Twenty five American citizens who fought Communism and tyranny while citizens of Russia will take to the Jonathan Dayton Regional-High School stage on March 3 at 3:00 p.m. for a spirited performance of the dance.

The Don Cossack Chorus and Dancers, a troupe world-reknown for their inspiring singing and dancing will be coming to Springfield as a result of the sponsorship of the Springfield Rotary Club. The Rotary club is asking for 'Patron Ads' as contributions to the above worthy causes. According to Rotary officers, much of the success of this project depends on the support given by local businessmen. Anyone wish-

ing to become a 'Patron' will be listed in the program as well as receiving two complimentary tickets to the performance. Total contribution for both the ad and the tickets is ten dollars. Patron ads are tax deductible.

Tickets for the March 3 performance may be purchased at the National State Bank, Crestmont Savings, Beacon Hill Stationery, Kays Stationery, Van Ness Opticians, Milton's Liquors, Factory Linolium Outlet, Remlinger Real Estate, Harmony House, Temple Beth Ahim and Saks Fifth Avenue.

Max Sherman, Springfield attorney and former township attorney, last Thursday night Feb. 7, appeared before Springfield Planning Board to charge that the deletion of restaurants in the business zone has penalized the business property of the township.

Appearing before the board on behalf of Louis Blick, a property owner at 40 Millburn Avenue, where Springfield Board of Adjustment last November denied a variance for the establishment of Pancake Kitchens of New York, Mr. Sherman told the board that up until 1960 a restaurant was a listed use in the business zone according to the April, 1955 ordinance but in the 1961 ordinance a restaurant was deleted as a permitted use. He declared that the law was not comprehensive enough and if the ordinance is examined it will be noted that a restaurant is a special exception use in the limited business zone, which he said was a more restricted zone but was not permitted in the general business zone.

Mr. Sherman called the new ordinance "hasty legislation", which he said was concerned with an isolated piece of property where somebody wanted to build a diner and legislation was adopted affecting every piece of property with results flowing from this bazaar type of legislation.

The lawyer went on to point out that in the general business zone, retail stores are permitted uses and pointed out that he didn't know of any department store which doesn't have a restaurant and lunch counter. He also questioned seriously the validity of a candy store locating in the business zone with a soda fountain which with the selling of coffee could be considered as a restaurant use.

The matter was not part of a comprehensive plan and business property was being penalized, he said.

It was reported that Mr. Blick owner of the Millburn Avenue

address had exposed his property during the past five years without any success and the Pancake enterprise was the only one interested in the location. Mr. Sherman indicated that he believed the Board of Adjustment in turning down the variance did so because the case was a legislative matter, not to be treated as a variance exception.

The property owner has made many efforts to attract merchants to the location and felt the Saks Fifth Avenue store in the area would stimulate activity there. The property to date has cost him \$110,000 it was reported with taxes amounting to \$1,200 a year. The Pancake Kitchen operation was to be conducted from a building estimated to cost \$125,000, it was reported, and the restaurant concern would still be interested in the proposition if the plan could be given favorable consideration.

Mr. Sherman contended that the 14 restaurants in Springfield in the business zone given "preferred" treatment and are now existing as non-conforming uses. The business zone is unduly restricted by the deletion of restaurants from it, he said.

Planning Board Attorney David Zurav noted that Mr. Sherman was "here to have us change the zoning ordinance" and Mr. Sherman pointed out that there were only two approaches to the question, which included going to the Board of Adjustment for a variance. The latter is concerned with an isolated piece of property which does not conform to the requirements and he said that in this instance it involved an overall matter which concerned the establishment of restaurants throughout the business zone. The meeting was also attended by Mr. Blick Sr., whose address is 570 No. Broad Street, Elizabeth, and his son, Mr. Blick Jr., and Herman Chasnow, representing the interests of 26 Millburn Avenue.

Mr. Chasnow told the board he manages the 26 Millburn property for its present owners. He said there are "no takers" for his location which he has had for the past seven years and indicated that he felt if the Blick property were to be developed it would "rejuvenate the entire section of the block" with no answer to the situation otherwise.

The Planning Board did not indicate what consideration, if any, it would give to the request.

Mr. Sherman had previously written the board a letter on the matter.

Also appearing before the board were Irving Rosenberg of Union, representing Forest Acres, developer of property in Elmwood Road, and Jay Bloom of Springfield, representing Isaac Cottler, owner of property in

Milltown Road. A question arose as to the ownership of a brook in the area with both property owners denying ownership and the township requiring that the brook be piped. Announcement was made that The Forest Acres organization will assume the responsibility of the brook along with the purchase of additional lands from Mr. Cottler and the subdivision of Forest Acres, consisting of eight lots, was classified by the board as a major subdivision. President of Forest Acres is Joseph Marrin. Previous owner of the property was Robert Hockstein.

Take Steps On Pool

Springfield Township Committee Monday night took several steps in connection with the construction of the municipal swimming pool. Authorization was given for the establishment of a temporary separate account designated as a checking account at the National State Bank of Elizabeth, Springfield office with specification given that fees be deposited in this account and those authorized to sign township committee checks also designated to sign for these checks.

Authorization was also given for the execution of the contract between Spars, the architects for the proposal and the Township Committee.

In addition permission was given for the borrowing of \$274,754 in bond anticipation notes from the National State Bank for the swimming pool for a period of four months effective February 14th with the maximum interest rate set at 2-1/2 per cent per annum.

Committeeman Philip DeVecchio reported that progress is being made in connection with pool membership pointing out that the membership application forms should be in the mail early this week. All who want to get in the swim should get their checks in promptly because applications will be honored on a first come, first serve basis, he said. He added that two applications have already been received and announced that his was the second one.

Town Committee Introduces Budget

Springfield Township Committee Monday night at a regular meeting in Municipal Building introduced its 1963 estimated budget of \$3,515,536.46. This represents a total increase of \$393,681.57 over 1962 when the budget was \$3,121,854.89.

The amount to be raised by taxation for municipal purposes is \$851,255.18 as compared to \$635,337.17 in 1962. This represents an increase of \$215,918.01.

The tax rate is expected to increase 49 points.

Public hearing on the budget will be held March 12 at 8:30 p.m. in Municipal Building. The budget was introduced by Township Committeeman Carmen Catapano, chairman of the finance committee. Mayor Arthur Falkin announced that Township Committee will have an informal budget hearing on Saturday, March 2, at 1 p.m. in Council Chambers when it will be glad to discuss the budget with anyone interested and answer questions on the proposal.

The 1963 budget provides \$515,000 for county purposes, which represents a \$56,326.66 increase over last year when \$458,673.34 was designated for county purposes. It also provides \$840,000 for Regional High School purposes which is a decrease of \$12,614.97 over last year when this category called for \$852,614.97. It was explained that the regional high school budget is up but not

sufficiently to overcome the increase in rates and as a result a decrease is shown in the tax levy. The amount for local school purposes is \$1,309,281.28 which represents an increase of \$134,051.87 over the 1962 figure of \$1,175,229.41.

The tax rate for 1963 is estimated at \$6.87 as compared to \$6.38 in 1962. County purposes are expected to account for \$1.01, regional high school purposes \$1.64, local school purposes \$2.56 and municipal purposes \$1.66 of the 1963 estimated rate. The 49 point tax rate increase is attributed to a 7 point increase in the county rate, 16 point local school increase, 36 point municipal increase and 10 point regional high school decrease.

The \$215,918.01 increase for municipal purposes is explained by the provision of \$53,195 for increases in salary and wages, by an additional \$54,733.86 as a reserve for uncollected taxes and \$101,091.10 less surplus with which to work. This accounts for \$209,019.96 of the municipal jump.

A general increase of approximately three per cent to all municipal employees in addition to extended hospitalization is provided in the new budget.

The reserve for uncollected taxes in 1963 is \$210,932.18 as compared to \$156,198.32 which was the reserve for uncollected taxes in the 1962 budget. It was pointed out that \$40,000 in tax dollars is allowed in 1963 for the loss of rates due to the construction proposed in connection with Route 78.

The total general appropriations for municipal operation in 1963 budget is set at \$1,381,846.18. Total general appropriations in 1962 amounted to \$1,267,019.27.

Total anticipated revenues other than property taxes for 1963 is listed at \$530,591 as compared to \$631,682.10 in 1962. This decrease is attributed primarily to less surplus inasmuch as anticipated surplus for 1963 is \$180,000 as compared to \$270,000 in 1962.

Cuban Refugees Aided At St. Stephen's

Several projects have been begun at St. Stephen's Church, Main Street, Millburn, to aid the program of the Episcopal Diocese of Newark. The women of St. Stephen's have sponsored several month's rent for an apartment in Newark for a family recently evacuated from Castro Cuba. This is in support of the "Bishop's Flight" a plane load of refugees brought to this area sponsored by the Rt. Rev. Leland Stark, Bishop of Newark. In addition to underwriting the apartment rent, The Women of St. Stephen's (Mrs. James B. Howe, president) have helped to furnish the apartment, and an appeal has been sent throughout the parish for warm clothing for the Cubans.

Another way in which the Women of St. Stephen's are aiding the program of the diocese will be furthered by an old-fashion Pancake Supper to be held in the parish hall on Tuesday, February 26th. Proceeds from the supper will go to the

'Battle Of Springfield Day'

Commemoration Exercises To Be Held On 24th

North Jersey
Art Panel

The North Jersey Art League will meet on February 26 at 8 p.m. at the Hull Art Center, 2331 Morris Avenue, Union.

A communication was received from the Union County Board of Chosen Freeholders by Springfield Township Committee Monday night, February 11th, calling attention to a commemoration exercise to be sponsored by the Honorary Innkeepers of the Thirteen Colonies and to be held at the Jonathan Dayton Regional High School, Springfield, on Sunday afternoon, February 24th.

The Board in conjunction with the event passed a resolution designating that the day be known as "Battle of Springfield Commemoration Day" and urged Union County citizens to heed the day. Springfield Township Committee agreed that it was fitting that the day be proclaimed as Battle of Springfield Commemoration Day and authorized Township Attorney James Cawley to prepare such a proclamation. In addition, Mayor Arthur Falkin said that all the town people are invited to attend and participate in the ceremonies planned at the high school in connection with the event.

The resolution by the Board of Chosen Freeholders said:

"Whereas, the county of Union embraces certain geographical areas whose historic origins have been of great importance in the founding days of this Nation, during the War of the Revolution, when our forefathers valiantly struggled against oppression to make this a free Nation, and

"Whereas, a most significant military engagement took place in and around Springfield, under the gallant leadership of General Nathaniel Greene, with resultant victory that is considered to be a most vital turning

point in the tide of events in the War of the Revolution and

"Whereas, under the sponsorship of the Honorary Innkeepers of the Thirteen Colonies there is planned a Commemoration Exercise in recognition of the importance of this key victory in our fight for Independence; said Commemoration to take place at Jonathan Dayton Regional High School on the afternoon of Sunday, February 24, 1963, and

"Whereas, the Board of Chosen Freeholders of the County of Union, being keenly aware of the import of our early colonial origin, with specific reference to the historic origin of the word "freeholder" itself, which dates back to these days, therefore

"Be it resolved that the Board of Chosen Freeholders of the County of Union do hereby join these who acclaim the value of the sacrifices made on the hallowed ground in and about Springfield, and, in recognition thereof, by virtue of powers vested in the Board as the governing body of Union County, do hereby declare that Sunday, February 24, 1963, be known as "Battle of Springfield Commemoration Day" and be it

"Further resolved that this Board calls on the citizens of Union County to give heed to this day, and to the values handed down to us by those who did not die in vain, so their sacrifices may serve as inspiration in our present struggles against those foreign oppressors who, if permitted to do so, would enslave us all and destroy the liberties which we have always held so dear."

"Sew and Show" At St. James

The regular monthly meeting of St. James Mothers Guild will be held in the School Auditorium on Monday evening after devotions. Mrs. Phoebe Leedy, president, will preside at the business meeting.

A very unique program entitled planned by Mrs. Rose Stewart, program chairman. Members of

the Guild will give us a sneak preview of spring fashions when they model what the well dressed women of Springfield will be wearing next season and the interesting part of it will be that each model will have made what she wears. Refreshments will be served by the Third grade mothers.

The early artistic skill of Jack Webb, host of "General Electric True," earned him an art scholarship offer at University of Southern California.

MAX SHERMAN, Chairman of the Springfield Heart Fund Drive and Charles Remlinger, Industrial Chairman meet with Miss Valerie Moyhla of Elizabeth, who was crowned as Honorary Chairman of the County, to discuss her recent recovery from cardiac arrest at St. Elizabeth Hospital in September. Miss Moyhla, daughter of Mr. and Mrs. John Moyhla suffered cardiac arrest during a relaps following an appendectomy. Her heart beat stopped for several minutes, and she was revived by a defibrillator, donated to the new Cardiac Diagnostic and Treatment Center at the hospital, which the Union County heart Assn. helped establish last year.

Committee Against Private Park Lots

Concurring with Police Chief Wilbur Selander's sentiments opposing the policing of privately owned parking lots, Springfield Township Committee unanimously went on record against such

a proposal and agreed to inform the members of the State Legislature to vote against the revision of the State Statutes, Title 39. Consideration is being given on the state level to pass legislation whereby traffic laws would be applicable to private property with the police department to control the movement of cars thereon.

Committeeman Robert Hardgrove said that the police department has sufficient difficulty on its own streets and such a proposal would only add to the burden. He further noted that he felt this was the responsibility of the property owner.

Township Attorney James Cawley was called upon to explain the state proposal and he pointed out that if the law were passed it could not only include such locations as General Greene and Echo Plaza but could even extend to one-family dwellings and could infringe on what the property owner was entitled to on his own land and would involve considerable cost to the community with the need for an increased police force of possibly two or three times its present size.

Announcement was made by Township Attorney Cawley of a suit the township instituted in connection with damage to a traffic light in the community, resulting from an automobile accident. The incident involved two drivers with negligence on the part of someone, it was

said, and two insurance carriers had agreed to contribute a total of \$600 in the case. The bill amounted to \$680 and Township Committee agreed to accept the \$600 offer in settlement since Attorney Cawley estimated that a continuance of the case would cost the township \$100.

A request was received from the Industrial Committee for increased lighting in the industrial areas of the community. Mayor Arthur Falkin reported that Jersey Central Power and Light Company has been asked to survey the entire municipality including the industrial areas and an answer in this matter should be forthcoming in the near future at no cost to the township.

On motion, Township Engineer Walter Kozub was directed to advertise for bids for road materials in connection with State Aid.

On the recommendation of Township Committeeman Carmine Catapano Edward Ruby was continued as director of recreation. Committeeman Catapano said that Mr. Ruby has done a terrific job and has been with the township a long time. The proposal was seconded by Committeeman Philip Del Vecchio with "pleasure."

Stanley Mc Conkey, a member of the audience, registered a complaint about carrier trucks unloading in Meisel Avenue in connection with the Morris Motor concern. He claimed that the trucks block the driveways in Meisel Avenue up to Wabeno Avenue and requested that parking on that side of the street from the intersection of Morris and Meisel Avenues down to Wabeno be eliminated. Such a proposal would not have parking facilities in their driveways. Township Committee indicated, that it has been desirous of solving the situation for some time and promised it would investigate and take steps in the matter to solve the problem.

Those Who Serve

THE SCOUTMASTER an influence for good...

What is a boy without adult leadership? He could possibly grow up to be President. But he's more likely to wind up in trouble. Without adult guidance a boy might grow like a weed in an untended garden.

Over the years since Scouting was introduced in this country, millions of boys have benefited from the guidance of Scoutmasters. And no one will ever know the legions of boys they, in turn, have influenced.

The Scoutmaster not only leads a troop; he influences the life of every boy in it. He has volunteered his time and effort to prepare

boys to be better citizens.

He guides boys in finding values expressed in the Scout Oath: *On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.*

The Oath, by itself, means nothing. It's the Scoutmaster who breathes life into it and gives it meaning. And every boy who lives it is the Scoutmaster's legacy to the future of America. Because of him a youth learns to stand straight and tall like a mighty oak.

Question Filled By Newark IRS

"When will I get my refund?" is one of the questions most often asked of the busy tax assistants in the local offices of the Internal Revenue Service. Frank S. Turbett, Jr., Director of the Newark District office of the Internal Revenue Service said that failure to receive refund checks promptly is usually caused by illegible names or addresses.

Mr. Turbett said that it is permissible to sign your name at the bottom of the return in your usual manner, even though your signature is a hurried scrawl. At the top of the return, however, your name should be carefully printed. Your complete, current address should also be carefully printed along with your social security number. In other words, eliminate any doubt as to who you are and where you live.

Each year thousands of refund checks are returned to Internal Revenue offices because the postman cannot deliver them.

Director Turbett said that if the taxpayer has moved, he should show his new address to promptly receive refunds and other mail from Internal Revenue. If he moves after filing, a forwarding address should be left with the post office.

Gaudineer Teacher Spends Spare Time Under Water

By OZ

They call him "Ski" — even the kids he teaches Industrial Arts. His real name is Robert Senkowsky and where they got the "Ski" from I couldn't learn as all his spare time, away from teaching at Florence Gaudineer School, Springfield, is not spent on skiing, but on his hobby, skin diving.

Snow was cascading against the classroom window when I started to take notes. "What do you about skin diving in weather like this?" I asked. Bob Senkowsky laughed.

"Well, when I was stationed at Key West with the Navy, there were no problems. I could sink all year long. Up north the best I can do, out of season, or from November to April, is to test my Scuba in the YMCA pool in Plainfield, to see that its clean and in good shape."

"If everybody's Scuba was clean and in good shape we'd all be happy, provided we knew what a Scuba is" I interjected. I'd seen the word and had always wondered. "It stands for Self Contained Underwater Breathing Apparatus" Ski said. "I was a diver in the Navy and learned all about Scubas there. I once got down 150 feet at Key West, but about the lowest you can go with good visibility along the Jersey shore, is 50 feet. Then I'm usually surrounded by strippers and blackfish. But at Key West I've speared 200-pound sharks."

"Did you ever get into any trouble, like sharks going after you for a warm lunch?" Ski said no. For one thing he'd been trained in the Navy to drop 10 or 15 feet if he spotted a shark when surfacing. "Humans are not adapted to the water and a shark instinctively takes a man or woman, be he or she swimming ever so smoothly, for a fish in trouble, therefore instantly edible. A fish doesn't have arms and legs to flail around, raising foam and bubbles, and its foam and bubbles that radars a shark. A man swimming looks like a wounded fish."

"What kind of a gun do you use?" we asked. "A spring operated gun, but I prefer another one that works with rubber bands. I get better shots with it and it lasts longer. The bands are made of surgical rubber. And once you spear a fish, its best to surface with it right away, because the blood attracts man-eating sharks."

I asked Ski how he knew depth measurements. Divers wear a gauge attached to their arm and they scan it, much as a person does a wrist watch. In winter he practices with his equipment in heated pools, but there is no excitement to that. He is a swimming instructor and fills the rest of his spare time, away from

that and Gaudineer, in studying for his Master's Degree at Newark State College. He has been teaching for five years, having finished his Navy stretch in 1954 and completing a college course in '58. A member of the Metuchen Skin Divers Club, he follows his hobby as avidly as he does instructing his young charges.

The Senkowsky's have a summer home at Forked River and Ski spends much of his time on and over his 18 foot skiff. Their little daughter, 3, is a bit young to start practicing with the Scuba, so it will be some while before he gets a family partner because his wife doesn't share his love of ocean diving.

"How come?" we asked. His answer was brief.

"She doesn't even want to watch me" he said. "In fact the hardest thing about skin diving is convincing my wife it's safe."

Brotherhood Day

Temple Sharey Shalom will begin its celebration of Brotherhood Week with an interfaith and interracial youth assembly this Sunday, Feb. 17 at 7:30 p.m. at the Temple building on South Springfield Avenue. The Temple youth groups will be host to the senior and junior high school youth groups of the Presbyterian Church of New Providence and of the Israel Memorial A. M. E. Church of Newark.

The visiting young people, Presbyterian and Methodist, white, and negro, will be accompanied by their minister the Reverend Richard Bryan and the Reverend John Collier, Jr. The young people of Sharey Shalom, led by their spiritual leader, Rabbi Israel S. Dresner, will take their guests on a guided tour of the Synagogue and will explain the meaning of its various Jewish symbols and sacred objects. The Springfield Rabbi, who is himself one of the leaders in the struggle for interfaith and interracial justice, will address the young people and will then join the two ministers in a panel discussion on the theme.

Refreshments will be served to all the young people at the conclusion of the evening activities.

Persecution Still Morocco Situation

The Baha'is of Springfield have learned from their national headquarters in Wilmette, Illinois, that their co-religionist in Morocco are still being persecuted.

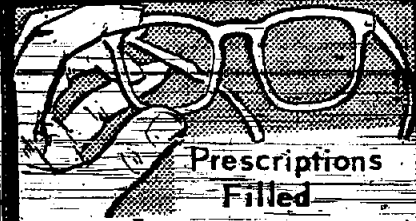

The persecutions started in April 1962 when 14 Baha'is were arrested for practicing their religion. It reached its peak on December 14 when three of the accused were sentenced to death and five others sentenced to life imprisonment.

"Now the persecution has taken on a new form," Mr. J. C. Ioas, chairman of the Springfield local spiritual assembly said, "It appears that Baha'is are being expelled from their jobs because of their religion."

Mr. Ioas said: "We have received word that a Baha'i professor at the Casablanca College has been forced to resign from his position. No reason was given for his dismissal."

"As for the imprisoned Baha'is, there is still no word when the Moroccan Supreme Court will examine their appeal. However, we recently heard that their plight had been aired before the United Nations Sub-Com-

mission for the Prevention of Discrimination and Protection of Minorities. Mr. Roger N. Baldwin, chairman of the International League for the Rights of Man presented the Baha'is case. "He told the fourteen member sub-commission the death and prison sentences were passed on the Baha'is solely for exercising their religious beliefs. He also told the sub-commission "The Baha'i religion has existed in many countries for a considerable period of time.

Smith, Remlinger Named To Aid In Heart Drive

The Chairman of the 1963 Springfield Heart Fund Drive Max Sherman today announced the appointment of Arthur W. Smith as local Treasurer and Charles A. Remlinger to be in charge of business and industrial donations. All funds collected in Springfield will be placed in the Springfield Branch of the National State Bank of Elizabeth for later transmittal to the Union County Heart Fund.

Many Springfield volunteers attended the "kick-off" Heart Fund Meeting at St. Elizabeth's Hospital last Sunday where they heard detailed explanations of the usage of donated monies. Grants in research aid were presented to Dr. Carlo A. Pallini and Miss Gladys Doctor. Recent advances in heart surgery were explained with the use of X-Rays and plastic heart mechanisms by Dr. Charles Ream. The main speaker, Dr. Arthur Bernstein, prominent cardiologist, described various heart malfunctions and the effective employment of the pacemaker and various types of equipment donated by Heart Drive Funds.

One of the most outstanding successes was told by Dr. P. DiBenedetto, as he related the happy conclusion as the result of a complete cardiac arrest for more than three minutes suffered by Miss Valerie Mohyla. This occurred to the 17-year old girl last September following an emergency appendectomy. For a period of over twelve hours, her

life hung in the balance while teams of doctors and trained personnel used every means of knowledge and technique including equipment donated with funds collected by the Union County Heart Association. Miss Mohyla is now in good health and was present at the meeting to take a smiling bow. She has resumed her studies at St. Patrick's High School in Elizabeth, where she is in the Senior Class.

The Springfield Heart Fund Chairman stated, "Due to the great strides made in heart surgery and all phases of heart treatment with funds collected from Springfield residents and other Union County Residents, it has been a very pleasant and easy task to secure volunteers." Mr. Sherman then named the Springfield Heart Fund Captains who are working closely with the neighborhood volunteers during the entire month of February which is designated as "Heart Month". They are: Mr. and Mrs. William Ruocco, Mr. A. Hausman, Mr. Shelley Fried, Mr. John Grifo, Mr. Henry Wright, Mr. and Mrs. William Koonz, Mr. Philip Cohen, Mr. and Mrs. A.

C. Dauser, Mrs. Walter Kozub, Mrs. A.H. Buehrer, Mr. and Mrs. Robert Hardgrove, Mrs. Lawrence Dorsky, Mrs. M.L. Ke-fauver, Mrs. Frank Cardinal, Mrs. H. Myrberg, Mrs. Michael

Passero, Mr. and Mrs. Philip DeVecchio, Mrs. R. Jacobson, and Mrs. J. Fulmer.

Information regarding the Heart Fund and its activities may be had by contacting Mr. Sherman or the Union County Heart Fund at 152 Jefferson Avenue in Elizabeth.

Longest Overtime

One of the longest overtime sessions on record was played last Saturday afternoon in the Springfield Recreation Commission-State League. In the opening game of a 5-game card, California nipped Utah 18-16 in a sudden overtime session, with Harvey Cohan tossing home a short set shot after 9 minutes of spirited play. Allen Todres was the leading point maker for the winners as he tossed home 10 points, with Cohan's only score providing the Californians with a 2-point victory. Edelstein and Schwartz were the most outstanding for the losing Utah quintet. The second game was close as Florida nipped Wyoming 10-9 as both clubs had difficulty locating the basket. Bobby Catapano and Mark Colandrea were the big guns for the winners, Sayki, Ginsburg and

Haydu playing well for the Wyoming cowboys. In the middle game West Virginia's rebound strength was the difference as the Mountaineers scored a 20-13 win over the Kentucky Wildcats. Biro and Tiss provided the scoring and rebounding for West Virginia, with Spielman and Schoch the best for the losers. Minnesota scored an impressive win over Texas as both clubs scored well. Big Ralph LoSanno scored 21 points to put on a one-man scoring show for the winners, with Mike Krautblatt's 11 points the best for the Texans. In the finale Oklahoma's well drilled quintet had too much savvy for the North Carolina wolfpack to win 25-17, with Ken Kurnos tossing home 12 points to spark the victory.

Springfield Over Colonia

The Union, Jr.s. took a commanding lead in the New Jersey Table Tennis League by trouncing 2nd place Newark 8 to 2. Harvey Gutman and Jeff Swersky won all their single matches and played together to win the doubles. Bill Cross of Newark, former State Champion, was beaten twice. This is an extremely unusual happening for Cross who is one of the most consistent performers in the league. Newark's loss also dropped them into third place. Their cause was not helped any by the absence of their number 2-player, Ken Brause.

Bloomfield made the most of the trouble Newark was having by handing last place Clifton an 8 to 2 defeat. The win advanced Bloomfield from third place into second place by one game. The Union, Sr.s. won over Jersey City by a score of 6 to 4. The high point of this contest was the upset victory of Ed Gutman of Union over young Raoul Kamel of Jersey City. Murray Hill and Eatontown entered into a spirited battle for

ninth place. Eatontown emerged victorious with a 7 to 3 win. John Kilpatrick was the big winner for Eatontown.

Colonia's team which was starting to move up in the standings before sickness set in, went down to defeat before a strong Springfield team 7 to 3. Elmer Wengert substituting for Al Nohenson of Springfield turned in a good performance along with regular Nat Stokes, each winning two matches.

In the nightcap the Indians trimmed the Giants 12-6 with Ron Danziger and Steve Gray the point makers for the tribe, Hank Zachau and Mark Apirian the best for the Giants.

3 Weeks Before Jr. Playoffs

Three more weeks of play remain before the start of the all important Springfield Recreation Small Fry basketball league playoffs. Several of the leading clubs in the league show good scoring ability, plus the all important rebound strength, so look for a all-out effort in this year's championship series.

In the opening game of the 4-game card the Aggies showed good balance to easily defeat the Lakers 18-11. Martin Josephs, Dan D'Andrea were the spark-plugs for the winners, Gary Jayne and Loy Vasilov the best for the Lakers. The Billikens showed too much scoring power to easily defeat the Nats 29-11. Bill Harlem and Bob Janukowicz were the scoring twins for the Billikens, with Bob Blum and Eric Wasserman the best for the Nats.

The Bullets and Knicks locked in the next game with the Bullets stopping the Knicks 15-11 with Fox sparking the victory with a 11 point effort. In the finale, Bucci, Campbell and Misel were the scoring trio for the Pistons as they toyed with the Celtics, winning 16-8.

Mountaineers Over Hawks

Good basketball featured play in the highly interesting Springfield Recreation Senior Basketball League last Wednesday night. In the opener the well balanced Mountaineers scored a 41-34 win over the Blackhawks, with the Conlin brothers spearheading the victory. Ken Lancaster and Richie Bell were the workhorses for the Blackhawks, getting help from Monk Mienke. In the second half of the twin bill the DevRons, sparked by Eddie Reese, Dennis Golcher and Teddie Schuss had too much power for the Mecker quintet to win 38-27. DeMartine and Zawacki were the best for the losing Red and White.

District Mat Tourney Slated For Regional

By ARNOLD MINIMAN

For the second consecutive year, the District V wrestling tournament will be held at the Springfield gym. The quarter final round will be held on February 15th, at 8:00, and the semi-final, consolation, and final rounds will be held on February 16th. It is an interteam tournament, highlighted by defending champion Union High, and strong squads from Columbia of Maplewood, and the host school, Jonathan Dayton.

Last year, Springfield heavyweight Marty Sica emerged as the only Regional winner in the districts, but strong showings were made by Pete Puntigam, Ronnie Puorro, Tom Baker, Tom Venice, and Rich Lucariello, all of whom will participate in this year's action.

Springfield will be hindered in its quest for the team championship due to the loss of Rich Basta and Larry Bellon, who were injured in the match

against Cranford, and the weakness of Puntigam and Bob Haas who have been ill recently.

Union is again favored to capture the team title. The Farmer's loss to Westfield last week, 20-18 was their first defeat of the season. Springfield hopes are more towards the lower weights, led by Jeff Karlin, John Gardella, and those already mentioned, while Richie Bittle joins Venice as the chief threat in the higher brackets.

Springfield-Scotch Plains The Smith brothers, Richie and Robbie, spelled double trouble for the Springfield Cagers Tuesday, as Scotch Plains rolled over the visitors from Regional, by an 85-58 score. The two brothers teamed with little, but spectacular Art Coon, to keep the Raider fast break moving whenever possible, and with the score knotted at 15 all, Scotch Plains reeled off 13 straight points to go ahead for good.

Springfield held a 4-1, and 15-13 lead, before the Smith bro-

thers collaborated for 11 of 15 straight points to give the Raiders a 28-15 advantage. Springfield narrowed the gap to 11 on a layup by Jack Apgar, but that was as close as Springfield could get. The score was 47-28 at the half, and a Springfield press in the third and fourth periods could not stop Coon and company from scoring.

Frank Monticello hit 20 points to top Dayton scorers, his high game up to date, while Kretzer and Apgar chipped in 13 and 12 respectively.

RHS Grapplers Split At Home

By ARNOLD MINIMAN

There were two wrestling matches held at the Springfield gym last week, and three area powers, Dayton Regional, Cranford, and Columbia of Maplewood, produced two of the most exciting matches held this season. Last Tuesday saw the Regional grapplers surprise a high riding Cranford twelve, 29-23, and Columbia upended the Bulldogs in a 25-19 battle on Friday night. The matches gave Regional a 6-5 mark with one match remaining, and a final 4-2 mark in the Watchung Conference.

Jeff Karlin, wrestling at 98 pounds, started Dayton off right with a 4:38 pin over Randy Nelson of Cranford. 106 pounder John Gardella lost a hard battle to Ralph Zobel on riding time, 5-4, but Springfield bounced back as Rich Lucariello scored a 4-1 win in the 115 pound class, and Ronnie Puorro came up with a pin in 2:37 in the 123 match.

Freshman Gary Furze fought gamely in his first varsity clash, but was pinned in 3:48. In the 136 pound match, Tom Baker won on a fall, pinning the Cougar's Tom Galski in 3:12. Bobby Haas followed his example, pinning his adversary in 3:57, but Larry Bellon lost the 148 pound match in 0:58.

Richie Basta won by a 2-1 score in the 157 meet. At 168, Tom Venice bested George Krip, 6-4, and Cranford won the final affairs' on falls.

Columbia edged a crippled Springfield twelve three days later. Karlin won 2-0, but Gardella and Lucariello dropped 9-0, and 6-0 decisions. Puorro pinned Vic Esposito in 2:55, and Bob Eckman fell in 4:14.

Baker won 3-2 over Bob Jung, and Haas lost a tough 2-1 decision to Ken Samson. Substitutes Mike Geohagen (4-0), and Bob Kaiser, (fall, 2:44) were defeated, and Tom Venice took care of Ed Home in 61 seconds. Harvey Goldberg lost 6-0, and heavyweight Richie Bittle ended the match with a 4-0 decision over Ken Rosevear.

Keglers Drop Heights Match

The Gov. Livingston Regional Bowling Team rebounded with two third round wins to upend the Dayton Regional Keglers, and avenge an earlier loss at the hands of Coach Pete Scocca's team. Springfield now has a 1-2 mark after the 3 1/2-2 1/2 defeat.

Springfield's second team, paced by Ray Ruban's 194, rolled a 781 in the first round of the match, to tie the second five of Berkeley Heights, but the first team was topped, 900-785. Springfield swept the second round, as the first team was outclassed, 820-815, by the second team, consisting of Wiss Nemerson, (170) Bob Allen, (129) Rich Pomerantz, (172) Ruban, (181) and Dave Hage, (168).

Berkeley Heights exploded in the third round with two individual 200 games, to clinch the match. Springfield had two outstanding games by Joe Caster-novia, 197, and Wiss Nemerson, 201.

Temple Pin News

Temple Beth Ahm Bowling league standings to date were established due to the triple win by Harry Stein's team to take undisputed 1st place. Abby Weinberg came up with a 595 series (212-204) to take high honors. Oscar Baroff with a 247 was highest individual scorer.

Ten top teams to date are as follows:

1. H. Stein	33	21
2. S. Rekon	31	23
3. R. Kaverberg	30	24
J. Title	30	24
B. Cole	30	24
4. J. Weiner	29	25
B. Bruder	29	25
B. Shapiro	29	25
5. D. Rosenthal	28-1/2	25-1/2
6. S. Kessler	28	26
L. Coehn	28	26

Close With Win

The Springfield grapplers closed their regular season wrestling schedule with a 29-18 victory over Berkeley Heights. The win gave Dayton a 7-5 final season mark, and bettered the 21-21 tie that the teams had fought to in their first meeting last season. Dayton won without the services of Bob Haas, Larry Bellon, and Richie Basta.

Ivy Shows Good Play

The Springfield Recreation Ivy Basketball League continued their interesting play, showing good balance, great competitive spirit, plus improved scoring.

Last Thursday night Princeton nipped Dartmouth 45-42 in a ding-dong battle with Joe Bucci, Mike Catapano, and Freddie Volbherst sharing the scoring honors for the winners. Gary Kurtz, Ronnie Haselman, and Timmy Sommers were outstanding for the losing Dartmouth five.

Monday's twin bill at the Florence Gaudineer School gym provided another interesting session, with Cornell nipping Princeton 24-22 in a good defensive battle, with Yale walloping Harvard 52-41.

Allen Silverman and Johnny Eva provided the scoring punch and the rebounding for Cornell to spark the big Red in their win over Princeton, with Joe Bucci, Dougie Jayne and Mike Catapano outstanding for the Princeton Tigers. In the nightcap Yale showed too much speed and a sharp eye to easily defeat Harvard by a 52-41 score. Freddie Title, Gene Zorn, and Pillar played exceptionally well for Yale, along with the reliable Bob Belliveau and Ronnie Azarawicz to provide an early lead of 10 points which stood up throughout the entire contest. Lies, Sheehan, and Lester were the top performers for the Harvard crimson.

Indians Scalp Dayton Cagers

Once again the Springfield Regional basketball team found itself on the short end of the score after a thrilling basketball game. This affair was a 53-51 overtime loss at Rahway. Springfield had fought back to tie the score at 51 all of Frank Monticello's jump shot with four seconds left, after having trailed by as much as seven points in the final period, but an overtime layup by Bob Unchester proved fatal for Regional.

Bill Kretzer, who had a career high of 24 points, tallied eight points for Regional in the first period, as the Bulldogs jumped to a 14-9 lead. The lead increased to seven points at the outset of the second quarter, on a jumper by Jack Apgar, but the Indians, led by scoring star Craig Fisher, reeled off ten straight points to pull ahead, 19-16. Kretzer finally hit for Springfield, and a jump shot by Jim Lies gave Dayton a 20-19 advantage. Fisher scored again to give Rahway a 21-20 lead, but Springfield gained a halftime advantage of 25-21 on buckets by Kretzer and Gary Faucher, plus a foul shot.

The Indians quickly closed the gap at the start of the third period, and as the pressure mounted they changed a 31-28 deficit into a 40-35 advantage. Denny Francis pulled Regional within three on a jumper, but Fisher scored at the buzzer to make it 42-37, going into the final eight minutes.

Both teams exchanged shots early in the final period, and with little more than three minutes left, Paul Starkowsky scored to give Rahway a 48-41 lead. Three Springfield baskets, by Monticello, Apgar give Springfield three points to make up with less than a minute left. Kretzer hit another jumper for Springfield to pull the team within one, and Unchester was fouled to break the Rahway freeze. Bob made the shot, but Monticello swished his all-important shot with four seconds left to tie the score.

Both teams missed many early

opportunities in the overtime, until Unchester hit the winning shot with little time remaining.

Springfield lost an earlier decision to Rahway by a 50-48 score and is probably glad to see the last of that team for awhile. Fisher had 17 points, after sitting out the entire first period, and much of the final eight minutes after fouling out. Jack Apgar had 10 points for Regional.

The Springfield junior varsity avenged an earlier 50-48 four overtime loss to the Rahway j.v. The junior Bulldogs rolled to a halftime 26-6 advantage, before winning by a 56-34 score. Alan Greenberg, Dave Dropkin, and Mike Kretzer starred for Springfield.

Doros Pinner's Beat Schuckman

High scorers of the day were: Hy Adler, 213; Bob Alberton, 213; Danny Kahn, 203; Herb Kramer, 203; Lou Cohen, 200. Otto Granick's team took high game, 678.
