). Here is a perfect example of the progress made through medical research."

Dr. W. Davis To Attend Parley

Dr. Warren M. Davis, Superintendent of the Union County Regional Schools, was one of twenty-five administrators from New Jersey selected by the State Department of Education to attend a two-day conference on the program in Science Education. The work-shop, sponsored by the United States Office of Education and the American Association for Advancement of Science, was held at Columbia University on November 5 and 6.

The purpose of the conference was to bring to the attention of school administrators the information which they need to understand the place of the new sciences in the schools of today and tomorrow. Included were discussions concerning the PSSC Physics program; the CHEM-STUDY Chemistry approach; the Chemical Bonding Approach to Chemistry; the three ESCS Biology courses; and the Science

BULLDOGS COULD HELP RAIDERS SATURDAY

We Get A Letter From Two Coeds And We Answer It

We very rarely get letters on the sports desk. Somehow or other, people generally choose to spew forth their literary fire in the fields of politics or fund raising drives.

We are not blaming anyone. Politics should be enjoyed for the moment and then forgotten in anticipation of next week's results.

However, we did get a letter this week, which, from the signatures and content, we figure comes from two high school girls up Governor Livingston way. The young ladies voice justified complaints. It seems they are upset over the fact that all they ever see on our sports pages are action pictures that pertain to Springfield Regional, and, in the girl's own words... "If we wanted to see pictures of the Springfield games we'd buy the Springfield Paper."

Well girls, we sympathize with you. Unfortunately, that sports page you read each week is the Springfield sports page and the Scotch Plains one also.

Dick Schwartz (that's me) has only two hands, three cameras and about two hours to devote to processing Saturday afternoon football pictures. His problems arise when he must be three other places each Saturday afternoon to take other than sports pictures. Since most of his assignments are in the Springfield area, he has to stick close to that town so that at three o'clock he can go to Town Hall to take Ladies Club photos, etc.

But this shouldn't let us off the hook. We're sure our readers are not concerned with our problems. When they buy the paper they expect the best coverage possible.

Well, right now, readers of the Watchung Weeklies Sports Section are getting the best coverage possible but we do have our limitations, and once again we are taking an opportunity to ask for a little help.

At both Governor Livingston and Scotch Plains-Fanwood High Schools there must be a few students who dabble in photography and would like to see their work in the paper. We'd go so far as getting you side-line passes and process your pictures for you... with a credit line. We've looked for these type of people for two years now, and with no luck.

We'd like to do it all but we can do just so much. Miss Kilian and Miss Wilhelm and any other students who are interested... Perhaps you folks know of somebody who fits the above description? If you do, please get in touch with us. We'd like to do more, but to do it, we need your help.

DICK SCHWARTZ

It Happened in New Jersey

The Day Football Began

Rutgers vs Princeton -- 1869

Second guessing the signal caller, the essential privilege of modern football spectators and sportswriters, came into being shortly before 3 p.m. on November 6, 1869, the day Rutgers and Princeton gathered at the Rutgers "ball ground" in New Brunswick to play the first official game of intercollegiate football.

William Gummere of Princeton and William Leggett of Rutgers met in mid-field to toss a coin, another tradition that endures. Gummere won the toss, and then, to the astonishment at least of the editor of Rutgers TARGUM, chose to kick off. That was odd, the student newspaper later noted, "since it had been agreed to start the ball against the wind." Every second guesser knows that a kick into the wind can mean disaster.

Tension enveloped the field as the captains returned to their teams. The TARGUM recorded the scene:

"Calm-looking players were silently stripping each one surrounded by sympathizing friends, while around each of the captains was a little crowd intent upon giving advice, and saying as much as possible."

Spectators flung the field, many of them sitting precariously atop a wooden fence, Princeton's followers burst often into

rehearsed cheers, delighting everyone with a rendition of their "Sis, Boom, Bah" yell. Rutgers responded with its own variety of vocal support, unorganized but loud.

Good feelings had been building since the 10 o'clock train had brought the men of Nassau Hall into New Brunswick. The Rutgers team welcomed their friendly rivals at the station, regaled them at dinner and entertained them with "a stroll about town, during which stroll billiards received a good deal of attention." If such excitement weakened either team, there is no record.

The teams had no difficulty agreeing on rules after Princeton accepted the formal, framed invitation from Rutgers to play "a match game of football."

The field, they had agreed, would be 360 feet long by 225 feet wide (not much different in size from today's gridiron). Each team would field 25 men and the ball could be advanced only by kicking or striking with the flat. Princeton was a gracious guest; whenever there was a disagreement over rules, Rutgers prevailed.

Surely Princeton had every reason for confidence, for to the TARGUM editor, "they were almost without exception tall and

muscular" while "the majority of our twenty-five are small and light." That view was tempered by a judgement that Rutgers players "possess the merit of being up to much more than they look."

Rutgers men wore scarlet turbans, the better to aid team work; and one home team dandy named Williamson wore a scarlet shirt.

Officials chosen from the crowd watched as Princeton prepared to kick -- or "buck" -- the 10-inch round rubber ball (the pig had not yet been called on as a sacrifice for Saturday pleasure).

The thud of toe on ball echoed over the quiet field. Ah, the all-knowing TARGUM editor was correct. The kick into the wind was short. Rutgers moved relentlessly to a goal, powered its way behind a wedge of men that surrounded the kickers and befuddled the Princeton defenders.

That would never do. Gummere instructed a young giant named Edward Michael to scatter the Rutgers interference.

"Big Mike" worked with a zeal that earned him acclaim as long as the game was replayed in memory. Surely "Big Mike" was the first all American; he bowled over Rutgers men like so many ten pins and in every action his burly form

loomed supreme. Nevertheless, superior Rutgers team play carried the home 25 to a 4-2 lead.

Swiftly the tide changed when a loose ball rolled toward the fence, pursued by Michael and a Rutgers man large in name only -- George H. Large. "Big Mike" rammed into Little Large and both of the flying bodies struck the board fence. Down went the boards, tumbling, screaming spectators across the turf. Up jumped "Big Mike" but little George yawned beside the fallen fence.

Princeton took advantage and promptly tied the score, aided by a fortunately nameless Rutgers man who in a moment of doubt either kicked the ball through his own goal or directly at a Princeton man who finished the job. (The TARGUM editor mercifully didn't name the Rutgers miscreant.)

Little Rutgers used brains to overcome Princeton muscle. Captain Leggett ordered his men to keep the ball low and away from the tall invaders. The strategy won the day and Rutgers scored the last two goals to earn a 6-4 victory.

That night players of both teams feasted on roast game and replayed the football match with ever-mounting verbal vigor. Years later a newspaper account written from the confused memory of an aging Princeton man that "Rutgers chased us out of town" brought letters of protest from Princeton men who recalled both the game and the intensely good fellowship that followed.

The following week Rutgers visited Princeton for the same type of hospitality and proved equally good guests, for Princeton (this time using its own rules) scored a rebounding 8-0 victory.

Faculty members on both campuses opposed such singular muscular exhibitions and a scheduled third game was cancelled. However, the good teachers worried in vain, for the boys eventually did well. Captain Gummere of Princeton, for example, became Chief Justice of the New Jersey Supreme Court, and Captain Leggett of Rutgers became a minister and rose high in Dutch Reformed Church councils.

Rutgers waited 69 long years for another victory over Princeton. It came on November 5, 1938, when Princeton visited New Brunswick once more to "dedicate the new Rutgers Stadium."

Jeff Takes Booters

The soccer team of Governor Livingston Regional High School closed out its season on a disappointing note last week when it suffered shutout defeats at the hands of two powerful Union County Conference rivals -- Thomas Jefferson High of Elizabeth and Linden.

Jefferson, which has succeeded Governor Livingston Regional as Union County Conference champion, blanked the slumping Highlanders, 3-0, in Elizabeth.

Linden, which had battled Jefferson down to the wire for the UCC crown and played the Minute Men to a tie in their only meeting, edged Governor Livingston, 1-0, here. Linden's Len Solas headed in the winning goal late in the second period.

For Governor Livingston, the losses brought to a close a season that ranged the scale from pessimism to optimism to disappointment.

Hard-hit by graduation losses, the Highlanders were lightly regarded in pre-season calculations. A pair of victories over two Group 4 schools -- Union and Columbia of South Orange -- as well as a fine 2-1 win over strong Edison Tech of Elizabeth, produced an air of optimism in the Highlander camp.

A stunning loss to Hillside in a UCC game started the Highlanders on a sudden slide out of contention for the Union County Conference title and a loss to neighboring New Providence ended to Governor Livingston's woes.

With the Union County Conference, Watchung Conference and Central Jersey championships safely stowed away, Harris, only a junior but already acclaimed as one of the finest, if not the finest, distance schoolboy runners ever to perform in Union County, will be shooting for the biggest title of all on Saturday, the State Group 4 crown.

This is easily the most coveted title for New Jersey schoolboy cross-country runners. Harris must be accorded the favorite's role on the basis of his many outstanding performances this season as well as his familiarity with the testing Warnanco Park course.

Despite his impressive record this season, Steve is far from a shoo-in to win the New Jersey crown. There are so many factors involved in a state championship race, including considerable crowding at the start, that even a standout runner like Harris can have trouble.

From Our Files...

Blue Devils Clashed With Bulldogs Ten Years Ago

(EDITORS NOTE--As Springfield's gridiron Bulldogs prepare this week for an important encounter with Westfield, a 1962 Union County powerhouse, we thought readers might be interested in an article appearing in the November 6th issue of The Springfield Sun, 1952.

Two of the three Union County Group III kings finally are scheduled to oppose one another on the gridiron, but it has been years since either has had a powerhouse. Thus, the UC gridiron spotlight falls on Westfield this Saturday afternoon as the Blue Devils play host to an unpredictable Regional High outfit.

Still regarded as the cream of the county Group III field, which also includes Linden, Hillside, Summit and Rahway, Westfield and Springfield will fight it out for supremacy. The Blue Devils already have one strike against them, for they lost to Rahway several weeks ago, 14-0.

However, Westfield can get back into contention Saturday with a win against Coach John Brown's Bulldogs, while on the other hand, Regional can re-establish itself after last week's sub-par showing against Union in a scoreless deadlock, the first tie the locals have played since that dramatic Thanksgiving Day clash in 1950 which ended in a 7-7 standstill.

The Bulldog-Blue Devil meeting this Saturday has been in the making for about six seasons but only in 1952 would schedule accommodations allow the match to be slated.

When negotiations to pair the two schools in football were launched, observers say the game would have attracted about 10,000 people. Now the authorities would be satisfied with a 3,000 attendance....

PS-- Springfield beat Westfield 13-0.

WHAT TO DO?--Jack Aggar (11) Springfield Regional quarterback, is undecided as he rolls out in first quarter action against Hillside. Coming up fast are Bob Haas (44) and Drew Wulterman (35). Aggar finally decided to run and picked up a few yards. Rain and wind did not stop Bulldogs from Chalking up 13-0 win against Comets. (Dick Schwartz)

Bulldogs Get Mud And Victory Over Comets

Record Now Stands At 4-2-1

By ARNOLD MINIMAN

At two o'clock in the afternoon last Saturday Springfield Regional football team had clean white uniforms and a 3-2-1 record. By 3:40 the team had muddied outfits and a 4-2-1 mark, due to heavy rains and a 13-0 victory over the Hillside Comets. Ron Puorro scored both of

Springfield's touchdowns, and swam for 89 yards in front of a brave, but wet crowd at Meisel Avenue Field.

Coach Herb Palmer's Bulldogs managed to keep their faint title hopes alive in the Watchung Conference, but must face their toughest opposition of the year, Westfield High, at Westfield this coming weekend. Should the Bull-

dogs beat Westfield and Rahway, Scotch Plains will be Conference champions unless they fall to Clark on Turkey Day. If this happens there will be a four way tie for the title.

The Regional defense was at its best in the first half, holding the Comets to a total of 21 yards and no first downs. Toward the middle of the first half a punt by Hillside fullback Frank Van Dean was partially deflected and Richie Bittle returned the ball to the 3-yard line. Puorro moved it to the one, and then went over for the first score. John Stupak's conversion gave Springfield a 7-0 mark.

Springfield Victory Over Blue Devils Could Give Raiders Loop Championship

Could Be Big Day In Plains

By CY JAMES

Saturday, November 17, 1962 could be one of the most glorious days in the athletic history of Fanwood-Scotch Plains High School. And, ironically enough, neither event which could make it a wonderful day for the Blue Raiders will take place in the township. And, in one event Fanwood-Scotch Plains will not even be a participant.

Saturday, November 17, is a day on which Steve Harris, Fanwood-Scotch Plains' record-smashing cross-country runner will make his bid for the New Jersey State Interscholastic Athletic Association's Group 4 championship at a meet in Warnanco Park, Elizabeth-Roselle.

The same afternoon Springfield Regional High School and Westfield High School will come to grips in a football game in Westfield that will have a strong bearing on whether or not Fanwood-Scotch Plains wins the Watchung Conference title and/or the New Jersey State Interscholastic Athletic Association's Central Jersey Group 4 championship.

Right now, Westfield and Fanwood-Scotch Plains share the Watchung Conference lead with 5-0-1 records. The tie that mars their otherwise perfect records occurred when they battled to a bruising 6-6 stalemate.

Each team has one conference game left, Westfield with Springfield Regional on Saturday and Fanwood-Scotch Plains with Clark Regional on Thanksgiving Day in Clark.

By a fortunate bit of scheduling, Springfield Regional and Clark Regional are the only teams in the Watchung Conference with a chance of sharing the conference title with Westfield and/or Scotch Plains. For this to come about, Springfield would have to upset Westfield on Saturday and Clark would have to upset Scotch Plains on Thanksgiving Day. This could very well happen, but Fanwood-Scotch Plains fans are hoping that only the first part of that parlay works out.

If Springfield Regional can upset Westfield on Saturday, Fanwood-Scotch Plains will have a golden opportunity to walk off with the Watchung Conference title. Such an upset is far from the realm of impossibility.

Springfield's tenacious Bulldogs gave the Blue Raiders their toughest battle of the season, outside of the Westfield game, before bowing 9-6 on a field goal by Haywood Gipson in the final minutes of play.

Springfield has a rugged defense which figures to give Westfield a mighty hectic afternoon. Westfield will be carrying the added burden of a 21-game undefeated streak and could be ripe for an upset.

Fanwood-Scotch Plains has another reason for hoping for a Springfield victory. A Westfield triumph over Springfield might just provide enough Collyton points to assure Westfield of the Central Jersey Group 4 title.

In ratings issued on November 8, with all schoolboy teams still having two games to play, Westfield led all Central Jersey Group 4 schools with 511 points. Scotch Plains, despite its tie with the Blue Devils, was rated 11 points back.

An 11-point margin, based on Westfield's stronger schedule, would not be enough to assure Westfield of getting the nod for the title from the NJSIAA.

A victory over Springfield, which is rated seventh in Central Jersey, however, would enhance Westfield's rating considerably. Such a win would mean far more Collyton points than Scotch Plains picked up in defeating Hillside last Saturday.

And Westfield has the added advantage of being able to gain even more Collyton points on Thanksgiving Day when they take on Plainfield High's powerful eleven. Plainfield is third-rated in Central Jersey and must be rated a good chance of beating out both Westfield and Fanwood-Scotch Plains for the title.

Plainfield, with victories over strong Union and Westfield in its final two games, might pile up enough points to beat out both Westfield and Fanwood-Scotch Plains for Central Jersey honors.

Fortunately for Scotch Plains, Clark Regional has come up with its strongest team in its eight-year history. The Crusaders are rated just a shade below Springfield and will add considerably to the Blue Raiders' Collyton-point rating if the Blue Raiders do the expected and beat them.

All in all, it makes for interesting speculation as the football season races to a thrilling climax. The best bet right now is that Fanwood-Scotch Plains will finish with an undefeated record. That, in itself, will be a mighty fine achievement and would assure the Blue Raiders of at least a share of Watchung Conference honors. Let's concentrate on that accomplishment at the moment!

With the Union County Conference, Watchung Conference and Central Jersey championships safely stowed away, Harris, only a junior but already acclaimed as one of the finest, if not the finest, distance schoolboy runners ever to perform in Union County, will be shooting for the biggest title of all on Saturday, the State Group 4 crown.

This is easily the most coveted title for New Jersey schoolboy cross-country runners. Harris must be accorded the favorite's role on the basis of his many outstanding performances this season as well as his familiarity with the testing Warnanco Park course.

Despite his impressive record this season, Steve is far from a shoo-in to win the New Jersey crown. There are so many factors involved in a state championship race, including considerable crowding at the start, that even a standout runner like Harris can have trouble.

When negotiations to pair the two schools in football were launched, observers say the game would have attracted about 10,000 people. Now the authorities would be satisfied with a 3,000 attendance....

PS-- Springfield beat Westfield 13-0.

Meanwhile, Plainsmen Win 18-0

It could be all up to Springfield as far as Scotch Plains Watchung Conference hopes are concerned as the Bulldogs are all that stand between Westfield and an assured tie for the loop title.

The Blue Devils are currently tied with the Raiders, and the Plainsmen might have to settle for a tie. If Westfield does not fall to Coach Herb Palmer's boys on Saturday.

Scotch Plains, meanwhile, has only Clark to beat on Thanksgiving Day to preserve a now undefeated record of 7-0-1. Westfield is also undefeated and their one tie came against the Raiders.

Scotch Plains had more trouble with the weather than with Cranford Saturday as the Plainsmen ran their unblemished record to 13 with an easy 18-0 victory over the Cougars.

Once again, Plains quarterback Tom Rutishauser with some excellent support from Haywood Gipson, Gary Accardi and Bill Edwards, stole the show. Statistics were heavily in the victors' favor. Cranford chalked up only two first downs to eleven by Scotch Plains and were checked down to a net gain of 14 yards on the ground.

The Raiders made hay on one fumble recovery and two pass interceptions in rolling up 147 yards on the muddy turf and 71 through the air as Rutishauser clicked on seven of 17 aerial attempts. Tom threw home-run passes of 41 and three yards to Accardi and Ricki Wilde in that order in the second stanza and scored his eighth touchdown of the campaign on his own via a one-yard run on the first play of the final period.

Although two big linemen were out of action for the home team (Mark Newland and Mike Donovan) the Plainsmen permitted Cranford entrance across the mid field line only once as the Cougars made it to the 43 late in the first half only to lose eleven yards on the next play as the result of a fumble.

Accardi, who was back in the lineup for the second week, scored on the first play of the second period as he hauled in a Rutishauser pass on the 35 and picked up some top-knotch blocking enroute to the score.

The Cougars had possession of the wet pigskin for one play before Gipson picked up a fumble on the Cranford 33, but the Raiders missed a first and ten byitches on the 23. The Cougars could not capitalize on this break and had to give up the ball on their ten few plays later. From there Gipson dove to the 7 and Rutishauser pitched to Wilde for fourth down for his fourth TD pass on the season.

John Rimmels got Scotch Plains going again in the third quarter with an interception on the Cranford 38. An eight yard sprint by Edwards and a ten yard run by Gipson got the Raiders first downs on the 24 and 9 yard lines. Rutishauser eventually crashed ten yards to the one and went over for the final score.

THE FIRST INTER-COLLEGIATE FOOTBALL GAME IN AMERICA was played in 1869 at New Brunswick. Rutgers defeated Princeton. (William M. Boyd, artist)

Tigers Both Good And Lucky In 20-0 Win Over Highlanders

When you are racing towards an undefeated season as South Plainfield High School's football team is, you have to be good and you have to be lucky.

In whipping a battling Governor Livingston Regional High School eleven, 20-0, here last Saturday, South Plainfield was both good and lucky.

With a heavy rain that started just before kickoff time turning the field into a quagmire, it quickly became obvious that breaks were going to play a big role in the decision.

South Plainfield got two big breaks late in the second period that enabled the Tigers to grab a 7-0 lead at halftime and, of far greater importance, severely damaged the Highlanders' morale.

Governor Livingston had much the better of the action during the first 20 minutes of play. The Highlanders had reeled off three straight first downs after taking the opening kickoff, with Lynn Nesbitt, Bob Clarkson and Ben Russell gaining consistently.

The drive ended on the South Plainfield 19-yard line when the Tigers held for downs on a fourth down and one-yard to go for a first-down situation. From there on the game developed into a punting duel until there were four minutes to play in the half.

Then Lady Luck smiled twice on South Plainfield. First a fine runback of a punt by Clarkson was nullified by a clipping penalty that set the Highlanders back on their own eight-yard line.

Then an attempted quick-kick by Clarkson was partially blocked and South Plainfield gained possession on the Highlander 15.

South Plainfield's offense, which had failed to pick up a first down, suddenly came to life. In five plays the Tigers moved to a touchdown and kicked the extra point for a 7-0 lead.

With the condition of the field becoming worse with each passing minute, it was fairly obvious that it would take a miracle for the Highlanders to overcome this tough break. The miracle was not forthcoming.

Meredith Rice saved a South Plainfield touchdown on the second-half kickoff when he tackled a Tiger runner on the Governor Livingston 45 as he was about to break away for a touchdown.

South Plainfield, however, was not to be denied. The Tigers moved to a first down on the Highlanders' 32. Two plays later a 31-yard touchdown pass put the game completely out of reach of Governor Livingston. A 14-0 lead in playing conditions like those on Saturday made the edge insurmountable.

Governor Livingston's courageous kids gave it a try though. Clarkson returned the kickoff to the Highlander 35. Russell then broke loose for a 24-yard scamper, the Highlanders' longest gain of the game, for a first down on the South Plainfield 41.

Russell and Nesbitt carried for another first down on the South Plainfield 30. The Highlanders moved to the Tiger 25 but John Adams was thrown for a four-yard loss trying to pass on fourth down and the threat died.

South Plainfield then produced a brilliant exhibition of ball control as they moved 71 yards in short bursts against the tiring and mud-covered Highlander defenders. The march consumed the remainder of the third period and a good part of the fourth quarter.

Although Clarkson was the victim of a blocked kick, he turned in a fine exhibition of punting under very difficult conditions. Early in the second period, after a South Plainfield punt had buried the Highlanders at their five-yard line, Clarkson booted a soggy ball from the end zone to midfield. Frank Antonetti also did some fine kicking for the Highlanders.

It was the eighth win of the season for South Plainfield. A victory over North Plainfield on Thanksgiving Day will give the Tigers a perfect season. The loss dropped the Highlanders' record below .500 as it was Governor Livingston's fourth loss against three victories and a tie. The Highlanders will play host to Ridge High of Basking Ridge at 11 a.m. on Thanksgiving Day.

Fireball
SQUAW VALLEY, Calif. (UPI) — A U.S. Forest Service man has converted a baseball pitching machine called the "fireball" into a piece of avalanche-fighting equipment.

Monty Atwater's machine has a range of between 100 and 400 yards and can impact a charge within a 50-foot radius. It thus fills a gap between hand thrown explosives and the 75 millimeter recoilless rifle.

NJ Ping Pong

Jersey City Club Knocks Springfield Out Of First

The biggest upset of the week in the New Jersey Table Tennis League occurred when a hot Jersey City team defeated league-leading Springfield by a score of 7 to 3. Hard hitting Jim Ritz of Jersey City won all three of his matches handing favored Al Nohenson of Springfield his third loss of the season. Raul Kamel of Jersey City won two of his matches, losing only to Al Nohenson. Ritz and Kamel paired up to win the doubles match from Nohenson and Stokes.

Conte Still In 1st Place

Conte's Dell remained three full games in first place in the Springfield Sports League by taking two from A.V.F.W. crew. T. Diamante rolled a high game of 265 in this series.

Bond Electronics jumped from fourth to second place by taking two from Carol Stamping.

Colantone Shoes won two from Sam's Amoco, while P.B.A. won all three from Milton Liquor.

Two hundred games were rolled by S. Donnington, 217, J. Pepe, 205, W. Fischer, 202, M. Latella, 200.

The Standings:

	W	L
Conte	20	10
Bond Elect.	17	13
Sam's Amoco	16	14
Miltons	15	15
V.F.W.	14	16
Carol Stamping	14	16
P.B.A.	13	17
Colantones	12	18

Frank's Auto Is In High

By taking two out of three from Mende Florist, Frank's Auto pulled to within two games of the leaders in another week of action in the Springfield Municipal Bowling League.

Brunner took two from Bunnell to jump into third place just three games behind league-leading Mende.

Other 200 or better scores were recorded by Stan Cornfield, 211, Art Blair, 210, Al Walker, 205, Bob Ewan, 204, Walter Fullerton, 203, George Roessner, 202, Walter Harms, 202, Mario Lincea, 201, Bob Jones, 201 and Vince Policarpio, 200.

The Standings:

	W	L

Cows With Class
COLLEGE STATION, Tex. (UPI) - Purebred, registered dairy cows have more profit-making potential than grade cows, the extension service at Texas A & M College reported.

The Service said a U.S. Department of Agriculture survey showed a typical 30-cow dairy farm would net about \$1,000 more a year by using registered cows.

Football-- H.S. Style

With the exception of last weekend, the weather has been ideal for viewing football games this season. And it has been particularly good for watching the Scotch Plains team, one of the best in the state. The boys are in the midst of one of their best seasons.

Football season goes all two quickly. Thanksgiving is almost upon us and with Thanksgiving the gay, but short-lived, football season is just about over. From then on the football buffs either travel to New York in the icy weather to watch the professional teams or take on the less hazardous method and catch the pros on TV from the armchair with a bit of refreshment nearby.

In our book you can't beat the real McCoy--the game with all the color generated by the people in the stands, the pretty cheerleaders, the big brass bands, the golden flowers in the lapels of the young coeds, and the roar that shakes the stadium when the halfbacks on the home team intercepts a pass and races 70 yards, wiggling and shimmering through a broken field for a touchdown.

You still have a couple of Saturdays left. Why not come out to the game? The air is fine.

Mr. & Mrs. Briggs Return From Vacation Travels

Mr. and Mrs. George M. Briggs of 666 Morris Avenue, Springfield, have just returned from a trip to California, Hawaii, and Nevada.

The trip was given to them as a gift by their family in recognition of their 50th wedding anniversary in August.

The couple traveled by plane to San Francisco where they spent two days before leaving for a 12-day stay in Hawaii. While in San Francisco, they toured Mission Delores, built in 1776, and stayed at the Sheraton Palace Hotel.

While in Hawaii, they lived at the Hotel Princess Kaiulani, Waikiki Beach, and participated in a bus tour of the island, visited Pearl Harbor; National Memorial Cemetery, where a nephew, Joseph Kanzler of Long Island, who died while a Japanese war prisoner during World War II, was buried, and inspected a former palace, now a national shrine—and used for governmental offices.

On their return to this country, Mr. and Mrs. Briggs attended a dinner show at the Palladium Ballroom, Hollywood, during which Lawrence Welk honored them with an anniversary dance

and presented them with an autographed album of records. Their trip was concluded with a few days in Las Vegas, Nev.

Mr. Briggs was retired four years ago from the Ern Construction Co., Route 22, Springfield. The couple have five grown children.

Cat's at Home In Art Class

DALLAS UPI—Ever see a purple cat?

Ostis, owned by art teacher Lydia Eubank of Dallas, often becomes purple, green and other unusual colors when his portrait is painted by students.

Miss Eubank regularly takes her cat to class to let children paint his picture. She puts Ostis on the floor of her classroom and the students place their paper on the floor and begin work.

"I always have them paint their pictures by placing their paper on the floor," Miss Eubank said. "It's more informal that way."

She has been an art teacher for 29 years and now is at the P. P. Gaillet Elementary School, where Ostis models frequently.

WAIKIKI
VACATIONERS—Mr. and Mrs. George Briggs of Springfield stop long enough in Waikiki Beach, Hawaii, for a snapshot before resuming their tour of the islands. The Briggs were given the trip as a gift by their family in celebration of the couple's 50th anniversary.

Those Who Serve

THE CIVIL DEFENSE VOLUNTEER
he helps you prepare for survival...

Making preparations to survive an H-Bomb is more sensible than guessing whether it will ever be used against us.

The Office of Civil and Defense Mobilization is in charge of carrying out the National Plan of survival. This plan establishes the role of the federal government, the states, their municipalities, and individuals in the event of an attack.

The Civil Defense volunteer is your local representative of the OCDM. He gives of his time and effort to see that you are prepared to care for yourself and your family.

How well prepared are you? Do you know the community plan for emergency action? Are you familiar with the warning signals, CONELRAD, your local welfare assistance station? Do you have a fallout shelter? To be alive after an H-Bomb attack, you must be trained to use every mental and physical resource at your disposal.

The National Plan is the federal blueprint for survival; only you can make it entirely effective. Contact your local Civil Defense volunteer for more information. He will be glad to help you prepare for survival.

Duo HOLLYWOOD (UPI) of the Running Man. The film Lawrence Harvey and Lee Remick will star in "The Ballad and will be the duo's first film together.

Family Sunday To Be Observed By Presbyterian Church

The Berkeley Heights Presbyterian Church designated Sunday Nov. 4 as "Family Sunday" and welcomed the Church School teachers, officers and pupils to the worship service. Since Church School convenes at the same hour as worship service is held, plans are underway to have a "Family Sunday" observed "certain Sunday," thereby enabling all to worship together.

Walton P-TA Invites Members To Open House

Members of the Parent-Teacher Association of the Edward V. Walton School are cordially invited to attend a special Open House program in the school on Monday, November 19, at 8:15 p.m. in Springfield.

PREPARING to make rounds in "The Interns" are, left to right, Nick Adams, Haya Harareet and Michael Callan. Also starred are Cliff Robertson, James MacArthur, Suzy Parker, Anne Helm, Stefanie Powers, Buddy Ebsen, Telly Savalas and Kay Stevens. A Columbia pictures release. Starts tomorrow thru Tuesday at the Strand, Summit.

ner return to the Paper Mill Playhouse where she played to sell-out business in "Maggie" in the spring.

One of the great conflicts which confronted Miss Palmer when she was approached to star in "South Pacific" was that she would have to cut her famous long blonde hair. Art, however, triumphed over vanity and she traded herself off to the barber in Englewood, New Jersey, where she lives and faced the unkindest cut of all. Her hair is now two inches long (or short) and the former 18 inches of blonde hair is in her trunk. But that's show biz. She admits that it is worth it because she loves the role of "Nellie Forbush". William Chapman will play opposite Miss Palmer in the role created by Ezio Pinza. The musical will be directed by James Hammerstein. "South Pacific" will be the first in ten years.

Thanksgiving Dinner

A traditional 7-course turkey dinner **\$4.50**
(Half-price for children!)

We combed the countryside to find you the choicest, the plumpest, the most succulent Vermont turkeys available, and our Master Chef-Mentien will be on hand to supervise each detail of their preparation.

Reservations are available for 1, 3, 5, and 7 P.M.

CLOSED SUNDAY AND MONDAY

Following a short business meeting in the auditorium, parents and teachers will go directly to the classrooms. In each of the classrooms, the parents may see the books, workbooks, and work folders used by the children. They may hear the teacher outline the plans for the classroom program for the year. After the program has been outlined, parents will have an opportunity to greet the teacher.

An attendance banner will be awarded to the class having the largest number of parents present at this meeting. Mrs. Howard Bernstein, Hospitality Chairman, and her able committee, will serve refreshments in the auditorium. Mrs. Leslie Rosenbaum, Membership Chairman, again wishes to remind the parents that a booth will be available for payment of membership dues.

The League of Women Voters entitled "A Look At Our Schools." This booklet is a factual survey of our Springfield Schools and all parents will find them very helpful. These booklets may be purchased at our Open House program for \$75.

Patricia Morison At Meadowbrook

Many patrons flock to the Meadowbrook Dinner Theatre Cedar Grove, just to see a name. In Patricia Morison they get a dividend—beauty and talent, as well as a name. Playing to unanimous raves from all-critical reviewers, the lovely star of "Song of Norway" stands out as a brilliant hoise on the part of impresario Gary McHugh whose skill in casting is paying off at his Route #23 Cedar Grove theatre-restaurant all this past week since opening night, as the reservations pour in and the S.R.E. sign goes up.

However, it's the glorious, beautiful music of Robert Wright and George Forrest which astounds the audience every night as an accomplished cast, as one critic put it, (not a clinker in the group), does full justice to it in unafraid volume. The two famed song-writing adapters Wright and Forrest took in Miss Morison's performance Wednesday night, November 7 at the 'Brook and kept the photographers jumping as they thoroughly enjoyed the huge, elaborate production, often generously melodic, lavishly embellished with ballet and even reasonably well-equipped with comedy by such experts as Miss Morison as the temperamental opera star, Clarence Nordstrom as her harassed husband-manager, Tony Gardell as the hysterical producer, and Rowan Tudor as Papa Grieg.

Betsy Palmer To Star In "South Pacific" At Mill

Betsy Palmer will star in "South Pacific", opening at the Paper Mill Playhouse in Millburn, New Jersey on December 26 for a three week run. She will play Nellie Forbush, the role created by Mary Martin, at the Albee Playhouse in Long Island from November 10 through December 2, and take a brief vacation before she opens at the Paper Mill the day after Christmas. Miss Palmer's appearance in "South Pacific" will mark

Special mention should be given to versatile Marvin Sprague, who does a fine job on stage as librettist, off stage as stage manager, and also furnished—the excellent lighting. In addition, the orchestra—under the fine musical direction of Michael Forman, not only excels, but never once goes enthusiastically beyond the requirements. Not a single voice is drowned out of a rendition even during the most deafening crescendos, and there are many

Springfield Girls Study At Institute

Enrollees at Lyons Institute of Medical Technology in Newark include four Springfield residents. Miss Cathie Silance, daughter of Mrs. Margarita Silance, of 171 Linden Avenue, has just successfully completed the course in medical laboratory technology. Miss Silance was a 1960 graduate of Johnathan Dayton Regional High School. Miss Michele Ford, daughter of Mr. William Ford, of 36 Franklin Place, is a student in the medical assistant-technician division. She was graduated last June from Johnathan Dayton Region High School, where science had been her primary interest. Also enrolled in the division of medical assistant-technician is another 1962 graduate of Johnathan Dayton Regional High School, Miss Carol French, daughter of Mrs. Muriel French, 111 Salter Street. Miss French majored in business studies while in high school. Miss Goldine Mack, daughter of Mr. and Mrs. Anthony Mack, of 7 Meckles Street, is a student in the x-ray technician division. She graduated in 1960 from Whittemore High School, Conway, South Carolina. Miss Mack majored in business and science

Thursday, Thanksgiving Day, 9:00 a.m. A service of Thanksgiving will be held at the Chapel with Mr. George Sharp of Kenilworth as the speaker.

NEBRASKA is considered one of the leading breeders of the mourning dove.

Thanksgiving Day Service Planned

A special Thanksgiving Day service, traditional in Christian Science churches all over the world, will be held in this area by First Church of Christ, Scientist, Summit.

Everyone is welcome to the service, which begins at 11 o'clock, Thanksgiving morning, in the church edifice at 292 Springfield Ave.
Hymns, Prayer, and a specially prepared Bible Lesson-Sermon are all a part of the service, which also includes a period for spontaneous expressions of gratitude by church members in the congregation.
The entire congregation will join in reading these Bible verses included in the Responsive Reading: "Now therefore, our God, we thank thee, and praise thy glorious name... O Lord our God, all this store that we have prepared to build thee an house for thine holy name cometh of thine hand; and is all thine own." (1 Chron. 29:18, 19).
On the Sunday before Thanksgiving, a special radio program entitled "The Time for Gratitude" will be presented on the weekly Christian Science radio series, "The Bible Speaks to You." It's broadcast locally over station, WJRZ, Sunday at 10:30 p.m.

Baha'is Celebrate 145th Anniversary
The Baha'is of Springfield observed the 145th anniversary of the birth of Baha'u'llah, Prophet-Founder of the Baha' World Faith, at a meeting at the home of Mr. & Mrs. R.C. Rouse on November 11th. Mr. Lee Tichenor of Philadelphia, principal speaker at the event, said that Baha'is believe Baha'u'llah (meaning the Glory of God) to be the promised one of all ages - the one who would appear in the "time of the end" to reveal Divine teachings for modern man. "His advent was clearly foretold in the Bible and in the Koran."
Just as in the days of Christ, so today most people are unaware of the emergence of new patterns of social and religious experience. When we look back to the days of Jesus, what appears significant to us was undoubtedly overlooked by His contemporaries.
Yet the few followers of Christ were so transformed by His teachings that the record of their achievements continues to astonish the world today. So it is, Baha'is believe with Baha'u'llah, Baha'u'llah's teachings center around a new world order which would permit people of all religious, national and racial backgrounds to recognize points of unity in each other, and to join in the building of a spiritual and social framework which would result in the establishment of a firm and lasting peace.

Center To Show Film
"All Around Arkansas" a color, sound film will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, on Sunday, November 18, at 3:00 p.m.
The film will take the viewer on a trip through modern Arkansas with a visit to Hot Springs and the Ozarkites. The trip will also include a visit to an aluminum plant in operation.
At 4:00 p.m., on Monday, November 19, and Wednesday, November 21, Dr. Harold N. Moldenke, director of Trailside, will conduct one-half hour nature talks for children. The topic selected for the two days is "Birds of Prey." Dr. Moldenke's lecture will be illustrated with color slides.
The Trailside Nature and Science Center is open to the public each weekday, except Fridays from 9:00 to 5:00 p.m., and on Saturdays, Sundays and holidays from 1:00 to 5:00 p.m. The public is invited to visit the Nature and Science Center, view its thousands of exhibits and participate in the scheduled programs. There is no admission charge.

Hiking Club
An eleven-mile hike in eastern Pennsylvania is scheduled for the members of the Union County Hiking Club on Sunday, November 18.
The group, under the direction of Bob Gasser, North Plainfield, will visit the old covered bridge at Mexico, The Pennsylvania Canal, and stop at a watercross spring.
The hikers will meet at Route 22 and West End Avenue, North Plainfield, at 8:45 p.m.

DON'T BUTT YOUR HEAD AGAINST A STONE WALL
Selling a home is a professional job
Leave it to the professional

Leave to the expert those matters in which the expert excels... and that applies to plumbers or printers, bakers or bankers, locksmiths or lawyers.

Selling real estate implies an abundance of knowledge in a highly specialized field. It requires facts on comparative values, financing, mode of presentation, and many other technicalities involved in the sale of a home.

Too late, many folks learn that signs reading "FOR SALE - See Owner" merely attract curiosity seekers or those seeking

to impose distress prices on properties. The net result is lost time, lost money.

Place your confidence in a Realtor. He will represent your best interests. He knows how to show your home in proper perspective. He knows how to make prospects feel at home. He glamorizes what is good. He is familiar with the means by which you can secure your top dollar... and what more can anyone ask?

Don't butt your head against a stone wall. Leave this to the misinformed. The knowing public has learned to trust his or her Realtor.

Ronald Brubaker Awarded Degree

Ronald Lester Brubaker of 267 Timber Drive, Berkeley Heights, is among sixty-two graduate students at Princeton University that were awarded advanced degrees by the Board of Trustees, President Robert F. Goheen announced today.

Twenty-eight were candidates for Ph. D. two for Master of Fine Arts; nineteen for Master of Arts; and thirteen for Master of Science in Engineering degrees.

Forty-seven colleges and universities (thirty-five American and twelve foreign) are represented. There are three each from Bowdoin, Cornell, Lehigh, Rensselaer Polytechnic Institute, Swarthmore, University of California, University of Illinois, and University of Toronto.

Those receiving degrees hail from twenty-two states and nine foreign countries. Three are from Indian and Mexico, and one each from Argentina, England, France, Spain, Venezuela and West Pakistan. New York has nine numbered among the recipients, followed by California

FOR CRYSTAL BALL—These ladies, officers of Ladies of Unico, Springfield, are making plans for their gala Crystal Ball scheduled for November 24 at the Suburban Hotel in Summit. First row, left to right; Mrs. Joseph Principe, General Chairman from Mountaineer, Mrs. Fredrick Puoro, President from Springfield, and Mrs. Vincent Bonadies, Co-chairman from Springfield. Back row; Mrs. Michael Russo Jr., publicity and entertainment chairman, and Mrs. Azeglio (Jim) Pancani Jr., Vice President and Chairman of Patrons. Many honored guests will be in attendance at the Ball including National Unico officials.

Springfield Girl Scouts Report

A district coffee hour was held on November 7, 1962, at Connecticut Farms Church, Union. Mrs. L. Soos, neighborhood chairman for Springfield Girl Scouts, Mrs. J. Leonardis, troop consultant, and these leaders: Mrs. J. Carroll, Mrs. M. Vicedo, Mrs. L. Andrews, Jr., attended from Springfield. Plans were discussed for the renovation of Camp Lou Henry Hoover, in Swartwood, N.J.

Two new brownie troops have been formed by organizer, Mrs. L. Ceihnu, for Sameter School. Leader: Mrs. S. Mazaika, co-leader: Mrs. D. Berraman. Leader: Mrs. H. Mehl, co-leader: Mrs. A. Weiss.

We are in urgent need of leaders in Sandmeier, Walton, and Chisholm School areas. Any one interested please call DR 6-6627 or DR 6-6621.

One In Five Is Stockholder In Springfield

When five people get together in Springfield, at least one of them probably owns stock, according to Elsa Wagman of Springfield, a customer representative in the Newark office of Richard E. Kohn & Co., members of the New York Stock Exchange. Her comment was made on a recent Stock Exchange Survey of American shareholding.

"Residents of Essex, Morris and Union counties are among the country's most enthusiastic shareholders," said Mrs. Wagman. "One out of every five owns stock, as compared to one out of every ten for the national average."

The rest of New Jersey is not far behind our local record. "With 37.4% of the population of the United States, New Jersey contains 5.3% of the country's stockholders," Mrs. Wagman declared.

Dividends received by shareholders in the state totaled \$503,000,000 last year, according to the survey.

experience in book reviewing and had appeared before many clubs in New Jersey. Only the newest books, "the best-sellers" are included in her program. Some are serious, some are humorous, all are entertaining.

Douglas L. Bell Completes Course

Army Pvt. Douglas L. Bell, son of Mr. and Mrs. James Bell, 556 Morris Ave., Springfield, N. J., completed eight weeks of advanced individual artillery training as a cannoneer at Fort Sill, Okla., Oct. 26.

Bell entered the Army last June and completed basic training at Fort Dix, N. J. The 24-year-old soldier attended Regional High School.

Miss Heller Takes Refresher

Miss Jean E. Heller, 389 Meisel Ave., Springfield attended the refresher training course in Diet Therapy at the Veterans Administration Hospital, East Orange, offered by Rutgers—The State University, in cooperation with the New Jersey State Department of Health. Co-sponsors were the New Jersey Hospital Association.

Woodruff P-TA To Gather Mon.

The William Woodruff school in Berkeley Heights will hold its next P.T.A. meeting on November 19, at 8:00. Dr. Eleanor C. Delaney will speak on "Education of the Gifted Child".

Mrs. Rubin Gets Governor's Thanks

Mrs. Robert Rubin, President of the West-Mount Chapter of Deborah Hospital announced that she received a letter from Mrs. Richard J. Hughes, wife of the Governor, thanking the chapter for donating to the hospital in honor of their son Thomas' recovery. The letter was read during a Board meeting at the home of Mrs. Philip Dixon, 711 Radley Road, Westfield on November 6.

Mrs. Irving Seawin, Tag Week Chairman reported that \$553.01 was collected during Tag Week. Of this amount, \$180.23 was obtained by children of members. As a treat for their hard work, these children will be taken to Bowercraft on Route 22, Scotch Plains on Nov. 8. Mr. Ted Miller, proprietor of Bowercraft has generously offered the use of all his facilities to the children at no charge. The chapter will supply the children with lunch. Mrs. Dixon, the treasurer informed the group that she is

sending the hospital a check for \$1,000 to aid them in their free treatment of heart, cancer and tuberculosis patients. Mrs. H. W. Dugdale, Program Chairman reminded those who will be at the November 21 general meeting that it will be a Workshop for the Holiday Bazaar and to bring scissors. The decorations and gift items made will be sold at a "Luncheon with Santa" on December 8 at the Masonic Temple in Westfield. Mrs. H. W. Dugdale and Mrs. Leon Hirsch were named Co-Chairman of that affair and Mrs. Arthur Fenska was appointed Ticket Chairman.

Mrs. Rubin revealed that she attended the weekly luncheon meeting of the Westfield Rotary Club where she presented a citation to Mr. Nathaniel Cohen, West-Mount's Man of the Year and Honorary Chairman of Tag Week. The citation commended him for his generosity and all that he has done for Deborah.

College Club To Hold Tea

The Barnard College Club of North Central New Jersey is sponsoring a tea for high school girls and guidance counselors of Morris and Union Counties, to be held at Kent Place School in Summit on Friday, November 16, at 3:30 p.m.

Mrs. Charles E. Alcock of Chatham will speak to the girls and their advisers about requirements for admission to Barnard, and will describe college life and activities. Two Barnard undergraduates will be present to assist in answering questions.

Lost Articles To Be Sold By Park

Bicycles, watches, and other items found throughout the Union County Park System over the years will be sold by public auction on Friday, November 23, beginning at 10:00 a.m. in the parking area adjoining the Administration Building of the Union County Park Commission, Warrenton Park, Elizabeth.

The sale of the unclaimed property which has been accumulating in the Union County Park Police Department since the department was organized in 1926 was recently authorized by the Park Commission. Included among the items are some forty bicycles, both boys' and girls' models; baseball gloves; folding chairs; golf clubs; men's and ladies' rings and watches; ski poles; tennis balls; animal traps; a transistor radio; cameras; ice skates; a child's red wagon; and a baby carriage.

The auction will be conducted by the Union County Park Police.
