### Get Bids On Three Homes "Operation Up Date" Referendum At N.J. Highway Dept. Sale Defeated In Heavy Voting Tues.

The New Jersey State Highway Department public sale of homes in the proposed Route 78 right-of-way in Springfield was held last Thursday morning with approximately 40 interested bidders present. The sale, held at 40 Tulip Road, resulted in the potential sale of three of the seven homes up for auction and one lot which received high bid for the day.

The house at 40 Tulip Road received high bid of \$4,050 and the dwellings at 35 and 141 Clairmont Road were "sold" for \$600 and \$650 respectively. The lot received high bid of \$4,500 according to State Highway department spokesman.

According to the spokesmen, the sale must yet be finalized at which time the bids, if accepted

by the State, will be acknowledged. If the bids are accepted, the bidders will be required, within 10 days, to remove the dwellings, demolish the foundations and fill in the land with "suitable" fill.

Total savings to date, according to spokesmen, of the estimated cost of demolishing, sales of lands and buildings, amounts to more than \$382,000 in the acquisition of lands in the way of the new Route 78 project.

The spokesmen said, the remaining houses at 119 Clairmont Place and 227 Bryant Avenue will be put "on the block" again prior to the State's being forced to demolish the dwellings if they are not sold at that time.

"Operation Up-date" went down in defeat at the polls Tuesday in Springfield.

The Board of Education proposal calling for a \$1,471,000 expenditure for major construction in the school system was rejected in a large voting turnout.

The referendum was presented to voters in two parts: Question 1 concerned the plans for additions at Gaudineer and Chisholm Schools and Question 2 concerned expenditure for an administration building on Walton School property, planned to free space at the Caldwell School.

Both questions were rejected. Total votes for Question 1 was 504, including three absentee ballots, for the school additions as compared to 1,086 against the plan.

Question 2 concerning the administration building received

1,111 "no" votes and 353 "yes" votes including three absentee ballots.

A total of 1,616 ballots was cast. The largest vote involving a special election was recorded in 1958 when the referendum on the purchase of the Smith property for school expansion brought 2,352 voters to the polls and also resulted in a defeat.

In the more recent election involving the Sandmeier School held in 1959, the total of number of ballots cast was 1,291 and the board's plans were approved.

The breakdown according to districts in Tuesday's selection was as follows:

Question 1 (Gaudineer and Chisholm):

District One, 59 yes and 229 no; District Two, 54 yes and 226 no; District Three, 227 yes and 375 no; District Four, 161 yes and 256 no. Three absentee also voted yes.

Question 2 (administration building):

District One, 52 yes and 218 no; District Two, 33 yes and 220 no; District Three, 140 yes and 414 no; District Four, 125 yes and 259 no. Three absentee also voted yes.

Total votes cast according to districts were:

District One, 295; District Two, 284; District Three, 607; District Four, 427, and three absentee ballots.

In the up-date proposal \$1,392,000 was earmarked for the Gaudineer and Chisholm Schools expansion and \$79,000 was allotted for the administration building. The plan was to embrace a 20-year bond issue.

Next regular meeting of Springfield Board of Education is scheduled for May 21st in the board rooms in Caldwell School. Meetings begin at 8 p.m.

### Judge Orders Zucker Permit Restaurant Bans Unconstitutional

Judge Milton A. Feller of the Superior Court ruled yesterday that the Springfield ordinance which excludes restaurants from the business zone, is unconstitutional.

Irving Zucker, a resident of Springfield, instituted suit against the Township in February of this year. He was represented by H. Lee Sarokin, also of Springfield and a member of the law firm of Lasser and Lasser. James Cawley represented Springfield in the proceeding.

The legal argument was held on April 26, 1963, and the following week, Judge Feller personally inspected the area in question.

At the hearing, Mr. Sarokin argued that the original ordinance permitted restaurants in the business zone; the Ordinance was amended for the sole purpose of deleting restaurants, and that this amendment was illegal. It was argued that bars continued to be permitted although restaurants were not.

The court agreed with the position taken by Mr. Zucker and struck down the amendment to the ordinance as being illegal.

Mr. Zucker is a part owner of the property which is located at 244 Mountain Avenue, Springfield. Mr. Zucker and his brothers erected a building which contained five separate stores.

Irving Zucker decided to operate one of the stores himself as a luncheonette and went to the Town Hall to procure the necessary permits and licenses. He was told by one of the town

officials that he should install all of his equipment and that no license could be issued until the work was completed.

After he had spent approximately \$20,000.00, he was advised that restaurants were no longer permitted in the business zone. Mr. Zucker immediately applied to the Board of Adjustment and explained what had happened. His application for a variance was unanimously rejected.

Mr. Zucker then instructed his attorney Mr. Sarokin, to file a complaint in the Superior Court in an effort to reverse the action of the Board of Adjustment.

Zucker contended that the ordinance was illegal; that the refusal of the Board of Adjustment to grant a variance was arbitrary and capricious; and that he had relied upon the instructions of the town officials in getting the restaurant ready for business.

The Town, in its answer, denied that the ordinance was illegal or that the township officials had done anything improper. Mr. Sarokin argued on behalf of the plaintiff that it was illegal to permit a restaurant which served liquor, but prohibited a restaurant that did NOT serve liquor. Mr. Cawley argued that the exclusion of restaurants from the business zone was proper and not inconsistent with allowing bars. The court in making its decision stated:

"The present exclusion of restaurants in a general business

## WELCOME Mayor Of Copenhagen

Next Tuesday, May 21, the Mayor of Copenhagen, Denmark, the Honorable Urban Hansen, will mark the Springfield with a visit to this community. We wish to personally extend our welcome to Mayor Hansen on behalf of the Springfield Sun and the people of Springfield.

Mayor Hansen's visit marks another milestone in the progress of the Township of Springfield which is fast becoming a community of note. The fact that this honored official, Mayor of the capitol city of Denmark, has chosen to visit our community is significant in that Springfield was recently chosen as the new home of Plumrose, Inc., an internationally known Danish food products corporation.

The people of Springfield owe many thanks to men like Mayor Arthur M. Falkin, Frank Cardinal, Jack Stifelman and Saul Freeman to mention only a few who have worked so hard to make Springfield a better place to live. A special vote of thanks should also go to Kent Goodman and Don Blank, the two representatives of Crestwood Advertising in New York who have worked equally hard to help bring Mayor Hansen to Springfield and add another outstanding event to Springfield's history.

We are sure everyone joins us in extending a hearty WELCOME MAYOR HANSEN.

### Swim Pool Is Major Topic At Twp. Committee Meeting

Springfield Township Committee at its regular meeting Tuesday night in Municipal Building devoted its attention to numerous items on the agenda concerning the municipal pool.

An ordinance fixing the salary of employees of the swimming pool was adopted on final reading whereby the fee of \$1,300 for the season was set for the manager and \$1,200 for the season was set for the assistant manager. It was reported that a 12-week season is anticipated. Appointed to serve in these capacities were Louis De Rosa of Somerville as manager and Robert Greenwald of Berkeley Heights as assistant manager.

It was agreed by majority vote that the pool membership should be limited to 4,800 people. When this amount is reached, it was decided that additional applications will be put on a waiting list in case of dropouts and also in preparation for the 1964 season. Announcement was made by Township Attorney James Cawley that it is expected that the rules and regulations ordinance for the operation of the pool will be introduced at the next meeting and that final hearing on the measure will be held in June.

The bid of David Lechter Distributors of Newark for 500 stack

chairs totaling \$3,475 was accepted. Others bidders were Hoffman & Boyle of North Hackensack and Colony Furniture Shop of Millburn, both at \$3,500.

Joseph Parillo of Springfield was designated to receive the lease for the snack bar concession. He agreed to pay \$1,000 rent plus 16.1 per cent of gross income. Other bidders on this item were Joseph Fiore of Springfield (\$1,000 rent plus 5 per cent of gross income) and William Pomerantz of Springfield (\$1,000 rent plus 8 per cent of the first \$3,000 gross per week and then 10 per cent after).

Other expenditures authorized included \$1,306 to the Burke concern for playground equipment, purchase of sporting goods for the playground for a sum not to exceed \$1,200 and uniforms for pool personnel for a price not to exceed \$300.

It was also reported that negotiations are under way for the purchase of a 15-foot piece of property from Commonwealth Water Co. to increase the driveway area at the poolsite and extend the property line so that there will be a larger area for the planting of trees for screening purposes and fencing.

# Copenhagen Mayor Visits Mayor Falkin In Springfield Tues.

The Honorable Urban Hansen, Mayor of the City of Copenhagen, Denmark, will pay a courtesy visit to greet the Mayor of Springfield, the Honorable Arthur M. Falkin. The meeting will take place on the Town Green, on Tuesday, May 21st, at about 3:30 p.m.

The visit stems from the location in Springfield of the Plumrose Company, a world wide food processing organization, who recently broke ground for a new plant, the first of its kind in the United States, for this Company. To commemorate that occasion, the Honorable Mayor of Copenhagen sent a gift to Springfield's Mayor, who immediately wired his thanks and extended an invitation for him to visit Springfield during his forthcoming trip to the United States, an invitation which was graciously accepted, with the result that the visiting Mayor will be afforded all of the courtesies that this Town has to offer.

Township Committeeman ??? and Saul Freeman, Executive Secretary of The Springfield Chamber of Commerce, have

been designated by Mayor Falkin to officially greet the visitors at the Jersey side of the Lincoln Tunnel, and a police patrol car will escort the guests to Springfield.

Mayor Falkin has already arranged for a reciprocal gift to be presented to the visiting Mayor which consists of a set of Placques commemorating the Tercentenary of the State of New Jersey due to be held in 1964.

In addition, the Springfield Chamber of Commerce, which has played an important part in arranging both the recent groundbreaking ceremony and the forthcoming visit of the Danish Mayor, will present an inscribed plaque in honor of the occasion.

Both radio and television media will be present to give as wide a coverage as possible to the occasion, after which a Press tour of the plant and a Conference will be held at the office of the Springfield Sun.

A visit to the site of the new Plumrose Building followed by a tour of the Town will be a part of the program.

It is expected that many prominent figures from both County and State will be present at the ceremonies.

## Judge Orders

zone, which allows other uses which will create or add to the same 'objectionable' results that will, or might, be caused by a restaurant is unreasonable, arbitrary and discriminatory. It is, therefore, an improper exercise of the zoning power. Although a municipality has power to provide for zones in which restaurants might be operated, it cannot, adhere, discriminate between such a use and other permitted or allowable uses".

The decision cited numerous cases and statutes in support of the findings by Judge Feller.

Mr. Zucker will be entitled to immediate use of the premises for a restaurant in view of the terms of the court's order.

That portion of the zoning ordinance which permitted restaurants in a general business area was eliminated and repealed by the Township Committee at a regular meeting held September 27, 1960.

## Live Better Electrically OUTDOORS

### With Appliances

Today, with portable electric appliances you can be a good cook outdoors as easily as you can in your own kitchen.

Electric appliances eliminate the need for a fire, the danger of flareups, and the nuisance of dirty smoke and emptying ashes. Electricity is ready at the flip of a switch, without fanning, coaxing or waiting.

### With Electric Lawn Mowers

Modern electric equipment such as a lawn mower makes grounds keeping a pleasure rather than a challenge. And, of course, with electricity there are no fuel worries, no oil to change, no carburetors to adjust and no carbon monoxide. In addition to the lawn mower, there are also electric hedge clippers and edgers, and for those with a green thumb, there are soil heat cables for hotbeds.

Ask your Reddy Kilowatt Dealer and Electrical Contractor to show you the many new products for better living outdoors. Ask them about the latest developments in outdoor wiring and lighting. They can help you plan to make an enjoyable use of electricity this summer and in the years to come.

## New Municipal Board Appointments Noted

Several new appointments were made to municipal boards and departments by Springfield Township Committee at the regular meeting Tuesday night in Municipal Building.

The resignation of Elliott Lichtenstein as a member of the Library Board was accepted and Milton Kapstetter of 39 Glenview Terrace was appointed to fill his place.

Mayor Arthur M. Falkin announced that Mr. Lichtenstein is moving from the community and said that his resignation was accepted with regret. "Mr. Lichtenstein has served us well," the mayor said and instructed Mrs. Eleonore Worthington, township clerk, to send him a letter of appreciation.

It was reported that Mr. Kapstetter is a former member of the Springfield school board and is chairman of the language department at Weequahic High School, Newark. He will fill the unexpired term which ends December 31st, 1967.

Harry E. Monroe was re-appointed to a four-year term on the Board of Tax Assessors on the recommendation of Wilbert W. Layng, secretary of the Board of Tax Assessors. Term will begin July 1st.

John S. Donington was appointed as assistant director of recreation at a salary set by ordinance and commencing immediately. It was explained that

the recreation program has expanded and the recreation director is doing a "tremendous job" and is overburdened. Mr. Donington has been assisting Director Edward Ruby part time for some time, it was reported.

Names added to the municipal's Tercentenary Committee were: Miss Jane Cunningham, William Quinlan, Mrs. Helen S. Keller, August Caprio, and Mrs. Christian Oehler. Mayor Falkin said that the township program will be in accord with the overall state program in connection with the 1964 tercentennial celebration of New Jersey. "After two committee meetings, our program is moving very nicely and should be appreciated by all the people of town," he reported.

Appointment of Detective Leslie J. Bell to sergeant effective July 1st was approved and First Class Firemen Ronald T. Johnson and John R. Branning to captain effective July 1st was also authorized. Recommendations were also accepted for the promotion of probationary Patrolmen Lowell Hardy and Robert Kellerman to third class patrolmen effective June 1st.

## Telstar Exhibit At Springfield Industrial Fair Set For June 6-8

Springfield entered the space age with the successful orbiting of Bell Laboratories' first communications satellite, TELSTAR—and the story will be told dramatically at the Springfield Industrial Fair to be held in the Dayton Regional High School June 6th, 7th, and 8th, 1963.

Bell Labs. chose the thermistors made by Victory Engineering Corporation of Springfield to detect and relay vital temperature information from the satellite while in orbit. Vic-

tory will exhibit a model of the now-famous TELSTAR plus other equally amazing feats of their research, development and production facilities—considered among the largest and finest in the country.

The Industrial Fair, to be held in the modern gymnasium of the High School, will feature exhibits and demonstrations by other industries in Springfield that will be just as spectacular in their respective fields and just as interesting to the public.

For example, another company

responsible for supplying the ways and means to move things around the world is Elkay Products Co. of Springfield, a leader in manufacture and design of furniture pads and covers and one of the country's largest distributors of moving, storage and supplies and material handling equipment. Elkay will display and demonstrate many of the unique devices and products that permit safe, sure ways to move and store anything, anywhere, from a massive 3-story computer to a dainty flacon of lady's perfume.

The Fair will offer many hours of enjoyment to adults and children. The Industrial Fair Committee, under the co-chairmanship of Sidney Piller and Harvey A. Schramm, has planned an entertaining, as well as an educational Thursday and Friday evening and Saturday afternoon.

Of the 35 companies participating in the Fair, a number have generally indicated what they intend to present to the public: The Plumrose Food Co., a recent addition to the Springfield Industrial complex, will distribute samples of their famous, quality food products; New Jersey Bell Telephone Co. will invite the public to participate in demonstrations of latest telephonic equipment; Celantano Bros. will serve free, prepared samples of their delicious cheese and macaroni products; and E.I. Du Pont—DeNemours will present interesting displays and demonstrations of the many new, protective and beautifying paints developed in recent years.

Other companies with equally interesting exhibits include: Public Service Electric and Gas Co., Commonwealth Water Co., Springfield Tool and Die Co., R. Meeker Co., Fravessia-Lamont, Doggett-Pfeil Co., Richard Best Pencil Co., Industrial Woodwork, Packed Column Corp., Lu-Max Mfg. Co., The Polyvinyl Corp., Universal Cyclops Steel Corp., The National State Bank of Springfield, Friden, Inc., E. H. Sargent & Co., A. Peinhardt Co., Roselle Screw Machine, Powers Regulator Co., General Electric Co., Brundy Electronics, R & M Pattern Works, Murray Construction Co., Jersey Central Power and Light Co., Crestmont Savings and Loan Association, and the United States Post Office.

The Springfield Town Fathers will be well represented at the Fair in the persons of Mayor Arthur M. Falkin and the entire Township Committee, the Springfield Chamber of Commerce, and, of course, the Springfield Industrial Committee under the chairmanship of S. Seymour Cohan. Other well-known personalities will appear.

The Fair will also be the occasion for awards to the winners of the poster and statement contests now going on in the Springfield schools.

Admission to the Fair is Free and everyone, especially Springfield residents, are urged to attend and see first hand how local industry contributes to a happy, prosperous, and a truly well-balanced community.

Representatives of industries now located outside Springfield will receive full facts about available industrial sites in the community at special booths erected for that purpose.

For additional information about the Fair, write the Springfield Industrial Committee, Attention: Industrial Fair Committee, Town Hall, Springfield, N.J.

## Agrico WEED CONTROL with FERTILIZER

Destroying broadleaf weeds can be as easy as taking a walk. Simply spread granular Agrico Weed Control with Fertilizer. The herbicide content kills Plantain, Dandelion, Buckhorn, Shepherds Purse and other broadleaf weeds. The fertilizer, formulated with slow-acting nitrogen, provides a feeding that encourages the grass to fill-in bare spots left by dying weeds. Your whole lawn benefits when Agrico Weed Control is in your lawn maintenance program.

## Navy "Rips" To Feature Oratory Athletic Dinner

A pair of Navy football "Rips" will highlight the annual athletic dinner of Oratory School Thursday, May 23, at 7:30 p.m.

E. E. "Rip" Miller, assistant athletic director and long-time coach at the Naval Academy, will be the featured speaker. He will be introduced by Summit's Loree "Rip" Collins, Navy's football scout for this area, who formerly

Loree "Rip" Collins

played football under Miller at Annapolis. Collins is a former Oratory student.

Athletic Director Thomas Scitler said the school's athletes in all sports would be honored for their efforts in behalf of Oratory during the year. Parents and friends will be present to see varsity letters awarded by the following coaches: football, Gerald Conway; basketball and baseball, Cicalese; indoor and outdoor track, John Byrne. Season highlights will be shown on film.

Salvatore Scitler is dinner chairman for the sponsoring Oratory Fathers Club. The committee includes the club's officers: President Sig Higgins, who will be toastmaster; Vice President Albert J. Benninger; Treasurer Joseph Yannotta; and

Secretary Carl Bottomley. "We are fortunate to have a man of Rip Miller's calibre appear before our young athletes," Benninger stated.

Miller has been associated with the Academy's athletic program since 1926. He is the top civilian in the Navy athletic program, with the post of athletic director traditionally filled by a Navy officer and Annapolis graduate.

The guest speaker was a member of perhaps the most famous college football team of all time. Under Knute Rockne, he was the right tackle on the "Seven Mules", which cleared the way for the fabled "Four Horsemen" at Notre Dame. In 1924, that "Fighting Irish" team was the national champion and buried Stanford in the Rose Bowl.

Miller was head coach at Navy in the early thirties until the Academy established a requirement that the post must be filled by an Annapolis graduate. For many years thereafter, he was line coach, in which capacity he developed several All-Americans. Since named to his present position in 1948, he has further strengthened the Navy athletic program, helping develop such

E. E. "Rip" Miller

athletes as Heisman Trophy winner Joe Bellino.

During World War II, Miller served on active duty with the Naval Reserve as a commander.

In 1958, he was honored by the Naval Academy Association of New York for his "outstanding service, loyalty and devotion to the United States Naval Academy."

## Tele-Mail Opens Eastern Office In Woodbridge

TELE-MAIL, a new concept in stenographic services for those who do not need a full time secretary, is the ideal answer for salesmen, manufacturers' representatives, attorneys, or even executives who need to lighten the work load on their secretarial forces.

Located at 149 Bucknell Avenue, Woodbridge, Tele-Mail cuts

the cost barrier by offering rates at less than half of the usual stenographic services. Billed at the rate of 6¢ per line (with an approximate ten word line) an average 14 line letter would cost approximately 84¢.

As fast as you can dial ME, 4-8730, you are speaking to a secretary, guaranteed to notate your dictation at 120 words a minute. Within minutes the letter, transcribed on an I.B.M. typewriter, is delivered and posted at the nearest Post Office, and a copy mailed to you with an invoice for your personal

records.

Specializing in legal correspondence and instruments, sales reports, inquiry replies, purchase orders, confirmations, invitations or thank you letters, and all private correspondence, Tele-Mail by-passes the usual proofreading for the employer and avoids bulky dictating equipment, besides savings in office supplies, and hiring of part time personnel.

For its official opening, Tele-Mail offers the services of a professional executive secretary at no cost whatsoever — the first letter is on the house. Miss Jones, take a letter!

For further information, call ME, 4-8730.

The Westfield store will be managed by Mr. James Dalton, who has many years of carpet experience with Brehm's, and a complete knowledge of all phases of carpet sales and services.

## Tele-Mail

"FOR INSTANT DICTATION"

Any telephone—anywhere—can be your dictating machine, and a typewriter, office boy . . . and a direct pipeline to the Post Office that puts your thoughts in the mail within minutes after you dictate them.

### HOW Tele-Mail WORKS:

1. Pick up a phone and dial ME 4-8730.
2. Dictate your letter or message. (A skilled executive secretary takes your thoughts at a guaranteed rate of 120 words per minute, then reads back your message to assure letter perfect copy.) That's all there is to it at your end.
3. The moment that you hang up, your confidential TELE-MAIL secretary transcribes your message on the attention-getting TELE-MAIL letterhead, or your letterhead, using an IBM electric machine.
4. Within minutes, your correspondence is taken to the post office in an addressed envelope or your envelope—stamped for delivery by regular air mail or special delivery as you instruct.
5. At the same time, a copy is mailed you with an invoice for your records.
6. YOUR FIRST MESSAGE IS ON THE HOUSE! If you are not completely satisfied with TELE-MAIL service, you are in no way obligated to use us again. No salesman will call. In either event, your first message is FREE (first class mail).

**Receives Fellowship Barber Shop Quartets To Benefit Hemophilia**

**Victor Goldberg**

Victor Goldberg, son of Dr. and Mrs. Albert L. Goldberg, of 42 Orion Road, Berkeley Heights received a Fellowship to Yale University Graduate School in New Haven, Conn.

Mr. Goldberg was graduated from Jonathan Dayton Regional High School in Springfield and was the recipient of the National Merit Scholarship sponsored by National Starch and Chemical Company.

In the summer of 1962, he worked for the Economics Department at Oberlin College

The Summit chapter of the national "Society for the preservation and encouragement of Barber Shop Quartet Singing in America, Inc." will give a benefit performance for the Central Jersey Hemophilia League on Friday, May 31st.

The Summit group known as the "Summitones" is composed of fifty male voices. The members represent all ages and occupations and sing for their own enjoyment as well as for all who hear them.

Mr. Emerson W. Glancy, president of the "Summitones", has prepared an entertaining program and has invited visiting quartets who rank high in national competition to help raise funds for the Hemophilia League.

Arthur A. Manner, local representative and Vice President of the Central Jersey Hemophilia League explained that funds are needed to prepare frozen plasma and conduct research in an effort to find a means of arresting uncontrolled bleeding in a Hemophiliac. He suggests the reading of "They Live on Borrowed Blood", an article by Robert Masse appearing in a recent issue of "Post" magazine.

There is no known cure for Hemophilia, to date the most ef-

fective control is the infusion of large quantities of frozen plasma or whole blood. A local boy recently used 250 units of plasma in eleven weeks. Unprovoked internal bleeding often occurs in joints and internal organs as well as external bleeding from minor injuries.

The benefit is to be held at Governor Livingston High School in Berkeley Heights on Friday, May 31st, at 8:15 P.M. Tickets are \$2.00 and are tax deductible.

For an enjoyable and entertaining evening call 464-0033 or PL-5-0694 for tickets. Your enjoyment will help some boy live a more normal life.

## Three Conventions Set By Witnesses

"It will be three conventions instead of two for the United States this year," Mr. Donald Parker, presiding minister of the Berkeley Heights Bible Study Group, announced last night. This came as a surprise to the congregation as Mr. Parker read the announcement from the Watchtower Bible and Tract Society, convention sponsors.

"Milwaukee has been added to New York and Los Angeles," Mr. Parker said. "This became necessary due to limited facilities in New York. The new stadium for the New York Mets baseball club is not completed, and thus the Polo Grounds will not be available for our use," he added.

According to Mr. Parker the majority of the congregation will be traveling to New York for the 8-day gathering which will be held July 7-14 in Yankee Stadium. A crowd of 125,000 is expected for the New York meeting.

"This will be our sixth convention in Yankee Stadium since 1950," Mr. Parker pointed out. "Following the New York gathering," he continued, "We will begin a series of conventions around the world. There will be 22 in all which will take some 550 delegates from the United States and Canada to Europe, Asia, Australia, Philippines, Hawaii and back to the United States for the Los Angeles convention in just sixty days."

"We expect 1963 to be one of the outstanding years in our history," Mr. Parker said. "Our congregation along with all the other congregations of Jehovah's Witnesses world wide will be working 100% to accomplish this," Mr. Parker concluded.

## E. V. Walton PTA Honors Murray

In recognition of outstanding and faithful service performed in the interest of the welfare of children and youth, the Edward V. Walton PTA of Springfield presented Daniel R. Murray, Principal of the Walton School and Assistant Superintendent of Springfield Schools with an Honorary Life Membership in the New Jersey Congress of Parents and Teachers.

The National Life Memberships were established in 1899 for the purpose of increasing the Endowment Fund of the National Congress. Because the use of the Fund has always been limited

to its accruing interest, the accumulating principal has become a stabilizing factor in the extension and development of parent-teacher work.

The presentation includes a Life Membership card entitling the honored recipient the privilege of attending the State Convention as a voting delegate, invitation to the annual Life Membership Dinner, which is one of the highlights of the convention, a life-time subscription to the New Jersey Parent-Teacher magazine, a certificate of membership and a pin.

# Fashion Sets A Merry Pace In Summertime Leisure Wear

Fashion sets a merry pace at Hahne & Company in Newark in Summer and Vacationtime Sportswear Fashion Shows...being held on WEDNESDAY, MAY 22 at 12:30 noon and 6:00 P.M....and SATURDAY, MAY 25 12:30 noon.

On land or sea - at home or abroad - there are great new looks in care-free fabrics for spectators and active participants in golfing, tennis, boating and swimming. Sightseeing separates whatever the route lead many lives and attract attention. For patio parties, after-five hostesses, and yachting parties there is a gay, colorful collection of ankle-length dresses in calico prints, exciting long striped skirts, and pyramid tents that have the spark of summer lighting.

Exciting news for golfing gals is the new coordinated collection of Arnold Palmer golf clothes. Enhanced by the personality of this generation's greatest golfer are specially designed golf shorts, shirts, skirts, culottes and jaunty fedora hats - many with the ingenious patch "Palmer Pocket" with zipper section and hidden removable tee holder.

Boating red-white-and-blues in nautical separates sail into summer on a fashion wave of cotton knits and ducks. Tennis dresses are gracefully styled for plenty of action and there's a new group of tennis separates that feature the short, short pleated skirt - knit shorts and marvelous sweaters.

Outstanding is the tropical splendour of an exclusive collection of Hawaiian prints in vivid colors - exotic, exciting and beautifully fashioned in Hawaii into sarong and two-piece swimsuits, beach and patio shifts, sun dresses, and stunning after-five sheaths with low cut backs.

Weekend wardrobes and vacation togs pack a fashion wallop in match-ups, switch-about, and double-the-fun reversibles in calico, denim, seersucker and cotton knits. Culottes and wrap skirts - the hits of the year - wear a variety of guises for bowling, strolling, golfing, cycling, lounging and ad infinitum. Dresses are wildly exuberant and beautifully classic in shifts, -casuals and mad, mad Madras.

Beachwear is a galaxy of brilliant color and the striking contrast of black, grey and brown in wonderful looks for splashes - swimmers - and sun-loving beach people from cover-up swim suits to brief, sassy two-piecers. Stripes, plaids, floral prints and solid colors rival the sun in sleek maillots, sarong drapery, easy fit overblouse and hip hugger suits...and the new femininity of the graceful swindress, mercifully skirted.

The shift is into everything - beach cover-ups, silly dilly dresses, and patio pyramids.

The Fashion Shows will be held on the Fashion Floor at Hahne & Company in Newark and present a rollicking, fun-loving, gala

## Chatham Woman Star Overlook Volunteer

A little old lady-not dressed in blue, but clad, instead, in the soft rosy red of the Overlook volunteer uniform-was honored at the Overlook Volunteer Tea on Tuesday evening, May 14.

Almost 79 years old, Mrs. Marguerita Reynolds of 190 Chatham Street, Chatham, is one of Overlook's oldest volunteers. She is one of its most devoted, too, in hours of service-a grand total of 2,500 hours go to her credit.

Known and loved by all the staff at Overlook, Mrs. Reynolds gave three days a week to the hospital until a recent accident, which made her a patient at the hospital she knows so well.

"I never dreamed that every hour given Overlook would be so well repaid," said the little, white-haired volunteer. "I'll never forget the excellent care and kindness - the visits from so many friends. I just can't say thank - you enough," she said in her sweet, soft voice.

Mrs. Reynolds still manages to get to Overlook a half a day a week. And she makes up for the rest of the time by working on hospital projects at home. Her favorite home activity now is cutting out materials for the Diversional Therapy Cart at the hospital.

The Volunteer Tea was held also to honor Overlook's 1500 in-service volunteers and to thank them for the 83,000 hours of their time contributed last year.

## RE-VIEWING THE PAST

By Don Palmer

### SPRINGFIELD IN THE CIVIL WAR

Among the items in the historical collection of the Springfield Public Library is a journal or minute-book of Edward H. Wade Post #96, Department of New Jersey, Grand Army of the Republic. It covers a period beginning with the organization of the Post, on August 10th, 1885, and ending March 23rd, 1892.

The organization meeting was held in a hall above Bonnell's store, on Millburn Avenue, in Millburn - about where the motion picture theatre is now. It was sponsored by representatives of G.A.R. Posts # 1 and #12, presumably of Millburn, as the name of Dr. E. T. Whittingham, who lived where the Lord & Taylor store is now located, is among those listed. The "Chief Mustering Officer" was Philip E. Tufts.

The record gives the names of thirty-five Springfield "candidates" to be mustered into the G. A. R. and it seems worth while to list them here, as apparently there is no other record. There is no monument or memorial of any kind to the men from Springfield who served in the Civil War, with the exception of a tree in a little island at the Main Street end of Academy Greene, between the Public Library and the Methodist Church, with a small bronze tablet beneath it, to the memory of Captain Edward H. Wade, whose name was chosen for the new Springfield Post. And the original tree, which was replaced in 1955, and the tablet, were furnished by a New York G.A.R. post, also named for Captain Wade, in 1885.

Tree planted in Academy Green, in 1885, to the memory of Captain Edward H. Wade. The tablet, now at the foot of the tree, was originally mounted on the circular iron fence, which was removed about 1930. Picture about 1895. (Springfield Library Collection)

### THE SPRINGFIELD VETERANS

Of course it is quite possible that there may have been living veterans who did not join the Springfield G.A.R. post and there may have been others who lost their lives in the War, as Captain Wade did, but the following are those listed as members: W.R. Ayers, William Taylor, Reuben G. Marsh, Daniel Mc Geenan, E.M. Barber, Martin Splan, Alfred Lushear, Washington Lyon, Bernard Splan, William H. Ford, Abram J. Colster, George W. Swain, Thomas B. Henderson, Richard Duckert, John Swain, Daniel C. Day, J.J. Hoff.

CAPTAIN EDWARD H. WADE (Nov. 25, 1837 - Oct. 5, 1862) Son of Jonas and Mary Meeker Wade, of Springfield. Died of wounds incurred in the Battle of Antietam, September 17, 1862. (Springfield Library Collection)

Josiah G. Shipman, Horace De Hart, Roger Marshall, Samuel B. Parsill, L.T. Howard, Antonio Sapernio, Henry Marshall, Theodore E. Squire, Caleb Van Wert, Job Swain, William Dillon, J. Drummon, J. Williams, J. Splan, George B. Yeager, James Crenney, Moses Swain and William Shopter.

Among the first officers elected by Edward H. Wade Post #96 were: Post Commander - J.J. Hoff; Senior Vice-Commander - Horace De Hart; Jr. Vice-Commander - Thomas B. Henderson; Adjutant - W.R. Ayers; Quartermaster - Reuben G. Marsh.

### Those Who Serve

### THE PUBLIC HEALTH NURSE

she goes where she is needed . . .

The public health nurse is a key member of the community.

Her duties are to translate scientific knowledge into everyday health practices and find ways to help members of the community work together for better hygiene.

To qualify for her job she graduated from a school of nursing and passed a rigid examination to be licensed as a registered nurse.

The public health nurse is employed by a tax-supported service or a voluntary agency. Her duties take her to homes, industrial plants, schools, clinics, and offices.

She visits expectant parents to prepare them for the coming of a baby and, after its birth, shows the mother how to care for the infant. She helps a crippled child learn to walk, and teaches the parents patience. She gives nursing care to a bedridden grandmother who is alone all day. She assists in the community clinic, she even helps the handicapped find jobs.

The public health nurse performs these and many other tasks which enable members of the community to become increasingly effective in maintaining good health.

# "My Three Angels" Comedy Includes Meyer, Garwacki And Trinity In Lead Roles

"My Three Angels," a three-act comedy, which is being presented by the Dayton Teachers Association is undergoing intensive rehearsals under the direction of Mr. William A. Herring, Jr. for its debut at the Jonathan Dayton Regional High in Springfield at 3:30 and 8:00 pm, Friday, May 31.

"My Three Angels" is a showcase of faculty talent and acting experience. Mr. Robert J. Meyers plays the part of "Jules" with a cultured, classical sophistication that is perfect. Mr. Meyers graduated from Holy Cross University with a classics major and did graduate master's work at Fordham University. His acting experience includes the roles of Richard II and Julius Caesar at college. He also did "The Velvet Glove" with the Theatrical Players at the Little Theater in Worcester, Mass. Mr. Meyers teaches Latin at Dayton and is entering his fifth teaching year. Previously he taught at

Bound Brook High School.

The casting of the second victim or "angel" was a stroke of genius. Mr. Walter A. Garwacki who portrays "Joseph" is natural for the role which Walter Slezak created on the Broadway stage. "Joseph" is the sly, cunning, sentimental, and shrewd "angel" who performs magic feats with account books and business transactions. Mr. Garwacki graduated from St. John's University in Brooklyn and has been teaching at Dayton for the past three years. Mr. Garwacki, like Mr. Slezak, specialized in musical comedy in his hey-days. Mr. Garwacki's performances as the "End man" in the St. John's University minstrel shows made him a big man on the campus. His most famous role was the classic "Count of Krakow" which he could perform in English or Polish.

The part of the third "angel" is played, naturally, by Mr. Joseph F. Trinity, whose credentials include: BA and MA in Drama from Catholic University in Washington, D.C. He participated in the Philadelphia Children's Theatre Guild, Quarterdeck Theatre in Atlantic City's summer stock, and toured Europe as MC of a variety show for the US Army in 1954-55 and 56 and was director of the special service of his army unit. Mr. Trinity directed senior plays and musicals at Dayton Regional which included: Dobbie Gillis, Dino, January Thaw, Diary of

Annie Frank, Stardust, Student Prince, Carousel, Red Midd, Boy Friends, and Once Upon a Matress. Mr. Trinity also had a bit part in the movie "My Son, John" while in college. Darren McGavin's portrayal of "Alfred", the third "angel" gets stiff competition from the ubiquitous Mr. Trinity.

Tickets are on sale at the school for \$1.00 and the proceeds will be used to sponsor a scholarship fund for future teachers.

## Trinidad Theme Of Dinner Dance

A "Night in Trinidad" supper dance sponsored by the Summit chapter of Hadassah will be held Saturday, May 25, 1962-9:30 p.m. to 1 a.m. The evening's festivities, which will be held at the Jewish Community Center, Kent Place Blvd. in Summit; feature Calypso entertainment and music, a midnight supper and a West Indian bar.

Music by Ram Jim and the Calypsonians will set the mood; they feature authentic Calypso singing. A Limbo dance artist will do the dance and conduct a Limbo contest. There will be prizes

courtesy British West Indian Airways and Trinidad-Tobago Tourist Board. The performers are currently appearing at the Cafe Bazaar in New York City.

Drums, and hanging straw baskets with flowers will set the scene for an island night. Guests are invited to wear colorful, informal clothes. A special treat will be door prizes by Larry Faber, New York artist, of 4 pen and ink sketches on the Calypso theme. Other door prizes will be awarded.

For tickets and reservations call: Mrs. L. Pamm, DR 6-0501, Mrs. F. Baroff, 237-8540, Mrs. J. Shaw, 464-3106, or Mrs. M. Luray, 464-0190. Tickets are \$10.00 a couple and the proceeds will benefit the Hadassah medical organization in Israel.

Those who received these awards were Nancy Rosenquest, from the sixth grade at Deerfield, Tina Schiefelbein, from the fifth grade at Echobrook, and Joanne Hansen, Barbara Hofert, Sally Parrigin and Betsy Sydnor, fourth-grade pupils at Echobrook.

These students were taught by Ella Mason Ahearn who has charge of the piano classes in the Mountainside Schools.

## Bike-Rack For Pool Donated By Jaycees

The Springfield Junior Chamber of Commerce is to be congratulated for their part in making the Springfield Swim Pool a valuable asset to our community. The Jaycees were the first of the many Service Clubs, business men and women, industrialists and professional people in town to donate equipment for the new recreational facility.

The Junior Chamber, constantly interested in the safety and well being of the youngsters, has donated a bicycle rack to be used at the pool site. This is their manner of presenting Springfield's children with a safe and orderly area for bicycle storage.

This fine group of young men has initiated a program to provide the many additional pieces of equipment required to assure a well organized and well equipped recreational area.

The pool membership has now exceeded all initial forecasts. The success of the first year's operation has been guaranteed by all who have subscribed.

The Jaycees have now launched another important phase of the overall program established by the Swim Pool Committee.

## 'Pipssissawa Way' Name Change Sought

The following communication was received by Springfield Township Committee from Edgar Otto of Berkeley Road.

"I should like to propose at this time a suggested name change. The name of the street presently is designated Pipssissawa Way.

"At present there are no homes on this street, as a matter of fact there is no street yet, just a dirt road. The developers are under contract to me to erect a home on this street.

"I think it is rather obvious why a change would be desirable and so I will not go into detail as to reasons for a change.

"I should like to propose the names of Timber Acres Road, Briarwood Road or Birchwood Road as suitable alternatives in that order.

"Any consideration given the above proposal would be appreciated."

At its Tuesday meeting township Committee agreed to refer this request to the fire chief. "He has the immediate problem with names," it was pointed out. His opinion will be sought on the matter. Names are usually first given to streets by the developers it was explained after the meeting.

## Iris Conklin On All State Band

Tryouts for the All State Central Region 2 Intermediate Symphonic Band were held on April 27th at the Hubbard Jr. High School in Plainfield.

Iris Lyn Conklin, clarinetist, was selected to represent Springfield in the band when it gives its annual concert on May 26th at Governor Livingston Regional High School under the direction of Mr. Richard Koons.

Iris is the daughter of Mr. and Mrs. Theodore Jesse Conklin Sr. of 23 Baltusrol Way, Springfield, and is a member of the Advanced Orchestra at the Florence M. Gaudineer School.

AN ORDINANCE FIXING THE SALARIES, PAY OR COMPENSATION OF THE EMPLOYEES OF THE SWIMMING POOL UTILITY OF THE TOWNSHIP OF SPRINGFIELD, IN THE COUNTY OF UNION

### TEEN TALK

by Edie Bell

On Friday night, May 10, the Annual Spring Concert, presented by the music department of Dayton Regional, was held in Halsey Hall. A large, enthusiastic audience listened to many popular

numbers, including selections from "West Side Story" and the "Sound of Music", presented by the Choir, Chorale, and Girl's Glee Club. Everyone agreed that it was a "job well done."

On Thursday, May 9, French students from Regional went on a trip to New York City to see

the French Comedy Troupe's presentation of the "Marriage of Figaro". The student's knowledge in French provided for an enjoyable afternoon and a very worthwhile excursion.

The Future Teacher's of America Club held its annual cake-sale in the cafeteria of

Dayton Regional. On Thursday, May 9. Due to the efforts of the members and the help of their mothers, the sale proved to be a tremendous success. The club would like to thank the student body for its enthusiastic response.

Be sure you don't miss the

Spring Band Concert, presented by the instrumental music department of Regional, next Friday night at 8:00 o'clock in Halsey Hall.

## Springfield Junior Baseball League

The second week of the 1963 Junior Baseball League season was once again interrupted by rain and cold weather forcing postponement of scheduled games of Thursday and Saturday. However those games that were played proved to be exciting and well played games of baseball. The results by divisions are listed below:

**I Babe Ruth Majors**  
Last weeks results:

Elks 7 Haydu 1

The Babe Ruth Major League was only able to get in two games the past week due to bad weather. The Haydu team beat Angelton 14 to 0. The power for the Haydu team was supplied by a Home run by Greenberg, Sammond 3 for 3, and Finnity with 3 hits. Stu Falkin came in for a good relief job at pitching. Azareurcz played a good defensive game for the Angerton team.

In the other game Elks beat Haydu 7 to 1, behind the fine pitching of Bobby Gartlan, Paules & Muller were the big guns for the Elks.

Stu Falkin did a good relief job at pitching for the Haydu team, with Hydock making a sensational catch in the field and throwing a man out at home.

**II Babe Ruth Minors**  
Drexel Cleaners entrenched themselves solidly in first place last week by battering Bunnell and Nagel, while Park Drugs nailed down the second spot with a victory over Gem Shoes.

Lions Club finally got two games in, winning their opener with Nagel and dropping a decision to Bunnell Bros.

Drexel received good pitching from Ira Rutkow and Steve Tasher to hold the opposition in check, while their power hitting provided more than enough runs.

A well balanced Park Drugs team looked very good, taking over second place, and while losing one of their top players "Big George" Bucsek to the Majors, still have enough left to finish on top if they continue their excellent team effort.

We hope that better weather will bring out more parents to the games. It means a great deal to the teams involved and is a lot of fun for all.

## Legal Defense Fund Gets Contributions

Mrs. Leonard Harris and Mrs. Philip Lewis, co-chairman of the "Freedom Clergymen's Legal Defense Fund" announced that they have already received contributions totalling over \$400.00. The monies are being used to help defray the expenses of the clergymen who were arrested as a result of their Freedom Ride and prayer pilgrimage in Albany, Georgia and Tallahassee, Florida.

In Albany 75 religious leaders were arrested. These included 10 Rabbis, 51 Protestant Ministers, 8 Catholics and 6 women religious leaders. One of these clergymen is Rabbi Israel S. Dresner of Temple Sharey Shalom, Springfield, who personally spent \$1,100.00 in defense suits. The case of Dresner vs Tal-

The boys in the youth Majors continue to display a fine brand of baseball as exhibited by the scores from last week's games. Richie Campbell of Rotary followed-up his perfect game of the week before with his second straight shut-out, a 3 hit 7 to 0 victory over Jayne. The hitting is beginning to pay off for such teams as Rotary and PBA who lead the league. Crestmont, last year's leader, finally broke into the winners column with a 13 to 2 assault on the Lions. The Lions are beginning to show some hitting skill and with a little better pitching should start upsetting the leaders fairly soon.

**IV Youth Minors**  
The first round of competition is coming to a close and the boys begin to play for keeps this week. However, this year the emphasis is the Minors, strictly as a training area to teach the boys the fundamentals of baseball. The first round of competition has revealed the Elkay and Chamber of Commerce teams as the strongest divisions in the National League Division with the National State Bank and Community Shop teams as the likely leaders in the American League Division. However, since there is still the possibility of sending some boys to the Major League before the second round starts both divisions could be fairly wide open. The brand of baseball played by those boys, other not as spectacular as the other divisions, still is exciting and interesting to watch. Each game the boys develop more and more as potential Major League baseball players. With the emphasis more on learning rather than winning the boys seem to be getting a lot more out of the game. We hope that the parents of the boys in this division will understand and not get over-zealous about the boys team winning. We want the boys to learn, winning will follow if the skills the boys learn are properly applied.

Tallahassee which is the appeal of the conviction of 10 clergymen (8 Protestant Ministers and 2 Rabbis) has been accepted for an October hearing by the United States Supreme Court.

Contributions may be sent to Mrs. Harris at Cottage Lane, Springfield or Mrs. Lewis at 385 Milltown Road, Springfield. Checks are to be made out to the "Freedom Clergymen's Legal Defense Fund."

## Roll Captures First In Union County Shot Throw

A first place effort by junior Charlie Roll highlighted a busy week for the Dayton Regional track team. Roll tossed the shot put 52' 7 1/2" in the Union County Outdoor Meet to defeat favored Earl Vigne of Westfield by nearly a-foot. The track team also participated in the Long Branch Relays Saturday, and defeated the Rahway Indians, 69-48, in a regular meet.

Roll's victory highlighted an otherwise disappointing day for Dayton, as Bulldog standouts Hank Sobolak, Pete Constanca, Les Davis and others failed to garner any points other than Roll's five. The Long Branch affair was even more disheartening, as Springfield failed to place in any of the events.

The track squad upped its regular season record to 5-3 with the win over Rahway. Dayton swept one event in the meet, the mile run, Glen Thomas won it in 4:50.2 time, Dave Macmillan took second and Jack Everett was third. Other Springfield firsts in the meet were claimed by Pete Constanca in the half, 2:06.1, Hank Sobolak in the broad jump, Mac Binstock, 9'6" in the pole vault, Lee Bowman in the javelin throw, 151' 11", and Roll in the shot, 49' 10 1/2", and discus, 125' 7". Sobolak's leap was 20' 1", the best Dayton jump of the year. Second finishes in the sprints were by Dan Ginter in the 100, Sobolak in the 220 and Bob Haas in the 440. Pete Creede had a second in the low hurdles, and Jack Moore was behind Constanca in the half. Sophomore Mike Adickman had a second in the shot, and another soph., Gary Wood, was runner-up in the javelin.

Toll is an agriculture student from Berkeley Heights, and is

the starting center (6'1", 195 lbs) for the Dayton football team. Charlie's best toss up to date is 53 feet, and he has hopes of topping 56 in competition next spring.

## Bill Kretzer Pitches Dayton To Wins Over Roselle, Plfd.

The Dayton Regional baseball team made it 13-0 Monday, with a 4-2 victory over Roselle, after having crushed Plainfield in the quarter-final round of the Union County Conference Tournament by a 15-4 margin. Big Bill Kretzer went the rout in both affairs, without allowing a single earned run, to gain his sixth and seventh triumphs of the year. Steve Berger and Danny Mascaro clouted two run homers to highlight a 12 hit attack against the Cardinals Thursday, while Butch Bell connected for another four bagger in the Watchung Conference win over the Rams.

The game against Plainfield was a wild affair. The Cardinals had knocked off Clark by a 22-3 margin earlier in the tourney, and had hopes of ending the Springfield win streak at 11. In the second frame Bell reached base on a hard hit single, and Berger promptly belted one of Ron Davis' pitches to left-center for a round tripper. Mascaro continued his phenomenal hitting barrage of late with a double in the third and homer in the fifth to lead the Bulldogs to an 8-0 lead.

But Plainfield roared back to pull within four in the bottom of the fifth. Errors by Berger aided the Cardinal rally, but with two outs and the bases full, Kretzer bore down to get the side out and what was to be the start of a brief but crowded brawl. The final Plainfield batter of the inning hit a sharp grounded in-between Francis and Berger. The two infielders collided, and the runner on third scored as all hands were safe. But the runner

that had been on first rounded second too far, and Jack Appgar got the ball from Berger and ran the mah to third. Then, John Lombardi got caught in a rundown between third and the plate. Appgar tagged him out and the base runner promptly tackled him, to start a fight that cleared both benches but continued briefly.

Regional erupted for seven insurance runs in the top of the final inning, paced by Joe DiMario's and Bob Rahnenfuhrer's triples, and Denny Francis' double.

Kretzer struck out six and walked three, while Francis, Mascaro, Urquhart and DiMario collected two hits apiece.

On Monday Springfield played the rain-out game of April 30th, with Roselle. Ace Sal Riggi went against Kretzer, and retired six in a row, three by strike-outs before Bell crashed a tremendous home run to lead off the bottom of the third. Riggi's downfall was his inability to get the ball over the plate while facing weak hitting Kretzer, and as a result, Big Bill scored two of the four Dayton runs.

After Bell's homer, Kretzer and Rahnenfuhrer walked and Francis doubled Kretzer home.

Roselle scored single runs in the third and fifth on throwing errors by DiMario and Francis. With the score knotted at 2-2 in the bottom of the fifth, Kretzer walked again, Rahnenfuhrer

singled him to second, Francis singled Kretzer in and Rahnenfuhrer to third, and little Bobby scored on Dan Mascaro's sacrifice fly.

The Bulldogs are now 8-0 in the Watchung Conference, and were scheduled to face Thomas Jefferson of Elizabeth today, in the semi-finals of the UCC Tournament. The rained out home affair with Clark has been rescheduled for May 23rd. Springfield invades Westfield tomorrow for a Conference tilt with the Blue Devils.

## Heights Lady Golfer Scores Hole In One

Mrs. Lawrence E. Oxley of 87 Berkshire Drive, Berkeley Heights, shot a hole-in-one at Pennbrook Golf Club on Monday, while playing a round with Mrs. Bettye March of New Providence.

Mrs. Oxley, the first woman golfer to achieve the feat at Pennbrook, gained the ace on the 165 yard 16th hole with a 5 iron.

The ace was garnered by Mrs. Oxley in her second time out this year. She has been golfing "on and off" for only four years and was "delighted" to score the hole in one.

She said she is going to "retire that ball though I plan to continue using that 5 iron".

The hole in one by Mrs. Oxley is the first reported this year at area golf courses.
