## Editorial Memos ..

Recent weeks have brought many changes to your SUN and it is the intent of this department to maintain a bi-partisan and objective look at all the news.

The function of a weekly newspaper is to report local news to local people--news which is of interest to an entire community or at least a major portion of the community. Unfortunately there are a select few, individuals and organizations alike, who believe that the function of a newspaper is to report every item which is submitted. This is not always true.

Daily newspapers report items of a national interest and news stories which pertain to state and county levels before giving space to "fringe" areas. In the case of most larger dailies they consider, and rightly so, the news of their specific community first.

We cannot be concerned with the vast majority of news items which the daily newspapers use. We are concerned primarily with news of a purely local nature. Needless to say, we cannot always pursue stories which have some local connection but which actually happen outside our area.

Many local residents participate in functions outside the Springfield area and are better known in other areas than they are in their own locale. This is not to say that they are "un-important" to us, but they are better known in the specific area in which they engage in business activities or other functions. This type news belongs in that area, not ours.

It is the policy of this paper to take no stand on "Crusades" or to develop "Issues" or "Controversy" which do not pertain specifically to Springfield, or are of such a nature as to be detrimental to the community at large.

Ethics and good taste dictate that a weekly newspaper report local news in a manner which is designed to "inform the public" of matters which are going on or taking place within the community, or matters which affect the community, such as new tax situations, redevelopment, school problems and other related items which are released by state and county officials.

Local items which are released by local organizations naturally take precedent over other releases. Our policy is to print firstly, municipal governing body news and township affairs. We then publish news items which come from primarily civic organizations such as the Board of Education, library, etc. Following, in order, are high school sports, recreation activities, et al. Finally we print news from the social and fraternal organizations.

Obviously, space requirements of a weekly newspaper do not always allow us to print all the news therefore we must, at times, exclude some news items which are of purely social nature. We do not do this because of any attempt to discourage these organizations from sending in material. We encourage it.

## Chief Mesker Police Request Citizens Issues Ban Aid TO Stem Break-Ins

Springfield Fire Chief O.W. Mesker, citing the severity of the dry spell and existing conditions, today urged all Township residents to immediately cease burning trash, leaves and the like until the hazardous fire conditions in this area are relieved. Chief Mesker announced that no burning permits will be issued in the Township and burning permits which are now in effect will be cancelled until further notice. The notice will be in effect until a heavy rainfall is recorded which, according to weather bureau officials, will not come before the middle of May.

Mesker stressed the severity of the situation and advised that violators of the "No Burning" ban will be prosecuted within the limits of the law. Recent violators have been prosecuted in the Township Court. Mesker urged residents to call DR 6-0144 for further information.

### Move Noted

The office of the Union County Civil Defense and Disaster Control organization is now located in the Courthouse Annex, 43-45 Rahway Avenue, Elizabeth.

The Control Center will remain at 2371 South Avenue, Scotch Plains.

Springfield Township Police Chief W.C. Selander today called upon all local residents to assist the police in breaking up the gang or gangs which have been responsible for a series of late afternoon breaking and entries of local homes.

Chief Selander said township residents can be of assistance by reporting any strange or suspicious people or happenings in their area. He said residents should develop a "good neighbor" policy and maintain a watch on neighbors' houses, especially if they know their neighbor is away from home. Selander said the majority of the reported breaks have been made by the intruders in the late afternoon. Entry has been gained usually by breaking a rear window and the burglar then reaches in and unlocks the back door.

The Chief urged residents to report any strangers in the neighborhood and to report anyone who may be prowling in a backyard. He strongly urged that residents not investigate themselves at DR 6-0400. Police will gladly investigate any and all calls, Selander said.

He also urged that residents be on the alert for youths or

solicitors who may be in the area. Solicitors are required wear a "button" which identifies them as legitimate solicitors.

Selander added that through cooperation of local citizens the series of break-ins could be solved much sooner. Police are working continuously on the investigations but have been hampered by a lack of clues.

### Letter To Editor

Dear Sir:  
 As a taxpayer of Springfield, I think something should be done about the cars turning into the "Sip & Sup" coming from Morris Ave on Springfield Ave.

The town has lines on Springfield Ave. to stop traffic so the cars can go into "Sip & Sup" but they get backed up in the middle of the road and hold up traffic for two and three lights.

I have to travel this road many times in the day and evenings for work and pleasure and last night was the pay off. No policeman to help move the traffic, and the cars of teenagers laughing and thinking it a big joke holding everyone up.

Something should be done about it now with summer traffic coming up.

Very truly yours  
 Mrs. Samuel Levenson  
 124 Hawthorn Ave.  
 Springfield, N.J.

## Mrs. M. Sherman New GOP Chairman

Mrs. Max Sherman of 303 Alden Road was elected the new city chairman of the Republican County Committee in Springfield at a meeting in her home Monday night. She replaces Walter Baldwin, who has served as city chairman a number of years.

A resident of the township for almost 16 years, Mrs. Sherman will be serving as chairman for the first time. She has been a committeewoman for about 10 years, serving as vice chairman the last two years and previously as secretary.

Other officers chosen at the organization meeting were:

Vice chairman, William Rucco of Joanne Way; executive member, Mrs. Amy Bandomer of Springfield Avenue (re-elected); secretary, Mrs. John Heimbuch of 102 Linden Avenue; treasurer, Henry Guenther of 33 Twin Oaks Oval (re-elected).

Twenty members attended the meeting.

## The Living Past

Is it true that young people do not care about the past? Not the young people we have in mind--the Girl Scouts.

Drawing inspiration from fifty-one years of activity, achievements, the Girl Scouts serve Springfield today and prepare to serve it tomorrow. Wherever you look, you will find the "girls in Green" performing useful tasks and acquiring new skills. They work as aides in hospitals, baby sit at the polls, assist in nursery schools, libraries and in their own homes. In carrying out these duties many Scouts receive training and discover new fields of activity which may well determine their choice of a career.

We can be proud of our Girl Scouts membership of 419 in the Springfield Neighborhood, but there are many more girls who would like to belong. According to Mrs. Charles Culmer, President of the Girl Scouts of the U.S.A., "Girl Scout councils are an integral part of the life of the American community. To make their program for girls more effective they need the support of adults, parents and friends in the effort this year to obtain funds for council and camp administration. Helping the council in your community to serve girls is an important way of demonstrating that you believe in the young people of today. Give to the Future, Support your Girl Scouts."

The council urgently needs community support which will provide training for more leaders so that they may make Scouting available to ALL the girls who want it.

By giving generously to this year's Girl Scout fund drive, you, too, will be honoring the past and serving the future.

We only ask that the people of Springfield recognize the fact that the SUN is YOUR PAPER. Only with your help can we present to the people of Springfield the type newspaper which they want to read. We ask your help in this matter. We only ask that the individuals and organizations use some discretion in submitting news releases.

We strongly urge that the people of Springfield take an interest in their community as a whole and endeavor to assist us in presenting Springfield in its true light. It is a good community in which to live and we are proud to represent this township as the Official newspaper.

The SUN will maintain its editorial policy and will endeavor to maintain its rights granted by the Constitution of the U.S. "Freedom of the Press" is the backbone of our policy. We will continue to set our own policy and not become an organ for any individual or group which attempts in any way to pressure us.

We do not dictate to anyone and we will not take dictation. The Springfield SUN is a local newspaper and will continue to be YOUR newspaper. We will continue to function as a local weekly newspaper and will attempt to bring you the type news you want. We hope you will cooperate with us.

### -D.S.T. ON SUNDAY-

Local residents are reminded that Daylight Saving Time starts Sunday, April 27.

Official starting time is 2 a.m. Sunday. Don't forget to turn your clock AHEAD one hour before retiring Saturday night.

The hour's sleep you lose this week will be regained next October when the clock returns to a more normal position.

Don't forget--ONE HOUR AHEAD, not back. Have a good night's sleep on Saturday.

# Red Cross Fund Drive Short Of Goal; Urge Full Support Of RC

Robert Laurencelle, chairman of the 1963 Red Cross Drive for Funds and Members, released the statement Monday that the Fund Drive is still before Springfield residents. To date only \$3100 of the operating budget of \$6970 has been reached through neighborhood solicitation and contributions from business and industry. Never before has Springfield been required to continue the drive beyond March, which is Red Cross month.

Laurencelle in his statement urged full support of the Drive by those who have yet to give their financial aid and increased contribution from those who have participated.

"The American Red Cross is a volunteer organization of concerned Americans constantly helping their fellow Americans. It is a group always prepared to serve you whenever emergency or disaster strikes. The Springfield Chapter is a part of this vast organization. It is NOT an outside agency coming into the Township to administer service. The Springfield Chapter of the

American Red Cross is Springfield serving Springfield. Without Township support — financially to provide the services and volunteer workers to perform the services — there can be no Springfield Red Cross.

"Your support is required if the Springfield Red Cross is to maintain its service to the community. The Blood Program, Water Safety and Learn to Swim programs, First Aid instruction and preparedness, services to the local men and women in the military and to their families, Parent - Baby Care service to our veterans in need and at the East Orange V.A. Hospital, Motor Corp, and all areas of Red Cross service to the community need your financial support and volunteer efforts if they are to remain a vital part of our Township.

"I urge each citizen to assist his responsibility so that Red Cross can continue to serve Springfield, your neighbors, and you. Red Cross is always there... with YOUR help", concluded Mr. Laurencelle.

## Dr. Matthias Receives Research Corp. Award

Dr. Bernd T. Matthias, of 159 Maple St., Summit, who is currently serving both as a member of the technical staff of Bell Telephone Laboratories and as professor of physics at the University of California at La Jolla, has been given the Research Corporation Award for 1962. The presentation took place at a dinner in New York City in honor of Dr. Matthias.

This award is given annually by the Research Corporation to recognize outstanding contributions to human knowledge in the form of scientific achievements not previously accorded major recognition. The citation states that the Award was conferred on Dr. Matthias for his discovery of new and unexpected superconductors and ferroelectrics

and for his far-reaching and stimulating investigations which are providing important challenges for modern solid state theory."

Most of the work for which Dr. Matthias was cited was done while he was at Bell Laboratories, which he joined in 1948. His duties as professor of physics at the University of California were undertaken in 1961.

The Research Corporation Award, first given in 1925, has been made annually since 1946. Eight of the recipients since World War II have subsequently received Nobel prizes for the researches cited in their awards. In addition to a plaque and a citation, the Award consists of an honorarium of \$10,000.

# Evergreen Lodge Variance Plea Causes Uprise of Area Residents At Meeting

A three hour argument developed before the Springfield Township Committee Tuesday night concerning the addition of a singing shell to the Evergreen Lodge, Evergreen Ave. The Committee referred the proposal back to the Board of Adjustment for further study at the next meeting on May 21.

The application for a variance, made by the United Singers of Newark, asked that an extension be allowed for a non-conforming use. The establishment is located in a residential zone.

The proposal calls for an addition which would be 20.4 feet by 66.6 feet extending from the side where the stage is now located toward S. Springfield Ave. The shell would include men's and women's dressing rooms and facilities as well as a storage area.

More than 50 residents from the area around Evergreen Lodge were present and several expressed their concern that the addition would bring about a serious traffic problem due to inadequate parking space besides causing a disturbance to the peace of the community.

Paul de Harga, an attorney

from Newark who represented the United Singers of Newark, owners of the property, stated that the shell would be for the use of the choral singers during the winter months when they would be inside, and not for use during the summer months. He also stated that amplification is not used in choral singing and therefore there should be no fear of added noise.

James Brescia, proprietor of the Lodge, added that in the hall there is room for four to five hundred people and said that the present parking area facilitated approximately 250 cars.

Mr. Garfinkel, a local realtor, gave his professional opinion that the addition would cause depreciation of property values in the area. However, Township Committee Phillip Del Vecchio pointed out the fact that if the variance were granted, the township could stipulate certain improvements be made to make the lodge a safer and more attractive buildings.

The general feeling among the residents was that they would rather put up with the lodge as it is now than allow the addition

to be made. After the Township Committee made several efforts to point out the advantages of granting the variance, one resident repeatedly asked what the people had to do to convince the committee that the residents didn't want the variance granted.

Irwin Bross of 65 Evergreen Ave. then stood up without recognition and said, "We don't want it, Mr. Falkin, we don't want it!" It was after this that Mayor Arthur M. Falkin ejected Bross from the meeting.

After a recess of an hour the committee stated that it was returning the request to the Board of Adjustment with a long list of stipulations including repairs and landscaping, increased parking facilities, removal of outlying buildings and installation of a sprinkler system.

The lodge made no indication as to whether it would go along with the stipulations.

After the meeting, Irwin Bross stated that he is interested in forming a civic group in connection with this proposal and asked that all persons wishing further information were to get in touch with him.

## Mrs. Ruth Dressler

Mrs. Ruth Dressler, wife of Cary C. Dressler of 4 Layng Terrace—and the first European World War II orphan to be admitted to Canada—died Saturday in Newark Presbyterian Hospital of a long illness. She was 30.

Mrs. Dressler, born in Czechoslovakia, was orphaned in Germany during the persecution of the Jews by Hitler. Her parents, Dr. and Mrs. Alexander Friedlieb died in concentration camps.

In 1946, Mrs. Dressler became the first European orphan admitted by the Canadian government. She was adopted by Mr. and Mrs. Eugene Hecht in Canada. After her graduation from McGill University, she became a high school teacher in Montreal.

She moved to New Jersey six years ago, teaching in the Nutley school system for three six years until retiring in 1960. She had lived here three years.

She also leaves a son, Kenneth, at home; a brother by adoption, Thomas Hecht in Canada, and a sister by adoption, Mrs. Madeline Feher in Belgium.

## Karl Englehardt

Funeral services for Karl Englehardt of 986 S. Springfield Ave. were conducted Monday at the Mastapeter Suburban, 400 Fairoute Ave., Roselle Park. The husband of the late Mrs. Gesina Wolbers Englehardt, he died Friday.

Rev. Heinz W. H. Kugler, pastor of St. Mark's Lutheran Church, Elizabeth, officiated. He also read committal prayers at Rosehill Crematory, Linden.

## Mrs. Moore Elected

Mrs. Florence Moore, president of the Summit Nurses Registry has been elected secretary-treasurer of the N.J. Association of Private Employment Agencies.

Robert D. Fleischer of Newark and Herbert Lerner of Newark were elected president and vice-president respectively.

## Sandmeier PTA Supports B of E "Up-Date" Plans

On Monday April 22, the general membership of the Thelma L. Sandmeier P.T.A. ratified the recommendation of the Executive Board that the P.T.A. endorse the "School Expansion Program of the Board of Education" and support the referendum that will be offered on May 14.

The election of P.T.A. officers for the 1963-64 season also took place. Mrs. Seymour Margulies will succeed Mrs. Paul Weisman as President. Mrs. Marvin Fish and Mrs. Kenneth Hetzel were elected Vice Presidents.

Other officers are Mrs. George Widom, Corresponding Secretary; Miss Rosemarie Castelluccio, Recording Secretary; Mr. Harold Leibeskind, Treasurer; Mr. B.F. Newswanger, Honorary President and Mrs. Paul Weisman and Mr. William C. Fallon, Advisors.

The installation of these officers will be held at the May 20th meeting, and an original revue will also be featured. The revue was written, produced and directed by Mrs. Jerome Fingerhut, and members of the P.T.A. will take part in it.

## May Beat Target Date For Opening Of Pool

At the Township Committee meeting held on Tuesday night Committee member Philip Del Vecchio announced that due to the exceptionally good weather of the past few weeks construction work on the municipal swimming pool was running ahead of schedule. He expressed the hope that the target date of July 4 would be beaten by a considerable margin. Pool membership has now reached 4,500 persons.

The committee voted to accept bids for stack chairs for the pool as well as for a leasee for the concession. Badges for the members were also okayed.

Recommendation by the committee was made to the recreation director to appoint Louis DeRosa as manager and Robert Greenwald as assistant manager of the pool. They are to receive salaries of \$1,300 and \$1,200 respectively.

An ordinance making the speed limit of Baltusrol Road 40 m.p.h. was passed. The present speed limit is 25 but the township has been unable to enforce this limit. Since it is a through street, the state suggested that the limit be 50 m.p.h. but were willing to compromise at 40.

\$5,000 was allocated for paving of the American Legion property. This property will be used as a

parking lot by municipal employees. The committee voted to appropriate \$21,000 for the purchase of property in Center St. adjacent to the municipal garage for use in expansion of the garage.

Mayor Arthur M. Falkin also announced that the first meeting of the Decent Literature Committee would be held Wednesday Night, April 24, at 8:00 p.m. at the Municipal Building.

## Re-elected Dem. Chairman

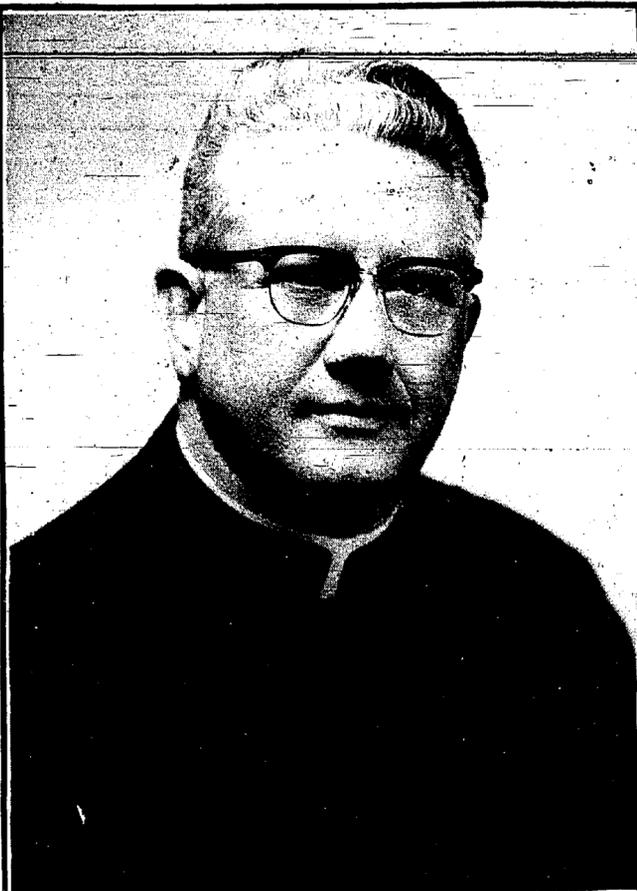

Irwin Weinberg of 190 Lelak Avenue, lawyer and former township attorney, was re-elected to his eighth term as city chairman of the Democratic County Committee in Springfield Monday night at a meeting in the home of Mrs. Janet Lawit of 8 Essex Road.

Other officers elected at the organization meeting were: Vice chairman, Arthur Kesselhaut; secretary, Mrs. Lucille Conzullo; treasurer, William English.

Named to the steering committee were Mr. Kesselhaut, Mrs. Ruth Hillard, Alex Blackman, and Robert Hannon.

ANNE GETTER

273-3073

As of this writing the woods are finally wet and we can have a temporary sigh of relief. The fires were very frightening and let's hope we never have to face that "red glare" again.

Congratulations to Mrs. George Schenack of 97 Battlehill Ave., Springfield who celebrated her 50th birthday on April 19th with a turkey dinner for her family. Her two sisters were there, Mrs. Edna Kraus of Clark and Mrs. Caroline Krugler of Irvington. Mrs. Schenack is a grandmother with 5 grandchildren.

A good return trip to Miss Anne Lamb and Mrs. Nicholas Lamb of St. Louis, Missouri who visited Mr. and Mrs. Thomas Lamb of 23 Green Hall Road, Springfield during the Easter holidays. Come back soon.

On May 4th at the Millburn High School there will be a Festival Concert. The Young Peoples Dance Theatre, Inc., the Benedict Dance Theatre of Plainfield and the Irine Folk Ballet Co. will perform. Emilie Saries Kempson, is the founder, director and choreographer of the Young Peoples dance group. Sounds like a fine evening.

Spoke with Mr. Edward Ruby, Director of Recreation, and the pool is really getting under way. They are now considering the color for painting the pool; the bath house is ready to be roofed; the filter house is half up and the "ole swimming hole" will hold water. Opening date is July 1st. Wonderful!

On May 15th there will be a tour of the Deborah Hospital

at Browns Mills, N. J. with the Suburban Deborah League. The Hospital visitation will include lunch. For reservations call Freda Benenberg, ES 2-3427. Donation \$1.00.

Don't forget the League of Women Voters of Springfield meeting on Tuesday, April 30th at 8:15 p.m., at Ruth Newman's, 96 Warwick Circle, Springfield. Their Annual Luncheon will be held on Saturday, May 18th at the Bottle Hill Inn, Madison at 12:30 p.m. For reservations call Mary Reich, DR 6-2478.

Congratulations to Andy Apter of 58 Garden Oval, Springfield, for winning FIRST PRIZE in the FRECKLE contest at the Deauville Hotel, at Miami Beach. Esther and Howard Apter and their other son, Steve, just returned from vacationing there.

Congratulations to the Sun's Advertising Salesman John Candido, whose wife gave birth to twin girls: Candice Ann and Elizabeth Rose on Friday night.

## "It's Only Tuesday"! New Musical In Town

With joy in their hearts, their voices and in their steps, the cast of the bright new musical, "IT'S ONLY TUESDAY!", goes into it's final week of rehearsal. This week the Sharey Shalom Congregation gives thanks for the first full year since the dedication of its own Temple building after five years of Presbyterian Parish House hospitality.

These are some of the scenes that one sees. The sounds, scenery, and costumes will complete the picture at the Jonathan Dayton Regional High School the evenings of Saturday, May 4 and Sunday, May 5, and especially loud and clear for the children the afternoon of May 5th. Tickets are available from Gloria Sherman DR 9-3132.

AUDRE GARNER is a featured player in "It's Only Tuesday" musical slated for presentation at Temple Sharey Shalom.

## Beta Sigma Phi Chapters To Celebrate Anniversary

Seven chapters of Beta Sigma Phi of the Union-Morris County Area will celebrate the 32nd anniversary of the organization's founding on April 29, 1963 at 7:30 p.m. A banquet in which the four local chapters; Beta Psi of New Providence, and Zeta, Xi Theta, and Xi Chi of Summit, will join for the occasion will be held at Wally's Tavern on the Hill, Watchung, New Jersey.

Thirty-two years ago, the first chapter of the sorority was formed in Abilene, Kansas. There are now 7,000 chapters and 150,000 members in fourteen countries.

In addition to the banquet, traditional ceremonies will be observed. The history of the local chapters will be reviewed and the new members will receive their first welcome to membership. Special guest of honor for the evening will be Congresswoman Florence Dwyer of Elizabeth. Mrs. Dwyer will be pledged as a national honorary member of Beta Sigma Phi.

Miss Marion Voss, 27 Waldron Avenue, Summit, is serving as Chairman of the Founder's Day Banquet. The Toastmistress for the evening is Mrs. J. C. Koch, 235 Ashland Road, Summit. Other members who will have a part in the program are: Mrs. Joseph Williams, Mrs. William Allen, Mrs. M. Harkless, Mrs. Robert

Schille, Mrs. J. D. Slayback, Miss Barbara Willoughby and Miss Natalie Gibbons. Miss Marion Voss has been selected for the honor of presenting a special message from the sorority's founder.

# "Lions Roar Again" At Regional High On Fri., April 26

The Springfield Lions club will present the season's outstanding entertainment event when they lift the curtain for their 18th annual Broadway Variety Show at the Jonathan Dayton high school Friday evening, April 26.

The Lions have engaged ten acts with star performers from Broadway and T.V. headed by Bobby King, who has been described as Broadway's most refreshing comic.

This year's show, in the same fine tradition as in the previous seventeen years, will be the means by which the local Lions club will finance their Blind and Sight Conservation work and the many local youth activities.

Among the stellar attractions will be; Charles Dauber, piano accordion virtuoso, Angela Wilnow and her Braves, Shirley McGuire, Tops In Taps, Carlton

King, Magician, The Carlyles Singing Duo, Rex Owens, Pantomimist, Harrison and Kossi, International dancers, and Ken Whitmer and Company.

Tickets may still be purchased from any Lion member or at the door, or by calling Drexel 6-1385. Since there are no reserved seats early arrival is suggested. Curtain time is 8:15.

## Upsala Students To Conduct Services At Faith Lutheran

A team of three college students from Upsala College in East Orange will conduct services at Faith Lutheran Church, 524 South Street, Murray Hill on Sunday, April 28.

Paul Kane from Patton, Pennsylvania, a senior student at Upsala College in East Orange, will preach the sermon at both the 9:15 and 11:00 a.m. services of the congregation.

Two other students from Upsala College, David N. Carlson of Stockholm, Sweden and Mari-Ann Lundell of Roselle, New Jersey will assist in the service.

Mr. Carlson, a junior at the East Orange school will serve as liturgist and Miss Lundell, a senior, will bring a greeting from the college. The three students represent the Student Christian Association of Upsala College, an institution of the Lutheran Church in America of which the local congregation is a member. The celebration is being held in the local congregation in conjunction with Christian College Sunday and Christian Higher Education Month.

On Sunday evening, at 6:00 pm,

the Upsala Caravaners, along with parents of Leaguers, will be special guests of the Luther League of Faith Lutheran Church at a "Tureen" Supper and program.

THOMAS ALLEN of Berkeley Heights, Director of the Stony Hill Players' Spring musical, "Pajama Game", takes time out from a busy-rehearsal for a snap shot. The Stony Hill Players will present the hit Broadway musical on May 10 and 11, at the Governor Livingston Regional High School in Berkeley Heights. For ticket information, call Mrs. Richard Lehne: 464-0902.

## Academic Honors Awarded to Two

Edmund H. Nowinski, Cayuga Ct., and John J. Rausher, 43 Caldwell Pl., both of Springfield are among those who have been awarded academic honors at Newark College of Engineering for the term ending in January, according to an announcement by S.J. House, dean of students.

Student qualifications for such honors call for a B average with no grade lower than C while taking at least 75 per cent of the credit hours in a regular course of study.

Inclusion on the semi-annual list for academic honors is of value both for the student's standing within his class and in relation to job placement at commencement, the dean said. During the undergraduate years successful academic achievement is essential for entry to professional societies, student groups, and in relation to summer placement under NCE's professional Development Program. The Professional Development Program affords jobs to students of proven outstanding abilities with numerous industrial organizations throughout metropolitan New Jersey and New York.

Miss Bianca Colantone

## Bianca Colantone Engaged To Wed Anthony Adrianno

Mr. & Mrs. John Colantone of Beverly Road, Springfield, announce the engagement of their daughter, Bianca, to Anthony Arrianno, son of Mr. & Mrs. Dominick Arianno of North St., Madison.

Miss Colantone, a graduate of Jonathan Dayton Regional High School, is with Chubb & Sons, Inc. Short Hills. Her fiance is an alumnus of Madison High School and is employed as a construction worker.

## Emerson Guild Plans Meeting

The ladies of the Emerson Guild, a stitch and chat group from the Emerson Hills Section who are sewing and creating gifts for the Little Flower Country Festival to be held on May 25th, will meet at the home of Mrs. Paul Koenig, 55 Whitney Drive, Berkeley Heights, on Monday, April 29th, at 8:15 p.m.

## AL Auxiliary Square Dance

The Springfield American Legion Auxiliary would like to remind all our friends and neighbors that we are having our annual Square Dance at the Evergreen Lodge on April 26.

Tickets may be purchased at the door or from any Auxiliary member. The tickets are \$1.00 each. Come one come all for a night of fun and laughter.

**Tele Mail Opens Offers Steno Typist Service**

Tele-Mail, a telephone stenographer-typist service has recently opened a new office in Woodbridge, N.J.

The clever new concept is designed to reduce of having a full-time secretary whereby anyone desiring the service simply calls Tele-Mail and dictates the letter which is then transcribed on an IBM electric typewriter and is taken to the Post Office, stamped and mailed. A duplicate copy of the letter is mailed to the subscriber.

Professional executive secretaries man the switchboards at Tele-Mail installations from 9 a.m. to 9 p.m.

Anyone desirous of availing themselves of Tele-Mail service may do so by calling ME 4-8730. Tele-Mail advises that the first letter is "on the house".

**Road Repairs Are Scheduled**

Freeholder Edward H. Tiller, Chairman of Road and Bridge Committee, reports the cost of Snow and Ice removal for the past winter as \$96,623.44. The total snow fall was 27.65 inches as reported by (Mrs.) Vivian J. Scherer the County weather observer. The total for each month was as follows: November - 1 inch, December - 10.7 inches, January - 8.25 inches, February - 5.7 inches, and March - 2 inches.

Although the snowfalls were light, we had a great deal of trouble with slippery pavements due to the unusual length of continuous cold freezing weather. Freeholder Tiller also reports that some of the older County roads were severely damaged by frost action. These roads are Mountain Ave., Berkeley Heights, New Providence and Summit - Passaic Ave., Summit.

All of these roads have been patched and are passable. Freeholder Tiller reports the County Road Department is now preparing for another big road resurfacing program including the following roads.

- Bonnie Burn Rd. from U.S. Route 22 to Valley Rd.
- Mountain Ave. Berkeley Heights, from Plainfield Ave. east 1150 lf.
- Springfield Ave. New Providence, from Pittsford Way to Gales Court.
- Boulevard, Cranford, from Nomahegan Brook, 850 lf. west.
- Springfield Ave. Summit, from New England Ave. to Oakley Ave. and from Harrison Ct. to D.L. & W.R.R.

- Mountain Ave. Westfield, from E. Broad St. to Mountain View Ter.
- Mountain Ave. Summit, from Ashland Rd. to Morris Ave.
- Morris Ave. Summit from Broad St. to Mountain Ave.
- Vaunxhall Rd. Union, from County Line to Springfield Ave.
- Galloping Hill Rd. Union, from Salem Rd. south 166 lf.
- South Ave. Westfield, from Westfield Ave. to Summit Ave.

**NJ Governor's OK Sought For State Vo-Tech Funds**

Governor Hughes was urged to see that vocational-technical schools receive state funds when they build facilities.

Mrs. Charles Redden of Cranford, Vice President of the Board of Education of the Union County Vocational & Technical Schools, called on the Governor to change the existing law.

"Under it", she said, "every type of public schools building program qualified for state aid except a vocational program".

In a letter to Hughes, Mrs. Redden said:

"Although eight new county vocational districts have been established in recent years, none has received building support. In fact New Jersey law conspicuously omits vocational school buildings from its state aid".

Mrs. Redden said the new districts were forced to rent quarters for lack of building funds or to seek private gifts. She said that in Salem County the DuPont firm had donated a building in Penns Grove to the vocational school.

Mrs. Redden blamed part of the situation on the fact that "Public aid seems directed toward Vocational technical education only during periods of national emergency or stress".

She said, "Witness the war training program in the 1940's and the current Manpower Training Program. Both are important developments but they should not overshadow the need for sustained long range program of school expansion".

She said, "If vocational education had been adequately supported in the past, we might not now be faced with a crash program such as Manpower Training Program, and with such a painful shortage of technicians and with such large numbers of unemployed youth".

**Women of St. Stephen Sponsoring Two Events**

A rummage sale will be held in St. Stephen's Parish House on Thursday, April 25th and Friday, April 26th from 9:00 a.m. to 4:00 p.m. It is being sponsored by the Women of St. Stephen's with Mrs. Richard Ernst as chairlady.

A dessert card party and food and plant sale will be held in the Parish House on Friday evening May 3rd at 8:00 p.m. Players are requested to bring their own games and cards. Tickets may be purchased at the Church office or may be obtained at the door. This affair is also being sponsored by the Women of St. Stephens with Mrs. Peter Vrahbets as chairlady. Mrs. Herbert Schaeffer is President of the organization.

The song "Meet Me in St. Louis" was introduced in St. Louis' Universal Exposition of 1904, marking the 100th anniversary of America's purchase of the Louisiana Territory from France.

# New Overlook Fluoroscope System First New Officers Elected In N.J., Patient Radiation At Minium

Radiation to x-ray patients at Overlook Hospital will be cut to a minimum by a new \$75,000 Remote-Control Fluoroscopic System with closed-circuit television, first installation of its kind in the State of New Jersey and one of few in the entire East.

"This equipment means our patients are getting the utmost - both in protection against radiation and in advanced diagnostic technique," commented Alexander D. Crosett, Jr., M.D., Overlook's Chief of Radiology. The system reduces patient radiation to one-tenth of the former amount or less, and none at all to the radiologist who otherwise was constantly exposed.

Fluoroscopy is a technique whereby the inner workings of the body can be seen in action, - the function of the digestive system, the kidneys, the rhythm of heart action, or where blockages, tumors, ulcers may be located.

MEDICAL TV STUDIO

The new equipment compares to a regular television studio with a camera just like that of any major network. It is housed in an annex especially added to the x-ray department.

Operating by remote control, the radiologist sits in his control room, his panel of instruments

and tv screen before him. He can move the fluoroscopy table both ways in a 90 degree arc to get the patient in the desired position. He can operate the fluoroscope button, engineer the tv and take films, as he deems necessary.

On his closed-circuit tv system, the radiologist can see far more clearly than he could before. Instead of working in dim light, he has dramatic tv magnification for close-ups, giving greater detail and multiplying brightness up to 150,000 times. The patient's physician or medical consultants can observe in the control room right with the radiologist.

## At Summit Art Center

Mrs. Arthur B. Collins of Short Hills is the new president of the Summit Art Center. Officers and trustees for the coming year were elected at the annual meeting, April 22nd, in the Art Center studios, 17 Cedar Street.

Officers elected are: 1st Vice President, Program - Mrs. Hendrik W. Bode; 2nd Vice President, Classes - Mrs. Campbell Bryan; Secretary - Mrs. P.R. Wickliffe, Jr.; Treasurer - Dr. Paul Nawiasky; New Trustees are Mrs. Arthur S. Collins, Mrs. O. C. Miller and Mrs. Charles Rutzler.

Committee Chairmen have been named: Gallery Exhibits -

### MOTION PICTURE RECORD

Another great advantage is that 16 mm films can be taken for later rerun, giving a motion picture record of just what is happening to the patient. Such "cinefluography" means more accurate diagnosis because more time can be taken for study afterward when there is no radiation factor to consider. It also provides a permanent record as a basis for later comparison and is invaluable as a teaching aid.

A leaded glass window permits the radiologist to see the patient in the fully lighted room. Doctor and patient can converse on the intercom so the doctor can instruct the patient on procedure or talk to the technician who is located behind a protective panel.

### PATIENTS RELAX

"This is far more reassuring to the patient than the old system, where he lay in a darkened room, addressed by a white-coated stranger wearing odd red goggles and hardly visible most of the time," Dr. Crosett pointed out.

"Patients are much more relaxed, especially children. Some of them like to watch their 'inner selves' on the tv set in the treatment room - an ideal way to stop an 11-year-old from wiggling on the table," he added.

Overlook's radiology department performed some 20,000 treatments last year. "The hospital has been operating at top capacity," Dr. Crosett added. "With radiology's growing role in both diagnosis and treatment, this new unit will be a tremendous aid. We are grateful to the many people who made this possible by supporting the Annual Giving Campaign; this year, this x-ray expansion was one of Overlook's major goals."

Mrs. William K. Page, Jr. and Mrs. David Robinson; Outside Exhibits - Mr. Bryce Hair and Mr. George Kaff; Gallery Hostess - Mrs. Charles D. Ryman; Historian - Mr. Robert Woodward; Hospitality - Mrs. H. L. Henning; House and Grounds - Mrs. O. C. Miller; Membership - Mrs. Charles Rutzler; Newsletter - Mrs. John Carman; Nominations - Mrs. John R. Sailer; Public Relations - Mrs. Richard Eustis.

The Summit Art Center serves an area of some 600 square miles. Membership is largely within five miles of Summit, but some members come from as far away as Franklin Lakes and Rumson. The Art Center offers classes, lectures and free exhibits to the community.

Mrs. Arthur B. Collins has been a Short Hills resident nearly twenty years. She has been active in Red Cross, P.T.A. and church library work. The Collins family has three children in local schools, one in college.

Mrs. Collins is a member of the Hunterdon County Art Center, Millburn - Short Hills Art Center and Summit Art Center. She has been outdoor exhibition chairman at Millburn for many years, and for Summit for two years. Mrs. Collins is a graduate of Pratt Institute and has studied in New Jersey with Turnbull, Farnham and Lenney. Most recently she has studied at the Summit Art Center; five years with Mary Bugbird and the late Joe Jones. Mrs. Collins is a consistent prize winner in New Jersey open shows.

## Summit YWCA Sponsoring Treasure Hunt, Auction

Work is well under way for the Summit YWCA's spring fund-raising event, The Attic Treasure Hunt and Auction scheduled for May 24. The sale of attic treasures will run from 10 am to 5p.m., and the auction will begin at 7:00 p.m.

Mrs. A.D. Hall, chairman of the committee planning the affair, reports that early donations for the sale will be especially welcome. "We are interested in anything from teacups to roasters," says Mrs. Hall.

### LOYALTY DAY PROCLAMATION

WHEREAS, The Congress and the President of the United States have officially designated May the first of each year as National Loyalty Day, specifically "for reaffirmation of loyalty to the United States of America and special recognition of our heritage of American freedoms," and  
WHEREAS, Such federal legislation urges the people of the United States to observe Loyalty Day with appropriate demonstrations and ceremonies in schools, churches and in other suitable public places throughout our land, and  
WHEREAS, In the present year it has become increasingly evident that communist inspired subversive elements continue their efforts to destroy our cherished freedoms and national unity, and  
WHEREAS, Such threats to the security of this nation must be met with effective counter measures -- and a solid front determination by all loyal citizens to preserve the freedoms for which many thousands of brave Americans have died in battle, Now  
THEREFORE, I, Arthur M. Falkin, Mayor of the Township of Springfield do hereby join with the Congress and the President of the United States in urging that every man, woman and child, every church, school organization and business establishment within my official jurisdiction do take part in public affirmation of stalwart support to our form of government and to its cardinal principles -- and that such loyalty be made manifest through wide display of the United States flag and through personal participation in public demonstrations and ceremonies sponsored by the Veterans of Foreign Wars of the United States on Loyalty Day, May 1, 1963.

(Signed)

**Section 1.** The purchase of certain lands in the Township of Springfield described in Section 3 of this bond ordinance is hereby authorized to be made by the Township of Springfield, in the County of Union, New Jersey. For the said purchase or purpose stated in said Section 3, there is hereby appropriated the respective sum of money herein stated as the appropriation made for said purchase or purpose, said sum being inclusive of all appropriations heretofore made therefor and amounting in the aggregate to \$21,000.00 including the aggregate sum of \$1,100.00 as the down payment for said purchase or purpose as required by law and now available therefor by virtue of provision in a budget or budgets of the Township previously adopted.

**Section 2.** For the financing of said purchase or purpose and to meet the part of said \$21,000.00 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the Township, are hereby authorized to be issued in the principal amount of \$19,900.00 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said purchase or purpose, negotiable notes of the Township in a principal amount not exceeding \$1,100.00 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law.

**Section 3.** The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is the purchase of certain lands in the Township of Springfield known and designated as Lot 28, Block 49 on the Springfield Tax Atlas; said lands to be used for municipal uses and purposes, and more particularly described as follows:  
The Municipal use and purpose is the enlargement of the adjoining Municipal garage.

**BEGINNING** at a point in the northwest line of Center Street, distant two hundred four feet and seventy-seven hundredths of a foot (204.77) in a northeast direction from the intersection of the northwest line of Center Street produced southwesterly with the northeast line of North Trivert Avenue produced southeasterly, then running (1) along the northwest line of Center Street north thirty-six degrees, ten minutes east fifty (50) feet, plus or minus; then running (2) at right angles to Center Street north fifty-three degrees, fifty minutes west fifty (50) feet, plus or minus; then running (3) parallel with the second course south fifty-three degrees, fifty minutes east along the line of lands of the township of Springfield, eighty-nine feet and seventy-two hundredths of a foot (89.72) to the northwest line of Center Street and the point or place of BEGINNING.

**Being Lot 42 on Map** entitled "Plan of lots of Hannah Elizabeth Trivert, at Springfield, Union County, New Jersey; made by J.L. Bauer, C.E. of Elizabeth, New Jersey." The excess of the appropriation made for such purpose or purchase over the estimated maximum amount of bonds or notes to be issued therefor, as above stated, is the amount of the said down payment for said purpose.

**Section 4.** The following matters are hereby determined, declared, recited and stated:  
(a) The said purchase or purpose described in Section 3 of this bond ordinance is not a current expense and is a property which the Township may lawfully acquire; and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said Local Bond Law and according to the reasonable life thereof, is forty (40) years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Director of the Division of Local Government in the Department of the Treasury of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$19,900.00, and that the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Law.

(d) The aggregate amount of not exceeding \$1,400.00 for items of expense permitted under section 40A:2-20 of said Law has been included in the foregoing estimated costs of said purpose.

**Section 5.** The maximum rate of interest which any of said obligations shall bear is six per centum (6%) per annum.

**Section 6.** The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation of rate or amount.

**Section 7.** All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

**Section 8.** This bond ordinance shall take effect twenty (20) days after the first publication thereof after final passage, as provided by said Local Bond Laws.

For the said improvement or purpose stated in said Section 3, there is hereby appropriated the respective sum of money therein stated as the appropriation made for said improvement or purpose, said sum being inclusive of all appropriations heretofore made therefor and amounting in the aggregate to \$5,000.00, including the aggregate sum of \$1,000.00, as the down payment for said improvement or purpose as required by law and now available therefor by virtue of provision in a budget or budgets of the Township previously adopted.

**Section 2.** For the financing of said improvement or purpose and to meet the part of said \$5,000.00 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the Township, are hereby authorized to be issued in the principal amount of \$4,000.00 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose negotiable notes of the Township in a principal amount not exceeding \$4,000.00 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law.

**Section 3.** The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is as follows:  
Pave part of the Easement granted to the Township of Springfield, dated November 18, 1955 and recorded in Union County on December 5, 1955 as Daily No. 29477, and  
Pave the land adjoining, which is owned by the Township of Springfield and the American Legion, in accordance with Township Specifications, as per the agreement dated January 1963 with plans drawn by the Township of Springfield attached thereto, for Municipal uses and purposes, namely a parking area for Township officials and employees between the hours of 6:00 A.M. and 6:00 P.M., during days on which officials and employees of the Township are working.

**Section 4.** The following matters are hereby determined, declared, recited and stated:  
(a) The said purpose described in Section 3 of this bond ordinance is not a current expense and is an improvement which the Township may lawfully make as a general improvement and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.  
(b) The average period of usefulness of said purpose within the limitations of said Local Bond Law and according to the reasonable life thereof, is five (5) years.  
(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Township Clerk and a complete executed original thereof has been filed in the office of the Director of the Division of Local Government in the Department of the Treasury of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said Law, is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$4,000.00 and that the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Law.

## Springfield Chapter, Unico Nat'l. To Honor Dr. Gabriel J. Llull

Dr. Gabriel J. Llull will be honored at the seventh annual "I am an American Day" dinner-dance sponsored by the Springfield Chapter, UNICO National, at the Chanticleer in Millburn, on Sunday May 5th.

Dr. Llull graduated from the University of Virginia in 1933 and served his internship at Christ Hospital in Jersey City.

On August 13th, 1935 he started practicing medicine in Springfield. His office is now located at 266 Morris Avenue.

Since coming to Springfield, Dr. Llull has not only served our community as a doctor but has also given an abundance of unselfish service in helping others individually and through the service organizations and civic groups in which he has associated himself for many years.

This tribute is in recognition of his outstanding devotion to his fellow man.

The dinner, which will be preceded by a cocktail hour, is scheduled for 7:00 p.m.

Dr. Gabriel Llull

Tickets may be obtained from William Royal, chairman, of 5 Berkeley Road, Springfield, DR. 6-1953 or Fred Ruorro of 88 Irwin St., Springfield, DR. 6-4712.

## John P. Delia Joins Marines

Marine Private First Class John P. Delia, son of Mr. and Mrs. J. Delia, of 63 Sherwood Rd., Springfield, N.J., is presently serving with the First Battalion, Eighth Marine Regiment.

## Sisterhood To Hold Rummage Sale

Mrs. Dave Pustilnick is chairman of the rummage sale to be held April 29th and 30th at the Veterans of Foreign War Hall, Morrison Road.

Hours will be from 9:30 A.M. to 4:30 P.M.

## Record Patient High At Overlook

More than 15,000 patients received medical treatment at Overlook Hospital this past year, a new record high which meant the hospital was running close to full capacity several months—highest of all this past March.

This will be the highlight of reports on record increases in many Overlook departments, when some 100 members of the Overlook Hospital Association attend the Life Members Dinner tonight, to be followed by the Annual Meeting of the Association.

Springfield trusted to be re-elected to the Board for a three year term are Howard Casselman and Benjamin F. Newswanger.

Two new trustees to be presented for election at the meeting are Mrs. James B. Burke of 6 Llewellyn Road and Harold T. Graves, Jr., of 29 Whittredge Road, both of Summit, and both of longstanding association with the hospital.

William M. Freeman of 11 Glendale Road, Summit, was elected to the Board of Trustees at a special meeting last Monday night to fill the vacancy caused by the resignation of William W. Braunwarth of 179 Division Avenue.

A special Art Exhibit of paintings selected by the Art Committee of the Overlook Women's Auxiliary for patient rooms and other areas will be on display.

## DAR & SAR Annual Ladies Night And Dinner, May 1

The D.A.R. and S.A.R. Annual Ladies Night and Dinner will be held on Wednesday, May 1, at Stauffer's in Short Hills. Cocktails will be served at 7 p.m. and dinner will be served at 8 p.m.

The affair is co-sponsored by the Passaic Valley Chapter of S.A.R. and D.A.R. which embraces the Church and Cannon, Watchtower, Beacon Fire and Maplewood Chapters.

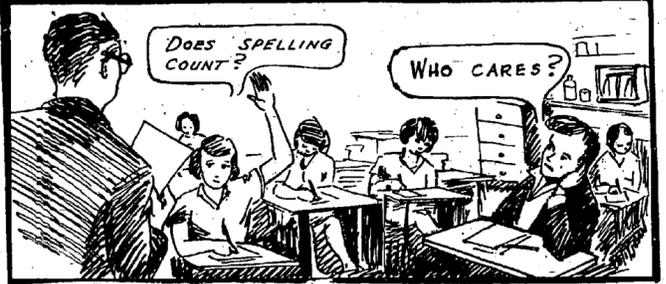

Hon. Appellate Division, judge of the New Jersey State Supreme Court will be guest speaker.

Henry C. McMullen is the retiring president. Incoming president of the group is George W. Lancaster of Springfield. Harold H. Sonn of Springfield is treasurer.

# SCIENCE NOTEBOOK

by HANS KLEIN

UNION COUNTY REGIONAL  
HIGH SCHOOLS

Attending school has never had universal appeal. There have always been those who struggled against parental efforts to provide education and those who struggle even harder to get education when parents were too poor to provide it.

America is foremost in making education free to the masses—in fact, it appears all too free. Compulsory education has advantages, but, forcibly offered, it destroys the sense of privilege. Children who mark time, without incentive, until they are of legal age to quit school are a minority who undermine public school standards considerably out of proportion to their number.

Sputnik sparked America's concern for increasing our manpower trained in science and technology. Educators were beguiled under pressure to put more students into science courses. As consequence pupils without interest or aptitude were pushed into science and math which only tended to reduce standards and made these courses appear dull.

Creating interest for a subject is often used as a criterion of teaching ability. Unfortunately, little is said regarding learning ability. Teaching is powerless against unwillingness or inability to learn.

### SCIENCE QUIZ

1. Do the most intelligent have high aptitude for science and math?
2. Are most scientists geniuses?
3. Should every student take courses in science?
4. What do employers complain of most when they hire high school graduates?

### ANSWERS

1. Not necessarily, artists and musicians, for example, may not be particularly interested in math or science.
2. Definitely not.
3. In an age of technology this is advisable, but everyone need not, and cannot, pursue science.
4. Many employers feel that most students are weakest in their own language. Graduates are too often poor in reading, spelling, and speaking.

# CHECK TERMITE DAMAGE

Every year at this time, homeowners find winged insects that suddenly fly out and then drop their wings and crawl all around. These insects are termites and indicate that there are thousands of other termites still eating the house causing further destruction to the wood of the house. The cost of repairs far exceeds the cost of treatment and goes higher with delay.

Call us for free inspection of your home by experienced personnel. Our work, which we guarantee for TEN years is engineered to exceed all existing specifications making us the leaders in the field.

A serious brush fire ravaged more than 100 acres in the area of Baltusrol Mountain on Saturday, sending heavy palls of smoke over the southern end of the Township.

The fire, which was reported to Springfield fire headquarters at approximately 12:57 p.m. Saturday, burned out of control for several hours before firemen from the Township and Baltusrol Golf Club employees, assisted by volunteers from Westfield and Mountainside finally contained the blaze shortly before 1:00 a.m.

Sunday. Volunteer citizens and numerous Springfield youths helped the firefighters.

Dense clouds of smoke covered areas as far east as Mountain Avenue and as far south as Route 22. The entire fire on the mountain was visible from as far away as Mountainside and Union.

Little could be done to contain the blaze as firemen and volunteers used all available Town-equipment to battle the flames. Millburn Fire Department stood on standby duty while Springfield's trucks dotted the coun-

tryside at the scene.

Springfield fire equipment was back in service at 1:00 a.m. according to Mesker, who added that no personal damage was incurred.

## N.J. Tennis Assn. Holds Championships

The New Jersey Table Tennis Association has announced that it will conduct the 1963 State Table Tennis Championship in Sayreville High School on May 17 and 18. Championships will be won by midgets (under age 13), boys (under age 15), junior men (under age 18) and junior women (under age 18). There is also a senior men (over age 40) tournament and the usual mens and womens singles events, as well as mens doubles and mixed doubles.

John Kilpatrick of Eatontown will be defending his mens singles championship against the strongest field ever assembled. Leading contenders include Bill Cross of Edison, a 10 time winner and last years finalist, Martin Buki of Bloomfield, a former state champion, and Al Nochenson of Springfield will also be highly seeded. An extremely strong threat will also be posed by the

strongest group of junior men led by Harvey Gutman of Union, Ralph Kamel of Jersey City and Jeff Swersky of Union. Lurking in the background is a new resident of New Jersey, Elias Solomon of Newark, whose short record of play in New Jersey has surpassed all contenders making him the favorite for the title in most quarters.

Jean Gere of Fanwood will be on hand to defend her womens title.

The novice single event is expected to be a highlight of the championships and will undoubtedly be wide open to all entrants.

Any resident of New Jersey is eligible to participate. Play will start at 7 p.m. on Friday, May 17.

Entry blanks or additional information can be obtained by telephoning or writing Ed Gutman, 223 Burroughs Terrace, Union. Phone MU 6-5335.

## Camp Program At "Worship in Church School" Topic At Richard III Seminar Monday

On Sunday evening, April 28th, a special program on Summer Camps and Conferences will be held in the Parish House of the First Presbyterian Church at 7:00 p.m.

This evening has been planned to acquaint parents and children with the program of summer camping available through the Synod of New Jersey. Colored slides will be shown and the Rev. Henry Heaps of the Dunellen Presbyterian Church will address the group and answer questions.

The evening is under the sponsorship of the Westminster Fellowship and the Christian Education Committee of the Church. Mrs. Walter C. Taylor, Jr. has been in charge of the arrangements for this meeting.

The principal location of accidents was on the traffic lanes of the main roadway of the New Jersey Turnpike in 1962.

School" Topic At

Seminar Monday

The second session of a three-part Seminar, currently being sponsored by the Church School of the First Presbyterian Church, will be held in the Presbyterian Parish House on Monday evening, April 29th, at 8:00 p.m.

Mrs. Alva C. Sapp, Assistant Director of Christian Education at the Townley Presbyterian Church of Union, will be the speaker. Mrs. Sapp's topic will be "Worship in the Church School" dealing with the varieties of forms of worship best adapted for use in the Church School. An invitation has been extended by Mr. James Stewart, General Superintendent of the Church School, to all those interested in the work of the Church School to attend this meeting and the concluding meeting which will be held on Monday May 6th.

# There are some things you just can't do electrically

With all our scientific advancement, there's still no way to take a bath electrically. And to be perfectly honest, it probably just wouldn't be the same. There aren't many jobs around the house where electricity doesn't play a part. List them sometime and see what we mean.

Only electricity can do so many jobs so well.

# TERCENTARY TALES---by John T. Cunningham HE PUT A STRAJTJACKET ON TIME

Daylight Saving Time's arrival this weekend likely will irk some people, notably those who ignore it, but the moving of clocks an hour ahead is significant compared to an incredible switching of time engineered 80 years ago by a Jerseyman, William F. Allen of South Orange.

Mr. Allen brought Standard Time to the United States in 1883, announcing the plan in April and accomplishing it exactly at noon on Sunday, November 18. Before then, each community set its clocks by the sun or by the time of its favorite railroad.

"Sun time" meant that when a person moved westward, he had to set his watch back a minute for each 13 miles. Thus, when it was noon by sun in New York, it was 11:58 a.m. in Trenton and 11:56 in Philadelphia.

Punctuality became a matter of guess, good fortune and faith. The sun often was as ignored as if clouds perpetually hid its shining face. Each jeweler in Kansas City, for example, set his own time; depending on choice of jeweler, watches varied by as much as 20 minutes. Railroads often used the time of their home office -- and if three or four lines converged in one station, each would use its own time.

The first American who sought to make time behave probably was Professor C.F. Dowd of Saratoga, N.Y., who in 1869 announced his plan to divide the country into four equal time zones along the 75th, 90th, 105th and 120th meridians. Professor Dowd worked out much of the theory, but Mr. Allen accomplished the

feat of making it practical.

Time meant everything to William F. Allen the son of a Bordentown railroad man and himself a railroader since he had attained the age of 16. When he became editor of the "Official Guide of the Railway and Steam Navigation Lines" in 1872 at the age of 26, the tangled timetables sharply pointed up the chaos wrought by dependence on the sun.

Railroad men by 1872 were seeking a solution to the time dilemma, and in 1875 Mr. Allen became secretary of the General Time Convention, which hoped to make time a servant rather than a master.

Mr. Allen worked doggedly on a new time plan. Nevertheless, after he moved his family to South Orange in 1880, he dutifully moved his watch hands ahead a minute each morning as he commuted to New York -- and back a minute at night lest he miss his return train at Hoboken.

Finally, in April, 1883, the nation's railroads announced that

effective on November 18 of that year, time would be trapped in a straightjacket perfected by Mr.

Allen. The plan roughly followed Professor Dowd's scheme, since zones were based on the 75th, 90th, 105th and 120th degrees of longitude.

Time was to be an hour later in each zone westward, just as it is today. Thus, in the 75th meridian zone from Maine to a point just west of Pittsburgh, it would be noon everywhere within the zone when the sun moved across the 75th longitude (which passed through western New Jersey).

Generally the plan received enthusiastic support, for sun time had become meaningless and confusing in a nation bound together by the railroads. A few newspaper editors decried the change as "contrary to nature" and some clergymen regretted the "tampering with God's law". The opponents were few, but highly vocal.

Completely overlooked by the beraters of Standard Time was the fact that the change was not a matter of law. Local churches, newspapers and governing bodies could go right on honoring the town clock or a backyard sun dial if they so chose, regardless of what the clock said down at the town depot.

The Attorney General of the United States underscored that; five days before the changeover to Standard Time, he warned that federal agencies could not accept the Allen plan without an Act of Congress.

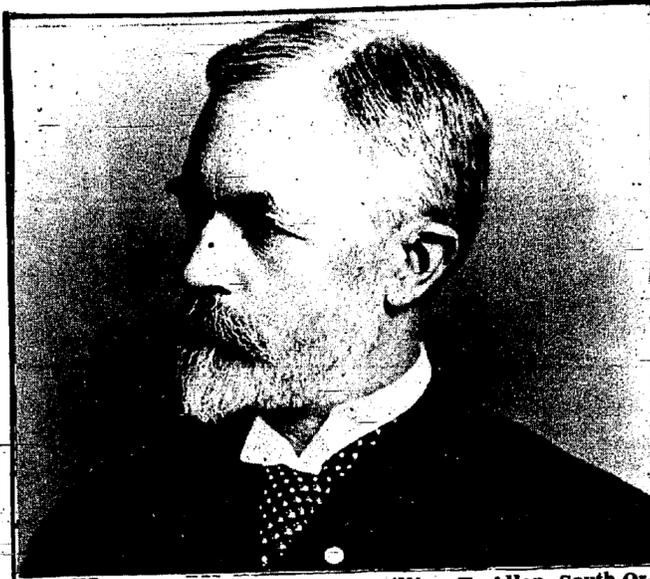

Nevertheless, the time switch went smoothly on November 18. As the sun moved serenely overhead, every railroad clock east of a governing longitude (75th, 90th, etc.) was stopped at noon, sun time, and kept stopped until the second when the sun crossed the governing longitude. Clocks west of that point had to be set ahead at the same instant.

The day became known as "The Day of Two Noons," for every town east of the controlling line first had its sun noon and then, minutes later, a Standard Time noon.

People in such rare places as Oxford in Warren County, River-ton in Burlington and Vineland in Cumberland considered the whole thing academic. Those towns were astride the 7th meridians; and therefore were right on time -- by the sun or by Mr. Allen.

The Allen plan (with a bow to Professor Dowd) lives on in Standard Time. Time is still based on the High Noon sun time at the 75th, 90th, 105th and 120th parallels (although some modifications have been made within the zones since 1883). The railroads had made the country conform; Congress didn't pass an Act agreeing to Standard Time until 1919.

If anyone opposes Daylight Saving Time, take warning from the experience of the Attorney General of the United States in 1883. On Sunday, November 18, after he had publicly forbidden the time for federal agencies, the Attorney General went down to the Washington depot to catch a train to Philadelphia. He was right on time, by the sun, but 8 minutes and 20 seconds too late by the new railroad time.

FATHER OF STANDARD TIME--William F. Allen, South Orange man who directed adoption of Standard Time in 1883.

## RE-VIEWING THE PAST

By Don Palmer

This week, this column returns to the Revolutionary War scene and is indebted to Edwin A. Baldwin and the Springfield Historical Society for an excellent article about one of the most colorful figures in that scene.

Springfield's most famous Revolutionary hero was undoubtedly Capt. Eliakim Littell. He was born here Feb. 3, 1743, the youngest of eight children. His father, Joseph Littell, was the son of Samuel Littell (born about 1680) who married Lydia, daughter of Isaac Bonnel of Elizabethtown.

The Littell family of Union County traces its ancestry to two brothers, George and Benjamin Little, London merchants who settled at Newbury, Mass. between 1630 and 1640. Two descendants, the brothers John and George Little came to New Jersey about 1669, John settling at Elizabethtown and George at Woodbridge. George returned to Newbury and died there in 1694.

The family name in New Jersey became Littel and finally Littell, (accent on second syllable.) Samuel Littell was probably George's son.

Eliakim Littell's adventurous life supports the declaration that "he was a man of active mind, manly bearing and courageous disposition." While a lad he voyaged to the West Indies and was shipwrecked on the island of Antigua. He volunteered during the French and Indian War (1756-1763) and served in an expedition to the Mohawk River Valley.

### Lived On The Top

Littell first married Hannah Hewell; there were four children, Hobart, Simeon, Stephen and a daughter Hannah, who died while still young. By his second wife, Mary Gillam, whom he married

July 17, 1774, he had two sons, Eliakim, who died in childhood, and Squier.

The Littell home was on the heights of Springfield, locale of the famous Revolutionary beacon and alarm-gun post, which alerted the surrounding countryside to British incursions. In 1869 that section became a part of Summit.

Littell, at the outbreak of the Revolution, sailed from New York on the "General Putnam," a small American privateer, and is reported to have acquitted himself well in the capture of several British prizes. The occupation of his home State by British garrisons, after General Washington's retreat across New Jersey led him to return to its defense. He soon rallied around him a small, but valiant band of patriots and fought in thirteen engagements, including the Battle of Springfield.

On one occasion, in January 1777, he surprised and captured a company of Hessians stationed at Connecticut Farms (now Union). Another group sent against him was subjected to lightning attacks and compelled to surrender. A troop of horse ordered to avenge these affronts was, in turn, routed by Littell.

The British then persuaded a Tory, with promise of a substantial reward, to lead a night march of 300 soldiers to the house of Capt. Littell. Believing him to be inside, they surrounded the dwelling and poured a heavy musketry fire into it. The captain safely away, quickly assembled

his men and some local militiamen, and boldly assaulted the raiders. The British, taken by surprise and unable in the darkness to estimate the attackers' strength, beat a hasty retreat.

On another occasion, Littell learned that an enemy supply ship had been grounded by the tide off the Jersey shore. Before it could be refloated, he attacked and captured it, obtaining for the patriots a supply of much-needed equipment and stores. At the battle of Germantown, Oct. 4, 1777, his nephew, Enos Littell, was killed fighting at his side.

### Defended Springfield

Littell's men performed yeoman service in the defense of Springfield against General Knyphausen's invading army on June 7th and June 23, 1780. On the news of British landing on the Jersey side, he marched his men all night to take part in the battle as the enemy approached Springfield. He procured a small cannon and set it up in an apple orchard at the Rahway River bridge. One of his men related the incident as follows: "There was a deep morass on the south of the town and but one bridge to get into the town the way the enemy came. Our company of artillery was placed pretty near the bridge, behind a small eminence, and the shot of the enemy as they came near, all went over us. The road was straight and open for three-fourths of a mile, and we had fair play at them the whole way until they came to the bridge. They were twice on the bridge,

but were beaten back, and considering that they would buy their victory too dear from the advantage we had of them, they gathered up their dead and wounded and retreated back to the point where they first landed."

Littell also distinguished himself as an Indian fighter. He accepted a commission in the regular army and fought against hostile Indians of the Northwest Territory. He and his young son Stephen were members of a

punitive expedition led by General St. Clair against the Miami Indians. St. Clair's attempted in disaster, both Littells narrowly escaped with their lives. (Action at Fort Miami, Ohio).

Capt. Littell died on Nov. 1, 1805, in his 62nd year. His monument in the Springfield Presbyterian cemetery bears this epitaph: "In defense of American Liberty, he dared to oppose George, the Tyrant of England, an enemy to the rights of mankind."

## Cornerstone Ceremonies At New Holy Cross Church

The cornerstone for the new \$131,000 Holy Cross Lutheran Church, 639 Mountain Avenue, Springfield, will be laid in a special service Sunday, April 28, at 10:30 a.m., E.D.T., Pastor Lester Messerschmidt has announced. Speaker for the occasion will be the Rev. Victor Alberts, Executive Secretary for Missions of the Atlantic District of the Lutheran Church - Missouri Synod. Special music will be provided by the choir of Holy Cross Church under the direction of Mrs. Gordon Becker. The new church edifice of con-

temporary design is slated for occupancy in early fall of this year. It will seat 185 in the nave and balcony and another 50 persons in the overflow. Chairman of the Building Committee is Dr. Gordon Becker. The General Contractor is Hermon Kahman, Inc., Wayne, N.J. The architect is Charles Stade of Park Ridge, Illinois.

Lutheran services were first held in Springfield in May of 1951 in the Raymond Chisholm School. Today the parish numbers over 250 members with an annual budget of \$32,000.

## Board Of Ed. Explains Basis For Planning "Operation Up-Date"

At a recent public meeting concerning the pending school expansion referendum a number of persons in the audience expressed concern over the fact that the Board of Education does not plan far enough into the future.

The board representative explained that the procedure followed involves projecting the school facilities requirements for a five year period. To project further into the future than this would be impractical and could possibly lead to building school rooms in the wrong location.

At the time the planning for what is now the Thelma L. Sandmeier School was started the board predicted the future total school enrollment with uncanny accuracy. The actual enrollment is within 25 of their estimate.

### ENROLLMENT STATISTICS

During the past four years from April 1959 to April 1963 the school enrollment increased from 1912 to 2226, a difference of 312, or an average of 78 per year, of this 70 were added this year. Some of this increase was due to the general population increase and some was due to the migration of families with school age children to the suburban com-

munity.

The present proposal is based on an average increase of 50 students per year for the next

five years. It also takes into account the inequities which exist as a result of the changes in the curriculum and the increased need for service and support facilities as the school population expands.

The current proposal which provides for the construction of a separate office building in order to make available classroom space at the James Caldwell School, and, for additions to the Chisholm and Gaudineer Schools,

will in the Board's opinion, provide sufficient space and facilities to accommodate the additional 50 students per year for the next five years.

The board recognizes that until such time as the construction is complete, which will be between 1 1/2 and 2 years, that the school systems facilities will be seriously overtaxed.

## 51 Schools Take Part In Annual Safety Conference

The Sixth Annual County-Wide Safety Conference for junior and senior high school pupils in public, parochial and private schools in Union County will be held on Monday, May 6 from 9:00 A.M. to 2:15 P.M. at Westfield High School. The conference, to be conducted with individual sessions for juniors and seniors, is sponsored by the School Safety Committee of the Union County Safety Council, the New Jersey State Safety Council and the Union County Department of Education.

Each of the 23 public and 28 parochial and private schools have been invited to send representatives in addition to participants and a faculty sponsor as delegates. Senior high schools are invited to send two student delegates from each of the 10-11-12 grades to represent their respective high schools, and junior high schools are invited to send two student delegates from the 7-8-9 grades.

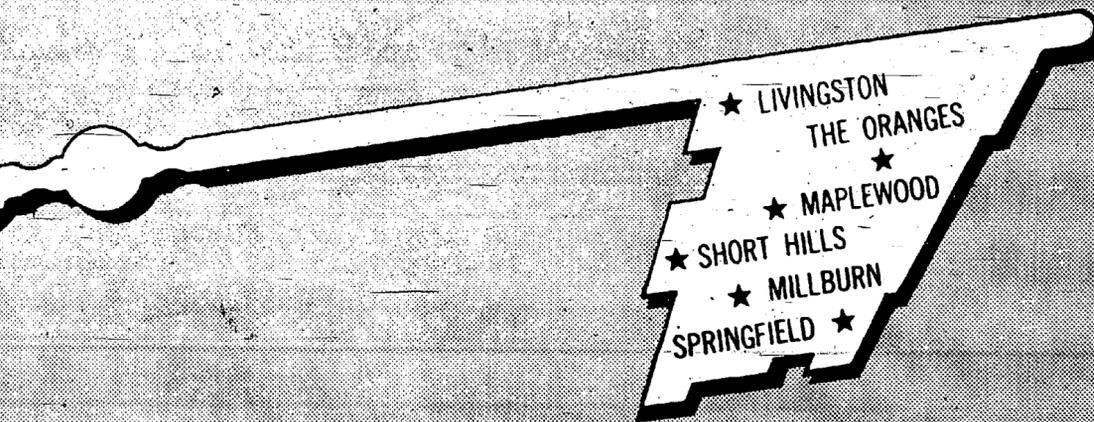

Senior high school topics will be: "The Crisis of Civil Defense", "Driving Problems",

"Safety in Organized Athletic Programs", and "Safety in Summer Recreational Activities". Topics at the junior session will be: "Safety in Home Workshops", "Safety Factor in Physical Education", "Safety in Summer Recreational Activities", and "Safety Week -- Types of Activities and Projects".

In each of the group meetings pupils will act as chairmen and secretaries assisted by the adult consultants. Reports on discussion of all topics in the group meetings will be made by the students at the closing general session. Union County Superintendent of Schools Dr. William H. West and Dr. Robert L. Foose, principal of Westfield High School, will welcome the delegates, and Thomas Long of Linden High School, president of New Jersey Driver & Safety Education Association, will give the keynote address. Dr. N. O. Schneider, director of the School & College Division of New Jersey State Council, will summarize the proceedings at the closing general session.

# Report From Trenton

By State Senator Nelson F. Stamler

The death penalty is one of the most controversial parts of any criminal code because of the vigorous arguments on both sides as to its efficacy.

Some states, like Delaware, have abolished it and then returned to it; some seven or eight have dropped it all together and will not take a human life no matter what the crime but most states have not yet considered abandoning capital punishment because of the feeling that it does serve as a deterrent to murder - personally, I do believe it serves as a deterrent to violent crimes.

But while the pro and con arguments continue--and seem to be spreading--there is general agreement on one aspect of the situation. Indiscriminate application of the electric chair or the gas chamber is not tolerated and yet many state codes automatically impose capital punishment; in all cases of first degree murder.

There are no exceptions--the criminal must die. Bar groups, judges, social scientists and civil agencies have balked at this push-button approach to punishment.

Certainly there are cases--a premeditated mercy slaying, for example; where a distraught person takes the life of a deformed, or demented or incurably sick loved one--in which the jury would not want to impose the death penalty although the elements of a first degree murder are there, (to get around the law in such situations, the prosecution generally down grades the original charge.)

New Jersey has avoided the dilemma of such situations by allowing juries in first degree

murder cases to recommend mercy.

But this approach is not always adequate. There are some crimes in which information relevant to proper sentencing cannot now be a part of the trial--for it is "background" or "psychiatric" material not immediately connected with the actual crime.

Last week the New York legislature passed a bill which solves the problem (following the example set by half dozen other states including California and Pennsylvania).

The measure calls for a two-part trial in first degree murder cases. The first part to determine guilt or innocence; and the second, if necessary, to determine the degree of punishment. Under such procedure, if there are mitigating circumstances, the death penalty which used to be automatic, need not necessarily be imposed.

I have introduced a similar bill in the New Jersey Senate hopper (S-59) so that all facts necessary to decide a penalty in a first degree murder case can be considered. It is my hope that the New York precedent as well as the discussion currently going on across the nation, will serve as a background for positive action in New Jersey.

On December 3, 1962, Springfield Travel Service located at 250 Mountain Ave. opened its doors to our community. The agency is owned and operated by three people with years of Travel experience behind them.

One of these people, Bill Prokocimer, has been a resident of Springfield for the past eight years. He lives on Wentz Avenue with his wife Lois, and three

small daughters - Ilse 7, Susan 4, and Bonnie 2. A graduate of Purdue University, Bill has been in the Travel business for 16 years.

Aside from Springfield Travel Service, Bill is manager and co-owner of Prokocimer Travel Service in Newark. A third generation business Prokocimer Travel has been in existence for the past 60 years.

Edward Prokocimer, Billy's grandfather was the originator of a little immigrant office -- the outcome of which is Prokocimer and Springfield Travel Services. With working in both offices keeping him hopping Bill still manages a few extra-curricular activities. He is a member of Springfield Chapter of Bnai B'rith, Composite Lodge of F. & A.M., a member of the Loyal Order of Moose, and a recent member of the Springfield Chamber of Commerce. For relaxation, he bowls with the Temple Beth Ahm Bowling League.

Eve Prokocimer, Bill's mother and the lady in the trio, has had 25 years experience of being exclusively dedicated to the Travel industry. A co-owner of Proko-

cimer Travel Service, Eve is, and has always been a very active and worldly woman. Born in Newark, she has been active in many charitable organizations and is also, a past officer of the New Jersey Chapter of the American Society of Travel Agents.

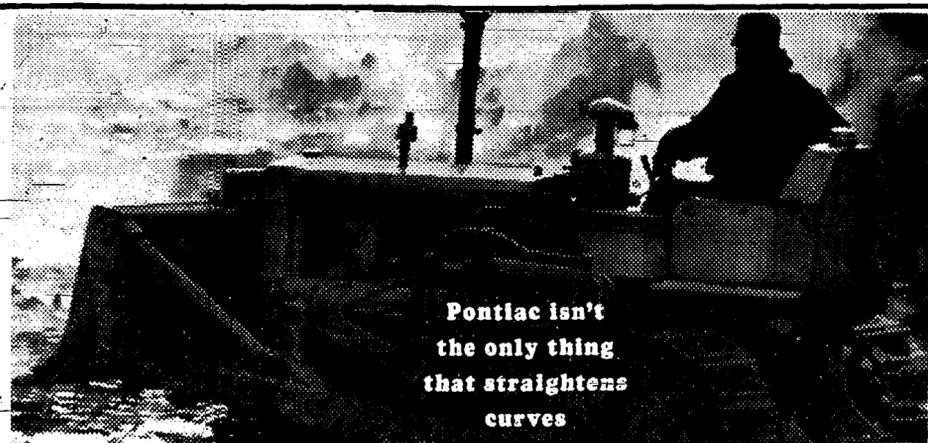

The newest associate in this 'travel family' is Seymour Rosenblum, Eve's son-in-law, who is the manager of Springfield Travel. Seymour lives in West Orange with his wife Muriel and his two lovely teen age daughters. An active participant in the Suburban Club of West Orange, Seymour is eagerly anticipating being an active member of the Springfield Chamber of Commerce.

Also working in this attractive new office is Muriel Rosenblum, Seymour's wife and secretary, and Gladys Lambert. Gladys is a former associate of Gateway Tours in New York City. An English major in college she is well versed in other languages such as French, Spanish, and some Russian.

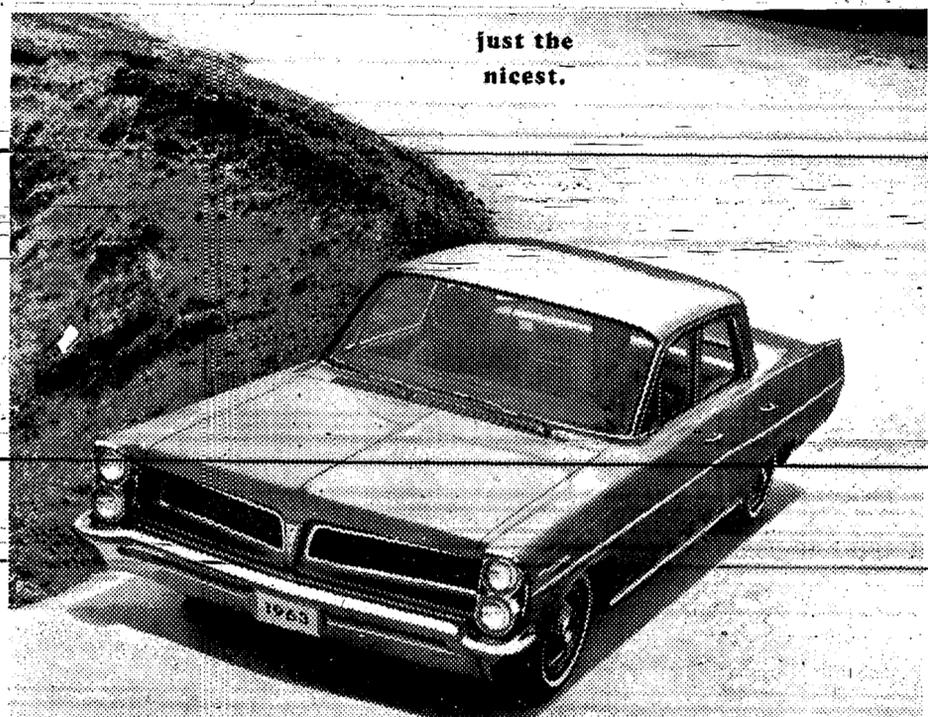

As any of our school children can tell you, Seymour has made certain he has a full supply of brochures of hand at the office for school projects. For the 'adult set' both he and Bill will be happy to make themselves available for any organization program requests you may require.

The word SERVICE in this corporation MEANS exactly SERVICE. With the experience Eve, Bill, and Seymour have you know you'll receive nothing but the best! AND there is no extra cost -- their Service is FREE. At this modern and comfortable office Bill feels that "we are in a position to leisurely offer, advise, and help arrange anything from a simple weekend reservation to an intricate around the world itinerary".

As Springfield's FIRST and ONLY Travel Service this "travel family" says "we hope this FIRST will help make our Suburban clientele vacation planning a convenient and enjoyable experience."

## KNOW YOUR LIBRARY ROBERT W. HALSEY, RELATIVELY NEW LIBRARY TRUSTEE; APPOINTED IN '62

Robert W. Halsey was appointed as a trustee of the Springfield-Free Public Library in 1962. He is a relatively new member of the library board.

"As a trustee, he stated, 'It is a pleasure and a source of pride to play some part in the operation of the library which provides such an important service to residents of Springfield.'

"Often we hear that a library contributes to the cultural development of the community without really identifying the scope and nature of the contribution. Others more articulate than I have described the advantages of the library to its patrons, but I would like to briefly mention what is offered to those who enter the door at 30 Main Street."

"Through the medium of its books and periodicals the library offers  
- association with the great and near great, their ideas, observations and philosophy from our time to antiquity  
- entertainment, relaxation and diversion in fiction on countless themes  
- sights and scenes, literally and figuratively, from many times and places  
- formulation in the young of an

appreciation of the value and enjoyment in reading  
- information on an infinite variety of subjects for use at work and play.

"This list could go on at great length, but it is some indication of what is available to residents of Springfield. However, in dis-

Robert W. Halsey

cussing a library's service, it must always be remembered that the quality of the library's program is the product of its staff".

Mr. Halsey, as Chairman of the Building and Grounds Committee, is responsible for ensuring that the physical structure is maintained and, when necessary, reviewing changes to the building which will benefit the library patrons and staff resulting in a more effective operation. Along with this responsibility, he serves on the Publicity and Policy Committees.

Mr. Halsey has been a resident of Springfield since 1942 and is active in community affairs. He is Troop Committee Chairman of Boys Scout Troop 70 and Explorer Post 70; a member of the Springfield Lions Club and the American Legion Post of Springfield and active in organizations and programs of the Presbyterian Church.

His educational background is varied. He is a graduate of the U.S. Merchant Marine Academy and the School of Business Administration, Rutgers University. In addition, he has attended Columbia University doing postgraduate work in the Management field.

He is employed by The Port of New York Authority as Assistant to the General Manager, Tunnels and Bridges Department.

## Abbie Plunkett To Make Stage Debut In W. Orange

Miss Abbie Plunkett of W. Bryant Ave., Springfield, is making her stage debut with the Community Theatre of West Orange when it presents its production of John Patrick's "The Curious Savage" this Friday and Saturday evenings at 8:40 P.M. in West Orange High School, Northfield Ave.

The play is set in the living room of "The Cloisters", a rest home for people slightly off the beam. Mrs. Savage, a widow who insists on giving away her vast fortune, is committed by her children. The main charm of the play is the contrast between the "worldly" Savages and the inmates of Dr. Emmett's place of refuge.

Miss Plunkett is cast as one of the inmates, Florence by name.

Featured in the cast are Mrs. Talova L. Jones, Livingston, as Mrs. Savage; Mrs. Harriette Baime, South Orange, as Lilly Belle Savage; Robert Brand, Newark, as Senator Titus Savage; Robert DeMaime, West Orange, as Judge Samuel Savage. Mrs. Anne Ravin, West Caldwell plays Dr. Emmett and Mrs. Eleanor Werbel, Livingston, is cast as Miss Willie the nurse.

Inmates of "The Cloisters", are Mrs. Florence Lifschultz,

Miss Abbie Plunkett

West Orange, as Mrs. Paddy; Miss Lois Talbott, Orange, as Fairy Mae; Laurie Douglass, Cranford, as Lauren Elizabeth; Mort Maltz, South Orange, as Hannibal and J. Richard Pellington, East Orange, as Jeffrey.

The show is under the direction of Roy Douglass, Cranford. Sets are being created by Robert DeMaime. Mrs. Betty Mueller, West Orange, is President of the group.

Other committee members are Miss Sandra Slomowitz, Miss Marie D'Alessandro and Clifford Quinn.

# Big Advance For Musicals Luncheon Fashion Show Surprises Even Producers Helps Scholarship Fund

Paper Mill Playhouse producers Frank Carrington and Laurence Feldman expressed amazement today, at the tremendous advance sale for the spring season of musicals.

"You know," said Frank Carrington, "we expected the advance to be good but not quite this good. We knew that people love Genevieve and Betsy Palmer, and 'Irma La Douce' and 'The King and I' were great hits. But the audience response is amazing even to us."

"In the theatre," Feldman added, "nobody expects to bat a thousand, but I guess we just picked the perfect combination to please our audiences. Genevieve is French and 'Irma' was a hit for four years in Paris before it was translated into a two year hit in London and then New York. And, of course, everyone considers 'The King and I' a Rodgers and Hammerstein classic."

"There's one problem, though," Frank Carrington inter-

jected, "it's easier for people to get seats during the week than on Fridays, Saturdays and Sundays. We don't want anyone to be disappointed and miss either musical. I hope people can get their baby sitters during the week so that they can come on a Tuesday, Wednesday, or Thursday."

"But, Frank," Feldman chimed in, "Not everyone has a baby-sitting problem."

"Well, that's true," admitted Carrington, but everyone has some kind of problem. We have ours, too, don't we?"

"Well, I'll tell you," Feldman answered, "with the audience response to 'Genevieve in 'Irma La Douce' and Betsy Palmer in 'The King and I', and the ticket orders pouring in, I can't think of a problem in the world, can you?"

Frank Carrington leaned back in his deep leather chair and nodded. "Larry," he answered, "You've got a point there. Off-hand, I can't think of a problem this minute, either."

Last season a dozen boys and girls from seventeen up spent their summer working in every department of the theatre on a rotating basis. The teenagers, most of whom were already in college and majoring in drama, alternated between backstage and front office work and did everything from distributing posters to playing bit parts.

Some theatrical experience in high school or college drama is necessary for the apprentices, along with a character recommendation from a school authority.

Final plans have been completed for the Luncheon-Fashion Show of the Springfield Woman's Club which will benefit the Scholarship Fund.

The Luncheon and Fashion Show will be held on Saturday April 27, 1963 at 12:30 at Staffer's Restaurant in Short Hills, New Jersey. Fashions shown will be from Bonwit-Teller, Short Hills. Clothes will be modeled by professional models from Bonwit-Teller as well as the following sub-juniors, the Misses Elaine Bouchard, Kathy Murphy, Helene Ray and Joan Reutherhan.

During the afternoon door prizes, some of which have been donated by local merchants will be drawn for. The committee wishes to take this opportunity to thank the merchants who have been so generous.

The affair which is a project of the Wyas and Means Department of the Springfield Woman's Club is under the chairmanship of Mrs. Richard Edmonds. Her Co-Chairman is Mrs. W. C. Keller.

## Paper Mill Seeks More Apprentices

This year the Paper Mill Playhouse in Millburn will again take young hopefuls who want to learn about the theatre in to its Apprentice Training Program.

## Fergus Murphy Wilfred Bound

Fergus Murphy, son of Mrs. May Murphy, 71 Battlehill Ave., Springfield, has been accepted for admission to the cosmetology course at the world famous Wilfred Academy of Hair and Beauty Culture, Newark, N.J., it was announced today by Mr. David M. Malovany, Dean.

## Jr Baseball Fund Drive

This Saturday April 27 the Springfield Junior Baseball Leagues begin their annual Fund Drive at 12 noon. The boys from the Youth League will be ringing doorbells asking for donations from the residents of Springfield. The purpose of the drive is to obtain funds to carry out the Baseball program for the 1963 season. The money obtained is used to buy uniforms and equipment such as bats, balls and catcher's gear. It is also used to pay the umpires in the Babe Ruth Leagues as well as the Youth Major Leagues, and for insurance coverage for each boy, manager and coach in the Leagues.

We are hoping to top last year's drive which the people of Springfield so readily supported. Beside the door to door campaign conducted by the boys, the men in the League will be calling upon the merchants of Springfield for their annual donations starting this Saturday. The members of the Leagues are grateful to the residents of Springfield for their past support and hope that when your doorbell is rung this Saturday you will once again contribute to the smiling boy in the Springfield Junior Baseball League uniform.

# Bulldogs 7-0; Clark, Rahway, Linden Fall

The Dayton Regional baseball team had a busy schedule last week, three contests in three days, but when the smoke finally cleared early Friday afternoon, the fantastic Bulldogs had won their fifth, sixth and seventh games of the campaign for a spotless 7-0 mark. Frank Monticello, Bill Kretzer and Richie Bittle continued in their winning ways, as Frank went ten innings to down a stubborn Clark team, 1-0, Kretzer chalked up his third win, downing Rahway 4-2, as the Indians scored the first earned run off Springfield this year, and Bittle came on to relieve Rich Freedman in a 7-4 win over Linden.

The Clark contest was a thriller, as Monticello battled Bill Stadlander of the Crusaders for 9 innings before a run was scored. The tie-breaker was a beauty for Springfield fans, as fancy base-running by veteran first baseman Denny Francis gave Monticello his margin. Denny led off with a walk, and after Danny Mascaro had skyed out Ronnie Urquhart delivered Francis to third on a single. Big Joe DiMario hit a soft ground ball to second sacker Bob Gorski, Francis stood pat at third, Gorski threw to first and Francis raced home with the winning run.

Monticello struck out eight while passing two in gaining his second victory, and Danny Mas-

caro had two hits for Springfield.

Rahway scored first off Kretzer in the afternoon contest on Thursday, to become the first team to lead the Bulldogs. The run came in the second frame, but the visitors bounced back for single tallies in the third and fourth innings to pull ahead.

Jack Apgar singled in the third, went to second on a sacrifice bunt by Bob Rahnenfuhrer, and scored on an error. In the fourth, Ronnie Urquhart singled, went to third on a base knock by Joe DiMario, and scored on a sacrifice fly by Butch Bell.

Rahway got a run in the sixth, scoring the first earned run off Springfield pitching in 43 innings this year, on a balk by Kretzer, but Dayton had scored twice in the top of the frame to clinch the contest. Four Bulldog singles by Urquhart, DiMario, Berger, and Kretzer, plus a Rahway error, accounted for the runs.

Urquhart and DiMario paced the Bulldogs, who had 12 hits, as all nine of the Springfield players had hits. Kretzer, who ky'ed nine and walked one to gain his third win, collected his second hit of the season after having gone without one all last

year. Rahway managed but four hits off the 6'6" ace.

Richard Freedman started for Dayton against Linden Friday morning, but could not hold on to the 4-0 lead given to him in the first two innings. Ronnie Urquhart's three run homer in the first, with Apgar and Rahnenfuhrer on base and a run in the second on Steve Berger's walk, a sacrifice, stolen base and infielder accounted for the runs.

Linden tied the score in the third, blasting Freedman and reliever Bittle for two earned and two unearned runs. The winning run came in the fifth, as Jack Apgar walked, stole second and third, and scored on Mascaro's sacrifice fly. The visitors added two more in the seventh, with Apgar and Francis scoring the insurance runs.

The Bulldogs managed only five hits but made the most of them as Apgar had four stolen bases. Bittle pitched five innings in gaining his second win, walking two while striking out three.

Springfield is now 5-0 in the Watchung Conference, and Monticello will try to make it 6-0 on Friday, as the Bulldogs host the Raiders of Scotch Plains.

## Frosh Win

The amazing Bob Issler, a freshman from Kenilworth, won his second game of the year on the Dayton Regional Frosh team, as Springfield downed Irvington 19-1. Issler allowed but one hit, struck out 15 and walked four opposing batters.

Issler, who helped his cause with two hits, has now allowed the opposition 1 hit in 14 innings. Jim Majoca had a homer and Joe Jupa a triple for the Baby Bulldogs who are now 4-1 under Coach John Swedish.

## Springfield Sports Lge.

Conte Deli won the league championship by defeating 2nd place Carol Stamping 2 games to one.

Conte's got some real good games from Herb Quinton to clinch the championship.

Dick Bednarik of Bond Electronics had league average of 182.

W. Fischer had season's highest game 278.

# Summit Edges Springfield In Track, 62-55

Summit High delt the Dayton Regional track team its second defeat in four meets last Friday, edging the Bulldogs 62-55 on the losers' cinders. Springfield swept three events for the first time in the competition, but the Hilltoppers more than made up for this in the hurdle, high jump and broad jump events.

Once again Danny Ginter was amazing in the Springfield attack, taking a first in the 100 and second in the 220 yard dashes. His winning time was 10.6 seconds, edging Mike Tabakin and Les Davis, for the first Bulldog sweep. The second was the 220, where Hank Sobolak won in a very good 22.6 time, while Tabakin was third behind Ginter. Pete Constancia took sec-

ond in the 440 yard dash, and Jack Moore gained the same position the half mile run. Glen Thomas ran a 4:51 mile to gain first for the Bulldogs.

After sweeping the low and high hurdle races, Summit took first and second in the broad jump, as Davis' 19'1" leap was only good for a Dayton third. Marc Binstock took a share of second place in the pole vault event, and Dayton swept the javelin throw, as Gary Wood's toss of 151'5" edged Drew Wuestman and Marty Menkin. Charlie Roll won the shot put throw with 51'9" measurements, while Mike Adickman took third place. Wuestman won the discus with a toss of 121'7 1/2", while Roll placed second for Dayton.
