

## Hearing On 22nd

# Proposed Switch For Tree, Rec. Committees

Springfield Township Committee Tuesday night at its regular meeting in Municipal Building introduced two ordinances one repealing the Shade Tree Commission and the other repealing the Recreation Commission.

The two ordinances stipulate that all powers, duties, and functions of the two commissions shall revert back to the Township Committee.

The measures also provide that the chairman of the township committee under his ap-

pointive powers may appoint committees which shall be known as the Shade Tree Committee and the Recreation Committee. Public hearings will be held January 22 at 8:30 P.M. on the ordinances.

It was explained that the administrative work previously under the direction of the Shade Tree Commission will now be under the supervision of the Public Works Department, with the township engineer responsible.

Work of the Recreation Commission will now be under the direction of the Department of Recreation with the Director of Recreation in charge. Intention is to incorporate the municipal swimming pool operation into the Recreation Department with the addition of a Swimming pool director. It is expected that the swimming pool director would be engaged on a full-time basis and during the months when the pool was not in operation, he could devote his services to other recreational activities.

Plan is to use both commissions now as committees in advisory capacities. The Shade Tree Commission presently consists of three members and the Recreation Commission five members consisting of four lay members and a member of Township Committee.

Mayor Arthur Falkin expressed the hope that the members of the commissions will accept appointments as members of the advisory committees so that the township will have the

continued use of their services and experience.

It was also pointed out that the Township Committee wanted to be directly responsible for any activities of the pool.

A resolution was made offering condolences to the parishioners of St. James Church on the death of their pastor, the Rev. John A. Farrell, and a moment of silence was observed for the repose of his soul.

A communication to Mayor Falkin was received commending the Police Department for "outstanding courtesy and helpfulness." W. J. Bischoff of 45 Dunbar Street, Chatham, wrote that on December 30 at about 11 P.M. he asked a police officer at the desk where he could get help to start his car, parked in the municipal parking lot. It was two degrees below zero and he had just returned from New York with three young children and a friend, he wrote. The desk officer immediately dispatched two officers to the scene who started his car in a short time, enabling him to return home safely. "The three men involved are to be complimented for their cheerful, courteous manner. They are a tribute to your police force," the Chatham man wrote. The policemen were identified as Sergeant George Parsell on desk duty and Patrolmen Rees Powell and Lowell Hardy and commended by Township Committee.

The municipal meeting, which began at 8:30 P.M., was concluded in 45 minutes.

SWEARING IN--This was the scene at Town Hall on January 1st as Springfield Municipal officials were sworn in for the new term. From left to right; Township Clerk, Eleanor H. Worthington, Phillip Del Vecchio, Robert Hardgrove and seated is Mayor Arthur Falkin.

### DR. KING TO SPEAK

The Reverend Dr. Martin Luther King Jr. will be the guest preacher at Temple Shalom's Sabbath evening service, Friday, January 18th at 8:45 p.m. Anyone wishing to join in worship is welcome as is the case at all Jewish Services.

## Donald Rotwein Re-elected As Board Chairman

Donald Rotwein of 25 Sycamore Terrace, Springfield, was unanimously re-elected as chairman of Springfield Planning Board at an organization meeting of the board held Thursday, January 3 in Municipal Building. Mr. Rotwein, an architect with offices in Union, has served as chairman of the board the past year.

Francis Keane was re-elected as vice chairman and Wilbert Binder was re-elected as secretary.

David Zurav was re-appointed

The regularly scheduled meetings of the Planning Board of the Township of Springfield will be held in the Council Room, Municipal Building, Mountain Avenue, Springfield at 8 P.M., on the first Thursday of each and every month, unless advertised to the contrary.

Eleanor H. Worthington Township Clerk

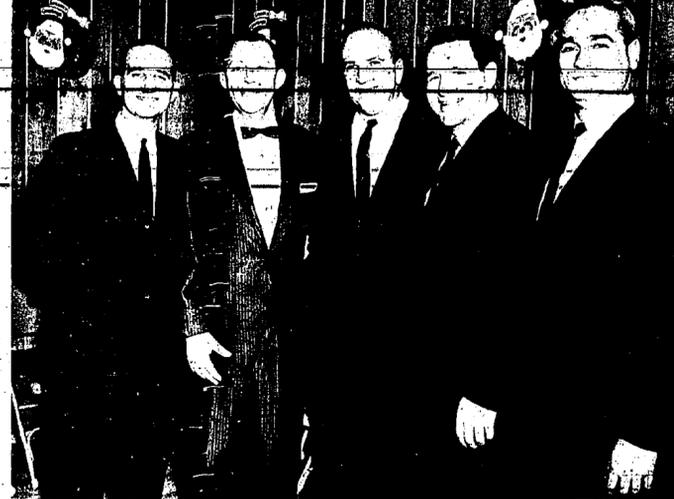

as attorney for the board at a salary to be set by ordinance. The chairman named the following to the subdivision committee: Francis Keane, Township Engineer; Walter Kozub, and Kenneth Young.

In considering the application of Anthony De Venuto for a preliminary major subdivision, the board agreed to recommend for approval the request to Springfield Township Committee. The application concerns the subdivision of property at 90 Caldwell Place into five building lots.

The first Thursday of every month was designated as the regular meeting night of the Planning Board. Last year meetings were held on the first Tuesdays. The sessions begin at 8 P.M. and are held in Municipal Building.

A legal advertisement of the 1963-64 Springfield School Budget did not appear as planned in last week's issue of the Springfield Sun due to an error in our office.

This legal advertisement is being published in the LEGAL NOTICES column of today's SUN.

AFTER THE CEREMONIES--Springfield Republican officials and friends gathered at Legion Hall for a celebration where they were joined by some County GOP officials. From left to right; Phillip Del Vecchio, Robert Hardgrove, State Senator Nelson Stampler, Mayor Arthur Falkin and Carmen Catapano.

## Group Of Twenty

# Mayor Names Pool Members

Mayor Arthur M. Falkin announced the appointments to Swimming Pool Committee, the Industrial Committee, and the Insurance Committee Tuesday night at the regular Township Committee meeting in Municipal Building, Springfield.

In announcing the Swimming Pool Committee members, Mayor Falkin commended the members for the work of the past year and explained that the 1963 committee has been expanded in preparation for a concerted effort towards membership and construction. He also expressed his appreciation of the fact that there are members on the committee who have experience in construction and pool operation.

Members of the Swimming Pool Committee are: Edward Schwartz of 26 Sycamore Terrace, Marvin Strauss of 15 Berkeley Road, Howard Kiesel of 26 Lenape Road, Milton Zisman of 104 Warwick Circle, Joseph Fleitschman of 16 Garden Oval, C. Russell Boettger of 30 Highlands Avenue, Dr. Henry Humeke of 518 Mountain Avenue, Martin Bachrach of 12 Garden Oval, August Caprio of 12 Berkeley Road, William Carr of Washington Avenue, Frank W. Di Biase of 445 Mountain Avenue, John Sheehan of 64 Briar Hill Circle, William Koonz of 10 Balustrade Way, Mrs. Elizabeth Beno of 114 Madison Terrace, Mrs. Sue E. Kalem of 174 Henshaw Avenue, Mrs. Shirley Goldhammer of 7 Essex Road, Fred Brown of 18 Hill Top Court, William Ruocco of 26 Joanne Way, Henry Wright of 53 Colfax Road, and Mrs. Alice Lorimer of 134 Hawthorn Avenue.

The mayor also commended the Industrial Committee and its chairman, Seymour Cohen, for the work of the past year. One of his chief accomplishments in 1962, he said, was the preparation of a brochure to be distributed in the near future to "attract and encourage desirable industry into the township." The Industrial Committee is to consist of the following members for 1963: Township Engineer, Tax Assessor, Building Inspector, Chairman of the Board of Adjustment, Chairman of the Planning Board, President of the Chamber of Commerce, Frank Gilbert of 30 Beverly Road, Sidney Pillar of 108 Madison Terrace, Dominick La Morgese of 531 Mountain Avenue, Seymour Cohen of 102 Jefferson Terrace, W. Louis Ellis of 34 Highlands Avenue, and Max Weiss of 44 Brown Avenue.

Named to the Insurance Committee for the new year were: Eugene Wertz of 12 Perry Place, Daniel D. Kalem of 17 Henshaw Avenue, Richard T. Moore of 89 Remer Avenue, Francis H. Stumstock of 184 Pitt Road, Paul M. Miller of 23 Shelley Road, and Louis J. Spigel of 69 Garden Oval.

# Six School Board Candidates Compete For Four Open Posts

## Election February 13

Contests loom in the Springfield school board election February 13 with four candidates vying for the three three-year vacant seats on the board and two candidates for the one-year unexpired term.

Candidates for the full term vacancies are the three incumbent members whose terms are expiring—August Caprio, Dr. Benjamin H. Josephson, and

Richard E. Werner and Robert T. Jeffery, who was recently appointed to fill for the remaining board year the vacancy caused by the resignation of the late Howard Smith.

Candidates for this one-year unexpired term are Howard S. Levin and Robert T. Southward.

The three incumbents running for re-election are all completing their first full terms of three years on the school board. Mr. Caprio is presently serving as president; Dr. Josephson as vice

president, and Mr. Werner as chairman of the public relations committee.

Board Member Jeffery, Mr. Levin, and Mr. Southward were all candidates for the school board last year.

Ballot positions, drawn by Board of Education Secretary A. B. Anderson, are as follows:

Three-year terms: first, August Caprio; second, Richard Werner; third, Dr. Benjamin Josephson; fourth, Robert Jeffery.

One-year terms: first, Howard

S. Levin; second, Robert T. Southward.

Election will be held February 13, a Wednesday, with the polls open from 3 p.m. to 9 p.m. It is noted that the election, usually held on a Tuesday, is being held this year on a Wednesday because of the holiday—Lincoln's birthday.

Election districts and voting places are announced as follows with attention called to a change in districts 7, 8, 9, and 10.

Election districts 1, 2, 3—polling district #1, James Caldwell School; Election districts 4, 5, 6—polling district #2, James Caldwell School; Election districts 7, 8, 9, 10—polling districts #3, Gaudineer School; Election districts 11, 12, 13—polling district #4, Walton School. Polling place for districts 7, 8, 9, and 10 was changed from Chisholm School to Gaudineer School because it was felt the latter would offer better parking facilities. This is the first time voting will take place at Gaudineer in a school election.

Public hearing on the 1963-64 school budget of \$1,547,350 will be held at a regular meeting of the board January 15 at 8 P.M. in the board rooms in Caldwell School. The amount to be raised by taxation is \$1,309,281.28, which represents a \$134,000 increase over the amount raised by taxation for the current budget. Sum of the 1962-63 budget was \$1,436,995.60 with \$1,175,229.41, the amount raised by taxation. The budget increase is attributed basically to salaries and a modernization program underway at Caldwell School.

The new budget is distributed as follows: Salaries, 70.2 per cent; interest and amortization of bonds, 12.7 per cent; capital outlay, 4 per cent; repairs and replacements, 3.7 per cent; heat, utilities and janitor supplies, 2.4 per cent; books and instructional supplies, 2.7 per cent; insurance, pensions, and tuition, 2.3 per cent; libraries, health services, transportation, 2 per cent.

The 1963-64 budget expenditures of \$49,846 for capital outlay and \$1,081,757 for current expenses will be included on the ballot in the February 13th school election.

## Chose Committee Chairmen

The following Committee Chairmen were selected for the year of 1963 at a recent meeting of the Springfield Republican Club. Programming, Wilhem Koener; Finance, William Ruocco; Entertainment, Jane Ruocco; Publicity, Henry Wright; Community Service Co-Chairmen, Phillip Del Vecchio, Arthur Falkin, Robert Hardgrove, Carmen Catapano and James Carlew; Goodwill, Amy Bandemer; Membership and Admissions, Arthur Dauser, Walter Baldwin; Amendments to the Constitution, Max Sherman, David Zurav; Hospitality, five ranking officers of the Young Republican Club of Springfield; Auditing, Carmen Catapano.

The next regular meeting of the Republican Club is slated for Monday, January 28 at 8:30 p.m. at Legion Hall.

In his report as newly elected president of the Springfield Republican Club, John Grifo had these words to say to officers and trustees:

"It is our aim to make the Springfield Republican Club a militant factor in the promotion of the interests, ideologies and principals of the Republican Party both locally as well as at the county and state level. We should and we must be heard, otherwise our victories in the last two local elections will be short lived.

If we are to achieve these goals it is also the duty and obligation of every officer, trustee and committee chairman, which ever the case may be, to make every conceivable effort to attend meetings regularly, thereby setting an example to the rest of the membership of the club. Greater emphasis should be placed in General discussion at our regular meetings thus creating greater interest and giving a feeling to our members that they are a part of the team."

John A. Grifo

## Jeffery Files

Board of Education Member Robert T. Jeffery of 14 Molter Avenue, Springfield, recently appointed to the board to fill a vacancy created by the resignation of the late Howard Smith, has filed his petition for a three-year term on the school board. There are three full terms and one expired term to be filled in the school election February 13.

Mr. Jeffery, who is 40 years of age, is presently employed by Radio Corporation of America, Harrison, as a government contract negotiator. He has been associated with RCA the past 10 years.

Board Member Jeffery holds a B.S. degree from Pace College and also did graduate work at the New York University School of Business and Finance. He has been active in various Masonic organizations and is presently a director of Springfield Chapter, American Red Cross. A veteran of World War 2, he served in the China-Burma-India theatre. The family has resided in Springfield the past 6 1/2 years. He and his wife have a daughter, Cynthia, 12, a sixth grade pupil at Gaudineer School, and a son, Bruce, nine, attending Caldwell School.

## To See Puppets

The children of the Edward V. Walton School will have a treat in store for them when Nicole Marionettes, paid for by the Edward V. Walton School P.T.A., presents a favorite musical adventure story, "Pinocchio" on Thursday, January 10, 1963. Pinocchio is being performed in the version that first appeared on Broadway, and was hailed by New York critics as "A miniature revolution in the Puppet Theatre," and "one of the most dextrous examples of puppet manipulation."

The play features a cast of jolly puppets, including the lovable carpenter, "Geppetto," the villainous coachman, the cat and the fox, the warm, blue-haired Fairy Queen, and the captivating hero, Pinocchio, as well as many others. Of course, the whale is there, too, in an underwater scene, effected by means of magic "black light."

## Father Farrell Dies Here Five Years

A Solemn High Mass of Requiem will be offered for Rev. John A. Farrell tomorrow, January 11, at 10:30 A.M. in St. James Church, Springfield, where he was pastor—the past five years. The Office of the Dead will be intoned today at 8 P.M. Burial will take place in Holy Name Cemetery, Jersey City.

Father Farrell died Sunday, January 6, at St. Michael's Hospital, Newark. He was 59 years of age.

Born in Newark, Father Farrell was a son of the late Mr. and Mrs. James Farrell. He attended Seton Hall Prep and College and Immaculate Conception Seminary at Burlington. He received his ordination at St. Patrick's Cathedral on May 30, 1931.

Father Farrell was named pastor of St. James Church on October 26, 1957. He had pre-

## Youth Program Is Considered

Recreation Director Edward Ruby announced today that consideration is being given to the establishment of a youth program to be held indoors on Saturday mornings in Springfield.

It is hoped that the program can be held in Gaudineer School with classes embracing such activities as arts and crafts, ballet, cooking, dramatics, drawing, modern dancing, photography, stamp collecting, grooming and charm, and wood-working.

The desire of the children would determine what subjects would be featured.

The undertaking would be co-ordinated but it was felt certain categories such as charm and grooming would attract girls and others such as wood-working would attract boys.

The program would be designed to fill the need of youngsters approximately 10 years of age and up.

It is expected that a fee would be involved with the classes possibly conducted on a 10-session

basis. Some classes would be limited to probably an hour while others, where necessary, would last longer. It is hoped that local school teachers or other qualified persons will be available as instructors.

Fifteen to 20 youngsters would be needed in most classes. Mr. Ruby pointed out, and a survey is expected to soon be made throughout the school system to determine the interest in the program.

Police Chief Wilbur C. Selander wishes to remind Springfield residents residing on designated "snow streets" to be sure to remove their vehicles from these streets during and after a snowfall. "Any automobile interfering with snow removal operations will be towed away and violators will be subject to both fines and towing fees," stated Chief Selander.

Area Field Representative Praises Local Red Cross

Mr. Edward L. Deutch, Area from the delegates to the recent Red Cross Field Representative, Delaware - New Jersey Area was the guest of the Springfield Conference held at Atlantic City, Chapter of the American Red Cross at its monthly meeting of the Board of Directors, Monday evening at the Cannonball House, Mr. Deutch complimented the local chapter on its service to the community and to the National American Red Cross. He pointed out that 1963 celebrates the 100th Anniversary of the American Red Cross and its humanitarian service to the country, and emphasized that Springfield is a part of that celebration.

Acknowledgment was made of the significant and vital role played by the Red Cross in the current exchange of - than prisoners. Mr. Deutch stated that many of the particulars and the extent of the Red Cross can not now or ever be made public, yet the work illustrates again the constant and quiet service of the American Red Cross to the country.

The Directors heard a report

Max Axelrad Dies; 37 Yrs. At Trib

Max Axelrad, 66, died Tuesday at his home 19 Lyons Avenue, Newark, after a long illness. Mr. Axelrad had spent 37 years in the circulation department of the New York Herald Tribune. He

is the father of Herbert Axelrad, co-owner of the Watching Weekly newspaper group. He also leaves his wife Lotte, a daughter Alicia and two grandchildren.

Funeral services will be held today at the Apter Funeral Home on Springfield Avenue in Maplewood at 11 a.m. He will be buried in Mt. Hebron Cemetery, Jamaica, N.Y.

Hadassah To Participate

Springfield Chapter of Hadassah will be a participating group in the Mid-Year Conference of the Northern New Jersey Region of Hadassah to be held on Wednesday, January 16, 1963 at Temple Emanuel, Paterson, New Jersey.

Representatives of the local chapter are Mrs. David Schwartz, president; Mrs. Jules Kazin, vice-president; Mrs. Sidney Piller, vice-president; Mrs. Albert Warhoffer, financial secretary; Mrs. Leon Berger, recording secretary; Mrs. Melvin Bloomfield, Jewish National Fund chairman; Mrs. Fred Braun, Membership co-chairman; Mrs. Max Derman, Medical Center Chairman; Mrs. Paul Deltz, Tag Week chairman; and Mrs. David Sugarman, Journal chairman for Hadassah Medical Organization.

Workshops starting at 10 a.m. will cover Youth Aliyah (Immigration) - Vocational Education - Hadassah Medical Organization - Medical Center and Youth Activities - all projects - Hadassah sponsors - covering its work both in America and Israel.

Modern Dance Classes Popular

A new series of 10 Modern dance classes is to begin at Temple Sharey Shalom. These classes are open to all children and teenagers in the community. They stress modern dance technique and creative dance. The goal is the individual child's progress and no time is spent in preparation for a program.

Parents can watch their child's progress and the class form in an open class held during the series.

Mrs. Lucille Weiss will again teach the series. She is well-qualified, having a B.S. in Physical Education and an M.A. in Elementary Education, plus extensive modern dance and teaching experience.

Please call Mrs. Weiss at DR 9-1641 and register your child. Class sizes will be limited and children accepted on a first come first served basis.

St. James Club Gets Charter Your Library

The St. James Civics Club of Gr. 7-0 this week received its official Charter from the commission on American Citizenship in Washington D.C.

The charter formally recognizes affiliation of the local Unit with the national organization at the Catholic University of America. Pupils of Gr. 7-0 comprise the local club membership. The officers of the newly organized club are: President, Ronald Wilson; Vice President, Paul Coakly; Recording secretary, Andra Stone; Corresponding secretary, Joanne Zarrello; Sergeant at Arms, Leonard Stalle.

St. James Civics Club of Gr. 7-0 is one of the thousands of Catholic Civics clubs chartered in the U.S. for the express purpose of developing informed, responsible young citizens.

The theme of this year's program is "Build Better Local Government." Club members get help in developing this theme from Young Catholic Messenger, national current affairs weekly for students in grades 6-8. Monthly articles in the periodical point up the fundamentals of good citizenship and suggest practical projects for the club members.

An old adage says that "Flying straws show the way the wind blows." Every institution trying to serve the public and to anticipate its needs gazes eagerly at every straw which passes. The New Year always brings a period of summing up and appraisal, so the Free Public Library of Springfield is busy looking at the flying straws in order to plan for the coming year.

One of the first items noticed was that fewer books were borrowed from the Public and School Library Services Bureau in Trenton in 1962 than in 1961. In 1961 we used 228 of their books but in 1962 only 140 books were borrowed, showing a favorable drop of 88 books.

Another indication of a change was that the number of magazines, clippings, and pamphlets borrowed decreased by 566, that is, from 2670 in 1961 to 2104 in 1962. Neither is this necessarily a bad sign. The use of books has increased in all departments of the library, and college students home for Christmas seemed better able to find reference materials for themselves; and to be satisfied with what they found.

All this shows that the book collection of the Springfield Public Library has grown larger and is being organized to serve

its patrons better. This year, 4202 new books were added to the collection, the largest number on record except for 1958 when 4313 books were added.

Let us compare, for example, the circulation figures, that is the number of books borrowed, during the five days of the Christmas vacation: 1960, 1545; 1961, 1493; 1962, 1582.

The use of the Library during the past Christmas week, as indicated by the number of books borrowed (see above figures), is the busiest on record, 1582 books were taken out. In addition, many reference works which do not leave the library, were consulted.

All these "straws in the wind" seem to show that the Springfield Library is able to serve a great many citizens of Springfield. Let us hope that during 1963, many more Springfield residents will become acquainted with their library and make use of its varied collections.

Columbia Gets Rights HOLLYWOOD (UPI) — Columbia Pictures reports signing of an agreement with the Mexican firm of Producciones Sotomayor under which Columbia will have world-wide rights to release six new pictures to be delivered by Sotomayor in a one-year period beginning early this year.

Jaycees Selling Coupon Booklets

The Springfield Jaycees are now selling coupon booklets for their Gourmet Tour. This booklet contains three coupons to three very fine restaurants. Each coupon entitles the bearer to the least expensive meal on the check free of charge to a party of two or more.

There are just 200 booklets available at a price of \$4.00 donation each. Restaurant goers will realize that this is a real bargain. Booklets are being sold by all Jaycee members.

ORT To Meet

Mrs. Edward Dener, president of the Springfield Chapter of Women's American ORT (Organization for Rehabilitation through Training) will preside at the regular monthly meeting to be held tonight at 8:30 P.M. Temple Beth Ahm, Baltusrol Way, Springfield.

The program, arranged by Mrs. Irving Kalot, vice-president, with Mrs. Irving Taneer-assisting, will include a film processed by Schering, Corp., of Bloomfield, starring Steve Allen, dealing with allergies named "Nothing to Sneeze At", promises to be entertaining as well as educational. Bingo will follow with prizes having been donated by leading merchants. Friends cordially invited.

40 Years with Bell

Warren L. Gibb, 109 Troy Drive, Springfield, will mark four decades of service with New Jersey Bell Telephone Co. Tuesday (Jan. 15) at a luncheon in the Bow and Arrow Manor, West Orange.

A central office foreman in the East Orange plant department Gibb is a member of Orange Council, H.G. McCully Chapter, Telephone Pioneers of America. He is married to the former Annie Sinclair. They have one son.

Promotion

Frederick G. Heyeck, aviation ordnance man third class, USN, son of Mr. and Mrs. Frederick Heyeck of 171 Baltusrol Ave., Springfield, was advanced to the present rank recently while serving with Attack Squadron 75, embarked in the attack aircraft carrier USS Independence.

Advancement is the result of passing a Navy-wide competitive examination after meeting professional and military requirements.

Rotary Club To Present Chorus

The Rotary Club of Springfield is planning to present the famous Don Cossack Choir on Sunday, March 3, 1963.

Organized in Prague, Czechoslovakia, by its founder and present Director, Nicholas Kosturkoff, the Don Cossack Chorus has toured all six continents and has crossed the equator nineteen times in places like the Atlantic, Pacific and Indian Oceans, as well as Sumatra and Equador. The Chorus has traveled on 107 different ocean liners and visited sixty-five different countries.

Recently the Platoff Chorus gave its 7500th concert and of this number 617 were concerts devoted to church music and given in various churches, including the famous Cathedral of Notre Dame in Paris before an audience of ten thousand.

The committee in charge of the presentation are: General Chairman, J. Goldstein, A. La Sota; Publicity and Ticket Printing, M. Keshen, C. Remlinger, F. Forlenza; Finance, C. Helmers, C. Becker; Master of Ceremonies, C. Jehlen; Ticket Sales Business, P. Smith, J. Marti; Membership, H. Chasen, M. Weiss, D. Murray, Al Peinhardt; Arrangements, H. Boughner, A. La Sota, H. Mehl, and J. Trommeyer.

**Lets**

By ANNE GETTER 273-3073

Hi. So, what happened to those New Year's Resolutions?

Mrs. William Berner of 986 South Springfield Ave., SPRINGFIELD reports that she had seventeen guests at her home for a catered Christmas eve party. The decorations and catering were just superb, and everyone had a great time.

Dr. Martin Luther King, Jr. will be the guest preacher on Friday, January 18th, at the Temple Sharey Shalom SPRINGFIELD at 8:00 p.m. I plan on going.

Welcome to Springfield: Mr. and Mrs. George R. Daniels and their grandson, Richard Lambert, have just moved into Sagamore, 6 Juniper Way, from Ventura California. Mr. Daniels is connected with Shell Chemical and they really got a full taste of Eastern weather, very early.

The John Donohues of 112 High Point Drive, SPRINGFIELD, entertained the H. Lawrence Blasius' from New York City at their home. Despite the influx of Mrs. Donohue's relatives, Mr. Donohue maintains his composure, so far.

WELCOME TO THE WORLD: From Overlook Hospital Born on December 26th a baby boy to Mr. and Mrs. Donald Brown of 19 Morris Ave., SPRINGFIELD. On December 31st; A baby girl born to Mr. and Mrs. John Keenan of 31 Indian Trail, MOUNTAINSIDE. On January 2nd, a baby girl born to Mr. and Mrs. Arthur Hay of 1049 Sunny Slope Drive, MOUNTAINSIDE.

If you want to know what real cold weather is like, the Trailside Nature and Science Center in the Watchung Reservation, MOUNTAINSIDE will have a movie "Alaska and its Natural Resources" this Sunday January 13th at 3:00 p.m.

Thomas Edison said "Everything comes to him who hustles while he waits."

**Miss Hackenberg  
To Marry**

Dr. and Mrs. Charles Hackenberg of Springfield, announce the engagement of their daughter, Suzanne Linda to Walter George Fox, son of Mr. and Mrs. Walter G. Fox of Catawissa, Pennsylvania.

Miss Hackenberg is a graduate of the University of Maine, Orono, Maine, and is a Guidance Director at Pleasant Valley High School, Brodheadsville, Penna.

Mr. Fox graduated from Bloomsburg State College, Bloomsburg, Pennsylvania and is a business teacher at the same high school.

Attention Organizations; The Foundations for Safety, Inc. division of the A.A.A. will provide for organizations films on traffic safety, and travel (85-100 different titles), as well as programs on traffic safety. The program can include speaker and film or speaker without film. They also provide an organized type of refresher course for upgrading driving skills, tips on winter driving, maintenance, etc. Mr. Stewart Mead at the A.A.A., 1 Hanover Road, Florham Park, is the man to contact. Just call him at FR 7-7200 for further information.

Sheri Goldman, age 10, of 73 Sherwood Road, SPRINGFIELD, did her bit to help fight Cerebral Palsy. Last Sunday, she went to each house on Sherwood Rd. while the telephone was on and collected \$17.00. Very good!

Miss Karen Tomasko, daughter of Mr. and Mrs. Paul A. Tomasko of 1338 Hidden Circle, MOUNTAINSIDE has just returned from a 17 day Christmas visit to Pompano Beach, Florida. This was 8 year old Karen's first trip to Florida and she enjoyed it very much. Her parents and sister Lynn and brother Glenn were very envious of her jet flight and her visit with their relatives, the Hugh Dennis'.

Just a reminder, call me or send to me all the little tributes that we like to read about. I also want to know about meetings, etc.; Have a happy? See you.

**Trailside To  
Show Film**

"Alaska and its Natural Resources," a color, sound film will be shown at The Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, on Sunday, January 13, at 3:00 p.m.

The film provides an informative look at Alaska's vast timber resources, the current state of its agriculture, the importance of fishing to its economy, the potential worth of its abundant water resources, the historic search for minerals of value, and the recent exploration for oil and natural gas which has drawn more than twenty petroleum companies to the Kenai Peninsula and other areas.

The viewer will also see authentic glimpses of Eskimo life and the state's cities, roads, parks and educational institutions.

At 4:00 p.m., on Monday, January 14; Tuesday, January 15; and Thursday, January 17; Dr. Harold N. Moldenke, director of Trailside, will conduct one-half hour nature talks for children.

**Mary Ann Soos  
Engaged To Wed**

Mr. and Mrs. Louis Soos of 438 Morris Avenue, Springfield, announce the engagement of their daughter Mary Ann to Robert Pabst, son of Mr. and Mrs. Elmer Pabst of 619 Robinson Ter., Union.

Miss Soos, a graduate of Jonathan Dayton Regional High School is with A.P.W. Paper Products Co., New York. Mr. Pabst, a graduate of Union High School, is with N.J. Bell Telephone Company, Union.

**Patricia Hanigan  
Plans Wedding**

PATRICIA HAMILTON

Dr. and Mrs. Dwight B. Hanigan of 1580 Martine Ave., Scotch Plains, announced the engagement of their daughter, Patricia Louise, to Raymond French Weigle, son of Mr. and Mrs. Raymond Weigle of 29 Homestead Terrace, Scotch Plains.

Miss Hanigan was graduated from Scotch Plains-Fanwood High School and is not a senior at Trenton State College.

Mr. Weigle, a graduate of Scotch Plains-Fanwood High School and Cornell University, Ithaca, New York, is presently employed by General Aniline and Films Corporation in Easton, Pennsylvania.

A June wedding is planned.

The topic selected for the three days is "Larger Animal Homes." Dr. Moldenke's talks will be illustrated with color slides.

The Trailside Nature and Science Center is open to the public each weekday, except Friday, from 3:00 to 5:00 p.m., and on Saturdays, Sundays, and holidays from 1:00 to 5:00 p.m. The public is invited to visit the Nature and Science Center, view its thousands of indoor exhibits and participate in the scheduled programs.

**Gaudineer Menu,  
Springfield**

WEEK OF JANUARY 14

Monday: Chow mein, rice, Chinese noodles, fruit cocktail or pears, bread, butter, milk.

Tuesday: Roast beef, mashed potatoes, gravy, buttered green beans, peaches, bread, butter, milk.

Wednesday: Vegetable beef soup, toasted cheese sandwich, tossed salad, cherries or plums, milk.

Thursday: Fruit or tomato juice, hamburger on a roll, carrot and celery sticks, potato chips, pineapple, milk.

Friday: Oven fried fish, cole slaw, potato gems, jello, bread, butter, milk.

**Baseball Dinner Planned**

The 27th Annual Union County "Hot Stove League" Baseball Dinner, sponsored by the Union County Baseball Association and The Union County Park Commission, will be held at the Singer Recreation Hall, Elizabethtown, on Tuesday, January 15, beginning at 6:30 p.m.

Judge Herman Hillenbach, East Orange, will serve as toastmaster for the evening. Tom Meany, New York sports writer, author, and public relations executive will be the principal speaker at the dinner. Mr. Meany is public relations director for the New York Mets. He was sports editor for "Callers" magazine for many years. Eddie Lopat, former New York Yankee pitcher who will manage Kansas City in 1963, and Tom Gorman, National League umpire, will also speak at this annual affair.

George Alusik, Wookbridge, who played with Kansas City and Jake Woods of Elizabeth who played with the Detroit Tigers are also expected to be at the Hot Stove Dinner.

**Cultural Group**

A unique opportunity to enhance our cultural knowledge is now available through a new discussion group being formed. The purpose of the group, sponsored by Parents Without Partners, is to meet monthly and hear a knowledgeable and outstanding speaker on a cultural subject such as books, plays, music, cultural news events, appreciation of art, and any other subject which would enable a hurried single parent to keep abreast of cultural pursuits.

The first meeting will be held Friday evening, January 11th at the Ethical Culture Society, 516 Prospect Street, Maplewood (corner of Parker Avenue one block from Columbia High School) at 8:45 p.m.

The guest speaker will be Mr. Tom Mackin who, for the past fifteen years, has been the television columnist for the Newark Evening News.

Every single adult in this area over twenty-five years of age is cordially invited. There is no admission charge.

These cultural get-togethers should help fill the void in our materialistic existence and will be patterned after the successful groupings Ben Franklin introduced years ago.

The Union County Baseball Association's "Hall of Fame" nominations spotlighting local baseball celebrities again will be announced at the dinner, and certificates will be presented to the new members of the Union County "Hall of Fame."

The following awards will also be presented: The Chris Zusi Memorial Award to the outstanding athlete in Union County, either amateur or professional; the awards to the winning teams in The Union County Baseball League, the Union County Industrial Baseball League, The Intra-County Baseball League, as well as team and industrial awards to members of the Union County Baseball Leagues.

Another feature of the evening will be the showing of the 1962 World Series films.

Vito Ciglio, Linden, president of the Union County Baseball Association is general chairman of the dinner program.

# Regional Board Approves Course In Music Theory

The Union County Regional High School Board of Education has recently approved a course of study in Music Theory as a major subject for its three Regional High Schools, the course to begin in the school year 1963-64. This course is designed to prepare students wishing to specialize in music, such as potential music teachers or performers, or for those students who will need improved skills and fundamental learnings for effective musical expression. These latter might include potential elementary teachers or those who wish to study in music as a

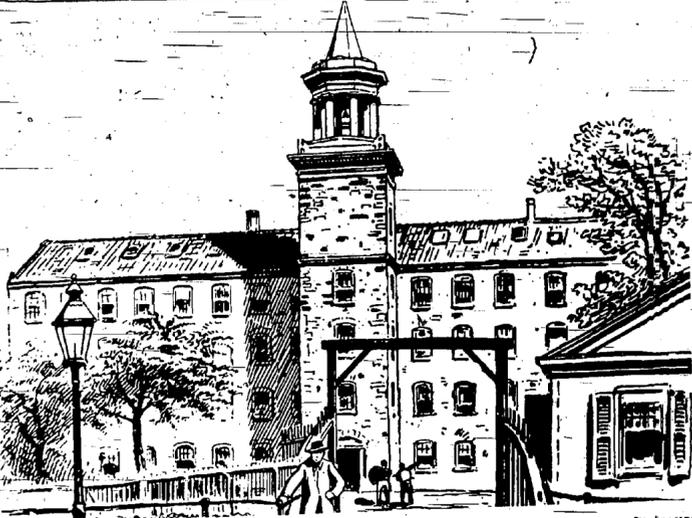

minor subject area. This new program will help by standardizing musical background to include: (1) A thorough understanding of the rules and principles involved in working with music, (2) Improvement of music reading ability and performance, (3) development of skills in composing, harmonizing, and conducting music. It is the type of preparation which is desired by such institutions as the Eastman School of Music.

The increasing cultural awareness of the communities served by the Regional High Schools and the relatively large number of students preparing for entry into the aforementioned fields has prompted the addition of this program.

Mr. Edward Brown, the Coordinator of Music for the Regional District has indicated that a poll of interested students in all three high schools showed that the new course may have to be limited to the 11th and 12th grades at this time in order to keep the class sizes at a workable level. The addition of this course will carry the Regional district another step forward in its aim of providing opportunity for individual students to develop their special talents and abilities.

# New Jersey - Where The Colt Revolver Began Tercentenary Tales

By John T. Cunningham

COLT'S MILL - Engraving of Sam Colt's Paterson Gun Mill, drawn before building was destroyed by fire in 1864. (Passaic County Historical Society.)

Brash young Sam Colt never really convinced anyone in authority that his Paterson Gun-Mill made the best fighting weapons of the 19th century, but six years of work in New Jersey paved the way for the mighty Colt guns used by yesterday's winners of the West and today's unerring TV gunslingers.

Indeed, Sam Colt lost everything in Paterson, and in 1842 put his gun aside. Four years later, when war with Mexico flared, only the long memory of a Texas soldier saved the Colt pistol from oblivion. By then Sam was in Connecticut, and there his gun won him fame and fortune.

Truly the Colt 45 belonged in Paterson -- and there it would have stayed if anyone had listened to Sam.

Connecticut-born Sam Colt was easy to discount in his Paterson days. He had spent a short lifetime building a reputation as a fast-talking drifter. His prosperous father sent him to sea in 1830 at the age of 16 in the hopes that Sam might find himself. Two years later young Colt left home for good, to "paddle my own canoe."

Sam grew a thin beard on his 18-year-old cheeks and toured every major city from Quebec to New Orleans as "Dr. Colt," wizard of "practical chemistry."

"Dr. Colt" knew only enough chemistry to recognize that nitrous oxide, or "laughing gas" made people do foolish things of a public stage. He won laughs and notoriety but never made any money.

How Sam needed money! He carried with him a wooden model of a multi-shot firearm with a revolving cylinder, whittled during the long weeks he had spent at sea when he was only 16 years old.

He had pistols made, but the first Colts failed so miserably that the U. S. Patent Office wouldn't give him a patent until February, 1836. Several New York and New Jersey capitalists soon after set him up in part of a Paterson textile mill -- and ordered him to show profits.

Instead Colt labored to build machines capable of turning out interchangeable parts; Sam Colt wanted to add the feature of one man making only one part, with a skilled gunsmith assembling all at the end of the line.

Forget that nonsense, Sam's backers said. Make some guns, then get on the road and sell them.

Sam did talk stockholders into building him a four-story Gun-Mill, topped by a weather vane shaped like a gun. A white fence surrounded the mill, with each wooden picket fashioned as a gun. Sam Colt was ever a showman.

Colt made scores of weapons, "of almost Oriental magnificence" finished with silver or gold handles and elaborately engraved barrels. He sent them as gifts to leaders around the world, including potentates in Far Eastern countries.

Next Sam tackled the potentates in Washington.

President Andrew Jackson listened with interest, but his term was ending. A few political leaders paid heed, or perhaps it just seemed they were interested after Sam plied them with food and drinks, to the horror of his tight-fisted backers. Army brass, the real target, spurned the Colt pistols and revolvers as useless.

Ill luck followed Sam Colt. He arranged a demonstration on the Capital steps for President Martin Van Buren, whose carriage waited nearby. Several Colt pistols barked out in rapid fire, Van Buren's team bolted in panic and the driver was thrown out of the carriage and killed. No

## Viscardi Gets Post With Colonial

Francis N. Viscardi, 42 Springfield Road, Springfield, Superintendent of Puerto Rican Agencies for the Colonial Life Insurance Company of America has been given additional supervisory responsibilities for the States of New York and Connecticut.

Viscardi started with Colonial as an agent in New York City in 1946 and was a member of the Company's honor sales club during his first year in the business. He was promoted to field manager in 1947 and made an enviable record in new sales.

In September, 1958, he was appointed Field Management Consultant at the Home Office in East Orange and later was named Director of Training for the Combination Agency Department in which capacity he aided in the

## U.C. Hiking Club To Hike Saturday

The members of The Union County Hiking Club will have a choice of two hikes over the weekend of Saturday, January 12 and Sunday, January 13.

On Saturday, Miss Irma Heyer, Elizabeth, will lead a five-mile ramble in the South Mountain Reservation, with a visit at Washington Rock and Hemlock Falls. The group will meet at the North side of the Millburn Railroad Station at 10:00 a.m. and will return by noon.

Herb Hiller, Verona, will lead a seven-mile hike through the Campgaw Reservation on Sunday. The hikers will meet at the Administration Building of The Union County Park Commission, Warnance Park, Elizabeth at 8:15 a.m.

**E. HORNSBY WASSON**  
PRESIDENT, NEW JERSEY BELL

## Why New Jersey Bell is spending over \$100 million for construction during 1963

Our state and nation's remarkable growth—and promising future—are creating an unprecedented demand for new telephone services. To help meet this need, New Jersey Bell is pushing ahead with new construction projects in many parts of the state. Some of these projects will cost more than a million dollars. Others involve only a few thousand. But every one of them is a part of the never-ending job of bringing you more and better telephone service.

The total cost will be over \$100 million—a big stimulus to the economy of New Jersey. It means more jobs—and more business—in many areas. In fact, almost every section of the state can be expected to benefit. For example, in Succasunna a new

Electronic Central Office is going up that will make new telephone services available to customers. A new dial office is under construction in Trenton. And a major addition is being made to the Telephone Central Office on William Street in Newark. These are just a few of the many projects on which that \$100 million will be spent. It takes a lot of money to bring telephone service to people—especially when it's the best phone service in the world. We're building to keep it that way.

CATCH—Two sailfish pose with their captors at Fort Lauderdale, Florida. The lady in the picture is Mrs. Mildred Rahenkamp of 135 Clairmont Pl., Springfield. The gentlemen is Alex Antonio of Hubbard, Ohio. Mrs. Rahenkamp won a golf trophy for the largest sailfish of the week given by the city of Fort Lauderdale.

## James J. Delaney Testimonial

U.S. Senator Harrison A. Williams of Westfield will be the principal speaker when friends and associates of James J. Delaney, Union County Register, honor him at a testimonial dinner Saturday night, January 12th, at the Scotch Plains Country Club (also known as Shackamoon Golf & Country Club.)

Delaney, a resident of Scotch Plains by a native of Plainfield, is a long-time friend of Williams and played important roles in Williams' initial and successful campaign for the House of Representatives.

Governor Richard J. Hughes has also indicated his intention of being present.

Toastermaster for the affair will be Philip J. Levin of Warren Township, well known land developer.

Among the entertainers of the evening will be Roosevelt (Rosie) Greer, star line man of the New York Football Giants who, in addition to his grid prowess, gained some fame for his singing and guitar playing.

More than 600 persons drawn from both Democratic and Republican ranks are expected to attend the dinner which is set for 6:00 P.M.

## 70% Livingston Grads In College

A recently completed survey of the 1962 graduates from Governor Livingston Regional High School reveals that 73 per cent of the graduating class is now in college or some form of higher education while the remaining 27 per cent is gainfully employed or in the armed forces, according to Mr. Bernard Carr, Director of Guidance.

Of the 169 graduates, 122 are in advanced schooling, 4 are furthering their training in vocational schools, 42 are employed in business or industry, 3 boys are in the armed forces and 3 girls are married. "Everyone of our graduated students is accounted for in a worthwhile pursuit. It would appear that no graduate is just hiding time," Mr. Carr concluded.

Another interesting observation, according to Mr. Carr, is the fact that 88 different institutions are represented in the college addresses listed by Governor Livingston graduates. Four is the highest number attending any one college. These are Lehigh University, Rutgers in Newark, and Trenton State College. Geographically these addresses range from Colby College in Maine to the University of California.

The senior counselor added that so far this year 33 seniors have applied and received acceptances to 30 colleges.

## 25,000 Skate At Warinanco

Nearly 25,000 ice skating enthusiasts visited the Warinanco Park Ice Skating Center, Roselle, from the opening day of this skating season, October 14, to December 31, it was announced today by George T. Cron, superintendent of recreation for the Union County Park Commission.

The Warinanco Park Ice Skating Center is now operating on its regular schedule, after offering extra sessions during the holiday season. Morning sessions are conducted on Monday, Wednesday, Saturday and Sunday from 9:30 a.m. to 12 noon afternoon sessions are held from 3:00 to 5:30 p.m. Monday through Friday, and from 2:30 to 5:30 p.m. on Saturday and Sunday. Evening sessions are offered from 8:00 to 10:30 p.m., Sunday through Thursday, and from 8:00 to 11:00 p.m. on Friday and Saturday. Rates at the Ice Center are: children 15 years of age and under, may skate at the morning and afternoon sessions, on weekdays, Monday through Friday, except holidays, for a special fee of 25 cents. At all other sessions, children will pay a fee of 60 cents. Adults may skate at weekdays morning and afternoon sessions for a 60 cent fee and at all evening sessions a 75-cent fee is charged. Skates, of all sizes, are also available at all general sessions for a fee of 50 cents.

Mr. Cron also announced that visitors to the Ice Center need not be expert skaters to use the rink, nor must they be able to skate at all. Beginner instruction is available at all general sessions. Qualified rink guards will offer a 20-minute instruction period for those who cannot skate forward unassisted. The fee for the lesson is \$1.50 plus admission to the rink.

## Ethical Culture To Hear Radest

The Essex County Ethical Culture Society will be addressed on Sunday January 13th, at 11:00 A.M. at 516 Prospect St., Maplewood by Mr. Howard Radest. Mr. Radest is Leader of the Bergen County Ethical Society and is a member of the Bergen County Council of Social Agencies. His topic will be "Liberals, Conservatives and Others."

Mr. Nat Barish of Nutley will conduct the meeting. A coffee hour will follow.

## Rabbi Grishman To Deliver Book Review

On Monday afternoon, January 14 at 1:00, Watchung Section, N.C.J.W. will highlight its meeting with a book review by Rabbi Azriel S. Grishman of Temple Emanu-El in Westfield, it was announced this week by Mrs. Lewis Goldberg of Cranford, President and Mrs. B. Bernard Genzer and Mrs. Bernard Robins of Westfield, Program Chairmen. The meeting will take place at Mrs. Robins' home at 1009 Tice Place.

Rabbi Grishman will review the book, "The Slave" by Isaac Singer. A discussion period will follow. This event is sponsored by Council as part of its program to foster education on all levels including that of its immediate group.

Hostesses will be Mrs. Mark Scherer, Mrs. Jack Blodinger, Mrs. Ezra Gross and Mrs. Michael Stavitsky of Westfield and Mrs. Martin Simon of Fanwood.

The artificial ice rink is expected to remain open until March 10. Other facilities at the Ice Center include a skate shop, warming room, and a snack bar.

## Substation In Service

A new, three-phase 7,500-kilovolt ampere substation has been put into service by Jersey Central Power & Light Company to serve the Union Industrial park and adjacent area of Springfield. The \$100,000 unit is located on Fadem Road, off US Highway 22.

Now routed through the new substation are 2,900 kilowatts of power previously distributed through the Waverly substation. Waverly substation is located a mile east of Springfield center on Mountain Avenue. During 1962 it was doubled in capacity to two 5,000-kva 3-phase transformers to accommodate that area's increased residential and industrial requirement.

James V. Carver, manager of

JCP&L's Central Division, stated that the new substation "will keep well ahead of the demand for power created by local industrial growth." He cited the 1,935 kilowatts now being required by the H. J. Ruesch Company and six additional industries established locally since last May. They are Atlantic Metal Products, Runyon Sales, Bundy Electronics, Rapid Roller, Federated Purchasers and Vickers.

## Don't Know How Much to Deduct?

Are you one of those unfortunate taxpayers who never knows how much to deduct for drug purchases?

You can relax. DrugTax can help you, and it isn't going to cost you a penny. DrugTax is the new record-keeping system now available at our pharmacy. With it, we keep a complete record of your drug purchases. And at the end of the year we send you a DrugTax statement which tells you how much may be deductible in computing your federal tax return.

Simple? Of course—and it can save you money! By making all of your drug purchases at our store, you will be guaranteeing yourself an annual tax record. Those "little" purchases (which can add up to big ones) won't be forgotten.

We think you'll be pleasantly surprised at how many items are deductible. It could mean tax savings for you.

Come in today and let us tell you more about DrugTax. Remember, it's free.

## employment opportunities in our Westfield store

spend your time in an interesting job at Hahne & Company!

Our Employment Office (temporary location) at 634 North Avenue, Westfield (right across from the new store) will be open on Monday, January 14 and Friday, January 18, 10 A.M. to 4 P.M. and 6:30 P.M. to 8:00 P.M.

We will interview those who would like to make application for selling, non-selling employment in our new Westfield store.

Hahne & Company is a stimulating and rewarding way to spend your time. Working in the pleasant, refreshingly air conditioned atmosphere of "the store with the friendly spirit", you'll enjoy serving our customers, who are New Jersey's nicest people!

**CATCH**—Two sailfish pose with their captors at Fort Lauderdale, Florida. The lady in the picture is Mrs. Mildred Rahenkamp of 135 Clairmont Pl., Springfield. The gentlemen are Alex Antonio of Hubbard, Ohio. Mrs. Rahenkamp won a golf trophy for the largest sailfish of the week given by the city of Fort Lauderdale.

## James J. Delaney Testimonial

U. S. Senator Harrison A. Williams of Westfield will be the principal speaker when friends and associates of James J. Delaney, Union County Register, honor him at a testimonial dinner Saturday night, January 12th, at the Scotch Plains Country Club (also known as Shickamaxon Golf & Country Club).

Delaney, a resident of Scotch Plains by a native of Plainfield, is a long-time friend of Williams and played important roles in Williams' initial and successful campaign for the House of Representatives.

Governor Richard J. Hughes has also indicated his intention of being present.

Toastmaster for the affair will be Philip J. Levin of Warren Township, well known land developer.

Among the entertainers of the evening will be Roosevelt (Rostie) Greer, star line man of the New York Football Giants who, in addition to his grid prowess, gained some fame for his singing and guitar playing.

More than 600 persons drawn from both Democratic and Republican ranks are expected to attend the dinner which is set for 6:00 P.M.

## 70% Livingston Grads In College

A recently completed survey of the 1962 graduates from Governor Livingston Regional High School reveals that 73 per cent of the graduating class is now in college or some form of higher education while the remaining 27 per cent is gainfully employed or in the armed forces, according to Mr. Bernard Carr, Director of Guidance.

Of the 169 graduates, 122 are in advanced schooling, 4 are furthering their training in vocational schools, 42 are employed in business or industry, 3 boys are in the armed-forces and 3 girls are married. "Everyone of our graduated students is accounted for in a worthwhile pursuit—it would appear that no

graduate is just biding time. Mr. Carr concluded.

Another interesting observation, according to Mr. Carr, is the fact that 88 different institutions are represented in the college addresses listed by Governor Livingston graduates. Four is the highest number attending any one college. These are Lehigh University, Rutgers in Newark, and Trenton State College. Geographically these addresses range from Colby College in Maine to the University of California.

The senior counselor added that so far this year 33 seniors have applied and received acceptances to 30 colleges.

## 25,000 Skate At Warinanco

Nearly 25,000 ice skating enthusiasts visited the Warinanco Park Ice Skating Center, Roselle, from the opening day of this skating season, October 14, to December 31, it was announced today by George T. Cron, superintendent of recreation for the Union County Park Commission.

The Warinanco Park Ice Skating Center is now operating on its regular schedule, after offering extra sessions during the holiday season. Morning sessions are conducted on Monday, Wednesday, Saturday and Sunday from 9:30 a.m. to 12 noon; afternoon sessions are held from 3:00 to 5:30 p.m., Monday through Friday, and from 2:30 to 5:30 p.m. on Saturday and Sunday. Evening sessions are offered from 8:00 to 10:30 p.m., Sunday through Thursday, and from 8:00 to 11:00 p.m. on Friday and Saturday. Rates at the Ice Center are:

children 15 years of age and under, may skate at the morning and afternoon sessions, on weekdays, Monday through Friday, except holidays, for a special fee of 25 cents. At all other sessions, children will pay a fee of 60 cents. Adults may skate at weekdays morning and afternoon sessions for a 60 cent fee and at all evening sessions a 75 cent fee is charged. Skates, of all sizes, are also available at all general sessions for a fee of 50 cents.

Mr. Cron also announced that visitors to the Ice Center need not be expert skaters to use the rink, nor must they be able to skate at all. Beginner instruction is available at all general sessions. Qualified rink guards will offer a 20-minute instruction period for those who cannot skate forward unassisted. The fee for the lesson is \$1.50 plus admission to the rink.

## Ethical Culture To Hear Radeš

The Essex County Ethical Culture Society will be addressed on Sunday January 13th, at 11:00 A.M. at 516 Prospect St., Maplewood by Mr. Howard Radeš, Mr. Radeš is leader of the Bergen County Ethical Society and is a member of the Bergen County Council of Social Agencies. His topic will be "Liberals, Conservatives and Others."

Mr. Nat Barish of Nutley will conduct the meeting. A coffee hour will follow.

## Rabbi Grishman To Deliver Book Review

On Monday afternoon, January 14 at 1:00, Watchung Section, N.C.J.W. will highlight its meeting with a book review by Rabbi Azriel S. Grishman of Temple Emanu-El in Westfield. It was announced this week by Mrs. Lewis Goldberg of Grandford, President and Mrs. B. Bernard Genzer and Mrs. Bernard Robins of Westfield, Program Chairmen. The meeting will take place at Mrs. Robins' home at 1009 Tice Place.

Rabbi Grishman will review the book, "The Slave" by Isaac Singer. A discussion period will follow. This event is sponsored by Council as part of its program to foster education on all levels including that of its immediate group.

Hostesses will be Mrs. Mark Scherer, Mrs. Jack Blodinger, Mrs. Ezra Gross and Mrs. Michael Stavitsky of Westfield and Mrs. Martin Simon of Fanwood.

The artificial ice rink is expected to remain open until March 10. Other facilities at the Ice Center include a skate shop, warming room, and a snack bar.

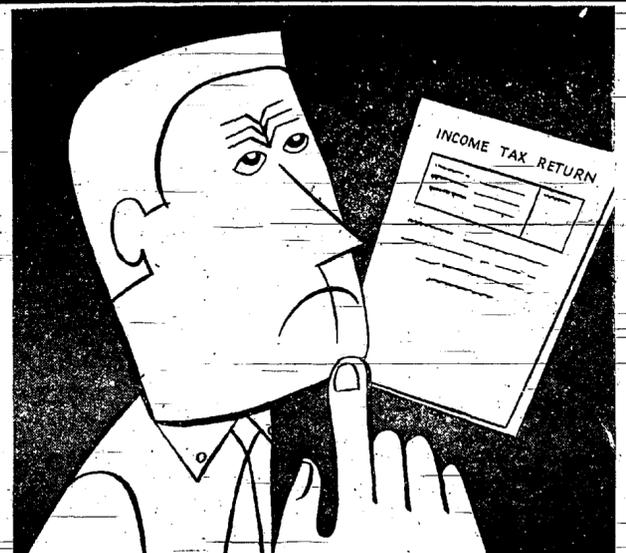

## Substation In Service

A new, three-phase 7,500-kilovolt ampere substation has been put into service by Jersey Central Power & Light Company to serve the Union industrial park and adjacent area of Springfield. The \$100,000 unit is located on Padem Road, off US Highway 22.

Now routed through the new substation are 2,900 kilowatts of power previously distributed through the Waverly substation. Waverly substation is located a mile east of Springfield center on Mountain Avenue. During 1962 it was doubled in capacity to two 5,000-kva 3-phase transformers to accommodate that area's increased residential and industrial requirement.

James V. Carver, manager of

JCP&L's Central Division, stated that the new substation "will keep well ahead of the demand for power created by local industrial growth." He cited the 1,935 kilowatts now being required by the H. J. Ruesch Company and six additional industries established locally since last May. They are Atlantic Metal Products, Runyon Sales, Bundy Electronics, Rapid Roller, Federated Purchasers and Vickers.

## Don't Know How Much to Deduct?

Are you one of those unfortunate taxpayers who never knows how much to deduct for drug purchases?

You can relax. DrugTax can help you, and it isn't going to cost you a penny. DrugTax is the new record-keeping system now available at our pharmacy. With it, we keep a complete record of your drug purchases. And at the end of the year we send you a DrugTax statement which tells you how much may be deductible in computing your federal tax return.

Simple? Of course—and it can save you money! By making all of your drug purchases at our store, you will be guaranteeing yourself an annual tax record. Those "little" purchases (which can add up to big ones) won't be forgotten.

We think you'll be pleasantly surprised at how many items are deductible. It could mean tax savings for you. Come in today and let us tell you more about DrugTax. Remember, it's free.

### employment opportunities in our Westfield store

spend your time in an interesting job at Hahne & Company!

Our Employment Office (temporary location) at 634 North Avenue, Westfield (right across from the new store) will be open on Monday, January 14 and Friday, January 18, 10 A.M. to 4 P.M. and 6:30 P.M. to 8:00 P.M.

We will interview those who would like to make application for selling, non-selling employment in our new Westfield store.

Selling at Hahne & Company is a stimulating and rewarding way to spend your time. Working in the pleasant, refreshingly air-conditioned atmosphere of "the store with the friendly spirit", you'll enjoy serving our customers, who are New Jersey's nicest people!

**Executive opportunities:**  
We are also accepting applications for supervisory and dept manager positions.

For further information, call MU. 6-1700, ext. 124, or PL 4-9350, ext. 124

### Rabbi Dresner To Represent Jewish Faith

Rabbi Israel S. Dresner, spiritual leader of Temple Sharey Shelom in Springfield will be one of the Jewish representatives at the National Conference on Religion and Race which will be held in Chicago Jan. 14 to Jan. 17. Rabbi Dresner has been one of the leading Jewish religious personalities in the civil rights struggle in America, and has twice been arrested and imprisoned for his freedom activities in the south.

The Conference will be addressed by such outstanding religious leaders as Rabbi Dr. Abraham Heschel of the Jewish Theological Seminary and Rev. Dr. Martin Luther King of the Southern Christian Leadership Conference. The Conference is under the joint sponsorship of the National Catholic Welfare Conference, The National Council of Churches of Christ, and the Synagogue Council of America. Rabbi Dresner will be one of the dozen Reform Jewish leaders from throughout the country who have selected as members of religious Jewry's delegation to the Conference. He has been appointed by the Chairman of the Conference, the Rev. Dr. Ben-

jamin Mays, President of Morehouse College in Atlanta, as a member of one of the Conference's key panels, the one dealing with relations between religious and governmental bodies in the area of working to eliminate segregation and discrimination from our land.

**Computing in Space**  
MINNEAPOLIS (UPI) — When men begin flying to the moon and beyond their space-ships will need test equipment and spare parts on board so repairs may be made in space. Minneapolis-Honeywell already has fabricated a computer that can tell not only what space-ship systems have broken down but can also predict an impending failure in advance.

### Proposed New Lodge Holds Third Meeting

The proposed Westfield-Mountainside Lodge of B'nai B'rith will hold its third area-wide meeting on Wednesday, January 16, 1963 at the Temple Emanuel, 756 East Broad Street in Westfield. It was announced today by Acting Chairman, David Levy. This meeting will be highlighted by the selection of permanent name for the Lodge, the signing of the Charter Application by all the charter members, and the appointment of a nominating committee for the selection of charter officers.

Charter members of this newly-formed lodge are still being accepted. Herbert Ross of 1606 Rising Way, Mountainside and Melvin Intriligator of 856 Nancy Way, Westfield are in charge of membership. Those interested in becoming charter members are advised to contact Mr. Ross or Mr. Intriligator.

B'nai B'rith celebrates its 120th year in 1963. Founded in 1843, this community-service organization was actively involved in equipping rifles and uniforms for a company in the Civil War. In fact the first citation by the United States government to a civilian organization for patriotic war service was to B'nai B'rith. This service organization has also earned citations for its charity and relief work given to all distressed persons in the disasters of the San Francisco earthquake, the Baltimore flood, and other emergencies in the United States. It was so engaged 13 years before the Red Cross was established. In fact the early meeting for establishing the Red Cross in the United States was held at the home of one of the Presidents of B'nai B'rith Lodge at the time. The order maintains two nationally known "hospitals," both non-sectarian. One in Denver is for tuberculosis. The second the Leo Levi Memorial, is in Hot Springs, Arkansas.

In 1913, B'nai B'rith founded the Anti-Defamation League, one of the strongest weapons on the American scene to combat bigotry, hate and prejudice. Today the Anti-Defamation League not only combats organized anti-Semitism but is also active wherever discrimination against any race, creed, or color is being fostered.

### Prepare For Boro Baseball

With the passing of the holiday season, the thoughts and energies of many in Mountainside are already turning to preparation for the 1963 baseball season. An organization meeting was held last fall at which officers were elected and committees appointed for the coming year. At that time, preliminary plans were laid and its now time to start putting them into effect.

A meeting will be held on Wednesday, January 16 at 8 P.M. in Deerfield School to prepare for registration of players. Registration will be held this year on two days — the first will be Saturday, January 19 from 10 to 12 A.M. at Deerfield School, the second on the following Saturday, January 26 same time and place. All boys interested in playing will be registered at these two times. Registration forms will be available at all school offices, including Our Lady of Lourdes School and it is suggested that all applicants have the forms prepared when they arrive on the registration dates. All boys who will be eight years of age on or before April 1, 1963 and who will not be seventeen until August 1, 1963 or after are eligible for one of the Mountainside leagues. There will be two leagues for boys 13-16.

Last year there was a total of \$6,137.97 expended on baseball in Mountainside. The total breaks down into the following: Insurance — \$824.00; Trophies

### Ernest Schmidt To Address Boys

Ernest Schmidt, Director of Camping for the Boy Scouts of America at Schiff Reservation will be the featured speaker at the January 16 Scout Leaders Roundtable at Grant School in Westfield.

Mr. Schmidt has been a member of Scouting for over 35 years having achieved the rank of Eagle as a boy and is considered one of Scouting's real experts on the subject of camping. His article "Lite Pack Camping Gear" written for Scouting's "Boy's Life Magazine" has become the largest selling reprint in the history of the magazine. Mr. Schmidt is also considered one of America's leading authorities on white water canoeing and is presently engaged in writing a book on the subject which will soon be published.

Interested adults are asked to contact any of the above if they would like to participate in the program.

### Ray Olson Named Scout "Governor"

Ray Olson of Westfield has been named "governor of Alaska" for the eight annual Klondike Derby for District 4 Watching Council Boy Scouts of America.

The derby will take place Saturday January 19 in the Lake Surprise area of Watching Reservation. Almost 100 patrols comprising more than 800 Scouts and leaders are expected to participate.

The Klondike is a Boy Scout rally developed on the theme of Alaska when men racing by means of dogs and sledges crossed the frozen wastes in

search of gold. A Boy Scout patrol consisting of 8 or more members, pulls a sledge made from prescribed plans with their equipment lashed to it.

At the firing of a cannon, each patrol races to nearby location known as "Frost Corner" where they receive "sealed orders" directing them to six "Alaskan" towns. Each town presents a situation which requires good Scouting know-how in measuring, cooking, compass, signaling, first aid, tent pitching, campcraft and orientation.

The "mayor" of each town grades the team as to how well they handle each problem and awards them "gold nuggets" accordingly. When the circuit of six towns are completed teams race back to the finish line. The team with the most nuggets and fastest time for the 4 mile course is declared the winner.

The Klondike Derby will begin at 9 a.m. and will conclude with an award ceremony at 3:30 p.m.

E. HORNSBY WASSON  
PRESIDENT, NEW JERSEY BELL

### Why New Jersey Bell is spending over \$100 million for construction during 1963

Our state and nation's remarkable growth—and promising future—are creating an unprecedented demand for new telephone services. To help meet this need, New Jersey Bell has new construction projects under way in many parts of the state. Some of these projects will cost more than a million dollars. Others involve only a few thousand. But every one of them is a part of the never-ending job of bringing more and better telephone service to you and your neighbors.

The total cost will be over \$100 million—a big stimulus to the economy of New Jersey. It means more jobs—and more business—in many areas. In fact, almost every section of the state can be expected to benefit.

For example, in Succasunna a new Electronic Central Office is going up that will make new telephone services available to customers. A new dial office is under construction in Trenton. And a major addition is being made to the Telephone Central Office on William Street in Newark. These are just a few of the many projects on which that \$100 million will be spent.

It takes a lot of money to bring telephone service to people—especially when it's the best-phone service in the world. We're building to keep it that way.

*E. Wasson*

# TalkTalkTalk TalkTalkTalkTalk TalkTalkofTheTown

By JERRY FISCHTROM

## Flo Dwyer --Deserter? Gen. Green Parking Lot

A publicity release has entered our Editorial offices from the Republican Conservative Action Club of Union County, located in Fanwood.

The first paragraph, underlined, states "How will Rep. Dwyer Vote in 1963?" "After a conference with Mrs. Dwyer recently," continues the paragraph, "we are convinced that our Congresswoman may AGAIN DESERT THE REPUBLICAN PARTY on key issues of 1963."

### Republicans, Look Out!

Next, the press release uses statistics to show why "concerned Republicans should be aware of her 1962 record." "Mrs. Dwyer," the Club continues, "supported the Kennedy Administration 72% of the time. The average Republican representative had a 42% record. The left wing Americans for Democratic Action rated Mrs. Dwyer 37% in favor of their program in 1962. One out of every three votes by Mrs. Dwyer was AGAINST THE G.O.P. POSITION. Three of every four votes were against the G.O.P. when a majority of Republicans and other Democrats opposed Northern Democrats."

The press release continues to ask, "What can be done to change Mrs. Dwyer's apparent determination to ignore the Republicans who nominated her, financed her, worked for her and elected her? The best answer is your letter or phone call URGING HER TO TAKE HER STAND WITH THE REPUBLICAN PARTY; to cast her votes in accordance with the national policies and platform of our Party."

### Tell Her To Stop Thinking!

Thus, to our way of thinking, the Republican Conservative Action Club of Union County has scored Mrs. Dwyer for, of all things, voting the way her mind tells her to vote. What they are saying, in effect, is, "How dare a Republican Congresswoman think independently in regards to an issue upon which the Republican PARTY had already made up it's mind?"

Mrs. Dwyer, our Nation needs many more like you.

### Seen Anything Suspicious?

Any of you Springfield residents seen anything suspicious lately? Did you call the Police about it? Maybe you should have. Springfield Police Chief Wilbur C. Selander tells us that a number of robberies could be averted if persons would report anything suspicious to the Police.

"Recently," stated the Chief, "we investigated a theft in the General Green Apartments. A number of neighbors stated that they saw some suspicious looking characters in the area, but were hesitant to call the Police on a false alarm."

### Bother Us..That's Our Job!

"For the record," Chief Selander continued, "the Police Department would be happy to answer 50 false alarms if only one proves effective in preventing a theft."

### Letter To The Editor

Gentlemen: I am writing to call your attention to the fact that a little clean up in Springfield would be in order. There are several things that should be looked into immediately.

Circulars are being distributed every day throughout the town, and instead of being placed in mailboxes, where they belong, they are put on garage doors and automobile handles, and subsequently wind up littering driveways and streets. Wouldn't it be feasible to pass an ordinance rectifying this situation?

Also, couldn't the town consider the services of a street cleaning truck? Some of the streets are in disgraceful condition, not necessarily due to neglect on the part of the homeowners, but rather because of an accumulation of flying debris.

And lastly, the sloppiness of our garbage service is deplorable. When the collectors empty the trash cans they are not adverse to leaving grapefruit skins and paper laying in the streets.

I think perhaps a clean-up committee would be in order. Very truly yours, Stanley H. Shur. P.S. notes: We agree about the circulars. The indignity shown by circular distributors in avoiding two or three steps is commendable. However, it is no fun pulling these things off car doors, garages, etc.

NOTICE Due to serious space limitations, this paper will not print a "church notice" page in the future. Churches previously utilizing this page for publicity are urged to send us their bulletins in the form of a short news release. Every effort will be made to print these releases.

A major item in the "can't something be done" department is the confusing and genuinely chaotic traffic conditions in the General Green Shopping Center Parking Lot, in Springfield. During peak traffic hours, this mess is one that can move the most even-tempered motorist to a fit of nervous frustration.

### How Did It Get That Way?

Some reasons for this deplorable condition are obvious. First, this parking lot is obviously the result of some rather shoddy planning. We cannot imagine an architect designing a building to house nine stores -- including a large super-market, variety store, and restaurant -- with a mere 15 or 20-foot clearance on either side of the building.

Secondly, it seems that far too many parking spaces have been designated. An attempt to drive from a distant parking space in this lot to one of the exits can be an adventure, to coin a phrase, second to none.

Third, the numerous make-shift attempts to alleviate the congested condition in this parking lot have left conflicting signs and arrows, adding substantially to the general confusion.

Finally, those responsible for the location of the new drive-up window of the National State Bank should have considered a method to deflect traffic intending to merely "escape" from the parking lot rather than do the family banking. It is a lucky Springfield housewife that has not wasted a valuable 15 minutes trying to figure out how to get out of the "banking" line once she had mistakenly wandered into it.

### Answer Must Be Found

Many a lesser Springfield problem has been given much professional attention in the past. Something must be done about the traffic problems in this parking lot, and soon. With the co-operation of merchants, police, Township Officials, and owners of the General Green complex, an answer can be found.

### You Can't Win 'Em All...

This is the story of a young man who surrendered to a "police" pipe.

The youth, a 17-year-old Newarker made the mistake of stealing a car in Scotch Plains.

He did not steal an ordinary car either; he stole one that was the personal property of Patrolman John Andrusky of Scotch Plains's Finest.

When Patrolman Andrusky returned to his home at 548 Hunter Ave. after working the midnight shift he notice that his car was gone. He reported the theft to headquarters and then conducted a private search of his own in a friend's car. Within an hour he spotted his auto -- on Park Avenue. He flagged the driver down near the Junior High School. Both got out of the cars.

"Whose car are you driving?" Patrolman Andrusky asked.

"My car," the youth replied. But he turned and ran away.

The officer took after the youth. Because he had left his revolver home, he reached in his pocket for his pipe and fashioned it in the form of a pistol he pointed it at the youth and barked:

"Stop, or I'll shoot."

The boy stopped, Patrolman Andrusky brought him to headquarters for questioning and the youth admitted "borrowing" the car. He said his own auto had run out of gas.

He also admitted that he had been taking "goofballs."

But taking the policeman's auto might have been his biggest goof.

## A Vice's Virtues

by Grace J. Lubman

There have been many words printed and spoken about the rising high costs of running our growing state with the constant implication of imposing a new income or sales tax. Welfare costs are tremendous and the departments that check the cases are short of help due to monetary reasons, thus providing an opportunity for the non-deserving attempt cheating and fraud to obtain payments. The need for more educational facilities and better scholarships for students are the cry of many parents and civic organizations. The continuous development of suburbia and industrial sites make the building of new roads and highways a high-costing necessity. The multiplicity of reasons for needing more state funds cannot begin to be covered in this paragraph, but the need is there. The New Jersey Taxpayers Association says we are two hundred and five million dollars in debt now. Where is this money to come from?

### \$2,400,000 Untaxed

On July 5th, the headlines read: "\$2,400,000 plus guns and ammunition found in the trunk of a 1947 Plymouth in Hudson County." Reportedly, the money of a lottery czar now in prison whose earnings are estimated to have been in the millions per year. New Jersey has 21 counties and although this news came to light in Hudson that doesn't imply it's the only place where a numbers racket exists.

### Hypocrisy Prevails

I am aware that Mr. and Mrs. Average Citizen wears a mantle of veiled hypocrisy. Where chances are concerned, statements such as: "Oh, it's for a good cause," "I'll take one!", reflect the fact that people like to fool themselves that they are not gambling. I've observed, however, that raffle stubs are always tucked in a very safe place. People like to take chances with the eternal hope of winning. You can't stop human nature from being what it is. There are bets made on ball games, elections, with race tracks well attended; in fact if it is competitive I'll bet you there's a bet on it. We had to stop prohibition and with it, we stopped a terrible era of crime.

A legalized State Lottery conducted on a very high plane should be acceptable to a population facing a new tax. It's less painful! The Lottery could be voted upon by a

referendum. It could be run with drawings 3 or 4 times a year. Minimum age limits could be established for purchasers. No selling of blocks of tickets. All personnel to be free of any criminal suspicion or history. Tickets could be sold in booths placed in department stores, banks and perhaps some now vacant small stores could be rented for local bookkeeping and selling. The Lottery would pay for itself and the need for a new tax eliminated. It would definitely increase employment possibilities for workers whose jobs are lost through automation. It would cancel out the numbers racket and greatly reduce crime, freeing detectives and police from this type racket-busting. I believe the average person to be moral and given the chance to buy a lottery ticket "above board" would be glad to do so. It would be good to see "the wheels of fortune" turning for the State Treasury with benefits in the millions to go where they are really needed.

### Already Two Income Taxes

I have asked many people how they would feel about a well-regulated State Lottery as opposed to a new broad-based tax and after short discussion, the answers have always been for the State Lottery. It would be advisable at this point to note that residents of New Jersey who work in New York are at present paying two income taxes. The possibility of paying another income tax is appalling to the people in this category and to the large membership of the State Committee Against New Taxes known under the nomenclature of SCANT who recently expressed their resentment by an anti-tax march on Trenton. Since laws are enacted by the people and for the people they should be also flexible to fit the needs of the people.

### What Do YOU Think?

If you would care to discuss this question within your organization or among your non-political friends and neighbors perhaps the lack of negative replies would surprise and enlighten you too. In a voting booth without the world looking over one's shoulder I believe a State Lottery is an issue that people would vote for!

### Alien Report Month

The Governor's action was part of a nationwide drive by the United States Government to get each alien in the United States except diplomats, persons officially connected with international organizations of which the United States is a member and others admitted temporarily as agricultural laborers, to report his address during January of 1963.

### Letter To The Editor

New Jersey Association For Brain Injured Children Box 176, Millburn, N.J. Suburban Essex Chapter Editor:

We are a group of parents of brain injured children whose purpose, through this organization, is to help our own children and other children who are similarly handicapped.

The New Jersey Association for Brain Injured Children, of which this is a chartered section, was formed a few years ago by parents of brain-injured children in northern New Jersey. Working in cooperation with state and local education authorities, this association helped install a program of special education for children handicapped by the kind of brain damage described in the enclosed information sheet. As a result, a rewarding number of such children have been brought along to a degree of intellectual and social development previously thought to have been substantially beyond their capabilities. Some of these children have learned sufficient control over their handicap as to warrant their return to regular classes. The aim of our organization is to disseminate information about this disability so that with the understanding assistance of their community and families, these children may realize their full potential.

There are many parents who are desperately anxious to know of an organization such as this, to share in its work, and to benefit from such knowledge as can be made available. Since you are routinely in contact with family problems you may be of great help to such brain injured children you know or suspect by telling their parents of the formation of our section as well as our post office box number and also by joining us at our open meeting planned for Tuesday, February 5, 1963, at Millburn High School. Further information will be given at that time about our future program, and we will present two professional qualified speakers who will address us and answer questions.

Very truly yours, Judge Melvin P. Antell

# AREA SPORTS NEWS

THURSDAY, JANUARY 10, 1963

PAGE 7

ONE THAT GOT AWAY: Livingston's Dave Juhnowski is in there fighting but Dayton's Dave Bonislowski is on his way for a score. Looking on is Adamiak (33) and Jack Appar of Springfield.

DANGEROUS TERRITORY: Springfield Regional's Jack Appar is on the offense but he's heading for trouble as John Adamiak (33) and Dave Juhnowski (11) close in.

ONE THOUGHT: Fight for rebound takes place under Dayton boards with Springfield's Bill Kretzer (13) and Frank Monticello (33) dueling with Lynn Nesbitt (41) and Bob Heuer (43) of the Highlanders.

## Small Fry Winners

The Raiders, the Browns and the Indians were the winners in the first round games last Saturday afternoon at the Thelma Sandmeir School gymnasium in Springfield. Boys who have not been assigned to teams are requested to present this Saturday for assignment.

The Browns won 14-7 over the Pirates as Gold and Dobin scored fourteen points to lead their team to an opening game victory. Freunlich was the top performer for the Pirates. Brownlin was the whole show as the Raiders walloped the Lions 12-2 in a one-sided contest.

In the final game of the afternoon the Indians rolled to a 12-4 victory over the Giants. Weiss, Falcone and Grau were the leading players for the winners, with Zachau and Katz the best for the Giants.

## Two Tie In Temple Loop

Latest standings in the Temple Beth Ahm Mens Clubs Bowling League Springfield, are as follows: With the 10 top teams

1st place tier	W	L
S. Kessler	25	17
R. Kaverberg	25	17
2nd Place Tie		
B. Bruder	24	18
B. Cole	24	18
3rd Place Tie		
L. Cohen	23	19
H. Stein	23	19
4th Place Tie		
J. Weiner	22	20
J. Title	22	20
5th Place		
D. Rosenthal	21-1/2	20-1/2

## RHS Grapplers Can Only Hope

With the first week of the 1963 wrestling season completed, the Bulldogs of Dayton Regional have little to show except a good deal of hope for the future. Losses to a strong Plainfield twelve, and an even stronger Westfield team has left the Grapplers with a 0-2 mark, but Coach Herb Palmer seems to have his starting twelve, with the exception of silling Richie Bittle, at the weight class that will most help the team.

## Leaders Still Atop League

### SPRINGFIELD MUNICIPAL LEAGUE

Team	Standing	Jan. 7, 1963
Frank's Auto	31-1/2	16-1/2
Brunner Ex.	29-1/2	18-1/2

Colantones	23	31

## Livingston Wins, 57-45 Zone Defense Hurts Bulldog

Winless Roselle High made a strong bid for its first victory of the season against Dayton Regional last Wednesday, but the Bulldog's superior height, and the sharpshooting of Dave Bonislowski and Bill Kretzer, aided in Springfield's third victory of the campaign. The final score was Regional 58, Roselle 50, as both teams played on an even keel for the first 16 minutes of the game.

Springfield was heavily favored in the contest, but failed to find the range in the opening minutes of play. Roselle gained an early six point lead, but driving layups by Bonislowski cut the margin, and the score was tied 32-32 at the half.

The Bulldogs were a different team in the third period, as Jack Appar set up four consecutive Regional layups by Kretzer and "Bone", which gave Springfield a commanding eight-point lead. The Rams never overcame this deficit, although they trailed by only one bucket during the middle of the final period.

Bonislowski had his best night from the floor this season, hitting 11 of 15 attempted shots, and 8 of 13 fouls for 30 points. Kretzer had 9-16, 2-6 figures for 20 markers. The rest of the squad accounted for the remaining eight points.

## Livingston Wins, 57-45 Zone Defense Hurts Bulldog

The Dayton Regional Cagers under Coach John Swedish failed in its attempt to hand Governor Livingston Regional its first defeat of the 1962-63 basketball season, last Friday, as they fell to their third defeat, 57-45. The game marked the inaugural contest between the two schools in basketball, and was the first contest held in the new Berkeley Heights gym.

The entire game was decided in the opening half when Springfield failed to penetrate the Livingston zone, and fell behind 31-13. The Bulldogs managed only four field goals in the first half, as Heights' ace scorer Lynn Nesbitt scored one-point less than the entire Bulldog team.

Berkeley Heights displayed great balance in the opening half, getting consistent buckets from John Adamiak, Bob Heuhr, Dave Juhnowski, and Nesbitt. Juhnowski and his backcourt partner Bob Clarkson were very impressive, as they guided the Highlanders to their enormous lead.

Springfield outscored Berkeley in the second half, 32-26, as Dave Bonislowski hit 13 of his 19 points, but the Highlanders never let the Bulldogs get any closer than an eight point deficit. Nesbitt scored 22 points for the Highlanders, 12 from the foul line, while Denny Francis was runner-up for Springfield with nine markers.

## JUDO In Springfield

Last week we saw how Jiu-Jitsu developed in Japan. The problem in the late 1800's was that many Jiu-Jitsu students were being injured by their practice of the art and that too often these students used their knowledge towards selfish ends.

One of these students, however, Count Jigoro Kano, a Japanese aristocrat, diplomat and educator, thought that much that was good could be salvaged from Jiu-Jitsu. He devoted a great deal of his life in modifying both its spirit and practice—the result of which was the creation of Judo, a sport as safe as tennis with a mental and moral discipline of a high order.

In 1882 he started his first Judo school in an empty room of a Buddhist monastery. (His students told their parents they were attending Professor Kano's literature class.) From this eventuality grew the Kodokan, the great Judo center in Tokyo which makes the rules and grants the degrees in Judo throughout the world, and which is recognized as one of Japan's major cultural institutions.

Although Judo is taught in the beginning purely as a sport, it is much more than that, and the prestige of the Kodokan is not undeserved. Jigoro Kano's two fundamental principles, maximum efficiency—mutual welfare and benefit, have implications far wider than the Judo mat, and the student of Judo is expected to progress in his understanding of these implications just as he progresses in the techniques of the sport.

**N.D. Farms** BISMARCK, N. D. (UPI) — The average value per farm in North Dakota increased from \$47,677 to \$50,624 between 1959 and 1962, according to the North Dakota State University Extension Service. In the same period, the average size of farms increased from 755 to 797 acres. This year the land on the average farm in this state was worth \$43,129. Buildings were worth an additional \$7,495.

## Games Inaugurate Play

The Springfield Recreation State Basketball League inaugurated play last Saturday with five games played at the Florence Gaudineer School Gymnasium.

West Virginia in the opener, with Richmond the top performer for the Californians. The Texas-Florida was a hard fought contest, with Don Cumberly, Toll, and Weatherstone the leaders for the Texans. The Oklahoma-Utah game went to the Cowboys as Kurnos, Pierson, and Margulies sparked the winning drive.

Schwartz and Fidelstein the best for the losers. Ginsburg, Haydu and Sayki were the standouts as Wyoming nosed out North Carolina by a single marker. The finals brought together Kentucky and Minnesota, with the latter winning 18-17 as LoSanno and O'Connell provided the scoring punch for the winners. Murray was the top operator for the losing Kentucky Wildcats.

Any boys who have not been assigned to any team in the State League are requested to be on hand this Saturday for play with one of the ten teams. Dads who would care to serve as timekeepers and scorers are also requested to be on hand this Saturday.

High games for the day were, Hy Adler's 221, Art Glover's 214, and Leo Rivkind's 211.

Standings	W	L
Schuckman	26	13
Bornstein	24	15

Adler	22	17
Gränick	18	21
Newman	17-1/2	21-1/2
Atkin	17	22
Greenbaum	17	22
Hurwitz	16	23
Doros	14-1/2	24-1/2

## Springfield Wins In T.T. League

The second half of the 21st season of the New Jersey Table Tennis League began by the Union, Jrs. picking up where they left off in the first half. The Union, Jrs. trounced Murray Hill by a score of 8 to 2, Harvey Gutman and Jeff Swersky starred for the Union, Jrs. by winning all three of their singles matches, Jeff Swersky and Wayne Richter combined their talents to capture the doubles match for Union.

Springfield played the bottom team in the league, Clifton, and walked away with an 8 to 2 victory. Dean Johnson of Clifton was playing very well and accounted for both of Springfield's wins. Al Noehenson of Springfield won all three of his matches and played with Nate Stokes in doubles to have a perfect evening for Springfield.

Irvington went down to a defeat against a strong Jersey City team to a 6 to 4 score. Roger Case of Irvington appeared to be somewhat off of his usually excellent form and lost all three of his matches. Elias Solomon of Irvington did his usual task of winning all his matches and defeated Raoul Kamel of Jersey City. Kamel is

the only player in the league to hold a victory over Solomon. Newark held on to second position in the league by trimming Eatontown 7 to 3. Bill Cross of Newark had a perfect evening which included defeating John Kilpatrick of Eatontown, the present state champion. Cross is now the second ranked player in the league with only two losses.

Bloomfield took the measure of the Union, Srs. with a 6 to 4 victory. Martin Bukl of Bloomfield won all his matches and combined with Don Zargham to post a win in the doubles match.

Results Last Week	W	L
Union, Jrs.	8	2
Springfield	8	2
Newark	7	3
Bloomfield	6	4
Jersey City	6	4

## Caldwell Games Begin In Style

Four games at the Caldwell School gym ushered in the 1963 Springfield Recreation Commission "Small - Fry" basketball program.

The Knicks, Billikens, Bullets and the Pistons were the first game winners, and from all indications play in this league will improve from week to week.

In the opening contest Silverman tossed home 10 points to spark the Knicks to a win, with Fry, and Ed Weissman the top performers for the losing Nats. The second game pitted the Billikens and the Celtics, with the Bills winning 15-9 in a hard fought contest. Janukov scored eight points with Harlem six to provide the scoring punch. The Bullets nipped the Aggies 8-7, with Gibbs, Sarkom and Fox the best for the winners.

In the final contest the Pistons scored a 16-5 win over the Lakers with Buccl, Meisel and Schoch the best for the winners. Vosio and Jayne were the leading players for the Lakers.

**Brainy Baseballers** ST. LOUIS (UPI) — Two St. Louis Cardinal baseball players are employed at Washington University out of season.

Outfielder Charley James, is an instructor in electrical engineering, and shortstop Dal Maxwell is a recruiter for the university's engineering department.

## Church Race Gets Closer

The race in the second half of the Church Bowling League Springfield, is becoming closer each week and the standings are changing each week.

The Bowlers who rolled 200 or better as follows: M. Kriese 225, A. Johnson 224, E. Gerke 213, E. Moreland 210, R. Bevan 203, E. Cardinal 200.

## Princeton, Yale, Win Games

Princeton and Yale were the winners last Monday night as the Springfield Recreation Commission Basketball League inaugurated play. Princeton had an easy workout in the first quarter to gain a 12-6 lead and never headed, posting a 22-15 victory. Buccl, Coln, and Jayne sparked the victory, with Silverman and Eva the best for the losing Cornell five.

In the nightcap Yale won 38-34 over a scrappy Harvard five. Don Buehrer Bob Belliveau and Freddie Tille were outstanding for the winning Bulldogs, with Lies, Sheane and Lester the top players for the crimson.

Twins bills are played every Monday night, a single contest on Tuesday, with all games at the Florence Gaudineer School gym.

## Rep. Florence Dwyer For Enlarged House Rules Committee

Rep. Florence P. Dwyer (R-6th Dist.) said last night she planned to vote for "reorganization" of the enlarged House Rules Committee, if the issue is brought to a vote, "in the interest both of good government and responsible politics."

REP. FLORENCE P. DWYER

In 1961, the Union County Congresswoman was one of 22 House Republicans who voted to increase the membership of the Rules Committee from 12 to 15 in an effort to permit the full House to consider legislation reported by standing committees.

Mrs. Dwyer made her position known in a statement released in Washington and simultaneously as a part of her remarks before the Men's Club of the First Baptist Church of Westfield, N. Jersey.

"It makes no sense to me," Congresswoman Dwyer explained, "to give a handful of members, who do not represent the leadership of either party in Congress, the power to determine what legislation the House will or will not be permitted to consider, no matter how well-intentioned the members may be."

She continued: "I do not believe the people of Union County elected me to Congress to abdicate my responsibility for studying important issues and voting on those issues on their merits. This is the essence of representative government. To abandon responsibility, to encourage wholesale obstruction of the legislative process, would be highly objectionable and Congress would deserve the censure of the American people if it yields on this vital issue."

"The national and international problems confronting the United States and affecting the security and well-being of all our people require a high degree of cooperation and understanding between the Legislative and Executive branches of government. The Administration is constitutionally responsible for proposing policies and programs to deal with these problems. Congress has the obligation of studying Administration proposals and accepting, rejecting or amending them, or substituting alternatives, and we should neither blindly approve nor blindly oppose everything the Administration proposes."

"Every Representative and Senator has an equal responsibility for participating in the process of study, thought and decision by which laws are finally enacted. The place to carry out this responsibility is in the committee rooms of Congress and on the floors of the House and Senate. We have no right to evade this responsibility."

### Fair Highlight

NEW YORK (UPI)—A colorful series of Nationality Day programs will highlight the music, songs and dances of national and ethnic groups representing countries all over the world during the two six-month seasons of the New York 1964-1965 World's Fair, according to Robert Moses, president of the international exposition.

Walter Bacad, Program Director of the Nationality Day series, plans to present, among others—artists of African, American Indian, German, Israeli, Italian, Puerto Rican and Ukrainian extraction.

## Moroccan Court Reviewing Case Of Baha'i Group

The Baha'i International Community is relieved to learn that the Moroccan Supreme Court of Appeals has decided to re-examine the case of three members of the Baha'i religion sentenced to death in December by a lower court in Nador, Morocco.

"It is the hope of the Baha'i International Community that the Moroccan Supreme Court of Appeals will use its highly responsible position to extend justice toward the three condemned men," said H. B. Kavelin, Chairman of the Baha'i International Community. "We aren't forgetting the six other Baha'is who have been sentenced to long prison terms at hard labor, for all are innocent of the charges leveled against them. Can anyone be considered guilty when he practices the high tenets of his religion? What harm can come from such aims as world peace and brotherhood? That is what the nine men who are caged in a Moroccan prison cell were espousing when they were arrested." Baha'is around the world will not rest while their Baha'i

brothers are imprisoned for the alleged crime of practicing their religion.

### Tallest Tree

WASHINGTON (UPI)—The tallest tree in the world is believed to be a 368-foot California redwood in Humboldt County, Calif.

This tree, according to American Forest Products Industries, tops the old Founders Tree, which lost 17 feet in a storm a few years ago.

Talk about growth potential... you're looking at it!

Weeds . . . fox tails . . . there are plenty of them in the "Jersey Meadows"! But they are disappearing . . . and as they disappear industry is bursting forth here into full bloom. Located right in the middle of the world's richest market, just a bird's eye view from New York City, and adjacent to deep water ports, overland transportation and several major airports, this former wasteland is destined to become one of America's great industrial concentrations. The shaded areas in the photo indicate where industrial parks are completed, or are in the planning stage.

Thus, diversified growth continues in New Jersey. This kind of farsighted, planned growth has become a philosophy in our state. It is also the philosophy of Public Service Electric and Gas Company. It calls for ever increasing expansion of our services — one billion dollars' worth in the last ten years — to stay ahead of the demand.

With the responsibility of serving more than 80% of New Jersey's population, Public Service sees no reason why the state's remarkable growth trend should change in 1963.

PUBLIC SERVICE ELECTRIC AND GAS COMPANY *Trusty Servant of a Great State*

LEGAL NOTICES

Report Home

Senator Harrison A. Williams Jr.

Congress comes back to about the mounting school problems facing our nation. But a logical first step would be early passage of a sensible bill to help higher education meet some of the tremendous demands upon it.

My own list of other high priority goals for 1963 also includes HEALTH CARE FOR THE AGED. If the 1962 election proved anything, it proved that voters in most districts want a fair chance for Congressional action on major Administration proposals.

AD TO HIGHER EDUCATION: A general education bill is still the goal of everyone concerned

about the mounting school problems facing our nation. But a logical first step would be early passage of a sensible bill to help higher education meet some of the tremendous demands upon it.

My own list of other high priority goals for 1963 also includes HEALTH CARE FOR THE AGED. If the 1962 election proved anything, it proved that voters in most districts want a fair chance for Congressional action on major Administration proposals.

AD TO HIGHER EDUCATION: A general education bill is still the goal of everyone concerned

Service Corps bill in Congress. MASS TRANSIT BILL: The Administration transit bill, which I introduced last year will be introduced and pushed early in 1963.

HOME SERVICE CORPS: President Kennedy has named a high-level committee to draft a plan for a service corps of volunteers to work where needed in this nation.

URBAN LEGISLATION: In future newsletters I'll describe the following bills in some detail. For the present I'll just list them:

NOTICE TO CREDITORS: ESTATE OF JOHN FENSON, Deceased Pursuant to the order of EUGENE J. KIRK, Surrogate of the County of Union, made on the twelfth day of December, A.D. 1962, notice is hereby given to the creditors of said deceased to exhibit to the undersigned...

NOTICE OF HEARING: NOTICE IS HEREBY GIVEN THAT THE SANITARY SEWER ASSESSMENT COMMISSION will hold a public hearing on the benefits derived by property owners from the installation of sanitary sewers in a portion of Cleveland Avenue, a portion of Everts Avenue, a portion of Smith Street, a portion of Jerusalem Road, and all of Johnson Street in the Township of Scotch Plains, N.J.

NOTICE OF HEARING: NOTICE IS HEREBY GIVEN THAT THE BOARD OF ADJUSTMENT OF THE TOWNSHIP OF SCOTCH PLAINS will hold a public hearing on the application of Robert F. Down, Inc. for a Special Exception to the Zoning Ordinance to erect and maintain an addition to the Moor Lodge, concerning Block 143, Lot 3 located at U.S. Route #27, Springfield, N.J.

NOTICE OF HEARING: NOTICE IS HEREBY GIVEN THAT THE BOARD OF ADJUSTMENT OF THE TOWNSHIP OF SCOTCH PLAINS will hold a public hearing on the application of Robert F. Down, Inc. for a Special Exception to the Zoning Ordinance to erect and maintain an addition to the Moor Lodge, concerning Block 143, Lot 3 located at U.S. Route #27, Springfield, N.J.

NOTICE OF HEARING: NOTICE IS HEREBY GIVEN THAT THE BOARD OF ADJUSTMENT OF THE TOWNSHIP OF SCOTCH PLAINS will hold a public hearing on the application of Robert F. Down, Inc. for a Special Exception to the Zoning Ordinance to erect and maintain an addition to the Moor Lodge, concerning Block 143, Lot 3 located at U.S. Route #27, Springfield, N.J.

Colt Revolver

(Cont. from page 4) one in Washington would even speak to Colt, much less buy weapons.

Then General Thomas S. Jesup, hard pressed in warfare against the Seminole Indians in Florida, bought 50 of Sam's guns in the spring of 1838 and gave him a draft on the government for \$6,250.

Sam put that small-fortune in his pockets and sailed northward to redeem himself. The vessel capsized at sea and although Sam saved his life, he lost the \$6,250 draft. Jesup refused to issue a duplicate.

Down and down went the Paterson Paten Arms Co., until by 1842 Colt's backers withdrew support. Colt left Paterson penniless. He had one asset he knew nothing about: Capt. Sam Walker of the Texas Rangers, who in 1838 had bought several Colt weapons.

Meanwhile, Colt turned elsewhere. He made a successful underwater mine and blew two Navy ships to pieces in demonstration -- but Navy leaders argued that the old ways of killing were more humane. He made a waterproof cable for Samuel F. B. Morse's telegraph system. Sam Colt had ideas, but no money.

War with Mexico brought the prosperity that always had eluded Colt, but only because Sam Walker had remembered.

Walker came East in 1846 to urge Colt to make 1,000 revolvers to use against Mexico, but Sam hesitated. Everything had been sold in Paterson -- arms, machinery, tools, everything. Sam Colt couldn't even find one of his Paterson-made pistols. Walker had left his Colt revolver in Texas.

Sam designed a new model, with modifications by Walker, and induced Eli Whitney of Whitneyville, Conn. to make the 1,000 pistols for Walker. Two years later the success of the Colt revolver in Texas emboldened Sam to open his arms plant in Hartford.

Sam-Colt-made-his-fortune-in-Hartford; he left an estimated \$15,000,000 when he died in 1862. The 1846 Walker pistol wasn't basically any better than the Paterson model -- but the times finally made Sam Colt necessary as he had never been before.

Bill Cullen of "I've Got a Secret" got his first big break when the emcee of "Winner Take All" became ill and announcer Cullen filled in.

GUEST--The Board of Directors of the Mountainside Woman's Club will meet January 9 at the home of Mrs. Clarence Hall, 301 Garrett Road, to finalize plans for the January 16 regular monthly meeting to be held at the Mountainside Inn at 12:30 P.M. The guest speaker will be Miss Kay Kato, famed cartoonist and lecturer. Members are promised an exciting and unusual afternoon as Miss Kato's sketches capture the spirit and adventure of every day living. Her lively narration will project humor that excites the imagination and provoke great interest.

Overlook Nursing Seminar On "Patient Centered" Care

The importance of regarding the patient as an individual in good nursing care was the topic under study in a two-day nursing workshop at Overlook Hospital, January 8 and 9, attended by some 100 head nurses from Overlook and ten neighboring hospitals. The Overlook Workshop was the first of a series of seminars to be held at hospitals in the area on a number of topics relating to nursing care.

Miss Angela Coletti, R.N., from the National League for Nursing, presented the seminar as part of Overlook's In-Service Education Program to keep its nursing staff informed of latest techniques and theories in the nursing field.

"Knowing the patient's emotional outlook, his family background, the environment he will return to -- all these are important factors in his recovery," commented Mrs. Grace Phelan, R.N., Supervisor of Overlook's In-Service Education Program.

"Patient Centered Care means concern for the patient's inner well-being as well as his physical needs. The understanding nurse can communicate her interest while she does many routine tasks that bring her into contact with her patients. In fact, this attitude lifts routine tasks to an entirely different level. Skilled techniques are essential to good nursing, but a warm heart and intelligent analysis of the patient's psychological needs is equally important," said Mrs. Phelan.

Among the topics discussed toward achieving patient centered care were good communications between nursing shifts to give nurses coming on duty a better understanding of the patients in their charge. A cardex system was suggested to note special problems. The "evasive, withdrawn" patient, for instance, should be asked questions that would encourage him to talk and to release his feelings rather than a yes-or-no type answer.

Patients from different ethnic groups, racially and religiously, tend to respond to pain and stress differently, so understanding of such background factors enables the nurse to understand her patient better.

In rehabilitation the family can be taught to help in many ways, including letting the patient do as much as he possibly can himself without undue strain, rather than "doing" for him.

Head nurses at the seminar learned to analyze the organizational structure on their own hospital floors to discover possible staff blocks to a more personalized approach and to plan time to communicate more fully with their floor nurses.

Eastern-Style Spaghetti with an oriental flavor is made with a sauce of pork, bean sprouts and chutney. Cook 1 pound of ground pork over low heat until browned, stirring to break into bite-sized pieces. Add 1 (1 pound) can of bean sprouts, 2 tablespoons of chopped chutney and 2 teaspoons of salt. Cook slowly 15 minutes. Stir occasionally. Serve with 8 ounces of spaghetti cooked to desired tenderness. Serves 4 to 6.

News And Views From Borough Hall

By Al Daniels and Tom Ricciardi, Mountainside Councilmen

This is the beginning of what we hope will be a regular column in which we will keep Mountainside residents posted on matters of interest that affect all of us.

First of all, we would like to thank the many kind people who came to borough hall or called or wrote to extend their good wishes to us on the occasion of our taking office January first as Borough Councilmen. It is indeed heartening to see the renewed interest of so many people in our Borough government and we plan to do all we can in the months ahead to encourage more and more of you to participate in Borough affairs which are after all, your affairs.

Secondly, we are very pleased that we can report to the voters that on our very first day in office we took a major step towards fulfilling one of our most important campaign promises. We introduced a motion which we are happy to say the entire Council unanimously supported.

This motion called for the rapid enactment of conflict of interest legislation. Prior to taking office, we surveyed surrounding communities and culled what we felt were the best ideas in conflict of interest laws from these towns. We have had these suggestions boiled down into an ordinance creating a code of ethics for the officials and employees of the Borough. After the council adopted our motion, we publicly handed our Borough Attorney a copy of our proposed ordinance. It is now our understanding that pursuant to our motion, the Borough Attorney is to prepare an ordinance on conflict of interest for the consideration of the Council.

Another of our election campaign pledges was to devise means to allow the majority of people in our town to decide whether or not there would be High Rise or Garden Apartments in Mountainside. We interpret the Mayor's New Year's Day speech in which he indicated that everyone in town would be given an opportunity to present their point of view on this subject, as a significant move towards allowing the voters not only to speak but to decide whether or not multiple unit dwellings will be allowed to change the face of our town. We would like to point out that before we became Councilmen, the previous council retained the services of a man termed a master planner. We understand from the Mayor's speech that he expects the master planner to make the decision on High Rise apartments. We hope the master planner will make good recommendations but in any case we shall work towards allowing a majority of the people to decide what happens on this vitally important issue.

We would like to extend our best wishes for a happy and prosperous New Year to all of you and we hope that you will feel free to call upon us for any matters on which we can be of assistance.

Americans spend about 15 per cent of their food dollars for dairy products but get back about 25 per cent of their total food value in these products. Cows, like humans, need exercise during the winter months and farmers should provide an exercise lot convenient to the barn.

In 1789 a French refugee from the Island of Santo Domingo introduced the tomato into Philadelphia, but few people would taste it. It was considered poisonous.

Enough material is contained in the hubless tires of a Boeing jet airliner's landing gear to produce 100 automobile tires.

After textiles and tobacco, lumber ranks as the third big T in North Carolina industry. The state is first in the country's production of wood furniture, hardwood veneers and plywood.

Phineas T. Barnum, the circusman whose shows thrilled millions, once said the view from the top of Mt. Washington in New Hampshire was "the second greatest show on earth."

January 19th, in Short Hills, Mr. and Mrs. F.J. Smith of Stony Lane will host the cocktail party at seven o'clock; and dinner will be served at the home of Mr. and Mrs. W.W. Niebling of Northern Drive.

Mr. and Mrs. Henry Heystek of Berkeley Heights are co-hosts for the dinner.

Alumnae Chapter To Hold Dinner

New Jersey Chapter of the Alumnae of Saint Joseph College, Emmitsburg, Md. will hold a dinner dance at the Hotel Suburban in Summit on March 16, 1963 from 8 p.m. to 1 a.m. Proceeds of the affair will benefit the building fund of the school. Mrs. John Ament of Mountainside, the chapter president, noted.

Mrs. Robert Failla, West Orange, is serving as chairman. Her committee heads include Miss Mary Hornish, South Orange, decorations; Mrs. Nelson A. Claypool, Jr., Newark, patron book; Miss Anne Sheelen, Plainfield, tickets and raffle.

A planning meeting will be held at the home of Mrs. Ament on January 10, 1963 at 8 p.m. Attending will be dance committee chairmen, chapter officers, chairmen of standing committees and chairmen for the six area groups of the chapter.

Tickets for the dinner dance will be \$15 per couple. A weekend at Hillside Lodge, Canandaigua, Pa. will be the raffle prize. Dance and raffle tickets may be obtained from Miss Anne Sheelen, 754 Woodland Avenue, Plainfield.

At the end of 1960, there were 141,700,000 (m) telephones in the world, more than half of them in the United States.

U.S. farm land is being converted to other uses at the rate of about 2 million acres per year.

Phineas T. Barnum, the circusman whose shows thrilled millions, once said the view from the top of Mt. Washington in New Hampshire was "the second greatest show on earth."

After textiles and tobacco, lumber ranks as the third big T in North Carolina industry. The state is first in the country's production of wood furniture, hardwood veneers and plywood.

UNION COUNTY CYO QUEEN--Miss Alice Pagano, member of Our Lady of Lourdes C Mountainside, was recently chosen Queen of the Union County CYO at a Holiday dinner held at the Elizabeth Elks' Club. Miss Pagano, one of five candidates, received a trophy, a Wittauer Watch, and is the reigning queen of the County CYO for the year 1963. Miss Pagano, 16, the daughter of Mr. and Mrs. Albert Pagano, of 163 Sunrise Parkway, Mountainside is a junior at the Governor Livingston Regional High School, Berkeley Heights.

Senator Stamler

Discusses Problems

One of these days New Jersey will get around to doing something about two of its most serious problems -- government spending and taxes -- and the good people who pay the taxes won't be able to say they haven't been warned because this tax problem has been discussed and debated from one end of the state to the other.

No surgical operation has ever had greater advance preparation than this contemplated cut on the public's pocketbook. And in all fairness, Governor Hughes has been talking taxes since he started campaigning in early 1961. And then this so-called State Tax Policy Commission which was long overdue in its report -- we have all before forewarned -- that the storm is coming -- no one will be able to cry, "why didn't somebody tell us."

In 1953 the State Budget was 245 million dollars -- and in this past year it was just about 500 million -- a 10% increase -- and the Administration has poured some fresh fuel to the new tax question with the announcement that 30 to 50 million more will be needed next year -- all of this the result -- not since Governor Hughes was elected -- but the last ten years of the constant cry for more and more state services and state assistance. The explanation that always is given is our tremendous increase in population over the last ten years -- about 20% -- and against this 20% -- where does the 10% increase in budget set.

The argument of the population explosion is always used as the key to open the door of more government spending -- but the big cities of our state have all lost in population over those same ten years -- and all their expenditures have gone up 30, 60 even 70% and the home owner pays that in his tax bill.

In this same ten year period there is a forgotten item -- the money we have borrowed by ballot -- by referendum -- and money we pay back -- with tremendous interest charges -- in 1958 46 million -- for water -- 67 million in 1959 for higher education -- in 1961 40 million for institutions and 60 million for Green Acres -- 213 million dollars borrowed in four years.

As an example, a couple of years ago the State put a bill through providing for six million dollars for a new labor and industry building down at Trenton. This building is now under construction and I am told that its cost has run up to 9 million

NELSON F. STAMLER

There is now being suggested an Urban Affairs Department -- which smacks to me of sheer pork barrel -- new jobs with new divisions -- and a big new way to spend money when we should be looking for ways to hold the line.

Pressure groups know that additional taxes mean increased public payrolls and increasing political jobs to run, manage, collect and enforce such additional taxes -- so that before I will accept the talk about the necessity for this much talked about broad-based tax -- of whatever kind -- I will have to be shown proof that we have reached a maximum of taxes in luxuries.

As an example, in horse racing we get 24 million in comparison to New York's 100 million dollars. But, lastly probably most important, we need some tightening on all levels of government -- local, county, state and federal.

As an example, a couple of years ago the State put a bill through providing for six million dollars for a new labor and industry building down at Trenton. This building is now under construction and I am told that its cost has run up to 9 million

dollars. Or, how about the fall to get breakage from the merry track at Freehold. This should run somewhere about \$200, and I have been told that the peanuts, \$200,000 to me is peanuts and there may be a of peanuts lying around the State.

Another example is that our State Highway Department the Turnpike Authority our Garden State Parkway maintain separate legal staffs engineering staffs, maintenance staffs and public relations staff three of everything -- a contradiction under the Highway Commission would save a lot of money. The public probably does not know that in June 1960 we had 52,670 federal employees in New Jersey and in 1961 we had almost 57,000.

A great example which should hit home is the fact that in 1960 we had about 21,500 state employees and as of today we have just about 30,000. An increase of 8,500 and at \$5,000 a year average about 45-million dollars a year.

I believe that we must have broad re-examination of government spending which could be done with a little Hoover Commission which will have the right to decide what is pork barrel and what is necessary whether or not the people of New Jersey are actually getting the money's worth.

As an example, a couple of years ago the State put a bill through providing for six million dollars for a new labor and industry building down at Trenton. This building is now under construction and I am told that its cost has run up to 9 million

# SCIENCE NOTEBOOK

by HANS KLEIN

UNION COUNTY REGIONAL HIGH SCHOOLS

Some 200 million years ago the first mammals emerged in a reptilian world. How this came to be is as baffling as Man's evolution to dominance out of the world of mammals. Though Man now probes into outer space, the mystery behind the pattern leading to his dominance still eludes him as it has from the beginning of human thought.

A hundred years ago it was hardly diplomatic to speak of our mammalian relatives; that is, not as relatives. However, we show our kinship in subtle ways. We are generally partial toward mammalian pets and children exhibit a special fondness for cuddling small, gentle mammals. Although birds rank high as pets, we never quite understand them. Deep sentimental attachments often exist between persons and mammalian pets, but rarely between persons and mammalian pets, but rarely between persons and birds; I doubt if there is

any communication between humans and amphibia at all, and though some people profess a fondness for reptiles I cannot imagine any reptile leaping for joy at the sight or smell of its master, but they, like fish, can recognize who feeds them. There is no question that some mammals go into an emotional decline and even death at the loss of their home or master. Only certain mammalian pets will go to great effort to return long distances to humans or to human habitations with which they have definite emotional attachments.

Many mammals — especially apparent in dogs — have excellent memories for persons with whom they have been associated, and when reunited after years of separation will display unrestrained outbursts of recognition and affection.

### SCIENCE QUIZ

(Questions sent to Hans Klein care of this paper will be answered in the science quiz.)

1. Are dogs more intelligent than cats?

2. What invertebrate types are most intelligent?

3. Since apes and monkeys are highly intelligent why are they relatively rare as pets?

4. Do fish have memory?

5. Are birds generally less intelligent than mammals?

### ANSWERS

1. On their own, cats probably have the edge; however, dogs are more outgoing and are far more sociable with people.

2. Probably molluscs such as the octopus, squid, and cuttlefish.

3. Being arboreal in nature they do not take well to living in houses. The larger apes can be trained satisfactorily, but they are expensive, and require elaborate care.

4. Eels and certain salmon show remarkable memory in returning thousands of miles to their breeding grounds.

5. Yes. The cerebrum of birds is generally smaller than the cerebrum in mammals. Birds are stream-lined in every way for flight; the cerebellum is well-developed and their responses tend to be more automatic.

### Fire Prevention Ass'n To Hold First Meeting

The first evening meeting of the newly organized New Jersey State Fire Prevention Association will be held on Thursday, January 17, at 8:15 P.M. at the Municipal Building, East Broad Street, Westfield, N.J.

### Greek Orthodox Church Planned

The establishment of a Greek Orthodox Church in Union County will be the purpose of a meeting on Thursday evening, January 17th, at 8:00 P.M. at the Community Hall of the Presbyterian Church of Springfield, 37 Main Street.

### Christian Science

Communion services will be held this Sunday at all Christian Science branch churches and societies throughout the world. The church tenets will be read, and the congregation will be invited to kneel in silent communion. The Lesson - Sermon is on "Sacrament," and Bible readings will include this verse from Matthew 5: "Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will also be read (p.4) "The habitual struggle to be always good is unceasing prayer. Its motives are made manifest in the blessings which, even if not acknowledged in audible words, attest our worthiness to be partakers of Love."

### Reading Ass'n Plan Meeting

Dr. Rosa Hagin, Instructor in Clinical Psychology in the Department of Psychiatry at the New York University School of Medicine and a staff psychologist at Bellevue Hospital, New York City, will be the principal speaker at the next meeting of the Suburban Council, International Reading Association, to be held Tuesday, January 15, at 3:45 p.m., at Newark State College, in the east room of the College Center.

The topic for the meeting will be "Follow Up in Specific Reading Disabilities at Bellevue Hospital - Two Hundred Little Readers and How They Grew." Local members of the Suburban Council include: Mrs. Elaine Gaswirth of 803 South Springfield, Carol Hudson of 407 Hillside Ave., and Mrs. Trude Creede, 19 Twin Oaks Oval, of Springfield.

Mrs. Eleanor Beyer of 290 Old Tote Rd., Mrs. Helen Carr of 1474 Woodgates Dr., Mrs. Thelma Cote of 343 Rolling Rock Rd., Dr. Levin Hannigan of 289 Old Tote Rd., David Hart of 1251 Poplar Ave., Mrs. Mary Mooney of Beechwood School.
